## UN Again Urges Solution To Berlin Crisis

### NEW APPEAL COMES AFTER BIG THREE REJECTS TALKS UNTIL BLOCKADE LIFT

BY R. H. SHACKFORD  
United Press Staff Correspondent

PARIS, Nov. 17 (UP) — Top United Nations leaders appealed again today to Russia and the Western Powers to settle the Berlin crisis with "the least possible delay."  
Their new appeal came in a statement issued only a few hours after the Big Three western nations had blamed Russia for the continuing Berlin dispute and had rejected Union until the blockade of the German capital is lifted.  
The United States, in its note, said that direct negotiations under duress of the blockade would "endanger the peace of the world" by compromising the UN charter principle that force "shall not be used for attainment of national objectives."

But UN secretary-general Trygve Lie and General Assembly President Herbert V. Evatt were not dismayed by American, British and French negative replies to their

letter suggesting "immediate" four-power conversations to solve the Berlin crisis.

Believing that their letter had started a "chain of events" which might soon lead to at least a truce in the cold war, they issued a prompt statement in which they noted "with satisfaction" that all the great powers in their replies "indicate in one form or another their desire to reach a settlement of the Berlin question."

"The president of the general assembly and the secretary-general hope," their statement said, "that this common desire will find expression with the least possible delay in further attempts to find a solution acceptable to all parties."

Indicating that, as had been expected, the next attack upon the problem would be made through a new common proposal in the UN Security Council, which still has the question on its agenda, Lie and Evatt again urged in their statement that the four powers give "full and active support" to the efforts of Security Council President Juan Bramuglia of Argentina to mediate the dispute.

The brief Lie-Evatt statement promised "further comment" later on "certain aspects" of the replies received from Russia and the Western Powers.

In their notes of rejection, the Western Powers took the concerted stand that the Berlin dispute must remain in the hands of the Council until Russia lifts the blockade or the Council takes other action to settle it.

Bramuglia has devised a new formula behind which Lie and Evatt apparently now are prepared to throw their weight. While Bramuglia's plan still was being modified from hour to hour in minor details, it was known by stages of the Russian blockade of the western sectors of Berlin and introduction of the Soviet-posed eastern mark as the only currency in Berlin.

The use of Soviet currency in the entire German capital is the main Russian demand in the dispute.

Bougainvillea, the flower of the Lower Rio Grande Valley, comes in many colors. During winter months driveways, hedges and houses of the area are aflame with the bright red, purple, pink or bronze of the flower.

There has been developed a chemically-treated cloth that is said to eliminate fogging of automobile windshields as well as steaming of bathroom mirrors and kitchen windows.

### Stuard Services Held At 3 Today

Funeral services were held today for R. C. (Uncle Bob) Stuard at the First Baptist Church at 3 P. M. Rev. D. C. Ham officiated at the services with Killingsworth's in charge of arrangements. Interment was in Merriman cemetery.

Mr. Stuard died in Ranger yesterday after a lengthy illness, soon after reaching his 101st birthday October 8. He died at the home of his daughter, Mrs. Amy Brown.

The deceased came to Ranger from Mississippi at the age of 14 and resided here until 1918 when he oil boom struck. He was married to Cornelia Scarborough October 22, 1879 in Merriman. She predeceased him in death in October 1945.

He resided in Weatherford until 1945 being a member of the North Side Baptist Church there and a senior deacon. After retiring from farming activities, he operated a transfer business in Ranger during the boom.

Survivors include three sons, D. C. Stuard, Breckenridge, Ross Stuard, Mansfield and Truman P. Stuard, Ranger, one daughter, Mrs. Amy Brown, Ranger and 22 grand children, 32 great-grandchildren and three great-great-grandchildren.

Pallbearers at the services were Mr. Stuard's grandsons; C. H. Stuard, Alamo, R. L. Stuard, Eastland, George and John Stuard, Fort Worth, Claude Stuard, Iran, Tex., Marion Stuard, Waxahachie, Jack Stuard of Scott Field, Ill. and Dan Stuard of Breckenridge.

### Remains Of Pvt. Graham Due Fri.

The remains of Pvt. Marion Graham, Jr., of Ranger who was killed in action in World War II in Germany will arrive in Ranger on the West Bound Eagle at 11:26 o'clock Friday morning.

Services have been planned for Sunday afternoon at the First Baptist Church at 2:30 o'clock with Rev. David S. Ham officiating. Interment will be in Evergreen cemetery with Killingsworth's in charge of arrangements. Full military honors will be paid at the funeral.

