

Ranger is the center of the agriculture and livestock industries of the area with relative industries bringing much business to the town. It is also the home of Ranger Junior College, one of the best public junior colleges in the state.

RANGER DAILY TIMES

THE RANGER DAILY TIMES is the oldest daily newspaper in Eastland County, the first edition appearing on June 1, 1919. World news is furnished the readers through United Press daily wire service.

31st YEAR RANGER, TEXAS, SUNDAY, SEPTEMBER 11, 1949 PRICE FIVE CENTS No. 85

Program To Ease British Crisis Approved By Powers

Well...
I Dunno,
But...

In our mail this letter:
To the editor and tax collector:
In response to an article I read in the Times concerning tax payers and how people that pay their taxes get no consideration. I am a citizen of Ranger and try to be loyal to my government. I am a taxpayer and pay my taxes. If you please look to the right from the corner of Walnut to Cherry or Hodge Street the ditch has undermined my fence, the foundation washed from under the bridge on Hodge Street and the street men took it and fixed the bridge coming from Main Street and dug an old rotten tire up there and left it so I cannot get across without hurting myself and besides I am an old woman and a poor one. For years I have gone to the commissioners begging them to fix the city ditch.
Do you think that it's fair? Because I am colored.
Signed,
Lottie Wright.

Well, Lottie seems to have a complaint all right and when we talked to her about it and explained that the city can't do very much "fixin'" the shape they're in financially, Lottie said, "That's just what I say. If those folks would pay their taxes, they could fix that mess."
And Lottie has a right sharp idea there.

But take this one now—Elenoracylers—honestly that's a word and the kind that David Lee Jameson has been throwing around while writing his thesis for his master's degree which he recently got at the University of Texas and that's only part of the name applied by scientists to all kinds of things—just an old barking frog.

But according to David Lee who is now working on his doctor's degree and also teaching at the University, the barking frog is something of a rarity and worthy of the long name.

Recently we had the privilege of seeing a copy of the thesis which is very beautifully and scientifically done and full title of which is "The Ecological Life History of the Elenoracyler Latafus in the Edwards Plateau of Central Texas."

Now listen, we even had a hard time gettin' that thing spelled out on the typewriter, much less trying to spit it out by tongue as a usable word.
David Lee has also recently co-authored an article which appeared in the June 30 issue of the Texas Journal of Science. That was a little tamer. We can almost pronounce all of the words in that title, "The Reptiles and Amphibians of the Sierra Vieja Range in Southwestern Texas."
Oh, me, we're absolutely mentally exhausted.

Aside to the editor—(Phew)
Wade—

Dr. G. C. Boswell, president of District 186 of Rotary International was justly proud Saturday when he received word that his district was eighth in attendance for the month of July in the first upper ten of Rotary clubs the world over.

That word is right good. Take the whole world and out of it this little section of Texas stands out.

After that exhibition of football Friday night, the last mile on the donations for the fence at the athletic field oughta be easy.

E. F. Arterburn who is handling the donations says that they need about \$200 more to pay for all the fence, gates, etc. which are just about completed.

Two more donations were added this week. One from Sweeney's Pharmacy and one from a friend of Major Thompson's.

Ranger should look with pride upon the new fence and the over-all improvements that have been made at the field.

Monkey Business By Sorrowful - Makes Sorrowful, Sorry

Sorrowful, a five-month-old monkey at Lincoln Park in Chicago, prepares for x-ray examination after falling from top of his cage. The little fellow, up to "monkey business", broke two legs and one arm. Park nurse Agnes McGuire helps him secure the x-ray. (NEA Telephoto)

ABDUCTED GIRL FOUND; ABDUCTOR IN CUSTODY

PHILADELPHIA, Sept. 10 (UP)—Flonde five-year-old Janie Franz, abducted from in front of her Trenton, N. J. home last night was found today in Fairmount Park.
Fairmount Park guards said she pointed out Gerald A. Hutt, 35, Bridgeport, Conn., as the man who picked her up at her home. Hutt was taken into custody after a police chase along Roosevelt Boulevard.

Police said the child was not immediately examined to determine if she was harmed.
Hutt was charged with kidnapping and indecent assault at a brief hearing before Magistrate Thomas Costello and held without bail for a further hearing Sept. 15.
An off-duty Rahway, N. J., policeman first discovered the child along the highway and began the chase which ended in the apprehension of Hutt.

Patrolman Raymond Michael Rayhawk, was motoring to Philadelphia with members of his family when he saw the child along the highway.
Michael recognized her from radio descriptions of the abduction he had heard broadcast.

Check Forgers At Work Again

Check forgers are again operating in the state and it is believed they will come into the Eastland County area, the Sheriff's office stated.
Some forgers are offering payroll checks stolen from Temple Associates, general contractors of Lufkin; while others are offering checks on the R. B. Morse Construction Company of Lubbock. Two forged checks on the latter company have already been passed in the county.

Check protectors of both companies were also stolen and merchants are warned to use caution.

Railroad Pickets Withdraw Lines

ST. LOUIS, Sept. 10 (UP)—Picket lines were withdrawn today from Missouri Pacific railroad tracks used by other roads, and leaders of the strike against the Missouri Pacific apologized to the Cotton Belt for tying up seven of its trains.

R. E. Davidson, spokesman for the four brotherhoods that walked off the Missouri Pacific yesterday said the stopping of Cotton Belt traffic at Lpo, Ill., and Ilmo, Mo., was "a misunderstanding, and we're sorry it happened."

Davidson said "we're not going to have anything like that."
Two Cotton Belt freight trains were stopped at Dupo by Missouri Pacific pickets and four at Ilmo. In addition, the Cotton Belt held a St. Louis to Dallas passenger train until the situation was clarified.

The Cotton Belt uses Missouri Pacific tracks at Dupo and Ilmo under an agreement that has been in effect for 50 years. The road's northbound traffic was stopped at Ilmo and southbound at Dupo by the pickets.

Dallas Gang Leader Indicted On Burglaries

DALLAS, Tex. Sept. 10 (UP)—The alleged leader of the Dallas underworld was free on \$7,500 bond today following his indictment as a burglar and habitual criminal.
Hollis Delois (Lois) Green, 31, described by three law enforcement agencies as "King of Dallas Gangdom," was arrested yesterday after police spent nearly four months trying to prove that a \$1,000 wristwatch found near a burglarized home belonged to him.
He was indicted on charges of burglary, burglary of a residence after dark and being a habitual criminal. Conviction on the latter charges carries a maximum penalty of life imprisonment.

Green, a native of Madill, Okla., was released under bond 22 minutes after Judge Henry King set the amount.
Last May, police found the wristwatch partially buried in fertilizer on a lawn in exclusive University Park near the home of Oilman Freeman Burford which had been burglarized of a safe containing \$46,000 in jewels.

Green's arrest was his 53rd. He was served two short prison sentences, one for auto theft, another for theft over \$50. His first arrest was in 1934 on a charge of tampering with a car. Since then, he has been arrested in Oklahoma, Texas, North Carolina and New York.

He served part of a 90-day jail sentence when he was picked up in Camden, N. J., last March on a vagrancy charge.

Rites For W. M. Pace Due Sunday

Funeral services for Walter M. Pace of Ranger will be conducted Sunday afternoon at 2 o'clock at Killingsworth's Chapel with the Rev. Cecil Ellis officiating. Interment will be in Evergreen Cemetery.

Mr. Pace died at his home in Ranger Friday, September 9. He was born in Stephens County April 7, 1881 and had been a resident of Ranger for 29 years. He was married to Leu Cunningham at Denton on January 25, 1904.

Survivors are the wife, Mrs. W. M. Pace of Ranger, one son, Charlie T. Pace of Brownwood; two daughters, Mrs. Virge Johnson of Ranger and Mrs. Omer (Red) Jingle of Odessa; one brother, L. W. Pace of Midland; three sisters, Mrs. Maud Marlow of Dallas, Mrs. Joda Oxford of Abilene and Mrs. Maud Marlow of Dallas; two grandchildren, Mrs. Ben Swearingen of Galveston and William T. Pace of Brownwood.
Pallbearers will be A. H. Powell, Johnnie Richardson, of Crane, F. U. Hourland, Reed Campbell, L. J. Burnett and A. A. Hightower.

Marshal Tito Enjoys Vacation

Meters Being Put In Around Courthouse

The familiar noise of electric drills pounding into concrete was heard again by Eastland citizens as representatives of the Management of Hale Park-O-Meter Company began installation of parking meters around the Eastland County Courthouse. The installation was to be completed Saturday afternoon, and become effective Monday morning.
While meters had been installed several weeks ago by the City of Eastland on the far side of the street around the Courthouse, meters has not been erected around the Courthouse proper.

The County of Eastland secured a temporary restraining order to prevent the City from installing the meters. At a hearing held before District Judge George L. Davenport in 91st District Court by the parties concerned, Judge Davenport dismissed the suit and did not grant a permanent injunction to the county.

Publicity at that time said the interested parties had a "gentlemen's agreement" that the city would not install meters around the Courthouse until requested to do so by the Eastland County Commissioners Court.

The parking meter "holiday" around the Courthouse had resulted in an early morning race among citizens to determine who would get to park there without having to "feed" a meter.

County Judge P. L. Crossley in a statement to the Telegram Saturday morning said that the court had not been further contacted about installation of the meters and it is still the will of the court that they not be installed around the courthouse and that action of the city in putting them there is in direct repudiation of their agreement in District Court. He will issue a fuller statement Monday, he said.

Andrews Trial Starts Monday

The trial of Louis (Step) Andrews has been set for Sept. 12 and will open Monday in 19th District Court at Breckenridge.

Andrews is charged with the murder of Policeman J. L. Shaw. Shaw, formerly of Ranger, was shot on the night of June 10 when he and Constable Fritz Rudder of Breckenridge attempted to arrest Andrews in connection with a disturbance in Breckenridge.

He has been held without bond in the County jail in Breckenridge since Shaw's death the day after the shooting.
Shaw whose widow still resides in Ranger, was a veteran of World War II. Born in Ardmore, Oklahoma, April 1905 he moved from there to Ranger in 1926.

INVESTMENT IN STERLING AREA OKAYED

By Lyle C. Wilson
United Press Staff Correspondent
WASHINGTON, Sept. 10 (UP)—A top-level three-power conference today okayed a broad program of private and public United States-Canadian investment in the sterling area in an effort to pull dollar-short Britain out of her economic troubles.
The proposal was first fruit of talks among the United States, Canada, and Britain seeking ways to ease Britain's plight. Secretary of Treasury John W. Snyder announced the conference is making a push to wind up on Monday.

The recommendation represented broad approval of President Truman's "point four" program for encouraging investment in under-developed overseas areas. But the conference warned it was no quick and easy solution.

Snyder said the meeting was "exceedingly frank... very encouraging" and "we are still making progress."
The investment program was only the first of several recommendations which will come from working parties working continuously through the weekend in an attempt to let the conferees clean up their job.

