the midst of life there is death." ment. \_\_\_(||)\_\_\_\_ And in another place: "For it | EARL HESTER CIRCLE is appointed unto all men to

tend the funeral of a very, very . dear friend who died suddenly Friday of last week.

---(||)----This man-Bob Spencer-had proven himself a friend proven. tried and true, to me, and his Smiling sudden answer to that une nected summons of the Supreme Architect was a complete and soul-rocking shock.

Nobody makes very many real friends in this short span between the cradle and the grave. And when one is lost there is usually no recompense

This ain't no sermon, but has certainly been brought home to me, again, that nothing is certain but death. That, after all, our puny little bickerings and differences in daily life pale into childishness and microscopic insignificance when brought in contrast with The Great Adventure from which no mortal traveler has yet returned.

The things we get worked up about and get mad about are silly and ridiculous for the most part.

To be a help to a neighbor Forgiving and forgetting. Liv ing each day to the full, knowing not whether we may hav the privilege of another to

---(|||)----The untimely passing friend, cut down in the prime of life. has again rededicated me to this code which required no earthly administrator

Man is a dumb animal. J takes the grim, stark reality of death to shock him out of his complacency that everything will retain its status quo-for-

But perhaps it is better so Else gloom and despair should reign while yet the sun doth shine and the stars continue in their courses.

The endless, routeless and turbulent river of Time, flows down to the sea of eternity, ap parently oblivious to the sands of its shore. Where it goes we know not. Why it flows, we cannot guess. The grain of sand wait upon the shore until washed out to sea-content to full fill its preordained destiny.

Floods and storms are but passing things. The river flow:
