### United Way drive lagging

Once in every lifetime a little bird may come... and what is life without a little bird's song? —Rod McKuen

With United Way totals standing at \$11,252 Tuesday, 1978 Campaign Chairman Joe Josselet said the drive is still 36 percent short of the \$17,681 goal and only about 25 percent of the donation cards are still out.

"We're working hard right now to get all those cards in," he said "and still hope to reach the goal that we had hoped to make by Thanksgiving."

Last year, when the goal was \$16,750, the total was pushed over that amount by a last-minute telephone campaign which contacted 100 persons whose cards had not been returned. More than 88 percent of the goal had already been reached before the telephone calls were made.

LITTLE PUNKINS IN A BIG FIELD—After shopping around in this field of giant pumpkins in Easter, 5-year-old Jamie Baker and her 2-year-old sister, Tori, come back with a couple of pie-sized ones for Thanksgiving dinner. The girls are the daughters of Mr. and Mrs. Jim Baker of Dimmitt.

### Services held Tuesday for Mrs. Haberer

Funeral services for Leola Haberer, 74, a longtime resident of Castro County, were scheduled Tuesday afternoon in First United Methodist Church here, of which she was a member.

Rev. John Street, pastor of First Baptist Church, officiated with Rev. Howard Quiett of First UMC assisting. Burial was in Castro Memorial Gardens, directed by the Dennis Funeral Home.

Mrs. Haberer, of 601 W. Lee, died late Sunday afternoon in Plains Memorial Hospital. She was born at Bellevue and came to this county in 1916 as Leola Shuford.

She married Roy Haberer and they resided on a farm in the Big Square community in western Castro County until 1954, when they moved to Dimmitt. Her husband's death occurred in 1959.

Survivors are a daughter, Betty Worrell of Dallas; two sons, Roger and Philip, both of Earth; 10 grandchildren and two great-grandchildren. Serving as pallbearers for the funeral services were Bob Anthony, Bill Behrends, Dale Winders, Houston Lust, Fred Kuntz and Donald Layman.

### City may drill fourth well in new south water field

In an executive session following the Dimmitt City Commission meeting Monday night, members discussed tentative proposals to use funds remaining from the recently-completed water field development south of the city to buy water rights and drill another well in that area.

Three wells are now in operation, and with a fourth well the field would have a pumping capacity of 95 million gallons, the peak water use in the city last summer, City Manager Garnett Holland said.

City of Dimmitt vehicles may soon sport the city insignia in decals, if plans launched by the commission materialize.

Small copies of the insignia which appears on a large plaque in the commission meeting room will be placed on all vehicles owned by the city, if the Dimmitt Chamber of Commerce accedes to the commission's request to pay part of the cost, Holland said.

On police department vehicles, the decals would be placed below the police insignia.

Continental Telephone Co. representatives requested that a scheduled meeting with the commission be postponed to Dec. 18. Also postponed was discussion of damages to crops during construction of the south field water line, as commissioners decided to wait until all the affected property owners were contacted so all claims could be considered at the same time.

### Wet fields worry farmers Most firms will close on holiday

Waiting for a break in the weather, impatient Castro County farmers are ready to get into the fields and complete the 1978 harvest as soon as there is sunshine to dry the ground.

Since the first week in November rain, snow, drizzle and fog have plagued the area and are predicted to continue at least through this week.

Total rainfall reported by Radio Station KDHN in Dimmitt is 1.93 inches for the month, bringing the year's total to 14.90 inches compared with about 13 inches at this time last year.

Snow amounting to 5 or 6 inches over the county added .31 moisture last weekend. Cotton is the crop worst hit by the weather. Farmers were waiting for a hard freeze to kill the foliage, with open bolls ready for harvesting machines as the month began. But the needed freeze was accompanied by moisture that stopped the harvest just after the county's first 1978 bale had been ginned.

Ginners say the continued wet weather damages cotton, as wet bolls stain the fiber and lowers the grade, which determines the price paid for the staple. Cotton prices are holding strong and growers hope they will increase enough to offset the lower grade.

Sugar beets are not being harmed by the weather because there has not been a freeze hard enough to kill the foliage and stop growth, according to Calvin Jones, agricultural manager for the Holly Sugar plant at Hereford.

About half the crop in the Dimmitt and Hart area is still in the fields, Jones said, and harvesting is at a standstill

### NHS band on trip to play at El Paso

Nazareth Swift Band members and adult sponsors were scheduled to leave Wednesday by school bus for El Paso, where the band will play by invitation in the Thanksgiving parade opening that city's Sun Carnival festivities.

The band will also present a concert in a Juarez shopping center during a visit into Old Mexico.

This is the first time a Nazareth school band has made such a trip, and the holiday excursion is planned to include stops at Carlsbad

there although beets are still being harvested at some places west of Hereford and around Wildorado.

Sugar content of the beets is not affected by the delay in harvest, Jones said, and is up to a good average this year. He said Holly is ready to reopen the Dimmitt and Hart stations just as soon as harvesting can resume, and asked growers to report immediately to Roy Parten, Holly representative in this county, when they begin work.

Jones also said growers should report if they need help in order to get their crops out quickly, as harvesting equipment and workers are available, and the Holly [See WET FIELDS, Page 12]

Businesses which have announced they will be open Thanksgiving Day include Gibson's Discount Center, Allsup's Convenience Store, Circle-K and the Castro County Country Club Restaurant.

Banks and federal government offices will be closed Thursday only. The courthouse, city offices and utility company offices will close both Thursday and Friday as will the schools. The Castro County News will be closed Thursday only.

Rev. Howard Quiett, pastor of the First United Methodist Church of Dimmitt, will deliver the sermon at the annual Community Thanksgiving Service, at 7:30 p.m. Wednesday in First Baptist Church of Dimmitt.

The community service is sponsored each year by the Castro County Ministerial Association.

Other ministers of the community will help conduct the service and special music will be featured, according to Rev. Don Price, president of the ministerial association.

### Rev. Quiett to speak at union service

### City may drill fourth well in new south water field

In an executive session following the Dimmitt City Commission meeting Monday night, members discussed tentative proposals to use funds remaining from the recently-completed water field development south of the city to buy water rights and drill another well in that area.

Three wells are now in operation, and with a fourth well the field would have a pumping capacity of 95 million gallons, the peak water use in the city last summer, City Manager Garnett Holland said.

City of Dimmitt vehicles may soon sport the city insignia in decals, if plans launched by the commission materialize.

Small copies of the insignia which appears on a large plaque in the commission meeting room will be placed on all vehicles owned by the city, if the Dimmitt Chamber of Commerce accedes to the commission's request to pay part of the cost, Holland said.

On police department vehicles, the decals would be placed below the police insignia.

Continental Telephone Co. representatives requested that a scheduled meeting with the commission be postponed to Dec. 18. Also postponed was discussion of damages to crops during construction of the south field water line, as commissioners decided to wait until all the affected property owners were contacted so all claims could be considered at the same time.

### Seventh annual pageant dates set at Nazareth

A highlight of the Christmas season in Castro County, the annual Nazareth Nativity Pageant, is scheduled for three presentations, Dec. 17, 20 and 22 in the Holy Family Catholic Church.

Residents of the Nazareth community are preparing to stage the pageant for the seventh consecutive year. Visitors come from over the Panhandle-Plains area and neighboring states each year to see pageant scenes portraying prophecies of Christ's birth, his infancy and childhood.

Each presentation will begin at 8 p.m. There is no admission charge and the public is invited.

The choir under direction of Noreen Carson of Canyon has been rehearsing for several months the special music to accompany pageant action. Music composed especially for the production will be heard with traditional hymns of the season.

Elaborate costumes and stage settings made by Nazareth residents are used by the actors, who are also picked from the community. The same general program of stage action is followed each year, but additions and improvements are made constantly.

The choir under direction of Noreen Carson of Canyon has been rehearsing for several months the special music to accompany pageant action. Music composed especially for the production will be heard with traditional hymns of the season.

### Survey confirms it--students like burgers

Hamburgers, French fries and chocolate cake are the lunchroom foods most favored by Dimmitt High School students, according to the results of a recent food-rating survey conducted by the administration and Student Council.

But a meal of Texas hash (a hamburger-and-rice dish), green lima beans and bought sliced bread, with prune cake for dessert, would find few takers the polls showed.

A hundred students—25 from each grade level—were given questionnaires in the survey, and 84 returned them.

All 35 of the main dishes served in the school cafeteria last year were listed, along with 30 fruit and vegetable items, 15 desserts and four breads.

To the surprise of no one acquainted with teenagers' appetites, the fast foods headed the list of "best liked," with such solid items as turkey and dressing, chicken fried steak, scalloped potatoes, blackeyed peas and sugar cookies well down in the ratings.

Tacos and stew finished in a second-place tie behind hamburgers among the favored main dishes, followed in order by sandwich plate, fried chicken, corn dogs, barbecue on a bun and hot dogs.

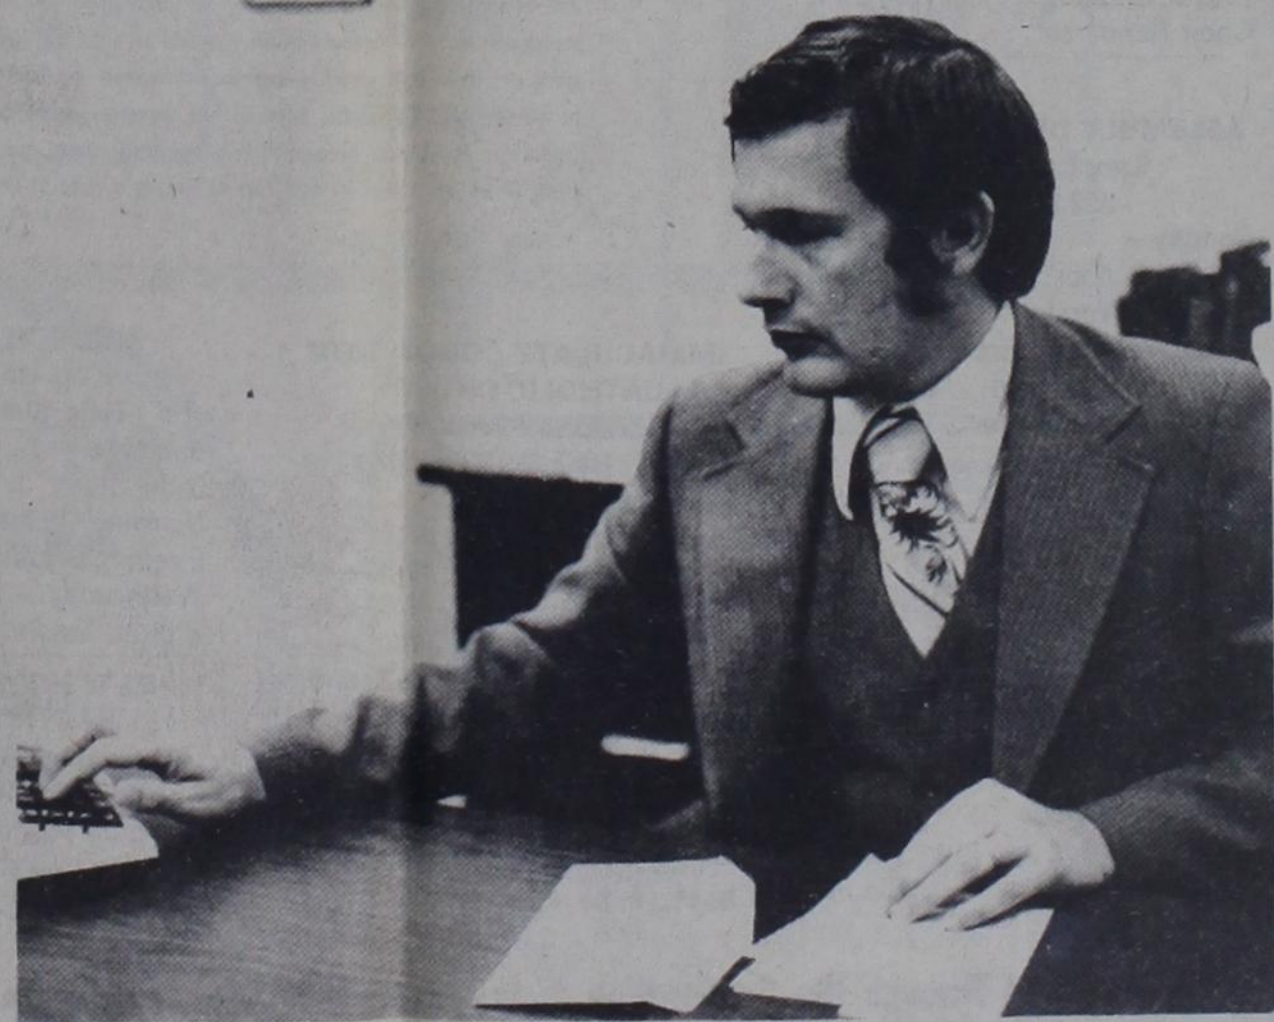

Mexican food items, except for the tacos, were farther down the list, but they still led fish, meat loaf, cubed beef, tuna and chicken salad.

Most mothers could probably have foreseen that beets, broccoli, slaw and mixed vegetables would be scorned by the cafeteria diners, and that homemade hot rolls would lead the bread list, with cornbread next most popular.

Prune cake and date cake were the most disliked desserts, while fruit salad and peanut butter cake also rated low.

Cinnamon rolls and fruit cobblers came just below chocolate cake as best-liked.

"We're going to eliminate as many of these little-liked items as we can," School Supt. Robert Ryan said. "Our food choices in all categories will reflect the students' likes and dislikes. In fact, we already have been revising our menus to reflect preferences shown in the survey."

DRIVE STILL SHORT—United Way Campaign Chairman Joe Josselet runs a total on pledges and contributions to the 1978 drive, and finds the amount \$6,400 short of the goal. "Obviously, a lot of people who contributed last year haven't done so this year," Josselet said. Only 25% of the pledge cards remained out Tuesday, with the drive still 36% short of its goal of \$17,681. Pledges and contributions may be mailed to Josselet at Hi-Plains Savings & Loan Association, or delivered to his office.

# Snow ice cream made at school for fourth graders

By MYRTLE SHEFFY

Don and Carlee Warren went to school Thursday to make snow ice cream for Dawn Goolsby's fourth grade, which is composed of 25 youngsters including their daughter Whitney. That was fun. Do you remember how good snow ice cream is?

Mr. and Mrs. Stanley McDaniel have a new baby boy born Nov. 15 at the Central Plains Hospital in Plainview. The grands are John and Margaret Womack and the Floyd McDaniels of Boice City, Okla. He came in on the four year birthday of brother Shad. Has another little brother, Stacy.

At the big turkey dinner last Wednesday I saw the two doctors, Sims and Hill, and I heard this. Dr. Hill says if your dog can't eat, check his jaw. He was working on the broken jaw bone on the dog belonging to Dr. Bill Murphy. He might fix yours, too, if it is needed. Dr. Sims works on teeth.

Zona Vilas, a school teacher, was eating with Frances Quiett, another school teacher. Zona's sister Naomi Vilas is here for the month of November visiting Zona and Bob. She will be here for the Thanksgiving dinner.

Mrs. E. R. Rothwell will be missed by her many friends. She made many afghans while living out at South Hills Manor. They lived on their farm out west of the Bethel community hall for many years.

Mrs. Ed Manning, or Nita, flew down to Dallas last weekend so she could attend the 100-year birthday of her home church, which is the Presbyterian Church just off Buckner Blvd. near Big Town. They had a big dinner for the many who came home for this service. Nita stayed with her mother, Mrs. R. N. Grubbs. And this week the Mannings will go to their son Sam and

Jennies' house for the family dinner.

Last Sunday the Dimmit Presbyterians and other friends had a victory dinner for M. L. Simpson at the city hall assembly room. M. L. was elected county judge last week.

Can you believe that Roxie McLean is 30 years old? Well, she is. So friends Carlee Warren, Jan Baca, Sandra Potts, Patricia Braafladt and Sue Kemp took her to our country club for dinner, bringing gifts and good wishes. They all went to Sue (Mrs. Carl Lee) Kemp's for an afternoon of visiting. This was Nov. 16.

Jo Behrends had a birthday also. Bill took her to the Methodist dinner to celebrate. Don't know the years.

Rita McDaniel had a birthday party for four-year-old Shad McDaniel Nov. 14. The centerpiece of the table was a red fire engine cake with favors to match. Those enjoying the cake and punch were Garland Coleman III and his mom, Suzan Coleman, David Upshaw, John and Hoyle Wall, Stacy McDaniel, Cornelia Annen, Margaret and John Womack and Shirley Stephens.

Chuck and Dusty Lay are the parents of a new baby girl who was born Nov. 16 at a Lubbock hospital. Grands are Mr. and Mrs. Chock Lay.

Bobbie and Harlin Dodd, their daughter Darlene and husband Tommy Stanton went to Fort Worth a while back to visit daughter and sister Jerri Kay Rhodes and family. Jerri Kay is recuperating from recent surgery.

Capt. Cliff Lewis came in from Whiteman Air Force Base, Mo. His wife Avie and children Ronnie and Kerry live here. Avie is a substitute teacher, mostly in music.

I was visiting friends in the hospital Saturday when I met Dusty Smith and Harriett Dunaway and didn't see Marshall Henderson, in the hospital with injuries received when their car hit a cow on the Flagg road. She was down, already had been hit by another car driven by Jackie Holcomb of Earth. Dusty is the son of the David Smiths east of town, Marshall is the son of the Bill Hendersons, Harriett, daughter of the TW Dunaways on Dulin St. Their friend with them is Harry Hebel, who moved here recently from Albany. He has been employed at Taylor Feed Yard. He stays with Dusty Smith.

Ray and Eleanor Kohler of Fort Collins, Colo. are here for a few days to be with Jack and Myrna Cowser. Jack will come home this week after a long stay at St. Antonsy.

Sunday Ceal, Opal, Cletha and I went to the wedding for Anne Bolger and Joe Ramirez. Had dinner at Rhet Butler's restaurant with Opal's daughter Kay and her friend Evelyn Webb. Then out to the hospital to visit Jack. We met Mr. Carl Hill there visiting his son, and Mr. Hill sends greetings to his nephew Dr. W. J. Hill and Bob McLean and Ed-

win Ramey.

Don and Ann Ethington and Elvis and Joy Barker spent last week in Miami Beach, Fla. The men attended the American Institute of Chemical Engineers annual convention and the ladies just rested and enjoyed the beautiful weather. One afternoon they all drove down to Key West.

One night they took a cruise boat out to an island off Ft. Lauderdale where they had an excellent meal and were entertained with a vaudeville show. There is much wealth in the Miami area. They saw one yacht with its own helicopter. The Barkers returned to cold Dimmitt Friday and the Ethingtons went on to Nassau for a few days vacation.

Harry and Debra Jones will be at the family Thanksgiving dinner in the home of her parents, Vernon and LaRue Hasley. The sister Jan and Jimmy Waggoner and kids will be there also.

J. O. Seale went back to Houston this week for surgery on a tumor in the mouth. Our good wishes go with J. O.

Dewayne and Pam Haney will be hosts at the Thanksgiving dinner for her mother Virginia Lambert and her twin sister Tamara from Clovis. Mr. and Mrs. Thurman Oldham and children go to Clovis for a dinner with her father M. B. Walberg at Portales.

Opal Bearden and I went to Tulia last week for the home tour. We visited with Flo

Nichols and Mrs. Dovie Harmon, who is a sister of Gladys Benson, and we had tea with Thelma Evans and friends. Thelma was a WTSU friend of Dorothy Bond and Sue Merritt.

P. P. and Madge Robb will be hosts Thanksgiving day to 36 people, their children and Madge's relatives. They will serve dinner at fellowship hall at the Methodist Church. Here are the names: Brothers Mr. and Mrs. Loyd Williams, Mr. and Mrs. K. B. Williams, Mr. and Mrs. Art Betts and family, all from Keys, Okla. and also Mr. and Mrs. Billy Williams, Mr. and Mrs. Ron Hiner and family from Goodwell, Okla. Mr. and Mrs. James Gerba from Fort Worth, Mrs. Dean Minter and son Jeff from Amarillo and the Robb families, Don and Sandra and kids Richard and Berle from Idalou, Ted and Jean and children, Larry, Jan, Cheryl and Lonnie.

Danny and Donna Newton and babies Tessie and Dagon will spend the holiday in Odessa with his parents Buford and Dorothy Newton.

Raymond and Maria Fleming have moved here to their new home at 1642 Sunset Circle. They are the parents of LaVon Reeve. He and Don Reeve own the Chevrolet place. They attend church with the Bedford Street Church of Christ. And the Flemings were honored with an open house and get acquainted party Sunday evening after church.

The Church of Christ teen group will have breakfast at the home of the Dean Wise-mans.

Retta Cluck was hostess to the Friday bridgeplayers at the city hall assembly room. Retta served hot hamburgers and butterscotch squares and coffee to Opal Bearden, Glad-iola Shipley, Myrtle Sheffy, Betty Renfro, Cletha George, Dorothy Elder, Bernice Hill, Carolyn Copeland, Bobbie Damron, Billie Cluck and Betty Cartwright.

Edna Riley was hostess to the Thursday bridge with games and a very elegant dessert of walnut crust butterscotch cream cake and coffee. Guests were Ceal Carlile, Maxine Tidwell, Reba Touchstone, Anita Morris, Jeanie Miller, Betty Huckabay. Anita and Maxine were high score winners.

Carolyn Jones was hostess to her bridge friends Thursday. She served strawberry pie to Shirley Wise, Bonnie Koeninger, Mona Merritt, Ina Cleavinger, Polly Simpson, Deanne Clark, Ruth Jackson, Doris Lust, Brenda Andrews, Joannis Robertson, Dorothy Hopson and Lois Carver Raymer.

The Thanksgiving dinner and bazaar at the Methodist fellowship hall was a big success. The food was excellent. Shirley Wise and friends bought the Ceal Carlile afghan and presented it to Thomas Collins, student preacher. He wanted it to help keep warm these cold

times. Next big dinner is the Hospital Auxiliary, around the first of December.

Edna Riley went to San Marcos where she picked up son Kim out at Marbridge, his school, then both visited her sister-in-law Dorothy Burt in San Marcos. Edna and Kim went fishing in that pretty river. Seems Kim caught a big one. He loves fishing. That is the river that has lights under water and people rent glass bottom boats and can see the fish swimming.

The Republican Women will be hostesses to a holiday home tour and bake sale Dec. 15. The homes will be decorated with the Christmas motif. Tickets may be purchased from any of the members. These are the homes to be shown—Dorothy Hopson, Janet Justice, Martha Jo Hyman and Patricia Braafladt. This is the first home tour in Dimmitt since the Garden Club disbanded.

Mr. and Mrs. B. M. Nelson will have their family home for Thanksgiving dinner. Coming are Bascom and Penny and daughter Susan, Connie home from TU at Austin, her friend Larry Hand from A&M, Mary and Herb Burnham and sons Rex and Mike and Don and Verbie and sons David and Nathan, Verbie's mother, Vada Belle Oldham from Lubbock.

Anne Helene Bolger and Joe Ramirez were married Sunday morning, Nov. 19, at

the Templo Las Buenas Nevas Church in Amarillo. A reception followed the service in fellowship hall. This is an Assembly of God Church. Anne's parents are Mr. and Mrs. McLarety of Byers, N. M. Anne lives in Canyon and teaches at WTSU, also working on her masters in education. Joe teaches art and social studies in the Middle School in Dimmitt. He does some photography for the Castro County News also. Ceal Carlile, Opal Bearden and I attended the wedding.

Hope for sunny weather for gathering the cotton.

Bill and Cheryl Glidewell will have company this week,

her parents Mr. and Mrs. Joe Newman from Denton, uncle and aunt Mr. and Mrs. Max Newman of Levelland, her grands Mr. and Mrs. H. E. Newman from Hart. And she says a few other relatives are coming in.

**A Look at the Cross on THANKSGIVING**  
"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."  
"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."  
"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6  
Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

**Miss 3-AA title by 51 seconds**

**Bobcats end season with 26-0 win over Friona**

By JIMMIE CHAPMAN

Dimmitt's Bobcats closed out their '78 football season here Friday night with a vengeful 26-0 victory over the Friona Chieftains. It was the first shutout of the year by the Bobcats.

Last year at Friona, the Chieftains left in their first string all the way and blasted the Bobcats 34-7. In retaliation, Dimmitt scored its final TD Friday night with 22 seconds left, but it was backup quarterback Robin Ryan guiding the drive instead of Jack Stewart.

The Bobcats did as well of of Friona's passing attack as the Chieftains did. The Cats intercepted five Friona passes while allowing only six completions, with only one in the last half. Dimmitt, in the meantime had its best passing night of the season, connecting on five of 12 on a very muddy field.

The first quarter was scoreless. Friona was on the move at the end of the period, but Randy Roberts intercepted a pass at the Dimmitt 40 to stop the drive.

The second quarter was like the first—a lot of slipping and sliding on a very muddy field. With a little over three minutes to go, Dimmitt started its first scoring drive of the night from its own 49-yard line. With Dennis Veals, Larry Bossett and Randy Roberts running the ball, the Cats moved it to the Chiefs' 4-yard line, and with only 59 seconds left in the half, Bossett went over left tackle behind some fine blocking and into the end zone for the first score. Tony Gonzales kicked the extra point and the Bobcats were leading 7-0 at halftime.

**MY BOYS**—Head Football Coach Jerry Vance congratulates his muddy but happy Dimmitt Bobcats in a team muster after their 26-0 victory over Friona in the final game of the season Friday. At left is Assistant Coach Ed Hickman. The Bobcats finished with a 4-6 record overall and a 3-2 mark in district

Neither band paraded at halftime, but on the second-half kickoff, Bossett decided to have a parade of his own when he fielded the ball at his own 18-yard line. He set sail down the right sidelines, cut across the field and went 82 yards for the TD. Gonzales' kick was no good, but Dimmitt had a 13-0 lead with only 14 seconds gone in the third quarter.

Friona picked up one first down, then the Bobcats took

over on their own 40. Two plays later, Stewart hit Gary Naylor with a pass at the 50-yard line and the junior end did some nice running in the mud down the sidelines to make it a 63-yard TD play. Gonzales kicked the extra point and Dimmitt was running away with the game, 20-0, with 8:06 left in the third.

Veals and Tim Fewell both intercepted passes to stop the Chieftains' next two offensive spurts. The Chieftains never really threatened in the game because of the outstanding rush by the Bobcat defensive unit. Steve Stone and Robin Ryan both interecepted passes early in the final period.

Dimmitt started its last scoring drive from its own 47 with less than two minutes remaining.

Veals hit Bossett with a pass that was good for 20 yards, then Ryan hit Naylor with a 19-yarder and he stepped out of bounds at the Friona 17 to stop the clock. Ryan ripped off seven more on a run to put the ball at the 10-yard line, then—with 22 seconds left on the ticker—Ryan hit Naylor in the end zone with a 10-yard TD pass. A run for the extra points was

play, which was good for a second-place tie with Littlefield and Olton. As it turned out, Muleshoe's game-winning TD over Dimmitt two weeks ago, with 51 seconds remaining, cost the Bobcats a two-way tie for the championship, which would have propelled them into the playoffs.

stopped, and the final score was 26-0 after three incomplete passes by Friona QB Mike Hutson used up the rest of the clock.

The 1978 football season was over, and both teams had ended the season with 4-6 records. But as it turned out, if Muleshoe had not beaten

Dimmitt the previous Friday in the final 51 seconds, the Bobcats would be playing Idalou this week in bi-district, because Olton put it to Littlefield Friday night, 34-21. The Bobcats finished in a second-place tie with Littlefield and

Olton as Muleshoe won the 3-AA title outright. For the season, the Bobcats scored 144 points.

Fifteen seniors listed on the Bobcat roster played their last game for DHS Friday. They include Captains Tim Fewell,

Jack Stewart, Dennis Veals and Randy Roberts, along with Larry Bossett, Tony Gonzales, Emilio Sandoval, Jessie Enriquez, David Montiel, Danny Ortiz, Leslie Heard, Kyle Wise, Gary Bruegel, Henry Ogas and Chris Fry.

### DHS speech team enters tournament

A team of 11 from Dimmitt High School speech department took part in a practice tournament at Muleshoe Saturday and one member, David Montiel, made it to the semifinals in prose speaking. Jeff Isaacs, Kevin Spinhirne and Junior Mendez also were prose speakers; Julie Maples, Tammy Ross and Toni Wheat competed in poetry reading, Cuca Ortega and Norma Trigo in extemporaneous speech, Raneta Adams and Suzette Schafstall in duet acting. Students from 20 schools, including all Amarillo high schools, Coronado and Brownfield, entered the tourney which was planned to prepare them for district competition. Brenda McClellan, DHS speech coach, said the Dimmitt students made a good showing, with none placing lower than sixth.

FOR an array of landscape color from spring flowering bulbs such as crocus, snowdrops and winter aconite, plant now.

### Pheasant hunt permits and breakfast planned

Maps showing hunting areas open to pheasant hunters who purchase permits from Dimmitt Kiwanis Club members are being drafted, and placards to post the reserved areas are ready to put up, it was announced at the club lunch Monday. Rights to hunt on land belonging to the Bruegel family, George Sides and Robert Benton have been granted to the Kiwanis Club, which will add to its fund for community projects by sale of permits. The permits are available from any Kiwanis member,

and also may be obtained at the annual Pheasant Hunters' Breakfast to be served by Kiwanians Dec. 9, opening day of the pheasant season. Arrangements for the breakfast were discussed at the Monday lunch. It will be held in the County Expo Building, starting about 5 a.m. Bob Crozier, Bill Thornton, Tedd Robb and Floy Driver are on the committee to get material for the breakfast of hotcakes, sausage and coffee. Bob Murdock and Duard Davis are coordinating assistance by the Dimmitt High Key Club members, who will act as waiters. Jimmy Davis has charge of club compliance with Texas Hunting and Wildlife Regulations, LeRoy Maxwell is in charge of advertising the project and Gene King, club president, of preparing the maps. For the third straight week, the club welcomed a new member, Henry Ramaekers. Guests included Key Club members Tami McMaster and Kent Kirby.

### What's cooking at the schools

Here are the lunch menus for Dimmitt schools for the week of Nov. 27-Dec. 1.  
**MONDAY** — Chicken fried steak and gravy, little whole potatoes, green peas, fruit, rolls, butter, milk.  
**TUESDAY** — Bean chalu-pas, Spanish rice, tossed salad, fruit cobbler, milk.  
**WEDNESDAY** — Barbecue on a bun, corn, pickle circles, chocolate cake, milk.  
**THURSDAY** — Fried chicken, creamed potatoes, green beans, peanut butter cup, rolls, butter and milk.  
**FRIDAY** — Corn dogs, French fries, tossed salad, pudding, milk.

## Magazine names SPS Outstanding Utility

Southwestern Public Service Company, Amarillo, has been selected as Electric Light & Power magazine's Outstanding Electric Utility for 1978, according to Robert A. Lincicome, editor. The award presentation last week at a luncheon at the Villa Inn was made by Lincicome. Accepting for Southwestern Public Service Company were Chairman Ray Tolk and President Berl M. Springer. Southwestern currently serves approximately 275,000 customers in a service territory of over 45,000 square miles, located in the Texas and Oklahoma Panhandles, eastern New Mexico and Southwestern Kansas. The selection of Southwestern as EL-P's 10th annual recipient of the Outstanding Electric Utility of the year was based upon the company's ability to cope with the "seemingly insurmountable obstacles which confront all electric utilities nationally," Lincicome said. "Its success is a testimonial to the foresight, initiative and dedication of the entire corporate family, and that of its strong close-knit senior management team."

### Gun theft from home investigated

Dimmitt police are still investigating a gun theft reported last week by Barbara Lightfoot. She reported a .22 caliber revolver had been taken from the top of a dresser beside her bed. Mrs. Lightfoot told police that she had been moving out of her home and that upon returning, it looked as if someone had been sleeping in the bed. She said that the .22 caliber revolver with a six-inch barrel was the only thing taken from the home, Chief Alan Newman reported. The gun was valued at \$80. Two minor traffic accidents were also investigated by city police last Wednesday. One driver was charged with running a red light and another with failure to yield right-of-way.

**PLAINS MEMORIAL**  
Mr. and Mrs. Jose Olivarez of Hereford are the parents of a boy, Raymond Bera was born Nov. 12 and weighed 7 pounds, 8 ounces.

Southwestern, which was virtually 100% fueled by natural gas, made a decision in 1972 to convert to low-sulfur Wyoming coal. In August 1976, the company brought on line the first of three 350-MW coal-fired units. The second unit went into service in mid-1978, and the third is due for completion in 1980. As a result, Southwestern has gone from a situation where the company had practically no coal generation in mid-1976 to approximately 25% coal generation this year. By 1985, the company expects to generate approximately 75% of its kWh from coal, thus insuring its customers of a continuous, economic and uninterrupted electrical supply for many years to come. "Significantly," Lincicome said, "the utility designs and engineers its own plants and has been able to hold the cost of new units to a level well below the national average."

### Microwave Radio It helps us give you a better bottom line on your phone bill.

Microwave radio systems are costly for a telephone company to buy and install. In certain areas, however, they help Continental do a better job for less money. And these savings are reflected in the rates you pay for telephone service. These systems can transmit hundreds of phone conversations at the same time, relaying them instantly from one telephone exchange to another. Special equipment scrambles your words into radio signals for the transmission, then re-scrambles the signals into words at the receiving exchange. Conversations between the exchanges and your telephone set are carried by conventional lines, of course, and have the clarity of conversations carried all the way by wire. By using microwave systems, we can provide good phone service to customers in remote rural areas where it would be much too expensive to install many miles of lines and poles. Service rates throughout our system are based on our costs of doing business throughout our system. Microwave radio is one of the ways we're doing our best to do more for you.

# Farwell tops Horns in finale

By MONTY UPTON

There was no joy in Hart Friday night as the Longhorns ended the '78 season with a 53-6 loss to Farwell.

It was the final game for seniors Ricky Rowland, Jackie

Ethridge, Kelly Jones, Pat Ritter and Steven Brantley.

The Horns had trouble holding onto the ball, turning it over seven times on the evening. Also, Hart had trouble containing the superior size and speed of the Steers.

Farwell got on the board with 6:46 left in the first quarter when FB Rowdy Chadler scored from six yards out and Robin Roberts added the PAT kick.

The Steers were able to score twice more in the first quarter. Roberts got the final five yards on a short seven-yard drive following a Horn fumble, then added his own kick with 1:31 left. After the Horns gave up the ball on a punt, tailback Max Lonsdale scored on the next play from 53 yards out but the PAT kick was missed, leaving the score at 20-0.

The only Horn highlights of the first period were fumble recoveries by Chad Black and Jesse Gonzales. Gonzales' recovery resulted when defensive tackle Marlin Marble blasted Roberts. However, Hart was unable to capitalize on either turnover.

On Hart's first series in the second quarter, QB Rowland and tailback Keith Newsom moved the ball well behind line blocking of center Scott Jones, guards Daniel Higgins and Kelly Jones, tackles Benny McLain and Danny Rodriguez and ends Pat Ritter and Steve Brantley. With Isaiah Ponce at flanker and Jackie Ethridge at fullback, the Horns moved until penalties stopped them.

However, despite Black getting another fumble recovery for the Horns, Farwell

broke Lonsdale for another TD on a 77-yard run. Roberts added the kick.

Nine plays later, Hart gave up the ball on an interception and Farwell used three plays to move 42 yards to the Horn 16. From there Lonsdale broke for his third TD and Roberts again added the point after, making it 34-0.

The third period was a repeat of the first two as Chandler added two more TD runs of 35 and 21 yards on drives of 58 and 50 yards respectively. The PAT kicks failed on both.

Hart had three turnovers in the final period, one of which resulted in the final Steer score when Farwell got the ball on the Horn 15 and halfback Raul Garza got the yardage for the score. Roberts added the PAT kick.

In the final period, Chad Black came up with his third fumble recovery of the evening, but the Horns were unable to move the ball.

Defensively, tough games were played by Hart's big

tackles, Marlin Marble and Melvin Washington, and the down guards, Nathan Ingram and Jesse Gonzales. Seeing a lot of action also were Joe Portillo, Luis Villegas, Roy Martinez, Guy Scoggins, Derek Rich and Phillip Hawkins. Marble and Washington both threw the Steers for big losses of nine and seven yards respectively.

After Forcing Farwell to try to punt, Ingram got through to block it and Marble fell on it at the 1. Newsom then got Hart's only score of the evening, but the PAT run fell short with 1:26 left. Farwell then successfully ran out the clock.

The Horns have suffered through a long season but, as fans, we knew what to expect. Five freshmen had to be counted on extensively and a number of sophomores came through. It was a young ball club that made mistakes, but they played hard, learned and improved. With our continued support, they will continue to improve.

## School menus at Nazareth

Here are the lunch menus for Nazareth schools for the week of Nov. 27-Dec. 1.

**MONDAY** — Barbecued franks, fried okra, cole slaw, cornbread, butter, syrup, apple crisp, milk.

**TUESDAY** — Chili beans, peanut butter and crackers, carrot and celery sticks, cinnamon rolls, milk.

**WEDNESDAY** — Cheeseburger, French fries, lemon pudding, milk.

**THURSDAY** — Mexican casserole, tossed salad, corn, sopapillas, honey butter, pear halves, milk.

**FRIDAY** — Roast, mashed potatoes with gravy, green beans, hot buttered bread, peach cobbler, milk.

## Pre-planning is aid to retirement

People who are planning to retire in early 1979 should act now to make sure that social security checks start coming when their income from work stops, a social security spokesperson said.

A person should apply for social security retirement checks 2 to 3 months before he or she wants them to begin. This way, the checks will start coming when they are needed.

The representative said it would be helpful if people planning to apply get certain information together before they apply. What is needed is:

The person's social security card, or a record of the number.

Proof of the person's date of birth, preferably a birth certificate or church record of birth or baptism.

Evidence of 1977 earnings, such as a Form W-2 or copy of a self-employment tax return.

Information about 1978 expected earnings.

A person should not delay applying because he or she does not have this information. The people at the social security office can suggest substitute evidence.

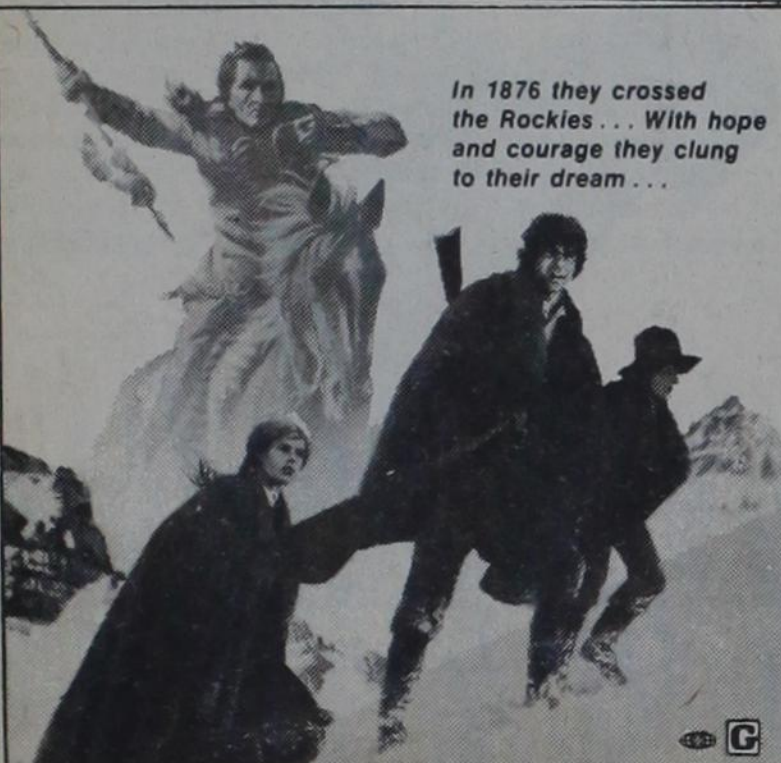

In most cases, a person does not have to come to the social security office to apply for benefits. It can be done by phone and mail.

For more information about social security benefits, call any social security office.

# BRED TO FIGHT STRESS. CONSISTENTLY HIGH-YIELDING TROJAN TXS115A

In this area's hot, dry, high-stress climate, you need every bushel of corn you can harvest.

You can't run with the pack. To finish in the money, you need to finish in front.

And Trojan TXS115A is bred to carry you past the competition into the winner's circle.

A star in every department, TXS115A may be the most consistently high yielding hybrid in the history of 115-day corn.

Strong emergence and early vigor. Strong stalks. Deep kernels, heavy test weight and high shellout.

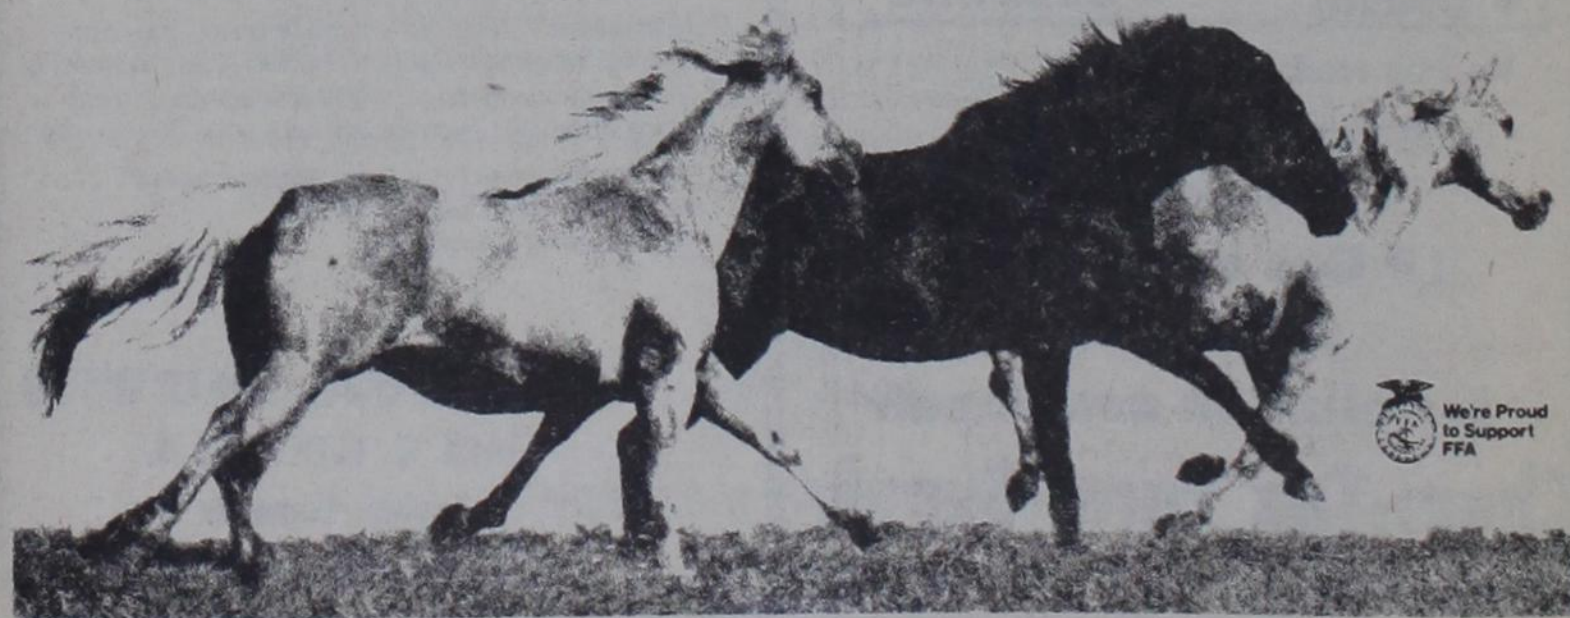

Fast dry down. Clean picking and easy combining.

That's Trojan TXS115A—the front running, high yielding champion of champions, from the Trojan Stable of Champions.

For Trojan TXS115A, and for high quality, high performance grain sorghum, call the Pfizer Genetics dealer nearest you.

### Child's play: serious business

AUSTIN, Texas (Spl.) — Child's play is serious business for Dr. Joe L. Frost, a University of Texas professor of curriculum and instruction.

Dr. Frost recently designed a special playground in Austin that provides the sort of creative environment that makes for good play. Its equipment variety and space enhance motor development, encourage make-believe play, provide for building play and allow for competitive games.

Playgrounds are his "laboratory" where he gathers research data on the function, safety and durability of equipment; children's free-play choices in selecting equipment; type of play engaged in, and playground language.

IN Natoma, Kan. it is illegal to practice knife throwing at someone who's wearing a striped suit.

In snow an alien, standing proud... —John Igo

### On the go

VISITING through the Thanksgiving holidays with Mr. and Mrs. Richard Brock of Dimmitt are Waldron and Helen Melton of San Antonio, Mrs. Brock's parents. The Meltons are former long-time Hereford residents, and are visiting friends and relatives there, also.

MOST spring flowering bulbs should be planted in October and November so they have ample time to develop a good root system. But tulips should be refrigerated first at 35 to 40 degrees F. until mid-December.

Long drooping boughs between shadows dark and sunlight sheen. —Longfellow

### Learn to learn

AUSTIN, Texas (Spl.) — A new course to be offered by The University of Texas will help freshmen learn how to learn more effectively.

The idea of the course is to catch people before they get into bad habits in studying and learning.

Developed by Dr. Claire Weinstein in the Educational Psychology Department, the course on individual learning skills will help freshmen gain more control over their academic lives. Dr. Weinstein believes the ability to process information and to learn efficiently can be taught.

## More cattle on feed could weaken prices

The number of cattle on feed in the major cattle feeding states was up 16 percent on Oct. 1 compared with a year ago. That means that marketings could increase sharply during the remainder of the year, boosting beef supplies and putting pressure on cattle prices.

"Current information shows that feedlots expect to market about 6.6 million head

of cattle during the October-December quarter of this year," points out Dr. Ed Uvacek, livestock marketing specialist with the Texas Agricultural Extension Service.

This would be a 9 percent increase from a year ago and would be the largest quarterly gain recorded this year. It would also be the largest number of fed cattle ever to move to market during the fourth quarter of a calendar year.

"With this increase in marketings, prices for fed cattle will likely show some weakness although they should not go much below the high \$40 per hundredweight level," Dr. Uvacek said.

"The likelihood for monetary losses, however, is still substantial since breakeven costs during the last quarter of this year will be close to \$55-\$58. This will undoubtedly also cause some major adjustments in feeder cattle prices."

Looking ahead, fed cattle marketings could easily be above the seven million head level for the January-March period. This would also be a new record high, notes Uvacek, and would boost total beef supplies to above year-ago levels.

Combined with expected increases in pork and poultry production, such a high beef production could put a lid on beef cattle prices during the first calendar quarter of 1979.

JUAN Pablos published the continent's first newspaper from Mexico City in 1541.

# ANNOUNCEMENT OF 46TH ANNUAL STOCKHOLDERS MEETING

The 46th Annual Meeting of the Stockholders of Dimmitt Consumers will be held at City Hall in Dimmitt, Texas at 7:30 p.m. on Tuesday, the 28th day of November, 1978. The purpose of the meeting is to hear the Annual Audit Report, and to elect 2 directors and to transact any business that may properly come before the meeting. Try to Come.

## DIMMITT CONSUMERS

## Texas 4-H'ers will attend national meet

Forty-six Texas 4-H members will travel to Chicago for the 57th National 4-H Congress Nov. 26-30, courtesy of some 70 private-sector donors who are providing more than \$18,000 for travel expenses.

The expense-paid trips are made possible by the support of corporations, foundations and other private-sector organizations as well as individuals through the National 4-H Council and Texas 4-H Foundation, points out Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service.

"4-H continues to enjoy support from the private sector because it provides solid and practical life skills education. The strength and depth of future leadership that 4-H provides is a major reason for the long-standing support of the program by many of America's leading corporations," notes Pelham.

# Socially Yours

DECEMBER VOWS are planned by Carol Hochstein and Jerry Kern of Nazareth, with a ceremony at 4 p.m. Dec. 16 at Holy Family Catholic Church. Miss Hochstein is the daughter of Mr. and Mrs. William C. Hochstein and her fiancé is the son of Mr. and Mrs. Walter Kern. Both families live at Nazareth and the couple are graduates of Nazareth High School. The bride-elect is a plant science major in West Texas State University this year. Kern attended Amarillo College, majoring in commercial electronics, and is with Kern Plumbing and Electric.

## ROW names officers and plans homes tour

Officers headed by Becky Killingsworth as president were elected by the Castro County Republican Women's Organization last week, at a meeting where plans for a

Christmas homes tour were furthered.

Becky Maxwell was named vice-president and Carolyn Jones secretary-treasurer to serve with Mrs. Killingsworth during 1979. They will take office in January.

The homes tour sponsored by the ROW is scheduled for Dec. 15, when holiday decorations will be in place at each of the four tour spots. A bake sale will be conducted at one of the homes.

On the tour will be the residences of the Harold Hyman, V. C. Hopsons, Ken Justices and Chuck Braaflds.

Final plans will be made at the next ROW meeting Dec. 13.

IF you're ever faced with running a tractor off the road, turn down slope into the ditch and slow down. Turning up slope toward the road is a natural response but can result in a deadly overturn.

## Broom making to be topic at art club

Nazareth Art Club will hold its regular meeting at 7:30 p.m. Monday in the basement of the Holy Family Catholic Church.

Jo Warren will present a program on decorative broom making, and a door prize will be given.

All interested persons are invited; there will be a \$1 charge for all non-members. Refreshments will also be served, according to club president Nancy Huseman.

### Conrad reunion is held

By VIRGIE GERBER

The family of Mr. and Mrs. Leonard Conrad enjoyed a family reunion in the home of Mr. and Mrs. Cyril Brockman Nov. 11. All of their children and grandchildren were present. This included the Vincent Ramaekers family from UMBarger, the Cyril Brockman family of Nazareth, the Ted Conrad family from Alexandria, Va., the LeRoy Hoelting family of Colorado Springs, Colo., the Howard Bacon family of Amarillo, the Tommy Conrad family from Colorado Springs and the Clyde Venhaus family from Dumas. Air Force Colonel Ted Conrad and his family are in the process of moving to Naples, Italy for a three-year assignment. Other out of town guests were the Leo Conrad family, the Raymond Conrad family, the Glenn Conrad family and the Stan Sparkes family, all of Claude, the Marcus Conrad family from Amarillo, the Jimmy Fullerton family from Lubbock, Mrs. Arthur Conrad and the Donnie Conrad family from Groom and the Dickie Conrad family from Amarillo.

Fritz Bruening of Hartington, Neb. visited friends here and his cousin George Schulte of Hereford. Fritz is a nephew of Louie Bruening, who lived here for many years.

Anne Schulte's brother, Robert Hoffman, and wife of Pryor, Okla. and Jim and Ann Owens of Wichita, Kan. are visiting here before the Gerald Schulte wedding on Saturday.

### Grain Handling files counter-suit in Dallas

Grain Handling Corporation has filed a cross-action suit against a former Frito-Lay executive and others, in a new legal move after a suit and countersuit involving the two firms.

The cross-action suit, asking \$10 million in damages, was entered in 191st District Court at Dallas, where Frito-Lay filed its original suit earlier.

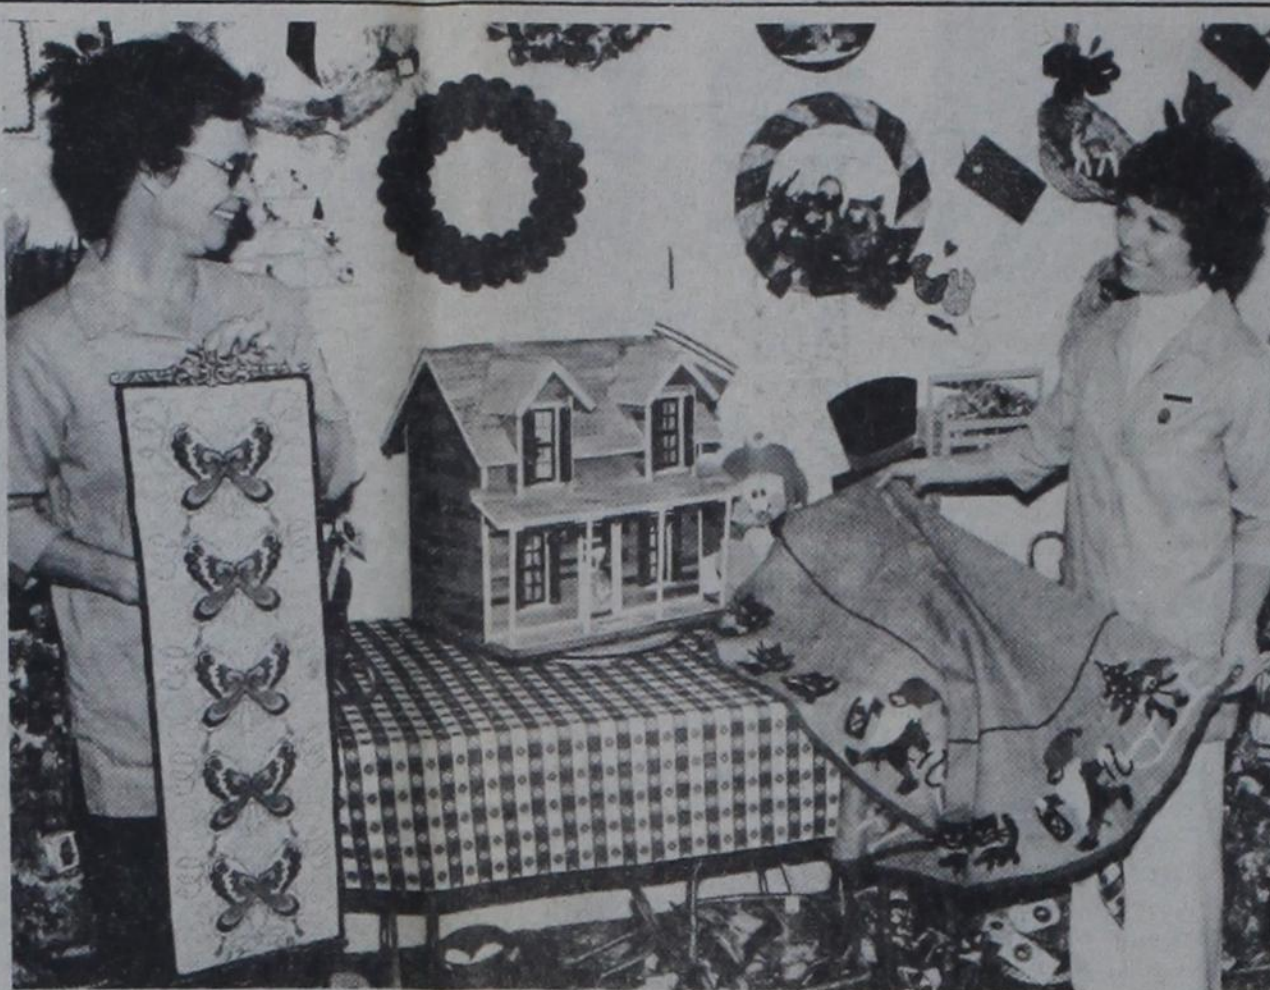

The cross-action suit names James Stafford, former commodity purchasing agent for Frito-Lay; J. T. Hair; Sherry Hair; Sondra Sue Jones; Marlin Peterson; Rockbrook Farms Inc.; and J. T. Hair as trustee, alleging fraud and misappropriation of funds in dealings with Grain Handling.

The chain of lawsuits began when Frito-Lay, a Dallas-based firm, filed an action charging two companies, including Grain Handling, and five individuals with schemes to defraud Frito-Lay in the supplying of corn and edible oil. The original suit asked \$18.6 million damages.

Grain Handling, which operates in Hart, Olton and Hereford, responded with a countersuit alleging breach of contract and seeking \$45 million in damages. Grain Handling buys, cleans and stores corn and has sold the grain under contract to the Dallas firm.

In the original suit, Frito-Lay named Stafford, whom the suit states was fired Aug. 21 by the firm as purchasing manager; Hair, Stafford's son-in-law; Melvin N. Tekell, his business associate; H&J Operations; and two of Grain Handling's officers, Garland DePrang of Olton, president, and Wister Clevenger of Hereford, vice-president.

The cross-action suit by Grain Handling alleges that the individuals named and

BAZAAR PRIZES—Mary Emma Matthews (left) and Glenda Sims show three of the door prizes that will be featured at the Plains Memorial Hospital Auxiliary's annual Christmas Dinner and Bazaar Dec. 1 in the County Expo Center. Mrs. Matthews holds a needlepoint bell-pull made by Jo Kirkpatrick, while Mrs. Sims displays a burlap holiday tablecloth made by Irene Blanton and Sue Miller. On the

table is a colonial dollhouse made by Dorothy Gilbreath's nephew, Capt. John D. Rogers, and furnished by Mrs. Gilbreath, Courtenay Armstrong, Virginia Gilbreath and other Auxiliary members. The Bazaar will feature hundreds of homemade items, including Christmas decorations, plus baked goods and other holiday foods. The door prizes are on display at Somethin' Special.

### Bolger-Ramirez vows read

Anne Helene Bolger, daughter of Mr. and Mrs. Max McLarty of Bayard, N.M. and Jose Luis Ramirez, son of the late Mr. and Mrs. Juan Ramirez of Tulia, exchanged vows Nov. 19 in an informal double ring ceremony with communion.

Officiating for the ceremony in both English and Spanish was Rev. Jose Plata at the Templo Las Buenas Nuevas Assembly of God in Amarillo.

Given in marriage by Rev. D. F. Dela Rosa, the bride wore an off-white dress with blue accents and carried a bouquet of white roses and blue carnations.

The maid of honor was Cynthia Esparaza of Canyon, niece of the groom. She wore

a twilight blue dress and also carried white roses and blue carnations.

The groom's best man was Jesse Esparza of Amarillo, his brother.

Organist for the ceremony was Lucy Limas.

A reception followed at the church where punch and a cake made by Mrs. Curtis Beavers of Dimmitt were served.

The bride is a graduate of the University of Texas at El Paso with a BA in Spanish, and is currently enrolled in a master's program at West Texas State University. She graduated from high school in Bayard in 1972 and teaches Spanish at WTSU.

The groom is a graduate of

WTSU, has a BS in elementary education and art, and is an art teacher at Dimmitt Middle School. He graduated from high school in Tulia in 1970.

A wedding trip is planned for December for the couple to go to San Antonio.

The newlyweds are now at home at 111 Eleventh Street #3 in Dimmitt.

### 4-H Food Show winners named

Eight county girls will advance to the District 4-H Food Show in Lubbock next month after winning first-place awards at the county show Saturday.

Twenty-five 4-H'ers from five clubs competed in Saturday's show, which was held in the County Expo Center.

Winners in the Junior Division were Laura Nelson, snack; Jan Nelson, side dish; Lisa Nelson, dessert; and

Shelley Frye, main dish.

In the Senior Division, first-place winners were Mary Jean Huseman, dessert; Edith Durbin, side dish; Tammy Behrends, snack; and Kyle Behrends, main dish.

The district competition will be held Dec. 2 at Texas Tech.

Coordinating Saturday's County 4-H Food Show were Lana Downing, advisor, and Leanne Crozier and Cinde Sides, junior leaders.

# Ag summit conference scheduled

Former Texas Governor John Connally and US Sen. Bob Dole of Kansas will headline the speakers list at the National Farm Summit set for Dec. 4-6 at Texas A&M University.

The summit, first of its kind to be held, will examine major issues confronting the nation's agricultural economy. It will represent more than a year of planning, research and study on "practical and positive solutions to current and long-term problems" in

agriculture. Sponsoring the activity will be Texas A&M and the Agricultural Council of America.

Dr. Jarvis E. Miller, Texas A&M University president, said this marks a "major attempt to bring leaders representing all aspects of the farm community together to consider mutual problems in an atmosphere of mutual respect."

He pointed out that the conference will center around the work of five task force groups. Reports will be presented by task force chairmen and discussed in detail, in hope of reaching an overall consensus on solutions whenever possible.

Chairman of the International Trade Task Force will be Tim Josling, professor, Food Research Institute, Stanford University; and chairing the Nutrition, Product Quality and Safety Task Force will be Peter Timmer, professor, Harvard School of Public Health.

Emery Castle, vice president of Resources for the Future, Washington, D.C., will chair the Task Force on Resource Use and Production Costs. Luther Tweeten, professor at Oklahoma State University, will serve as chairman of the Farm Commodity Prices and Income Task Force.

## State employees fewer than average in Texas

Texas state government employees per 10,000 residents ranks well below the national average, according to a report from the state comptroller's office. The comptroller's office can now instantaneously measure the state work force.

Comptroller Bob Bullock, in a letter to Gov. Dolph Briscoe, Governor-elect Bill Clements and legislative officials, reported all state employees totaled 168,919 Nov. 15.

The number includes 83,917 non-academic employees and 62,058 university and college employees as well as 22,944 part-time and seasonal employees.

He said the figures were generated using a new procedure in the comptroller's office. For the first time in state government, the payee record system can readily determine the number of state employees paid from funds in the treasury.

There are about 129 employees per 10,000 Texas residents compared with the 1977 national average of 134 full-time equivalent state employees per 10,000 population, Bullock said.

"By comparison, it takes 149 government workers per 10,000 residents to run the government in Arkansas and 234 state employees per 10,000 citizens to operate New Mexico's state government."

Texas' population is estimated at 13.05 million, and if seasonal and part-time employees were dropped from the count, the employee-population ratio would be even more favorable, Bullock said.

## Deer hunters reminded of tagging rule

Texas deer hunters should be aware that Texas Parks and Wildlife Department game wardens issue numerous tickets each hunting season for improperly tagged deer.

Tagging should be the first step taken upon possession of the deer—even before field dressing. Tags must be completely filled out, and department officials recommend attaching them, along with permits when required, to the animal's antler or foreleg with string, wire or clear cellophane tape.

If the hunter plans to have the deer's head mounted, he must obtain a receipt from the taxidermist and attach this receipt to the remainder of the deer.

A deer given to a person other than the one who killed it must have the properly completed and signed tags and permits attached.

A document signed by the hunter stating his name, address, date of kill, hunting license number and county and ranch where kill was made must accompany any portion of the deer given to another person.

THE word saxophone originates from the name of Antoine Joseph Sax.

## Cats have tradition--and height

There's a lot of tradition in Dimmitt boys' basketball—and this year there's a lot of height to go with it.

The 1979 Bobcats are the tallest team Coach Ken Cleveland has had in his 17 years here. Only two of the 14 varsity squads' men stand less than 6-0, with three towering 6-4 and 6-5.

The Bobcats will host the Lubbock High Westerners Friday night in their season opener. (Slaton cancelled its Tuesday night boys' games after its football team went into the playoffs.)

Four players returned from the varsity squad that went to the state finals last year. They are Mark Summers, 6-5 senior post; David Patterson, 6-4 senior post; Johnny Merritt, 6-1 senior forward; and Dennis Veals, 6-0 senior forward. Summers and Veals were starters on last year's state runner-up team.

Expected to join these four as a starter against Lubbock Friday night is Kelly Hill, 5-8 senior guard—if he recovers sufficiently from a respiratory infection that had him in the hospital last week.

"We usually carry 12 on our varsity squad, but this year we'll have 14 or 15," Cleveland said.

Other varsity squadmen—all up from the jayvees—are seniors Steve Maples, 6-4; Randy Roberts, 6-1; Randy Lunsford, 6-0; Jack Stewart, 6-0; and Tony Gonzales, 5-10; and Juniors Norris Cole, 6-2; Vicente Salinas, 6-1; Gary Naylor, 6-1; and Robin Ryan, 6-0.

Tradition is a very real presence in Dimmitt boys' basketball—12 district championships in the last 17 years, four state tournaments in the last 11, 94 wins in the last 100 home games, at least 25 victories a year in the last 13 seasons, a 90% championship record in all tournaments entered . . .

The 1975 Bobcats won the state championship, and you can count on your fingers the number of games that Ken Cleveland's teams have lost since then.

Cleveland challenged his 1978 Bobcats by entering them in the large-school brackets of the Caprock and Reese AFB Tournaments. And despite being tossed into the arena against such teams as Lubbock Estacado, Abilene Cooper and Lubbock Dunbar, last year's Bobcats compiled a 32-5 record and came within a swish of being the state champions.

So this year Cleveland is challenging the Bobcats to build their tradition even higher. He has pulled them out of the small-school bracket of the Plainview Tournament—which Dimmitt has been winning with ho-hum regularity—and entered them in the large-school division of the Snyder Tournament.

"I'd much prefer a tournament closer to home for the fans' sake," Cleveland said, "but the Snyder Tournament is a super one, and draws some of the top teams from Abilene and that area."

The main challenge in the District 3-AA race this year will be Morton again, Cleveland believes.

The Indians, under new head coach Tony Mauldin (formerly of Merkel) "are going to be loaded," Cleveland said. "They have three starters back, and they have a lot of good young kids."

District 3-AA's dominance of the regional tournament may be challenged this year by Perryton, a perennial Class AAA powerhouse that has dropped to Class AA this year.

"Perryton has all five starters back from last year," Cleveland said. "Three of their boys are big, and their other two are REAL big—6-7 apiece."

Still, the Bobcats more than held their own against the Rangers, and against the Plainview Bulldogs, in a three-way scrimmage Saturday at Plainview. Playing five quarters, the Bobcats split 1-1 with Perryton and topped Plainview 2-1.

There are several other big challenges down the road for the 1979 Bobcats—Lubbock

Coronado in the first round of the Caprock Tournament, Canyon, Lubbock Estacado . . .

But right now, Cleveland is concentrating on Lubbock High.

"They'll already have three

## Bobbies top Ropesville by 64-44

Sue Rita King and Christina Salinas paced the Dimmitt Bobbies to a 64-44 victory over Ropesville here Monday night.

The Bobbies scored only six points in the first quarter but hit 20 each in the second and third and finished with 18 in the fourth.

Salinas was the high scorer with 18 points.

"We started out very sluggish," said Coach Jimmy Hoyle, "but ended shooting 40 percent from the floor."

"Our bench was the key factor as the reserve kids played most of the second half when our starters got into foul trouble," the coach added.

In the junior varsity girls' game, Dimmitt won an easy 61-18 victory.

or four games under their belts by the time we play them Friday, and I look for a tough game," he said.

## Swiftettes down two opponents

The Nazareth Swiftettes added two more wins to their early-season record in weekend games, defeating an Abernathy team 38-33 at Nazareth Thursday and the Cotton Center girls 69-15 there Friday night.

The Abernathy boys were winners over the Swifts in another Thursday game, 57-40. Jeff Schmucker was high point man for Nazareth.

Rebuilding after two years of winning the state Class B girls' championship, the Swiftettes dropped their first game this fall to Hartley and then decisively defeated Sudan.

Their high point player against Abernathy was Lori Gerber with 16, while Doretta Ramaekers racked up 18 to lead against Cotton Center.

Nazareth's junior varsity girls also met an Abernathy team, losing 43-34. Roxanne Birkenfeld hit for high points on the JV Swiftette squad.

## One battle is victory for Killough

"I lost one battle but I won another," Sam Killough of Dimmitt said from Highland General Hospital in Lubbock.

"I walked Monday for the first time in 3½ years."

He had been a victim of polio at age 6 and was left with only partial use of his right leg. In a car accident in 1975, he lost his left ankle joint and had been in a wheelchair ever since. Later the foot developed osteomyelitis, and surgeons have been working ever since to try to save his left foot and make it possible for him to walk again.

Killough ran unsuccessfully as a write-in candidate for county judge in the November General Election. He went into Highland General Hospital the day after the election for surgery.

**Week's schedule**

**DIMMITT**  
 FRIDAY—Varsity and JV Boys vs. Lubbock High, here.  
 MONDAY—7-8-9 Boys vs. Morton, there.

## Two pickups hit calf; three youths injured

Calves that wandered onto the roadway of FM 1055 last Wednesday evening caused two accidents, one of which injured three Dimmitt youths.

Harriet Dunaway, 16, Johnny Mac Smith, 18, and Marshall Henderson, 19, were admitted to Plains Memorial Hospital after the pickup in which they were riding hit an injured calf about 6:30 p.m. on the farm road near Sunnyside and overturned.

State Trooper Dyrle Maples reported that the International pickup which Smith was driving was the second vehicle to hit the black yearling.

The calf—one of approximately 20 that had wandered onto the roadway—had been hit just a minute or two earlier

by a Ford Ranger pickup driven by Jacqueline Holcomb of Earth, Maples said. Mrs. Holcomb regained control of her damaged pickup and was not injured, Maples said. She had gone to call her husband to move the stricken calf off the roadway when the teenagers' accident occurred.

The second pickup went into a broadside skid after hitting the yearling, and overturned two and one-fourth times, coming to rest in a pasture on the east side of the roadway, Maples said. All three youths were thrown from the pickup as it overturned.

All three youths have since been released from the hospital.

COAST-TO-COAST—Mike Watson, 31, of Indianapolis, Ind., spent Monday night in Dimmitt on a coast-to-coast bike trip from Madawaska, Maine, to Imperial Beach, Calif. "It's a personal goal—to do something memorable and worthwhile during my life," he said. "I also want to backpack the Appalachian Trail and kayak the Colorado River." Averaging about 90 miles a day and spending \$5 per day for necessities, Watson plans to reach Imperial Beach about Dec. 6, then return to Indianapolis for Christmas. His most frightening experience to date came in the Bromley Mountains of Vermont, when rain slickened his hand-brakes and he careened six miles downhill at 45 mph at night. He sleeps "wherever dark catches me" and showers in fire stations along the way, he said.

## Diet danger of beef and eggs is disproved

Thirty Texas A&M University professors literally put "their hearts on the table" to prove that beef and eggs do not raise blood cholesterol to levels which trigger coronary heart disease.

"Across the board as a group there were no ill effects to these participants," assured Dr. Raymond Reiser, noted lipids biochemist with the Texas Agricultural Experiment Station, who conducted the research.

The men ranged in age from 31 to 61. They ate four diets, each daily for six weeks, which included red meat and no visible eggs, red meat and three visible eggs, fish and poultry and no visible eggs, and fish and poultry and three visible eggs.

Reiser and his associate Dr. Barbara O'Brien initiated the study after the American Heart Association recommended that people eliminate eggs from their diets as a guard against a buildup of cholesterol. More recently the Senate Select Committee on Dietary Goals for the US recommended that people substitute fish and poultry for red meat, for the same reason.

"I felt that the recommendations were made on inconclusive evidence," Reiser explained. "The research with

eggs was made 25-30 years ago with individuals known to be high in cholesterol. Sure, when eggs were removed from their diets their cholesterol level dropped. So, the Heart Association assumed that everyone who ate eggs was a cholesterol risk. I didn't believe that, and facts proved the assumption wrong."

Reiser and O'Brien asked for volunteers to determine what would happen when people leading a normal day-to-day lifestyle eat meat and eggs. The age group selected was considered the higher risk, since few heart attacks occur in people under 30.

O'Brien said that participants were screened, including rigid physical examinations and blood tests. Participants had normal levels of cholesterol, 240 milligrams, or below, and their lifestyles were not interrupted except for the diets. Tests were made at the end of each diet period.

One participant, who entered the tests with 227 milligrams of cholesterol, considered a low level for him, experienced an increase to 294, but only after he returned from a trip to Europe during which time he partook of the diet containing three eggs a day.

"Who eats three eggs a day, in addition to their normal intake from food which contains eggs?" Reiser gestured. "Maybe lumberjacks."

Reiser said the "bomb" in the cholesterol-coronaries hassle is an "erroneous association" of cholesterol with fats. He said that fish and poultry contain as much cholesterol as does red meat.

He assured that no more than 10 percent of the population has a cholesterol problem.

"Percentages and statistical risks are one thing, used to advantage in 'gambles' by insurance companies," Reiser said. "Individually, however, people must learn if they should modify their diets."

How about the man who responded to an increase in cholesterol?

"We advised him to modify his diet," Reiser concluded, "and we told the other 29 to eat what they wanted."

GREER Garson, upon winning the Oscar for Best Actress in 1943, gave an acceptance speech which lasted one hour. It is the longest speech in the history of the awards.

Eight pounds of grain are required to produce one pound of beef on American cattle farms.

## More about: Wet fields . . .

[Continued from Page 1]

plant is ready to complete the season as soon as the beets are out of the ground.

While continued growth is favorable to beets, the opposite is true for carrots and vegetable processing plants here report that the carrots are "getting too big" while they remain in the ground. The plants are shut down now, and one indicated that its run of carrots may be at an end for the season.

The corn crop is virtually all in, and most of the milo although elevator operators in many parts of the county say there is "still quite a bit" in the fields and it has not yet been seriously damaged by moisture although the stalks may be weakened.

Absence of hard winds has been a boon to milo, they say, because wind could cause the weakened stalks to fall and result in serious loss. Elevator operators reported that all feed grain has been harvested in the Sunnyside area, and only "some scattered patches" remain around Hart.

It was reported that Eldon Lilley caught a 36-pound catfish.

We know that can't be true because he never caught a fish in his life!

GETTING READY for their annual Christmas Bazaar, members of the Plains Memorial Hospital Auxiliary use the assembly-line method to make stuffed dolls. At table, clockwise from left, are President Reta Welch, Josephine C. Jackson, Bea Hardy, Dorothy Elder and Lucille Drerup. In background, Birdie Neill operates a sewing machine. On table in foreground are other handcrafted items produced by the Auxiliary members—pillows, stockings, stuffed toys, aprons, etc. The holiday bazaar will be held at mid-day Dec. 1 in the County Expo Center, and will include a "favorite recipes" dinner.

The Dimmitt Promenaders held a Thanksgiving salad supper Tuesday night. Dancing was cued by Johnny Gillenwater, club caller from Tulia.

Next dance will be Nov. 28 at South Hills Manor at 7:30 p.m. We invite anyone interested in watching the square dance to come on out and visit with the residents while we dance.

The club is busy planning the fifth annual Heart Fund Dance. The committees have been set up and the dance will be held Feb. 3. Callers will be Sid Perkins, Johnny Gillenwater and Jack Thompson.

## Longhorns to build around 3 starters

Off to a late start, the Hart Longhorns began basketball workouts last Saturday and had their first game scheduled Tuesday at Happy.

"We're optimistic about the season," new coach Santry Rush said, "and we'll try the best we can not just to be competitive but to be on top."

Three starters are returning from last year's team and Rush will rely on their experience to make up for a lack of height which is a major problem.

Of the 1977-78 starters back, Chad Black and Keith Newsom, both centers, each lack an inch of the six-foot

mark and senior forward Ricky Rowland is 5-9. Pat Ritter at 6-1 is the only one on the roster to top six feet.

Nathan Ingram, a 5-10 junior forward, Kelly Jones, a 5-8 senior guard, and Vic Hart are the others back from last year's squad, Rush said.

Last year's leading scorer, Glenn Black, is among those who will be missed from that team as the Longhorns turn their back on football and head into a fresh new District 3-A race.

THERE are more than 3000 geysers and hot springs in Yellowstone National Park.

## Touchstone to tape audition for All-State

Todd Touchstone was chosen to tape an audition for the Texas High School All-State Orchestra last Saturday in Lubbock. Touchstone is a sophomore percussionist at Dimmitt High School.

Tapes from every region in the state will be judged in Austin later this month to select the membership of the All-State Orchestra. The preliminary auditions for Region 16 in Lubbock determined which students would be eligible to tape for the state auditions.

Touchstone is a member of the Bobcat Band, Dixieland

Band, Lyre Club, the All-Region Bands of 1977 and 1978.

### Letter to the editor

#### Chairman thanks workers, donors for research aid

Dear Editor: The St. Jude Children's Research Hospital door-to-door march is over for 1978 and, looking back, we want to sincerely thank the citizens of Dimmitt for their generous support of our campaign to raise money for children suffering with catastrophic diseases.

The volunteers who marched Oct. 24 worked hard and gave willingly of their time, and they are to be commended for the fine job they did. They can be proud knowing that their efforts raised a total of \$613.38.

Because the diseases that St. Jude Children's Research Hospital is battling can strike any child anywhere, the people who gave to our march will be helping to save children's lives all over the world. The money that was raised will go to the research of these deadly diseases and to

treat the children who are suffering with them.

The news media, by providing us with much needed publicity, have performed a very worthwhile service acquainting the citizens of Dimmitt with the life-giving work being done by St. Jude Children's Research Hospital. For that, we are very grateful.

It is a wonderful feeling to know that the people of our community are concerned and caring individuals and, on behalf of the children of St. Jude's, I want to thank each and every one who helped.

DALE R. WELLS  
Campaign Chairman

TO KEEP warmest this winter, choose garments that are thick but not heavy, or select those that can be worn loosely in layers that trap insulating air next to the body.

# Thanksgiving

## The Tradition of Freedom... Our Cherished Legacy

Freedom is a tradition in our great nation. From the earliest beginnings, the courage of our Pilgrim forefathers made it possible. The will and faith of our people have kept it alive. It will remain ours with vigilance and dedication. So—the past, the present and the future are inextricably woven together. Through freedom. Today we give thanks for this precious legacy. We remember and cherish our tradition. We pray that freedom will become the inalienable right of all nations.