The plan was recommended by a three-power working group and promptly approved by foreign ministers and finance ministers of the three governments and by ECA Administrator Paul G. Hoffman.

It followed a session of two hours and fifteen minutes. Secretary of Treasury John W. Snyder and probably will end Monday. He said the talks were frank and sympathetic with Britain's plight.

The conferees also recommended their countries keep up a program of study and talks so that persons who want to make overseas investments will have a clear idea of what they can do.
A formal report urged full government support toward greasing the machinery of the International Bank and Export-Import Bank to push such overseas investments.

"A properly directed flow of productive investment from the dollar area to the sterling area will be one of the appropriate instruments for dealing with the crucial disequilibrium between the sterling and dollar areas," the report said.

"Such flow of investment would help relieve not only current payments disequilibrium between the two areas but also would facilitate reaching a future payments equilibrium by increasing productive capacity in the recipient countries."

Midway in today's meeting, the ministers hurriedly called in Secretary of Agriculture Charles F. Brannan, presumably to discuss ECA rules and particularly proposals to allow Great Britain to buy Canadian instead of American wheat.

Snyder speaking to reporters after the closed meeting, said all working groups except that on overseas investment have been ordered to work through the week end. Their reports will be submitted Monday when the ministers will hold their next meeting.

Overseas investment was one of four broad attacks which the ministers have been considering. They also received reports today from working groups considering the possibility of American purchases of strategic materials from the sterling area, simplification of customs procedures and relaxation of ECA rules to permit Great Britain to spend ECA dollars outside the United States for products which might be surplus in the United States.

J. Stoker Wins Roping Contest

J. Stoker was high man Thursday night in a matched calf roping contest held at 8 o'clock at the rodeo arena.

Stoker out roped Zelma Herrington in the five calf contest with a time of 96.6 to Herrington's 98.4.
In the jackpot roping contest which followed the matched bout, Frank Rhodes of Throckmorton took the lead with 14.5 second time. Herrington was second with 20 seconds and Bob Miller was third with 20.1 seconds.

Byrl Hittson of Breckenridge led the four calf jackpot contest with 77.3 seconds on the four calves. Felton Herrington was second with 79.9 and H. R. Pendleton of Breckenridge third with 104.1.

It was announced today that there will be a jackpot roping contest at the arena Monday night and Stoker and Red Nickson of Breckenridge will stage a matched contest at the regular roping contest Thursday.

Jury Recesses Without Action On Moad Case

The grand jury adjourned Thursday until Tuesday without taking action in the case of Mrs. Alma Moad, 36, charged with murder.
She is accused of shooting to death her husband, Emory Moad, Cisco cafe cook.
Moad died Tuesday, two days after he was shot as he sat in a car in front of his wife's home.

Last week, Mrs. Moad, carrying her arm in a sling, tried to get a restraining order against her husband. She claimed he was beating her and displayed severe bruises.
Moad's father, the Rev. C. S. Moad, collapsed Wednesday at funeral services for his son. He was taken to his home and was reported improved Thursday.

Contest Deadline Is Wednesday

Members of the Ladies Auxiliary of the Local VFW Post today reminded the public that the deadline for the good neighbor contest is drawing near.

The deadline has been set for Wednesday, September 16, and entries may be mailed to the Ranger Daily Times, Box 118.
The contest is being conducted in connection with the Breakfast in Hollywood to be staged here on the night of Friday, September 16. Proceeds from the show will go toward the work of the Auxiliary.

Also the public is reminded of the ridiculous hat contest that will be conducted at the breakfast and it is urged that milliners get to work on the bonnets.

Daniels Denies Request For Information

WASHINGTON, Sept. 10 (UP)—Jonathan Daniels, editor of the Raleigh (N. C.) News and Observer, said today an inter-service feud over the Air Force B-36 bomber "had nothing whatever to do" with his decision not to become secretary of the Navy.

The wartime aide to Presidents Roosevelt and Truman told the United Press by telephone from his home he will officially inform a special Navy court that he never requested Rep. Charles E. Deane, D. N. C., to get information for him on the B-36 controversy.

The court, in recess today until Sept. 21, is trying to learn whether Cedric E. Worth, suspended assistant to Undersecretary of the Navy Dan A. Kimball, had any help in his admitted authorship of a "scurrilous" document attacking the B-36 bomber program.

Worth has testified that Deane asked for the information he put into the document. He said Deane explained he wanted information for Daniels about "disturbing" reports he had heard which affected the Navy.
Worth's anonymous attack on the B-36 set off an investigation by the House armed services committee, which later found its charges wholly unwarranted. The B-36 has been chosen by the Air Force as its main atomic bomber.

Ranger Man Gets 2 Year Term In Pen

Marvin Rose of Ranger pleaded guilty in 91st District Court Saturday morning to a Grand Jury indictment of burglary and was sentenced two years in the State penitentiary by Judge George L. Davenport.

Evening Classes At College Open

Dr. G. C. Boswell announced today that evening classes at Ranger Junior College are open to all who care to enter them and that all courses of the college will be available to the evening classes.
He is urging all that care to enter these classes to make contact with college officials at once.

Tennessee became known as the "Volunteer State" during the Mexican War when Gov. Aaron V. Brown issued a call for 2,800 men to serve and 80,000 men volunteered immediately.

TEXAS News Briefs

AUSTIN, Sept. 10 (UP)—Mathematically minded motorists needn't count the number of highway signs to a mile in Texas. The State Highway Department announced yesterday that there are almost five to a mile—or 155,000 safety signs to 32,000 miles of highway.

AUSTIN, Sept. 10 (UP)—12-17 will be "Texas Jersey Week" in the Lone Star State. Gov. Allan Shivers designated the period yesterday and called attention to the annual State Jersey Show and sale at Tyler on the same dates.

CHILDRESS, Sept. 10 (UP)—Calif. was in a serious condition in a hospital here today. The youth, hunting-doves with his father, L. P. Ashlev, was accidentally shot in the left shoulder by a 12-gauge shot gun at Cheatham Lake.

GLADEWATER, Sept. 10 (UP)—John Ben Shepherd, president of the Gladewater Chamber of Commerce and immediate past president of the U. S. Junior Chamber of Commerce, began a term today as president of the Gregg County Development Council.

Shepherd was elected to the post at an organizational meeting yesterday, during which keynote speaker and Longview Publisher Carl Estes promised that some day dams would be built up and down the Sabine River.

The waltzing mouse of Japan, bred as a curiosity, suffers from a cerebral disease, says the National Geographic Society. One of these mice may suddenly start spinning at any time, in a whirling dervish performance that ends as unexpectedly as it begins.

Meet your friends for an afternoon or evening of healthful enjoyment.

Upsets Mark Openers in Texas League Games

By United Press
Some of the Texas interschol-

FAMOUS FRENCH PAINTING—One of the renowned paintings in the exhibit of contemporary European art to be shown in the Dallas Museum of Fine Arts during the 1949 State Fair of Texas Oct. 8-23 is "At the Window," an oil painted in 1918 by Henri Matisse, eminent French modernist who has startled the art world with his many innovations. Other famous artists whose work will be shown include Salvador Dali, Georges Renault and Pablo Picasso.

FOOTBALL FUNNIES—Guard Jimmy Knotts, left, and Capt. Louis Allen, tackle, show how two players should not fall on a football as the Duke veterans get ready for fall practice in Durham.

astic League's so-called "powers" found out they weren't hitting on all cylinders in the opening games of the season Friday night. Upsets of the form chart were plentifully scattered throughout the schedule of 40 games played in Class AA and City Conference circles.

Among the more heralded pre-season favorites to encounter trouble were Abilene, San Angelo, Denton, Gainesville, Nacogdoches, Beaumont, South Park and San Antonio Brackenridge. Abilene was held to a 7-7 tie by Brackenridge, San Angelo was upset by Denton 20-12, Denton had to scramble to get a 7-7 tie with Graham, Gainesville was booted around by Grand Prairie 20-7, Nacogdoches looked impotent in being blanked 21-0 by Dallas Sessitt, Beaumont South Park lost to Texas City 7-0, and San Antonio Brackenridge fell before Kerrville 6-0.

Four games today and tonight will wind up the week end schedule with tonight's Port Arthur-Odessa clash spotlighting the card.

Holy Year Edict Issued By Pope

VATICAN CITY, Sept. 10 (UP)—Pope Pius today suspended all indulgences for Catholics and all extra-sacramental powers for confessors during the 1950 Holy Year except for the faithful who come to Rome. "The reason is obvious," a Vatican authority said, "celebration of the sacred jubilee in Rome would be almost useless if the faithful were able to obtain partial and plenary indulgences while remaining comfortably in their own country or if they could, in their own country be served by the extraordinary powers of the confessors." The Pope issued his sweeping

Now You Can See It

R. A.'s will meet at the church 5:30 P. M.
Prayer Meeting 7:30 P. M.
Choir Practice 8:15 P. M.
THURSDAY:
Brotherhood Meeting 7:00 P. M.

Judge Makes It Legal
LAKE LURE, N. C. (UP) — Superior Judge Charles Coggins pulled in a 28-inch rainbow trout weighing two and a quarter pounds. To make sure friends back home would believe his fish story, Judge Coggins had a notary public present while the catch was measured.

The total annual cost of medical, dental, and hospital care resulting from accidental injuries to farm residents in 1948 was about \$36,000,000.

"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 11.
The Golden Text is: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit" (I Corinthians 2:9,10).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God's thoughts are perfect and eternal, are substance and life. Material and temporal thoughts are human, involving error, and since God, Spirit, is the only cause, they lack a divine cause" (page 286).

FRED MOELLER

Music, Education Director Arrives

Fred Moeller has moved on the field and has already begun his work as director of music and education for the First Baptist Church. He will be general assistant to the pastor with much of the time being spent in directing four choirs for the church and working with the Sunday School superintendent, Training Union director, Brotherhood president and W. M. U. president.
Moeller has been in the religious work much of his life, and is the son of a minister. He has had two years of training in Southwestern Baptist Theological Seminary after doing some work in the Houston Conservatory of Music. He has served in many churches throughout Texas and neighboring states in evangelistic revivals as well as directed many schools of music in various churches. He comes to the First Baptist Church of Ranger from the department of church music of the Texas State Baptist Convention. He was formerly with the Trinity Baptist Church of Dallas. He is a native son of Texas having spent his early years at Miles Texas near San Angelo.
The Moeller family is a trio—Mr. and Mrs. Moeller and Alma. Miss Alma Moeller has enrolled in the Ranger Junior College where she is a sophomore.
"I know Mr. Moeller will mean very much to our church and especially to our young people. However, I am sure the community as a whole will be blessed by his coming our way," The Rev. David C. Ham, pastor of the church said today.

Forty Hours Devotion At St. Rita's Scheduled

Forty hours devotion at St. Rita's Church will commence Sunday morning with the 8:30 mass.

The Reverend Richard Sokolowski of Strawn will preach at the evening services. His topic on Sunday will be: Christ and the Eucharist; on Monday, You and the Eucharist; on Tuesday: The Priest and the Eucharist.

