Russians Oust Tito From Communist Party

Well . . .
I Dunno,
But . . .

We understand that some of the Rotarians are in the doghouse. And to save any of the rest of 'em from getting in the same dilemma, we're reminding 'em' right here . . . and now to get busy and tell the wife about the ladies night Tuesday at 7:30 o'clock.

It's a dinner at the Gholson Hotel and all Rotarians and Rotarians are invited to attend. An entertaining program is being planned and you won't want to miss it.

Mazie Chastain, daughter of Mr. and Mrs. G. D. Chastain, who is one of Ranger's successful career girls, and who works for a radio station in Seattle, Washington, recently was asked to write the script for a program that is designed to be of special interest to women. This is an aside from her regular duties with the station but she's finding it very interesting. She was recommended for the work by the former writer who was a man. She has done two or three programs and has been complimented on her work by the sponsor and by the woman who does the pitch at the mike.

We're doin' right well about the rain and at mid-morning today a total of 40 of an inch had fallen and it was still raining. That makes almost three inches that have fallen in the last four days. We have had in the month of June 3.77 inches as compared with 1.37 inches last June, or 2.40 inches more this year. That ought to help some.

The Communists are feuding among themselves and that's a good healthy sign that they're weakening from within. They've kicked out Tito and after all the rumpus that he's stirred up for 'em.

The break brings out the fact that the Soviet Union and some of its conquered countries aren't hitting it off so well. But that's just good enough for the countries that bowed to the Red will. They turn around and bite the hand that's feeding 'em and they'll have to take the consequences.

Guess they're beginning to find out, as most of us have known all along, that Communism isn't the Utopia that the party would have believe it to be.

Goody! We're gonna get a holiday Monday, too. In as much as the 4th of July falls on Sunday and the town is closing for a holiday on Monday, July 5, the paper will give its employees a holiday too and there will be no publication on that date, Monday July 5. An the next day's our birthday.

Tower Theatre Damaged By Fire Sunday

Considerable damage to the booth at the Tower Theatre resulted Sunday afternoon when fire broke out in the booth about 4:30 o'clock.

The fact that the booth is fire proof prevented the fire from spreading to the rest of the theatre.

Herbert Rapp, owner of the theatre, stated this morning that an exact estimate of the loss has not been made but that it will run into considerable money. The sound equipment was completely destroyed and other equipment damaged.

Rapp stated that a new sound system has been ordered, and that he hopes to have the theatre ready for the regular show Tuesday night. There will not be a show at the theatre tonight. He said that the loss was partially covered by insurance.

ANNUAL SHEEP GOAT SHOW TO BE IN RANGER

For the first time since the West Cross Timbers Sheep and Goat Raisers Association was organized in Ranger in 1943 the organization's annual show and sale will be held in Ranger. The show will take place on August 20 and 21 and is the fifth annual show. It will be held at the livestock show barns at the rodeo arena in the west edge of Ranger.

H. C. Wilkinson who is in charge of registration of animals for the show stated today that papers and entry fees for ten Angora goats had been received from one raised at Sonora. All entries must be accompanied by papers showing that they are registered and by the entry fee.

All entries must be filed by August 1 and the \$1.00 entry fee paid. Animals must be in the pens at the show grounds by 8 o'clock on the morning of August 20 and judging will start at 1 P. M. on the same date. A sifting committee will pass on all animals and sale of animals will start at 1 P. M. on August 21.

No person may enter more than eight animals in either group and no private sales will be permitted. A seven per cent commission will be charged on all sales.

Judge for the goat show will be Pete Gully of Uvalde who will also serve as auctioneer. Judge for the sheep show will be Guy Powell of Kerrville and Gully will be auctioneer in this division, too.

Following are the classes for the sheep and goat sections of the show and sale:

Rambouillet: Rams; Aged Rams; 2 years & over; Rams; 1 year under 2; Ram Lambs; Champion Ram; Reserve Champion Ram.

Ewes: Aged Ewes; 2 years & over; Ewes; 1 year & under 2; Ewe Lambs; Champion Ewe; Reserve Champion Ewe.

Delaine: Rams; Aged Rams; 2 years & over; Rams; 1 year & under 2; Ram Lambs; Champion Ram; Reserve Champion Ram.

Ewes: Aged Ewes; 2 years & over; Ewes; 1 year & under 2; Ewe Lambs; Champion Ewe; Reserve Champion Ewe.

B Type Goats: Bucks; Aged Bucks; 2 years & over; Bucks; 1 year & under 2; Buck Kids; Champion Buck; Reserve Champion Buck.