The son of Mr. and Mrs. M. Graham of Route 3, Ranger, he is survived by his wife, Mrs. Marion Graham, Jr., and a daughter, Nancy Nell, of Fanger; two brothers, Harold G. Graham of Straun, J. W. Graham of Straun, and his grandparents, Mr. and Mrs. William Gold of Wichita.

### T-5 R. U. Sides Body Due Here

Word has been received that the remains of T-5 Robert U. Sides, brother of Ollie F. Sides, Ranger, will arrive in Ranger Thursday morning at 11:29 o'clock.

Services have been planned for Friday afternoon at 2 o'clock at Killingsworth's chapel with Rev. D. C. Ham in charge. Interment will be in Macedonia Cemetery in Stephens county.

The deceased met his death in the invasion of Normandy on June 6, 1944. He was born in Stephens county on March 24, 1907 and had resided in Albany 20 years prior to entering service. At the time he entered service he was employed by Moser and Pendleton, Inc. of Albany and was an oil field worker.

### Meeting Changed To Friday at 10

The meeting of the committees on the Christmas program which was scheduled for 10 o'clock Thursday morning has been postponed until Friday morning at the same hour.

Due to the conflict with funeral services for R. S. Balch, the meeting was postponed until the next day. All committee members are urged to note the change and to be at the meeting at 10 o'clock Friday.

Final plans for the Christmas program in Ranger will be at the meeting and it is important that all be present.

### Strike Harasses Postal Clerks

Packages form a small mountain as they pile up in the Boston, Mass. Army Base Post-office due to the Longshoremen's strike on the east coast. The strike has virtually crippled east coast shipping and railroads have embargoed some shipments. Many of these packages are Christmas gifts for servicemen overseas. — (NEA Telephoto).

### Farmers, Wives Invited To John Deere Party Fri.

The Taylor Implement Company of Ranger, the John Deere dealer for this area, has extended an invitation to the farmers and their wives of this area to be the guests of the company on Friday, November 19, at an all-day celebration at the store.

There will be a display of all farm implements and equipment at the store all day and at noon a luncheon will be served at the store.

At 2 o'clock in the afternoon, the farmers and their wives will be guests at the company's showing of the film "The Sugar Plum Tree" at the Arcadia theatre. The film stars the beloved Billie Burke and Don Wilson and is the story of a young couple who have never been on a farm and who inherit one. The film is concerned with what the young people do with the farm.

Several other new, all-talking pictures will be shown including "A New Day Dawns For Cotton Growers" and "Guardians of the Harvest."

As part of the program at the theatre two prizes will be awarded, a G-E iron to the wife that wins, and a case of oil to the farmer that wins.

Wayland Taylor, owner of the implement company, stated today that all entertainment is free and that all farmers and their wives of this area are cordially invited to attend the activities of the day.

### Suicide Fatality In Famous Church

VATICAN CITY, Nov. 17 (UP) — An unidentified man committed suicide at noon today in the most famous church of Christendom, St. Peter's Basilica, by plunging from the inside cupola 164 feet to the ground.

The suicide was regarded as deplorable the great church, and it was closed until it can be reconsecrated in accordance with Catholic rites.

### KEY CHINA CITY SUCHOW CALM IN FACE OF IMPENDING BATTLES

Chinese Nationalist and Communist sources have sent out conflicting reports regarding the military situation in and around Suchow, the key rail town 200 miles northwest of Nanking which is the present focal point of fighting in the Chinese Civil War. Now Arthur Goul, United Press manager for China has managed to reach Suchow by air. In the following dispatch — first to be filed by an American newspaperman from Suchow since the fighting in that area began — He gives an eye-witness description of the situation there.

BY ARTHUR GOUL  
United Press Staff Correspondent  
SUCHOW, Nov. 17 (UP) — This North Kiangsu defense bastion of the Chinese Nationalist government is as quiet today as if it were hundreds of miles from a battle zone.

A casual visitor dropped here would have no inkling that nearly 1,000,000 men — Nationalist and Communist troops — are locked in desperate see-saw battles east and south of this city that may determine the fate of Nanking, capital of Nationalist China.

There is no smoke of battle closer than 20 miles from Suchow. The city and the people in it show no signs of hysteria. Operations at the city's two airfields, one north of the city and the other south, were continuing as normal as those at Lungwa International Airport in Shanghai.

But along a front extending from a point 25 miles east of Suchow at Sunken to Sinschen, 30 miles east of Suchow, one of the biggest battles of the China war is being fought.

