Ranger's annual homecoming dates are July 20-23. Gala events planned for former residents. Make your plans now to attend.

Last Show Of Fourth Annual Rodeo Saturday Night

Well... I Dunno, But...

Taking one's own medicine is sometimes a pretty bitter dose, but Mayor Pro Tem O. G. Lanier can take and prove it.

The acting mayor violated a provision of the parking meter ordinance, an ordinance which he helped to pass, and got a ticket. He walks up like a little man and pays his fine.

And that isn't any frame up to fool the public. It was a genuine case of violation and paying a fine.

May we suggest padded cells for the little pigs at next year's rodeo. Now there are three missing instead of one and anyone seen a red pig or one of two black ones, don't roast it, the three belong to the pig scramble deal. One of 'em got away last night after one of the little boys already had 'im sacked and out of the arena.

Every night at the rodeo we have been amazed at the number of people that ride by the United States flag in the grand entry and forget to remove their hats. The most courtesy is shown the flag by the tiny fellows that ride in the entry and that might be something for papas to think about.

Noticed the other night that with the exception, every member of the Palo Pinto Sheriff's posse removed his hat as he rode by the colors.

Among the states that have been represented at the rodeo, judging by a very inadequate check, are Rhode Island, Arkansas, Iowa, Kansas, New Mexico, Arizona, California, Wyoming, Illinois, Colorado Utah and Oklahoma.

The Hardin-Simmons University Cowboy Band has been doing a swell job of music at the current rodeo and they get our vote for being a fine bunch of boys, as well.

The boys have been coming to Ranger each evening for the show and going back to school the same night. Their manager Tom Guinarin, says that school books are often in evidence during the trips to and from the University. He says that the band has enough engagements to keep them busy from now until the opening of school in the fall.

He says that the boys are all rodeo fans and most of the time can guess the time of a performer before the announcer announces it. Furthermore, as long as he has been with the boys, he's still amazed at their energy. They never give up he says and the battle cry immediately after any performance is "pie and coffee."

Contest, Barbecue On Calendar

An old fiddlers contest and a barbecue were on the calendar for homecomers and rodeo visitors Saturday afternoon and evening with both events scheduled for the Willows Park.

The old fiddlers contest was scheduled for 4 o'clock and the barbecue was to follow immediately after the contest.

Friday night at the rodeo performance E. E. Varner of Quonset Point Rhode Island won a \$15 prize for coming the greatest distance to the homecoming and Bill Johnson of Ranger won the \$25 prize for having the largest family at the rodeo. Johnson's family numbered nine.

Fire Chief Warns About Grass Fires

Fire Chief Charlie Isabell today appealed to the people of Ranger to guard against starting grass fires because of the threat that it poses for property in the town.

Lions Vote For Officers

International officers for the Lions Clubs were elected at the convention in New York Thursday night. Louis Yaseen, left, San Angelo, Tex., and Jimmy West, Eldorado, mark their ballots. During introduction of the new district Governors the Texas delegates stole the show. (NEA Telephoto.)

SHIVERS NAMES MEMBERS OF BASIC SCIENCES BOARD

AUSTIN, Tex., July 23 (UP)—Gov. Allan Shivers today announced the appointment of six persons to the State Board of Examiners in the basic sciences, created by a recent act of the 51st Legislature.

The six-man board was empowered, under terms of the law, to give examinations in the "basic science" to applicants for license to practice the healing arts.

The "basic sciences" included anatomy, bacteriology, chemistry public health and hygiene.

Appointments included Drs. Asa C. Chandler, professor of biology at Rice Institute, Houston; Henry B. Hardt, chairman of the department of chemistry at Texas Christian University, Fort Worth; W. Mayne Longnecker, professor of biology at Southern Methodist University, Dallas; Cornelia M. Smith, chairman of the department of biology at Baylor University, Waco; Ophelia C. Wesley, acting head of the department of biology at Daniel Baker College of Southwestern University, Brownwood, and Brother Raphael Wilson, premedical adviser at St.

More 'Hot Checks' Are Turning Up

Another "hot check" warning was out this morning when it was revealed that five instead of two bad checks have been passed on Ranger merchants this week.

According to reports of the check passer the same person is believed to be the one that gave all five checks.