The Rt. Reverend Msgr. Joseph G. Donohoe, LL.D., Pastor of St. Patrick's Church at Ft. Worth will be present at the solemn closing Tuesday night.

Father Duesman of Abilene will be the Celebrant, Father DeFalco of Fort Worth the Deacon and Father Mysliviec of Breckenridge the Subdeacon.

Tuesday evening the ladies of St. Rita's Altar Society will serve a dinner to the visiting clergy.

Rev. Masseguee To Lead Services

Rev. Jasper C. Masseguee, pastor of the Second Baptist Church will speak at morning and evening services Sunday after an absence of two weeks in a revival at Cisco.

The church elected all officers and teachers to serve in the coming year in business session last Wednesday night. The Sunday School had the largest attendance average the past summer of any in the church's history since its organization in 1940. The church's resident membership numbers 218 with 194 enrolled in Sunday School attendance average was for the past twelve month period. The church budget including missions, local and foreign and other expenditures amounted to \$4811.05

that every parent and child ought to see, a lesson on how to be "At Home With God."

Opening Our Lives To God, will be the subject of the pastor, Rev. Cecil Ellis, at the 10:55 A. M. worship service.
The public is invited to attend.

Methodists To See New Film

"At Home With God," a new sound strip film will be shown at the evening worship service, 7:30 P. M. at the Methodist Church, Sunday.

This picture teaches a lesson Church of Dallas. He is a native son of Texas having spent his early years at Miles Texas near San Angelo.
The Moeller family is a trio—Mr. and Mrs. Moeller and Alma. Miss Alma Moeller has enrolled in the Ranger Junior College where she is a sophomore.
"I know Mr. Moeller will mean very much to our church and especially to our young people. However, I am sure the community as a whole will be blessed by his coming our way," The Rev. David C. Ham, pastor of the church said today.

during the last twelve months. 44 new members were received into the fellowship of the church during the same period.

Annual protracted day for the Sunday School will be observed September 26th.

New Hearing Device Has No Receiver Button in Ear

CHICAGO, Ill.—Deafened people are hailing a new device that gives them clear hearing without making them wear a receiver button in the ear. They now enjoy songs, sermons, friendly companionship and business success without self-conscious feeling that people are looking at any button hanging on their ear. With this new invisible Phantomold you may free yourself not only from deafness, but from even the appearance of deafness. The makers of Belmonte, Dept. 49, 1450 W. 19th St., Chicago 5, Ill., are so proud of their achievement they will gladly send you their free brochure (in plain wrapper) and explain how you can test this amazing device in the privacy of your own home without risking a penny. Write Belmonte today.

SPUNKY BULLDOGS GET TEETH IN OLNEY 18 TO 6

With a tenacity that must have surprised even themselves the Ranger High School eleven Friday night were never more worthy of the name "Bulldogs."

They bared their teeth and dug in after the first quarter to win their opener with Olney 18 to 6.

From a scoreless first quarter when it began to look like the going was a little rough, the Bulldogs began their drive in earnest in the second quarter and came out of the first half with a 12 to 6 lead. After Olney scored its one touchdown of the game an intercepted pass late in the second quarter, they never seriously threatened Ranger's goal.

The Bulldogs won the toss and elected to receive on the south end of the field. Cletus Alexander kicked off for Olney, sending the pigskin deep into Ranger territory. Comanche received the kick for the Bulldogs and fumbled, the ball rolled across the goal where it was picked up by Kenneth Williams who raced it out of the end zone to the Bulldogs sixteen yard line.

On the first play from scrimmage, Hamrick, after faking the ball to Williams, handed off to Comanche, who ripped off his own left tackle for eight yards. Setting up in deep punt formation, McKinney sent a nice punt down into Cub territory.

At present there are more wolves in northern Minnesota than in any other district in the United States.

AS The Sideline Sees It

The Saturday morning quarterback backs were at it in a big way over the cups of coffee and you'd have thought maybe the Bulldogs didn't know what they were doing Friday night. But from where we were sitting, it looked like they had a pretty good idea what it was all about.

Sure they got some breaks in the game but we noticed that they were Johnny on the spot to take advantage of them. If memory serves us right, the first touchdown that Ranger made was set up through a recovered fumble. As a gentleman we know says, "It's the team that has the big end of the score that wins the game." And Ranger had that end of the score.

Personally, we could see improvement in the team work as compared with the team work exhibited in the first scrimmage. Jimmy Comanche, if anything shows more determination than ever and Buddy Hamrick is turning out to be one of the best ball handlers we've had around here in sometime.

Some sparks shown around Dean Elder, E. P. Robinson, Jim Patterson Jackie Hummel and Kenneth Williams, too. McKinney points lead. The Cubs couldn't seem to break the Bulldogs line and were forced to punt on their fourth down every time they got the ball.

The Bulldogs played a jam-up game taking advantage of every break they got and making the most of it. By being on the alert and taking these advantages they were the victors 18 to 6.

BELLHOPS FOR ARIZONA LASS TO WIN CONTEST

By HARMAN W. NICHOLE
 United Press Staff Correspondent
 ATLANTA City, N. J. Sept. 10 (UP) Insiders at the America contest — Bellhops, that is — said today that Jacque Mercer, street address Bar X Ranch, Litchfield Arizona, is a surefire winner.

Miss Arizona won the talent contest in the preliminaries in that division last night with a dramatic sketch from Romeo and Juliet. It was Juliet's "patience scene" and the pretty little 5 foot 4 inch brunette brought applause which shook the rafters.

That gave the little gal some and Hamrick did some right fine punting, the way we see it, but the try for points was a disappointment.

The passing attack could stand some improvement with the greatest weakness showing up in the receiving end. But we have an idea that the coaches noticed this little weakness, too, and no doubt we'll see some polishing up in this phase of the game.

Well, we'll see next week when they meet Bowie at Bowie.

Then there's the college game here next Thursday night when Ranger Junior College meets the Hardin-Simmons University freshman at the Ranger field.

Coach Yarbrough says he's had some tough breaks in loss of some players and few other little matters but he's still grinning and hoping. He's trying out all sorts of things to make the lineup the power house that he hopes the Rangers will be.

An interesting item is the results of the teams the Bulldogs will play in the remaining games of this season.
 Hamilton, one of the leading contenders for this district's title whipped Goltswaite 86 to 0. Burk Burnett out paced Henretta 12 to 0. Nearby Stephenville took the short end of a 12 to 0 bout from Waxahachie. Dublin defeated Hico 12 to 0.
 From the looks of these scores it would do the Bulldogs some good to whip those extra point kicks into shape. That one point can mean a lot in winning a ball game.

Colleges, Universities Claim Many From Ranger

A familiar atmosphere prevades the old home town as fall days begin to roll in and trunks and bags are being packed and locked for the trek back to college or university.

In a check made this week, it was found that again Ranger will be represented in many of the higher institutions of learning and that the proportion of representation is again very high.

While the list that has been compiled may not be complete, and more than likely is not, it still is a rather sizeable list.

Heading the list of those already departed for rush week prior to settling down to studies were Elaine Brazda, Anne Matthews and Dorothy Imholz to SMU in Dallas and Helen McAnelly to the University of Texas, in Austin. Miss Brazda is going back to assist with rush at her sorority, Alpha Delta Pi. Miss Matthews who is a Pi Beta Phi at SMU will also assist in her sorority's rush activities and Miss Imholz who finished Stephens College in Columbia, Mo. last spring and is entering SMU for her first term there is being rushed by various sororities. Miss McAnelly is a Kappa Alpha Theta at the University of Texas and will have part in the rush activities there.

Mace Oylar will be back in SMU for his second term there. Texas Tech at Lubbock is claiming a number of Ranger students and the trek back to Tech will be led by a number of old-timers there. Joe Campbell, Dan Conway, Jack Ray Eubank and Buddy Eubank, old regulars at Tech will be joined there this year by Junior Arterburn who is already there, Jo Ann Deaton and Frank Deaton, Jack Littlefield and Billy Wayne Griffin.

Texas A. & M. College at College Station will get Robert Imholz, Albert Jackson, Jim Kelly and Richard Kelly.

North Texas State College at Denton will enroll Cahrle Camp-

bell, Patsy Wallace, Jane Hardy and Meiba Creager.

Going to TCU at Fort Worth will be Beth Pearson, Helen Wymer and Elvia Warner.

Nora Jean Heinlen who will return to TSCU in Denton will be joined in enrollment there by Gloria Rogers.

Ahliene Christian College will draw O. G. Lanier Jr., and Christine Wallace.

Bob Balch is already at Hardin-Simmons University in Abilene where he is first string with the football team. Gilbert Cogburn returns to Texas Wesleyan in Fort Worth where he is a pre-medical student. Mary Sue Danley goes to McMurray in Abilene and Sara Frances Whatley will be in Trinity University in San Antonio.

T. K. Hardy will enroll in Kilgore Junior College and Allen

ATOM SMASHER JOINS WAR ON CANCER—Doctors and scientists are anxiously awaiting results of the first use of a new 22,000,000-volt atom smasher to treat two cancer victims. At the University of Illinois College of Medicine, Chicago, laboratory assistant W. D. Davis, left above, uses a plaster cast of a patient's head to find the best position for use of the betatron, designed specifically for medical treatment. At right, a 72-year-old patient, suffering from cancer of the larynx, receives the betatron treatment from Dr. Roger A. Harvey. The patient's head is placed in a small opening of the betatron tube. Within the machine, atomic particles are whirled magnetically until they approach the speed of light. These particles, reflected against a metal plate, "splash" X-rays strong enough to pierce 20 inches of steel. These rays, doctors hope, will destroy or damage the cancer. Results of the treatment cannot be determined immediately.

Rushing will be in Tarrant College in Stephenville.

Joe Don Meroney will be back at the University of Texas and Marvin Wilson will be in Hardin College in Wichita Falls, and Andy Jackson will go back to Baylor University at Waco, and Charles Orteen will re-enter the University of Texas Medical School at Austin.

O. E. S. Meeting To Be Monday Night

The regular meeting of the Ranger chapter of the Order of the Eastern Star will meet Monday night at 8 o'clock at the Masonic Hall and all officers and members are urged to attend.

Visitors are welcome.

Study Group Has Meeting Thursday

Members of the Child Study Association met Thursday afternoon at 2:30 o'clock in the home of Mrs. Allan Smith who was assisted in entertaining by Mrs. L. R. Cozby.

Mrs. Smith was in charge of the program and introduced Mrs. J. D. Johnson who spoke on the subject of "Roots of Aggression," in a business session Mrs. Smith, Mrs. A. W. Warford and Mrs. J. H. Fuller were elected to represent the group on the City Council of Parents and Teachers.

At the close of the meeting refreshments were served to the following: Meses. Roy McCleskey, W. R. Falfer, J. C. Ownby, Theo Ferguson, Bill Rainwater, J. D. Johnson, R. V. Robinson, W. L. Aishman, Cozby, Warford, Joe Nuesse, Con Poyner, Glynn Covington, C. L. Beck, J. L. Latimer, Fuller and Smith.