And within 20 miles south of Suchow, the big guns of both sides are roaring in artillery duels, tanks are firing, nationalist tanks and armored cars are lobbing shells into Communist-held villages in a steady rain, and nationalist air forces bombers are swooping

to enjoy his Florida vacation. He and his daughter Margaret went to his private beach at mid-morning for the President's regular swim.

Disclosure of Forrestal's impending visit came as informed sources indicated that Mr. Truman has just about decided whom will drop from his cabinet. The President reportedly is holding up any announcements until he can find suitable replacements.

Mr. Truman said yesterday that everybody but the President has been rechecking his cabinet ever since election day. He said he will take care of it at the proper time — presumably at the start of his new term Jan. 20.

How many changes there will be among cabinet and sub-cabinet officers is problematical.

In low order Red artillery positions and dropping demolition bombs. Flying into Suchow, one can see how the fighting already has slashed the government's lifelines railroad from Nanking at vital spots.

Long steel spans over river after river are in ruins. Long strings of loaded railway cars lie overturned, little more than pieces of twisted wreckage. Locomotives lie spilled on their side.

The government is determined not to lose Suchow. I flew into Suchow with a plane load of money from the central bank of China. It consisted of 14 huge cases of gold Yuan to bolster the city's economy.

At the controls was Capt. Roy W. Watts, of San Diego, Cal., a former U. S. Air Force pilot. The plane was chartered from Gen. Claire Chennault's civil air transport.

Lt. David Tang, a fighter pilot of the third Nationalist fighter group, described the situation as he saw it from the cockpit of a P-51 Mustang. He has been flying strafing missions during the past 48 hours.

"It's been quiet all around Suchow for two days now," he said. "The situation is getting better. The Reds closest to Suchow — about 20 miles — are to the south. But it's in the east where most of the fighting is now going on."

### Pleasant Weather Ahead For State

BY UNITED PRESS  
The cold front which entered the Panhandle early yesterday had moved into the Gulf today, leaving cool, fair weather over most of the state.

Minimum temperatures early today ranged generally in the middle 30s in the Panhandle, with the mercury reaching into the lower 60s along the coast. The low was 31 at Salt Flat, the high 64 at Brownsville.

Yesterday's maximum readings ranged from 61 at Amarillo to 86 at Brownsville, Corpus Christi and Victoria.

Precipitation in the warm moist air ahead of the cool front brought 24-hour totals of .93 at Beaumont and 1.52 at Galveston, the only rain of consequence during the last day and night.

The East Texas forecast called for fair skies today and tonight, with warmer temperatures in the extreme northwest portion tonight.

Partly cloudy skies and mild temperatures were seen for tomorrow.

Fair weather was forecast for West Texas, with cooler weather in the Panhandle and South Plains tomorrow.

A spokesless steering wheel has been invented by a Wisconsin man. The steering column is near the front of the wheel instead of its center, as in conventional types.

Well...  
I Dunno,  
But...

While we haven't exactly fallen from grace and started predicting the weather, we've been guilty of drawing conclusions about what's to come.

And had we been saying, we'd have said that the winter would be as severe as the last two. Well, the Almanac, we hear, doesn't agree with us. The author of that age-old farmers' guide says this winter will be as "drippy" as cold as last year. It may be a little longer.

We sure scored there "cause this year got the earliest start on winter of several years past, and we noted that sometime back.

My goodness, if barber shop chairs could talk, I. E. Gray wouldn't have dared to let go of those old ones this morning in favor of brand new ones.

No sir, these barber chairs that have seated men through one of the most colorful periods of history in this section, could tell a novel that would make Dickens and the more contemporary masters look like slouches. They could also tell sad tales of the worst depression in the history of this country. They could tell first hand tales of one war and the reshaped tales of another war.

There would be the joys and sorrows of those hereabouts recorded for posterity and no doubt a few juicy morsels that the chairs wouldn't want to print in.

Only once or twice in our life have we had the privilege of intruding on this masculine domain. That was in the days when our locks were shorn and beauty parlor attendants weren't wielding the scissors and clippers.

But those few times in a barber chair let us in how men perk up for conversation when they hit those chairs. Yes sir, when a man's relaxed in a barber chair, he feels like talking, and visiting with the feller in the next chair.

And when two fellows get on that basis, not only the fur and whiskers but the talk files.

Yes sir, we wish we had the lore of those old chairs in our notebook. Wouldn't be long before the presses were flying with the most exciting news in history. But too bad, they're inanimate.

But tell you what, L. E., in this up-and-coming age there's no reason why recorders couldn't be installed for this generation of chairs.

### Ministers To Meet Thursday

A called meeting of the Ministerial Alliance of Ranger will be held Thursday morning at 9:30 o'clock at the First Baptist Church.

