

LET'S GO, GANG!—"There's not a person in town who couldn't avail himself of the services of one or more of the organizations we're raising money for, so everyone should be willing to give," United Way Campaign Chairman Jack Edwards tells fund-drive workers during the UW kickoff breakfast Monday morning. The United Way hopes to raise \$16,750 by Nov. 10 to help finance 12 organizations.

United Way begins 'dime a day' drive

The Dimmitt United Way kicked off its "Dime a Day" fund drive Monday, hoping to raise at least \$16,750 by Nov. 10.

The "Dime a Day" slogan refers to the amount needed from every family in the Dimmitt area to put the United Way campaign over the top this year. The "dime a day" appeal amounts to \$36 per year per family, and UW workers are hoping local families will

pledge \$3 per month, to be collected monthly by bank drafts.

The Dimmitt United Way encompasses all families in the Dimmitt Independent School District.

The campaign got underway with a kickoff breakfast at 6:30 a.m. Monday in Lamar Fellowship Hall of the First United Methodist Church. The Methodist Men prepared a breakfast of scrambled eggs, bacon, biscuits and cream gravy for an expected crowd of 150, although only 35 showed up.

As a result of the short turnout Monday morning, Campaign Chairman Jack Edwards was left with the task of distributing pledge cards to more than 100 workers this week.

I might be mistaken, but I thought one of the announcers for the baseball game on television Tuesday evening congratulated one of the players because their first child was a baby. Sounded like something that Yogi Berra would say.

While the farmers are worrying about the low price of farm commodities and the high cost of production about the only solace is to become interested in the baseball league playoffs to be followed by the World Series. Then there is professional, college and public school football to provide some diversion from the more serious considerations.

If the weather will continue to cooperate until the cotton crop is harvested, this will have been one of the finest crop years for agriculture in our area possible. We could have used more spring and summer moisture to advantage, but if price and cost had been reasonable farmers wouldn't have asked for anything better.

President Carter had a short-lived honeymoon so far as the presidency is concerned. He took over a very hot seat, mainly because of problems that had developed during the past two administrations. How the farmers, and people in general, can expect a new administration to correct the blunders accumulated during the past several years is a bit much. The man has only been in office nine months, which is hardly enough time to overcome the depressing effect of huge commodity surpluses that were there when he took office. Then, too, the national and international affairs of our nation were in a rather sad state. He doesn't need a real long honeymoon, but he does deserve a chance.

News observes 50th with new look

By DON NELSON

With the publication of Volume 51, No. 1, the News marks its 50th anniversary this week.

And we're celebrating the occasion with a "new look," designed to make the paper easier for you to read.

With this issue, the News goes to a six-column front page, and eliminates the rules between news columns on the inside pages.

Actually, News readers have seen the six-column format before—in 1969, when the News became one of the first weekly papers in Texas to use it.

At that time, a newsprint shortage

and higher newsprint costs forced the use of narrower pages. Rather than make the standard eight news columns even narrower than they were, we switched to six columns, and made them wider.

It made an attractive newspaper, but the format had to be abandoned when advertising agencies reported that they couldn't cope with the "odd" measures in designing their ads for auto manufacturers, utilities, seed companies and other national and regional advertisers. So the News returned to the eight-column format.

Bond election to be Oct. 22

Dimmitt's city commission Monday night set Saturday, Oct. 22 as the date for a \$1.1 million revenue-bond election to bring water from the city's new well field 6½ miles south of town.

The city's governing board called the election after certifying petitions that demanded a vote on the issue.

Ballots will be cast at one polling place, the Dimmitt City Hall, from 7 a.m. to 7 p.m. Noel Gollehon was named election judge and Marie Tate alternate.

Absentee voting will begin next week and continue until three days before the election. Ballots will be printed in English and Spanish.

The city commission had previously planned to issue revenue bonds at a 5.87 percent interest rate to finance the water project, but a group of citizens circulated a petition demanding an election.

City officials had hoped to take advantage of a favorable interest rate

by issuing the revenue bonds by the end of September, but the petition expressed objection "to the expenditure in excess of a million dollars without approval of the voters, taxpayers or water users" of the city.

The petition bore 297 signatures, 103 more than were needed to force the election. The commission certified 246 of the signatures, noting that 51 were not on the poll list.

The question on the ballot will be, "Shall the board of commissioners of the City of Dimmitt be authorized to issue revenue bonds in the amount of \$1.1 million, to mature serially within 40 years at the rate in force at the time of issuance, for water system improvements and extensions?"

The bonds would be secured by net revenues of the combined sewer and water systems of the City of Dimmitt.

Voting will be open to all registered voters who are City of Dimmitt residents.

City's tax income leaps

Because of industrial, business and residential growth last year, the City of Dimmitt's property tax billings for 1977 show an increase of \$118,355.55 over those of 1976, based on the same tax rate.

City Manager Garnett Holland reported at Monday night's city commission meeting that property tax billings for 1977 totaled \$47,801.38, compared with last year's total of \$28,865.83.

As of Jan. 1, 1977, real property valuations stood at \$9,685,914 and personal property valuations at \$13,512,279 for a taxable property total of \$23,198,193.

The increase is in both real and personal property valuation. The city tax rate this year remains the same—\$1.50 per \$100 assessed valuation—based on 41 percent of the appraised value of the property. The same formula is used for real and personal property.

The bulk of the increase is from personal property that was on the site at the Amstar Corporation's new refinery as of last Jan. 1, Holland said.

The 1977 additions to the Amstar plant will go on the 1978 tax roll, as will all other remodelings and construction since Jan. 1, 1977.

At the Monday meeting the city commission also called a bond election Oct. 22 for water system improvements and extension and passed an ordinance prohibiting parking in "certain hazardous areas" along North Broadway.

The police department was authorized to post no-parking signs in these areas, after it was reported that parking on two sections of North Broadway causes traffic congestion and visual hazards.

The no-parking areas are on the east side of the street in front of the Colonial Inn and from Taylor & Sons Grocery south to Halsell Street.

County is being given this week by Plains Weather Improvement Association Inc. of Plainview.

Parts of five counties in this area, those which did not vote to prohibit weather modification activity in recent county elections, are included in the target region in which the firm proposes "to engage in an operation designed to increase rainfall and decrease damaging hailfall by artificial clouds."

In Castro County the target area includes election precincts 6, 7, 10, 11 and 16. It also covers all of Hale County except Prec. 9, Swisher County Prec. 12, Lamb County precincts 1, 2, 3, 6, 9, 12, 13, 15 and 16 and Floyd County precincts 3, 4, 7 and 16.

Operations are planned for the entire year 1978. Any opposition to the scheduled activity, which will consist of cloud-seeding with silver iodide, may be protested by formal notice to the Texas Department of Water Resources.

Recent elections, held after petitions were circulated by the Farmers for Natural Weather, canceled permits for cloud-seeding held by Plains Weather Improvement Association and Atmospherics Inc. in other precincts of the affected counties.

The voting culminated controversy over weather modification attempts in the locality that have cropped up since the program began seven years ago.

Opposing farmers, who claimed that the aerial cloud-seeding decreased rainfall on their land and was not effective in suppressing hail, organized as the Farmers for Natural Weather and forced the election to determine whether voters were for or against the issuance of state permits to allow cloud-seeding.

The total vote was overwhelmingly against cloud-seeding operations, but some precincts favored it. The vote blocked cloud-seeding this year in the five counties.

Precincts in Castro County which favored the program are No. 6, Hart; 7, Bethel; 10, East Sunnyside; 11, Flagg; and 16, West Sunnyside.

FIRST BALE OF COTTON for Castro County was brought in by Tony Gable (left) and his son Jad of Gabel farms. It was ginned at Flagg Gin Sept. 23, where Othel Fry (right) is manager.

First cotton ginned

The first bale of cotton to be ginned in Castro County was reported by the Flagg Gin the morning of Sept. 23. Only one other gin reported having received any cotton so far.

The first cotton was brought in by Tony Gable from Gabel Farms about three miles east of Flagg, and it was ginned free as the gin's first bale.

"It turned out about 26.8%," said Othel Fry, manager of Flagg Gin. "It ginned off 2,750 pounds, made a 220 pound remnant and a 540 pound bale, with 1080 pounds of seed."

Fry said the cotton was Paymaster variety, was given one watering, made about a bale and a half per acre and was contracted out.

"We've had 19 bales from other farms since then," Fry said.

The Ross Family Gin in Sunnyside was the next to report a bale in. It was stripped by Hershel Wilson from the Waggoner farm near Sunnyside on Sept. 28. The gin reported 126 other bales ginned.

No other gin that was contacted in the county had run any cotton before Wednesday morning.

4-H awards banquet on tap Saturday night

The highlight of National 4-H Week observance in Castro County will come at the annual awards banquet in the Richardson Elementary School cafeteria Saturday. It is scheduled to begin at 7 p.m.

4-H members and their families will be served a dinner, then the entire program will be devoted to presenting awards earned in various club activities of the past year.

Principal awards will be to the County Gold Star Girl and Boy, who will be announced at the banquet. Gold Star awards are given each year to 4-H members with outstanding accomplishments.

A state winner in Citizenship, Cinde Sides, will receive a special award.