# Thanks

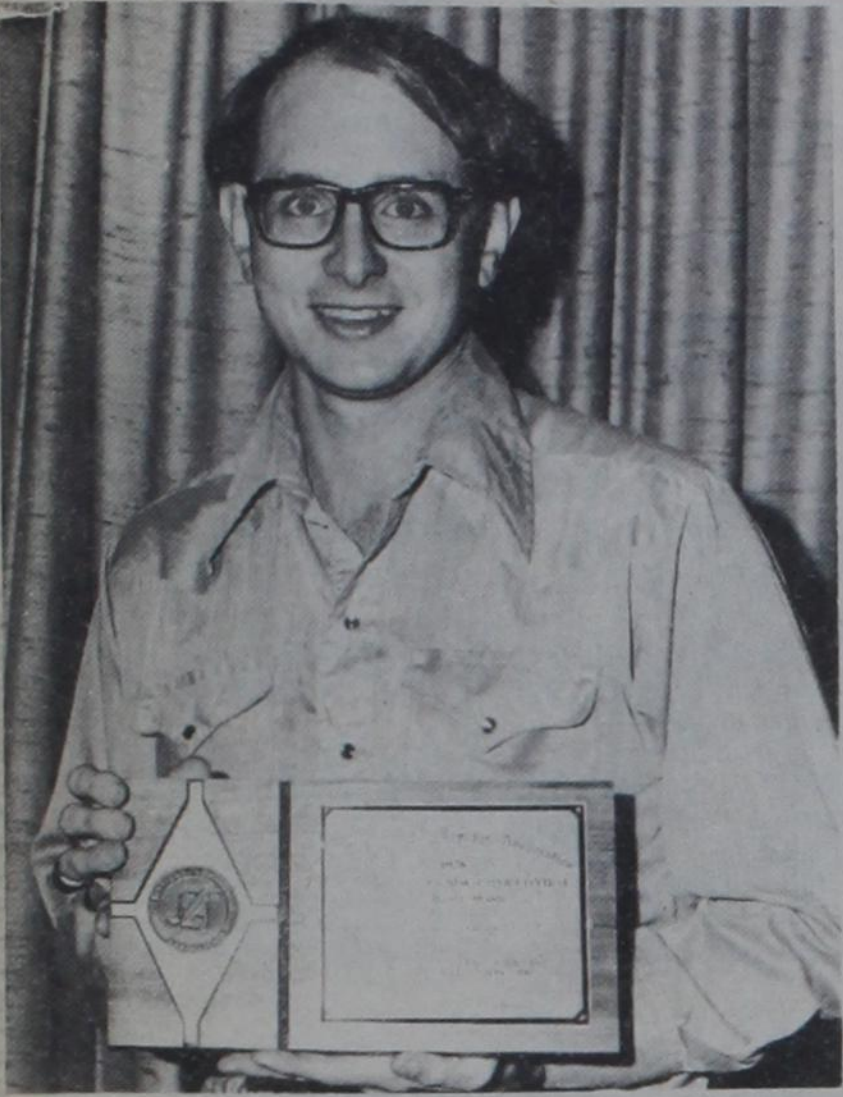

For Friends and Family... Home and Hearthside... Be Grateful!

Pause in the midst of the fun and the feasting... reflect for a moment or two... and count up the things you're glad about.

Probably they're the same things that inspired the Pilgrim Fathers: food, fellowship, and a sense of caring, sharing and purpose.

JIM STEIERT Shows national award plaque

### Former resident earns national writing award

A national award has been received by Jim Steiert, former Dimmitt and Hart resident who is now farm editor of the Hereford Brand, for his weekly farm column, "On the Turnrow."

Steiert received a first place in the National Newspaper Association's Better Newspaper Contest, in a division with 4,700 entries from newspapers over the nation with less than 5,000 circulation.

It follows several state and area awards Steiert has earned the past two years, including the important Com-

munity Service citation of the Texas Press Association for a series of stories written with other Brand staff members.

The farm column which won him the latest honor was entered in the "serious subjects" category, and was a recollection of his late grandmother, Frances Davis Steiert, an early-day resident of the Hart community, and her farm kitchen.

In addition to the farm column, Steiert writes a weekly outdoors column, "Whistling Wings," and has won awards for it including second place from Texas Associated Press Editors; also for tabloid editions on wildlife and agriculture. Earlier this year another of the farm columns placed second in a Panhandle Press contest.

Before he went to the Hereford paper he was news editor of the Castro County News two years, and at West Texas State University where he graduated in 1973 he was editor of the student newspaper. His parents are Mr. and Mrs. Pete Steiert of Hart.

### Holiday mailing deadlines suggested

Suggested dates for holiday mailing in December to military installations and countries other than the United States have been announced by Postmaster Bill Sava.

Early mailing of all Christmas greetings and packages is urged by the US Postal Service, to assure delivery before the holiday.

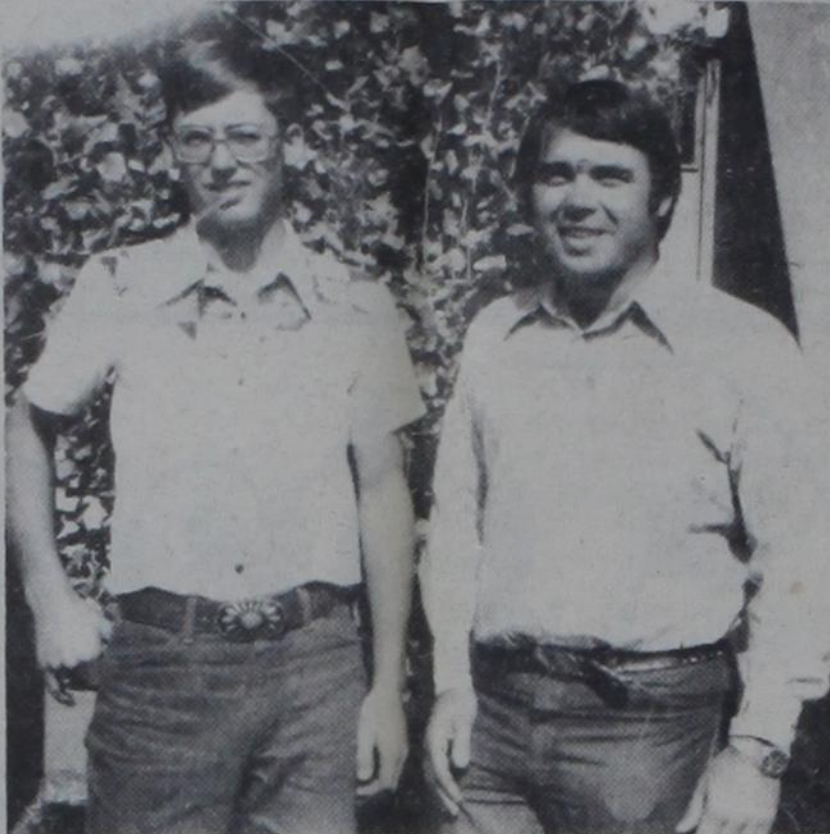

The schedule of suggested dates for military mail begins with surface parcels to Alaska and Hawaii and parcel airlift (PAL) mail to Greenland Dec. 1. Space available mail (SAM) to Alaska, first-class and priority (FC-P) mail to Australia, Central and South America and Southeast Asia should be sent by Dec. 2.

Dec. 5 is the suggested final date for mailings of FC-P mail to the Mideast, Dec. 9 to Africa and Greenland and PAL mail to Alaska; Dec. 12 for FC-P mail to Europe and the Far East, Dec. 14 to the Caribbean, West Indies and Iceland, Dec. 16 to Alaska and Hawaii.

Surface mail to Canada and Mexico has a suggested date of Dec. 1; airmail letters and cards to Australia, Central and South America and Southwest Asia, Dec. 2; airmail to the Mideast Dec. 5.

Air parcels deadline date to Europe and the Far East, also the date for airmail letters and cards to Africa, is Dec. 9. Airmail letters and cards to Europe and the Far East should be sent by Dec. 13, to the Caribbean, West Indies, Canada and Mexico by Dec. 14, air parcels to Canada and Mexico by Dec. 14.

LUSH forage this time of year can be a "death trap" for cattle. The problem, particularly afflicting cows in late pregnancy or early lactation, is known as grass tetany or grass staggers. It is caused by a deficiency of magnesium in the animal's diet and is most prevalent in early spring and late fall when forage is often lush but low in magnesium. Grass tetany is most often a problem when cows are on a strict grass diet.

NAZARETH FFA NOTABLES—Michelle Acker (top left) has been named chapter sweetheart and Doretta Ramaekers (right) is the 1978-79 Plowgirl. Both are Nazareth High juniors. They will assist the chapter in activities of the year. Darryl Birkenfeld (left in lower photo) is serving this year as president of Plainview District FFA, which has 18 chapters including three in Castro County. He is a senior in NHS. David Bownds, NHS vo-ag teacher and chapter advisor, became district advisor when Birkenfeld was elected.

## Thanksgiving

### A Time to Enjoy, A Time to Give Thanks

It's a happy occasion—with family, feasting and fun. Let us take the time before the festivities begin to give our thanks for all the good

things we enjoy in our daily lives, and for the Pilgrims who worked hard to make it all possible.

# Memoir of grandma at Hart wins award

[Editor's note—An early-day resident of the Hart community, Francis Davis Steiert, is the subject of a column written by her grandson, Jim Steiert, which recently was awarded first place in a National Newspaper Association contest. Steiert is now farm editor of The Hereford Daily Brand and writes a weekly column, "On the Turnrow."]

"October is a big birthday month for our family. There's my uncle, my mother, my father-in-law, my wife and myself, and Oct. 26 also marked the birthdate of my late grandmother, Francis.

She would have been 90. It's hard to look back and remember grandma [she always insisted that we grandkids simply call her Francie] without recollections of her eccentricities, her bustling mannerisms, and most of all, her honest-to-goodness homemade bread.

I guess Francie was famous throughout a good part of this end of the state simply for the melt-in-your-mouth loaves she turned out of her oven.

I always liked to walk into her kitchen, and the pantry too. They were all business, from the cavernous flour bin right down to the metal cabinets and mixing bowls. It took only one whiff of the magical air emanating from that spacious, warm kitchen to know that there was no place you would rather be, nor anything you would rather be doing than watching Francie make bread.

Maybe part of it was habit from feeding the huge work crews in the fields over the years, but even in her latter years, it wasn't unusual for her to arise at 5 a.m. for the day's baking.

I would watch spellbound as her hands rolled and kneaded the dough after she had mixed it carefully near the sink.

I guess it was a bit o' the Irish in her, but she always kept a can of potato water close at hand for baking day. It was virtual sacrilege to omit this potion from her recipe. Maybe that was the magic ingredient that made her bread so good.

Whatever it was, she would work the dough until she was satisfied, often adding a handful of raisins while she kneaded.

She would put four or five loaves in pans and slip them in the oven and magic would waft through the air.

Francie always scolded that it was bad for you to eat that bread while it was still warm, but I think it was more of a way of fussing over us than actually being alarmed.

Anything that begged for a little butter and a hearty appetite like her bread couldn't be too dangerous, even if it was still warm.

And if it happened to cool off before you got to crunch a knife through the crust, it was super for soaking up gravy or spreading with preserves.

It took a big, special house to harbor such a breadmaker, and I guess that was part of the magic of staying with Francie too.

I would sleep upstairs, imagining what my father did during the years he spent rooming there, and when I came in from the chicken house or a black walnut gathering foray just before mealtime Francie would send me to the basement to wash up.

I would edge up to the huge sink in the southwest corner and imagine I was as good a worker as any of those guys who ever fed bundles into threshing machines.

And sometimes, Francie would let me light the huge old potbellied stove down there to warm things up before she set a few items of clothing in the sink to soak out a stain or two.

Her entire home was a magic place that thrived on the things that went on in her kitchen.

It was warm, not only from her oven, but from the special air which comes with doing things for your family.

Her house is quiet and empty now, but it's still not hard to see her bustling around the kitchen, wringing her hands and turning loaves from the pans to cool and be wrapped in clean linen.

And in this day of synthetic everything, when there's only three cents worth of wheat flour in a loaf of bread, and it has been bleached to death, it's good to recall the magic of her kitchen and the love that flavored her bread."

# DISD Title I program is extended this year

By TERRY ELLISON

Since 1965 Dimmitt Independent School District has participated in the Title I program in kindergarten through grade six. This year the program has been extended to include grades 7-10 in the English department.

Purpose of the program is to provide individual or small group instruction to students who are deficient in language, reading or math skills in kindergarten through sixth grade; and in language and reading skills in grades 7-10.

Each secondary English class has one foundation teacher working with a Title I teacher in the attempt to meet the needs of all students.

After informal reading and math inventories, students are placed with instructional materials on their own level and given an opportunity to progress at their own rate.

Title I teachers keep individual records of each pupil's progress and work closely with the regular classroom teacher to ensure coordinated instruction in reading.

Most school districts consider a child educationally deprived if he is performing below the expected grade level for his age group. For instance, a six-year-old should be doing first-grade work and a nine-year-old, fourth grade work.

A school district's Title I grant is determined by counting the eligible children ages 5 through 17. However, children below or above those ages may receive Title I services. Any educationally deprived student in an elementary or secondary school with an existing Title I program may receive Title I help.

The Title I program provides extra money for classroom materials such as tape recorders, earphones, special reading materials, filing cabinets, chairs, tables and other items for vocabulary, language and spelling.

In the Title I classroom the two teachers make their lesson plans together. In the Dimmitt school system the teachers have divided the

students into groups according to the test results. The two teachers share equal time in teaching the different groups.

There are times when the groups work separately and times when they are integrated with the others in the classroom. Even though the groups are sometimes separated and working on different levels, the same topic is being developed in each group.

Teachers involved in this program are excited about it. It is something new to teachers in grades 7-10, and they have found that most of the students are doing better work.

The students really enjoy the new program, teachers say. The students who have made low grades previously are doing better in their groups. Some have experienced success for the first time.

The program also gives more time for individual student work. Even though it is designed for the educationally deprived, they are not the only ones who benefit.

Teachers are still working and trying different approaches to teaching in this program. They report they have accomplished a lot, but there is much more work to be done.

The Title I program is under the supervision of Curriculum Director Evie Froehner and Jo Moore, consultant from the Region XV Education Service Center in Amarillo.

THE largest iceberg on record covered 12,000 square miles, the size of Belgium.

### WTSU slates graduate course

"Educational Psychology," a graduate level course at West Texas State University, will be offered beginning Jan. 17 at Dimmitt High School. The course, Education 5510, will be taught by Dr. Paige Carruth, associate professor of education at WTSU. It will include psychological aspects of human behavior, learning, teaching, individual differences, mental health and current issues of psycho-

logical importance in the classroom.

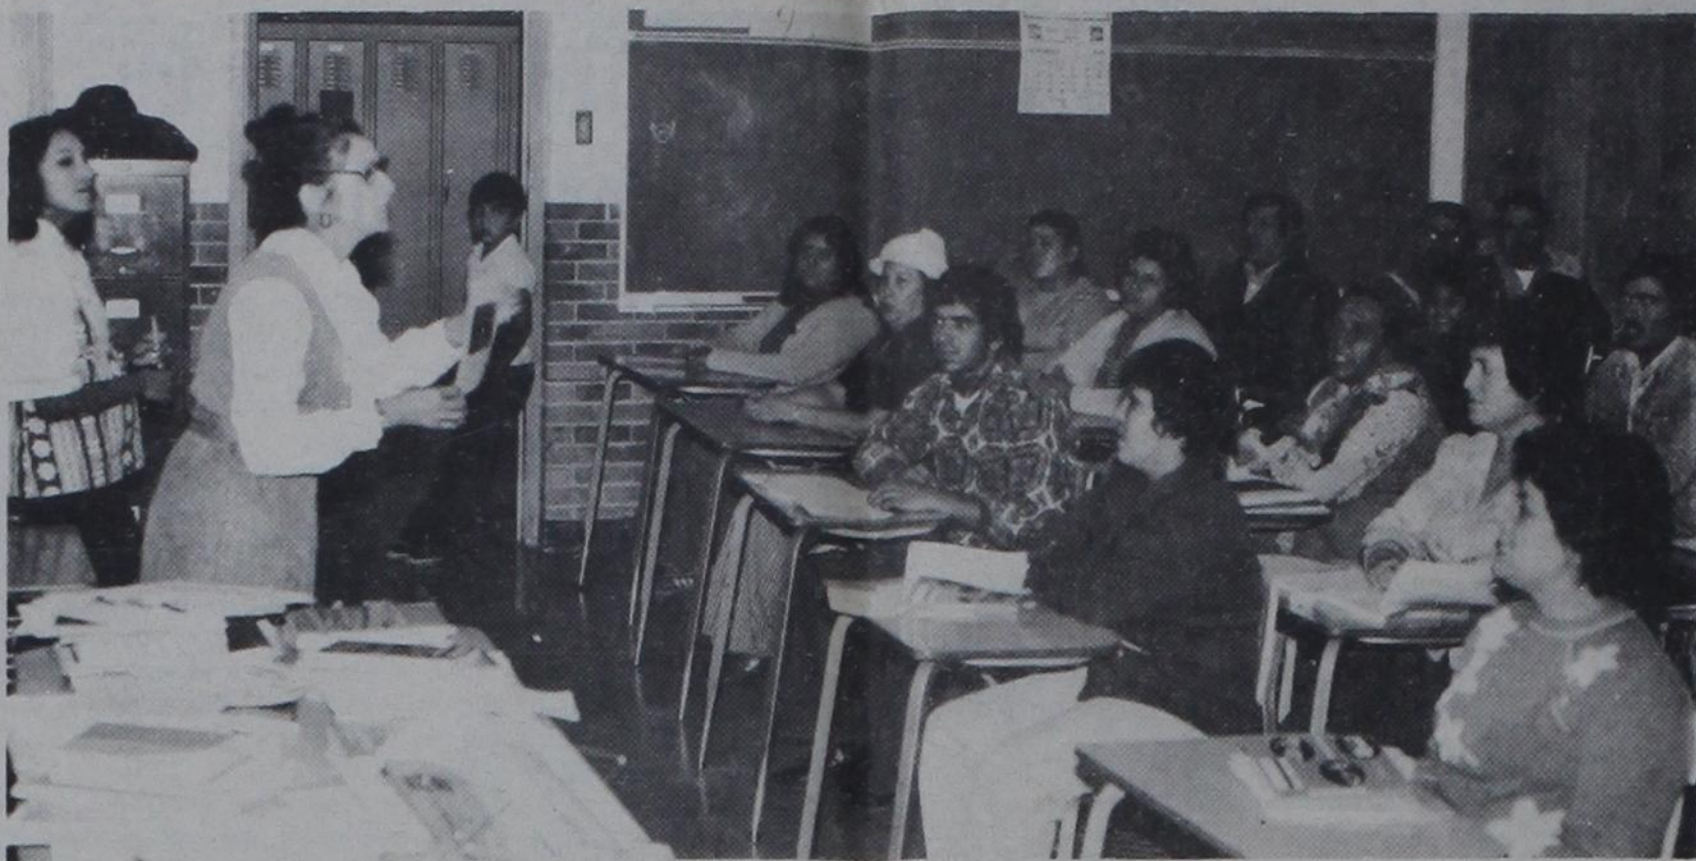

Registration will be on the WTSU campus during the regular spring enrollment on Jan. 13, or from 5 to 5:30 p.m. Jan. 17 in Dimmitt.

