

10 area electric coops to form merger

Ten rural electric cooperatives have announced plans to form the Golden Spread Electric Cooperative, Inc. The offices will be headquartered in Amarillo and a manager will be employed within a month. The officers and directors include, James T. Hull, president, Alton Higginbotham, vice-president, R. L. Elliott, Jr., secretary-treasurer. Other Board members include John Norman, Connie Gupton, Pat McAlister, David Pruitt, J.C. Roberts, Lyle Robinson, and Delbert Smith.

The initial function of GSEC will be to seek new, expanded and more competitive sources of wholesale electric power. The move was necessary because of recent dramatic increases in wholesale power costs and the peculiarity of the cooperatives' individual electrical loads in service areas from Colorado and Kansas to the South Plains of Texas, and from Oklahoma to New Mexico. The cooperatives serve a total of 43 counties, 80,000 meters, 125,000 people, and have approximately 33,000 miles of line requiring an annual demand of 535 megawatts of power.

According to a cooperative spokesman, wholesale power costs have increased in the past 10 years from 50 percent to 80 percent of the total cost of electric service to the distribution cooperatives. This new electric cooperative was organized to make a significant long term impact on the cost of wholesale power.

The cooperatives will continue to work with and look to its present power supplier, Southwestern Public Service Company, as the primary furnisher of electric service.

The 10 participating cooperatives are: Bailey County Electric Cooperative, Muleshoe; Deaf Smith Electric Cooperative, Hereford; Greenbelt Electric Cooperative, Wellington; Lamb County Electric Cooperative, Littlefield; Lighthouse Electric Cooperative, Floydada; North Plains Electric Cooperative, Perryton; Rita Blanca Electric Cooperative, Dalhart; South Plains Electric Cooperative, Lubbock; Swisher Electric Cooperative, Tulia; and Tri-County Electric Cooperative, Hooker, Okla. Each will be joint owners in the project and today have total combined assets of 215 million dollars.

WINTER WONDERLAND—Cold weather invaded Castro County again this week. An unchecked sprinkler created this icy scene Friday west of Nazareth.

Chamber officers will be installed at banquet

The newly elected officers of the Dimmitt Chamber of Commerce Board of Directors will be installed at the annual Chamber Banquet set for next Thursday at 7 p.m. in the County Expo Building. Elected at the board meeting last Thursday morning, local farmer George Sides was named president; Southwestern Public Service Co. local manager Calvin Marsh was named vice president; and extension service secretary Clara Patton

will return for her fifth term as board secretary. Speaker for the banquet will be Michael Broome, inspirational and humorous speaker from Charlotte, N.C. Master of ceremonies will be Jerry Hanners. Admission to the event will be \$10 per person, and will include a buffet-style meal catered by Ann's Steak House of Dimmitt. Winners of the annual Citizen of the Year, Citizen Through the Years, and

Teacher of the Year awards will also be announced. Tickets may be purchased in advance at the chamber office at 115 W. Bedford or at Tots 'N' Teens or from Joe Josselet at the First State Bank of Dimmitt. They will also be available at the door. "We want to encourage everyone to purchase their tickets in advance to facilitate planning for the meal," said Chamber Manager Dolores Heller.

AFS Weekend starts tonight

Eleven high school students from other countries will arrive in Dimmitt tonight (Thursday) to spend a 2½-day "AFS Weekend" here. They'll stay in local homes, attend school Friday, be entertained with basketball games, meals, a dance and swim party, and will attend local churches during the weekend. All the youngsters are exchange students from Europe and Asia who are spending the year with

families in Lubbock, Amarillo, Pampa, Panhandle, Groom and Friona. It will be an "away from home" weekend also for Dimmitt's two AFS students, Anja Biester and Owen Viles. Miss Biester, who is living with the Monte Boozer family, will spend the AFS Weekend with the Hank Lynns; and Viles, who lives with the Doug Pybuses, will stay with the Jack Thompsons. Other families hosting students this weekend are the Chuck Braafladts, the

Stanley Nelsons, the Elbert Smiths, the Robert Bentons, the Fred Bruegels, the Don Gregorys, the Rex Sheffys, and Winston Waggoners and the Don Reeves. The students are scheduled to arrive tonight at 7:30 at the Reeves' home. Friday morning, Dimmitt High School's Future Homemakers will serve breakfast to the visiting students in the high school homemaking rooms. Then the visitors will attend classes Friday with their host students. Friday night they'll attend the Dimmitt-Tulia basketball games here, and after the games the DHS Interact Club will sponsor a dance in their honor at the Expo Building.