During 4-H Week, Oct. 2-8, county clubs have placed posters in business

houses to call attention to the clubs and their activities, locally as well as nationwide.

Special emphasis on "4-H Through the Years" is given in Section B of this issue of the Castro County News. It features histories of the county's 4-H clubs and pictures of their activities from 1936 to the present.

Last rites held for Mr. Millsap

Claude James Millsap, 65, a 25-year resident of Dimmitt, died Friday in Plains Memorial Hospital.

Services were held Saturday afternoon at the Fourth and Bedford Street Church of Christ in Dimmitt, with Ronnie Parker, former minister, officiating.

Burial followed in the Llano Cemetery in Amarillo, directed by Dennis Funeral Home of Dimmitt.

Born July 30, 1912 in Fayetteville, Ark., Mr. Millsap married Coalene Lacour in Amarillo Feb. 20, 1938.

Mr. Millsap was a grocer most of his life. When he first came to Dimmitt, he worked with Ben Hill in the Piggly-Wiggly store and later Ben's Food. He had worked in Dimmitt Super Market for the past five years. He was a member of the Fourth and Bedford Street Church of Christ.

Survivors include his wife; a daughter, Valeria Davis of Dimmitt; a grandson, Matt; a brother, Paul, of Yuma, Ariz.; and a sister, Thelma Sisemore of Fayetteville, Ark.

Pallbearers were Earl Chaney, Al Gibbs, Edmund Hunter, Walt Hansen, Jimmy Ray Davis and Woodrow Killingsworth.

A state-owned bank? That's not unusual. Delaware has one and so does North Dakota. The state-owned bank in Delaware got into serious trouble recently. The North Dakota bank is flourishing.

The latest push for a state-owned bank is in California. California has about \$15 billion in surplus and temporarily idle funds which would be a nice start for a state-owned bank. The state also has more than \$15 billion in 70 pension funds for state employees. Putting all of those funds into a new bank would make it one of the 10 largest in the nation.

The push for a California state-owned bank comes from a group of people who believe that state funds and retirement dollars are invested in corporate and government securities without regard to social progress. They believe that those funds should be invested in housing construction and renovation, solar energy and small farms and businesses.

California bankers are skeptical of the idea. There have been at least 20 state-owned

Rotary selling flag contracts

At the Friday meeting of the Dimmitt Rotary Club, members were assigned three to four businesses each to contact about flag contracts.

"The contracts, for \$15 each, will cover the placement of an American flag at any business establishment for eight national holidays during the next 12 months," said Ron Montgomery, chairman of the flag committee.

Montgomery said that they would like to have all the completed contracts in by Friday. Any who would like to

join in the flag display who have not been contacted may call Montgomery.

Ronnie Parker was awarded the \$1 prize for correctly answering a question taken from the club's monthly magazine.

Two visiting Rotarians from Hereford joined the 18 members and seven Rotari-Anns, along with the club sweetheart and AFS student Anne Helderweirt at the meeting.

Jim Reeves of Lubbock presented the program on the Easter Seal Society for Crippled Children and Adults of Texas.

DHS ex planning ACU homecoming

Lee Cole, son of Mr and Mrs. L. V. Cole Sr. of Amarillo and a 1974 graduate of Dimmitt High School, has been named co-chairman of the homecoming projects to help plan Abilene Christian University's homecoming activities for Oct. 14-15.

Cole, a senior majoring in Bible at ACU, is an officer in the Kinsmen social club, chairman of the campus blood donor campaign and a member of the Student Foundation and Student Housing Committee.

Letter to the editor

Holland defends water-bond plan

TO: THE CITIZENS OF DIMMITT
As city manager I would like to state my position pertaining to the controversial issue on city water.

The highest priority I have established in my life is our children and the environment in which they live. I have dedicated my life to helping secure a peaceful nation in which to live, and now manage our city to where our children can live and grow up in an environment where homes are constructed to stand the elements, where utilities can be dependable with minor repairs and now sufficient water for years to come, so that citizens of tomorrow can promote new bus-

iness and increase homes to accommodate the ever-growing population. You, the citizens, have elected, in my opinion, three of the finest gentlemen available to look after your best interests and to insure that your city government is functioning in accordance with existing laws. It disturbs me greatly that a few of our citizens can create dissension, thereby placing an unnecessary burden on our children in future years to come, as they become responsible citizens.

It has never been the intent of the city government to bypass the citizens in making decisions that would have an adverse effect on the community. The state law has provided the city government the latitude to exercise expeditious action that can be beneficial to the community—in this case, to save you a tremendous amount of money over future years by taking advantage of the lowest interest rate available to support this water project.

Operating our city, I will admit, is expensive. We are not a one-horse town any more. One sure thing, we the employees of the city, place integrity above all in the performance of our duties. The city employs the minimum number of employees to cope with the operational necessities of the city.

From September 1976 through August 1977, a one-year period, the city pumped 682 million gallons of water. This water is distributed through 35 miles of water main. There are 1,688 water meters to keep operational, then to be read and billed out each month. The city water storage capacity is 1.9 million gallons.

During the summer days in June, when water consumption was the highest, all nine wells were running constantly day and night, and surveillance was maintained around the clock to insure that all wells were in a continuous-run status. During those days in June, our wells were not keeping up with demand. Our storage water was providing the difference. June was a record month for pumping water—99.8 million gallons.

The supplemental water field located south of Dimmitt is engineered to contribute 75 million gallons of water per month to our present existing water system. These three new wells will be located in an area where there is 300 feet of water-producing sand, compared with 200 feet under the City of Dimmitt. This new water, when integrated with our existing water system, will in my opinion be the greatest asset this city could have.

The satisfaction I enjoy as I drive the streets of Dimmitt is seeing green lawns with sprinklers in operation, the teenagers washing their cars, and little children in their swimming suits playing with the water hose and being soaking wet. I can then drive by our water storage tanks and the gauges reflect sufficient water to support a community that enjoys these water luxuries.

These luxuries do not exist all over the world. I have seen young children in other countries so dirty you couldn't see the color of their skin, pulling a makeshift cart with three or four water cans providing their home with their supply of water. These are the things I can't stand by and let happen to our city. It may come to that in some future years, but in the meantime, let's all pull together and do everything in our power to prevent it.

I am thankful for being a part of Dimmitt.
GARNETT F. HOLLAND
Manager, City of Dimmitt

Homemakers start new club year

By MRS. OWEN ANDREWS

Frio Homemakers Club met Tuesday for the opening meeting of the club year. It was a luncheon at Caisons in Hereford. New yearbooks were distributed and plans for the year's program discussed. Officers include president Mrs. D. F. Yandell, vice-president Mrs. Harlan Barber, secretary-treasurer Mrs. Eugene Baldwin, reporter Mrs. Owen Andrews and consumer buyer Mrs. E. F. Vogler. Others attending the luncheon were Mmes. Gary Hathaway, Annie Lee Dobbins, Eldon Fortenberry, Jerry Richardson, Johnny Tims, Weldon Stephan, J. E. Warwick, Tommy Sparkman, Olin Parris, H. M. Mobley, Bobby Kendrick, T. L. Sparkman Jr., Ronnie Hathaway and Miss Alma Andrews. The club meets on the second and fourth Tuesday afternoons. Visitors and new members are welcomed.

Attendance and interest were good in the revival last week at Frio Baptist Church. Pastor Johnny Tims preached and the church music director, Weldon Stephan, directed music. Several visitors attended the nightly services. Lunch Sunday at the church made a big final day of the week of revival.

Mrs. Pat Robbins and new daughter Jessica Paige are

scheduled to come home from the Hereford hospital the last of the week. The baby born Sept. 27 weighed in at 7 pounds, 12 ounces. She has a four-year-old brother Randy. Mrs. Robbins mother, Mrs. Floyd Free of Newkirk, Okla. is here to help a few days with getting the mother and baby settled.

Mr. and Mrs. Fred Arnold and his sister Mrs. Webb of Arkadelphia, Ark. are visiting their daughter Mrs. Norman Harder and family. They and the Harders went during the visit for a tour vacation in the Colorado mountains.

Mrs. Annie Lee Dobbins went with her brother Joe Scott and Mrs. Scott of Dimmitt to Winters Saturday to attend funeral services for Mrs. Scott's aunt.

Visiting the Joe Andrews during the weekend were Mr. and Mrs. Carl Miller and children, Holley, 8, and Joe, 2½, of Texarkana. Miller spent part of his youth here, graduating from Hereford High School in 1961. He is with an insurance company there and Mrs. Miller teaches second grade in the public school system in the Arkansas

side of the city. The Gerald Harders and Tony Urbanczyks also were Saturday evening guests of the Andrews.

ASCS voting schedule set

Deadlines for nominations and voting in the ASCS election Dec. 5 have been announced by Charley Hill, county executive director. Five community committees will be elected by Castro County farmers and landowners, to take office Jan. 1. Candidates may be nominated by petition, which may be submitted beginning today (Thursday). Final day for nominating by petition will be Oct. 31.

Ballots will be mailed to eligible voters the last week in November and must be returned to the county ASCS office by Dec. 5 for counting on Dec. 7. The county convention will be held in that office Dec. 14.

