## U. S. Moves To Speed Arms To Non-Communists

Well...  
I Dunno,  
But...

Well, here's one for the Ranger Jaycees to shoot at. In the mail Wednesday afternoon was an invitation to the 28th Annual Mule Day at Enfield, Ill. The invitation goes on to describe the events of the day, October 1, including a "wonderful night horse show" and signed "Enfield Mule Day Association."

And right under the signature, written on a typewriter is this: "No wooden nickles. But a life size mule to the one that comes the longest distance."

Just imagine packing home a live mule, clear across the continent or even a part of the way. Of course, you could ride the thing, if you were hardy enough. But we have an idea that the winner had better be adept at hitch-hikin', since we don't think most could stand a lengthy mule ride.

But thanks, anyway brother, for the invitation and good luck on your celebration.

The Ranger Lions Club's state wide campaign for sportsmanship at athletic events in Texas is gaining momentum and with Lions Clubs, newspapers, sports editors and officials who have been the target of poor sportsmanship on the part of fans, heartily endorsing the drive.

Letters have been received from club presidents who have received the letter and circular sent out by the local club; newspapers have carried the story of the campaign and favorable editorial comment has been made in such paper as the Amarillo Globe-News, and the Dallas Morning News.

The Cisco Daily Press and the Mineral Wells Index both carried front page stories on the campaign. Floyd, Whitney, president of the Lions Club at Idalton wrote that his club had received the drive very favorably and was following up 100 per cent. The same kind of letter has been received from Herbert Lewis, president of the Anton Lions Club.

You know there are some people that can search themselves and search themselves for faults and always come up with the same conclusion, "well, that certainly doesn't apply to me."

But it's been our observation that that's a dangerous state. Just as sure as a fellow arrives at the "mightier than thou" stage, he's due to have it boomerang. And most times when people bluff off the possibility that a fault or failing applies to them, they're covering up that fault with the denial.

No sir, it's not safe to be too sure of your own righteousness. There's always the chance that the fellow you least suspect and the one you'd least desire, knows your "Achilles' heel." And don't think you don't have a vulnerable spot which is very well known to the devil of self-satisfaction and conceit and a multitude of other devils.

### Educators Hold Conference Here

Approximately 40 superintendents of schools in Central West Texas met in Eastland Wednesday for a conference on bus transportation provisions of the Gilmer-Alkin Bill.

A representative of the Gilmer-Alkin Foundation in Austin, Mr. Hubert met with the group, according to Dr. G. C. Boswell of Ranger.

### Carries Wanted

Wanted at once boys with bicycles for Ranger Daily Times routes.

Any boy interested in securing one of the routes should contact Mrs. Joe Dennis at the Times office any time.

For Good Used Cars  
(Trade-in on the New Olds)  
Osborne Motor Company, Eastland

### HIGH SCHOOL ANNUAL STAFF ANNOUNCED

According to an announcement made today Johnny Marlow and La Gene Bates will be co-editors of the 1949 year book of Ranger High School.

Leta Ervin will be business manager and Richard Ivy will be bookkeeper and typist. La Nita Creager will be art editor and Jerry Bowen will be club editor.

Sporadic editor will be Jim Patterson and James Smith and Bill Swaney will be snapshot editors. Wanda Glass will be feature editor.

Class editors will be, for the seniors, La Veda Mitchell, and Madrin Huffman; for the Juniors, Jackie Hummel and Betty Jo Penn; for the sophomores, Jeanette Kirkpatrick and freshman editors will be Jerry Rushing and Cecelia Moore.

Sponsors working with the class on the annual are Jo Oyler and Mary Bourdeau.

### "Black Stallion" Readers Offered Contest Chance

Youngsters who are readers of the "Black Stallion" books at Ranger's Community Library are being given an opportunity to have a part in the next "Black Stallion" volume and also to win a pure-bred Arabian colt for Christmas.

The animal is being offered as the single prize in a contest to find the name for a mythical filly in a forthcoming story by Walter Farley, author of the "Black Stallion" books.

Farley, in opening the naming contest to all school children, explains that he will write another of his Black Stallion books soon, the story to center about the first filly sired by his much-publicized Black.

"She'll be coal-black like her sire, and I want her first name to be 'Black.' What I want is a last name supplied by a child who would like to own the prize colt."

Entries should be mailed before Nov. 18, 1949, to Farley, Box 1243, Grand Central Station, New York 17, N. Y. Entries require only the sender's name and address and the phrase: "My name for the black filly is 'Black.'" Name of the winner will be announced Dec. 20.

### Rotary District 9th Attendance

Dr. G. C. Boswell reported today that in the most recent report from Rotary International, the district of which he is president is still in the upper ten in attendance in Rotary International.

Dr. Boswell is president of District 9, which has been in the upper ten consecutive months that the district has been in the upper ten in attendance. In July the district stood in eighth place and in August, the report which Dr. Boswell has just received, the district is in ninth place.

## RJC May Be In Running For College Rose Bowl Game

Dr. G. C. Boswell announced today that Ranger Junior College may be a contender for a place as one of the opposing teams for the Junior College Rose Bowl game this year.

The announcement was made after Dr. Boswell received a questionnaire to be filled out and filed with the Western Junior College Association in Pasadena, California. The questionnaire amounts to an application for consideration of the Ranger team as a possible team for the annual Rose Bowl event.

Dr. Boswell stated that he has been carrying on a lengthy correspondence with officials of the Junior College Rose Bowl game

### Air Marshal Tedder Visits Hap Arnold

Britain's Air Chief Marshal, Sir Arthur William Tedder, right, chats with General H. H. Arnold on Arnold's ranch at Sonoma, California. Tedder is on tour of the United States to learn more about American air power. (NEA Telephoto.)

### China Denies U.S. Hand In Attack

LAKE SUCCESS, N. Y., Sept. 29 (UP)—China today indignantly denied that the United States had instigated China's charge before the United Nations that Russia threatens the peace of the Far East by aiding the Chinese Communist armies.

