Large Out-Of-Town Groups At Thursday's Rodeo

Well... I Dunno, But...

We had a warm spot in our heart for the little Anz brothers, long before we ever saw 'em perform at the rodeo. But now having seen 'em a couple of times, they've wound themselves around our heart even tighter than those cowboys tie up those calves.

The tragedy that struck their home about two weeks ago, was enough to endear them to rodeo fans hearts, but frankly they don't need that emotional appeal to sell them to the big crowds that have been attending the rodeo.

Each a master in his own trick roping, they have added to that arena charm that would make Sir Walter Raleigh ashamed of his manners. And boy oh boy, is that Allen Gene gonna give the girls a fit a little later on. All he'll have to do is doff that hat in the same manner he uses in the arena and swoon will go the girls. And as agile as a deer he is, too, swinging from horse to ground and ground to horse with the greatest of ease.

Jim and Bob do OK too, with some of the maddest rope twirling that we've ever seen.

Well, folks the greased pig race wasn't over when you thought it was at the rodeo arena last night. No sir, not by a long shot.

And if you don't believe us, just ask R. B. Thomas Jr., Wilson Guest, Morris Newham and J. G. McDowell.

Goodness, no, those pigs just got warmed up at the greased pig race at the arena. And when one of 'em got a chance to sneak out of the pen at R. B.'s place where they had been carefully stowed away for the night, out he went with our four agile Jaycees after 'im.

Up and down the alleys and streets they went, the greased pig always a length or two ahead of the boys. Nature of the stature of the critter, made the race more lively, to the tune of a ruined \$12 shirt for R. B. and though we don't know for sure, we think some pants were involved in the losses, as well as maybe a boot heel or two. No sir, fancy clothes and barbed wire fences don't get along together.

At about midnight, the Jaycees gave up the chase, minus the pig and last reports this morning were that the pig had been seen in the vicinity of Young School, with little hope held for recovery.

TRUMAN ACTS AT REQUEST OF DEMO LEADERS

WASHINGTON, July 22 (UP)—President Truman, acting on the request of Senate Democratic leaders, today put off until Monday submission to Congress of his \$1,450,000,000 (B) military aid program to back up the North Atlantic Treaty.

The arms message originally was scheduled to go to the House and Senate today. But instead it will be sent to Capitol Hill at midday Monday.

The White House said that the timetable for submitting the arms message was changed late yesterday after the President consulted with Senate leaders.

Press Secretary Charles G. Ross said the message could have gone up today, but that the Senate leaders preferred it Monday.

Ross denied flatly that the delay was caused by a decision to include in the message some reference to atomic energy.

Ross assured newsmen there was no change in content of the 3,000-word message involved in the delay.

The President informed members of the cabinet at their weekly meeting with his this morning of the change in timetable.

Afterward, Vice President Alben W. Barkley said he thought not only the authorization, but the appropriation for military aid to the treaty nations would pass both houses at this session.

Funeral For L. A. Burnett To Be Saturday

Last rites for Lloyd A. Burnett of Ranger will be conducted Saturday afternoon at 2:30 o'clock at the Church of Christ in Ranger with Floyd J. Spivy officiating. Interment will be in the Alameda cemetery with Killingsworth's in charge of arrangements.

Mr. Burnett died at the Hendricks Memorial Hospital in Abilene Thursday morning, July 21, 1949. He was born in Ranger April 9, 1903 and had made his home here for 35 years. He was a member of the Church of Christ of Bowie, and was a former employe of the Sinclair Pipeline company, having been forced to retirement because of ill health about three years ago. His wife, the former Nettie Blackwell, preceded him in death in 1929.

R. B. Thomas, Jr. Gets M. A. Degree

R. B. Thomas, Jr., is among those who will be awarded master of education degrees at Texas A. & M. College in August.

Thomas has completed work toward the degree, a master of education in agricultural education, and will receive the degree at ceremonies in August at which time all master's degrees received at the end of the first summer semester will be awarded.

Appointment Of Hutcheson Urged

FORT WORTH, July 22. (UP)—Fort Worth attorneys today urged appointment of Judge Joseph C. Hutcheson, chief justice of the Fifth Circuit Court of Appeals, to the U. S. Supreme Court vacancy created by the death of Justice Frank Murphy.

A telegram signed by 70 Fort Worth attorneys and urging Hutcheson's appointment was sent yesterday to President Truman. Hutcheson, a native of Houston, was appointed district judge in 1918, and to the Court of Appeals in 1931. He became chief justice in 1947.

BUT WHO'S THE BOSS?—These two Army officers have the same rank. Here, Capt. Earl S. Sweigart seems to have the upper hand as he kisses his wife, also a captain, after swearing her into the WAC Reserve in Philadelphia, Pa. But when the couple gets back to their suburban Narberth home, Captain Earl may find himself outranked by the little woman.

