55th Year — No. 32

Dimmitt, Texas, Thursday, May 6, 1982

5-4-3-2-1-BLAST OFF!—Students in Dimmitt Middle School and Richardson Elementary helped give the countdown for every rocket that was fired at the sixth grade classes' annual rocket launch Tuesday afternoon on the school grounds. The

long rocket being launched here traveled high into the air, coming down about three blocks away. The project is coordinated each year by sixth grade teacher Paul Fry.

Students plot the trajectory of each rocket launched to try to determine its maximum altitude. The rockets are built by the students from kits.

City okays budget

In a lengthy meeting Monday night, the Dimmitt City Board of Aldermen approved the proposed city budget for the 1982-83 fiscal year, including the much-discussed \$69,871 budget for the Dimmitt Volunteer Fire Dept.

The fire department was given a 47% increase over last year's expenses, while most other departments were held to less than a 10% increase, and some departments are even scheduled for decreases.

"We just want the public to understand why we're giving such a big increase to the fire department," Alderman David Hays said.

"One reason we're asking for so much increase is that we are behind in our needs and expenses that weren't provided for in past years," a department spokesman said.

Besides the \$19,692 for the fire marshal's salary, the biggest items in the department's budget were \$9,529 for capital outlay and \$7,285

for school and travel for the training of department members. Most of the capital outlay is for repairs and equipment purchases.

Another department with a big budget is the street and alley department. \$44,858 will go for seal coating of 40-50 blocks of city streets, while \$43,000 is being allowed for the purchase of a new sweeper.

Total revenue for the budget is set at \$1,352,510 with expenditures set at the same estimated amount. This represents a 7% increase in revenue and a 10% increase in expenditures over last year's budget.

The city will have to dip into its operating reserves of \$522,742 to cover the \$75,833 in depreciation on city properties. The board also discussed using the reserves if it was later decided to award any merit raises to serving employees.

In other business, the board:

—Tabled any action on bids received on the city insurance. More detailed bid information is to be requested, and another meeting with insurance agents involved will be held within a week. Bids that were received were for \$12,588 from Keith Lowe's Dimmitt Insurance, \$15,054 from Brown and Parker, \$16,312 from The Smith Agency, and \$21,616 from The Craig Agency.

—Authorized repairs in the amount of \$9,000 on the city's 1975 Ford garbage truck.

—Signed a letter authorizing Brown, Graham, and Co. to conduct the city's annual audit.

—Discussed changing the city board meetings to only once a month, as allowed by law, instead of twice a month.

—Agreed to seek lightning insurance on the city water well pumps if the cost is not too prohibitive. The board also decided to take out liability insurance on the city

HONOR CHOIR SINGERS—Dimmitt High School Choir members (from left) Janis Hutcherson, alto; Steve Anderson, bass; Rena Moore, soprano; and Tammy Stanford, soprano; will sing in the honor choir at the Tri-State Music Festival in Enid, Okla., this

weekend. The Grand Concert will be Saturday at 8 p.m. Other members of the DHS Singers and the DHS show choir will also attend the festival and participate in various competitions.

Two Dimmitt choirs to perform in Oklahoma

The Dimmitt High School Singers and Dimmitt Show Choir are participating in the Tri-State Music Festival of Enid, Okla., today (Thursday) through Saturday.

Five soloists will be judged today. They are Tammy Stanford, Rena Moore, Janis Hutcherson, Cheryl Powell and Steve Anderson.

The DHS Singers will sing two selections for critique by professional educators from around the country.

The show choir will perform Friday. This will be the first time for the show choir to perform in competition and to attend the festival.

Twenty-six students and four sponsors will view several participating choirs and will attend learning activities and entertainment features of the trip. This is the 50th Anniversary of the festival. The local choirs will attend special activities and the annual dance Friday. They will go to Oklahoma

City for the day Saturday and will attend the festival grand concert that evening.

Four students qualified earlier this year to take part in the 400-voice honor choir that will perform in the grand concert. They are Tammy Stanford, Rena Moore, Janis Hutcherson and Steve Anderson.

The group is expected to return Sunday around 5 p.m. They are traveling by chartered bus.

Pre-enrollment is set May 12

Pre-enrollment for kindergarten at Nazareth Public Schools will be held next Wednesday from 2 to 3:45 p.m. in the kindergarten room of the elementary school.

Each child will need his or her birth certificate and health record to pre-enroll.

Storm warning system changes

The sequence for the weather warning siren system has been changed.

The storm warning sequence in Dimmitt will now be one long blast that will last for about three minutes, instead of three one-minute blasts. Hopefully, the change will help citizens differentiate between the weather warning system and other alarms.

The system will still be tested Fridays at noon, when the weather is clear.

The county's Democrats gave Polly Simpson a clear majority for the county judge's nomination, chose Joy Jones over Mildred Sheffy for county clerk, returned Precinct 2 Commissioner Edd Wilson to office over John Walker, and unseated Precinct 4 Commissioner Alfons (Al) Maurer in Saturday's Democratic Primary Election.

Almost 47% of the county's 4,513 registered voters turned out for the party primaries here Saturday, with 2,005 casting ballots in the Democratic judge's race and 102 voting in the Republican primary. The county percentage was well ahead of the low off-year turnout registered statewide.

Mrs. Simpson emerged from a four-person field to capture a majority of the votes and lock in the Democratic nomination for the county judgeship.

By 27 votes, Mrs. Simpson avoided a runoff against longtime County Democratic Chairman Oscar Wylie. She received 1,016 votes, 50.67% of the 2,005 ballots cast in the race. Wylie polled 651, Hart Mayor Bill Ritter received 172 and Dimmitt businessman Sam Killough got 166.

Mrs. Simpson won all but two of the 16 voting boxes in the Demo primary. Wylie carried Box 4 (Northeast Dimmitt) by a 136-108 margin and Box 13 (Arney) by 14-10.

Neither Ritter nor Killough carried any boxes. Mrs. Simpson will face Republican Winston Waggoner in the November general election.

The only Democratic Primary race to go into a runoff is in Commissioners' Precinct 4, where Thomas Falcon of Dimmitt and Vincent Guggemos of Nazareth will face each other for the right to replace Al Maurer on the County Commissioners' Court. Both men outpolled the incumbent Maurer in the primary, with Falcon receiving 243 votes, Guggemos 203 and Maurer 195.

Falcon carried Box 4 (Northeast Dimmitt) with 234 votes to Maurer's 64 and Guggemos' 63. Guggemos took a 13-4-1 margin over Falcon and Maurer in Box 8 (Jumbo) and edged Maurer 106-105 in Box 12 (North Nazareth), where Falcon got only three votes. Maurer carried Box 13 (Arney) with 18 votes to Guggemos' 13, while Falcon got no votes there.

