

**AND AWAY WE GO!** — Maize fields in the nation's grain sorghum capital are ripening fast, and the harvest should be in full swing in two to three weeks. Cutting has already started in a few fields, such as this Texioca starch grain crop grown by Odus Hastings on the Ulys Davis farm five miles northwest of Dimmitt. Richard Rivera "brings in the sheaves" in this photo. Castro County Grain Co. reported that the

white milo tested 13.60 percent in moisture content and had a test weight of 57 pounds per bushel. This scene will become a familiar one during the next month as producers bring in the county's major money crop. Although the sudden upsurge of corn will cut into the county's grain sorghum total this year, most of the county has been spared from hail and the milo yields are expected to be better than ever.

# Corn Yield and Price Paint a Bright Picture

County producers who planted corn this year as a grain crop are glad they did.

**WITH THE** county's first big corn harvest two weeks along, the picture looks bright. Yields are good, quality is good, and the price is running 30 to 40 cents above grain sorghum.

Castro County producers planted approximately 4,000 acres of corn this year — mainly as a test crop in preparation for the opening of the Dimmitt Wheat Growers wet-milling plant next year.

Jimmy Cluck of Sunnyside brought in the first load of corn Sept. 17, and since then Dimmitt Wheat Growers, Inc., has received 125,000 bushels, Manager Glen M. Hammond said.

**BARRY LOVE, DWG** agronomist, said yields so far have ranged from less than 100 bushels per acre to a high of 160 bushels on the Elbert and Trellis Summers farm. The average yield, he said, has been 125 bushels, the equivalent of a 7,000-pound grain sorghum crop.

While grain sorghum is selling for \$1.60 to \$1.70 per hundred-weight, Love said, corn is bringing \$2. And that's where the picture looks the brightest.

**THE FIRST BALE** of 1968 cotton came in at noon Monday, and it was "the best first bale I've ever ginned," said Tom Davis (center), owner of Easter Community Gin. At left is J. F. Martin, who raised the beautiful, long-staple cotton in the Easter community. At right is W. V. Cunningham of Abernathy, Martin's landlord. Martin had the cotton hand-picked Saturday from a six-acre block of Paymaster 202, and it was ginned Monday morning.

## Democrats Slate Saturday Meeting

County Democratic Chairman Carl King has called a meeting of all interested Democrats for Saturday afternoon "to organize our election campaign and stimulate enthusiasm for the Democratic cause."

**THE MEETING** will be at 4 p.m. Saturday at the Country Club, and will precede the arrival in Dimmitt of Dick Brown, Demo congressional nominee from Hartley.

Refreshments will be served by the Castro County Democratic Women, headed by Mrs. Myrtle Sheffy.

King said Saturday's session is open to all interested Democrats in the county, and he especially urged all precinct chairmen to attend.

**"IT'S OF dire importance** to the farmers in our county that we help elect Hubert Humphrey and a Democratic Congress," he said.

King noted that Brown's campaign caravan is scheduled to arrive in Dimmitt Saturday afternoon and said, "We hope Dick can be here in time for the meeting. We plan to join him at the courthouse square after the meeting to help him kick off his campaign in Castro County."

Brown is opposing Republican Bob Price of Pampa for the 18th District congressional seat.

## First Bale Is In; Labor Is Scarce

J. F. Martin teamed with the Easter Community Gin to produce Castro County's first bale of 1968 cotton Monday.

**AND A beautiful bale** it was — soft, white cotton that's expected to measure 1 to 1-3/2 inch in fiber length.

"It's the best first bale I've ever ginned," said Tom Davis, owner of Easter Community Gin. Davis processed the first bale last year, also.

The bale weighed 535 pounds, and was ginned from 2,065 pounds of seed cotton which Martin had hand-picked from a six-acre block Saturday.

**THE COTTON** was ginned Monday morning, and Martin and Davis delivered the first bale at noon Monday to its traditional

place of honor — the corner of Broadway and Bedford, in front of the ASCS office.

Martin's first-bale cotton was Paymaster 202 variety which he planted April 23 after two pre-waterings. The crop was watered twice during the growing season, every other row, and survived a small hailstorm in May.

Easter Community Gin processed the first bale free and paid 50 cents a pound for the lint and a rate of \$100 a ton for the seed.

After delivering the first bale, Davis pointed up a problem that's plaguing cotton growers throughout the Plains area this year:

"We've got a lot of cotton ready, but nobody can find any hands. Labor is a real tough problem this year."

## Lee Street Church to Break Ground for Auditorium Sunday

Lee Street Baptist Church will break ground Sunday afternoon for a new auditorium.

The ceremony will be at 2:30 p.m., and will be preceded by an all-church dinner.

**CONDUCTING** the ground-breaking will be Rev. Don Cass, pastor; Ray Nelson building chairman; and Buck Powell, oldest resident member of the congregation.

Sunday's ground-breaking will herald the construction of a \$31,000 auditorium that will adjoin the present church facilities at Southwest Second and Lee, near the city park. The new auditorium is designed to seat 250 people, and will also include two offices, rest rooms and a baptistry.

**THE CHURCH** was organized in 1958 under the Southern Baptist Convention, and its membership now numbers 160.

After Sunday afternoon's ceremony, a movie of the church's original ground-breaking and construction will be shown in the sanctuary.

The present church building will be remodeled into an educational building after the new auditorium is completed.

The ceremony is open to the public.

## It's 'Tour Day' Today

**STUDENT COUNCIL SPONSOR R. L. STOCKSTILL** shows new parking permit . . . As Council President Durward Strickland tries one on a car

## New Sign of the Times: Student Parking Permits

So many Dimmitt High School students are driving to school now that parking permits will be issued and individual parking places assigned within two weeks.

**THE SIGN** of the times at Dimmitt High is a round, purple-and-white windshield decal with a bobcat head and a number on it. The number will match that of a specific parking space at the school.

The DHS Student Council will sell the decals for 50 cents each, and every student driver who buys one will be assured the same parking space for his car every day this year.

Principal Ike Moore came up with the "reserved parking" idea last year after seeing that student parking was becoming a problem in the school area.

Moore ordered the parking decals — which are similar in design to those used by Michigan State University — and devised the formula of numbering student cars and assigning them to like-numbered spaces.

Moore felt the plan would have several advantages: First, if a student is assured the same parking space every

day, he's less likely to be late to class.

Second, a numbered parking space is less likely to produce more tempers between student drivers trying to beat each other to the same parking space on a crowded day.

And third, the use of assigned spaces may make school traffic more efficient, getting cars off the street and out of each other's way faster during the pre-school rush.

**DURING** the summer, Moore had all the paved parking areas around the school painted with new angle-parking stripes, creating 172 spaces. When school started, he turned the decal-selling project over to the Student Council.

R. L. Stockstill, faculty sponsor for the Student Council, said council members will start numbering the parking spaces Saturday, and that the new parking permits will take effect in two weeks.

**"THIS IS not a mandatory thing** for the students," Stockstill emphasized. "A student will need a parking permit if he wants a parking space on the paved area. But if he chooses not to buy one, he can still park on the vacant

lots east of the building."

Stockstill said the council has already surveyed the student body, and "we'll have approximately 140 people who will want to buy parking places. Others have said that they prefer to park in the vacant area."

Teachers will have to pay 50 cents for their faculty parking stickers, too, but custodial and lunchroom workers will be provided with free permits, Stockstill said.

**MEMBERS** of the school district's administrative staff — those in the superintendent's office and tax office — won't have to have the permits, Stockstill said. They will be assigned a parking area in the west parking lot.

If successful, the decal project will yield a profit for future student councils — but probably not this year. The income from the sale of parking permits for 1968-69 will just about pay for the cost of the decals and paint, Stockstill said.

**HOWEVER**, in the school's safe is a five-year supply of the decals — enough to assure parking spaces for future DHS students who aren't yet old enough to drive.

Farmers and businessmen from all over the county will gather today (Thursday) to tour the land that's now in full harvest dress and see the conservation practices that keep it productive.

**IT'S THE annual Conservation** Tour, sponsored by the Running Water Soil and Water Conservation District.

The caravan will form up at 9 a.m. at the Castro County Co-op Gin on US 385 in Southeast Dimmitt.

Those taking the tour will see conservation at work on five farms in the Dimmitt, Hart and Nazareth areas.

**THE MOBILE** unit from KDHN Radio will lead the caravan, and the local station will carry descriptions and points of interest at every stop so those on the tour can get the message over their car radios.

Midway along the tour route, Gifford Hill-Western will provide a "Coke break" for the touring caravan.

The tour will end at Hart, where the Farmers State Bank will provide lunch in its community room. After the lunch, members of the Running Water District will hold a business meeting and elect a director for Zone 5. Also, a farmer-director from the county will be elected to the board of Plains Cotton Growers, Inc., at the meeting.

**DAVID SPRINGER**, work unit conservationist who will conduct the tour, said the field day will end when the business meeting adjourns at approximately 1:30 p.m.

Springer said that anyone who can't start the tour at 9 a.m. can tune in KDHN to learn where the caravan is, then join it in progress.

**HERE ARE** the five main stops along the tour route:

1. Joe Nelson and Bryce Dowdell farm three miles south of Dimmitt on US 385. Here, results of fertilizer trace elements on grain sorghum will be shown.

2. Jerome Brockman farm seven miles east and one south of Dimmitt. Here, those on the tour will view permanent grasses used in a year-round grazing program, and see a primary tailwater recovery system.

3. Florance Albracht and Ed Ramaeker farm two miles south of Nazareth. Here, a new man-made waterway and an alfalfa field will be shown.

4. **WADE MILLS** farm five miles south of Nazareth. Different corn varieties are being tested on this farm in cooperation with Dimmitt Wheat Growers, Inc., to find the best varieties for processing in the corn milling plant that will be built next year.

5. Dale Rives farm one mile north of Hart. Here, members of the caravan will study different varieties of castor beans and soybeans. From the Rives farm, the caravan will go to Farmers State Bank in Hart for lunch.

## \$10-Plate Dinner Honors Clayton

A testimonial banquet honoring State Representative Bill Clayton is being planned for Oct. 14 by Democratic Party members from the 72nd Legislative District.

**MORE THAN 1,000 residents** of the district, as well as from various points over the state, are expected to attend the Clayton Appreciation Banquet slated for the junior high school gymnasium in Littlefield.

Tickets are already being sold at \$10 each, and general sales chairman Frank Cummings of Littlefield is expecting a sell-out crowd early.

**MRS. BOB McLEAN** is chairman of ticket sales for Castro County. Community ticket chairmen are Lonnie Bell, Dimmitt; Ray Joe Riley, Sunnyside; Joe Newman, Hart; and Ernest Brockman, Nazareth.

General chairman of the banquet is Bill Armistead of Littlefield.

Representative Randy Pendleton of Andrews is working with Plainview's Rep. Ralph Wayne, coordinating the attendance by most of the top personalities in the state-wide Democratic Party organization.

Pendleton anticipates "at least three commercial plane loads" to come to the event honoring Clayton.

## Municipal League Elects Bradford

Dimmitt Mayor George Bradford has been elected a regional vice-president of the Texas Municipal League.

**HIS ELECTION** came at an Amarillo quarterly meeting of the regional organization, which is comprised of 53 Panhandle cities and forms an arm of the state municipal league.

New president of the regional TML is Mayor Ernie Schumacher of Sunray, brother of Andy Schumacher of Dimmitt. The Sunray mayor — who, incidentally, is blind — is a past vice president of the regional organization.

# Speedy Cats Shock Wolverines, 53-22

By JIMMIE CHAPMAN  
Dimmitt ran up its biggest score in many a year Friday night at Springlake, pouring it on the Wolverines of District 3-A to the tune of 53-22 with the help of a 22-point spurt in the final period.

LOOKING at the statistics book, one would think the Wolverines should have won the ball game. They ran 78 plays to the Bobcats' 47. But ground-gobbling plays by the Bobcats and miscues by the Wolverines spelled the difference. It was pass interceptions and fumbles that set the Wolverines in the hole early in the game, and the Bobcats took advantage to every miscue. Springlake recovered five Bobcat fumbles, but they came at inopportune times.

Dimmitt scored back-to-back touchdowns in the first quarter as just 10 seconds ticked off the clock.

THE Bobcats scored their first TD as David Land intercepted a pass from Jerry Barden on the Springlake 30 and ran it back to the 9-yard line. Jimmy Coleman lost five yards on a plunge into the line, but Billy Sanders hit Jerry Brady with a pass in the end zone for the TD. Land kicked the extra point.

After the kickoff, Mark Cleavinger recovered a Wolverine fumble on the Springlake 18 to set up the second score. Land threw a pass to end Larry Gamble for the touchdown. Land's kick was wide and the score was 13-0.

The tally remained that way through the first quarter. Johnny Eagle recovered a Coleman fumble on the Dimmitt 20, and line smashes by Tony Barton and Terry Bridge took it to the 8-yard line as the quarter ended.

TWO PLAYS into the second period, Barton rammed it over from the 2-yard line for the Wolverines' first touchdown. Barton missed the extra-point try, and the score stood 13-6.

Midway in the second quarter, Bill Sanders blocked a Springlake punt on the Springlake 30 and Jerry Cartwright recovered the ball on the Wolverines' 4-yard line. Sanders gained a yard, then Roy Thomas pushed it to the 1-yard line. On third down, with the Springlake defense pulled in tight to stop an expected line plunge, Sanders lofted an easy pass into the waiting arms of Brady for the touchdown. The ball was centered over Jerry Birdwell's head in the point-after attempt, and the score was 19-6.

Dimmitt's next score was set up on a pass from Sanders to Brady that was good for 36 yards to the Springlake 24. Roy Thomas took a pitchout behind some good blocking and streaked in for the touchdown. Sanders attempted to kick the extra point but the attempt failed, and as the half ended two minutes later, Dimmitt held a comfortable 25-6 lead.

SPRINGLAKE ran the second half kickoff to the midfield strip. Two plays later Tony Barton made one of the longest runs of the night for the Wolverines when he set sail on a 43-yard scamper to the Dimmitt 2, where he was hauled down by defensive half-back Jimmy Coleman. Barton tried to take it over from the 2, but was stopped a yard short of the goal line. Terry Bridge tried next, and he also failed, but Barton pushed it into the end zone on the next play. Bridge ran over the extra points and Springlake had narrowed the score to 25-14.

Late in the third period, Jerry Brady took a Sanders pass on the Springlake 8 yard line but as he attempted to fight his way in to the end zone a Wolverine tackler knocked the ball loose and Jerry Barton recovered for Springlake. Barton returned the favor four plays later, though, fumbling on the Springlake 41, and Land fell on the ball. On the first play from scrimmage, Land burst over the middle and went the distance for the touchdown. Coleman took his turn at kicking, and the ball was a little short, leaving the score at 31-14.

LATE IN the third, Jerry Barden intercepted a Bobcat pass on the Springlake 21. On fourth down, needing a yard, and with the clock running in the third quarter, the Wolverines gambled and Barden got 62 yards on an end sweep before he was dragged down from behind by Land on the Dimmitt 1-yard line. Barton took the ball over from there and Bridge ran the extra points across to make the scoreboard read 31-22.

A few plays later, Land broke into the clear and rambled up the sideline to the 11-yard line

before the ball slipped out of his arms and out of bounds. Roy Thomas took a pitchout, faded 15 yards before making his cut, then streaked into the end zone. A pass to Brady was good for the extra points to hike Dimmitt's lead to 39-22.

MIDWAY in the final period, Thomas again pulled the pitchout play that was good for 28 yards and a touchdown. The best blocking of the night by the Bobcat line was seen on this play. Coleman again tried to kick the points, but the attempt failed.

The last score of the night was a 46-yard run by halfback Jimmy Coleman, heaping more glory onto the fleet-footed halfback who had set up most of the other Dimmitt scores while playing an outstanding defensive game. Jerry Birdwell passed to Mark Cleavinger for the points, and Dimmitt set the final score at 53-22 with 42 seconds remaining.

The backfield men — Sanders, Land, Coleman and Thomas — were the offensive stars for the night, along with end Jerry Brady. The entire line showed some of the best blocking this year. Jerry Cartwright, Cleavinger and Coleman were standouts on defense for the Cats.

AFTER the game, the squad elected quarterback Bill Sanders as the other tri-captain. The Bobcats begin district play this week against the undefeated Friona Chiefs.

CHRISTIAN BAPTISM  
By Ronnie Parker

The commission Christ gave his followers is this, "Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit: teaching them to observe all things whatsoever I commanded you: and lo, I am with you always, even unto the end of the world" (Matt. 28:19-20).

CHRISTIAN BAPTISM IS FOR BELIEVERS.  
Christ taught, "He that believeth and is baptized shall be saved" (Mark 16:16). The writer of Hebrews says, "and without faith it is impossible to be well-pleasing unto him; for he that cometh to God must believe that he is, and that he is a rewarder of them that seek after him" (Heb. 11:6).

CHRISTIAN BAPTISM IS A BURIAL.  
Paul states, "We were buried therefore with him through baptism into death" (Rom. 6:4). To the Colossians he writes, "having been buried with him in baptism, wherein ye were also raised with him through faith in the working of God, who raised him from the dead" (2-12).

CHRISTIAN BAPTISM IS FOR THE REMISSION OF SINS.  
Peter preached, "Repent ye, and be baptized every one of you in the name of Jesus Christ unto the remission of your sins" (Acts 2:38). Remember! Christ is the author of eternal salvation "unto all them that obey him" (Heb. 5:9).

## HOUSEMOVING

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

This house was moved to make way for a new super freeway. A city in progress creates many changes. The owners, no doubt, hated to change their location, and dreaded pulling up life-long roots. St. Paul would help in situations like these when he said, "For I have learned, in whatsoever state I am, therewith to be content." Phillipians 4:11. The Lord will help us in new situations and new surroundings. He has promised to be with us in all things.

After getting settled, it is good to find a church home with people of like faith. No new neighborhood seems lonely if you can be with people who have the love of God in their hearts.

"Not forsaking the assembling of ourselves together," (Hebrews 10:25a) is a wise saying. We invite you to attend the church in your community this week.

# Longhorns Ramble, 36-8

By BILL AND SUE BATES  
The Hart Longhorns found the winning combination Thursday as they downed the Hereford Junior Varsity, 36-8.

IT WAS a night of the unusual as quarterback Gary Rambo optioned to Halfback Landria Bruington on the third play of the game, and the Swift halfback rambled through the Whiteface defense behind good blocking for 53 yards and the first touchdown of the night. Jimmy Allensworth kicked the first of four successful point-after tries.

This ended the scoring in the first half with neither team able to mount a serious scoring threat. Little Joe Quiroz, Hart halfback, broke the game open in the third quarter by plucking a Hereford pass out of the blue and returning it 58 yards for the second Hart touchdown. Rambo faked the point-after and found Harold Bob Bennett in the end zone for the two extra points.

HEREFORD came to life briefly, driving and passing for their only points of the night when quarterback Paul Hendon, passed to Perry Mays for 18 yards and a touchdown. The try for extra points was good and the score was 15-8 at the end of the third quarter.

In the fourth quarter, things really got rolling for the Longhorns when Gary Rambo passed to Luis Longoria for 30 yards and a touchdown. Jimmy Allensworth kicked the extra point. Luis Longoria scored again moments later when he circled right end for eight yards. Allensworth again kicked the extra point.

WRAPPING UP the scoring for the night was Jimmy Robinson, freshman fullback, who bulled into the end zone from four yards out.

The entire Longhorn team displayed an enthusiastic offense with a solid defense to completely outclass the Hereford Junior Var-

sity. The Longhorns will find the going a little rougher this week when they play host to Class A Vega. The Longhorn record now stands 1-2.

★ THE HART 7th and 8th grade teams and the Longhorn B Team found the going to their liking Saturday morning when they engaged Farwell 7-B teams in a morning packed with football. The B team journeyed to Farwell while the 7th and 8th grades entertained Farwell at Hart. The B Team was victorious, 31-0. The 7th Grade demolished the Farwell crew 18-6, and the Hart 8th grade managed a 0-0 deadlock with the Farwell 8th.

### DIMMITT-FRIONA

# Showdown Set Friday Night

The District 3-AA race will begin Friday night, and Dimmitt's Bobcats have drawn one of the toughest foes in the loop for their conference opener.

THE CATS will travel to Friona for an early-season showdown with the big, unbeaten Chieftains. Kickoff time will be 7:30, half an hour earlier than the three previous games.

Friday night's encounter will be the first of two back-to-back baths of fire for the Bobcats, with Friona as their first foe and the conference favorite, Olton, as their second. These three teams, along with Floydada, are generally regarded to be the top division of the league.

THE CHIEFTAINS are flying high this year. In their first three outings they've racked up 118 points to their opponents' 15. Coach Bob Owens' gridders started with a 27-15 victory over Farwell, and haven't been scored

on since. Two weeks ago they blanked Morton 26-0 and last week they whitewashed Tucumcari, 65-0.

Pacing the Friona backfield is Tony Perea, a 175-pound senior halfback who is considered one of the finest Class AA backs in the state.

PEREA finished second in the league in scoring last year with 80 points, and gained 784 yards for the Chieftains, averaging 4.7 yards every time he got his hands on the ball.

Against Morton, Perea chalked up 240 yards, and last week he ran 217 yards against Tucumcari, then sat out the last half.

And, as if Perea weren't enough to worry about, there's that quarterback who defeated the Bobcats almost singlehandedly last year. He's Johnny Barker, a 170-pounder who is in his third year as a Chieftain starter.

LAST season, while the Bobcats were keeping the explosive Perea bottled up, Barker took over the Friona attack and engineered two TD's, doing most of the mail-carrying himself, to give the Chieftains a 13-0 victory over Dimmitt. Barker is toting from a running back position this year.

Rounding out the Chieftain backfield are halfback Isadore Cordova, a 170-pound letterman, and fullback Lowery Harper, a 175-pounder who started at defensive halfback last season.

THESE BACKS have scored at least four touchdowns in every outing so far, behind a line that's probably the biggest in the loop.

That red-and-white Friona line will average 191 on offense and 202 on defense, compared with Dimmitt's 162. Lining up along Friona's front wall are ends Jim Schlenker (150) and Danny Carthel (170), tackles Gary Shirley (205) and Joe Boggess (210), guards Joel Osborn (210) and Ramey Beene (220), and center Donny Carthel (175).

The Chiefs will attack from an I formation, sending a wingback to either side.

DIMMITT and Friona have both proven that their offenses can be explosive and their defenses can be stubborn. Friday night's District 3-AA lid-lifter promises to be a breath-taker.

### Hart at Home; Nazareth Away

Two herds of Longhorns will clash in a traditionally spirited battle Friday night when Vega visits Hart for a nonconference set-to.

IT will be the only game played on any Castro County gridiron Friday night. Kickoff time will be 8 o'clock.

Coach Don Seymour's Hart gridders will be looking for their second win, after getting a good taste of victory last Thursday night against the Hereford Junior Varsity.

NAZARETH'S Swifts will go on the road again Friday night to meet Bovina, with the kickoff scheduled for 8 o'clock.

Coach R. B. Christian's Swifts have had an extra week to regroup, thanks to an open date last Friday. The Swifts have won one and lost one so far, and have three more games on their slate before launching their conference campaign against Hart Oct. 25 in their new district, 2-B.

### Frio 4-H Sets Awards Program

The Frio Jolly Workers held their September meeting in the Easter Lions Club building Friday afternoon.

Mrs. Clarence Behrends gave a program on health.

IT WAS announced that Earl and Bob Behrends and Marvin Jones were in the top 10 boys competing in the Wheat King contest in Amarillo.

Oct. 26 was set as the date for the club's awards program for the past year at 8 p.m. in the Easter Lions Club.

Janis Smith was introduced as a new member in the club.

### First Christian Sets Rally Day, Promotion Sunday

Sunday has been designated as Rally Day and Promotion Sunday at the First Christian Church.

TO ADD zest to the Bible School activities, teachers and workers in the school will sponsor an attendance contest between the men and boys vs. the women and girls for 12 weeks beginning Sunday and ending Dec. 22. Sometime after

that, the losers will prepare food for the winners in an all-church fellowship meeting.

People not now attending Bible School in our area are especially invited to come to the Church's Bible School, the minister stated. Roy "Cowboy" Johnson is superintendent of the Bible School.

ON OCT. 13 Evangelist Cecil R. Beaver, now in his eighth year as minister of the First Christian Church in Dalhart, will be in Dimmitt to conduct the fall revival at the First Christian Church.

His messages for the opening Sunday will be "Worship, the Way to Power" for the 10:50 morning worship service and "The Recovery of Resources" at the 6 p.m. service.

Other services scheduled from Monday through Friday will be conducted at 8 p.m., with Evangelist Beaver doing the preaching. Minister Bedford W. Smith will preach the concluding revival services on Sunday, Oct. 20.

At the October meeting of the Women's Council, with Mrs. Othole Fry of the Dodd Community serving as hostess, the ladies decided to supply clothing and pres-

ents on birthdays and other special days for one boy and one girl at the Cookson Hills Christian School and Home for Homeless Children at Kansas, Okla.

### Mrs. Flynt Goes To VA Conference

Mary Flynt, veterans' county service officer for Castro County, attended the 21st annual statewide rehabilitation conference for veterans service officers, held at the Austin Hotel in Austin, Sept. 23-26.

The conference was conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas.

Purpose of the meeting was to offer service officers an opportunity to gain first-hand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors.

## Club Will Make Candy for GI's

By RUBY STONE

Easter Club met Thursday in the home of Mrs. William Moss with four members present. It was decided the club would take part in making candy for the servicemen of the county. Some planning of community activities was discussed. Present for the meeting were Emerald Epperson, S. T. Walton, Anna Mae Burnett, Ruby Stone and the hostess, Anna M. Moss.

★  
MRS. LANA Downing, Laura and Amy, Kellie D. Howell, Beth Stars and Mrs. W. A. Epperson visited Mrs. Tom Hall Wednesday afternoon.

Mr. and Mrs. John H. Burnett spent last weekend in Dalhart with their son and his wife, Mr. and Mrs. Gary Burnett.

Jeffery Moss is on the sick list. He is recovering from a tonsillectomy.

Mr. and Mrs. Henry Flood of Hereford visited the Fred Waltons Sunday afternoon.

Mrs. Ernest Flood Jr. visited Mrs. Trent Downing Tuesday afternoon.

★  
MR. AND MRS. Bill Struve visited with the W. A. Eppersons Wednesday evening.

Sharon Stone spent the weekend in Dallas as a guest of Mrs. Carl Parks.

Mrs. Dovie Givin visited recently in the Fred Walton home.

Kellie D. Howell of Hereford visited Laura Downing Wednesday.

# Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

**Headlight washers**

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

**Heated glass**

In a moment your rear window will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

**Pushbutton tire chains**

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off—with traction you wouldn't believe possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

**Steering wheel lock**

When you own a car as desirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steering wheel and transmission lever, too.

Our new lock on the steering column takes care of all that.

Standard on all 1969 Chevrolets, Chevies, Chevy Novas, Camaros and Corvettes.

Sorry, car thieves.

**Power steering plus**

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering.

What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes unbelievably easy. You'll see.

**Walk-in wagons**

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal. But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

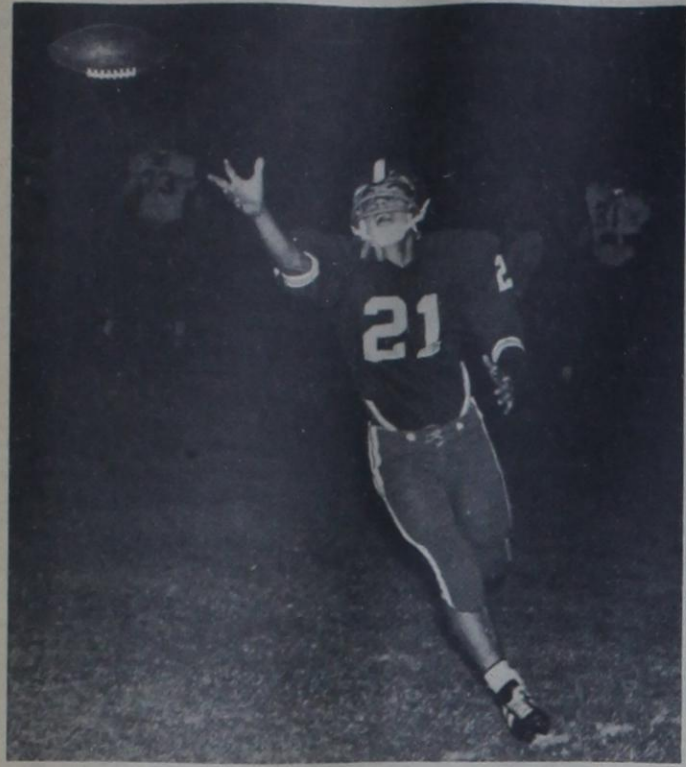

Walk into a wagon soon at your Chevrolet dealer's.

**AH-H-H!** — Wingback Jimmy Coleman stretches for a Bill Sanders pass at the Springlake 15-yard-line in the first quarter of Friday night's game, but it falls incomplete beyond his reach. Coleman frustrated the Wolverines all night, especially with his long kickoff and punt returns. Dimmitt won the non-conference tilt by the highest score a Bobcat team has tallied in years, 53-22.

### Realtors Clash With Sadler Over Veterans Land Policies

By the Texas Press Service  
A new Texas land war is raging.

Land developers and Texas Land Commissioner Jerry Sadler are in disagreement over the recently revived \$400 million state Veterans Land Program.

**MINDFUL** of the VLP scandals of the mid '50's, Sadler is adopting cautious, conservative policies to guide future state policies. The program permits qualified veterans to buy land on the low interest, long-term-pay plan.

Developers claim Sadler is tight fisted and is jeopardizing the program by low-ceiling land value appraisals and limiting sales to 10 percent of large subdivisions.

Under Sadler's limits, developers with tracts of 1,000 acres can sell only 100 acres through the state bond-financed program. Sadler argues that the state should not spend all its constitutionally authorized bond funds in a few areas.

**CENTRAL** Texas developers counter that land values already are soaring and that veterans held out of the market now eventually will pay higher rates.

Sadler says land already is selling at price beyond reason in Travis, Kerr, Bastrop and Hidalgo Counties. Realtors say Sadler's 25 appraisers are putting price tags on property \$40 to \$100 an acre too low right now. They claim qualified veterans are lin-

ing up to buy land at prevailing prices and the program is a "flop."

"These realtors are trying to make a fast buck at state expense," reprimands Sadler, who staunchly maintains he is having none of that kind of business.

One realtor is seeking a legislative investigation.

**The View From Your Library**

By VIRGINIA NEWSOM

The library has a new record player! Our appreciation goes to the "Friends of the Library" for this most generous gift. It is a Zenith stereo with removable speakers that can be placed to give the best sound effect.

**WE HAVE** been enjoying the records that were given us by the RCA Record Co., this past week. It will be so nice to have this record player when we begin story hour on Friday.

If anyone has any children's story, dance, exercise or game records they would be willing to let us borrow we would surely be happy to have them.

We asked Mrs. Broderson to have one of her art classes do posters for Children's National Book Week in November. The theme this year is "Go Places With Books." She brought six of the most attractive posters I have ever seen.

The posters were done by her Art II class. I would like to give all of the names but failed to get a list from here. The posters will be on display in the library until Nov. 1. We will then display them in various store windows in town. A lot of imagination and talent went into doing these posters. Hope you will all come down and look at them when you are in the building. I will be giving the names of these art students at a later date. Thank you to Sue Broderson and her class.

### Mrs. Collins Is Shower Honoree

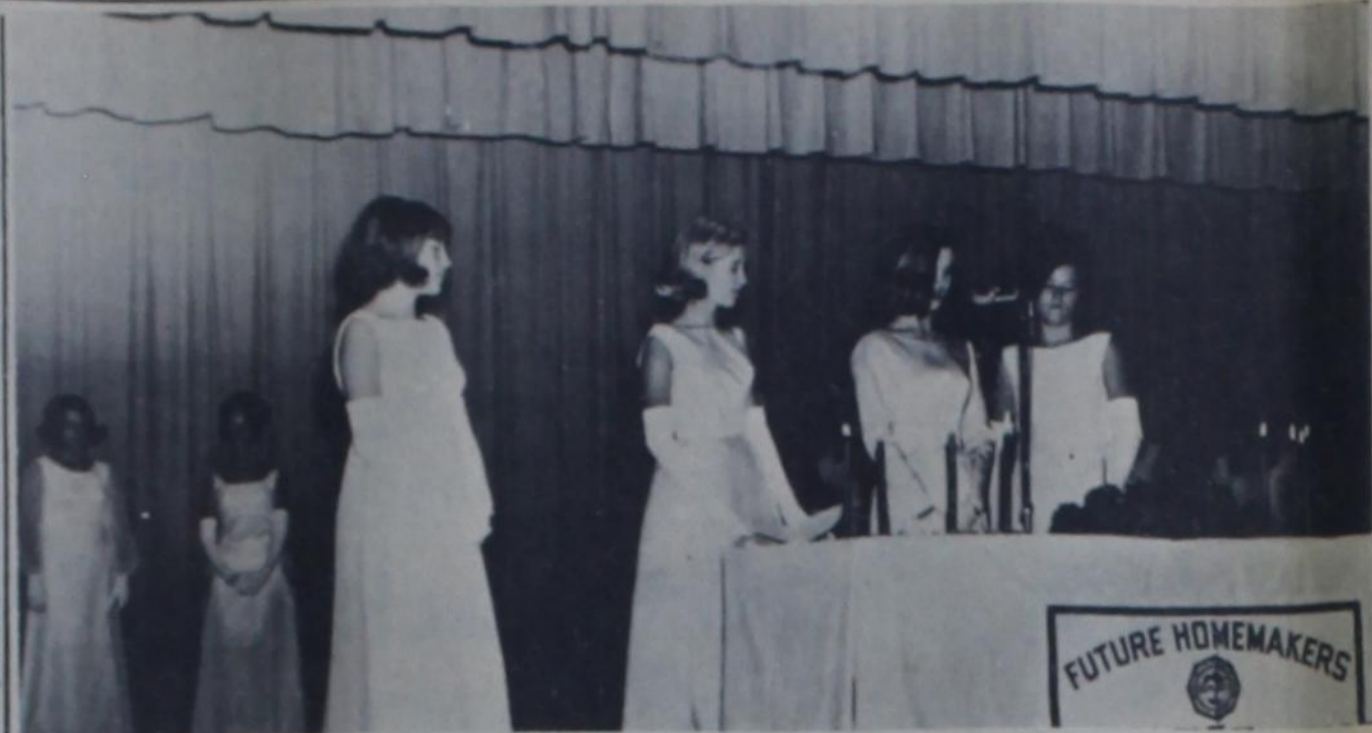

Mrs. Johnny Collins, the former Verida Branaman, was the honoree at a tea and shower in the community room of the First State Bank last Thursday evening.

**IN THE receiving line** were the honoree, her mother, Mrs. A. D. Chester, and her mother-in-law, Mrs. Forrest Collins of Earth.

Mrs. Fern Morgan registered the guests.

Jan and Joy Branaman, twin sisters, served punch and cake from a table covered with a white embroidered cloth and centered with an arrangement of daisies topped by a miniature bride.

**HOSTESSES** were Nan Schumacher, Linda Irwin, and Mmes. Linda Leinen, Vera Cagle, Carol Featherston, Fern Jones, Nora Cook, Juanita Bruegel, Bobbie Bruegel, Ann Mayhew, Jessie Edeling, Barbara Cox, Jettie Shetty, Fern Morgan, Jim Golding, George Blanton, Leola Haberer, Jennie Hyatt, Mackie O'dfield, Connie Ivey, Ozella Talley, Elaine West, Linda Bruton, Alene Lilley, Yvonne Huffines, Ann Henderson and Bernice Mosley.

**NEW OFFICERS** of Dimmitt High's two chapters of Future Homemakers of America prepare to award junior degrees during Sunday afternoon's initiation and installation ceremonies in the DHS auditorium. From left are Lisa Dannevik, Little Sisters president; Suzanne Merritt, Big Sisters secretary; Sharron Flynt, Big Sisters president; and Darla Underwood, Big Sisters historian.

#### H-D Notes

## Mothers and Daughters Win at Tri-State Fair

By IRENE KEATING

Castro County residents can be proud of their prizes won at the Tri-State Fair.

**DIANA Adams** won fourth place in the District Bake Show.

Nazareth women and 4-H'ers took home a generous share in the women's and youth divisions.

Debbie Acker got blue ribbons on fudge, plum jelly, tea towel and a dress. She got red ribbons for an apron, dress, drop cookies, cherry preserves and canned peas and beets.

Debbie's sister, Agnes, got a red ribbon on candy and Elaine had a red ribbon on cherry jelly. I can vouch for the cherry jelly and preserves — Max and I have been enjoying it with our toast at breakfast.

Their mother, Mary, had a blue ribbon on cherry jelly and a red one on pickled peaches and onions.

**CHATHERINE Hochstein** really

worked and did very well with her products. She had seven blue ribbons on cup cakes, cookies, fudge, divinity, pickled beets, bread and butter pickles, and grape jelly. Her five red ribbons were for peanut brittle, pears, carrots, sweet pickles and tomato juice.

Her daughters did well, too. Carol had a blue ribbon on divinity and red on muffins and her apron. Patty got three firsts on cupcakes, bread and butter pickles and her dress. Debbie had blue ribbons for bar cookies, angel food cake, beets and pears, and red ribbons on tomatoes and peach preserves.

**RITA WOMACK** won blue ribbons with her preserves, pickles and okra pickles, and red on her plum jelly. Margaret, her mother, won three dozen Ball jars that are awarded to the best canned products that are canned in Ball jars and lids. She got blue ribbons

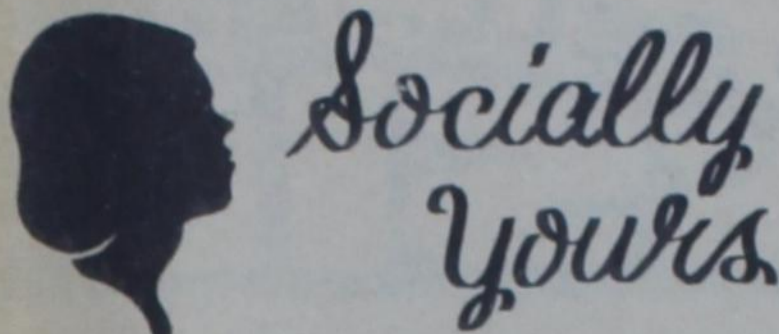

on her peanut butter cookies, sugar cookies, filled cookies, beans and plum jelly.

Mrs. E. H. Vaughan of Flag took a carrot cake and came home with a blue ribbon.

I want to thank you girls and women for making Castro County known at the Fair.

**THIS WEEK I am in College** Station attending a housing workshop. I'll share my information with you next week.

Marilyn McLeroy and her mother, Jackie, are going to the State 4-H Dress Revue in Dallas this weekend. I know a lot of you are wishing Marilyn luck. The new rules say that a girl cannot go to state but twice, and this is Marilyn's second year. I believe she'll be a winner — she certainly is an excellent representative of our young people. Best wishes, Marilyn.

## Scotts to Observe 60th Anniversary

A 60th wedding anniversary celebration is planned Sunday afternoon for one of the original families of the Big Square community.

The celebration will honor Mr. and Mrs. Alfred Scott, and will be hosted by their children at the home of their daughter and son-in-law, Mr. and Mrs. Hubert Elliott, near Lazbuddie.

The Elliott home is located a mile east and two miles south of the intersection of Highways 214 and 145, Clay's Corner.

Sunday's event will be from 2 to 6 p.m., and the family has specified that visitors bring no gifts.

**MR. AND MRS. Scott** are both pioneer residents of this area. Mrs. Scott came to the Plains from Iowa in 1908 with her parents, the late Mr. and Mrs. Marcus L. Stiles. She is the former Lula Stiles.

It was the Stiles family that gave rise to the name, "Big Square." Stiles bought four sections of land in southwest Castro County — a half section for each of his eight children, five of whom were already married. The land formed a large square, and the Stileses erected a two-story square house for each family on the land. It was from this that the community acquired the name, Big Square.

The last of the original Stiles houses were torn down just a few years ago. Two of the Stiles children — Mrs. Scott and Glenn Stiles — still live on their land.

**MR. SCOTT** came to the community with one of the Stiles families as a hired hand, and helped move their livestock here by freight train.

Mr. and Mrs. Alfred Scott, and will be hosted by their children at the home of their daughter and son-in-law, Mr. and Mrs. Hubert Elliott, near Lazbuddie.

**THE WEDDING party** traveled to Hereford by a mule drawn wagon the day before the ceremony, with the 35-mile trip taking all day. The bride wore a floor length gown of Chinese silk for her wedding. Then after the ceremony, the wedding party was delayed in Hereford three days when one of their mules got sick.

## Branaman-Collins Wedding Revealed

Mr. and Mrs. A. D. Chester announce the marriage of their daughter, Venida Branaman, to Johnny Collins, son of Mr. and Mrs. Forrest Collins of Earth.

**THE WEDDING** was in Farwell Sept. 13, and the newlyweds are now at home in the Flag community.

**GET YOUR garage** in shape for the winter — clear out those odds and ends with a News classified ad. Phone 647-3123.

## Oct. 26 Date Set

Mr. and Mrs. Charlie Waide of Hart announce the engagement and approaching marriage of their daughter, Ollie Pearl, to Jackie Carl Vise, son of Mr. and Mrs. S. F. Vise of Gatesville.

The wedding is planned for Oct. 26 in Sunnyside Baptist Church.

## Homemakers Will See New Fabrics

The Fabric Shop will present a program on new fall fabrics for the Dimmitt Young Homemakers tonight (Thursday).

**THE LADIES** will meet at 7:30 in the Dimmitt High School home-making department for a business meeting, then will go to the Fabric Shop for the program.

Tonight's meeting is open to all prospective members and interested ladies.

Twenty-eight Young Homemakers toured the Bud Hill home on Western Drive last Thursday evening.

## Tops Club Favors Monday Meetings

Because of school activities, the SOS Tops Club has changed its meeting night from Tuesday to Monday.

**MEETINGS** begin at 7 p.m. At last week's meeting, members heard a report on their garage sale and voted to repeat it at a later date to complete the sale of donated items.

During the business session, members also reviewed a questionnaire from national headquarters.

Thirteen members including one new one, attended and registered a total weight loss of 5 1/2 pounds, with only two members gaining weight during the week.

**EIGHT members** attended the ARD in Happy Saturday, which brought together 270 Tops Club members from the area for a luncheon and program of skits.

Next meeting of the SOS Tops Club will be a visit to the sauna bath and exercise rooms in the Bruegel Shopping Center.

## House-Warming To Honor Smiths

Mr. and Mrs. Ralph Smith are to be honored with a house-warming Sunday afternoon in their new home at 1004 Pine St.

**THE EVENT** will be from 2:30 to 4:30 p.m., hostesses said, and all friends of the Smiths are invited.

## On the Go

**MR. AND MRS. Clint Wright** of Lubbock were Sunday guests of friend Martha Pearl Sadler.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday. Billy Henderson, Worshipful Master; Ira E. Brown, Secretary. Visitors Welcome.

## State Capitol Highlights HHH Backers Crank Up, Hope to Overtake Nixon

By VERN SANFORD  
Texas Press Association  
Presidential Campaign 1968 is starting to roll full speed in Texas.  
DEMOCRAT Hubert Humphrey's official state organization — a political patchwork of two committees representing varying factions — was formed just six weeks before the coming Nov. 5 election.  
Former State Democratic Chairman Will Davis of Austin and Congressman Jim Wright of Fort Worth head Texas Democrats for Humphrey-Muskie. Cecil Burney of Corpus Christi is executive director, and National Democratic Committeeman Robert Strauss of Dallas is finance chairman.

At its initial meeting in Fort Worth, the group — made up predominantly of Gov. John Connally's and President Johnson's friends — declared the election is yet to be won, and Humphrey has a chance of carrying the state.  
Sen. Ralph Yarborough, leader of Texas liberals, heads a separate Texas Citizens for Humphrey-Muskie, and has formed a 137-member executive committee which met in Austin Monday. Yarborough will work with traditional Democrats, ethnic minorities, independents, Republicans and former supporters of Sen. Eugene McCarthy, Sen. George McEver, Gov. Nelson Rockefeller and of the late Sen. Robert F. Kennedy.

REPUBLICAN candidate Richard Nixon and American Party candidate George Wallace have had the benefit of months of spade work on behalf of their election efforts.  
A recent Texas poll calculated Nixon and Humphrey are running close together (with about a third of the state's votes each) and Wallace is third with one-fourth of the votes. Nixon was seen as having "the best potential for carrying the state." Most observers regarded that as an understatement as of now, although Humphrey's

campaign could change the picture dramatically during the next five weeks.  
OPINIONS vary widely as to Wallace's effect on the outcome of the hardfought state contest. Democrats claim presence of the former Alabama governor on the ballot is hurting Nixon most. Wallace campaign leaders say they are cutting more deeply into traditional Democratic votes that normally would go to Humphrey. Nixon's Texas campaign director, John Hurd of Laredo, sizes up the Wallace candidacy as having "equal impact" on Nixon and Humphrey.  
Both the GOP and organized labor (backing Humphrey) are

mounting special campaigns aimed at winning back from Wallace votes for Nixon and Humphrey. Success of these efforts might spell the difference on Nov. 5.  
**UNIVERSITY OF THE NORTH**  
Staff of the higher-education Coordinating Board has recommended "a multi-campus urban university" for the Dallas-Fort Worth-Denton area to include — at first — North Texas State University, Texas Woman's University and the University of Texas at Arlington.  
These schools would be put under a new board of regents for the area and would be joined in a system later by other state-supported colleges and schools to form a university system designed specifically for the area.  
The board itself will hold a hearing on the proposal Oct. 11, along with UT's own plan for uniting some of its institutions in the area.

## Golden Spread Rest Home

By DeLORISE GILLILAND  
James Luther Pevey, who underwent surgery in Amarillo, is back "home." Everyone, including Mrs. Pevey, is certainly happy to have him up and about. We missed him while he was in the hospital.  
**THE SUNDAY** morning worship service held by the Church of Christ was well attended. There was an unusually large attendance. We are most grateful for those who are faithful with their attendance. This means much to the residents.  
Members of the Sunnyside Club brought some puzzles to the home this week. Perhaps the approaching winter will be less severe with much to occupy the residents.  
**VISITORS** this week included Mr. and Mrs. Murray Hall and family, Mrs. Andy Schumacher, Mrs. Dutch Robison, Mr. and Mrs. Jesse Aleman, Henry Howell, Buck Crum, Carol Gunn and Curtis Tate of Dimmitt, Mrs. Frank Wilhelm, Jimmy Alfred, Mrs. William Betzer, Mrs. J. E. Pavleek, Mr. and Mrs. Clyde Thomas and Mr. and Mrs. Frank Vera of Hereford, Mrs. Clem Schumacher of Sunray, Mr. and Mrs. Ike K'eman of Tulsa, Mrs. Helen Backus of Nazareth, Mrs. Edward Backus of Dumas, Mr. and Mrs. Sid Tingle of Wolfe City, Mr. and Mrs. Ira Dent of Olustee, Okla., Mrs. Irene Bradley and Mrs. Bob Ott of Sunnyside, Mrs. McLamar, Mrs. Grothers, and Mrs. Criswell of Springlake, and Mr. and Mrs. C. R. Morgan of Amarillo.

Now, junior colleges get state aid in two forms — a line-item appropriation for each school for direct academic instructional costs (\$26,530,325 this year) plus another \$6,476,000 distributed by the Texas Education Agency for technical-vocational programs.  
For the two-year period beginning Sept. 1, 1969, the junior colleges are asking a strong increase in the first figure — \$35,490,803 in 1970 and \$37,577,190 for 1971 — and a change, along with an increase, in the second.  
They want their vocational-technical money allocated via a line item — the same as the academic figure is computed — and increased to \$15,025,375 for fiscal 1970 and \$18,292,142 for 1971.

**SHORT SNORTS**  
Now available is a revised Spanish-language edition of the Texas Drivers Handbook — including a glossary for quick translation.  
Water Quality Board has entered an agreement with the Trinity River Authority to help control pollution in the new Livingston reservoir.  
A State Board of Insurance study shows that cars in Texas carrying the legal minimum limits of liability insurance has constantly increased, from 18.2 percent in 1945 to 74.5 percent in 1967.

## Nazareth FHA Initiates 15

The Nazareth Chapter of the Future Homemakers of America held its annual initiation salad supper recently.  
**FIFTEEN** new members were welcomed into the chapter.  
Lynette Schulte was also recognized as having completed her Junior Homemaking Degree.  
Mrs. Charles Braddock, who has been a chapter mother for several years, was recognized as an honorary member.  
Afterwards, all the parents and teachers of the FHA girls enjoyed a salad supper. Approximately 120 people were served.

## Lady Golfers Have Luncheon

Tuesday last week, a salad luncheon was served and the regular business meeting of the Ladies' Golf Association was held at the Country Club.  
**KATHY THOMAS** presented awards to the winners of the previous Ladies' Play Day. The winners were O'je Mae Trimble and Ann Touchstone for the lowest putting score on five hidden holes.

**Price Reports:**

# Crime Increase Is Alarming

By **BOB PRICE**  
Congressman District 18

The Republican Task Force on Crime on which I serve has analyzed the recently released FBI Uniform Crime Reports.

**IN MY** opinion, the incidence of violent crimes is the most meaningful indicator of the trend of criminal behavior in America. The figures cited in the following analysis are, I believe, much more significant than the 88 percent overall increase to which there has heretofore been wide reference.

Some criminologists have taken issue with the validity of the FBI Crime Index as an indicator of nationwide crime increases. Pro-

perty crimes, i.e., burglary, larceny and auto theft, year after year comprise the great preponderance of Index offenses and they say that, for a variety of reasons, increases in property crimes do not truly reflect the trend in criminal behavior.

As the Index pertains to violent crimes, however, there is virtually no dispute. Most, if not all, agree that increases or decreases in murders, rapes, robberies and aggravated assaults from year to year present the most accurate measure of the overall crime picture. Moreover, and perhaps more important, it is universally recognized that it is precisely the violent crimes about which the people are most concerned. When one talks of escalating crime rates it should be borne in mind that it is principally the escalation of violent crimes that is truly a cause for concern.

**THE F.B.I. Crime Index** figures for 1967 and the preliminary report for the first six months of 1968 (released Sept. 20) contain some startling revelations concerning the incidence of violent crime in America. Riots and civil disorders have no relation to the evaluation of these crimes, and some interesting comparisons can be made with earlier years. During 1967, violent crimes as

a group increased by 16 percent over the previous year.

During January-June 1968, violent crimes as a group increased an additional 21 percent over the same period in 1967.

If this rate remains constant until the end of 1968, violent crimes as a group will have increased by 40 percent in just two years.

**PURE AIR**, clean water, stable soils, productive crop, pasture, range and forest lands, abundant wildlife, natural beauty, and the opportunity for man to live in harmony with his natural environment is essential. —Secretary of Agriculture Orville L. Freeman.

**TODAY**, the crisis of conservation is no longer quiet. Relentless and insistent, it has surged into a crisis of choice. —President Lyndon B. Johnson.

During the full eight years of the Eisenhower-Nixon Administration, 1953 to 1960, violent crimes as a group increased by 31 percent.

During the seven years since 1960, that is 1961 to 1967 inclusive, violent crimes as a group have already increased by 73 percent and if the last half of 1968 matches the first half, the increase for the comparable eight-year period will be 109 percent.

**IN THE** separate categories of violent crimes:

Murder has increased by 34 percent during 1961 to 1967 and will show an eight year increase of 58 percent by the end of 1968.

During 1953 to 1960, murder increased by 9 percent.

Forcible rape has increased by 61 percent during 1961 to 1967, and will show an eight-year increase of 85 percent by the end of 1968. During 1953 to 1960, rape increased by 51 percent.

Aggravated assault has increased by 67 percent during 1961 to 1967 and will show an eight year increase of 90 percent by the end of 1968. During 1953 to 1960, aggravated assault increased by 29 percent.

Robbery has increased by 88 percent during 1961 to 1967 and will show an eight year increase of 125 percent by the end of 1968. During 1953 to 1960, robbery increased by 33 percent.

**HART NEWS**

# Hart Youth Involved in Wreck

By **MYRT LOMAN**  
Saturday morning in Plainview, Ricky Mitchell of Hart, Route 2, was involved in a car-pickup accident at the intersection of US 87 and the Dimmitt highway. Estimated damage to the two vehicles was \$4,500. No injuries were received by either party.

**THE HART B** team will play at Matador today (Thursday) at 7 p.m., and next Thursday will play Plainview here at 7 p.m. Coaches are Jackie Burns and Robert Hayes.

The junior high team will play Anherst next Thursday at 6 p.m. there. The Hart Longhorns will play Vega Friday night at 8 on Sanders Field.

**HART P.T.A.** will meet Monday in the auditorium of the elementary school.

The three third grades will present a program on "The Pilgrims." The speaker will be Loy Stone of Dimmitt, psychologist. Theme of his talk will be "Living With Discipline."

**SENIOR** citizens of Hart are invited to attend a 42 party tonight (Thursday) at 7:30 in the community room of the Farmers State Bank.

**REMEMBER**, in cleaning out your clothes closets, that the Hart Zealot Cub would appreciate your used clothes, linens, dishes, shoes, hats and what-nots for their annual rummage sale Friday and Saturday, Oct. 18 and 19, at the Hart Cleaners.

Proceeds from this sale will help send a Hart High School senior to college.

Members of the club will come to your home to pick up your donated items if you will call one of the members.

**REV. DENZIL LEONARD** of Dalhart, former pastor of the First Baptist Church, was in Hart Friday visiting.

Mr. and Mrs. Henry Hendrix were hosts Sunday night at a birthday dinner honoring their daughter, Mrs. Archie Bussey of Dimmitt. Guest were the children and grandchildren of Mr. and Mrs. Bussey, Mr. and Mrs. Merle Bussey and son of Hereford and Mr. and Mrs. Hilbert Weisan and sons of Muleshoe.

**JAN HARRIS**, daughter of Mr. and Mrs. Ed Harris, was hostess Friday night at her home for a party for members and friends of

the Junior High United Methodist Youth. Her mother supervised the yard games and served refreshments to the 28 guests.

Mr. and Mrs. John Smith of Plainview are the proud parents of an adopted baby boy, Jay Wade, born in Dallas Oct. 11. He weighed 8 pounds, 2½ ounces at birth. Grandparents are Mr. and Mrs. Al Irons and Mr. and Mrs. F. A. Smith of Hart.

**MRS. TOM VESTAL** of Plainview, Girl Scout advisor of the Caprock Council, recently met with Neighborhood Chairman, Mrs. Paul Brooks, Neighborhood Counselor, Mrs. Arthur Cheves, Mrs. Dwight Miller and Mrs. Kenneth Covington.

Mrs. Vestal explained the new changes recently made in Girl Scout work.

Later in the evening, Mrs. Vestal and Mrs. Brooks met with room mothers of second and third grade students to organize a Brownie troop and secure a leader.

Mrs. Robert Hawkins accepted the leadership of the Brownies. The girls in Hart still need two more women leaders, for each troop to be meeting.

**THE WOMEN'S** Missionary Society of the First Baptist Church met in fellowship hall of the church Monday.

The following officers were elected for the coming year, president, Mrs. Clay Anderson; prayer chairman in action, Mrs. Lester Lancaster, mission study chairman, Mrs. Harvey Davis; Bible study chairman, Mrs. Roy Futrell; secretary and treasurer, Mrs. Howard Mitchell.

The ladies each expressed what the WMS means to them and had a review of the year's work.

Members will attend a workshop in Clon on Thursday morning.

**THE TOPS** Club met Monday night in the Farmers State Bank "Queen of the Week," and the weight recorder reported a total of 19½ pounds of weight lost during August and September by club members.

**MRS. GEORGE VANCE** and Mrs. David Smith were honored Friday in the community room of Farmers State Bank with a pink and blue layette shower.

Guests were received by Meses. Ed Bennett, Boots Rogers, H. H. Parker and W. T. King. The serving table was covered with a white cloth and centered

The hostess gift to both mother-to-be were infant seats.

Special guests were Mrs. Lester Ricburg and Mrs. Harold Smith, mother and mother-in-law of Mrs. Smith, and Mrs. Bob Lacy, sister of Mrs. Vance.

Assisting with hostess duties were Mmes. W. T. King, H. H. Parker, Boots Rogers and Ed Bennett.

**MRS. W. A. HAWKINS, Sr.** was hostess Wednesday at her home for members of the Women's Society of Christian Service.

The president, Mrs. L. L. Swindle, appointed as membership chairman, Mrs. David Willis, and named a committee on local church responsibilities consisting of Mrs. Fred Brown, Mrs. Ed Bennett and Mrs. C. B. Landers.

A skit, "You Are the Key," was presented by Mrs. Ed Bennett and Mrs. H. H. Parker.

"All Things New," the new study books, were given to members.

Refreshments of cake, punch, coffee and watermelon were served to Meses. L. L. Swindle, W. A. Hawkins, Jr., Ed Bennett, H. H. Parker, C. B. Landers, W. C. Crick, Fred Brown and H. E. Loman.