Justice Murphy's Rites Due Today

HARBOUR BEACH Mich., July 22. (UP)—Members of the Supreme Court and representatives of Washington officials today will pay final respects to Associate Justice Frank Murphy today at simple funeral rites in the village church where he was baptized.

Murphy's body was returned to his family home here last night from Detroit where 20,000 persons filed by his austere copper casket at city hall during the day. All city business was halted while the former mayor and Michigan governor who began his career as a Detroit law clerk lay in state.

Rev. Ellis At Church Assembly

The Rev. Cecil Ellis pastor of the First Methodist Church of Ranger, district adult work director is attending the leadership school of the Methodist church, which opened here at Mount Sequoyah Assembly, July 18.

Held annually, the school provides ten days of training and inspiration for persons serving as leaders in all phases of the denomination's program of Christian education. It is a joint project of the Jurisdiction's 19 annual conference boards of education and the Methodist General Board of Education. The great majority of the 24 courses being taught are of a practical, "how to do it" nature on procedures of administration and instruction in the church school program. All classes concerning work with children are being held in a special laboratory section featuring supervised practice teaching.

Homecomers To Get Awards At Tonight's Rodeo

One of the highlights of the third rodeo performance tonight will be the awarding of homecoming prizes.

A prize of \$25 will be given to the largest family attending the rodeo tonight and a \$15 prize will be awarded to the homecomer that has come the greatest distance to the homecoming.

R. V. Galloway in charge of registrations for the homecoming, stated today that all families expecting to participate for the prizes at the rodeo tonight must register by 5 o'clock this afternoon at the Ghokson Hotel. They must also be present at the rodeo tonight to be eligible for the prize.

WINNERS OF FOUR FIRST GO-ROUNDS ANNOUNCED

Large delegations of out-of-town visitors swelled the crowd at the second performance of the Jaycees Rodeo Thursday night and witnessed the closing of the first go-round in four major events of the rodeo.

Top honor winners in the four go-rounds were Jess Slaught of Big Spring, first place winner in the calf roping contest with 16.8 time. 1st and 2nd in the steer wrestling was split by Buck Jones of Ranger and Whit Kenney of Stephenville, each with 11.1 seconds. In the girls barrel race, Amy McGilvary of Mertzon was first place winner with 11.8 seconds, and W. N. Rice of Brooksmith was a first place winner in the bull riding.

Other winners in calf roping were second, Don McLaughlin of Fort Worth, third, Vernon Kerns of Hearne and fourth, Red Smith of San Antonio.

Last Rites Held For Mr. Roberts

Funeral services for James E. Roberts of Ranger were conducted this afternoon at 4 o'clock at the First Baptist Church in Desdemona with the Rev. David C. Ham, pastor of the First Baptist Church in Ranger officiating. Interment was in the Desdemona cemetery with Killingsworth's of Ranger in charge of arrangements.

Three Texans Regret Absence At Homcoming

E. F. Arterburn, Gaston Dixon and J. E. Meroney, chairmen for the homecoming now in Ranger, have received letters of regret from three outstanding Texans.

Letters of appreciation for the invitation and the wooden nickles have been received from Senator Tom Connally, Senator Lyndon Johnson and from Olin Calhoun, of the Railroad Commission of Texas.

NATIONAL FARM SAFETY WEEK, 1949
By the President of the United States of America

A Proclamation

WHEREAS unsafe practices continue to cause needless injuries and death to farm people; and

WHEREAS widespread adoption of safer ways of working and living would save thousands of people from tragic injury or accidental death:

NOW, THEREFORE, I, HARRY S. TRUMAN, President of the United States of America, do hereby call upon the Nation to observe the week commencing July 24, 1949, as National Farm Safety Week, and I request all organizations and persons interested in farm life and welfare to join in a continuing drive against practices which endanger farm people in their homes, in the fields, and on the highways. I also urge each member of every farm family to study the hazards associated with rural life with a view to performing all tasks in the safest manner possible every day throughout the year.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this twenty-eighth day of March in the year of our Lord nineteen hundred and forty-nine, and of the Independence of the United States of America the one hundred and seventy-third.

curtains, borspread, pillow cases, pillow protectors, mattress protector, quilt, sheets, vanity set, dresser scarf, and a rug. Quilts were made from plain and print feed sacks; the doily crocheted from twine unraveled from fertilizer bags, and these combined with ingenuity made a real showing. The quilt, a Wedding Ring, was pieced from print scraps.

An arrangement of sinlias in shades of yellow and orange, accented by white, in a deft blue vase, lent a color note to the display.