AFS needs host family

If your family would like to host a student from another country next school year, the Dimmitt AFS Chapter would like to know. And the sooner the better. "No families have applied yet to be host families next year, and we need at least one family," Chapter President Lavon Reeve said. The local chapter can help place an AFS exchange student in Dimmitt, Hart or Nazareth.

Deadline is March 1 for having host-family application forms to the AFS International office in New York. "However, we'd like to have an application in by Feb. 1 if possible," Mrs. Reeve said. "The early application would save our chapter \$100 in its participation cost for next year." Any family interested in applying or learning more about the AFS program may contact Mrs. Reeve at 647-3111 or 647-5659.

Saturday at 10 a.m., the students will go to the top of an elevator at Bruegel & Sons to see the town and countryside and take pictures. At noon Saturday they'll all have lunch together at the Don Gregorys' home, and from 2 to 4 they'll swim and visit at the Ruskin Racquet Club. (Continued on Page 14)

Aldermen award lease

The Dimmitt Board of Aldermen tentatively approved awarding the lease of the city land and lake to landowner Steve McGavock of Plainview, and through him, to farmer Ben Scott of Dimmitt.

Scott farms McGavock's land, located approximately one mile northeast of the lake, which holds drainage water from the city's sewage treatment plant.

In return for the usage rights, McGavock will install a pump (estimated cost of \$3,500) and a 10-inch water line (estimated cost of \$12,000) reaching to his 400 acres of land.

The agreement will not be final until the formal contract is drawn up by City Attorney Jack Edwards and signed by all parties. Other provisions of McGavock and Scott's proposal include a 15-year contract on the lake water rights and a five-year lease on the city land, which the pair plan to use in dry land farming for a while until the lake level is

lowered sufficiently. They also ask for use of the irrigation well at the site,

with any needed repairs to be made by them. The aldermen agreed to

Sarpalius announces for new Senate term

State Senator Bill Sarpalius of Canyon has announced for re-election, saying he has some new objectives to pursue.

Sarpalius achieved state-wide recognition in the last session of the Legislature for his efforts to pass strong drunk-driving legislation. The new statutes are now in effect and the Dept. of Public Safety reports they are already helping to lower the state's accident rate, Sarpalius said.

"I am proud to have had the opportunity to lead the fight for stiffer penalties for intoxicated drivers. The very awareness of the problem has helped to save lives. The future of our children is a little safer because of it," Sarpalius said.

"When we first announced our candidacy four years ago, we promised to work hard and to try our best to represent the people on a local level," Sarpalius said. "We put a mobile office on the road to make sure the people had an opportunity to speak at the local level. The mobile office travels regularly throughout most of the towns in the 29 counties on a monthly basis, visiting almost every town once a month. During his four years in the Texas Senate, the Canyon Democrat has served on the committees of natural resources, state affairs, education, economic development, human resources, the Sunset Commission, and as chairman of the agriculture subcommittee. Lt. Gov. Bill Hobby named Sarpalius as one of two Texas legislators on a national legislative com-

State Sen. Bill Sarpalius

mittee to monitor the disposal of high-level nuclear waste. Sarpalius is also a member of the National Committee on Agriculture.

"We have tried our best to be effective for the past four years but there is still much work to be done," Sarpalius said. He pledged to continue to work on water legislation, such as the establishment of the Buffalo Lake Water District, as well as a long-range water importation program.

Sarpalius also promised to continue to help business and industries throughout the 31st District.

"Without a strong surge from our businesses, the security that comes from jobs will evaporate," he said.

"I can think of no two subjects that need more attention than water and the economy," he said. "There are things that can be done, and I will dedicate my efforts to making positive proposals that will help the Panhandle and the whole of Texas."

