CAPT. WILLIAMS BARELY AVERTS BOMBER CRASH

FIFTH AIR FORCE, PHILIPPINES — Air Vice Marshall Alfred Sharp, C. H. R. A. F. temporarily on duty with tactical units of General George C. Kenney's Far East Air Forces as an observer of American bombing techniques in the war against Japan, experienced the closest call of his life in a Liberator of the Fifth Air Force's 43rd Bomb Group over Formosa on June 23.

The B-24 in which Air Vice Marshall Sharp was flying as observer was one of a formation which hit the Kobi butanol plant on Formosa with 1000-pound bombs and put it out of commission. Returning to their base in Luzon, the Liberators ran out of gas over the field.

Two engines cut out completely and a third began to misfire. Captain Max W. Williams of the big bomber into the field and landed on the last half of the runway. Only 20 feet ahead of him, another Liberator was landing, and both Williams and his co-pilot, First Lieutenant John N. Johnson of Des Moines, Iowa, trapped the B-24's brakes to prevent a head-and-tail collision.

Net result was only a burned-out brake drum. The Air Vice Marshall, standing behind the pilot's seat, suffered most of any one; the aerial engineer knocked him down three times in the course of running frantically between compartments, preparing for the inevitable crash landing.

Nonetheless, Air Vice Marshall Sharp's only comment was a compliment to Captain Williams: "One of the nearest jobs of crashlanding I have ever seen."

145 Boys Attend 4-H Camp Held At Lake Cisco

A total of 145 club boys attended the second annual 5 county 4-H Club at Lake Cisco recently according to reports from the Eastland County Agent's office.

Besides the club boys the number of county agents, dads and local leaders swelled the group to 155, one of the largest groups of 4-H club boys ever to hold an encampment on the Lake Cisco picnic grounds.

Prizes in the forms of ribbons were awarded the winners in boxing, track, swimming, pole vauling and horse shoe pitching at the conclusion of the two day camp.

Eastland County had the largest delegation of club boys with 55 present. Other county agents present with club boys were Robert L. Shultz, Baird, Callahan County; Ralph Lindsey, Palo Pinto; W. T. Eaton, Ranger 4-H Club; W. T. Eaton, Ranger 4-H Club; W. T. Eaton, Ranger 4-H Club; W. T. Eaton, Ranger 4-H Club.

Romance In Jap Camp Leads To Pair's Marriage

DURBUQUE, Ia. (UP) — A romance which started in the Nan-to Tomas internment camp in Manila has culminated in marriage for Harry Brown, 21, born and reared in China, and Robert Strush, 27, Dubuque.

Hosiery Mills To Be Located At Mineral Wells

The McLaughlin Hosiery & Manufacturing Company will establish one of its plants in Mineral Wells, occupying the J. Frank Norris building, now owned by the Mineral Wells Clay Products Company, on the highway east of Mineral Wells and near Camp Wolters, Elnor Nims, manager of the Chamber of Commerce announced Saturday morning after final contracts had been signed.

The Company, already nationally known, and makers of the popular Air-Maid and Starlett hosiery for women, will add four other lines to be made at the plant here—bobby socks, men's socks, men's ties and ladies silk underwear.

The pay roll is estimated at between a half and three quarters of a million dollars annually after the plant gets under full capacity—around 250 employees, about half men and half women. The company enjoys a fine record for adequate salaries.

In making the announcement, Manager Nims stated that the location of this plant here was the result of some 10 months work, and that it meant much to this city from a business and payroll standpoint. He stated that the American Silk Co. of Mineral Wells, W. S. Roberts, president, had agreed to sell his mill the entire output of raw silk from his reeling machine—or as much as the capacity of the mill will require of it. He also stated that the company had made a deal with the owners for the building, along with an option on additional acreage for expansion.

Lt. Montgomery Completes 15 Months Overseas

With the 841st Engineer Aviation Battalion in Manila—1st Lieutenant Douglas D. Montgomery son of Mrs. Douglas S. Montgomery 1511 24th st., Galveston Texas, and husband of Mrs. Douglas D. Montgomery, 309 Elm street, Ranger, Texas, recently completed 15 months overseas in the Southwest Pacific. Lt. Montgomery has been engaged in the construction of roads, bridges, airdromes and buildings throughout New Guinea and the Philippine Islands. Lt. Montgomery entered the Army at Houston, Texas on 14 March 1942.

