Home From War

CAPT. COLE, VETERAN OF PACIFIC, HERE

To Capt. William R. (Raymond) Cole, just back from 41 months service with the Army in the Southwest Pacific, it seems that the American people are over enthusiastic as to the speed with which the Japs can be whipped after the war is over in Europe.

Capt. and Mrs. Cole are here for a visit with the captain's parents, Mr. and Mrs. W. R. Cole and in an interview Saturday said that the task of defeating Japan is a more difficult one than most people realize. "It's the way we have to go about it, jumping from one island to another," he said.

Capt. Cole who is in line for promotion to Major is a veteran of four major campaigns in the southwest Pacific and wears four bronze battle stars. He was in the thick of the fight at Guadalcanal, New Georgia, Arundell Island and Bougainville and has had some hand to hand combat with Japs. In one battle he was fighting on land while his brother, R. V. Cole, was aboard the Enterprise, lying off the island and taking part in the battle. Though he knew his brother was on the ship and the brother knew he was on the island they were never able to see each other.

He stated that the only Ranger boy that he met during his long sojourn in the Pacific was J. B. Houghton, Jr., son of Mr. and Mrs. J. B. Houghton, and it was in Hawaii that the two met.

But Capt. Cole's most harrowing experience in the Pacific was on December 7, 1941 for he was stationed at Schofield Barracks at Pearl Harbor when the Japs staged their sneak attack. He stated that he would never be able to explain his feelings when the first bombs hit and he, as well as others, realized that the squadron of planes, which they had seen coming over were not friendly planes and that the Japs had struck.

LT. HUFFMAN IS GIVEN BRONZE STAR MEDAL

Edgar Huffman, Plant Superintendent of the Lone Star Gas Company, Plant Number 2 and Mrs. Huffman have received word from their son, Lieut. W. T. Huffman, but he has been awarded the Bronze Medal for meritorious service and heroism. Following is an exact copy of the order received:

Headquarters 6th Infantry Division, A. P. O. No. 6 General Order No. 37.

26 August, 1944
Award of Bronze Star Medal
By the direction of the President, under the provisions of Executive Order No. 9419 4 Feb. 1944, Section 2, Bulletin 3 a Bronze Star Medal is awarded by the Commanding General, 6th Infantry Division, A. P. O. No. 6 to the following named officer:

First Lieutenant William T. Huffman, Infantry, United States Army. For heroic achievement in connection with military operation against the enemy in New Guinea, on 27th of June 1944. Without regard for his own safety and under heavy enemy fire, he crawled to the aid of a wounded man who was in an exposed position, administered first aid and assisted in evacuating him to a place of safety. Home address, Mrs. Juanita R. Huffman, Box 136, Caddo, Texas.

By Command of Brigadier General Hurd.

Lieut. Huffman is a grandson of Mrs. W. A. Huffman of Ranger and is the husband of the former Miss Juanita Rogers of Caddo.

CHILDRESS IS NAMED STOCK RAISERS HEAD

Dan Childress of Eastland was re-elected president of the Eastland County Livestock Association at the second annual meeting and field day of the organization held at the Eastland City Park Thursday, October 6. Other officers elected included T. L. (Till) Wheat of Morton Valley, vice-president and Fred Brown of Eastland, secretary-treasurer. Twenty one directors were also elected.

The program opened with an address at 10:30 a. m. by Dr. J. B. Broughton, director of the Sonora Experiment Station, who discussed the care and treatment of livestock, stressing the growing of better grade animals.

A feature of the afternoon session was an address by E. R. Eudaley of the Texas A&M Extension Service, on livestock raising in which he stressed the growing of better grade animals.

A barbecued luncheon was served at the noon hour to 250 livestock association members and guests.

As McQuinn Scored Or. Wining Run

Highlights of the first game of the World Series at St. Louis is pictured above as George McQuinn, Brown's first sacker, scores in the fourth following his home run over the right field fence, bringing in Moore, No. 15, ahead of him after the latter had singled. Cristman, No. 6, is waiting to bat. McQuinn's homer won the game, 2-1.

Gets Promotion

W. L. JACKSON IS PROMOTED TO SERGEANT

Dr. and Mrs. W. L. Jackson have received word that their son, Walter L. Jackson, Jr., has been promoted to the rank of sergeant in the Marine Air Corps.

Sgt. Jackson is now stationed in Edenton, North Carolina, where he is a radio instructor and where he serves as radioman while flying with crews in ships. He recently visited his parents.

After entering the service of the Marine Corps in July 1943 he received training at San Diego, California, and at the Naval Air Technical Center at Jacksonville, Florida, before reporting to his present station.

Church Meeting To Be Held On Monday Evening

Rev. A. B. English announced Saturday that there will be an all-church meeting at the Methodist church Monday evening at 8 o'clock and every member of the church is invited to attend. A covered dish supper will be served at the opening of the meeting. Visitors are welcome to the meeting.

