Bob Hope Injured In Auto Crash

Comedian Bob Hope rides ambulance to Riverside, Calif., Community Hospital following an auto accident in which he suffered a dislocated shoulder. Hope told highway patrolmen his auto went out of control about 16 miles from Riverside and hit a tree. With Hope is ambulance attendant Charles E. Couch. (NEA Telephoto)

VA REGIONAL OFFICE TO BE MOVED SOON

All divisions of the Veterans Administration Dallas Regional Office except Medical and Dental will move from Love Field to the newly constructed building at 912 South Ervay Street, Dallas, on the weekend of January 20-22, Scott B. Harrington, Manager, has announced. The newly-located Regional Office will be open for business on the morning of January 23.

Complete medical and dental service will continue to be given eligible veterans at Love Field until necessary professional equipment can be installed in the downtown building. At that time, Harrington said, medical and dental services will be provided at the 5-story fire-proof building which VA has leased.

VA has been occupying 38 semi-permanent buildings at Love Field war-time home of the Fifth Ferrying Group, since August 1, 1946. Although it will be necessary for VA to move approximately a half million miscellaneous veterans records, together with 1000 filing cabinets and other necessary office equipment to the 108,000 square feet it will occupy in the new building, every endeavor will be made to effect the movement without interference to operations, Barrington said.

In the new building, the Contact, Insurance, and Supply Divisions will be housed on the first floor. On the second floor, the Medical Division will be located after its later move. On the third floor, services will be provided by the Manager's office, Loan Guaranty, Personnel and Finance Divisions. On the fourth floor will be located the Adjudication and Administrative Divisions. The Vocational Rehabilitation and Education Division will be established on the fifth floor. Cafeteria service will be available to veterans and employees on a lease-basis on the first floor.

The following Service Organizations, which have been established at Love Field since 1946, also will move to the new building.

The Weather

EAST TEXAS—Partly cloudy this afternoon and tonight. Showers near coast this afternoon. Colder tonight. Wednesday fair, warmer in northwest portion in afternoon. Fresh, shifting winds on the coast becoming northeasterly by late afternoon.

WEST TEXAS—Fair this afternoon, tonight and Wednesday. Colder east of the Pecos Valley tonight. Warmer Wednesday afternoon.

Mystery Man Regains Memory

ALICE, Tex., Jan. 10 (UP)—Richard Ellis Boone, the not-so-mysterious stranger of Alice, recovered his memory last night and recalled that he had left his wife in North Carolina sometime last month.

From Atkinson, N. C., Mrs. Louise Boone said that's right. Her husband left her "three weeks ago last Thursday," with assurance that she should not worry. He was, she said, going to look for a job, and she didn't think it too unusual when she didn't hear from him.

Boone showed up here a week ago and became an immediate sensation when he appealed to a policeman for help. "Who am I?" he asked. "Where did I come from?"

With the help of the FBI, which identified him from fingerprints as a one-time military prisoner in World War II, the police told him who he was Friday night. His memory came back to him last night, while he was watching a movie at Corpus Christi.

Texas Rangers had just begun to get interested in his story. They asked him yesterday if he was willing to take a lie detector test. Boone said he was.

His memory returned a few hours later.

Lost Mink Coat Back To Owner

EDINBURG, Tex., Jan. 10 (UP)—W. C. Brumley had his \$2,000 mink coat back today, but he vowed he'd never again casually toss it on top of his car.

Brumley placed the coat atop his auto and started for San Antonio, a mile later, he remembered. By then, it was too late.

Isador Garza found the coat laying alongside the San Antonio highway. Garza found the owner yesterday, after hearing a broadcast over an Edinburg radio station. He returned it to Brumley, who forked over a \$50 reward.

Dentist Invents Preventor For 1 Point Landings

WALTERS, Okla., Jan. 10 (UP)—An enterprising dentist today was producing ice grippers that will give pedestrians steady footing on slippery sidewalks.

Dr. F. D. Staiford, 76, invented the gadget which may do away with unintentional somersaults and one-point landings. It looks something like a baseball cleat and fits between the heel and sole of a shoe. It has a sharp point which digs into the ice.

Staiford said orders are coming in from almost every state and that he has turned his store room into an assembly plant which is operated by two helpers.

His largest order came from Macy's of New York—for a hundred dozen.

W. O. Walker Dies; Rites To Be Wednesday

Funeral services for W. O. Walker will be conducted Wednesday afternoon at 2:30 o'clock at the First Baptist Church. The Rev. D. C. Ham, the Rev. Jasper C. Massee, and the Rev. O. B. Herring, pastor of the Methodist Church of Slaton will officiate and interment will be in Evergreen Cemetery. Killingsworth's is in charge of arrangements.

Mr. Walker died at his home, 416 Walnut Street this morning about 5 o'clock. He was born in Sturgis, Mississippi, August 26, 1896 and had been a resident of Ranger since January 7, 1907. He was a retired farmer and a member of the First Baptist Church. He was married May 3, 1891 to Emma Adams who survives him.

Other survivors are four sons, Joe Walker of Slaton, Bill Walker of Corsicana, E. A. (Buck) Walker of Dallas and Barrett Walker of Cape Girardeau, Mo., four daughters, Mrs. J. R. Ervin of Ranger, Miss Virginia Walker of Alton, Illinois, Mrs. Lois Johnson of Midland, and Mrs. R. C. Stoker of El Paso; five grandchildren and four great grandchildren.

Palbearers will be V. V. Cooper Jr., Hall Walker, T. L. Anderson, Felton Brashier, L. L. Bruce and Willard Swaney.

Two Held On Robbery Charge

DURANT, Okla., Jan. 10 (UP)—Two soldiers from Perrin Air Force Base, Sherman, Tex., were held without bond, charged with robbing a Texas motorist who said he gave them a lift across the state line.

Pvt. Clement O. Travis, 18, and Pfc. Leroy James, 21, pleaded innocent when they were arraigned before Peace Justice Leo Thompson, who ordered them held without bail.

The charges were filed here after William K. Hilliard, Denison, Tex., reported two soldier hitchhikers robbed him of \$20. He said he picked up the pair at Denison Sunday night and drove them to Durant, where they took his money at gun point.

Travis and James were arrested by Durant officer Fred Young and Oklahoma Highway Patrolmen Ted Payne and Kenneth Will who spotted Hilliard's car. The officers said they chased the soldiers 10 miles at an 85-mile an hour clip before finally halting near Colbert, Okla., 10 miles south of Durant.

Union, Phone Co. Resume Discussions

ST. LOUIS, Jan. 10 (UP)—Further discussion of a wage dispute between Southwestern Bell Telephone Co. and 50,000 of its CIO employees will be resumed tomorrow.

Federal conciliator A. E. Johnson said he would meet first with company representatives and then with officers of division 30, communications workers, in an attempt to arrange a joint session on Thursday.

A truce by the workers has averted at least until Jan. 15 a strike voted by the union in December.

Jaycees Approve Housing Unit

The Junior Chamber of Commerce went on record last night as approving and backing the low-rent housing project which was recently approved by the PHA for Ranger.

The action followed a thorough discussion of the project. R. R. Cole of Dallas appeared before the group and explained the details of the program and stated emphatically that the city is not obligated in any way to subsidize taxes on the property. It had been brought in the meeting that since the property is government financed it is tax free but out of the rents gained from the property a small payment in lieu of taxes is made to the city, county and state. This, it was explained, cannot exceed \$2.30 per unit per month.

During the Jaycee meeting which was held at the Gholson Hotel at 7:30 o'clock C. E. May Jr. took over the reins as president and other incoming officers are James Rathif, vice-president; Dr. Stanley, secretary and Charles Milliken, treasurer. New directors are Dr. W. F. Watkins, Frank Mariani and Carroll Boon.

President May announced plans to push the collection of poll taxes and launch a "vote campaign." Plans were considered for a door to door courtesy reminder to citizens to pay poll taxes.

Bob Hickey and Bruce Maddox were welcomed as new members in the organization.

Second Ship Prepares To Run China Blockade

HONG KONG, Jan. 10 (UP)—A second Isbrandtsen line ship, the Brooklyn Heights, prepared today to run the Shanghai blockade later this week despite state department warnings.

Capt. Andrew Crinkley, far east representative of the Isbrandtsen line of New York City, said the Brooklyn Heights was taking aboard cargo for the Shanghai run despite the shell fire battering given a sister ship, the flying arrow, yesterday.

The Brooklyn Heights is scheduled to leave tomorrow, Crinkley said, but departure might be delayed a few days because loading of cargo was going slowly.

None of the crew aboard the vessel in the harbor here appeared to be perturbed by the dangers of sailing the Chinese Nationalist blockade of communist-held Shanghai. Most of them were engaged in painting bulkheads and railings.

"This will be the best-painted ship that ever went down," one of them quipped.

Crinkley said only one man signed off in Hong Kong and that was due to illness.

Power Dam Bids To Be Opened Before March 1

MINERAL WELLS, Tex., Jan. 10 (UP)—Bids for construction of three power dams on the Brazos River probably will be opened before March 1, directors of the Brazos River Construction and Reclamation District indicated today.

District Manager, R. D. Collins said the cost was estimated at \$25,750,000.

Collins said engineering work was nearing completion. He said the bidding date may be three weeks or two months, depending upon completion of the work.

The first dam below Possum Kingdom will be at Turkey Creek; the second at Inspiration Point, five miles south of Mineral Wells; the third at Decordova Bend on the Brazos near Granbury.

The dam will be financed by revenue bonds, with no aid from the federal government.

Prohibitionist To Seek Office

HOUSTON, Tex., Jan. 10 (UP)—A Houston attorney announced his candidacy today for governor of Texas on a prohibition campaign to make Texas "as dry as the Sahara Desert."

Virgil E. Arnold described himself as "an old line Democrat," and noted that the disastrous result of alcohol on the American people each year was a scandal.

"More men and women die from the effects of whiskey and beer each year than were killed in both world wars," Arnold said.

He concluded that he would fight the liquor interests, gambling syndicates and machine politicians "until the lower regions freeze over."

A delightful incense is made from wood of the pine tree, a member of the pine family.

ACTION GREW OUT OF HEARING BEFORE RR COMMISSION TODAY

Home Destroyed By Fire Monday

A home owned by Hall Walker and occupied by Mrs. Jessie McDowell and her family burned to the ground about 7:15 o'clock last night and Fire Chief Charlie Isbell stated today that the house and furnishings were a complete loss.

Origin of the fire had not been determined today but members of the family stated that they believed that it started in the kitchen. They said that the whole house seemed to be afire when they first discovered it.

The house was located at the foot of the hill at the west end of Main Street and the alarm was slow to be turned in because of there being no telephones in that neighborhood. Chief Isbell said that the roof of the house was caving in when the trucks reached the scene.

Another Jesse James Pops Up

NEW YORK, Jan. 10 (UP)—Jesse James, that is the latest man to claim he's the notorious outlaw, said today he has \$2,000,000 in loot buried near Fort Sil, Okla.

He also said in passing that there never was a James gang.

The latest Jesse said he has been known since 1882 as J. Frank Dalton. He came to New York from Missouri yesterday to announce he had filed suit in Missouri to change his name from J. Frank Dalton back to "my christened name" of Jesse Woodson James, the celebrated outlaw.

He said he is 102 years old; that the alleged shooting of Jesse James by Bob Ford in St. Joseph in 1882 was a great hoax to permit his escape from the law, and that it actually was Charlie Bigelow who got a bullet "in the back of the head" from Ford's gun.

He brought along six "corroborating witnesses" who believe fervently that he is the real Jesse. There's no doubt that he knows Jesse's operating terrain thoroughly—and the history of the "operations."

"There never was a James gang," the old man said as he lay in bed in his hotel room. "Ain't a farmer in the country—in those days—that wouldn't try to make a little more money if he got the chance. And that was the James gang."

Gives A Helping Hand

Twelve-year-old Phyllis Detewiller, right, who lost her right hand two years ago, does dinner dishes at home of 10-year-old Betty Lou Marbury, in Brownsville, Tenn. Phyllis flew from Willoughby, Ohio, to show how to do chores without her hand. Both of the girls had suffered from bone tumors. (NEA Telephoto)

Survey Started On Dam Site

A staff of six men with the Reclamation Division of the Department of Interior have arrived in Ranger to begin a preliminary survey of the proposed site for a dam on the Leon River to create an adequate water supply for this area.

A spokesman for the group explained that they are here to gather material in a brief survey and that this material will be sent to engineers in the division at Austin who will make the report which is expected to be received about March 1. The party will be here about four days.

Dr. P. M. Kuykendall, president of the board of directors of the Eastland County Water Supply District, and R. V. Galloway, manager of the Chamber of Commerce, accompanied the men on a preliminary inspection of a proposed dam site for the creation of the lake. The site has been recommended by a Fort Worth engineering firm from a previous survey.

Bible Study To Be continued

The Second Baptist Church will continue the Bible study program Wednesday night when Morris Jeffries will teach the second lesson in Ephesians.

The meeting will begin at 7:45 o'clock and it was pointed out today that teachers who attend three of the five consecutive Wednesday night lessons and pass the examinations will be given Sunday School Teacher Awards.

The public is invited to attend the meeting.

He added that the Commission only determines allowable production and may not dictate to a purchaser how much oil he must buy and from whom he must buy it.

