

# She learned in Colombia to appreciate home more

[Editor's Note: During the summer, Nita Parker was the first Dimmitt student ever to visit another country under the American Field Service's "Americans Abroad" exchange-student program. She returned home recently after living 10 weeks with a family in Colombia.]

By NITA PARKER

My summer in Colombia was the best experience I've ever had and one I'll never forget. I didn't know it was possible to learn so much in just 10 weeks. COLOMBIA is really different from the US, but by comparing both countries I found many good and bad points about each. It was interesting to learn about the political system, the economic conditions, the social structure and the geographical differences in Colombia. These along with the Spanish heritage make up the distinct Colombian culture. Although there are many American influences today, the strong Spanish traditions are still very evident. The state church plays a major role in the lives of the people, with most Colombians being devout Catholics. This is evidenced through their high moral standards and strong family ties. A TRAVELER to Colombia will quickly notice the differences in customs and manners, but these are not hard to adapt to, and many times even fun. I'm grateful that I was able to live with a family for a whole summer so that I could go beyond the customs and find out how the people think and feel. The personalities of the members of my Colombian family are different from my own, but by living with them

NITA PARKER RIDES COLOMBIAN 'COCHE' . . . With her AFS "brother," Luis Tascon-Valderrama from day to day I found that basically we are the same. We have the same emotions and share the same tears, fears, joys and hopes in life. I REMEMBER one incident that first made me see how alike we really are. It happened soon after I arrived, and although my Spanish wasn't really great at the time, I understood everything perfectly. My Colombian mother got fed up with the messy closets in the girls' rooms and one day she announced fast and furiously (in Spanish) that no one could leave the house until the closets were cleaned. I thought back to the times when my own mother had used the same threats, and after that I settled back and felt at home. I think one of the main things my summer abroad helped me do was appreciate the things I had left at home—my family, my friends and my country. The big and little things that I had taken for granted now mean a lot more to me. I feel so lucky to live in America with all her freedom and opportunities. And I'm grateful to live in Dimmitt, where the people are so friendly and generous and where God draws us in blessings.

A PARKING PROBLEM developed at Dimmitt Airport Sunday morning as 68 planes on the Texas Air Tour landed here. But the pilots and four directors managed to get them all parked on the warmup pad, and the flying tourists from throughout the nation enjoyed a coffee-and-doughnut break near the main hangars. They were greeted by Chamber of Commerce directors, served food and drinks by the DHS cheerleaders, and officially welcomed by Mayor Elmer

Youts. Chamber President Jack Edwards explained the county's crops, irrigation and industry, and his figures on crop production here apparently impressed northern farmers on the tour. The pilots were issued City of Dimmitt maps and CoC brochures at Plainview earlier so they could "look the town over" while flying their holding patterns before landing here.

## City declares war on delinquent taxes

Dimmitt's city commission voted Monday night to go to court if necessary to collect more than \$53,000 in delinquent taxes. THE COMMISSION signed a contract with a firm of Amarillo tax attorneys to collect all taxes on real and personal property that were delinquent as of July 1. The attorneys are to locate the property owners, collect the back taxes without court action if possible, file delinquent tax claim suits if necessary, and arrange for sheriff's sales of property for back taxes when the owners won't pay. The city's war on back

taxes will get underway immediately. But because of the time required to locate some of the delinquent taxpayers and carry through with legal action, the campaign is expected to take two to three years. Commissioners voted to hire temporary tax clerks immediately to start compiling the list of delinquencies. THE NEED for collecting the back taxes came out in the recent city audit, when commissioners learned that the amount of delinquent taxes owed to the city had climbed to \$33,600 on real property and \$18,700 on personal property. The city's auditors and tax consultants reported that Dimmitt has a higher percentage of delinquent taxes than most other cities its size. Most of the back taxes are owed on abandoned residential property in the city. Helping spur the campaign was a recent request by a city homeowner for the commission to "do something" about an abandoned, unsightly home in his neighborhood. Commissioner J. R. Brown, noting that delinquent taxes were on record against the property, said the city could help solve the problem by filing a claim suit and ordering the property sold for back taxes if necessary. This action, he said, would probably result in the abandoned home being removed or remodeled. City Attorney Jack Edwards suggested the commission go after all delinquent property taxes, and retain a tax attorney to take the suits. He explained that most tax attorneys won't take individual suits on small tax claims. EDWARDS noted that the city's last major effort to collect delinquent taxes with a large number of lawsuits was in 1953. Monday night the city contracted with the Amarillo firm of Perdue, Brandon, Blair, Shiever & Fielder, which also is doing delinquent-tax work for the City of Hart, the Hart

Starting our 50th year of service!

50th Year — No. 1 Dimmitt, Texas, Thursday, October 7, 1976 22 Pages

## Drive to kick off Tuesday

about dimmitt and castro county by b. m. n.

All we need now is more dry weather, preferably hot, so that the rest of the corn can be shucked, shelled and delivered to the storage bins. Farmers say that the current market price, slightly over four dollars, is not enough to generate any profit and probably wouldn't pay the cost of production. That's a sad situation. The weather will have a lot to do with our economic situation, if it permits the harvest of the current crop farmers should at least be in position to make another crop.

DIVISION CHAIRMEN of the 1976 Dimmitt United Way campaign will be [from left] Bob Caddell, Special Gifts Division; Jack Edwards, Farm Division; Dr. W. J. Hill, Commercial Division; and Bill Behrends, Industrial Division. These four men, working with Campaign Chairman Jerry Marvin, will supervise teams of workers that will contact families, individuals, businesses, farmers and industries throughout the Dimmitt Independent School District. With a campaign goal of \$15,445.30, the United Way drive will kick off Tuesday morning and continue until Nov. 2.

The United Way campaign, seeking \$15,445.30 to benefit 11 organizations, will officially begin Tuesday in Dimmitt with a "Kickoff Breakfast" at 6:30 a.m. at the Colonial Inn Restaurant for all campaign workers. JERRY MARVIN, campaign chairman, announced that the chairmen for the four campaign divisions have been selected. Bill Behrends will head the Industrial Division, Dr. W. J. Hill will chair the Commercial Division, Jack Edwards will be in charge of the Farm Division, and Bob Caddell will organize the Special Gifts Division. The United Way is a local effort to raise funds for the participating organizations through one drive. It is designed to give all residents of the community an opportunity to contribute to the 11 participating organizations. "We are going to try to reach our residents through their places of employment," Marvin said. "Campaign pledge cards will be distributed to every person employed in Dimmitt through their employer." THE INDUSTRIAL Division, headed by Behrends, will be in charge of distributing United Way Pledge Cards to the employees of Dimmitt's largest business and industries. Behrends said that he will be responsible for contacting those firms with 15 or more employees. "We will simply contact the employer and seek his help in getting the pledge cards distributed to all employees of the firm," he said. The Commercial Division, chaired by Dr. Hill, will be responsible for [See DRIVE OPENS, Page 12]

The Republicans are probably getting tired of John Dean. The word should go out, "If Dean is around, close your trap." He blew the whistle on Richard Nixon and opened up the Watergate can of worms, then he happened to be the one that was listening in when Secretary of Agriculture Butz told a smutty joke. Dean passed the word and as a result Butz was forced to resign or get fired. Even though the alleged joke was too risqué to be printed in the news media it will probably show up on television before long. The incident may have a little effect on the upcoming election.

This is national 4-H Club Week, a week when deserved recognition is given to the efforts of the national organization, its leaders and members for the constructive training provided to the rural youth of America. Many of our civic and community leaders, as well as agricultural leaders, received their basic training as members of 4-H Clubs. A section of this issue of the News is devoted to pointing out the achievements of county and national 4-H Club programs and messages from a number of business institutions expressing congratulations and best wishes to the 4-H Clubs for their fine work.

**Slaughter new chief**  
David J. Slaughter, a deputy in the Castro County Sheriff's office the past two years, is Dimmitt's new police chief. He succeeds W. W. Jones, who has retired for health reasons after serving 21 years as police chief here. SLAUGHTER will begin his new duties next week. "I'm looking forward to the job and am glad to get the opportunity," he said. "We're going to do everything humanly possible to establish full cooperation with all other law enforcement agencies in the [See DIMMITT, Page 12]

## Spectators cause hospital crisis

A crowd of spectators almost caused one or more deaths Friday night at Plains Memorial Hospital. MOST OF the crowd was interested in the condition of four Dimmitt football players who were transferred to the hospital here after being injured in the Dimmitt-Tulia football game. The confusion occurred from 9:25 to 1 a.m. "We had a potentially dangerous situation created by spectators," Hospital Administrator Jack Newsom said. "We were just covered up by parents and interested spectators and no one would leave, although they were asked to." "We had a patient being prepared for surgery, a baby that had stopped breathing and a baby ready to be delivered, and our hospital personnel couldn't do their work," he said. "Hallways were crowded and people were even coming into the emergency room and operating room to ask about the condition of somebody else." FIVE PEOPLE were reported to be in the X-ray room with one of the football players and his father while the youth was being X-rayed, Newsom said. The X-ray room is off-limits to visitors. One person came into the emergency operating room while a woman was being pre-

## DHS Homecoming events underway

Homecoming football pitting the Dimmitt Bobcats against the Lockney Longhorns at 8 p.m. Friday, will climax Spirit Week in DHS, which is being observed with a variety of activities all week. ELECTIONS of Homecoming and Spirit royalty were held Tuesday, school halls were decorated Wednesday and a bonfire on the vacant lot across from the school gym is scheduled tonight (Thursday) as preliminaries to the big game. DHS juniors will sponsor a Homecoming Dance for students and exes after the game, in the west cafeteria of Helen Richardson Elementary School. The kickoff assembly for Spirit Week was held Monday morning, followed by a Career Education Survey. Students wore purple and white socks with no shoes to school Tuesday, which was "Sock It To 'Em Day" and there was a Booster Club meeting that evening.

## Calvin Petty funeral rites to be Friday

Funeral services for Calvin Petty, 55, will be conducted at 10 a.m. Friday in the First Baptist Church with Rev. John Street, pastor, officiating. Burial will be in the Castro Memorial Gardens under direction of Dennis Funeral Home. MR. PETTY died of an apparent heart attack at his home southeast of Dimmitt early Wednesday morning. A native of Quail, he had been a farmer in Castro County for 30 years. He married Connie Sue Sisson at Littlefield Nov. 21, 1945. Survivors include his wife; two daughters, Jeanne White of Dimmitt and Sherlon Dyer of Arlington; two sons, Dan and Arlie, both of Dimmitt; his mother, Mrs. W. J. Petty of Portales; three sisters, Evelyn Garrison of Amarillo, Juanell Newman of Clovis and Patsy Jones of Portales; three brothers, Grady of Sacramento, Calif., Byron of Seattle and Johnny of Alaska; and seven grandchildren.

## Busy weekend is on tap for Class of '56

The honor class at Dimmitt High School's 1976 Homecoming is the Class of 1956, which will host the Ex-Students' Reception Friday afternoon, then hold its own class events with a reception after the Homecoming football game that night and a steak dinner Saturday. ALL DHS exes are invited to the reception in the DHS home-making department immediately after the pep rally, which is scheduled at 3:10 p.m. in the school gym. The class reception Friday night will be held at the Castro County Country Club, and a steak dinner will begin at 6:30 p.m. Saturday at the same place. Members of the graduating class of 20 years ago are all especially invited to attend the Homecoming events and the class reunion. Those who still live in Dimmitt have made efforts to notify all the members who have moved away, inviting them to return for the occasion.

## Webb to head campaign here

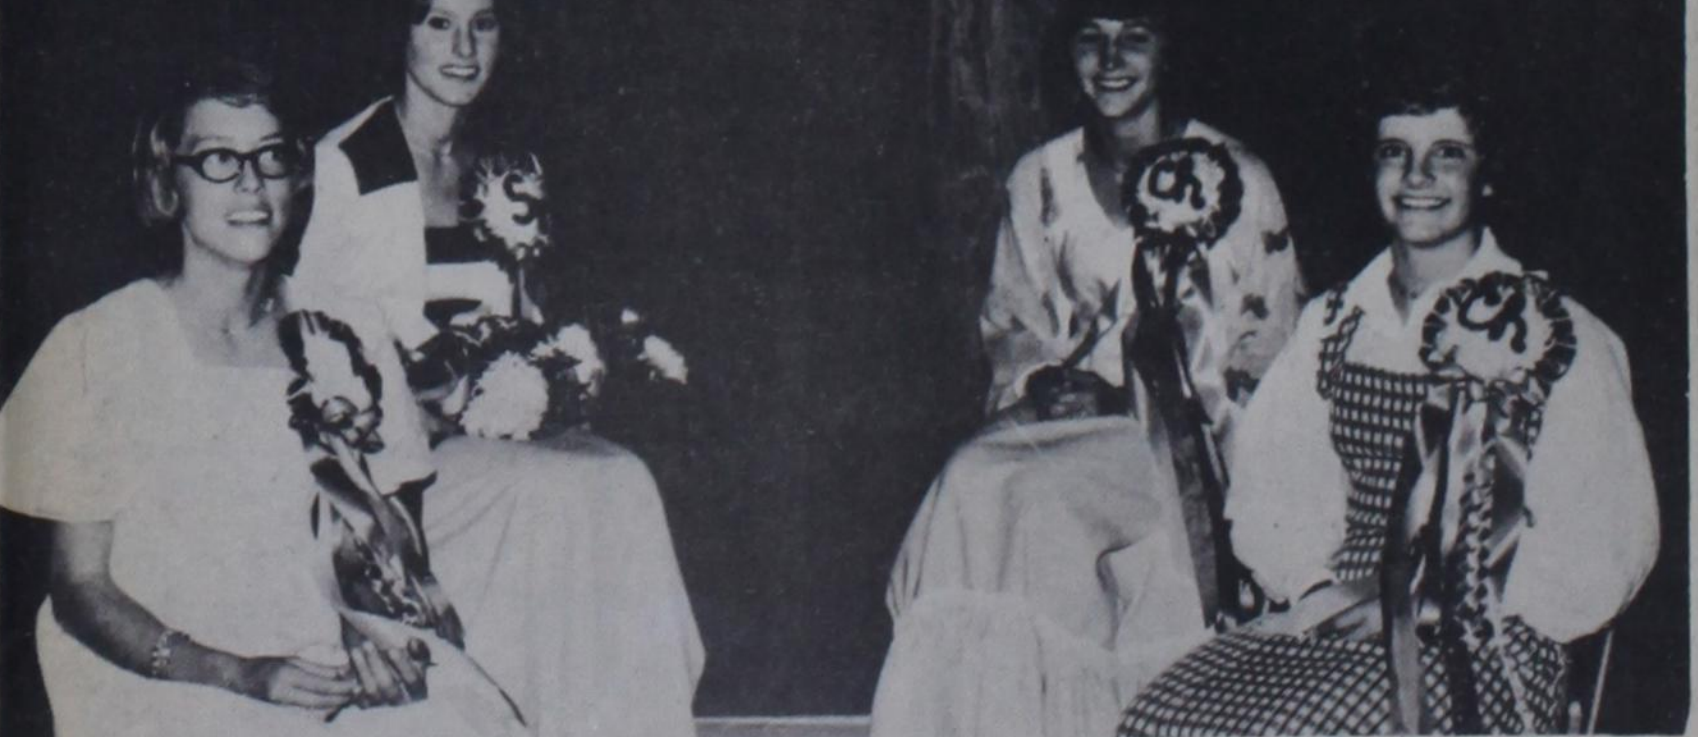

Congressman Alan Steelman of Dallas has named Allan Webb of Dimmitt to chair his Castro County campaign for the US Senate. WEBB has been involved in many civic and volunteer activities in Dimmitt, including serving as president of the Chamber of Commerce. "I feel strongly about the need to free our political system from the over-influence of big-money special interests, to return the reins of government to the average taxpayer and working person," Steelman said. "Thus the commitment of citizens like Allan Webb to this US Senate race is very encouraging." "I look forward to a successful outcome in Castro County in the November election," Steelman added.

## Gunshot victim's condition serious

Jesse Perez, 36, of Dimmitt was still in serious condition in Amarillo's Northwest Texas Hospital Wednesday morning after being shot accidentally Sunday. PEREZ received the gunshot wound in the abdomen from a .32 caliber pistol shortly after 3 p.m. Sunday at his home at 804 SW Third St.

## Gunshot victim's condition serious

HOMECOMING ROYALTY at Nazareth High School Friday night included [from left] freshman Doretta Ramaekers; Homecoming Queen Gail Kleman, a senior; junior Karen Schulte; and sophomore Glenda Gerber. Miss Kleman was crowned before the Swifts' Homecoming game against Whiteface, and she and her court had a special place of honor during the game. [Photo by Shelly Cross]

Sheffy's chatter

# Hundreds help Lanes celebrate golden anniversary

By MYRTLE SHEFFY

Deanne Clark and Stefanie Love went to Lubbock to hear the opera "Rigoletto." These are her impressions. The opera played to a full house Oct. 1 and 2. It was presented by the Texas Tech music department and although the cast was amateur the performance was a professional job. The man playing the part of Rigoletto was from Korea and was superb.

MR. AND MRS. Sam Lane tell us they had more than a hundred friends come to their golden wedding party at the Assembly of God Church fellowship hall Sunday afternoon. They received many gifts and a money tree. The table was beautiful with a lace cloth and fall colored flowers and a big caramel cake served by the granddaughters. Mrs. William Summers and members of the church helped with hostess duties. The Lane children were hosts and hostesses. They are Jim Lane from Wilson, Bill from Lubbock, Charlie from the home, Rosanell and R. T. Rains from Monahans, Roy and Frances Young from Oklahoma City and Carolyn and Jerry Don Lance of Summerfield.

Richard and Trudy Jackson and little Jason spent the weekend in El Paso visiting her sister Gail and Jim Ratcliff and children. I hear the Jim Ratcliffs are moving to Houston soon.