Lt. Montgomery is authorized to wear the Asiatic-Pacific Theater Ribbon with three battle stars, and the Philippine Liberation Ribbon.

Inquiries Will Not Speed Return Of Soldier Dead

Lee Duckery, service officer for the Carl Barnes Post of the American Legion, stated today that he has been informed by the government that it will not be necessary for families to contact the government with reference to the return of bodies of soldiers from Europe.

Duckery had asked for information on the subject when approached by several families who wished to have the remains of their sons returned to the states. The letter in reply, stated that the "proper line" the government will contact such families and ask them to designate the place for final shipment of remains.

Plant Produces Atomic Bombs

This view shows the giant production plants of the Clinton Engineering works at Oak Ridge, Tenn., where atomic bombs are produced. (NEA Telephoto.)

Helped Develop Atomic Bomb

Several of the scientists connected with the development of the atomic bomb are shown in consultation with Maj. Gen. R. L. Groves, USA, in charge of the governments Atomic Bomb Project. Left to right: Sir James Chadwick of Great Britain; Gen. Groves; Dr. Richard C. Tolman, of Office of Scientific Research and Development, Washington and Dr. H. D. Smythe, Chairman of Department of Physics, Princeton University. (NEA Telephoto.)

Pvt. DeVore Radio Operator On C-46 Cargo Airplane

Reno, Nevada Ferrying Division Base—In order to pursue a course of study as a radio operator on a C-46, largest two engine cargo plane in the world, Pvt. Jerry T. DeVore of 302 S. Rusk street, Ranger, Texas, has been placed on flying status at the Reno army air base, Ferrying Division Installation. This will require regular participation in aerial flight.

Hottest Weather Of Summer Is Broken By Clouds

Welcome clouds which overcast the sky today brought some relief from the intense heat of the past week and even held some promise of showers.

TRUMAN WILL ARRIVE HOME ON WEDNESDAY

ABOARD USS AUGUSTA With President Truman (UP)—Jubilant over the development of the powerful atomic bomb, expects to arrive in Washington tomorrow to begin preparing his report to the nation on the Big Three meeting at Potsdam.

People Urged To Avoid Dangerous Grass Burning

Chief George Murphy issued an appeal to the people of Ranger today urging them to be more careful about starting grass and weed fires.

People Thanked For Their Part In Paper Drive

Members of the American Legion and Legion Auxiliary today expressed their thanks to the people of Ranger for their cooperation in putting over the biggest paper drive ever held in Ranger.

C. J. Moore Named John Deere Co. Representative

Announcement has been made of the appointment of C. J. Moore of Ranger as the Eastland county representative for the John Deere Implement Company.

ATOMIC BOMB MARKS OPENING OF NEW AGE

WASHINGTON (UP)—For good or ill, man has unlocked the incalculable power of the atom. He has entered upon the atomic age. His first use of this power—the same that energizes the sun, the stars, and the far galaxies—has been to make a bomb.

Amnesia Victim Regains Memory, Calls Doctor

In a long distance telephone call Monday afternoon, Dr. P. M. Kuykendall learned that Mrs. Violet Dennis of Houston, who was recently in the West Texas Hospital for observation as an amnesia patient, has regained her memory and now can recall nothing of her experience here.

GAME WARDENS CAR TAKES RIVER PLUNGE

COLUMBUS, O. (UP)—Game warden T. B. Warner parked his car on the Scioto river bank while he went off to check fishermen's licenses.

WATERY END FOR LARGEST FLYING BOAT

Aerial view of Hawaii Mars, world's largest flying boat, in 25 feet of water after tragic landing in Chesapeake Bay yesterday which split her hull. (NEA Telephoto.)

JAPS SAY WORK OF NEW BOMB NOT SLIGHT

SAN FRANCISCO (UP)—Japanese propagandists, describing the atomic bombardment of Hiroshima, said today that "the destructive power of the new weapon cannot be slighted," adding that "considerable destruction" had been caused by Hiroshima.

Nephew of Ranger Woman Drowns In Akron, Ohio Lake

Mrs. J. W. Harmon has received word of the death of her nephew, Charles Carleton, of Akron, Ohio, who was drowned while on an outing with his wife and another couple.

Hospital Ship With Contraband Brought to Port

An Allied Pacific Port (AP)—A navy prize crew from two Seventh Fleet destroyers brought the Japanese hospital ship, Tachibana Maru, into an Allied harbor Monday after it had been discovered to be carrying arms, ammunition and other contraband.

JAPANESE SAY DAMAGE STILL UNESTIMATED; FORTS STRIKES

PEARL HARBOR (UP)—Radio Tokyo said today that American atomic bombs descended by parachute on Hiroshima yesterday, exploding before reaching the ground and causing such devastation that authorities still have not ascertained the full extent.

While smoke still rose above Hiroshima, a fleet of 125 Superfortresses hit the Toyokawa naval arsenal with 880 tons of high explosive bombs today.

Radio Tokyo said 40 B-29 Superfortresses—bombers led by a lone B-29, simultaneously bombed and strafed military installations and "cities" in the Tokyo-Yokohama area for the fourth time in five days. Tokyo said British planes had participated in the Tokyo raid.

Tokyo attributed the American use of the atomic bomb to impatience over "slow progress of the enemy's much vaunted invasion of Japan's mainland."

The broadcast said "in view of the gallant resistance of the Japanese forces—as exemplified by the battles of Iwo Jima and Okinawa, the enemy's hopes of a quick battle and a quick decision in the fast-moving battle of Japan's homeland has been well-nigh frustrated."

A Japanese imperial headquarters communique had already conceded that "new type bombs" had caused considerable damage. Superfortresses thundered over Toyokawa naval arsenal, 35 miles southeast of Nagoya, at the noon lunch hour in the first daylight raid on the enemy homeland in recent weeks. Two "bomber" fighters escorted the big bombers.

PLUNKETT STAGE SHOW HERE 3 DAYS

Three nights of vaudeville and variety shows are scheduled for Ranger, Aug. 9, 10, 11.

Sponsored by the American Legion, the Plunkett Shows, largely what is termed a family show, has a good record of long standing and formerly provided most of the vaudeville bill with the Harley Sadler troupe.

There are ten brothers and sisters in the family and most of them will be in the group to be seen here. The company consists of 20 persons and a complete change of program will be offered nightly.

The show will bring its own big tent and a large number of new and comfortable chairs have recently been added to the equipment. The tent will be spread on Rusk street.

OKLAHOMA RAISES PAY OKLAHOMA CITR (UP)

Most of the Oklahoma state employees in the lower salary brackets received pay raises up to \$10 per month starting July 1, 1945, the state auditor's office reported. The last legislature authorized the increase in pay for the low bracket employees of the state.

Antelope Island, in Great Salt Lake, Utah, has a fresh water well.

Photos From Guam—In Seven Minutes

American newspaper readers see pictures of action in the Pacific theater often while the fires of bombings still burn in Jap cities. Photo negatives are flown back to Guam, where they are put on the Acme transceiver radiophoto machine, which flashes them through the ether to the United States in just seven minutes. Above, Ensign Ray Lagodney of Chicago, Ill., operates one of the Navy's new machines. Experiments are in progress for transmission of pictures direct from warships.

Requisitions For Fertilizer Filed By County Agent

Requisitions for 1,121 sacks of 46 per cent superphosphate and 99 sacks of 32 per cent Ammonium nitrate for 16 different Eastland County T. V. A. demonstrators have been completed and mailed. J. M. Cooper, County Agricultural Agent said today.

The phosphate will go for use either on pastures or under soil building crops such as hairy vetch and abuzzi rye this fall or cowpeas next spring. The nitrate fertilizer will be used on corn, feed crops and in gardens next spring and summer.

The T. V. A. program has been going in Eastland County since 1937, Cooper said.

A marked increase in winter crops is now being grown in the county, partly as a result of the T. V. A. program.

Hairy vetch and abuzzi rye made an excellent growth and a good crop last spring and there is now plenty of vetch seed available from different men in the county.

Three new demonstrators were accepted this year by the victory council, sponsoring organization of the T. V. A. Program. They are A. W. Averett, G. A. Dunn, and O. A. Criswell, all of the Rising Star community.

Other demonstrators are John Love, Alamosa; Melva Love, Alamosa; Cecil Shultz, Rising Star; J. B. Eberhart, Rising Star; H. H. Lawson, Doss Alexander and J. D. Inghet, Pioneer; I. S. Ebois, Staff; Herman C. Jordan, Flatwoods; J. F. Moseley, Olden;

Talking is all Right—

... If you are running for office or courting your best girl but when it comes to buying land or town properties don't let anyone talk you out of an abstract. The fact that the seller has owned the land for many years doesn't mean that the title is always good. The safest plan is to get an abstract before you buy. The cheapest property on earth is too high if the title is faulty.

Tar Tracks Anger Houskeepers and Office Managers

HOUSTON, Tex. (UP)—Houstonians were angered at workers who had left a large amount of tar surfacing unprotected at a downtown intersection. As a result, tar was tracked all over that section of Houston by women—burning mad over their tar-streaked shoes—and men who "cussed" as their shoe soles stuck to the sidewalks. Office building managers were

irate too, as people left marks in lobbies, offices and elevators.

Stockings have been manufactured with heels knit at right angles to the leg, so there's no instep wrinkling.

Recent Bride Is Honored At Tea

Complimenting Mrs. Troett Harris, the former Miss Hazel Barker, Mrs. W. L. Jackson and Mrs. Eugene Kribbs entertained at the home of the former with a gift tea Friday afternoon from 5 to 7 o'clock.

The home was attractively decorated with garden flowers and in the dining room the tea table was laid with lace and centered with a crystal bowl filled with marigolds. Mrs. Homer Healy and Mrs. P. P. Brashier alternated in presiding at the punch bowl. Mrs. Dayton Rutledge presided at the bride's book.

Guests were received by the bride, her mother, Mrs. E. E. Barker and Mrs. Jackson and Mrs. Kribbs. Also in the house party were the sisters of the bride, Mrs. N. E. Landers, Mrs. George Allison, and Mrs. J. W. Hall and Mrs. G. B. Langston of Cisco, aunt of the bride, Mrs. Hal Hunter and

Society, Clubs

Miss McCleskey Becomes Bride of Mr. Bonner Sunday Afternoon

In a double ring ceremony performed Sunday afternoon at 3:00 o'clock at the First Christian church, Miss Emma Leta McCleskey, daughter of Mr. and Mrs. James T. McCleskey, became the bride of Mr. Fred Bonner of Hobbs, New Mexico, son of Mrs. T. R. Bonner of Sweetwater.

Rev. H. B. Johnson read the service before an altar banked with palms and lighted by white tapers in nine-branch floor candelabra on each side of the altar. Tall white floor baskets filled with white gladioluses stood at each side of the altar which was outlined by ivy.

Mrs. Coleman Brown, pianist, played pre-nuptial music and accompanied Miss Juanita Hodges of Dallas who sang Always, and I Love You Truly. As Mrs. Brown sounded the first strains of the wedding procession from Lohengrin, Mrs. Dayton Rutledge and Mrs. J. D. Litton, ushers, attired in black crepe dresses with black hats with shoulder length veils, and wearing shoulder corsages of white carnations, lighted the altar candles.

The bridal party included Miss Ethel Fambrough of Breckenridge who was the bride's maid and who wore a black dress with black accessories and corsage of pink and white carnations. Miss Inez Harrell was maid of honor and wore black with black accessories and a corsage of pink and white carnations. The matron of honor, Mrs. Corner Clay of Abilene, sister of the bride, also wore black and her corsage was of pink carnations.

The bride who was given in marriage by her mother wore a soldier blue suit with black accessories. A shoulder length, over the face veil was attached to her black hat and she carried a white prayer book topped with an orchid and a shower of Stephanotis. Mrs. McCleskey wore gray with black accessories and shoulder corsage of pink carnations.

Mr. Raymond Fambrough of College Station attended the groom as best man.

Immediately following the wedding a reception was held at the home of Mr. and Mrs. V. V. Cooper, Jr., where the guests were received by Mrs. Cooper, the bride and groom and the bridal party. Miss Betty Jean Jones, Miss Vivian Cooper and Miss Mary Guess, alternated in presiding at the guest book and assisted in serving.