The telegram said that "the entire economy of this large area is imperiled by this serious situation," and this drastic reduction would be fatal to a large percentage of these wells (in the area) and result in the abandonment and in the loss of millions of barrels of otherwise recoverable oil.

In another telegram, Sen. Pat Bullock of Colorado City said "the whole economy structure of Eastland will be greatly damaged if the 60 per cent cut is allowed."

Premier Oil President Sylvester Dayson said several factors have forced independent refiners "to curtail their operations and some of them are forced to close."

Dayson said foreign countries receiving American economic aid "have been allowed to push American oil and producers out of their usual 'foreign market,' a sad simultaneousity, they have exported cheap foreign crude and products into the U. S."

He remarked, too, that "high pipeline rates" cost producers' 17 cents more to ship one barrel of oil to the gulf coast as compared to cost of transportation of crude of the same price and quality out of East Texas.

"This existing condition, plus the necessity to relieve our storage congestion make it necessary for us to sell to a large company several hundred thousand barrels of Ranger crude at a substantial discount under the posted price."

Frank Mariani To Direct Monahans Annual Rodeo

Frank Mariani stated today that he has been advised that he has been selected as the manager and director of the Monahans rodeo to be staged this summer.

The rodeo will be staged 26-29 at Monahans. Mariani rected the rodeo last year so assisted with the crew the arena there.

HALF-CENTURY HIGHLIGHTS

"ROBUST, EXUBERANT, LUSTY" describes life along New York's Rialto as 1900 dawned. No single individual so symbolized this spirit as did lovely Lillian Russell, queen of the comic operas. Her 165 pounds embodied the era's ideal of lush feminine beauty. It was a picture composed in wide-sweeping curves and well-balanced masses. But to her devotees she was "airy, fairy Lillian." From the night in 1883 when she appeared at famed Tony Pastor's in New York until her retirement in 1912, she reigned as queen of romance. Millionaires fought to shower her with costly jewels and with characteristic flamboyance she wore them by the bucketful. Grandpa will tell you that all today's glamor dolls rolled into one couldn't compare with the "incomparable Lillian."

RAYMONDVILLE, Jan. 10 (UP) — City Commissioners considered cancellation of all parking tickets today, following settlement of a raging controversy over parking meters. Judgment on the controversy was returned in 103rd. District Court yesterday. It upheld a year-old contract between the city and a parking meter company. A citizen's group had challenged the validity of the pact, because it had not been voted upon. The commissioners said they would decide "soon" whether to double the time for parking on side streets for a nickle and cancel parking tickets.

HOUSTON, Tex., Jan. 10 (UP) — Mr. and Mrs. Frank F. Leskar, reported missing since Saturday, turned up safe and sound last night, amazed at "all the fuss." The elderly couple left Austin Saturday for Houston, but decided to stop off at the home of relatives in Eagle Lake.

When a son, James Leskar of Austin, tried to find his parents at Eagle Lake, a long distance operator misunderstood the family name for "Livingston" and reported no such name at the Eagle Lake number. The State Highway Patrol was called in, officers in Travis and Harris Counties were alerted, and a general search was started.

HOUSTON, Tex., Jan. 10 (UP) — A verdict of death by accidental suffocation was returned today in the death of Glen Ray Allbrook, infant son of Mr. and Mrs. S. E. Allbrook. The child smothered to death yesterday while sleeping between his parents, who said the baby was dead when they awoke. Burial was to be at Corrigan, Tex., today.

HOUSTON, Tex., Jan. 10 (UP) — Tow local option elections to determine the legality of liquor sales will be held in Harris County Feb. 4—in Jacinto City and

Baytown. The date was set yesterday by Commissioners Court on recommendation of County Judge Glenn A. Perry.

Baytown "Drys" opposed the February date. They had asked that the balloting be held before Feb. 1 so that 1949 poll tax receipts would be valid. The Feb. 4 election means that poll tax receipts and exemption certifications obtained prior to Jan. 31 will be the voting qualifications.

First 10 Are The Hardest KNOXVILLE, Tenn. (UP) — Knoxville's much-married Jimmy Hope, 24, has been having domestic troubles. He was treated at a hospital for a knife wound in his side which he told attendance was administered by his 10th wife.

Pioneer Dallas Woman Dies

FORT WORTH, Tex. Jan. 10 (UP) — Mrs. Catherine Dixon, 82, niece of the first Dallas settler, died at a hospital yesterday after a long illness.

Mrs. Dixon was a native of Dallas, but had lived here for the past 15 years with a daughter. Her uncle, John Neely Bryan, was the original settler on the Dallas townsite, in 1841.