The runoff election will be held June 5, and will also include runoffs for several state offices — governor (Mark White and Buddy Temple), attorney general (Jim Mattox and John Hannah), land commissioner (Pete Snelson and Garry Mauro), Criminal Appeals Court Place 1 (John Humphreys and Charles Campbell Jr.), and Criminal Appeals Court Place 2 (Bill Black and Chuck Miller).

County Democrats gave Deputy Clerk Joy Jones a 1,245-663 nod over legal secretary Mildred Sheffy for the county clerk's nomination. Mrs. Jones carried 12 of the 16 boxes, while Mrs. Sheffy carried Boxes 12, 13 and 14 (North Nazareth, Arney and Frio). The two candidates tied with 23 votes apiece in Box 5 (South Nazareth).

In the only other contested local race, Demo voters gave incumbent Precinct 2 Commissioner Edd Wilson the nod over challenger John Walker, 355-253. Wilson won the race in Box 2 (Southwest Dimmitt), the county's biggest election precinct. Wilson carried Box 2 by 284-172, while Walker carried the precinct's other three boxes. Walker outpolled Wilson by 25-12 in Box 7 (Bethel), by 17-11 in Box 11 (Flagg) and by 17-14 in Box 16 (West Sunnyside).

Local Democrats joined with others statewide in helping challenger Jim Hightower upset Agriculture Commissioner Reagan Brown. Here, Hightower received 951 votes to Brown's 886 (50.4% to 48.6%). Statewide, the margin was

Local Republicans follow state trends

In what was termed "a very good turn out," by Republican County Chairperson Deanne Clark, 102 voted in the Republican Party Primary in Castro County Saturday.

The party showed the greatest solidarity on the vote for the office of governor. Incumbent William P. Clements received 93 votes to his opponent's, Duke Embs, six votes.

The next highest vote-getter was Mrs. Clark as she was returned to the office of county chairperson.

Local County Judge candidate Winston Waggoner received 87 votes. Unopposed in the primary, he will face Democratic candidate Mrs. M. L. (Polly) Simpson Jr. in the November general election.

In the state races, local results corresponded to the statewide results in every instance, except in the referendums. Locals were against pari-mutual horse racing, while statewide, Republicans came out with slightly more than half in favor of it.

In the race for US Senator, Jim Collins came out on top of the local count with 60 votes, Walter H. Mengden Jr. got 36 and Don L. Richardson had three.

Comptroller candidate Mike Richards had 47 votes and Raymond Frank took 32.

Candidates in the contested race for land commissioner were Woodrow Glasscock Jr., who received 55 votes, Andrew Jackson with 24, and Al Gutierrez with four.

All other candidates the Republicans voted on were uncontested.

Other results on the referendums were: in favor of mandatory jail for drunk driving by 81 to 14; in favor of initiative and referendum by a vote of 64 to 30; against a ban on handguns by 77 to 20; and in favor of abolishing Sunday closing laws by a vote of 50 to 44.

JOHNNY RAY WATSON, former basketball star at Lorenzo High School and McMurry College, sings "You Light Up My Life" during the annual Dimmitt High School All-Sports Banquet Friday night. In background, at head table, are Booster Club President Garner Ball and his wife, Ysleta.

On the wall is the "Wheel of Success," with photos of all athletes who won Most Valuable Player awards at the banquet. In addition to singing, Watson delivered an inspirational speech on the rewards of both athletics and Christian faith. See story, Page 11.

State champion

FIRST IN STATE for AAA schools in the literary event of informative speaking is Toby Burleson of Dimmitt High School. He is a senior and the son of Ron and Jan Burleson of Dimmitt. His preliminary subject was "Why does Quebec want to gain independence from Canada?", and in the finals he spoke on "What is the latest military expansion of Israel?" Burleson is wearing the medal he won in the competition in Austin last weekend. Nazareth High School's Denise Acker placed fourth in State for A schools in persuasive speaking.

Rose Acker has great trip to Italy

By MARY EDNA HENDRIX

Rose Acker has had a wonderful trip to Italy. She spent most of her time in Pompeii, her hometown. She went to Houston and met with Mrs. Irene Ellison who made the trip with her. They went to New York City where they stayed a week visiting and sightseeing. They visited Elvira Costantini in Trenton, N.J. and a sister, Christina, and her husband George Grimm. In New York City they drove through Central Park, they ate at China Town, and saw Rockefeller Center, and the Rockettes at Radio Music Hall. They were celebrating their 50th anniversary and they had 50 Golden Years of Showstoppers, repeating short sketches of entertainment all through the years.

Rose Acker's brother, Alfredo Acamforo, met them in Rome, Italy where they saw the things of interest there. The Roman Forum, the Colosseum, St. Peter's Square, and Vatican City. They went to Pompeii where Rose's father lives and he has a restaurant named Zi Caterina. They have a huge picture of Rose's mother (who is deceased) in the restaurant where they place a fresh flower on the picture each day. They have a bicycle trail from Pompeii, Cainano, Coserta, Montesarchio, Breneunto, Avellino, Nola, Sarno, Vietri Sul Mare, Maiori, and back to Pompeii. They went to Naples where they saw museums and the church of San Dominico Maggiore. They saw Fuorigrotta where the Stadium of San Paolo is located. The National Italian football championship games are played there.

In Calabria they went to Maratea where there had been an earthquake while Rose was in Italy. Rose went to the Island of Ischia which is larger than the Isle of Capri. Rose had never seen this island even in the years when she was living in Italy. Ischia is famous for mineral baths and a red mud pack that is placed all over the body to cure skin diseases. This island has mountains, beaches, vineyards, Italian tomatoes, beautiful flowers of all kinds. There are carnations growing wild and the hills are covered in cacti. There are beautiful cities and homes, and beaches.

It took two hours by boat to go to the Isle of Capri. This is where Rose and Herman

spent their honeymoon. The GIs went there to rest during the war. Several American movie stars have beautiful homes on this island.

Rose and her friend, Irene Ellison, arrived back in the United States in time for Easter. They went to Huntsville to visit Jerry and Alice Ellison and family and Arnold and Sharron Acker and family. Alice cooked a delicious meal for the travelers for Easter.

Mrs. Trent Downing has been visiting in Franklin, La., where she attended the wedding of her sister, Mary Laws, and Dr. Randall Horton. Laura was a bridesmaid and Caroline was flower girl. The reception was held at historic Oaklawn Manor ante-bellum home, which was built in 1827.

One day after the wedding, Lana, her mother and her sister, went on an all-day trip up and down the River Road along both banks of the Mississippi to view the historic old plantation homes. They crossed the Sunshine bridge above Morgan City and went up the East bank nearly to Baton Rouge, then down to New Orleans, backtracking and side-tracking to take in Nottoway, Houmas House, San Francisco, Destrahan Manor, Ormond, and several other beautiful old homes, crossing back over on the free ferry at Luling, and returning to Morgan City along Bayou Lafourche to see Rienzi Plantation. Laura returned to school in Lawton, Okla. Kippy Broderson of Shallowater was also a bridesmaid and enjoyed the rehearsal supper and pre-wedding festivities.