Melvin L. Barton is present chairman of the county committee, with John S. Gilbreath as vice-chairman and Roy Lilley as a member. Hill serves as secretary.

small talk from South Hills Manor

By BERAL HANCE

Saturday night at South Hills Manor was a night of good music. With Connie Ivey at the piano, her twin brother Coy and another brother, John, Dutch La Rue, a Mr. Phillips and his wife from Muleshoe, and two other men were playing guitars, a mandolin, a banjo and even a violin. Anyone over fifty would have enjoyed the songs they played—San Antonio Rose, Isle of Capri, The Waltz you Played for Me, The Gal I Left Behind Me, Mockingbird Hill and Tennessee Waltz. And they concluded with How Great Thou Art. Mrs. Phillips sang several of the old songs.

The people at South Hills have a great time. On Mondays and Wednesdays they do crafts, on Tuesday morning they have Bible study and they play Bingo on Thursday. Bro. Bedford Smith conducted Sunday morning services.

Mrs. Floy Hart was still celebrating her birthday with a visit to her son and his family in Hereford.

Patterson Bain and Minnie Simpkins are in the hospital. We hope they will improve and be able to return to the Manor soon.

I talked with Mrs. Ruby Coke. She has just completed a beautiful multi-color afghan and is working on a white one. I enjoyed visiting with her in her room, which is so comfortable and homey. We watched the news on TV. I asked her about the house that her late husband, Mr.

Lewis Coke, had dismantled at Waco and brought the lumber to Dimmitt where Kenneth Forson built a house on the Littlefield highway. The house was owned and occupied by his uncle and aunt, Dr. and Mrs. James Hale in Waco and was filled with antiques and beautiful things. Mr. Coke was the heir as the Hales did not have children. I asked Mrs. Coke about a relative who was a Texas governor over 100 years ago. He was Gov. Richard Coke, who was at the state capitol from Jan. 15, 1874 to Dec. 1, 1876, when he resigned to enter the US Senate in Washington. Mrs. Coke is originally from Johnson County near Cleburne. She has five sisters and three brothers, all living at Beeville except her youngest brother who lives at Lake Charles, La. Her children are Gwyn Buckley and Katy Wright and she has two granddaughters and five grandsons and five great-grandchildren.

Dorothy Hopson will return this week and will tell you about their trip.

VFW sets meetings

The monthly meeting of the Dimmitt VFW has been changed to the second Monday of every month. It is open to all old and new members.

The post is in the process of expanding its building, and has plans for a big Veterans' Day celebration.

The next meeting of the group will be Monday at 8:30 p.m. and all members are urged to attend and support the efforts of the club.

1978 class ring found

The Dimmitt Police Department has a 1978 Electra High School class ring that was reportedly found in the vicinity of W&C Grain Company in Dimmitt.

Police chief Joe Ben Mitchell urges anyone who may have any idea of who the ring's owner is to contact him at 647-2155, or to claim the ring by identifying it.

Classes in art opens Monday

Rev. Stanley Crocchiola of Nazareth will resume free art classes there Monday, teaching in the basement of the Holy Family Church.

Classes are scheduled from 7:30 to 10 p.m. on the second Monday of each month, open to the public at no charge.

"THE ELECTRIC SAVINGS MACHINE"

3 ways energy can be saved in the home.

1

By improving the thermal integrity of the structure itself; by adding insulation, installing double glazed windows, reducing hot and cold air infiltration.

2

By installing efficient energy-saving systems and appliances.

3

By adopting wise use habits.

EFFICIENT USE OF FUEL RESOURCES.

The heat pump uses electricity efficiently because it can deliver as much as two units of heat for every one unit of electricity it uses during the heating season. The heat pump makes efficient use of fuel resources because it uses electricity for heating and cooling, and thus allows use of the nation's more plentiful fuels like coal. Southwestern Public Service is now reducing its dependence on natural gas as a fuel and is building plants that use coal to make electricity. Using fuels like coal preserves the nation's scarce petroleum resources for other uses. The heat pump saves electricity . . . and saves you money. It's the electric savings machine!

OUR GENERATION IS FOR YOU!

Lions Club sets supper

"We've got two fellows who have a combined ten years' experience in the pancake supper business, and they'll be helping with the cooking," Chuck Braafladt said about the Dimmitt Lions Club Pancake Supper scheduled for Oct. 14.

Pancakes and bacon with butter, syrup, coffee, milk and tea will be served in the high school cafeteria from 5:30 to 7:30 p.m., with the cost set at \$2 per plate for adults and \$1 for children, according to Braafladt.

The cooks will be Braafladt, Bob Caddell and Al Jackson. The proceeds will go to help with the club's various projects.

OUT OF TOWN

Mr. and Mrs. David Sanchez of Dimmitt are parents of a son who was born Sept. 25 in Littlefield Hospital and Clinic. He weighed 7 pounds, 3 ounces and was named Fernin Cruz. Maternal grandparents are Mr. and Mrs. Nati Ortiz and paternal grandparents Mr. and Mrs. Primitivo Sanchez, all of Dimmitt.

A daughter was born Saturday to Navy Lt. and Mrs. James Wolfe of Virginia Beach, Va. She weighed 7 pounds, 10 ounces, and has been named Alison. Mrs. Wolfe is the former Sheila Hamilton of Dimmitt. Maternal grandmother is Loranell Hamilton of Dimmitt.

Paul Kleman funeral held in Arkansas

Requiem mass for Paul A. Kleman, 48, a native of Nazareth, was conducted last Friday in Immaculate Conception Catholic Church in Fort Smith, Ark., with Rev. Harold Heiman of Subiaco, Ark. officiating.

Mr. Kleman, who moved to Vian, Okla. from Nazareth in 1964, died Sept. 27 in a Fort Smith hospital. Burial was in the Sallisaw, Okla. city cemetery.

Born in Nazareth, Sept. 4, 1929, Mr. Kleman married Etta Mae Heiman Sept. 19, 1950 at Nazareth.

He is survived by his wife; three daughters, Rhonda and Nadine of the home and Denise of Mustang, Okla.; four sons, Jeff, Bruce and Dale of the home and Craig of San Antonio.

Also surviving are his parents, Mr. and Mrs. Harry Kleman of Nazareth; two brothers, Walter and Alvin of Nazareth; four sisters, Marcella Kugler of Hammond, Ind., Ethlye McBride of Littlefield, Nora Barnett of Amarillo and Valarie Brockman of Midland, and three grandchildren.

Father's rites are conducted

Funeral services for Gomer Minnick, 65, of Mingus, father of Jodie Minnick of Dimmitt, were conducted last Thursday afternoon in the First Baptist Church at Strawn by Rev. Fred Keese, pastor of a Baptist Church at Mingus.

Burial in the Doty Cemetery was directed by the Edwards Funeral Home of Strawn. Mr. Minnick died Sept. 20 in a hospital at Ranger.

Born Nov. 14, 1911 in Thurber, he was a plumber and had operated a business in Sonora before moving to Strawn in 1959. He married Beryl Dean Pearson in 1945 at San Angelo and she died in 1973.

Survivors include a daughter, two sons, a brother and five grandchildren.

Boots, boots for fall

By IRENE KEATING

Maybe we'll start having cooler weather this month. At any rate, I'm sure you're thinking of fall clothes.

