Uncertainty Marks Opening Of Money Conference

BRITISH EXPECTED TO TELL U. S OF RESPONSIBILITY IN CRISIS

By LYLE C. WILSON
UNITED PRESS STAFF CORRESPONDENT
WASHINGTON, Sept. 7 (UP)—American British and Canadian officials met here today in search of a way out of the dollar crisis that threatens to bankrupt Britain and perhaps wreck European recovery.
The three-power money conference opened in the state department meeting room in an atmosphere of somber uncertainty that was clearly reflected in the faces of the principals.
As the conferees took their places reports buzzed through the chamber that the British delegation was planning to take a firmer and more aggressive stand than has been suggested in its pre-conference statements.
British sources said their delegates may warn the United States in blunt, unmistakable language that this country must help bail Britain out of her crisis or risk the collapse of Democratic leadership throughout the world.
Secretary of the Treasury John W. Snyder, chairman of the conference, and Secretary of State Dean Acheson were waiting in the state department's official reception room when the British representatives arrived.
Sir Stafford Cripps, Britain's chancellor of the exchequer and head of his delegation, arrived with Foreign Secretary Ernest Bevin and British Ambassador Sir Oliver Franks shortly before the 11 A. M. EST, starting time.
Canadian Finance Minister Douglas C. Abbott and External Affairs Secretary Lester B. Pearson showed up a few minutes later with Canada's ambassador to Washington, Hume Wrong.
Snyder appeared to be in a grim mood. He made a brief effort to exchange small talk with Cripps while Acheson and Bevin chatted like old friends and Marshall Plan Hoffman talked to the Canadians. Snyder finally gave up the attempt and led the delegates into the conference room.
A Scotland Yard detective, Ben Macey, accompanied the Britons into the meeting hall. But none of the dozens of financial experts attached to the three missions joined the party at the outset.
At 11:15 A. M. EST, the doors were closed and the conferees went to work. But the absence of the "experts" indicated that they were using their first meeting to decide on procedure, rather than to attend any definite negotiations.
From the outset, it appeared that the American and Canadian delegates planned to sit tight for a while and find out what solution, if any, the British have for their plight.
The British refused to show their hand in advance, although Cripps has made it plain that Britain is opposed to devaluing the pound sterling—a money maneuver suggested frequently on this side of the Atlantic as one way of increasing British exports.
British sources, meanwhile, hinted that Britain's newly announced trade deal with Russia might be indicative of a "tougher" stand by Bevin and Cripps at the money talks.
They said two British leaders may warn the American negotiators that their country's dollar shortage is merely a symptom of a spreading international disease which may endanger the position of the Western Democracies in their cold war with Communism.
These sources said that the British feel the United States, as the world's richest power, has a responsibility to solve the crisis in the same way that Britain handled similar responsibilities in her 19th century heyday.
Truck crops, we call our vegetables, but not because they are hauled to market in trucks. The word truck is from the French word *trouque*—to batter or exchange.

DALLAS GIRL KILLED ON LINER AT SEA

BOSTON, Sept. 7 (UP)—A pretty Dallas, Tex., debutante was killed and her escort seriously injured when they fell from one deck to another aboard a Boston-bound liner at sea, it was revealed today.
The American export lines, operators of the passenger liner *Excaltor*, said that Miss Adrienne Atwell, granddaughter of a federal judge, died "in spite of all efforts of three doctors aboard."
Robert M. Willard, 21, a Dallas student, suffered head injuries in the accident Saturday and was in a coma for three days. He will be hospitalized as soon as the *Excaltor* arrives at Boston tonight, the line announced.
A lines spokesman here said that Miss Atwell and Willard "apparently fell or slipped" from the boat deck to the promenade deck—about nine feet. There was no storm at the time.
They were apparently together when they fell, he added.
The accident occurred at 1:20 A. M. (EST) Saturday and Miss Atwell died of her injuries at 2:45 A. M. (EST) yesterday.
The line said a wireless message from the ship, which is due in Boston tomorrow from Marseille, reported that Adrienne Atwell, a socialite of 3630 Overbrook Drive, Dallas, died yesterday morning as the result of an accident.
The *Excaltor* is one of the line's "Four Aces" which travel to Mediterranean ports. It left Marseille Aug. 29. It is scheduled to arrive here Friday.
Miss Atwell was traveling with her parents, Mr. and Mrs. Webster Atwell, of Dallas. Mrs. Atwell and her daughter sailed for the Mediterranean on June 28 on the liner *Exeter* and disembarked at Naples to travel in Europe.
They were met at Marseille by Atwell, a prominent attorney, who joined them for the trip home.
Miss Atwell is the granddaughter of federal district judge William Hawley Atwell.

