THE RANGER DAILY TIMES is the oldest daily newspaper in Eastland county, the first edition appearing on June 1, 1919. World news is furnished the readers through United Press daily wire service.

80th YEAR

RANGER, TEXAS, WEDNESDAY, NOVEMBER 10, 1948

PRICE FIVE CENTS No. 138

## Israeli Forces Open New Palestine Assault

Well...  
I Dunno,  
But...

November 11, 1918 marked the signing of the Armistice between the Allies and Central Powers that ended the war that was fought as the "War-To-End-All-Wars."

Oddly enough in checking up on some data the other day we were confronted with the fact that not one single year since the signing of that Armistice has the world been free of war. Constantly from 1918 through the present year there has been some kind of war raging in the world, and a good many of them of major proportions. Funny, isn't it?

Noticed, too, that historians are following predictions and are treating the second World War as mere continuation of the first one. Another little Hundred Years of War in the making? God grant not.

The events that have followed that first Armistice Day have held bitter disappointments for the world, to say nothing of the men who fought that war. But we should forget the bitterness, weighing the facts with more wisdom for the experience.

And if we're any judge of the situation, we're dilly-dallying around with Russia right now just like we did with others after the other war. And that doesn't look very much as if we'd learned a lesson. Russia is repeating the pattern that Italy and Germany followed after World War I.

The only thing that can change that pattern is the U. S., Britain and France to change their minds and that doesn't mean appeasement.

Armistice Day, November 11, 1918—exactly 30 years ago Thursday.

Mrs. H. C. Henderson has such big plans for the improvement of the grounds at the Community Clubhouse and Library, that they have far outgrown the mere garden size hoe and rake. Yes sir, it takes more than that for those plans and Monday she had a bulldozer and a score of workers out there shaping up things for all of those roses, shrubs and bulbs that she's gathering in from all over.

No sir, nobody's gonna get ahead of the hounds with Mrs. Henderson. Good goin', Mam!

Again we hear of a success story of a graduate of Ranger Junior College.

Mary Jane Gentry of Thurber who graduated with the RJC class of '32 and who went on to the University of Texas to complete work toward her degree, is now teaching in Wales, England as one of the exchange teachers under the British School Exchange plan.

Prior to going to England, Miss Gentry taught in the San Angelo schools and during her college days in Ranger, made her home with Mrs. Lee Mitchell.

We hear that the Joe Harnesses will have plenty of spuds for the holiday dinner table this season.

The reason, Brother Lee Harness and family here from Silt, Colorado, brought along four 100 pound sacks of Irish potatoes, the average size of the potatoes being about four pounds.

But the huge Irish potatoes didn't dwarf the carrots that he brought along, too. One brought to the Times office measured seven inches long and three inches in diameter.

Harness says that his harvest this year was fine.

French Deal Blow

PARIS, Nov. 10, (UP)—The French government struck another heavy blow today at the already fast-crumbling Communist coal strike front.

Secretary of Interior Jules Moch warned the holdout remnants of an original 350,000 strikers that men who do not return to work by Friday will forfeit their government-paid family allowances for all of November. To many miners with families this would mean a loss equal to a full month's pay.

### Frost Covers Wide Texas Area

BY UNITED PRESS

The frost was on the pumpkin in a wide area of Texas today while fair skies and cool temperatures were reported from the entire state.

The mercury dipped into the sub-freezing zone throughout West Texas for the second night during the season's first real cold snap.

Salt flat recorded the lowest reading of 20 degrees, while the warmest temperature was a chilly 43 at Brownsville.

Marfa reported 23, Wink 24 and El Paso 25 degrees. Clarendon also had 25, Amarillo 26 and Childress 27.

Frost was reported as far east as Dallas, where the overnight minimum was 33 degrees, one degree above freezing.

No rain or consequence occurred in Texas during the last 24 hours, and the outlook was for continued fair and cool weather today and tonight.

With the sun shining in virtually every part of the state, the mercury was expected to climb considerably today, but sub-freezing temperatures were expected in many areas again tonight.

The forecast for East Texas called for fair skies this afternoon and tonight, with cooler temperatures, this afternoon and slightly warmer weather in the northwest portion tonight.

Scattered frost was expected tonight, with the lowest temperatures ranging from 32 to 34 degrees in the north and central portions. Readings of 34 to 36 degrees were seen for the remainder of the area except the coastal section, where the mercury was expected to hover near 40. Fair and warmer weather was expected Thursday.

Fair skies were seen for West Texas this afternoon, tonight and Thursday, with rising temperatures, except for partly cloudy and slightly cooler weather in the Panhandle Thursday afternoon.

VFW Honor Guard To Meet Fri. At 11

Dan Butler, commander of the Ralph McKinley Post of the Veterans of Foreign Wars, has asked that all VFW members be at the VFW headquarters Friday morning at 11 o'clock and in uniform.

The veterans will go in a guard of honor to meet the West bound Eagle which arrives here at 11:26 and on which the body of Sgt. Harvey L. Fonville will arrive.

Sgt. Fonville, son of Mr. and Mrs. J. H. Fonville, was killed in action in World War II in Germany.

Funeral services will be conducted Sunday afternoon at 2:30 o'clock at the First Baptist Church in Ranger.

NO PAPER THURSDAY

The staff of the Ranger Daily Times will be given a holiday Thursday, Nov. 11, Armistice Day, and there will be no edition of the Times Thursday.

Publication of the paper will be resumed as usual Friday.

GERMAN TRUSTS ORDERED BROKEN INTO COMPANIES

FRANKFURT, Nov. 10 (UP)—Western Germany's iron, coal and steel trusts were ordered broken up into separate companies and returned to German hands today by the U. S. and British military governments.

The vast Frederick Krupp munitions combine also was ordered dissolved.

The military governments said they will appoint German trustees for the new iron, coal and steel companies after consulting appropriate German bodies.

"The trustees will exercise all functions or ownership except that they shall not distribute earnings and shall not be entitled to dispose of the shares or capital assets of their companies without approval of the military government," the Anglo-American announcement said.

The question of eventual ownership was left open. Britain's labor government has been pressing for

nationalization of the industries.

But the announcement said the final decision must be made by "a representative freely-elected government, either for Germany as a whole or for Western Germany as a whole... without limitations of military government policy already expressed."

