## County holds to 3% hike

The Castro County Commissioners' Court voted for a three percent increase Monday in ad valorem and county road taxes.

The commissioners voted 3-1 for the increase, which would raise ad valorem taxes from 13.31 cents to 13.70 per \$100 assessed valuation, and county road taxes from 6.56 cents to 6.75.

Commissioner Jimmie Howell voted against the increase.

Last year's ad valorem taxes raised \$523,042. The same 13.31-cent rate this year would have raised only \$499,868 on the new tax base. County road taxes collected last year were \$258,236, and the same 6.56 rate would have brought in only \$245,058 this year. The new 13.70 rate will net an extra \$14,600 this year, while the 6.75 road tax rate will add an extra \$7,097.

With the three percent increase, the Castro County budget of receipts for the fiscal year 1982-83 will total \$1,481,193.88. This total was figured on a 90% collection rate.

The budget of disbursements for 1982-83 totaled \$1,388,954.01, following an \$11,000 increase for utilities, and \$10,000 allotment for fire

departments in the county.

The Castro County Fire Association presented a \$73,697 budget figure to the Commissioners' Court at the general budget hearing Monday morning.

The commissioners discussed the budget proposal and decided to allot \$2,000 to the Dimmitt Fire Dept. and \$1,000 each to the departments in Hart, Nazareth and Sunnyside. They also voted to add \$5,000 to the general fund for all the fire departments.

The commissioners will meet Sept. 27 to discuss salaries and approve the general budget.

Gary Rainwater of the Running Water Soil and Water Conservation District met with the commissioners Monday morning to discuss the county's responsibilities on the dam site four miles east of Sunnyside.

The Revenue Sharing hearing was held from 1:30 to 2:30 p.m. No one made any alternate suggestions for the county's proposed use of the funds.

Next Wednesday, county commissioners and Judge Polly Simpson will attend a highway commission meeting in Austin.

Commissioners also discussed a trip to Abilene Oct. 13-15 for the State Conference of Judges and Commissioners.

FIRST-PLACE ORGANIZATIONAL FLOAT in the big Harvest Days Parade Saturday morning was this colorful creation by the Alpha Chi Omega chapter of Beta Sigma Phi sorority, proclaiming that "What the World Needs Now Is Home-made Happiness." The parade was the biggest in Dimmitt in years,

and was one of the highlights of an exciting celebration that also featured the County Fair, Follies, Harvest Days Run, Old Settlers Reunion, pet show, bed races, children's olympics, two dances, two barbecues, firemen's reunion, fiddlers' contest and museum open house.

SMILIN' IN THE RAIN at the Harvest Days pet show Saturday morning is Carla Petty, 5, of Dimmitt, daughter of Mr. and Mrs. Arlie Petty. Her cat, Domino, won first prize for Best Mixed Breed Cat. The show was held on the lawn of the courthouse in Dimmitt.

'OH, BUSTER,' exclaims Cody White, as his dachshund, Buster, is awarded first prize for the Youngest Dachshund at the pet show, held as part of the Harvest Days activities in Dimmitt Saturday. Cody, 2, is the son of Mr. and Mrs. Ray White of Dimmitt.

## Pet Show awards 42 first placings

Although light sprinkles of rain dampened the animals' fur, the spirits of the pet owners were not dampened at Saturday's pet show, as each pet was awarded a first place ribbon.

Held on the courthouse lawn in Dimmitt in conjunction with other Harvest Days activities, the pet show was sponsored and judged by Dimmitt veterinarian W. J. Hill. Forty-two prizes were awarded to 46 pet owners.

The list of winners and their categories includes:

Melisa Widick, Best Blue Heeler; Christy Stroud, Cutest Mixed Breed; Justin Stroud, Youngest Australian Shepherd; Ron McKay, Longest Tail; Justin Roberts, Blackest Chihuahua/Dachshund Mix; and Jennifer Carter, Best Scottie.

Also, Wendy and Jason Trayler, Best Female Dachshund; Charles Whitman, Best Poodle Mix; Pat Whitman, Best Terrier Mix; James White, Prettiest Poodle; and Michelle Caddell, Best Groomed Pic-A-Poo.

Along with Joel and Jared Townsend, Oldest; Cody White, Youngest Dachshund; Susan Waggoner and Laura Waggoner, tied for Smallest Dachshund; Tony and Derick Bryant, Best Groomed Schnauzer; Barbara Moss and Casey Summers, tied for Best

Male Dachshund; Michelle Schumacher, Blackest Terrier Mix; and Tucker Schumacher, Prettiest Bassett.

And, Mark and Chad Rogers, Smallest Sheltie Pup; Brant Baca, Best Male Sheltie; Jackie Thomas, Youngest Black Cocker; Venessa Pigg, Prettiest Face; Teresa Sanchez, Cutest Cocker; Joyce Bills and Carolyn Downing tied for Best Female Sheltie; Kirk Webb, Oldest Mixed Breed; Tawnee Matthews, Prettiest Hair; Eric Sammann, Best of Breed Husky; and Jill Davis, Blackest Cat.

## Scott Simpson wins state

Dimmitt's Scott Simpson recently won first place in statewide competition with his

Simpson, a Dimmitt High School junior, has entered a 4-H dairy record book in state competition for the last three years. This is the first time he has won.

He was judged on his leadership, the goals he set and how he achieved them, his projects and activities, his citizenship and community services and in other areas.

Simpson will attend the National 4-H Congress session in Chicago in November.

## Crime Line offers \$300 in rewards

Crime Line is offering \$300 in reward money for information concerning this weeks two spotlight crimes.

Sometime during the night last Wednesday, vandals threw a rock through the windshield of a US Government pickup truck. The pickup belongs to the Soil Conservation Dept., and was parked behind their office on West Bedford when the damage was done. The damage has been estimated at \$200. A \$100 reward is offered for information about the crime.

Sometime between 12 midnight and 7 a.m. on Feb. 23, the Tide Products warehouse was burglarized. A 30-gallon drum and 28, 2 1/2 gallon containers of Treflan® were stolen.

The Treflan® is valued at \$3,100.

If you have information concerning either of these crimes, call 647-4711. When you call the Crime Line method of protecting your identity and paying rewards will be explained to you. You will not be asked to give your name. You will be assigned a number to use in follow-up calls.

Crime Line donations may be mailed to Castro County Crime Line, Inc., P.O. Box 1111, Dimmitt.

The program is entirely supported by contributions.

## 663 receive fair awards

With about the same number of entries as last year, the Castro County Fair awarded 435 ribbons and prizes in the adult division and 228 ribbons and awards in the youth division.

County Home Demonstration Extension Agent Teresa Nutt said that the category that showed the most increase over last year was the garden products in the youth division.

Best of Show awards in the Adult Division went to Millie Birkenfeld in the Canning Section, Catherine Hochstein in Clothing, Jack Ingram in Garden Products, Frances Frazier in Arts and Crafts, Barbara Scroggins in Baking, Carole Ellison in Horticulture, and Homer Nisbett in Photography.

In the Youth Division, Best of Show awards were presented to Kara Schulte in Canning, Patsy Birkenfeld in Clothing, Leslie Nelson in Garden Products and Faye Killough in Arts and Crafts.

The complete list of winners is on page 2 of this issue of the News.

## DISD seeks 8% increase

The Dimmitt School Board voted Monday night to propose to exceed by more than 3% the effective tax rate established by the Castro County Tax Appraisal District.

The appraisal office arrived at the figure of 72.52 cents per \$100 of appraised valuation for the school district's effective tax rate — the amount needed to raise the same amount of tax revenue as last year.

By law, the district could raise the effective rate by 3% without having to take any additional action. But in order to exceed the 3%, public notice must be given of the intent to increase, and a public hearing on the matter must be held.

According to figures drawn up by DISD Business Manager Gene King, the allowable 3% increase (up to 74.7 cents) would generate \$1,726,806 in revenue — enough to cover the \$1,722,832 proposed budget. However, at the estimated 95% collection rate, only \$1,640,465 would be on hand. 1981's tax roll saw only a 93% collection rate.

"In order to allow for those accounts that always turn up uncollectable, we need to increase the effective tax rate by about 8%, bringing it up to 78 cents," King explained, adding that this would still only bring in about \$1,719,964 in revenue at a 95% collection rate.

"Even if this leaves us with a deficit budget, when the dirt settles at the end of the

(fiscal) year, I think we'll come out all right," said Supt. Robert Ryan.

The school board set the required public hearing for Sept. 23 at 7 p.m. in the school administration building on West Halsell Street. At the meeting, the proposed increase will be the only item on the agenda and board members should be present to discuss the proposal with taxpayers. Also, the date, time and place will be announced for a second public meeting for the final adoption of the proposed increase.

After receiving a report from Honeywell, a heating systems firm, on the condition of the heating systems in the three schools in Dimmitt, the board voted to take a \$3,500 "gamble" in having the old systems repaired, rather than replacing an entire boiler, as recommended by Honeywell.

Estimates by Honeywell included a \$21,151 cost for repairs and \$30,000 for replacement of the boiler in the part of Middle School formerly called North Elementary.

Wanting a second opinion, King called a representative of Bailey Boiler Co. of Lubbock, as well as the boiler inspector from the school's insurance company.

"The insurance inspector's opinion was a lot closer to Bailey Co.'s than to Honeywell's," King said. "He said he felt it would not be necessary to replace the boiler, but did recommend several changes and repairs that needed to be made."

Bailey Co. said it could make the same repairs as Honeywell, plus repairing the boiler, for between \$10,000 and \$15,000 — \$3,500 of which would be on the boiler.

However, if after the boiler is repaired, it does not stand up to a safety pressure test, it would have to be replaced anyway. The board voted that the savings realized would

make it worth the gamble.

The board opened bids on the purchase of a new car to be used by Ryan. The bid from Larry's Chevrolet-Pontiac was for \$9,595.70, and the bid from Stan Byrnes Ford was for \$9,600 — a difference of only \$4.30.

Because of the small difference in bids, the board agreed to leave the selection to Ryan's personal preference.

Ryan said he was used to driving a Ford, so the board agreed to purchase the Ford car.

In other business, the board:

—Voted to contribute \$300

to the Castro County Crime Line reward fund, since "We have considerable property value and are susceptible to vandalism and theft."

—Appointed Andrea Hinojosa and Mr. and Mrs. Juan Rodriguez as parent members of the Language Proficiency Assessment Committees for Richardson Elementary and Middle School, respectively.

—Agreed to increase the pickup lease allowance for Larry Gray from \$2,300 per year to \$2,600 per year, because he is purchasing a larger pickup capable of pulling the FFA gooseneck stock trailer.

## Parade biggest in past decade

The Dimmitt Cub Scouts, First State Bank and Alpha Chi Omega chapter of Beta Sigma Phi sorority were the big winners in the 1982 Harvest Days Parade Saturday.

Their floats captured the first-place divisional trophies against the toughest competition in years.

However, there were no losers. The hundreds of people who worked on entries produced one of the biggest, longest, most colorful parades in the last decade here.

Award winners were:

Organizational Division: 1, Alpha Chi Omega chapter, Beta Sigma Phi sorority, 2, League of United Latin American Citizens, 3, Dimmitt Young Homemakers.

Youth Division: 1, Cub Scouts, 2, Brownie Scouts, 3, Girl Scouts.

Commercial Division: 1, First State Bank, 2, Killingsworth True Value Hardware, 3, Continental Telephone Co.

Girls' Bicycles: 1, Brandi and Tisha Rice, 2, Rochelle Portwood, 3, Holly Edwards.

Boys' Bicycles: 1, Jason Jackson, 2, Robert Blake Ellis, 3, Eric Ray Mays.

Although no awards were given for antique vehicles, the parade featured a 1926 Model T Ford driven by F. C. Brewton of Hereford, Wade Maynard's 1927 Model T forgi roadster, Winston and Ed Waggoner's 1929 Model AA Ford truck, Michael Goolsby's 1936 Chevrolet coupe, Don Moke's 1946 Chevrolet pickup, a 1950 Chevrolet 1 1/2-ton truck entered by the Easter Lions Club, Paul Flores' 1950 Ford pickup which pulled the high school victory bell with

the junior high cheerleaders, an antique Farmall tractor driven by David Hays, and an antique tractor and combine driven by Donald Wright and his sons and Edwin "Goose" Ramey.

Parade marshals were Charley and Edith Graef, riding in Dan Nelson's replica of a 1928 Model A.

## Pro family forum set at Hart

The Pro Family Forum of Hart is sponsoring a candidate forum next Thursday, at 8 p.m. at the Farmers State Bank at Hart.

Candidates who have agreed to attend are Sen. Bill Sarpalus, John Kirchoff, Judge Polly Simpson and Winston Waggoner.

Members and interested persons are invited to attend.

## DHS 1957 class reunion set

The Dimmitt Class of 1957 will have a reunion Oct. 1 following the homecoming football game.

A reception will be held at City Hall after the ballgame. A catered dinner will be served at 6:30 p.m. at the Dimmitt Country Club on Saturday, Oct. 2.

Anyone needing more information should call Howard Smithson at 647-2301.

## Reception to fete Sharps

A reception honoring Charles and Mary Dell Sharp is set for Sunday from 3 to 5 p.m. in the lobby of the Farmers State Bank of Hart.

Sharp is the new president of the bank, having moved to Hart from Carlsbad, N.M.

The reception is being hosted by the directors and employees of the bank, and the public is invited.

FUN IN THE BARN YARD—Jenniver Hanners dances and sings on center stage as Dainty June in a lively, colorful production number in the Harvest Days Follies. Thirty-one other children in the big act are portraying a moo-cow, chickens, a spotted dog and dancing farm kids. "Dainty June" was

one of the highlight acts in the one-hour Follies production. Directed by Jeff Isaacs, the Follies had two performances Saturday and Sunday. The Follies was sponsored by the Chamber of Commerce, with proceeds going to the Dimmitt chapter of the American Field Service.

# Swifts, Tigers tie, 0-0

By JEANIE WILHELM  
The Nazareth Swifts had to settle for a scoreless tie Friday night in a non-district game against the Groom Tigers at Groom.

Nazareth had several penetrating drives, but were always stopped short of a score by the Tigers' defense. The Swifts were held on the 1-yard line at the end of the first half. The Tigers' defense also blocked a field goal at the end of the game.

Another factor that hurt the Swifts was turnovers. Groom recovered two Nazareth fumbles and intercepted two passes. The Swifts had only one interception and didn't recover any fumbles. The Swifts beat Groom in statistics. The Swifts had 263 yards rushing and 30 yards passing while the Tigers had only 155 yards rushing and 3 yards passing. Nazareth had 13 first downs and Groom eight.

| 7-60             | Penalties-yards 6-59  |

Coach Ken Cole said he was proud of the jobs done by George Hochstein and Marvin Schmucker.

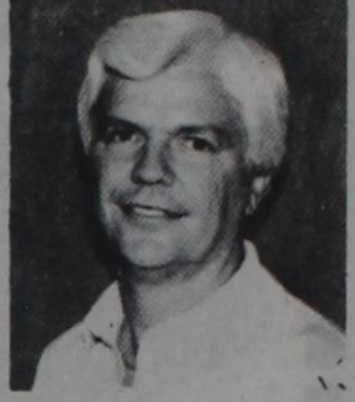

Rodney Schulte led the Swifts in rushing with 110 yards on 21 carries. Marvin Schmucker carried the ball 20 times for 88 yards.

Groom's leading rusher was Roy Rutherford with 79 yards on 17 carries. Russell Britten wasn't far behind Rutherford with 71 yards on 18 carries.

"We played hard, but executed poorly," commented coach Cole. "We feel like we can play better football and, in time, we will. The offensive line needs to gain consistency, and the skilled players must execute the offense better."

"Compared to other teams in our district, Groom would be one of the poorer ones," said Coach Cole.

Friday the Swifts will meet a county foe. They will travel to Hart to play the Longhorns at 8 p.m. "If we play up to our potential, we should have a good chance against Hart," said Coach Cole.

# Lorenzo tops Hart 21-0

Longhorn turnovers and an opportunistic Hornet defense led to a 21-0 Lorenzo victory over Hart Friday night at Lorenzo.

The Longhorns moved the ball on several occasions, but their miscues kept the game from getting any closer.