MRS. J. T. Gilbert of Child-

ress spent a few days here with her daughter Kathy and John Cook.

Mrs. Norris of Roscoe was also a visitor in town with her daughter Kathryn and Bill Birdwell and Jim.

Connie Nelson came home from Tech to visit her folks Don and Verbie and the grands B. M. and Viola.

Deanne Clark has come home from a trip to California where she joined the family for a reunion. She and her parents of El Paso went by car and visited other relatives en route to California. Much fun visiting.

My guests Sunday were W. A. Sikes of Slaton, his daughter Terri Sikes of Hart, I told you she teaches science in the high school there, and Johnny and Janie Vick came by for coffee and brownies, as did Ruth Jackson, her grandbabies John Fuller and Tommie Bills of Earth and Mrs. Fannie Mahon from South Hills Manor.

MR. AND MRS. Melvin Bray of Lubbock were Friday guests of Earl and Mabel Brock. Melvin and Mabel are twin brother and sister. The Brocks are still talking about their wedding anniversary reception and all the lovely gifts they received.

Jerry and Gail Ward and children Susanne and Curtis went to Lubbock to see the fair. The Wards are my neighbors to the southwest.

Helen Richardson and Elizabeth Huckabay spent a few days at Aspen, Colo. That is the big ski resort.

Mona Merritt and daughter Deanne went to Stratford to visit her son Brock and Susan and the baby Brian, and to take gifts to Susan for her birthday.

The Dunn Brothers from Big Spring and Littlefield and the Phillips from Muleshoe, Dutch LaRue and Mrs. Gene Ivey at the piano and also Frances made music at South Hills Manor Saturday evening. Coming up to hear the band and to have supper with the group were Verna Marshall from Pensacola, Fla., Bettie Ann Dohlgemuth and Eddie from Austin and Gene's sister Lucile Hicks of Littlefield.

MR. AND MRS. H. A. Speer of Hereford observed their 50th wedding anniversary Sept. 29. Mrs. Speer is in South Hills Manor in Dimmitt.

Kin coming for the occasion had supper at K-Bob's Steak House Saturday evening. They were Mr. and Mrs. Don Speer and Max, Mr. and Mrs. Kelly Speer, all of Odessa; Mr. and Mrs. Billie Dean Speer and Jeff of Richardson; Daune Speer of Fort Worth, Mrs. M. R. Speer of Loving, Karen Birdwell of Lubbock, Mr. and Mrs. Kent Birdwell and Kelly, Mr. and Mrs. Harlin Dodd and Mayme

Birdwell, all of Dimmitt.

The past week visitors of Myrtle Williams were her sister Winnie McLain of Dallas, her son Glenn Williams and wife Lucille from Afton, Okla., nephews Wayland Fullingim and wife Loyce from Albuquerque, N.M., Thomas Fullingim and wife Gladys from Tucumcari, N.M. On Saturday they had a continued reunion with relatives in Amarillo that came from California, Tennessee and different areas of Texas. All returned to their homes Monday after an enjoyable time spent together.

JERRY AND Susan Hanners and Jennifer spent Sunday in Spearman with his folks and a sister and family came up from Houston. You remember Jerry is the boss man out at KDHN. Jo Behrends will do a program on treating flowers for winter bouquets and dried materials at Bethel HD Club this Wednesday. And I will go with her to see it well done.

Rachel Hunter and son Richard Hunter were in Springer, N.M. last week visiting her brother Marques Burks and seeing about the Hunter cows.

Mrs. L. W. Follis visited her relatives in Fort Worth, her mother and brother Charles and Bessie Woodard and son Luther and family.

Ten Dimmitt ladies went to the home tour in Hereford Friday. The Garden Club of Hereford was sponsor and hostess. We and hundreds of folks went first to see Nancy Hays and her new house on North Texas, then to the big big Warner house, on out west to the

McGee house. That was a fun afternoon seeing our friends and neighbors.

MR. AND MRS. W. T. Autry and her kin Mr. and Mrs. Irvin Redker from Fredrick, Okla. went with James and Joyce Autry of Rocky Ford to Gunnison, Colo. to do some fishing, but they were a day late because Monarch Pass near Salida was snowbound. Finally got to the lake, caught enough to eat each day, but the weather was too cold for the fish to bite. En route home they stopped at a Dalhart cafe and saw Floyd and Nell Copeland. They were headed out for Salida to visit friends Elvis and Ginny Burch.

The Beta Sigma Phi sorority was hostess to a big Harvest Hoedown at the Cotton Compress Saturday evening. Probably 300 people enjoyed dancing to the music of Tiny Lynn and his band. Mrs. Jack Edwards is president of the group and a few of her party helpers were Jerri Butler, Pat Braafadt, Beverly Lindsey and others.

Kent and Beverly Lindsey and baby have bought and moved into the Dale Fowler house at 1007 Pine Street. The Fowlers have moved to Amarillo.

COWBOY and Jeanie Johnson were hosts at a birthday dinner last Sunday for her dad. Quite a group of relatives came. Here they are: Mr. and Mrs. Carl Pittman of Clarendon, Keith and Mona Pittman and children of Amarillo, Oscar Johnson of here, Jaci and

Butch Holcomb and baby Brandi of Earth, nephew Kiven Jordan of Amarillo and Monte Johnson. Monte has been in the Plainview Hospital for corrective surgery. He is okay again.

Lyn Sanders and daughters Ami and Libbi of Amarillo spent the weekend with her parents Herb and Dorothy Mayfield. Marla and Waldo are planning a December wedding.

Mr. and Mrs. Eliseo Sauseda and family have moved here from Earth. He is a farmer and son Baldomero is working at Walt's Super Market and is a junior in high school.

MRS. JANET Mann and daughters Jerri and Juli spend the weekend in Dumas attending Janet's school homecoming and visiting friends and relatives. Mrs. Mann is a school teacher here.

John and Kathy Cook went to Childress last weekend, her home town. They visited her classmates from Clarendon Junior College, Debra Scott whose home is Crowell and Karla Lewis from Texas Tech.

J. R. and Henrietta Nazworth are home from a jet trip to Lakeland, Fla., where they visited her sister Joyce Brown and all attended the wedding of

Henrietta's grandson Ronald Brown and Doralee Stebbins at the Presbyterian Church. This was last weekend. They didn't take time for side tours this time.

Vera Webb and her sister Juanita Blaine of Plainview went to Denver, Colo. to visit Vera's daughter Mary Jean and Floyd Copeland.

I hear Peggy Webb is fine from her recent surgery. Many of our friends were in the hospital last week, Alma Umberson and Clint Cox.

REBA Touchstone was hostess at a luncheon Thursday at the Hereford Country Club with bridge in the afternoon. Her guests were Maxine Tidwell, Helen McLean, Ceal Cariile, Ann Carpenter, Edna Riley, Virginia Gilbreath, who won high score, and Jeanie Miller, who also had a high score.

The Friday bridge group met at the Dimmitt Country Club with Dorothy Elder as hostess. She served a good fruity nut cake, coffee and punch with Mrs. Glenn's hamburgers to Bernice Hill, Bobbie Damron, Marge Cleavinger, Jeanie

Johnson, Cletha George, Rosalie Gilbreath, Opal Bearden. Myrtle Sheffy filled in after lunch and high score winners were Bobbie and Rosalie. Jeanie says tell you she showed third.

Tiny Lynn and his band had supper at K-Bob's and Robbin Short says they made music here Saturday night. Tiny Lynn does country and western type music.

MAX AND Irene Keating and daughter were hosts Sunday to their families for a get together dinner. Max's parents Max and Greta Keating from Olton, Irene's parents August and Nellie Albrecht of Tulsa, sister Nell and Gary Evans and son Will from Gruver (Nell and Irene are twins) and a niece Becky Albrecht of Amarillo.

Did you hear about the new little daughter that came to Bob and Sue Caddell Saturday? Well, now you hear. They have another little 2-year-old girl. Irene Keating, Beral Hance, Ruth Carter and Mary Edna Hendrix were among the many Dimmitt ladies going to Hereford for the home tour Friday.

### NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

Notice is hereby given that Atmospherics Incorporated, 5652 East Dayton Ave., Fresno, Calif. 93727, who holds License No. 76-1 (issued Sept. 1975) of the State of Texas, intends to engage in an operation to change or attempt to change by artificial methods, the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere, for and on behalf of Better Weather Incorporated, located at Littlefield, Texas, and will conduct a program of weather modification designed to augment useful precipitation and decrease damaging hailfall and will not significantly dissipate the clouds and prevent their natural course of developing rain in the area where the operation is to be conducted to the material detriment of persons or property in that area as follows:

1. The area over, or within which, equipment may be operated, shall include portions of the counties of Deaf Smith, Randall, Parmer, Castro, Swisher, Bailey, Lamb, Hale, Cochran, Hockley, and Lubbock.

2. The target area, within which rainfall augmentation and hailfall suppression is intended to occur, can be described as follows: "The boundary of the target area shall be a line beginning at a point of origin at Littlefield, Lamb County, Texas, and running northwest along Highway 84 to its intersection with Rl. 37 near Amherst; thence, due west on Rl. 37 to its intersection with Rl. 303; thence due north on Rl. 303 to Sulian; thence northwesterly on Highway 84 to its intersection with the 1760 approximately two miles northwest of Muleshoe; thence due north to Rl. 145 in Parmer County; thence due east to Lazbudie; thence due north on Rl. 145 to Rl. 86; thence due east to the western border of Castro County; thence due north along the western border of Castro County to the southern border of

Deaf Smith County; thence due east along the northern border of Castro County to Rl. 168; thence due south along Rl. 168 to its intersection with Rl. 1075; thence due east along Rl. 1075 to its intersection with Rl. 1424 in Swisher County; thence due south along Rl. 1424 through Elmton to its intersection with Highway 87 near Hale Center; thence southerly along Highway 87 to Aberrath; thence westerly along the southern boundary of Hale County to the southeast corner of Lamb County; thence four miles south along the eastern boundary of Hockley County; thence due west to Rl. 168 south of Anton; thence northwest to a point three miles east of Highway 385; thence north to a point on Highway 84; thence northwest along Highway 84 to the point of origin at Littlefield.

3. As near as can be determined, the effects of the operation will be confined to the described target area.

4. The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,500 sq. miles, include a 5 cm radar system, cloud seeding aircraft, and the aerial application of silver iodide in an appropriate manner for the artificial nucleation of clouds and weather systems.

5. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.

6. The program may be operational throughout the four year period from 1 November 1976 through 31 October 1980.

7. Individuals, organizations, or agencies who consider that their interests will be adversely affected by the operation proposed, may file a formal protest for consideration by the Texas Board, P.O. Box 19087, Capitol Station, Austin, Texas, 78711.

*Time to Pray...*

Life can be so full and active . . . There are the school hours, time for study, and for a growing child there must be recreation. Also a time for eating is necessary, and a time to be with the family. One of the most needed times is *to be with God in prayer*. There are times that we should give thanks to God for our food, and times to seek his guidance and watch-care, and there are times to pray with others. This we can do by attending church.

### First Christian slates evangelistic services

The First Christian Church will hold a series of evangelistic meetings Oct. 11 through 15, with services at 7:30 each evening, Roy E. Barringer, minister, announces.

THOMAS P. Jones, minister of the Oakdale Christian Church in Amarillo, will be the speaker for the five nights. Each service will emphasize the home and family and its relationship to the family of God, Barringer said.

The guest speaker served five years as minister of Washington Avenue Christian Church in Amarillo, three years in Wichita Falls and five years in Colorado Springs.

He also worked three years in the mission field in Africa and helped establish a Christian Church in Malawi.

He is a US Navy veteran and

**Thomas P. Jones** a graduate of Ozark Bible College in Joplin, Mo.

### Rotarians hear report on gas-price hearings

Testimony they gave to a congressional subcommittee in a recent hearing on unregulated gas prices was reviewed by Carl King and Ray Joe Riley as guest speakers to the Dimmitt Rotary Club Friday.

KING cited figures on the rising cost of farm production and the dropping prices of farm products, which he said are forcing farmers to operate at a loss this year.

"If farmers are forced out of business—just those in the Plains irrigation belt—food and fiber will soon be in short supply and prices will rise sharply on whatever is available," King said. "Not only the farmer, but the whole country will be hurt then."

Concerning costs, King said the Dimmitt men told the committee that inflation affects the farmer as well as everyone else, but that the price of gas for irrigation has risen far beyond the average rate of inflation.

"WE TOLD them we don't want to starve anybody, don't want to ruin the oil industry and don't want a guaranteed profit, but we feel that farmers should have some support in growing and selling their crops so prices will at least meet the cost of production," King said.

Riley pointed out that practically all industries and businesses are regulated in some way by government. "All of you men here must have licenses or meet certain regulations set by some branch of government, but irrigation gas costs in Texas are totally unregulated," he said.

Riley said that fact was brought out in the hearing, and "I told them I'd rather be regulated by Americans than by Arabs; now all of us who use products of the oil industry in any form are under Arab regulation."

THE DIMMITT men were

told that their testimony impressed the subcommittee and will be considered when a decision on the hearings is reached, and "I feel that better things are ahead," King concluded.

Club members planned 100 percent attendance of Rotarians, with a number of guests, at the annual intercity meeting hosted by the Lubbock Rotary Club Oct. 21. Dr. Frank Pollard of Jackson, Miss., who was founding president of the Dimmitt Club, will be the speaker.

### United Way goals vary among towns

United Way goals for cities near Dimmitt show a variation from \$10,325 at Friona to \$18,800 at Tulia, both of comparable size with Dimmitt, which last week fixed its 1976-77 goal at \$15,445.30

FIGURES are shown in a report from the Texas United Community Service as of Sept. 22.

Hereford, which has a population about three times that of Dimmitt, has set its goal at \$102,274 after raising \$59,600 in the 1975-76 campaign last fall. The hike is largely to support an effort to establish a YMCA in that community.

Another West Texas city, Vernon, with approximately 12,000 population, announced a goal of \$70,480, almost twice the amount raised for the 1975-76 year.

DIMMITT'S goal was increased from last year's, with the addition of five new agencies to share in the 1976-77 fund—a total of 11 agencies. Last fall the United Way surpassed its \$10,000 goal.

Friona raised \$11,238 last year and Tulia \$18,800, the same amount as its current goal.

OCCASIONALLY you can make someone else happy by just leaving him alone.

**15-LEGAL NOTICES**  
**PUBLIC HEARING NOTICE**  
Goodpasture, Inc., P.O. Box 1008, Dimmitt, Texas 79027, has applied to the Texas Water Quality Board for a permit for a discharge not to exceed an average flow of 100,000 gallons per day of industrial wastewater effluent (cooling tower blowdown, boiler blowdown, wash down wastewater) from the chemical fertilizer plant which is located adjacent to State Highway 194, approximately one and one-half (1 1/2) miles southeast of Dimmitt, Castro County, Texas.

It is proposed that the treated industrial wastewater effluent will be discharged into an isolated pond (playa) and utilized for irrigation. No discharge to the surface waters of the State is proposed. A Hearing Commission of the Texas Water Quality Board will hold a public hearing on this application which has been fixed for 1:00 p.m.-November 3, 1976 Conference Room C Municipal Building 509 E. 7th Avenue Amarillo, Texas Hearing Authority: Sections 21.073 and 21.080 of the "Texas Water Code; and Rules 130.01.50 and 130.01.52 of the "Rules of Practice and Procedure" of the Texas Water Quality Board. The record of this proceeding will include evidence taken at the Public Hearing as well as information in the official files of the Board.

The hearing may be continued from time to time and place to place, if necessary, to develop all relevant evidence bearing on the subject of the hearing. Further information concerning any aspect of the discharge, if available, may be obtained by writing Jack Cox, Hearings Division, Texas Water Quality Board, P. O. Box 13246, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7856. 15-1-1tc

HELENE McFARLAND GIVES PAINTING TIPS TO GEORGIE HENDERSON . . . At left: Nora May Newsom, another student in Senior Citizens' art class

# Senior center launches courses

Dimmitt's Senior Citizens' Center is fast becoming a learning center, with classes available in a wide range of arts and crafts. OIL painting and varied

handcrafts are being taught in half a dozen classes now underway at the center here. Two of the courses started this week. All instructors are donating their time.

Senior Citizens Inc., a Dimmitt United Way agency, now has 100 members enrolled and an activity program to keep them all busy. Mary Acker is the director.

Membership in the association is open to anyone 50 or older.

Helene McFarland is teaching a class in oil painting, with seven enrolled.

A class in needlepoint, with Mona Merritt as instructor, started Monday. A ceramics class, taught by Glenna Polson, began Tuesday.

There are also weekly classes in macrame, taught by Charlotte Acker, and latch-hook work on pillow-tops and rugs, with Mary Acker as the teacher.

Also, work sessions for members to re-finish furniture for the center started Friday. This is not a formal class but a "learn by doing" excursion, Mrs. Acker said. The furniture has been donated or picked up at bargain stores and garage sales, and will be used to furnish the former American Legion Hall, which has become the Senior Citizens' Center.

Hobby items of all types are being made at the center—

quilts, ceramic pieces and decorative accessories—and will be sold there. A member who is skilled at woodworking is building a large display case to show them.

Game night is each Tuesday at 7:30 p.m., for dominoes and other table games, and visiting. One night a month the members have a covered dish supper. The center is open from 10 a.m. to noon and 1 to 5 p.m. Mondays through Fridays.

Senior Citizens of Dimmitt, Inc., is one of 11 organizations that will benefit from the 1976 United Way campaign here. The United Way will try to raise \$2,000 for the Senior Citizens—the full amount requested by the officers of the organization.

"This still leaves us lacking about \$5,000 to meet our planned expenses for the coming year, but we were afraid to ask for any more," Mrs. Acker said.