County Keeps Record Intact; Goes Over Top In Bond Drive

Keeping its record intact of never failing to exceed its quota, Eastland County went over the top by one per cent in the Opportunity Drive for the sale of Series E Savings Bonds, which ended Saturday, July 16.

Total sales were \$181,126.50 as compared to the county quota of \$180,000, according to Cyrus R. Frost of Eastland, county Savings Bonds chairman. He received the final report of the drive today in a letter from Nathan Adams of Dallas, chairman of the Treasury Department's advisory committee for Texas.

Harry Owens of Dallas, state director of the Savings Bonds Division of the Treasury Department, said that the Opportunity Drive was an outstanding success throughout the state also. Sales for Texas were \$46,825,896.75, or 124 per cent of the state quota of \$36,989,000. The drive was held throughout the nation from May 16 through June 30, with bond purchases through July 18 being counted in the final totals.

Mr. Owens said that Texas sales during the drive were \$3,293,930.50 more than Series E sales during the similar period of 1948.

Amateur Hour At Story Hour On Wednesday A. M.

It was announced today that the summer story hour being sponsored by the Community Public Library will be held Wednesday morning at 9 o'clock at the Community Clubhouse.

Billye Jean Carley will be in charge of the program Wednesday which will be an amateur hour for those who wish to enter. Entries in the amateur hour must be registered with Miss Carley by Tuesday evening and all boys and girls up to 12 years of age are eligible to attend.

No admission is charged for the program.

The story hour last week was conducted by Mrs. Arthur Deffebach who was assigned by Mrs. Ovelia McCollum and Mrs. Alton Redwine.

Mrs. Redwine drew chalk sketches to illustrate stories as Mrs. Deffebach told them. Mrs. McCollum was in charge of the music at the hour. An attendance of 45 boys and girls was registered.

Last Rites Held For L. A. Burnett

Last rites for Lloyd A. Burnett of Ranger were held Saturday afternoon at 2:30 o'clock at the Church of Christ in Ranger with Floyd J. Spivy officiating. Interment was in the Alameda cemetery with Killingsworths in charge of arrangements.

Mr. Burnett died at the Hendricks Memorial Hospital in Abilene Thursday morning, July 21, 1949. He was born in Ranger April 9, 1903 and had made his home here for 35 years. He was a member of the Church of Christ of Bowie, and was a former employee of the Sinclair Pipeline company, having been forced to retirement because of ill health about three years ago. His wife, the former Nettie Blackwell, preceded him in death in 1929.

Funeral services were held at the home of Mrs. Burnett, 1106 E. 1st St., at 10:30 a. m. on Sunday, July 24. Burial will be in Greenwood cemetery.

One-Time Trail Driver Dies

DALLAS, Tex., July 23 (UP)—Funeral services were scheduled for 4 P. M. today for Willis Henry Clark, one-time Chisholm Trail cowboy who rose to become a Criminal District Court Judge in St. Louis.

Clark, 87, died Thursday in a Dallas hospital. He had made his home in Dallas county since his retirement as an active attorney 21 years ago.

A native of Michigan, Clark graduated from high school at the age of 12 and learned law from his father, a Michigan, University professor.

He spent some time as a cowboy before becoming a member of the bar. He served two four-year terms as District Judge in St. Louis before retiring to private practice in 1905.

Burial will be in Greenwood cemetery here.

County Keeps Record Intact; Goes Over Top In Bond Drive

Keeping its record intact of never failing to exceed its quota, Eastland County went over the top by one per cent in the Opportunity Drive for the sale of Series E Savings Bonds, which ended Saturday, July 16.

FIRST MISHAP OF SHOW OCCURS FRIDAY WHEN MAN BREAKS ARM

Indications were early Saturday morning that the fourth and last performance of the Junior Chamber of Commerce World Championship Rodeo Saturday night at 8 o'clock would be another sell-out. Plans were being made to handle such a crowd.

The Friday night performance was marked by the first mishap of the rodeo when Lloyd Burt of Cedar Valley sustained a broken arm in the bareback bronc riding event. According to friends of the rider he was already crippled as a result of an automobile accident several weeks ago.

But the Friday night crowd came to its feet as one when Buck Jones of Ranger made the fastest time yet scored in the rodeo when he threw his steer in the steer wrestling contest in eight seconds flat. He bested Whit Kenney of Stephenville by nine-tenths of a second. Kenney had overcome his steer in 8.9 seconds. Others in this event did not fare so well with the closest time to the leaders being 18.1 made by L. G. Gibbs of Killeen.