BULLDOGS OUT PLAY OLNEY; WIN 27 TO 0

In one of the best games seen at the Ranger Bulldog Stadium in a long time, the Bulldogs Friday night defeated the Olney high school team by a score of 27 to 0.

Ranger outlasted the Olney eleven in every department and the team did some deadly blocking to loose Billy Woods for spectacular runs for touchdowns.

In speaking of the team Coach Don Martin said that the entire line was opening up gaping holes and the backs took advantage of every opportunity to slip through the holes for gain after gain.

The back field handled the ball so quickly and trickily that at times even the spectators lost track of the ball. Ronald Pruet stood out in his defensive play and Jack Townsend, Mace Oyler, and Frankie Ford paved the way for Woods' runs with their blocking. According to Coach Martin Jack Townsend played the best game of his career with his timely blocking and outstanding defensive play.

In New Guinea

CPL. RATLIFF NOW STATIONED IN NEW GUINEA

Mr. and Mrs. A. J. Ratliff have received word that their son, Cpl. James Ratliff, pictured above, is now stationed with the Fifth Air Force in New Guinea. Cpl. Ratliff is serving as a runner on a B-24 bomber.

He has been in the service of the Air Corps for almost two years and before going to foreign duty received training at Randolph Field, Sheppard Field, A&M College, Denver, Colorado, Harlingen and Fresno, California.

In a letter to his parents, Cpl. Ratliff stated that he had been in Hawaii and Australia since leaving the states and that while in Australia he was walking down the street of a town when someone hailed him. He turned to be greeted by Billy Ray Elder, son of Mr. and Mrs. J. W. Elder. The two had been school mates in Ranger and they get-together in Australia included much conversation about home, and a dinner and the show afterward.

PVT. HATTON BACK ON DUTY IN FRANCE

Mr. and Mrs. B. B. Hatton received a telegram late Friday afternoon from the War Department notifying them that their son, Pvt. Dalton T. Hatton who had been reported missing in action in France had returned to duty.

The message stated that Pvt. Hatton returned to duty on September 15. He has been reported missing in action in France on August 29th, and the parents had feared the worst.

Pvt. Hatton is serving with the infantry in France. He went into the service on November 9, 1943, and entered Camp Walters on December 1. After a period of training at Camp Blanding, Florida and at Fort Mead in Maryland he was sent to foreign service on June 1, 1944.

Ranger Pastor

MINISTER ASKS MORE LOYALTY TO CHURCHES

(Editor's note—The following article written by Rev. Henry C. Thomas, pastor of the Church of the Nazarene is the second in a series in a series by ministers in support of Church Loyalty Month.)

This month is being set aside by the ministers of the city as church loyalty month. Let us consider a few reasons why we should be loyal to the church.

First, the foundation of this great nation of ours, was built by people that were loyal to God and the church. We as a people will keep this a great nation, only by having this same loyalty.

We need the spiritual help we receive from the Lord through the church.

Our boys and girls in the armed forces of our country are expecting us to carry on the work of the church. That friend or neighbor will be influenced by our loyalty to God and the church.

Attend the church of your choice. You will have a different view on life after having attended church.

In Psalm 122-1 David said, (I was glad when they said unto me, let us go into the house of the Lord.)

Chairman Asks For Prizes For Camp Bingo Game

Mrs. H. C. Croom, Ranger chairman for the Camp Bingo Game and Hospital committee, announced today that Ranger's time for contributing bingo prizes to the camp is close at hand and urges all persons contributing to this collection contact her as soon as possible.

The ten counties in the council for carrying on this work take time about in making the contributions and Eastland county's turn to furnish the prizes comes up soon.

Mrs. Croom stated that the prizes do not have to be elaborate and anything suitable may be left at her home or if persons are unable to take the time to her home, if they will contact her she will see that they are collected.

WASHINGTON (UP)—President Roosevelt has accepted an invitation to address the Foreign Policy Association at a dinner meeting in New York on Oct. 21. He said he would discuss the important issue of United States foreign policy because of the subjects paramount interest to the people of the nation.

OVER 3,100 HEAVIES TAKE PART; GROUND FORCES GAIN

The Allies struck hard at Germany by land and air today.

On the ground, the American first army achieved a major breakthrough through six miles wide and six miles deep north of Aachen.

In the air, three sky-filled air fleets—totalling more than 3,100 heavy bombers—smashed at the Reich in the greatest one day assault of the war.

The first army's broadside fan-out north of Aachen captured Aisford and Bansenweiler and carried the Americans swiftly towards the Rhine. German resistance was reported to have virtually collapsed in some sectors as the tanks and troops of Lt. Gen. Courtney Hodges lunged ahead.