Hazel and Ivor Bagwell took a leisurely trip downstate. They reported the wild flowers were beautiful this year including the state flower, the Bluebonnet. The Bagwells went to Kerrville, Corpus Christi, Padre Island, and back to Brownwood, then on to Weatherford where they visited Ivor's sisters Mildred Gallion, and Hattie and Moss Howell. They reported that Rev. and Mrs. Franklin Swanner have moved to McKinney. The Swanners have many friends in Dimmitt.

Cara Higgs, daughter of Joe and Joyce Higgs, has been elected to serve as one of the Dimmitt High School cheerleaders for next year. Other girls elected were: D. D. Bishop, Beth Mohon, Carla Frye, Norma Soler, Isidra Tinente, Mary Ann Herrera, and Noela Salinas.

Mrs. Theresa Green and son Mark, who is 5, have been visiting her brother and his family, Mr. and Mrs. Randy Scroggins, Billy, Kindra, and Kara. Mrs. Green is from Borger and her husband has been in Austin attending a training school for the Borger Sheriff's Department. Mrs. Green and Mrs. Scroggins had been having fun for a week shopping in Plainview, Hereford, and Dimmitt. I met them in Rose

Acker's Craft Shop on North Broadway.

Mr. and Mrs. Jimmy Davis went to Houston for a few days to attend an attorney's convention. Mr. Davis is the County-District Attorney here in Dimmitt.

Jim and Shirley Peggram attended a school function in Austin last weekend. Mr. Peggram is the principal of the Nazareth Schools and Mrs. Peggram is a teacher there in Nazareth.

The girls in one of the high school homemaking classes had a party for their mothers last week. One grandmother, Oleta Gollehon, attended the party in place of her daughter, Ann Murphy, who is Tricia Touchstone's mother. The girls planned the program which included the reading of several poems by Darrell Washington and Freddy Trevino to the group. The members of the class cooked the refreshments of cookies, candy, popcorn balls, punch and coffee. The girls planned games and gave away door prizes. Sponsors of the mother's party were Pat Bagley, homemaking teacher, and Beth Buckley, who was doing her student teaching.

Some of our Dimmitt friends are in Methodist Hospital in Lubbock; Jana Hill, Jean DuLaney, and Suzanne Axe. Suzanne is the wife of Dr. Jim Axe, and the daughter of Ferne Dickey. Suzanne was in a car accident and has a broken leg. Ferne brought her granddaughters,

Lori and Heather, home with her for the weekend. Those out of Methodist Hospital are Beral Hance and Lucille Odom.

The staff from South Hills Manor sponsored a dinner and entertainment last Sunday. A Mexican food plate was served to enough people to buy a lift for the home. Melba Sanders was the master of ceremonies and she announced the winners of the door prizes that were given away. George Hudson, Margaret Parsons, Carolyn Young and Bill Birdwell were among the winners. Paula Powers and Jean Holt, the new administrator at the home, were helping Melba. Others helping were Gloria, Mary Lou, Rachel, Jo, Esther, Carla, Flossie, Charlene, and some whose names I didn't get. Some of the residents from the nursing home came for the entertainment. These were Otho Noland, Bailey Eddleman, Jimmy Miller, Jophene Jackson, Lucilla Pfeiffer, Lila Roberts, Sara Blackwell, and Buelah McMurry. Several groups entertained during the afternoon. Jimmy Reed and David Mixon sang several songs. One was "Rocky Mountain Song." Hershel Wilson from Sunnyside sang several selections including "He Touched Me." Tom, John and Daniel Clymer from Sunnyside sang several numbers. A group from Nazareth, Patty Jones, Bernice Hoelting and Herman Birkenfeld, sang for 30

minutes and two of their songs were "I'll Fly Away" and "Sweet Adoration." Mark Broadstreet played several selections and sang one song. Ruby Broadstreet sang several selections, two that I enjoyed were "One Day At A Time" and "God Is So Good." Charles Whitman accompanied Mrs. Broadstreet on the piano as well as for the trio, Wayne Broadstreet and the Jordan Sisters, Tammy and Cindy. This group sang "In The Garden" and "I'll Fly Away." The Promenaders ended the afternoon of entertainment with square dancing.

Kent and Carol Hance visited Beral Hance in Dimmitt and the Hays' families in Hereford Saturday afternoon and Sunday. Sunday evening Kent flew to Denver where he spoke on Monday. He spent Sunday night with his sister, Linda, and Carol returned to Washington.

...and God bless Mother

This little one is aware of his mother's tender care, and responds with love. It would be wonderful if all of us showed our love for our Mothers all of the time. Even if we have been a little neglectful, we have an opportunity to go all out this Sunday, and express to her our love and appreciation for her goodness to us. The Bible tells us to "Honour thy Father and thy Mother."

On this special Mother's Day attend church and share in celebrating this time with others.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Betty Cartwright entertained the Friday Bridge Club at the Senior Citizens. Genevieve Howe won high score and Johnnie Vannoy won second. Those enjoying the afternoon were Retta Cluck, Josie Bradford, Gladiola Shipley, Cletha George, and Carolyn Copeland.

Deroy and Lorena Cates went to Seymour to visit a friend, Thena Farr. Then they went on to Graham to visit longtime friends, Leo and Jo Fields. Leo was a high school coach here when the Cates' daughter, Darlene Wooten, was a basketball player, and the Fields have many friends here. They have two sons, one of them, Alton, is superintendent of schools at Woodson, and he and his wife Janie have a year old son, Chance. The Fields have another son Larry who is city manager at Graham. Larry and his wife Judy have three little daughters. The Cates had a great time and it is especially pretty country around Graham at this time of year.

Belle McAfee of El Dorado is visiting Mrs. Cleo Forson and the Ernest Mayhew family. She also visited her son J. Lee McAfee and family of Amarillo. She lives near her daughter, Lorene, and her granddaughter-in-law, Susan.

Monday night Irene Carpenter and I went with Walter Maynard to Plainview to the Community Concert, Paul

Schenly, a pianist, was the guest artist. This was the last concert of the season. I visited with some friends from Tulia: Mrs. Bessie White, Mrs. Bea Pyeatt, Mr. and Mrs. Ray Douglas, and Mr. and Mrs. J. C. Adams. I also visited with Rev. Weldon and Jean Butler who live in Plainview. Rev. Butler is a Methodist minister and he is the District Superintendent of this area. Weldon and Jean are longtime friends of my family. Those attending the concert from Dimmitt were: Dr. Charles and Esta Vandiver, Nolan Froehner, Rev. and Mrs. Ed Freeman, Mr. and Mrs. Bobby Jones, Mrs. Dobbins, Mrs. Lois Scott, Mrs. Jo Gregory, Mrs. Polly Bell, Mrs. Carolyn Copeland, and Mim Willis. We also saw Mrs. J. W. Walker from Plainview.