The group hopes to buy the building which they are renting, and make it a permanent headquarters to serve older residents of the entire county.

## Church to host students after Friday's game

First Baptist Church will sponsor an after-game fellowship hour for high school students after the Homecoming football game Friday night. GARY BOND and a group from the Baptist Student Union at Texas Tech in Lubbock will be here to entertain. Longhorn stew will be served. All high school students are invited to meet at the church immediately following the game. IN A MIRROR, everyone sees his best friend.

# LOST HEAT BITES THE DUST

When you buck Lost Heat... you save money on heating bills. The best way is with an electric heat pump. The heat pump is an electric heating system that squeezes warmth from outside air even at very cold temperatures. The electric heat pump is the most efficient way to have clean, modern heating and also save energy. And when you save energy, you save money. Call the Electric Company for complete information on the heat pump.

## Castro County Country Club

The Flubber-Dubber tournament which the Ladies Golf Association has staged the past few weeks on play-day, came to an end and the Dubber team was declared winner at the luncheon Sept. 28.

HOWEVER, they felt much like losers when the Flubber team came calling in the early morning hours Saturday, aroused the winning members out of their beds and carted them off to the Country Club for a "come-as-you-are" breakfast.

The losing Flubbers prepared a very tasty breakfast and served it to the disarrayed, sleepy-eyed and grumbling Dubbers. Bessie Elder turned out to be the only lucky winner as she was up and dressed for work by the time her abductors arrived at her house.

Flubber members kidnaping and preparing breakfast were Bobby George, Anita Adams, Marge Cleavinger, Amy Glover, Shirley Underwood, Maxine Childers and Ginny Lapins.

DISARRAYED Dubbers present were Bernice Hill, Kathy Thomas, Neva Hickey, Joyce Rickerd, Jo Hamilton, Dolores Baldrige, Lucille Dollar, Patty Summers, Joan Thrasher, Polly Holland and Mozelle Lilley.

Those members having to miss this occasion missed a very good breakfast and a lot of laughs.

Pro Bill Glenn came by and offered free golf to those who might like to play, dressed-as-you-are.

**Too late to classify**

**THE NEW WESTERN AUTO STORE** launched its grand opening Thursday morning with a ribbon-cutting attended by city and Chamber of Commerce officials and Western Auto regional representatives. Here, owners Louise and Walter Spinhirne hold the ribbon while their daughter-in-law, Sharon, does the honors with the scissors. Behind them are Mayor Elmer Youts and Mike Spinhirne. In left back-

ground are Chamber Directors Bob Caddell, Jerry Marvin, Bob Anthony and Jack Edwards. In right background are Margaret Shields and her husband Bob, who is territorial sales manager for Western Auto, and W. J. Rood, territorial credit manager. Western Auto's grand opening will continue through Saturday.

**On Wall Street**  
By Bob Hill  
A. G. Edwards & Sons, Inc.

The five day, 40 hour work week became the standard for industry and business back in the 1930s. Since that time, reducing the number of work hours below 40 a week has not been a problem, until recently, that is.

THE UNITED Auto Workers in their negotiations with, and the subsequent strike against, Ford Motor Company has made the reduction in the work week a key issue, which in turn makes it a key issue for the rest of the country.

Ford offers additional time off but as a reward for good job attendance. Ford has one of the highest absentee rates in the auto industry. On any given day, absenteeism at Ford runs an average of 5%.

The four day week is a popular idea with workers and a number of companies have used it as a means of increasing productivity. I talked about this in an earlier article. But the four day week now being tested is still a 40 hour week. Workers merely put in 10 hours a day in order to get a three day weekend.

THE UAW isn't pushing for less than a 40 hour week, but industry still fears the trend, convinced that what the UAW gets from the auto industry is soon to be standard in all US industry.

The outcome of the shorter work week isn't clear. Experts differ as to whether it will increase the number of jobs or merely preserve existing ones. The UAW has always been opposed to the loss of jobs through automation, but has not fought automation by demanding rigid work rules as have other unions.

Consequently, the auto industry has decreased the number of hours of labor per car by an impressive margin over the past 20 years. The growth in productivity in the auto industry is substantially higher than for the entire economy over the past 20 years. The UAW estimates that productivity in the industry will increase 47% by 1990, but the number of workers employed in the auto industry will rise only 5% in the same period.

**ANOTHER NEW STORE** officially opened for business last Thursday with a ribbon-cutting for Dimmitt Appliance Center, owned and operated by Jim and Ellen Hrabal. Here, Chamber of Commerce President Jack Edwards (left) and Mayor Elmer Youts hold the ribbon while Mrs. Hrabal wields the scissors. Others, from left, are Chamber Directors Bob Caddell, Bill Clark, Bob Anthony and Jerry Marvin; Bill Doyle, regional sales counselor for General Electric; and Hrabal. Located at 317 N. Broadway, Dimmitt Appliance Center is a franchised GE dealer and specializes in repair of all brands of major appliances.

**Leasing a Zimmatic could be a turning point for your farm.**  
Look at it this way. You don't have to buy a Zimmatic to get the most out of your land. We can arrange for you to lease one direct from Lindsay through their new Lindsay Credit Corporation. That way you shouldn't have to dip into capital or tap your regular line of credit. Lindsay provides the financing and the Zimmatic should make payments out of higher yields. Pay you a good return, to boot.  
Because Lindsay owns the lease company, they set the right kind of terms. Build in features you need. Add extra flexibility because agriculture's not like other industry. It's seasonal. Special. And that calls for a special lease plan. Which is what Lindsay offers.  
But the best part of this lease—you get a Zimmatic. Complete with exclusive Uni-Knuckle and flex system to ease stress on the line. Heavy-duty gearboxes. Micro-switch alignment control. External collector ring and electric control panel with pivot and tower read-out meters. Hot-dip galvanizing . . . all the other features that make Zimmatic an idea leader in center pivot irrigation.  
We can answer your questions on Lindsay lease plans, handle all details in our office on a single call. Stop in . . . it could mark a turning point for your farm.

**TOP SHOOTERS**—These two Dimmitt shotgunners placed 1-2 in the recent Hereford Gun Club trophy shoot. Johnny Stanford (left) took top honors by firing 90/100, while Lynn West placed second, just one bird behind Stanford at 89/100. Third place was captured by Gene Combs of Hereford, 87/100. Eleven top trap shooters from the area competed in the Hereford event.

### Here's Hart's school menu

HERE ARE the school lunch menus for Hart Schools for Oct. 11-15.

**MONDAY** — Chicken pot pie, mixed vegetables, tossed salad, spiced apples, milk.

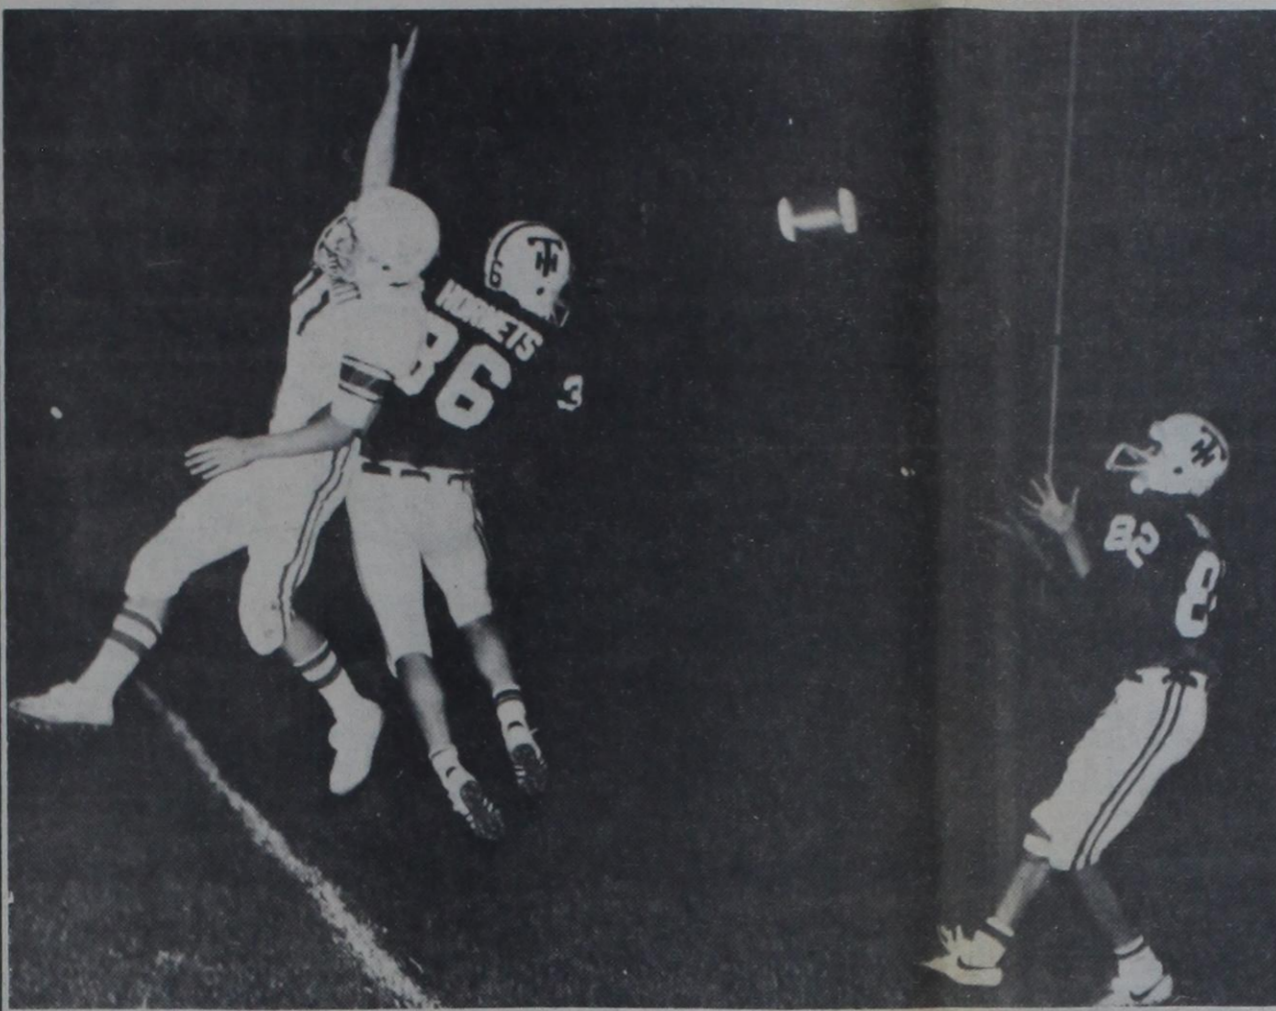

**TUESDAY** — Sloppy Joes on homemade buns, Mexican beans, coleslaw, apricots, milk.

**WEDNESDAY** — Salmon patties, yeast rolls, mashed potatoes, June peas, peach cobbler, butter, milk.

**THURSDAY** — Corndogs with mustard, northern beans, tossed salad, chocolate chip cookies, milk.

**FRIDAY** — Ham, dinner rolls, candied yams, green beans, oatmeal cake, butter, milk.

LET ME assert my firm belief that the only thing we have to fear is fear itself.  
—Roosevelt

**FOILED**—Tulia safety Joe Garza [82] gathers in a Dimmitt pass in the Hornets' end zone after it goes over the outstretched arms of intended receiver Brad DuLaney and Hornet defender Jerry Williams [36] in Friday night's game at Tulia. The interception thwarted a fourth-down scoring attempt by the Bobcats in the second quarter. However, the Cats pounced on a Tulia fumble on the next play and carried the ball into the end zone to take a 7-6 lead with 1:18 remaining in the half. Tulia came back with a TD and two-point conversion in the third quarter to earn a 14-7 victory.

### ASCS News

## ASC committeemen election date set

By CHARLEY E. HILL  
County Executive Director

The ASC election of Community Committeemen will be held Dec. 6. Ballots will be mailed to eligible voters about 10 days before election.

**DISASTER** acreage—feed grain or cotton acreage that fails or makes a low yield due to a natural disaster might be eligible for disaster payment. If you feel that you have possibly had a loss, please come by and let us figure it for you.

If you have feed grain or cotton acreage that fails and will not be harvested for grain or lint, then the acreage must

be appraised before plowing, grazing, baling or making any other use of the land.

If you harvest the crop for grain or lint and it makes a low yield, you must report the low production to this office within 15 days after harvest of the crop and before the stubble is destroyed, in order for disaster payment consideration.

You must keep separate production for each farm.

The 1976 disaster factors for Castro County are: Cotton .5192; Corn .4974; Grain Sorghum .5892 and Wheat .6667.

**FOR SALE**—Sealed bids will be accepted at the Castro

County ASCS office through Oct. 5 for two insulated 5-drawer filing cabinets. These filing cabinets may be inspected at anytime during working hours in the office. Bids will be opened by the County Committee Oct. 6 at 9:30 A.M. in the Castro County ASCS Office.

**HOLIDAYS:** The Castro County ASCS office will be closed on Oct. 11 in observance of Columbus Day and Oct. 25 in observance of Veterans' Day.

**THOUGHT:** The people who give up smoking usually substitute something for it... like bragging.

**IN BUYING** poultry, remember fat adds extra flavor—but also extra calories, points out Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.

## 'Christians' Hour' aired on KDHN

The First Christian Church, of which Roy E. Barringer is minister, has joined in the nationwide broadcast, "The Christians' Hour," New Testament Christianity on the air. The program is heard at 8:35 each Sunday morning over Station KDHN, 1470.

Ohio, in March 1943. A group of Christian ministers and businessmen felt that the various denominational programs were confusing, and that one which gave an unbiased presentation of the Bible message (particularly that of the New Testament) was needed.

Church of Cincinnati is president.

The cost of making and shipping transcriptions, of paying for time on the air where such payment is required, and the other expenses of the enterprise, are met by contributions from individuals and churches interested in this type of missionary work.

"THE Christians' Hour" broadcast has been on the air continuously since 1943. During that time, the number of stations has steadily increased until it is now heard over 78 station outlets from coast to coast.

**OTHERS**, learning of the program, asked for transcriptions. These were supplied. This demand for transcriptions of the "Christians' Hour" program has continued through the years.

The program is non-denominational in nature, Barringer said, and is not sponsored by any denomination or any religious or business agency of any kind.

The committee in charge still meets in Cincinnati, although representative Christian men from elsewhere have been added. The radio preacher is Ard Hoven, minister of the First Christian Church of Columbus, Ind. Hugh Sensibaugh, minister of the Lockland Christian

It first went on the air over a local radio station in Cincinnati,

### BOOSTER CLUB FOOTBALL CONTEST

#### CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$2.50 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of the winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

#### PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. GRAND PRIZE for the season will be 2 tickets to the Cotton Bowl Game. There will be no second place grand prize this year. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winner.

# Frio Church has new pastor

By MRS. OWEN ANDREWS

Rev. Johnny Tims has accepted the invitation of Frio Baptist Church to become pastor here. He plans to be here Sunday, Oct. 10, but said it would be about a month before the family could move here. The Tims live at McCamey. Mrs. Tims is the former Pearl Baird, daughter of the E. O. Bairds of Westway. The couple has four children, Steve, 15, Tammy, 12, Veldon, 7, and Trena, 5. They pastored at Lazbuddie for some time before

going to Casper, Wyo., and since to McCamey. Tims is a native of the McCamey country and Mrs. Tims grew up in the Floydada area.

HERE TO visit her daughter Mrs. Bobby Kendrick, Mr. Kendrick and family is Mrs. Lois Maness of St. Louis. The Kendricks met her at the Amarillo Airport Wednesday.

Mrs. B. H. Baldwin received word Sunday morning of the death of her brother-in-law, Porter Baldwin, of Lake Elsinore, Calif. Mrs. Baldwin and some of her children had visited with the Porter Baldwins and also others of the Baldwin relatives last summer when they met for a community reunion near Pie Town, N.M. The Porter Baldwins lived at Pie Town when Rev. and Mrs. Baldwin lived there during the '30s.

Mrs. J. E. Warrick returned home this week from several days stay with her mother Mrs. S. J. Tipton of Stuart, Okla. and others of her relatives. Mrs. Tipton is in very frail health.

GUEST speaker at Frio Sunday was Bill Frazier of Hereford. Mrs. Frazier accompanied him to services both times. They, the M. L. Simpsons and Dick Hills all had lunch with the Ronnie Andrews.

Friends of Rev. R. L. Shannon, former pastor at Frio, will be interested to know that he is now able to be at his home in Amarillo after almost a month in High Plains Baptist Hospital. Rev. Shannon suffered a fall Sept. 2, crushing a hip joint and cracking a vertebra. He has responded well to surgery and the recovery period. Rev. Shannon is 80 years of age.

FRIO Homemakers Club met Tuesday at 1 p.m. for a luncheon at the Pioneer Flame Room in Hereford. The meeting marked the beginning of the new club year, and the new president Mrs. D. F. Yandell was in charge. Other officers include Mrs. Eldon Fortenberry, vice president, Mrs. J. E. Warrick, secretary, Mrs. E. F. Vogler, consumer buyer and Mrs. Owen Andrews, reporter. New year books were given out by the committee chairman Mrs. Jerry Richardson. Old time fashions were worn by some of the members and were the subject of conversation and reminiscing. Those attending the meeting included Mmes. Yandell, Fortenberry, Andrews, Richardson, Frank Robbins, T. L. Sparkman Jr., Harlan Barber, Eugene Baldwin, Weldon Stephan, E. F. Vogler, and Annie Springer.

Elmer Jones underwent surgery at Northwest Texas Hospital the first of the week and was improving well a couple of days afterward.