Nannies: Aged Nannies; 2 years & over; Nannies; 1 year & under 2; Nanny Kids; Champion Nanny; Reserve Champion Nanny.

C Type Goats: Bucks; Aged Bucks; 2 years & over; Bucks; 1 year & under 2; Buck Kids; Champion Buck; Reserve Champion Buck.

Nannies: Aged Nannies; 2 years & over; Nannies; 1 year & under 2; Nanny Kids; Champion Nanny; Reserve Champion Nanny.

Judge for the goat show will be Pete Gully of Uvalde who will also serve as auctioneer. Judge for the sheep show will be Guy Powell of Kerrville and Gully will be auctioneer in this division, too.

Following are the classes for the sheep and goat sections of the show and sale:

Rambouillet: Rams; Aged Rams; 2 years & over; Rams; 1 year under 2; Ram Lambs; Champion Ram; Reserve Champion Ram.

Ewes: Aged Ewes; 2 years & over; Ewes; 1 year & under 2; Ewe Lambs; Champion Ewe; Reserve Champion Ewe.

Delaine: Rams; Aged Rams; 2 years & over; Rams; 1 year & under 2; Ram Lambs; Champion Ram; Reserve Champion Ram.

Ewes: Aged Ewes; 2 years & over; Ewes; 1 year & under 2; Ewe Lambs; Champion Ewe; Reserve Champion Ewe.

B Type Goats: Bucks; Aged Bucks; 2 years & over; Bucks; 1 year & under 2; Buck Kids; Champion Buck; Reserve Champion Buck.

Nannies: Aged Nannies; 2 years & over; Nannies; 1 year & under 2; Nanny Kids; Champion Nanny; Reserve Champion Nanny.

C Type Goats: Bucks; Aged Bucks; 2 years & over; Bucks; 1 year & under 2; Buck Kids; Champion Buck; Reserve Champion Buck.

Nannies: Aged Nannies; 2 years & over; Nannies; 1 year & under 2; Nanny Kids; Champion Nanny; Reserve Champion Nanny.

With the exception of B. W. Patterson, candidate for district judge who announced his withdrawal, all candidates paid their assessments according to County Chairman O. E. Lyler.

As the list of candidates now stand there can be no run-off in any county office. At Gorman and possibly in other precinct races, there will be run-offs unless there is a thinning out of candidates.

In the 107 Representative District (Floriolal) there are three candidates which makes it possible that there will be a run-off. Also there is the possibility of a run-off in the race for associate justice of the Eleventh District Court of Civil Appeals, and of course there are the state races where there is a possibility of a run-off.

No Run-Offs Due In County Political Races

Last Saturday was the last day for candidates to pay their assessments and today (Monday) is the last day for them to make their first expense account reports.

With the exception of B. W. Patterson, candidate for district judge who announced his withdrawal, all candidates paid their assessments according to County Chairman O. E. Lyler.

As the list of candidates now stand there can be no run-off in any county office. At Gorman and possibly in other precinct races, there will be run-offs unless there is a thinning out of candidates.

In the 107 Representative District (Floriolal) there are three candidates which makes it possible that there will be a run-off. Candidate Rally And Pie Supper At Alameda Wed.

Wednesday night at 8 o'clock a candidate rally and pie supper will be staged at the Alameda school home by members of the Salem Home Demonstration Club and the public is invited to attend.

The event was originally scheduled for Tuesday but because of a conflict with another meeting the date was changed.

All candidates for offices are invited to attend and each will be given an opportunity to speak to the gathering.

Children Welcome

DENVER, (UP)—To Mrs. John Black there are no such things as "unwanted" children.

In addition to her own three daughters, Mrs. Black has raised 50 foster children in the past 22 years.

She became interested in homeless children in 1926 when she took in a sickly baby whose mother was dying of tuberculosis.

During the war the "sickly baby" wrote from overseas. He was a pilot in the air force.

Another foster child is an accomplished pianist. He learned by standing before a played piano and following the moving keys with sensitive hands. He has been blind all his life.

Former Resident Dies In Woodson

Word was received this morning of the death of Lewis Craver of Woodson, formerly of Ranger.

Mr. Craver died this morning about 3:30 o'clock at his home in Woodson. He had been in ill health for sometime.

Funeral services will be conducted at 3:30 o'clock Tuesday afternoon in Woodson and interment will be in the Woodson cemetery.

The deceased was the brother-in-law of Bill and Earl Ewing and the son-in-law of W. F. Ewing all of Ranger.

