## Ancient City Of Acre Taken By Jews

Well...  
I Dunno;  
But...

The Jaycees tell us that the vandals have been at work again and as a result they will be out several hundred dollars in repairs at the rodeo arena and livestock barn.

Doors at the barn have been broken open and the barn littered with a lot of trash. Chute gates have been torn off, water pipes broken and the arena used for staking stock.

But they're out to get the vandals and will have the assistance of the police department and the grounds will be patrolled night and day.

It's a dirty shame, though, that such action should be necessary. That plant out there should be the pride of the town and something that the public would want to protect rather than destroy.

And we imagine that if the Jaycees could find out who's been doing it that there'd be a near lynching. And we couldn't blame them.

We've been living in Ranger for 18 years and we don't believe that we've missed a single summer hearing a lot of panicky talk about Ranger running out of water and sure enough we never have.

Right now that subject is a favorite topic. So this morning we talked with Water Commissioner A. L. Stiles and also one of the employees of the water department, both of whom should know what they're talking about, and both stated that our water supply is good for 12 months even if we shouldn't get more rain.

And we've never seen 12 months go by in this country without rain.

This is not an argument to oppose any move that might be on to get an increased water supply for Ranger, but just a statement of facts to ease any fears that we'll all dry up and blow away this summer.

A continued drought might force a curtailment of the use of water for other than necessities but the possibility of running completely out is very slim.

So if you're one of those that are singing the blues about Ranger's water supply for the summer, look at the facts and erase your fears.

Speaking of the Jaycees and their rodeo, you know, they've made a rodeo fan out of us. There was the time when we would not have walked around a block to see the finest rodeo in the world and now we find that we are looking forward to the rodeo this summer.

And it's surprising the number of people, even the kids, that make their plans for the summer with due consideration of the rodeo, so they'll be here when it comes off. Some are even planning to have guests from far and near as their guests during the show this summer.

Yes sir, that rodeo already has a place in the lives of the people of Ranger and surrounding country.

### Examinations Of School Children Begins Wednesday

Doctors of Ranger will be at Young School Wednesday morning to give free physical examinations to school children and preschool children. Hours for the examinations will be from 8:30 to 10:30 o'clock.

The same schedule will be followed Thursday for children of Hodges Oak Park school and Slaughter school.

The examinations are being made through an active health program sponsored by the Parent-Teacher Associations of Ranger and the doctors of the town.

### Second Soviet Peace Proposal To Get Flat "No"

WASHINGTON, May 18, (UP)—The Truman administration today prepared another resounding "no" to Russia's second "peace talk" proposal.

There was no immediate official comment on Soviet Premier Josef Stalin's proposal that the United States and Russia negotiate an end to the cold war by using Henry Wallace's "peace program" as a basis.

But there was reason to believe it would be rejected even more vigorously than the overture made last week by Soviet Foreign Minister V. M. Molotov.

Stalin's suggestion, based as it was on Wallace's ideas, would place President Truman in the position of negotiating on terms outlined by the man he fired from his cabinet for "interfering" with foreign policy.

After the smoke of Molotov's first proposal cleared away, high American officials told the United Press the U. S. would not be prepared to "talk peace" with Russia until the balance of power is restored in favor of the west, or until there is a very radical change in Soviet policy—changes reflected by action rather than words.

### William Feazel Appointed To Senate By Long

BATON ROUGE, May 18, (UP)—Gov. Earl K. Long today appointed William Feazel, a millionaire Monroe and Shreveport oil operator, to fill the U. S. Senate vacancy created by the death of John H. Overton.

Sen. Ellender, D., La., was in Long's office when he announced the appointment. Ellender returned to Louisiana for the funeral of Overton in Alexandria yesterday.

Feazel, 57, had been a friend of the Long family for years. He reportedly contributed \$300,000 to Earl Long's gubernatorial campaign last winter.

Fifty million dimes were inserted last year into the familiar steel lockers seen in railroad, airline and bus terminals throughout America, according to Steelways Magazine.

### TEN DIE IN BLAST AT COKE PLANT

KEARNY, N. J., May 18 (UP)—Rescue workers carried out 10 victims today from the Koppers Coke Company laboratory which was wrecked late last night by an explosion.