The announcement flatly barred any future ownership involving "excessive concentration of economic powers." It also said those who permitted and encouraged the aggressive designs of the Nazi party would not be permitted to own or control the industries.

Altogether, 26 companies, including the Krupp industrial empire, were declared "excessive concentrations of economic power" and otherwise objectionable. They were ordered liquidated forthwith.

New laws will be put into effect "in the near future," the announcement said, providing for the transfer of the iron, coal and steel industries into German trusteeships.

### Fire Fighters

Marines from the El Toro airbase near Orange, Calif., shovels over their shoulders, advance in single file to battle the flaming brush-covered mountains that threaten the airbase and home in the Silverdale, Modjeska and Trabucco canyons. More than 750 persons have been forced to flee from the rapidly spreading fire. — (NEA Telephoto)

### TRUMAN-STALIN MEETING DENIED BY SPOKESMAN

KEY WEST, Fla., Nov. 10, (UP)—A White House spokesman has discounted published reports that President Truman and Premier Josef Stalin are planning a meeting before Congress convenes in January.

"There is no such plan in mind," said Eben Ayers, a White House press secretary who is with Mr. Truman on his vacation here.

The report of a Truman-Stalin meeting was published in the Washington Times-Herald and broadcast without comment last night by the Russian news agency Tass. Observers Romano, the Vatican city newspaper, also took note of the report, expressing hope that the two leaders might get together soon to discuss U.S. Russian differences.

Mr. Truman has said on many occasions that he would be glad to see Stalin at any time if the Soviet premier comes to Washington.

President Truman's reunion with vice-President-elect Alben W. Barkley sparked new speculation today that big decisions about the government are in the making.

The only official news from the southern White House was that Mr. Truman and Barkley were enjoying a vacation in the warm Florida sun. But it was inevitable that much of their time here would be devoted to discussion of administration policy and changes in the cabinet.

About the only missing members of the Democratic high command were Rep. Sam Rayburn of Texas, who will be speaker of the House when the Democrats assume control of Congress in January, and Chairman J. Howard McGrath of the Democratic National Committee. McGrath is due in today and Rayburn soon thereafter.

Storm To Pass By Cape Hatteras

WILMINGTON, N. C., Nov. 10 (UP)—A small, late season tropical hurricane is expected to pass near Cape Hatteras this afternoon the weather bureau said in a bulletin issued at 9:15 A.M. EST.

The disturbance, with winds of about 75 miles an hour, was located 120 miles southeast of Wilmington at that time. It was moving northward at about 26 miles an hour.

Storm warnings were hoisted from the Virginia Capes to the Wilmington area, and small craft along the North Carolina and Virginia coast were warned to keep in port until the storm passes.

Weather reports said gale winds extended 100 miles from the center to the north and east, but only a short distance to the south and west.

The storm was expected to pass close to the North Carolina coast late today or tonight.

16 Apartments Needed At Once

R. V. Galloway stated today that an appeal has been made to the Chamber of Commerce to help locate apartments for employees of an exploration company coming to Ranger.

The Independent Exploration Company is moving to Ranger this week-end and 16 apartments are needed at once to accommodate the personnel.

Galloway asked that anyone with apartments to rent to please contact the Chamber of Commerce, Phone 31, immediately and list such apartments.

Rev. Dunson To Speak On World Council Meeting

The first assembly of the World Council of Churches held at Amsterdam, Holland, this summer will be the subject on which Rev. Wallace N. Dunson of Hamilton, formerly of Ranger, will speak at 8 o'clock Wednesday night at the First Methodist Church in Ranger.

Rev. Dunson, former pastor of the Ranger church, was a representative of the Central Texas Conference of the Methodist Church at the World Council.

Proceeding the talk, there will be an organ prelude by Miss Mildred Balch and a violin solo by Miss Margaret Meacham.

The program will be preceded by a covered dish supper in the church for the entire membership and will be held at 7 o'clock.

The program Wednesday night will conclude the study "World Evangelism" which has been made by the Women's Society of Christian Service of the Church. Mrs. Stanley McAnally has been leader for the study.

Car For Safety Driving Course Now In Use

Anderson-Frost Chevrolet Company announced today that the Chevrolet car which the company has been equipping for the safety course at Ranger High School has been turned over to the school for use in the course.

The car has been equipped with dual-controls so that in case of emergency, the instructor, riding on the right hand side, will have the same control of the car that the student at the left wheel has.

The course is an AAA approved one and the school must meet all AAA requirements before being eligible for a car for the course. Other model cars were available for the course under the plan, but Ranger drew for the car and drew a Chevrolet. The local Chevrolet company has been interested in furthering the course and has cooperated in every respect.

At the end of the course this spring, the car in use goes back to the dealer.

Dr. G. C. Boswell stated today that Ranger is one of the few schools in this section to have instituted the new course, design of which is to teach students safe driving methods.

### RENEWED ATTACKS OCCUR AS UN DEBATES CRISIS

BY UNITED PRESS

Israeli forces opened a new drive on the southern Palestine front today while the United Nations Security Council debated what to do about the Holy Land war.

The Jewish forces jumped off from newly-captured Iraq-Suweidan, 25 miles south of Tel Aviv, and overran Arab strongholds all the way to Faluja, one of the last two Egyptian bases in Southern Palestine.

Israeli officers expected Faluja, already encircled, to capitulate within a few hours. Faluja is 32 miles south of Tel Aviv. Its fall would leave the Egyptians only the sea-coast town of Gaza in the Negev.

In the Security Council, Russia supported Israel's proposal for early Arab-Jewish peace talks to end the war in Palestine.

Jacob Malik of Russia told the council in Paris that the Jews and Arabs should be directed to negotiate either directly or through acting Palestine Mediator Dr. Ralph Bunche for "an established formal peace."

His proposal amounted to rejection of Dr. Bunche's proposal yesterday for an armistice, the establishment of a no mans land between the two forces, and the gradual reduction of their armed forces.

Representatives of Britain, France and Belgium stalked out of the 2 1-2 hour closed meeting of the council in obvious anger. They and perhaps the United States favor the plan.

In Tel Aviv, Israeli President Dr. Chaim Weizmann also was pressing for direct Arab-Jewish peace negotiations. He sent an appeal to President Truman for American backing for such talks.