Police Lay Siege To Barricade Killer

Policemen stand armed with machine-guns, left, while civilian at right fires from protection of parked auto, during wild gun battle with crazed gun-man Harold Unruh, 26, in Camden, N. J. Unruh killed twelve persons and injured five others during the battle. (NEA Telephotos)

13TH VICTIM OF MASS MURDER DIES OF WOUNDS

CAMDEN, N. J., Sept. 7 (UP)—A 12-year-old boy died today—the 13th person slaughtered by religious fanatic Harold Unruh in his vengeance against storekeepers whom he considered the "moneychangers" of the neighborhood. He wounded three others.
John Wilson, aged in Cooper Hospital 18 hours after Unruh killed 16 men and children in a 20-minute shooting spree that turned a quiet residential section into a scene of blood and terror.
The three remaining injured—a woman and two boys—were still in the hospital but their condition was not critical.
The Wilson boy, his mother and grandmother were shot while they sat in an automobile waiting for a traffic light. The two women were killed instantly with single shots.
Unruh told police his resentment against the neighborhood storekeepers—the druggist, the shoemaker, the barber and the tailor—drove him to the killings. "Neighbors had been talking about me for some time and making derogatory remarks about my character," Unruh told police. "I had been thinking about killing them for some time."
Police said neighbors told them the 27-year-old Unruh "hated everybody, especially storekeepers whom he referred to as 'money changers'."
Unruh, who turned a Camden street into a scene of carnage yesterday with 20 minutes of deliberate murder a .38 caliber German Luger, was to be arraigned.

TAX HEARINGS NOW BEING SCHEDULED

City commissioners still hammering away at collection of delinquent taxes, will meet Thursday and Friday nights of this week to hear claims for adjustments on back taxes. It was pointed out at the meeting Tuesday night that the complaints are being heard by appointment in order spread out the hearings and also to indicate whether or not meetings are necessary.
The commission will also meet on Monday nights if the demand is sufficient.
Lester Crossley, city secretary, stated at the meeting Tuesday night that a number of requests for adjustments have been received and that he will be glad to make appointments for others to appear before the commission.
At the meeting Crossley reported that total of \$2,228.92 had been realized from parking meters from the time they were installed up to September 1 when proceeds from the meters become subject to division with the installing company.
Broken down the receipts are as follows: collections from the meters, \$1,430.2; from loading zone and delivery permits, \$441 and from violations of the meters \$357.

Grand Jury Panel Named

A special Eastland County Grand Jury, called for Thursday morning at 10 o'clock to consider a murder complaint against Mrs. Emory Moad of Cisco, has been announced by District Clerk Roy Lane.
The 16-man panel follows: Wendell Siebert, Guy Parker and Jack Muirhead, Eastland; P. O. Burns, Okra; Rufus Beene and Otis Guy, Carbon; Cecil Shults, O. B. Cargile, Rising Star; L. H. Taylor, T. J. Anderson, and G. B. Rush, Ranger; G. R. Kilpatrick, W. J. Foxworth, E. L. Jackson, O. O. Odum, Jr., and A. R. Westfall, Cisco.

Desdemona School Opens

Desdemona Public School opened for the 1949-50 session Monday morning, with two additional teachers having been added to the faculty.
Grade school: Mrs. L. E. Singleton, first and second; Mrs. Launa Latham, third and fourth; and Mrs. Mary Walls, fifth and sixth.
High school: Mrs. Kathryn Dufes, English; Clyde Latham, mathematics; Mrs. Louise Blanton, home economics; and Mrs. Brownie Woods, science; R. D. Wright, commercial.

Rites Set Today For Mrs. Harrell

Funeral services for Mrs. Charles Harrell of Snyder, former resident of Eastland, who died Tuesday after falling in her home, will be held this afternoon at 3 P. M. in Snyder.
Survivors include two daughters, Miss Myrtle Harrell and Miss Fay Harrell and one son, Garrett Harrell, all of Snyder.
Attending the services from Eastland were a nephew, Fred Harrell, and his sister-in-law, Mrs. Gerald Wingate. Mr. and Mrs. George Glascock and Guy Harrell of Cresson were in the city this morning enroute to their aunt's funeral.