The Hornets got their first break when Hart fumbled on its third play from scrimmage and Lorenzo recovered at the Horns' 35-yard line. It took the Hornets only four plays to score against a stunned Longhorn defense. John Lawson

went the final 15 yards over left tackle for the game's first score. Max Mata added the extra point kick to give Lorenzo a 7-0 lead with 9:04 still left to play in the first quarter.

Hart dominated the remainder of the first quarter, mainly on the running of Dale Scott, Bone Diaz and Arthur Finch. The Horns drove to the Hornet 12-yard line, but an intercepted pass by Ricky Miller on the 1 stopped the first Hart threat.

After the Hart defense,

forced Lorenzo to punt out of its end zone, the Longhorns again had the ball in good field position at the Hornet 35-yard line. But after one first down, Lorenzo intercepted its second pass of the evening to stop another Longhorn scoring threat.

The Hornets used the turnover to ignite their offense as they drove 69 yards in only nine plays, primarily behind the running of Worth Jennings and John Lawson, for a touchdown. However, it took a fourth-down pass from Jackie Gestes to Russell Watson to get the score. The kick was no good, leaving the score at 13-0 in Lorenzo's favor with 6:22 remaining in the half.

On Hart's next possession, a mistake in handling a punt

snap resulted in a blocked punt. The miscue set up the Hornet offense at the Hart 1-yard line. The Longhorn defense stiffened, but on fourth down, Hornet fullback Jennings carried over from the 1 with 3:34 left in the half. Lorenzo quarterback Jackie Gestes passed to Russell Watson to hike the score to 21-0 in Lorenzo's favor.

Hart took the kickoff and drove to the Hornet 33 behind the running of Dale Scott, Bone Diaz, Arthur Finch and Bobby Valadez. But as time was running out in the half, the Longhorns were again stopped by an interception, this time by George Chavez of the Hornets.

The second half proved to be a defensive battle by both teams. The Longhorns rose to the occasion twice in stopping Hornet drives. Leading the Hart defensive charge were Robert Martinez, Chris Reyna, Bobby Valadez, Dale Scott and Darrell Ethridge.

Hart managed several short drives, but penalties and missed assignments kept the Longhorns out of the Hornets' end zone. Lorenzo posted its second victory by a 21-0 count. Hart's record now stands at 1-1.

"Our kids played hard, but mistakes and turnovers killed us," commented a dejected Coach Ken Hoskins. "The effort from our kids was good, but we missed too many tackles on defense to really deserve to win. I was proud that our kids played with some enthusiasm in the second. They showed a lot of pride and character in not giving up."

Hart will entertain archival Nazareth Friday at 8 p.m. The Swifts are 1-0-1 after being tied by Groom last week, 0-0.

## Kiwanians say no to banquet

The Dimmitt Kiwanis Club has decided to not have a traditional installation banquet this year, but rather to conduct the officers' installation and award of honors during one of the club's regular noon meetings.

"We would still like to have a special meal to share with our wives some time during the year," Club President Jimmy Davis said. He appointed Gene King, Richard Stahl, Duward Davis and himself to serve on a committee to set up the special family activity.

The date for the installation ceremonies has not been set yet. Charles Richard, Jack Patton, Bob Murdock and Doyle Wassom were appointed to select the recipient of this year's Kiwanian of the Year award, to be named at the installation.

Jerry Heller will present the program next week on the new appraisal values and their effect on taxes.

Key Clubbers Michael Love and Doug Nelson were guests at the meeting, along with prospective member Corky Lockmiller.

## Democrats vow to help farmers

"It's going to be real easy to vote a straight ticket this year," said County Democratic Chairman Bart Kaderly after attending the Texas Democratic Convention in Dallas last weekend.

Kaderly headed the Castro County delegation of Carl and Frances King, Susan Kaderly and Ronnie Parker.

It was Kaderly's first Texas Democratic convention, although he has attended Ohio state conventions.

"I was impressed with the harmony of the convention," he said. "It was very open; you didn't have a bit of problem bringing any business before the convention. Also, I was impressed with the whole slate of Democratic candidates."

The convention, held in

Dallas' Convention Center, adopted King's resolution calling for mandatory, paid 40% diversion of major commodities, and a loan rate that would enable a farmer to recapture his expenses of growing a crop.

"Carl's resolution is the heart of the state party's whole agricultural platform," Kaderly said. "It's the only method we have to balance our production with what we can sell, and get a price out of our crops that will pay our bills."

"Every one of the speakers talked about the importance of our farm economy, and that the country can't have a viable economy without a strong agricultural economy. Every one of them stressed that. It gives you reason to hope."

## Local Republicans attend convention

Chet Upham of Mineral Wells and Dorothy Doehne of San Antonio respectively were elected Chairman and Vice Chairman of the Republican Party of Texas this weekend at Austin by the 3,000 plus delegates in attendance.

Over 6,000 delegates alternates and guests were in attendance at the State Convention.

Jim Brandon of Amarillo and Lottie Eller of Pothandle

were elected District Committeeman and Committeewoman for the 31st Senatorial District, of which Castro County is a part.

Attending from Castro County were Winston Waggoner, Linda Merritt, and Deanne Clark, delegates. Each of the statewide candidates, Senator John Tower, and Malcolm Baldrige, Secretary of Commerce addressed the convention.

Electricity is a product that must be manufactured. To help our customers understand the process of generating electricity, we offer tours of our power plants. Tour guides conduct business and civic organizations, clubs, school classes and other groups through these plants, discussing equipment and the production process according to the ages and interests of tour participants. Contact your SPS manager to arrange for your tour of a power plant.

Susan McKissack, Plant Clerk, Harrington Station.

SPS has a Speakers Bureau. Our specialists are available to present programs on such topics as using energy wisely or how electricity is made from coal. These programs, designed to inform our customers about electric energy and related subjects, are available at no charge for schools, clubs or other organizations. Many programs include special demonstrations, slide shows or films. Your local SPS manager can suggest a speaker for your next meeting.

Randy Eminger, Consumer Services Representative, Lubbock.

You and SPS are partners in energy management. SPS does its part by operating its power plants as efficiently as possible and by planning now for future demands for electricity. You do your part when you use electricity wisely. Remembering to switch off lights and appliances when not in use can help keep down your electric bills. Insulating your home or using energy-efficient appliances, like the heat pump, can help too. Working together to manage electricity benefits us all.

# Allen, Wait to wed

Mr. and Mrs. John Price of Friona and Mr. and Mrs. John E. Wait of Dimmitt announce the engagement and approaching marriage of their children, Connie Allen and Gene Wait.

friends of the couple are invited to attend. No invitations are being mailed locally. The prospective groom attended Dimmitt High School, and is working towards being a diesel mechanic. He is scheduled for 18 weeks of National Guard training in South Carolina, beginning Oct. 4. The couple plans to reside in Dimmitt.

# Sorority has meeting

The Iota Zeta Chapter of Delta Kappa Gamma had their first 1982-83 meeting Monday at the First United Methodist Church.

Refreshments of Philly cake and orange sherbet punch were provided by Verbie Nelson, Elsie Smith, Grace Strother, and Ruth Wooten.

Sam, Jr. and Dora Espinosa are the parents of a boy, Joe Samuel, born Aug. 31 at Central Plains Regional Hospital in Plainview. He was born at 11:30 p.m., and weighed 7 pounds, 6 1/2 ounces. He was 19 1/2 inches long. Grandparents are Sam and Angie Espinosa and Joe and Maria Ortiz, all of Dimmitt. Great-grandparents are Joe and Viviana Sanchez of Corpus Christi.

# Bermea finishes course

Pvt. Rudy Bermea, son of Ramon and Felipa Bermea of Nazareth has completed a tracked-vehicle mechanic course at the US Army Armor School, Fort Knox, Ky.

During the course, students were trained to repair engines, transmissions, and the fuel, electrical and air hydraulic systems of the Army's tracked-vehicles. They also learned to perform recovery operations for abandoned, damaged, disabled or mired vehicles.

THE AVERAGE American drinks 359 cans of soda a year.

Large sizes save money Nichols wins state swim competition

Will buying the "large economy size" save money on your grocery bill?

"As a rule, food in large containers costs less than the same amount in smaller containers," says Mary K. Sweeten, food and nutrition specialist for the Texas Agricultural Extension Service.

Leftovers that can't be stored properly, conveniently and safely may end up costing more, she says. If meals become monotonous, the large economy sizes may not be worth the money saved.

"However, if the food can be stored and used, buying large amounts can be easier. It will reduce shopping trips and save money on the food bill," Sweeten says.

Compare the cost per unit — ounce, pound or pint — of food from different sized containers. Look for "price per unit" on the display shelf or above the compartment. If unit pricing is not used, figure it by dividing the price of the item by the number of ounces it contains.

"Be an informed shopper! Start relying on unit pricing to help you make an educated decision about the most economical food container size to buy," Sweeten says.

Representing the City of Plano Swimmers (COPS), John Nichols won the Texas State Championship in the 200 meter Butterfly today at 200 meter Butterfly recently at the Texas Age Group Swimming finals.

He also was a member of the 400 meter medley relay that set a new national record later in the meet.

Nichols' time was .07 seconds short of qualifying for the National Jr. Olympics in California held on August 30.

Nichols is the grandson of John and Flo Nichols of Tulia, former Dimmitt residents, and the son of Jack Nichols of Plano.

'Safety Week' begins Sunday

County Judge, Polly Simpson has proclaimed Sunday through Sept. 25, as Farm and Ranch Safety Week in Castro County, at the request of Gale Sadler, president of the Castro County Farm Bureau.

This marks the 39th Annual National Farm Safety Week, co-sponsored by the National Safety Council and the US Department of Agriculture. The theme for the 1982 observation of Farm Safety Week is "Make it a safe harvest."

In the proclamation, Judge Simpson said, "There is a basic set of safety practices that apply to the operation of all harvesting equipment." These include:

- Read and heed the operator's manual for each machine in your harvesting operation.
- Make sure all workers are trained and competent to do their jobs safely.

-Keep all shields in place. Stay away from unshielded, moving parts.

-Always disengage the PTO or drive, then turn off the engine before unlogging, servicing or fixing a harvest machine. Failing to do so is a major cause of harvest-time amputation accidents.

-Adjust ground speed to field and crop conditions. Watch out for obstacles, ditches, steep slopes, overhead powerlines and such.

-Keep children and non-workers off and away from equipment.

-Wear appropriate personal protective equipment when the job or job conditions call for it. Wear well-fitting clothing that gives ample skin protection and has no loose ends to be caught by moving parts.

-Take work breaks with refreshments (non-alcoholic) to reduce fatigue and restore alertness.

Joe Smetana, Texas Farm Bureau Safety Director of Waco, said, "There is a slogan that all harvest machine operators should learn to live by — Lock it — block it — or don't get under it." According to Smetana, this means before crawling under the header, double check that its safety latch or jack stands are locked into place, or that it is solidly blocked. The heavy header can fall if the hydraulic force holding it up is relaxed because of system failure or someone (or something) activating the control. Such a mishap can mean serious injury. Clear obstructions or work on the header only when the engine is turned off.

ONE hundred and ninety-five years ago, men gathered in Philadelphia to mend and remold a divided land. The Articles of Confederation which had gone into effect in 1781 had failed, and the task of creating a new national government was immense. The Daughters of the American Revolution remind you that the week of Sept. 17-23 is Constitution Week, and urge you to know and to use the liberties provided for you by our Constitution.

DEBATING whether to purchase fresh, canned or frozen produce? According to Dr. Dymple C. Cooksey, food and nutrition specialist with the Texas Agricultural Extension Service, fresh produce — when in season — is almost always the most economical.

### Gayle Book receives scholarship

Gayle Book of Nazareth recently received a full scholarship in cross country and track from San Angelo State University. Miss Book, the daughter of Mr. and Mrs. George Book of Nazareth, has run on the West Texas State track team the last three years. The 1979 graduate of Nazareth is a senior business major.

### Carnival booth reservations being taken

This year's Halloween carnival is set for Oct. 28-30, and anyone wanting to reserve a booth should do so now. The carnival will be held at the LaMantia potato processing shed on East Halsell. All booths and activities must have prior approval. Anyone interested should call Roger Allison at 647-3417.

### Senior Citizens

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 8 a.m. to 4 p.m. There is always someone there to visit with and all types of table games are available. Dominoes, forty-two, and bridge, crafts and quilting go on every day. There is a nutritious meal served every noon, Monday through Friday, from 11:30 a.m. to 1 p.m. The Social Security representative will be at the Senior Citizens Center on Thursday, September 16, at 1 p.m. There is a Bible study on Monday noon. There will be a covered dish supper and an evening of table games on Tuesday at 6:30 p.m.

AWARD WINNERS at the 1982 Castro County Old Settlers Reunion Saturday were (from left) Mrs. Mary Alice Phillips [the former Mrs. Tom Hamm] of Coleman, who won the distance award; Mrs. Faye Holland, 89, oldest woman at the reunion; Mrs. Dora Johnson, longest-time resident (since her birth here in 1901); and Edwin "Goose"

Ramey, 92, oldest man present. On display behind them is a quilt made by the Senior Citizens of Castro County, featuring full-color panels of all the state birds in the US. More than 180 attended the Old Settlers Reunion, which included a basket lunch, business meeting and visiting in the Senior Citizens Center.

THE EARLIEST recorded parachute jump in the US was made in 1838 by balloonist John Wise, who made a 13,000-ft. descent in an inverted chute.

TRUCK RACE at the Fun Olympics was held Saturday as part of the Harvest Days activities in Dimmitt. The Olympics were sponsored by the Dimmitt Young Homemakers Club and were held on the east side of the County Expo Building. Club member Carmen Henderson [far right] stands at the turnaround point for the three-and-four-year-old racers. Events were also held for children in age groups of five-and six-year-olds, seven-and eight-year-olds, and nine-and ten-year-olds.

Sunnyside

Corn harvest underway

By TEENY BOWDEN
Corn harvest started in the community Monday, Sept. 6, with Brent Beene bringing in the first load to Sunnyside Grain and Supply. Farmers Grain Leg received its first load Wednesday the 8th even before the repairs on the south end of the building were completed. Construction crews began work on it about two weeks ago. Doug Loudder brought in the first load there. John Gilbreath and Milburn and Eddie Haydon started cutting Monday for Estacado Industries Lamb Feeding Division. Jackie Clark also started Monday but is going to the dryer with his. Several others in the community are cutting this week. A few have finished. There was little ensilage cutting this year.

while they were away. Mrs. Ila Haydon was admitted to the Littlefield Hospital Tuesday with cracked ribs and pelvis after being involved in a car-truck accident in Littlefield. The Week of Prayer for State Mission got underway Sunday morning with an emphasis on the week from Mrs. Richard Clymer who has charge of the programs, and the R.A.'s who presented the Texas and Christian flag and a sketch of a circuit rider missionary. Terri Carson also sang "Reach Out," the theme song for the week. The pastor also presented the book, "More Than Just Talk" to Willie Mae Sadler, Baptist Women president, Phyllis Bridges, Baptist Young Women's president, and Teeny Bowden, Secretary-Treasurer from the Home Mission Board in appreciation of the church's 1981 Home Mission gifts which placed the church in the top 10 churches

in Texas for per capita gifts. The pastor preached a missionary sermon. Sunday night slides and a filmstrip were shown with cassette tapes on the River Mission. Manuel Chasco killed an 11-rattler and a button rattlesnake on the road west of Sunnyside Thursday. It was about four feet long. Another large rattler was run over at the intersection of Highway 385 and FM 145 on the west side of Hwy. 385 at the median on FM 145 earlier in the week. The rattlers were mostly gone, but from the size of what was left it had several. They are evidently on the move, and are dangerous at this time of year. Mr. and Mrs. Carl Dean Carson, Deakon and Joshua, entertained some friends for supper in their home Saturday night. Those present were Perry and Phyllis Gruhley and Coby and Gary and Lisa Richardson and Aaron of Dimmitt, Brad and Sharon

Bridges and Christina of Springlake, Mrs. A. L. Aven of Hart, Lillian Carson, Lee and Louise Bradley, Sharon, Jack, Justin and Joel, Bruce and Phyllis Bridges, Erin, Robin and Jonathan, Danny and Kelly Quisenberry, Don and Sherry Ott, Shannon, Misty, and Meri Lyn, Terri and Lance Loudder and Lacy, and Gale and Verna Sadler. Lon and Carrie Munsey, David and Jonathan of Electra spent the weekend with Rev. and Mrs. Richard Clymer, John, Daniel and Tom who was home from Plainview for the weekend. They attended church with Tom at Fieldton Sunday, and spent Sunday night with the Clymers. Verna Sadler visited with Martin and Susan Lefevere and Ryan in Brownfield Friday. Susan and Verna went on to Hobbs to visit with her sister, Rev. and Mrs. Don Smith in the hospital at Hobbs. Mrs. Smith had undergone major surgery.