Flood Course Of Rio Grande River Nearing Its End

MALLEN, Tex. June 28, (UP)—The rampaging Rio Grande, its flood course nearing an end after invading non-rurous communities along its long, twisting course, was expected to splash into the cotton-filled floodways near here today on its rush to the Gulf.

Kinderhook, N. Y., the birthplace of Martin Van Buren, received its name "Children's Point" from Henry Hudson because of the Indian children who gathered on the shore to see his ship.

Four Earthquakes And Nine Tidal Waves Cause Japanese Destruction

TOKYO, June 28 (UP)—Four devastating earthquakes that brought in their wake at least nine tidal waves wrecked a path of destruction in war-battered Japan today.

Faulty communications prevented Allied and Japanese governments from finding out the exact number of casualties. Fragmentary reports gave from 300 to 900 dead and injured, with 300 dead counted in Kokui city alone.

Brig. Gen. C. F. Sams, Chief of the Allied Headquarters Public Health and Welfare Section, said the reports indicated the casualty was rising above 1,000, with many small towns yet to be heard from. He said preliminary information showed at least 300 dead.

The Tokyo observatory said the quake centered in the bed of the Japan Sea, about 40 miles off the coast.

Early reports, gathered with difficulty because telephone and electric service was impaired, indicated that Fukui city was the hardest hit.

The Ministry of Communications in Tokyo was informed that Fukui, a city of 52,000 residents, was virtually wiped out, "except for two or three buildings. Still standing were a government building, the telephone office and the broadcasting station."

Six hours after the quake, Fukui still was burning. Practically all the wooden buildings were destroyed and the city's inhabitants were homeless.

Army Announces Number Of Men To Be Drafted

WASHINGTON, June 28 (UP)—The Army announced today that it expects to induct from 225,000 to 250,000 men from July 1 to June 30, 1949 under the peacetime draft law.

The draftees, aged 18 through 25 will serve for 21 months. Inductions probably will start Sept. 22.

About 30,000 men per month will be inducted into the Army. Secretary of Army Kenneth C. Royall gave the figures at a news conference as he disclosed plans for the new draft machinery.

The "some what limited immediate requirements" of the Navy and Air Force probably will be filled by volunteer recruits, Royall said. The Army will get most of the draftees.

The program is planned to bring the Army's present strength of 542,000 up to 790,000 by July 1, 1949 in accordance with the provisions of the Selective Service Act.

Country Club To Have Supper Tues.

A covered dish supper will be held Tuesday night at 7:30 o'clock at the Ranger Country Club.

All members, their families and friends are invited to attend.

VFW Auxiliary To Give Benefit Dance Friday

Members of the Auxiliary of the Ralph McKinley Post of the Veterans of Foreign Wars announced today that they will sponsor a benefit dance Friday night at 9 o'clock in the Blue Room of the Gholson Hotel and the public is invited to attend.

The Auxiliary is giving the dance for the benefit of the VFW building fund and all proceeds will go into this fund. The VFW recently bought the building on Pine Street which was formerly occupied by the radio school.

Jaycees To Meet At Hotel Tonight

It was announced today that in place of the workout at the rodeo arena tonight, a business meeting of the Junior Chamber of Commerce will be held at the Gholson Hotel tonight.

The meeting will be held at 8 o'clock and all members are urged to be present.

KLEINER WELL BRINGS FIVE NEW TESTS

NEW DISCOVERY WOULD HAVE BEEN 5,000 BARREL WELL IN THE OLD DAYS

A well which veteran oil men declare has all the earmarks of what would have been a 5,000-barrel bush in the old days of wide open flow has started the newest oil rush in Eastland County.

It is the Lone Star Producing Company's No. 1 A Kleiner, in the northwestern part of the county, some 11 miles from Eastland.

At least five wells are drilling or preparing to start in the vicinity as the result of this new well.

The Lone Star has the location cleared for two wells on the Kincaid, which adjoins the Kleiner on the south. W. G. Skelly, it reported moving in on the Thomason, which adjoins the northwestern corner of the Kleiner, and Hicklock is drilling a west offset to the inner No. 1-A.

One of the most impressive features in connection with the Kleiner well is the thickness of the stratum—340 feet of formation.

During the great boom of many years ago, numerous wells rated at several thousand barrels a day produced from a sand which was only 30 feet in thickness. Such a formation as the Kleiner has uncovered would indicate long-lived production—that could well last for many years under the restricted output of production.

The Kleiner well also is significant in that it is producing from the Mississippi. This is a virtual new play for the county. The Mississippi was encountered some time back on the Kincaid where the Lone Star had drilled three wells along about 1926 which produced from the Lake Eastland sand. When the No. 2 was deepened, it revealed the Mississippi. Before reaching that depth, the well also encountered the Ranger but this was cased off and can be returned to in the future.