United Press correspondent Henry T. Gorrell reported that the Americans in the Ubach sector are masters of the situation well behind the Siegfried line.

Part of the air attacks against Germany were designed to support directly the first army offensive.

On the third army front—in the Metz area—American troops are fighting in the streets of Mazières some 5 miles due north.

With the Canadians in Belgium (UP)—Canadian troops in northwest Belgium are rolling heavy artillery across the Leopold canal west of Antwerp despite strong German artillery fire. The Canadians already have joined their bridgeheads over the waterway.

Other third army troops were reported fighting furious German counterattacks south of Metz near Sivry—indicating the Americans may be outflanking that strong point from the north and south.

As for the frontal assault on Metz, General Patton's doughboys have extended their toe hold on the southwest corner of Fort Briant.

In the Netherlands battle, the Germans report that they were counterattacking against the reported British bridgehead across the lower Rhine.

On the coast of France, Dunkerque was burning after tremendous explosions which lighted the Straits of Dover all last night.

British invasion troops in Greece have driven 16 miles beyond captured Rion and to within two miles of Corinth. The Germans are trying to get out of Greece.

Far to the north Polish civilians of Warsaw apparently are trying to evacuate the city.

Eastland Woman's Husband Awarded U. S. Air Medal
An Eighth Air Force Bomber Station, England—Technical Sergeant Dick M. Lucas, 22 year old engineer and runner on an Eighth Air Force B-17 Flying Fortress, has been awarded the Air Medal for "meritorious achievement" during bombing attacks on Nazi military and industrial targets and in support of Allied ground forces. It was announced by Colonel Charles B. Dougher of Fresno, Calif., base commanding officer.

Congresswoman Stanley Talks on Hats, Plumes Disney Quits Congress After 14-Year Service

By HELEN ESSARY Central Press Columnist

WASHINGTON—Saw Congresswoman Winifred Stanley (they call her Bo-Peep) in the cloak room of the House of Representatives yesterday. It's New York's congresswoman-at-large who has all those trick postage stamp hats.

Not on conversion nor on reconversion or whatever the national mood of the moment is, nor on employment compensation did I interview her. But on "What effect do you think those elaborate new ostrich-trimmed hats will have on the thinking and deportment of women?"

Miss Stanley tilted her pretty white head (prematurely white) and said: "If you wear plumes on your hat you've simply got to be conservative. You can't swish about with piles of pastel feathers on top of your head and speak rashly.

"You've got to be a lady, a very elegant lady, every second. A Godey's Ladies' Book lady, really—I just don't know whether women will want to be as correct as the new hats demand. Imagine, just imagine, getting into a bus with ostrich plumes drooping down your neck. And how could you denounce the opposition from a soap box if you were wearing a picture hat faced with baby pink tulle?"

Congresswoman Stanley left me and the earnest conversation to return to the floor for a vote. You could hear the reading clerk through the swinging doors to the chamber shouting the names of the congressmen. He had got down the alphabet as far as "Shepherd," when Miss Bo-Peep Stanley tripped away.

HOW THE STATE DEPARTMENT and the military run this war and keep on speaking terms is interesting. The answer is this: The State department tells the Army and Navy what to do in over-all planning—relations with foreign governments, recognition of temporary governments and such.

The Army and Navy tell the state department what to do in tactics—for example, in such a matter as when to put the heat on neutral Spain (recently done), and tell her to stop sending tin snare to Germany from which mercury, a valuable war material, is made.

NEXT, I FOUND MYSELF getting into a nest of Oklahoma lawmakers. And next, all of us were talking about Indians. You always talk about Indians, and with pride, in Oklahoma. I should say you always talk "to" Indians in Oklahoma or in the Oklahoma representation in Congress. There's much Indian blood in the state that used to be called Indian Territory.

Congressman Wesley Disney, who is retiring to private life in Tulsa after seven terms "on the Hill," looks part Cherokee. Disney says he'd have liked to make the Senate in that recent try of his but he honestly thinks Pappy O'Daniel is likely right when he says the tenure of office for members of Congress should be limited. Looking back, Disney knows he got into a deep rut in Washington.

Victor Wickersham of Mangum, Okla., "born on a farm near Lone Rock" (he also looks part Cherokee), reported that "while his wife was away on a little vacation he had put up 43 glass jars of peaches. And was she surprised when she came home and found them all sitting on the kitchen floor in a row."

Certainly she was surprised. When most left-at-home husbands take an interest in peaches, they are not the kind you put into glass jars.

Congressman Ted Johnson said he was sorry he did not have any Indian blood in his veins but he did have thousands of Indians in his district. They were good citizens. Then we began talking of Will Rogers and how if you live in Oklahoma you just have to be related somehow to Will Rogers. It's as important as being being kin to Robert E. Lee if you come from Virginia.