Nazareth

Birthday party fetes Meta Stork

By VIRGIE GERBER
A large crowd of friends and relatives attended the "open house" for Meta Stork in honor of her 85th birthday. It was held at the Senior Citizens Center on Sunday afternoon and hosted by her daughters. Catholic Young Adults (CYA) of the area in conjunction with the United Catholic Appeal and Bishop's Retreat Center will sponsor a Bishops Fund dance on Sept. 25 at the Nazareth Community Hall, admission \$3.00 per person. Proceeds will go directly to the Bishop to be divided between many projects of the Diocese. Rough Riders will play from 9 to 1, during that time a dance contest and raffle will be held. Everyone invited and urged to attend. Jean Bell of Fort Worth and Evelyn Hill of Lubbock were here Sunday to celebrate their mother's birthday. Evelyn

returned home Monday and Jean spent several days here with her family. Albert Schulte is still a patient in St. Anthony's Hospital. He is in room 363 for those wanting to send him a card.

Crosswalk guards needed

The Dimmitt Police Department is seeking citizen volunteers for the position of crosswalk guard. Requirements include safely crossing school children in the crosswalk areas, own transportation, and applicants must be willing to work morning and afternoon shifts. Equipment for the position will be furnished. Call or go by the Dimmitt Police Department for further information.

A large number of fans enjoyed the Rough Riders 2nd annual concert at the ball park Sunday afternoon. The Knights of Columbus furnished refreshments and hamburgers with the proceeds going to the Deaf School which is one of their projects. Congratulations to Lester and Beth Schulte of Easter on the birth of a baby girl, Lori Gayle, on Sept. 2. Grandparents are Clarence and Odella Schulte, Philip and Dora Pohlmeier and great-grandmother is Lizzie Birkenfeld.

A CANNED vegetable you should open from the bottom is asparagus. That way the tender tips are protected.

THE EASIEST WAY to figure the cost of living is to take your income and add ten percent.

Harold Gerber of Odessa spent the weekend here. He attended the birthday party for his grandmother, Meta Stork and also took part in the concert at the ball park on Sunday. Cory and Wade Hoelting, Todd and Traci Hill enjoyed Saturday afternoon at Thompson Park with Donna Charanza and boys Kris and Bryan of Canyon.

Flynts return

Mary and Jack Flynt are home in Dimmitt to stay for a while. They were in Chicago at the end of August where Jack presided at the National American Legion Convention. Mary became sick there and stayed in the hospital for two weeks. Her condition improved and they returned home where they will stay for a while.

## Lucy Welch

Services for Lucy Estella Welch, 88, were held Sunday at Sixth Street Church of Christ in Friona with D. L. Harguess of Friona and Ronnie Parker of Dimmitt officiating.

Burial was in Friona Cemetery under direction of Ellis-Blackwell Funeral Home.

Mrs. Welch died Friday at Prairie Acres Nursing Home.

She had been a resident of Friona since 1924, having moved from Floyd County. She was married to Ford N. Welch who died on May 19, 1944.

She was a member of Big Spring Church of Christ.

She is survived by Murma Miller of Dimmitt.

Other survivors include three sons, Nelson and Louis, both of Friona and France of Dallas; four daughters, Seva Struve of Friona, Estella Johnston of Orange County, Calif., Melba Brown of Tulsa and Mrs. Miller; two sisters, Nora Welch of Abilene and Della Dagley of Austin; a brother, Elmer Shackelford of Munday; 21 grandchildren; and 23 great-grandchildren.

## Clem B. Baker

Clem B. Baker, 67, of Panhandle, died Friday.

Services were held Monday at Claude First Baptist Church with the Rev. Joe Sneed officiating. Burial was in the Claude Cemetery by N.S. Griggs and Sons Funeral Directors in Amarillo.

Mr. Baker was born in Panhandle and was a lifelong resident there. He was a farmer and rancher and a member of Claude First Baptist Church and Carson Masonic Lodge 1167 in Panhandle. He married Elizabeth Collins in 1935 in Amarillo.

He was the father of Mrs. Marilyn Thomas of Dimmitt.

Other survivors include his wife; a son, Richard Daniel of Amarillo; two sisters, Mrs. Norine Walls of Amarillo and Mrs. Minnie Sibold of Colorado Springs, Colo.; and three grandchildren.

# Dedication of dam Site 3 is Tuesday

Special dedicatory services Tuesday will mark the completion of a flood prevention project that involved more than 20 years of planning and construction and includes portions of six counties in Texas and New Mexico, including Castro County.

The president of the National Association of Conservation Districts, Milton E. "Bud" Mekeburg of Yuma, Colo., and the Soil Conservation Service deputy chief for natural resource projects, Joseph W. Hass of Washington, D.C., will be principal speakers for the dedication of the Running Water Draw Watershed Project.

The program will be held at Site 3, the last of seven flood control dams to be completed on the flood-prone Brazos River tributary. Finished earlier this year, the dam is located south of Edmonson in northwest Hale County. Signs along US-70 and Texas-194, west and northwest of Plainview, will point the direction to the site. The Tuesday afternoon dedication will begin at 2 p.m.

The watershed project, which stretches from Clovis, N.M., to Plainview, was first conceived in 1960 after heavy flooding occurred along the watershed. Particularly heavy damage was suffered in Plainview.

The local officials then turned to officials from the U.S. Soil Conservation Service for aid, with the agency (part of the U.S. Department of Agriculture) handling the project. SCS in 1968 estimated that the four dams in the lower portion of the project would cost \$468,040. In contrast, the bid for the Site Three dam was \$2.3 million.

Due to the length of the watershed, the U.S. Soil Conservation Service divided the project into two parts - The Running Water Draw Project in Curry County, New Mexico, and Parmer County, Texas, and The Lower Running Water Draw Project in Castro, Lamb, Swisher and Hale counties.

The upper system includes

three dams, one on the main channel north of Clovis, the second on a tributary northwest of Bovina, and the third four miles northeast of Lazbuddie in Parmer County.

The lower system includes four dams, the first about eight miles west of Hart, Site Two in northwest Hale County on North Draw, Site Three near Running Water School (south of Edmonson) and Site Four, four miles west of Plainview on Slaton Draw.

The dams normally operate without manual valves, but automatically hold back flood waters and release them at controlled rates. "If the dams ever fill to capacity, grassy emergency spillways will take the excess water around the dams," explained Jimmy Lewis, SCS district conservationist in Plainview. When water behind the dam rises above the static level, it flows through a discharge pipe into the draw channel behind the dam.

Final plans for the upper portion of the project were completed in 1966 and the lower project in 1968. The first dam was completed near Bovina in 1972.

The dam system has a life expectancy of 100 years and is designed to contain the 1 percent (100-year frequency) flood.

Planning for the project was financed by Parmer, Castro, Lamb and Hale counties, the city of Plainview, and Clovis and Curry County in New Mexico. The Soil Conservation Service provided funding for the actual construction with the local sponsors securing easements for the dams and water storage. With the completion of the system, the sponsors will maintain and finance upkeep for the facilities.

Sponsors for the project, in Texas, include the commissioners courts in Hale, Swisher, Lamb, Castro and Parmer counties; the City of Plainview, and five soil and water conservation districts, Hale County, Tule Creek, Lamb County, Running Water and Parmer County. In New Mexico, sponsors include Central Curry County SWCD, Curry County Commissioners Court, City of Clovis and Ned Houk Park Board.

# NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Nazareth Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1981-82 by 37% over the tax rate submitted under Section 26.04 of the Code. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on September 23, 1982, 8:30 p.m. in the high school homemaking department.

FOR the proposal: Allan Dobmeier, Alvin Kleman, Vincent Gerber, Charley Hill, Rita Book, Floyd Schulte.

AGAINST THE PROPOSAL: None.

ABSENT and not voting: Denis Huseman.

(Names of all members of the Board, and showing how each voted on the issue to consider the tax increase, or, if one or more were absent, indicate the absences, is duly recorded in the Official Minutes of this meeting.)

## Dove season underway

The local Mourning Dove season opened Sept. 1 and will last through Oct. 30.

Jan. 1 through 10 the season will be open again in Castro County.

One hundred and nine runners finished in the three sections of the Harvest Days Run held Saturday morning in conjunction with the Harvest Days activities. The run was sponsored by the Dimmitt Chamber of Commerce, and included a one-mile run, a 5K (3.1 mile) race, and a 10K (6.2 mile) race.

All three races started at the same time from the starting line marked on Southeast Second Street on the north side of the Dimmitt City Hall, and had the same finish line on East Jones Street on the east side of City Hall. Runners turned off at different points along the course for the three races.

The first runner to come in, and overall winner of the one-mile run, was Donny Vernon of Amarillo with a time of 4:56.3. Overall winner among those in the 5K race was Buddy Hutto of Levelland with a time of 17 minutes flat and overall winner in the 10K was Kip Leyba of Lubbock, with a time of 31:39.14.

Women runners who placed first among the women in each race were Toby Tischler of Dimmitt in the one-mile run, with a time of 6:40; Tammy Gilmore of Amarillo in the 5K, with a time of 20:32; and Beth Buckley of Dimmitt in the 10K, with a time of 47 minutes flat.

Overall, men and women winners in each race were awarded trophies. First, second and third place winners in each sex and age division of each race received medals.

Winners in the various races and age groups are listed below. Out of town runners are designated. The rest are from Dimmitt.

## Social Security ...in Castro County

By TERRY J. CLEMENTS

College students who are entitled to social security benefits will receive a check on Oct. 3, after a four month "drought." However, the check will be about 25% lower than previously paid to the beneficiaries. These are just two of a series of events that are involved in the phasing out of student benefits.

It all began just a little over a year ago. The law was changed so that student benefits would be limited to those beneficiaries in secondary schools, high school in most cases. One of the provisions was that to receive student benefits in a college, junior college or trade school, special requirements must be met.

First, the student would have had to be entitled to Social Security child's benefits for the month of August, 1981. The other main requirement is that the person be in a college or other post-secondary school before May,

1982. Individuals who meet these requirements are called phase-out students. This means that they can receive benefits as long as they continue to be in full time attendance, under age 22 and unmarried.

Even though these students are still to receive benefits, special limitations were applied. No benefits are payable for summer months beginning May, 1982. Students' benefits are to be reduced 25% each September beginning with the check to be issued on Oct. 3. No checks will be paid after April of 1985. Other restrictions are that no more cost of living increases will be provided and a student cannot be re-entitled after July, 1982. This is why the students experienced the "drought" mentioned above and why checks will be smaller in October.

What about those who are not "phase-out students"? Beginning in July, student benefits can be continued for child beneficiaries who are between the ages of 18 and 19 and attending a secondary school. Those individuals receiving Social Security benefits as children who graduate May, 1982 or later will normally not be phase-out students. Therefore, these persons will no longer be able to plan for student benefits to help with a college education.

**PUBLIC NOTICE**  
BRIEF EXPLANATORY STATEMENTS OF PROPOSED  
**CONSTITUTIONAL AMENDMENTS**  
GENERAL ELECTION  
NOVEMBER 2, 1982

**PROPOSITION NO. 1 ON THE BALLOT**

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment repealing the state property tax."

**PROPOSITION NO. 2 ON THE BALLOT**

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

**PROPOSITION NO. 3 ON THE BALLOT**

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment authorizing the legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

**PROPOSITION NO. 4 ON THE BALLOT**

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

**PROPOSITION NO. 5 ON THE BALLOT**

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

**PROPOSITION NO. 6 ON THE BALLOT**

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

**ENMIENDAS CONSTITUCIONALES**  
PROPUESTAS  
ELECCION GENERAL  
2 DE NOVIEMBRE DE 1982

**PROPOSICION NUMERO 1 EN LA BOLETA**

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:  
"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

**PROPOSICION NUMERO 2 EN LA BOLETA**

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$80,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:  
"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

**PROPOSICION NUMERO 3 EN LA BOLETA**

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exencione de la imposición de impuestos la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:  
"La enmienda constitucional que exenciona los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

**PROPOSICION NUMERO 5 EN LA BOLETA**

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesoro del condado.

Si se anula el oficio de tesoro del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:  
"La enmienda constitucional que anula el oficio de tesoro del condado en los condados de Tarrant y Bee."

**PROPOSICION NUMERO 4 EN LA BOLETA**

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:  
"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gobernantes de ciertos distritos de agua y distritos de conservación y reclamación."

**PROPOSICION NUMERO 6 EN LA BOLETA**

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:  
"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

### VOCCT names new officers

Francisco Luna was elected as president of the Dimmitt High School Vocational Office Careers Clubs of Texas (VOCCT) at the group's first meeting of the year Sept. 8 in the Office Duplicating Practices classroom.

Other officers elected are Gloria Garcia, vice-president; Manuel Cantu, secretary; Ruben Espinoza, treasurer; Sandy Chasco, reporter; Rickie Hernandez, sergeant-at-arms; and Betty Ellis and Julian Saenz, parliamentarians.

The club also held a poster contest, and winners were Julia Cortez and Dolores Duran, tied for first; Sandy Chasco, second; Julian Saenz, third; Porfirio Cortez, fourth; Leo Vera, fifth; Steve Cortez, sixth; and Miguel Gonzales, seventh.

Advisor for the VOCCT is Mrs. Sue Howell.

THE PURITANS, considering buttons a vanity, used hooks and eyes.

Lt. Duke Chapman

### Chapman promoted in Corps

The Secretary of the Navy recently appointed Duke R. Chapman to the rank of First Lieutenant.

Lt. Chapman, the son of Mr. and Mrs. Jimmy Chapman of Dimmitt, is at the Marine Corps Air Station in El Toro, Calif.

Lt. Chapman is a 1971 graduate of Dimmitt High School, and has served in the Marine Corps since 1971.

He has recently completed a one-year tour in Japan and is currently assigned to Marine Fighter Attack Squadron 531, based at El Toro.

His wife Elaine and two sons, Jeff and Jeremy are in El Toro with him.

THERE ARE many things that we would throw away, if we were not afraid that others might pick them up.

## Toll-free alcoholism number is available

Area residents who need confidential help with an alcoholism problem can now call toll-free 1-800-692-4165 from anywhere in the Panhandle and get referral information.

The new service offered by the Amarillo Council on Alcoholism is made possible by a grant from the Texas Commission on Alcoholism.

The 24-hour service is linked to a corps of volunteers who are available to give information on treatment and rehabilitation programs, and prevention methods. A volunteer coordinator has been selected by the council and training of the volunteers is underway.

"This service is for anyone who has a problem with alcohol," said Don Pipes, Executive Director of the ACA.

"When we hear about someone having an alcohol problem, we usually think of a person who drinks too much and needs to stop. We're certainly going to be dealing with those kind of people, but we're also going to be helping the families of those abusers, employers who are trying to find help for a worker and people who need more information about alcohol treatment and rehabilitation."

"A major problem the abuser has," Pipes continued, "is in making that first call for help. If he or she is some-

where outside Amarillo, it takes considerable effort to make a long distance call. We feel the toll-free number will make that first step easier to take."

Figures assembled by the Regional Alcoholism Authority show the volunteers will be busy. About 7% of the area population, or just over 21,000 people, are directly affected by alcoholism.

PROMISE YOURSELF success at the beginning of each day, and you'll be surprised how often things turn out that way.

## Did You Know?

The commissioners' court cannot declare a vacancy in the office of the county attorney, county clerk, sheriff or justice of the peace. However, the court does have the authority to fill a vacancy in any of these offices should one occur. In the event of a vacancy in the office of a commissioner, the county judge has the authority to select a suitable person to fill the office.

## Better bindweed control with a Banvel herbicide Between Crops Application.

Want to end your bindweed problems once and for all? Start planning a Banvel® herbicide Between Crops Application now.

Banvel herbicide works right into your fallow/rotation program. Go in after crop harvest this fall with up to 2 quarts of Banvel herbicide per acre on fallow land.

The fall application kills bindweed that would otherwise have time to store up nutrients before the winter freeze. A follow-up application in the spring will catch seedlings and escapes.