FARM BUREAU MEETING IN ABILENE 17TH

A series of 25 bi-district meetings sponsored by the Texas Farm Bureau Federation will be held throughout the state of Texas September 6-21, it has been announced by J. Walter Hammond, federation president.
The two meetings scheduled for this district will be held in the Hotel Wooten, Abilene, on Saturday, Sept. 17, and in the V.F.W. Hall, Comanche, on Mon., Sept. 19. Director Raymond McElrath of Commanche will preside. Meetings will start at 10:00 a.m.
In conducting the meetings, President Hammond will be assisted by Austin A. Crowmover, state field representative. The United States Congressman from the district has been invited to appear on the program and speak to the group on agricultural trends in Washington.
Another highlight of the meetings will be a queen contest scheduled for 3:00 p.m. The queen selected at each meeting will participate in the ceremonies at the state convention in November at which the district queen will be determined, and a state queen chosen from the district winners.
Farm Bureau spokesmen will give farmers and ranchers first hand information on developments in the agricultural field directly affecting the welfare of farm people; they will also seek the views of the people on current issues as well as future programs.
Enrollment procedures to be used in the state-wide membership program to be conducted in October will also be discussed. In reviewing some of the accomplishments of Farm Bureau in 1949, made possible by a good membership, President Hammond called attention to work of the organization in securing adequate storage facilities for grain producers which is estimated to have saved Texas farmers approximately \$45,000,000; also the Farm Bureau's efforts in securing a support price on cottonseed, estimated to have saved farmers of Texas another \$20,000,000.
All farmers and ranchmen, and agricultural agency leaders are invited to attend the meetings.

Crawley Well Has Show Of Oil

The Price Crawley test on the L. A. Thompson No. 1, southwest of Ranger has found a very good show of oil and gas.
The sand was topped at 1893 feet, with only two feet of the sand drilled. Operations have been stopped for an eight hour period, after which tests and further drilling will be attempted.
The well has promise of being a good producer, it was said today. It is located 1750' from the north line, and 1000' from the east line of section No. 49, McLennan County School Land Survey, League No. 3 and 4.

Training Course For Girl Scout Workers Held

A training course for Girl Scout workers is being conducted in Ranger and all members of the executive board are expected to attend the sessions.
The first course was taught Wednesday afternoon from 1 to 4 o'clock in the recreation rooms of the First Methodist Church. Classes will be held Thursday night from 7 to 10 o'clock.
The classes are under the direction of Bobbie Wash of Brownwood, area organization chairman for Girl Scout work.

Legion To Meet

D. B. Holmes, commander of the Carl Barnes Post of the American Legion, announced today that the regular meeting will be held Thursday night at 8 o'clock at the hall.
He has urged that all members be present as important matters will be brought up.

Well... I Dunno, But...

School in Ranger for the 1949-1950 term was only one day old, but city officials reported last night that they have already had complaints and pleas about the traffic around grade schools.

As a result they are asking that cars not be parked on Lula Street in front of Hodges Oak Park School nor on Young Street in front of Young School.
When cars are parked on these streets it greatly increases the danger of passing motorists hitting boys and girls. The kids forget to look before they dart out from between cars and if the cars aren't parked there, passing motorists can see what the students are going to do and regulate their driving accordingly.
So far there's nothing mandatory about this request but officials are appealing to the sense of responsibility of those who are accustomed to parking their cars in front of these schools on heavily traveled main thoroughfares.

Another traffic suggestion was made to us this morning. And the suggestion was made after a little boy from Fort Worth, visiting here, was nearly moved down by a car that darted out of an alley across the pedestrian's path.
And we know very well the path of the complaint because we've pulled up just in time, on several occasions, to keep from being hit by a fast traveling car coming out of an alley.
It stands to reason that the careful driver would at least halt briefly before flying out of an alley across the pedestrian's right-of-way and into the flow of traffic on the streets. But a lot don't do it and somebody's gonna get hit one of these days.