# King, Ross to head Carter's campaign here

Jimmy Carter campaign leadership posts in Castro County were announced this week through the Democratic

nominee's state headquarters. CARL KING and Jimmy Ross were named to co-chair the Carter presidential effort, ac-

ording to Chuck Parrish, Texas Carter coordinator. "These Democrats are now linked up to a statewide effort

that will end in a winning landslide vote for Jimmy Carter," Parrish said. Bob Armstrong, state land commissioner, and Calvin Guest, Texas Democratic Party

chairman, co-chair the Carter/Mondale campaign at the state level. King, county Democratic chairman and SDEC member, is a farmer, and Ross is an attorney. Both men live in

Dimmitt. PARISH added that Carter campaign leadership at county levels through the state had developed into the strongest and largest of any recent presidential campaign.

# Former Dimmitt resident dies

Joint funeral services for Earnest Arnold, 79, of Truth or Consequences, N.M., a former Dimmitt resident, and his mother, Mrs. Ida Frances Arnold, 96, of Spur, were conducted Monday in the First Baptist Church at Spur.

THE TWO died from unrelated causes, Arnold Friday afternoon in New Mexico and his mother Saturday evening in a Crosbyton hospital. Burial was in the Spur Cemetery.

Mrs. Arnold, who had lived in Dickens County since 1908, is survived by two daughters, three sons, 33 grandchildren, 93 great-grandchildren and 47 great-great-grandchildren.

Earnest Arnold and two of his sons, Lilburn and Odell, formerly lived in Dimmitt. He grew up in Dickens and Kent Counties and made his home in Truth or Consequences for 30 years. He was a farmer.

Survivors include two daughters, Hazel Kepler of Amarillo and Viola Dunigan of Magnolia; three sons, Odell of Stratford, Lilburn of Bellville, Ark. and Joe of Kermit; two sisters and three brothers, 19 grandchildren and 15 great-grandchildren.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

OCT. 8 - Randy and Laura Small, Leo and Lynn Ehly.  
OCT. 11 - Mr. and Mrs. Ed Gerber.

INTEGRITY of the self is the main source of strength in the individual. To be untrue to oneself, dishonest, or insincere may result in self-impairment. -Moustakas

# Kenworthy, Perez won't play Friday

Tommy Kenworthy and Louis Perez will not see action for the Bobcats in Dimmitt High's Homecoming game with Lockney Friday night, Coach Bruce Bush said at the Booster Club meeting Tuesday night.

KENWORTHY received a mild concussion and Perez injured a knee in the Tulia game last Friday.

Kenworthy is expected to be back at his halfback spot for the District 3-AA opener against Olton, but Perez' return will depend on how his knee responds to treatment, Bush said.

Reggie Washington received an ankle bruise and Jody Minnick a dislocated elbow in the Tulia game, but will be back in the lineup Friday night, Bush said.

THE COACH described Lockney's Longhorns as "a strong defensive ball club."

He said he felt the Bobcats played an outstanding defensive game against Tulia.

Coach Bush singled out David Malone for his offensive play and Joe Aleman, Steve Anthony, Gary Nutt, Washington, Perez and Thompson Mayberry for their defensive work in the Dimmitt-Tulia game.

Booster Club Secretary Pat Roberts reported that club members raised \$141 in the concession stand they operated at the junior high and freshman games Sept. 23.

# Rate hearing delayed; city calls for letters

Dimmitt's city commission this week asked local residents to submit letters on their specific experiences with telephone service here—good or bad.

THE LETTERS, which are needed by Oct. 25, are to be used as evidence in the city's fight against Continental Telephone Co.'s request for rate increases.

Dimmitt and other members of the Texas Municipal League won a 120-day delay last week on the public hearing on Continental's proposed phone-rate increases.

Because of intervention suits and protests filed by the Texas Municipal League and 12 of its member cities—including Dimmitt—the Texas Public Utility Commission postponed a hearing on the Continental request until Feb. 14. The hearing originally was scheduled for Oct. 16.

"THE PRIMARY source of attack by the intervening cities will be the quality of service, the attorneys tell me," City Attorney Jack Edwards told the city commission Monday night.

Letters from citizens will be compiled by the city and forwarded to the Texas Municipal League for use in its presentation at the hearing. Letters must be specific rather than general in nature, Edwards emphasized.

Lead counsel for the TML is Don Butler. Berl Evans of Tulia will represent "Rate Band 5" cities (including Dimmitt, Hart, Nazareth and Tulia).

Other cities in the Panhandle which are involved in the proceedings are Vega, Channing, Fritch, Dumas, Cactus and Sunray.

Bill McMorries of Amarillo has been retained by the TML as its consulting engineer in the case.

The intervening cities were asked by the TML to contribute 20 cents per capita to finance the battle against increased rates.

Dimmitt's share, \$865.40, has already been sent in. City Manager Garnett Holland reported.

## More about

### Dimmitt ...

[Continued from Page 1]

ergate scandal and while serving as the highest law enforcement officer of the land he broke the law. He appointed Ford as vice president and as president Ford blessed Nixon with a full pardon. The pardon covered all crimes that had been revealed as well as any that might have been uncovered in a trial. Both Ford and Senator Dole declared their belief in the innocence, and support of Nixon until the day he resigned. Dole was chairman of the republican national committee during the 1972 election and permitted the "Committee to Elect the President" to take over the affairs of the republican party. His conduct of party affairs in that election doesn't speak too well for his ability to deal with national issues. While Ford and Dole were extolling the innocence of Nixon after the congressional judicial committee had found him guilty as sin, Watergate should, and will, be an issue in this election.

The United Way campaign this year will raise funds for the Caprock Girl Scout Council, Senior Citizens of Dimmitt, Rhoads Memorial Library, Cystic Fibrosis Foundation, Southwestern Diabetes Foundation, the South Plains Boy Scout Council, Dimmitt Satellite School, Presidential Classroom for Young Americans, Salvation Army, American Field Service and Dimmitt Kids, Incorporated.

THE CAMPAIGN will begin Tuesday and will end Nov. 2. Campaign volunteers are being organized this week in preparation for the "Kickoff" next week.

city and state.

"I feel it's a big responsibility to try to fill W. W. Jones's shoes. He has been a good police chief for Dimmitt," Slaughter added.

Slaughter has been a law officer since 1967. Before he came to Dimmitt, he was in the police departments at Greenville, Miss., and Lake Village, Ark. and also in the Washington County Sheriff's Office at Greenville.

HE HAS had special training in the fields of narcotics and drugs, identification techniques and crime prevention, and is first aid instructor.

He grew up and attended schools at Lake Village, graduating from Lakeside High School there. He later served in the US Army.

Slaughter's family includes his wife, Maxine, and four children. The family lives at 113 NW 12th St.

## More about

### Beet harvest gets underway

The sugarbeet harvest in Castro County and surrounding area started this week after a few days' delay from the Monday starting date which had been announced by the Holly Sugar Corporation's Merrill E. Shoup plant at Hereford.

RECENT rains did not damage the beet crop, except in areas where hail also fell, according to Bob Ginn, Holly agricultural manager. The Castro County crop escaped the brunt of the hail, which did much damage in both Deaf Smith and Farmer Counties.

Ginn urged growers to harvest as soon as possible the beets which had tops damaged by hail, because if new leaf growth begins it takes sugar from the beet and reduces sugar content.

A yield of 22 tons per acre is predicted this year by the Holly agricultural staff—a large increase over the 13½-ton average of last fall, when curly-top disease drastically cut the yield.

THIS DISEASE is carried by leafhoppers, insects that appear in late summer, and this year the Holly agriculturists urged a pre-plant application of insecticide which controlled the leafhoppers and reduced the curly-top damage.

Sugar content of the current crop was 13.17 percent in an analysis made about two weeks ago, and is expected to be up to 13.5 percent early in the harvest season and then build up as fields dry completely.

Holly agriculturists predict a 16 percent sugar content later, if the weather is favorable. Last year's average was 15.62 percent, which helped offset the short yield.

possible for contacting all of the business firms in Dimmitt with less than 15 employees.

"This will be a big job and will require several volunteer workers," Dr. Hill said. "Most of all, it's going to require the cooperation of our Dimmitt business leaders. If we can secure the cooperation of business people in Dimmitt, we'll be able to distribute pledge cards to all of our working people in the community in a short time and make this a truly broad-based fund drive."

THE FARM Division, headed by Edwards, will be responsible for contacting Dimmitt area farmers. Edwards has secured the help of the Dimmitt Young Farmers in distributing United Way pledge cards to residents in the rural areas.

Caddell, chairman of the Special Gifts Division, said his primary duty will be to contact civic clubs, organizations and others that are not reached through the other divisions. He will also work with businesses and individuals who wish to make special contributions to the United Way.

The United Way campaign this year will raise funds for the Caprock Girl Scout Council, Senior Citizens of Dimmitt, Rhoads Memorial Library, Cystic Fibrosis Foundation, Southwestern Diabetes Foundation, the South Plains Boy Scout Council, Dimmitt Satellite School, Presidential Classroom for Young Americans, Salvation Army, American Field Service and Dimmitt Kids, Incorporated.

THE CAMPAIGN will begin Tuesday and will end Nov. 2. Campaign volunteers are being organized this week in preparation for the "Kickoff" next week.

hallway, to go to another section of the hospital to wait, and they just wouldn't comply.

"I'm sure everyone was concerned, and just wasn't aware of the confusion they were creating, but they caused quite a potentially serious problem for our staff."

"We would like to ask people to please stay out of the emergency area and not come to the hospital unless a member of their immediate family is in the hospital," he urged.

"THOSE WAITING should not use the emergency parking lot, and should not wait in the emergency area—they should go to the hospital coffee shop or the waiting room," Newsom said.

TO WILL to be that self which one truly is, is indeed the opposite of despair.

# City expects \$228,866 from property taxes

City of Dimmitt tax officers estimate that the city will receive \$228,866.83 in property taxes during fiscal 1976.

AT ITS Monday night meeting, the city commission accepted the 1976 property tax roll, which declared the total valuation of real and personal property in the city and projected the year's property-tax income.

Administrative Supervisor Jo Hamilton reported that the city's total taxable property is valued at \$15,257,196 for tax purposes, including \$8,245,313 on real property and \$7,011,883 on personal property.

The valuation figures are based on the city's 1972 re-evaluation survey, Mrs. Hamilton explained.

AT A TAX rate of \$1.50 per \$100 assessed valuation—the same rate that has been in effect since the 1960's—the city will collect almost a quarter of a million dollars in property taxes during the current fiscal year, Mrs. Hamilton said.

She explained that the city levies personal-property taxes only on registered motor vehicles, business inventories and office equipment—not on home furnishings or appliances.

# Community Action Corp. in new downtown location

The Dimmitt office of the Texas Panhandle Community Action Corporation is in a new location at 109 NE Second St., with three divisions composing the local agency and Betty Cartwright as the center coordinator.

COMMUNITY Action is a multi-service agency to serve human needs of the area. The three divisions functioning here now are outreach, planned parenthood and manpower.

Mrs. Cartwright has been instrumental in establishing night classes for the Texas State Technical Institute and has given technical aid in launching the Castro County Senior Citizens.

She is assisted by Tomasa Leal in providing medical transportation services, bi-lingual interpretation and outreach referral to other agencies including the South Plains Health Provider, Texas Rehabilitation Commission, Texas Employment Commission, Social Security, Central Plains Family Service Center and County Food Stamp Program.

VICKIE GODINO is responsible for the local planned parenthood program, assisted by Sylvia Nino. Primarily their services consist of outreach, family counseling and referrals to local physicians.

The Manpower Training program is operated by Paul Catoe and his assistant, Toni Bentley, who also work in four other counties. This program, sponsored by the US Department of Labor, is aimed at employment and training for the unemployed, underemployed and economically disadvantaged.

In the past fiscal year more than 90 persons in Castro County have been served with jobs or training. Some of the training agencies have been Castro County, the City of Dimmitt, Dimmitt, Hart and Nazareth Independent School Districts; Castro County Senior Citizens, Dimmitt Satellite School, Plains Memorial Hospital and Rhoads Memorial Library, all employers which are non-profit by nature.

WITH NATIONAL emphasis being placed on job development in the private, profit-making sector of employment, the local CAC plans to expand services to meet needs of business and industry here, Mrs. Cartwright said.

Employers are invited to contact the CAC office about employment needs, so referral can be made to the unemployed who come into the office daily.

"We are not trying to duplicate the state employment service, but are trying to assist in job development and training," Mrs. Cartwright added. "Employers interested in using our agency on a referral basis

are invited to contact Mrs. Bentley at 647-2322 or come by our new office.

"COMMUNITY Action is an agency dedicated to the total needs of a family and to the community as a whole," she added. Our entire staff is proud to be a part of Castro County and looks forward to many years of service within the community."

## Fire calls

Dimmitt firemen conducted fire drills at all the city's schools Wednesday morning, one activity of National Fire Prevention Week.

FIRE Marshall Guy Waldrop and several firemen went to the schools for the surprise drills.

Only one fire alarm was answered in the past week, to a grease fire in the kitchen of the Bill Moyers home at 602 S.W. 6th. The alarm was received at 8:55 p.m. Sept. 30. Damage was to the kitchen ceiling, with smoke damage throughout the house, Waldrop said.

# ANNOUNCING: NOW ALL OLSON IRRIGATOR MAINLINES ARE MADE EXCLUSIVELY OF FAMOUS COR-TEN BY U.S. STEEL

The biggest mainlines (7") in the business just became the longest lasting tool!

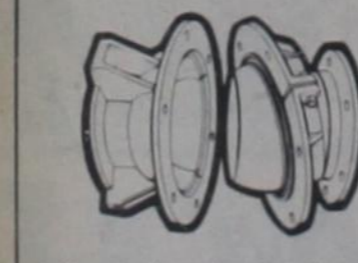

Just one more reason that proves: "All Center Pivot Irrigators are NOT created equal!"

COR-TEN steel is a high-strength chrome-copper-nickel alloy that has 5 to 8 times the corrosion resistance of ordinary carbon steel (the type used in other center pivot irrigators). COR-TEN steel gives you maximum durability with minimum weight.

After the COR-TEN steel is formed into a 7" pipe in Olson's modern, efficient tube mill, it is thoroughly coated inside and out with high quality alkylid enamel to assure you of far longer maintenance free life.

It has been proven that paint applied to COR-TEN will last 1 1/2 to 2 times as long as paint applied to ordinary carbon steel.

When galvanized or ordinary painted pipe is chipped or scratched it starts to rust immediately. When COR-TEN is chipped or scratched it forms a tightly adherent oxide that prevents further corrosion and retards undercutting. Thus COR-TEN "heals" itself to protect the metal. Also important, the oxide will not "creep" under surrounding surfaces to cause further flaking.

ANOTHER OLSON EXCLUSIVE! STEEL BALL JOINTS THAT COMBINE MAXIMUM STRENGTH WITH MAXIMUM FLEXIBILITY.

- On rough terrain, Olson's self-supporting ball-joint (on every drive tower) allows smooth free rotation in any direction.
- STURDY CONSTRUCTION OF DUCTILE CAST, the toughest cast iron available.
- PRECISION MACHINED to fine tolerances.
- INDUSTRIAL HARD CHROME FINISH eliminates corrosion and pitting.
- PRESSURE TYPE NEOPRENE SEALS are located out of harmful sun rays so they last indefinitely.
- FREE WATER FLOW because there are no obstructions inside.

# Tulia uses ball control to eke out 14-7 victory

By JIMMIE CHAPMAN

THE FIRST quarter was a scoreless affair with neither team getting close to the other's goal line until late in the period. Dimmitt got to the Tulia 46-yard line on a 15-yard penalty and Eddy Chavers and Tony Washington added good yardage before Jerry Williams intercepted a Thompson Mayberry pass on the Tulia 25 to kill the drive.

Tulia moved the ball to the Dimmitt 49 by the end of the first. Reggie Washington threw quarterback Don Burgess for a 7-yard loss, but on the next play Burgess found Joe Garza open and hit him with a pass that was good to the Dimmitt 22. From there it took the Hornets six plays to score, with Anderson finally going over from the 1-yard line. Garza's point-after kick was wide. In the six-play drive from the 22, Anderson ran with the ball five times and picked up all the yardage.

Dimmitt took the kickoff on its own 39-yard line with 8:47 left in the second quarter, and started its best drive of the game, moving to the Tulia 20 before Joe Garza intercepted a Mayberry-to-DuLaney pass in the end zone to stop the drive.

HOWEVER, on their first play from scrimmage at the 20, the Hornets returned the favor by fumbling the ball. Jim

**MOVE OVER!**—Dimmitt's Reggie Washington tries to evade Tulia's Jerry Williams (36) at the Hornets' 45-yard line after picking up 15 yards on a pass-and-run play in the second quarter of Friday night's game at Tulia. The play kept alive a Bobcat drive that eventually led to a TD and extra point to give Dimmitt a 7-6 halftime lead. The Hornets retaliated with a touchdown and two-point conversion in the third quarter, however, to take a 14-7 win.

Wright recovered for the Bobcats at the Tulia 21. Washington and Kenworthy moved the ball to the 2-yard line in seven plays, and on fourth-and-goal,

Washington smashed over right guard for the first Dimmitt score with only 1:18 left in the first quarter. Matt Howell made it 7-6 with his 11th straight extra point of the season.

Dimmitt opened the second half with an onside kick that backfired, and Tulia was set up on its own 42-yard line. The Hornets controlled the ball and moved it toward the Dimmitt goal line. But on fourth down, Joe Garza missed on a 27-yard field goal attempt and Dimmitt took over on the 20.

Washington accounted for a couple of nice gainers, but again a Mayberry pass was picked off, this time at the Dimmitt 46-yard line.

On the first Tulia play, Burgess hit his favorite receiver, Garza, with a 35-yard pass play that looked like a Lynn Swann reception in the Super Bowl. Two Dimmitt defenders had the pass blocked but Garza caught it lying on his back at the 11-yard line. Again the tough Dimmitt defense pushed the Hornets back and, with the help of penalties, pushed them out to the 40-yard line. Tulia punted and Dimmitt got the ball at its own 9-yard line.