In the home food supply section the club again scored with all 18 entries winning prizes, including six firsts, seven seconds and five thirds. A cash award of \$2.50 was won by the club in this display.

Sanitation is the number one item in any successful fly control program. Insecticidal treatment is of little or no value unless a thorough clean-up job is done. There

Heavy Culling Of Flocks Urged

COLLEGE STATION, July 22 Heavy culling of poultry flocks during the summer months calls for extra effort in marketing if farmers are to get the best price for their hens, says C. M. Evans, chief, Southwest poultry branch, Production and Marketing Administration, USDA.

To keep their flocks on a profitable basis, most farmers are now selling their broody hens, early molters and marginal layers, Evans said. Altogether these culled birds in any farm flock of average size make up one or more coops to sell.

Here are some hot weather tips that Evans offers to those who may be marketing cull hens soon: Give the hens plenty of clean, fresh water while holding just before marketing. Be sure coops are clean and not over-crowded. Provide plenty of ventilation and shade at all times. Separate according to quality and let each lot sell on its own merits, and never use sacks or bags or tie chickens together for the trip to market.

If these precautions are followed concludes Evans, the marketing of the culls will be easier and shrinkage and other losses will be less.

Raytown Tunnel Bid Approval Expected Today

AUSTIN, Tex. July 22 (UP)—The Texas Highway Commission was expected to act today on a low bid of \$4,860,205 for the two-and-a-half mile Raytown tunnel.

The Brown and Root, Inc., of Austin and Houston, was low bidder yesterday, in the largest single project among some 50 in the three-day letting.

A spokesman for the commission explained that the low bid was not official until certified by the highway commission.

Fred Wemple, chairman of the commission, said his group may take action on the bid today.

"I have an idea," Wemple said, "that we'll move that just as fast as we can."

The low bid was somewhat less than the expected cost of \$5,100,000, which was estimated after four consulting engineers from a New York firm drew up designs for the tunnel.

The tunnel will be located about 20 miles below Houston on state Highway 146. A spokesman for the bridge engineering department explained that the 3,009-foot tunnel will be laid 53 feet under the surface of the Houston ship channel in nine prefabricated sections of steel shell and concrete lining. The tunnel will have a two lane roadway totaling 22 feet in width through it.

No definite date has been set for starting the project, but a spokesman for the department estimated that work would begin in 30 to 45 days.

When picking up broken glass, dampen a piece of cotton and tap it over the surface where the small pieces of glass are lying. The cotton will pick up the tiny particles, and there will be less danger of cutting yourself.

HD Club Thanks Ranger For Aid

Mrs. Bill Tucker, reporter for the Salem Home Demonstration Club, stated today that members of the club wished to express their appreciation to the business firms of Ranger which helped them to place fans in each of the rural

churches in their area.

The fans have been placed in 12 churches in seven communities, Olden, Staff, Kokomo, Cheney, Alameda, Salem and Desdemona.

Mrs. Tucker said that without the help of the Ranger business people the project could not have been achieved and that the club offers its thanks for this timely aid.

Since Morton Valley could not meet the requirements of the Gilmer-Aikin Bills, the school has closed, and the trustees have contracted the district to Eastland for one year only. There are other schools in Eastland County that will close within the next twelve months because they will not be able to meet the requirements of the Gilmer-Aikin Bills.

Dear Mr. Boswell:

In reply to your letter of the 16th, I will say that if, at the election called in Ranger, the \$1.50 tax fails to carry, then Ranger will be without a tax rate except for bonds and will qualify for the Foundation Program under the Gilmer-Aikin Bills on such a curtailed basis that they will not be able to maintain an accredited system.

Ranger, Texas

Dear Sir:

In your letter of July 16 you ask where Ranger would be in the Foundation Program should the tax election on July 26 fail. In as much as you have been assigned \$25,200.32, as your local effort, should the tax election fail, thereby causing you to lose your local revenue, Ranger would be unable to maintain even a fairly adequate school program.

Surely there is not a possibility that your District would fail to vote a school tax; as failure would be tragic as far as your boys and girls are concerned.

Please contact this division if we may be of any service to you.

Yours sincerely,
L. P. Sturgeon,
Director,

Ranger High School last year qualified for membership in the Southern Association of Secondary Schools and Colleges. This action was a step forward for the Ranger schools. If next Tuesday's election fails to carry, the boys and girls stand to lose. Every citizen in the Ranger Independent School District interested in the further operation of the Ranger Schools should vote next Tuesday for this tax. We do not want to be in the position of Morton Valley.

The Ranger schools will have the same number of faculty members for the 1949-50 year that they had during 1948-49.