We're alternately amused and irritated at the way we have to throw our vocabulary around when switching from the writing of a society story to writing a sports story, or any odd combination such as that. While we claim no laurels for doing either one very well, we did think until this morning that we held some kind of a corner on being an oddity in the newspaper business with the wide field of coverage that we have to make.

But we got a big bang this morning out of a news story over the wire about a newspaper MAN that was being pulled off of society to write sports. He had also formerly been a police reporter. And he's on a big daily too.

Another Rangerite will hit the airways Thursday night. S. B. Zuccaro of Crawford's Rexall store received word this morning that a wire recording which he recently made will be broadcast over the ABC Chesterfield round-up over the Texas network Thursday night at 9:30 o'clock.
In a telegram from Zack Hurt of the Chesterfield program, "Zuke" as he's known to his friends was advised that his endorsement of Chesterfields would be heard over that program. The recording was made in Ranger recently by a Chesterfield field man.

We were mistaken in a story in Tuesday's edition of the paper. Children must be six years of age BEFORE January 1, 1950 if they are permitted to enroll in Hodges Oak Park School for the current term.

Sorry to have caused all the people all of the trouble by stating that they must be six on or after January 1. It's before January 1.

Petit Panel Called Monday

A petit jury panel for 91st District Court has been summoned for the week beginning Monday, Sept. 12 it was announced by District Clerk Roy Lane.
Three civil suits are docketed for trial during the week.

SPORTS

TCU FROGS LEAD LIST OF INJURIES IN CONFERENCE

The injury jinx already has started plaguing Coach Dutch Meyer, whose Texas Christian Frogs resumed football training today minus seven players.
 Latest hopeful to join the casualty list was Sophomore Bill Murphy of Brownwood, who injured his arm in scrimmage yesterday. Murphy was hustled to a hospital in an ambulance.
 Meyer said the scrimmage was "just so-so."
 At the other extreme, the University of Arkansas was working out with a full complement of players.
 Coach John Barnhill ran his squad through a brief scrimmage yesterday and said the Porkers were in "excellent condition" with no injuries.
 Three Arkansas sophomores were cited by Barnhill as looking "plenty good." They were Don Logue, Charlie Temple and Jim Rinehart.
 Baylor held its first scrimmage of the season yesterday after the bears went through a morning passing offense session.
 Coach Bob Woodruff said two alternating offensive teams worked smoothly behind the passing and signal calling of sophomores Larry Isbell and Bob Reid.
 The weather was hot and humid at Houston, but the Rice Owls topped off a routine workout with a fast scrimmage.
 Fullback Bobby (Papa) Landrip returned from Lake Charles, La., where he had sweated out a blessed event, and got into a Rice uniform.
 Coach Jess Neely put his backfield through a passing drill, with Tobin Rote, Vernon Glass and Harmon Carswell throwing.
 At Dallas, the defending champion Southern Methodist Mustangs went through a long scrimmage in 97-degree heat. Only one man, Jack Addison, was missing. He suffered an ankle injury Monday.
 Meanwhile, SMU anticipated arrival of several star schoolboy gridders, including halfback Don Donovan of Grant's Pass, Ore, high school. The 175-pounder from the 1948 Oregon state championship eleven decided to enroll at SMU after visiting relatives in Dallas this summer.
 In Austin, five days of practice have indicated this season's University of Texas Longhorns will come up with better passing and improved direction by the man under spot in the T formation.
 Coach Blair Cherry was pleased over the spirited competition between Paul Campbell, Bobby Coy Lee, Bill Allen and Ben Tompkins.
 While Allen is the best passer of the four, he will miss the first couple of games because of a broken finger on his passing hand. Campbell is the only man with previous letter in the quarterback spot.
 But the four of them, Cherry believes, will go to make up a better aerial offense than the 1948 season.