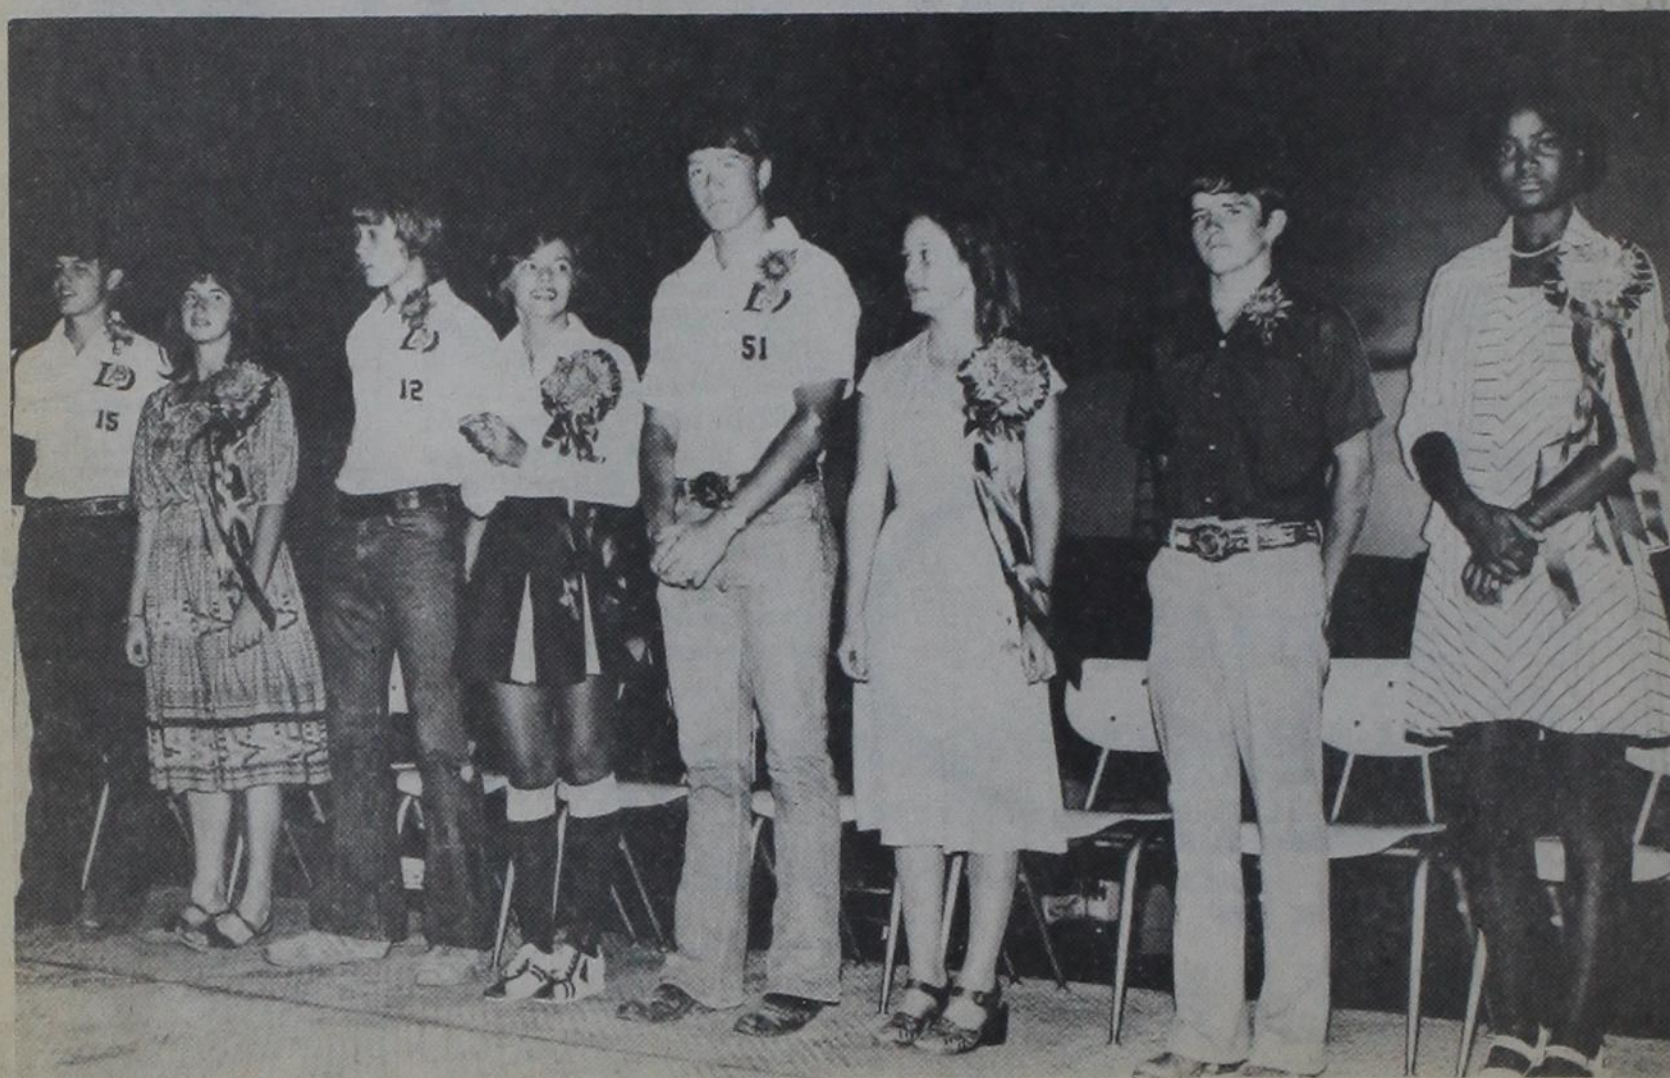

Boots are in fashion this year and are stylish with skirts, dresses, gauchos or pants.

Since boots are expensive, consider them an investment and choose them carefully. To wear them from season to season, select a classic style and a basic or neutral color. If fashion is your priority select the style currently in vogue. However, look for quality in construction and fabric of all boots.

Suede or leather boots may be the most comfortable, because natural fibers breathe—rubber or vinyl are more moisture resistant. However, suede or leather can be treated to repel light rain and snow.

HOMECOMING QUEEN for 1977-78 in Dimmitt High School is Carla King, a senior. Here, Student Council Vice-President Kim Peggram pins on Miss King's banner after Student Council President Joe Collins has presented the queen's crown during the DHS Homecoming Pep Rally Friday afternoon. Other queen candidates, from left, are freshman Susan Collins, sophomore Lou Phillips and junior Jo Beth Bates.

SPIRIT CANDIDATES at the DHS Bonfire Pep Rally last Thursday night were (from left) seniors Matt Howell and Anne Helderwiert; juniors Jack Stewart and A'Lann Truelock; sophomores Norris Cole [standing in for Sammy Ramirez] and Carla McRee; and freshmen Terry Mixson and Paula Porter.

Hart's homecoming slated next week

The Hart Longhorns will meet the Kress Kangaroos in the annual Hart High homecoming game Oct. 14, and the homecoming queen will be crowned to climax a week of activities aimed to rouse school spirit.

Candidates for the queen's title are Sherry Booe, Martha Coronado, Abby Mancias and Stacy Averitt. The winner will be crowned at 7 p.m. preceding the football game.

All Longhorn fans are invited to a giant pep rally at 3:20 that afternoon. The Athletic Booster Club will sponsor a stew supper from 5 to 7 p.m. in the school cafeteria, also with the public invited.

Friday has been designated as Dress-up Day at HHS, in a week when all days call for students to wear special dress. The maroon and white colors of the Longhorns will be much in evidence through the school halls all week.

Monday will be Overall Victory Day with overalls as the specified dress and on Tuesday the students are to wear black on Mourning Day for the Kangaroos. They will dress in Kress school colors, gold and black, on Hex 'em Day Wednesday and flaunt the maroon and white Thursday.

A victory bonfire is scheduled at 9 p.m. Thursday, when the Victory King will be crowned. He will be chosen from nominees Eliazar Castillo, Glen Black and Kelly King.

Longhorn players will be pinned in a ceremony at 10:50 a.m. Friday. One of the four candidates, Luther Isaguirre, Kelly King, Kent Hill and Clay Hanes, will receive the Pep Squad King's crown.

THE TEXAS Public Utility Commission collected more than \$9 million in gross receipts assessments for fiscal 1977—a 38.75 percent increase over 1976.

Seventh Grade A's remain unbeaten, 8th grade loses

A last quarter push that wasn't quite enough gave Dimmitt two touchdowns in an Eighth Grade A game with Tulia here last Thursday, bringing the final score to 20-16 in favor of the visitors.
 The Seventh Grade A's from Dimmitt Middle School stayed undefeated by beating Tulia 18-0 on the same day, and now boast a 7-0 record for the year.
 Both teams have games here this week, Spirit Week at Junior High. The A teams will play Muleshoe today (Thursday) and the B teams played Nazareth Tuesday.
 The Tulia game was the second in a row where the Dimmitt 7-A's kept their opponents from scoring. Defense was outstanding against Tulia, which was not allowed any first downs.

Dimmitt scored in the first quarter with a 17-yard run by Richard Guzman following a fumble recovery at the Tulia 40. Try for the extra point failed.
 After a punt in the second quarter Fermin Gonzales ran the ball 45 yards to the Tulia 12, and two plays later went over from 10 yards out for the touchdown to make it 12-0. The extra point was nullified by a penalty.
 Just before the half Tommy Guinn tossed a 34-yard touchdown pass to Kevin Cleveland for Dimmitt's final tally, as the extra point was wiped out again by a penalty.
 Defense leaders for Dimmitt were Shan Powell, Steve Lunsford and Keith Gregory "who played real well both ways." On offense Jeff Watts, David Ogas and Gonzales were notable.
 Dimmitt 8-A's failed to score in the first three frames while Tulia scored a touchdown and extra point in the first quarter, then two quick touchdowns at the beginning of the second half so Dimmitt was down 20-0 in the fourth when Ezekiel Garcia went over on a 25-yard run and then made the extra point.
 Then with only two minutes left in the game, Deke Cearly scored with a 15-yard run. The extra point was added when Ricky Gonzales recovered Dimmitt's own fumble in the end zone.
 Coach Jerry Durham praised the defense, but said, "We only played on our end of the field for three quarters."
 Outstanding defensive men he named were Greg Cluck, Rafael Enriquez, Ronnie Varner and Cearly, and on offense he cited Scott Sheffy, Kyle Neely and Garcia.