UN truce headquarters in Haifa said Israeli police arrested two UN observers while they were watching a Jewish attack yesterday on Egyptian positions at Iraq-Suweidan, 25 miles south of Tel Aviv.

The men were released after strong UN protests. UN headquarters said tension was mounting on the central front.

Other foreign news included:

United Nations — The 58-nation political committee finally approved the whole western resolution indicting Yugoslavia, Bulgaria and Albania for threatening peace in the Balkans by aiding Greek guerrillas. The vote of 48 to 6 climaxed a four-day Soviet bloc filibuster. The resolution went to the general assembly, where it was certain of approval.

Tokyo — The 11-nation Far Eastern War Crimes Tribunal convicted Japan of unprovoked aggression in its attack on Pearl Harbor. It said the attack had been planned as early as January 1941, nearly a year before it was executed. The tribunal also found Japan guilty of conspiracy to wage war. Sentences against the 25 defendants were expected late this week or early next.

Nanking — Nationalist and Communist troops were locked in a "battle for Hsuehchow, vital railway town 200 miles north of riot-torn Nanking. Three red columns were reported advancing on Hsuehchow from the north and one from the south. Hunry Chinese raided at least 30 shops in Nanking in the face of an acute rice shortage and sky-rocketing prices. A nightly curfew was ordered.

Berlin — A new United States base for American planes in the Berlin airlift will be opened Dec. 15 at Celle in the British zone of Germany. It will be only 140 miles from Berlin compared to 250 miles for the present two American bases at Frankfurt and Wiesbaden.

Oveta C. Hobby Heads Southern Paper Publishers

ST. PETERSBURG, Fla. Nov. 10 (UP)—The annual convention of the Southern Newspaper Publishers Association was to end today after members elected Mrs. Oveta Culp Hobby, vice president and editor of the Houston Post, as president.

Mrs. Hobby is believed the first woman to head a regional publishers' group. Her husband, William P. Hobby, is publisher of the Post.

Lisle Baker, Jr., vice-president of the Louisville Courier-Journal and Times, left the presidency to become chairman of the SNPA board of directors.

Directors named were Clarence Hanson, Jr., publisher of the Birmingham News and Age-Herald; A. H. Chapman, president of the Columbus, Ga., Ledger-Enquirer; M. M. Donsky, treasurer of the Dallas News, Carter Glass, Jr., publisher of the Lynchburg, Va., News and Advance; and Carl A. Jones, Jr., publisher of the Johnson City, Tenn., Press-Chronicle.

The final day's meeting was devoted to a conference on advertising and reports from committees.

Rainy Becomes Stephens Pres.

COLUMBIA, Mo., Nov. 10, (UP)—Dr. Homer Price Rainey was the new president of Stephens College here today.

In his acceptance speech yesterday he bitterly attacked Communism propaganda as "the greatest anti-educational movement of all history."

The inauguration climaxed a two-day program whose theme was "world citizenship — a challenge to general education."

Dr. Rainey succeeds Dr. James Wood, who resigned last year.

In his address, "The demands of the modern world of education," the new president referred to the Politburo that designates Russian policy as "the 14 Cezars in the Kremlin."

Dr. Rainey said that in spite of Russia's present isolationist attitude, it is one of the major tasks of education to prepare for global unity.

Pennsylvania, now one of the greatest game and fish states in the nation, was practically a "shot out" state in 1835.

Veterans To Share In GI Insurance Kitty

WASHINGTON, Nov. 10 (UP)—The Veterans Administration will disclose soon, possibly within two weeks, plans to split a vast insurance "kitty" among 16,000,000 veterans of World War II.

The agency meantime has pinned a top secret label on the size of the fund built up because National Service Life Insurance premiums proved higher than necessary to offset actual deaths.

Best guess was it will run close to \$2,000,000,000. Every GI who bought government life insurance—and almost every one did—will get his cut. Payments probably will be made late in 1949.

The Veterans agency has determined after more than six months' exacting work how much of its \$7,000,000,000 (B) insurance reserve can safely be kicked back in dividends, it was learned.

An agency spokesman said the decision probably will be made public within two weeks. However, the job of figuring each policy holders' cut is so complicated no checks will go out for a year.

Sterling To Be Moved To Houston

FORT WORTH, Tex., Nov. 10 (UP)—Ross Sterling, 75-year-old former governor who has been in Harris Hospital here with a heart ailment for almost two months, will be moved to a Houston Hospital Friday, it was reported today.

The New Orleans, a steamboat built by Robert Fulton, was the first to navigate from Pittsburgh to New Orleans.

MARKET HOLIDAY

By United Press

The U. S. Department of Agriculture will take a holiday Thursday, Armistice Day, and no markets will be available on Fort Worth and San Antonio livestock. Fort Worth produce, grain or other Arkansas produce.

### City Officials To Give Library New Dictionary

At the regular meeting of the city commission held Tuesday night at the city hall members of the commission, together with the city secretary, Lester Crossley, voted to make a gift of the latest edition of Merriman Webster Dictionary to the Ranger Community Library.

Each of the office men will make individual contributions to pay for the book. Others included in the gift besides Crossley are Mayor Lee Dockery, and commissioners, V. V. Cooper, Jr., A. L. Stiles, Hershel Angus and A. H. Powell.

The book has over 600,000 entries, 35 geographical entries, 12,000 biographical entries and 12,000 pictorial items. It has 3,300 pages and 12,000 terms entered in the dictionary for the first time. It is the unabridged edition.

Plans were also completed Tuesday night to put into service tonight the six light standards, three on each side, of the entrance to Main Street from Highway 80. The standards have been erected for some time but completion of the lights for use had not been accomplished until today and the lights will be on for the first time tonight.

Baptist Gather At Houston Meet

HOUSTON, Tex., Nov. 10 (UP)—Baptists from all over Texas gathered here in large numbers for the 106th annual Baptist General Convention which opened last night.

Speakers today were to be Dr. Forrest C. Frazier of Waco and Dr. Arnold T. Ohme, secretary of the World Baptist Alliance.

A troubled world, sustained only by faith, was pictured to the 5,000 delegates in last night's opening address by Dr. Wallace Bassett of Dallas, convention president.

"Belief in God is the only solvent for all difficulties," Dr. Bassett said. "It is the basis of our hope in the outcome of history."