The Kleiner well was perforated at 4,000 to 4,014 feet with 84 holes and flowed under 800 pounds of pressure, and there was no water. Oil men point out that as there was a section of pipe perforations had to be made through two layers of cement and two pipes, which had burst under the gas instead of one layer of cement and a single pipe; consequently, it will be noted that not nearly all the perforations penetrated all four of the barriers.

Further, it is pointed out that only 14 feet of the great amount of the Mississippi which was found was in the perforated section.

The great importance of the Kleiner well, with its 340 feet of the Mississippi, is shown by the fact that already five other wells are starting.

The voluntary and gracious manifestations of their loyalty to me and their support of my candidacy for this office by so many of my friends will ever be among the most pleasant memories of my life. For this, as well as for the several political honors accorded me by the people of Eastland County in the past, I am indeed grateful.

Eastland, Texas, June 26, 1948.

Burette W. Patterson

Examinations For State Jobs To Be August 7

The Merit System Council, which serves as a "clearing house" for positions in the Texas Employment Commission and the State Department of Public Welfare, will hold open competitive examinations on August 7, 1948, for a number of positions now open in both agencies, according to Chas. S. Gardiner, Director of the Merit System Council.

Positions to be filled by these agencies consist of Field Worker, Child Welfare Worker, Senior Child Welfare Worker, Stenographers, Clerk-Typist, Clerks, and Interviewers. Qualifications for these positions vary from high school graduation to college work and experience requirements.

Gardiner pointed out that application to take an examination must be made on an official application blank, which may be obtained by writing the Merit System Council, 608 Tribune Bldg., Austin, Texas, or from the Employment Commission and Department of Public Welfare local offices located throughout the State.

"The closing date for submission of applications is July 17, 1948, and applications postmarked after midnight on the closing date will not be considered," he added.

Gardiner also stated that these examinations present to people the opportunity for permanent employment with the Texas Employment Commission and the State Department of Public Welfare.

PATTERSON WITHDRAWS FROM RACE

EDITORS NOTE:
Judge Burette W. Patterson has announced his withdrawal from the race for Judge of the 91st District Court and has issued the following statement relative to his withdrawal.

STATEMENT OF BURETTE W. PATTERSON

Having announced my withdrawal from the race for district judge, I feel an explanation for my doing so is due the people of this county.

Before becoming a candidate for this office I had a thorough check-up by a Fort Worth Clinic to ascertain if my age and physical condition was such that I could make this race without jeopardizing my health. The report from this Clinic to my local physician recites, among other findings, "Physical examination reveals a well developed, well nourished, exceptionally well preserved man of stated age in no acute distress . . . I endorse the judge continuing in active practice and entering the race for judgeship if there is no active campaign involved . . . Anticipating that the campaign would not be a strenuous one, I announced my candidacy. An unusually diligent campaign for this office has since developed and it is now apparent that the chances of my being nominated will depend largely upon my engaging in an active and persistent campaign for the next 30 or 60 days. To do this, according to the advice of my physicians, my present good health would be jeopardized and it might be seriously and permanently impaired. I regard the hazard to my health too great for me to follow through on these conditions, hence my withdrawal.

The voluntary and gracious manifestations of their loyalty to me and their support of my candidacy for this office by so many of my friends will ever be among the most pleasant memories of my life. For this, as well as for the several political honors accorded me by the people of Eastland County in the past, I am indeed grateful.

Eastland, Texas, June 26, 1948.

Russian Berlin Blockade Seems To Be Cracking

BERLIN, June 28 (UP)—A crack appeared in the Russian blockade of Berlin today as British authorities announced that 10 barges carrying food and freight from Western Germany reached the German capital.

Several more barges have been allowed to cross the border of the Soviet zone enroute to Berlin, the British authorities said. These were the first to cross the border since the Russians closed the boundary to all surface traffic to Berlin from the west on June 19 after announcement of currency reform in the Western Zone.

It was not clear yet whether the Russian barricade against western supplies for the American, British and French establishments in Berlin and for the 2,500,000 Germans in the capital who depend upon the western powers for food would be relaxed entirely.

Earlier today there had been a fairly serious riot among thousands of Germans waiting before the Russian Central Currency Exchange office in the Soviet sector of Berlin to exchange old marks for new under the Soviet currency reform scheme.

Fort Worth Livestock

CATTLE 4500. Fairly active, slowed somewhat by sharply higher asking prices. Market generally strong to 50 or more higher. Medium and good slaughter steers and yearlings 2500-3200. Good beef cows 2100-2350.