Fish can be frozen in solid ice for long periods and still survive. Naturalists say they should thaw out gradually, however.

Personals

Mace Oylar of Dallas is here to spend the week end with his mother, Mrs. M. A. Oylar. On his return to Dallas he will re-enter SMU.

Dr. and Mrs. G. C. Boswell have as their guests Dr. and Mrs. Joe Frantz and Genevieve Boswell of Graham; Dr. and Mrs. Frantz will leave the latter part of the week for Austin where Dr. Frantz will be on the faculty at the University of Texas.

Dr. and Mrs. Ross Hodges will be in Cisco Saturday night to attend the wedding of Gloria Graham Layden L. Stroud Jr. at the First Presbyterian church.

Mr. and Mrs. J. A. Robinson have received word that their son, J. B. Robinson, who has been seriously ill, has been removed from the hospital and removed to his home in National City, California.

Mr. and Mrs. Marcus Matthews have returned from Malta, Texas, where they were called by the serious illness of Mr. Matthews' grandmother, Mrs. J. A. Matthews. They were accompanied on the trip by Mr. and Mrs. W. E. Matthews of Route 2.

Mr. and Mrs. C. B. Osteen have as their guests Ensign S. R. Crewell of Corpus Christi, Mr. and Mrs. D. T. Crawford of Tooele, Utah, and Linden Moses of El Paso who is enroute back to the University of Texas Medical School at El Paso.

Mr. and Mrs. J. H. Greer, and son, Jerry Bob have returned from a vacation trip to New Mexico, Colorado, Kansas and Missouri. In Cassile, Mo., they were the guests of Mrs. Greer's mother, Mrs. J. C. Hill.

It was reported this morning that Junie Herweck, son of Mr. and Mrs. Millard Herweck, who is confined to his home because of illness is some improved.

Mrs. Laura Smith is a medical patient in the Ranger General Hospital.

Well I Dunno ...

We took a good look around Friday night and realized that something very fine for Ranger has been accomplished through the efforts of those who have been hard at work on the improvements through the summer months and through the donations that have made the work possible.

Coach Sam Allis who has supervised and done a great part of the work was back out there early Saturday morning putting the finishing touches on the last of the gates.

Yes sir, your donations will be appreciated. See Art and help the committee clean up this last bit of needed money.

11 Missing As Cruiser Sinks

NANTUCKET, Mass., Sept 10 (UP)—Eleven persons including several children were plunged into mountainous seas when a cabin cruiser sank 10 miles off this island in a violent storm, it was reported today by one of the party who reached the beach here.

The man was Russell C. Palmer, 24, of Falmouth, skipper of the 35-foot Excursion Cruiser Constance.

Palmer said all members of the party were alive and in the water when he last saw them. He said each one had two life preservers.

Palmer had two preservers strapped around him when he paddled and floated the 10 miles to shore during the night.

The Constance sank 55 minutes after she had left Nantucket for Falmouth late yesterday.

Coast Guard craft were dispatched to the area where the Constance sank, somewhere near Cape Poge. A score of private planes, dozens of small craft and crews from six coast guard stations had been searching throughout the night for the cruiser and its party.

Those aboard were Palmer, Rev. and Mrs. Hubert A. Albeny of Falmouth, their sons Leighton and Alfred, their daughter and son-in-law Mr. and Mrs. Robert Nairn of Rochester, N. Y., Emily Fos-

ter of Falmouth, and three other persons whose names were not immediately known.

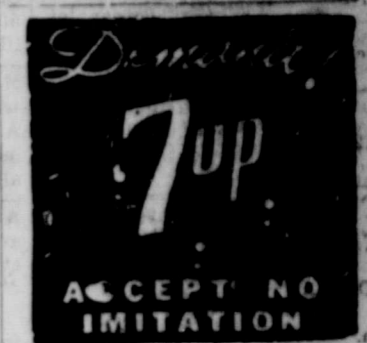

Reports from the coast guard stations at Chatham, Brant Point, Woods Hole, New Bedford, Gay Head and Cuttyhunk indicated that none of their searchers had sighted the Constance.

They said the sea still was rough after last night's blow. The Coast Guard Cutter Legare was ordered to the scene and planes were ordered to take off from the coast guard's Salem Airbase to join in the search.

Polaris, the Pole Star, is at a distance of 470 light years from the earth. (A light year is the distance a ray of light will travel in a year, approximately 6,000,000,000,000 miles.)

Dim Your Lights And Save A Life

Plowing under cotton stalks before frost is the most dependable method for controlling boll weevils. A heavy roller-type stalk cutter with disk harrow attached does a good job of stalk destruction and makes plowing easier. Stalks may be covered by bedding or by using a one-way plow.

You ought to be driving a '49 **PONTIAC**

Distinguished by a Beauty All Its Own!

There's an unmistakable stamp of distinction about the new Pontiac. It's a beauty from the front and from the rear! Wherever you see its "Silver Streak" styling—in city traffic, on the highway, or silhouetted at the curb—you know immediately that it's a Pontiac and something very special among automobiles.

Pontiac's performance is equally unmistakable—thanks to Pontiac's great power plants, the straight eight or six, and to the engaging convenience of GM Hydra-Matic Drive.* And remember, Pontiac is still the lowest priced straight eight in America!

Why not come in soon and get the whole Pontiac story?

SAFE-T-NEW DRIVER VIEW! Pontiac's wide, optically curved windshield, plus wider windows and slimmer pillars all around, gives you a new driving horizon.

*Hydra-Matic Drive optional at extra cost.

Bowling Briefs

The Men's City Bowling League opened the 1949-1950 season Thursday night with 6 teams swinging into action. The Paramount Coffee Shop, Rotary Club, Frozen Food Lockers, and the Veteran's Foreign Wars teams are repeat entries from last year. Two new teams are the Fuller Motor Company, sponsored by Bud Fuller, and the Ranger Merchant's team, sponsored individually by each business man represented on the team.

The Rotary Club bowlers, led by Tod Babain's 296 game and 572 series swept three games from an undermanned and weakened Paramount team. Allen Pull led the losers with 182 and 503. Incidentally, this was the first time in two seasons that Paramount has lost a complete series.

NO BOMBS TODAY—From the historic city of Munich, Germany, itself a symbol of prewar peace talk, comes the above picture with a "message" from the Communists. The Reds scrawled the words "No Atomic Bombs" on the wall—aptly that of a cemetery—as a slogan of their unsuccessful campaign in recent German elections. On the right, little children play, unaware of the significance of the painted words. (Photo by N.A.-Acme correspondent Gerhart P. Seitz)

Program To Ease British Crisis Approved By Powers

Well...
I Dunno,
But...

In our mail this letter. To the editor and tax collector: In response to an article I read in the Times concerning tax payers and how people that pay their taxes get no consideration. I am a citizen of Ranger and try to be loyal to my government. I am a tax payer and pay my taxes. If you please look to the right from the corner of Walnut to Cherry on Hodge Street the ditch has undermined my fence, the foundation washed from under the bridge on Hodge Street and the street men took it and fixed the bridge coming from Main Street and drug an old rotten tire up there and left it so I cannot get across without hurting myself and besides I am an old woman and a poor one. For years I have gone to the commissioners begging them to fix the city ditch.

Do you think that it's fair? Because I am colored.

Signed,
Lottie Wright.

Well, Lottie seems to have a complaint, all right and when we talked to her about it and explained that the city can't do very much "fixing" the shape they're in financially, Lottie replied, "That's just what I'm saying, if those folks would pay their taxes, they could fix that mess."

And Lottie has a right sharp idea there.

But take this one now—Eleutherodactyls—honestly that's a word and the kind that David Lee Jameson has been throwing around while writing his thesis for his master's degree which he recently got at the University of Texas and that's only part of the name applied by scientists to well of all things—just an old barking frog.

But according to David Lee who is now working on his doctor's degree and also teaching at the University, the barking frog is something of a rarity and worthy of the long name.

Recently we had the privilege of seeing a copy of the thesis which is very beautifully and scientifically done and full title of which is "The Ecological Life History of the Eleutherodactyls Laetrasus in the Edwards Plateau of Central Texas."

Now listen, we even had a hard time getting that thing spelled out on the typewriter, much less trying to spit it out by tongue as a usable word.

David Lee has also recently co-authored an article which appeared in the June 30 issue of The Texas Journal of Science. That was a little tamer. We can almost pronounce all of the words in that title, "The Reptiles and Amphibians of the Sierra Vieja Range in Southwestern Texas."

Oh, me, we're absolutely mentally exhausted.

Aside to the editor—(Phew) Wade.

Dr. G. C. Boswell, president of District 186 of Rotary International was justly proud Saturday when he received word that his district was eighth in attendance for the month of July in the first upper ten of Rotary clubs in the world over.

Let's we'd say is right good. Take the whole world and out of it this little section of Texas stands out.

After that exhibition of football Friday night, the last mile on the donations for the fence at the athletic field oughta be easy.

E. F. Arterburn who is handling the donations says that they need about \$200 more to pay for all of the fence, gates, etc. which are just about completed.

Two more donations were added this week. One from Swany's Pharmacy and one from a friend of Major Thompson's.

Ranger should look with pride upon the new fence and the over all improvements that have been made at the field.

Monkey Business By Sorrowful—Makes Sorrowful, Sorry

Sorrowful, a five-month-old monkey at Lincoln Park in Chicago, prepares for x-ray examination after falling from top of his cage. The little fellow, up to "monkey business", broke two legs and one arm. Park nurse Agnes McGuire helps him secure the x-ray. (NEA Telephoto)

ABDUCTED GIRL FOUND; ABDUCTOR IN CUSTODY

PHILADELPHIA, Sept. 10 (UP)—Blonde five-year-old Janie Franz, abducted from in front of her Trenton, N. J. home last night was found today in Fairmount Park.

Fairmount Park guards said she pointed out Gerald A. Hutt, 35, Bridgeport, Conn., as the man who picked her up at her home. Hutt was taken into custody after a police chase along Roosevelt Boulevard.

Police said the child was not immediately examined to determine if she was harmed.

Hutt was charged with kidnapping and indecent assault at a brief hearing before Magistrate Thomas Costello and held without bail for a further hearing Sept. 15.

An off-duty Rahway, N. J., policeman first discovered the child along the highway and began the chase which ended in the apprehension of Hutt.

Patrolman Raymond Michael Rayhway, was motoring to Philadelphia with members of his family when he saw the child along the highway.

Michael recognized her from radio descriptions of the abduction he had heard broadcast.

Railroad Pickets Withdraw Lines

ST. LOUIS, Sept. 10 (UP)—Picket lines were withdrawn today from Missouri Pacific railroad tracks used by other roads and leaders of the strike against the Missouri Pacific apologized to the Cotton Belt for tying up seven of its trains.