Hightower to be added to TCGA slate

Texas Agriculture Commissioner Jim Hightower has been added to the list of prominent guests who will speak at the 11th Annual Meeting of the Texas Corn Growers Association (TCGA).

Hightower joins Gov. Mark White, USDA Deputy Secretary of Agriculture John Ford, Sen. Bill Sarpalius and Lee Morse, a financier and attorney.

The meeting will be held Feb. 6 at the Castro County Expo Building.

Carl King, TCGA president said the public is invited to attend the meeting which begins at 9:30 a.m.

"Since the governor will be here representing the citizens of the state of Texas, you don't have to be a farmer or agribusiness man to attend," King said.

A free barbecue lunch will be served.

Among topics to be discussed at the meeting will be the National Food and Fiber Security Program, hydrogen research, the possibility of a new market for Texas corn in Egypt, and legislation which would bring about a more realistic yield and base system for farmers.

Morse will outline new corn marketing concepts, a program that Texas Corn Growers Producers Board is undertaking.

King will give the TCGA president's report, and Weldon Davis, chairman of Texas Corn Producers Board, will give a report.

Cleveland is PSHOF 'Coach of the Year'

Coach Kenneth Cleveland of Dimmitt received two awards instead of one at the Panhandle Sports Hall of Fame ceremonies in Amarillo Sunday afternoon.