Calves 1600. Fairly active, slowed by higher asking prices, trade fully steady to 50 or more higher. Good and choice slaughter grades 2600-3000, few heavies 33100.

Hogs 600. Butchers and sows around 125-150 higher than Fridays average, stockers strong. Top 2750 for best 180-270 lbs.

CLAIM LEADER CATERING TO THE WESTERN IMPERIALISTS

PRAGUE, June 28 (UP)—Russia read Marshal Tito of Yugoslavia out of the Communist Party today on grounds that he has been playing footsie with western imperialism.

A communique published in the Communist newspaper Rude Pravo here revealed that Yugoslav Communists were purged from the Cominform the Communist Information Bureau—at a secret meeting held in Romania in June.

It charged Tito and his supporters in the Yugoslav government with almost every crime in the Communist book—ranging from Trotskyism and Anti-Sovietism to "ineptness" and "false denagogic tactics."

It said bluntly that the Yugoslav leaders deserted "international traditions" to curry favor with imperialists.

The announcements here were seen as marking a wide-open break in the Russian front in Eastern Europe. It was the first definite confirmation of repeated rumors that all has not been going well between the Soviet Union and some of its satellites.

If the Cominform action should result in a complete break of Yugoslavia with the Russian bloc, it would be the greatest victory the western powers yet have won in the "cold war" against the Soviet Union.

Russian Berlin Blockade Seems To Be Cracking

BERLIN, June 28 (UP)—A crack appeared in the Russian blockade of Berlin today as British authorities announced that 10 barges carrying food and freight from Western Germany reached the German capital.

Doctors With Numbers Foil Publicity Hounds

MEMPHIS, Tenn. (UP)—Doctors are known by the numbers now. The Memphis Medical Society has passed out permanent identification numbers to physicians for use in emergency calls. For example, Dr. John Doe at the ball game won't hear his name bawled. Instead he'll hear "Number 120—you are wanted at the

hospital."

The new system imposed by the doctors themselves is to guard against fake "emergency calls" for publicity.

Birthdays Mean Something

COLUMBUS, O. (UP)—Donald Beaver has celebrated his past three birthdays with a step father in his private flying career. He soloed on his 16th birthday and won his pilot's license when he was 17. On his 18th birthday this year he earned his commercial license.

Floods Rampage Through Oklahoma

andoned at a country road intersection, an automobile is stranded still high and dry—but for how long. Water almost up the front and rear wheels. Driftwood, piling up against the bridge in the background will soon sweep away unless it is cleared. — (NEA Telephoto).

★ THE SCOREBOARD ★
Reds Banked on Blackwell; Stallcup and Sauer Pay Off

BY HARRY GRAYSON
 NEA Sports Editor

NEW YORK (NEA)—What's wrong with Ewell Blackwell? Well, first it was a pulled muscle in his shoulder that sidelined the Reds' great young right-hander for nearly a month. And more recently Blackwell has been a sick six-foot six-incher with a mild attack of flu.

A year ago at this time Blackwell had bagged 11 games, and was on the eighth of his remarkable consecutive victory string of 16, during which he turned in an amazingly low earned-run average of 1.40. Blackwell's 1948 record as this is written, is three victories and five defeats.

"That, you see," says Johnny Neun, "is the difference between the Cincinnati club being in first place with something to spare and where it is. This despite the fact that we have had our full quota of injuries, and then some."

Iron Man Mueller broke his ankle early in the going. That forced Ray Lamanno to catch despite a bad back and shoulder. For a month the Berkeley boy could hardly throw.

Second baseman Bobby Adams injured his knee slipping in rounding third. Favoring it, he pulled a muscle in his groin.

Third baseman Grady Hatton lost 18 pounds with muscle spasms and whatnot. Buckey Walters went on the disabled list with a bad knee. Augie Galan hurt his elbow.

Herman Wöhmeyer, large 21-year-old right-hander brought in from Syracuse, took up considerable of the pitching slack, however, winning five of his first six.

And Claude Corbett, an experienced hand from Syracuse, batted .500 and filled in so well at third and second that Adams will have difficulty getting him out of there.

MEANWHILE the freshmen, Red Stallcup and towering Hank Sauer, and Johnny Wroscok, obtained from the Phillies, have been the life of the Rhineland party.

The tall and seemingly stiff-necked Stallcup has lived up to all the oases about him as a shortstop, and is batting .292, after having hit no more than .210 for the first three weeks. Although opponents employ the Ted Williams shift in reverse on Sauer, a dead left field hitter, the Los Angeles Lollipop leads the league in runs-batted-in.