Fastest time in the calf roping contest was made by Sig Faircloth of Eastland, formerly of Ranger, second best was 16.1 made by Don McLaughlin of Fort Worth and third best was made by Ralph Russell of Merkle with 16.5 Jess Slaughter won the first ground in calf roping with 16.8, and Friday night Leo Brannon matched this time. Vernon Kerns of Hearne was also close with a 17 seconds flat.

Judge To Query Attorney On Drunk Charges

OKLAHOMA CITY, July 23—(UP)—District Judge Weiden C. Ferris, Altus, Okla., will hear highway patrol claims of drunkenness against Kiowa County Attorney Carpenter Hughes of Hobart Monday, a patrol official said today.

No charges have been filed against Hughes, Hughes refused to file any against himself.

State commissioner of public safety Paul Reed said today the Altus judge will review evidence in the case in a meeting with patrol officials Monday.

It was indicated the patrol may press for appointment of a special prosecutor in the case, but Reed refused to speculate on what action he will take.

Two Ranger Firms To Make Awards

Among the awards to be made Saturday night at the closing performance of the rodeo will be a \$50 pair of boots to the best all-around cowboy. The boots will be given by Cree's Boot Shop and will be awarded on the basis of the rodeo judges' decision.

A \$60 watch will be donated by Pulley's Jewelry to the cowboy who has the hardest luck in the bull riding event and a \$50 watch will also be given to the girl that has the best average in the barrel race.

Woolworth Heiress Reported Seriously Ill

Princess Barbara Hutton Troubetzkoy, the Woolworth heiress, has been reported seriously ill. Her attorney told a Dedham, Mass., court she was a semi-invalid and weighed less than 85 pounds. Here, she takes a sunbath at the Lido in Venice, Italy. (NEA Radiophoto.)

Most Of Pigs Now With Owners

The first greased pig contest in Ranger is over and at least most of nine boys in Friday night's contest have their pigs in tow.

Another scramble was held Friday night at the rodeo when the pigs, minus the one that was never captured Friday after it escaped Thursday night, were turned loose in the arena to be chased and finally corralled by nine boys.

Only one little boy took his defeat in the scramble sorrowfully and came out of the arena crying because he could not catch a pig. It was reported that the lad, one of the smallest in the arena, was heart broken because his older brother had caught a pig the night before and he was trying to match his record.

Pig victors that finally caught their pigs, sacked them and carried them out of the arena were Jerry Buckley of Dadeona, Jim Cheschire of Cisco, Billy Hagan of Eastland, Jack Jackson of Gorman and Bob Crawford, Royce Hatten, Billie Harper and Eddie Wallace, all of Ranger.

Team Defies Old Grey Mare Belief

AMARILLO, July 23 (UP)—Mrs. Bernice Coulson of Elk City, Okla., was killed and two other persons were seriously injured in a head-on auto collision last night on U. S. Highway 66.

James Wilbur Coulson, husband of the dead woman, suffered serious injuries in the mishap some 35 miles east of here.

Paul R. Clark of Albuquerque, N. M., was in a Groom hospital in "critical" condition.

State highway officers had not determined the exact cause of the accident.

Sharp Earthquake Shocks Felt

NEW YORK, July 23 (UP)—Two "sharp" earthquake shocks were received on the Fordham University seismograph early today at a distance of 170 miles from New York.

Father Joseph Lynch reported that the shocks were recorded at 5:12:08 A. M. EDT and 5:14:29.

Man Is Burned
YRKA, Cal., July 23 (UP)—Ivan Harzell was being treated for second degree burns today suffered when his pants exploded.

The 26-year-old county agricultural commission employe was working in a field with a sodium chlorate weed killer that impregnated his trousers. The highly inflammable chemical was touched off by friction when he put his hands into his pocket.