R. E. Davidson, spokesman for the four brotherhoods that walked off the Missouri Pacific yesterday said the stopping of Cotton Belt traffic at Lpo, Ill., and Illmo, Mo., was "a misunderstanding, and we're sorry it happened."

Davidson said "we're not going to have anything like that."

Two Cotton Belt freight trains were stopped at Dupo by Missouri Pacific pickets and four at Illmo. In addition, the Cotton Belt held a St. Louis to Dallas passenger train until the situation was clarified.

The Cotton Belt uses Missouri Pacific tracks at Dupo and Illmo under an agreement that has been in effect for 50 years. The road's northbound traffic was stopped at Illmo and southbound at Dupo by the pickets.

Dallas Gang Leader Indicted On Burglaries

DALLAS, Tex. Sept. 10 (UP)—The alleged leader of the Dallas underworld was free on \$7,500 bond today following his indictment as a burglar and habitual criminal.

Hollis Delois (Lois) Green, 31, described by three law enforcement agencies as "King of Dallas Gangdom," was arrested yesterday after police spent nearly four months trying to prove that a \$1,000 wristwatch found near a burglarized home belonged to him.

He was indicted on charges of burglary, burglary of a residence after dark and being a habitual criminal. Conviction on the latter charges carries a maximum penalty of life imprisonment.

Green, a native of Madill, Okla., was released under bond 22 minutes after Judge Henry King set the amount.

Last May, police found the wristwatch partially buried in fertilizer on a lawn in exclusive University Park near the home of Oilman Freeman Burford which had been burglarized of a safe containing \$40,000 in jewels.

Green's arrest was his 53rd. He was served two short prison sentences, one for auto theft, another for theft over \$50. His first arrest was in 1934 on a charge of tampering with a car. Since then, he has been arrested in Oklahoma, Texas, North Carolina and New York.

He served part of a 90-day jail sentence when he was picked up in Camden, N. J., last March on a vagrancy charge.

Rites For W. M. Pace Due Sunday

Funeral services for Walter M. Pace of Ranger will be conducted Sunday afternoon at 2 o'clock at Killingsworth's Chapel with the Rev. Cecil Ellis officiating. Interment will be in Evergreen Cemetery.

Mr. Pace died at his home in Ranger Friday, September 9. He was born in Stephens County April 7, 1881 and had been a resident of Ranger for 29 years. He was married to Leu Cunningham at Denton on January 25, 1904.

Survivors are the wife, Mrs. W. M. Pace of Ranger, one son, Charlie T. Pace of Brownwood, two daughters, Mrs. Virge Johnson of Ranger and Mrs. Omer (Red) Lingle of Odessa; one brother, J. W. Pace of Midland; three sisters, Mrs. May Cunningham of Dallas, Mrs. Maud Marlow of Abilene and Mrs. Joda Oxford of Dallas; two grandchildren, Mrs. Ben Swearingen of Galveston and William T. Pace of Brownwood.

Pallbearers will be A. H. Powell, Johnnie Richardson, of Crane, F. U. Bourland, Reed Campbell, L. J. Burnett and S. A. Hightower.

Check Forgers At Work Again

Check forgers are again operating in the state and it is believed they will come into the Eastland County area, the Sheriff's office stated.

Some forgers are offering payroll checks stolen from Temple Associates, general contractors of Lufkin; while others are offering checks on the R. B. Morse Construction Company of Lubbock. Two forged checks on the latter company have already been passed in the county.

Check protectors of both companies were also stolen and merchants are warned to use caution.

36th Infantry Having Reunion

WACO, Tex. Sept. 10 (UP)—Hundreds of 36th Infantry Division veterans assembled here today for their annual reunion—and a mammoth parade.

Troops from Camp Hood, Conally Air Force Base and the National Guard were to parade before Maj. Gen. H. Miller Ainsworth, division commander.

Meetings today were to be highlighted by an address by Joe Sparlock, Fort Worth, State American Legion Commander.

The reunion will end tomorrow at a memorial service.

Meters Being Put In Around Courthouse

The familiar noise of electric drill: pounding into concrete was heard again by Eastland citizens as representatives of the Magee-Hale Park-O-Meter Company began installation of parking meters around the Eastland County Courthouse. The installation was to be completed Saturday afternoon, and become effective Monday morning.

While meters had been installed several weeks ago by the City of Eastland on the far side of the street around the Courthouse, meters has not been erected around the Courthouse proper.

The County of Eastland secured a temporary restraining order to prevent the City from installing the meters. At a hearing held before District Judge George L. Davenport in 91st District Court by the parties concerned, Judge Davenport dismissed the suit and did not grant a permanent injunction to the county.

Publicity at that time said the interested parties had a "gentleman's agreement" that the city would not install meters around the Courthouse until requested to do so by the Eastland County Commissioners Court.

The parking meter "holiday" around the Courthouse had resulted in an early morning race among citizens to determine who would get to park there without having to "feed" a meter.

County Judge P. L. Crossley in a statement to the Telegram Saturday morning said that the court had not been further contacted about installation of the meters and it is still the will of the court that they not be installed around the courthouse, and that action of the city in putting them there is in direct repudiation of their agreement in District Court. He will issue a fuller statement Monday, he said.

Andrews Trial Starts Monday

The trial of Louis (Step) Andrews has been set for Sept. 12 and will open Monday in 19th District Court at Breckenridge.

Andrews is charged with the murder of Policeman J. L. Shaw. Shaw, formerly of Ranger, was shot on the night of June 10 when he and Constable Fritz Rudder of Breckenridge attempted to arrest Andrews in connection with a disturbance in Breckenridge.

He has been held without bond in the County Jail in Breckenridge since Shaw's death the day after the shooting.

Shaw whose widow still resides in Ranger, was a veteran of World War II. Born in Ardmore, Oklahoma, April 1905 he moved from there to Ranger in 1926.

Marshal Tito Enjoys Vacation

In the Northern Adriatic Sea, on the island of Brioni, Marshal Tito of Yugoslavia inspects a high powered rifle during a visit of champion marksmen to the retreat. While Tito vacationed, Russia turned political sights on Yugoslavia, stepping up the cold war—forcing Tito to return to Belgrade in face of new Soviet moves. (NEA Telephoto)

INVESTMENT IN STERLING AREA OKAYED

By Lyle C. Wilson
United Press Staff Correspondent
WASHINGTON, Sept. 10 (UP)—A top-level three-power conference today okayed a broad program of private and public United States-Canadian investment in the sterling area in an effort to pull dollar-short Britain out of her economic troubles.

The proposal was first fruit of talks among the United States, Canada, and Britain seeking ways to ease Britain's plight. Secretary of Treasury John W. Snyder announced the conference is making a push to wind up on Monday.

The recommendation represented broad approval of President Truman's "point four" program for encouraging investment in under-developed overseas areas. But the conference warned it was no quick and easy solution.

Snyder said the meeting was "exceedingly frank... very encouraging" and "we are still making progress."

The investment program was only the first of several recommendations which will come from working parties working continuously through the weekend in an attempt to let the conferees clean up their job.

The plan was recommended by a three-power working group and promptly approved by foreign ministers and finance ministers of the three governments and by ECA Administrator Paul G. Hoffman.

It followed a session of two hours and fifteen minutes. Secretary of Treasury John W. Snyder said the talks were frank and sympathetic with Britain's plight.

The conferees also recommended their countries keep up a program of study and talks on that persons who want to make overseas investments will have a clear idea of what they can do.

A formal report urged full government support toward greasing the machinery of the International Bank and Export-Import Bank to push such overseas investments.

"A properly directed flow of productive investment from the dollar area to the sterling area was one of the appropriate instruments for dealing with the current disequilibrium between the sterling and dollar areas," the report said.

"Such flow of investment would help relieve not only current payments disequilibrium between the two areas but also would facilitate reaching a future payments equilibrium by increasing productive capacity in the recipient countries."

Midway in today's meeting, the ministers hurriedly called in Secretary of Agriculture Charles F. Brannan, presumably to discuss ECA rules and particularly proposals to allow Great Britain to buy Canadian wheat instead of American wheat.

Snyder speaking to reporters after the closed meeting, said all working groups except that on overseas investment have been ordered to work through the weekend. Their reports will be submitted Monday when the ministers will hold their next meeting.

Overseas investment was one of four broad attacks which the ministers have been considering. They also received reports today from working groups considering the possibility of American purchases of strategic materials from the sterling area, simplification of customs procedures and relaxation of ECA rules to permit Great Britain to spend ECA dollars outside the United States for products which might be surplus in the United States.

Contest Deadline Is Wednesday

Members of the Ladies Auxiliary of the Local VFW Post today reminded the public that the deadline for the good neighbor contest is drawing near.

The deadline has been set for Wednesday, September 16, and entries may be mailed to the Ranger Daily Times, Box 118.

The contest is being conducted in connection with the Breakfast in Hollywood to be staged here on the night of Friday, September 16. Proceeds from the show will go toward the work of the Auxiliary.

Also the public is reminded of the ridiculous hat contest that will be conducted at the breakfast and it is urged that milliners get to work on the bonnets.

Jury Recesses Without Action On Moad Case

The grand jury adjourned Thursday until Tuesday without taking action in the case of Mrs. Alma Moad, 36, charged with murder.

She is accused of shooting to death her husband, Emory Moad, Cisco cafe cook.

Moad died Tuesday, two days after he was shot as he sat in a car in front of his wife's home.

Last week, Mrs. Moad, carrying her arm in a sling, tried to get a restraining order against her husband. She claimed he was beating her and displayed severe bruises.

Moad's father, the Rev. C. S. Moad, collapsed Wednesday at funeral services for his son. He was taken to his home and was reported improved Thursday.

CHAMPAIGN, Ill. (UP)—The coin vending machine idea began in 200 B. C. in ancient Greek temples used similar vending devices of Illinois economic research department. The Greek temples used similar vending devices to distribute holy water.

La Porte Constable Raids Houston Again

Dale Richardson, the crusading constable from La Porte, Texas, upper right in white western hat, pushes through huge crowd in Houston as he began his rounds of cafes to round up the pin ball machines. (NEA Telephoto)

J. Stoker Wins Roping Contest

J. Stoker was high man Thursday night in a matched calf roping contest held at 8 o'clock at the rodeo arena.

Stoker out roped Zelma Herrington in the five calf contest with a time of 96.6 to Herrington's 98.4.

In the jackpot roping contest which followed the matched bout, Frank Rhodes of Throckmorton took the lead with 14.5 second time. Herrington was second with 20 seconds and Bob Miller was third with 20.1 seconds.

Byrl Hittson of Breckenridge led the four calf jackpot contest with 77.3 seconds on the four calves. Felton Herrington was second with 79.5 and H. R. Pennington of Breckenridge third with 104.1.

It was announced today that there will be a jackpot roping contest at the arena Monday night and Stoker and Red Nickson of Breckenridge will stage a matched contest at the regular roping contest Thursday.

Ranger Man Gets 2 Year Term In Pen

Marvin Rose of Ranger pleaded guilty in 91st District Court Saturday morning to a Grand Jury indictment of burglary and was sentenced two years in the State penitentiary by Judge George L. Davenport.