An expanded Missionary program was advocated earlier yesterday by Dr. M. T. Dankin of Richmond, Va., executive secretary of the Foreign Mission Board of the Southern Baptist Union. He urged the audience to "assemble your resources for a world undertaking."

Officers for the Texas Brotherhood, re-elected yesterday, are Judge Thomas J. Pitts of Odessa, president; Clifton W. Brannon of Longview, vice-president, and Howard F. Saunders of Waco, recording secretary.

THE WEATHER

By United Press

EAST TEXAS—Fair this afternoon and tonight. Cooler this afternoon and not quite so cold in northwest portion tonight. Scattered frost tonight, with lowest temperatures 32 to 34 degrees in north and central portions and 34 to 38 in remainder of the area tonight except near 40 in the coastal section. Thursday, fair and warmer.

WEST TEXAS—Fair this afternoon, tonight and Thursday with rising temperatures except partly cloudy and slightly cooler in the Panhandle Thursday afternoon.

Temperature at 1:30 p.m. today:  
Minimum 34  
Maximum 64  
Hour's Reading 64

Temperature for the last 24 hours ending at 8:00 a.m. today:  
Maximum 52  
Minimum 31

# Rangers And Bulldogs In Armistice Day Clashes

## RANGERS MEET DECATUR ON ROAD TOWARD TITLE

With the finish line and the coveted conference crown but a few steps away the Rangers journey to Decatur tomorrow in quest of their fourth straight conference success.

They meet a team of Baptists who on paper have a beefy, powerful squad but who have been stung repeatedly this year. Against conference opposition Decatur has only a tie to show for three tries. Cisco and Hillsboro defeated the Baptists while Clifton was held to a 7-7 deadlock.

Clifton against this lack-luster mark, the crest-rising Rangers have taken three conference foes to ride—Cisco, Clifton and Weatherford with only the Wranglers from Cisco putting up much of a battle. After a 20-6 win over the Wranglers, Rangers walked Clifton, 23-0 and all but murdered Weatherford, 33-0. In season's play the Rangers have taken five out of six—dropping their opening to a superb Kilgore team, 22-14.

Injuries still hamper Boone, Yarbrough's eleven but the list is shrinking to less than alarming proportions. Back on the firing line will be Claude Nesley, Bill Spry and Edwin Cross. Nesley has been running with his old crowd in conference—dropping Cross used sparingly against Weatherford is ready for more extended duty.

But a couple of the boys still cause troublesome aches. Right tackle Bob Herrington, injured in the Navarro victory, has a knee which remains too much like a fallow for playing action and Quick Ivy must wait a while longer before resuming his terminal duties.

Bill Clifton, who filled in for Herrington against Weatherford has the job again, teaming with Wayne Hoye at the tackle position.

It has been the case in the majority of the games the Ranger forward wall will be outweighed. Decatur's line will tip in at some-

what over the 200 mark, much heavier than the light aggressive local front line.

The Baptists run from the wing T formation with emphasis on pitchouts and quick opener plays. Against Cisco they played spirited heads-up ball throughout the first half to hold tight to a 7-6 advantage—but then faded to drop a one-sided count.

However on their own hunting grounds down at Decatur, the Baptists are reckoned to be some 20 to 50% tougher. A conference victory has been long overdue, adding to the already troubled state of the Ranger coaching board—Yarbrough and Rush.

A passing offensive that suddenly sputtered and died in the Weatherford fray has been nursed and polished all week. Junior Arterburn had his worst night against the Coyotes—tossing but one completion and being thrown in his own back yard to open for comfort. Both Arterburn and Jackie Wright went through a protracted aerial session in yesterday's workout.

The remainder of the Ranger offensive line will find Ernest Cunningham and Billy Townsend at the guards. Both are comparatively little men—Cunningham weighing 170 and Townsend some five pounds lighter. Johnny McClendon, a slight equality the past week, probably will get the center call with Dale Jones and Howard Fraizer spearheading the passes at ends. Charley Sullivan will be used as a defense specialist.

Pennsylvania leads the nation in 50 major industries, yet has a billion-dollar farm industry.

The nation's 1948 cranberry crop is expected to be the second largest in history.

More than 90 million churches were built in New Mexico during the "Golden Age" of Mission construction, 1620-1650.

## Drawings For Cotton Bowl Tickets

There aren't enough seats to go around in the Cotton Bowl at Dallas on each New Year's Day. Officials have decided to hold drawings after applications for tickets are in to decide who'll get the precious duets. Here, Ed Fite, right, Southwestern Division Sports Editor of United Press, draws one of the first numbers. Left to right: Tyree Bell, Pres. Cotton Bowl Assn; James Stewart, Secretary and General Manager; Dan D. Rogers, Chairman of the Board, and seated is F. C. Cobb, in charge of ticket sales. Over 100,000 applications were made for only 25,435 seats. — (NEA Telephoto).

## RANGER DAILY TIMES SPORTS MARVIN GROSS Sports Editor

### Two Grid Teams Seek Membership In SW Conference

PAYETTEVILLE, Ark., Nov. 10 (UP)—Two schools will "knock on the door" for admission to the Southwest Conference when conference officials meet in December, secretary James Stewart of Dallas has announced.

The two schools seeking admission are Texas Tech of Lubbock and Hardin-Simmons of Abilene. The University of Oklahoma, often mentioned as a prospective conference member, has not applied for admission, Stewart said.

Dean Robert A. Leflar of the University of Arkansas said expansion of conference rules would be the major questions to be taken up at the December meeting.

### TCU Preps Defense For Longhorn Game

FORT WORTH, Tex., Nov. 10 (UP)—Coach L. E. (Dutch) Meyer huddled his Texas Christian University Frogs today for a long skull practice and then turned them loose to put into practice

### Majors Covene For Player Draft

CINCINNATI, O., Nov. 10 (UP)—Major League baseball representatives gathered here today for the annual dip into the lower leagues for players subject to baseball's draft law.

A list of the players from all leagues eligible for the draft was sent out to the major league teams last October.

Only one selection may be made from each class AAA, Class AA, or Class A club, except for players which minor league teams put on an unrestricted selection basis.

Players put on the unrestricted list are placed there voluntarily by the minor league clubs to pick up some loose change, or they are "bonus players" which can be drafted at will. For instance, the last-place Toledo club in the American Association has put its whole squad, with the exception of four players, on the block.