A minimum of 18 students will be necessary in order for the course to be offered. Additional information concerning the course may be obtained from a graduate advisor, or by calling the Department of School Services Office at WTSU, (806) 656-2617.

**NIGHT SCHOOL**—Sister Carmela Montalvo instructs a class in English as a Second Language in one of the four evening courses now underway at Dimmitt High School. Sister Carmela also teaches a citizenship course, and other classes are underway in Conversational Spanish and General Educational

Development for Adults. Dowden Koeninger, who coordinates the night courses, said classes in typing and bookkeeping will be formed also if enough local people show an interest in them. [Photo by Joe Ramirez]

### THANKSGIVING

*A time for loving family... dear friends to share the holiday warmth... and give thanks for all the blessings we share.*

**Ani's Steak House**

We will be closed Thanksgiving Day.

### Adult business class enrollment still open

A class in conversational Spanish was formed Tuesday in the adult education program at Dimmitt High School. The class, taught by Van Earl Hughes, will meet every Monday night at the high school.

Classes in typing and bookkeeping were not formed because of the small number of

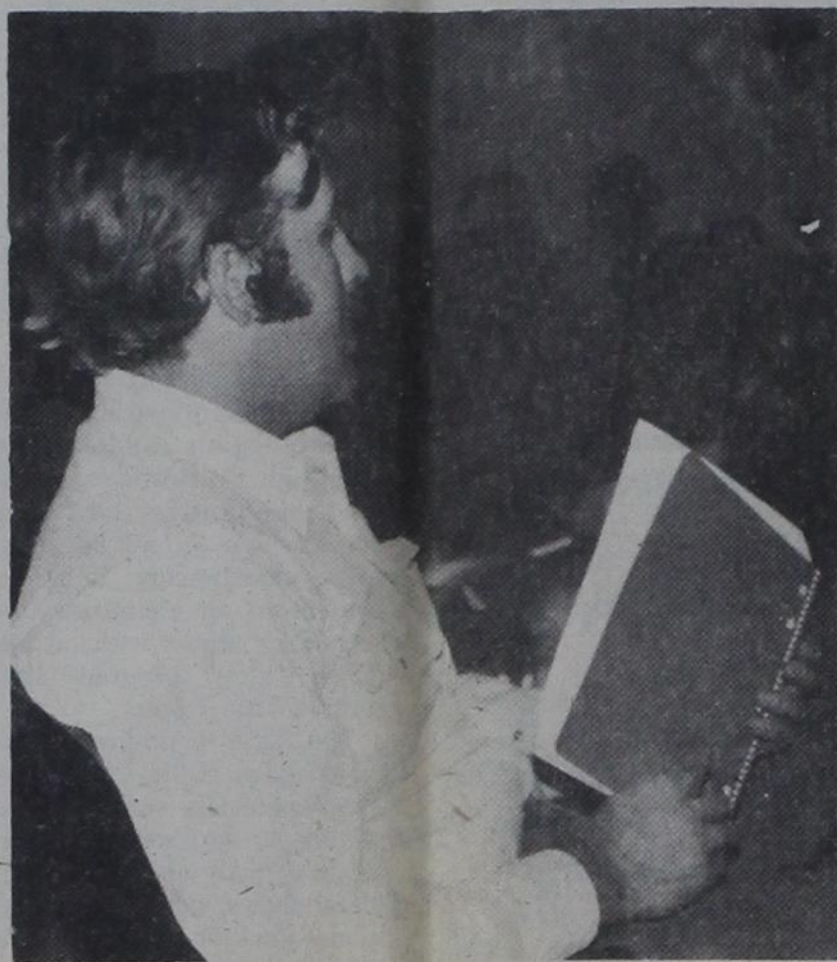

people who attended, according to D. W. Koeninger, director of the program. If

enough persons apply, the classes will be held.

A minimum of 12 is necessary for a class to be given. Tuition for the classes held at the high school will be about \$20, Koeninger said.

Enrollment in the adult classes continues to increase, he said. Enrollment in the Monday night basic education class has reached 24 and enrollment in English as a second language and citizenship classes which meet on Monday and Tuesday nights was 36.

Anyone can enroll in the classes at any time. Those interested are urged to attend, said Koeninger. He may be contacted at 647-3105 during school hours.

**TERRY GUY** of Sunnyside listens intently while instructor Van Earl Hughes translates English words to Spanish in the Conversational Spanish night course now underway at Dimmitt High School. [Photo by Joe Ramirez]

### Christmas party for lawmen set

Dimmitt City Police will host a covered-dish Christmas dinner for all city, county and state law enforcement officers and their families. The dinner will be held at 7 p.m. Thursday, Dec. 7 in the City Commission Room.

Those who have been included in the invitation list are both city and county judges, probation officers, the mayor, city commissioners, justices of the peace, all DPS personnel and the Hart City Marshal.

"We are having this Christmas get-together for the fellowship," Police Chief Alan Newman said.

## THANKSGIVING

Thanksgiving  
A TIME  
TO REFLECT

During this festive Thanksgiving holiday, let us remember to take time to bend our heads in prayer, to express our happiness and heartfelt gratitude for all of life's simple joys!

**WESTERN AUTO**

**Cities receive rebates on October sales tax**

Rebate checks for city sales taxes in Castro County cities have been allocated for the month ending Oct. 26. The rebate, reflecting retail sales, was larger for Hart than in October, 1977. Dimmitt will receive \$6,811.72 in contrast to the check of \$7,002.88 received the same date a year ago. The 1978 payments to date total \$103,577.84 as compared with a year ago, \$119,740.58. Hart will receive \$1,119.38. For the same period in 1977 Hart received \$852.03. Payments to date for 1978 total \$13,474.90 compared with last

year's \$13,055.72. Nazareth did not report the tax in October. Last October's amounted to \$597.85. Total 1978 rebates for Nazareth are \$8,801.24 as compared with \$9,433.02 total in 1977. Other rebates around the area include Muleshoe with \$8,939.93, Olton \$2,910.13. The city sales tax is collected by merchants and other sales tax permit holders along with the state sales tax and is rebated monthly to cities in which it is collected by the office of Bob Bullock, state comptroller.

**Cancer society will train drivers to assist patients**

The American Cancer Society of this area will host a volunteer transportation course at 9 a.m. Nov. 30 at the Methodist Hospital in Lubbock, according to Mrs. Claude Forson, service and rehabilitation chairman of the Castro County Unit.

"The basic idea is to train local volunteers to transport cancer patients to and from Lubbock or Amarillo. This training is important because the drivers will be dealing with cancer patients undergoing treatment," Mrs. Forson said.

After the driver has taken the training course, reimbursement for mileage on his car when transporting a patient for treatment will be made by the American Cancer Society.

The volunteer driver will need a valid Texas drivers license, liability insurance and be willing to be trained and transport patients for treatment, Mrs. Forson said. There is no charge for the course. Lunch will be furnished to those who take it.

"We would like to have some people from Castro County volunteer to take this course," Mrs. Forson said.

Further information may be obtained by contacting Mrs. Forson, 647-4313, Mrs. Glen Ratcliff, 647-3380, Mrs. Bob Lindsey, 647-5521, Mrs. Gwen Bryant, 647-5509, Nancy Acker, 945-2651, Mrs. Robert Little, 646-4698.

**Here's Hart's school menu**

Here are the menus for Hart schools for the week of Nov. 27-Dec. 1.

**MONDAY** — Breakfast: Hot cereal, buttered toast, juice, milk. Lunch: Barbecue on homemade bun, cabbage salad, pork and beans, fruit, milk.

**TUESDAY** — Breakfast: Cinnamon toast, bacon, juice, milk. Lunch: Taco meat and cheese, tossed salad, buttered corn, apricot cobbler, milk.

**WEDNESDAY** — Breakfast: Cold cereal, fruit, milk. Lunch: Pinto beans with ham, cornbread, buttered spinach, oatmeal cake, milk.

**THURSDAY** — Breakfast: Sweet rolls, fruit, milk. Lunch: Cheeseburger on homemade bun, French fries, wheat cookies, milk.

**FRIDAY** — Breakfast: Buttered toast, jelly, juice, milk. Lunch: Batter-fried fish, tartar sauce, cornbread, northern beans, cabbage slaw, peach cobbler, milk.

QED is an abbreviation from the Latin quod erat demonstratum, which means "which is to be demonstrated." NB is from note bene, meaning "note well."

**Dimmitt man's brother dies**

Funeral services for Edward C. Word, brother of Buck Word of Dimmitt, were held Sunday in Higgins.

Mr. Word was born in Kerrville and had lived in Higgins for 50 years. He was a retired farmer.

He is survived by his wife, two sons, four daughters, one brother, Buck Word of Dimmitt, two sisters, 15 grandchildren, 13 great-grandchildren and a great-great-grandchild.

The Baby Ruth candy bar was named after US President Grover Cleveland's daughter.

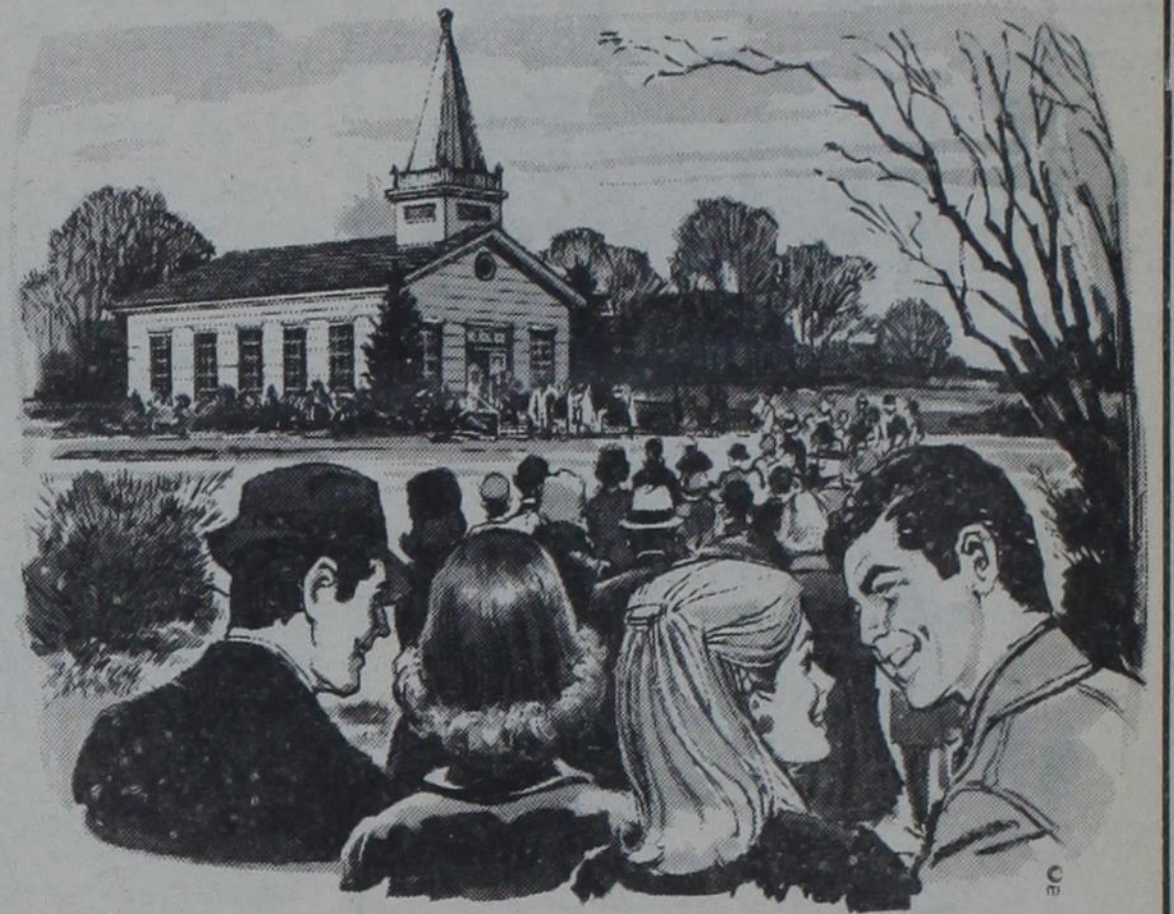

**Film shown for Rotary club program**

"Will There Always Be an England?" was the film presented to the Dimmitt Rotarians at their Friday noon meeting at the Colonial Inn Restaurant.

Reeford Burrous was a comparison of the economic failure of England to what is happening in the United States as government controls increase. A drive is underway to increase attendance in the Rotary Club, Ron Montgomery, president, reminded members.

Montgomery announced that next week's program will be on the Rotary Foundation.

THOUGHTS FOR  
**Thanksgiving**

... a Time for Togetherness,  
with Prayer and Gratitude

Family, neighbors, friends ... everyone joins together in a community spirit of Thanksgiving as glad voices show gratitude through prayer. We share in this joy of Thanksgiving, with special thanks for the opportunity and obligation of serving our friends and neighbors, and working with them for the betterment of our community, that we may fully deserve the many blessings for which we are always grateful. To all, a happy Thanksgiving.

# Tech AE exes elect Byers president

By TEENY BOWDEN

Ricky Byers has been elected president of the Agriculture Economics Ex-Student Association in the School of Agriculture at Texas Tech University. The Association awards a scholarship at the

end of the year and assists the students in agriculture economics in any way they can. Ricky graduated from Tech in 1973 with a B.S. degree in agriculture economics, and while in Tech he made the Dean's list every semester and received many other honors. His election to the Association took place Nov. 4.