Rose was charged with taking a fan from a room in the Grand Hotel at Ranger, with the fan being property of Eulon L. Hucksby.

Evening Classes At College Open

Dr. G. C. Boswell announced today that evening classes at Ranger Junior College are open to all who care to enter them and that all courses of the college will be available to the evening classes.

He is urging all that care to enter these classes to make contact with college officials at once.

Tennessee became known as the "Volunteer State" during the Mexican War when Gov. Aaron V. Brown issued a call for 2,500 men to serve and 30,000 men volunteered immediately.

Daniels Denies Request For Information

WASHINGTON, Sept. 10 (UP)—Jonathan Daniels, editor of the Raleigh (N. C.) News and Observer, said today an inter-service feud over the Air Force B-36 bomber "had nothing whatever to do" with his decision not to become secretary of the Navy.

The wartime aide to Presidents Roosevelt and Truman told the United Press by telephone from his home he will officially inform a special Navy court that he never requested Rep. Charles B. Deane, D. N. C., to get information for him on the B-36 controversy.

The court, in recess today until Sept. 21, is trying to learn whether Cedric R. Worth, suspended assistant to Undersecretary of the Navy Dan A. Kimball, had any help in his admitted authorship of a "scurrilous" document attacking the B-36 bomber program.

Worth has testified that Deane asked for the information he put into the document. He said Deane explained he wanted information for Daniels about "disturbing" reports he had heard which affected the Navy.

Worth's anonymous attack on the B-36 set off an investigation by the House armed services committee, which later found its charges wholly unwarranted. The B-36 has been chosen by the air force as its main atomic bomber.

Representative Requested Data On B-36

Lt. Samuel P. Ingram, the "redhaired lieutenant from Texas," as he testified before a special Navy court seeking the source of the now-discredited attacks on the B-36 program. Ingram said that Representative B. Deane, Democrat from North Carolina, had requested anonymous document that caused a House investigation of the big bomber program. (N. E. A. Telephoto)

TEXAS News Briefs

AUSTIN, Sept. 10 (UP)—Mathematically minded motorists needn't count the number of highway signs to a mile in Texas.

The State Highway Department must announce yesterday that there are almost five to a mile—or 155,000 safety signs to 32,000 miles of highway.

AUSTIN, Sept. 10 (UP)—12-17 will be "Texas Jersey Week" in the Lone Star State.

Gov. Allan Shivers designated the period yesterday and called attention to the annual State Jersey Show and sale at Tyler on the same dates.

CHILDRESS, Sept. 10 (UP)—Calif., was in a serious condition in a hospital here today.

The youth, hunting doves with his father, L. P. Ashlev, was accidentally shot in the left shoulder by a 12-gauge shot gun in Cheatham Lake.

GLADEWATER, Sept. 10 (UP)—John Ben Shepperd, president of the Gladevater Chamber of Commerce and immediate past president of the U. S. Junior Chamber of Commerce, began a term today as president of the G-geez County Development Council.

Shepperd was elected to the post at an organizational meeting yesterday, during which keynote speaker and Longview Publisher Carl Estes promised that some day dams would be built up and down the Sabine River.

The waltzing mouse of Japan, bred as a curiosity, suffers from a cerebral disease, says the National Geographic Society. One of these mice may suddenly start spinning at any time, in a whirling dervish performance that ends as unexpectedly as it begins.

article League's so-called "powers" found out they weren't hitting on all cylinders in the opening games of the season Friday night.
Upsets of the form chart were plentifully scattered throughout the schedule of 49 games played in Class AA and City Conference circles.

Among the more heralded pre-season favorites to encounter trouble were Abilene, San Angelo, Denton, Gainesville, Nacogdoches, Beaumont, South Park and San Antonio Brackenridge.

Abilene was held to a 7-7 tie by Brackenridge, San Angelo was upset by Denton 20-12, Denton had to scramble to get a 7-7 tie with Graham, Gainesville was booted around by Grand Prairie 20-7, Nacogdoches looked important in being blanked 21-0 by Dallas Jesuit, Beaumont South Park lost to Texas City 7-0, and San Antonio Brackenridge fell before Kerrville 6-0.

Four games today and tonight will wind up the week end schedule with tonight's Port Arthur-Odessa clash spotlighting the card.

Dallas Woodrow Wilson meets Mexico City Poly in an afternoon tilt in the Mexican Capital, San Antonio Tech engages Texas Military Institute and Lanier and Edison get together in an all-San-Antonio party tonight.

Holy Year Edict Issued By Pope
VATICAN CITY, Sept. 10 (UP)—Pope Pius today suspended all indulgences for Catholics and all extraordinary powers for confessors during the 1950 Holy Year except for the faithful who come to Rome.

"The reason is obvious," a Vatican authority said. "Celebration of the sacred jubilee in Rome would be almost useless if the faithful were able to obtain partial and plenary indulgences while remaining comfortably in their own country or if they could, in their own country be served by the extraordinary powers of the confessors."

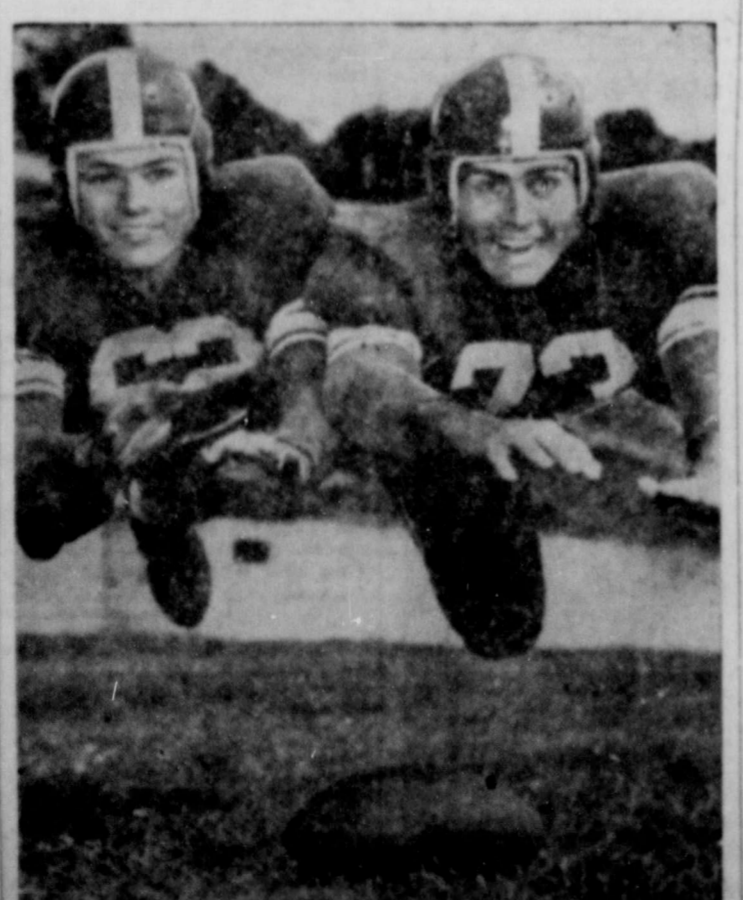

The Pope issued his sweeping

America's Favorite!

The STETSON WHIPPET

No wonder the Whippet is the most popular hat in America. It's the kind of a hat that becomes part of you...looks like it was made for you alone. It has the kind of a crown that shapes to suit your mood. For everyday, wear it with the trim, smart conventional crease; but for those special walking-on-air days, wear it with the popular, jaunty telescope crown above. Come try it on today.

First Church Christ, Scientist, Plummer and Lanar Streets Eastland, Texas
Reading room open Tuesday and Friday from 2 to 5 P. M.
"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 11.
The Golden Text is: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit" (I Corinthians 2:9, 10).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God's thoughts are perfect and eternal; are substance and life. Material and temporal thoughts are human, involving error, and since God, Spirit, is the only cause, they lack a divine cause" (page 286).

First Church Christ, Scientist, Plummer and Lanar Streets Eastland, Texas
Reading room open Tuesday and Friday from 2 to 5 P. M.

Church Services For Week Listed

Following is the schedule of services at the First Baptist Church for this week.

SUNDAY
The Nursery will be open during all services of the Church.
Fellowship Hour immediately following the Evening Service.
MONDAY:
W. M. U. will meet in circles to study the book "What Baptists Believe" as follows:

Floryne Miller Circle will meet at the church at 10:00 a. m.; Juanita Dickinson Circle at the church at 3:00 p. m.; Mary Demerest and Hazel Moon Circles will meet with Mrs. Mammie Ruth Hanrick, 509 Elm St., at 4:00 p. m.
Sunbeams will meet at the church 4:00 P. M.
Jr. G. A.'s will meet at the church 4:00 P. M.
Int. G. A.'s will meet at the church 4:00 P. M.

R. A.'s will meet at the church 5:30 P. M.
Prayer Meeting 7:30 P. M.
Choir Practice 8:15 P. M.
THURSDAY:
Brotherhood Meeting 7:00 P. M.

Judge Makes It Legal
LAKE LURE, N. C., (UP) - Superior Judge Charles Coggins pulled in a 20-inch rainbow trout weighing two and a quarter pounds. To make sure friends back home would believe his fish story, Judge Coggin had a notary public present while the catch was measured.

The total annual cost of medical, dental, and hospital care resulting from accidental injuries to farm residents in 1948 was about \$36,000,000.

Takes Up Duties

Music, Education Director Arrives

Fred Moeller has moved on the field and has already begun his work as director of music and education for the First Baptist Church. He will be general assistant to the pastor with much of the time being spent in directing four choirs for the church and working with the Sunday School superintendent, Training Union director, Brotherhood president and W. M. U. president.

Moeller has been in the religious work much of his life, and is the son of a minister. He has had two years of training in Southwestern Baptist Theological Seminary after doing some work in the Houston Conservatory of Music. He has served in many churches throughout Texas and neighboring states in evangelistic revivals as well as directed many schools of music in various churches. He comes to the First Baptist Church of Ranger from the department of church music of the Texas State Baptist Convention. He was formerly with the Trinity Baptist

Forty Hours Devotion At St. Rita's Scheduled

Forty hours devotion at St. Rita's Church will commence Sunday morning with the 8:30 mass.

The Reverend Richard Sokolki of Strawn will preach at the evening services. His topic on Sunday will be: Christ and the Eucharist; on Monday, You and the Eucharist; on Tuesday, The Priest and the Eucharist.
The Rt. Reverend Magr. Joseph G. Donohoe, L.L.D., Pastor of St. Patrick's Church at Ft. Worth will be present at the solemn closing Tuesday night.

Father Duesman of Abilene will be the Celebrant, Father DeFalco of Fort Worth the Deacon and Father Mysliwiec of Breckenridge the Subdeacon.
Tuesday evening the ladies of St. Rita's Altar Society will serve a dinner to the visiting clergy.