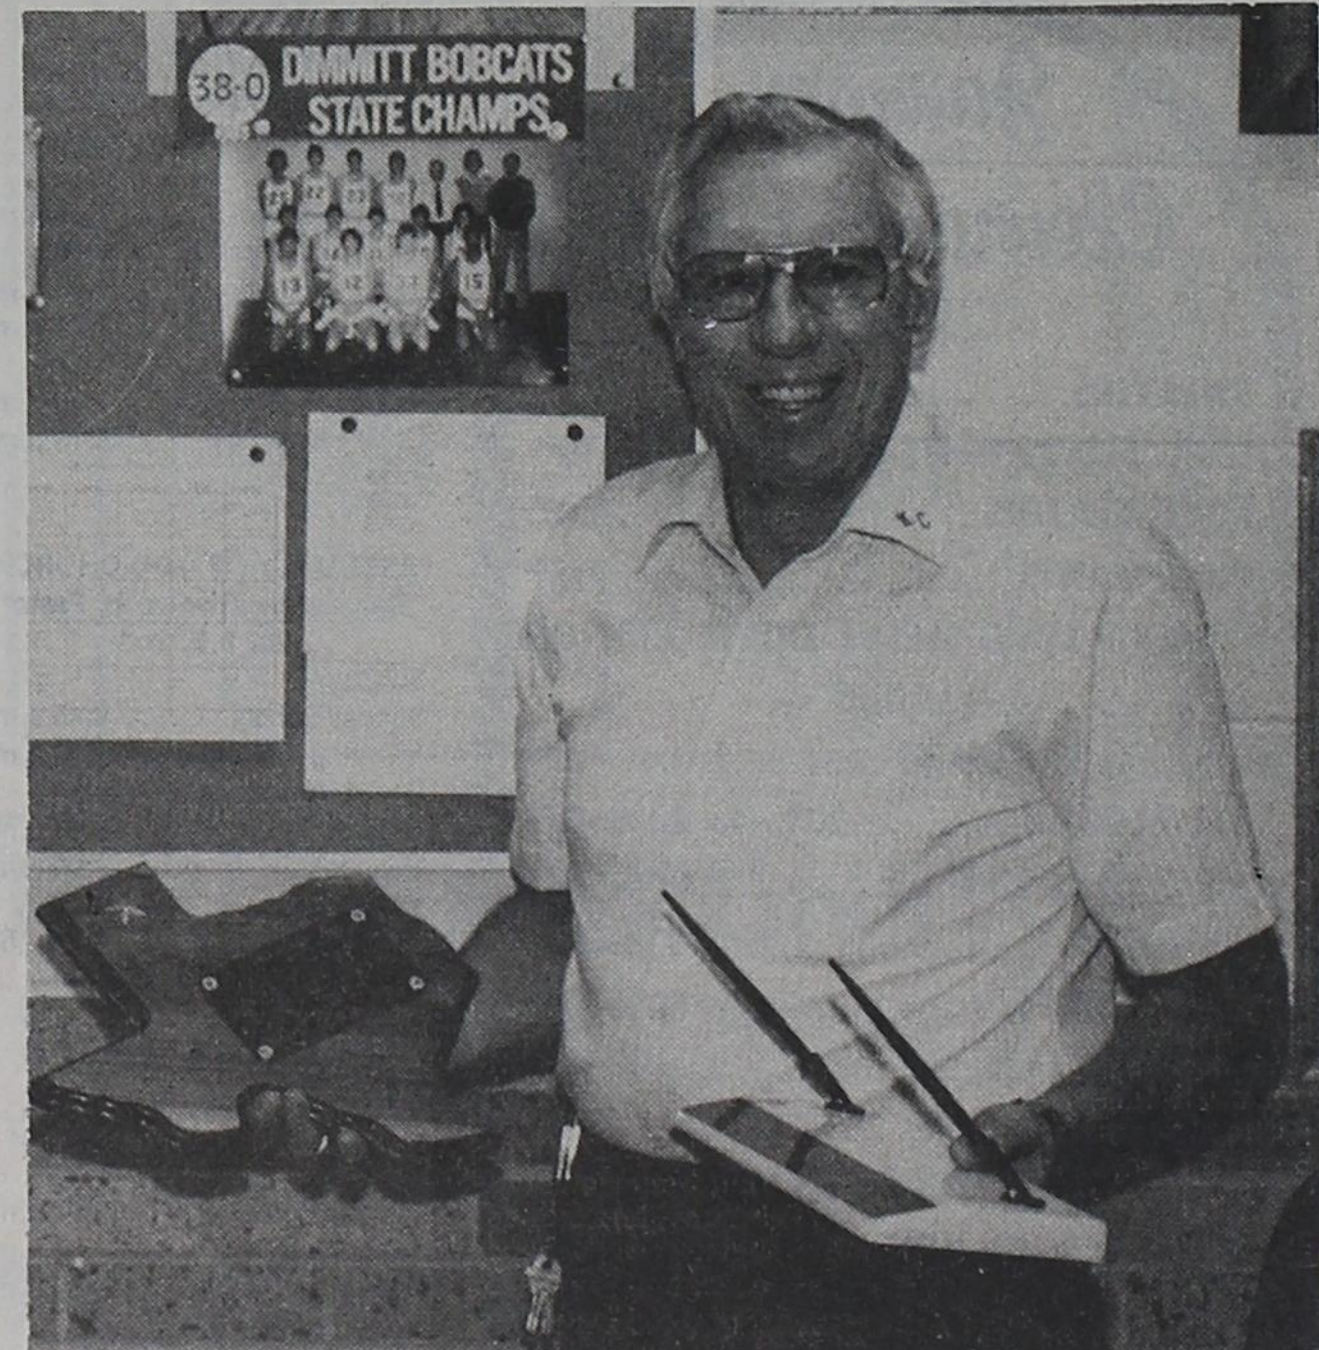

The first one he knew about in advance. It was the Basketball Coach of the Year plaque, awarded for his 38-0 season and second straight Class AAA state basketball championship.

But the second one was kept a secret until the award ceremony. It was the Coach of the Year award for all sports, encompassing both high school and college athletics.

His son, Kevin, also was featured at the Hall of Fame ceremonies as the Basketball Player of the Year in the Panhandle.

"The award has my name on it," Cleveland said, "but it really belongs to the community, the school system, the administration, the assistant coaches, and most definitely the players," Cleveland said. "I wish we could get about 28 of them and pass them around."

When he accepted the Coach of the Year award Sunday, Cleveland commented to the audience in Amarillo College's Ordway Auditorium: "It's amazing what good athletes will do for coaches."

PANHANDLE COACH OF THE YEAR—Kenneth Cleveland, Dimmitt High School boys' basketball coach and athletic director, proudly shows the plaque he received as Basketball Coach of the Year and the marble-base pen set he was awarded as Panhandle Coach of

the Year (all sports) from the Panhandle Sports Hall of Fame Sunday. His selection as Basketball Coach of the Year was announced in advance, but the all-sports award wasn't revealed until Sunday's ceremonies in Amarillo.