THE HOSTING Hornets showed the Bobcats that they, too, could play defense and held the Cats to two yards in three plays. DuLaney punted the ball off the side of his foot and it went only 11 yards to the Dimmitt 21-yard line. Tulia's defensive stand had earned the Hornets the field position that was to mean the difference in the game.

With Anderson and Fullback Larry Billingsley carrying straight ahead, it took the Hornets only six plays to score with Billingsley going over right guard for the last five yards and the game-winning TD. Anderson ran over the extras and with 36 seconds left in the third period, Tulia had the lead, 14-7.

Up to this point in the third period, Dimmitt had had the ball on only six plays—and one

of those was a pass interception and another a punt. The Bobcats made no first downs in the third quarter and never got out of their end of the field as the Hornet offense controlled the ball.

THE FOURTH quarter was highlighted by stout defensive play, penalties at the wrong times and the lack of ball control. The Bobcats got one last chance to win the game after Jody Minnick burst through and pinned Steve Brown for a 10-yard loss on fourth down when the Hornets needed only two yards for a first. Minnick's play gave Dimmitt the ball at its own 32-yard line with 3:22 left in the game.

Mayberry hit Washington with a pass that was good for 22 yards into Tulia territory then Florentino Quinonez gained 15 and Mayberry picked up 2. But another 15-yard penalty pushed the Cats back, then Brad DuLaney—trying his first pass of the night—was thrown for a 10-yard loss. Chavers tried to pass, but was forced to run. Although he gained 15 yards, it wasn't enough and Tulia took over on downs with 1:16 left. The Hornets then ran out the clock to preserve their victory.

Tony Washington was the standout for the Bobcats, defensively and offensively, and Thompson Mayberry played an outstanding game on defense when injuries forced both of the backs to do double duty. Scott Armstrong, Jody Minnick, David Malone and Gary Nutt also

stood out on defense for the Cats.

Offensively, besides Washington, Kenworthy picked up 22 yards on eight carries (all in the first half), Chavers got 28

yards on seven carries, Mayberry 17 on five tries and Quinonez got 28 yards on only three carries after replacing the injured Kenworthy.

THE LOSS left the Bobcats with a 2-2 mark, while the Hornets extended their season record to 4-1.

# Early fire warning can save your life

National Fire Prevention Week is designated each year to emphasize precautions which can be taken to prevent injuries and loss of life and property from fire.

THIS YEAR Fire Prevention Week is Oct. 3-9, and homeowners are encouraged to consider installing an early warning system as a fire safety measure.

"A residence burns every 45 seconds, adding up to 1,000 per day and almost 700,000 per year. Nearly 7,000 persons die in these fires and at least one-fourth of the victims are children under 14," points out Dr. Gary Nelson, agricultural safety engineer with the Texas Agricultural Extension Service.

Since a high percentage of these deaths takes place while people are asleep, an early warning system can be a life saver, emphasizes Nelson.

ALTHOUGH many different types of heat and smoke detectors are available at varying costs, one or two strategically placed, single-station smoke detectors can do the job. Estimates show that if homes were equipped with an early warning fire detection device, between 40 and 50 percent of the people killed in home fires might be saved.

"Most dwelling fires start by smoldering; that is, one of the first combustion products to originate from a house fire is likely to be smoke. Therefore, a smoke detector would appear to be more suitable as an early warning fire detection device than a heat detector," notes the Texas A&M University specialist.

Smoke detectors are self-contained units that can run on batteries or can be plugged into existing electrical systems. The cost averages \$50 per unit. Two types of effective smoke detectors are listed with the US Consumer Product Safety Commission: ion-chamber detectors and photoelectric detectors.

"IN SELECTING a smoke detector, read the label," says Nelson. "Reliable detectors will be listed with Underwriters Laboratory (UL), a testing lab for electrical and safety equipment, or with Factory Mutual Underwriters (FM). This insures that the system has met minimum standards set by the National Fire Protection Association."

Nelson offers these buying tips regarding smoke detectors: don't be frightened into a hasty purchase, get two or three price estimates before purchasing; test the units as you install them or request that the installer test units in your presence; request an instruction booklet on operation, testing and maintenance; purchase only equipment which bears UL or FM labels, and understand the extent of the guarantee and who will honor it.

"The location of fire detectors in the home is extremely important," emphasizes the specialist. "A single station unit smoke detector installed outside the bedroom area on the ceiling or wall will provide basic protection for the average home. If the dwelling is a two-story building with bedrooms on both floors, two units are recommended—one outside each bedroom area. Ceiling mounted units have proven superior to some wall mounted units in equipment tests because smoke more readily enters the detection chamber."

NELSON reminds homeowners that even though fire has been detected early, it can still endanger lives if the home cannot be evacuated quickly. Although the first choice might be to walk out the front door, this is not always possible. Therefore, careful consideration should be given to alternate methods of escape.

MAN finds self-validation only in actualizing what he potentially is. —Bonner

**THE DIMMITT VOLUNTEER FIRE DEPT. SAYS,**  
**"Don't gamble with fire!"**

## PREVENTING FIRES IS EVERYONE'S BUSINESS!

**WE WOULD LIKE TO EXPRESS OUR APPRECIATION TO THE HEREFORD VOLUNTEER FIRE DEPT. DURING FIRE PREVENTION WEEK OCT. 3-9**

A fire burning out of control can consume and destroy everything it touches. Do your best to prevent fires from starting in your home, your office, your automobile and in the open.

- DON'T** leave matches near children.
- DON'T** leave junk and combustible materials in attics, basements or closets.
- DON'T** overload electrical circuits.
- DON'T** use frayed electrical cords.
- DON'T** smoke in bed.
- DON'T** use inflammable liquids and cleaning fluids if they can be avoided.
- DON'T** place aerosol cans near heat.
- DO** extinguish all cigarettes and cigars when you are through smoking.
- DO** extinguish all campfires thoroughly.
- DO** use common sense in preventing fires and call your local fire department the instant you suspect a fire.

## "Learn Not To Burn"

The above motto has been chosen as this year's slogan for fire prevention. Most fires could be prevented or put out in a hurry if persons involved knew what to do. We have included many practical tips in this special section. Study all of them:

# NATIONAL 4-H CLUB WEEK

OCT. 3-9

**INTERSTATE 4-H WINNER**—Greg Cluck of the Dimmitt 4-H Horse Club receives the trophy for first place in western horsemanship at the recent New Mexico State Fair in Albuquerque, aboard his quarter-horse gelding, "Skip's Wrangler." This horse also was the grand champion gelding in the quarter horse show at the Tri-State Fair in Amarillo this year, and Cluck also

won awards there in western horsemanship and other events in the youth division. He is the son of Mr. and Mrs. Jerry Cluck, who are among the adult advisors of the 4-H Horse Club here. This year the club hosted a district 4-H horse show for the first time. Local members are consistent award-winners at the district and state levels.

## 4-H'ers see USSR, Europe

Cinde Sides and Kelly Bagley, Castro County 4-H Club members, were the first from this county to go on a 4-H People-to-People Ambassadors tour of Europe, when they visited eight countries in a summer trip.

WITH 4-H Club members from various states, they made the tour by air and in some of the European countries they lived for a time in the homes of residents and so had a closer look at the lives of the people.

Since their return the two Dimmitt girls have related impressions of their trip to several local clubs.

**BOTH GIRLS** are members of Bethel 4-H Club. The trip was arranged through People-to-People Ambassadors

and featured visits in homes of Europeans along with sightseeing.

Places and people encountered on their flight to Europe, in a stop in Washington, D.C. and in Holland, Russia, Germany, France, Belgium, Denmark, Switzerland and England were pictured in slides shown to the clubs here by Miss Sides, who added remarks to Miss Bagley's commentary.

"People here are most interested in what we thought of Russia," Miss Bagley said, "since it is not visited by so many Americans."

**THE DIMMITT** girls agreed that Russia was very interesting, but they noted that people seem to live and dress poorly by American

standards, and food there was 'the poorest they found on their eight-nation tour.'

"People in Russia don't smile or joke or act at all friendly on the streets," they said. They termed a picture of a smiling Moscow family "very unusual." They said the youths in their party "tried to get some response by smiling and waving at people, but it wasn't very successful. We usually just got stares as though they were thinking 'Crazy Americans'."

"ON THE Fourth of July we sang our national anthem and 'God Bless America' on a street in Moscow, but learned later that we might have been arrested for that!"

## Dimmitt girl is state 4-H winner

Becky Hand, a Bethel 4-H Club member with a wide variety of experience in helping her community and club, has been selected as the state winner in the Citizenship Program, according to 4-H officials at Texas A&M University.

**MISS HAND** will receive an expense-paid trip to the National 4-H Congress in Chicago Nov. 28-Dec. 2. The trip will be sponsored by Transco Companies, Inc. Her state-winning record book will be submitted at the national level to compete for one of six educational scholarships of \$800 each, along with six trips to the National 4-H Congress provided by the Thomas E. Wilson Foundation and by friends of Kenneth H. Anderson.

The 4-H winner is the 16-year-old daughter of Mr. and Mrs. Robert Hand of Dimmitt, and is a junior in Dimmitt High School.

She received the Gold Star 4-H Girl Award in Lubbock County in 1975 and served as a delegate to the National 4-H Citizenship Shortcourse and Heritage Tour in Washington, D.C. She has also served on the Ceremonial Committee at the National 4-H Center in Washington.

**SHE** received many awards during the past two years at the State 4-H Dog Show, and won

**Becky Hand**

several ribbons in swine classes at the State Fair of Texas the past three years. She participated at the State 4-H Roundup in 1974 and 1975 in method demonstrations in landscape horticulture and agronomy.

To add to her other credits, she also placed first in the Lubbock County 4-H Dress Revue in 1974 and 1975. She received a banner in appreciation from Korean missionaries after she toured them through her father's swine feedlot, Handy Ham Feeders.

Miss Hand has held numerous offices in 4-H, and is a member of the National Honor Society and the band in high school.

## 5.6 Million Youth To Observe National 4-H Week Oct. 3-9

**CHICAGO**—Nearly 5.6 million young people will observe National 4-H Week Oct. 3-9 with activities centering on the 1976 theme, "4-H—Room to Grow."

In a special message to 4-H members and leaders, President Gerald R. Ford said: "'4-H—Room to Grow' is an appropriate theme that focuses on the fine way in which 4-H programs have expanded the horizons of achievement and individual self-fulfillment for their participants."

National 4-H Week is set annually by the Cooperative Extension Service to draw attention to the values of 4-H as an informal, youth education program that stresses development of practical skills, leadership and citizenship.

The 1976 observance challenges girls and boys 9-19 to examine their personal growth and development in 4-H and, at the same time, to broaden their interests and concern for others.

"4-H'ers are encouraged to set goals and respond enthusiastically to new opportunities," said E. Dean Vaughan, assistant administrator, 4-H-youth, Extension Service, U.S. Department of Agriculture. "The 4-H program is highly flexible and is continually expanding and adapting to

the changing needs and interests of young people."

Although 1975 statistics indicate high participation in the traditional 4-H project areas of agriculture and home economics, enrollment is increasing in such projects as bicycle care and safety, arts and crafts, community development, safety, photography, public speaking and health.

4-H continues to serve a large rural audience, but in recent years it has provided "learn by doing" experiences to a growing number of urban youth. Nearly 20 percent of 4-H members now live in suburbs and cities of more than 50,000 population. 23 percent live on farms, and 57 percent in open country, small towns and cities of up to 50,000.

1975 enrollment figures show 73 percent of 4-H members belong to organized 4-H clubs and special interest groups — up 7.8 percent over 1974. Other young people participate in 4-H through nutrition education programs, instructional television series, short courses and camping.

4-H work is conducted by the Cooperative Extension Service in 3,150 counties in the 50 states, the District of Columbia, Puerto Rico, the Virgin Islands and Guam. 4-H projects and activities are supervised locally by nearly

10,000 Extension professionals, including county agricultural agents, county home economists and 4-H agents. They are assisted by 560,000 volunteer leaders — adults, teens and juniors — each of whom devotes an estimated 20 days each year to 4-H leadership responsibilities.

Also contributing to the effectiveness and expansion of 4-H are thousands of businesses, foundations and individuals that lend their support to the program. On the national level, private-sector support for 4-H is channeled through two nongovernmental organizations, the National 4-H Service Committee, Chicago, and the National 4-H Foundation, Washington, D.C. Functions of the two organizations will be unified under the newly-incorporated National 4-H Council, expected to be fully operational early next year.

4-H-type work began around 1900 as an effort to supplement classroom instruction with practical, out-of-school learning experiences relevant to rural youth. Formal provision for "boys' and girls' club work" — later to be called 4-H — was made in the Smith-Lever Act of 1914 which established the Extension Service.

## ALL THE BEST TO YOU... 4-H'ERS

## Nazareth 4-H'ers list achievements

The Nazareth 4-H Club has 49 members and meets the second Monday evening of each month at the American Legion Hall. Adult leaders are Mrs. Catherine Hochstein and Luke Acker.

**OFFICERS** are Jimmy Hochstein, president; Elaine Acker, vice-president; Dianne Hochstein, secretary; Cyrilla Brockman, treasurer; Jimmy Kern, reporter; Paul Huseman, parliamentarian; and Bernard Acker, council delegate.

Last October at our annual awards program Bernard Acker was selected Outstanding 4-H Boy and Carol Hochstein Outstanding 4-H Girl. At the County Awards Program in November our club received a purple seal.

Most of the members entered the county fat stock show and project show in February. Leona Kleman had the Reserve Champion Steer of the show. George Hochstein had reserve breed champion in Berkshires and Roger Huseman had breed champion and Karen Huseman reserve breed champion in Poland. Norman Acker had the breed champion in a fine wool cross lamb. In the project show in the 11 and 12 year old division Edith Durbin placed first; Mary Jean Huseman, second; and Johnny Hochstein, fourth. In the 13 and over division Margie Wilhelm and Dianne Hochstein tied for first and Carol and Mary Jeanne Hochstein tied for second.

**THREE OF** our club members attended the 4-H Roundup at Texas A&M University in June. Bernard Acker and Cyrilla Brockman gave a team demonstration on Horticulture Production and Marketing and placed third. Elaine Acker participated in the Foods Show in the side dishes category.

Elaine Acker attended the 4-H National Citizenship Short Course and Heritage Tour. She left the last week in June on an interesting tour of historical places in different states and also in Washington, D.C. While there she visited with her Congressman and had the opportunity to learn many things about government and citizenship.

In the Dress Revue Dianne Hochstein placed first in the junior division and Annette,

Hoelting second. Dianne represented the county in the District Dress Revue in Lubbock in July. Elaine Acker won first in the senior division but was unable to go to district as she was attending the 4-H State Congress in Austin.

In July four members of our club attended the Leadership Lab held at South Plains College in Levelland. Randy J. Huseman, Jimmy Hochstein, Gerry Kleman and Bernard Acker took part in the three-day event. Also in July three members took part in the 4-H Electric Camp at Camp Scott Able in New Mexico. Attending were Harold and Frankie Wilhelm and Paul Huseman.

**IN THE** Castro County Fair this year Bernard Acker was Grand Champion Gardener and Grand Champion Farmer in the youth division. Also in the youth division Edith Durbin placed first in baking and Dorothy Durbin second. Elaine Acker placed first in clothing and photography. Annette Hoelting and Elaine Acker won some jars in the canning division.

We are proud of our 4-H'ers this year for all the time, work and participation they have done. We believe these young people are well on their way to making "The Best Better" and our older members are setting a good example for all the younger members of our 4-H Club as to what they can do and achieve as an active member of 4-H.

The National 4-H Service Committee supports 4-H through donor-sponsored programs, educational aids, National 4-H News, a supply service and year-round public information services.

Through the National 4-H Foundation, International Harvester Company provides funds for a new U.S.-U.S.S.R. exchange program, in which 15 young American agricultural specialists and their Soviet counterparts study and work in each other's countries.

## Involvement Key To Interest In 4-H

**CHICAGO**—"Today's young people want to get involved in the planning and decisions that affect their lives and futures," says Kenneth H. Anderson, associate director, National 4-H Service Committee. "And youth can learn to play real, decision-making roles through their participation in 4-H."

The youth education program of the Cooperative Extension Service, 4-H offers young people 9-19 informal, learn-by-doing experiences that contribute to the development of practical skills and citizenship-leadership potential. The program is flexible and geared to members' needs, interests and abilities.

Many private-sector donors endorse the aims of 4-H with financial and technical support channeled through the National 4-H Service Committee. Private resources make possible college scholarships and other awards, expense-paid trips to National 4-H Congress, educational materials that enrich 4-H project work and many other extras.

Some donors sponsor full-scale awards programs that provide incentives and recognition to 4-H'ers at county, state and national levels. Among them are Ford Motor Company Fund, achievement program; Reader's Digest, leadership program; John Deere, conservation of natural resources; Eli Lilly and Company, health; International Paper Company, forestry; General Foods Corporation, food-nutrition; and Eastman Kodak Company, photography.

Each year, six 4-H members who demonstrate effective citizenship are rewarded with trips to National 4-H Congress and

4-H gives young people 9-19 "Room to Grow"—opportunities to get involved in the planning and decision-making that affect their lives and futures. Private-sector donors who endorse the aims of the 4-H program, conducted by the Cooperative Extension Service, lend their support to 4-H through the National 4-H Service Committee and the National 4-H Foundation.

\$800 college scholarships donated in memory of Thomas E. Wilson and by friends of Kenneth H. Anderson, Wilson, founder of the meat packing and sporting goods companies that bear his name, was one of the founders of the National 4-H Service Committee in 1921.