Hint to Motorists MEMPHIS, Tenn. (UP) — Inspector Hal Allen of the police department's accident investigation division says a lot of traffic griev could be prevented if drivers would "treat the other motorists as they would a guest in their home." Allen labels slow-driving, middle-of-the-roads and motorists who make improper turns as the worst, and most dangerous, traffic offenders.

TEXAS News Briefs

BY UNITED PRESS LAREDO, Jan. 10 (UP) — Funeral services for Los Manuel M. Garcia, 77, named "man of the year" for Laredo in 1949, were scheduled here today at San Augustine Church, with burial in Catholic Cemetery. Garcia, a rancher and educator who owned extensive residential and business property in this border city, died yesterday in a hospital at Temple. He had lived here since 1917. DALLAS, Jan. 10 (UP) — The Duke and Duchess of Windsor will visit the Mexican ranch of Clint W. Murchison, Sr., probably "early next month," the Dallas oilman's office reported. Murchison's 115,000 acre ranch is located 90 miles south of Tampico in the mountains. STEPHENVILLE, Jan. 10 (UP) — J. E. Bogg-Scott, Jr., of Cleburne purchased the grand champion bull of the 7th Mid-Texas Hereford Show. The bull, Puritan Star, was bought from Hasten Walker of Dublin for \$950. Puritan Star's sale price was the largest recorded as 49 head were moved at an average of \$396. Total receipts were \$19,455. EDINBURG, Jan. 10 (UP) — Jackie Rainey, 18-year-old Houston girl, and three Houston Latin-Americans remained in Hidalgo County Jail today awaiting trial on a federal narcotics charge. The four were arrested near here yesterday by U. S. Customs agents, who said they found 25 pounds of rough marihuana, estimated to be worth \$12,500, in Jackie's traveling bag. Manuel Rodriguez Reyna, one of the three men, took full blame. He said the marihuana was delivered to him in paper and his three companions did not know it was stored in the suitcase.

MARRIAGE LICENSES The following couple were licensed to wed last week: Floyd Windell Smith to Stella Ann Fowler, Jackboro. Coy Aaron Nichols to Mattie Lou Searcy, Eastland. Robert Oscar White to Mrs. Leona Collins, Breckenridge. PROBATE William Robert Hogue, minor, application for guardianship. NO CIVIL SUITS FILED The following suits were filed for record in the 91st District Court last week: J. G. Hill v. E. E. Hill, divorce. T. M. Burleson v. Ina Mae Burleson, divorce. Joseph P. Nardulli v. Johnny Trigg, et al, damage. J. E. Lewis v. Charles W. Cline suit on note. ORDERS AND JUDGMENTS The following orders and judgments were rendered from the 91st District Court last week: Lemuel Ingram v. Joyce Katherine Ingram, judgment. Galen A. Sublett v. American National Insurance Company, order. State of Texas v. C. L. Archer, order. Carolyn Earline Dabney v. F. James Dabney, judgment. Leona May Stovall v. T. P. Stovall, order of dismissal.

Political Announcements

The following have announced their candidacy for the various offices in the coming elections of 1950.

County School Superintendent
H. C. (Carl) ELLIOTT.

Ladies Attention

Dr. Richard Hodges
Dr. Bob Hodges
HODGES Veterinary Clinic
Successors to the Late Dr. Ross Hodges
Ranger, Texas

Bowling activities were plenty over the week-end with Two Team matches between Ranger and Mineral Wells Men and Ladies, and two Special Student Doubles matches. Local bowlers emerged triumphant in all four matches for a one thousand percentage.

Student Double
Saturday afternoon, at Cisco, Duane Rose and T. L. Bush played a return engagement against Cisco's Alton Lavender and Doby Warren, nosing out the latter team in three very close matches. The margin of victory was a mere 47 pins. Doby Warren again asserted his supremacy among the Students with a 190 game and 450 series. Lavender contributed a 282 series for Cisco. For Ranger, T. L. Bush had high game and high series with scores of 168 and 467. Duane scored 452 to aid in the victory.

Sunday, the same Ranger duo, overcame the challenging R. C. McCord and Titus Hill by a decisive 115 pin margin. Duane Rose led the victors with 183 and 474 series, assisted by Bush's 444. For the losers, Titus scored 168 and 415. R. C. rounded out the totals with 398.

Inter-City Match
Ranger Men and Ladies defeated the visiting Mineral Wells bowlers by overwhelming margins in both matches to even the count between the two teams.