TOUCHDOWN!—With a little help from a friend, Hart quarterback Eliazar Castillo breaks loose on a 70-yard scoring run against Friona Friday night. The TD, Hart's third of the night, pulled the Longhorns within two points of the Chieftains at 18-20. But the extra-point try failed, and that's where the score stayed. (Photo by Mike Cariker)

'Horns lose close one

By MONTY UPTON

A group of Indians off the reservation at Friona led an uprising and in the process rustled a herd of Longhorns into a 20-18 loss Friday night. Hart's Randy Gonzales took the opening kickoff 10 yards to the 37, then Johnny Newsom got eight yards on a dive. Hart got a first from Michael Finch before slowing on a penalty. Going to the air, QB Eliazar Castillo's pass was picked off by Friona's Mike Hutson on the Chiefs' 45 and

returned to the 'Horns' 45. From there, Friona used running plays to move to the 27. At that point Chief QB Chris Barnett hit halfback Jeff Whiteside with a pass that moved into paydirt. Ernest Mills booted the PAT with 7:16 of the first left. Glen Black took the Chief kickoff 10 yards to the 36 and Finch toted the mail to the Friona 43 on three plays. Then the 'Horns were stalled by a 15-yard penalty. With a second and 22, there was a mix-up in the backfield as Newsom and Castillo bumped into each other to loosen the

Following an exchange of punts, Hart got the ball moving as Castillo first hit J. Newsom for a 30-yard pickup, ran for 12, then attracted a 9-yard Friona pass interference call when he threw to K. Newsom. With time running out, Hart's Clay Hanes attempted a field goal on a fourth and seven. However, it went astray and Friona ran out the clock, leaving the 'Horns with a 14-6 deficiency at half.

Opening the second half, Friona had a small drive going but could not overcome a Castillo sack of Whiteside for minus six. Forced to punt, the Chiefs played tough defense and a fourth and seven try by Castillo fell short by inches. Friona then used six plays and a Hart penalty to finally score on a Glenn London two-yard run with 4:25 of the third left. Mills' faked PAT kick was short.

As the fourth quarter opened, a Castillo-to-J. Newsom pass for nine was nullified by a penalty. Castillo then picked up 11 running from the tailback position behind QB Ricky Rowland. Castillo then threw the ball to Black for six yards and the first. From the Friona 34, Castillo hit J. Newsom for the TD with 10:40 of the game left. The Castillo-to-J. Newsom conversion pass fell incomplete with the score 20-14.

Whiteside fumbled the kickoff into the waiting hands of Steven Brantley on the Chiefs' 27, giving Hart new hope. Castillo completed a nine-yard pass to Scott Jones and Black picked up a first before those hopes were crushed when Todd Bandy intercepted a Castillo pass at the one-foot line. The Chiefs' ground game ate up 46 yards before they were forced to punt.

Castillo had taken upon himself to move back deep, and he caught the punt on the 30 with red shirts pouring down on him. In patented fashion, he started one direction and then shifted back trying to pick up blocks. Finally a wall was formed behind Marble, Hanes, Black, Ethridge and the rest of the defensive team, and Castillo went 70 yards to score with

Swifts swamp Whiteface

By PATRICIA KERN

The Nazareth Swifts, led by Derwin Huseman's three touchdown runs, rambled to a 43-0 victory at Whiteface Friday night.

After a 6-0 first half lead, the Swifts bombarded the Antelopes with three third period touchdowns and two more in the fourth to give them their margin.

It took the Swifts only five plays to score on the Antelopes. Huseman capped the 58-yard drive with a 32-yard scramble that turned out to be the only score of the first half.

The Antelopes almost scored their first points of the season when they moved the ball to the 3 yard line, but a big defensive effort held their fourth-down effort. They got another break when they re-

covered a Nazareth fumble on the eight-yard line two minutes later, but the Swift defense held them again.

Huseman came up with the first third-period score on a four yard scramble with 9:47 still remaining. Kenny Gerber picked up a pass from Kenny Brockman for the two extra points.

Alan Acker blocked a Whiteface punt on the five yard line to set up quarterback Brockman's two yard TD run for the next score. A two-yard run by Chris Book gave the Swifts a 29-0 lead after three stanzas of play.

A fumble recovery set up Huseman's final touchdown, an eight yard effort with 7:53 remaining in the game.

Jimmy Huseman took in the final Swift score after Gerber intercepted an Antelope pass. D. Huseman's kick made it 43-0 for the Swifts.

"We really didn't play well the first half, but we came back the second half and played a lot better," said Coach Eddie Hooper.

The Swift shutout kept the Antelopes not only winless, but scoreless for the 1977 season. Whiteface has given up 216 points in their first five games.

Friday the Swifts travel to Lazbuddie for their second district contest. Lazbuddie holds an 0-1 district record at this point.

Bethel 4-H Club numbered 10 in 1956, has 23 now

Bethel 4-H began in 1956 with Mrs. Houston Lust and Mrs. Doyle Underwood serving as leaders and 10 girls as members. In 1960 the club reorganized and included boys also.

About six years ago the Bethel Club Annual Stock Show was begun, using George Sides' barn and lots.

Rifley is a newer added attraction with Tommy Stanton as project leader.

Bethel members were active in formation of the County Horse Club and have strong participation at the present time.

Some members have gone to District in method dem-

onstrations, foods and nutrition, and share the fun, with some going on to State.

Cindy Sides is the first Bethel Club member to win a trip to the National 4-H Congress in Chicago. She also received one of the first two County Home Demonstration Council Scholarships.

The club members have been a part of the county fat stock show, project shows, bake shows, food shows and county dress revue. Other projects they have participated in include crafts, parliamentary procedure, safety, woodworking, photography and canning and preserving.

The many other areas in which Bethel members have participated include Leadership Labs in District 1 and in Brownwood, electric camp, district council, junior leaders, 4-H Council citizenship short course and Heritage Tours and People to People Ambassadorship Tours in Europe and Russia.

The participation and co-operation of the parents keeps Bethel 4-H club an active club.

There are 23 club members this year. The officers are: Becky Hand, president; Beth Benton, vice-president; Laurie Sides, secretary-treasurer; Janis Hutcheson, reporter; Janet Sammann, recreation

leader; Adrian Stanton, council delegate; and Cleve Keating, alternate council delegate.

Happy Helpers Club has 15

Good things do come in small packages out at Easter where Happy Helpers 4-H Club, boasting a membership of only 15, carries on active 4-H work. Members are currently working on the foods project as well as many individual projects.

The club meets monthly on the second Tuesday of each month. Officers include Laura Downing, president; Tammy Behrends, vice-president; Shelly Frye, secretary-treasurer; Carla Frye, reporter; Josie Cantu, council delegate; De Ray Thomas, ritual chairman; Amy Downing, recreation; Bernice Thomas, song leader; and Mark Shackelford, inspiration chairman.

Leaders are Linda Frye, Mary Behrends, Jo Beth Shackelford, Shirley Thomas, Mrs. Donald Adams and Lana Downing.

Members are working on such projects as horse and lamb project, clothing, poultry, crafts and foods. They welcome new members at any time.

Dimmitt 4-H 16 years old

The Dimmitt 4-H Club has 68 members and has been in continuous existence since 1961, when 17 girls and their parents got together to organize the Dimmitt Go-Getters, as it was called then.

Although the club started out with only girls, a couple of years later boys were included.

Present officers are: Shane Smithson, president; Joe Don Castleberry, vice-president; Ross Armstrong, secretary-treasurer; Cheryl Robb, reporter; Leann Crozier, council delegate; and Jay Nelson, alternate council delegate.

Cinde Sides

Dimmitt girl will attend 4-H Congress

Cinde Sides will be attending the 1977 National 4-H Congress in Chicago Nov. 25-30. Cinde won the trip because her 4-H record in citizenship won first place at the state judging in September.

Cinde has been very active in 4-H citizenship projects in the Bethel 4-H Club. She attended the National Citizenship Short Course in Washington, D.C. in 1975 and was a youth ambassador to Europe in 1976. She went to the State 4-H Food Show in 1975. She was a recipient of the Home Demonstration Clubs scholarship this year. This was awarded on the basis of her 4-H club work at the county, district and state level.

Other projects Cinde carried included foods, clothing, livestock, crafts, food preservation, home environment and leadership.

Cinde is a freshman home economics major at Texas Tech University this fall. Her parents are George and Carolyn Sides and Greg, Kim and Laurie complete her family. Her family is totally involved in 4-H and Extension work in the county.

4-H HORSE CLUB members earned championships throughout the state during the year. Here, club members and their adult leaders pose with the banner they won as the third highest-scoring county group in all competitions at the District 4-H Horse Show and judging contests at Lubbock in March. The girls in the second row, Jerri Ka Clark (holding banner) and Renee Cluck, earned top individual honors with their mares during the year. Renee showed the grand champion mare in the State 4-H Horse Show in Houston in July, and Jerri Ka showed the grand champion mare at the quarterhorse show of the 1977 Panhandle-South Plains Fair. Other club members have distinguished themselves by sweeping the regional shows in performance, judging and showmanship competition.

4-H Horse Club produces champs

The Castro County 4-H Horse Club was organized in 1972 with Jerry and Carol Cluck as its leaders. This year the club had 33 active members.

Officers are Matt Howell, president; Carol Bagwell, vice-president; Jackie Anthony, secretary-treasurer; and Renee Cluck, reporter.

Meetings begin in March and continue once a week through July. The early meetings concentrate on horse care, grooming and judging. Each spring a junior and a senior team is sent to Lubbock to compete with 20 other counties in district horse judging competition.

The 1977 junior team won first place. Morris Cole had the high point score and Connie Dennis was runner-up. Other team members Jerri Ka

Clark and Laura Downing were recognized for having perfect scores on judging the performance classes.