The meeting is called for the purpose of discussing the annual Thanksgiving services and all ministers of the town are urged to attend. Those in charge stated that business will be handled as rapidly as possible in order to take as little time as possible.

### FORRESTAL SUBMITS RESIGNATION; TO CONFER WITH TRUMAN TOMORROW

KEY WEST, Fla., Nov. 17, (UP) — Defense Secretary James Forrestal, who is ready to resign from the cabinet, will be President Truman's luncheon guest tomorrow.

White House press secretary, Charles G. Ross, told reporters today that Forrestal will fly here from Washington tomorrow and probably return the same day.

Forrestal, who returned yesterday from a brief tour of Europe, has said his resignation is in Mr. Truman's hands and that its effective date is up to the President.

Ross replied to a question whether the President had "summoned" Forrestal to his Florida vacation headquarters here. He

said the President invited Forrestal down for lunch during a telephone conversation this morning and that the defense chief accepted.

Rep. S. A. Rayburn of Texas, who is expected to become house speaker again when the Democrats take over control of Congress in January, also will be a presidential visitor tomorrow. Ross said Rayburn will arrive from his Bonham, Tex., home in time for dinner and stay until Saturday.

Air Secretary W. Stuart Symington was the President's luncheon guest yesterday. There have been rumors that Symington also may be planning to leave the Truman administration, but there was no evidence of it in yesterday's meeting.

Meanwhile, Mr. Truman contin-

## Judge Spurns Help For Woman

ODESSA, Tex., Nov. 17 (UP)—Friends of Mrs. Emma Louise Wilson will get 48 hours' notice to pick up the money they donated to help her pay the \$2,181 she is accused of embezzling from the Fort Worth Trinity Bank.  
Federal Judge T. Whitfield Davidson charged Mrs. Wilson's original 18-month jail sentence on one year on probation in a decision at Fort Worth yesterday.  
The Odessa, American, which

had started the fund raising campaign last Saturday, and Mrs. Wilson's personal friends could not agree with Judge Davidson, who said he didn't think the public should be asked to help her pay back the money.  
"We did not condone in any way the crime with which Mrs. Wilson was charged," Publisher V. L. Dobolt of the American said. "But when we learned that the Judge was lenient enough to permit her to return to her four daughters, we felt someone should help."  
"We were trying to help the children, and if we helped the mother in doing so, that was all

# Bulldogs Seek Eighth Victory Against Stamford

## SIX STARTING SENIORS CLOSE OUT GRID CAREER

By MARVIN GROSS

Almost two months ago to the day a strange assortment of raw little boys went out to play a football game. The consensus and a unanimous boys would merit cheers if they won two ball games.

But now at the end of a lovely road of successes—these same Ranger Bulldogs—the game weird collection of footballers—hit the road to Stamford tonight to go after their eighth win of the year against two defeats.

Added to their amazing season's play is the thought the Bulldogs are currently the number one team in the 8A conference. Technicalities deprive them of the chance to represent in play-off games but with a five and one mark they are the best—pending the outcome of the Hamilton-Dublin tilt.

They picked a tough one to wind up the year with. This Stamford Bulldog team although scuttled three times is a high-scoring, offense-minded eleven. Back on Armistice Day, Stamford gave undefeated Anson the fright of their 6A lives. A last period scoring drive lifted Anson from a 24-20 deficit to a 27-24 triumph.

A dangerous, tricky Stamford passing attack is spearheaded by quarterback Ted Sitton. Sitton tossed a couple of scoring chunks against Anson and has been doing the same thing throughout the year. On the ground the Bulldogs pack a similar punch with Jerry Leavitt, a zoom boy heading the running pack. The Stamford club has a mark of six victories and three defeats.

Ranger winds up the year putting on exhibition for the tenth time the same brilliant, well-coordinated T formation attack. Again the running front will be borne by the outside-inside punch of the Comacho.

As a power runner, Raymond Comacho has been a scourge to rival lines. Light for a fullback at 150-pounds, Raymond gets twice as much power from his well-mus-

cles frame—bolting straight into tacklers instead of taking detours. The younger edition, —Jimmy owns a churning twisting pair of legs that have carried him to the top of the Bulldog scoring parade. The 132-pound Jimmy has piled up 39 points for the year—running for four touchdowns and adding 15 extra points with his toe.

R. C. Smith, hampered by illness through part of the year is set for one of his better days. The spindly signal caller, flashes an effective passing game at times and is a master hand in his ball handling duties. Remaining place in the backfield goes to Kenneth Williams who paces the team in touchdowns with six markers for a total of 36 points.