On the Go

The Community Concert Association presented Emily Mitchell, harpist, in a lovely concert on Tuesday evening. Miss Mitchell has a beautiful voice as well as being a very talented harpist. She sang Irish music and played the celtic harp, carrying on a musical tradition handed down by her great-grandparents who immigrated here from Ireland. Irene Carpenter and I visited with Miss Mitchell's mother who travels with her daughter and she told us Miss Mitchell is married to a man who is a member of the rock group "Blood, Sweat, and Tears."

Morgan and Geneva Dennis entertained her sisters for a few days last week, Mary Pyatt and Jauvada Curtiss from Amarillo and Zoe Garvin from Graham. They have so much fun when they are together.

Coyce Wilkerson and his wife and son were in Dimmitt recently visiting his mother, Faye and M. L. Cline.

W.M.U. met at my home on Tuesday morning for the monthly meeting with Janet Stanford presiding. Ettie McDermitt read the names on the calendar of prayer and Maxine Tidwell gave an inspirational program concerning the refugees in our country. We sent cards and words of encouragement to Enoc and Mayra Rodriguez, Mike and Kristi Pennington, Sharon Barker, and Steve and Debbie McCord. Other members attending were Gladiola Shipley, Cora West, Irene Carpenter, Louise Mears, Oleta Gollehon, Joe Higgs, Debbie Annen and little daughter, and one guest Wanda Murdock.

Enoc and Mayra and little Jr. have a new address and I am sure they would like to hear from their friends. Their address is: Enoc Rodriguez—11.124 1st Ave. N.W. Swift Current, Saskatchewan, Canada—S9H0M7. The Dimmitt Book Club met Wednesday afternoon

at the Rhoads Memorial Library meeting room. Nina Moberg was the guest speaker of Kim Hays. Nina reported on her native country, Finland. Her mother, Pia, was the first exchange student in Dimmitt. Nina showed slides and conducted a question and answer period. Shirley Wise and Ina Cleavinger were hostesses for the social hour and they served raw broccoli flowerettes dipped in sour cream and corn flakes and spiced tomato juice. Best seller books were used as a centerpiece.

I went with Irene and Oleta to Ardmore, Okla. on a business and pleasure trip. On our way home we stopped in Plainview to eat and we saw Gale and Verna Sadler from Sunny-side. They are taking a few courses in college. We also saw Mary Lee Singer (a former Dimmitt resident) from Tulsa who sat and visited with us.

Gene and Connie Ivey had a singing practice session in their home on Friday night and then on Saturday night they all went out to the South Hills Manor to sing for the residents out there. Those participating were: Alvin and Frances Frazier, Mary Lou Frazier, Ara Morrison, Oleta Sanders, Virgil and Geneva Justice, Matt Howell, Coy Dunn, Irene Carpenter, and yours truly.

Junior Coffee was in town last week. He was a star football and basketball player in the late 50s at Dimmitt High School. He is living in Seattle now.

The Music Faculty of Wayland Baptist University presented Kimberly Peggram in her Senior Recital on Sunday afternoon in the recital hall of the Herral music center in Plainview. John Paul Brandt accompanied her on the piano. Kimberly has a beautiful voice and we enjoyed every minute of the concert especially the songs in English, "Mommy, Gimme a Drinka Water," "Playing on the See-Saw," and "Colored Kisses," where Kimberly's expressions made her songs complete!

A reception was held following the concert where friends served assorted fruits, ham rosettes, cheese ball, assorted fruit breads, and punch from a table with a beautiful lace tablecloth and a bouquet of burnt orange flowers for the centerpiece.

Some of her Dimmitt friends attending were: Dr. and Mrs. Charles Vandiver, Mr. and Mrs. Don Shipley, Mr. and Mrs. Joe Higgs and Brian, Mr. and Mrs. Morgan Dennis, Mr.

and Mrs. Ivor Bagwell, Genell Craig, Sue Phillips, Carol Lantz, Kate Beecher, Irene Carpenter, and some from Nazareth. We also saw Debbie (Dobbs) Conner, Wes Welborn, the Peggrams and Shirley Peggram's father, Mr. Bishop, from Floydada.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Bernice Hill as hostess. Faun Welker won high score and Jo Gregory won second high. Others playing were: Ferne Dickey, Susie Reeves, Ruth Skinner, Emily Clingingsmith, Sal DiCuffa, Opha Burks, Jean Christian, Elizabeth Huckabay, Louise Mears, Alice Collyer, Betty Cartwright, Johnnie Vannoy, and Oleta Schumacher.