It costs a major league club \$10,000 to draft a player from a triple A circuit, \$7,500 from double A, \$6,000 from Class A, \$4,000 from Class B, \$2,500 from Class C, and \$2,000 from Class D.

Few big league clubs draft players from below double A classifications.

The national average residential lighting cost is estimated at \$1.25 a month. The equivalent in candlelight would stretch to \$200.

The University of Illinois football team got its name "Illini" from the tribe of Indians for which the state was named.

### Fort Worth, Tulsa Tied For Honors

BY UNITED PRESS  
The Fort Worth Rangers and the Tulsa Oilers emerged in a neck-and-neck tie today for the leadership of the southern division of the U. S. Hockey League.

The Oilers climbed into the first place tie in Tulsa last night with a 3-2 victory over the injury ridden and hapless Dallas Texans. Only five spares were brought to Tulsa by Dallas for the match.

Meanwhile, in the northern division, Minneapolis and Omaha battled it out to a 3-3 tie.

St. Paul invades Kansas City tonight while Tulsa travels to Dallas for a return match.

### SMU Board To Raise 15 Millions

DALLAS, Nov. 10 (UP)—Southern Methodist University's plant and endowment fund today stood to reap the benefits from \$15,000,000 which the school's board of trustees has voted to raise.

The board voted to use \$10,000,000 of the money in the endowment fund. A girls' dormitory and a building in the planned legal center will be built from the remaining \$5,000,000.

SMU President Umphrey Lee estimated the value of the present plant at \$18,000,000.

Dim Your Lights—Save A Life

SAVE UP TO 30% ON MEAT!

That's right. Come in and let us show you how to save as much as 30% on individual cuts of meat with the unusual Maytag Home Freezer and the quantity buying it makes possible.

Save on fruits and vegetables, too—and avoid many tedious hours of shopping. You even save cooking time! Let us explain.

We also want to show you all the other wonderful conveniences the Maytag brings you. No other freezer has all its advantages. See, for example, how it's designed for use right in your kitchen—serving also as a kitchen work table. See how outstanding it is in every way—and how easy to pay for, with low monthly installments.

Its dependability is backed by the Maytag reputation and a five-year paid-up insurance policy against food loss. Not "just a freezer," but a Maytag. Come in today and see what a difference that makes!

## BULLDOGS SET FOR MAVERICKS IN KEY CONFERENCE STRUGGLE

BY MARVIN GROSS

The long awaited showdown between the Ranger Bulldogs and the Eastland Mavericks gets past the planning stage and is set to be unfolded tomorrow before the largest crowd of the season at Bulldog Stadium at 2:30 P. M.

Each claims it'll win in a very much alive battle of better proved Detroit champions, although Ranger is ineligible to represent it will be the American Football League with identical records in conference play. The Bulldogs have toppled four circuit foes while dropping one — to Dublin — and the Mavericks likewise have dispatched defeated four teams and lost to Hamilton.

A victory for Eastland coupled with a Dublin decision over Hamilton November 19th would make Coach Wendell Seibert's team 8A title-holder. Eastland has already defeated Dublin and would emerge winners on the basis of team superiority.

On the other hand if Hamilton hangs one on Dublin and the Bulldogs throttle Eastland, Stubby Warden would find himself pilot of a champion as the Bulldogs trounced Hamilton in an earlier game. But the honor of representation would go to Hamilton.

Checking common opponents throughout the season the Bulldogs show a clear superiority. The Bulldogs rolled up large victory margins over De Leon, Gorham and Hamilton — but the Mavericks outscored the only Ranger conqueror — Dublin.

For one of the few times this season the Bulldogs have their entire squad just about fit and ready. Buddy Hamrick, the peppy reserve signal caller has been under a doctor's care for a couple of days but it will probably take an army of medics to keep Buddy out of action.

Through the week the Bulldogs have been supplementing their smooth T attack with some new maneuvers. Warden has rigged up a series of atomic plays which may be sprung when a scoring opportunity presents itself.

After getting in only limited action in the De Leon rout, Marvin Wilson is ready for the full 60 minutes of action. Wilson excelled the Comanche and Hamilton's games with a knee injury — Charles Wheat filling in in good style. But Wilson will be back at the tackle slot with Wheat ready if injuries crop up.

On the offense P. C. Smith will start at the quarterback post and seems to have recovered his aerial accuracy after a mid-season slump. Smith has the ability to Hamrick by dint of his ball handling ability although Hamrick is the better defensive man.

A double dose of Comanches will be met when non-throwing against the Mavericks. Brothers Jimmy and Raymond have been the outside-inside punch of the Bulldogs all year and against De Leon, Raymond engineered three touchdown spurs in less than seven minutes.

But the Mavericks have a scoring machine which provides rugged competition to anything the Bulldogs can offer. He is 147-pound Jim Smith, a terrific track man and an even better football player. An ace kick-off and punt return threat, Jim is the explosive type — there one minute and over your goal line the next. Smith rolled for two scores in the Dublin game, added another against Comanche and had his

best day in the Hamilton game with three touchdown jaunts.

Handing the power phase of the Eastland attack is big Jack Kelly, — a 192 pound converted lineman who can blast a line to pieces. Along with Kelly and Smith in the Eastland backfield are Margd Wadley, a hard running undersized halfback and Colonel Don Brashier, a heady efficient signal caller.

The forward wall, pounds heavier than the Bulldogs, will be spearheaded by Captain Ivo Amis, the burly tackle. Amis, alone, was able to stop the Hamilton bonerusher, Rusty McCullum but Rusty, soon quit running over Amis' tackle.

The remainder of the Eastland line will find Mac Harris and Jimmy Wright at the ends, J. C. Burke and Glenn Garrett at the guards, Amis and Bill Sikorski at tackles and Murray Herring at center.

In the bee family, the worker has 2,000 to 4,000 larvae in its eyes, the drone 7,000 to 8,000, a queen about 5,000.

Fire losses in October 1947 were 37 per cent higher than in the preceding month.

The Kentucky Derby is the richest three-year-old stake race in the world, offering \$100,000 added money.

**NURSES KNOW THE BENEFITS OF Electric HEATING PADS**

**Electric HEATING PADS ARE KEYS TO BETTER LIVING**

The chances are good that some time within the next few months—when the cold weather of late fall and winter sets in—some member of your family will need the benefits of the controlled soothing warmth that only an electric heating pad can provide.