Sometime In The Dim, Distant Future

Short Wave Soothes Prospective Father

BINGHAMTON, N. Y. (UP)—Randall Hitchcock, of nearby Chenango Bridge was sitting in a hotel in Bogota, Colombia, as snipers' bullets whizzed around during the recent rioting there. That was bad enough, but Hitchcock was even more worried about his wife back home. She was expecting a baby. As the dismal hours passed, he heard sputterings from the small short-wave radio set he'd carried with him.

"Randall Hitchcock, Randall Hitchcock," called a voice. "If you're listening, your wife has had a fine baby boy and you're a proud father. Mother and baby doing nicely." The voice was that of Wolfie Wolfinger, an amateur radio operator at Hillcrest, near Hitchcock's home. It was the "biggest moment of my life," said Hitchcock, despite the danger from the bullets and mobs of the revolution.

Tests Show Bats Not Warm-Blooded

SAN FRANCISCO (UP) — All mammals are not consistently warm-blooded, according to Dr. Robert T. Orr, curator of birds and mammals at the California Academy of Sciences in San Francisco. He said the temperature of some species of inactive bats varies with environment. Live bats placed in a cold-room where the temperature was kept between 40 and 50 degrees F. soon had about the same temperature. Dr. Orr pointed out that the cold-room conditions are about the same as in the caves in which the bats sleep-through the winter.

When roused from sleep, the little bats vibrated "like B-29s warming up," the scientists said, "and rapidly became warm and ready for flight."

Pestered Cow Operates Her Own Fly Swatter

GRAND PRAIRIE, Tex. (UP)—Albert C. Blevins, gentleman farmer, got out his adding machine, figured out how much it costs for Mabel his cow to switch the flies off her back and then invented himself an invention.

As a result, Mabel practically is free from flies. She operate a mechanized cow swatter. Blevins' invention consists of a pad, saturated with an insecticide which he gives on each flank of the cow. As she swishes her tail, it lands on the pad, picking up the tail puts the pest into a noise insecticide. The next round of dice.

STILL IN BUSINESS

BOSTON (UP)—Housekeeper at the White House under President Calvin Coolidge, Mrs. Ellen Riley of Brookline now runs the restaurant at the First National Bank of Boston.

Floods Victims Attended

In addition to other medical attentions, a registered nurse in Oklahoma City, administers first aid to a lad who punctured his foot on a nail. Anti-tetanus serum was on hand for the many homeless. Nurses also prepared baby formulas and watched out for expectant mothers. (NEA Telephoto).

It's All In The Family

Thrilled with the news of her father's selection for the vice presidential nomination, Dorothy Warren, 17, gives her mother a big hug and kiss. — (NEA Telephoto).

Women Take Up Town Government And Men Heave Sigh Of Relief

By WILLIAM A. SHIRES
 United Press Staff Correspondent
 CLINTWOOD, Va. (UP)—The hand that rocks the cradle rules Clintwood.

And better things are in store for this little southwest Virginia mining town since the feminine revolution put a woman in as mayor and seated women in all five town council seats.

Even out-going mayor—Curtis Anderson admits that the women will do a good job of running the town.

"The mayor's office here is a full-time job without much pay," Anderson said. "Most of the men are too busy to give the time necessary for a progressive town administration. The women are qualified and conscientious. They can do a good job."

The women scored a recent coup. The Clintwood Women's Club wanted a cleaner, prettier town. And they wanted some definite civic improvements that would lure visitors and industry.

They decided to get in politics. They roused prospective women candidates out of bed on the night before the deadline for qualifying and talked the ticket they wanted into making the race.

They marched into election board headquarters the next morning with the list of six, the necessary fees and the men guffawed.

The guffaws turned to anxious looks by election day. The women had passed out sample ballots, screened the list of qualified voters and had hired two station wagons to bring every woman in town to the polls.

By nightfall on election day, the anxious masculine looks had changed to pride for the womenfolk in their electioneering. Some men admitted they had voted for the women's slate.

Mrs. Minnie C. (Sis) Miller was elected mayor with 259 votes to 59 for her masculine opponent, J. A. Collins. The five councilwomen won by nearly the same margins.

On the same day, the women's proposal for a \$200,000 water bond issue to expand the town's water supply and build a new waterworks passed by a 281 to 85 vote.

The women, most of them married with families, say a new railroad extension is coming in. A new coal town is being cleaned up and beautified.

And the skirt administration says it's just started.