Coach Boone Yarbrough is hammering away at his Ranger Junior College Rangers, in workouts each day whipping them into shape for the opening game here September 15. The opener will be played with Hardin-Simmons University freshmen on the Ranger field.
 While the Rangers have lost Cunningham, veteran guard, to Hardin College in Wichita Falls, Jakey Wright was expected to be out for the position this afternoon.
 J. C. Johnson, a 185 pound center, is out for a while with a knee injury sustained Tuesday.
 Coach stated today that affairs of the team and squad are being efficiently managed by Jerry Cook and Otis Mosley of Graham.
 Bit the Coach isn't saying yet about the prospects for the year. However, judging from the material he has to pick from, he shouldn't be too worried.
 Here are the squad and their positions:
CENTERS: Joe Neal, Mineral Wells, letterman, 195 lbs.; J. C. Johnson, Mineral Wells, 185; Herrington, Eastland, 160.
GUARDS: Townzen, Ranger, letterman, 180; Lasiter, Eastland, 170; T. Jones, Woodson 165; J. Clark, Wellington, 165; C. Wheat, Ranger, 155.
TACKLES: L. Boynton, Quanah, 210; J. White, Quanah, 175; L. Williams, Ranger, letterman, 170.
ENDS: D. Jones, co-captain, Woodson, letterman, 190; H. Frasier, Ranger, letterman, 175; C. Neal, Newcastle, letterman, 175; L. Wright, Wellington, 180.
LEFT HALF: F. Ford, Ranger, letterman, 155; J. Brock, Ranger, letterman, 190 R. Williams, Dallas, 150; B. Williams, Ranger, letterman, 160; J. McWhorter, Mineral Wells, 170.
RIGHT HALF: J. Crawley, Gorman, letterman, 150; J. Neal, Mineral Wells, 155; T. Stockstill, Strawn, 135.
FULLBACKS: J. Jones, co-captain, Woodson, letterman, 195; L. Boyd, Graham, letterman, 170; C. Floyd, Ranger, letterman, 175.
QUARTERBACKS: G. Chessie, Quanah, 175 and M. Betret, Mineral Wells, 155.

Legion Bowlers Join New League

AMERICAN LEGION TEAM JOINS BOWLING LEAGUE
 At the last meeting of the American Legion, the organization voted to place a team in the newly formed Eastland Bowling League. Neil Day was named chairman of the bowling committee and Henry Pullman volunteered to sponsor the Legion entry. Ten additional Eastland men have registered to bowl, and are in need of two team sponsors.
 The Eastland Bowling League is being organized by Ted Babain of the Ranger Bowl, and is exclusively for Eastland personnel. The bowling facilities at Ranger will be reserved one night weekly for local teams and individual bowlers. This league will bowl each Tuesday evening at 8:00 P. M., commencing September 20th. Beginner and experienced bowlers alike are invited to participate in this popular participant sport. League play will be on a handicap basis which will tend to even the various teams and add interest to the game.
 Three more teams are needed to complete the league, and feelers have been sent out to other Eastland clubs, organizations, and business houses. Any other sponsors or individuals interested are asked to contact C. T. Babain at Ranger prior to Monday, September 19th.

National Guard Armory Burns

LAMESA, Tex., Sept. 7 (UP)—Sentries remained on duty today while authorities tried to estimate damages caused by a fire that almost destroyed the National Guard armory here late last night.
 The fire broke out about 10:30

P. M., 40 minutes after Troop C of the 124th Mechanized Cavalry had completed its regular weekly drill. It was extinguished by the Lamesa fire department an hour later.
 Capt. Mac Wassell, commanding officer of the troop, said a discarded cigarette butt could have started the blaze.
 Wassell declined early today to estimate damages, but he said about \$250,000 worth of equipment was stored in the corrugated iron building on the Dawson County Fair Grounds.
 The building, valued at \$5,000, was insured.
 All of Troop C's records were destroyed in the roaring fire, which sent residents of nearby homes scurrying for safety.

USE LESS OIL... USE LESS GASOLINE

GET MORE POWER with this PREMIUM OIL

More and more motorists are discovering that they use less oil, use less gasoline and get more power when they use Premium Sinclair Opaline Motor Oil regularly. Special additives in Sinclair Opaline clean pistons, rings and cylinder walls of carbon, sludge and other deposits—to provide better piston seal. And better piston seal means less wasted oil, less wasted gasoline. It means more power, too, thanks to increased engine efficiency. Change today to Premium Sinclair Opaline Motor Oil.

ST. LOUIS BLUES (GI INSURANCE DIVIDEND TYPE)—These Marine Corps sergeants in St. Louis, Mo., making application for their share of the Veterans Administration's special \$2,800,000 GI insurance dividend, find the payoff prospects pleasant. On the other side of the ledger, when they tally up all the items the family plans to buy with the "melon," the balance comes out in the red. They are among the 16,000,000 veterans who may have this problem when they get their special dividend checks early next year. The Marine recruiters, left to right, are Staff Sgt. Harold L. Williams, Tech. Sgt. Olin K. North, and Master Sgt. George R. Schneider.

