Temperatures Take Nosedive All Over Texas

Fall weather rode the wind into Texas today. Thermometers in all parts of the Lone Star State took a nosedive as a cold front moved in from the west and north to bring relief from weeks of heat.

It was 44 degrees in Amarillo today and temperatures generally in Texas were in the high 50's or low 60's in sharp contrast with the 100 degree readings earlier this week.

The sudden shift to fall weather was accompanied by high winds in some sections but damage was slight. Two were injured when wind hit the Ringling Brothers' big top in Dallas. It rained heavily in the lower Rio Grande Valley. It was 59 today at Gainesville, 48 at Wink, 55 at Wichita Falls, 61 at Port Worth, 68 at Brownsville and 65 at Houston. Lowest reported at Ranger was 58.

Last Of Bingo Games To Be Held Tonight

The last in a series of bingo games, sponsored by the Elks lodge will be conducted tonight at 8:30 o'clock at the Willows park and the public is invited to attend. Persons who are holding tickets for the selection of prizes are reminded to bring in the tickets tonight so that they may be cashed.

Officials in charge of the games stated today that a considerable amount of money has been added to the fund for crippled children through the games. The local lodge pledged a sum toward the construction of a ward at the crippled children's foundation at Gonzales and funds from the games have been added to this collection.

Radio Strikers Boost Number Of Idle Workers

A walkout by vital technicians of two of the nation's radio networks today boosted to nearly 120,000 the number of workers idle in labor-management disputes.

Approximately 400 engineers left their jobs late yesterday as the national broadcasting company and American broadcasting company swung into their heavy Wednesday evening network programs, many of which were disrupted.

Union leaders said the walkout was unauthorized. The men charged the networks with refusing to negotiate a new contract to replace one which expired in 1944. Union demands include pay raises. Executives took over controls today and the networks still were on the air.

Jo Ann Dennis Made Mascot For Football Team

Mr. and Mrs. Joe Dennis have received word that their granddaughter, Jo Ann Dennis, daughter of Mr. and Mrs. Norman Dennis of Merkel, has been named mascot for the Merkel football team. The three year old young lady who has a winning personality in commenting on the selection, said, "I'm really going to strut my stuff."

GOOD INTENTIONS

RENFREW, Pa. (UP)—His intentions were good but a little too late, so Charles Isaac is out \$1,500. On the way to town to buy some insurance on his barn he stopped at a gas station. The attendant informed Isaac that his barn had just burned to the ground.

DEVEREUX FOUND IN JAP PRISON CAMP

TOKYO (UP)—Major James J. Devereux, gallant commander of the heroic U. S. Marine garrison on Wake Island, has been found safe and well in a prisoner of war camp on Hokkaido, northernmost of the Japanese home islands, and is waiting evacuation by plane.

Thinner and grayer but still alert and military, Devereux and other survivors of the Wake Island garrison overcome by the Japs in December, 1941, were found in north central Hokkaido. "The first thing I'd like to get on record is that we did not send that radio message saying, 'Send us more Japs,'" he told the evacuation team. "We had all and more than we could handle right then and there. There were just too many of them for us."

Famous Ranch To Be Turned Into A Resort

CORPUS CHRISTI, Tex. (UP)—This city soon may become known over the United States as a famous dude ranch resort with facilities for hunting, fishing, swimming and riding.

John C. Penn, of the John C. Penn Investment Co., recently bought the La Quinta Ranch, which had previously been the headquarters division of the original 200,000-acre Taft Ranch, from J. I. LePrade, owner of the headquarters section of the Taft Ranch for the past 12 years, for approximately \$100,000.

La Quinta, the elaborate headquarters ranch home, was once known as the "Summer Whitehouse." President Taft visited there in the summer of 1909. Charles Taft constructed the large home.

It will have a dining room, card rooms and a dance floor. Penn added that it will accommodate approximately 100 persons.

Overseas Duty With Air Force To Be Limited

FORT WORTH, Tex. (UP)—New instructions as to adjusted service rating scores and age limits have been received from Army Air Forces headquarters and will be applied to all future shipments of enlisted men to overseas duty from the AAF Training Command. It was announced today by Lt. Gen. Barton K. Yount, commanding general.

For overseas duty, enlisted men must meet the following qualifications:

(1) Be at least 18 years of age, with at least 17 weeks of training.

(2) Be under 34 years of age.

(3) Have an adjusted service rating score of less than 45.

The only complete exceptions are all Regular Army volunteers, who may be sent overseas regardless of these provisions.

Training Command headquarters has directed its subordinate commands and stations to remove from all units being prepared for overseas duty the enlisted men who are not qualified for overseas service under the new instructions.

It is believed that the mouth of the Mississippi River was discovered in 1519 by Alonso Alvarez de Pineda, but it cannot be declared definitely because of the vagueness of his manuscripts.

H. C. Henderson In Charge Of Rotary Program

At the weekly meeting of the Rotary club held Wednesday at noon at the Gholson Hotel, H. C. Henderson presented his son, Cpl. Eugene K. Henderson, U. S. A., as guest speaker.

Corporal Henderson gave some very sage comments about Europe and its future. He made a thorough study of the American reputation in France and Germany and he was able to give the club an analysis that magazines and newspapers have not carried.

Also present at the meeting was Rev. O. L. Savage, pastor of the First Presbyterian church of Cisco, who made a short address regarding American ideals for the post-war world.

R. L. Pender of Cisco and Lt. Albert Miller, USN of Ranger were guests at the meeting. B. A. Tunnell, T&P agent for Ranger was introduced as a new member of the Ranger club.

MEMORIAL SERVICES FOR GOLD STAR RANGER STUDENTS HELD

Marking the formal opening of the Ranger high school and junior college a memorial service was held at the Recreation building here this morning, at which 27 former students of the two institutions who gave their lives in World War II were paid tribute.