**ELEVEN** members of the Zealot Club met Tuesday at 4 p.m. in the community room of the Farmers State Bank.

Mrs. Howard Mitchell and Mrs. Hubert McLain were hostesses. Membership Chairman Mrs. Warren Lemons reported the addition of three new members.

The highlight of the meeting was the making of final plans for the annual fall rummage sale, to be held at the Hart Cleaners Friday and Saturday, Oct. 18-19.

The club needs good clothes, linens, dishes, knick-knacks, shoes or hats.

Next meeting will be Tuesday, Oct. 22.

## Wayland Theater To Give 'Shrew'

The Wayland College Theater's production of "The Taming of the Shrew," scheduled Oct. 10, 11 and 12, is shaping up as one of the best comedy presentations on the Wayland stage in a long time.

The Shakespearean comedy is under direction of Jerry Watson, instructor in speech and theater at Wayland.

**CURTAIN** time will be 8 p.m. for each performance. The production will be the Wayland Theater's first appearance in the Haral Memorial Auditorium.

# NATIONAL 4-H CLUB WEEK

As They Learn, They Serve... and the Future Is Brighter, Thanks to 4-H'ers

With pride, we salute our local 4-H Club members, for their efforts and achievements. Through their Head... Heart... Hands... Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today... and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

About Dimmitt and Castro County

(Continued from Page 1) In the past and in the main because of the merits and benefits of the two party system, and at this critical point in history we certainly need and must have an orderly transition of administrations if we are to avoid chaos and disastrous disruption of the national government.

that no sane person would want to be responsible for. There is not a shred of evidence that the former governor of Alabama has the disposition, character, capacity training to assume the awesome responsibilities of the presidency. On the other hand there are many reasons to believe he is totally incapable and incompetent to be intrusted with the vast powers invested in the nation's highest office.

few, if any, simple solutions. The president of the United States should be a man who has been close to and involved in the problems of the national government. It is not an office that should be intrusted to a novice. A voter in this section of the nation, after the overall qualifications of the man has been considered, should inquire about the attitudes of the candidate as related to agriculture. One of the most important domestic problems that will face the new president will be how to revitalize the agricultural industry of the nation.

World Communion Will Be Observed

Most churches in the county will join Sunday in the annual World Wide Communion. MILLIONS of Christians in more than 50 countries will unite in the spiritual fellowship. The inter-faith communion will symbolize a universal commitment to Christ and a rededication to active discipleship in the ministry to human need everywhere.

Brown to Visit Area Saturday

Dick Brown, Democratic candidate for Congress, will bring his "Voter Van" to Dimmitt and Nazareth Saturday. THE chartered bus carrying Brown, his family, campaign workers and a band is scheduled to arrive at the courthouse square in Dimmitt at 4:45 p.m. and at the Nazareth Community Center at 5:45.

The "Voter Van" is also scheduled to make stops at Bushland, Wildorado, Vega, Hereford, Friona and Umbarger during the day.

Future Teachers Are Organizing

"Me a future teacher? With my wide vocabulary?" THIS MIGHT have been one of the expressions heard in the school halls before the Future Teachers of America met to organize their club and read the letters of the members-to-be. Miss McMinn, F.T.A. sponsor said she hoped to have a small organization this year so they could get more done. At the present time they are founding rules for the club.

**Authority's Role**

By SHARRON FLYNT  
 In many places all over the United States, people are revolting against authority. Unfortunately, this is not only a very serious problem now, but

**FHA Conducts First Meeting**

The Future Homemakers of America had their first meeting Sept. 13.

OFFICERS for the Megalad Adelphi chapter are: president, Sharron Flynt; vice-president, Carla Robertson; secretary, Suzanne Merritt; treasurer, Sharon Barker; parliamentarian, Vicki Vaughan; reporter, Delores Wilke; and historian, Darla Underwood.

Officers for the Mikral Adelphi chapter are: president, Leisa Dannevik; vice-president, Sharon Welch; secretary, Debbie Underwood; treasurer, Julia Hottel; parliamentarian, Jill Braaffad; reporter, Ann Golding, and historian, Pam Barker.

During the first meeting the Big Sisters drew for their Little Sisters. On Sept. 24, the Little Sisters were all dressed up for "Kid Day," at which time one could hear "Air Raid" ringing through the halls. That night at 8 came the highlight of the week, Iniation. The Little Sisters were once again dressed up for the evening's activities.

Formal installation was held in the high school auditorium Sunday.

**The Attitude Is Gratitude**

What does the preacher think of the people? This preacher feels a deep sense of gratitude to so many for so much!

Perhaps a short reading from my morning mail exposes something of the warmth I feel developing between people and pastor. This morning I opened a letter from a member. I did not know what to expect. It was this dear story:

PREACHER: (to Church Organist): "When I say 'all of you who want to contribute \$100.00 toward the building fund Please stand,' please play some appropriate music."

ORGANIST: "Like what?"

PREACHER: "Like the Star Spangled Banner!"

I think that's cute. But it really isn't the way that we ask for support for our Building Fund. We just ask the people to support what they believe is the will of our Lord, and they are doing it.

Of course, some have said, "When you really get started, then I'll give my part." Well, the time has come and we have gotten started. So now let us make ready to do what we said we would do.

A couple of weeks ago our committee for Music and Education Director asked the church for instruction on a course to pursue. Overwhelmingly our church responded. The committee will soon be at work doing the task which it has been given. Pray for this committee as it seeks to secure God's man for our Minister of Music and Youth. And let us surely observe the proper relationship to one another as God gives us this person to lead in two vital areas of our church ministries.

God bless you. May I see you Sunday?  
 Brother Raymond

**Senior Girl Janice Mooney**

Janice Mooney, our Senior Girl of the Week, is the 17-year-old daughter of Mr. and Mrs. Bob Mooney. Janice was born in Dimmitt May 25, 1951.

AS MOST already know, Janice is very talented. At the age of 3, she was picking out songs on the piano, and has been developing her talents ever since. She has won such honors as Rotary Sweetheart, National FHA Pianist two years, and has been asked to play for other special events.

Janice is active in band, Lyre Club and FHA. Outside of school, Janice spends her time practicing the piano and "goofing off."

If we, the students, do not learn to adopt the ideas of authority here in school, it will be a greater task later on in life. "He who is firmly seated in authority soon learns to think security, the highest lesson of statecraft."

**Art I Classes Mixing 'Em Up**

This week our Art I classes have been working on different types of color. They have been mixing colors to get values, intensities and shades. To get values, you mix a color with white or black to get different shades. To get different intensities, one mixes an opposite shade of color to dull it down.

Now the students are mixing every color, to make a color wheel. When they get through with this, the students of Art I will paint a picture — of what we don't know yet.

**How Many Want Smoking Okayed?**

By LINDA BRADLEY  
 To smoke or not to smoke — that is the question.

RECENTLY the Journalism Class took a survey of how many students smoke and how many students feel that smoking on campus is proper.

The questions asked were, "Do you smoke?" and "Many students feel that smoking on campus is all right. How do you feel about the situation?"

Our results were:  
 Students voting that they do not smoke and they would not want smoking on the campus — 98.

Students voting that they do smoke and they did want smoking on the campus — 69.

Students voting that they did smoke, but did not want smoking on the campus — 4.

Students voting that they did not smoke, but they wanted smoking on the campus — 85.

HERE ARE some of the comments we received on this survey: "People are going to smoke anyway, and forbidding them to smoke just to save the face of the administration will only cause rebellious attitudes in the students."

"It's their life, they can ruin it if they want to."

"I feel that smoking is up to the person, but that school isn't the place to do it."

"It depends upon where they smoke and why."

ONE student made this comment: "Teachers smoke at school and they are the ones who should set the example." A teacher

said in opposition, "Teachers are more mature and should have this privilege."

Any more discussion on this subject or any other subject of importance to the school should be submitted to Letters to the Editor and may be given to Mr. Farrer, Sharron Flynt or Linda Bradley.

**Art II Group Aids Book Week**

Did you say that Art II has found a new way to enjoy books? Yes, that is right!

THE ART II class is drawing and advertising about books instead of reading them. They are making posters for the county library, advertising National Book Week.

Among these are Snoopy and the Red Baron, Peanuts, Around the World, and psychédelic posters. The theme is "Going Places With Books."

Regardless of some critics' comments, these posters are turning out very well and the students are working very hard. Be sure to look for these posters downtown in the store windows.

FRYERS continue to be an economical choice in most markets. Since they are so versatile, you can stretch your food budget by serving chicken more often.

**Senior Boy Jerral Seale**

Jerral Seale, son of Mr. and Mrs. J. O. Seale, is our Senior Boy of the Week. Jerral was born in Dimmitt June 5, 1951, and has attended all 12 grades here.

JERRAL is very active in school, being a member of FFA, Bobcat Band, Drama Club and the basketball team. Jerral was recently elected president of the senior class.

Jerral's favorites are: food, shrimp; movie, "Rosemary's Baby"; car, Ford Mach I; and color, blue. "Hoy Jude" rates high on his list of songs.

He has not chosen a college to attend yet, but he wants to major in horticulture.

**Bobcats Fall To Steers, 12-7**

Friday night, Sept. 20, the Bobcats lost to the Farwell Steers there, 12-7.

AFTER the Bobcats kicked off to Farwell, the Steers threw a pass on second down and it was intercepted by David Land, who ran the ball back 15 yards.

On Dimmitt's first play, Farwell tackled Roy Thomas on the 2-yard line. On the next play, Land went into the end zone standing, then kicked the extra point.

In the second quarter the ball went back and forth. Dimmitt fumbled on the Bobcat 41, but he'd the Steers at the Farwell 1-yard line as time ran out. The Cats went in at halftime with a 7-0 lead.

The Steers put a drive together and scored late in the third quarter. The extra point was no good as the quarter ended with the score 7-6.

In the fourth quarter, it was again a see-saw battle until late in the fourth. Dimmitt tried a fake punt, Jimmy Coleman was tackled on the Dimmitt 30, and the Steers went on to score. The extra point was no good. The final score was Farwell 12, Dimmitt 7.

# Beet Acreage Goes Up; Holly Plans Expansion

In an important announcement for sugar beet growers last week, the Department of Agriculture said there will be no acreage restrictions on the 1969 beet crop.

## MODERN AGRICULTURE

AS A result of the USDA announcement, Holly Sugar Corp. has indicated it will increase the

capacity of its Hereford plant by 2,000 to 3,000 tons per day, beginning with the 1969 crop.

Directors of the Texas-New Mexico Sugar Beet Growers Association, Inc., had argued for unrestricted acreage at a public hearing in Denver two months ago.

"Without restriction of acreage, farmers can grow in the states of Texas and New Mexico ... as many sugar beets as Holly Sugar Corp. can process," said James W. Witherspoon of Hereford, executive secretary of the association.

"THE COMPANY has informed the directors of the growers' association that if the 1969 acreage was unrestricted, the Shoop plant at Hereford would be increased in its slicing capacity so that it could handle ... an additional 2,000 to 3,000 tons of sugar beets per day," Witherspoon continued.

He said the proposed addition to the Holly plant at Hereford "would amount to a small plant as large as some of the present plants in older beet-growing areas, and will make the Hereford plant the largest in the country."

The Secretary of Agriculture may still establish acreage allotments on a proportionate share basis under the Sugar Act, if the sugar surplus goes over a "desirable level."

HOWEVER, Witherspoon said, plantings from 1965 through 1968 have failed to fill the beet sugar marketing quotas, and added that most of the sugar from 1969 beets will be marketed in 1970.

This year 1,510,000 acres have been planted to sugar beets, compared with 1,200,000 in 1967.