As the UN General Assembly met to approve its sternly worded resolution in putting the Chinese-Russian dispute on its agenda, Chinese Delegate Tingfu F. Tsiang answered insinuations made yesterday by Soviet Foreign Minister Andrei Y. Vishinsky that U. S. power politics lay behind the complaint of the Chinese Nationalist government.

"That is a falsehood," Tsiang told the Assembly. "China has taken this action of its own free choice and decision."

"The friendship between the United States and China is well known. In the war against the Japanese aggressor, the United States aided China without condition. The United States did not ask China for a port, a railway, or part of a railway."

### Legion To Resume Weekly Dances

It was announced today that beginning Friday night at 9 o'clock the weekly dances at the American Legion Hall will be resumed and the public is invited to attend.

D. B. Holmes, commander of the Legion, Carl Barnes Post, stated that a number of new records have been received for dancing and that other plans are in the making for entertainment at the weekly dances. It was stated today that the Legion Auxiliary will cooperate in the weekly entertainments.

## Maybe His Idea Wasn't So Good

HOUSTON, Tex., Sept. 29 (UP)—A California man who described himself as "an idea and culture man" said today he would fight extradition to his native state on a warrant charging unlawful flight to avoid prosecution.

William E. Norris, 39, was arrested here yesterday and held on a telegraphed warrant from Tulare, Calif., where he is wanted on a charge of swindling a jeweler.

The handsome, wavy-haired six-footer attracted the attention of Houston's Better Business Bureau yesterday when he approached Jeweler Leon Davis and offered to sell him an "old master" painting for \$100,000. Davis called police.

Norris said his business was "developing ideas for others who don't know what to do with them."

### Frank Robinson Among 50 To Be Honored At Fair

By virtue of the fact that Frank Robinson of Ranger, outstanding member of the Ranger Chapter of the Future Farmers of America, was chosen Lone Star Farmer out of 70 school chapters, he will be among those honored at a banquet at the State Fair of Texas on October 14.

The banquet will be held in the Texas Room of the Baker Hotel and will honor 50 outstanding 4-H Club boys and girls and Future Farmers and Future Homemakers of America.

Robinson has been on of the most active members of the Ranger FFA chapter and participated in all of the contesting events sponsored for the chapter. Being selected Lone Star Farmer is next to the highest award in FFA competition. In addition to this honor, Robinson has won a \$100 award from the magazine Southern Agriculturist.

The 1949 State Fair will present Honor Awards to the girls and boys for outstanding achievements during the year. They will be introduced to Texas business leaders attending the State Fair of Texas annual banquet in the Crystal Ballroom.

Approximately 75,000 farm girls and boys from every corner of the state will attend the Fair on Oct. 15, Rural Youth Day.

The purpose of the day is to help rural youths to become better citizens. Fair officials feel that this can be achieved by increasing their knowledge of the latest trends in agriculture and by encouraging them to profit through experiences of others.

The weather generally was fair and cool over Texas today with some North Texas points reporting the coolest weather since last spring.

Dallas had an overnight low of 49 degrees, coolest since last April 16 when it was 45 degrees. Dabhart reported 45 degrees, Texarkana 46, Clarendon 47, and Tyler and Amarillo 48.

Northwest Texas had readings in the upper 70s yesterday but South Texas temperatures were in the low and middle 90s with Alice reporting the state maximum of 96 degrees. The low maximum was 78 at Amarillo. The high minimum this morning was 72 at Brownsville.

Fair and cool weather appeared in prospect for East Texas and fair and slightly warmer in West Texas.

No rain was reported in the state during the past 24 hours.

### CAA Investigates Airlines Charges

FORT WORTH, Tex., Sept. 29 (UP)—A CAA investigation was under way today on charges that hundreds of gallons of gasoline containing "foreign matter" have been pumped into airplanes at municipally operated Meacham Field here.

Discovery of the contaminated gasoline was made Saturday when a Central Airplane was forced to return to Love Field in Dallas after the ship sputtered and lost power during a takeoff.

The plane's carburetor was cleaned and the ship continued to Meacham field, where the gasoline was found to contain a sedimentation.

Bob Harding, vice president of the recently-formed Central Airlines, charged the city with neglect in permitting such a condition to exist.

### They're Grateful

HIGGINS, Tex., Sept. 29 (UP)—The little Panhandle city of Higgins which was damaged three years ago by a tornado said "much obliged" yesterday to more than 2,500 guests at a municipal barbecue.

The visitors were from neighboring towns who helped the city rebuild. It was an unusual appreciation feast in that no speeches were made. Everything was free including picture shows.

At the meeting of the Rotary Club held Wednesday at noon in the Ghoulson Hotel, members voted unanimously to endorse and back the sportsmanship campaign being sponsored by the Ranger Lions Club on a state wide basis.

C. B. Rush, president, told members of the Rotary Club about the move and praised the efforts of the Lions Club in this direction. He said that he thought it would be a good move for the Rotary Club to take up and follow.

Dr. G. C. Boswell made announcements relative to the three

## ECONOMIC AID FOR EUROPE DUE TO GET QUICK ACTION BY CONGRESS

### Reserves Without Prior Service Offered Training

Enlisted Reservists without prior service are authorized to be placed on active duty for approximately three months for the purpose of undergoing basic military training at a Regular Army post, Lt. Col. Hershel E. Angus, of Ranger the Commanding Officer of 4277th Repl Bn (Trg) announced today.

Enlisted Reservists who volunteer for this training will be called to active duty and will receive the same training course as that given the Regular Army trainees during the period of active duty.

The first basic military training class will begin November 1, 1949 and following courses will be scheduled, based upon the number of applications received for this type of training.

Lt. Col Angus went on to say that while the Reservists are on active duty they will receive the same pay, allowances and privileges given a Regular Army trainee. All interested Enlisted Reservists should contact their Organized Reserve Instructor's office at 201 Federal Bldg, Waco, Texas.

### U.S. Speeding Up Atomic Efforts

WASHINGTON, Sept. 29 (UP)—This country is speeding up the refabrication of its atomic explosives stockpile into the sensational new bombs proved at Eniwetok and since put into production on an "industrial basis."