Some people in Oklahoma count on sending one of Will Rogers' relations, an almost full-blooded Indian rejoicing in the name of Dennis Bushyhead, to Congress in November. Possibly there's a dash of wild Irish rose in Bushyhead's first name. Anyway, the Oklahomaans I met in the House cloak room said he was a fine guy, smart lawyer and so on.

Leaving the House I trotted over to the Senate to find that the upper body had inadvertently announced officially that the war was over. It had taken down the blackout curtains. Obviously somebody thinks the capitol won't be attacked by bombs.

CHRISTIAN SCIENCE SERVICES

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 8.

The Golden Text is: "O Lord my God, I cried unto thee, and thou hast heard me. O Lord, thou hast brought up my soul from the grave; thou hast kept me alive, that I should not go down to the pit" (Psalms 30:2, 3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ" (1 Corinthians 15: 55-57).

ing non rationed or point free foods for sale. Application for sugar for this purpose should be made to the local War Price and Rationing Board, OPA says.

SEVEN YEARS OF CASUALTIES

The Chinese Army from July 7, 1937, to June 31, 1944, suffered 2,802,220 casualties, to say nothing of the civilian casualties of which there are no accurate statistics, the Chinese news service reports. The only consolation the Chinese have is that during approximately the same period the Japanese had 2,144,000 army casualties on the China front besides the 600,000 they suffered in the rear.

ROUND UP

WPA says—production of bicycles and "B" hearing aid batteries is authorized again on an industry-wide basis. Production of flashlight cases and other portable electric lights is expected to be high enough to supply essential civilian users, particularly in rural areas, and buyers may now get them without "paperwork". Veterans desiring to establish or re-establish small business will get special consideration in priorities a distance, allocations, appeals and applications for special authorizations.

OPA says—To relieve a heavy demand, particularly from farmers, a supplemental quota of truck tires has been authorized for September. Trouble damages totaling \$2,000,000 have been asked in 35 court actions against concerns charged with upgrading pine lumber to get prices higher than the legal ceiling. October ration values are unchanged for butter which has been raised from 16 to 20 points in the face of declining production. Available for October rationing are 3,000 new passenger

er cars, with a reserve of 600. Less than 20,000 new cars (not quite a two day supply) are now available. An increase of about two cents in the retail price of a No. 2 1-2 can of Bartlett peas is expected as a result of new ceiling prices based on a below average crop. Ceiling prices for single ammunition shells in the future will be determined by dividing the full box price by the number of shells in a standard box. Leather soled moccasins of the house slipper class, previously ration

free are now rationed. WFA says—The entire production of dried apples will be set aside by processors again this year to meet essential Government requirements.

Texas Born May Be First Lady

Frances E. Dewey, wife of the Republican nominee for president, Thomas E. Dewey, is a personality in her own right. Born in Sherman, Texas, she received her early education there and attended high school in Sapulpa, Oklahoma, where she finished a four year course in high school in three years and was valedictorian of her class.

Mrs. Dewey is a professional musician, having studied both in New York and Chicago. Her first professional job was as soloist in the Methodist Church in Plainfield, New Jersey.

Despite her absorption in her husband and two sons, Thomas, Jr., and John, she finds time for war work, serving as a "gray lady" in the Albany County Chapter of the American Red Cross.

She declines many invitations to speak—leaving that up to her husband.

In Your Post-War Planning-

... you have no doubt included an abstract on every piece of property you own and resolved, too, not to buy real estate at any time, at any price, from anybody without an abstract. In doing so, you are following the only safe course, and the safe way is always the cheapest. Place your less-urgent abstract orders with us now for post-war needs.

Largest Known Institution in the World Devoted to Treatment of Rectal and Colon Disorders These Doors Open Way To Health For Thousands Suffering from Treacherous Afflictions Rectal and Colon sufferers from throughout the United States and from Canada have come to the McCleary Clinic. Here, these men and women have had correct and specialized diagnosis, and an institutional treatment under the supervision of skilled physicians, technicians and nurses. In many instances, these former sufferers found that many other reflex symptoms of common diseases disappeared, when rectal and colon troubles were corrected. Hemorrhoids (piles), Fistula and other rectal and colon afflictions are often suffered until complications—perhaps incurable—develop, because people fail to learn the true nature of these ailments. To help you to a better understanding, send for the McCleary Book which has shown thousands the way back to health. FREE BOOK EXPLAINS It is written in easy-to-understand language and contains many informative diagrams, charts and photographs. A list of former patients with their names and addresses will be included with the Book... you are invited to write to any of them. Mail the coupon, a postcard or letter. Literature comes in plain wrapper. MAIL THIS COUPON FOR BOOK THE McCLEARY CLINIC 1919 Elms Blvd., Excelsior Springs, Mo. Gentlemen: Please send me your Free Book describing your mild treatment.