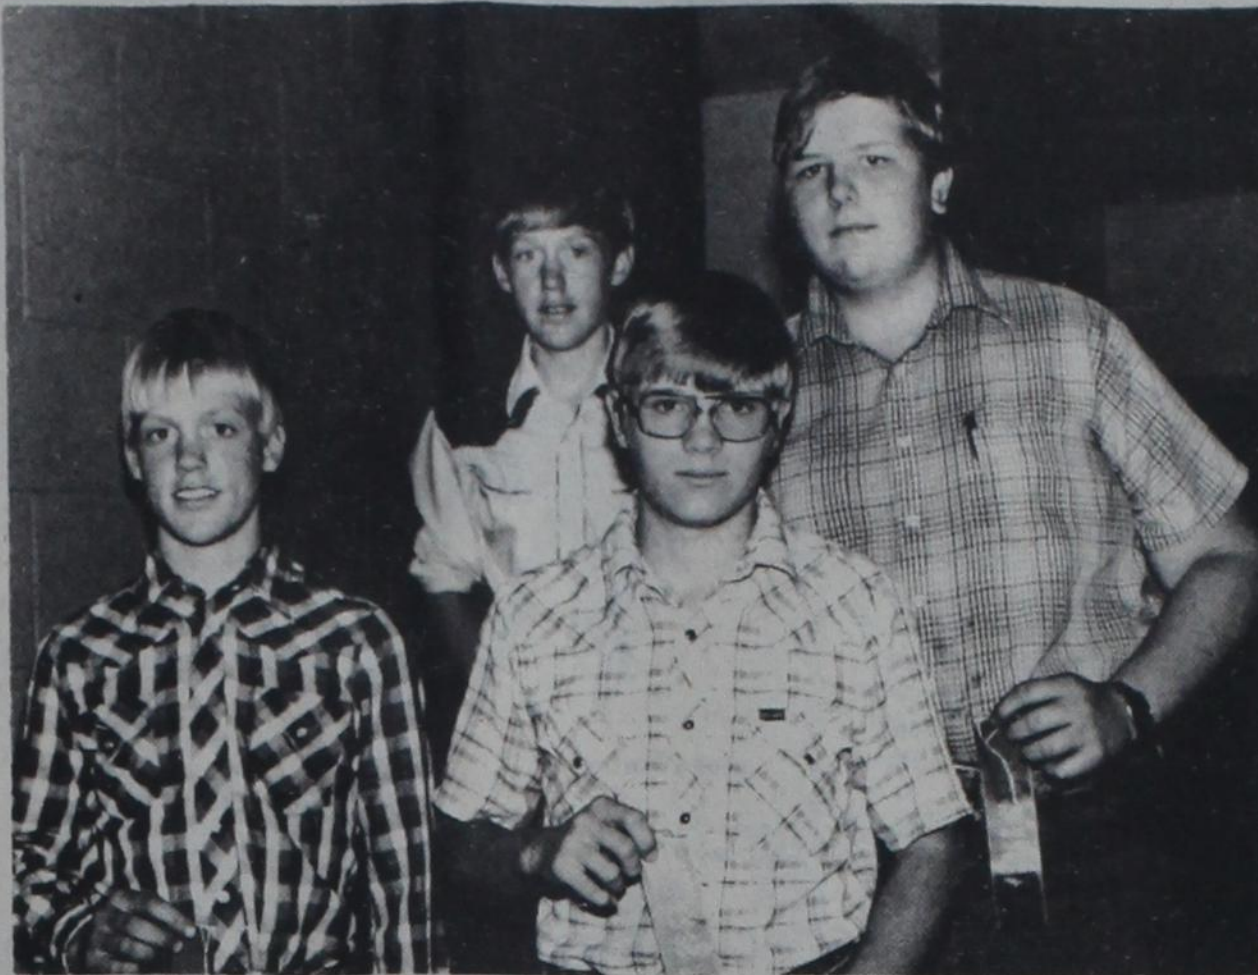

The Sanctuary Choir of the First Baptist Church, under the direction of Joe Higgs, presented "Breakfast at Galilee." Zelta Ellison accompanied the choir at the piano. Walter Maynard, Wes Wellborn, Debra Ball, and Woody Glass had solo parts. The boys who took part in the drama as disciples were: Chad Thompson, Bryan Armstrong, Danny Heard, Bruce Bryant, Jay Nelson, Brett Sheffy, and Kennon Howell. Mike Stanford and Woody Glass were soldiers.

A fellowship was held after the choir special for a surprise celebration honoring Rev. John and Dorothy Street for their 10 years of service in the First Baptist Church. A beautiful decorated cake and homemade ice cream was served.

Speeches were made by Hubert Edwards, chairman of the Deacons and Dr. Strauss Atkinson, Director of Missions, Caprock Plains Baptist Area, Plainview. Some of the gifts were written messages of best wishes, a wall plaque, a photo memory book filled with letters of congratulations from colleagues, a corsage for Dorothy, and a boutonniere for John.

Fat--not all bad?

Fat is not all bad. It contains certain components which are important to human nutrition, says a food and nutrition specialist with the Texas Agricultural Extension Service. Linoleic acid comes from fat and is essential for certain body functions. Meat, dairy and fish products contain some linoleic acid, but vegetable oils are the best sources. A tablespoon of polyunsaturated vegetable oil in salads, margarine or other foods in a normal diet will satisfy an adult's daily requirement for this essential acid.

SENIOR 4-H JUDGING TEAM from Nazareth won first in district competition recently. The team will advance to area competition Saturday, and winners there will go on to state.

Team members are [from left] John Kleman, Mark A. Kleman, Roger Huseman [second highest individual score], and Lonny Huseman.

Locals win honors in district 4-H events

Seventy teams from the South Plains District matched their skills in rifle marksmanship and evaluating livestock, dairy cattle, horses and soils in the district 4-H judging events in Lubbock on Saturday, April 24th.

Castro County captured numerous awards. Representing the county and their events and honors were Roger Huseman, Lonny Huseman, John Kleman and Mark A. Kleman in Senior Judging; and Joel Nelson, Justin Nelson, Chad Davis and Chad Hill in Junior Horse Judging.

The senior dairy team won first in the District. They will represent District 2 at Roundup in June. Roger Huseman was second-high individual in this contest. The junior horse team placed second next to Gaines County.

More than 260 youths, leaders and spectators were on hand for the annual event, with ribbons and trophies going to the top competitors in junior and senior divisions. District competition for 4-H'ers aspiring to Texas 4-H Roundup began with the annual 4-H Food Show which was held in Lubbock last December.

4-H members competed in Range and Pasture Grass Identification and Range Evaluation last Thursday in a tri-district meet in Floyd County. The final round of contests for 4-H members from the 20-county South Plains area will be Saturday. To qualify for state competition, a team or individual must have a first or second place win in the senior division which is for ages 14 and older.

Nursing Home Week to begin on Sunday

Residents in more than 1,000 nursing homes across Texas will be honored during a special week to begin Mother's Day on Sunday.