Breckenridge last Thursday voted this \$1.50 tax. Eastland already has a tax of \$1.50

Magazine Pays Tribute To Penney Stores

We Satisfy 'Em ALL

L. E. GRAY Barber Shop

The J. C. Penney Company is saluted by the August issue of Coronet magazine in an article titled "Those Amazing Penny Stores".

The article, which was written by Lawrence Galton, describes the Company which in 47 years grew from a single, tiny store to a nation-wide chain of more than 1,600 by being friendly and helpful and giving good merchandise values.

The Penny store here is located at 119 Main Street, and is managed by Joe N. Graham.

Penny's caters to the average American family, declares Coronet. "What Penny's has accomplished is to combine all the advantages of modern mass-merchandising with the old hometown store idea, sacrificing none of the latter's friendly helpfulness towards customer's.

For 47 years, says Coronet, it has been an ironclad principle not to quote comparative prices.

'Sales' are not held. 'We Don't Deliver' is an unbreakable rule, and not a single dollar's worth of goods has been sold across the counter on credit.

Much of the credit for Penny's spirit and success goes to James Cash Penney, who was born 73 years ago and now is honorary board chairman of the Company he founded. Today, he still is seen at his New York office, when he isn't lecturing in churches and before business and civic groups.

Coronet concludes its tribute to the Penny stores with these words of J. C. Penney: "Today's greatest challenge is human relations. You won't find a finer example of good human-relations than between our people and our customers. The answer lies in the spirit within our Company, built up because everybody has an opportunity to get ahead and participate in profits."

 Reading, Pa., says
 "The reason for my writing this letter is to tell you about our electric refrigerator which we bought in 1931. We have never had anything repaired on it in the 17 years that we have had it. The General Electric Company really must take great care and use good materials in their products." Mrs. Zink is just one of two million people who have been using their G-E Refrigerators ten years or longer!

 You can buy a wonderful new G-E Space Maker Refrigerator today — and be glad for years to come!

A Terrific Show

Well I Dunno ...

(Continued From Page 1) Ranger just what the situation is. We quote the two letters: Austin, Texas July 18, 1949 Mr. G. C. Boswell, Superintendent Ranger Public Schools, Ranger, Texas. Dear Mr. Boswell:

In reply to your letter of the 16th, I will say that if, at the election called in Ranger, the \$1.50 tax fails to carry, then Ranger will be without a tax rate except for bonds and will qualify for the Foundation Program under the Gilmer-Aikin Bills on such a curtailed basis that they will not be able to maintain an accredited system.

Sincerely yours, T. M. TRIMBLE First Assistant State Superintendent. Austin, Texas July, 1949 Dr. G. C. Boswell, Superintendent of Schools, Ranger, Texas Dear Sir:

In your letter of July 16 you ask where Ranger would be in the Foundation Program should the tax election on July 26 fail. In as much as you have been assigned \$25,200.22, as your local effort, should the tax election fail, therefore by causing you to lose your local revenue, Ranger would be unable to maintain even a fairly adequate school program.

Surely there is not a possibility that your District would fail to vote a school tax; as failure would be tragic as far as your boys and girls are concerned.

Please contact this division if we may be of any service to you. Yours sincerely, L. P. Sturgeon, Director. Foundation School Program Act Division.

HOUSTON, July 22 (UP)—Peter Pointer picked a pistol from his pocket; pointed, pulled and plopped his brother-in-law to the pavement.

The brother-in-law, Lott Brooks, had a gun, too. But as police pointed out, "his name doesn't rhyme good."

Brooks, 43, was hospitalized with wounds in the left shoulder, forearm and side. Pointer, 48, was jailed on an assault to murder charge.

HOUSTON, July 22 (UP)—Dr. N. M. Ferguson is the new director of the University of Houston School of Pharmacy.

Dr. Ferguson is a graduate of the St. Louis College of Pharmacy and of the Washington University of St. Louis. He has served as research chemist and professor of chemistry at Ashland College, Ohio.

AUSTIN, July 22 (UP)—Texas drivers with expired licenses may now renew them without taking a re-examination.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said the action was taken because of inadequate field and office personnel to handle the normal procedure.

The temporary relaxation on re-issuance of licenses went into effect yesterday.

WESLACO, July 22 (UP)—If the Lower Rio Grande Valley has anything to do with it, the State of Texas won't ever be forgotten.

The Valley Chamber of Commerce yesterday woke up to the fact that the Texas State Legislature had forgotten to provide funds for the Lone Star exhibit at the 150th birthday celebration of Washington, D. C.

But said Chamber President Jack Drake, "the Valley will see we have an exhibit... even if it's filled only with the red grapefruit Florida and California can't grow."
