BILL CLEMENTS
Republican governor?

In one of the biggest local turnouts in the state Tuesday, Castro Countians helped send Dimmitt native Kent Hance to Congress and gave M. L. Simpson Jr. a narrow write-in victory over incumbent County Judge Weldon Bradley.

Sixty-three percent of the county's registered voters cast ballots in the 16 precinct boxes Tuesday (2,696 of 4,252). Although the turnout didn't challenge the record 76% posted in 1976, it was almost twice as high as the statewide turnout in the "off year" election.

County voters gave Hance a resounding 2,099-438 margin over Republican George Bush Jr. in the race for the 19th District seat in Congress.

District-wide, Hance won by a comfortable margin. Bush conceded the race at 10:45 p.m. Tuesday with a phone call to Hance, who was waiting out the election returns at the Lubbock home of his campaign chairman, Mike Higgins. At that time, all returns were in except for several northern counties, including Castro.

"I think you'll see the county pull out from the city-county law enforcement services we now have—the jail and the dispatching service," Bradley predicted. "I think the new county commissioners' court will vote after the first of the year to make the city build its own jail and hire its own dispatcher."

Asked if he is committed to such a "Hart coalition," Simpson—who helps operate a family dairy north of Dimmitt—replied, "I have worked with Ed (Bennett), that's true. But we have nothing up our sleeves—that just isn't my policy. I've made no deals with anyone."

In the county's other spotlight race, Jimmy Davis defeated Keith Lemons by a margin of almost 3-1 for the county-district attorney's post.

Davis' victory of 1,648 to 603 ended a long legal feud which started when Lemons successfully sued to have Davis knocked off the Democratic Primary ballot. Suits and counter-suits went all the way to the Texas Supreme Court before Davis received the County Democratic Executive Committee's appointment as the Demo nominee, forcing Lemons into a write-in campaign.

In statewide contested races, Castro Countians stayed in the Democratic Party column.

Local voters gave Democrat Bob Krueger a 1,336 to 1,092 nod over Republican incumbent John Tower in the US Senate race. Statewide, the count was still too close to call at presstime.

In the governor's race, Democrat John Hill received 1,637 votes to Republican Bill Clements' 865 in Castro County. But statewide, Clements held the lead at presstime Wednesday and seemed on the verge of becoming Texas' first Republican governor.

Castro Countians voted to return Lt. Gov. Bill Hobby to another term. Hobby received 1,821 votes to Republican challenger Gaylord Marshall's 534.

Democrat Mark White received 1,554 votes to Republican Jim Baker's 869 here for attorney general. And in the race for railroad commissioner (unexpired term), Castro Countians favored Democrat John H. Poerner over Republican James W. Lacy by 1,768 to 511.

Candidates of the Raza Unida Party and the Socialist Workers' Party received only a smattering of votes here. Raza Unida's Mario C. Compean got 51 votes for governor to pace the ticket among the minority-party candidates.

Heading the county ticket among local uncontested candidates was Oleta Raper, Democratic nominee for county treasurer, who received 2,214. She was followed closely by County-District Clerk Zonell Maples with 2205.

For complete, unofficial tabulations of county returns, precinct by precinct, see Page 14.

Because of the local write-in campaigns, Castro County was one of the last in the area to report its final returns. Election workers in Precinct 2 in Dimmitt—the county's largest box—finished their counting at midnight. The last tally sheets delivered to the courthouse were from Precinct 6 at Hart at 1 a.m.

In the county judge's race, Simpson became the first write-in candidate ever to win a county-wide post. He defeated incumbent Judge Weldon Bradley—who had won the Democratic nomination unopposed—by a 35-vote margin, 1,151 to 1,116.

Republican Sam Killough, also a write-in candidate, received 259 votes.

Meanwhile, in Commissioners Precinct 4, Democratic nominee Al Maurer withstood a write-in challenge from Gilbert Schulte. Maurer won the race, 253-135.

Judge Bradley, after helping tally the totals in his own defeat, said he held "no animosity toward anybody," and that he would not ask for a recount.

"I think it was a clean campaign and a fair election, and I wish M. L. the best," he said.

Bradley saw his defeat and Maurer's election as a victory for a "Hart coalition" headed by Commissioner Ed Bennett. Simpson received strong support in Hart, and Maurer has been employed by Bennett in Precinct 1.

52nd Year — No. 6 Dimmitt, Texas, Thursday, November 9, 1978 16 Pages Plus Supplement

New water system finished

Dimmitt's new well field and reservoir six miles south of town will be officially phased into the city water system with ribbon-cutting ceremonies today (Thursday) at 10:30 a.m.

Mayor Elmer Youts—who proposed, pushed for and defended the new well-field site—will cut the ribbon at the fenced-in complex, which includes three six-inch wells, a million-gallon reservoir and an automatic pumping station.

Also taking part in the ribbon-cutting will be City Commissioners Chet Braafladt and J. R. Brown, City Manager Garnett Holland, representatives of H. B. Jordan & Co., Inc., the prime contractor, Chamber of Commerce officials,

and subcontractors. Persons interested in attending the ribbon-cutting are asked to meet at the city hall at 10:30 and form a caravan to go to the new well site for the ceremony.

The new well field already is in operation. City officials made their final inspection of the site Monday, along with project engineer Glenn Sparkman and consulting engineer Bill McMorries. And Monday night, the city commission voted to accept the project.

The field's three wells, pumping 550 gpm each, make 2,376,000 more gallons per day available to Dimmitt residents. And with a 2,000-gpm booster pump system pulling from the new million-gallon reservoir, the new field can add as much as 2,880,000 gallons per day to the city water lines if needed.

The new well field increases the city's water supply by two-thirds. Present wells inside the city—several of which are declining in output because of draw-down—are currently pumping approximately 3,600,000 gallons per [See NEW WATER, Page 14]

MUDVILLE—A heavy rain Friday night was good for the wheat, bad for the cotton and soybeans for motorists trying to steer through the road construction projects in downtown Dimmitt and on US 385 south. This car and many others became mired in deep mud downtown after slipping off the pavement or running the warning signs. And on US 385, where only

one paved lane remains open north of Sunnyside, many southbound cars and trucks slipped into bar-ditches and had to be towed out. Dimmitt received 1.35 inches of rain Friday night, followed by a drippy weekend. Rainfall of up to two inches was reported in some parts of the county.

UW tops \$10,000

United Way pledges and contributions topped the \$10,000 mark this week, according to Joe Josselet, campaign chairman.

As of Wednesday morning, the UW total stood at \$10,034.08.

This is 57% of the 1978 goal of \$17,681.

Josselet urged people to turn in their pledge cards.

"Forty percent of the cards are still out," he said, "and we would like to wrap up the drive by the Thanksgiving holidays."

Funeral rites are held for G. B. Duncan

Funeral services were held Monday for G. B. Duncan, 82, at the First Baptist Church. Officiating were Rev. John Street, pastor, and Rev. Tom Burnett, assistant pastor.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home. Mr. Duncan died early Saturday in Plains Memorial Hospital.

A retired contract painter, Mr. Duncan had lived in Dimmitt since 1931, when he moved from Pampa. He was born at Belcherville and married Lillie Bailey Oct. 12, 1919 at nearby Nocona. They lived for a time at Burk Burnett before they moved to Pampa.

He is survived by his wife; one daughter, Bernice Hill of Dimmitt; two sons, Glenn of Dimmitt and Robert of Amarillo; two brothers, Roy of Nocona and Henry of Heber Springs, Ark.; one sister, Mary Stewart of Nocona; four grandchildren and six great-grandchildren.

Serving as pallbearers at the funeral were Bill Bunch, Billy Hackleman, Virgil Justice, Weldon Bradley, Edgar Dennis and Don Hargrove.

Banks, some offices will close Friday

Both the Dimmitt and Hart banks will be closed Friday to honor Veterans Day, which falls on Saturday.

Also the Southwestern Public Service office and federal government offices will close Friday.

Post offices in the county will be open Friday but will not deliver mail Saturday. City of Dimmitt offices will be open Friday, the city manager's office indicated, and all county offices are expected to remain open also.

Observance of Veterans Day reverted to the traditional date, Nov. 11, after a time when the national plan of holiday observance on the nearest Monday was in effect.

Veterans' organizations led the move for the change back to the original date, which began as a celebration of the anniversary of the armistice that ended World War I in 1918.

Cats play for title

Dimmitt's Bobcats will play their most important football game of the season Friday night when they host the league-leading Muleshoe Mules.

And the Bobcats plan to win it.

The electricity is in the air, and voltage will build through a pep rally at 3:10 p.m. Friday.

"We'd like to see everybody in town at the gym for the rally," Head Coach Jerry Vance said.

The high-kicking Mules, once ranked among the state's top 10, stand at 3-0 in the District 3-AA race. Dimmitt and Littlefield, with 2-1 marks, are the only other teams still in the championship race.

"Muleshoe has a tremendous team," Vance said, "but they can be beaten. Idolou beat them fair and square, and Littlefield ran up 300 yards against them."

"Our best defense is going to be ball control," he added. "We've got to keep it away from them."

If Muleshoe wins Friday, the championship race is over. But a Dimmitt victory would give the Bobcats a chance to tie for the title, or maybe even win it outright.

"The kids are real excited about the game—they want that trophy with their names on it," Vance said.

"No matter who wins Friday night, it's going to be a heckuva game," Vance predicted.

Rains help wheat but delay harvest

Windup of the harvest in milo, sugar beets, carrots and soybeans was delayed several days by weekend rains which were generally welcomed by Castro County farmers as a boost for the wheat crop and a source of soil moisture that is always needed in this area.

Rainfall amounts totaled 1.4 inches at the KDHN gauge which makes the official measurement for Dimmitt, to about 2.5 inches in the eastern part of the county. Most of the rain came Friday but Sunday afternoon showers added more in some places.

The largest amount was reported from Farmers Grain at Hart, 2.6 inches, while Dimmitt Agri Industries' office at Nazareth measured 2.4 inches and Easter Grain reported 2 inches. At Flagg Grain the total was 1.75 inches and at Sunnyside 1.7 inches "with more to the south."

Sunny days the first of this week were drying the fields, and elevator managers over the county at midweek were hoping the milo and soybean harvest could soon be completed.

Freezing nights did not appreciably damage either, and one elevator manager said "the milo was ready for a freeze" and added that there was not much damage from the rain since there was little wind.

Estimates were that harvest was 85 percent or more completed. Soybeans, a surprisingly good crop in the county this year with more than usual

acreage, are also mostly harvested. Yields up to 50 bushels an acre are reported.

The halt in beet harvesting has not caused serious problems at the Holly Sugar plant at Hereford where the area crop is marketed, according to Calvin Jones, Holly's agricultural manager. He said the harvest is about finished and the sugar content is still climbing.

Irrigated and dryland wheat benefited from the moisture and will be in top shape for grazing the large number of stocker cattle that have been moved into this area.

Cotton harvest should get into full swing as soon as the fields are dry, gin operators said. The hard frosts of this week have killed the foliage and helped open the mature bolls.

Lions to serve pancakes Friday

The Dimmitt Lions Club will serve "all the pancakes, bacon and sausage you can eat" at its annual Pancake Supper Friday evening, before the Dimmitt-Muleshoe football game.

Serving will begin at 5 p.m. in the Dimmitt High School cafeteria, and will continue until gametime at 7:30. Admission will be \$1.75 for adults and \$1 for children 12 and under.

Diners will have their choice of coffee, tea or milk to go with the meal.

Wayland band to perform at half time

Half-time entertainment at Friday's Dimmitt Bobcat game with Muleshoe will be by the Wayland Baptist College Band from Plainview.

After performing for the half-time exercises in Dimmitt the band will then go to Hart to perform for them.

Since Wayland has no football team, the band accepted an invitation to come to Dimmitt and Hart for gridiron performances, DHS Band Director Ralph Smith said.

Turkey shoot is scheduled at Sunnyside

A turkey shoot sponsored by the Sunnyside Lions Club is announced for Sunday afternoon, from 1 p.m. until dark, at the trap shoot area three-quarters of a mile south of Sunnyside on Hwy. 385.

Prizes for the shooters will be turkeys and hams. Everyone is invited to compete, and each may use his own ammunition or ammunition will be available at the site.

Proceeds will be used for Lions Club projects, according to Charlie Jones, president.

Hance happy at majority given him by home county

"We were glad when the returns from the Castro County boxes came in. It was great—just super," a jubilant Kent Hance told The News by telephone Wednesday morning after his election as the first native of this county ever to go to the US Congress.

"I knew the Castro County returns would be late, with all the write-in campaigns there. We were awfully proud to tell people all through the campaign that we were from Castro County, and were especially proud on election night when we got such a

victory at home," Hance said.

"We were glad to get the election behind us—it seemed like it had been a long, hard campaign," he said, adding that he will take his first trip to Washington probably in November to begin setting up a staff.

Hance will be the second person to hold the 19th District seat in the House of Representatives. Retiring Rep. George Mahon of Lubbock was elected to the place when the district was formed in 1934.

"Right now, Carol and I are taking four days off to relax a little bit," Hance said from his Lubbock office. "I can't say enough for the sacrifices my wife and kids made during the campaign. They were tickled to death last night."

He said his margin in the rural areas of the district was more than 6,000 votes, and also he received more votes than he had expected in Midland and Ector Counties, home territory of his opponent Republican George Bush Jr.

"We can't say that any one county or area carried it for us—they all counted," Hance said. "I think the big factors in our victory were the experience and our volunteer workers. Bush had a tremendous amount of money, and

it's rare that somebody is outspent the way we were and still wins. We did it because of our volunteer workers."

"The Republicans considered this their number one race in the state of Texas," he added. "They won some of the other available seats, but we were real pleased to win this one despite the money they spent."

Band Boosters plan big sale

A big garage sale is planned by the Bobcat Boosters for Nov. 16, 17 and 18, and members are at work now collecting items to be sold.

"We will take anything that is salable—household items, furniture, tools, clothes, toys or whatever—and appreciate the donations," George Howell, Boosters president, said.

Residents who have items to give are asked to notify Howell at 647-3161, or any member of the club, to have them picked up. Place of the sale had not been determined Wednesday.

During the sale days, everyone is invited to attend, browse and buy to benefit the Booster Club, Howell said.

Barbecue supper to aid in Nazareth band trip

Nazareth's school band is getting ready for a trip to El Paso Thanksgiving to play by invitation in a parade opening annual Sun Carnival events. Bank backers are getting ready for a barbecued beef supper Sunday to help finance the trip.

The trip is due to begin Nov. 22, when 60 band members and adult sponsors will leave by school bus, Band Director Steven Clary said.

The supper sponsored by band parents and the Knights of Columbus will begin at 6 p.m. Sunday in Nazareth Community Hall, early enough that those who want to attend the senior class play that evening will have time.

Tickets will be priced at \$3 for adults and \$2 for those aged 12 and under.

The El Paso trip will be the first such excursion ever made by a school band from Nazareth, Clary said.

In addition to the parade which will open annual holiday season festivities in the border city, the band members will go across the Rio Grande into Mexico and will present a concert in a Juarez shopping center.

Enroute to El Paso and back they will stop at sight-seeing spots including Carlsbad Caverns and the White Sands. They are to return to Nazareth Nov. 26.

Sheffy's Chatter

Two grandmothers are entertained with sightseeing

By MYRTLE SHEFFY

Mrs. Clayton Graef and Mrs. Mayla Whon of Lazbuddie are home from a good trip to Nashville, Tenn., where they visited their mutual granddaughter Sharon and James Patton.

yellow. Models wearing straight leg pants with tunics over blouses. Many skirts and blouses. They got to go up in the glass elevator to the 50 story high reunion tower, a fantastic cafe that revolves, where they could see the city of Dallas.

Gordon and LaVerta Fore visited friends, the M. G. Thompsons, in Clovis Sunday and another day LaVerta visited friend Ethel Westwall in Amarillo and attended to business for her aunt.

Betty Worrell of Sunnydale, that is near Mesquite, is here to visit her mother, Leola Haberger, who is much improved. And Jack Cowser is at St. Anthony's for treatment and a checkup.

Bob and Pat Anthony went to Tech at Lubbock to attend a reunion of his class and also the big game that the Tech Red Raiders won over Baylor.

Mrs. Lula Wood of Guyton, Okla. has been here for a few days visit with her daughter Betty and Truman Touchstone and she also stayed on for a few days more with granddaughter Beth West while the Touchstones went to Phoenix on business.

Jeanie Miller was hostess at a dessert and bridge party Thursday. I heard she served that delicious strawberry sweet to Ceal Carlile, Dorothy Elder, Virginia Gilbreath, Betty Huckabay, who won high score, and Maxine Tidwell, also a high scorer. Edna Riley was there too and Anita Morris.

Mr. and Mrs. Leonard Wooten of Waurika, Okla. were in Dimmitt a few days visiting brothers Richard and Ruth and Jesse and Ruby. Seems this was just a family get together.

Fred Allen had a very special guest at dinner out last Sunday. She is Miss Thriess Bingham from Abilene. Thriess teaches music in one of the schools there, and you know that Fred is director of the junior band. They are planning a concert for Dec. 15. He will give us the program later, the band is always good.

Diane Axtell, Stefanie Love, Loys Raymer and Deanne Clark saw the opera La Boheme last Saturday night in Lubbock. They thought it was outstanding.

Dimmittites seen in Lubbock at the Tech ball game

were Carl and Gail Bruegel, George and Carolyn Sides, Deanne and Bill Clark, Russel and Myrtle Lois Moran and Lois and Charlie Wales.

The Roberts-Connor wedding rehearsal and dinner was held in Lubbock this past Saturday. Melody and Jerry Wyatt, former intern at the Methodist Church here, were there from Midland.

L. C. McLain of Hart has been in the hospital in Plainview this past week. He is recovering nicely from surgery.

Helene McFarland of Arney went to Ghost Ranch, Albuquerque, N.M. for a 2-week painting workshop. Tony Van Hassel from Tulsa was the leading artist. Helene says she had a ball.

Mrs. George Bradford was hostess with a luncheon and bridge party Friday. She served salads and that good fruit cake to Virginia Gilbreath, Retta Cluck, Cletha George, Carolyn Copeland, Dorothy Elder, Tina Rawlings, Betty Renfro, Bobbie Damron, Billie Cluck, Myrtle Sheffy, Gladiola Shipley won high score and Josie was also a high scorer.

Ruth Jackson had her bridge playing friends in for games Thursday afternoon. She served a dessert to Carolyn Jones, Shirley Wise, Doris Lust, Jo Eddie Riley, Ina Cleavinger, Polly Simpson, Nancy Ross and Virginia Hansen.

Thomas McGuire, student at Tech, was home to see his folks the Luke McGuires and he sang a solo at the Methodist Church. Nice to have the students home and in church.

Many Dimmitt people went to Nazareth for the good turkey dinner and many side dishes served at the Nazareth Parish Hall. Seems Mrs. Anthony Acker and daughters did much of the cooking. Several Dimmitt ladies were helping her in the kitchen. I saw Doris Lindsey, Ina Cleavinger, Mary Jo Birdwell, Koma Ratcliff, Gwen Bryant, Barbara Little, Nancy and Carmen Cantano, Derrel and Dorothy Musick. The money went into the Cancer Fund.

Linda and Richard Perry of El Paso were visitors of her parents Fred and Helen Kuntz last week and the grands Alice and Wes.

Among those attending the Tech game were the G. L. Willis and daughter Sherri and Gene Bradley and two sons.

Bruce Bryant, who lives on Sunset Circle, was 12 years old last Sunday, so his mom Gwen made a cake and had Cokes and that kind of stuff for a bunch of boys. They also played football. These are the guys: Greg Sava, Nathan Nelson, Billie Patton, Steven Bagley, Bobbie Nino, David Mohon, Scott Hays, Michael Love and Bruce.

Mr. and Mrs. Ben Arthur of Gruver were in Dimmitt for a weekend visit with their daughter Gwen and Marvin Bryant.

Gary and Georgiann Rogers are the parents of a new baby

girl. Her name is Sherry Dawn. The Rogers live at 704 W. Etter. They are Methodists and Gary farms with Dan Heard. The grandparents here are George and Marie Bowen.

We are sad over the death of friend Mr. G. B. Duncan. He had been a painter in this town for many years—interior decorator and also pictures in oils.

More people going to the Tech and Baylor game were Carole and Goldman Dyer, Charles and Lois Wales and they joined the girls' sister Norma and Ed Dawson of Springlake, and all the Behrends family. By the way, I heard a thief got off with Bill's car. Hope he is caught and "penned." Oh yes, the Morans were at the game with Raymond and Mary King, James and Mildred Bradford, Kenneth Cleveland and son Kevin and Darrell Buckley.

Goldman and Carole Dyer were hosts to the dinner bridge on a recent Thursday evening. Guests were the John Merritts, the Ted Sheffys, the Charles Vandivers, and Harold and Shirley Stephens, the Weldon Skinners, Doris and Houston Lust, Robert and J'Lynn Ryan, Aural Davis. Didn't hear who the smart ones were.

Cindy Dyer is in Dimmitt from Tech doing her practice teaching in home management with Mrs. Bill Snider at the high school. And Virginia Sheffy, a WTSU student, is

doing her practice teaching at the Gene Howe School in Amarillo. Ann Bolger, who teaches Spanish at WTSU and also working on her teacher's degree, came by to see me Sunday evening. Joe Ramirez was with her for the visit.

Don and Betty Acker went up to Fiomont Sunday to visit friend Al Lindsey and to hunt quail but the rains came, no birds.

Ethel Lowe is out of the hospital where she has been getting well from injuries she received in a car wreck a few weeks ago. Ethel is staying with her daughter Ramona and Fred Annen.

Don and Betty Carpenter went to the Kingsland Lake area to visit his parents R. N. and Betty, who winter at their place there.

Guylene Rogers was hostess at a party. She served coffee and cookies to 15 people. Guylene is a school teacher.

Mr. and Mrs. Doc Ramey of Lawton have been here visit-

ing uncle Goose Ramey. Bub was down from Amarillo Sunday.

J. C. (Sam) and Virginia Gilbreath go back to their

winter place at Sun City, Ariz. Nice to get away from these winter winds.

Putting forth a Real effort

A child's first attempts at printing require deep concentration and great effort. However, with patience and practice he becomes more adept and lettering is easier. Then he is ready for the next step, learning to write. The Lord expects us to put forth an effort to improve ourselves. "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THANKS FOLKS I wish to take this means of publicly expressing my sincere appreciation to the voters of Castro County for your support of my write-in campaign for the office of County Judge. As Your County Judge I will make every effort to discharge the duties of the office to the best of my ability, and it will be my aim to refrain from showing partiality at all times, while conducting an economical administration in administering the duties and responsibilities of county government. Be assured that I deeply appreciate the vote and influence of everyone who supported my campaign, and that as county judge I will be mindful of the fact that I represent everyone in the county. Sincerely,

M.L. Simpson, Jr.

CARROTS are being automatically weighed and sacked this year at the processing plant of LaMantia, Cullum, Collier & Co. of Dimmitt, Inc. The plant has 12 of the new electronically controlled machines, which take washed and graded carrots off the conveyor and deliver one-pound tied bags, ready for the shelf. The LCC plant is processing 60 tons of carrots a day. Automated weighing and sacking is one of several innovations at the LCC plant this year.

Hunting season open on quail, waterfowl

Hunting season is underway now for quail in some parts of the Panhandle and Rolling Plains, for ducks and geese in the Panhandle and for sandhill cranes in Zone A which includes most of the Panhandle.

Sportsmen began taking aim at the birds this week as quail season opened Saturday to reported good hunting in the Eastern Panhandle and counties to the south. Open season will begin in other areas on dates ranging from Nov. 18 to Dec. 1, the Texas Parks and Wildlife Department has announced.

Ducks, geese and sandhill cranes will have an open season to Jan. 21 after the start Tuesday. Especially heavy concentrations of the waterfowl are reported near Dimmitt, west of Hart and in

the Friona area where playa lakes have plenty of water after fall rains.

The annual season for hunting the elusive quail sheep along the rim of Palo Duro Canyon will start Saturday and extend to Nov. 17. It is effective in Armstrong, Briscoe, Donley, Floyd, Hall, Motley, Randall and Swisher Counties, by special permit to hunters.

Deer season for both white-tails, mostly along the Canadian River breaks, and mule deer, along Palo Duro Canyon will be from Nov. 18 to Dec. 3. Wild turkeys, found in the same places as the deer, may be hunted during the same season.

It will be December before legal hunting of pheasant is due. The birds are in ample supply this fall in Castro and neighboring counties.

Hearing set at Canyon on landfill site

A public hearing is set for 2 p.m. Nov. 28 in Canyon, on the application by Castro County for a permit for a municipal solid waste landfill, the Texas Department of Public Health has announced.

The hearing will be held in the city commission room of the Canyon City Hall, 301 16th St. in Canyon.

The permit is asked for a facility described as an existing 2-acre Type III landfill located northwest of Nazareth, two miles north of State Hwy. 86 and 1.7 miles west of FM Road 168.

Municipal solid waste facilities in Texas are under the jurisdiction of the state Department of Health and operated under its regulations. Each landfill is required to be evaluated by the Department of Health before a permit is granted.

Copies of the complete application and supporting documents are available to any interested party from the Division of Solid Waste Management, Texas Department of Health, 1100 West 49th, Austin, 78756, or from the regional office in Old Health Center Bldg., WTSU Station, Canyon, 79016.

Drought, hail emergency loans offered by FmHA

Emergency loans for farmers, ranchers or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA), Kenneth R. Pruitt, KmHA County Supervisor, said today.

Pruitt asked that those who need farm credit as a result of the drought occurring June 1 through Aug. 31, 1978 and hailstorms on May 26-31, June 1-6, July 13 and 16, 1978 in Castro County make their needs known at the Farmers Home Administration office in Dimmitt. Applications for assistance

in the disaster stricken counties will be accepted by Farmers Home until July 30, 1979 for physical losses and Oct. 31, 1979 for production losses, Pruitt said.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment or buildings (including homes) lost through this disaster.

Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts.

Other loans, beyond actual

losses, can be made for annual operating expenses or to make major adjustments in a farming operation.

"Funds can be used for essential operating and living costs," Pruitt said.

Loans covering actual losses are made at an interest rate of three and five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay.

Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

Short-term loans for farm operating purposes, also long-term loans are being made at an interest rate of 8.5%.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm opera-

tions and additional loans based on the emergency designation can be used to reorganize the farm for greater efficiency and better production, Pruitt said.

County members serve on MHMR committees

Castro County residents are among those appointed this fall to serve on committees of the Central Plains Mental Health Mental Retardation Center, which has headquarters in Plainview and serves area counties through Satellite Centers.

County judges were asked to name members for a Public Responsibility Committee which will review matters concerning the center's retardation clients at quarterly meetings. Mrs. Randall Craig is the appointee for Castro County.

Frances Duke and Jimmy Davis were chosen from this county as members of the Citizens Advisory Committee on mental retardation, and Helen Richardson of the advisory committee on mental health.

These committees have the function of reporting needs of the people in each county and assisting the center's staff and trustees in meeting those needs. Mrs. John F. Lantz of Dimmitt is a member of the board of trustees.

The center began its tenth year of operations in September, with combined local, state and federal funding for services that now comprise psychiatric programs, child

AWARDS RECEIVED—Two Castro County residents received plaques in a District 2 Extension Service program recently at Lubbock, as an outstanding farmer and farm homemaker. From left, State Rep. Pete Laney of Hale Center presents the award

Mrs. Welch and Sides given district honors

Mrs. James Welch and George Sides were the Castro County honorees at a program in Lubbock last week observing Farm Demonstration Month in Texas. Both reside in the Bethel community.

The Texas Agricultural Extension Service honored farmers and homemakers from each of the 20 counties of Extension District 2.

Mrs. Welch is chairman of Castro County Home Demonstration Council and a long-time supporter of extension programs. Sides has conducted farm demonstrations since 1966, including corn and grain sorghum varieties, soil fertility, corn diseases and irriga-

tion practices.

Mrs. Mike Fillingim of New Home, district director-elect of the Texas HD Association, presented a plaque to Mrs. Welch and State Rep. Pete Laney of Hale Center made the presentation to Sides.

The program commemorated the 75th anniversary of the first successful farm demonstration, on the Walter C. Porter farm near Terrell, which led to formation of the nation's Cooperative Extension Service.

Bill R. Taylor, Hockley County Extension Agent, described the origin of the farm demonstration method and its long use in the South Plains. A documentary film, "I Am Thinking of the Harvest," was shown.

ASCS Notes

Farm reports important

By CHARLEY E. HILL
County Executive Director

Energy-saving Storage—Castro County has been selected to participate in a new energy saving storage program.

The program offers eligible producers loans on: 1) high moisture 1978-crop corn and sorghum stored on farms in wet storage facilities, 2) acid-treated 1978-crop corn and sorghum, and 3) farm facility loans for solar energy grain drying systems.

Interested producers should contact the Castro County ASCS Office for more detailed information.

Reports Needed—From mid-November to early January, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the service's field staff.

Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas.

Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are

confidential and used only for state and county estimates.

Committee Election—You are urged to vote in the Community Committee election. Ballots will be mailed to all known eligible producers on Nov. 24 and must be returned to the Castro County ASCS Office no later than Dec. 4.

If you feel that you are eligible to vote and do not receive a ballot, you may pick up one at the ASCS office.

Wool and Lambs—If you want to be eligible for incentive payment on wool or unshorn lambs, you must submit your sales invoices and file an application no later than Jan. 31, 1979.

Employee Appreciation—The Castro County ASCS employees appreciate your patience and understanding with us during the past year.

We realize that many of you have been inconvenienced due to delays in measurement service, payments, etc. Please bear with us and hope that 1979 will be a better year for all.

We welcome any of you who have any questions or problems concerning ASCS to come by and visit with us.

Holiday—Nov. 10 will be a holiday in observation of Veterans' Day and Nov. 23 in observance of Thanksgiving Day.

Thought—"Without love, we wouldn't be here. Without laughter, we couldn't stand it."

City residents' father dies

Funeral services were held Monday for John W. Norris, father of Clara Vick and Clarence R. Norris of Dimmitt. The funeral took place in Battle Creek, Mich., and burial followed at the Union Cemetery in Lacy, Mich.

Mr. Norris, 84, was born July 13, 1894, in Coahoma. He married Ellen Carpenter in Dumont and they farmed in Dickens and King Counties until 1946 when they moved to Battle Creek. Mr. Norris retired from Consumer Power Co. in 1959.

Survivors include his wife, of the home; four daughters, Mrs. Vick of Dimmitt, Mrs. James Craghead of Amarillo, Mrs. Lewis Nolan of Fulton, Mich., and Mrs. Joe Shelton of Fenton, Mich.; four sons, Clarence of Dimmitt, F. C. of

Alamogordo, Floyd and Meddy of Battle Creek; one brother, three sisters, 28 grandchildren and 37 great-grandchildren.

AMONG the shortest national anthems are those of Japan and Jordan, only 4 lines each.

ALL-REGIONAL—Three members of the Dimmitt High School Singers earned places in the 120-member All-Regional Choir in auditions Saturday at Lubbock High School. From left are James Lee, sophomore baritone; Belinda Black, senior soprano; and Jacquie Washington, sophomore alto. The All-Region-

al Choir, made up of singers from schools of all classes, will perform in concert Dec. 9 at 7:30 p.m. in Monterey High School, Lubbock. This is the third straight year for DHS to be represented in the All-Regional Choir, according to choral music director Doug Henry.

Dimmitt is winner in junior high games

Wins were scored by all the Dimmitt Middle School teams last weekend, when the 7-A and 8-A boys both beat Morton and the B teams downed Nazareth.

Formerly undefeated Morton bowed to the 7-A's 14-6, leaving the Dimmitt record at 5 and 1 for the season. A 30-yard TD pass gave Morton a 6-0 lead at halftime, but in the second half Mark Bruegel, back after being out with injuries in the last two games, scored on a 6-yard run and then intercepted a Morton pass and ran it over.

Outstanding defense by Brandon Cox, Dwight McDonald and Robert Nelson was the key to getting the team fired up after a scoreless half, Coach Shott Miller said. He praised Brad Holcomb, Kennon Howell and Dennis Burnam on offense.

The 8-A's swamped their Morton counterparts 62-0,

scoring on passes and runs at will. Richard Guzman started it with a 28-yard sprint to the goal. Matched by German Gonzales before the first quarter ended.

Lonnie Robb passed to David Ogas and then to Kevin Cleveland in the second, and Gonzales scored twice on runs. Ogas intercepted a pass in the third and carried it 55 yards to the line.

The final quarter saw a Cleveland TD on a pass from Joe Martinez, and another Gonzales run, with the extra point by Johnny Gonzales.

Dimmitt's 7-B Blanked Nazareth 6-0, with a strong defense holding Nazareth to no first downs. Robert Espinosa, Nick Martinez and Mike Stanford on defense, Paul Flores and Richie Neel on defense were outstanding for Dimmitt.

Scoring in the 8-B game began in the second half, on a 57-yard run by Ruben Casas and extra point by Johnny Lopez. Raul Rodriguez snagged a Nazareth pass to set up the second DMS touchdown, made on a pass from Lopez to Casas.

The Nazareth score came in the last quarter and the game ended with Dimmitt on top 14-6. Named for special efforts on Dimmitt defense were Justin Smith, Joe Solar and Curt Fitzgerald.

Bazaar-Dinner date Nov. 15 at UM church

The annual Methodist Thanksgiving bazaar and dinner will be held next Wednesday at the Dimmitt United Methodist Church.

The bazaar will begin at 10 a.m. with holiday gifts and baked goods on sale.

A turkey dinner will begin at 11:30 a.m. with a charge of \$3 for adults and \$1 for children.

Money received will go to missions.

Free diabetic screening is set Friday

Texas Department of Health Resources Region 1 will hold a free diabetic screening clinic at Dimmitt city hall meeting room Friday from 1 to 4 p.m. This is an event in observance of November as National Diabetic Month.

Anyone may get diabetes at any time, residents are reminded by Tillie Miller, R. N., of the Texas Department of Health Resources. It is found most often in three types of people, she said: those with relatives who have diabetes, middle aged and older people and the overweight should guard against the disease.

Diabetes affects four to five percent of the population and one half of those suffering from the illness are unaware of having the disease, Mrs. Miller added.

UMC Harvest Festival at Hart scheduled

"Come Ye Faithful People, Come" is the theme for the annual harvest festival at the Hart United Methodist Church Nov. 15, beginning with dinner at 6:30 p.m. in fellowship hall. The worship service will be in the sanctuary.

Rev. Bruce Parks of Tulia First United Methodist Church will be the speaker. Francis Jones and Nancy Wescott from the Wesley Sunday School class are co-chairmen. Jonalyn Jones and Ruth Bennett are in charge of decorating the fellowship hall.

Visitors are invited with members of the church, Rev. Lanny Wheeler, pastor, said.