The ladies won all three games, due, in main to Nita Hill's 156 and 422, Audrey Rose's 161 and 421, and Petey Babain's 166 and 414 series. For Mineral Wells, Doris Cummings registered the best game and series with scores of 176 and 468. Her totals led both teams, and her 176 game won the high game award for the week.

In the Men's match, it was Jim Christy of Ranger, who provided all the fireworks. Jim shot high game of 241 and high series of 628 to lead both teams. The rest of the bowling was below average and does not warrant recording.

Honor Roll
With the renewal of league bowling, all scores were on the upgrade for the past week. Rollie Kenney, among the eligibles for top honors, scored a tremendous 246 game to lead all contestants. Close behind was Jim Christy with 244 and 241. George Beighley scored his first '200' game, a nice 204.

Doris Cummings, of Mineral Wells, led the Ladies with a 176 game. Petey Babain was second with 166. Nancy Phillips and Barbara Ann Healer, of the newly organized Girl's league shot commendable games of 152 and 150, respectively. Nancy led until the final hours when the Ladies Match scores came in.

RJC CAGERS VICTORS OVER HILLSBORO

Ranger Junior College cagers nipped Hillsboro in a conference game at Hillsboro Monday night by a score of 46 to 42.

Ranger held a comfortable lead most of the game until the last eight minutes of play when Crawley and Ashley fouled out and Cook was out of the game for a short while with a cut lip. As the last eight minutes of the game opened Ranger was leading by 17 points but Hillsboro quickly cut down that lead after the three first string men were out of the game.

Harper, Moseley and Cook ran a close race for high point scorer, Harper with 15 points, Moseley 15 and Cook 11. Mostly of Hillsboro was high with 29 points.

In addition to the above mentioned players, those seeing service in the game were Joe Neel, R. C. Smith, Bruce Gordon, Weldon Whitis and Red Wilson.

The college cagers will meet Cisco in another conference game here Thursday night beginning at 7:45 o'clock. Two Junior High School teams being coached by college players will play a game preceding the college tilt.

Around And Around
WINSTON-SALEM, N. C. (UP)—Thieves really had W. C. Kapp going in circles. His pocket was picked in a revolving door.

committee, under chairman Clarence P. Houston of Tufts, will present the expulsion motion to the executive council on Wednesday and if the council approves it will be put before the general convention on Saturday. A two thirds majority of the delegates is required to expel a member of the NCAA, which includes 297 members and 27 affiliated conferences swinging one vote each.

A nationwide television policy has been urged by the Eastern College Athletic Conference because Video is regarded a threat to the box office receipts at all collegiate sports.

Ben Still Holds The Spotlight

LOS ANGELES, Jan. 10 (UP)—It was like old times in the \$15,000 Los Angeles open tournament today—Ben Hogan challenging for the lead in the stretch.

But whether Ben is able to overcome tiny Jerry Barber's two-stroke lead does not matter as far as the magnificent Hogan comeback tale is concerned. Hogan could blow up completely in his final 18 holes today, and his performance the past four days still would be ranked among golfdom's all time comebacks.

So completely does the gallant Texan dominate attention that little heed is paid other top-notch

performances being turned in during the event. There is only one word around the fairways. It's Hogan.

Barber, himself, has turned in three rounds of sparkling, and at times, brilliant golf for his pace-making 209 total. He slipped to a one-over-par 72 yesterday, which enabled battlin' Ben to cut into his lead. After playing his first round in 73, Hogan came through with his second straight 69 yesterday to move into second place and become the popular choice to win his fourth Los Angeles open title.

That favoritism is a lot more than good wishes of his fans. Hogan's play is of the same steady, meticulous variety which made him the country's number one pro before a near fatal auto-bus collision last February. The only difference is in his legs. He tires easily and admits he couldn't handle two rounds a day.

Man Commits Suicide In Jail

DALLAS, Tex., Jan. 10 (UP)—Raymond Earl Higgins, 28, arrested six hours earlier for disturbing the peace, hanged himself in a cell at city jail early today.

Police said Higgins looped a

SOCIETY

Country Club Ladies To Meet

The Ladies Club of the Ranger Country Club will meet Friday afternoon at 2 o'clock at the Country Club for the monthly social. Mrs. C. E. May Jr. and Mrs. Willis Clarke Jr. will be hostesses.

Personals

Mr. and Mrs. W. H. Mace have received word that their son, Lyle Mace of Breckenridge, formerly of Ranger, is seriously ill in a Waxasachie hospital.

Mr. and Mrs. Jack Shelton have returned to their home in Batavia, Illinois after a visit with Mr. Shelton's mother, Mrs. J. L. Shelton and his sister, Mrs. Evelyn Watson.