Rev. Massee To Lead Services

Rev. Jasper C. Massee, pastor of the Second Baptist Church will speak at morning and evening services Sunday after an absence of two weeks in a revival at Cisco.

The church elected all officers and teachers to serve in the coming year in business session last Wednesday night. The Sunday School had the largest attendance average the past summer of any in the church's history since its organization in 1946. The church's resident membership numbers 218 with 194 enrolled in Sunday School attendance average was for the past twelve month period. The church budget including missions, local and foreign and other expenditures amounted to \$4811.95

That every parent and child ought to see, a lesson on how to be "At Home With God."
Opening Our Lives To God, will be the subject of the pastor, Rev. Cecil Ellis, at the 10:35 A. M. worship service.

The public is invited to attend.

New Hearing Device Has No Receive Button

CHICAGO, Ill.—Deafened, are hailing a new device that gives them clear hearing without their wearing a receiver in the ear. They now use songs, sermons, friendly conversation and business success—no self-conscious feeling. People are looking at it with hanging on their ears. The new invisible Phantomold free yourself not only from the annoyance of a receiver, but from even the slight chance of deafness. The Phantomold, Dept. 40, 1450 St. Chicago 8, Ill., are of their achievement gladly send you their chure (in plain wrapper) plain low you can test ing device in the privacy own home without risk. ny. Write Belmonte today.

Annual promotion day Sunday School will be September 26th.

Methodists To See New Film

"At Home With God," a new sound strip film will be shown at the evening worship service, 7:30 P. M. at the Methodist Church, Sunday.

This picture teaches a lesson Church of Dallas. He is a native son of Texas having spent his early years at Miles Texas near San Angelo.
The Moeller family is a trio—Mr. and Mrs. Moeller and Alma. Miss Alma Moeller has enrolled in the Ranger Junior College where she is a sophomore.
"I know Mr. Moeller will mean very much to our church and especially to our Young People. However, I am sure the community as a whole will be blessed by his coming our way." The Rev. David C. Ham, pastor of the church said today.

Dublin Changes Game Time

DUBLIN — The Dublin Lions-Masonic Home football game originally scheduled for Friday night, Sept. 16, has been moved up to Thursday night, Sept. 15, it was announced by Elgin L. Maikell, sports editor of the Dublin Progress.

The change was made to enable more fans to see the game, which will not conflict with other Friday night games.

At present there are more wolves in northern Minnesota than in any other district in the United States.

SPORTS

SPUNKY BULLDOGS GET TEETH IN OLNEY 18 TO 6

With a tenacity that must have surprised even themselves, the Ranger High School eleven Friday night were never more worthy of the name "Bulldogs."

They bared their teeth and dug in after the first quarter to win their opener with Olney 18 to 6.

From a scoreless first quarter when it began to look like the going was a little rough, the Bulldogs began their drive in earnest in the second quarter and came out of the first half with a 12 to 6 lead. After Olney scored its one touchdown of the game on intercepted pass late in the second quarter, they never seriously threatened Ranger's goal.

The Bulldogs won the toss and elected to receive on the south end of the field. Cletus Alexander kicked off for Olney, sending the pigskin deep into Ranger territory. Comancho received the kick for the Bulldogs and fumbled, the ball rolled across the goal where it was picked up by Kenneth Williams who raced it out of the end zone to the Bulldogs sixteen yard line.

On the first play from scrimmage, Hamrick, after faking the ball to Williams, handed off to Camacho, who ripped off his own left tackle for eight yards. Another handoff to Comancho was good for the Bulldogs first first-down. It looked as though they were on the march and would go all the way, but the Cubs from Olney thought differently and their defensive line tightened like a stone wall. After three downs with Hamrick working Williams and Comancho into the line, they had gained only five yards. Setting up in deep punt formation, McKinney sent a nice punt down

Humble Set To Air Big Games For 16th Year

Texas' top football announcers are warming up in preparation this week as Humble Oil & Refining Company readies its crews for the kick-off of the 1949 football broadcast season. This will make the sixteenth consecutive year that the Humble Company has broadcast Southwest Conference games to Texas fans.

At the same time the Humble Company announced plans for televising many of the Conference games. Response to the reception of Conference games which were telecast last season was so great that the Company expects to add new stations and greatly expand its schedule this year.

The broadcast season will be initiated on September 17 with three broadcasts when Conference teams play two inter-conference games and one inter-conference match.

Humble's broadcasting crew this year will feature the familiar voices of regular sportscasters Kern Tips, Ves Box, Charlie Jordan, Bill Michaels, Jerry Doggett, Fred Kincaid, Alec Chesler, Eddie Barker, and Bill N. Kirk, plus several additions to the announcers' corps.

into Cub territory. The Cubs, running off a split T with Jim Schmidt the man under, picked up two first downs in a hurry. After their second first down, Schmidt failed to receive the ball from center and the fumble was recovered by Dean Elder of the Bulldogs.

After one play into the line with no gain, Hamrick handed off to Comancho, who raced around right end for a first down. This put the Bulldogs into scoring position and on the next play the Cubs drew a five yard penalty for offside as the quarter ended.

Two plays after the opening of the second quarter Buddy Hamrick crossed the Olney goal line on a quarterback sneak for the first touch down of the game. Comancho's attempt to convert was wide to the left.

Comancho's kick for the Bulldogs was low but well down field, Jim Schmidt took the ball on the fifteen yard line, started up field and was hit hard about the twenty-two and fumbled, and Patterson recovered for the Bulldogs. On the next play Hamrick took the ball from center, pitched out to Williams. Williams raced wide to the right picked up very nice blocking from his team mates and went all the way for the second Bulldog score. Comancho failed again to convert for the extra point.

About mid-way in the second period with the ball in the Bulldogs possession, Hamrick attempted to pass, was rushed very fast by the Cubs line and just as he threw he was hit. The ball went straight into the arms of the Cubs defensive line backer Cletus Alexander, who raced 44 yards for the Cubs first and only score of the game. The attempt to convert was too low leaving the score 12 to 6 for the Bulldogs.

The remainder of the second period was pretty well even for both teams. The third period was scoreless as the first. Neither the Cubs or the Bulldogs could get a sustained drive going. However, the Bulldogs outgained the Cubs a little, they picked one first down and the Cubs none. Hamrick and McKinney did some nice coffin-corner punting for the Bulldogs keeping the Cubs pretty deep in their own territory most of the time.

In the final period, the Bulldogs recovered a Cub fumble on the Olney 22 yard line. Again the Bulldogs T went into action with Comancho and Williams hitting the line and carrying to the Olney nine yard line for a first down. On the next play Simpson took a hand off from Hamrick, raced wide to the left picked up beautiful blocking and went over standing up for the third score. Comancho attempt for the extra point was blocked.

The remainder of the fourth period was scoreless. The Bulldogs

The
Sideline
Sees It

The Saturday morning quarterbacks were at it in a big way over the cups of coffee and you'd have thought maybe the Bulldogs didn't know what they were doing Friday night. But from where we were sitting, it looked like they had a pretty good idea what it was all about.

Sure they got some breaks in the game but we noticed that they were Johnny on the spot to take advantage of them. If memory serves us right, the 2nd first touchdown that Ranger made was set up through a recovered fumble. As a gentleman we know says, "It's the team that has the big end of the score that wins the game." And Ranger had that end of the score.

Personally, we could see improvement in the team work as compared with the team work exhibited in the first scrimmage. Jimmy Comancho, if anything shows more determination than ever and Buddy Hamrick is turning out to be one of the best ball handlers we've had around here in sometime.

Some sparks shown around Dean Elder, E. P. Robinson, Jim Patterson Jackie Hummel and Kenneth Williams, too. McKinney points lead. The Cubs couldn't seem to break the Bulldogs line and were forced to punt on the fourth down every time they got the ball.

The Bulldogs played a jam-up game taking advantage of every break they got and making the most of it. By being on the alert and taking these advantages they were the victors 18 to 6.

BELLHOPS FOR ARIZONA LASS TO WIN CONTEST

By HARMAN W. NICHOLE
United Press Staff Correspondent
ATLANTA City, N. J. Sept. 10 (UP) — Bellhops, that is — said today that Jacque Mercer, street address Bar X Ranch, Litchfield Arizona, is a surefire winner.

Miss Arizona won the talent contest in the preliminaries in that division last night with a dramatic sketch from Romeo and Juliet. It was Juliet's "potion scene" and the pretty little 5 foot 4 inch brunette brought applause which shook the rafters.

That gave the little gal some and Hamrick did some right fine punting, the way we see it, but the try for points was a disappointment.

The passing attack could stand some improvement with the greatest weakness showing up in the receiving end. But we have an idea that the coaches noticed this little weakness, too, and no doubt we'll see some polishing up in this phase of the game.

Well, we'll see next week when they meet Bowie at Bowie. Then there's the college game here next Thursday night when Ranger Junior College meets the Hardin-Simmons University freshman at the Ranger field.

Coach Yarbrough says he's had some tough breaks in loss of some players and few other little matters but he's still grinning and hoping. He's trying out all sorts of things to make the lineup the power house that he hopes the Rangers will be.

An interesting item is the results of the teams the Bulldogs will play in the remaining games of this season.

Hamilton, one of the leading contenders for this district's title whipped Colthwaite 36 to 0. Burk Burnett out paced Henretta 12 to 0. Nearby Stephenville took the short end of a 12 to 0 bout from Waxachachie. Dublin defeated Hico 12 to 0.

From the looks of these scores it would do the Bulldogs some good to whip those extra point 1 kicks into shape. That one point can mean a lot in winning a ball game.

USE LESS OIL... USE LESS GASOLINE

GET MORE POWER with this PREMIUM OIL

More and more motorists are discovering that they use less oil, use less gasoline and get more power when they use Premium Sinclair Opaline Motor Oil regularly. Special additives in Sinclair Opaline clean pistons, rings and cylinder walls of carbon, sludge and other deposits—to provide better piston seal. And better piston seal means less wasted oil, less wasted gasoline. It means more power, too, thanks to increased engine efficiency. Change today to Premium Sinclair Opaline Motor Oil.

Colleges, Universities Claim Many From Ranger

A familiar atmosphere prevades the old home town as fall days begin to roll in and trunks and bags are being packed and locked for the trek back to college or university.

In a check made this week, it was found that again Ranger will be represented in many of the higher institutions of learning and that the proportion of representation is again very high.

While the list that has been compiled may not be complete, and more than likely is not, it still is a rather sizeable list.