For example, the common cold often brings on a variety of aches and pains. In many instances, these discomforts can be lessened by the controlled heat of an electric heating pad. Be ready this year if the cold or "flu" bug bites—your electric heating pad will usually provide substantial relief.

**NEWS FROM Kokomo**

KOKOMO, Nov. 9 —Mrs. G. B. Neill became critically ill Tuesday. Her children were notified and all were at her bedside Wednesday. They were: Gains Neill of Dimmitt, Otis Neill of Stanton, O. W. Neill and wife of Odessa, Mrs. Ellen Clarman of Lamesa, Mrs. Gus McD nald of Dallas and Mrs. Irma Evans of Kokomo, with whom she makes her home.

Mrs. Willie Stanton of Breckenridge and Mrs. Sultan of Gorman visited Mrs. G. B. Neill, today.

Mrs. J. A. McNeeley is in a Ranger hospital ag...

"Grandma" Hendricks is on the sick list. This community feels honored that both the king and queen of Carbon grammar school are among its residents. Linal Morrow is king and Lela Neill Morris is queen.

Miss Patsy Morris spent Saturday night and Sunday with her grandmother and aunt, Mrs. S. F. Hendricks and daughter, Sarah.

Mr. and Mrs. A. W. Hendricks visited Mr. and Mrs. R. M. Hendricks Sunday in Fort Worth.

Mr. and Mrs. F. C. Eaves and Mr. and Mrs. Floyd Wood attended the funeral of Grady Neill at Merkel, Monday. Mr. Neill formerly lived in this community and

had many friends here who mourn his passing. "Grandma" Hendricks, Mrs. A. B. Eaves and Miss Sarah Hendricks, were guests of Mrs. G. B. Neill, Saturday.

Mrs. Flossie Shugart visited in the home of Mr. and Mrs. Shelby Frazier in Gorman, Thursday.

Mr. and Mrs. Joe Tanner were recent Fort Worth business visitors.

Mr. and Mrs. E. W. Everton visited his father recently in Rising Star.

Mrs. Lizzie Hendricks spent the past week-end with Mr. and Mrs. Wil Whitley in Gorman.

Rev. Willie Skaggs will fill his regular appointment here Sunday at 11:00 a. m. and you are invited to attend the services.

consider "matters of first importance" that might otherwise be caught in the log jam of legislation flooding the legislature during the regular session beginning in January.

The need of providing better pay for Texas teachers and "in general broadening the basis for good state education in Texas was emphasized by the lieutenant governor, who presides over the state Senate.

"Ordinarily I'm opposed to a special session," Shivers said. "But this is too important to let go by. A lot of work is being done on the bills now. What the general sentiment of the legislature is, I don't know," he said.

**Favors Truman, Stalin Meeting**

VATICAN CITY, Nov. 10 (UP)—The Vatican newspaper Osservatore Romano said today it would "salute with joy" a meeting between President Truman and Premier Josef Stalin.

"Perhaps the rumor of a Truman-Stalin meeting in the near future... is not pure fantasy," the newspaper said.

An editorial cited the recent comment of Russian Foreign Minister V. M. Molotov and President Truman's election statements.

"As faith can move mountains there is no reason why it could not move men," Osservatore Romano said. "Even though divided by vast differences, if a thing is possible it is also probable."

The newspaper continued: "We would be the first to salute with joy such an event, we who believed an understanding could only be reached through the intervention of statesmen outside of the problem and therefore completely unbiased."

**Education Needs May Call For Special Session**

MISSION, Tex. Nov. 10. (UP)—Gov. Beauford H. Jester today studied a proposal for a special session of the legislature early next month to consider a report from the Gilmer-Aiken committee on Texas' educational needs.

Lt. Gov. Allan Shivers said Tuesday night he had urged the governor to call a special session "as early in December as possible." He said Jester told him by telephone that he would give the matter serious consideration.

Reportedly, Shivers told the governor that he believed a special session necessary in order to

**From where I sit... by Joe Marsh**

**To Dunk or Not To Dunk?**

Dunking doughnuts is Sober Hopkins' favorite morning pastime... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste! Smile!! And Sober compliments the missus on the lovely mocha flavor!

I guess there'll always be two schools of thought: to dunk or not

to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to cider, ale to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now—you've guessed it—she's a daily dunker, too!

## NEWS FROM LONG BRANCH

LONG BRANCH Nov. 9—The home of Mr. and Mrs. Tom Poe was the scene of a family reunion Sunday, when Mrs. S. N. Poe of Cisco and Tom Poe were honored. Beautiful presents were presented the couple after a delicious dinner had been served buffet style and afternoon of merriment was shared by the twenty three persons present. In the group were: Mr. S. N. Poe and Silas, Mrs. Ada Poe and Tom; Mr. and Mrs. J. E. Spencer; Mr. and Mrs. Robert L. Shaw; Robert Jr. Shaw, Mr. and Mrs. Paul Poe; the Rev. Joe Tom Poe and his sister, Mary Jeanette from Cisco; Mr. and Mrs. B. B. Poe of Long Branch; Mr. and Mrs. J. C. Poe and Margie and Mrs. C. Poe; Bill Frost and Julie of Eastland and hosts Miss Lucille and Ace Howard.

Mr. and Mrs. John Edward Dudley visited in the home of his parents, Mr. and Mrs. Britt Dudley and attended the B. T. U. program at the Long Branch church Sunday evening. These Ciscoans had just returned from a day's visit accompanied by Mrs. Dudley's parents, Mr. and Mrs. John McKinney and their sons, Travis and G. C. of Pleasant Hill. The six Eastland county citizens had visited the families of Mr. and Mrs. J. P. Parish in Abilene. The four Abilene ladies are sisters of Mrs. McKinney.

Mr. and Mrs. Charles Walker and daughter Kay; Mrs. Cloyd Walker and two daughters, Closeac and Janie Lou and Mrs. Doniza Stowe shopped and visited relatives in Cisco Saturday.

Mr. and Mrs. Almus Hastings and their three children drove to Fort Worth Saturday. They visited his aunt, Miss Elizabeth Lineberger, and picked up a few articles in clothing and school supplies while spending the night and Sunday morning in Cow Town.