Truce Guardians

One of the 50 members of the United Nations Guard Force at Lake Success, who will go to Palestine to help supervise the truce, gets fitted for his new summer uniform. Sgt. Larry Davidson, left, of the guards, measures Jack Boies, who will be part of the "field army" requested by UN mediator Count Folke Bernadotte. Almost all of the 50 are Americans.

A wide variety of rare and beautiful plants and flowers peculiar to the southwest are contained in the Thompson southwest arboretum, near Superior, Ariz.

Speaking of Oil Booms—
 ... the increased lease activity in Eastland County has been a real break for several types of business. Abstractors as a general rule struggle along for years on bare existence with heavy overhead expenses until something on the present order comes along, if it does, then everybody else is busy, too, sufficient help is not available and away goes our reputation for prompt service. So for the time being please file your orders a little ahead of anticipated needs.

Worm Man Tells Why Rabbits Are All Pickers

MEMPHIS, Tenn. (UP)—The lowly earthworm is more than a match for the prolific rabbit. Leo S. Prescott has 10 troughs with some 1,000,000 enticing pieces of fish bait on his worm ranch.

Prescott started with 15,000 worms two years ago. Last year he sold 250,000 worms.

"They multiply fast," Prescott says. "There are no male and female worms. All of them reproduce at the rate of one egg for one worm every seven days."

"When you consider that each egg contains from two to 10 worms you can understand why the rabbit takes a backseat."

Science has discovered an excellent new treatment for ivy, oak and sumac poisoning. It's gentle and safe, dries up the blisters in a surprisingly short time, often within 24 hours. At druglets. 99¢

SOCIETY

Honors Grandson With Party Sat.

Mrs. H. S. Packwood honored her grandson, Tommy Summers, on his sixth birthday with a party Saturday afternoon at her home from 2:30 to 4:30 o'clock. Mrs. L. D. Summers assisted her mother in entertaining.

The guests enjoyed games and were given favors of tops, whistles, and balloons.

Refreshments were served the following: Terry Pitchford, Jane Hinman, Bobby Pitchford, Jerry Ball, C. L. Ball, Johnny Young, Dwayne Hale, Georgia McCluskey, Barbara Woods, Bobby Neal, Betty Stroud, J. L. Stroud, Catherine Stroud, Freda Fay Lamb, Junior Harper, Glenda Rains, Jean Nell, Lou Fuston Jr., of Strawn, Burl Ray Chambers of Monahans, and the honoree's sister, Dana Kay Summers. Two who were unable to attend but sent gifts were Barbara and Tommy Harper.

Others present at the party were Mmes. J. R. Finto, Herman Stroud, Bill Hinman, and L. F. Fuston of Strawn.

and Mr. and Mrs. Raymond Landtroop and son spent Sunday in Possum Kingdom.

Mr. and Mrs. Joe Dennis and granddaughter, Jo Ann, spent Sunday in Goldthwaite.

Hospital News

Mrs. H. S. Adams of Eastland, who has been a surgical patient in the West Texas Hospital, has been dismissed.

Larry Robertson underwent a tonsillectomy at the West Texas Hospital Monday morning.

Mrs. Thomas Howard of Tucson, Arizona, is a medical patient in the West Texas Hospital.

Personals

Mr. and Mrs. M. L. King and children, Sara Beth and Lee, have returned from a vacation through the West.

Mr. and Mrs. Ben Patterson spent the past week-end in Fort Worth visiting their daughter, Mrs. Abner Wright and family. They also visited Mrs. Patterson's sister, Mrs. H. T. Reese and family. Freddie Wright returned home with the Pattersons for a visit.

Mrs. J. A. Bates and daughter, La Gene, are visiting in Carthage.

Mr. and Mrs. Evis Landers have returned from a week's business trip to Carthage, Marshall and Tyler.

Mr. and Mrs. Keith McLaughlin of Austin visited his parents, Mr. and Mrs. J. B. McLaughlin and her mother, Mrs. Susan Hunt, the past week end.

Billy Anderson, who is attending T.W.C. this summer, spent the week end with his parents, Mr. and Mrs. T. J. Anderson.

Hershel Eyley, who is attending summer school at Texas Christian University, spent the past week end with his mother, Mrs. William Eyley.

Harold Fyffe who is employed in Fort Worth spent the past week end here with Mrs. Fyffe and their daughter, Donna Ruth.