Nine died in the building wreckage and another died in a hospital a short time after he was pulled from the ruins.

The blast was heard 20 miles away. James Thistlewaite, plant superintendent, said a tank of tar in the 100 foot long building exploded.

The tenth fatality, Wladyslaw Hesterowski died in West Hudson hospital of burns. Three other workmen were injured slightly.

Police said the other dead were tentatively identified as James Chisholm, plant supervisor, Maciej Mazurek, Melton Pawley, Joseph Richardson, Hans Seelman, Sidney Fisher, Roosevelt Murray, Joseph Jetter and Joseph Freeman.

### Funeral For Sgt. Tucker To Be In Dublin Saturday

The body of Sgt. Joseph W. Tucker, son of Mr. and Mrs. Joseph L. Tucker of Ranger, will arrive in Dublin on Friday and funeral services will be held Saturday afternoon at 2 o'clock at the First Christian Church in Dublin.

Sgt. Tucker was killed in action in World War II on Guam, July 21, 1944. He enlisted in the Marines in 1936 and at the time of his death had served a little more than eight years. He had spent most of his service time overseas.

Survivors are his parents and ters, John Tucker of Ranger, the following brothers and sisters: Archie Tucker of Ranger, Mrs. Marzie Peninger of Fort Worth, Hazel Tucker of Dublin, Raymond Tucker of Torrance, Calif., Mrs. Mignon Peninger of Dallas, Mrs. Ida McMillan of O'Donnell, Mrs. Sylvia Locke of Gorman and Mrs. Nancy McCormack of Korea.

**Shoot Straight Or Else**  
RICHMOND, Va., (UP)—Take careful aim, brother, when you get set to shoot somebody in Virginia. The state law says that if you hit him and wound him, you will be charged with malicious wounding. But if you miss, there's the more serious charge of attempted murder.

### Comic Opera H.M.S. Pinafore Tonight At 8

Tonight at 8 p.m. in the Ranger High School auditorium the High School Chorus will present Gilbert and Sullivan's comic opera "H.M.S. Pinafore." The setting for this operetta is off the coast of England in 1870 aboard the ship H. M. S. Pinafore.

Characters in this production are Joyce Cole as Josephine, the Captain's daughter, who is in love with Ralph Rackstraw played by Jack Bob Waddington. The Captain, played by Donald Parsons, is arranging the marriage between Josephine and Sir Joseph Porter played by Douglas Jacoby. Richard Hodges plays Dick Dead-eye who tries to keep Ralph and Josephine apart and prevent their marriage. Little Buttercup, played by Wanda McKinney, has a deep dark secret which she reveals in the end and makes everyone happy.

The chorus includes Ruby Lee Bardsley, Norma Clemmer, Jo Ann Deaton, Melba Creager, Mary Anna Owens, Sara Ruth Owens, Sue Vaughn, Mary Frances Neal, Olie Rogers, Donnie McGraw, Byreline Parks, Beth Pearson, La Veda Mitchell, Beth Garrison, Loreta Stephen, Betty Jo Freeman, Margaret Langford, Marlene Langford, Evelyn Obel, Katherine Tollet, Madrin Huffman, Billy Eakin, and Hudson Hightower.

Miss Lilla Jean Brown will be accompanist and Miss Jennie Ruth Hooper director. Admission, 20c for students, 35c for adults.

### Formal Opening Of Rising Star Hospital Today

Completed after nearly two years planning and work, the Rising Star hospital was displayed at a formal open house today.

Mayor A. N. Searly proclaimed a holiday today between the hours of 10:00 a. m. and 2:00 p. m. in order that employees of the various businesses in the town might have an opportunity to attend.

The hospital, a project of the Rising Star Chamber of Commerce early in 1945, was originally intended as a co-op arrangement. This plan was abandoned and it was completed as a private hospital.

Plans for the institution were drawn by H. V. Glenn of Eastland.