During this week, which Gov. Clements has designated as "Texas Nursing Home Week and Second Annual Life Festival," nursing homes will be holding Open House, and many will feature Life Festival celebrations.

The local nursing home is, South Hills Manor, located in West Dimmitt.

Sidney D. Rich, President of the Texas Nursing Home Association, said, "Nursing

Home Week affords an opportunity for community members to remember and salute . . . senior citizens by visiting them during their special week . . . and hopefully, all during the year."

Rich went on to say that while doing so, "Community members may be surprised to find that the facilities of today are quite nice places where steadily increasing numbers of our population are receiving concerned, professional care in safe, comfortable surroundings."

Nursing homes are filling an important role in the health-care delivery system. In Texas there are several thousand more nursing home beds than hospital beds, emphasizing the growing importance of long-term care in a society with lengthening life expectancy.

Clements encouraged "all who can to visit nursing homes in their communities and join in the observance of Nursing Home Week and the celebration of the Second Annual Life Festival."

New form will save millions in paperwork

State Comptroller Bob Bullock's office won second place in a national forms design competition conducted by the Business Forms Management Association (BFMA).

The award-winning form replaces two that had been required to register a motor vehicle and pay the sales tax.

"I said when I took office that we would whittle away at red tape and paperwork and this new form replaces four million pieces of paper that won't be needed next year," Bullock said.

"And that isn't all," said Bullock. "The savings to the taxpayer in printing costs alone is about \$72,000 each year. That's a pretty good pile of whittlings."

The new form was developed by the Comptroller's Publications and Motor Vehicle Tax divisions working with the Texas Department of Highways and Public Transportation. Texans who buy cars and trucks will now fill out the simple one-page form to satisfy both the Comptroller's sales tax requirements and the highway department's application for title.

This year's award was presented at the association's annual meeting Wednesday in Portland, Ore.

Church to have special study

John Fortner, Associate Professor of Bible at Lubbock Christian College, will be teaching a special study of I Peter this Saturday at the Fourth and Bedford Church of Christ.

This study is another in a series of day-long Saturday Bible Studies. It will begin at 9:30 a.m. and conclude at 3:30 p.m., with an hour break at noon for lunch. In addition, there will be coffee breaks during the morning and afternoon sessions.

The public is invited to attend this special study. Babysitters will be provided for those with small children.

Farmers can call D.C. to 'speak out' Tuesday

Policymakers in our nation's capital will hear the facts about conditions in agriculture directly from farmers who telephone them Tuesday in a Farmers Speak Out program.

Organized through the Agriculture Council of America (ACA) with a grant from Farmland Industries, Inc., farmers, ranchers, farm business operators and anyone else will have the opportunity to call lawmakers and other officials in Washington, D.C., on toll-free telephone lines.

Bill Clark, general manager of Dimmitt Agri Industries of Dimmitt indicated that fifty lines will be available from 9 a.m. to 9 p.m.

"Anyone wanting to express his opinion on agricultural issues can call 1-800-368-5769," Clark said.

The purpose of the Farmers Speak Out program is "to dramatize to the Washington audience the depth of farmers' and ranchers' difficulties — and, as importantly, to try to stimulate a broader discussion of feasible remedies. It is not an attack on the administration or anyone else," Clark added.

"It is an attempt to find

solutions acceptable to a majority of the interests represented in our government, by discussing these too-long-ignored problems with officials of all backgrounds — rural, suburban or urban," he pointed out.

The telephone lines will be set up in a room in the Cannon House Office Building where members of Congress, their aides, officials of the U.S. Department of Agriculture, officials of other Executive Branch departments and representatives of independent agencies with economic responsibilities will take the calls.

The Farmers Speak Out

program will be a two-stage blitz. In addition to the telephone calls, there will be a written survey of farm opinion. This survey will measure the seriousness of conditions on U.S. farms and will ask farmers their views on actions they feel can be taken to improve the farm economy.

"Farmers wanting to fill out a survey can stop by the cooperative and pick up a copy," Clark said.

"YOU never lose if you learn from losing," said Charley E. Hill, County Executive Director with Castro County ASCS office.

Books by mail are available

Catalogs for a tax-supported books-by-mail service are available at the Rhoads Memorial Library of Dimmitt.

Books-by-mail service is again being offered to all twenty-five counties of the Texas Panhandle. The popular service was discontinued two years ago due to decreasing federal funding. It is being made possible at this time because of an increase in state funding for libraries appropriated last year.

The program is provided by the Texas Panhandle Library System and is intended as a supplement to regular library service for people unable to use a library on a regular basis, due to illness, lack of transportation or distance to the library. People who are geographically isolated, homebound or otherwise unable to visit their libraries regularly will be served by mail during the next year.

The service is provided without charge to the user. Books are sent to individuals from the Texas Panhandle Library System office in Amarillo and return postage for the books is included.

Five hundred paperback book titles are listed in the Mail-a-Book catalog. The choice of books include mysteries, romances, adventure stories, westerns, how-to books and recent best sellers, as well as a variety of books for children and youth.

The catalogs are available now at the Rhoads Memorial Library. Persons interested in receiving books-by-mail service need to contact the library and ask the librarian if they are eligible to receive a catalog.

View from the library

By BRICK AUTRY

If you are looking for a good literary piece today you'll have to thumb through last month's "New Yorker" magazine.

Today "View From the Library" will fill an odd request for the odd folks out there who wanted to see Muscogean Indian languages.

The request was to show the difference between Creek and Choctaw by writing something in both languages. Creek and Choctaw Indian languages are both Muscogean tongues and supposedly related to one another.

O.K. So today you'll get the Lord's Prayer in Choctaw and in Creek. Of the two, Choctaw is easier to learn and to pronounce. For all the extremely odd readers of Muscogean tongues there will be a short pronunciation guide for those who want to read out loud.

Lord's Prayer in Muscogean Creek Indian Language:

"V" is pronounced "ah," "R" is pronounced as "thle," all others same as English.

Did you not vote?

To: Castro County Voters

First, I wish to express my appreciation and thanks to the approximately 2,000 of you who exercised your voting privilege by going to the polls Saturday.

What I wish to know is: where were the other 2,500 of you? You could not all have been sick. And what about another 1,000 or so who were eligible to register and did not?

Voter apathy, both locally and nationally, is disturbing to me. My only regret is that some 2,500 of you saw fit to forfeit your "bitching" rights.

My grandfather urged us to vote in all elections, admonishing that if we did not, there was the possibility that at some future time we would be denied this right. Only a few short weeks ago on television, thousands of Polish voters were shown standing in long lines, from 12 to 17 hours — and at the risk of being shot! Here in our great country, where it costs nothing but a few moments of our time, nothing is what we do! If the shoe fits, wear it! And at your next opportunity, do something!

An air conditioner can improve the performance of your furnace.

An air conditioner?