4-H'ers bring their horses to club meetings at the Cluck's arena where they spend long hours practicing for their competition.

The club belongs to a six county association along with Bailey, Lamb, Deaf Smith, Oldham and Parmer Counties. Each county hosts one show a year with trophies given through sixth place and points are accumulated for year-end awards.

The events include eight halter classes, showmanship, western pleasure, western horsemanship, reining, barrel race, pole bending and flag race. There are two age groups in each event: Juniors are nine to 13 years old and

Seniors are 14 to 18.

At the end of this year's competition, Castro County 4-H'ers had captured first place in every halter class, grand and reserve champion mare and gelding and runner-up high-point junior in timed events, along with many other placings.

The purpose of the club is to encourage young horsemen to take pride in their animals, themselves and their ability through competition.

In July at the District II Horse Show in Lubbock, 18 club members qualified to compete, with four qualifying to advance to state competition.

The four who qualified for state were Renee Cluck, Greg Cluck, Norris Cole and Matt Howell.

The Clucks also won at

Houston and advanced to the Southwest Regional show at Waco, where Miss Cluck repeated the honor of Grand Champion mare with Ima Tuff. Cluck placed third in geldings with Skip's Wrangler.

Club member Jerri Ka Clark also recently won the Grand Champion Mare title at the 1977 Panhandle South Plains Fair Quarterhorse Show with her horse Speck-asalt.

The pair also placed first in the 1974 Mare halter class, won Grand Champion Youth Mare and sixth place in youth showmanship.

Miss Clark is the daughter of Mr. and Mrs. H. J. Clark. The mare is out of Luxey Leo and sired by Salty Speck, and was bred by Jerry and Carol Cluck of Dimmitt.

Nazareth 4-H has good year

By PAUL HUSEMAN

The Nazareth 4-H Club consists of 62 members this year. The officers are Paul Huseman, president; Randy Huseman, vice-president; Dianne Hochstein, secretary; David Huseman, council delegate; Greg Huseman, treasurer; Edith Durbin, reporter; and Bobby Hochstein, parliamentarian. The leaders are Mr. Catherine Hochstein, Mr. and Mrs. Louis Huseman and Dennis Huseman.

Several of our members placed at State 4-H Roundup at Texas A&M. David Huseman, with Seth Ralston's support and direction, was the state champion in the mechanical and hand skills demonstration contest. Bernard and Elaine Acker placed third in the horticulture demonstration contest.

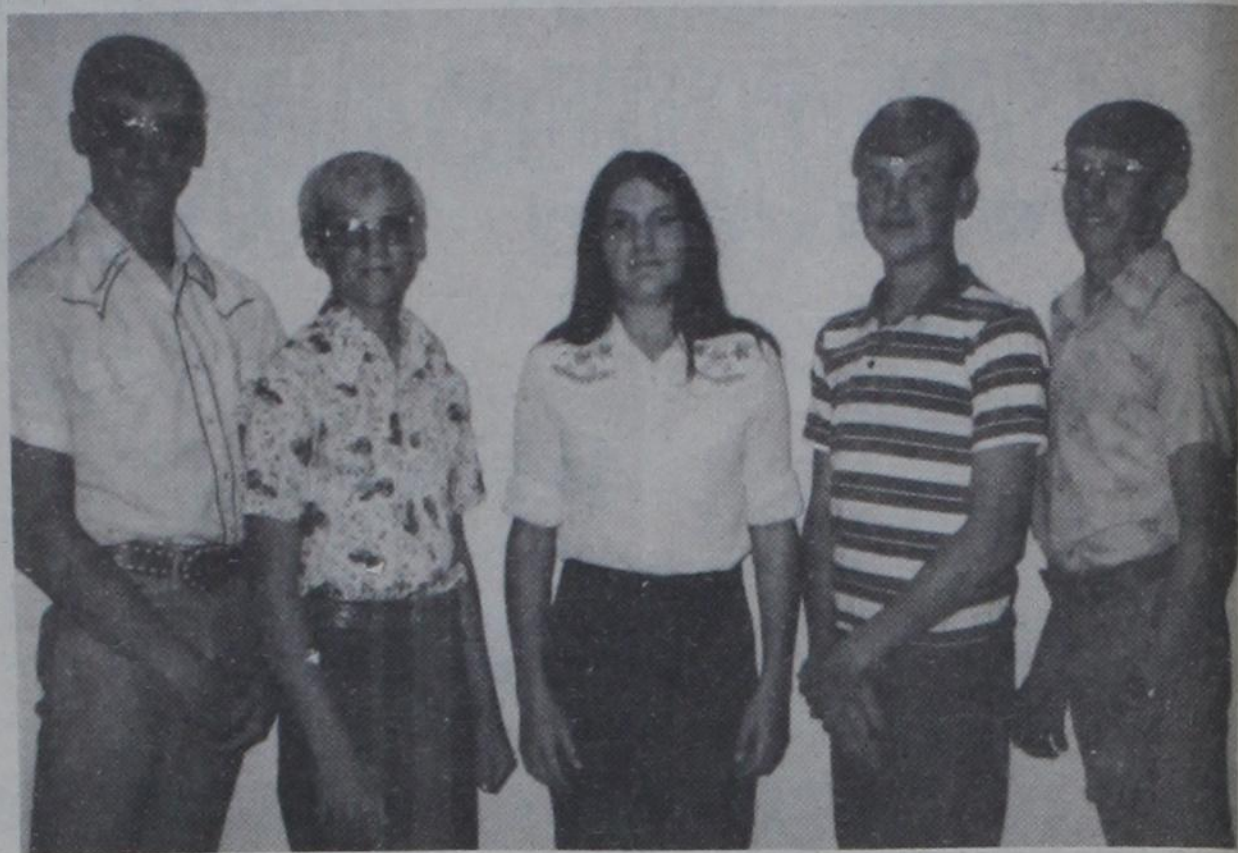

Karen and Mary Jean Huseman, along with Elaine Acker, represented Castro County at the District 2 Food Show in Lubbock in December. They each received a blue ribbon. Edith and Dorothy Durbin were winners in the County Dress Revue and participated in the District Dress Revue, also held in Lubbock.

Several of the members showed animals in the Hereford, Amarillo and Houston Stock Shows.

Members participated at various camps during the summer. Dale Hoelting, Dianne Hochstein, Edith Durbin and Greg Huseman attended Electric Camp near Cloudcroft, N.M. Edith Durbin and Karen Huseman attended Teen Leader Lab at South Plains Junior College. In August, Christine and Cecilia Kern and Dorothy Durbin attended 4-H Camp in Brownwood. Bernard Acker took part in the Citizenship Short-course in Washington, D.C.

Members of the Nazareth Club helped prepare the 4-H float for the Roundup Parade. Several of our club members assisted in setting up the Castro County booth for the Tri-State Fair.

At the county fair, Bernard Acker was named both the Grand Champion Farmer and

one to be awarded to a boy and one to a girl each year. The purpose of this award is to recognize outstanding achievement, leadership and contribution to the county 4-H club program.

Winners of this award from Nazareth are: Alice Book, Byrlea Schwaller, Norma Jane Braddock, Rita Hochstein, Karleen Schwaller, Clemen-

tine Aichlmayr, Mary Ann Huseman, Rita Witkowski, Virginia Huseman, Sandra Huseman, Sharon Hochstein, Terry Huseman, Debra Hochstein, Deborah Acker, Stephen Acker, Agnes Acker, Patti Hochstein, Elaine Acker, Norman Acker, Carol Hochstein, Bernard Acker, Floyd Acker, Kenneth Acker, Jack Acker and Tom Acker.

Flagg's 4-H is 25 strong

The Flagg 4-H Club has 25 members, including two who signed up at the club's last meeting, which was held in the John Gilbreath home.

The meeting was brought to order by president Ben Ray Holcomb.

Todd Hatla was elected vice-president to fill the vacancy left by Ronnie Autry, who moved away.

The club discussed holding a car wash, and heard a program on how to pick and care for stock for livestock shows presented by assistant county agent Seth Ralston.

Other officers of the club include Lynna McGuire, secretary-treasurer; Quint Waggoner, council delegate; and Allan Eades, alternate delegate.

Connie Nelson and Judy Waggoner are helping the club members with their food project.

The most popular 4-H project areas are individual and family resources, animals and poultry, leisure education and cultural arts, and energy, machines and equipment.

23% of 4-H members live on farms, 38% in rural areas and towns of less than 10,000 population, and 39% in cities, towns and suburbs of 10,000-50,000 and larger.

RENEE CLUCK OF THE Castro County 4-H Horse Club reached the pinnacle of 4-H showmanship success when her mare, Ima Tuff, was named grand champion mare of the 1977 State 4-H Horse Show in Houston in

July. The champion mare and its young owner have earned blue ribbons and purple banners throughout the state—usually having to beat out other Castro County entries to do so.

Durbin, Huseman named outstanding Nazareth 4-H'ers

Nazareth 4-H'ers and members of their families numbering around 100 were present at the annual awards banquet Sept. 28 at the Nazareth American Legion Hall.

Edith Durbin and David Huseman were named outstanding 4-H Girl and Boy,

and were presented trophies by Irene Keating and Charles Hottel, Castro County Extension agents.