Four starting linemen will be playing out the end of their high school career. Captain Keith Munnery, a fine inspirational leader at his end post does his last for the Bulldogs as does Jimmy Lee, another dependable wingman.

Two top-flight—almost great—tackles also call it quits. Frog Langley who has done the job so completely and effectively that too often he has been overlooked, climaxes a great year. And his running mate Marvin Wilson, the 205-pound giant, another defensive titan joins Langley in the farewell appearance.

### RANGERS RESUME SCRIMMAGE SESSIONS WITH ADDED VIGOR

Razer sharp after a four-day lay-off the Rangers ploughed into each other in earnest hard-bitten fashion at yesterday's resumption of drills.

Convinced that it's much safer to take the Allen Academy game first and look into the important Hillsboro affair later, the Rangers bounced each other around like extra lively ping-pong balls.

Although the Allen Academy lads from Bryan haven't caused any bowl sponsors to come running, they shape up as better than last year's outfit. In the rain and mud down at Bryan the Ranger eleven managed to eke out only a 7-6 verdict despite a wide statistical superiority.

Short on victories, Allen Academy won't be short in the weight department. The front line is bulwarked by two king-sized tackles—Gaines who weighs a mere 215 pounds and Hogan slightly slimmer at 208 pounds—almost a ton heavier than the Ranger starting tackles.

Other behemoths in that forward wall are left guard Barbee, an 197-pounder and pivot man Swanner who tips in at the same 197 pounds. The Academy lads run off a wing T formation mixing a goodly amount of passes into their offensive assault.

Hobbles and limps were noticeably missing from yesterday's Ranger drill. Bob Herrington, Edwin Crum, Bill Spivy, Ben Billeh and Claude Neeley were running and charging with old time vigor.

Yarbrough was pleased with the performance of his slightly altered first string backfield in the hot scrimmage session. The only switch has Bobby Gene Williams, the kicking artist taking over the offensive half back spot from Frankie Ford. Williams, the top

defensive back on the squad, has come along like a comet with his offensive work in the past couple games.

Forced to rely on a skeleton crew of offensive backfield men through most of the year, Yarbrough has a conditioned crew of reserves ready to step in. On hand for emergency running duties now are Frankie Ford, Claude Neeley, Bill Spivy, and "Sleepy" Boyd.

Perhaps the main forte of the Rangers this year has been their ability to score whenever they reach pay off territory. Only once or twice have the Rangers failed to shove it across when they have struck inside the 20. And, too, their generosity hasn't been noticeable—none of the opposition has been benefited by gift touchdowns—fumbles and the like.

The Rangers will conclude preliminary arrangements for the Allen contest with light workouts today. With the injury jinx just about overcome, Yarbrough will taper off from heavy physical contact to passing brush-ups and kicking drills.

Line Coach Rush will likely head down Hillsboro way to get a better line on the Turkey Day opponents in their game with Cisco. The Wranglers will be slight underdogs in the battle but can do the Ranger a neighborly turn by knocking off Hillsboro and softening them a bit for the Ranger crew.

### Pups Top Dogies For Second Time Taking 21-6 Win

The Junior High Pups having a fine old time this year playing the Eastland Dogies, dished out another drubbing last night at Maverick field, topping the Dogies 21-6 in a hard-hitting affair.

Coach Munnery's Pups showed about the same superiority as the results of the first 19-0 victory brought out. The potential Bulldogs led all the way scoring with the opening kick-off and only gave up a harmless third period touchdown to the outgouted Dogies.

Favoring their way through with initial boot the Pups sent J. L. Barnes over the extra point. The Pups upped their lead to 14 in the second quarter using the same combination—Barnes scoring and Eagwell adding the extra point.

Eastland temporarily got back into the ball game in the third period with a six-pointer missing the extra point but the Pups wrapped it up in the final quarter as Charles Massagee wriggled across and added the point for the 21-6 victory.

For the Pups it was their third winning effort against two setbacks—both at the hands of Breckenridge. They go after a repeat win over Cisco Tuesday night at Bulldog Stadium in the final appearance of the year.

Hey, It's Autumn

It may be leaf-falling season, but these won't. They're hung securely on the decorative Barbara Nichols who, for reasons unknown, was an exhibit at New York's National Hotel Exposition. Barbara and her big leaves were the hit of the show.

The 200 games registered by Doyle Lasater in the Premier League was the first in his short bowling career. His high series of 554 was slightly better than McGowan's high of 547.

High game of the week thus far for the ladies was turned in by Billie Maslov with a 220 effort. Billie is a native of Lubbock and her game is the first 200 or better game registered by a lady roller in the Ranger Bowl.