A very special air conditioner called the add-on heat pump. It cools in summer and heats in winter. And it works with whatever kind of furnace you have.

The add-on heat pump will improve the performance of your furnace by keeping it off completely during a good portion of the winter. The add-on heat pump can satisfy your home's heating requirements more economically when temperatures are above 30° or so. That's about 80% of our area's normal heating season.

Then, when summer comes, the heat pump becomes a cool pump, efficiently air conditioning the home. So, when you're in the market for air conditioning, look into the add-on heat pump.

Call us to see what your savings could be.

Citizens squawk about chickens in Dimmitt

After receiving several complaints about chickens and livestock inside the city limits, police officers did some checking. They found several people in violation of the city ordinance.

Letters have been sent to those people asking their cooperation in removing the fowl or animals. If residents willingly abide by the ordinance, no further action will be necessary from the city police.

However, if nothing is done about the situations, officers will file charges, Police Chief

Ron Mitchell said. The people will then be forced to move the animals or birds from inside the city, he added.

According to the city ordinance, as many as 10 animals or fowl are allowed if they are kept at least 50 feet from any building with dining, sleeping and living areas and at least 100 feet from any adjoining property.

No swine are ever allowed within the city limits, and no animals are ever allowed for breeding or commercial purposes, the ordinance states.

Police calls

Local officers made six arrests for driving while intoxicated, one for driving under the influence of drugs and two for hunting without a license.

They also dealt with several cases of theft, mischief and vandalism.

Jo Gregory reported that her garden hose was cut and her sprinkler was stolen sometime on April 27 when she was out of town. It was valued at \$65.

Charlene Lopez missed a bicycle on April 28 when she got home from work. The bike, worth about \$100, had previously been left on the back porch of her residence.

Officers referred a juvenile to the local juvenile officer last week after he was arrested for shoplifting a pair of sunglasses worth \$8 from Allsup's.

Lucy Lopez called the police last Thursday about theft and vandalism at Blue and White Laundry. Someone had broken into the gum vending machine, which was turned over on the floor and contents were strewn about, and had bent the coin slide on a washing machine. Damages totaled about \$25. An unknown amount of change was

taken from the gum machine. A west window of the Fourth and Bedford Church of Christ was shattered sometime last week. It appeared to have been shot with a BB gun, officers said.

Officers were called Saturday in reference to a dog shooting incidence. Apparently, someone shot the dog while it was tied to the residence of its owner.

A man was stopped for speeding last week, and officers learned that the man had a county "capias pro" fine. He was transported to the courthouse and turned over to the sheriff.

Hill and Schilling to be honored again

Awards will be presented for Outstanding Conservation District, Resident Conservation Farmer-Rancher, Absentee Conservation Farmer-Rancher, Business-Professional Man or Woman, Conservation Teacher, Wildlife Conservationist, Public Media Award and Conservation Homemaker.

The purpose of the awards program is to recognize and honor a district and individuals who have dedicated their efforts and talents to making wise use of renewable natural resources.

Tim Sims and Scott Hill of Dimmitt placed fourth in junior high boys' doubles in the District 2-AAA junior high and freshman tennis tournament here Saturday.

They were the only Dimmitt players to place in the five-school tournament.

Hill and Sims defeated Jones and Simmons of Littlefield, 7-6, 4-6, 6-4 in the first round, then lost to the eventual tourney champions, Muleshoe's Embry and Triana, by 6-1, 6-2. In the third-place game, they lost to Vaughn and Vaughn of Littlefield, 6-1, 6-3.

Winning championships were Monty Horn of Muleshoe, junior high boys' singles; Barnett of Friona, freshman boys' singles; Maynard of Friona, freshman girls' singles; Nieman and Holmes of Muleshoe, junior high girls' doubles; Horn of Muleshoe, junior high boys' singles; and Embry and Triana of Muleshoe, junior high boys' doubles. In junior high girls' singles, Smith and Grant of Muleshoe advanced to the championship match and decided to play it off at home.

COMPETING AT REGIONAL—The Dimmitt High School boys' doubles team of Gabriel Montiel (left) and Joe Saucedo is competing this week in the Region I-AAA Boys' Tennis Tournament at Lubbock, backed by their coach, Alan Steinle. The boys finished second in the recent District 3-AAA tourney behind Friona's Massey and Edelman. DHS's best finish in boys' singles was posted by Brett Sheffy, who finished fourth.

May 15 is last day to certify

Saturday, May 15, is the final certification date for wheat, barley and oat acreages.

Farmers need to be accurate in their acreage report with irrigated and dryland separately, said Charley E. Hill, County Executive Director with Castro County ASCS office.

"The 1982 Tolerance Rules are stricter than in past years," he said, adding, "Acreage reports in error by the larger of one-half acre or five percent of the reported