58,179 SILVER DOLLARS

Yep, there's silver dollars, partner, 58,179 of them. They're a feature of the 50th Anniversary celebration of The Timken Roller Bearing Company, Canton, Ohio.
 About 8,000 of the silver dollars had to be left in bags, because the 12-cubic-foot white box made especially for the display won't hold that much hard money.
 In the photograph above, two Timken employees, Louise Kessler, left, and Audrey Roth are amazed at the size of the pile. The exhibit is in the courtyard of the main entrance to the Canton plants of the Timken Company.
 The large pile of cartwheels, weighing approximately 3500 pounds, represents the amount Timken and its employees hand out in federal income taxes daily. The Cleveland and Pittsburgh Federal Reserve Banks loaned several weeks to corral them for the First National Bank of Canton, which had the job of ordering them for Timken.

★ WEEKLY BIBLE COMMENT

Psalmists Knew Sins Were of Man

BY WILLIAM E. GILROY, D. D.

THE poet Walt Whitman, who wrote more wisely in other matters, thought lightly of the sense of sin. He wrote somewhere about animals not having any sense of sin, and suggested man's inferiority in this respect. The Hebrew Psalmists—poets knew better. They lived in times, like our own, full of violence and man's cruelty to man. They had either experienced, or they lived close to, exiles and disruptions of peoples. There were plenty of "displaced persons" in those days, and the Psalmists knew that these inhumanities and cruelties were of man's purpose and design, and had their root in sinful hearts. They were realists about life and man. They had no illusions about man's natural goodness and innocence. Surely in times when we have seen the wickedness of men sending millions of innocent persons to cruel death in extermination camps and ovens, and to even more cruel torture we, too, should have no illusions about sin, as the Psalmists had none.

THEY knew, too, that the evils so deeply perpetrated were not matters of chance or circumstance. Everything proceeded out of the heart of man, and in that heart of man they saw mirrored what they themselves might be, or become. The writer of Proverbs 27:19 expressed this grim fact in a beautiful figure: "As in water face answereth to face, so the heart of man to man." I suppose that stooping down somewhere to drink in a clear, limpid pool, he

had seen his features mirrored there, and the thought had come to him, "That is like the heart of man, a vast depth in which man may see himself reflected and understand his nature."

He knew that in that heart of man there was evil as well as good, and it was this that made him so earnest and determined that his own heart should be free from evil.

His deepest prayer was that God would give him a clean heart, and renew a right spirit within him (Psalm 51:10). Nor was his prayer always a confession of conscious guilt. In moods of despair or contrition he might bewail the depth of his sins; and as for Psalms that King David may have written, he had plenty of cause for contrition, for he had adultery and murder on his conscience.

But often the prayer was a confession of the Psalmist's integrity, not a confession of evil, but of his deep sincerity about being free from evil. So it was that he called on God to search his heart, and to know his thoughts, and to see if there was any wicked way in him (Psalm 139:23).

That was a matter of rare spiritual courage. We all know that God sees our hearts and knows us for what we are, but I wonder how many of us rejoice in the fact, or really want God to search us. I make bold to say that the deepest defect of our American life today is the lack of the sense of sin. How can we ever build up a good life without standards of judgment, and a deep and unswerving purpose to be and do right?

Union Claims Right To Strike

AUSTIN, Tex., July 23 (UP)—The Texas Employment Commission held today that a work stoppage at the Crown Central Refinery at Pasadena was a "labor dispute," and cut off plant employees from unemployment compensation.

The Crown Central Plant was shut down July 7, putting some 300 employees out of work. The company claimed a sit-down strike, but the union said it was merely exercising its right under the Taft-Hartley law in writing out grievances on company time.

Snelling Faces Year To Eighteen Months In Prison

SANTA FE, N. M., July 23, (UP)—Tracy Snelling, ousted public relations director at the nearby Los Alamos atomic project faced a term of one year to 18 months in prison today for embezzling Red Cross funds.
The 37-year-old former Navy officer pleaded guilty to embezzlement of \$1,008 in Red Cross funds which he collected as chairman of a fund-raising drive at Los Alamos.
Snelling stood rigidly at attention as District Judge Louis Armijo sentenced him.
The official, whose disappearance touched off a four-state search which did not end until he suddenly turned up at FBI headquarters in Dallas last Wednesday related morosely that he took the Red Cross money because of many family troubles.

He was paid \$8,500 a year in the Los Alamos post, but he had only \$1.25 when arrested. He could not raise the \$5,000 bond.
He told officers that five members of his family were in the hospital during the past year. His wife's mother also died during that time, he said. Mrs. Snelling and their two children left yesterday for her home in Des Moines, Ia.