At the same time, it was indicated today, plans are being whittled into shape for other operations designed to extend this country's atomic lead over Russia. They would include:

1. Hastening development of new processes for extracting bomb raw materials from low grade uranium ore deposits being mined in Colorado, Utah, Idaho and Arizona.

2. Going ahead — if Congress and Atomic Energy Commission officials decide it is advisable — with construction of two new plutonium production piles at Hanford, Wash., a \$150,000,000 project which had been deferred to 1950 and 1951.

3. Speeding construction of a \$70,000,000 addition to the atomic explosives plant at Oak Ridge, Tenn.

Refabrication of atomic explosives into the new bomb models tested at Eniwetok can be accomplished with existing facilities, it was understood. These facilities include a new \$25,000,000 plant which went into operations in July at Hanford, Wash. It was specifically built to shape plutonium into the explosive cores of the new bombs.

### Rotary Club Endorses Lions' State Wide Move For Better Sportsmanship

At the meeting of the Rotary Club held Wednesday at noon in the Ghoulson Hotel, members voted unanimously to endorse and back the sportsmanship campaign being sponsored by the Ranger Lions Club on a state wide basis.

C. B. Rush, president, told members of the Rotary Club about the move and praised the efforts of the Lions Club in this direction. He said that he thought it would be a good move for the Rotary Club to take up and follow.

Dr. G. C. Boswell made announcements relative to the three

### County Farm Bureau To Launch Membership Drive

Plans are developing for Eastland County Farm Bureau's participation in State-Wide Membership Enrollment Week, October 20-27, E. E. Blackwell, president, said today.

Approximately fifty workers will volunteer their services during Enrollment Week to contact friends and neighbors inviting them to join Farm Bureau.

Membership Week will be officially launched by State Farm Bureau president, J. Walter Hammond on October 20, at 8:30 P. M., when he addresses Texas farmers over the Lone Star Chain Network.

Other agricultural leaders of prominence will also be heard on the program.

On October 21, the Farm Bureau leadership expects to have 10,000 workers throughout the state soliciting Farm Bureau memberships, Blackwell said. The state goal is 70,000. Eastland County's goal is 300.

"Other groups have prospered through organization," Blackwell said. "The past few years farmers have seen what organization can do for them, even when membership has been low. Texas farmers are learning from experience that it is good business to be organized. Who knows what 1950 will hold for the farmers," he declared, "but they know Farm Bureau will be on guard to protect their interests."

### Warm Springs Contributions Due Immediately

Due to the lateness in receiving necessary information, the Warm Springs Foundation drive in Eastland County, Sept. 27 Oct. 5, will be conducted by mail, it was announced by Bob Moore, of Eastland, county chairman.

Persons are requested to send contributions for the Foundation drive to Moore, Box 29, Eastland, Tex.

Purpose of the statewide campaign, headed by Gov. Allan Shivers, is to raise \$600,000 to enlarge the facilities of Texas' own treatment center for crippled children at Gonzales. Of this amount \$170,221.01 was raised recently by audience contributions in 814 Texas theatres.

Moore pointed out that every cent collected in the drive remains in Texas for the treatment of Texas' crippled children. Folio knows no race, color, creed or circumstance. The 1949 epidemic has struck in almost every locality of the state. No person nor area is immune. To date, 1,749 Texans in 181 counties have been stricken.

### Jerry Carter Gets American Farmer Award

Jerry Carter of Ranger who last year was named Lone Star Farmer for a 70-school area, this year has topped the FFA honor list by being named American Farmer.

This is the highest award that a Future Farmer of America can receive and as a reward for the honor, he will be given an expense-paid trip to the National Convention of the FFA in Kansas City, Mo., in October.

Carter has been one of the most outstanding members of the Ranger Chapter of Future Farmers of America and has participated in all major events sponsored for the FFA boys in the county.

### Ft. Worth Pioneer Dies

FORT WORTH, Sept. 29 (UP)—Mrs. Carrie Turner Keller, 86, daughter of one of the largest land and slave owners in on-day Fort Worth, died at her home today.

She was the widow of E. H. Keller, who established the first buggy and wagon business here in 1876.

Her father was the late Charles Turner, who came to Texas with other pioneers before the Civil War to select a location for the troops that were to establish the old Fort from which the city takes its name.

### The Weather

EAST TEXAS — Fair and a little cooler this afternoon and tonight. Friday fair, warmer in west and north portions. Moderate to fresh north and northeast winds on the coast.

WEST TEXAS — Fair, a little warmer in Panhandle and South Plains this afternoon and tonight. Friday fair and warmer.

Temperature at 1:00 P. M. today

## ★ THE SCOREBOARD ★

### Boston Is Lucky to Have Joe McCarthy Calling the Plays

BY HARRY GRAYSON  
NEA Sports Editor

NEW YORK (NEA)—Now they're saying in Boston that Joe McCarthy loses the close ones.  
Fear is expressed that the winningest manager's Red Sox will drop another whiskey verdict—this time to the plucky Yankees.

Attempting to build a case, a figure flibbert produces figures showing that the nine major league pennants won by McCarthy-directed clubs—one with the Cubs and eight with the Yankees—were all garnered by lopsided margins—from nine to 19 1/2 games.

At the same time he picks up pencil and paper to make it clear that all the tighter decisions have gone against McCarthy's men.  
This takes you smack dab up to the play-off with the Indians last fall.

You'd suspect it was McCarthy's fault that he ran out of pitchers, and had to come in there with old Denny Galehouse. With the pitching he had, Marse Joe was something of a miracle man bringing the Sox 12 1/2 games off the pace, where they were in June.

In 29 years of managing, McCarthy has been in the second division just once. He bagged 11 pennants, was eight times second.

So the figure flibbert needn't be concerned about the way the Red Sox are being guided. McCarthy can't pitch and hit for them, but they won't be cheated in the percentage and thinking departments.

JUST before the Red Sox dropped that double-header to the Athletics, Ted Williams listed the Yankees' twin bills as one of the reasons he believed the Back Bay Millionaires would bounce down in front.  
"It's hard to win a double-header, and I don't care who you're playing," remarked the batting champion.