The Turkey Shoot scheduled for this week-end has created much interest and the first shift listed to bowl at 3 p.m. Sunday is composed of Clyde Ivy, Frank Oakley, Pete Dawn, Jim Newsome, M. W. Krajcar, L. L. Wood, Bob Robertson, Sam Elder, Allen Full, Price Crawley, C. E. May and H. G. Bridges.

Other bowlers in different shifts include Frank Hicklin, Jim Hicklin, Jack Elwood, J. D. Johnson, Fred Bonner, Richard Bonney, Doyle Lasater, and W. J. B. Weeks. Entries are open until Friday, Nov. 19.

Target enthusiasts soon may be able to obtain a bullet that cleans the bore of a rifle fouled by ordinary ammunition. The bullet is made of a powerful metal and an abrasive, according to the National Patent Council.

## BIBLE HEADS DRIVE

AUSTIN, Tex., Nov. 17 (UP)—Athletic Director Dana X. Bible of the University of Texas will head the 1948 statewide drive of the Gonzales Warm Springs Foundation, it was announced today. Foundation President Ross Boothe announced Bible had accepted the chairmanship of the drive, which runs from Thanksgiving Day to Christmas Day.

## Baylor Stars Fit For Heavy Duty

By United Press  
WACO, Tex., Nov. 17 (UP)—The Baylor Bears felt comforted today by the thought that half-back George Sims, tackle Buddy Tinsley and guard Bentley Jones would be ready to play against SMU Saturday.

Sims, Tinsley and Jones ran at full speed yesterday during a workout emphasizing ball handling. Earlier the Bears watched movies which showed the numerous mistakes they made in losing to Tulane in New Orleans last Saturday.

## Rice Arkansas Linemen Receive Weekly Honors

AUSTIN, Tex., Nov. 17 (UP)—Guards Tom Parsons of Rice and Ray Peters of Arkansas today enjoyed the deputation of being the Southwest Conference's linemen of the week.

They were chosen yesterday in a poll conducted by the Austin American-Statesman.

Conference sports publicity directors acclaimed Parsons, a 210-pound junior, for his blocking in Rice's 28-6 win over Texas A. & M.

Peters, a 190-pound senior, shared honors with Parsons for his play against Southern Methodist.

Other linemen mentioned in the newspaper's poll were end Morris Bailet of TCU, tackle John Hamberger of SMU, and Andy Hillhouse of Texas A. & M., and center Dick Harris of Texas.

Really a Quite Wedding  
LANCASTER, Wis. (UP)—It was unusually quiet at a wedding here. The ceremony united Dorothy Robbins and Nicholas Kasch, both mutes. They signified their "I do's," their eyes fixed on the pastor's lips.

"may I ask just one question please?"

What do YOU want most when you travel?"

"Who, me? I want lots of schedules... and prompt arrivals..."

"Everything's so high these days—I want to save money!"

"I'm interested in getting home from school week-ends."

"Then Greyhound! It serves hundreds of schools and colleges in all 48 states."

"I like to see things, meet interesting people, have a good time."

"I'm a salesman... I have to stop at all the little towns!"

"I'm way past 50—just give me comfort, relaxation."

"Well sir, Greyhound's going your way! Its Super-Coaches serve all the big cities—thousands of small towns."

"There's real riding ease in deeply-cushioned chairs. Drivers are world-famous for safe operation, courtesy."

"JUST ABOUT EVERY ONE I've asked has a different answer to that question!

"If your reply is like any of the ones above, there's one sure way in which you can save quite a lot of money, and have a better time—on almost any out-of-town trip. That's Greyhound."

"And, if you have some other pet preference, when traveling, my guess is that Greyhound will come nearest meeting it, too—in Super-Coaches built for long-ride, all-weather travel ease."

"The best way is to phone, or call on your Greyhound agent, next time you plan a trip anywhere in America."

## Search For Slayer Spreads To Okla.

BOCA RATON, Fla., Nov. 17  
 (UP)—The search for the killer  
 of Supt. Leno Lazzari and his  
 wife spread to Oklahoma today.

Police Chief W. H. Brown dis-  
 closed he had found an army iden-  
 tification disc bearing an Okla-  
 homa next-of-kin address in the  
 sandy soil outside the modernis-  
 tic studio home where the Laz-  
 zaris were slain early Sunday  
 morning.

"It looked as if it had only  
 been on the ground a little while,"  
 Brown said. He declined to re-  
 veal the name on the disc. Okla-  
 homa authorities were asked to  
 check the address.