Other 4-H'ers can win county medals and trips to the 4-H Commodity Marketing Symposium sponsored by the Chicago Board of Trade. Or they can earn U.S. Savings Bonds donated by Elanco Products Company, A Division of Eli Lilly and Company, if they score among the top ten in the National 4-H Livestock Judging Contest.

4-H members and volunteer leaders alike benefit from grants provided by UOP for the development of local and state environmental improvement programs. And both members and leaders can sharpen their skills in the 4-H sewing machine program, a training course with related

literature funded by The Singer Company.

Former 4-H'ers who have set examples of purposeful citizenship, leadership and career achievement can qualify for alumni recognition awards donated by Olin Corporation. Statistics show that approximately 36 million Americans are 4-H alumni.

Several companies provide general support to 4-H through the Service Committee. Some of these are Ski-Doo Snowmobiles, Bombardier Limited; Daisy Division, Victor Comptometer Corporation; E. I. duPont de Nemours and Company; and Purina Horse Chows, Ralston Purina Company.

Private-sector support for 4-H at the national level also is channeled through the National 4-H Foundation, Washington, D.C. In early 1977, functions of the Foundation and the Service Committee are to be unified as the National 4-H Council.

# There's A Future in 4-H... For Everybody

A bright one. A right one. A future upon which America can depend. For a better tomorrow.

The hope for a peaceful world. A pledge of Heads, Hearts, Hands and Health working to make it all happen. Concerned young citizens dedicated to a round-the-clock goal, service and better community living. Aware. Determined.

**NATIONAL 4-H WEEK**

Energetic. Keep it up, 4-H'ers!

## LaMantia-Cullum-Collier Co.

## 4-H: opportunities unlimited

4-H, the informal educational program for youth administered by the Texas Agricultural Extension Service of the Texas A&M University System, provides opportunities for youth to grow physically, mentally and spiritually, points out County Extension Agent Charles Hot-  
**THAT'S** why the 1976 theme of National 4-H Week Oct. 3-9 is "4-H—Room to Grow."

This theme is appropriate because it focuses on how 4-H programs help youth achieve self-fulfillment. 4-H emphasizes the development of "real

life" skills: learning "how to learn" for today and for a lifetime; using one's knowledge to improve the quality of life for self and for others; relating to social, technological, environmental and economic change; and growing through the pursuit and achievement of self-imposed goals.

These skills are desperately needed in a society that increasingly must cope with problems of apathy, unemployment, crime, deterioration of the family as a social unit, and crises in health and morals. Today's youth need to be in-

involved in meaningful activities that will affect their lives and society for the better, and 4-H can play a key part in this effort, contends Hottel.

**THROUGH** the 4-H program, young people can develop the practical skills and citizenship-leadership abilities that contribute to personal growth and to concern for family, community, nation and world. National 4-H Week is designed to salute all 4-H members, their parents, volunteer leaders, businesses and others who make 4-H a viable, contemporary youth program.

# Crozier is named Kiwanian of Year

Bob Crozier was cited as Dimmitt Kiwanian of the Year at the club's installation banquet Monday night in the County Expo Center, where Joe Nelson took office as president succeeding Dale Fowler.

CROZIER has served as club secretary three terms, has been one of the most active members in interclub activities and in all club projects, Carl Bruegel said in making the award.

Picking the recipient was difficult for the committee, he said, "because we have so many outstanding Kiwanians in this club—about 25 of them."

Charles Zeek of Tulia, lieutenant governor of Kiwanis Division 33 and the banquet speaker, noted that the Dimmitt club raised \$6,800 for service work during the year. He commended it as "one of the most active in the division," and praised its help in getting the Girl Scout program started here this year.

of the year, the Kiwanians presented the piano they brought to the Center for their program as a gift to the Center for community use.

Susie McGee of Hereford and Patsy Morris entertained with music and the club sweetheart, Cindy Dobbs, played dinner music.

Installed with Nelson, who has been first vice-president of the club, were Lee Roy Wood in that office, Mark Cleavinger as second vice president and Key Club representative, Jack Patton secretary and Ted Robb treasurer.

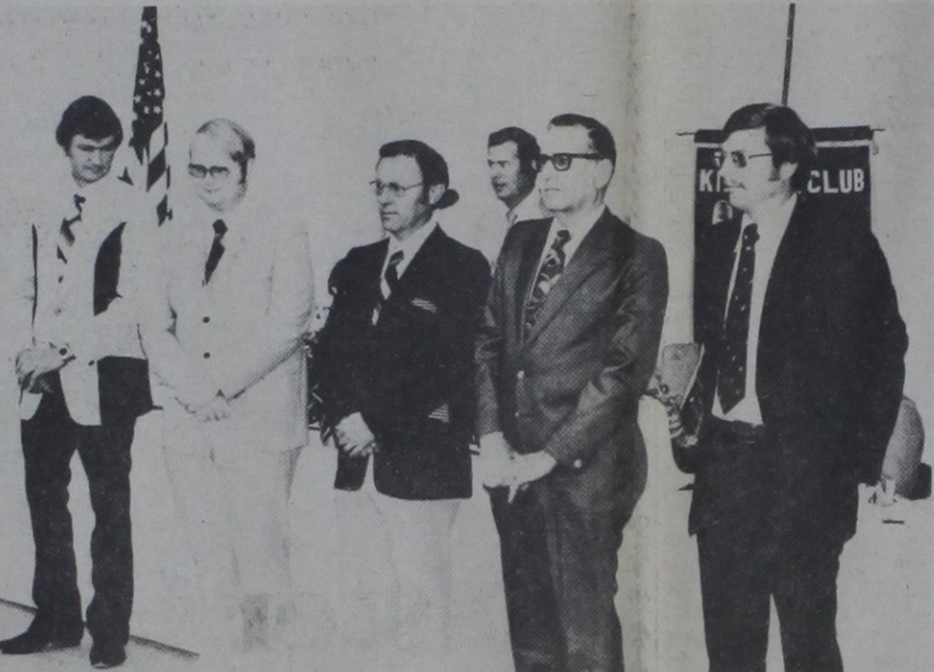

Gary Parks was master of ceremonies. Attendance awards were presented to Walter Spinhirne, 10 years; Randall Craig, Bruegel, Crozier and Patton, 7 years; Nelson, 5 years and Fowler, 4 years.

WE HAVE turned our backs on our own nature and it takes its revenge upon us. —Maslow

KIWANIS OFFICERS for the coming year pose with Club Sweetheart Cindy Dobbs at the piano which the club has purchased and donated to the County Expo Center. The reconditioned piano was used in the Expo Center for the first time Monday night at the annual Kiwanis Installation Banquet, when

Susie McGee and Patsy Morris presented musical entertainment. New officers, from left, are Joe Nelson, president; Lee Roy Wood, first vice-president; Mark Cleavinger, second vice-president and Key Club advisor; Jack Patton, secretary; and Ted Robb, treasurer.

DIRECTORS of the Kiwanis Club of Dimmitt are (from left) Carl Bruegel, Leroy Maxwell, Randall Craig, Bill Thornton and Richard Stahl. Not pictured are directors Floy Driver and Dan Knox. They were installed Monday night by District Lt. Gov. Charles Zeek of

Tulia at the club's annual installation banquet in the County Expo Center. Several new members were inducted into the club at the banquet, which was attended by 65 Kiwanians, wives and guests.

Among the new programs offered 4-H'ers in 1976 is the national 4-H gardening

awards program sponsored by Ortho Division of Chevron Chemical Company.

Enrollment in 4-H clubs and special interest groups was up 7.8% last year over 1974.

# Congratulations 4-H CLUB MEMBERS

During National 4-H Club Week, October

3rd to 9th we salute 4-H Club members ev-

erywhere, with special pride in the 4-H'ers

of our community. Through the "Head . . .

Heart . . . Hands . . . Health" program, 4-H

molds character, teaches responsibility, en-

courages leadership and develops compas-

sion for fellow men.

WE SALUTE YOU

# Farmers Supply Co.

In 4-H, you learn  
what's important.  
And that's important.

We salute our county's 4-H'ers on  
National 4-H Club Week.

## Dimmitt 66

## Nazareth Harvest is in full swing

By MRS. AGNES BROCKMAN

Today (Monday) the weather is quite nice and sunny out, except for a little wind. The farmers are certainly taking advantage of it—busy harvesting their corn and milo. A few are planting some wheat yet. Anyway there are certainly lots of grain trucks on the roads these days.

MRS. ROSE Hindman has been visiting her sister Mrs. Bob Wills and husband in Groom the last several days.

Mr. and Mrs. Paul Venhaus, Mr. and Mrs. Albert Venhaus, Helen Backus and Agnes Brockman went to Clovis last Tuesday evening to visit Mrs. Joe Hilvers and the Kaplan families.

The Order of Martha members met Tuesday afternoon in the church basement. The afternoon was spent quilting. Lunch was served by Cecilia Annen.

Sunday the Homecoming dinner was served at the school cafeteria. After dinner the parents and visitors visited the school and teachers.

SUNDAY evening the Catholic Daughters of America entertained with their annual spaghetti supper. After the supper a film was shown about the world famous Miracle of Pentecost painting.

Mrs. Ella Hoelting and Leonard spent a couple of days last week with the Florence Heims in Amarillo.

Mr. and Mrs. Albert Venhaus spent the weekend in Dumas helping their son Clyde and family move into a new home.

Paul and Lillian Venhaus spent the weekend at Hobbs, N.M. with the Harold Venhaus family.

MR. AND MRS. Ray Wilhelm of Hereford spent Sunday with Rose Warren. They enjoy-

ed going through our school in the afternoon. Mrs. Wilhelm went to school in Nazareth sixty years ago. I am sure she could see a big change.

Mary Beth Ramaeker is going to open a beauty shop in our little town in the near future. It will be in Walter Kern's rent house. We're so happy to have one of our young people open up a business here.

All enjoyed the demonstration Mrs. Dennis put on with flowers at the Christian Mothers meeting Monday evening.

Gloria Wilson from Lubbock will attend the Catholic Daughters meeting Wednesday evening and tell about the national meeting which took place recently.

MRS. HELEN Backus spent the weekend in Hereford with the Francis Backus family.

The Kenneth Sloughs are the proud parents of a little baby girl, born Friday of last week.

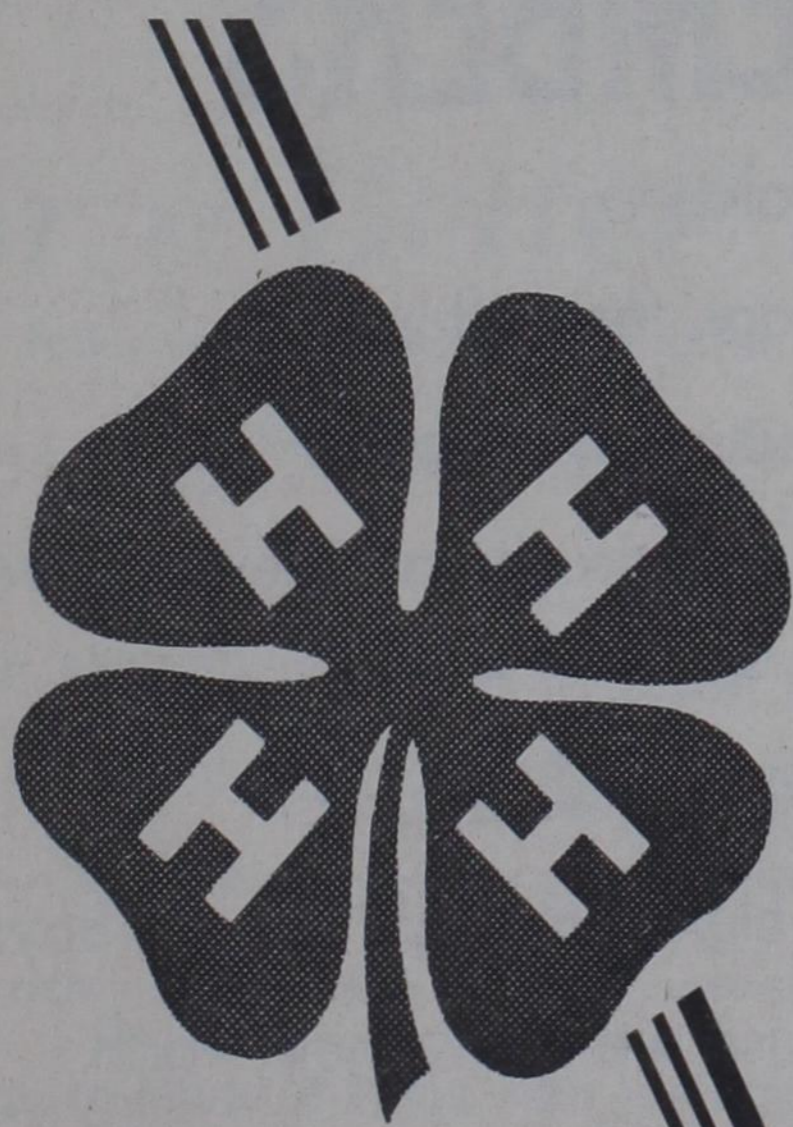

Was short of news items and looking for some and one little boy says, don't forget to tell Agnes about our ball games. This is the seventh and eighth grade. They haven't lost a game yet! They played Bovina last week and this Wednesday they play Dimmitt. We're proud of our big team, too, even if they haven't done that well. They've tried very hard and maybe will do better next time. Someone has to lose, they say (and we didn't lose last week).

This correspondent would appreciate it if folks in our community would give me more news. I appreciate what I get, but the folks living away from here say they watch for news from home. And what we get out of this goes to the missions, so we're helping them this way, too.

THE WAY for nations to do away with war may be to pray more and prey less.

OF DIMMITT

# 'Horns top Chiefs 20-15 in 'gratifying' victory

By MONTY UPTON

Former Hart Coach Lonnie Phillips brought his Friona Chiefs to town Friday night and went home with their scalp belts still empty.

AFTER eight years of working together, Phillips and Hart Coach Bill Taylor had their head-to-head confrontation and Taylor's Longhorns capitalized on the Indians' mistakes to ambush them, 20-15.

Following the opening kickoff, Hart had to punt on a fourth and 11 and Friona got good field position on the Hart 47. Using three first downs—one a Hart 15-yard penalty—Friona marched to the Hart 4. Eliazar Castillo then came through with a QB sack for a five-yard loss following a gang-tackling loss of three yards by Chief quarterback Keith Martin. Todd Bandy gained six yards back, but that was not enough for the first down and Hart had the ball on its own 12.

Three plays later, the 'Horns were forced to punt from their own 1-yard line. The punt was returned by Martin to the Hart 30, and on the third play of the series, fullback Glen London broke loose for 20 yards and a TD with 4:05 of the first left. Edward Castillo's PAT kick was good, giving the Chiefs a 7-0 lead.

WHEN Friona got the ball again, a Martin-to-Kelwin King pitch went awry and the 'Horns' Cary McLain fell on it on the Chiefs' 25. Six plays later Glen Black punched the ball across from the 1-foot line on the first play of the second quarter. Kerry George's kick was off to the side, leaving Hart on the short end of a 7-6 score.

Four plays after the kickoff, the Longhorns got the ball again when Berto Minjarez covered a Martin bobble on Friona's 29. Using seven plays—one a third-and-11 pass from Castillo to George for 13 yards—Castillo charged across the goal line from two yards out with 6:55 showing. Castillo then sprinted left on the PAT attempt and scored standing up to give Hart a 14-7 lead.

Using tough defense, both teams kept each other from moving the ball effectively. Friona finally decided to go to the air and Martin completed an eight-yarder to flanker Ernest Mills, who was promptly blasted loose from the ball by Castillo. An alert Bryan Irons scooped up the ball on the Friona 40. However, Hart's drive was slowed by two five-yard penalties and time ran out in the half with the Horns knocking at the door on the Chiefs' 14.

AFTER Hart's kickoff opened the second half, the Chiefs' offense sputtered to a stop on Hart's 45 following a QB sack by Irons. The punt carried to the 10 and the Horns let it die there. On the first play, the ball

was knocked loose from Black on a plunge up the middle and the Chiefs had the ball 10 yards from paydirt. On the second play London lumbered for eight yards to score with 8:55 remaining in the third. Kelwin King then scampered for a two-point conversion, making the score 15-14 with the Chiefs on top.

Using a balanced running and passing game, including a Castillo-to-Irons strike of 20 yards, the 'Horns marched down to the 37 before Castillo punted into the end zone. The Chiefs used the slashing running of King (117 yards on 21 carries for the night) and a 15-yard 'Horn penalty to advance the ball to the Hart 12 before they ran out of plays. However, Hart could not move and punted out to the 46.

The Longhorn defense stiffened, forcing the Chiefs to punt, and got the ball back on the 20. But the 'Horns had the ball only one play when a George pass was intercepted by Todd Bandy.

IT TOOK only six plays before the 'Horns got it back when London had the ball shaken out of his hands and Donald Robinson fell on it. Using a key run of 20 yards by Castillo, the Longhorns traveled 44 yards on eight plays to go

ahead on a one-yard scoring play by George. The point-after pass of Castillo to Robinson fell incomplete, but the Longhorns had the lead back, 20-15.

Following the kickoff and one running play, Martin threw seven consecutive passes, completing three for a total of 28 yards. On the last play of the game, Martin was pressured into running and was sacked for a one-yard loss on Hart's 40.

Hart's coaching staff had special praise for Bryan Irons and Eliazar Castillo.

"NEEDLESS to say, this is a great win for me personally and for the whole team," Coach Taylor said. "The team showed championship quality and special gumption to come from behind like they did."

Hart has an open date this week before starting district play at Kress Oct. 15 at 7:30.