PEOPLE with ordinary vision can distinguish between 150 and 200 different colors. However, a trained expert can distinguish more than 100,000 colors, tints, and shades. SANTA Fe, N.M. and Hartford, Conn. both have growing seasons of about 177 days.

HERE HE GOES AGAIN—Dimmitt tailback Dennis Veals [24, right] zips into the end zone for his third touchdown against Morton Friday night, capping an 80-yard Bobcat drive in the third quarter which he sparked with long runs. This TD gave the Bobcats a 26-14 advantage over the Indians. Veals capped a record-setting individual performance with a 99-yard touchdown run early in

the fourth, then sat out the rest of the game after averaging 100 yards per quarter. Veals finished with 312 as the Bobcats amassed 529 yards total offense behind fierce blocking on the rain-soaked field. The game featured two goal-line stands as well as Veals's 99-yard TD run, plus a 30-yard TD by Jack Stewart on a quarterback sneak.

Veals, blockers pace 33-14 win

By JIMMIE CHAPMAN

Halfback Dennis Veals ran for four touchdowns, gained 312 yards on 29 carries, and batted down two Morton passes to lead Dimmitt to a 33-14 victory over the Indians at Morton Friday night in what could be called the "Mud Bowl."

Veals's single-game rushing record came in only a little over three quarters of play as Coach Jerry Vance took the senior out for most of the final

period after his 99-yard romp that iced the game.

Randy Roberts, Chris Fry, Norris Cole, Leslie Heard and the rest of the Bobcat defense played outstanding ball considering the weather conditions.

The Bobcats stand at 2-1 in district play, and will host the league-leading Muleshoe Mules at Bobcat Stadium Friday in a showdown game for 3-AA. A win by the Mules would cinch the district championship for them, but a Bobcat victory would give Dimmitt and Littlefield a shot at the playoff spot.

Morton got on the scoreboard early Friday night after recovering a fumbled punt reception by Veals on the Dimmitt 19-yard line. David Moore took it in from the 11 two plays later, and after Lanny Fluit kicked the extra point, the Indians had a 7-0 lead with 10:07 left in the first quarter, before Dimmitt got a chance to run a play.

Randy Roberts ran the kick-off back from the Bobcat 20 to the 37 for the Cats' first offensive possession. It took the Cats almost eight minutes to go the distance, and they once gambled on fourth down and one before they got on the scoreboard. Veals rammed it in from the 5-yard line and Tony Gonzales kicked the point after to tie the score at 7-7 with 2:33 left in the opening quarter.

Morton couldn't muster a first down, and the Bobcats took over on the Dimmitt 47 on a punt as the first period ended. The Cats moved the ball to the Morton 1-yard line, but could get no closer. After an impressive goal-line stand, the Indians took over at the 3.

But the Bobcat defense forced Morton to punt to their own 49, then Veals got the TD when he popped through on a

quick opener and raced 49 yards into the end zone. Gonzales kicked the point after and Dimmitt led, 14-7.

Dimmitt's final touchdown of the first half was set up when Randy Roberts, behind good blocking, went 31 yards and then Jack Stewart on the next play burst through on a quarterback sneak and raced 30 yards for the score. Gonzales' kick failed and with 1:30 left in the first half, Dimmitt led, 20-7.

Morton got on the scoreboard again before halftime when pass interference was called on Veals at the Bobcat 19-yard line with both the ball and the receiver out of bounds. One play later, and with only seven seconds left on the clock, Joe Bob Wynn hit David Moore in the end zone with the TD pass. Fluit booted the extra point and the score at halftime was 20-14.

There is only one way to describe the third quarter—and that is WET. Going into the wind and the rain, the Bobcats marched 80 yards to score, taking six minutes off the clock and not fumbling in the hard rain. Once in the drive, they gambled on fourth and one at their own 29-yard line and made it. Veals finally went over from the 3-yard line for the score, but when he tried a two-point conversion, he was buried in the mud.

On the last play of the third period, Dimmitt again was called for pass interference on the Bobcat 5-yard line. Moore tried three times to punch it in, the quarterback Wynn was stopped at the one-foot line on fourth down, and the Cats took over after staging the game's second goal-line stand.

With the muddy field, Dimmitt found itself in a hole, but quickly got out of it when Veals burst through the middle with good blocking and had the field to himself as he outraced the Indians for 99½

GOOD YEAR

YES, SKIERS, TIEMPO REALLY IS A SNOW TIRE!

PROVED IN HISTORY'S WORST WINTER

\$39

P155/80R13 blackwall plus \$1.68 F.E.T. and old tire

Beginning this winter, California chain control crews and enforcement personnel, in mountain areas, will accept the Tiempo radial as a "Snow Tread" tire. That's good news for Tiempo owners. And Tiempo is good news for anyone who's ever tried to put on tire chains!

Tempo proved itself last winter during some of the worst weather in history. In the blizzards of New England, the ice storms of Tennessee, the heavy rains in Texas.

Best of all, Tempo steel belted radials are so tough they keep on rolling season after season. Tempo is rain tire, snow tire, sun tire... the one tire that does it all.

Tempo. The tire you can drive with confidence!

SNEAKY—Who would expect a quarterback sneak on second down and five at the 30-yard line? Morton's Indians didn't, and it cost them a touchdown Friday night. Dimmitt quarterback Jack Stewart [12] breaks into the clear after sneaking through a big hole blasted in the middle of the Morton line and,

accompanied by end Henry Ogas [80], heads untouched for the end zone. Note the unidentified Bobcat blocking down Stewart's nearest pursuer. Stewart's TD came with 1:30 left in the second quarter, and gave the Bobcats a 20-7 lead over their hosts. The Bobcats went on to win, 33-14.

Despite loss

'Horns earn Vega's respect

By MONTY UPTON

Despite a 46-6 loss, Hart's Longhorns earned the respect of the Vega Longhorns in a downpour at Vega Friday night.

With Ricky Rowland at QB, Jackie Ethridge back at fullback, Keith Newsom running at tailback and Isaias Ponce starting at slotback, Hart generated some good offense against the No. 20-rated team in the state.

Freely using Steven Brantley and Nathan Ingram in the backfield and good blocking by such linemen as center Scott Jones, guards Daniel Higgins and Kelly Jones, tackles Danny Rodriguez and Benny McLain, and ends Chad Black and Pat Ritter, Hart rolled up 224 yards against a respected opponent.

Starting on defense were Marlin Marble, Melvin Wash-

ington and Joe Portillo. Also seeing action were Roy Martinez, Phillip Hawkins, Derek Rich, Guy Scoggins, and Luis Villegas.

Taking the kickoff, Hart used the running of Newsom and Ethridge to quickly move out to the 50 before having to punt. Vega, faced with a "stacked-5" defense, failed to move the ball. However, on its next possession, the bigger Vega team showed why it is a state-rated squad as it quickly adjusted to the stacked-5 and moved, in three big plays, to the Hart 44. From there, QB Galbraith hit halfback Rick Jones for the TD. The PAT run failed. The first quarter clock ran out with the score 6-0.

In a deluge, Hart moved the ball well before being held and was forced to punt on its next two series. The last punt gave Vega the ball at its 30. Vega moved to its 41, then halfback Joe Rodriguez broke for 59 yards behind the blocking of a super offensive line. Galbraith hit end Les Newbill for the two-point conversion.

On Vega's next possession, the northern herd had big gains of 9 and 16, a 25-yard pass, and then fullback Rob Groves broke for the 15 to score. The PAT run failed. Hart then took possession at its 35, and Rowland and Ethridge moved the ball on

four plays out to the 48 before time ran out in half with the score 20-0.

Hart got a big break on the second half kickoff as Isaias Ponce hit the return man and then pulled in the loose ball at the Vega 35. Rowland got short yardage and then hit Ponce on the next play for a 34-yard TD to make the score 20-6. The PAT run failed.

On Vega's next play from scrimmage, however, Groves went 61 yards to score. The PAT pass was incomplete.

Hart moved deep into Vega territory on its next two possessions before fumbling the ball at the Vega 40 and again at the Vega 39. Following the second turnover, Vega used two plays to go to the Hart 35, and Jones burst for 35 and the TD. Jones also added the PAT run.

Newsom brought the kickoff from his own 20 into Vega territory at the 48. Then the Horns moved to the 40 before again fumbling the rain-slick ball.

The final quarter opened with Hart in possession, but the Horns had been stopped and had lined up to punt. However, the slippery ball was centered low and Rowland had to fall on it at the Hart 29. Vega needed six plays to move to the Hart 1.

From there, Rodriguez got the TD with 8:31 left. The PAT

kick failed.

Vega's final TD came after Hart had to give up the ball on its own 37 when a fourth down try fell short. Vega used eight plays to go the distance with Bruce Voyles getting the last three. The PAT kick failed.

Time finally ran out with Vega in possession at its own 42.

Following the game, Vega Head Coach Jimmy Duncan told Hart's Horns, "Keep your heads up. You played us as well as anyone we've played."