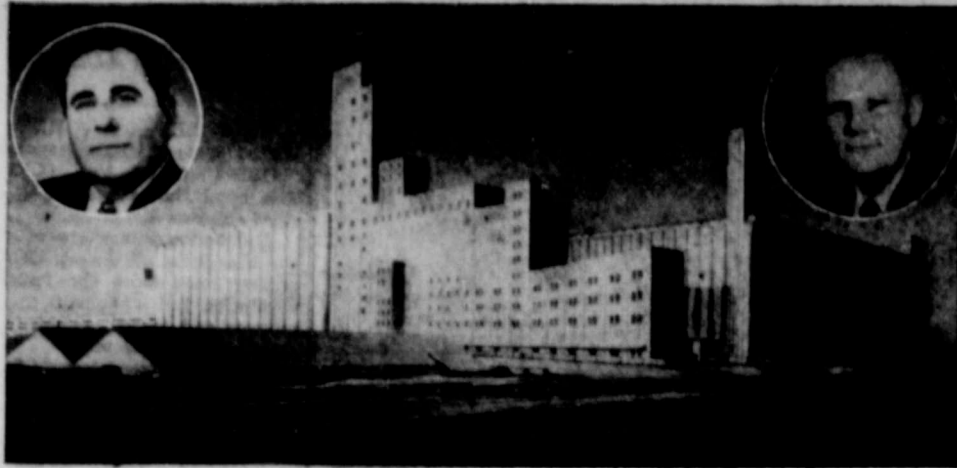

Bobby Gail Norwood spent Friday and Saturday in Clyde.

Mr. and Mrs. J. D. Litton and son, Billy, who have been here visiting relatives, have returned to College Station where Mr. Litton will take a two-week special instruction course.

Tilford Ferguson has returned from a trip to Lawton, and Minco, Oklahoma.

Mr. and Mrs. George Beighley

GOVERNOR JESTER TO SET NEW MILL IN MOTION

Opening ceremonies of the \$2,000,000 Burrus Feed Mills plant—one of the largest feed mills in the world—will be climaxed July 22 at Fort Worth when Governor Beauford Jester of the Lone Star State (upper right) presses the button which will set the machinery into operation. Wiley Akins (upper left) manager of Burrus Feed Mills will be host to the leading business men of 12 Southwestern and Southeastern states and to outstanding citizens of a dozen Latin American lands where Texo feeds are sold.

His Dog Can Read-So Judge Says

BOUNTIFUL, Utah, (P) — Judge F. J. Torney claims he owns the only dog who can read.

Pal, a satiny, black mongrel, can read either the morning or evening paper, says Torney—as sober as the judge he is.

The judge places the morning Salt Lake Tribune beside the evening Salt Lake Telegram on his porch. From a living room easy chair, he tells Pal which paper he wants. The dog walks out on the porch and brings it.

Named GOP Chairman

Republican leaders have picked Rep. Hugh D. Scott, Jr., above, 48, of Pennsylvania, as new National Chairman of the GOP. He succeeds Carroll Reece of Tennessee. Scott, a former Philadelphia assistant district attorney, fought in both world wars.

The papers are printed by the same publishing company on the same size and grade of paper.

Judge Torney brags that Pal is the only dog who can play Chopin on the piano. To prove it, he points to the piano: "Play Chopin, Pal!"

Pal uses all four paws on the keyboard to set off chords in a tempo somewhat like Chopin. To show the dog's musical education isn't all long-haired, the judge also can order Pal to play boggie woogie. Pal swings into chords in a faster, jivy tempo.

The dog has been offered a movie contract at \$400 a week, the judge adds. But Lassie's claim to canine academy awards is safe. For Judge Torney declined to turn his pet over to filmdom.

Of course Pal doesn't play, the piano or read a newspaper for just anyone. His master generally demands and gets at least \$25 for a public performance.

Some law violators get a private cut rate exhibition in the judge's home after they've paid a \$10 to \$20 traffic fine.

Blue Ridges Yield Super - Hard Rock To Aid Industry

NATURAL BRIDGES, Va. (UP)—White-hot flames of acetylene and oxygen torches burn deep into solid stone near here to rob the ageless Blue Ridge mountains of one of the hardest substances known to man.

Near this resort center in the upper reaches of the Shenandoah Valley is one of the nation's few quartzite mines.

Quartzite is a rock of nearly the same chemical composition as sand. It is used in making silicon, chrome and manganese alloys and in tungsten, vanadium, columbian, zirconium and other products.

Grandpa Back In Harness Seems To Be Doing O. K.

ALBANY, N.Y. (UP) — A man who should know says grandpa is doing all right on the job he took during the war and isn't ready to give it up without a struggle.

Sen. Thomas C. Desmond, chairman of the state joint legislative committee on problems of the aging, so announced after a survey of industries employing 525,000 workers.

"World War II, by bringing the rocking chair battalion back to work, restored the self-confidence of the elderly and gave them back their self-esteem," Desmond said.