Miss Durbin, Huseman, Bernard Acker, Dianne Hochstein and Karen Huseman told about the different 4-H trips they went on or camps

they attended, and Dorothy Durbin and Cecilia and Christine Kern were recognized for attending the camp at Brownwood.

4-H circles the globe. Around the world, 4-H and similar youth-serving programs thrive in more than 82 countries.

NATIONAL 4-H WEEK...OCT. 2-8

The 4-H Club has done a great job in preparing our young people for the future. The boys and girls, young men and women between the ages of 9 and 19, are taught to respect their environment, work to better their community and become self-reliant and responsible individuals. By taking an active role in the 4-H experience, they're

having fun as they do important work across the nation . . . from anti-pollution projects in the cities . . . to livestock and agricultural projects on the farms. They're working for tomorrow . . . let's proudly salute them today! Keep up the GREAT work, 4-H'ers!

State tax staffers plan 'friendly visits'

Comptroller Bob Bullock alerted Texas businessmen Monday to begin looking for a friendly visit from a comptroller's enforcement officer some time during the next nine months.

The comptroller said that the enforcement officers from his 40 field offices will fan out across the state with the goal of offering personal assistance to each and every Texas business.

A testing of the canvassing program in July showed that 19 percent of taxpayers contacted required assistance or needed permits, he said.

"The theme of this project is taxpayer assistance," Bullock said. "We have found that in many instances only personal contact can eliminate the errors that eventually prove costly both to the taxpayer and the comptroller's office."

He said his employees,

armed with smiles and packages of taxpayer information, will be knocking on doors with the hopes of:

- Providing education to taxpayers;
- Making sure every business is properly permitted;
- Establishing personal lines of communication between taxpayers and the individual enforcement officer responsible for the area;
- Updating comptroller's office records;
- Making certain each taxpayer is filing returns and paying tax properly.

July's sample of 4,702 businesses showed that 97 were operating without needed permits, 766 had changed address or business name without notifying the comptroller's office and 37 were not paying tax properly, Bullock said.

"We hope to take care of every little problem on the spot, before it turns into a big problem," he said.

The Dimmitt Promenaders held their meeting Sept. 27. Almost five squares danced to the calling of Johnny Gillenwater.

Several dances were announced. Hereford's Anniversary Dance will be Oct. 8, the Fall Festival will be in Amarillo Oct. 14 and 15, our graduation dance will be Oct. 26 and Nazareth is holding a Halloween dance Oct. 29. We need to all try to attend these dances.

We had several visitors with us: Jake and Dot Huckaby, Lucille Bullard, Gene and Norma Hendon, Lester and Francis Rape, Kathy and Nancy Acker and Joe Ben Mitchell, who is Dimmitt's new chief of police. We had three couples from the Amarillo council, Bill and Carolyn Berryhill, Jenks and Sammie Jenkins and Stanley and Jean Owens.

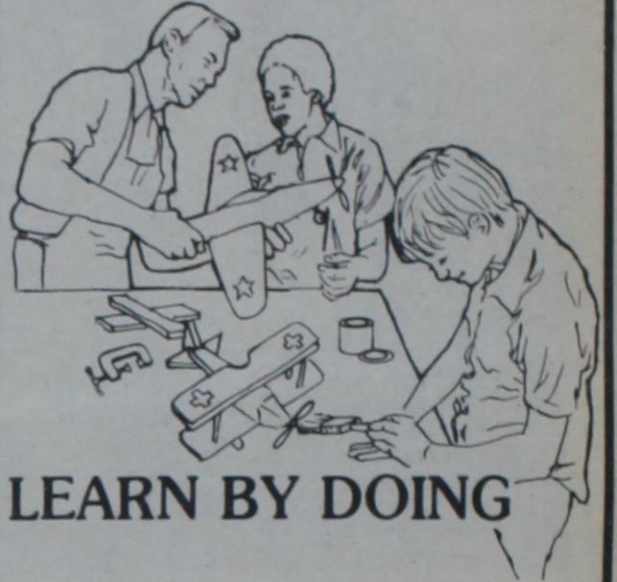

Carl and Linda Baker, newlyweds of nine days, were presented a money tree and a cake. Linda has been square dancing for four years and Carl is in the class that will graduate the 26th.

Gary Cole is teaching this class of students. They have had twelve lessons and have already caught up with the other dancers in knowing the basic and new steps. The students are Terry, April, Ginny and Anne Guy, John, Doris and Gene Wait, Carl Baker and John and Karen Henderson.

The Promenaders' next dance will be Oct. 11 at the County Expo Center at 8:30 p.m.

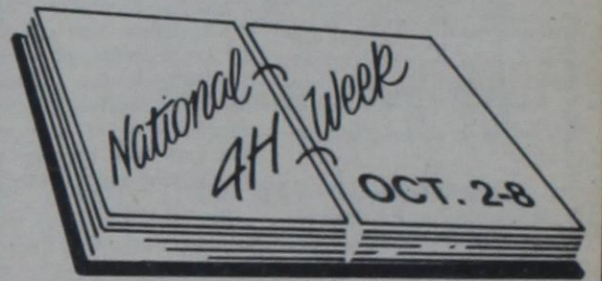

The annual Arthritis Dance was held Sept. 24. The Bill Harmans, Carl Bakers, Gary Coles and John Waits attended this dance. The Panhandle of Texas raised over \$5,000 for the foundation. A special thanks goes to all the people from Castro County who bought tickets from the Promenaders.

Head, Heart, Hands, Health . . . Working For a Better World

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves . . . their families . . . their neighborhoods . . . and the nation. It's time to congratulate them: the country kids with their livestock and produce . . . the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.

FREEDOM TO BE...

4-H'ers. They're today's young folks — working for a better tomorrow. Encourage their efforts, help them meet the challenges of the future. Their goals are to better our community — to keep America great. They acquire knowledge through experience — in the fields of agriculture and industry. They're determined to keep the wheels of progress turning. These young people with high standards are our boys and girls. We take pride in them because we know their worth.

THE REUNION of Dimmitt High School's Class of 1957 Friday and Saturday drew 50 of the class's 75 members. They came from California, Virginia, Oklahoma, Kansas, Nebraska, Colorado, New Mexico and all corners of Texas to renew acquaintances during Homecoming. Here, class members pose for a group shot after their catered dinner at the Country Club Saturday night—the final event in the two-day reunion, at which 130 people were served. Seated, from left, are Lorene Wear Robison, Maxine George Ballard, Judith Cleavinger

Robbins, Genell Preston Craig, Beverly Mills Seiple, and class sponsors Avis Smith, Mr. and Mrs. Ted Newman and Rosie Bates. IN SECOND ROW, from left, are Charles Minchew, Patricia Sadler Powell, Nelda Bagwell Fallwell, Frieda Holbrooks Henderson, Kay Killingsworth Stafford, Sue Bagwell Boozer, Wilton Ivey Graef, Shirley Stalcup Studer, Mary Coke Whitworth, Reuben Arvizu, Milton Moore, Jimmy Johnson, Richard Hunter, Karen Bell Sheffy and class sponsor

Ralph Smith. IN THIRD ROW, from left, are Ronnie Nelson, Danny Bruton, Bobby Bradley, Don Howell, W. L. Studer, Darrell Stine, Jimmy Fowler, Ladie Evan, J. C. Newton and Monty Boozer. Other class members here for the reunion but not on hand for the photo were Leon Crum, Keith Taylor, Sandra Glenn Becker, Edna Follis Sanders, Cleo Adams, Rowena Shepherd, Douglas Moke, Gene Goodwin, Edward DeLozier, J. W. Sollis and Wayne Shipp.

Continental announces major reorganization

Continental Telephone System's Southwest Division, which includes the Continental Telephone Co. of Texas, is beginning a major reorganization.

Company President James F. Miles announced that "by the end of 1977 the company will complete a series of organizational changes which will enable us to become more customer service oriented." "We will change from the traditional telephone company vertical organization to a structure which focuses our resources on providing better service to our customers," Miles said. "Under this customer service concept, all functions that directly affect

our customers will come under the direction of a single customer service manager. This will result in better coordination of all the many functions that contribute to quality telephone service.

"In addition to the establishment of the Customer Service Department we are making a number of other changes consistent with the service concept.

"To provide us with the levels of supervision we need and to allow us to take better advantage of available management talent," Miles said, "we are creating an additional level of management at the district level. However, we are reducing the number

of districts from six to three, thereby expanding the scope of our new district managers.

"The three new districts, Eastern, Central and Western, will be nearly equal in size, number of employees and construction activity for the next few years," Miles added.

Central District headquarters will locate in Fairfield while the Western District office will be in Andrews. Eastern District headquarters will be in facilities now under construction in Crockett.

Miles made the following key personnel announcements:

To be general service manager is Norman Gum of Rich-

ardson, who has been the Southwest Division general facilities manager since October 1975.

The general network services manager will be C. L. Hagen of Richardson, who is currently serving as Southwest Division's general traffic manager.

James R. Wisbauer of Dallas, who has been serving as Southwest Division's chief engineer since 1972, will be the general network design manager.