One of Vega's tackles was quoted as saying, "I haven't been hit that hard all year." Hart's Longhorns did indeed play with more intensity than they have all year, despite the defeat. They held Vega to less yardage than their average for the year (well over 500 yards) and moved the ball well except for the old nemesis of fumbles.

The improving Longhorns will meet Springlake-Earth Friday in Longhorn Stadium. The Wolverines will see Hart as their last chance to improve on their record, and the Horns will have to put forth their best effort.

Swifts bomb Mats, 24-7

By PATRICIA KERN

Bryan Huseman ran for 158 yards in 25 carries, picked up two touchdowns, and booted a 37-yard field goal to lead the Swifts to a 24-7 victory over Motley County Friday night.

The 175-pound sophomore picked up his first score midway through the second period on a one yard plunge into the end zone. His score came after the Matadors had taken a 7-0 lead on a 55 yard pass from Julian Zubielski to Robert Parker. Nazareth's PAT kick failed, and the Swifts went to the locker room trailing by one point, 6-7, at the half.

Huseman scampered 58 yards to paydirt four plays after the second half kickoff to put the Swifts ahead for the first time, and John Steffens ran in the two-point conversion to make it 14-7 with 10:37 remaining in the third period. Motley County only lost yardage after a penalty set them back five yards, and were forced to punt on fourth and 19.

Kenny Gerber picked up Nazareth's last TD on a big 55-yard pass reception from Steffens, and Huseman kicked the PAT to give the Swifts a 15 point lead only 3:52 into the third quarter.

Huseman put the final points on the board with his fourth period field goal from 37 yards out to give Nazareth its 24-7 win.

"This was one of the best games we've had all season,

and certainly one of the best offensively," said Coach Eddie Hooper of Friday's game.

"Bryan played real well, Kenny Gerber caught five passes for over 100 yards, and Steffens threw eight completions for 184 yards passing. Frank Wilhelm, Norman Gerber and Lester Backus did some real good blocking to lead the way for them."

Defensively, Coach Hooper commended the secondary for their outstanding job, and added that Jimmy Huseman played for the first time since his injury against Dimmitt JV in the opening game.

Next week Nazareth travels to Happy as six seniors make their last appearance as Nazareth gridders.

"We have a 6-3 record right now, and if we beat Happy we'll end the year with only losses to Hart, Valley and Silverton. I think this is something to really be proud of considering all the injuries we've had," Hooper said.

Valley sewed up the 2-B North Zone title Friday as they defeated Happy, and a win this Friday will put the Swifts in second place ahead of Claude, Motley County and Happy. They are currently tied with Silverton.

Veals, Roberts cited on AJ grid honor roll

Dimmitt's senior tailback Dennis Veals added to honors earned this season when he was named to lead the Lubbock Avalanche-Journal's Schoolboy Honor Roll for last week.

Mentioned in the same breath with Veals was his teammate Randy Roberts, whose blocking accounted for much of the tailback's spectacular ground-gaining with carries of 312 yards Friday against Morton.

Fullback Roberts himself gained only 41 yards but Coach Jerry Vance credited him with blocks that kept

Veals charging ahead. He led the Bobcats in tackles with 10, for the sixth week of the past eight that he was the leader in that department.

Veals scored four touchdowns in the Cats' win over Morton, carrying the ball 29 times. Of his total yards, 99 were made on one scoring play.

The DHS tailback has previously been named twice on Amarillo Globe-News Class AA Teams of the Week.

THE first drive-in movie theater was opened in 1933 in Camden, N.J.

Mrs. Wilson is elected to head SHM Auxiliary

By TEENY BOWDEN

Mr. and Mrs. Hershel Wilson, Mrs. E. R. Sadler and Mrs. L. B. Bowden attended the South Hills Manor Auxiliary Mexican fiesta supper at the Senior Citizens Center in Dimmitt Monday night. Officers for the new year were elected. Mrs. Hershel Wilson was elected president. Hershel brought a program of music following the business meeting.

Mr. and Mrs. J. Paul Waggoner returned home from LBJ Lake Thursday evening. He and Eldon Lilley caught a 36 pound yellow catfish on a trot line Oct. 27. It was 41 inches long and six inches between the eyes. Mr. and Mrs. Roy Lilley of Dimmitt spent last weekend with them and helped eat the big fish.

A trace of rain was received Tuesday and 1.60 inches were recorded Friday night, although around two inches were received to the south. Only a trace was received during the day Saturday and .10 Sunday and Sunday night. Community meeting was rained out Saturday night due

to the road construction in the community. Gale and Larry Sadler spent a great deal of both Friday and Saturday nights pulling motorists out of the ditches. It wasn't quite so slick Sunday.

Buford Newton of Odessa played the harmonica in the Sunday morning services for the children's sermon. He and Mrs. Newton spent the week-end with their daughter, Mr. and Mrs. Carl Dean Carson and Deakon. Mr. and Mrs. Danny Newton and baby of Dimmitt had dinner with them Sunday.

Rev. Fisher, a home missionary in New Mexico, will be the guest speaker for both services Sunday.

Mrs. L. B. Bowden attended the Texas State Genealogical Society Meeting in Amarillo Friday with Mrs. William Moss, Mrs. P. P. Robb, Mrs. Granville Martin and Allie Mae Willis of Dimmitt. The speaker was James D. Walker, director of genealogical programs, education division, National Archives and Records Service, Washington, D. C.

Mr. and Mrs. Ezell Sadler went to Abilene Saturday to visit a few days with relatives and to attend the 50th wedding anniversary of friends on Sunday.

Mr. and Mrs. Eddie Waggoner, Laura, Susan and John spent the weekend in San Angelo with her parents, Mr. and Mrs. John Stapleton, and they all helped Susan celebrate her fifth birthday.

Mr. and Mrs. Winston Waggoner and children and

Mr. and Mrs. Grady Herrington of Farwell visited in Lubbock Saturday with John Herrington.

Mr. and Mrs. Mokey Ivey returned home last Sunday from a two week deer hunt in Colorado.

Paula Sue and Karen Ivey of Dalhart spent Thursday evening through Sunday with their grandparents, Mr. and Mrs. Floid Ivey. They also visited with Mr. and Mrs. Mokey Ivey.

Mrs. Lillian Carson had as supper guests last Sunday night Mr. and Mrs. Buster Aven of Hart, Mr. and Mrs. Bernard Brown of Salida, Colo. and Gene Carson of Garden City, Kan.

Mr. and Mrs. Mike Bell, Mr. and Mrs. Rick Bell and Mr. and Mrs. Winston Waggoner attended a Halloween party in the home of Mr. and Mrs. Steven Hanes of Nazareth Monday night.

Mr. and Mrs. Winston Waggoner and children had dinner Sunday with Mr. and Mrs. Butch Merritt of Hart.

Mrs. Connie Nelson and Mrs. Patty Summers took Stacy and Laura Sadler, Carla and Camille Summers, Laura and Lesa Summers and Gina and Sara Gabel to the 4-H food show in Lubbock Saturday.

Mr. and Mrs. Larry Sadler, Carrie, Stacy and Laura visited in Lubbock Sunday with Mr. and Mrs. Carl Bradley, Kent, Kelby and Kyle.

Mr. and Mrs. Roy Phelan, Mr. and Mrs. Hershel Wilson and Rev. and Mrs. Raymond Jones went to Calvary Baptist Church in Friona Saturday night to hear the missionary, Mrs. Smith from Brazil.

Mr. and Mrs. Roy Phelan attended the Senior Citizen board meeting at Plains Baptist Assembly Friday night.

Stand up and be counted!

By GEORGE HOWELL
Booster Club President

One of the greatest things about the United States and the great state of Texas is that when the going gets tough, you can count on a great number of people who are willing to stand up and be counted.

The morning after the bombing of Pearl Harbor, the cry went out to stand up and be counted and as a result of this, the Japanese were defeated.

When disaster strikes, the people get behind a cause to ease the misery that this brings, and as a result help the victims overcome adversity.

Now is the time for the fans of the Dimmitt Bobcat football team to "stand up and be counted." This Friday night in Bobcat Stadium the Bobcats face the powerful Muleshoe Mules. The Bobcats know that they can beat the Mules, but do we as fans share this same feeling? I think we, the people of Dimmitt, should show that we do, and come out to the stadium with this in mind—and stand up and be counted for the Bobcats.

This group of boys has given a lot to this town to be proud of. When it appeared that the going was more than they could bear, they picked themselves up and did the job that was required of them. I wonder how many of us would do the same thing, or yet just give up?

Two weeks ago, these Bobcats gave us something to be proud of—victory over Olton, and a chance to bask in saying we are winners. But I wonder how many of you know this: a lot of these boys played hurt, and a lot more suffered insults and injuries during the game. After the game, I witnessed a group of boys who had blood, sweat and tears all mixed with the joy that now they were winners. Just a week prior, the fans had labeled them losers.

Last Friday night these same Bobcats—in very bad weather, when a lot of others would say, "Let's not play"—played Morton and beat them. A pretty good bunch of fans went to Morton, and the Bobcat Band performed for them and showed them that there were some who were willing to stand up and be counted.