Mrs. A. C. Stone and son, Joe of Alice have been the guests of Mr. and Mrs. L. Kirkpatrick and other friends.

Mark Mason of Los Angeles is the guest of his sister, Mrs. O. G. Lanier, and family.

Faye Through With Romance

CUERNAVACA, Mexico, Jan. 10 (UP)—Twice married actress Faye Emerson vowed today she was through with romance and would never marry again after her divorce from Elliott Roosevelt.

Charging the second son of the late President Roosevelt with mental cruelty, the blonde star expected to have her final divorce decree within 10 days.

"This definitely is my last marriage," Miss Emerson said yesterday after filing her plea in a tiny room of the Morelos State Penitentiary here. "I do not plan any more romances."

She handed her complaint to Judge Alfonso Roqueni, the same judge who once granted Paulette Goddard a divorce from Charlie Chaplin. The proceedings to end her five year marriage to Roosevelt took only a few minutes.

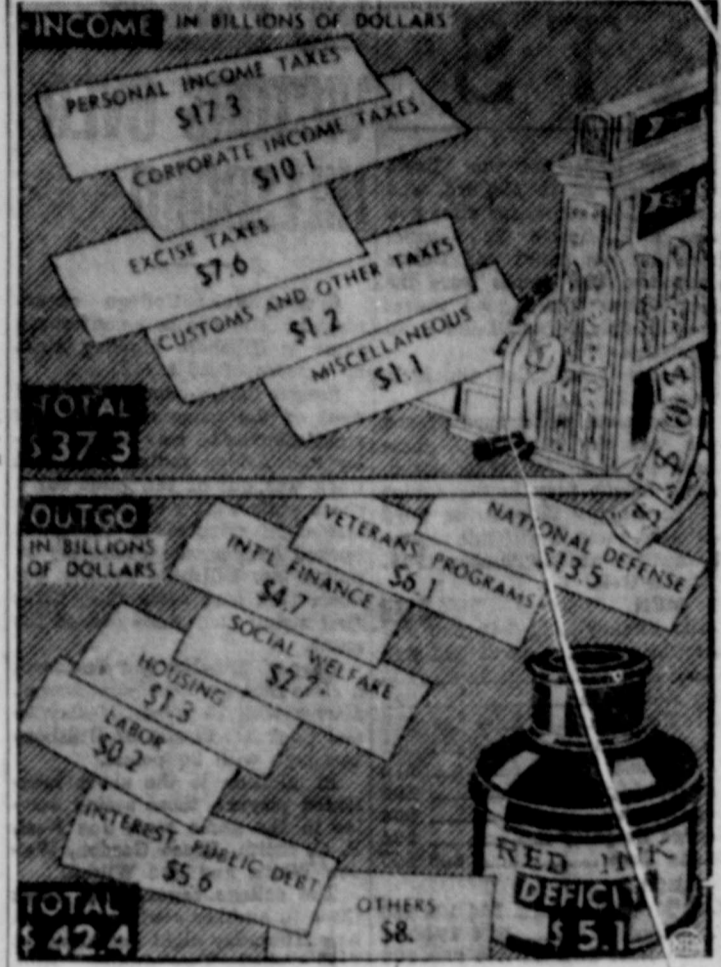

Her estranged husband, who has been linked romantically to cafe singer Gigi Durston, has three children: a son, 13, and two daughters, 11 and 10. SHEEP 1300; Slaughter lambs and feeder strong to mostly 50 higher, aged sheep steady, yearlings scarce. Good wooled slaughter lambs 23.00 and 23.50, later price for 105-108-lb. lambs. Good shorn slaughter lambs 22.50. Medium two year old wethers 17.00, good aged wethers 12.50. Feeder lambs 22.00-50, fleshy shorn feed or lambs 21.00.

Here's Your Budget For 1951

This chart shows major items of the President's budget message for fiscal 1951, with estimates of total receipts, expenditures and deficit. Figures do not include proposed tax increases. Estimated receipts of \$37,306,000,000 are \$457,000,000 less than in fiscal 1950, which ends June 30. Estimated expenditure of \$42,439,000,000 is \$858,000,000 less than 1950's expense. Budget for fiscal 1951 indicates a deficit of \$5,133,000,000 compared with \$5,534,000,000 for fiscal 1950. (NEA Telephoto)

days to reply to the complaint. But he already has agreed to the divorce, and Miss Emerson said a property settlement has been reached.