Officers of the hospital were named late in 1945. They are W. E. Tyler, president; W. B. Starr, vice president; J. F. Robertson, secretary; F. W. Roberts, treasurer; and the following board of directors: Frank Madison, Jay Koonce, Earl Moore, G. G. Goss, R. F. Siekman, L. C. Casd, W. B. Star and Tom Butler, O. B. Cargile and A. P. Smith were later members of the board.

### Stassen Dewey Both Claim Debate Victory

PORTLAND, May 18, (UP)—Both Gov. Thomas E. Dewey of New York and former Gov. Harold E. Stassen of Minnesota claimed victory today in their radio debate on a proposal to outlaw the Communist party.

But supporters of the two candidates for the Republican presidential nomination and listeners who heard the broadcast said it was a draw.

When it was over, the debaters shook hands three times for the benefit of cameramen and photographers and agreed on at least one point.

"That was quite a discussion," Stassen said.

"It sure was," Dewey replied.

The Blinded Veterans' Association is recognized as an authorized agency to handle member claims for Veterans Administration benefits.

### GORMAN DOWNS PREMIER BY 2 TO 1 SCORE

Gorman edged Premier out by one score last night in the last of the 13th inning. There were only six hits in the entire game, Premier giving up four and Gorman two.

Premier went scoreless in the first inning with Gorman scoring one run by Poyner getting on first base by error and McCulley hitting to left field scoring one run.

Beck broke the ice for the Premier by getting a hit to right field. Beck advanced to third base on errors and scored on a wild pitch. For the next three innings the game remained a pitchers duel with the score tied 1 to 1.

In the first of the sixth inning Poyner of Gorman broke the pitching duel by getting a hit. The next three men went down errorless work of the infield, holding Poyner on third. Cole of Premier broke the ice by hitting to right field. The next three men went down by the pitcher fanning two of them and left field catching a long fly. The game remained a pitchers duel for the next three innings with either pitcher allowing no hits.

Gorman broke the duel again in the tenth inning by Phillips hitting a long fly. Premier held Gorman by fanning the next two men and catching the last man out on a long fly.

The eleventh and twelfth innings remained scoreless.

In the first of the 13th inning, Gorman held Premier to three men up and three men down. Poyner of Gorman got on first base by short stop overthrowing first base. Clark advanced Poyner by bunting to pitcher. McCulley hit a grounder to short stop and was thrown out at first base. Poyner in the meanwhile stole home with the winning run by Beck dropping the ball on the attempted put out.

Batteries for Premier, Dawn and Beck, Gorman, Torrence, Browning.

### Civil Contempt Convictions Are Set Aside

WASHINGTON, May 18 (UP)—The civil contempt conviction against John L. Lewis and the United Mine Workers was set aside today by Federal Judge T. Alan Goldsborough at the government's request.

But Goldsborough balked at a second government request—to dismiss the no-strike injunction which is in effect against Lewis and the UMW. He took that request under advisement and asked attorneys to submit briefs after giving Assistant Attorney General H. Graham Morrison a dressing down.

"You have got to give me a good reason for that," Goldsborough said.

Morrison argued that the miners were back at work and that there is evidence the union would not strike regardless of the outcome of litigation over the miners pension plan.

"The court doesn't think there is any force in your statement at all," Goldsborough said.

He also said he did not "think for a moment that the pension dispute is dissolved."

The government's surprise move had no effect on the fines of \$1,420,000 imposed on the union and \$20,000 on Lewis for criminal contempt for failing to obey a sooner court order to call off the recent soft coal strike "forthwith."

The government made its dismissal request at the very moment that Lewis opened negotiations with soft coal operators for a new contract to replace the one expiring June 30. The timing apparently was intentional, the government seemingly thought the negotiations might proceed better if Lewis were out from under the injunction.

Goldsborough had issued the Taft-Hartley law injunction April 21 to guarantee against any further work stoppage by the miners before July 1.

### Meat Packers Turn Down Swift Company Offer

By United Press  
The CIO United Packinghouse Workers turned down a Swift and Company proposal for settling the meat strike but hopes still were high that the two-month-old work stoppage would end soon.

A return to work of the 100,000 striking meat strikers would cut the total number of workers idle in strikes across the nation almost in half.