"Farmers can, without restriction of acreage in 1969, acquire a history for planting so that when acreage allotments are again applied, they can continue to grow sugar beets," Witherspoon said.

THE Hereford attorney voiced optimism for the future sugar beets here. "With the decline in wheat and grain sorghum prices, sugar beets again appear to be the best crop for this area," he said. "The market and the price are both dependable ... The growers in the Texas-New Mexico area now have one of the best grower-processor contracts in the country."

## Conservation Waterways Keep Gullies From Forming

By CLAYTON JOBE

Farmers, how do you control your runoff water?

WHEN heavy rains fall, the soil cannot soak up all runoff. Some of this water must run off of sloping land. This water gathers in the channels in the lower parts of the field and carries with it good topsoil. Therefore, good farmers protect their land by building waterways and seeding them to grass.

By keeping gullies from forming, grass waterways on many fields protect the valuable irrigation pipeline laid underneath. They also serve as outlets for terraces. In fact, grass waterways are one of the most generally needed measures against soil erosion.

The farmer can harvest the grass and make hay from it to feed his animals. The waterway is also a good place for pheasants and quail to build their nests.

Farmers who are interested can contact the Soil Conservation Service for assistance, both technical and financial, in building such waterways on their farms.

## Diet Foods Now Must Be Labeled

New regulations on special diet foods have been established by the Food and Drug Administration. They are aimed at providing the consumer with more facts about the food he buys for weight control and for other special diet needs, reports Sally Springer, Extension nutritionist.

FOODS for special dietary use are intended to fill a particular physical or physiological need. These may be for persons who are overweight, underweight, diabetic, allergic to certain foods or on a salt-free diet. A special food may fit needs of infants or children, also, Miss Springer says.

New regulations require the manufacturer to support his claim that the food is intended for special dietary use. A list of the dietary properties that support the claim must be printed on the label.

Foods which are sold for special dietary use in reducing or maintaining body weight must be labeled "for calorie-restricted diets." In order to be labeled such, calories must be reduced at least 50 percent. The term "lower in calorie" may be used by manufacturers on the label. However, the declaration "low calorie" may be made only if the foods contain not more than 15 calories in a serving and not more than 30 calories in the average total daily consumption of the food.

THE manufacturers of artificial sweetener and foods which contain artificial sweeteners have been required to state on the label that it is or contains an artificial sweetener and that it is non-nutritive. The label of an artificial sweetener must also state the amount of artificial sweetener in a specified serving (tablet, capsule or teaspoonful) and a description of its sweetening effect in comparison to a quantity of sugar.

Foods for diabetics must be labeled: "For the diets of diabetics." The manufacturer is required to state on the label the protein, fat, carbohydrate and caloric content in 100 grams of such food.

These new regulations also require the manufacturer to provide information if non-nutritive ingredients have been added. Sometimes cellulose and other bulk which have no nutritional value are added to foods.

## Grain Sorghum CHAFF

By WES ANTHONY

I hope you went to see Tennessee Ernie Ford at the Tri-State Fair in Amarillo. He and his group, the "Brothers and Sisters" were great. It seemed that the youngsters put all they had into it — maybe because of the encouragement Ernie gave them. He is certainly doing his part in giving our younger generation the right start.

IT WAS worth the effort to make the trip to Lubbock to hear Pat Boone at the South Plains Fair. The program was about three hours long, but one song he sang was worth all the effort.

Pat's father-in-law, Red Foley, had died just a few nights earlier, and on the night we were there, Pat sang the song Red Foley had made famous, "There Will Be Peace in the Valley." I believe you could have heard a pin drop. The audience surely was attentive.

If you can remember when you had to open and close gates when you went to Lubbock, you don't have to worry about the draft.

## Hunting Guide Now Available

The Texas Parks and Wildlife Department this week began mailing the 1968-69 Texas Hunting Guide to license deputies and regional and district offices of the department, according to Robert G. Mauermann, deputy director.

ALTOGETHER, the department will distribute 800,000 of these guides, with most of the distribution being handled by 3,000 license deputies or field personnel of the department.

This year's guide, printed on both sides of 18 by 21-inch paper, gives the seasons, bag limits and a condensation of the state's hunting laws for deer, turkey, javelina, quail and squirrel for each of the 254 counties in the state.

HUNTERS are urged to pick up their copy of this year's guide from a local license deputy or the nearest department office.

## New Zone Opened For Crane Hunters

In an effort to increase sandhill crane hunting in Texas, and help decrease crop depredations, the Texas Parks and Wildlife Commission has announced the opening of another section of Northwest Texas to hunting this fall.

The new zone will be hunted from Dec. 14 through Jan. 12. This liberalization was the result of a request to the US Fish and Wildlife Service originally proposed two or three years past and approved this year.

Hunting in the old or western zone will be held from one-half hour before sunrise Nov. 2 through sunset Dec. 28. This zone lies west of a US Highway 87 to its junction with US 287 at Dumas, and northwest of US Highway 287 to the Texas-Oklahoma state line at Dallam County.

The new zone will be hunted beginning at sunrise Dec. 14 through sunset Jan. 12 in that portion of Texas lying west of a line from San Angelo along US 271 to Abilene, then along State 351 from Abilene to Albany and US 283 from Albany to Vernon, then easterly along US 183 to the point of intersection with the Texas-Oklahoma State line in Wilbarger County; and east of a line from San Angelo along US 87 to the junction of Highways 87 and 287 at Dumas, and then along US 287 from Dumas to the point of intersection with the Texas-Oklahoma line in Dallam County.

### Wildlife Dept. Sets Drawings For Public Deer, Quail Hunts

Anyone wishing to participate in deer and quail hunts on a wildlife management area operated by the Texas Parks and Wildlife Department should submit their requests for applications, according to Robert G. Mauermann, deputy director.

**HUNTERS** may participate in both the quail and deer drawings, but are urged to submit only one application for each, since duplicates will be eliminated by computer. The department will issue 3,560 hunting permits for deer on eight wildlife management areas statewide, and 880 quail hunting permits on two wildlife management areas in the Panhandle.

Since the number of applicants always exceeds the number of hunting permits available, those permitted to hunt will be chosen by public drawing to be held in Austin Oct. 31. To be eligible for the drawing, applications must be received in the Austin office on or before 5 p.m. Oct. 25. Applications received later than the deadline will not be considered.

**MAUERMANN** stressed that these hunts are conducted primarily as a part of the department's wildlife research programs and not to provide public hunting. He also said that these hunts are not indicative of high game population, and that the department could cancel the hunts at any time the recommended quotas are met, to prevent the reduction of game below desired levels.

**DEER**  
Cherokee Wildlife Management Area, a 16,000-acre unit 10 miles southeast of Alto, Cherokee County, will have 500 permits issued for deer hunts between Dec. 10-15.

Alabama Creek Wildlife Management Area, 12,500-acre unit 15 miles southwest of Lufkin, will have 400 permits for the deer hunts between Nov. 9-13.

Devil's Pocket Wildlife Management Area, a 19,267-acre area 12 miles east of Buna in Newton County, will have 500 permits for the deer hunts between Nov. 16-21.

**KERR** Wildlife Management Area, a 6,493-acre area 28 miles west of Kerrville, will have 1,000 permits for deer hunts between Nov. 9-26 and Nov. 30-Dec. 23.

Black Gap Wildlife Management Area, a 100,000-acre area located 55 miles south of Marathon and adjacent to the Big Bend National Park in Brewster County, will have 750 permits for deer hunts between Nov. 30 and Dec. 9. Each hunter drawing out on the deer hunt may also take a javelina.

Sierra Diablo Wildlife Management Area, containing 7,791 acres and located 32 miles northwest of Van Horn in Culberson County, will have 80 permits issued for deer hunts between Nov. 30 and Dec. 9.

**GENE HOWE** Wildlife Management Area, a 5,821-acre area six miles east of Canadian in Hemphill County, will have 30 permits issued for deer hunts to be conducted Nov. 30-Dec. 1, Dec. 7-8, Dec. 14-15. In addition, each hunter drawing a deer permit will be permitted to take one turkey of either sex.

**QUAIL**  
Each hunter drawing out for the quail hunts will be given a two-day permit. Hunters are urged to bring bird dogs to reduce the loss of cripples and dead birds. Department authorities said the use of dogs would also give the hunter a better chance in getting his bag limit.

**GENE HOWE** Wildlife Management Area, six miles east of Canadian in Hemphill County, will have 100 permits for hunts to be conducted between Nov. 9-10, Nov. 16-17, Dec. 21-22, 1968 and Jan. 4-5 and Jan. 11-12, 1969.

Matador Wildlife Management Area, containing 28,183 acres 11 miles north of Paducah, Cottle County, will have 770 permits for the hunts to be conducted Nov. 9-10, Nov. 16-17, Nov. 23-24, Dec. 7-8, Dec. 14-15, 1968 and Jan. 4-5, 1969.

**SPANISH LANGUAGE HANDBOOK** — Now there's a Texas Drivers Handbook printed in Spanish, courtesy of Humble Oil & Refining Co. Here, Gov. John Connally and Col. Wilson E. "Pat" Speir (right), director of the Texas Dept. of Public Safety, look over the new Spanish language handbooks presented last week by P. W. Edge Jr. (left), Humble's western regional manager. The books, produced by Humble as a public service, were translated by the Texas Good Neighbor Commission and are now available to Spanish-speaking people at the Drivers License Division office in the courthouse.

### State Fair Books 'Up With People'

The exciting "Up With People" show will be one of the highlights of the 1968 State Fair of Texas in Dallas Oct. 5-20.

**THE 175 MEMBER "Up With People" group** will be featured in three Cotton Bowl performances Oct. 14, 15 and 16 at 8 p.m. Tickets for the performances will be available at the gate or at the Cotton Bowl for \$1. The "Up With People" tickets do not include admission to the fairgrounds.

From Carnegie Hall to the Hollywood Bowl, "Up With People" has been seen by millions of Americans in concert halls, on college campuses and on frequent national television shows.

**ALL OF** the songs in the "Up With People" repertoire are original, and each tune is set to a lively beat, with choruses that invite audience sing-alongs.

The zestiest favorites are "Up With People!" praising the power of ordinary citizens, and the rousing "Freedom Isn't Free!" with toe-tapping chorus: "You got to pay a price, you got to sacrifice for your liberty."

These ideas have caught on and challenged thousands. Today there are three international casts of 175 each and many local sing-alongs have been inspired on all five continents.

"Up With People" is a demonstration of a generation swept up in the creative optimism of building the future.

### Ford Says Public Education Is a 'Key Issue' in Campaign

Frank Ford of Hereford, Republican candidate for state representative, this week named education as one of the key issues of his campaign.

"**IN 1960,**" said Ford, "Texas ranked 33rd among the states in per-child funds for education. We have since dropped to 38th. In 1960 we ranked 40th in literacy, and have since dropped to 44th. This is not a record to be proud of, as education is the most important function of state government, and accounts for 45 percent of state expenditures."

"Anyone who has observed the little children at work and play in our schools across this district," Ford said, "knows that the light of hope shines in their faces — black, brown and white, and that this hope is the hope of our nation. If the adults in our big cities had the same feeling of brotherhood and understanding as these little children do, America

would truly be on the road to greatness."

He added, "The question that our generation has to answer is whether these hopes and dreams are going to be fulfilled, or whether they are doomed to be broken in frustration and dependency. Jobs for the unskilled are disappearing fast, and if many of these children are going to know the dignity of productive work, the time for action in Texas is **NOW.**"

"**WE MUST** increase our attention to primary education and the development of basic skills, give additional help to children with specific learning disabilities, increase pre-school opportunities and bilingual education where needed," he said.