Individual projects are the core of 4-H work. In 1976 4-H members enrolled in an average of 2.2 learn-by-doing projects.

Asian groups tour Plains feed users

The Taylor Feedlot of Dimmitt was one of the stops on a tour by a Taiwan Feed Industry Study Team which recently visited the Lubbock area under sponsorship of the US Feed Grains Council.

"We came to learn and we did," M. Y. Keh, team leader, said after the tour which was hosted by the Texas Grain Sorghum Producers Association. Another group which toured the area last week under the same sponsorship was from Japan.

Both groups studied the latest feed grain production

and market situations, automation in livestock and feed production and silo management.

They were interested in feeding techniques for cattle, swine and poultry feeding.

Since 60 percent of the 2½ million metric tons of feed grain imported each year by Taiwan is fed to swine and another 30 percent to poultry, their visit is regarded as significant by the TGSPA, which is conducting a worldwide market development program for feed grains.

It's great to see our 4-H'ers at work.

They learn through doing many important things in their community. From raising livestock and canning preserves on the farm . . . to cleaning up parks and planting trees in the city. Through their 4-H Club experience, these boys and girls; young men and women learn to take pride in their work, and in themselves. They become skilled farmers and homemakers, self-assured individuals, compassionate friends and responsible citizens . . . in short . . . better people. With pride and respect, we salute these 4-H members for the valuable job they do.

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

Tulia point-kick proves fatal as Bobcats lose, 7-6

By JIMMIE CHAPMAN

The visiting Tulia Hornets scored a touchdown and then kicked the all-important extra point in the last quarter Friday night to ruin Dimmitt's Homecoming, 7-6.

Dimmitt's defense had held the heavier Hornets in check for three quarters before the TD was scored on a seven-yard pass play with 7:42 left in the game. But the Hornets of District 4-AA also came to play defense, and Dimmitt was able to gain only one first down the entire second half.

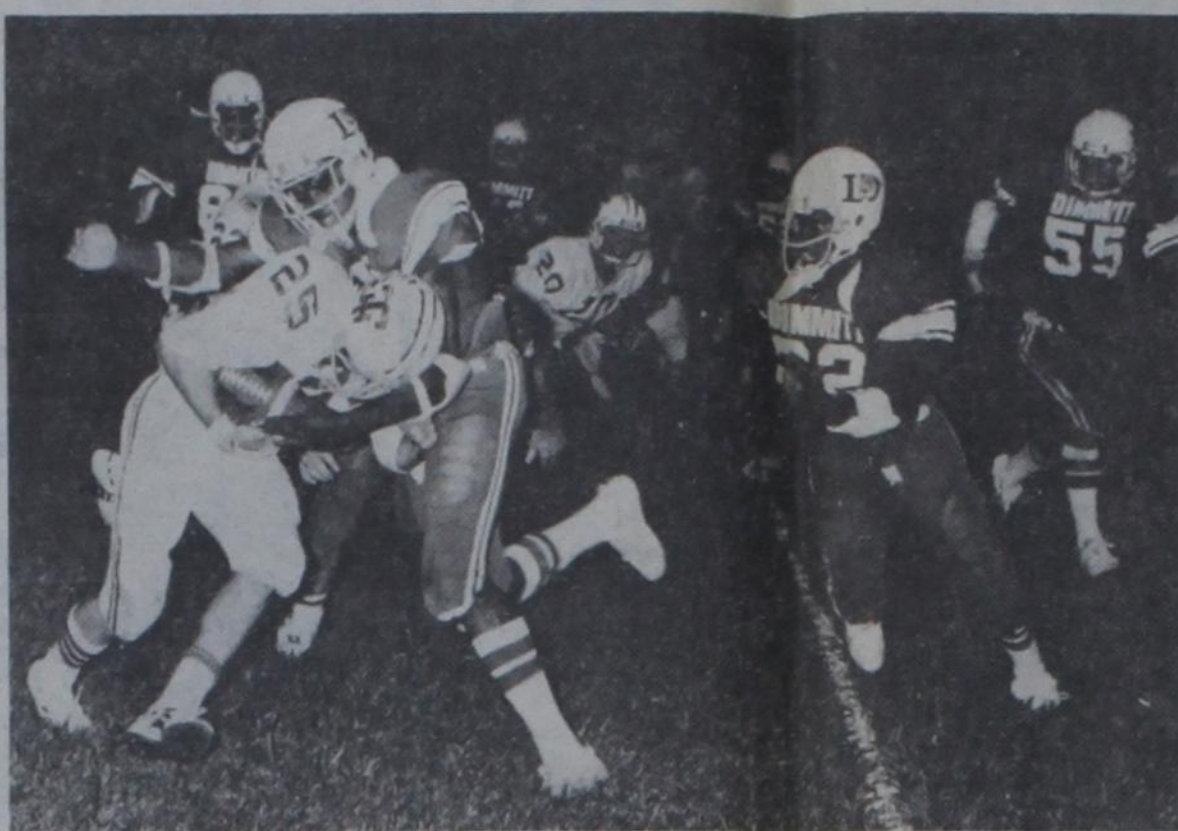

The Bobcats were playing without the services of their first two quarterbacks, but Jack Stewart did an outstanding job in his first offensive showing of the year, connecting for the only Dimmitt score on a bullet pass to Dennis Veals, who raced 89 yards for the opening TD.

Dimmitt got across the 50-yard line only once in the first quarter and the Bobcat defense had to stop the Hornets three times inside their own

30-yard line. Short punts of 17 and 21 yards by Dimmitt kept the Hornets in scoring position all of the first quarter, but finally on a third down gainer by Larry Bossett and a six-yard pass reception by Thompson Mayberry, the Cats moved across the mid-field stripe as the scoreless first quarter ended.

The Bobcats' offensive drive was stopped in Tulia territory late in the first period and Bill West got off a beautiful 49-yard punt that was killed at the Tulia 1-yard line. On the second play from scrimmage, the Hornets' Mark Buchanan broke over the left side of the line and was in the clear. But Dennis Veals caught him 45 yards downfield and saved the touchdown.

The Bobcats held at mid-field and got the Tulia punt on their own 14. On the first play from scrimmage, Larry Bossett was thrown for a three-yard loss and the Bobcats were now the ones in a hole. Stewart fired a pass over

GENE VEALS clobbers Tulia halfback Mark Buchanan with a crunching tackle in the third quarter of Dimmitt's Homecoming game here Friday night. Also closing in on the Hornet runner are Dimmitt's Thompson Mayberry [22] and Louis Perez [55]. Veals scored Dimmitt's only TD on an 89-yard pass-run

play and saved one as he caught Buchanan from behind in the second quarter. Dimmitt's defense kept Tulia in check until the Hornets got the ball on the Bobcat 33 after a shanked punt in the fourth quarter. That's when the Hornets drove in for the tying TD and kicked the winning point-after.

crossbars, but it was good and the Hornets were ahead by 7-6 with 7:42 left in the game.

The Bobcats got the ball two more times, but failed to move it across midfield. Mayberry went in for the last three plays at quarterback but the Bobcats were forced to give up the ball on downs at the Dimmitt 45 with 32 seconds left.

Mayberry, Bill West, Tobin Touchstone, Reggie Washington, Florentino Quinonez, Donny Carpenter and Louis Perez stood out for the Bobcats in the line and Jack Stewart gave a good account of himself at the man-under slot. Dennis Veals, although he did not get to run with the ball, turned in a superb job at safety for the Bobcats.

On offense, Thompson Mayberry got 71 yards on 19 carries and Larry Bossett picked up 39 yards on 12 trips to account for most of the Bobcats' yardage on the ground. For Tulia, Randall Reeves got 71 yards on 19 carries, Mark Buchanan got 69 yards on 12 tries, and quarterback Don Burgess chipped in 40 yards on 13 carries.

the middle to Veals, who took it just off the ground at the 19-yard line and outdistanced the entire Tulia defense, racing 89 yards for the first score of the game. Reggie Washington missed the extra-point attempt and Dimmitt was ahead 6-0 with 9:10 left in the first half.

This was to be the only carry of the night for Veals, but his TD run, plus his outstanding defensive play a little earlier, meant he was worth 12 points to the Bobcats in the game. The Bobcats had another drive going late in the second quarter when Mayberry ran the ball six times in a row, picking up three of Dimmitt's six first downs of the game. But the Bobcats turned the ball over to the Hornets with 15 seconds left in the first half when two passes went incomplete. Dimmitt was holding a 6-0 lead at halftime and the first downs were tied at 5-5.

The third quarter went scoreless, but again the Bobcat defense had to come

through to stop the Hornets deep in Dimmitt territory. At one point Dimmitt was backed to its own 6-yard line after being thrown for a 16-yard loss on a bad pitchout. The Cats got off a short punt and the Hornets set up shop on Dimmitt's 29. But the Bobcat defense pushed them

back, and two plays later recovered a fumble back at the Dimmitt 43 to stop the only threat in the third quarter. Early in the final period, Dimmitt got off a 12-yard punt that put Tulia in business at the Dimmitt 33. It took the Hornets eight plays to move the ball to the Dimmitt 7-yard line, and from where Don Burgess hit Randall Reeves with a pass on the goal line for the TD. Reeves barely got the kick over the