Clifford A. Leach to Vilma Lee Arnold, Comanche.

SUITS FILED
The following suits were filed for record in the 91st District Court last week:
M. A. Murchison, et ux. v. Kellus Carter, et al, for declaratory judgment.

ORDERS AND JUDGMENTS
The following orders and judgments were rendered from the 91st District Court last week:
Marjorie Rosevera Ames v. Lester B. Ames, judgment.

Beef cows 13.50-16.00, canners and good sausage bulls 15.00-17.00 cutters & common 13.00-14.50. Medium and good stocker yearlings 17.00-20.50, stocker cows mostly 14.00-16.00, some young cows above 16.00.

Calves 1500. Opened steady on shipper and small killer account, later trade dull and weak to lower. Good and choice calves over 450 lbs. 22.00-24.00, odd head higher, good and choice lighter weights 19.00-21.00, common and medium 14.00-18.00, culls 12.00-14.00. Medium and good stocker calves 18.00-23.00.

Hogs 700. Butcher hogs and sows 50 lbs. or heavier Tuesday, feeder pigs steady. Good and choice 190-270 lb. butchers 21.75 and 22.00, latter price for several lots. Few around 300 lb. butchers 21.25, good and choice 160-185 lbs. 18.50-21.50. Sows mostly 16.50-18.00, with heavy sows down to 15.50. Feeder pigs 17.00 down.
Sheep 2300. Slaughter ewes weak to 25 lower, other classes steady. Medium and good spring lambs 20.00-22.00. Good slaughter yearlings 18.00 and 18.50. Medium and good slaughter ewes 8.00-50. Cull and common 7.50.

and 7.75. Medium and good feeder lambs 18.50-20.00.

Up in the heart of the Arctic Ocean icebergs are never seen. Most bergs are "born" along the western coast of Greenland and are found in near-by waters.

Halitones are made of layers of compact snow and ice, formed about a central core like an onion. Says the National Geographic Society.

The ancient Egyptians were fond of music, using such instruments as harps, lyres, guitars, double and single pipes, and flutes.

LEVEILLE MOTOR ENTERS \$100,000 SAFETY CONTEST

Leveille Motor Company, Ford dealers in Ranger, has entered a \$100,000 car safety contest sponsored by the Ford Division, Ford Motor Company.

Leveille Motor Company is one of 6,400 Ford dealers throughout the nation who has entered the contest during September and October.

Seven hundred prizes totaling \$100,000 will be awarded winners of the safety contest. The prizes are 25 new Fords including five Ford Trucks; 25 \$1,000 U. S. Savings Bonds; 100 \$100 Bonds; 200 \$50 Bonds and 350 \$24 Bonds.

The contest has the support of the National Safety Council, the Inter-Industry Highway Safety Committee and other safety organizations.

Ned H. Dearborn, president of the National Safety Council, in a letter to L. D. Crusoe, Vice President and General Manager of the Ford Division, said:

"Certainly every motorist should check and double check the mechanical condition of his car for safety's sake; and you at Ford are making such a check easily available for all drivers throughout the country.

"And I am sure that this free check-up and safety contest, with its attractive prizes, will make Americans more safety conscious—it will save lives."

In order to participate in the contest, it was pointed out, motorists must bring their car or truck, of any make to Leveille for a safety check up at absolutely no cost or obligation to the motorist.

Free checks will be made on the brakes, steering, headlights, rear and stop lights, tires, windshield wipers, muffler, glass, horn and rear view mirror.

Leveille will place an attractive safe driver reflector insignia on the car of truck inspected and motorist will be given an entry blank to participate in the contest.

The motorist must then complete in no more than 50 additional words the following statement:

"All cars and trucks should be safely-checked periodically because

A jury of prominent persons in national safety circles will judge the winners. Only one entry per car or truck may be entered.

Other details of the contest are available at the Leveille Motor Company office.

Embargo Cripples Towns, Industry

ST. LOUIS, Sept. 7 (UP)—Four hundred St. Louis plants and many southwest towns were cut off from transportation today as the Missouri Pacific Railroad declared a freight embargo in the face of a threatened strike.