In addition to cleaning out bindweed, a

Banvel herbicide Between Crops Application controls many other annual, biennial and perennial weeds, including blueweed, lakeweed, and silverleaf nightshade.

Make this season the last that you're wrapped up in bindweed. Ask your ag chem dealer for between crop weed control with Banvel herbicide.

Sheffy's Chatter

Wasn't it a great celebration?

By MARY EDNA HENDRIX

The Castro County Fair was a big success again this year. There were several entries in every section, and I think the fresh fruits and vegetables looked better this year. I enjoyed the two home economists from Amarillo who prepared the cheese and fruit display; it was pretty and delicious. The Fiddler's Contest was entertaining and the kids' races on tricycles and little toy trucks were fun to watch.

Trent and Lana Downing and Caroline spent a recent weekend in Trinidad, Colo., and Raton, N.M. They joined Trent's mother, Louise Downing and Col. Harry Harden for the horse races. They also toured the Baca and Bloom mansions.

Vernice Green visited her son and his wife, Michael and Julie, and grandson Paul in Amarillo. Larry Green was here visiting from Austin over Labor Day.

When Johnny and Janet Stanford took their daughter, Tammy, to college at San Marcos, they went by Austin and visited with Earl, Betty and Robin Parrish, who lived in Dimmitt for many years.

Betty and Charles Vaughan prepared a delicious Sunday dinner for Sue and David, Shannon and Brent Vaughan from Richardson, and yours truly. They also served homemade ice cream and cake in the afternoon.

I had a booth at the Castro County Fair and saw several people whom I don't see very often. Diane Hatla told me that their son, Todd, and Phil King were attending college at San Marcos. Tommy and Oney Taylor from Phoenix and her sister and brother-in-law, Betty and Jimmy Bradley from Weatherford, came by my booth to see me.

The last two weeks have been busy and exciting with Labor Day weekend, "the last holiday of the summer," followed by the big Harvest Days celebration.

Morgan and Geneva Dennis, their daughter Decima from Midland, Edgar and Betty from Dimmitt and their daughters, Debbie and Connie from Lubbock, attended the Morrison family reunion in Hedley. There were 125 relatives from Texas, Massachusetts, Missouri, Arkansas, Oklahoma and Arizona.

The Carpenters held their annual family reunion in Abilene over the Labor Day weekend. Those going from Dimmitt were Irene Carpenter and J. O. and Florence Carpenter. Other towns represented were Dallas, Fort Worth, Odessa, Borger and Abilene. Irene's grandson, Kelly Autry, his wife Debbie and their son, Trent, who live in Abilene, attended the reunion. Also, the J. O. Carpenter's daughter, Claudia and her family attended. The Carpenter's other daughter, Darlene Dowell, and her husband, Brice, had their own family reunion here in Dimmitt.

Their daughter and son-in-law, Melony and John Fant of Garland, and their son Kris and his wife Teri, from Odessa were here visiting. Irene visited a cousin in Anson on her way home.

Dorothy Wilhelm from Nazareth has been working at Plains Memorial Hospital as a graduate vocational nurse. She will be going to Dallas in October to take her state board exam.

Friends of the Library are coordinating a program to get reading materials to visually handicapped county residents. If you know of someone who is visually impaired and would like special material, call the Rhoads Memorial Library at 647-3532.

Dr. Robert Froehner was home for the weekend visiting his parents, Noland and Ernie Froehner. They attended the Harvest Days festivities and the Follies. Robert is now in the radiology department at Parkland Hospital in Dallas

and is a member of the faculty of Southwestern Medical School in Dallas.

Ted and Dorothy Sheffy had their children, Beth and Rick Wallace from Tulsa and Virginia from Plainview, here for the fair, as well as Graham and Karen Sheffy and the grandchildren.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge playing. Jo Gregory was hostess, Faun Welker won high score, and Betty Cartwright was second high. Others playing were Oleda Schumacher, Emily Clinging-smith, Mary Alice DiCuffa, Susie Reeves and Johnnie Vannoy.

Mary Gollehon and her daughter, Marilyn (Mrs. Lewis) Warren from Orlando, Fla., have been visiting relatives here in Dimmitt. They lived in Dimmitt for many years, and were here on business as well as pleasure.

Leonard and Ruby Dempsey and Lena Crum attended the Dempsey family reunion Sept. 6 in Thompson Park, Amarillo. Forty-two family members attended from Texas, Arkansas, Kansas, Arizona and California. Maudie and C. W. Owsby of Amarillo were the host and hostess. Next year's reunion will be in Dimmitt with Leonard and Ruby Dempsey as the host and hostess.

Ruby and Gene Bradstreet and their two daughters, Elaine and Valerie Cooksey, attended a reunion of Ruby's family over the Labor Day

weekend at the community center in Tecumseh, Okla. Their youngest son, Mark, who lives in Tulsa, thought he would be unable to attend, but he made it after all and played the piano while Ruby sang gospel music.

Ruby is the third youngest

of eight children, and all eight were there, plus their families, for the first time in at least 13 years. Forty-three people attended in all, enjoying meals at the community center and visiting and horse-shoes at mama's house. There was a lot of food left over for Ruby's mother to put in the freezer for later. They reported a "joyous and wonderful time."

Vera and Woody Jones had several visitors over the Labor Day weekend. On Friday their friends, April and son B.J. O'Conner, spent the day and had lunch with them. On Saturday the O'Conner's granddaughter, Annette Vaughn, came over from Hereford to visit. Cecil, Sharon and Timothy Jones came up from Odessa on Saturday for a get-together and cookout of hamburgers and hot dogs. Sunday night they barbecued steaks for their guests. On Labor Day their daughter, Vera Louise Berryman and children, Tresa and Sam came over from Hereford.

Bids asked on west SH 86

Bids are being accepted this month for improvements on two highways in the Lubbock district of the State Department of Highways and Public Transportation.

Approximately 12 miles of State Highway 86 in Castro County are to be upgraded. The project proposes to widen the existing 22-foot surface to 24 feet and add eight-foot shoulders along the section of US Highway 86 running from the Farmer County line to West 10th Street in Dimmitt. Rhea Bradley of Littlefield is engineer for the project.

Improvements also are scheduled for a four-mile section of US 62 which is currently in poor condition. The proposed project will extend from the Gaines County line to the beginning of the four-lane, divided highway southwest of Seagraves. The highway will be reconstructed and the reverse curves at the Terry-Gaines County line will be improved for safety purposes. Jack Moore of Lubbock is project engineer.

Glowing Dreams

Spinning out daydreams of a glowing future is a pleasant pastime and a national American hobby. Daydreaming alone though, won't make this world a better place in which to live, won't bring peace among the nations, law and order to the community or harmony to the family.

Is something wrong with your life - an inner restless dissatisfaction? The only answer to every human problem comes from God our Maker. He alone can forgive and reassure. Through the church God has committed the provision and redemption of His forgiveness and redeeming love. Without a church relation everyone should be in the Church and the Church in everyone!

**View from the library**  
By BRICK AUTRY

Did you know that last week was Banned Books Week? Publishers and bookstores around the country gathered to present exhibitions and promotions of books which often are banned (or "forbidden").

In July and through the summer the Library Associations held their meetings. If you are a librarian you need to know your letters. The meetings are always full of COPE, OLOS, ACRL, OIF, NCLIS, OMP and etc.

American Library Association had quite a meeting. It seems that some members "suspire" members on the American Library Association staff. The problem is money — or should it be said, the lack of it. Though there is a fiscal problem the members have a terrible case of the wants. The items of contention were the Office of Research and the Office for Library Outreach — both of which cost the Association enough to warrant a proposal for their demise. Librarians accused the financial staff of mismanagement and voted to continue both programs.

On the other hand, Special Library Association reports that they are fiscally in the black, looking for new headquarters and quietly talking over Special Library concerns.

The Medical Library Association lacks funds too, and it's because many of the members are not paying the dues. Their meeting consisted of talks about what the devil was going on and why no one wanted to pay their dues.

Meanwhile, in Canada, the Canadian Library Association had their meeting in Saskatoon. That sounds more fun than having a meeting in Philadelphia. The new President of CLA (letters again) is Pearce Penney who gladly proclaimed that he was the first Newfoundland native to chair the Association.