Mr. and Mrs. James Lunsford of Plainview, retired missionaries to Brazil, taught the foreign mission study book

"Brazilian Obsession" to 14 women and five men at the church Tuesday morning and had lunch with the group at noon. She did the teaching, he showed a film and made an appeal for greater gifts to the Lottie Moon Christmas offering. They retired about two years ago after working in Brazil for 36 years. During this time they have seen a phenomenal population growth. Brazil now has the fastest population growth of any country in the world. They have six cities which now have over one million population. Sao Paulo now has a population of 11 million and is projected to be the largest city in the world by 1985 since it is now the fastest growing city in the world. Spiritualism is growing in Brazil, but so is Christianity. The lay Christians do personal witnessing as they go about their daily tasks, and regardless of how meager their salary, they always have money and time for the Lord's work.

Jerri Ka Clark won third place with her ram in the National Southdown Show at the Kentucky State Fair in Louisville, and two seventh places, and eleventh and a sixteenth place with her ewes. They returned home Wednesday.

One-half inch of moisture was recorded from the rain Tuesday and Wednesday and from the approximately four inches of snow Thursday.

Rev. and Mrs. Larry Odom of Bethany, Okla. arrived Monday night to attend his aunt's funeral services in Hereford Tuesday afternoon. Mrs. Odom visited Tuesday morning with Leslie Loudder and flew home from Lubbock Wednesday morning. Larry stayed until Thursday to be with his father, who was scheduled for surgery when his sister died.

M. B. Odom of Dimmitt was admitted to Plains Memorial Hospital in Dimmitt Tuesday and underwent major surgery Wednesday.

Mrs. E. R. Sadler and Mrs. Ezell Sadler visited in the Tulia hospital Saturday afternoon with Mrs. Erin Sadler, a cousin.

Snow blanketed branches welcome winter once more . . . — April Lea Guy

Angie Bills placed third in the back to school and fourth in denim wear in the modeling division in Lubbock Saturday at the West Texas Talent Modeling and Beauty Pageant. She won a trophy for each win.

The Lions Club sponsored a turkey shoot south of Sunnyside Sunday afternoon. Several turkeys and hams were given as prizes.

The Flagg 4-H club was well represented in the Castro County 4-H food show Saturday. Lesa Nelson won a blue

ribbon and the highest score and will go to district in bread and desserts. She used a place mat and napkin embroidered by her great-grandmother, Mrs. Elizabeth Huckabay, over 40 years ago. She will also use them in the district competition. Laura Nelson won a blue ribbon and the highest score in snacks and will also go to district Dec. 2. Others winning blue ribbons included Camille Summers, main dishes, and Sarah Gabel, main dishes. Winning red ribbons were Stacy Sadler and Laura Sadler, Carla Summers and Jeni Gabel in snacks.

Monday afternoon, studying the customs of various countries. They had hot tea from the Orient, nachoes and cookies for refreshments.

Adoption proceedings were finalized Friday for Mr. and Mrs. Thomas Parson to adopt seven-year-old Nancy and her brother Albert, almost three. They have lived with the Parsons for about two months.

Mr. and Mrs. Noah Spencer visited in Blanchard, Okla. last Saturday with his uncle, Mr. and Mrs. Bob Spencer. They spent Saturday night in Raliff City with a cousin, Mr. and Mrs. O. B. Frells. They went on to Dennison Sunday and stayed until Thursday when they went to Dallas where they visited with her uncle I. H. Walker until Saturday, coming home Saturday night.

Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Larry Sadler, Carrie, Stacy and Laura and Mr. and Mrs. David Sadler, Melody and Karla had an early Thanksgiving dinner in Dimmitt Sunday with Mr. and Mrs. James Powell, Tresa and Cheryl.

Mr. and Mrs. Winston Waggoner and Mr. and Mrs. Cliff Brown attended a convention in Fort Worth over the weekend.

## Homemakers to have bake sale

The Dimmitt Young Homemakers scheduled a bake sale Nov. 22 from 9 a.m. to 6 p.m. in Dimmitt Supermarket.

Items to be sold will include holiday cakes, pies and quick-breads. Homemakers are reminded to have their items at the supermarket before 9.

Mr. and Mrs. Hershel Wilson visited in Ropesville Friday and spent Friday night with his parents, Mr. and Mrs. L. E. Wilson and grandmother Jeffcoat. Mrs. Jeffcoat recently celebrated her 84th birthday. They and Daneen Wilson shopped Saturday in Lubbock and visited in Wolf-forth with her parents, Mr. and Mrs. Grady Epperson. Mr. and Mrs. Lonnie Wilson, Samantha and Jesseka also accompanied them.

Mr. and Mrs. Gale Sadler visited in Amarillo last Sunday with Mr. and Mrs. Earl Moore.

The GA's visited the world markets in their program

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

NOVEMBER 23 — Gladiola Shipley, Ginger Gibbs, Gertrude Kleman, Jamie Lynn Jones, George Schacher.

NOVEMBER 24 — Leisa Dannevik, Leslie Heard, Keith Jones, Phoebe Claborn, Beth Hutton, Dwayne Kleman, Jeff Schmucker.

## THANKSGIVING

Let's gather together and offer a Thanksgiving prayer for health, family, friends . . .

and for a nation that has given us so much in the way of freedom, justice, peace.

Dimmitt Plant

Happy anniversary!

small talk from South Hills Manor

Mrs. Ellen Hutcherson Cox was born in 1882 in Vernon. She was the daughter of the late Mr. and Mrs. M. T. Hutcherson.

Her mother died when she was about 13 years of age and being one of the older children, she helped raise the younger brothers and sisters. Her childhood was spent in and near Vernon, Saulsberry and Memphis.

One thing that stands out in the mind of Miles Cox, a son, was hearing his mother tell about an incident that happened when his mother was quite young. She had moved with her parents and brothers and sisters to a new place nears Saulsberry into a dug-out house. They had just gotten their things in but not

yet straightened up when their dog came in and quickly ran under the bed. He was being eaten up by something which turned out to be a panther. Mr. Hutcherson and the boys got it out and killed it. The next day three cowboys came riding by and Granddad showed them their kill and the cowboys told him it was a panther. So the cowboys skinned it and took the hide into the county seat and collected a \$25 reward.

In later years the family moved to Borden County near Gail. It was here she met and married Wade Cox. They had three sons, Miles, Bird and Marlin, and one daughter, Dimmie while living here. Sometime later they lived at Ralls, where Edwin was born.

The family moved from Ralls to Jenkins, N.M. and it was here that Frances and Arno were born.

In 1919 the Coxes moved back to Borden County where Mr. Cox farmed and ranched. Here Bertha was born.

They lived and farmed near Hart for many years. In later years they bought a ranch near Santa Rosa, N.M. The Coxes lived there until they decided it was time to move back closer to the children.

Mr. Cox died in 1968. Mrs. Cox continued to live in her home on Broadway in Hart with a lady companion until it became necessary for her to have special care.

Mrs. Cox has seven living children, eight grandchildren, a number of great grandchildren and also great-great-grandchildren.

A hearty thank you to the Catholic Daughters of Nazareth for the sewing machine. Our residents are starting to make stuffed animals with it.

Jane Ann Ward and baby visited Jane Ann's grandmother, Dora Mooney Friday.

Also visiting this week were the Cecil Harts from Hereford. With them was their daughter and two children. They visited Cecil's mother Faya Hart and Hattie Webb.

Our deepest sympathy goes to the families of Tess Fox and Leona Rothwell.

George Gabel home, 405 W. Jones

The city sits on white houses — Rod McKuen

View from the Library

By BRICK AUTRY Librarian

This ought to be my Thanksgiving article. Everyone else is having one, I'm sure. However, I have very little to say about Thanksgiving.

Readers will have to go elsewhere to find sentimental gushings about turkeys and things. Frankly, I hate turkeys. They have the worst dispositions I've ever seen. Of course, they're ugly, too.

My Indian folks have a lot of Thanksgiving jokes. I can't have them printed in the paper, however, because they probably would get me in trouble.

Instead I would like to say a few things about the Texas Conference on Libraries, which will be hard because, at this writing, I haven't even been to it yet.

The Texas Conference on Libraries was held the 16th through the 18th in Austin. One had to be invited to go. Most of those attending were persons strongly interested in libraries.

Only one-third of those attending were librarians. Only two librarians from the Panhandle were invited—myself and Alice Green, librarian from Amarillo Public Library.

The reason for the conference was to explore the information needs of Texans and how libraries can fill those needs. One issue in particular which was discussed was how and to what extent the government (state and federal) can and will help libraries.

At this writing, I don't know to what extent the meet-

ing will go. I know that everything has been planned months in advance in order to have a successful conference.

On the go

Sam Butler celebrated his 92nd birthday Nov. 17. He and Mrs. Butler were dinner guests of their son Joe and Dugan Butler. Others there were Jimmy Jack, grandson, and the son Willie and Min-eola Butler from Clovis and daughter Arvilla and Herman Smith from Mesa, Ariz.

THANKSGIVING

We have many things to be thankful for during this Bicentennial era. The most cherished of our nation's blessings ... freedom ... has given Americans the right to a life rich in liberty, justice, happiness.

DIMMITT AGRICULTURAL INDUSTRIES, Inc.

FEAST AND MAKE MERRY ON Thanksgiving ...and let us GIVE THANKS The traditional Thanksgiving turkey, carved by father and served in bountiful abundance with all the trimmings to all the family, is just one of the many high points of Thanksgiving Day. Traditional, too, is the thoughtful pause to remember and to be especially grateful for the many blessings that increase day by day. We join with you and yours in offering a fervent "thank you" for the privilege of this day. DIMMITT FEED YARDS

**Jouett takes part in army exercise**

Spec. 5 John T. Jouett Jr., whose father lives in Dimmitt, recently participated with other American and allied troops in Reforger '78 NATO's largest yearly exercise, held in Germany.

Jouett, a medical specialist with the 3rd Armored Division in Kirch Gons, Germany, entered the Army in February 1974.

He completed his high school education through the General Educational Development program. His mother, Reba A. Bruce, lives in Houston.

DR. CHRIS G. Woelfel has been named a dairy specialist with the Texas Agricultural Extension Service. He will give leadership to dairy management and nutrition programs aimed at increasing production efficiency.

**14— CARD OF THANKS**

**CARD OF THANKS**

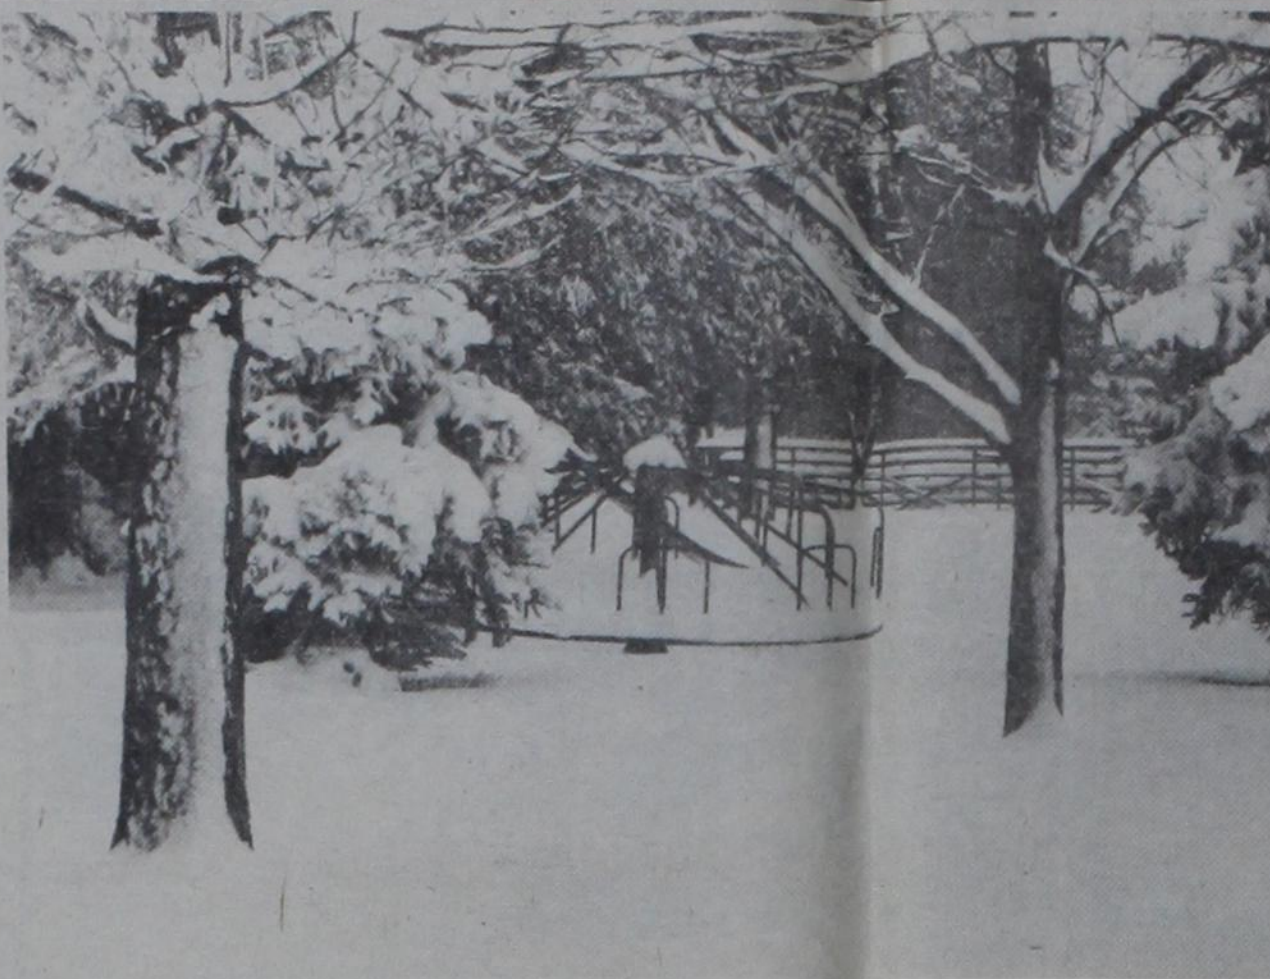

I wish to express my appreciation for the flowers, visits and all deeds of kindness extended to me in my stay at the hospital recently. I also want to thank the staff of nurses at the hospital and Dr. Murphy for their care and thoughtfulness. May God richly bless you.

WILLA MAE REYNOLDS

MASS plantings of bulbs tend to be the most effective. Plant bulbs so that the top is below the surface about twice the diameter of the bulb.

THE first US census, taken in 1790, showed a population of 4 million people living in the 13 states.

**Swifts' experience seen as team asset**

Nazareth Swifts have come off the football field and are now ready to hit the basketball courts. They will host Bovina Tuesday and then play in the Kress tournament next weekend.

"We have good size and experience as our strong points this year," NHS Coach Bud Birks said.

Returning from last year on the varsity team are Jeff Schmucker, second team all-district, Kenny Gerber, Bryan Huseman, Jimmy Huseman and Neal Wilhelm. Newcomers will be John Steffens, Norman Gerber and Gary Book.

Schmucker, a 6-3 junior, is expected to be one of the top players in the district this year. As a sophomore he averaged 15.3 points a game last season.

Wilhelm, a letterman last year, is a senior and measures 5-11. Book at 6-3 adds height to the squad. B. Huseman and Gerber each stand at 5-10 and J. Huseman 5-7.

Developing depth is expected to be one of the tasks facing the Swifts as they look

toward bettering their last year's record in District 5-B.

Playing junior varsity will be Calvin Schulte, Wayne Backus, Lester Backus, Virgil Huseman, Joe Kleman, John Hochstein, Felix Falcon, Dwayne Acker, Gerry Kleman and returning later in the season will be Pat Hartman, who was injured on the football field.

"If our younger JV players from last year play as I think they can, we should have a good team," said Birks.

**CPMHC board sets meeting**

New officers will be elected by the board of trustees of the Central Plains Comprehensive Community Mental Health-Mental Retardation Center, at a meeting at 7 p.m. Dec. 7 in the office in Plainview.

The executive director's report will be given at this session, and trustees will discuss a grant application and current contracts.