### Flying Farmers Off On Trail Drive To Kansas

GAINESVILLE, Tex. Nov. 17  
 (UP)—Fifty-three planes flown by  
 Flying Farmers of four states took  
 off at 9 A. M. today bent on "re-  
 routing" the Chisholm Trail over  
 which some of them drove Long-  
 horn cattle 60 years ago.

The group, after a 11:30 A. M.  
 stop in El Reno, Okla., will begin  
 arriving in Dodge City, Kan., the  
 trail terminus, at 4 P. M., accord-  
 ing to Tim Osborne, operator of  
 the Gainesville airport.

The barbecue lunch and pro-  
 gram in El Reno will be followed  
 by a gala celebration in Dodge City  
 tonight, marked by a dinner-dance  
 and another program.

The theme of the programs is  
 centered around the progress  
 which has been made during the

## TEXAS NEWS BRIEFS

### By United Press

AUSTIN, Tex., Nov. 17 (UP)—  
 The 1948 general election vote  
 for Texas becomes official today  
 at a canvassing by secretary of  
 state Paul Brown.

In the presence of Gov. Beau-  
 ford Jester and Attorney General  
 Price Daniel, Brown will open and  
 count the returns.

Actually, the secretary of  
 State's office has been working  
 on a day-and-night shift for the  
 past week organizing the returns  
 from Texas' 254 counties for the  
 official canvassing.

And, in two races, the official  
 returns will remain a secret un-  
 til the convening of the legisla-  
 ture in January. The returns in  
 the governor's and lieutenant gov-  
 ernor's race then will be official-  
 ly counted.

## HOUSTON, Tex., Nov. 17 (UP)

A service station operator told  
 police today he was robbed last  
 night by a litta negro bandit who  
 jumped in his car as he slowed  
 down for a stop sign, took \$225  
 out of his wallet and jumped out  
 again.

L. A. Moore said the robber  
 held "something" against his side,  
 which he believed to be a gun.

HOUSTON, Tex., Nov. 17 (UP)—  
 Federal District Judge Thom-  
 as M. Kenney was expected  
 to rule today on a motion that the  
 \$250,000,000 (m) Texas City dam-  
 age suits be reset for trial next  
 June.

Government attorneys present-  
 ed Judge Kenney with such a  
 motion yesterday, claiming they  
 had not had sufficient time to  
 "adequately prepare" their de-  
 fense. Lawyers from some 2,000  
 persons and corporations suing  
 the government in the 259 suits,  
 consolidated to speed court ac-  
 tion, asked that the trial be held  
 Dec. 6 as scheduled.

The suits grew out of the  
 blasts in April, 1947, set off by  
 the explosion of ammonium nitrate  
 aboard the French ship Grand  
 Camp.

PASADENA, Tex., Nov. 16  
 (UP)—The city council last  
 night failed to act on the sale of  
 \$1,450,000 (m) in city bonds,  
 designed to finance water and  
 sewer improvements.

Commissioner Aubrey R. Cruse  
 suggested further discussion with  
 various bidders before any re-

 operates a plant on the south side  
 of Wichita Falls.

Some 50 witnesses testified  
 that fumes from the plant smel-  
 led like "dead salmon," "some-

The jury's verdict was that the  
 soap plant "discharged foul and  
 obnoxious odors into the atmo-  
 sphere, causing injury, damage,  
 harm or inconvenience to a per-

The plaintiffs now are seeking

An injunction to restrain the com-

gian-Germany border reported today that they had foiled a pork smuggling scheme involving drunks pigs.

For some time the guards have checked trucks bound for Belgium by poking sharp sticks into the cargo. Answering "oinks" betrayed any contraband hogs.

The last few days all was quiet along the pig-smuggling front. Today the guards found that three hogs didn't even flinch when prodded. The smugglers confessed that the pigs had been lullied into silence with alcohol.

**Railroads Start Wheat Embargo**

HOUSTON, Tex. Nov. 17 (UP)—A voluntary embargo on rail shipments of wheat from the Midwest was put in effect by railroads today to avoid traffic tie-up in yards at the port of Houston.

Port director W. F. Healy said some 800 cars of wheat and mixed grain were on hand, and that ap-

**POLIO RELIEF EFFORTS CURBING DREAD DISEASE**

By Barbara Bundschu United Press Staff Correspondent NEW YORK, Nov. 17 (UP)—Mrs. R. O. Pearson, a tall, blue-eyed 40-year-old housewife from Abilene, Tex., with a tight braid of blonde hair around her head, took a course in mercy.