From all reports the Canadian librarians were well behaved in Saskatoon.

THE FIRST coin to bear the portrait of a living president was the 1926 sesquicentennial half dollar, the obverse of which bore the heads of Presidents Washington and Coolidge.

## County sets hearings on allocations

The Castro County Commissioners' Court will hold public hearings on its allocation of Revenue Sharing Funds and on the annual budget during its regular meeting Monday.

The hearings will be in the commissioners' meeting room on the first floor of the courthouse.

The hearing on the general budget will begin at 10:30 a.m. The Revenue Sharing hearing will be from 1:30 to 2:30 p.m.

People are asked to appear who have questions or suggestions concerning how the expected \$135,573 in Revenue Sharing Funds should be spent for the coming fiscal year — October 1982 through September 1983.

Also, interested citizens are invited to make comments on the proposed general budget.

## WTSU has enrollment increase

Late registration at West Texas State University has ended with an "unofficial" total of 7,002 students, the largest enrollment in eight years.

The figure of 7,002 is an increase of 192 students over the figure of 6,810 at the end of late registration last fall semester, said Dr. Don Cates, dean of admissions and registrar.

Registration figures were up 127 over last fall after the only day of regular registration on Aug. 25 when 5,414 students enrolled. Late registration began on Aug. 26 and continued through Sept. 3.

Cates said the figure is unofficial because the total number of students will be reduced by a number of withdrawals before the 12th class day, which was Monday. The number of students enrolled on the 12th class day will be the registration figure submitted to the Coordinating Board, Texas College and University System.

WTSU's highest enrollment figures for the fall semester were recorded in 1969 with 7,936 students and in 1970 with 7,905 students, said Cates.

Education officials in Texas had predicted a drop in enrollment for the 1982 fall semester because of the smallest high school graduating classes last spring since before the "baby boom" period of post-World War II.

WTSU also has reported an increase in the number of beginning freshman students who participated in five summer orientation sessions and an increased number of applications from freshman and transfer students.

Cates attributes the increased number of students to recruiting efforts by personnel in the Registrar's Office and Development Office.

## Bethel 4-H has banquet

The Bethel 4-H Club installed officers and recognized outstanding members at its annual club banquet Sept. 7, held at the Barbecue Company in Dimmitt.

Trampas Moke was installed as president, along with Jon Bruegel as vice-president, Kim Howell as secretary-treasurer, Kyla Boozer as council delegate, Ryan Smith as recreation leader and Coby Moke as reporter.

The officers were installed by Extension Agent Teresa Nutt, who also presented the awards for outstanding club members for the year to Kelly Howell and Coby Moke. Mrs. Nutt was also the speaker for the evening.

Others participating in the program were Steven Bagley, who led in the opening prayer; Coby Moke, who expressed thanks to parents and leaders; Trampas Moke, who introduced the speaker; and Kyla Boozer, who led the group in the 4-H Motto to close the program.

# Bobcats blank Plains, 21-0

By JOHN BROOKS  
Usually, when a team has 92 yards more in penalties than its opponent, the opponent will win the game. All that the penalties did Friday night, though, was keep Dimmitt from scoring a couple of touchdowns more as the Bobcats forced six Plains turnovers while whipping the Cowboys, 21-0, before 1,000 fans in Plains.

Plains ran most of its first play before suffering the first miscue, when the ball was knocked free of the grasp of running back Vince Fitzgerald. He had rambled for more than 15 yards when the pigskin plopped loose. Dimmitt recovered at the Cowboy 37, but two of the 15 penalties the Bobcats would be flagged for on the evening kept them from scoring.

The teams traded punts on their next series, but Fitzgerald fumbled a 33-yard Jeff Watts kick and the Bobcats recovered at the Cowboy 20. Richard Guzman picked up most of the yardage on a keeper, going from the 14

down to the 1 before being pushed out of bounds. Mark Bruegel, who picked up 76 yards on 18 first-half carries, toted the ball in from a yard out. Johnny Nino's extra-point kick put Dimmitt up, 7-0, with 3:19 left in the first period.

Another round of penalties later in the first quarter, again after a Plains fumble, would keep the Bobcats from moving the football. But Dimmitt did put together a bona fide drive in the second quarter, mixing up the run and the pass during an 80-yard drive that was free of flags. Guzman was two-for-two throwing during the series, a seven-yarder to split end Brad Holcomb, and a 20-yarder to tight end Watts.

Wingback Sid Sageser helped out with a 17-yard run on a reverse, and fullback Johnny Gonzales — who picked up 66 yards on just eight carries during the game — had 28 yards on two tries. Bruegel got the call to carry from three yards out. He used two terrific blocks, by Sageser and Gonzales, to get

into the end zone. Nino's extra point put Dimmitt up, 14-0, with 2:37 left in the first half.

The Bobcats, for the second week in a row, dominated the statistics in the first half. Bobcat runners gained 153 yards on 27 carries, while Guzman picked up 27 yards throwing. Dimmitt had 11 first-half first downs. Plains, meanwhile, had 53 yards passing and just six yards net rushing. The Cowboys picked up four first downs, three of them passing and one on a Dimmitt penalty.

Plains was so beset by the Dimmitt defense and its own turnovers that it had only one legitimate shot at scoring, but a Martin Huerta field goal try was deflected at the line.

The Cowboys picked up only one more rushing yard in the second half as David Ogas, Max Sandoval and Scott Nelson — all playing well for the second week in a row — kept Plains quarterback Kyle Andrews looking for a hand to pull him off the ground after the Dimmitt defense had sacked him. Dimmitt recorded three sacks for a minus 23 yards.

The final score of the night came in the last minute of the third quarter, when the Bobcats drove the ball 55 yards. Dimmitt lost tailback Bruegel in the second-half opening kickoff play, and went to junior David Barton, who had not played an offensive down in varsity competition. All Barton did was pick up 58 yards on 12 second-half carries. Barton gained 29 yards during the scoring drive, and wingback Bill Johnson provided the touchdown carry as he broke three tackles while scooting around

## Cat-fight brewing here Friday

If you want to know the feeling of being shell-shocked, just ask Coach George Malkuch and the River Road Wildcats.

After being ranked among the top teams in the region in Class AAA, with a big nucleus of third-year starters, and after beating a good Friona team on opening night, the Wildcats were whipped

last week by state-ranked Post, 35-6.

The Wildcats make another trip south this week, to face the Dimmitt Bobcats Friday night at 8 at Bobcat Stadium.

Both teams are 1-1 going into the third game of the season.

Last week's game between the Wildcats and the Antelopes was supposed to be close

and exciting. It was, if you're from Post.

Post ran through River Road's defense for 433 total yards, and Malkuch said, "Everything that could go wrong did go wrong."

Malkuch added that the Wildcats were mentally flat going into the game against the No. 2 ranked team in the state, and added, "We've got a much better team than we showed."

The Wildcats have 12 starters back from last year's unit, a team that looked good for the first 2½ games last year. They downed Dimmitt last year, 35-7, but lost two starters for a while during that game. Malkuch said the River Road-Dimmitt game was one of the most physical games the Wildcats had last season.

Back from last year's unit

are running backs Gary Martin and Allen Sanders. Martin, mostly a blocking back last year, picked up 541 yards, and Sanders gained almost 800.

Quarterback Jeff Reynolds is back with a year's experience. Reynolds completed just four of 12 attempts last week, but did connect with Sanders for the Wildcats' only score of the night.

Martin and Sanders head up the defensive crew for Malkuch's 5-2 defense.

Malkuch says the Wildcats will be coming into Dimmitt Friday night in good shape injury-wise.

So should the Bobcats, although tailback Mark Bruegel went out of the Plains game Friday night with a leg injury suffered on the opening kickoff of the second half.

The Bobcats did find out

that backup tailback David Barton is plenty capable.

Barton, who is the starting safety on the Bobcat defense, picked up 58 yards on 12 carries Friday, his first time ever in the varsity backfield.

Bruegel is the Bobcats' leading rusher, with 179 steps on 40 carries, almost 4½ yards per tote. The rushing offense has done well all over, with the Bobcats garnering 391 yards on 92 carries. Fullback Johnny Gonzales has carried the ball 15 times for 113 yards, better than seven yards per carry.

Dimmitt leads the series between the two schools, 2-1. Game time is at 8 Friday night at Bobcat Stadium.