Then the A's made it look ridiculously simple.  
By this time the Dodgers know the Cardinals mean it.  
Speaking of the Redbirds, they are the most articulate of ball clubs. The St. Louis Nationals will barber baseball with you whenever they are off the field.

You can learn about hitting and talking from Stan Musial and Country Slaughter. Slat Marion tells baseball intelligently and long. Harry Breechen will tell you more about his and the other National League clubs than any other player I know. And at the head of them all is Eddie Dyer, the personable and obliging Baseball alumnus who helped build the chain.

The baseball writers are always pleased when the bikes in the red blazers come to town.

## CROSSWORD PUZZLE

### Nation's Flag

Answer to Previous Puzzle

## RUSSIA SERVES NOTICE YUGOSLAV TREATY OUT

LONDON, Sept. 29 (UP)—Russia today broke off the 20-year treaty of friendship and mutual assistance signed with Yugoslavia in 1945, according to radio Moscow.  
Soviet Deputy Foreign Minister Andrei A. Gromyko handed a note to the Yugoslav ambassador in Moscow yesterday informing Marshal Tito's government that the treaty no longer was valid.  
The Soviet note said that Russia renounced the treaty because the recent Budapest treason trial proved that Yugoslavia was carrying on hostile activities against the Soviet Union with the support and backing of the western powers.  
The treaty was similar to those Russia signed with all eastern European countries after the war. The major provision pledged that neither side would conclude any alliance or join any coalition directed against the other signatory.  
The Soviet-Yugoslav treaty of friendship is part of an intricate network of similar treaties binding Soviet satellites to each other and to Russia.  
Observers believed that the Soviet action would be followed quickly by announcing from other satellite countries denouncing their treaties with Marshal Tito.  
The Soviet note accused Marshal Tito's regime of:  
1. Carrying on "profoundly hostile disruptive activity" against the Soviet Union. Moscow charged this activity was masked by mendacious assurance of friendship.  
2. Continuing hostility against the U. S. S. R. "not only on their own initiative but under the direct instructions of foreign imperialist circles."  
3. Complete dependence upon foreign imperialist circles. It said Yugoslavia had been transformed into an instrument of western aggressive policies.

## Oklahoma Dries After 3.2 Beer

OKLAHOMA CITY, Sept. 29 (UP)—Oklahoma's dries, feeling the glow of their victory in the state's repeal election Tuesday, will meet next week to draw plans for outlawing non-legal 3.2 beer.  
Directors of the United Drys Association said they also would try to gain more rigid enforcement of present anti-liquor laws.  
The dries yesterday called upon the U. S. Department to help drive bootleggers out of Oklahoma. The state legislature last summer gave the justice department authority to move against Oklahoma rum runners.  
Anti-alcohol forces pledged a fight to do away with 3.2 beer if they succeeded in defeating the proposed repeal plan. The dries won an overwhelming victory at the polls.  
The Prison Rodeo slogan, "All Roads Lead to Huntsville," will literally come true next Sunday as thousands of rodeo fans from all parts of Texas and surrounding states make the trip to Prison Stadium for the "Governor's Day" program which opens the 18th annual Prison Rodeo.  
Rodeo Manager Albert Moore has added many special events to the regular rodeo program, in honor of Governor Allen Shivers and members of the Texas Legislature, who will be opening day guests of the Texas Prison Rodeo.  
In addition to the Madisonville Mounted Quadrille, which will perform at Prison Stadium every Sunday during October, a special feature of the opening show will be the famous Abilene Mounted Quadrille. Also billed for "Governor's Day" are: Dick Griffith and his famous Roman Jumping Team; three girl bronc riders; Hoyt Heffner, world champion bull fighter; and Weaver Grey and his remarkable dog, Skippy.  
Just prior to the grand march which opens the rodeo at 2 P. M., awards will be made to outstanding Prison League baseball players, and the pennant will be presented to the championship Prison League baseball team.  
H. H. Goffield, co-chairman of the Texas Prison Rodeo Committee, emphasized that all of these acts are extra. The regular rodeo, consisting of twenty events, will employ 60 convict riders and some of the wildest stock ever to be seen in Prison Stadium.  
He reminded that while ticket sales have been brisk, there are always plenty of good seats in huge, new Prison Stadium. Reserved seats are \$2.00, available

## Farm Income In State Shows Drop

AUSTIN, Tex., Sept. 29 (UP)—Texas' farm cash income is running 8 per cent under last year, the University of Texas Bureau of Business Research reported today.  
The total, the bureau said, came to \$813,983,000 for the first eight months of 1949.  
All crop districts showed decreases except the northern high plains and the lower Rio Grande Valley. The northern high plains area, the bureau said, showed an increase of 42 per cent in income and the Lower Rio Grande Valley reported a hike of 7 per cent.  
August farm cash incomes of \$178,391,000 were 6 per cent under July and 4 per cent under August of last year.  
The bureau reported at the same time that livestock shipments in Texas totaled 4,887 carloads in August, an increase of 13 per cent over July.  
However, the figure was 38 per cent below the same period in 1948.  
Sheep dogs with special training are employed on British railroads to keep the tracks free from stray sheep.

## TRUMAN IN HOME STATE LAUNCHES 1950 STRATEGY

ST. LOUIS, Sept. 29 (UP)—President Truman raised the curtain on his 1950 by-election strategy today with a whirlwind tour of his home state of Missouri and lavish praise for party standard bearers.  
The Chief Executive devoted most of this morning to a Masonic ceremony here. But come nightfall, he will speak in eloquent terms of praise for William Boyle, a Kansas City home boy and the new chairman of the Democratic National Committee.  
Mr. Truman's Masonic duties here—installing new state grand lodge officers—were dwarfed by the influx of party bigwigs from every party of the nation to do honor at Kansas City to Boyle, a hometown product of the old Pendergast machine which gave Mr. Truman his political start.  
The shindig tonight in Kansas City will be held at the municipal auditorium with the number of eating customers estimated at about 3,000 persons. The public will be admitted after the eating is over. The President will say his nice things about Boyle over the statewide radio network at 9:30 P. M. CST (10:30 P. M. EST).  
Mr. Truman got here last night at 9:46 o'clock CST aboard an air force Constellation called, somewhat to the chagrin of the administration, the Dew Drop.  
In a temperature under 50, the topcoated chief executive bounced off the plane in lively fashion and shook hands with a large group of mansions and politicians. Then he entered a long, black limousine and drove eight miles to the Sheraton Hotel where he spent the night.