The packinghouse union rejected the Swift proposal because workers discharged for illegal acts during the strike would not be re-hired automatically. However, the union did not comment on the firm's offer of a nine-cent wage boost, indicating that the union might be willing to reduce its demand for a 29 cent hike.

### Ad About Chicks Misinterpreted

An ad appearing in the Monday edition of the Times over the signature of Tip-Top Feed and Hatchery was misinterpreted, causing considerable confusion about the price of chicks.

The ad stated that the price of the chicks had been reduced \$1.00 per hundred, that is from \$13 per hundred to \$12, and not that the chicks were selling for \$1.00 per hundred.

### ARAB SIEGE OF JERUSALEM PUTS JEWS IN TIGHT SPOT

TEL AVIV, May 18 (UP)—Israel's army captured the ancient walled city of Acre today, but reports indicated that the plight of 100,000 Jews in Jerusalem was becoming desperate as Arab forces besieged the Holy City.

In the fourth day of fighting since the British mandate in Palestine ended and the new Jewish state of Israel was proclaimed, Arab Legion troops occupied Bethlehem, birthplace of Christ. Egyptian planes raided Tel Aviv, Israel's capital, for the 13th time.

Forces of six Arab nations—Egypt, Syria, Lebanon, Trans-Jordan, Iraq, and Saudi Arabia—were reported fighting in the Holy Land.

But Jews struck back strongly, and their capture of Acre, where 4,000 Arabs penned in the walled city surrendered, was militarily the most important victory reported today. The Arabs, hit by typhoid fever and short of ammunition, could not hold the meat fortress which a century and a half ago stopped Napoleon.

Jewish forces also made some progress according to official reports here in their attack on Ramleh, Arab strong-point on the vital highway from Tel Aviv to Jerusalem.

But not even a complete Jewish victory at Ramleh would open the supply route to Jerusalem. For Jewish reinforcements and arms.

The situation in the Holy City was not entirely clear, but the lineup of Arab and Jewish forces appeared comparable to a series of concentric circles.

In this confused situation, a United Nations commission made up of the consuls of France, Belgium, and the United States, still sought a truce, and the International Red Cross also continued cease-fire efforts.

Girl Gets Job Guiding Airplanes At New Yorks LaGuardia Field

By NORINE CLARK  
United Press Staff Correspondent

NEW YORK (U.P.) — One of these days pilots who land and take-off at LaGuardia Airport are going to get a jolt when they ask the control tower for clearance.

Instead of the usual man's voice coming over the radio into the cockpit, pilots will hear the pleasant but firm voice of an attractive brunette.

The newest addition to the staff of 34 control tower operators at LaGuardia tower is a girl. She is 25-year-old Maxine Sheaffer, the first girl to be assigned to LaGuardia tower since the Civil Aeronautics Administration took over control in October of 1946. It is no small honor to be the only girl assistant controller in the tower of the world's busiest airport.

Studying Up

That is the job Maxine hopes to have as soon as she finishes what is known as the familiarization period. Right now her eyes are taking a careful note of all approaches to the airport and she is memorizing all she has to know about the metropolitan area. When she passes her junior rating, she will have as much right as the male assistant controllers to stand in the glass-enclosed tower and say into a microphone:

Hopes To See

Alfred Johnson, blind pianist from Houston, Tex., smilingly hears the news that he may see. Doctors told the 21-year-old youth that, after two operations, the cornea offered by a condemned convict could be transplanted into his eyes.

"T-W-A cleared to runway 22." Or, "Colonial cleared to land." Recently Maxine, or Max, as the boys in the tower call her, was transferred from the C-A-A tower in Pittsburgh.

She says, "I have always wanted LaGuardia but didn't think I had a chance. So I asked for Newark or Westchester. I was really surprised when I was offered LaGuardia."

Likes Her Work

Aside from the fact that the Canton, Ohio girl likes New York she also likes to keep busy and she is determined to make good at LaGuardia. She says she will, "If I have to spend 24 hours a day here."

Maxine's love of aviation dates back to her first airplane ride when she was six years old. She decided then she would have a pilot's license by the time she was 21 and she did. She got it at McKinley airport in Canton.