This Friday night, the call will go forth again, for the people to stand up and be counted with the Bobcats.

The Bobcats know they can beat the Mules. Do you feel the same? If you care to join with me and are willing to stand up and be counted to back the Bobcats, join me at the pep rally Friday afternoon, and then join the Bobcats at the stadium to back them in the race for the district championship. We are the Best. I'm proud of the Bobcats and I, for one, will stand with them in their biggest fight of the year. Will you join me?

Librarian

Yes, friends, it finally happened. Someone put a letter to be mailed in our book drop. I keep thinking that today's public buildings look quite a bit alike, yet several architects assure me that I'm wrong. Now look what I have to show them!

I would like to interject this small message of thanks to all you cussed kids who threw eggs at my face over at the Key Club booth in the Halloween Carnival. Your contributions for the eggs were much appreciated and so was my egg shampoo. When I came to work the next morning everyone commented that I had grown another hair across my forehead.

Although librarians often get a dig because they sit around on their rumps a lot, it isn't an easy job all the way around. For instance, one lady tells you she has read everything by Barbara Cartland, the paperback potboiler, and as far as she is concerned there isn't anything else light enough to read. The next afternoon another lady or gentleman threatens to patronize the Plainview library because they have read everything on the shelves with teeth in it. Now what is the librarian supposed to do? (I'll tell you what they do. They sit around and wonder where all their average readers went.)

This is what I'll do. I will give you the following list.

For the heavy readers and for those wanting a challenge, these books are dandy: "Chesapeake" by Michener, "A Distant Mirror" by Barbara Tuchman, "The World According to Garp" by John Irving and "Essays" of E. B. White.

Nice short books and light reading items include: several of the books by Erma Bom-

beck, Barbara Cartland or Phyllis Whitney (not listed here for lack of space). One book that people should know about is "Oh Kaplan, My Kaplan!"—a very funny book. If you feel in the mood for some blood-curdling stories, pick up a few by Shirley Jackson.

Top player in Class B is Swifts' Steffens

John Steffens, filling in at quarterback for the Nazareth Swifts Friday night, led the team to a 24-7 win over Motley County and earned Player of the Week title for Class B schools in the Amarillo Globe-News' weekly listing.

Steffens has been playing center, but suddenly became a quarterback two weeks ago after injuries to three Swift players in that position, "because we knew he could throw the ball and he's an all-around good athlete," Coach Eddie Hooper explained. "We were pretty desperate, to be honest."

He threw the ball to complete six of eight passes for 184 yards, and carried eight times for 32 more yards in the Friday effort.

Hooper said he knew Steffens would be adequate in his new position, "but didn't think he'd be that good." The coach said he was surprised at Steffens' passing performance although the center had shown promise at hitting his receivers in early season practice.

Bryan Huseman was mentioned for his assists to Steffens, rushing for 159 yards on 25 carries and scoring with runs of 2 and 58 yards.

Huseman was cited also by the Lubbock Avalanche-Journal on its High School Roll of Honor for the week. That paper noted that he kicked a 29-yard field goal to top his scoring record.

Classes are still open for adult Ed.

Enrollments at the free adult education classes are "higher than they have ever been," according to Dowden Koeninger of Dimmitt High School, who coordinates the night-school program.

"Forty-three students enrolled in the classes Tuesday evening," Koeninger reported.

General Educational Development classes will meet Monday only, Koeninger said. The purpose of this class is to prepare the student to take the GED test which is the certificate of equivalency for a high school diploma.

English as a second language and preparation for cit-

izenship classes will meet in the high school on Mondays and Tuesdays at 7 p.m.

The English class is planned to teach the Spanish-speaking person to become more proficient in the use of English, and the citizenship class aims to prepare non-citizens for the examination required for citizenship.

These classes are free of charge, and are sponsored by the Regional Service Center and Dimmitt High School.

Koeninger said classes can be joined at any time. He encouraged all interested persons to enroll. Koeninger may be contacted at 647-3105 during school hours.

Family fuss results in assault case

Dimmitt police issued an arrest warrant Thursday for a man who reportedly assaulted his wife in the presence of four witnesses.

The woman complained that her husband assaulted her after an argument as she attempted to drive away. She said he had ripped her shirt and hit her twice on the nose through the open window of her car.

City police also are investigating a vandalism case and an auto theft during the week.

Joe Ramirez of the Country Arms Apartments reported Wednesday that someone had cut two tires on his car with a knife. Damage was estimated at \$80.

At 5:45 Saturday a brown and tan 1976 Oldsmobile station wagon belonging to Bill Behrends was reported stolen from behind Plains Insurance Co.

Five people were arrested during the weekend on charges of disorderly conduct.

Dimmitt Middle School Principal Emmett Broderson reported Tuesday that two cassette tape recorders had been stolen from the school's music hall.

Many eligible for work for energy saving

Elderly, disabled or low income residents of Castro County who are eligible for a program of home remodeling for energy saving are being sought by the Castro County Community Action office, according to Wannie Stevens, counselor.

Funds to install weatherstripping, insulation, storm doors or windows on homes owned by eligible persons are available through the office here, Mrs. Stevens said, in amounts up to \$400.

Several local homes have been given the energy-saving treatment since the program was announced, she added, but she believes that many eligible persons have not applied for the funds because they are not aware they are eligible.

Any home owner whose only income is Social Security payments is eligible, Mrs. Stevens said, and some who have other income in the family. Each case is decided separately, she said, and she invites inquiries from anyone wanting information. She can be reached at phone number 647-3244.

Lazbuddie church to open seminary

First Baptist Church in Lazbuddie announces an addition to Calvary Christian School, which it opened in September to offer an accelerated Christian education curriculum.

Calvary Seminary will be opened Jan. 2, with six-hour classes each Tuesday. It will present the curriculum of "National Institute in Biblical Studies," a three-year program equivalent to a Bible college education, according to Steve Phillips, who may be contacted at the church for further information.

More about: New water ...

[Continued from Page 1] day.

"This new field should give us all the water we'll need for the foreseeable future," Holland said.

It appears that the project's final cost will be well below the \$1,100,000 authorized by an October 1977 bond election.

As of Monday, the city had spent \$982,099.59 on the project, with several costs still outstanding, such as payment for automatic electric controls, payment for any crop damages caused by the laying of the six miles of 18-inch line to the city, easements, etc.

The city has earned \$51,729.64 in interest on the bond money to go with the original \$1.1 million, leaving a project balance of \$169,630.05 as of Monday.

The city purchased the well site from Mr. and Mrs. Joe Scott in 1976. Planning began in earnest in June 1977, and in August the city commission voted to borrow available state funds for the project rather than call a bond election. But a petition forced a bond election in October 1977. City voters gave overwhelming approval to the bond issue, and drilling began the next week.

Construction bids were opened in November, the contract was awarded Dec. 1, and construction of the pipeline, pumping station and reservoir started in March of this year.

Loan rate is announced for upland cotton

The 1979 national upland cotton loan rate is 50.25c per pound, which is up 2.23c from the 1978 loan rate, the Castro County ASCS office announced. The loan rate is based on strict low middling 1 1/16 inch (micronaire 3.5 through 4.9).

This loan level reflects 85% of the average price in the designated US spot markets during three years of the five-year period ending July 31, 1978, excluding the lowest and highest years in that period.

Loans will be available to cooperating producers for a term of 10 months from the first day of the month in which the loan is made.

During the tenth month the loans may be extended for an additional eight months at the producers' request provided the average price of SLM 1 1/16 inch cotton in the preceding month does not exceed 130% of the average spot price of the preceding 36 months.

The 1978 upland cotton loan rate for SLM 1 1/16 is 48.10c per pound.

Plans continue for Kiwanis hunt breakfast

A new member, Doyle Wasson, was welcomed by the Dimmitt Kiwanis Club Monday, when plans continued for the annual pheasant hunters' breakfast they will stage the morning of Dec. 9, opening day of the hunting season.

Gene King, president, reported that club officers and the Dimmitt Chamber of Commerce are receiving telephone calls from hunters in other cities concerning the breakfast and also the club's planned sale of permits for hunting on restricted areas of the county.

King was the club luncheon speaker, discussing implications of the so-called tax reduction referendum which faced voters in the Tuesday election.

Members discussed participation in an area conference at Hereford Tuesday, and a dinner there Nov. 15 honoring Howard Birdwell, who has served as district lieutenant governor.

Guests introduced at the lunch were Mrs. Joe Nelson, Guy Dutton, Army Armstrong, Henry Ramaekers, Curtis Bruegel and Dimmitt High School Key Club members Candace Stewart and Bryan Armstrong.

NHS students trick-or-treat for UNICEF

The Nazareth High School Student Council went trick-or-treating for UNICEF Halloween night.

The council split up in four groups, each assigned a certain part of town and the rural area.