Max Wayne and their father Fred Wilson transacted business at the county seat Saturday.

Max Carbon High senior reports that the school gymnasium at that place is nearing completion.

## ICC Asked To Consolidate RR Subsidiaries

WASHINGTON, Nov. 10, (UP)—The Interstate Commerce Commission has been asked to approve the consolidation of 16 southwestern subsidiaries of the Santa Fe railroad into two operating companies.

The request to the ICC was made yesterday. The parent railroad supported the plan.

Under the proposal, the subsidiaries would be absorbed into either the Panhandle and Santa Fe Railroad Co., of Amarillo, Tex., or the Gulf, Colorado and Santa Fe Railway Co., of Galveston, Tex.

The Panhandle firm would absorb the Clinton-Oklahoma-Western Railroad of Tampa, Tex.; North Plains and Santa Fe Railway of Amarillo; North Texas and Santa Fe of Spearman, Tex.; The Pecos River Railroad of Pecos, Tex.; Pecos and Northern Texas Railway of Amarillo, Tex.; and the South Plains and Santa Fe Railway of Lubbock, Tex.

The Gulf Company would absorb the Canebelt Railroad Co. of Eagle Lake, Tex.; The Con-

Mrs. C. I. James recently returned from a visit with her daughter and family, Mr. and Mrs. Arlie C. Elrod and infant daughter at Pyote.

H. L. Thomas is seriously ill at a Gorman hospital.

Raising flowers is a hobby with Chas. H. Everett and the East Olden home of Mr. and Mrs. Everett, at present a chrysanthemum garden is a thing of beauty. This is the second year Mr. Everett has raised mums. He put out about 2,000 bulbs last spring and nursed them through the summer months and up until about a month ago when they began blooming and now are in full bloom, ten of twelve gorgeous shades. Last year Mr. Everett gave his flowers to the flower show in Eastland. This fall they are there for the people to admire.

Mr. and Mrs. Bill Holder and

### Became Ma and Grandma Same Day

Mrs. Josephine Baske, 37, became a mother and a grandmother in the same day. Her baby, Colleen, was born 12 hours before her daughter, 17-year-old Mrs. Geraldine Smith, left, gave birth to a son, Paul James Smith. Little Colleen is Paul's aunt. They are shown in a Chicago hospital.

little daughters, Nancy Ann and Sue of Crane, are here for a week's visit with her parents, Mr. and Mrs. Dave Vermillion.

Mr. and Mrs. A. L. Dover and Mr. and Mrs. Chas. Evans of Breckenridge, were guests Sunday in the J. T. Daffern home.

The cakewalk Monday night at the school gymnasium was well attended. The Daffern string band from Eastland furnished the music. The proceeds are to be used in defraying the expenses of a banquet for the football boys.

Mrs. S. M. Holt and Mrs. Christine Patterson and children were in Fort Worth Saturday morning visiting Mrs. Tom Weeks and family.

Mr. and Mrs. O. B. Crawley of Eastland were guests Monday in the home of their daughter, Mrs. Mervin Hutto.

J. J. Hammett is visiting in Austin and San Antonio.

Mr. and Mrs. Byrl McGraw have moved back to Olden from California.

Mr. and Mrs. Carl Butler, Jr., of College Station were here Sunday visiting his parents, Mr. and Mrs. Carl Butler, Sr.

Mrs. Viola Jones is ill at her home here.

Guests Sunday in the home of Mr. and Mrs. W. R. Burns were his brothers and their wives: Rev.

and Mrs. Tom Burns of Gomez, and Rev. and Mrs. Hurley Burns of Hartley. Rev. Tom Burns preached Sunday night at the Baptist church here. Both couples left Monday for Houston to attend the Baptist convention.

Mr. and Mrs. Ray Bowers and family of Fort Worth were weekend guests of his mother, Mrs. Odie Bowers.

Mrs. Wince Graham and little daughter, Terry, of Kilgore, arrived Saturday for a visit with her parents, Mr. and Mrs. S. M. Holt.

Mr. and Mrs. Melvin Holt and daughter, Gay, of Abilene were guests Sunday of his parents, Mr. and Mrs. S. M. Holt.

Hillary Bockman of Big Lake and Max Bickman of Dallas were guests last week of their mother, Mrs. Willie Bockman.

Mrs. Vernon Perryman of Dallas is here visiting her mother, Mrs. Joe Kinney and her sister, Mrs. Vera Joiner.

Mrs. Eddie Rose and little daughter, Helen Lucille, left yesterday for their home in Dallas after a visit here with her parents, Mr. and Mrs. Hugh Adams.

John Hamilton of Colorado City was here over the week-end visiting his parents, Mr. and Mrs. L. S. Hamilton and Miss Eunice Hamilton.

Mr. and Mrs. George Riley moved to Gorman last week.

Mr. and Mrs. Will Stark returned home Saturday from a visit with their son, Raymond and family, at Odessa.

Will Elliott of Abilene was here Sunday visiting his father, A. J. Elliott. Also Buster Elliott of Pampa is here visiting his father and his family.

Billy Crone from A. & M. College left Sunday after spending the week-end here with his parents, Mr. and Mrs. Carl Crone.

### Veteran Minister Dies in Houston

HOUSTON, Tex., Nov. 10 (UP)—Rev. J. C. Smith, former secretary of Trinity University of San Antonio, died in a hospital here early today. He was 88.

Rev. Smith was a pastor in Waxahachie, former home of Trinity, until 1923.

He was the oldest living moderator of the General Assembly of the Presbyterian church. Burial will be in Houston tomorrow.

### NEWS FROM CARBON

CARBON, Nov. 9—Mrs. Chapman, Pampa visited her daughter and husband, Bro. and Mrs. Moore of Eastland last week. They attended services at the Church of Christ in Carbon Sunday, where Bro. Moore does the preaching each Sunday. Out-of-town visitors Sunday included Mrs. Bill Vencil of Jayton, Mrs. McLurin of Crane and Mrs. Chapman of Pampa.

Mr. and Mrs. J. L. McDaniel of Freepport; Leo and Buster McDaniel and wives of Abilene visited Mrs. C. N. McDaniel and Charles, last week-end. Buster and wife visited her parents, Mr. and Mrs. J. R. Lott.