Her appearance in Judge Roqueni's private chambers virtually ended the red tape involved in the divorce. She will not have to appear in court again.

Roosevelt and Miss Emerson were wed Dec. 3, 1944 at the Grand Canyon in Arizona in what then was described as an "ideal marriage." It was Roosevelt's

third marital venture. Both had children by their previous marriages.

Former Runnels County Surveyor Gets Sentence

BROWNWOOD, Tex., Jan. 10 (UP)—Former Runnels County surveyor Clyde Matthews was found guilty yesterday of check forgery and sentenced to five years in the State Penitentiary.

Matthews, 27, testified in 35th District Court that "if I made that check, I was too drunk to know it."

Chief State Witness was Jackson K. Garrison of Abilene. He testified that Matthews came to him and proposed that in com-

My Granny Van Well Received By 1st-Nighters

DALLAS, Tex. Jan. 10 (UP)—A delighted first night audience gave a warm reception last night to a bycolic comedy about Texas presented at Dallas' arena-styled theater '50.

The play, directed by Margo Jones, was "My Granny Van," a story of life in the early 1920's in the small town of Rockdale, Tex. It was written by Loren Dinney and George Sessions Perry and based on a book by Perry.

It pictured the financial troubles suffered by a small town family, complicated by the eccentricities of Granny Van, a crochety old woman who championed prohibition but was not above taking a nip from a bottle of bourbon which she obtained conveniently with a doctor's prescriptions.

Her constant feuding with her even more crochety father-in-law, a self-made Republican from Indiana, kept the audience chuckling through out.

The all professional cast was headed by Mary Finney as "Granny Van", Louis Veda Juince portrayed the role of her father-in-law.

Theater '50, located on the Tex-

pany with Mrs. Garrison they go on a tour financed by cashing checks.

Garrison was given a three-year suspended sentence on a forgery charge after he testified against Matthews.

The check passed here Aug. 14 on "Holloway Bros. Drilling Co., Scales Bldg., Dallas." Witnesses testified there was no such firm or address.

Matthews told Judge A. O. Newman that he was released from a veteran's hospital in Waco in 1947. He said he is under parole from the California State Penitentiary on a sentence of five years to life for armed robbery, as well as being under \$7,500 bond on an armed robbery charge at Amarillo.

as State Fairground, offers one of the most unusual stages in the nation. Seats are constructed around the stage in the fashion of a boxing arena but on a much smaller scale. It gives the audience of about 200 the illusion of being in the cast.

An Alaska sealskin is so light and pliable that an entire pelt can be passed through a napkin ring.

LADIES' CHOICE
Gentlemen prefer blondes—that's a myth, but here's a fact: Ladies—brunettes and redheads as well as blondes—prefer gentlemen who send flowers now and then. This goes double for husbands.

Ford remains alone in low-price "Eight" field

"Reports were current several months ago that Ford might encounter competition in the low-price eight-cylinder car field. The manufacturer considering such a development, however, apparently has decided against it.

"The temptation to enter competition for this market is strong. Ford derives considerable sales appeal from ability to offer an eight as well as a six in the low cost bracket. Buyers are attracted by the additional smoothness and power performance afforded by the extra cylinders.

"Principal reason why rivals have steered clear of eight-cylinder power plants is cost. Ford has been able to hold expenses down by manufacturing economies not often duplicated by others.

"In pioneering the low-price V-8, the Dearborn producer had to strike at the heart of the cost problem. The company was the first to evolve a method of making an integral V-block and crankcase casting.

"The Ford Company is noted for excellence of manufacturing technique. Part of the reputation is based on willingness of the management to spend money on work-saving equipment. The Rouge plant foundry, for example, is a model of efficiency. Air-conditioning eliminates some of the disagreeableness common to most foundries, while conveyor systems and automatic machines obviate much of the usual back-breaking—and inefficient—hand work.

"With the use of advanced production methods the company has been able to hold expenses within reasonable limits. This is true even though use of the larger engine means two more cylinders—with more pistons, rings, 'con' rods, sparkplugs, etc.—for each car produced.

"The Ford production technique involves a high degree of precision. Vendors regard the company as a 'tough customer' because of the rigidity of inspection standards. Suppliers know they must conform closely with specified requirements or face heavy rejection.

"The precision, together with the extra power of the engine, accounts for the unusual performance of the Ford V-8. Ford's ratio of applied horsepower to gross vehicle weight has long been a favored design characteristic. Other manufacturers have found this power plant too difficult to build inexpensively enough for a small car.

"From present indications, it may be a long time before competitors can challenge Ford in the low-priced eight-cylinder field."