The President was scheduled this morning for a walk, an early breakfast with Masonic officials, and then installation of the Missouri Grand Lodge officers beginning at 9 A. M. After the ceremony the President will fly to Kansas City, arrived there at 2 P. M.

## GOING PLACES FAST!

IT'S THE DOBBS CAREER \$10

...IN NEW ROYAL ASCOT...  
In the Dobbs Career you can't miss! It sparks you with a spirited, successful look. Youthful, narrower brim. Lively lift to the back. And wait till you see the special Royal Ascot color scheme! Dobbs trims its own rich Ascot Brown with a bold-rib, navy band. What a noteworthy buy at \$10.

TEXAS News Briefs

AUSTIN, Sept. 29 (UP)—Texas has asked aid from the U. S. Public Health Service today in a survey of state hospitals and special schools.

The survey and recommendations will be presented to the 51st Legislature at a session next January. The federal aid will supplement survey work being made by the Board for Texas State Hospitals and Special Schools.

MEXIA, Sept. 29 (UP)—Mexico had its first polio case in more than a year today.

Ruby Marie Jackson, 14-month old negro child, was diagnosed as a polio victim at Waco yesterday.

HOUSTON, Sept. 29 (UP)—An epidemic nurse next Monday will transfer the regional headquarters of the Federal Mediation and Conciliation Service from Houston to Dallas.

Director T. F. Morrow said the move was being made because free office space was available in the Dallas Federal Building. Two commissioners will continue to operate a branch office here.

AUSTIN, Sept. 29 (UP)—Three state boards and agencies had six new members today.

Governor Allan Shivers appointed Andrew P. Hollis of Dallas and James S. Guleks of Amarillo to the State Board of Water Engineers; Walter Lehner of Eagle Mountain Lake and Scott Schreiner of Kerrville to the Game, Fish and Oyster Commission, and J. C. Wilson of Pecos as Pecos River Compact Commissioner for Texas.

EL PASO, Sept. 29 (UP)—Final registration figures were expected to pass the 2,300 mark when Texas Western closes its admission books Monday.

The registrar reported yesterday that 2,163 had enrolled. The school begins its 36th year under a new name—Texas Western. It previously was known as Texas College of Mines and Metallurgy.

TEXARKANA, Tex. Sept. 29 (UP)—Two Pentecostal church ministers have been ordered to appear in court following complaints by neighbors that their services disturbed the peace.

Home owners in the area charged that handclapping and shouting during church services conducted by the Revs. Samuel H. Baker and B. F. Lee aroused the whole neighborhood.

HOUSTON, Tex. Sept. 29 (UP)—The Lone Star Contract Bridge Tournament opened at the Shamrock Hotel here today with four of the nation's top players entered.

"Big Names" are Helen Sobel and Henry Fishbein of New York, and Charles Goren and John Crawford of Philadelphia. Mrs. Sobel, Goren and Crawford have been ranked No. 1 players in the nations at different times, and Fishbein has often been named in the top five.

Among leading Texas players will be George Heath and L. R. Robertson of Dallas; Paul Hodges, Abilene; Benny Fain and Anton Bugge, San Antonio.

HOUSTON, Tex. Sept. 29 (UP)—A train engineer from Temple today held a \$40,000 judg-

A&P Releases Second Protest Against Suit

As letters, telegrams and telephone calls continue to deluge stores and offices of The Great Atlantic & Pacific Tea Company, protesting anti-trust efforts to dissolve the Company, the 90-year old food chain released this week a second full-page advertisement to 2000 newspapers across the country.

A flood of endorsements of A&P came from housewives, farmers, manufacturers and labor leaders. According to the new message appearing under the headline "Why Do They Want To Put A & P Out of Business?"

Wayne K. Shields won out against the line in a damage suit resulting from back injuries he received Jan. 1, 1948, when he fell from a train in the yards at temple.

Of Business? The Company reported: "an enormous number of customers are telling our Store Managers, and clerks that they want to continue to enjoy our low prices of quality foods; farmers and other suppliers are asking what they can do to preserve this efficient outlet for their products, and our 110,000 employees are asking us to protect their jobs and pensions. Labor leaders are writing us their opposition to this threat to labor's living standards. If all of these people will be hurt, why then do the anti-trust lawyers want to put A&P out of business?"

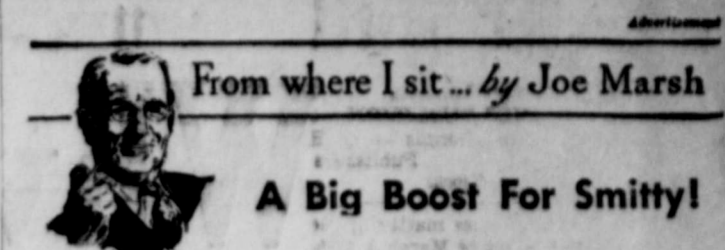

The message quotes these lawyers as saying that A&P Food Stores "have regularly undersold competing retailers" and continued "we plead guilty," adding that for the past 90 years "we have constantly stepped up the efficiency of our operations in order to give our customers more and more good food for their money." A&P also stated that A&P's low prices prevented

in the last ten years 775 rival food chains have grown up and some 30,000 individual grocers have gone into business. Moreover, while A & P had 11.6 percent of the national food market in 1933, it had only 6.3 percent in 1948, according to figures of the anti-trust lawyer; themselves, said the advertisement. If the A&P should be compelled to quit, not only will food prices go up, but "the way will be clear for the destruction of every other efficient, large-scale distributor," concluding the message, asking: "Is this in the public interest?"

From where I sit... by Joe Marsh A Big Boost For Smitty!

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash. "Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends." I thought what a swell boss Smitty must be. Human relations between the boss and employees have certainly taken a big step forward during my lifetime. From where I sit, people seem to be doing a better job of seeing our neighbor's viewpoint these days. Though his ideas and tastes may not be ours, we can understand his preference for a certain breakfast cereal, a favorite movie star, or for a temperate glass of beer or ale. That's the way it should be in a free country. Joe Marsh

# Why Do They Want to Put A&P Out of Business?

The answer is to be found in the formal complaint "they" have filed with the court. By "they" we mean, of course, the anti-trust lawyers from Washington who are out to destroy A&P.

They say . . . and these are the anti-trust lawyers' own words . . . that we "have regularly undersold competing retailers."

## To this charge we plead guilty:

We confess that for the past 90 years we have constantly stepped up the efficiency of our operations in order to give our customers more and more good food for their money.

The American people have seen nothing wrong in this. By their ever-increasing patronage for 90 years they have shown that they like this low-price policy.

Apparently the people still see nothing wrong in this today. All during the past week - since the anti-trust lawyers made their charges - we have been deluged with phone calls and letters from men and women in all walks of life who want us to know they are opposed to this effort to put A&P, out of business.

An enormous number of customers are telling our store managers and clerks that they want to continue to enjoy our low prices for quality foods.

Farmers and other suppliers are asking what they can do to preserve this efficient outlet for their products.

Our 110,000 employees are asking us to protect their jobs and pensions.

Labor leaders are wiring us their opposition to this threat to labor's living standards.

If all these people will be hurt, why then do the anti-trust lawyers want to put A&P out of business?

## Low Prices Don't Hurt Anyone

The anti-trust lawyers say because we are able to sell food cheaper than other grocers, we make it impossible for those grocers to compete with us.

If this were true, we should have all the food business in the United States by this time.

Just the opposite is true. In 1933 we had 11.6 per cent of the nation's food business. Now, according to the anti-trust lawyers, our share has decreased to 6.4 per cent in 1948. Anyone can see we have nothing even approaching a monopoly.

As a matter of fact, there are about 30,000 more individual grocers in business today than there were ten years ago.

There are about 275 more food chains in business today than there were ten years ago.

In other words, we have more competitors in the food field and do a smaller share of the nation's food business than before.

Where is this alleged destruction of other grocers? Where is there any evidence of their inability to compete with us?

## Do You Want Higher Prices?

As anyone can see, the only purpose that would be served by putting A&P out of business would be to raise food prices.

Who would this benefit?

We were the first merchants to set the pattern for low-cost, low-profit distribution. Our example and our competition has led other grocers to keep their prices down.

Remove A&P from the picture and food prices are bound to go up.

Remove A&P from the picture and the way will be cleared for the destruction of every other efficient large-scale distributor.

Is this what the American people want?

Is this in the public interest?

THE GREAT ATLANTIC &

PACIFIC TEA COMPANY

## M. S. Of First Baptist Church Installs New Officers Monday

The Woman's Missionary Society of the First Baptist Church met at the Church Monday afternoon at 3 o'clock for a business session and installation of officers.

The meeting was opened with the singing of the hymn "Rescue The Perishing" led by Mrs. J. B. Houghton Sr., president. Mrs. R. H. Hodges offered a prayer for church and state missions and Mrs. D. C. Ham gave a devotional on "Christian Love."

Mrs. Ham was in charge of the installation of new officers and gave a very inspiring installation address. As each officer was installed she received gold paper cut in the shape of coins and on which were inscribed her duties in the office.

Those taking offices were, president, Mrs. Lee Mitchell; vice-president, Mrs. H. A. Shockey; recording secretary, Mrs. R. C. Briscoe; young people's secretary, Mrs. C. B. Fruet; recording secretary and treasurer, Mrs. Mamie Ruth Hamrick; program and literature chairman, Mrs. Roy McCles-

key; educational chairman, Mrs. J. E. Houghton Sr.; mission study chairman, Mrs. G. B. Rush; Bible study chairman, Mrs. David C. Ham; benevolence chairman, Mrs. Glen West; stewardship chairman, Mrs. L. L. Bruce; publicity chairman, Mrs. A. W. Warford; menu chairman, Mrs. R. H. Hodges; hospitality chairman, Mrs. Lloyd Clem; pianist, Mrs. F. P. Braasher Sr.; and circle chairman, Mrs. W. J. Arterburn, Mrs. T. J. Anderson, Mrs. P. C. Long and Mrs. Shockey.

At the conclusion of the installation ceremony, new officers took over their duties with the new president, Mrs. Mitchell presiding at the remainder of the meeting.

Circle members were divided and names read, indicating to which circle each belonged. The Society presented the retiring chairman, Mrs. J. B. Houghton Sr., with a gift, after which refreshments were served.

In addition to the above mentioned the following attended the meeting Monday: Mmes Ross Hodges, Bruce Harris, A. Kirk, Bud Fuller, C. L. Beck, F. E. Langston, Lillie Applegate, D. A. Fawcett, Theo Ferguson, Fred Moeller, and Allan Smith.

## Hi Spanish Club Elects Officers

The Spanish Club of Ranger High School met at the school Tuesday for the opening business at which officers for the year were elected.

President of the club is Gene Ready and Carolyn Pruet is vice-president. Margaret Langford is secretary - treasurer and Retha Beth Perstein is sergeant-at-arms. Betty Lou Hagaman was made reporter.

The cost of the Alaska High was \$138,000.00.

## Ladies Bible Class Has Meet

Members of the Ladies Bible Class of the Church of Christ held the second study session of the fall season at the church Wednesday morning at 9:30 o'clock.

Floyd J. Spivy, minister of the church, is directing the Bible study and Wednesday morning discussed the subject "How To Study The Bible." At the opening session Mr. Spivy told of how we got the Bible, tracing the history of the book from the times of writing through the various translations.

Thirty-eight members of the Class attended the session Wednesday and the opening session was attended by 50 members. An invitation to all ladies, regardless of church affiliation, is extended to the class.

## Hodges Oak P.T.A. Has Meet Tuesday

Members of the Hodges Oak Park Parents-Teachers Association met at the school Tuesday afternoon at 3:30 o'clock with the vice-president, Mrs. H. A. Shockey, presiding.

Teachers of the school and the principal Joe Rushing were introduced to the members after which Mr. Rushing spoke on problems that arise in parents and teachers relations.