The communities and industries rely on the sprawling railroad for the necessities of life and commerce.

About 5,000 operating employees are expected to walk off their jobs Friday at 2 P. M., throwing another 25,000 workers of the road into idleness.

Involved in the dispute with the company were the Brotherhood of Locomotive Engineers, Order of Railway Conductors and Brotherhood of Railroad Trainmen.

They protested 282 unsettled claims growing out of differences in operating rules which they said involves \$3,500,000.

A passenger, mail, baggage, and express embargo was scheduled for early Friday, about 12 hours before the strike deadline.

A management spokesman said that no walkout was expected on the Missouri Pacific's subsidiary roads, the Gulf Coast Lines and the International-Great Northern, although there will be no through service.

Paul N. Neff, chief operating officer of the line, said the company has agreed to arbitrate the dispute. The unions refused, saying that the National Railroad Adjustment Board was five years behind in its work and that a settlement would not be reached for

Blowout Laid To Rock Slide

JEFFERSON, Tex., Sept. 7.—(UP)—A rock slide deep in the earth was blamed today for Marion County's second spectacular gas blowing in less than 60 days.

The blowout occurred Sunday in the rich Jefferson-Rodessa gas field in East Texas, while a well was being drilled.

Gas, under tremendous pressure threw tons of dirt and mud into the air and destroyed an estimated \$65,000 worth of drilling equipment.

The well was 338 feet deep at the time the gas started spewing into the air.

The blowout left a crater some 40 feet in diameter. Its depth was not known.

Dave Flesh, a petroleum geologist, said the first blowout probably was caused by a mass movement of underground formations. It occurred in a slough along a nearby bayou.

He said last night that a similar slippage along the Jefferson fault line was responsible for the newest blowout.

"It could be a leaking casing in some of these old wells," Flesh said. "But if it is, they haven't found it yet."

Flesh said the new blowout caved in the side of the crater and that 3,000,000-(M) cubic feet

of gas were escaping daily through the drill pipe in the well.

Heart Disease Worst

SAN FRANCISCO (UP)—Statistics released by Dr. J. C. Geiger, city health director, showed heart disease accounted for 33 per cent of all deaths here last year. Cancer, No. 2 public enemy accounted for 17 per cent of San Francisco fatalities during the year.

All of our farm grains are deficient in vitamin A, except yellow corn. Green pastures, green leafy alfalfa meal and yellow corn will supply hogs with all their vitamin A requirements.

Tennessee has had two official state flowers. The legislature adopted the iris in 1933, but from 1919 to 1933 the passion flower, selected by vote of school children, was the state flower.

IMAGINE! A BRAND-NEW G-E REFRIGERATOR FOR ONLY...

\$19.75 DOWN!

GENERAL ELECTRIC SPACE MAKER REFRIGERATOR

Low price isn't the only thing you get with this General Electric beauty! You get 30% more refrigerated food-storage space than in older models occupying the same floor space! Think what that means in a small kitchen. You get wonderful features that are practical, usable, convenient! You get the G-E sealed-in refrigerating system, famed for years and years of dependable service! More than 2,000,000 G-E Refrigerators have been in use 10 years or longer!

COME IN AND SEE THIS WONDER REFRIGERATOR TODAY!

MODEL NF-6 194.75

\$100,000 in Prizes

100 Prizes Including...

- 25 New Fords
- 5 New Ford Trucks (OPTIONAL)
- 25 \$1000 U.S. Savings Bonds
- 100 \$100 U.S. Savings Bonds
- 200 \$50 U.S. Savings Bonds
- 350 \$25 U.S. Savings Bonds

IN THE FORD CAR-SAFETY CONTEST

Enter Now!

Beat the rush. Get your entry blank and free car-safety check now. You can be one of the lucky winners!

HERE'S ALL YOU DO!

(No matter what make of car or truck you own)

- 1 Drive in to see us, or any Ford Dealer displaying poster shown below.
- 2 Ask for our Free Car-Safety Check. We'll check brake pedal reserve, steering linkage, tires, lights, muffler, horn, springs and shock absorbers, windshield wiper, glass discoloration, mirror and other safety points—all at no cost or obligation to you! Then we'll give you a Free Safety Insignia, and an Entry Blank.