MANY people go throughout life committing partial suicide—destroying their talents, energies, creative qualities. Indeed, to learn how to be good to oneself is often more difficult than to learn how to be good to others. —Liebman

THE DIMMITT MIDDLE SCHOOL CHOIR will join the Dimmitt High School Choir in a special Columbus Day salute to America's Bicentennial Tuesday night in the Middle School Auditorium. Here, choir members are shown with their

accompanist, Betty Hoover [front left]. The free concert will include patriotic, traditional and pop songs, and will mark the first public performance this year by the school choirs. Both choirs are directed by Doug Henry.

## Marking Columbus Day

# Concert on tap Tuesday

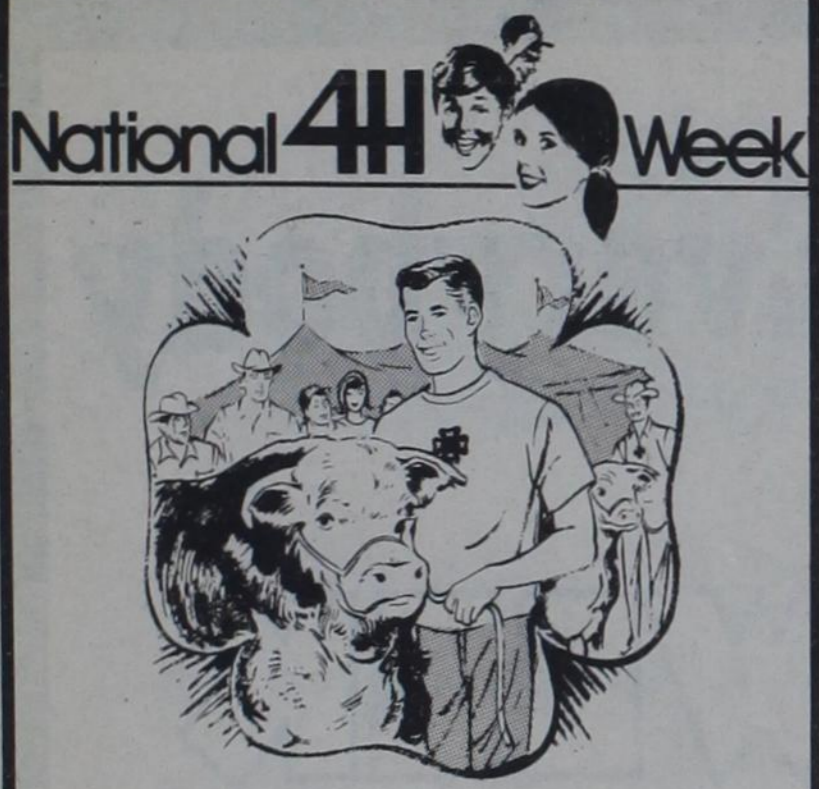

A salute to the US Bicentennial will be presented in song by the Dimmitt High School Choir and Middle School Choir on Columbus Day, Tuesday, in a concert at 7:30 p.m. in the Middle School Auditorium.

THE PUBLIC is invited to hear the program, at no admission charge. This is the first public appearance of the choirs in the current school year. Doug Henry is the director and Betty Hoover is the piano accompanist.

Traditional American songs, plus patriotic and pop numbers, will make up the program, with "The Fifty Nifty United States" as a rousing finale.

Other selections will include "Gonna Build a Mountain," "Joy to the World," "Rock Island Line," and "Tis a Gift to Be Simple."

A SPECIAL feature on the program will be a tap dance to the old favorite pop tune, "Sidewalks of New York," by three girls from the Middle School Choir.

When we invest in our 4-H programs, we're insuring the future of our community and our nation. Let's all support our 4-H'ers!

## Flower show entries invited by Tulia club

"Memoirs" is the theme of a fall flower show to be staged Saturday afternoon by the Tulia Garden Club in Ezra Jones Cafeteria of Tulia. It is open to all amateurs who wish to exhibit, and the public is invited to see the displays from 2:30 to 6:30 p.m.

EXHIBITS will be received at the show site between 8 and 10 a.m. Saturday, according to Mrs. Bayard Sadler, club president, and Mrs. Dewey Seay, show chairman.

The horticulture division will be emphasized, since garden clubs are chiefly concerned with growing plants. Specimen blooms must have been grown by the exhibitor, and each specimen shown in a soft drink bottle. Potted plants may be entered.

The horticulture division has been named "Patriots" in keeping with the Bicentennial theme, and arrangements in the artistic division will illustrate the name, "Spirit of '76". Schedule information is available from Mrs. A. D. Parker, schedule chairman.

Mrs. S. D. Nelson is chairman of entries, Mrs. C. L. White of properties, Leila Petty of publicity, Mrs. Wayman Featherston of hospitality and Mrs. Albert Devin of clerks.

## Farewell party set

A farewell reception for Dale and Betty Fowler, who are moving to Amarillo, will be held from 7 to 9 p.m. Sunday at the Castro County Country Club.

FRIENDS of the couple will be hosts, and invite others who have been associated with the Fowlers during their residence in Dimmitt.

Fowler has had the Ford dealership here about four years, and recently sold it. He has just completed a term as president of the Dimmitt Kiwanis Club, and both Mr. and Mrs. Fowler have been active in the business and social life of the city.

## Socially Yours

MR. AND MRS. LEO EHLY  
... To mark 30th anniversary Sunday

## Ehlys will celebrate wedding anniversary

Mr. and Mrs. Leo Ehly will celebrate their 30th wedding anniversary Sunday with open house at their home north of Nazareth, inviting neighbors and friends to call from 2 to 4 p.m.

THEIR SON and daughter-in-law, Mr. and Mrs. David Ehly of Amarillo, two grandchildren and other out-of-town relatives are expected to be present for the occasion.

Lynn Pearson of Tulia and Leo Ehly were married Oct. 8, 1946 in the Holy Family Catholic Church at Nazareth, with

Rev. Gregory Beckman officiating, and have lived in the Nazareth community since that date.

DR. KENNETH L. Denmark is the new studies and training specialist for the Texas Agricultural Extension Service. Denmark, who has served as the associate state 4-H and youth leader for the Extension Service for the past several years, fills the position formerly held by Dr. John T. Pelham.

## Silver tea-review slated Wednesday

The Dimmitt Book Club will hold its annual Silver Tea at 4 p.m. Wednesday, presenting Mrs. J. W. Walker of Plainview in a review of "The Canfield Decision" by former Vice-President Spiro T. Agnew.

THE PROGRAM will be in the club meeting room at Rhoads Memorial Library. Proceeds of the tea—an annual event of long standing—will be used to promote the support and use of the library.

Mrs. Harold Stephens has arranged for the review by Mrs. Walker, who is well known to Dimmitt audiences as a book reviewer. The Plainview woman is active in many fields of public service and has specialized in presenting dramatic summaries of books.

She has received two significant awards this year, one from the Texas Historical Commission for outstanding services in Hale County, where she spearheaded the drive to build the Llano Estacado Museum recently dedicated on Wayland College campus, and the other from West Texas State University, which named her one of 10 Distinguished Women of the Panhandle.

"THE CANFIELD Decision" is a novel which Mrs. Walker describes "as drama-packed as Agnew's own life while he held the office of US vice-president. His disclaimer that it is in no way biographical must be taken at face value, yet the book reveals an intimacy of knowledge that is possible only to one who has followed the experience in person."

Chief character of the novel is Porter Canfield, 48, the model of a vice-president—from a prominent family, with a Philadelphia socialite wife, a quick intelligence, poise and charm belying a ruthless ambition.

The book is the story of his struggle for power against a lame-duck President at a time when war clouds gather over the Middle East and unrest at home mounts over the President's domestic policy. The startling climax comes as the plot takes Canfield, bitten by the presidential bug, on a political tour that proves to be a fateful journey.

Mrs. J. W. Walker

IT IS a fascinating revelation of the men and women who surround men in power at work and play, written by one who has been there.

## Bride-elect honored

Debbie Hogue, bride-elect of Ray White of Tennessee, was the recipient of a shower of gifts Saturday afternoon in the home of Mrs. Jack Miller.

GUESTS were greeted by Mrs. Miller and presented to Miss Hogue, her mother, Mrs. Jo Hogue, and aunt, Mrs. George Bowen. At the guest book were Mrs. Baxter McSpaden, the former Karen Ackler, and Mrs. Ronnie Hutton.

Darla Hicks served punch and home-baked cookies from a beautiful table covered with an embroidered cloth imported from Panama and centered with blue carnations and white candles.

Assisting with serving were friends of the honoree, Mrs. Bennie Gray, the former Judy McLeroy, and Mrs. Clinton Whatley, formerly Cindy Powell. A houseparty of 22 helped show the gifts.

Miss Hogue and White will be married at 7 p.m. Oct. 23 in the Bedford Street Church of Christ.

We're proud of  
our 4-H'ers  
and enjoy  
working with them!

Health... Working

## For a Better World

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves... their families... their neighborhoods... and the nation. It's time to congratulate them: the country kids with their livestock and produce... the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.

Spirit of tomorrow  
NATIONAL 4-H WEEK

4-H'ers. They're today's young folks — working for a better tomorrow. Encourage their efforts, help them meet the challenges of the future. Their goals are to better our community — to keep America great. They acquire knowledge through experience — in the fields of agriculture and industry. They're determined to keep the wheels of progress turning. These young people with high standards are our boys and girls. We take pride in them because we know their worth.

### Senior earns commendation in Merit tests

Cheryl Sammamm, Dimmitt High School senior, has been named a Commended Student in the Merit program by the National Merit Scholarship Corporation, Principal D. W. Harkins has announced.

A LETTER of commendation has been presented to Miss Sammamm, daughter of Mr. and Mrs. Ernest Sammamm. She is one of 35,000 commended students over the nation recognized for outstanding performance in the 1975 National Merit Scholarship qualifying test.

These students represent less than two percent of the nation's secondary school seniors. Commended students scored below the level required for the 15,000 semifinalists who will continue in the Merit Scholarship competition, but their test performance indicates exceptional academic promise.

"Their attainment in this nationwide competition deserves public recognition," Edward C. Smith, president of the NMSC, said. "Commended students should be encouraged to continue their education; our nation as well as the students will benefit from their further educational and personal development."

To increase their opportunities for college, NMSC makes lists of the commended students and their home addresses available to regionally accredited colleges.

## Children's home visited

By TEENY BOWDEN

Mrs. Martin Lefevere, Mrs. Lee Bradley, Mrs. George Anderson, Mrs. David Sadler, Mrs. Carl Dean Carson and Mrs. Lonnie Wilson had dinner in Lubbock Tuesday and visited at Buckner's Children's Home in the afternoon.

REV. AND MRS. Raymond Jones, Mr. and Mrs. Roy Phelan and Mr. and Mrs. Thomas Parson attended the Llanos Altos Associational meeting in First Church at Littlefield Monday night.

Mr. and Mrs. Barry Pittman moved from the community to Springlake Farms west of Earth this week. He is employed at the feed lot. She is working at Citizens State Bank in Earth.

Mr. and Mrs. Van Wilson moved from the community to Graham Wednesday. They spent Tuesday night with Mr. and Mrs. J. C. Holbrooks.

Alton Loudder, Leslie Loudder, Mr. and Mrs. Ezell Sadler and Mr. and Mrs. L. B. Bowden attended the funeral services of a cousin, Lucy Jo Loudder, in Canyon Wednesday afternoon. She passed away in the Canyon Hospital Monday afternoon. Mr. and Mrs. Bowden visited with the family Tuesday afternoon.

MRS. EMBREE Roy Sadler attended the Plains Memorial Hospital Auxiliary workshop at the hospital Tuesday morning. One is scheduled for all day each Tuesday to prepare items for the Christmas bazaar.

Correction: Joyce Taylor was also survived by another sister, Alene Nance of Lubbock, left out of last week's paper.

.45 of an inch of rain was received in the community Monday night. A trace from light drizzle was received Saturday.

Mr. and Mrs. Gale Sadler visited in Springfield, Mo. with her father E. E. Lewis Wednesday through Saturday, also with other relatives. Susan stayed with Mr. and Mrs. Martin Lefevere.

THE WMU council met at the church for an annual planning meeting Monday afternoon with the director, Mrs.

Thomas Parson, in charge. In church conference Wednesday night it was voted to discontinue the opening exercises or devotional period in Sunday School. Everyone will go directly to their classes at 10 a.m. and will not be counted present if they are not in class when the report is turned in.

Ronald Henderson of Plains, Kan. and Terry Guy of Colorado Springs spent Thursday night with Mr. and Mrs. J. C. Holbrooks.

Mrs. J. C. Holbrooks has her leg in a splint for a while due to a knee injury she suffered in a fall in the spring.

Mr. and Mrs. E. R. Sadler have been in Lubbock with their grandchildren, Gregory and Amy Sadler this week Wednesday through Saturday. They brought them home with them Saturday night and took them home Sunday night.

LEE AND Lynn Brown and Gale Jones attended the South Plains Fair in Lubbock Saturday.

Mrs. Bruce Bridges and girls had dinner with Mr. and Mrs. Howard Bridges in Dimmitt Thursday. Mrs. L. B. Bowden visited with them Saturday afternoon.

Mr. and Mrs. Ralph Hill of Hereford and Mrs. V. E. Bear den of Hart visited last Sunday with Mr. and Mrs. Noah Spencer.

Mr. and Mrs. Olvis Spencer, Blake and Lisa of Cumberland, Md., arrived Saturday night to spend a few days with his father Mr. and Mrs. Noah Spencer and Lyle and grandparents Mr. and Mrs. John Spencer. They attended the Sunday morning worship service with the Noah Spencers, also Mrs. Ann Lay of Hereford attended with them.

MR. AND MRS. Clyde Akers of Lubbock and Mr. and Mrs. Howard Spencer of Red River spent the weekend with Mr. and Mrs. John Spencer. They and Mrs. Ann Lay of Hereford, Mr. and Mrs. Olvis Spencer and children and Mr. and Mrs. Noah Spencer and Lyle were Sunday dinner guests of Mr. and Mrs. John Spencer.

Mr. and Mrs. Jake King visited recently with Mr. and

Mrs. David Sadler and girls, Mr. King is working again for half a day or more.

Phillip Jones was dismissed from Methodist Hospital in Lubbock Saturday after being hospitalized there and at Littlefield for about 10 days. He underwent extensive tests and was also given some therapy to relieve rheumatoid pain.

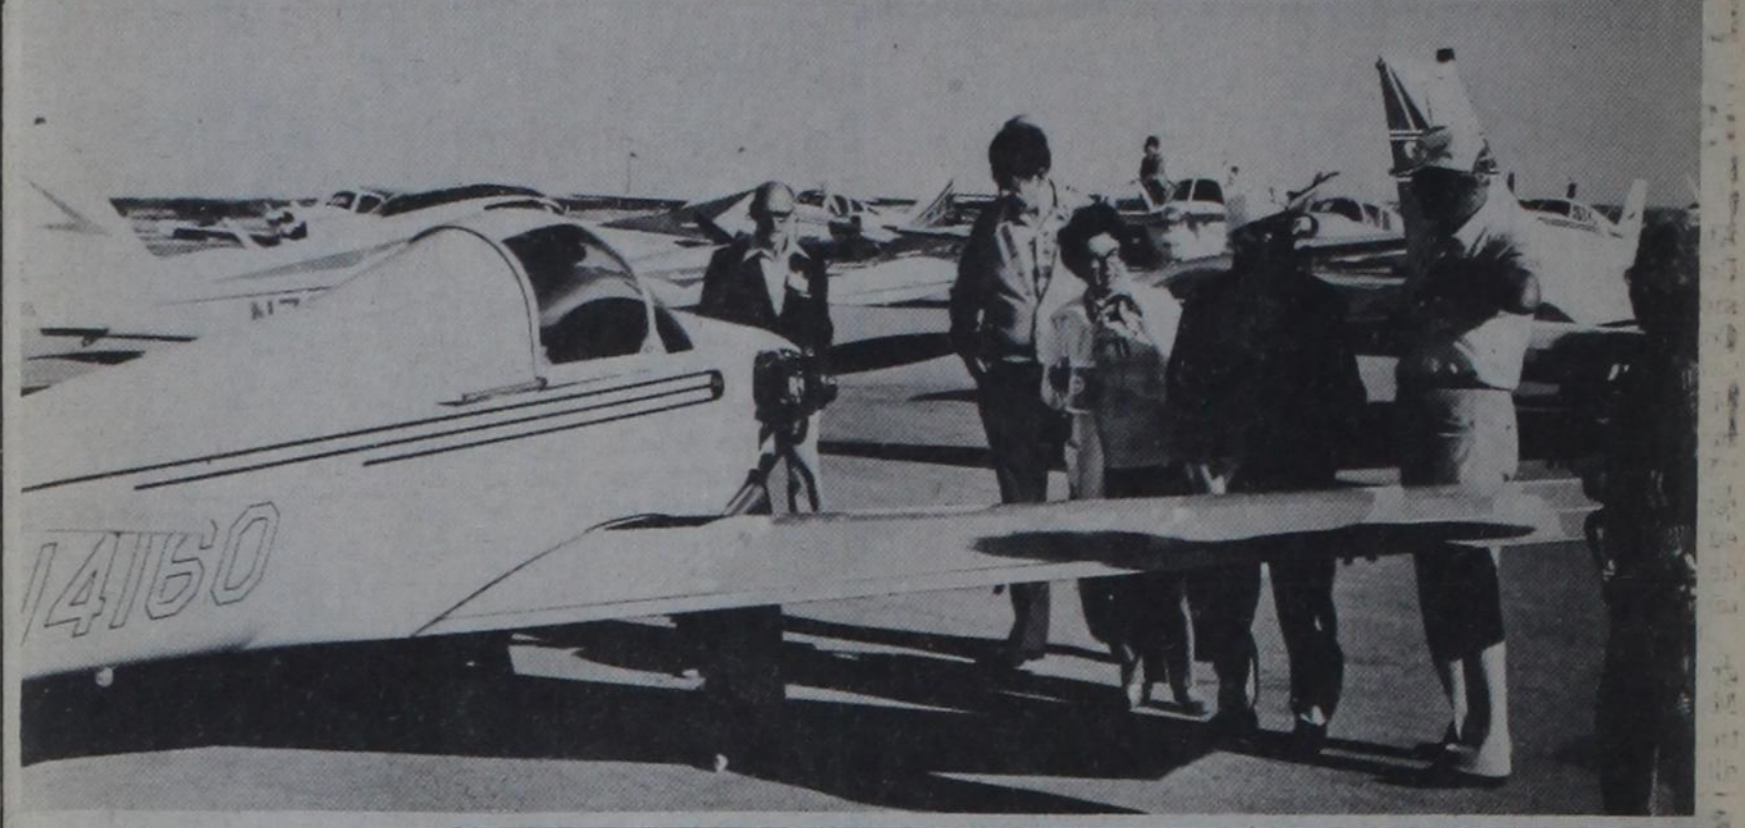

Laura Sadler, Melody Sadler and Cinnamon Cox became new members of Brownie Troop 133 at an investiture service in the First United Methodist Church in Dimmitt last Tuesday night.

