DALLAS, Tex., April 15 (UP) A contract from the Air Material Command for the manufacture of 16 sets of all-weather docks for servicing the B-36 airplane has been awarded Texas Engineering & Manufacturing Co., Inc., Robert McCulloch, TEMCO president, announced today.

The contract will run in excess of \$500,000, McCulloch said.

Each set of docks consists of four mobile units. When rolled up to a B-36, a set will completely enrelope the plane's six engines, permitting maintenance crews to work in all types of weather.

They are constructed of structural steel with plywood floors and corrugated aluminum roofing.

All parts of the docks will be nanufactured at TEMCO then trucked to Carswell Air Force Bae in Fort Worth where they will be assembled.

McCullouch said his company has leased an additional 112,500 square of floor space formerly ocion at Dallas to handle the manu acturing operations.

The first set is scheduled for del. ivery in June, he said.

THIS CHURCH PAGE IS PUBLISHED WEEKLY WITH THE HOPE THAT MORE PEOPLE WILL GO TO CHURCH. IT IS SPONSORED

BY LOCAL BUSINESS FIRMS WHO BELIEVE WE SHOULD ATTEND RELIGIOUS SERVICES REGULARLY.

Character is a by product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statemen today declare molding religious character. Statemen today declare that the church alone can furnish feadership to handle that the church alone can furnish feadership to handle with our children should go to the church of our chaice with our children should go to the church in you an Sunday. "You in the Church and the Church in you form a combination for good. Be a regular CHURCH-GOER and a doily BIBLE READER.

We are travellers on the way. We want to arrive, We want good directions; we have not been this way before; we shall go on the path but once. How important, then, that we follow the right directions! Serious men have been crying through the centuries, "Which way shall I take?" Here is a man who has found it. Listen, look, read, with Him.

It's an old guide book and a good one. Its commands come with the authority of Heaven to earth, of God to man, of eternity to time. Centuries of human experience have declared them right. Your own soul recognizes their right to control. Be quiet and know the good and the true and the right. Hear the challenge!

importance still is the ancient and imperious word, "Thou shalt work"; more importance still is the ancient and imperious word, "Thou shalt worship the Lord thy God." Thou shalt keep the Sabbath! Be sure that you hold something sacred; some place, some time, some Person. Else all life becomes common, that is, secular or vulgar. Thou shalt bonor! Whom shall we honor? Answer: the people nearest and dearest to you, the everyday folks with whom you live, and to whom you owe so much. Thou shalt not murder! But also, "Thou shalt not bate thy brother." Thou shalt not commit adultery! But also, "Thou shalt not lust," since the evil desire comes first. Thou shalt not steal! But also, thou shalt not covet or desire what belongs to another.

Aren't you glad for these clear clarion calls to conscience? Have you come to the place where you change the wording and say, "I must?" I must worship; I must keep holy days; I must honor my parents; I must be clean of thought and purpose. Change the second person to the first; "thou" to "I". God's commandments become my commandments, God's way becomes my way..."it says right here."