The bride's table was laid with a satin damask cloth and at one end was the wedding cake which was fashioned as three wedding bells bearing the names of the bride and groom and the date of the wedding. The cake rested on a reflector dotted with white dahlias and gladioluses and fern. Mrs. Joe Ardis presided at the punch bowl at the opposite end of the table and was assisted in serving by members of the bridal party.

After a short trip, Mr. and Mrs. Bonner will make their home in Hobbs, New Mexico, where he is employed by the Continental Air Lines.

Mrs. Bonner is a graduate of Ranger high school and attended Draghton's Business college in Abilene and the University of Southern California. She recently had been employed by the Eighth Service Command in San Antonio and Dallas and more recently at Killingsworth's in Ranger.

Mr. Bonner is a graduate of the Sweetwater high school and attended Abilene Christian College before going into the Air Corps in 1942. He recently received his discharge after being overseas from November 1943 until late in 1944. He was a captain at the time of his discharge and while in foreign service, stationed with the 8th Air Force in England, completed 30 missions. He holds the DFC and the Air Medal with three Oak Leaf Clusters.

The rehearsal dinner was held Saturday evening at the home of the bride's parents with Mrs. McCleskey being assisted by Mrs. Corner Clay, Mrs. J. F. Stead, Mrs. Vallie Jones and Mrs. Joe Ardis of Dallas.

The bride was entertained at a series of parties before her marriage including two teas, one given by Miss Inez Harrell and Mrs. Twyman Hale and another given by Mrs. Vallie Jones and Mrs. Coleman Brown.

Out-of-town wedding guests were Mrs. T. R. Bonner of Sweetwater, mother of the groom, Mrs. Alex Fambrough of Breckenridge and Mrs. Ardis of Dallas.

Married Sunday

Mrs. Fred Bonner is the former Miss Emma Leta McCleskey, daughter of Mr. and Mrs. James T. McCleskey. She and Mr. Bonner were married Sunday afternoon in a ceremony at the First Christian Church in Ranger.

PERSONALS

Mr. and Mrs. Joe Thompson and son, Richard, of Houston, formerly of Ranger, are the guests of Mr. Thompson's mother, Mrs. F. M. Thompson and his sister, Mrs. Lillian Middleton.

Mr. and Mrs. W. E. Browning had as their guests Sunday, Mrs. Guy E. Cole, Jr., and daughter, Estelle of Puerto Rico, Mrs. Dub Arledge and Mrs. Bill Parks of Desdemona.

Mr. and Mrs. Hoyt Agnew of Lubbock, formerly of Ranger, are here for a visit with friends.

Pfc. Maurice Agnew has returned to his station at Wichita Falls after a visit with Mrs. Agnew and their daughter, Pamela.

Woman Finds Own Way To Give To The War Effort

ADILENE, Tex. (UP)—A Rube woman certainly has shown an enthusiastic support of the war effort.

The Abilene chamber of commerce recently received a package containing 100 lbs. of waste paper and cardboard from Mrs. W. A. McClure. In an accompanying letter Mrs. McClure asked the chamber to have trucks get it off their hands, and she would pay any charges that might be made.

The package arrived by express costing the woman \$2.14.

EXTRA CARE OF YOUR ELECTRIC REFRIGERATOR MEANS LONGER WEAR ... More Efficient Operation

Let Hot Foods Cool Give hot foods time to before placing them in your refrigerator.

Don't Overload Your Refrigerator Jamming food into shelves and compartments prevents proper circulation of cold air.

Always Maintain Even Temperature Running your refrigerator on "high" for long periods can damage foods, as well as overwork the motor.

Defrost Regularly Defrost at least once a week in the summer, or when the frost gets about 1/4 inch thick.

Remove Ice Trays Carefully Avoid using a knife, ice pick or other sharp instrument to loosen ice trays.

Keep Refrigerator Door Closed Open your refrigerator only when necessary, and close the door quickly to conserve the cold air.

Should your refrigerator need adjustment or repair, call the dealer from whom it was purchased, or some other reliable service man who is experienced with your make of refrigerator.

Your electric refrigerator is built to give long service. It serves you best if you give it proper care. Help your refrigerator last longer and operate more efficiently by following these suggestions.