There was strong competition between two of the groups to see who could bring in the most money. The final winners were Jeff Schmucker, Glenda Gerber and Doretta Ramaekers with a collection of \$97. Their close competitors were Cyrilla Brockman and Karen Birkenfeld.

The four groups gathered a total of \$250. This money will go to UNICEF, a United Nations Children's Fund, to help give children in the United States and other nations a better education and better nourishment.

Job skill, language classes set

Opportunity to improve job skills in typing and bookkeeping is offered in classes which will be formed at 7 p.m. Tuesday in Room 10 at Dimmitt High School, according to Dowden Koeninger, DHS counselor.

At the same time classes in conversational Spanish will be organized, Koeninger said.

Any residents interested in these subjects are invited to attend the Tuesday meeting, or to obtain further information by telephone from Koeninger at 647-3105.

Paroles free 3 prisoners from county

Three persons serving sentences after convictions in Castro County have been released on parole by Gov. Dolph Briscoe on recommendation of the Texas Board of Pardons and Paroles.

All three were paroled to other counties in the state.

Robert Perales, convicted March 5, 1977 on a charge of possession of heroin, was paroled to Tom Green County after serving and earning two years of a six-year sentence.

Sammy Villareal, sentenced to two years in prison after April 17 conviction of burglary of a building, was paroled to Harris County after serving and earning eight months of his sentence.

Domingo Gonzales, convicted of aggravated assault last March 14 and sentenced to three years, was paroled to Atascosa County after serving and earning one year.

DHS seniors split votes and like most amendments

A mock election was held by Dimmitt High School seniors in Avis Smith's civics class, some of whom are registered voters.

They approved all the proposed constitutional amendments except No. 7, to repeal the constitutional authority for the State Building Commission and the State Building Fund.

"Split tickets" were common in balloting and the outcome was split on party lines, with two Republicans and a write-in candidate winning. The condensed ballot included only opposed races.

M. L. Simpson Jr. was narrowly favored over incumbent Weldon Bradley in writes-ins for county judge, while the other write-in contestant, Keith Lemons, lost 43-19 to Jimmy Davis.

Republican John Tower received the nod over Democrat Bob Krueger for US senator, and the other GOP winner was Baker over White for

Texas attorney general by a margin of 30-27.

Democratic candidates were winners in all other races, with the biggest majority going predictably to Dimmitt native Kent Hance in his race for the US Congress over George Bush Jr. That vote was 57-8.

One vote was cast for each of the Raza Unida candidates, and two on the Socialist Workers ticket also drew votes.

Farmers Union meeting slated

FRENCH VISITORS—Gerard and Armande Bertonneau [right] of Loudon, France, whose daughter Michele was Dimmitt's American Field Service exchange student in 1963, visited this week with the Russel Morans, Michele's American "parents." Accompanying the Bertonneaus were their neighbors, Andre and Christiane Lequeux [left]. Here, Mrs. Moran shows the Bertonneaus the portrait of Michele which they keep in their

home. Bertonneau is a retired bridge and highway engineer, and Lequeux is in the automotive service business. They reported that Michele has a son who will be 2 years old soon, but that her husband died of cancer last year, and she now works for a languages service. The Morans have visited with the Bertonneaus in Loudon, but this is the French visitors' first trip to the US, "and it is a big adventure for us," they said.

Month's Tops honors listed

Lesson offered in oil painting

A free art lesson on working with oils will be given by Rev. Stanley Crocchiola Monday night at 7:30 in the Holy Family Church basement in Nazareth. Everyone is invited to attend and bring supplies to work with. The Nazareth Art Club sponsors the free lesson.

Smokeout set for Nov. 16 by ACS Unit

The great American Smokeout is the American Cancer Society's approach to helping Americans quit smoking. Local residents are reminded by the Castro County Unit. Smokers are being urged to sign a pledge not to smoke on just one day, Nov. 16. If the next morning begins with a cigarette as usual, the smoker will still know that the habit is his to control, the Smokeout sponsors say, though some will not be able to quit for a day. The Cancer Society has set realistic objectives for this project, Castro County members say, and the goal is to get pledges from one out of five smokers in the state. The Castro County Unit of the American Cancer Society has further information about the Smokeout for interested persons.

Bazaar booths open for crafts

The Hale Center Young Homemakers plan a Christmas bazaar in the Hale Center High School gym and cafeteria Nov. 18 and 19, and will include booths to rent for sale of craft items by individuals or clubs. Rent on a booth will be \$15, and reservations or inquiries may be made to Charlsa Schwartz, 879-2360; Linda Mahagan, 839-2563 or Bonnie Gloyna, 839-2517.

By RUTH COLEMAN

October has been another busy month. With Halloween behind us, we will begin making plans to observe Thanksgiving. We realize that we have many things for which to be thankful. The Center will have a bake sale Saturday, our main fund raising event for November. Baked items will be at the two grocery stores as well as the Center. Orders will be taken for foods when special requests are made.

The donation of articles to be used as prizes at the Halloween Carnival was very generous. Again, we say "Thanks" to everyone for gifts of money, labor and materials for our use at the center. The center is open each weekday from 10 a.m. to 5 p.m. and every Tuesday night. We would like to pay tribute to G. B. Duncan. He was a good man. He was a quiet man—always generous with his means, his work, his praise and understanding. He didn't have to tell you he loved his fellowman—his actions proved it. To be critical was not his way unless it was constructive and you understood that. He will be missed by all of us who knew him. Dimmitt has lost a good citizen. We extend our most sincere sympathy and love to his family.

Hart home parade is scheduled

This year's Parade of Homes at Hart is to be held on Dec. 9, the Zealot Club decided at its meeting last week in the Farmers State Bank in Hart. Mrs. Charles Black of Charles Place gave a presentation on Christmas decorations with helpful hints and ideas. Mrs. Dudley Aven gave a talk on "My teenage heroes." It was announced that the Hart Home Demonstration Club will hold a bread buffet at the Methodist Church in Hart. Hostesses were Mrs. Garlon Crosby, Mrs. L. J. Rice and Mrs. Lanny Wheeler.

ENGAGED—Mr. and Mrs. Bill Ritter of Hart announce the engagement of their daughter, Belinda, to Terry Hill, son of Bill Hill of Hart and Evelyn Hill of Lubbock. Miss Ritter is a graduate of Hart High School and is presently employed by the Farmers State Bank in Hart. Hill also graduated from HHS, attended Texas Tech University and is a farmer at Hart. Wedding plans are set for Dec. 2 at 4 p.m. at the Holy Family Church in Nazareth.

CCGS to hear reports from state session

Reports from the meeting in Amarillo last week of the Texas Genealogical Society, will be presented by five members of the Castro County Genealogical Society at its meeting tonight (Thursday). The program will begin at 7 p.m. in Rhoads Memorial Library.

From the county society, Mmes. William Moss, P. P. Robb, Granville Martin, Allie Mae Willis and L. B. Bowden attended the state convention.

The Dimmitt women were especially interested in information given by James D. Walker, director of genealogical programs for the National Archives and Records Service in Washington, D.C. Walker is a frequent speaker for workshops and seminars on genealogy throughout the nation. He discussed National Archives records; census, naturalization, land, maritime, Indian and personnel records; passenger lists, passport applications and other material available to researchers.

Katie Waggoner had a nice visit with her son Lloyd Durre and his wife Louise. They live in Branson, Mo. and came down and visited Mrs. Waggoner Tuesday night and Wednesday.

Our sympathy goes to Betty Cartwright at the loss of her mother, Addye Miller, and to each member of her family.

Wednesday Mable Vere went to the home of her niece Betty Parish to celebrate her birthday. Betty had invited several of Mrs. Vere's friends down from Amarillo. They had lunch and bridge. A lovely time was had by all.

Mrs. Jack Grisham and daughter from Childress came over and visited with Velma Tucker Thursday.

Mrs. Tucker handed us this little prayer: "Lord Jesus, may our love for You motivate us to use our gifts of time and talent in service to others."

Good News Club has fall party

A visual Bible story was presented to the 28 children who attended a Good News Club party at the home of Norma Conard Oct. 31. The party celebrating the special activities of the fall season was climaxed with refreshments and bobbing for apples. Refreshments were provided by the adult Sunday School class of First Baptist Church and Baptist Young Women of Sunnyside Baptist Church. Helping Mrs. Conard were Sharon Sadler, her daughter Carrie and Grace Dunaway.

Open house to compliment autumn bride

An open house honoring Mrs. Douglas Sanford, the former Elaine Acker, will be held from 2 to 5 p.m. Sunday at the home of her parents, Mr. and Mrs. David Acker, 214 Bordeaux in Amarillo, the first street south of McCormick Street exit on the west side of the Canyon E-Way.

The Ackers, former Nazareth residents, invite Castro County friends and relatives for the afternoon reception.

Mrs. Sanford will leave Nov. 16 to join her husband in Kitzengen, Germany, where he will be stationed with the US Army for three years. The couple was recently married when Sanford was in Texas on leave.
