

22 bands to compete here

Twenty-two high school bands will roll into Dimmitt Tuesday and Wednesday for the Inter-scholastic League's regional concert-band contest.

THE CONTEST will be for all the Class B, A and AA bands in the North Zone of Region 16. It will be the fourth year in the last five for Dimmitt High School to host the regional concert festival.

Class B bands will compete Tuesday evening in DHS auditorium. Class A bands will perform Wednesday morning and Class AA groups will give their concerts Wednesday afternoon.

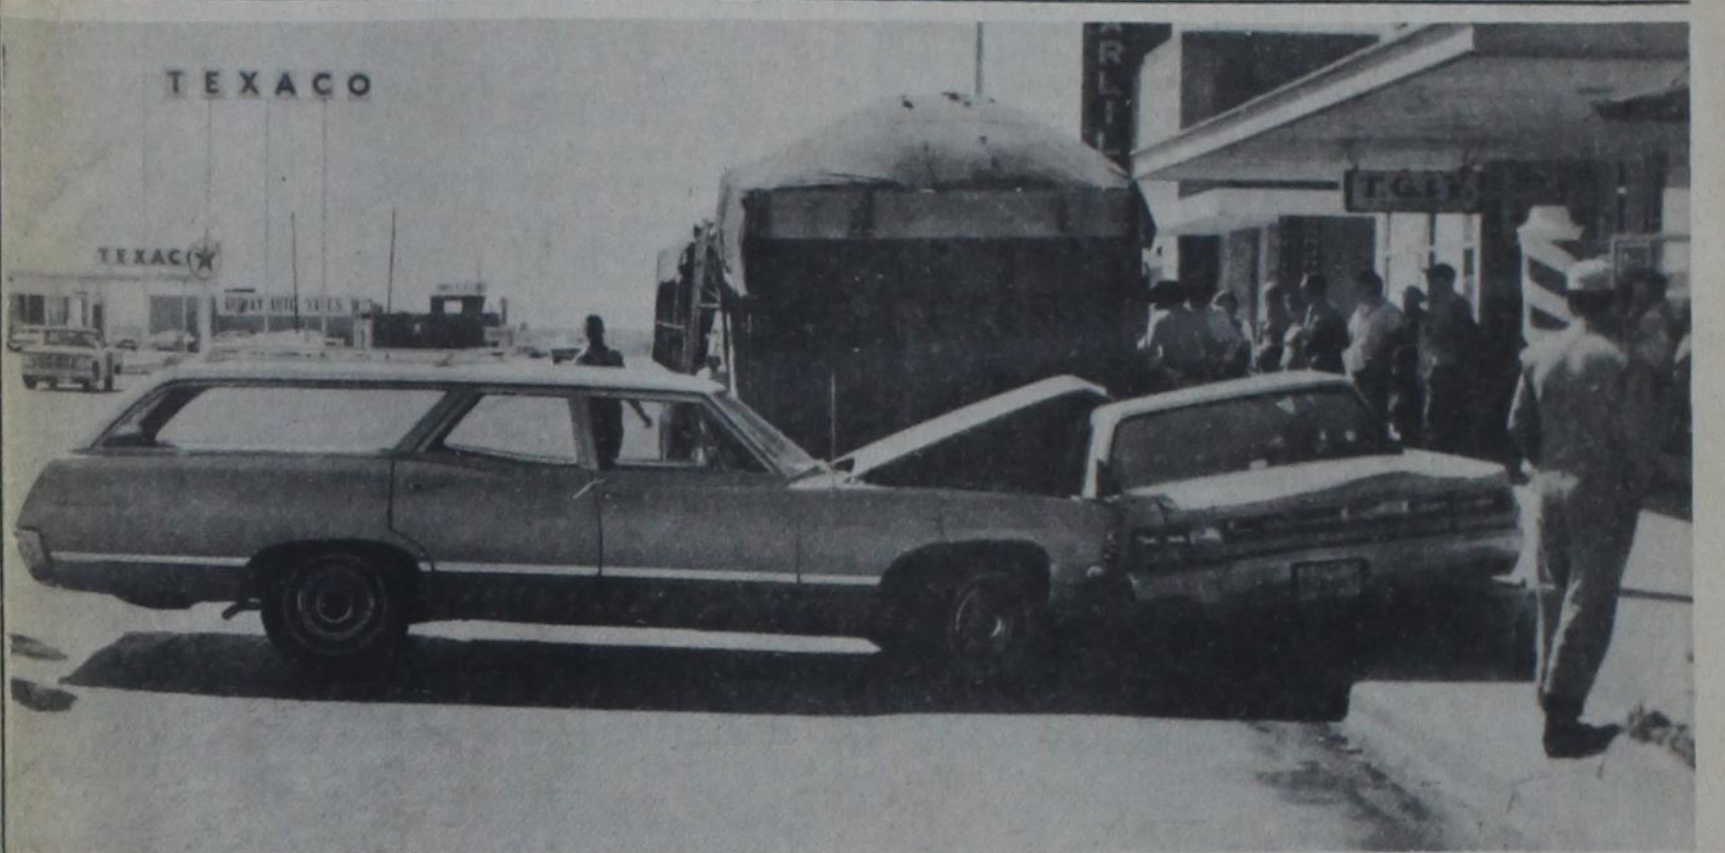

Each band will warm up in the DHS cafeteria, perform its concert numbers onstage in the auditorium, then go to the gymnasium for the sightreading phase of the contest.

All concert performances are open to the public. However, the auditorium doors will close five minutes before each performance time, so anyone wanting to hear any particular band must be seated ahead of door-closing time.