She learned how to administer hot packs to children suffering from Poliomyelitis, how to feed them and take their temperatures, and when to call a nurse.

"But it was always something that happened to somebody else," Mrs. Pearson said today.

Then infantile paralysis came to Texas—1,612 cases where there had been 185 the year before, and to Abilene—49 children hospitalized at one time where there had been six at the height of last year's "season."

"We had a very sinking feeling," Mrs. Pearson said of herself and the 23 other polio emergency volunteers in her community.

"Seven suddenly developed colds," she said. "Or their grandchildren came for visits, or they just had to get out of town."

The other 16 women just gritted their teeth and went to work, Mrs. Pearson said.

"When something hits on all year, it's not romantic or exciting, it's just hard work. But it had to be done."

Mrs. Pearson and hundreds of other women in Texas and in other epidemic areas around the country did it.

"It was a frightening responsibility," she said. "At first you're afraid to do even the simplest task without asking the physical therapist if it's right. Then after a while the children get so they can tell you if you're getting it in the right place. And you get to know."

Mrs. Pearson is one of Texas' four advisers on women's activities of the National Foundation

**Woman Waives Extradition**

MCKINNEY, Tex. Nov. 17 (UP)—Mrs. Betty Janice Snyder, under FBI investigation in Oklahoma in connection with a Mann Act violation, has waived extradition and will be returned to Collin County sometime this week, District Attorney Paul Worden said today.

Worden has filed a technical charge of murder against Mrs. Snyder in the death of a baby girl in September, 1941, found by the road near the Collin-Dallas county line.

The incident came to light recently when Sheriff Ralph Tenneson of Enid, Okla., investigated Mrs. Snyder's story that her illegitimate daughter was smothered to death by its father and thrown into a ditch near Plano.

proximately 1,000 more were waiting on railroad sidings outside the city. That amount, Healy added, was a backlog of eight years.

The director said the railroads themselves will determine how many railroads reach the port each day.

**Vernon Man Held In Shooting**

WICHITA FALLS, Tex. Nov. 17 (UP)—Chancey G. Puckett, 26, of Vernon, Tex., was held on \$7,500 bond today on charges of firing seven bullets into the body of Merwin Browneller of Baltimore, Md., in a tourist court yesterday.

Browneller's naked body was found sprawled inside the tourist cabin by Night Clerk James Newland, who heard the shots.

Puckett was held in the Wichita County jail.

He surrendered in Vernon to Texas Ranger Jim Greer, who returned him to Wichita Falls. Puckett refused to make a statement. Meanwhile, police are searching

**Court Proposes Election Schools**

ALICE, Tex. Nov. 17 (UP)—Schools for election officials today were among suggestions offered by a Jim Wells County Grand Jury which has concluded its inquiry into election practices in the July and August primaries.

The jury, ending a two-week study of vote fraud, recommended changes in present election laws. It is said it had found complete evidence of laxity and lack of responsibility in holding elections. The investigation would not have been necessary had election officials exercised due precaution and care in handling election data the jury observed.

**MEET THE Star Performer for '49!**

You're invited to drive the New Hudson—the car that's nimble and rugged beyond anything you've known before!

"The modern design for '49"

Come in, try Hudson with the all-new, high-compression Super-Six engine (the most powerful American six built today) or the masterful Super-Eight. Both provide wonderfully alert power for a new type of motor car with an exclusive "step-down" design.

Milions say the New Hudson is the reigning beauty in the automobile parade—but you can't really know this great car until you drive it—and you're invited to do just that—now!

Hudson, with the new, 121 h.p., high-compression Super-Six engine or the masterful Super-Eight, takes you away with new zip, and outstrips the field with staying power.

But amazingly alive engines aren't the whole story of this star performer for '49. Hudson has a new lug-the-road way of going in cross-winds and on every conceivable kind of highway.

This all happens because—as is widely known—the lower to the ground a car can be built, the more stability it will have. Hudson has the lowest center of gravity in any American stock car!

This remarkable car has floors recessed down within a base frame (Hudson is the only car you step-down into), enabling Hudson to build the lowest car on the highway, only five feet from ground to top—while maintaining more than adequate head room!

You sense a delightful conformity to the road the minute you begin to ride, and this gives you a grand feeling of safe well-being! This feeling is further enhanced by the ease with which this car is operated, and by the quiet with which Hudson glides along.

Come in, let us show you why Hudson's great engines and fabulous "step-down" design principle\*\* put this car so far ahead of it is a protected investment in motor car value!

\*\*The many important advantages in Hudson's new "step-down" design are explained in a booklet available at the nearest Hudson dealer's.