MR. AND MRS. Roy Phelan had dinner in Fieldton with Mr. and Mrs. Earl Phelan, and attended the church services with them Sunday night. After the service they all visited Mr. and Mrs. Ray Muller of Fieldton.

Mr. and Mrs. Jerry Shive, Jennifer, Jason and Jill of Amarello, Mr. and Mrs. Carmon Pigg, Kirk, Vanessa and Jeffery of Dimmitt, Mr. and Mrs. Ralph Hill of Hereford, Mr. and Mrs. Alan Shive and Donnie Shive of Dimmitt, Mr. and Mrs. Olvis Spencer, Blake and Lisa and Mr. and Mrs. Howard Spencer had supper Sunday night with Mr. and Mrs. Noah Spencer and Lyle. Olvis had breakfast Monday morning with his grandparents Mr. and Mrs. John Spencer.

78 attended Sunday School the first Sunday in the new church year. The goal was 83. Goal for next Sunday is 85. The Sunday night worship service consisted of a cassette tape of Rev. W. A. Parks of the Falcon Heights Baptist Church explaining the work of the Rio Grande River Ministry that he is involved in. Accompanying slides were shown to emphasize the work as he talked about it.

THE individual has a strong desire to become himself; given a favorable psychological climate he drops the defensive masks with which he has faced life, and begins to discover and to experience the stranger who lives behind these masks—the hidden parts of himself. —Carl R. Rogers

MOONEY MITE—Of all the 68 planes from throughout the US that landed at Dimmitt Airport Sunday morning on the Texas Air Tour, this 21-year-old Mooney Mite drew the most attention. Its owner, "Pop" Poplawski of Ennis (third from right) is an award-winning aircraft paint designer. The plane is painted bright yellow with black-and-white accent stripes. It's a one-place miniplane powered by a Rolls-Royce engine.

### What's cooking at the schools

HERE ARE the school lunch menus for Dimmitt Schools for Oct. 11-15.

MONDAY — Cubed beef and gravy, creamed potatoes, green beans, fruit, rolls, butter, milk.

TUESDAY — Pinto beans, spinach, beef tidbits, cornbread, peanut butter cake, milk.

WEDNESDAY — Hamburgers, blackeyed peas, pudding, milk.

THURSDAY — Pizza, corn, tossed salad, gelatin, milk.

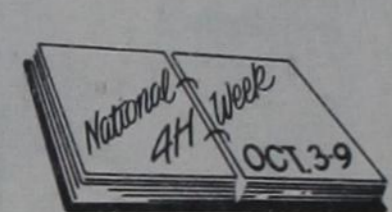

FRIDAY — Stuffed wieners, peas and carrots, little whole potatoes, cookies, rolls, milk.

FABRIC stains caused by fruit juices, artificially sweetened soft drinks or alcoholic beverages are sometimes invisible. Prolonged storage or heat used in drying or pressing caramelizes the sugar, causing a noticeable yellow, tan or brown stain.

We're proud of our 4-H'ers, and of the parents and adult leaders who work with them to make 4-H one of the finest programs in the country for young people.

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

# Difference in values is sorority subject

A guest gave the program for Alpha Epsilon Tau chapter of Beta Sigma Phi at its recent meeting in the Castro County Country Club.

ANN FORD of the Plainview Mental Health and Mental Retardation Center spoke on "Values and How They Differ." She told a story, illustrated with sketches, then asked her audience to rate the characters of the story.

The group participated in a group value game directed by Mrs. Ford, who pointed out that values of all individuals differ no matter how much the

persons are alike in other ways. Mary Jo Ray, a member of the sorority transferring from Pekin, Ill., was introduced.

Final plans were made for the Harvest Hoedown which was held Saturday at the Panhandle Compress, with music by Tiny Lynn and his band.

Hostesses for the meeting were Patricia Braafladt and Roxie McLean.

EVERY human being is responsible for himself, and not under obligation to meet the expectations of others.

-Fritz Perls

### PLAINS MEMORIAL

Mr. and Mrs. George Escamilla are the parents of a boy, Christopher George was born Oct. 1 and weighed 7 pounds, 4 ounces.

Mr. and Mrs. Robert Soldevilla of Hereford are the parents of a boy, Roberto Jr. He was born Oct. 1 and weighed 8 pounds, 3 1/2 ounces.

Sen. Max Sherman

## Sherman will be speaker at PPPA luncheon

Dr. Mitchell Jones, President of the Panhandle Planned Parenthood Association has announced that Sen. Max Sherman will be the guest speaker at the Association's Sixth Annual Meeting, which will be held at noon Oct. 12 at the Amarillo Country Club.

SHERMAN helped organize the Panhandle Planned Parenthood Association and has actively participated in the Planned Parenthood program since 1968.

He is a native of Phillips, a graduate of Baylor University and holds a law degree from the University of Texas.

In addition to official duties and committee assignments, he finds time to be active in Kiwanis and Jaycees having been honored by receiving the "Young Man of the Year" award.

Panhandle Planned Parenthood provides family planning services for a 26 county area of the Texas Panhandle. There are approximately 300 people directly involved in the program, working as physicians, pharmacists, volunteers, board members, committee members and staff workers.

Invitations are extended to anyone interested in attending the annual meeting. Tickets for the meeting and luncheon are \$5 per person. Reservations can be made at the Amarillo Planned Parenthood office, 604 West 8th, Amarillo, by Oct. 8.

## Small Talk

By SUE COLEMAN

A new policy of the Dimmitt Rotary Club is a break for me, giving me a chance to meet wives of the men with whom I've become acquainted in my job assignment of attending the club luncheons. Now the Rotary-Anns are to be guests on the last Friday each month.

PART OF my job is to cover both Rotary and Kiwanis meetings, and sometimes I'm the only woman present. Not that this is a complaint—it's nice work if you can get it.

And in case one of those clubmen in a teasing mood is telling his wife the newspaper gal is a cute chick, let me explain quickly that he's probably about the right age to be my oldest son, or a grandson.

HAVING the Rotary-Anns at the final September meeting meant that my table neighbors included Martha Dannevik and Sue Broderson, whom I'd already met, and afterward friendly Mauzee Youts introduced herself; somehow I've just missed getting acquainted with her.

Across the room, Dan Nelson was flanked by his pretty daughter Mel, the Rotary Club sweetheart, and his wife, Hazel, so I could see where Mel gets her good looks. And the back of Geraldine Chaney's head was in view also, tempting me to just plain envy of her gorgeous platinum hair.

## Homemakers to see new homes

A tour of new homes in Dimmitt will feature the program for the Dimmitt Young Homemakers at their meeting at 2 p.m. today (Thursday) in the City Hall Assembly Room.

Following the tour of homes recently built by Justice Real Estate the members who wish may stay and play card games. Refreshments will be served.

All members are asked to attend, and young women of the community who are interested in homemaking are invited.

HOME-CANNED tomatoes packed too loosely or being processed too long. To prevent floating, harvest tomatoes that are firm-ripe, pack tightly, but do not mash, and process according to tested instructions.

# BEST OF WISHES 4-H CLUB MEMBERS

As we extend congratulations to 4-H Club members, we look to the future... for the 4-H'ers of today are the leaders of tomorrow. Since today they do so much toward building a better community and country, we can be sure that tomorrow, our future is in good hands. Let's "Expand 4-H"... and may 4-H activities and ideals ever flourish.

# Congratulations

It's great to see our 4-H'ers at work.

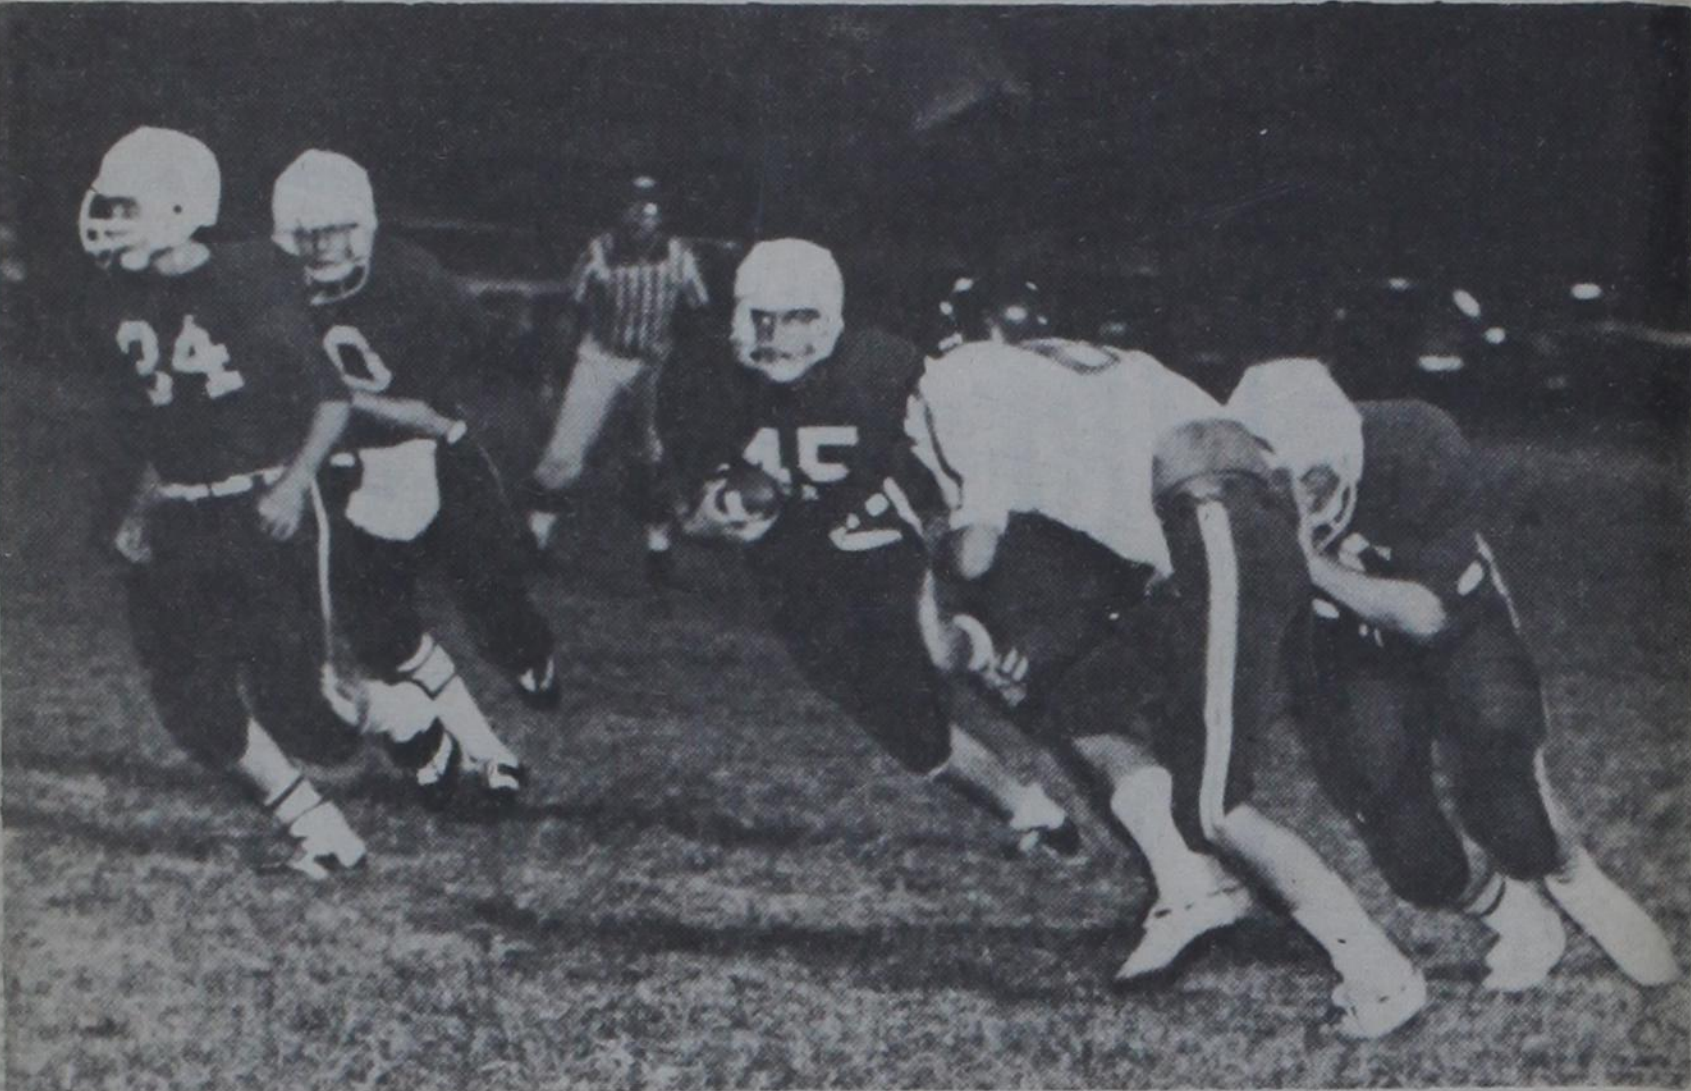

They learn through doing many important things in their community. From raising livestock and canning preserves on the farm... to cleaning up parks and planting trees in the city. Through their 4-H Club experience, these boys and girls; young men and women learn to take pride in their work, and in themselves. They become skilled farmers and homemakers, self-assured individuals, compassionate friends and responsible citizens... in short... better people. With pride and respect, we salute these 4-H members for the valuable job they do.

SWIFTS SWEEP—Led by a host of blockers, Nazareth's Dwayne Heck carries for good yardage against Whiteface in the Swifts' Homecoming game Friday night. The Swifts missed several scoring opportunities—including a last-minute field goal that ricocheted back from the crossbar—and the game ended in a 6-6 tie. [Photo by Shelly Cross]

# Swifts tie 'Lopes, 6-6

By BRENDA DURRETT

Nazareth, bobbling many scoring opportunities, battled Whiteface to a 6-6 deadlock Friday night at Swift Field before a disappointed Homecoming crowd estimated at 500.

DAVID NOLES returned a Swift punt 97 yards early in the third quarter for the Antelopes' only score, and the Swift defense held Whiteface on the run for extra points.

Kenny Brockman scored Nazareth's touchdown on a quarterback keeper with four minutes left to play. The Swift junior carried it in from the 6-yard-line to tie the game, 6-6, but the Swifts were stopped short on their run for extra points.

Nazareth's Wayne Heiman attempted a 15-yard field goal with seven seconds left in the contest, but it hit the crossbar and bounced back, thwarting the Swifts' hopes of a Homecoming victory.

Nazareth moved the ball deep into Antelope territory six

times, but penetrated the end zone only once in the frustrating contest.

THE TIE left the Swifts with an 0-4-1 record for the season, while Whiteface stands at 1-3-1.

Early in the first quarter, Alex Hochstein recovered a Whiteface fumble on the 50-yard-line, and the Swifts drove to the Antelope 4. Derwin Huseman connected on a 15-yard field goal but it was nullified because of a holding penalty.

Whiteface took over on the 20, and fumbled again on second down. Nazareth recovered the ball on the Whiteface 20, but was unable to penetrate the Antelope defense.

WHITEFACE was forced to punt on the next set of downs, and the Swifts found themselves in good scoring position again on the Whiteface 30 with 30 seconds left in the first quarter. But a Swift fumble ended that offensive drive.

Early in the third quarter, the Swifts pushed to White-

face's 35, but were unable to score. Huseman punted, and Noles ran it back 97 yards for the touchdown with 8:50 remaining in the third.

Neal Wilhelm almost returned the favor as he ran the kick-off back to Whiteface's 15. But the Swifts, hurt by an untimely penalty, couldn't move the ball any closer, and Whiteface took over on its 10.

The Antelopes had to punt again on the next set of plays, and the Swifts were in scoring range once more on the Antelope 25, with four minutes left in the third quarter.

At the three-minute mark, Huseman—the Swifts leading rusher with 60 yards—was thrown out of the game.

Nazareth's only touchdown was set up by a third Whiteface fumble which Clayton Acker recovered. Brockman scored for Nazareth on the next play.

With 2:30 remaining in the game, Whiteface's Noles dropped the ball and Nazareth's Chris Book recovered on the Antelopes' 33.

Heiman's 15-yard field goal would have clinched the win.

Nazareth will host Lazbuddie (2-3) in an 8 p.m. District 2-B North Zone clash Friday.

Lazbuddie dropped its Friday night game to Motley County, 39-7. Motley defeated the Swifts, 20-6, Sept. 24.