Heading the list of those already departed for rush week prior to settling down to studies were Elaine Brazda, Anne Matthews and Dorothy Imholz to SMU in Dallas and Helen McAnelly to the University of Texas, in Austin. Miss Brazda is going back to assist with rush at her sorority, Alpha Delta Pi. Miss Matthews who is a Pi Beta Phi at SMU will also assist in her sorority's rush activities and Miss Imholz who finished Stephens College in Columbia, Mo. last spring and is entering SMU for her first term there is being rushed by various

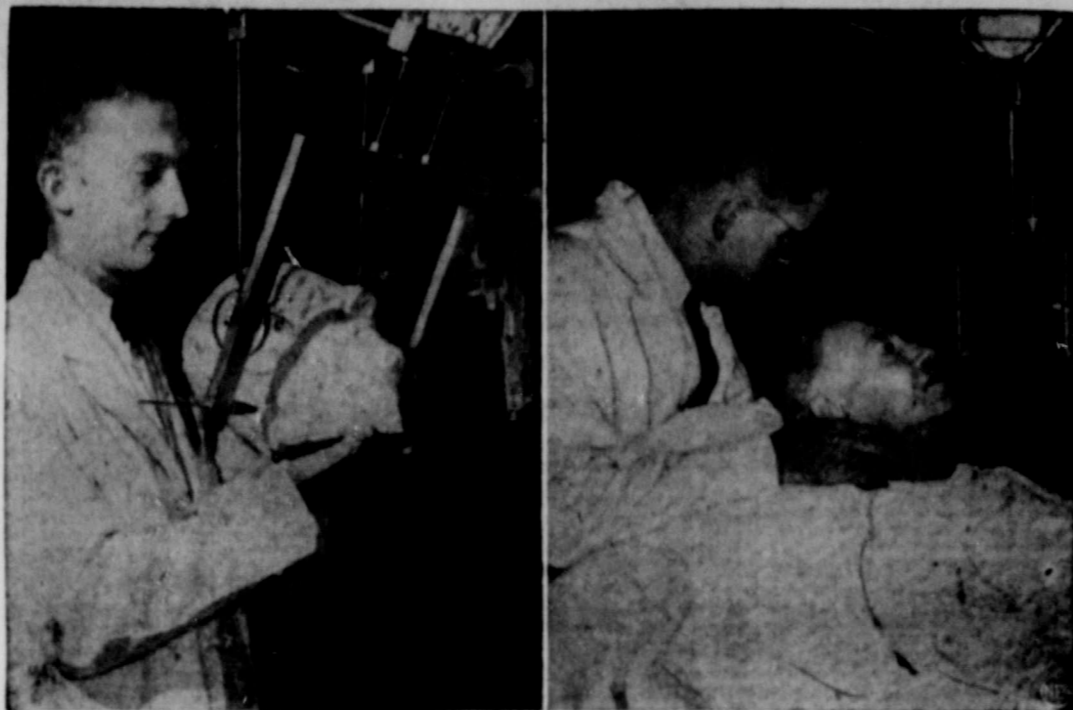

Miss McAnelly is a Kappa Alpha Theta at the University of Texas and will have part in the rush activities there.

Mace Oyler will be back in SMU for his second term there.

Texas Tech at Lubbock is claiming a number of Ranger students and the trek back to Tech will be led by a number of old-timers there. Joe Campbell, Dan Conway, Jack Ray Eubank and Buddy Eubank, old regulars at Tech will be joined there this year by Junior Arterburn who is already there, Jo Ann Deaton and Frank Deaton, Jack Littlefield and Billy Wayne Griffin.

Texas A. & M. College at College Station will get Robert Imholz, Albert Jackson, Jim Kelly and Richard Kelly.

North Texas State College at Denton will enroll Cahlrie Camp-

ATOM SMASHER JOINS WAR ON CANCER—Doctors and scientists are anxiously awaiting results of the first use of a new 22,000,000-volt atom smasher to treat two cancer victims. At the University of Illinois College of Medicine, Chicago, laboratory assistant W. D. Davis, left above, uses a plaster cast of a patient's head to find the best position for use of the betatron, designed specifically for medical treatment. At right, a 72-year-old patient, suffering from cancer of the larynx, receives the betatron treatment from Dr. Roger A. Harvey. The patient's head is placed in a small opening of the betatron tube. Within the machine, atomic particles are whirled magnetically until they approach the speed of light. These particles, reflected against a metal plate, "splash" X-rays strong enough to pierce 20 inches of steel. These rays, doctors hope, will destroy or damage the cancer. Results of the treatment cannot be determined immediately.

11 Missing As Cruiser Sinks

NANTUCKET, Mass., Sept. 10 (UP)—Eleven persons including several children were plunged into mountainous seas when a cabin cruiser sank 10 miles off this island in a violent storm, it was reported today by one of the party who reached the beach here.

The man was Russell C. Palmer, 24, of Falmouth, skipper of the 38-foot Excursion Cruiser Constance.

Palmer said all members of the party were alive and in the water when he last saw them. He said each one had two life preservers. Palmer had two preservers strapped around him when he paddled and floated the 10 miles to shore during the night.

The Constance sank 55 minutes after she had left Nantucket for Falmouth late yesterday.

Coast Guard craft were dispatched to the area where the Constance sank, somewhere near Cape Poge. A score of private planes, dozens of small craft and crews from six coast guard stations had been searching throughout the night for the cruiser and to party.

Those aboard were Palmer, Rev. and Mrs. Hubert A. Allenby of Falmouth, their sons Leighton and Lafrid, their daughter and son-in-law Mr. and Mrs. Robert Naim of Rochester, N. Y., Emily Fos-

ter of Falmouth, and three other persons whose names were not immediately known.

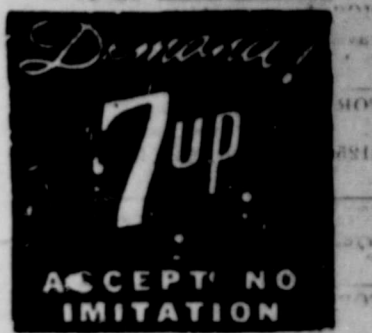

Reports from the coast guard stations at Chatham, Brant Point, Woods Hole, New Bedford, Gay Head and Cuttyhunk indicated that none of their searchers had sighted the Constance.

They said the sea still was rough after last night's blow. The Coast Guard Cutter Legare was ordered to the scene and planes were ordered to take off from the coast guard's Salem Airbase to join in the search.

Polaris, the Pole Star, is at a distance of 470 light years from the earth. (A light year is the distance a ray of light will travel in a year, approximately 6,000,000,000,000 miles.)

Dim Your Lights And Save A Life

Plowing under cotton stalks before frost is the most dependable method for controlling boll weevils. A heavy roller-type stalk cutter with disk harrow attached does a good job of stalk destruction and makes plowing easier. Stalks may be covered by bedding or by using a one-way plow.

Rushing will be in Tarleton College in Stephenville.

Joe Don Meroney will be back at the University of Texas and Marvin Wilson will be in Hardin College in Wichita Falls, and Andy Jackson will go back to Baylor University at Waco, and Charles Osteen will re-enter the University of Texas Medical School at Austin.

O. E. S. Meeting To Be Monday Night

The regular meeting of the Ranger chapter of the Order of the Eastern Star will meet Monday night at 8 o'clock at the Masonic Hall and all officers and members are urged to attend.

Visitors are welcome.

It was reported this morning that Junie Herweck, son of Mr. and Mrs. Millard Herweck, who is confined to his home because of illness is some improved.

Mrs. Laura Smith is a medical patient in the Ranger General Hospital.

We'll Dunno...

We took a good look around Friday night and realized that something very fine for Ranger has been accomplished through the efforts of those who have been hard at work on the improvements through the summer months and through the donations that have made the work possible.

Coach Sam Aills who has supervised and done a great part of the work was back out there early Saturday morning putting the finishing touches on the last of the gates.

Yes sir, your donations will be appreciated. See Art and help the committee clean up this last bit of needed money.

Study Group Has Meeting Thursday

Members of the Child Study Association met Thursday afternoon at 2:30 o'clock in the home of Mrs. Allan Smith who was assisted in entertaining by Mrs. L. R. Cozby.

Mrs. Smith was in charge of the program and introduced Mrs. J. D. Johnson who spoke on the subject of "Roots of Aggression," in a business session Mrs. Smith, Mrs. A. W. Warford and Mrs. J. H. Fuller were elected to reinstate the group on the City Council of Parents and Teachers.

At the close of the meeting refreshments were served to the following: Meses. Roy McCleskey, W. R. Falfer, J. C. Owenby, Theo Ferguson, Bill Rainwater, J. D. Johnson, R. V. Robinson, W. I. Aishman, Cozby, Warford, Joe Nuesse, Con Poyner, Glynn Covington, C. L. Beck, J. L. Latimer, Fuller and Smith.

Fish can be frozen in solid ice for long periods and still survive. Naturalists say they should thaw out gradually, however.

Personals

Mace Oyler of Dallas is here to spend the week end with his mother, Mrs. M. A. Oyler. On his return to Dallas he will re-enter SMU.

Dr. and Mrs. G. C. Boswell have as their guests Dr. and Mrs. Joe Frantz and Genevieve Boswell of Graham. Dr. and Mrs. Frantz will leave the latter part of the week for Austin where Dr. Frantz will be on the faculty at the University of Texas.

Dr. and Mrs. Ross Hodges will be in Cisco Saturday night to attend the wedding of Gloria Graham Layden L. Stroud Jr. at the First Presbyterian church.

Mr. and Mrs. J. A. Robinson have received word that their son, J. B. Robinson, who has been seriously ill, has been removed from the hospital and removed to his home in National City, California.

Mr. and Mrs. Marcus Matthews have returned from Malta, Texas, where they were called by the serious illness of Mr. Matthew's grandmother, Mrs. J. A. Matthews. They were accompanied on the trip by Mr. and Mrs. W. E. Matthews of Route 2.

Mr. and Mrs. C. B. Osteen have as their guests Eslen S. R. Crowell of Corpus Christi, Mr. and Mrs. D. T. Crawford of Tooele, Utah, and Linden Moses of El Paso who is enroute back to the University of Texas Medical School at El Paso.

Mr. and Mrs. J. H. Greer, and son, Jerry Bob have returned from a vacation trip to New Mexico, Colorado, Kansas and Missouri. In Cassville, Mo., they were the guests of Mrs. Greer's mother, Mrs. J. C. Hill.

Bowling Briets

The Men's City Bowling League opened the 1949-1950 season Thursday night with 6 teams swinging into action. The Paramount Coffee Shop, Rotary Club, Frozen Food Lockers, and the Veteran's Foreign Wars teams are repeat entries from last year. Two new teams are the Fuller Motor Company, sponsored by Bud Fuller, and the Ranger Merchant's team, sponsored individually by each business man represented on the team.

The Rotary Club bowlers, led by Ted Babain's 296 game and 572 series swept three games from an undermanned and weakened Paramount team. Allen Full led the losers with 182 and 593. Incidentally, this was the first time in two seasons that Paramount has lost a complete series.

NO BOMBS TODAY—From the historic city of Munich, Germany, itself a symbol of prewar phony peace talk, comes the above picture with a "message" from the Communists. The Reds scrawled the words "No Atomic Bombs" on the wall—up to that of a cemetery—as a slogan of their unsuccessful campaign in recent German elections. On the right, little children play, unaware of the significance of the painted words. (Photo by N.Y.A.-Acme correspondent Gerhart F. Seinig.)