After reports from various officers and chairmen, members voted to adopt as their project for the year the acquiring of a lunchroom building and the improvement of playground equipment. It was decided at the meeting that the Halloween this year will be held without the usual program.

## Passing Motorist Saves Nine From Fiery Death

DALLAS, Sept. 29 (UP)—A passing motorist saved nine persons in a raging house fire today.

W. O. Smith, 35, noticed smoke pouring from windows of a two-story house. He stopped his car, beat on the front door of the home and failing to gain admission went to the rear of the house and forced his way in.

In the kitchen, he found Mrs. F. E. Rice, owner of the house, who was unaware that the blaze was raging. Smith "ordered" her out, then braved the fire to arouse eight other persons, including seven business college students who roomed there.

One of the students received a sprained ankle when he jumped from a second story window. Another was painfully bruised in "shinnying" down a column at the front of the house.

The ninth person in the house was Mrs. Lulu H. Chote, Mrs. Rice's mother, a 91-year-old semi-invalid.

Smith carried her out of the

house seconds before flames blocked all exits.

"It was close," said Smith. "Just as I came out the back door with her, flames came out right behind us."

The interior of the brick house was a total loss.

AS The Sideline Sees It

## Ranger Edges Eastland Dogies By Score 7-6

The Eastland Junior High Dogies were edged 7-6, by Ranger Junior High Bullpuppies Wednesday night at Maverick Field, in the opening game of the season for both teams.

Ranger made its touchdown early in the second quarter, following a sustained drive from deep in their territory, with Right Half Charles Massagee skirting the left side of the line 15 yards to paydirt. Messagee went over the middle of the line for the extra point.

Gerald Ables, Eastland flashy left half, turned on the steam in the third period and raced 30 yards around left end for a TD. A line buck for the point failed, with the score Ranger 7, Eastland 6.

Uninspired ball featured the final quarter, with pass interceptions and fumbles.

While the Dogie had a heavier and smoother looking ball club than Ranger, some unwise plays at crucial moments spelled the difference in the score. The game provided good experience for the pups, however and they should progress with the season.

Starters for Eastland were: Hill Gaeta, fullback; Ables, left half; Jamie Jessop, quarterback; le Ranger actually was left at the top of the list. This it seems will be an advantage for the Rangers in the Rose Bowl decision this year.

Well, the Ranger Pups did it last night. They went right over to Eastland and snatched a 7 to 6 victory from the Junior H Dogies on their own home field.

Early this morning some of the fans were shouting for berths for some of the boys on Ranger's A team. Well, they'll get those berths eventually, we imagine.

The Ranger Bulldogs will cap off this week's football schedule when they meet Burk Burnett here Friday night at 8 o'clock.

Like was being pointed out before, Burk Burnett hasn't lost a game this year. This one could be the jink for them though.

Here's their starting line-up:

Name	Pos.	Wgt.
Pemberton	E	150
Hunt	T	170
Taylor	G	100
Leemer	C	155
Brookman	G	177
Turpin	T	205
Reasoner	E	165
Felty	B	135
Smith	B	175
Crane	B	160
Boyd	B	144

## Baseball Picture

By United Press

Here is the major league baseball pennant picture today:  
American League—Boston and New York went into a first place tie when the Red Sox lost to Washington, 2 to 1, last night and the Yankees beat Philadelphia, 7 to 5. Boston plays Washington and New York plays Philadelphia today.

National League—St. Louis leads Brooklyn by one game. Both teams were rained out yesterday. St. Louis meets Pittsburgh today and Brooklyn plays a doubleheader against Boston.

LaVerne Merony, right half; Gerald Harris, center; Dorold Harris, left guard; Alan Vermillion, right guard; Jimmie Jumper, left tackle; Puteh Harbin, right tackle; Snag Hanson, right end; Billy Jordan, left end.

Ranger starters were: Eddie Wallace, fullback; Messagee, right half; Browning, left half; Jim Cole, quarterback; Doyle Gentry, right end; Alfred Black, right tackle; Bob Justice, right guard; Red Martin, center; Bill Eddie-man, left guard; Junior Nails, left tackle; and Bill Brazda, left end.

Check your social security number on your pay envelope or pay check stub. Make sure that the number agrees with the number on your social security card.

This advice was given workers today by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration. Fisher pointed out that most employers conscientiously try to report each worker's social security number correctly, but it is only human to make mistakes occasionally.

## Texas 4-H, FFA Contestants 3rd In Jersey Show

MEMPHIS, Tenn., Sept. 29—(UP)—Texas 4-H Clubbers and Future Farmers of America came out third best in the inaugural all-American Jersey Show.

Indiana took first place in both 4-H and FFA junior dairy cattle judging.

Glen Hood of Albertville, Ala., and William Hertz, Jr., of Jennings, La., finished first in the individual 4-H contest, while Joe Hunt of Albertville and Harold Spies, Mountain View, Okla.

In the 4-H team events, first 10 winners were Indiana, Louisiana, Texas, Alabama, Tennessee, South Carolina, West Virginia, Kentucky, Missouri and Iowa.

Top 10 FFA teams were from Indiana, Alabama, Texas, North Carolina, Oklahoma, Louisiana, Tennessee, Mississippi, Kentucky, and Missouri.

Other individual winners in 4-H events included Milton Riseinger, Bryan, Tex., seventh.

Individual FFA honors went to Fred Browning, sixth, Thomas Muckols, eighth, and Bill Stephenson, tenth, all of Burleson, Tex.

Joe Donald Fuston of Cleburne, Tex., won second place in the junior Jersey exposition class I senior heifer calves event.

Other Texas winners:  
Class II junior yearling heifers,—Douglas Dean Black, Mexia, second place; Joyce Francisco, China Springs, fourth.

Class IV, cows, two years old and under three years, Arthur Smith, Burleson, first place.

## Urge Check On Social Security Serial Numbers

Check your social security number on your pay envelope or pay check stub. Make sure that the number agrees with the number on your social security card.

This advice was given workers today by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration. Fisher pointed out that most employers conscientiously try to report each worker's social security number correctly, but it is only human to make mistakes occasionally.