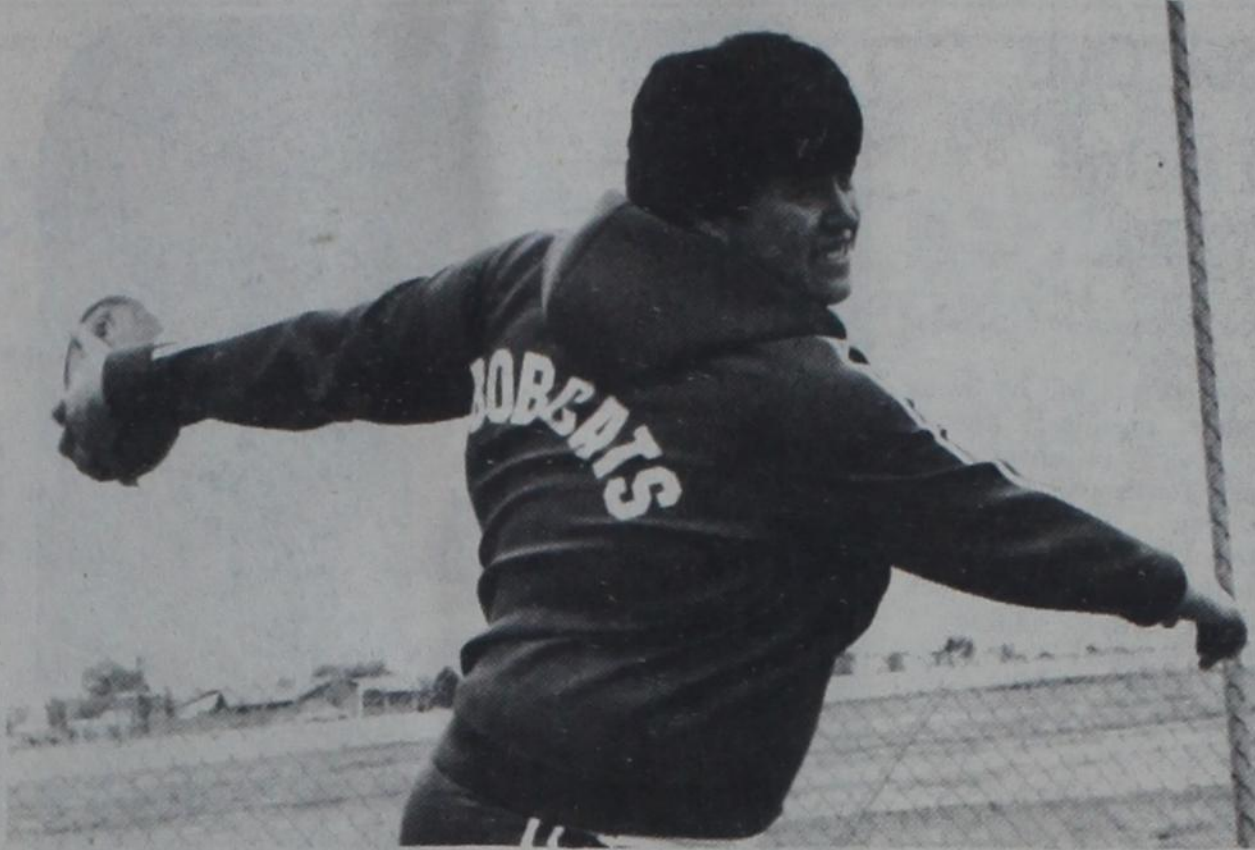

acreage will fail to fully comply and could cause you to lose some, if not all, program benefits."

Producers with doubts about measurements or who would like some help, may go to the ASCS office.

Requests are being accepted at the office now for measurement services of small grains by the Aerial Observation Method at \$9 for the first plot and \$3 for each additional plot, with a minimum fee of \$15 per farm.

PHIL KING, Dimmitt High School senior, will compete in the 400-meter dash at the Region I-AAA Track and Field Meet at Lubbock Friday and Saturday. He placed second in district in the event, and won the school's MVP award in track.

Banquet honors DHS athletes

The Dimmitt Athletic Booster Club paid tribute to the high school's athletes and coaches at the annual All-Sports Banquet Friday night at the County Expo Building.

Johnny Ray Watson, former basketball star at Lorenzo High School and McMurry College, delivered an inspirational speech-and-song program stressing the values of faith and athletics.

Most Valuable Player awards were presented in all sports. MVP winners were Mario Moreno in football, Becky Ortiz and Amy Ross in girls' tennis, Gabriel Montiel and Joe Saucedo in boys' tennis, Phil King in both boys' basketball and boys' track, Sonya Andrews in girls' basketball, Beth Benton in girls' track, Toby Burleson in boys' golf, and Jane Hicks in girls' golf.

In most cases, the MVP winners were chosen by their teammates. In some of the individual sports, the awards went to those who had advanced the farthest.

Coaches also presented Fighting Heart Awards in several sports. They went to Kyle Weatherford in boys' basketball, Teresa Maxey in girls' track, Teresa Brown in girls' basketball, Troy Ellison in boys' track, and Tim Wales in football.

Head Football Coach Mike Major also presented Outstanding Offensive Lineman award certificates to Todd Hatla, Kent Kirby and Ramiro Esquivel, the Outstanding Offensive Back award to Mark

Bruegel, the Outstanding Defensive Back award to Mark Bruegel, the Outstanding Defensive Lineman award to Shan Powell, and the Outstanding Defensive Back honor to Ricky Gonzales.

Laurie Sides was crowned by the football captains as the 1981-82 Football Queen, and the boys' basketball captains

crowned Sonya Andrews as the Basketball Queen.

Boys' Basketball Coach Ken Cleveland presented all-state certificates to three members of his state championship team — Kevin Cleveland, Jeff Watts and Phil King. He noted that Cleveland had set new single-season and career scoring records this year with 912 points during the season and 1,860 points in three years as a varsity player. Also, he announced, Watts had set a new individual rebounding record this season. Both players are juniors.

The banquet took a natural turn into a celebration of the Bobcats' state championship. "It's something I won't ever forget, and... I know Phil King (who scored the winning basket in the state championship game) won't ever forget, or his mother and daddy," Cleveland commented.

Master of Ceremonies Ronnie Parker characterized Cleveland as "the best high school basketball coach in Texas... a super coach, a super gentleman," and the large banquet crowd gave the coach a standing ovation.

Continuing the tributes to the state champions, Jon Mark Beilue of the Amarillo Globe-News sports staff presented the school with a plaque that was a scaled-down engraving of the newspaper's March 14 main sports page, headlining Dimmitt's championship.

And during his portion of the program, Watson described the widespread basketball reputation of the Dimmitt Bobcats and dedicated the song, "You Light Up My Life," to the state champs. Athletes were introduced individually by their coaches: Mike Major, football; Ken Cleveland, boys' basketball and boys' and girls' golf; Jimmy Hoyle, girls' basket-

ball; Lyman Schroeder, girls' track; George Rasor, boys' track; and Alan Steinle, girls' and boys' tennis.

Theme of the banquet was "Wheels of Success." A wheel decoration behind the head table contained a spoke for each sport, with photos of the Most Valuable Player in each sport rimming the wheel.

Babe Ruth team wins

The Dimmitt Senior Babe Ruth baseball team played the Friona team Sunday at Friona, defeating them by a score of 9-5.

Brian Armstrong hit a two-run homer and Shan Powell made two hits, scoring three runs.

The winning pitcher was Zeke Garcia, who went the distance, allowing only three hits, although walking nine. He struck out five.

MRS. KEITH BARLOW
She's the former Margie Wilhelm.

Wilhelm and Barlow marry on May Day

In an afternoon, single-ring ceremony Saturday in the Holy Family Catholic Church of Nazareth, Margie Wilhelm and Keith Barlow were united in marriage with Rev. John Dalton officiating.

The bride is the daughter of Mr. and Mrs. Jerry H. Wilhelm of Nazareth, and the groom is the son of Mr. and Mrs. Leonard Barlow of Perryton.

Given in marriage by her father, the bride wore an ivory, formal-length satin dress with a fitted bodice. Embroidered flowers accented the sweetheart neckline. Sleeves were puffed at the shoulders and tapered to the wrist. The hem of the skirt swept into a circular, chapel-length train.

Her hat was swathed in veiling around the brim, and veiling cascaded from underneath the brim in the back to a fingertip-length. She wore her mother's four-strand pearl necklace and carried a bouquet of peach and ivory tiger lilies and apple blossoms.

She was attended by matron of honor Christine Acker of Nazareth, sister of the bride; bridesmaid Kathy Porter of Amarillo; bridesmaid Brenda Barlow of Amarillo, sister-in-law of the groom; and junior bridesmaid Shea Barlow of Perryton, niece of the groom.

Their dresses had peach-colored underskirts overlaid with ivory chiffon mist fashioned into a handkerchief hem. The bodice featured a high rounded neckline, and the long sleeves were

tapered. Each attendant carried long stemmed peach and ivory flowers.