Christian Science Services
"Truth" is the subject of the
Lesson-Sermon which will be read
in all Churches of Christ, Scient-
ist, on Sunday, July 24.
The Golden Text is: "Teach me
thy way, O Lord; I will walk in
thy truth" (Psalms 86:11).
Among the citations which
comprise the Lesson-Sermon is
the following from the Bible:
"Lead me in thy truth, and
teach me: for thou art the God
of my salvation; on thee do I
wait all day" (Psalms 25:5).
The Lesson-Sermon also in-
cludes the following passage
from the Christian Science text-
book, "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy: "Science will declare
God aright, and Christianity will
demonstrate this declaration and
its divine Principle, making man-
kind better physically, morally,
and spiritually" (page 466).

To Every Citizen In The Range Independent School District

Since Morton Valley could not meet the requirements of the Gilmer-Aikin Bills, the school has closed, and the trustees have contracted the district to Eastland for one year only. There are other schools in Eastland County that will close within the next twelve months because they will not be able to meet the requirements of the Gilmer-Aikin Bills.

THE FOLLOWING LETTERS EXPLAIN VERY WELL WHAT WILL HAPPEN TO THE RANGER SCHOOLS IF NEXT TUESDAY'S ELECTION FAILS TO CARRY.

State Department Of Education

L. A. Woods,
State Superintendent
Austin, Texas
July 18, 1949

Mr. G. C. Boswell, Superintendent,
Ranger Public Schools,
Ranger, Texas.

Dear Mr. Boswell:
In reply to your letter of the 16th, I will say that if, at the election called in Ranger, the \$1.50 tax fails to carry, then Ranger will be without a tax rate except for bonds and will qualify for the Foundation Program under the Gilmer-Aikin Bills on such a curtailed basis that they will not be able to maintain an accredited system.

Sincerely yours,
T. M. TRIMBLE
First Assistant State Superintendent

Foundation School Program Act Division

OF
THE STATE AUDITOR'S OFFICE
STATE CAPITOL
C. H. CAVINES, C. P. A. State Auditor
L. P. STURGEON Director of Division
Austin, Texas
July, 1949

Dr. G. C. Boswell,
Superintendent of Schools,
Ranger, Texas
Dear Sir:

In your letter of July 16 you ask where Ranger would be in the Foundation Program should the tax election on July 26 fail. In as much as you have been assigned \$25,200.32, as your local effort, should the tax election fail, thereby causing you to lose your local revenue, Ranger would be unable to maintain even a fairly adequate school program.

Surely there is not a possibility that your District would fail to vote a school tax; as failure would be tragic as far as your boys and girls are concerned.
Please contact this division if we may be of any service to you.

Yours sincerely,
L. P. Sturgeon,
Director.

Ranger High School last year qualified for membership in the Southern Association of Secondary Schools and Colleges. This action was a step forward for the Ranger schools. If next Tuesday's election fails to carry, the boys and girls stand to lose. Every citizen in the Ranger Independent School District interested in the further operation of the Ranger Schools should vote next Tuesday for this tax. We do not want to be in the position of Morton Valley.

The Ranger schools will have the same number of faculty members for the 1949-50 year that they had during 1948-49.
Breckenridge last Thursday voted this \$1.50 tax. Eastland already has a tax of \$1.50

Announce Engagement

Mr. and Mrs. K. F. Kirk today are announcing the engagement and approaching marriage of their daughter, Lillian Jo Kirk to Bill King, son of Mr. and Mrs. W. O. King of Abilene, Texas.

The wedding will take place on August 20 at 8:00 o'clock in the evening at the home of Mr. and Mrs. Thies S. Jones, in Abilene. Mrs. Jones is an aunt of the bride-elect. Rev. D. C. Ham, pastor of the First Baptist Church in Ranger, will officiate.

Miss Kirk has selected her sister, Mrs. J. L. Richardson, Jr., of Ranger, as her matron of honor and only attendant. Bill Lewis, of Abilene, will attend the groom as best man.

Both Miss Kirk and Mr. King are students at Hardin-Simmons University, where Miss Kirk is a member of the Cowgirls. Mr. King is an employee of the Dallas Hill Implement Company, of Abilene.