Maj. John M. Walters of Camp Walters, in a stirring memorial address, charged the bungling of this country with the responsibility of the war and threw upon the younger generation the task of unraveling the tangles that the war has caused.

He stated that we were drawn into the war through the fact that the people of the United States refused to do two things—support preparedness and work with other nations of the world to maintain peace. He charged this country with practicing "too much religion and not enough Christianity." He very effectively closed his splendid talk with the stirring and fitting words of Kipling's "Recessional," bringing out the thought that we must not forget the price of this war.

L. R. Pearson, president of the board of trustees of Ranger schools introduced Major Walters with appropriate remarks, reminding the audience that this country has never fought an aggressive war and praising those who were honored at the service.

Following the address by Major Walters, Dr. G. C. Boswell, superintendent of schools and president of the college, presented certificates of honor to families of the Gold Star soldiers. The certificates were leather bound and inscribed with this text:

"The Ranger Junior College and Ranger High school, his fellow students, teachers and citizens of this community, hold in reverent memory (name of soldier) who gave his life for his country. May the great sacrifice he has made help to promote perpetual peace and further the welfare of our nation and freedom and security as long as time shall endure." The case of the certificate was inscribed with these words, "Greater love hath no man than this."

A piano prelude to the program was played by Miss Ruth Hightower dean of the fine arts department of the college and a

the invocation was offered by O. G. Lanier. Mrs. Homer Healy, head of the voice department of the college led the audience in singing America, God Bless America and the Star Spangled Banner. Rev. Wallace N. Danson read the scriptures and Mrs. Hal Hunter read a letter and poem from Mrs. Ruth Denny, former Ranger teacher who had taught 22 of the 27 students honored. Mrs. Healy, accompanied by Miss Hightower at the piano, sang The Lord's Prayer. Miss Hightower also gave a piano solo. The benediction was offered by Rev. H. B. Johnson.

Flowers which decorated the stage were contributed by Mrs. C. A. Stron in memory of her son, Royce McCleskey, who was one of the men who gave his life for his country, and by Mrs. Ruth Denny.

Those who were with the speaker's party on the stage were, Miss Hightower, Mrs. Healy, Dean H. L. Baskin, Homer Smith of Eastland, county superintendent of schools, Mayor J. J. Kelly, Rev. Johnson, Lee Dockery, representing the American Legion, Dr. Boswell, L. R. Pearson, Rev. Danson, J. R. Ervin, principal of Young school, Miss Lillian Strain, principal of Hodges Oak Park school, O. G. Lanier, A. W. Warford, principal of the high school, Mrs. Leslie Hagaman of the high school faculty and Mrs. Hal Hunter of the college faculty. The latter two were in charge of arrangements for the program.

The 27 men to whom tribute was paid were, Woodrow David Patterson, Archie Hazard, Scott Hodges Neal, Garlan Montgomery, George W. Cox, J. B. Ames, Burk Barnett Hunt, Morgan E. Copeland, Thomas Weidon Hale, Franklin Prater, Pless E. Moore, Aaron Anderson, George L. McCleskey, Albert Nantz, Paul H. Young, Herman L. Post, Joseph P. Weaver, Guy Pledger, Jr., Orval Lee Russell, Frank Champion, D. L. Simpson, Harvey Foxville, John L. Bow, John W. Watson, Royce L. McCleskey, Durwood Barnes and Samuel Eugene Henson.

The auditorium of the Recreation building was filled to capacity for the service and merchants of Ranger closed the doors of their business during the service.

Although this return to Germany and Austria is contrary to a recommendation of the World Jewish Congress at Atlantic City last year, Jewish organizations here did not oppose the transfer because of the impoverished condition of the refugees. While here they were receiving only 400 francs (\$9) a month.

"But a telephone's already there!"

People often ask, "There's a telephone already in the place where I'm moving. Can't I have it?"

The girls in the telephone business office would like to say "yes." But it wouldn't be fair to the many people already waiting for telephones.

You see, the telephone won't work by itself. It must be connected by its own pair of wires to complex equipment in a telephone central office. In many places the equipment is all in use. All told, 230,000 people are waiting for telephones in the Southwest.

They expect to get service in their proper turn when someone makes "room" by disconnecting his telephone, or when we can put in additional equipment. That's why we can't just leave a telephone in place, and connect the service for the next person who happens to move in. That seems the only fair way to do the job...and the way we think you would want us to do it.

Many suffer from backache because they do not know that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisons to remain in your blood, it may cause rheumatism, backache, rheumatic pains, leg pains, loss of sleep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty urination with burning and itching sometimes shows there is something wrong with your kidneys or bladder.

First GI In Europe Receives His Discharge

HUTCHINSON, Minn. (UP)—Sgt. Milburn Henke, 27, the first American soldier to land in Europe during World War II, has been discharged and plans to enter the restaurant business.

Henke, who fought through the North African and European campaigns, recently was discharged from Camp McCoy, Wis., and planned to assume management of his parents' restaurant here after a short vacation.

Menus in the restaurant feature the famous news photograph of Henke as he walked down the gangplank Jan. 26, 1942, in Northern Ireland to lead the parade of American soldiers entering Europe. Two pictures of the Hutchinson soldier decorate the restaurant walls, sharing the spotlight with pictures of Presidents Abraham Lincoln, George Washington and Franklin D. Roosevelt.

Designation of Yokosuka on Tokyo Bay, 28 air miles from the capital city, as the port to be used by the American fleet units brings one of Japan's chief naval stations into the surrender and occupation plans. Established as a naval center in 1865, Yokosuka is only five miles from the spot where Commodore Matthew Perry landed in 1853 to open Japan to commerce with the United States.