"When a worker has social security taxes deducted from his pay, he is paying premiums on an insurance policy. This insurance helps to provide financial security in the worker's old age after retirement. It also provides insurance payments to eligible survivors if a worker dies," Fisher said.

"Eligibility for benefits hinges on the length of time a worker has been employed in jobs covered by social security. The amount of benefits payable depends on the total wages credited to his account. It is to the worker's advantage to have credit on his wage record for all wages earned. If his wages are reported under the wrong social security number," Fisher concluded, "he may not be credited with those wages.

Later on, he and his family may lose benefits which should be theirs."

GREENSBURG, Pa. (UP)—A flame taken from the torch of the Statue of Liberty and transported here was used by Scouts of Troop 8 to light a camp fire at their re-dedication ceremonies.

**FORD AGREEMENT MAY  
 BE PATTERN FOR OTHERS**

Detroit, Sept. 29 (UP)—U. A. W. President Walter Reuther said today the union's settlement with Ford will be used as a "basis for a similar agreement" with Chrysler.

**By UNITED PRESS**

The contract settlement between Ford Motors and the CIO United Auto Workers was believed today to point the way to possible peace in the nationwide steel and coal disputes.

The Ford settlement was within the framework set up by the presidential fact-finding board that investigated the steel dispute and recommended that the CIO steelworkers should abandon demands for a pay boost but that the companies should finance a pension and welfare program.

The agreement, providing \$100-monthly pensions for 115,000 Ford workers, was expected to act as a possible lever to bring about a steel pact.

That, in turn, would aid in bringing about peace in the coal strike since John L. Lewis has intimated strongly that he wanted to wait for a steel agreement before signing a United Mine Workers contract with operators.

Meanwhile, officials were taking action to prevent new violence in the coal fields of Alabama, Ohio, Pennsylvania, Illinois and Indiana.

**FITTSBURGH, Sept. 29 (UP)**

New violence was reported from the strike-torn soft coal fields today and Virginia's 14,000 miners ignored a state ultimatum to get the mines working again.

The outbreaks occurred in the

cutters and cull and common 12-00-15.00 Stocker steer calves good grades 23.00 downward.

Hogs 600. Butcher hogs mostly 25 higher than Wednesday's sows strong to 50 higher. Pigs steady. Good and choice 200-270 lbs. 20.00-25, good & choice 160-190 lbs. 18.00-19.75. Sows 14.00-18.50. Feeder pigs 16.00-18.00.

Sheep 1200. Killing classes strong, with some slaughter ewes 25 or more higher, feeders steady. Few good and choice spring lambs 22.00. Medium & good slaughter yearlings 17.50-18.00. Medium and good slaughter ewes 9.00-10.00, cull and common 8.00-50. Feeder lambs 20.00-21.00. Feeder yearlings 16-00-17.50.

"hot-bed" western section of Pennsylvania and in Alabama. A coal tippie was blasted near Clearfield, Pa., and a United Mine Workers striker was gravely wounded in a two-hour gun battle at Jasper, Ala.

The Virginia miners early today were ordered by a union official to resume their jobs in compliance with an emergency declaration by Gov. William M. Tucker. The governor instructed a state commission to run the mines and get coal produced to keep "the people warm."

However, when the time came to report to work, the miners balked at working in state-operated mines. UMW officials doubted that the miners would end their 11-day strike.

The tippie blast occurred at the Cloverleaf mine of the June Dale Coal Co. in Clearfield County, center of Pennsylvania's non-union mine workings where gun-carrying workers have defied raiding bands of UMW pickets.

R. D. E. Smith, president of the company, said the tippie, part of a separating plant, was blasted with a charge of between 50 and 100 pounds of dynamite. It was set off in the loading bin and also damaged the cleaning plant and a power generator. Damage was estimated at \$10,000.

**Canadian River  
 Dam Project  
 Gains Ground**

**AMARILLO, Sept. 29 (UP)**

The proposed Canadian River dam project gained ground yesterday in Washington, according to word received here last night by Panhandle friends of Sen. Lyndon B. Johnson.

Johnson wired that New Mexico's Sen. Clinton F. Anderson had agreed to accept a suggested amendment to the Warley bill authorizing the undertaking.

Johnson said he would offer the amendment in Senate committee at the earliest possible time and "will do my best to bring about passage of the bill this session."

Briefly, the amendment agreed upon by Anderson is that there will be no construction started on the project, near Sanford, Tex., until agreement on an interstate water compact between Texas, Oklahoma and New Mexico.

The next real bill action on the bill is anticipated when the legislation reaches the Senate floor.

**Bevin Challenges  
 Churchill Stand**

**By R. H. Shackford**

LONDON, Sept. 29 (UP)—Health Minister Aneurin Bevin challenged Winston Churchill's charges that Britain was almost down and out today. He said he welcomed a chance "to prick this bloated bladder of lies upon the point of truth."

The historic political enmity between Churchill and Bevin, the oratorical giants of the conservative and labor parties respectively, flared anew on the third and final day of Commons debate on devaluation.

At the end of the day in Parliament, probably well into the night, Commons will vote on the labor government's devaluation policy. It will be a vote of confidence, which theoretically could overthrow the government. Actually the labor majority in Commons is so great that the possibility seemed remote.

Bevin, rough and tumble Wel-

shman, tore into Churchill for his gloomy appraisal yesterday of the situation into which the Laborites had placed Britain since they came to power in July, 1945.

Churchill took up the challenge. He and his Conservatives never have forgiven Bevin for calling them "vermin." Amidst laughter from the government benches at Bevin's phrase, Churchill said he thought the word "lie" should not be used in the House.

The speaker ruled that Bevin was reciting a quotation, and not applying the word to Churchill.

**Monty Eats On**

WILLIAMSTOWN, Mass (UP)—Monty Woolley, "The Man Who Came to Dinner" and brought endless trouble to his hosts, was eating dinner at the Williamstown Inn when fire broke out in his parked automobile. Woolley kept eating while hotel employes put out the blaze.

Juneau, Alaska, has an average annual snowfall of 105.7 inches.