Child Study Group To Have Breakfast

The Child Study Association, Pre-School, will be entertained Thursday, August 4, at 7:00 A. M. at a Sunrise breakfast at Willows Park. Children of members of the Association will be guests.

Personals

Guests in the home of Mr. and Mrs. L. H. Hagaman this week have been Cherry Hanis of Olney, Betty Lou Kincaid of Greenville, Mrs. Hamilton McRae and children, Mary Ann and Hamilton, of Midland, and Maj. R. A. Jameson who recently returned from duty in Austria.

Mrs. Tom Bryant and son, Tom Bryant III, of New York who have been visiting Mr. and Mrs. Tom Bryant Sr. of Cross Plains arrived Saturday for a visit with Dr. and Mrs. P. M. Kaykendall and Mrs. James P. Morris. Mrs. Morris has also been visiting in Cross Plains and accompanied the Bryants to Ranger.

To Be Married August 20

Mr. and Mrs. K. F. Kirk today are announcing the engagement and approaching marriage of their daughter, Lillian Jo, to Bill King, son of Mr. and Mrs. W. O. King of Abilene. The wedding will take place on August 20 in Abilene.

Word has been received that Dickie Everett formerly of Ranger who is stationed with the Navy at San Diego has recently been made fireman first class. He also recently spent the week end in Los Angeles with Jerry Gray formerly of Ranger and with Gilbert Lanier who is visiting in Los Angeles.

Mrs. Norman Milner and son, Norman, Jr., of Chicago, Ill., are the guests of Mr. and Mrs. D. E. Pulley while here attending the rodeo.

CAB TIPS FOR SERVICE

An innovation in the light pick-up and delivery truck is the new, tilting cab, model shown in the picture. Though White is an old-line manufacturer of pneumatic tire carriers, the "3000" series is something new to meet the demands of present day needs. Designed for speed, service and durability, the new truck travels on 9.00x20 General Highway tires.

RAINS IN EAST TEXAS DRIVE OUT TORRID HEAT

It was as "cool as Colorado" in East Texas today, with thunder-showers ranging up to five inches recorded in that area while the rest of the state reported usual summer weather.

A heavy, overnight rainfall at Gladewater totaled around five inches and knocked out power in that city for about an hour early today.

Good rains also were reported from other sections of East Texas as with Marshall recording 2-1/2 inches in a sudden downpour yesterday afternoon and Texarkana recording more than one inch. It was the second rain of that size within 10 days at Marshall.

Easterly wind blowing through the cloud-covered sections of East Texas kept temperatures well below the usual summer highs.

While East Texas as far westward as Dallas had cloud cover this morning most of the remainder of the state was partly cloudy with more of the same forecast throughout the week end. Widely scattered thundershowers were expected to give sporadic relief just as they did yesterday.

Other rainfall reports for yesterday and last night gave Salt Flat .65 inches, Midland .56, Marfa .05, Galveston .02, El Paso .01, Presidio .15.

The shower at Presidio knocked that town out of the "hottest" class for the day only a high of 98 degrees recorded there. Laredo took over the honor with 102 degrees. Wichita Falls reported 100, but elsewhere the readings were in the 90's except 82 at Guadalupe Pass.

Minimums this morning ranged between 78 at Palacios and 85 at Guadalupe Pass.

A new service to simplify kitchen work is a two-piece affair which, The American Magazine says, fits into any pop-up toaster and cooks wieners, bacon, hamburgers, onions and similar food in five minutes.

End Shirtfront Pleats at Hip For Gibson Girlish Waistline

BY ALICIA HART, NEA Staff Writer

HOW to have your pleated shirt front and your tiny waist too may mean ripping out a pleated shirttail and remaking it into a fitted hip-band.

If other women who want to look like a Gibson Girl in pleated shirts and slim skirts take this trouble, why can't you?

If you make your own blouses, you can eliminate a bulky shirttail when you cut and sew. Simply halt those rows of crisp pleats at the waistline and add a smoothly fitted hip-band to your blouse.

You can use the same technique on the shirttail of a blouse that you already have.

Even the woman who can't sew can find somebody who can rip the pleats out of a shirttail that adds bulk and remake it into a hip-band that fits as smoothly as her slip.

The Gibson Girl fashion implies a hand-spanning waistline. A woman who wants to look as tiny-waisted in her 1949 styled shirt-waist need not allow a bunch of bulky pleats shoved under her skirt band to defeat her aim.