"Instructional practices and programs must be up-dated constantly, and technical and vocational training increased, with emphasis on job training by private industry. These actions would constitute the best investment we ever made in our future," he added.

Ford is a candidate in the 72nd Legislative District, opposing Rep. Bill Clayton of Springlake.

### El Paso Gas Co. Tests Ore Field

El Paso Natural Gas Co. announced Friday that an independent mining consulting firm has confirmed a discovery of an estimated 96 million tons of copper sulfide ore, averaging nine-tenths of one percent copper, on its Lakeshore properties near Casa Grande, Ariz.

The properties are owned jointly with Narragansett Wire Co., which was acquired by El Paso Natural in October 1967.

**IN ITS** announcement, EPNG emphasized that extensive additional economic studies and exploration will be required to determine the commercial feasibility of the discovery.

Geophysical and drilling operations which have been conducted on the properties for the past two years are continuing. To date, 41 deep test holes have been drilled, 35 of which indicate significant mineralization.

# It's Autumn Again -- You Can Tell by All the Parties

By MYRTLE SHEFFY  
The fall parties are getting started.

**MR. AND MRS. Swain Burkett** were hosts at a dinner and bridge party Thursday. Katy served a very good chicken rice dish, with cake and ice cream. Their guests were Mr. and Mrs. Edgar Ramsey, Mr. and Mrs. Sam Gilbreath, Mr. and Mrs. Goodwin Miller, Mr. and Mrs. Raymond Wilson and Mr. and Mrs. Ray Riley. The Rileys were high score winners.

**FRIDAY** afternoon Gladys Clearinger served a chicken salad with hot bread and a fluffy cake. You can't stay thin around here. Her guests were Edith Ramey, who won high score, Winnie Cunningham, Opal Bearden, Myrtle Sheffy, Josie Bradford, Retta Cluck, Maggie Boren, Beaulah Wright.

Another day Mrs. Dale Prather had some of her friends in for bridge — Johnny Davis, Muriel Smiley and Vaudine Giles.

**MR. AND MRS. Sandy Parsons** have a beautiful new house on Pine Street and on a recent Thursday night 50 people besides the hosts and hostesses went over for a housewarming party. The group presented a money tree to the "house," pick up foods, dip, cookies, punch and coffee were served by the hosts Mr. and Mrs. Bob Mooney, Mr. and Mrs. Larry Lewis, Mr. and Mrs. Johnny Cline, Mr. and Mrs. Dale Prather, Mr. and Mrs. Al Jackson.

**WOMEN SUFFER WITH BLADDER IRRITATION**  
Common Kidney or Bladder Irritations affect twice as many women as men, often causing tenderness and nervousness from frequent, burning, itching urination. Secondly, you may lose sleep and have headaches, backaches and feel older, tired, depressed. In such cases, CYSTEX usually brings relaxing comfort by curbing germs in acid urine, and easing pain. Get CYSTEX at druggists today.

**I Sell Ford and Mercury Cars Ford Pickups and Trucks Used Cars and Trucks BOB SHEFFY at Orval Watson Ford Hereford, Texas 364-2727 Res. 364-0276**

Mr. and Mrs. V. C. Hopson, Mr. and Mrs. Dan Heard, Mr. and Mrs. Lon Boothe, Colleen Newman and Margie McGowan.

**MR. AND MRS. Jim Harsh** (her name is Jean) have bought and moved into the rock house of Goldens' on Jones Street. Jim will be co-manager of the corn mill plant. Anyway their guests this week are Norman and Elsie Wood of Colorado Springs. They and Dr. and Mrs. Dennis Blackburn and Bud Giles were out eating and talking at Peggy and Allan Webb's house Sunday evening. They decided to go to Bud Giles to a piano — seems Jim Harsh is a fire pianist and has a good voice as does friend Norman, who was Follies chairman. Remember that? The Harshes are Presbyterians.

I was chatting with Jane Blackburn, She and Dr. Dennis Blackburn and Jimmy and Nancy Ross were guests of the Bill Bennetts for supper and then on to the big Tech game Saturday night.

Truman and Ann Touchstone and John and Dorothy Gilbreath and some Midland folks came in for refreshments and a visit before the game. Bill is teaching at Tech this year. He is on leave from Elcor Chemical Co.

**ALICE COWAN** was hostess at a luncheon Saturday for Mrs. Bill (Earlene) Reinhold of Hartley, a former Dimmitt resident. Guests were Marge Clearinger, Evie Froehner, Koma Ratcliff, He'en Richardson, Gladys Benson and Josephine Latimer. Some of the ladies played bridge, while others left early for Lubbock to see the Big Tech and Texas game. I talked to Suzie Davis Ellis. She and Roy and her mother Aural Davis went to see the game. Seems one-half of the Dimmitt people were there. Guess the rest of the folks went to WTSU at Canyon. Both Tech and Wt won.

I, along with dozens of mothers, grandmothers and friends went to the high school auditorium Sunday afternoon to see the initiation of new members and installation of new officers for the two Future Homemakers of America, Dimmitt Chapter.

The officers and hostesses were dressed in long white formals, red roses are the flower. They served that good strawberry punch and home-baked cookies later.

When I see these hundreds of pretty girls, freshmen to seniors, and the fine band and football

team, in fact all of our Dimmitt kids are so nice, I don't worry about the hippies taking over the United States of America.

**DR. AND Mrs. Jack Bishop** and children Judy and Dan of Plainview were Saturday dinner guests of Dr. and Mrs. Charles Vandiver. Dr. Bishop is a professor of Bible at Wayland College.

Gwen McDonnell writes to us from Mesa, Ariz., that she looks forward to getting the news from here each week. She and husband Sam are both in college there. She is studying to be a registered nurse and Sam is majoring agriculture. Gwen is the daughter of Mr. and Mrs. Fred Dunn. Their other daughter Carolyn is at the University of Texas at Arlington and Jacky Dunn and Genita are ETU at Commerce.

Mr. and Mrs. E. D. Wickware, formerly of Olton, live here now at 808 W. Andrews St. Ed is with C&S Equipment. They are Baptist Church members.

Joy Baker, Jeannine Wimberley with friends Nelda Thomas of Amarillo, attended the Tennessee Ernie Ford Show during the Tri-State Fair.

I met a pretty girl, Donna Boyd, who moved here recently from Littlefield. She is a beauty operator at the Blue Room.

**MR. AND MRS. A. D. Chester** had as guests in their home this month their son Kelsey Branaman of Welton, Ariz., and son Deon Branaman of the US Navy, who is at San Diego, Calif., for three weeks in training for survival warfare before going to Da Nang, Vietnam for 14 months' duty.

The Arnold Morgan's guests were a nephew Jim Morgan of McKinney, a brother and his wife Mr. and Mrs. Larry Watkins of San Antonio, and friends Mr. and Mrs. Paul Graham and children of Marlow, Okla., and also Mr. and Mrs. John Brewer Graham and baby of Marlow. The Grammas are former Hereford residents and longtime friends of the Morgans.

Mrs. E. B. Wright and Mrs. Jim Clearinger attended a spiritual life meeting at the Methodist Camp at Ceta Canyon a few days last week. Mrs. Cecil Matthews directed the program.

Nettie Graham and Margaret Boren visited Boren's sister Mrs. Spikes in Amarillo Thursday.

I talked to David Prather and he said he had a good time at "Six Flags" at Fort Worth a

while back. His folks, the Dale Prathers, went along.

**MRS. ELMER YOUTS** is staying a few days with her daughter Pat Greathouse and children at Monahans. She is probably doing some sewing for the granddaughters.

The Cecil Currys had their children home for a few days — Janice and Lewis Carpenter of Lubbock, Melba from Iowa Park and son Donald and his wife who have just moved from Fort Worth to Atchington, Neb. He will be with Swift & Co., a big cattle feedlot and marketing.

Mrs. Dora Houtchens, her daughter (Patsy) Mrs. Percy Merritt who lives on a ranch west of Clovis, and her daughter Jackie and Louise Boyd of Clovis are home from a trip to Gravette, Ark., where they visited son and brother Doyle and Betty Houtchens and children. Dora says one of the five-year-old twins was bitten by a copperhead snake, but he got to the doctor in time so he is well now.

Rex and Dorothy Sheffy and sons Scott and Brett of Van Horn were weekend guests of ours. They visited daughter Driscilla and her husband Bob Stors at Fort Worth — Bob is attending the Baptist Seminary — on to Tulsa to see Donna and Tommy Stafford — to Altus to visit relatives and friend Bill Walker, formerly of Flagg — and her dad Mr. Smotherman at Duke, Okla.

**MRS. HOWARD Scoggin**, with her children Cindy, son Larry and his wife Sue, leave this week for HemisFair at San Antonio. Babe is well from her recent surgery.

Out at the FHA program I met Dorothy Ette whose home is near Sacramento, Calif., a student teacher out of Tech and Tally Soresen whose home is Dallas, also a student teacher. They are with Mrs. Bill Snider and Mrs. Charles Hotel, home economics teachers.

Mrs. H. H. Hamilton of Kalamazoo, Mich., is here for a visit with her son Jim Hamilton and family. Jim plans to keep her here through the winter.

Billye Gwen Davis, Colleen Newman, Shirley Nelson and Glenda Newman of Hart had supper in Lubbock and saw the Pat Boone Show Saturday night. Some others going were Mr. and Mrs. Alvin Frazier, daughter Cara Nell, his mother Mary Lou, who visited the Iveys, Frances' brother for supper and then saw the Pat

Boone Show — very good, but they enjoyed Tennessee Ernie Ford just as much at Amarillo last week.

Ron Hance, son of Mr. and Mrs. Kent Hance of Lubbock, spent last weekend with his grandparents, Mr. and Mrs. Raymond Hance.

**WARD GOLDEN, G. L. Willis**, John Merritt, Frank Wise, Jack R. Miller, Melvin Barton and former school superintendent Paul Hilburn, attended the Lubbock Tech vs. Texas game Saturday, then went on to Austin to attend a state meeting of school board members.

Do come to the Country Club, Sat., Oct. 5, and meet Dick Brown Democratic candidate for Congress and Bill Clayton of Springlake and possibly several other V.I.P.s. Carl King, chairman of the Democrats in Castro County, Mrs. Sid Sheffy, Mrs. Bob McLean and others will serve you a cup of coffee.

And do remember the Home Tour and flower show and the big art show at the Country Club Sat., Oct. 12. I will tell you all about it next week. Men are especially invited to see the homes. Earl and Maria Lockhart of Lubbock came up to see us Sunday afternoon. Sid and Earl were students at the same time long ago at WTSU at Canyon.

LaDawn Kemp started out by car for California Friday. She says maybe she will teach school — she will write to us later.

**HAROLD** and Shirley Stephens were hosts the first part of this week to Mr. and Mrs. Herbert Decker of Houston. Mr. Decker is president of The Federal Land Bank of Houston and the officers of this district met in Tulsa for a 7 o'clock breakfast on Monday morning. Harold says that was

very inconsiderate of them to meet that early.

Shirley's mother, Ethel Womack is in an Amarillo hospital for treatment. Her eyes were not seeing so good either, but she is fine now.

Jack and Myrna Cowsert are home from a visit with her sister

Elcarer and her husband Ray Elanor and her husband Ray Kechler.

When we received our school tax statement, we saw Mrs. Shirley Stephens' name on it again. She says Bill Stephenson decided to teach school here so she is back at the high school collecting

taxes. Mr. and Mrs. Joel Tedson of Nashville, Tenn., came by to see the Earl Laust Sunday. She is a sister to Earlene Laust Settles' husband. Other guests in the Laust home were son Lloyd and family of Littlefield and the James Bradfords.