Mr. and Mrs. McLaurin of Crane is visiting her mother and sister Mrs. Ranson and Miss Reba.

Mrs. Bill Vencil of Jayton spent the week-end with her parents and sister, Mr. and Mrs. W. S. Maxwell and L. P. Barnett and family.

Lawrence Carnes of Big Spring visited Sunday in the home of G. A. Mason and wife.

Don Marton and wife of Odessa spent the week-end with his father, Everett Marton.

Mr. and Mrs. Earl Tonn and son, Wayne, of Fort Worth, visited their parents, Mr. and Mrs. Elmer Bethany and Mr. and Mrs. J. R. Tonn.

Mrs. Pat Hamilton of DeLeon visited Mr. and Mrs. Nathan Powell last week.

Mrs. A. B. Hunt of DeLeon visited her daughter, Mr. and Mrs. J. R. Hogan, Sunday.

Carrie Tucker of Cisco visited her mother, Mrs. C. V. Ables, Monday and Tuesday.

Mrs. J. P. Barnett spent two weeks with her sister, Mrs. Bill Fite and Mr. Fite in San Angelo.

Mrs. E. Dunn accompanied Miss Johnnie May Finney to Wichita Falls to visit her daughter, Mr. and Mrs. D. L. McCracken and Sue over the week-end.

Mrs. G. L. Parker of Eastland visited her parents, Mr. and Mrs. Nic Duggan, over the week-end.

Buster Jones and sister, Mrs. Will McNeese, visited relatives in Abilene, Roby, and Colorado City, last week.

Mrs. Jim Hogan and children and Mrs. Oscar Thackerson and daughters, visited Monday in Rising Star.

Mr. and Mrs. Harry C. Hall of El Paso are the proud parents of a baby son, born Nov. 4, weight seven pounds and eleven ounces. His names is Scott Acton. Paternal grand parents are Mr. and Mrs. Harry Hall.

Mr. and Mrs. Milton Underwood are the proud parents of a baby girl born Nov. 1, at Blackwell hospital in Gorman.

Mr. and Mrs. Milton McCall and family have moved to California.

Mr. and Mrs. Howard Murphy of Fort Worth and Bill from A. & M. College, spent the past week-end with their parents, Mr. and Mrs. Pierce Murphy.

### New Head Of VA Hospital Named

DALLAS, Tex., Nov. 10 (UP)—Dr. George S. Littell of Temple will take over as manager of the Veterans Administration Hospital at Amarillo on Nov. 14. Thomas G. Lanphier, VA deputy administrator, had revealed today.

Littell is a member of the staff of the VA hospital in Temple. Before the war, he practiced medicine in Dallas. During the war, he served with the Army Medical Corps as deputy surgeon of the

Southwest Pacific Area. Littell succeeds Dr. George O. Pratt, who is joining the staff of the VA hospital at Boston.

**CHANGE OF LIFE?**

Are you going through the functional middle age period peculiar to women (35 to 55 yrs.)? Does this make you suffer from hot flashes, feel nervous, high-strung, tired? Then so try Lydia E. Pinkham's Vegetable Compound. It relieves such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

## Oil and Gas News

### Kirk Pool Operators' Committee Organized; To Build Gas Plant

The Kirk Pool Operator's Committee has been organized and plans have been set in motion for the construction of a natural gas plant in order to eliminate the flaring of gas. The pool, on the border of Eastland Comanche counties, is less than a year old and has 90 producing wells.

C. P. Porter of Dallas and Eastland was elected president; Bud Loomis, Longview, vice president, and I. C. Heck, Eastland, secretary treasurer. An engineering committee was named: Joe Cable, Wichita Falls; Frank Speller, Tyler, and W. R. Stearns, Austin. The meeting was held Tuesday in the Petroleum Building in Eastland.

Representatives of four companies appeared before the meeting, each with proposals for building the plant, Porter announced. Tentative plans are for two units, each with a capacity of 10,000,000 cubic feet daily at a cost—for the

two units—of approximately \$1,000,000. To lay the necessary lines would require an estimated \$250,000. To consider the proposals a committee was named: T. A. Kirk, Fort Worth; Robert McKissick, Abilene; J. W. Baldwin, Wichita Falls; F. O. Penn, Longview, and Jay Man, Wichita Falls.

Porter declared that the Kirk pool has not yet been named and that, in addition to the wells in the pool proper, there are outlying gas wells that the proposed plant could serve. He estimates that, with the contemplated outlet for the gas, the present income of the field would be almost doubled in a short time. The gas will average three gallons of gasoline per 1,000 feet, it is said. Porter praised the cooperative attitude of the field's producers. The organization is to function on a permanent basis and monthly dues will be assessed per well.

#### Tardition Carried On

SAN DIEGO, Calif. (UP)—Midshipman Stephen Decatur VIII, a great-great-grand nephew of Commodore Stephen Decatur, hero of the war against the Barbary States in 1804, was a guest at Camp Decatur, reserve headquarters at the naval training center 2,000 naval R. O. T. C. midshipmen here. Young Decatur was one of brought here for amphibious warfare training.

During the war, the mills of Pennsylvania alone surpassed the total production of Germany in ferrous metals and had a greater output than any other nation or empire.

thing from drilling equipment to a bunkhouse for the workers.

The oilmen said offshore drilling is very expensive compared with shore operations. They said the industry's ability to add "underwater oil" to the nation's reserve depends upon favorable economics and acquisition of leases with reasonable provisions and large enough to be operated efficiently.

**Dallas Butchers Go Back To Work**

DALLAS, Nov. 10, (UP) — Their four-day strike ended, 450 butchers in the Dallas area were scheduled to go back to work today.

The butchers voted last night to accept an offer of a weekly wage raise of \$5 to both journeymen butchers and head butchers. Head butchers had been drawing \$70 and journeymen \$65. No changes in hours were included.

Federal conciliator H. H. Atkins announced the decision of the butchers.

He said Safeway and A&P stores were in agreement with the butchers and it was presumed that Wyatt's food stores, the third chain grocery store affected, also would be in agreement.

A&P and Wyatt's had been picketed, but Safeway had not, since Safeway did not attempt to operate its meat markets during the strike. About 75 retail outlets were affected.

Wood is made up of millions of fibrous cells resembling narrow tubes almost as fine as human hair.