Policy Relaxed In Renewal Of Driver's Licenses

AUSTIN, July 22 Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today a temporary relaxation in the policy of renewing expired drivers licenses. Pointing out that the action is being taken because of inadequate field and office personnel to handle the procedure in the normal manner, Colonel Garrison stated that the temporary measure, which becomes effective immediately,

will preclude excuses on the part of motorists for not having obtained a renewal of their licenses.

Senators Confer On Atlantic Pact

With voting on the North Atlantic Pact scheduled, proponents of the pact predict ratification with little opposition. Defeat of the reservation, proposed by Senators Kenneth Wherry, Robert Taft, and Arthur V. Watkins, which would specify that the pact carry no U. S. obligation to furnish its allies with arms, including the A-bomb and its know-how, is expected. Here Senators Watkins, left, and Wherry, right, confer with Tom Connally and Arthur Vandenberg, leading drive for ratification, as debate enters final hours. (NEA Telephoto.)

Seeks To Save Mex. Wetbacks

HARLIGEN, Tex., July 23 (UP)—A one-man campaign to warn alien cotton pickers of the dangers of returning to Mexico by the "wetback" route was under way here today.

F. Ferree, a 55-year-old masseur, yesterday began tacking placards on trucks and trailers used to haul cotton to local gins, advising the laborers in Spanish to return to their native country by the international bridge.

"Don't expose yourself to being robbed of your small savings," the signs read. "Your government guarantees you a safe return."

Reports had circulated along the Rio Grande this week that a gang was operating up and down the river on the Mexican side, depriving returning braceros of their earnings and murdering those who resisted.

Alarmed at the staggering number of aliens who are drowned or killed while trying to recross the international stream into Mexico, Ferree was planning to place warning signs on 10,000 trucks in the valley region.

Although the workers are in this country illegally, he hopes that they may be assured of recrossing at legal ports of entry without danger.

He recently wrote a letter to President Miguel Aleman of Mexico pointing out that Mexican laborers may return to Mexico through the ports of entry without being subject to fines.

Communist Seeks Refuge On Top Water Tower

OKLAHOMA CITY, July 23 (UP)—Giovanni Rossi Lomanitz, who has been accused of being a Communist, went to great lengths to dodge reporters.

Lomanitz, 28, scampered to the top of a 110-foot water tower yesterday when a reporter and photographer from the Daily Oklahoman sought to interview him.

He perched on the tower for 90 minutes, until the reporters gave up.

Lomanitz worked with a group of scientists on the atom bomb project at Berkeley, Cal., during the early part of the war. The un-American Activities Committee accused him of being the principal Communist organizer there.

He now works for utilities company here.

New British Crisis Arises

LONDON, July 23. (UP)—The labor government faced renewed threats of a slowdown on its nationalist railways today, only a few hours after it settled the dock strike which put the nation on short rations this week-end.

The new crisis developed when the National Union of Railwaymen rejected a wage decision made by a conciliation board because it did not cover all of the 620,000 rail workers. W. T. Potter, president of the National Union of Railwaymen said, "a very serious situation has developed."

The rejection will be placed before a special delegate meeting Monday. Union officials said the slowdown at Manchester might spread over the country unless quick settlement of the wages issue is reached.

The new threat arose even while the government wondered whether the return to work decision by dock workers would be completely effective Monday. The 16,000 strikers, who originally walked out rather than work Canadian ships, decided to go back at a meeting yesterday at which they stressed "no victimization."

PLAINVIEW, July 23 (UP)—Thirty-five patients were receiving treatment at the West Texas Polio Center today, making a total of 61, who have been treated at the center this year. Only 20 patients had been treated at the 40-bed Plainview clinic at this date last year.

The latest to be admitted were Mrs. J. W. Gilbert, 20, of Floydada, and James Stanley Vernon, Three-month-old son of Mr. and Mrs. B. B. Vernon, Jr., of Plainview.

VITAMIN B-12

Universal Mills has conducted considerable research on the animal protein factors and vitamin B-12 through our own experimental farm and found that the inclusion of vitamin B-12, which works in combination with the other animal protein factors, gave these feeds even greater productivity. All RED CHAIN poultry feeds now contain added vitamin B-12.