That was during the war and soon after she was accepted by the W-A-S-P-S, the women's auxiliary group which ferried planes from factories to air fields. The day she was to leave home, she received a telegram telling her not to—the W-A-S-P-S had been disbanded.

Trained in Navy

That was in July, 1944. So she joined the W-A-V-E-S, hoping she would be assigned to tower work. After the routine training period at the Navy control tower school in Atlanta, Maxine was made a second class petty officer, specialist in control tower. She was assigned to Quonset Point, Rhode Island, where she worked for 17 months.

While there, Maxine handled an emergency so capably—with the help of a dispatch girl and an operations officer—that the three of them received a presidential commendation.

As for romance, right now Maxine is wedded to her job. She says she's not sure she will marry. Besides, she has just broken an engagement. She gave the ring back the day she found out she was to be transferred to LaGuardia tower.

She says, "I just couldn't see getting married in June when I had an opportunity like LaGuardia."

Democracy at Work  
FRANKFORT, Ky. (U. P.) — A husband's plea that he killed

his wife because she had "been running around with Republican's" failed to sway a Franklin

County jury. The accused, Park Parkins, lives in Franklin County, where

Democrats outnumber Republicans four to one. The jury was predominantly Democratic.

The verdict: Life in prison. Glass door-knobs serve as eyes for the huge metal grasshopper

which for two centuries has been the weather vane atop historic Faneuil Hall in Boston.

## W. M. U. Program Given By Circle

The monthly Royal Service program was given Monday afternoon when the Woman's Missionary Union of the First Baptist Church met at 3 o'clock at the church.

The Florine Miller Circle presented the program on "Labor's Together In Our Denomination." Mrs. G. B. Rush was program leader and Mrs. Earle Pittman gave the devotionals.

Taking part on the program Mesdames Bill Hougdon, W. L. Jackson, Walter Anderson, and Frank Hicklin. As the program was given the W. M. U. pin was depicted on flannel board with each speaker adding to the picture as she spoke.

"Work For The Night Is Coming" was sung by Mrs. Coy Sims, accompanied by Mrs. F. P. Brasher, Jr.

Refreshments were served to about 35 members by the hostess circle.

## W. S. C. S. Study Continued Monday

A continuation of the study, "We The Peoples", was made Monday afternoon at 4 o'clock when the Woman's Society of Christian Service of the Methodist Church met.

After the opening prayer, "The Beautiful Garden of Prayer" was sung Mrs. J. L. Turner led the devotional, taking as her scripture lesson Mark 10:35-38, and speaking on the subject, "Prayer and the Goodness of God."

Mrs. Tom Stewart arranged an attractive worship center featuring flowers and the open Bible.

Mrs. L. E. Wolfe talked on "What I Believe," a pamphlet used in military hospitals. "Your Rights and My Rights" and Mrs. Vernon Deffebach spoke on the topic, "Trusteeship and Dependent Peoples."

Mrs. B. A. Tunnell said the closing prayer. The final study of the course will be made May 24.

Last Chance to Find Out COLUMBUS, O. (UP)—A last chance archaeological expedition this summer will seek traces of previous civilizations in the Cowan Creek Valley, soon to become a lake bottom. The lake will be formed by a dam to be built on Cowan Creek.

## 4-H'ers Carry Out 1948 Theme By Landscaping Homes

"Creating better homes today for more responsible citizenship tomorrow" the 1948 theme of 75 thousand 4-H Clubs throughout America is being carried out by boys and girls beautifying their farmsteads.

Among their landscaping activities are planting flower gardens, trees and shrubs; improving lawns, relocating drives, building outdoor furniture and fireplaces, repairing fences and removing old unsightly outbuildings on their farms.

As incentives for superior records of achievements, awards are again provided in the 1948 National 4-H Home Grounds Beautification program by Mrs. Charles R. Walgreen for the eleventh consecutive year. Awards comprise medals of honor for county winners and gold watches for state champions. Eight national winners will receive education trips to the Chicago 4-H Club Congress next November.

Last year's state winner in Texas was Bruce G. Gibson of Turkey.

There were 22 county medal winners in Texas last year.

Complete information regarding this activity will be supplied by county extension agents.