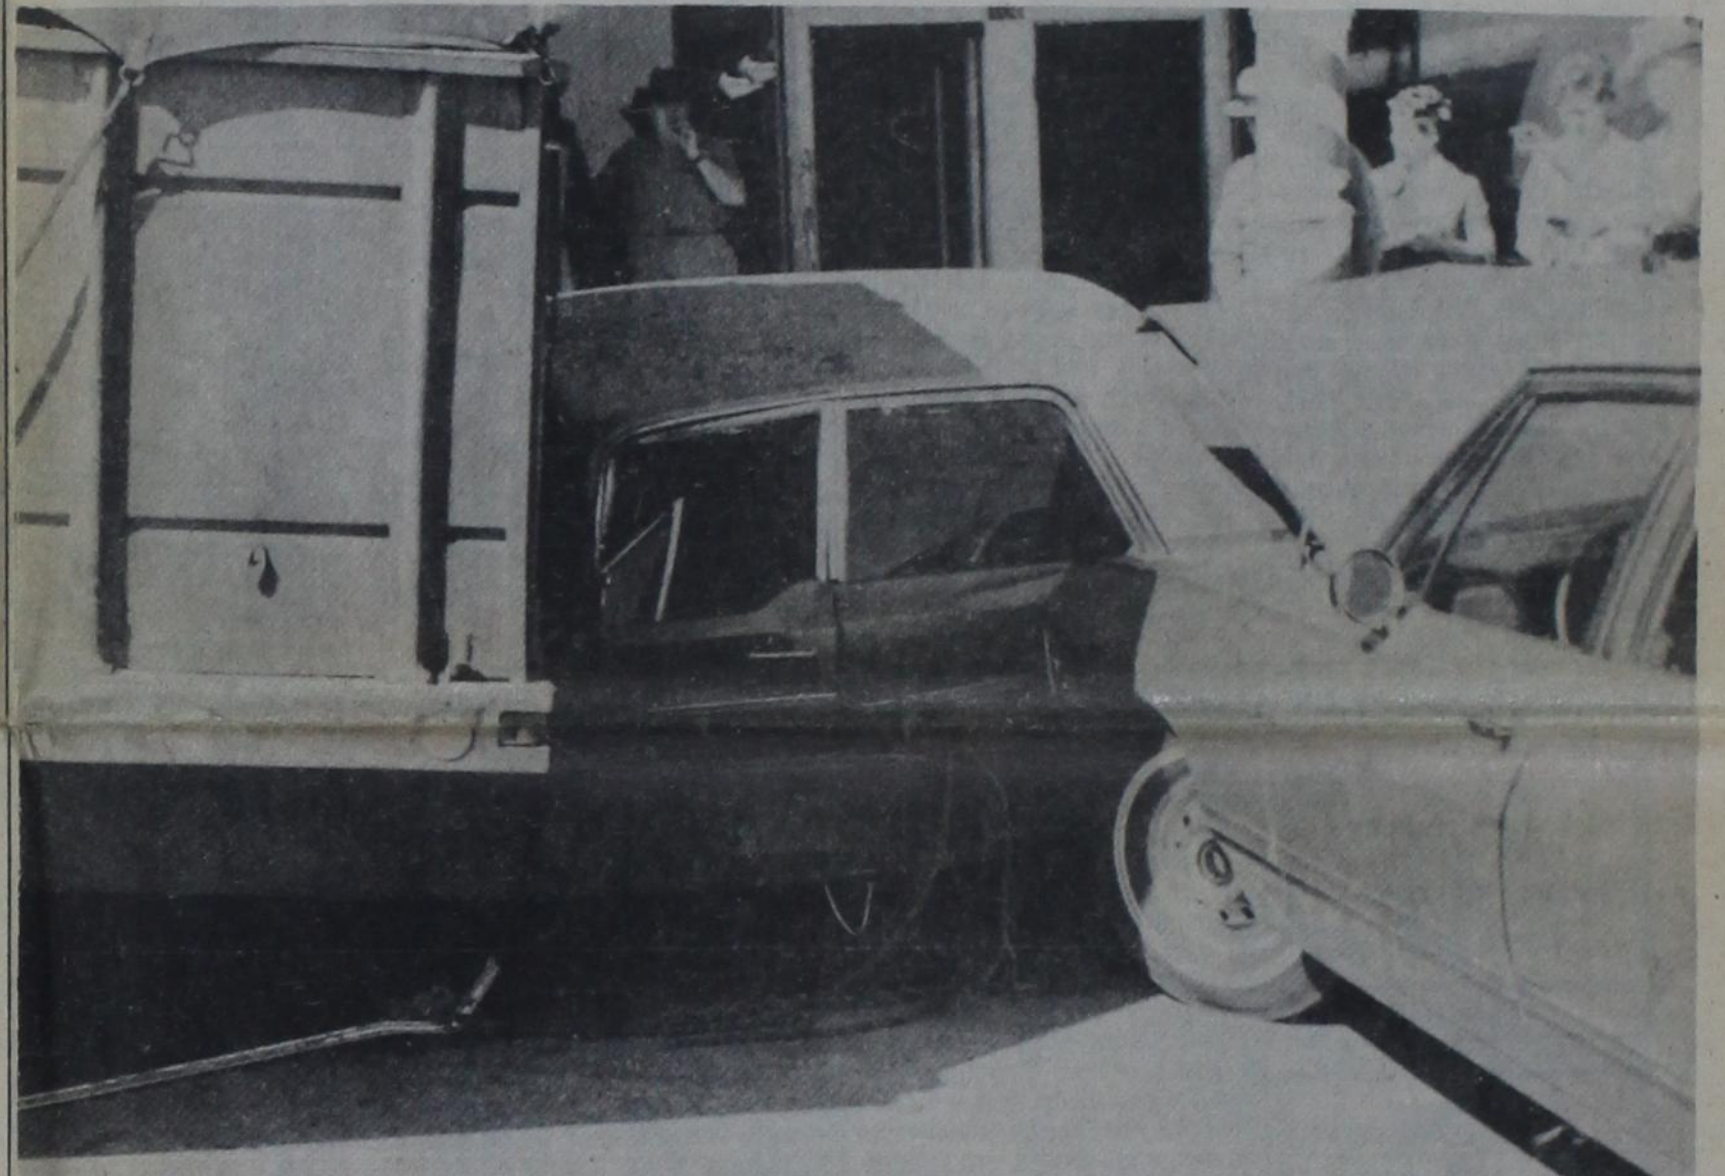

Host bandmaster is Ralph Smith, DHS band director. Smith's 130-member Bobcat Band will perform "Gerona," a Spanish march by Lopez; "Adagio Apathetique" by Goddard; and "Lustspiel," a German overture by Keler-Bela.

Here are the concert times for the 22 bands in the contest:

DIMMITT'S DELEGATES to the Presidential Classroom for Young Americans—Dawn Parker and Patt Rush—pose at the nation's capitol with Congressman George Mahon of Lubbock, who gave them the "red carpet" tour during their week in Washington.

Miss Parker and Rush also visited with Senators John Tower and Lloyd Bentsen. In the article below, the students give a day-to-day account of the Presidential Classroom experience.

DHS students describes Washington experience

By DAWN PARKER

We started our trip Saturday, Feb. 26, when we flew to Washington, D.C. We were met at the airport by a representative from the Presidential Classroom for Young Americans and escorted to the Shoreham Hotel, where we were going to live for a week.

A LITTLE background information: the Presidential Classroom for Young Americans is a program designed to let junior and senior high school students make an advanced study in the United States government. There are six sessions of the classroom, each a week long. About 280 kids from all the United States attend every session.

When we arrived in Washington we had already been divided into seven sections with about 40 kids each. Each section had two leaders who stayed with that section all week. Nearly

everything was done by sections—when we were in seminars, we sat by sections; we rode buses by sections; and we went to restaurants by sections.

The entire second floor of Washington's Shoreham Hotel had been set aside for the use of the Presidential Classroom. Here we were housed with four or five people in a room. The classroom staff had set up a rooming system whereby each had at least one person from one of the four corners of the United States. In my room there was a girl from the state of Washington, a girl from Minnesota, one from Pennsylvania and one from Virginia.

EACH NIGHT we were usually confined to the second floor of the hotel after about 10:30. But curfew in the rooms was not until about 12:15. During this time there were discussion groups in various rooms, or we could just wander in the halls

and chat with other people. The Pepsi-Cola Co. set up machines in the halls and we had free Pepsi and Teem anytime we wanted it. That really made it nice.

Every day we received a printed information paper called the "Presidential Daily." It had a minute-by-minute schedule of the day's activities and also provided information about the speakers of the seminars.

We had 22 seminars. Each consisted of a lecture period of about 30 minutes, then about an hour was given to a question and answer period.

DAY BY DAY account: Saturday was mostly a day of registration and get-acquainted time. We had a general welcome and orientation, then we were instructed as to what section we were in and who our leaders were.

Sunday morning we had a (See WASHINGTON, Page 11)

TIGHT GRIP—John Wood, commander of Henry Berry Post 445, American Legion, proudly holds up the mortgage note on the Legion Hall, which was redeemed last Thursday with a \$2,980 payment to High Plains Savings and Loan Association. At

left is Jack Flynt, post finance officer and former state commander, and at right is Salvatore DiCuffa, post trustee. Local Legionnaires have been paying on the building since 1960.

Legion pays off note

Dimmitt's American Legion hall is now free and clear of debt.

IT HAS BEEN in that happy condition since 4 p.m. last Thursday, when Post Commander John Wood, Finance Officer Jack Flynt and Trustee Salvatore DiCuffa marched into the offices of High Plains Savings & Loan in Hereford and plunked down \$2,980 to retire the mortgage.

After High Plains Vice-President Myron Morgan helped them with the brief officialities, the Legion officers walked out with a tight grip on the surrendered mortgage note—which will be

burned in a post ceremony later.

Members of Greer H. Estes Post 445 had been making payments for a dozen years on the building, which was constructed in 1960. And in recent years, the payments haven't come easy.

THE POST'S "shock troops" in the successful assault on the mortgage debt were the five members of the fund-raising committee—Fred Kuntz, Houston Lust, Carl King, Flynt and DiCuffa, who button-holed Legionnaires throughout the post area.

To make the final payment,

several of these men dug deeper into their own pockets to make up the balance of money pledged but not yet collected. However, they said they hope and expect to be reimbursed by those who have not yet paid their pledges.

During its 12-year history, the Legion hall has served as a community building for all types of functions—teen dances, rodeo barbecues, 4-H shows, banquets, meetings. The building is now being utilized by the Dimmitt Boxing Club as a temporary workout gym, and also is available for other community functions.

Absentee voting is now underway

Residents who will be out of town or unable to vote April 1 in city, school and hospital board elections can now cast absentee ballots.

ABSENTEE ballots for the Dimmitt city commissioners' race are available at city hall. Incumbents Noel Gollehon and Troy Kirby are running for the two commissioners' places.

The Dimmitt School District trustee election absentee ballots are available in the school tax office on Western Circle Drive. Both incumbents Jack Miller and John Gilbreath are seeking re-election unopposed.

For the Hart and Nazareth school trustee elections, absentee ballots can be cast in the school superintendents' offices. At Nazareth, three trustee positions are on the ballot, and candidates are Robert Huseman, Edwin Schacher and Cyril Brockman. A four-man race for two positions has shaped up in Hart. Candidates are Vernon Mapp, Deryl Clevenger, Cecil Ray Jones and Joe Ed Carson.

ABSENTEE ballots for the trustee election for Plains Memorial Hospital will be available in the business office of the hospital. Donald J. Wright, incumbent, and Robert McLean are candidates for the two available seats.

Woman golfer scores an ace

Mrs. Bobby Vilas of Dimmitt struck an authoritative blow for the ladies Sunday when she became the first woman golfer ever to score a hole-in-one at the Country Club golf course.

SHE LOFTED a perfect four-iron drive from the No. 2 tee-box. Her fellow golfers, Joe Butler and Ralph Glover, watched with open mouths and wounded male chauvinism as Mrs. Vilas' ball touched down on the green and rolled into the cup of the three-par hole.

It was the second hole-in-one scored on the local course in two weeks, "and that's getting them pretty close together," Club Professional Al Forrester said.

Wandering trailer crushes cars

A tandem dual feed trailer, loaded with cottonseed hulls uncoupled from the bobtail truck pulling it on South Broadway, careened across the street and rammed two cars parked in front of the TG&Y Store Friday morning.

Hart rites held for Mr. Martinez

Services for Silbestre Martinez, 71, a Hart resident for 14 years, were held Friday afternoon in St. John's Catholic Church in Hart. Rev. Raphael Chen, pastor, officiated.

BURIAL was in the Hart Cemetery under the direction of Parsons Funeral Home of Olton. Mr. Martinez died last Wednesday in Methodist Hospital in Lubbock after a short illness.

He is survived by four sons, Tony of Morehead, Minn., T. D. and Paul, both of Hart, and Eddie of Plainview; two daughters, Mrs. Ruben Garcia of Fargo, N.D. and Mrs. Mike Menchaca of Hart; a brother, Luciano of Salinas, Calif.; a sister, Mrs. Carmen Gaura of Salina; 35 grandchildren and a great grandchild.

THE NORTHBOUND truck, driven by Howard Kendrick Coody of Dimmitt, was hauling hulls through to a local feed-yard when the trailer began uncoupling about three blocks south of the accident scene, according to Police Chief W. W. Jones, who investigated the accident.

At the Jones Street and Broadway intersection, the trailer

Veterans' office hours are altered

Bedford W. Smith announced that for the remainder of the month of March the Castro County Veterans Service office in the Courthouse will be open from 8:30 a.m. to 3:30 p.m.

The office will be open during the noon hour on Wednesdays and Fridays.

passed the truck and veered across the four-lane street, Jones said.

The trailer tongue first rammed a 1967 Plymouth owned by Mrs. Lewis Wakefield parked just north of an alley, shoving it back into a station wagon owned by Fred Bruegel Jr., which was also parked at the curb. The trailer came to rest partially on top of the crushed Plymouth and knocked the station wagon around parallel to the street and the wreck scene, Jones reported.

NO ONE was injured in the freak accident. Both Mrs. Wakefield and Mrs. Bruegel were out of their cars when the wreck occurred.

Jones said Mrs. Wakefield's car was totally demolished, and at least \$600 damage to the Bruegel station wagon resulted from the wreck. Damage to the trailer was termed light, probably only \$100, Jones said.

Witnesses saw the trailer

come loose near the Deep Rock Service Station on South Broadway and bump the truck for several blocks until it veered around the truck at Jones Street.

One witness, Fred Lemme, manager of TG&Y, said, "If the curb hadn't been there, the trailer would have gone right into the store. It bounced off the curb right in front before it hit the first car."

Wreck victim out of hospital

La Tanya Jones, daughter of Mrs. Sue Jones of Dimmitt, was released from Northwest Texas Hospital in Amarillo Monday. She was taken to the hospital following a two-car accident near Hereford March 4.

She is reported making satisfactory progress, but remains under a doctor's care.

School board rehires 97

The Dimmitt School Board re-hired 97 classroom teachers' contracts at the regular monthly board meeting Monday night.

THE CONTRACTS of administrators, coaches and counselors were reviewed at earlier board meetings, and all were extended at least through the 1972-73 school year.

In other action, the trustees voted to allow the Dimmitt Boxing Club to use the gymnasium for a boxing tournament. They also accepted the Blue Cross Blue Shield insurance plan for the school.

Teachers who were offered new contracts for next year were:

Anthony's, Behrendses return from jaunt into Mexico

By MYRTLE SHEFFY
Mr. and Mrs. Andy Behrends and Mr. and Mrs. Wes Anthony are home from an interesting trip south. The Anthonys went by camper trailer and the Behrends by car. First they went to El Paso, then over the Rio Grande to Chihuahua where they took the train for the scenic ride to Los Mochis. This train goes through 90 tunnels, across many canyons, a very beautiful rugged place.

MR. AND MRS. George Bradford left here Thursday for Paris and Blossom, that is in East Texas. They attended the wedding of a friend and visited other friends and relatives. They stopped in Denton to visit Josie's brother Rev. and Mrs. Johnny Roden, and also folks in Fort Worth.

River bordered with big pecan trees. They went on to Eagle Pass to visit relatives. Pearl Brock of Hereford went with them. I heard a news man call Eagle Pass the "Gateway to Mexico."
RUTH Skinner has been in Abilene for a few days with her mother who has been slow getting over the flu. Ruth is a school teacher and wife of Weldon Skinner.

Helen McLeans house. She took her guests to the Country Club at Hereford for lunch, bridge at home. They were Jeannie Miller, Reba Touchstone, Edna Riley, Virginia Gilbreath, Ceal Carlile, Maxine Tidwell, Katy Burkett and Margaret Wilson.
Peggy and Allan Webb went to Fort Worth last weekend to pick up young Matt who will stay here while his mom A'llan Bradley takes mid term tests on her nurses work at TCU. Matt's dad is Ray Bradley, son of Dent and Bessie Mae.

that Anita and Helen were the smart ones.
Gladys Cleavinger and her brother Ray and Mattie Axtell of Earth left Monday for Phoenix, where they will meet the California kin. They will visit Margaret Axtell, then go on to see the Death Valley country and all these interesting hills and vales in Arizona or maybe some of them.
MAURINE Henderson and sister Mildred Kyle went to Springfield, Mo. to visit their brother Vernon and Oma Simmons and the family. The Simmons farmed land south of Dimmitt a few years ago.

Luther Follis of Fort Worth and Randy of Hobbs and Mr. and Mrs. Virgil Follis of Corsicana have been here to visit their parents and brother Mr. O. L. Follis who is very ill in Plains Memorial Hospital. Mr. Follis says many thanks go to friends for their good wishes, cards and flowers.
Rev. and Mrs. C. W. Lokey were recent guests of Pearl Sheffy. Mrs. Lokey is the former Zada Maxwell, one of six teachers (with Pearl) who lived in the same apartment house and taught school in Sweetwater 50 years ago. They had many "Do you remember?" to talk about.

weekend, then went on to Lubbock to window shop and visit an aunt Mrs. R. M. Petty. Mr. Petty is in a hospital with a broken ankle bone.
Burl and Bish Bradford went to Blossom to attend the niece's wedding and for a visit with all the relatives.
Guests in the Jim Golding home last weekend were their daughter Ann and her roommate Beth Hall whose home is Sweetwater. They're students at ACC in Abilene and friend Delores Waggoner.

sponsors Mike Jeter, Maxine Tidwell and Darlene Dowell went to the Amarillo Civic Center to hear the Jesus group. Two rock bands played and Archie Manning was the speaker.
NEW regulations allowing insurance companies to cancel auto policies only for failure of the insured to pay premiums or for license suspension or revocation have been adopted by the State Board of Insurance.

They went to Topolobampo, a fishing village on the Gulf of California. They saw the fish that jump out of the water and the fishing boats but did not fish. Came back by the same route, then all took off to the Big Bend National Park. Helen says a must for you to see—the rugged mountains, tall pines and lower levels, the blooming cactus and the place covered with lupines, a cousin to the blue bonnet.
Then the Behrends went to San Antonio to visit son Andy and Kitten, the kids Mike and Kirsten, then home. The Anthonys took the Coast Road to Brownsville and on and on, then to San Antonio, and Devine, where they visited her niece Emily Clingsmith who has a trailer house near a lake and also Emily's daughter Ruby Mae and family, then home.

We were sorry to miss Merle and Don Franklin in Houston. They live in a pretty house in Hide Away Circle, so called because of the many big trees. We did see the Stovels from Panhandle. They know the Catoes. Have you noticed how you always meet someone who knows someone? "fun," isn't it?
Mrs. Gladys Leeth left here this weekend for Houston where she will visit her daughter Sandra Michels and family. Sandra has had major surgery, but doing fine now. The Michels have two little boys.
Mr. and Mrs. Dave Shepard and daughter Virgie Breeding of Amarillo were in Dimmitt on business this past week. They and niece Thelma Whigham of Lubbock were having supper at the cafe. Mr. Dave will have a birthday the 21st. He will be 80 years. Send him a card at 302 S. Harrison, Amarillo, Texas 79109.

Richard and Ruth Wooten went up to Conchos Lake fishing last weekend. Didn't hear how big the fish were.
John and Dorothy Gilbreath and Jim and Nancy Ross went to Las Cruces, N.M., to see Texas University play in the basketball tournament. The grandboys stayed with Sam and Virginia.
SHIRLEY WISE was hostess to her bridge group Thursday. The house was decorated with a St. Patrick's theme. She served some good food to Ruth Jackson, Katy Graham, Mrs. Merritt, Gail Bruegel, Dorothy Gilbreath, Pat Bagley, Joannis Robertson, Dorothy Mayfield, Doris Lust, Courtney Armstrong, Jo Eddie Riley and Carolyn Jones.
Ouida Willis was hostess with a luncheon and bridge at Hereford Country Club Friday. Guests were Johnny Boothe, Dugan Butler, Helen McLean, Anita Morris, Gladys Benson, Aural Davis, Muriel Smiley, I hear

God's Purposes

If you were having a picnic at the lake at approximately this spot, you might say, "Well, why did the engineers leave those trees in the water when they made this lake? They create such an eyesore. I can see no purpose in it." Yet, fishermen tell us that the fish love those old tree stumps and roots and that you can almost always find fish swimming in the dark recesses around and between these trees.
So many times we question God's wisdom in allowing some things to be and other things to come to pass. But God is good and his purposes are wise. The very thing that seems useless to us, might make us marvel if we could see with Heaven's eyes.

As Isaiah reminds us, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."
But he also wants us to know that his thoughts are many toward us and that everything works toward our good and our salvation. If we had no conflicts, and no questions, we would never have the opportunity to step out on faith.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

On highway signs

Symbols will replace words

The Texas Highway Commission has approved sweeping new changes in traffic control devices—signs, signals and highway markings.

THE CHANGES are in the Manual on Uniform Traffic Control Devices approved by the commission. The manual incorporates changes prepared by the Federal Highway Administration based on recommendations by a national committee of the American Association of State Highway Officials.

The new philosophy in signing recommended by the manual involves the changeover from words to symbols and pictures as part of an international move toward greater uniformity and clarity in road signs throughout the nation.

In Europe, the system of symbols and shapes has been used effectively for the past 20 years among multi-language countries where uniformity is necessary for efficient traffic control.

THE NEW signs and other traffic control devices have been under study in this country since 1964. One of the primary reasons for the new system of symbols and shapes is that they will enable people of different national and cultural backgrounds to easily identify traffic signs while driving.

Panels explaining the new symbols will be placed under the signs so motorists won't be confused. Traffic engineers hope that the public will become familiar with the new symbols and shapes in about five years so the panels can be removed.

In Texas, the changeover will be gradual, with new signs going up on a replacement basis initially. The manual will become effective June 1, 1972.

ALTHOUGH there will be new symbols, shapes and colors, the majority of the existing signs will remain unchanged.

The new yield right-of-way sign will have a wide red border and white interior and will retain the word "YIELD" in red inside the border.

The new prohibitive signs will all have a red circle with a slash cutting diagonally through the center which will mean "DO NOT" or "NO." The symbol

inside the circle will show what is prohibited. For example, a sign showing a left turn arrow which is surrounded by a red circle and a slash means "NO LEFT TURN."

THE YELLOW diamond-shaped signs will still stand for a warning, but some of the symbols showing hazards ahead will be new. For example, the message, "Merging Traffic," on a yellow diamond-shaped sign will be replaced by a black arrow being joined by a smaller black line. It is hoped this will minimize confusion as to which stream carries the merging traffic.

There is a major change in the school advance sign and the school crossing sign. These signs will now be pentagon in shape, with the figures of two school children being shown in black on a yellow background.

Color will become more important in the new system.

RED WILL indicate stop or a prohibition, green will show movement permitted or give directional guidance, blue will signify motorist services, yellow will indicate a general warning and black on white will be used for regulatory signs such as those for speed limits and for most guide and destination signs.

In addition, orange (a new color in the manual) will convey construction and maintenance warnings.

The new traffic control devices manual also includes major adjustments in the use of color lines for pavement markings.

WHITE BROKEN lane lines will remain on divided, multiple-lane highways such as Interstate Highways. The white broken line will denote that there is more than one lane, but that traffic in all lanes travels in the same direction. Solid white lines will be used for edge lining on two-way roadways, crosswalks and road markings.

Yellow striping will be used a great deal more than in the past and will denote two-way traffic. The combination of broken and solid yellow stripes will indicate to the motorist what is permitted.

A yellow broken centerline will mark the division of the road where passing is permitted. A solid yellow line to the right of a broken yellow centerline will mean no passing is allowed for traffic in that lane. Double solid yellow lines will denote the center line of an undivided multiple highway where no passing is allowed by vehicles in either direction.

Presenting **The VERSATILE Eversman 329**

Longer, Heavier, Stronger—Built To Sell at a LOWER COST

Utilizing Important NEW IMPROVEMENTS in the Famous Eversman CRANK AXLE

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32'6". Width 12". Blade capacity, 1 1/4 cubic yards. Blade vertical travel 15". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

Couple to attend TSTA convention

Two Dimmitt educators, Mr. and Mrs. Bobby Crooks, will be official voting delegates at the 93rd annual state convention of the Texas Teachers Association today (Thursday) through Saturday in the San Antonio Convention Center.

THEY ARE among the 1,390 TSTA local association members certified as representatives to the 1972 House of Delegates, which will meet twice at the convention to discuss and act on proposed amendments to the TSTA Constitution and other business.

The official delegates are elected from the 459 TSTA local associations throughout the state. They are certified by districts on the basis of one delegate per 100 members or fraction of 100. Every local association is entitled to at least one official delegate.

With total statewide membership in TSTA at a record 146,800 this year, attendance at the convention is expected to exceed 10,000.

FEATURED speakers will be Glenn Olds of Kent, Ohio, president of Kent State University, and Max Lerner of Waltham, Mass., a professor of American civilization and institutions at Brandeis University.

BEWARE BROWN PATCH

Brown patch will soon be visible in St. Augustine lawns. The fungus disease shows up as circular patterns of dead grass in the turf, explains Dr. Walter Walla, Extension plant pathologist. Brown patch can be effectively controlled by timely fungicide applications when the disease is expected or

Hart news

City joins Panhandle Regional Planning Commission

By MYRT LOMAN

The Hart City Council voted at its March meeting to join the Panhandle Regional Planning Commission.

The purpose of the regional organization is to assist towns in purchasing police equipment and other necessary items, and to coordinate and standardize certain municipal programs and services.

City Commissioners Aubrey Myers and W. T. Sanders were appointed representatives to the PRPC.

Broadway, the main street of the city, was marked for parallel parking on Thursday and Friday. This was done to comply with a state municipal ordinance agreement between the city of Hart and the state of Texas.

THE ANNUAL fund raising drive aimed at collecting \$700 this year for Boy Scouts began on Monday.

W. T. King, Lion boss, and community chairman said a total of \$186 is needed for the council budget.

Jerry Cotton and Mrs. Leonard Griswold are Cub Scout leaders and Vance Bradford, Hart school teacher, has recently accepted the job of scoutmaster for Boy Scouts of Troop 246. He replaces Deryl Clevenger who has been scoutmaster for several years.

DONIECE CLARK, Abbey Mancias and Connie Beavers were recently honored with a birthday skating party in the Hart Elementary gym.

Refreshments of cupcakes, Coke and ice cream were served to the 20 classmates.

Mothers of the girls were hostesses for the party.

EASTER Parade was the theme of the Chi Psi rushee party Thursday night at 7 p.m. in the home of Mrs. Clinton Billingsley. Hostesses were the social committee, Mmes. George Vance, Barry Hughey, Ted Averitt and Tom Ed Benton.

A salad supper followed the welcome by president, Mrs. Bob Lacy. Rushees were given instructions by Mrs. J. D. Myrick and invited to join Chi Psi Sorority. The rushees are Mmes. Doug Martin, Daryl Mc-

Help available via Easter Seals

"Do you know a handicapped person who needs help and isn't getting it?" is the question being asked by Mrs. Sue DeVaney, who is Castro County's Easter Seal representative, and the person to contact for services from the Easter Seal Society for Crippled Children and Adults of Texas.

THE EASTER Seal Society offers rehabilitation services to help disabled persons and their families to find and make the most effective use of resources which will be helpful to them in developing their abilities and living more purposeful lives. Mrs. DeVaney said. This is accomplished through direct treatments, services, education, research, and cooperative efforts with all other health agencies, private, state and federal. The Easter Seal Society does not duplicate services, but strives to fill all unmet needs of the disabled, she added.

The Easter Seal Society is now carrying out its 42nd annual Easter Seal Appeal to finance a program of rehabilitation services for crippled children and adults. The Texas Easter Seal Society helps support 19 treatment facilities where children and adults are treated regardless of ability to pay. Physical therapy and speech and hearing programs are offered to help the disabled make their lives fuller, despite their handicaps.

Mrs. DeVaney urged persons in Castro County to increase their support of the Texas Easter Seal Society and its programs of services to the crippled children and adults of Texas.

USMC recruiting for Marine Band

The United States Marine Corps recently instituted a special enlistment program for qualified musicians. This program assures qualified applicants of an assignment to a Marine Corps Field Band or Drum and Bugle Corps upon completion of the required recruit training. Band instrumentalists who meet the prescribed audition requirements for the musician assignment program and are accepted by the Commandant of the Marine Corps are assured the following assignment:

3-Year Enlistment: Promotion to private first class upon completion of recruit training; assignment to a Marine Corps Field Band, Drum and Bugle Corps instrumentalists who meet the prescribed audition requirements for the musician program are assured the following: Assignment to the Field Music School at the Marine Corps Recruit Depot, Parris Island, South Carolina; meritorious promotion of one grade. LANDSCAPING Landscaping is a long term investment, points out Everett Janne, Extension landscape horticulturist. Trees and shrubs properly placed can increase in value five to six times in the first 10 years and will continue to increase in following years. The key to proper tree placement is a landscape plan. A minimum of 10 percent of the of the home should be allocated for a landscape budget. Trees and shrubs must have room to develop to their fullest potential. Simplicity should keynote the design.

Word was received Sunday morning that E. J. Cloud was to be buried at Rule Sunday afternoon. Mr. Cloud was the principal of Sunnyside School from 1937 through 1939. He was a State Representative from his district for many years after he retired from teaching.

Attention All DHS Ex-Students: PLEASE GET THIS MESSAGE TO A FRIEND:
Dear Ex-Student:
It was 20 years ago this month—in March, 1952—that the Dimmitt Bobcats and Bobbies established a national record by winning back-to-back state championships and finishing their basketball seasons undefeated.
Members of these 1952 basketball squads will be the honored guests at the Spring Separation of the Dimmitt Ex-Students' Association to be held from 7 to 9 P.M. Sunday, April 1 (the day before Easter) in Dimmitt High School Gymnasium.
John Blaine, who compiled the best win-loss record of any high school coach in the U.S. in 1952, was named the Texas 33rd about that historic year. He has since been elected 1952 Bobcat Hall of Fame. He will also see the game film of the still highlight contest of the 1952 state tournament. (He'll be from that year.)
There will be another "anniversary team" to be recognized at our reception—two—the Dimmitt Bobbies of 1952, who won the first state championship for Dimmitt High School.
We would like to see you and all the other DHS exes possible who are interested—everyone is welcome. Bring your old yearbook and all the school-day pictures you can find, too.
If you'd rather fly in, our new all-weather airport has a 4,000-ft. runway, and Quince is 122.5 and 123.9. If you will be located at 647-2177. Restaurant, dining room, private club located at 647-2664. The Dimmitt South Highway 365 (647-2178) or the Newlines Hotel at 121 E. Bedford (647-2196).
and it will be fun to see familiar (if older) faces again, surprised as will you all see here that we've installed a new \$10 million gas milling plant, large feedline to the county holding tank, a million cattle, new feeding operations for swine and sheep, new businesses, new residential subdivisions.
We hope to see you at the reception!
Don Nelson, President
Dimmitt Ex-Students' Association

... AND MARK THE DATE ON YOUR OWN CALENDAR!
The Ex-Students' Association has mailed this letter to 880 exes, but many addresses may not be current. We want to make sure that as many as possible get the message. Will you help?

Who Killed Cock Robin?

Recently Senator Adlai Stevenson of Illinois raised the question as to why since World War II the number of American farms has dropped from 5,900,000 to 2,900,000. This is somewhat along the line of the old classic query of "who killed Cock Robin?"

The Senator also went on to enumerate the vast holdings in farm land by the big corporate giants asking "what is the meaning of this vast change?"

It is somewhat astonishing that any of the nation's lawmakers would propound such questions, because after all it is the lawmakers who write the tax laws. And it is the tax laws which are the root cause.

In ancient Egypt there was a chap named Joseph who made points with the Pharaoh on this matter of laying up food stocks in the lean years for the years of famine ahead.

These big corporations who have gone into the ownership of huge tracts of farmland apparently have their own Josephs around who apparently are not only pretty good journeyman prophets but good tax accountants, as well.

According to all the predictions of the demographers, the world population is going to grow tremendously in the next quarter century.

©National Federation of Independent Business

If they are correct, and they probably are, food which today is in surplus in the United States, will become a scarcity, and at that time the law of supply and demand will push prices upwards.

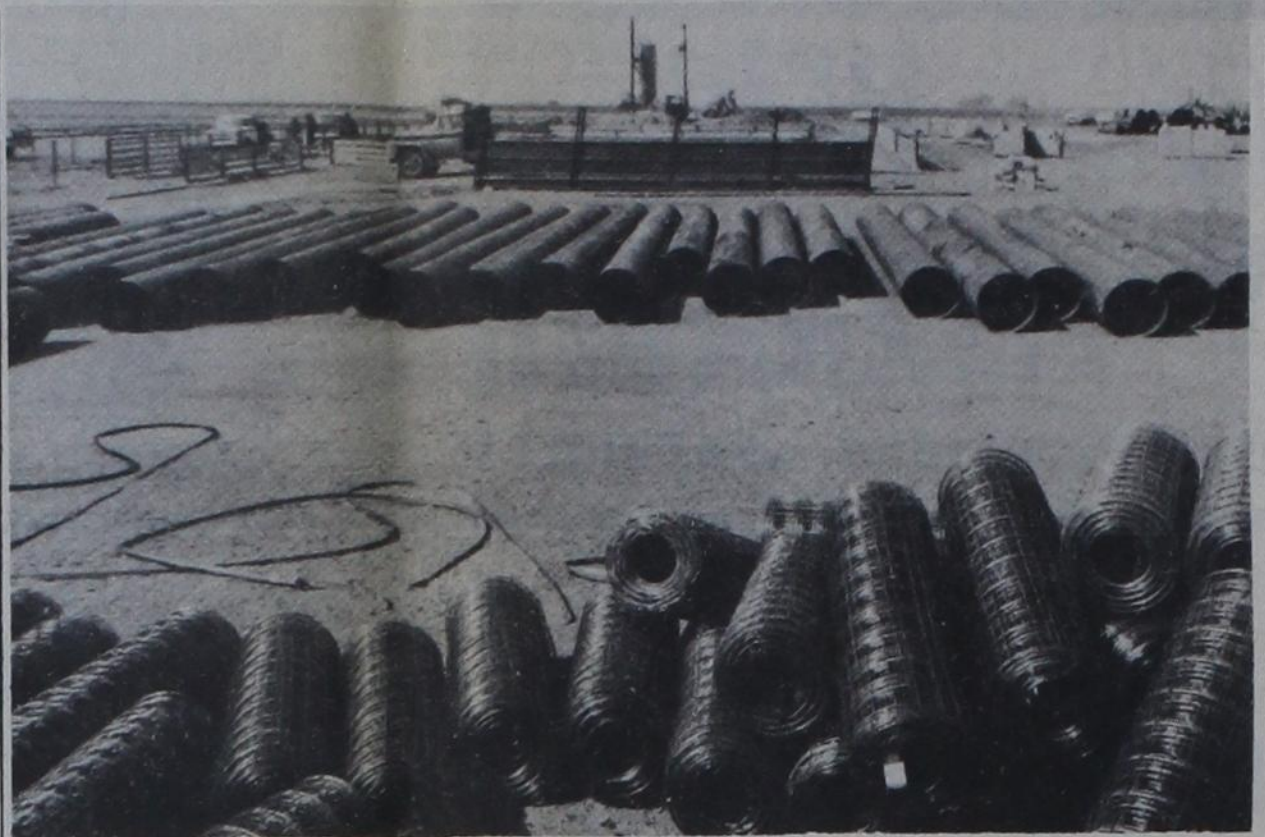

Now under present tax laws, a big corporation can afford to operate farms at a loss, or even at the break even point, because the tax laws are rigged in the favor of a corporation so engaged.

And while the individual farmer cannot feed himself or his family on the expectations of a profitable operation some 25 years hence, a corporate structure can afford to wait.

So today the big corporations who have gone into farming ventures have the best of two worlds. Today, they have the tax breaks that make it profitable to go into such ventures. Tomorrow, or rather 25 years from now, they will have a virtual monopoly on food production in a very hungry world.

Thus it strikes as quite peculiar that any member of the Congress would ask what is happening to the farmer.

If this keeps up, it can probably be expected in the near future there will be a Congressional debate over whether or not the earth is round.

NEW FEEDYARD GOING UP—Soon, lambs by the tens of thousands will be feeding in pens at this site along US 385 in Sunnyside, where construction is underway by the Modern Lamb Feeding Division of Estacado Industries, Inc. The feedyard will have the most modern facilities in the industry and will feature several new innovations. Each steel-and-concrete pen will have continuous-flow watering and individual drainage. According to Don Weiland, vice-president and general manager, the feedyard will be both custom and commercial lamb feeding, and will utilize locally grown products in the rations whenever possible.

'Stress period' feedlot problems being studied in WTSU project

Sweat period, stress period, whatever you want to call it — it is the first days after cattle arrive at a feedlot. This is the hardest time of the feeding cycle, and cutting weight and death losses here can be a real boon to the cattle industry.

WEST TEXAS STATE UNIVERSITY is cooperating with Texas A&M University in a feedlot health research project at the W. T. Nance Ranch near Canyon. The supervisors are Dr. Charles Smallwood, dean of the WTSU School of Agriculture and Dr. John Coleman, veterinarian for the Texas Agricultural Experiment Station, Feedlot Cattle Disease Research Laboratory at Bushland.

The program calls for cattle to be fed for 60 days at the ranch's feeding facilities. During this time, they are carefully observed for health problems, and are treated with different combinations of practices to find the best overall health program.

The first cattle arrived the last of February by truck from Louisiana. The 100 steers were divided into several experimental groups.

"AMONG these was a grouping to compare the effectiveness of various antibacterial treatments," reports Dr. Coleman. He explains that the cattle were divided into three groups to compare treatments of injectable penicillin-streptomycin, cxytetracyclin and oral sulfa.

"The sick calves of each group will be closely watched throughout the experimental period to see if any treatment might do a better job than another treatment," Dr. Coleman adds.

Smallwood says that other groups were separated to compare the performance of cattle that were hauled on the upper and lower decks of the trailer.

"IF THERE are performance differences between these two groups, then the cause of these differences would be related to the decks the steers were shipped on," explains Smallwood.

When the cattle arrived, they were given a battery of tests and examinations, with some interesting results. On the whole, the calves had moderate to heavy infestations of stomach worms. So one half of them were treated for worms and the other half were left as a "check" for the treatment.

Twenty percent of the cattle had body temperatures of at least 103.5 degrees, which is higher than normal. Another 20 percent had abnormally high or low white blood cell counts, which indicated disease activity.

"BLOOD SERUM samples from these clinically sick animals were collected and will be assayed for immune responses to IBR, PI-3 and BVD viruses," Smallwood says.

More loads of cattle will undergo similar tests to determine any trends and similarities in feeder cattle health problems. The cattle are being furnished by a Randall County feedlot.

"Hopefully, we can come up with some concrete recommendations for treatment of incoming feeder cattle, which are one of the main problems in the feeding industry," Smallwood adds.

THE TEXAS oil pumping output is 100,000 barrels a day less than a year ago, according to Railroad Commission Chairman Byron Tunnell.

KILLINGSWORTH BUILDERS SUPPLY

They supply the parts (from left) Fred Annen, Donny McDaniel and Murray Hall

PARTNERS MAKE GOING CONCERN OF A & H SUPPLY, PARTS ESTABLISHMENT

A & H Supply, home owned and operated by Murray Hall and Fred Annen, carries several lines of automotive parts and accessories to meet Dimmitt's needs. In 1962 the two partners bought the business from Arnold's Auto Store which was at the same location, 315 South Broadway.

Among the many lines carried to meet local parts needs are Thompson hard parts, Metro rebuilt products, Dayco rubber goods, Standard ignition, Champion, AC and Auto Lite spark plugs, BCA and Bower bearings and Monroe shock absorbers. The store also stocks many accessory and tool lines. A & H Supply stocks the Black and Decker tool line and SK tools.

"We have many lines of parts and supplies too numerous to mention," Hall said. "We try to stock the general parts used often in Dimmitt."

A & H Supply offers Dimmitt a complete one-stop center for automotive supplies, but they do not install parts or accessories.

Currently the store is open from 7:30 a.m. to 6 p.m. Monday through Saturday. "Our hours vary with the season and will be changing as summer approaches," Hall said.

Donny McDaniel works with Hall and Annen helping the customer with his parts needs.

If the part you need isn't in stock, A & H Supply can usually get it for you overnight. They have five major warehouses to order from and other parts stores near Dimmitt that carry similar lines.

A & H Supply offers its customers over 35 years of combined parts experience to assist them with individual problems and needs.

"We appreciate the patronage of the Dimmitt people over the 10 years we've been in business," Hall said. "We believe they deserve the best service we can offer, so that's what we do."

District judge sentences two; 16 cases pending

Eddie Collins Jr. of Hereford was sentenced to three years in the state penitentiary for theft after pleading guilty Tuesday in 64th District Court here.

COLLINS was charged in connection with a felony theft that occurred on or about Oct. 7 at Taylor & Sons Food Store.

Mary Stidom, 22, of Hereford, pleaded guilty last Wednesday to a theft charge stemming from the same case. District Judge John T. Boyd placed her on two years' probation.

Collins and Miss Stidom were charged with taking a purse belonging to an employee of Taylor & Sons. They were arrested on a return trip to the store the following week when Miss Stidom used the same purse to pay a grocery bill. At the time of their arrest, Collins was on five years' probation for a burglary conviction in Hereford.

THEIRS were the only cases cleared from the District Court docket during the week, Judge Boyd reported. Fourteen other persons facing charges that range from DWI to murder are awaiting trial, but their trials were postponed for a variety of reasons upon motion of attorneys.

Because of the guilty pleas and postponements, none of the 100 prospective jurors called last week have been required to serve.

Ivey Insurance, Faculty capture volley trophies

By GEORGE RUSH

The Dimmitt Athletic Boosters Club Volleyball Tournament concluded four days of play Tuesday night when the men's and women's division champions were crowned in the North Elementary gymnasium.

IN THE women's finals, Ivey Insurance won the championship by a 26-6 score over the Satellite School. Diagri took third place with a 45-5 victory over Hays Implement, and the consolation prize went to the Crazy Eight in a 36-6 win over the Young Homemakers No. 2.

In the men's division, the Faculty sponsored by Behrends Insurance won the championship 22-13 over C&S Equipment. Third place went to the Millers, one of the teams sponsored by Dimmitt Agri Industries, in a 24-15 contest against the Budweisers. The consolation prize was won by the Braceros in 19-16 game with the Hart team.

Trophies for the tournament were awarded by Gary Jackson, tournament director. First, second, third and consolation trophies were handed out Tuesday night in both divisions.

NAMED TO the women's all-tournament team were Clara Goldsmith of Diagri, Gail Dohmeier of Ivey Insurance, Norma Conard of the Satellite School, Jo Hamilton of the Crazy Eight, and Carolyn Watts of Young Homemakers No. 2.

Members of the men's all-tournament team were Bob Askey, Cary Jackson and Dyrle Maples of C&S Equipment, Freddie Hamilton of Budweiser, Gene King of the Faculty, and David Smith of Hart.

Each member of the all-tournament teams received a trophy.

The Boosters Club will use the proceeds from the tournament to help the school athletic programs.

Cars collide at Front-Jones

Little damage and no injuries were reported by Police Chief W. W. Jones following a two-car collision at the intersection of Jones and Front Streets Monday afternoon.

A 1968 Chevrolet driven by Kenneth Craig Powell collided with the left front fender of a car driven by Patti Jackson Jones said. Miss Jackson was driving east on Jones Street and Powell was traveling north on Front.

Jones said Powell was cited for disregarding a stop sign.

Friona trio sentenced on check charges

Three Friona men were sentenced in county court Monday for passing worthless checks here.

THEY WERE Kenneth Wilkerson, 23, David Wilkerson, 18, and Rayford Wilkerson, 27. The three were arrested Sunday by sheriff's officers.

Kenneth and David Wilkerson were fined \$91.75 and \$93.80, respectively, and each was sentenced to 15 days in jail by County Judge Raymond Wilson. They are now serving their terms.

Rayford Wilkerson was fined \$51.95, and was released after paying his fine.

Methodists plan witness mission

"Expect a Miracle" is the theme and advice of the First United Methodist Church of Dimmitt as its members prepare for a lay witness mission to be held April 7, 8 and 9.

IT WILL be the first lay witness mission ever conducted for the local Methodist church, according to Rev. Jim T. Pickens, pastor.

Dwayne Lynch, a member of the First United Methodist Church of Ralls, will coordinate the mission here. Laymen from throughout the Panhandle-Plains area will form a team to assist the local program, and laymen will carry out all phases of the three-day emphasis.

The local church's working committees already have been formed to plan and organize the three-day emphasis.

DuLaney heading Barnes campaign in Castro County

Bob DuLaney of Dimmitt has been named Castro County coordinator for Lt. Gov. Ben Barnes in his campaign for the governor.

BARNES said in Austin, "It is highly gratifying to have persons of the caliber of Bob DuLaney working with us in our campaign."

"His assistance in Castro County will enable us to carry this campaign through all the way to a successful conclusion, and we are honored that he would take this assignment and join our efforts."

Barnes said coordinators for each of the state's 254 counties now have been selected.

REP. RALPH WAYNE of Plainview, state campaign manager, stated the Barnes campaign "now has the strongest organization ever put together by any candidate for high office in the history of our state."

Sunnyside revival to start Monday

Rev. Murle Rogers of Shamrock will preach at the revival scheduled Monday through March 26 in the Sunnyside Baptist Church.

A GRADUATE of Howard Payne College, Rogers attended Southwestern Baptist Theological Seminary. He was ordained in 1947.

Rogers' son, Clifford Murle Rogers Jr., will be music director during the week long revival.

Morning services will be at 10 a.m. each day, with prayer meeting at 7:30 p.m. and evening service at 8 p.m.

Everyone is invited to attend the revival services.

Broderson's father dies

Funeral services will be held today (Thursday) at 2 p.m. for E. S. Broderson of Electra in the Presbyterian Church in Electra. Mr. Broderson, the father of Emmett Broderson of Dimmitt, died Saturday night in California.

Services are under the direction of Totten Funeral Home.

Man arrested on check charge

County and city law officers arrested Dale Donn, 27, of Dimmitt last Wednesday on charges of passing worthless checks.

HE FACES both felony and misdemeanor charges, officers said. He was released from jail last Thursday after posting a \$1,500 felony bond and a \$500 misdemeanor bond, and is awaiting Grand Jury action on the charges.

School Week 'big success'

"Public School Week was a big success this year," Supt. Charlie White said today.

"We had more public participation than in any of the past years," White added.

Hart runner sets record at Springlake-Earth meet

Jimmy Brown of Hart set a new meet record of 9.9 seconds in the 100-yard dash as Hart's Longhorns placed third in totals Saturday at the annual Springlake-Earth Track Meet.

BROWN was a triple winner in the meet, capturing the 220-yard dash with a 23.2-second clocking, and winning the broad jump with a leap of 21 feet. He was Hart's only first-place winner.

After capturing his three blue ribbons in individual events, the speedy runner joined with Erasmo Castillo, John H. Robinson and James McLain to place second in the 440-yard relay with a time of 45.3 seconds.

Other Hart tracksters who placed in the meet were Erasmo Castillo, fifth in the 100-yard dash; Thomas Cunningham, third in the mile run, and James Taylor, sixth in the 330-yard intermediate hurdles.

The Longhorns compiled 55 team points. Springlake-Earth

won the meet with 122 and Plains placed second with 59.

CINDY DYER won the 80-yard hurdles and captured two third place ribbons in the girls' division of the Springlake-Earth Meet.

Miss Dyer raced to a 12.1-second clocking in the hurdles event, and also placed third in the 10-yard dash with a time of 11.6 seconds. Then she joined Kathy Crawford, DeAnna Bailey and Debbie Hardy to form a 440-yard relay team that finished third with a time of 53.7 seconds.

Other Hart girls placing in the meet were Kathy Crawford, second in the 220-yard dash, and Lessa Lowrey, fourth in the 440 yard dash.

The Hart girls compiled 28 team points.

HART'S junior high boys took part in a track meet for seventh, eighth and ninth graders at Friona over the weekend, and

gave a good accounting of themselves.

The eighth grade boys had the best day, with Terry Hill winning both the high jump and discus throw and placing in three other events, and Barry George placing in five events.

George came in second in the pole vault, fourth in the 100, sixth in the broad jump and fourth in the high jump.

THE 440-YARD relay team of Till, George, Johnny Cavasco and Fernando Hernandez finished third. And the 880-yard relay team made of Hill, Cavasco, Hernandez and Roger Garcia placed fourth.

Hill finished sixth in the 100-yard low hurdles and Scotty Hathaway came in fifth in the 60-yard high hurdles to complete Hart's eighth grade scoring.

In the seventh grade division, the Hart relay team of Joe Flores, Bobby Allensworth, Randy Popejoy and Berto Minjarez finished fourth in the 880-yard relay and fourth in the quarter-mile relay. Other seventh grade placers were Allensworth in the high jump, Flores in the 440-yard dash, Mark Bennett in the shot put and Mike Cleveger in the discus.

In the freshman division, Hart placers were Terry Beavers, third in the high jump and fourth in the 440-yard dash; Jesse Perez, fourth in the discus; Lynn Myers, sixth in the 880-yard dash; and Zaragosa Castillo, sixth in the 220-yard dash.

Matthews wins 880-yard run at Abernathy

Dimmitt's Jerry Matthews won the 880-yard dash with a time of 2 minutes, 5.8 seconds Saturday at the annual Abernathy Invitational Track Meet.

IT WAS the second impressive finish in two weekends for the Dimmitt half-miler. At the Idaho Relays the previous week, he outraced all Class AA half-milers, finishing second behind last year's Class A regional champion.

Other Dimmitt tracksters who placed in individual events at Abernathy Saturday were Lonnie Strickland, third in the 440-yard dash, and David Schaeffer, sixth in the 880.

The mile relay team of Pete Aranda, Billy Carter, Matthews and Strickland finished fourth to give Coach Brown L. Smith's thinclads a 25-point team total.

Saturday the Bobcats will travel to the Hale Center meet.

Rep. Graham Purcell

Farmers Union books Purcell

Congressman Graham Purcell of Wichita Falls will be the principal speaker at the Farmers Union District II annual banquet March 25 in Tulsa.

THE BANQUET will begin at 7:30 p.m. in the Ezra Memorial Cafeteria. Tickets are \$4 each, and are available from Farmers Union officials in all District II counties, according to Henry Boston of Tulsa, president of the Swisher County Farmers Union and chairman of the banquet committee.

Boston predicted a sellout crowd and urged Farmers Union members in Castro County to make their reservations as quickly as possible to be assured tickets.

District II includes all Farmers Union chapters in Castro and 14 other South Plains counties.

Washington trip

(Continued from Page 1)

choice of three religious activities—Protestant, Catholic or a religious tour. I chose Protestant and attended a guitar mass at the Washington National Cathedral. It was really quite different from the church services that most of us are used to.

Sunday afternoon was the time they had set for us to tour Washington. We saw nearly all of the major tourist attractions — the Washington Monument, the Jefferson Memorial, the Lincoln Memorial, Arlington Cemetery and other places of interest. One of the things we didn't get to see was Mount Vernon.

MONDAY was a day of nothing but seminars. Our first speaker was Walter Mazan, director of governmental affairs for the White House Conference on Children and Youth. His seminar was entitled "Federal Relations with State and Local Governments."

The major speaker of the day was Congressman Dick Shaup of Idaho. He talked about the House of Representatives, which was very interesting.

Thuesday was a very exciting day. All 280 kids were to visit the offices of their senators and congressmen. Some of the kids didn't see any of their legislative leaders, but we were very fortunate and saw all three of ours.

SENATORS John Tower and Lloyd Benson talked to the 18 of us from Texas. They were very courteous and impressive. Congressman George Mahon really gave Patt Rush and me the "red carpet treatment." He personally escorted us to the Senate chamber and let us sit in the reserved section. He explained what was going on on the floor, and pointed out the well-known senators such as Ted Kennedy. He then showed us the office he uses as chairman of the Appropriations Committee. Mahon introduced us to Gerald Ford, the minority floor leader of the House. He also gave us special congressional passes for a White House tour. Later Tuesday we also got to hear Congressman John Brademas of Indiana speak about "Committees and Committee Staffs."

Wednesday we went back to Capitol Hill to observe the congressional committees in session. We saw the Supreme Court in session and visited the Library of Congress. This was also the day that we toured the White House. Patt's section was the only one that got to see President Nixon. They saw him board his helicopter on the White House lawn as he was leaving for Florida. Dr. Henry Kissinger shook hands with some of the people in the section and talked with them briefly.

THURSDAY was one of the best days because we had three very prominent speakers. Gen. William Westmoreland, chief of staff of the Army, spoke to us on "The Role of the Military in National Security." We went back to Capitol Hill, where we heard Sen. Birch Bayh of Indiana speak on the seminar entitled "The Senate." Then for the final seminar of the day we were honored to have Ambassador Lakshmi Tsant Tha, India's ambassador to the United States, speak to us about "The Role of the Ambassador."

I thought these three seminars were some of the best ones of the whole week. They were really informative.

Friday we had only one seminar, and after it was over we had our only so-called "free time" of the week. Most of the students visited the Smithsonian Institute and other buildings on Capitol Hill that they had missed earlier.

Friday night we went to the Kennedy Center for the Performing Arts where we had the graduation banquet. Harry Dent, special counsel to the President and former state chairman of the South Carolina

Republican Party, was our speaker. Later, in this same building, we went to the opera house and saw the musical play, "Last in the Stars."

BACK AT the hotel a live band provided entertainment, and room curfew was set at 2 a.m. However, everyone stayed in the halls until about 3 and then very few people went to bed because at 5 a.m. a lot of the kids were having to leave the hotel to catch their planes home.

Saturday morning everyone left for home or stayed over to visit relatives and friends. I went to Annapolis, Md., and stayed with some friends of ours. While there I visited the US Naval Academy, which was very impressive.

Tuesday, I flew back to Lubbock and my parents picked me up.

I CAN'T begin to say how much I appreciated this trip. I was exposed to so many new things and understand some of the problems of politics that I never knew existed before.

One of the greatest aspects of the trip was the chance to meet, live and work with so many other young people from all over the country. When 280 people get together like that and share their knowledge and views, you can't help but learn a tremendous amount about the government of our country.

I'd like to thank all the people who had a part in sending me to Washington. It was truly a worthwhile experience and I know I'll remember it the rest of my life. I hope that the civic clubs and organizations as well as individuals will continue to support this program. It will be well worth the time and money. I can say that, because I know what can be learned and experienced by attending the Presidential Classroom.

By PATT RUSH

The organization of the program was great. There were 280 students in the classroom, representing every state and a couple of US protectorates.

THEY DIVIDED us up into seven sections, making sure that people who shared a room were not in the same section. That way, one had a better chance of meeting new people. Also, they were careful to put students from different regions in the same room. My roommates were from Louisiana, Minnesota, California and New Jersey.

During the week we had about 20 seminars with speakers from all facets of the system, including Gen. William Westmoreland, Sen. Birch Bayh and the ambassador from India. Also, we had a chance to see the monuments and memorials in Washington, D.C., as well as the sights on our visits to Capitol Hill.

It was a fantastic experience. The program itself was incomparable insofar as giving one an insight into the modern American government. It was not so much a study of factual information as it was an insight into the people who comprise the system.

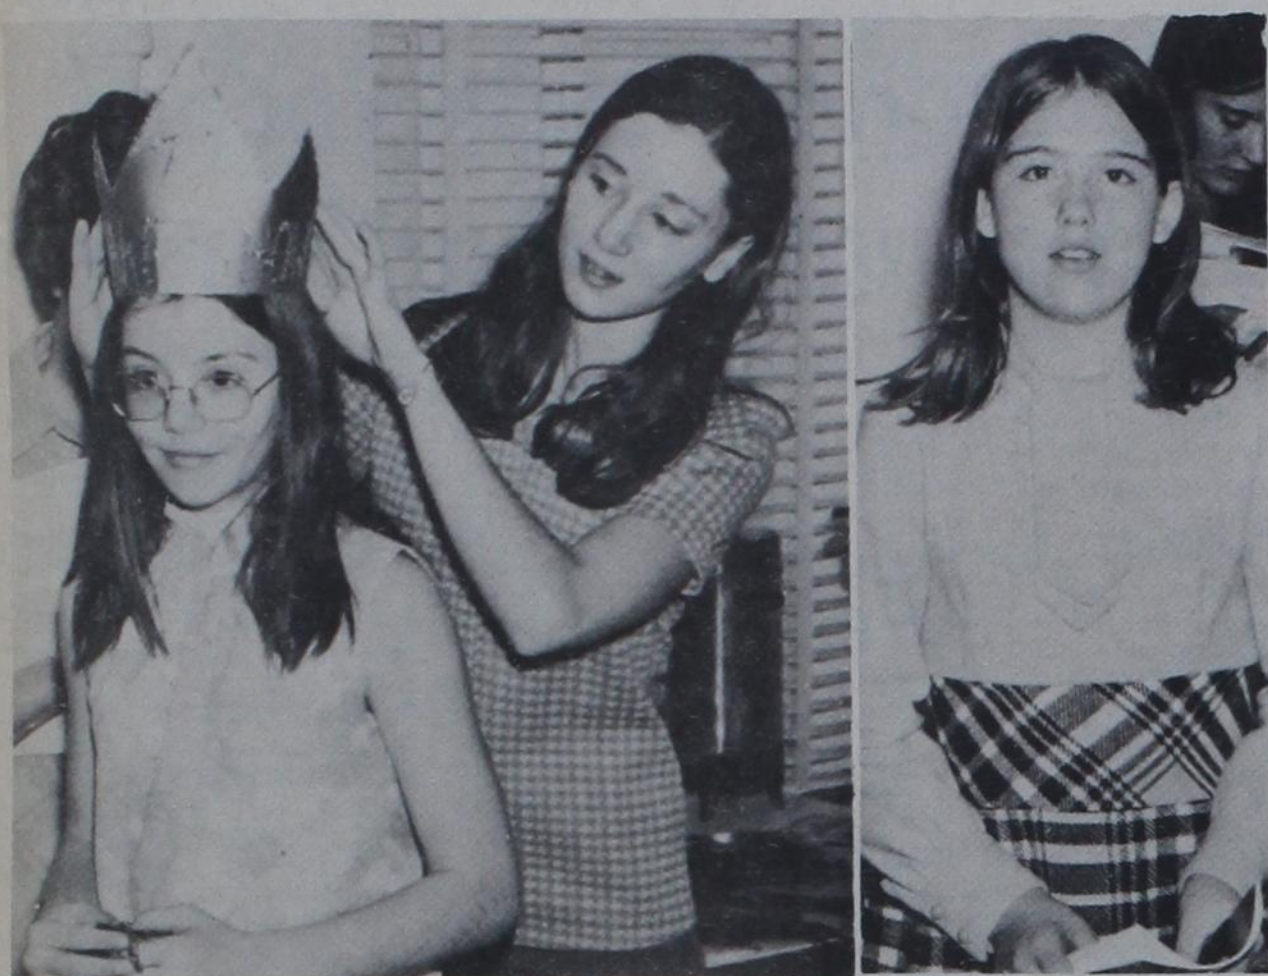

AND SEEING some of the people in our government was not always a "rosy picture."

One thing that was definitely emphasized was that we all need to take a more active, informed concern for what is happening in our government.

RICKY HIGGINS ... Will go to district meet

SENIOR WINNERS AT THE FOOD SHOW ... Sue Smith and Patti Hochstein

Food-Bake Show sets record

The annual Castro County 4-H Food Show and Bake Show set a new entry record Saturday in the Courthouse. Thirty-five

junior and senior 4-H'ers competed in the food show and 29 entered the bake show. Last year only 11 entered the food show and 22 entered the bake show.

LEISA GRAEF of the Bethel 4-H club was crowned queen of the bake show sponsored by the national wheat producers. She will advance to the district bake show competition scheduled for Sept. 16.

A brother and a sister, Sherri and Ricky Higgins, of the Flagg 4-H club will represent the junior 4-H'ers in the district food show in Amarillo on April 8.

The senior division food show was won by Patti Hochstein, milk group, and Sue Smith, meat group. Both girls will compete in district competition April 8.

CONTESTANTS in the food show were judged by food group for appearance of the food, taste and table setting. Each entry was scored on these areas with a possible score of 100. In junior division food competition, each winner received a certificate for a five pound sack of Gladiola flour. Senior division winners received cookbooks and medals furnished by Gladiola.

Entries in the bake show were also judged on a 100 point basis. Contestants in the bake show this year made whole wheat breads and refrigerator cookies. Dimmitt Agri Industries donated the muffin tins and square cake pans awarded as entry prizes.

Sherri Higgins of the Flagg 4-H Club won the fruit and vegetable junior division scoring 99 out of a possible 100 points. She will advance to the district food show. Blue ribbon winners in the fruit and vegetable division were Carol Bagwell, Kathy Bullard and Carol Hochstein.

SANDRA TISCHLER of the Flagg chapter won the purple ribbon in the junior milk division. Blue ribbon winners in that division were Kelly Bagley and Leisa Graef.

The purple ribbon in the junior bread and cereal group went to Sonia Markley of the Happy Helpers club.

Ricky Higgins of the Flagg Club captured the purple ribbon in the junior meat competition. He will advance to district competition. Blue ribbon winners in this group were Katrina Bruegel, Diana Hodnett, Billy Leonard, Cinde Sides, Ramonda Young and Natalie Durbin.

BLUE RIBBON winners in the bake show were Debbie Hrabal, Julie Hrabal, Sherri Higgins, Tresa Powell, Sue Smith, Patti Hochstein, Carol Hochstein, Carol Bagwell, Diane Hodnett, Heidi Bruegel, Annette Thomason and Kathy Ballard.

THE INTERNAL Revenue Service reported last week that a spot check of 4,579 retail stores showed 95 percent are complying with base price posting regulations.

June vows planned

Miss Garcia

Garcia-Chambless

Mr. and Mrs. John Garcia announce the engagement and approaching marriage of their daughter, Mary Lou, to Dennis Flynn Chambless Jr., son of Mr. and Mrs. Pete Martinez of Amarillo.

MISS GARCIA is a 1970 graduate of Dimmitt High School and is attending Draughon's Business College in Amarillo. Chambless is a 1970 graduate of Caprock High School and is employed at the American Drive Inn.

Wedding Vows will be exchanged June 3.

Selden was a visitor. Mrs. Witt was elected "Woman of the Year" at the February meeting. Items for the craft table at Pampa in April were discussed. Jacque Sava volunteered to babysit for the May 17 luncheon.

Irene Keating presented the program on family life. Mimeographed sheets of "What a Boy-Girl-Husband-Wife Is" were distributed. Mrs. Keating spoke of how we so often speak, agree to listen yet never hear, or fail to communicate — especially with young family members. By praising more with fewer criticisms, we are able to reach a more desirable plateau, she said. Although this is hard and frustrating, it is worth the time, effort and energy put forth.

Miss Wrinkle

Wrinkle - Ott

Mr. and Mrs. Roy Wrinkle of Muleshoe announce the engagement and approaching marriage of their daughter, Cynthia, to Terrell Dean Ott, son of Mr. and Mrs. Irvin Ott of Sunny-side.

MISS WRINKLE is a 1971 graduate of Muleshoe High School and is attending West Texas State University at Canyon. Ott is a senior at Springlake-Earth High School.

They will be married June 3 at 8 p.m. in the First Baptist Church in Muleshoe.

NARROW-ROW COTTON

Narrow-row cotton production is mushrooming in Texas. According to Dr. Robert Metzger, Extension agronomist at Lubbock, more than 18,000 acres were planted to narrow-row cotton last year. Narrow-row acreage could reach as high as 50,000 acres in 1972. More than 100 narrow-row harvesters may be in operation this fall. Last year narrow-row yields ranged from 5 to 30 percent more than cotton planted in conventional rows.

Book Club hears 'Phillip' reviewed

"Phillip," a biography of the Duke of Edinburgh, was the book reviewed by Mrs. J. W. Walker of Plainview at the Dimmitt Book Club meeting in the community room of the First State Bank last Wednesday.

MRS. WALKER showed color slides of the royal guard and the queen and prince on their horses during a ceremony while Mrs. Walker was visiting her son, an American diplomat, in England.

She told of attending the birthday garden tea party for Queen Elizabeth while she was visiting there. The formal tea was attended by 1,500 people, and elegant tables of feed were offered the guests, she said. The ladies wore hats and gloves and the men wore grey cutaway coats.

Thirty-seven women attended the book review and were served miniature strawberry creme pies, tea and coffee. Hostesses were Mrs. Jay Lee Touchstone and Mrs. James Welch. Mrs. Charles Vandiver presided at the business meeting.

Pink Ladies plan '72 award banquet

The Plains Memorial Hospital Ladies' Auxiliary members held their monthly meeting last Wednesday in the coffee room of the hospital. Mrs. Raymond Wilson conducted the business meeting.

PLANS WERE discussed for the Auxiliary's Open Invitation Awards Banquet to be held at the South Elementary School cafeteria April 15 at 7:30 p.m. to honor the hospital auxiliary's volunteer workers who operate a gift shop, television concession and sponsor the candy strippers, a high-school age hospital help organization.

General co-chairmen are Mrs. Courtenay Armstrong and Mrs. Al Forrester. Serving on the decorating committee are Mrs. Jay Lee Touchstone, chairman; Mmes. Calvin Petty, Ed Drerup and Lawrence Green. Program committee consists of Mrs. Don Gregory and Mrs. J. R. Matthews with Mrs. John Gilbreath chairman; and Mrs. Punk Gilbreath working the invitation committee.

Mrs. Carl Bruegel, chairman of the kitchen, announced that a \$2 ticket would buy you an excellent beef filet, baked potato, salad, green beans, cherry cobbler, hot rolls and plenty of coffee and tea served by Mrs. Carl Lee Kemp and her Candy Strippers.

Mrs. Goodwin Miller, ticket chairman, announced that tickets would be available at Parsons Drug, the Village Shop, and the Hospital Gift Shop until April 5, which will be the deadline for sale of tickets.

MRS. PAT BARBER, R.N., director of nursing at Plains Memorial Hospital, told attending members she had never worked at a hospital where so many items had been donated by one single organization.

In praising the women for their volunteer work, Mrs. Barber pointed out that everyone could see the value of such locally donated items as the EKG machine; phone-o-tel; the pray-

er room; the \$3,450 worth of anesthetic equipment; or even the islette; but that only a few people realized the value to the kitchen personnel of the "return dish cart" donated recently.

Before this added cart was in service, food was delivered on a tray, with dirty dishes returned to the kitchen on the same cart. This meant that it had to be scrubbed and cleaned before another load of plates could be transferred to the patients' rooms for their meals.

MRS. BARBER also commented on the "Bilirubin Light" donated by the Dimmitt Ladies' Auxiliary with newborns with RH-factor reactions. The new nursery light, Mrs. Barber said, "sometimes proves vital if a baby is premature and blood exchange might not be advisable."

The head of nursing cited a need for more variety of magazines for patients, such as ladies' magazine for the women and sports magazines for men. Magazines may be left at the gift shop in the lobby or with hospital personnel.

Mrs. Wilson appointed Mrs. Sammie Lytal membership drive chairman and made a plea for more members. Any woman interested in becoming a member may call Mrs. Lytal at 647-4695 for further information.

A MOTION was adopted to look into the possibility of getting a baby sitter for mothers with small children.

A guest, Mrs. Loretta Huck was present.

A GIFT OF \$100 from the Dimmitt Junior High School Student Senate last Thursday brought the proposed student patio at Dimmitt High School a step closer to completion. Here, Junior Sandoval (left) DJHS student body president, and Johnny Hampton, vice-president, present the check to DHS Student Senate President Patt Rush (right). The money was part of that earned by the DJHS Student Senate this year through concession stands at basketball games, the sale of tote bags and sponsorship of two movies. The school board has awarded Killingsworth Construction Co. the contract to build the new patio, and it will be a reality by the time these junior high students reach high school.

HD Club cookbook gains wide appeal

By IRENE KEATING
The Home Demonstration Club cookbooks are selling fast. We've had people from Missouri and Alabama to buy some already. If you don't have one be sure to come by and get one.

We are having excellent participation in the basic clothing construction workshop. We have 14 women enrolled. Much thanks goes to the Dimmitt Jr. High School principal, Mr. Crooks, for letting us use the hemmaking department.

The 4-H TV electric series began last Saturday. Your children in grades 4-6 received information about it from their school teachers; we appreciate the cooperation of the Hart, Nazareth and Dimmitt schools in this program.

I enjoyed visiting the Bluebirds last week—Brenda Andrews and Sandra Clark are their leaders; we discussed manners. All of us need to think more about our manners and practice them all the time.

THE FLAGG Home Demonstration Club has changed its meeting time from Friday afternoons to second Wednesday mornings. I enjoyed their meeting last week—they had a real good attendance. Mrs. Ginn

served coffee and doughnuts. The Town and Country Club met Thursday morning and Ethel Rose served cake and coffee. It surely was good—she is in Weight Watchers and she drank her coffee and watched US eat the cake. The same thing happened at Bethel's meeting when some weight watchers were hostesses. I admire those who attend—there are many who will have the pretty figures needed to wear the waistlines and belted dresses this spring.

Tops Club names queens, officers

The Dimmitt Tops of Texas chapter met last week in the auxiliary room of Plains Memorial Hospital. Eighteen members attended.

JOYCE DAVIS was crowned queen for the week, and Lelo Elkins was crowned queen for February.

Officers elected for the coming year are Barbara Hardin, leader; Jeannie Johnson, co-leader; Genell Craig, secretary; and Oleta Raper, treasurer. Officers will begin serving on April 1.

The view from your library

By MARY EDNA HENDRIX
The Library Board members met last week and discussed more plans for the new library.

Members present were Jack Miller, Edna Riley, Leora Little and Hazel Merritt.

THE FRIENDS of the Library met Friday with Maxie Horton presiding. Other members present were Mildred Bradford, Roxie Louder, Reta Welch, Margaret Womack, Bobbie Hill and Shirley Wise. Plans were discussed for National Library Week, which will be April 16-22. The Friends gave the library some more money for books, so maybe we can have some new ones as soon as we can get them ordered.

Mrs. J. W. Walker of Plainview reviewed the book, "An Informal Biography of Prince Phillip," by Daisil Dorthroyd at the Dimmitt Book Club meeting last Wednesday. Mrs. Walker was in England last summer visiting her son and was a guest at the Queen's Garden Party. She showed some slides made at the Queen's birthday party that were made by her son.

Reta Welch and Reba Touchstone served dainty refreshments from a table decorated with spring flowers.

WE HAD our largest group of boys and girls at Children's Story Hour last Friday. Those listening to my story, "A is for Alphabet," were Tammy and Misty Hardin, Shari and Kelly Schilling, Jerry Rickert, Cindy Slough, Debbie Wegs, Debra and Greg Sava, Lynn Roland, Cindy and Lance Smith, Monty Patterson, Nathan Nelson, Kam Kittrell, Kristi Lytle and Mike Love.

Interesting people in the library last week were: Mayor Elmer Youts, who came in to bring his wife's books back... Josephine Guggemos of Winsted, Minn., who was waiting for her niece from Nazareth... Charlene Howell and Carolyn Moke, who seem to need help with their children?... Mrs. Carol DuBose, Amy and the baby brother... Mrs. Gene Morrison, who was on her way to a ginners' convention... Mrs. Ann Turpen, whose husband is with a feed lot... and Mrs. King's daughter, Mrs. Bill Barkley and children, Heather and Brian, who had their Easter bunnies with them.

Bethel news

Workday slated next Wednesday

By MRS. BUD McELROY

Wednesday will be an all-day work day on the Bethel Community Building and grounds. All men are asked to bring tools and come to repair the roof, windows and rest of the building. Call Houston Lust at 647-5637 if any information is needed. The work will begin about 9 a.m.

THE 4-H Food and Bake show was held Saturday. Ten girls from Bethel were in it, and all won ribbons. They were Leisa Graef, Diane Hodnett, Cindy Sides, Heidi and KaKa Bruegel, Christi, Julie, and Debbie Hrabal, Kelley Bagley and Carol Bagwell. Leisa Graef was crowned the Bake Show Queen.

MR. AND MRS. Earl Lust gave a birthday dinner for their daughter, Mrs. James Bradford, and their son, Lloyd Lust of Littlefield. Those helping them celebrate were James Bradford, Jim and Jean of Dimmitt; Mrs. Lloyd Lust and Jeff, the Earl Lust's granddaughter, Alisha Graham, Mr. and Mrs. Mack Vann and Rhonda, and Mr. and Mrs. Mack Steffey, all of Littlefield. Mrs. Vann and Mrs. Steffey are the Lloyd Lust's daughters.

Mrs. Vern Lust, Mrs. Paul Lust, Mrs. Glen Stiles took Mrs. Paul Gdfrey to the bus station in Hereford so she could go home to Missouri.

Mrs. Houston Lust, Flo and Mrs. Vern Lust went to Amarillo Saturday.

Mr. and Mrs. Charles Wales went to a bridge party at the Dale Winders home Friday night.

The Donald Wrights visited the Charles Waleses Sunday.

ATTENDING the Dimmitt Book Club meeting last Wednesday from Bethel were Mrs. James Welch, Mrs. Vern Lust, Mrs. Earl Lust, and Mrs. Paul Gdfrey of Columbia, Mo.

The Bud McElroys have six baby kittens that are seven weeks old and so cute. Do you want one? If so, call 647-4467.

Mr. and Mrs. Wayne McElroy went to Levelland and Andrews Saturday evening.

Mr. and Mrs. Clint Long of Levelland visited their daughter and family, the Ronnie McElroys.

SEVERAL families from Bethel attended open house at the schools last Thursday night, and made class visits during Public School Week.

Moss Howell's sister, Mrs. Tom Russell of Vera, died Friday. Services were held Sunday. Those going to the funeral besides the Moss Howells were Mr. and Mrs. Jack Howell and Mr. and Mrs. Jimmie Howell. Our deepest sympathy

King's daughter, Mrs. Bill Barkley and children, Heather and Brian, who had their Easter bunnies with them.

4-H LEADERSHIP LAB

The 1972 State 4-H Leadership Lab will be held July 31 to Aug. 5 at Lake Brownwood, according to George McArthur, 4-H and youth specialist. Purpose of the annual event is to provide learning experiences in leadership and human relations dealing with the way people live and work together in real-life situations. Any 4-H'er 14 years of age or older may apply at the county agent's office. Adult 4-H leaders and county Extension agents may also apply.