Lee Barlow of Amarillo, the groom's brother, served as best man. Groomsmen were Harold Wilhelm of Amarillo, the bride's brother, and Steve Trew, also of Amarillo.

Pam Lawson and Sue Rossi, both of Amarillo, served as candlelighters, and Brent Wilhelm of Nazareth, brother of the bride, was the ring bearer. Ushers were Frank Wilhelm and Kevin Acker, both of Nazareth.

Music was provided by soloist Joy Barlow of Amarillo, who also played the guitar; soloist Jean Schulte, flutist Liz Wilhelm and organist Mary Lynn Olvera, all of Nazareth.

Candelabra with peach and ivory candles entwined with greenery and trimmed with bows of ribbon decorated the church.

A reception and dance were held at the community hall following the ceremony.

Leaving for the wedding trip to Taos, N.M., the bride was dressed in an ivory linen skirt and blazer set with an ivory print blouse. After the trip, the couple will be at home in Midland.

The bride is a 1977 graduate of Nazareth High School and a graduate with an associate's degree in retailing and merchandising from West Texas State University.

The groom graduated from Perryton High School, has a bachelors degree from West Texas State University and a masters degree from Texas A&M. He is presently employed as branch manager for Doane-Western, Inc. in Midland.

Rotary considers circus a success

Thirty-three Rotarians, Rotary Anns and guests had lunch at the Senior Citizens Center on Friday and learned that the organization earned \$1,355 from ticket sales to the recent circus.

Doug Pybus reported that Rotarians sold 990 advance tickets and that the circus sold 1,060 tickets at the gate. Everyone did his part for the success of the circus and the community seemed to enjoy it, Pybus said.

The circus crew bagged their trash after the performances, as agreed. Apparently, someone opened the bags to rummage through them and scattered trash around the vacant lot, Pybus said, adding that Mayor R.L. Fleming received calls from irate citizens about the mess. The city cleaned up the debris on Monday.

The club voted to donate \$200 to the Theo Dodson Medical Assistance Fund at the First State Bank of Dimmitt.

As a fund-raising project, the Rotarians decided to take over the concession stand at the Howell Baseball Park. Games will begin mid-May and will last through June.

Jay Reeves with Interact Club reported that members had planned a party to have been held Monday. They were to elect officers and a sweetheart for 1982-83. He added that the club may donate money to the American Field Service exchange student program and leave between \$200 and \$300 in the Interact Club account for next year.

The Rotary board will meet today (Thursday) at 7 a.m. in the George Real Estate office.

Correction

In the Police Calls report in last week's edition, the News reported that Monty Glen Patterson was issued tickets for following too closely and for having no proof of liability insurance after his 1974 Dodge Club Cab struck the rear end of a Ford Fairlane driven by Gwen Lucille Sears. However, it was Mrs. Sears, and not Patterson, who was issued the ticket for having no proof of liability insurance.

Church's 75th year to be celebrated

The 75th anniversary of First Baptist Church of Hart will be celebrated Sunday with an all-day program and luncheon.

Activities will begin at 9:45 a.m. with Sunday School. Dr. Theodore Boushey of Winston-Salem, N.C., will deliver the morning message at 11. He was the church pastor from August, 1949, until May, 1950, and was a professor at Wayland Baptist College.

Other former pastors on the morning program will be Rev. E. J. Keith of Daingerfield and Rev. G. C. Applewhite of Lockney. Rev. Keith served as pastor from 1950 to 1954 and Rev. Applewhite from 1942 to 1949.

Special music is planned by Mr. and Mrs. Preston Upshaw and Weldon Davis. A trumpet duet by Jerry Jansa and Glen Snitker accompanied by the church choir will close out the morning service.

The luncheon will be held in the school cafeteria at 12:30 p.m.

Those attending will return to the church at 2:30 p.m. with special music to open the service. Dub Holley of Midland will direct congregational singing and will accompany his wife, Nova, for special selections. Other music will be provided by a men's quartet composed of Preston and Freddy Upshaw, Weldon and Lesley Davis; the youth choir led by Doyle Lowrey; Mrs. Mark Bennett; Mrs. Kim Dyer of Lubbock; Marlos May of Dimmitt; Doug Martin of Plainview; and the Sharp

family of Colorado.

Rev. C. T. Cunningham of Alliance, Neb. will present the afternoon message, and Rev. Don Blackman of O'Donnell will give the scripture and moments of reflection. Rev. Cunningham was pastor from 1967 to 1972 and Rev. Blackman from 1978 to 1980.

Jerry Kittrell, chairman of the deacons, will give recognitions including former members who have become preachers, missionaries or who hold other church-related jobs.

The church was organized by seven people on May 5, 1907 at the Killough School. It was called the Missionary Baptist Church of Christ. Elder E. D. Morgan was the first preacher, J. M. Hacker was the first deacon, and J. M. Scott was the first church clerk.

The congregation bought its first building in 1943 from the Union Hill Church. It was remodeled and ready for occupancy in 1945. A parsonage was completed in 1949. A new parsonage was built in 1965 and the church added an educational building in 1962. The sanctuary underwent extensive remodeling in 1974.

The church has a Spanish mission and a mission for the black congregation of the

community. It has a total resident and non-resident membership of 482, with eight active and three inactive deacons. Rev. Jack Lee is church pastor.

Fire calls

For the month of April, there were only six fire calls for Dimmitt's Volunteer Fire Dept. Two of them were cotton related, and two were grass fires.

There were also an auto fire and one utility fire.

Three of the fires were in the city limits of Dimmitt and three were out in the county.

The department also had one community service call when the circus was here.

Labor room helper-- more harm than help?

Dear Editor,
This letter is about the Labor Room Helper -- a fetal heart monitor for use on women in labor to record the baby's heartbeat.

Since use of this machine has been accepted so easily and readily by hospitals, doctors, and nurses, I feel the consumer should be aware of certain facts before deciding to use this "labor room helper."

The American Foundation for Maternal and Child Health, a non-profit research organization, recently released a report by Dr. Albert Haverkamp. Dr. Haverkamp, of the University of Colorado Medical School and an expert on fetal monitors, stated "the use of electronic fetal monitoring has not been shown to improve infant outcome except among high risk premature infants. The use of fetal monitors for low-risk

mothers has been shown to increase dramatically the incidence of Caesarean section due to fetal distress or the failure of labor to progress normally."

The FDA has questioned the safety of ultrasound, used by fetal heart monitors. Research has shown ultrasound adversely affected the fetuses of laboratory mammals. Although the companies that sell the machines state that ultrasound is safe, the consumers should remember that X-ray machines were also once said to be absolutely safe -- we know now that they cause cancer.

The consumer should know that the internal fetal heart monitor is attached to the unborn baby's scalp with a tip similar to a small fish hook or screw. This hook or screw has in some cases been inserted into the baby's eye, scrotum, or other body parts, causing damage.

Parents of unborn children should consider both the possible benefits and adverse effects of fetal monitors before readily accepting this technology.