Ivor and Hazel Bagwell and Zelma Smith drove out to Albuquerque and spent a few days with their sister, Nell Bence.

Leora Calhoun's son Billy Mitchell and wife, Alice, from San Diego, Calif. drove in and surprised Leora and stayed a week visiting with her.

Cody and Starrla Myers and little Kaci have moved to Dimmitt. Cody is the high school band director and his wife is just now moving from Midland. When I was staying in Tulsa with my parents, the Meyers lived across the street.

Sunday dinner guests at the home of Mrs. Emily Clingingsmith were Sal DiCuffa, Bea Hawkins, Renice Blair, and Ed and Betty Freeman.

An excited group has returned from their wonderful trip to the Holy Land. Several told about their exciting experiences Sunday night at the First Baptist Church. Some who were in this group were Rev. John and Dorothy Street, Virgil and Geneva Justice, Dan and Oma Dee Heard, Hubert and Willie Mae Edwards, Wade and Walter Maynard and son, Wytte, Elmer and Maurice Youts, and Randy Morgan. Also, Rev. George and Monette (Kenmore) Ray from Tahoka and several from their church.

Since this was Virgil and Geneva's second trip to Israel, (their first trip was in 1977) Geneva told what it means to go the second time. The first time her mind could not comprehend all she saw and she bought souvenirs and took

a lot of pictures. The second time was a special privilege — they just thought on the spiritual things — going to all the places where Jesus had walked. When she looked at the tomb where Jesus was buried, the tomb was still empty which meant that Jesus had risen and was alive. She was thankful for the opportunity of going the second time.

Hubert Edwards said he and his wife, Willie Mae, had a thrilling ride on a camel. He told about the Garden of the Tomb which

KEEP LOOKING UP...

Keep looking up . . . look up to God. Look to God for guidance. Look to God for all things. . . . "For the word of the Lord is right; and all His works are done in truth. He loveth righteousness and judgment: the earth is full of the goodness of the Lord. By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth. . . . Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of Him.

Bring up your children in the fear and admonition of the Lord. Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

On the Go

(Continued from Page 2) was originally an old quarry, a place where the stones had been taken out. There were 10 or 12 cave-like places that looked like a skull. The rich people prepared their tomb before they died so Jesus was buried in this tomb that had never been used. Hubert said if the army ever ran out of stones to throw they could use the bread because it is just as hard.

Elmer Youts told about the Garden of Gethsemane. There were four ministers in the group, so one read a scripture pertaining to the place before they visited it. The Garden of Gethsemane is located on the western slope of the Mount of Olives where one can look down on the city of Jerusalem. Kidron Brook is by the Garden where there are beautiful flowers

ECONOMY TRAVEL—Wyette Maynard, son of Wade and Walter Maynard of Dimmitt, was the only youngster to go on the Holy Land tour recently with the

First Baptist Church members. Wyette took a camel ride on New Year's Day in Jerusalem. Beyond the camel is Hubert Edwards and Elmer Youts.

and gnarled olive trees. There is noise all around outside the Garden but they did not notice it since they were so engrossed in the beauty of the garden. Jesus went to the Garden

many times to pray and He knew this would be His last time just before He was crucified. Elmer said the Garden is a very impressive place. It is something you have to feel in your heart.

Oma Dee Heard told about the Sea of Galilee and she said it was an inspiring and exciting boat trip across. She said she felt like she was in the midst of where Jesus had been. She felt the calmness and peacefulness of the Sea that is 12 miles long and six miles wide. The Sea is fresh water but it empties into the Dead Sea. The Captain of the boat stopped in the middle of the Sea and told the story of the Sea of Galilee. On the left was

where Jesus healed the people, on the right was where Jesus cast out the devils, and in the middle of the Sea was where Jesus showed his power over nature by calming the storm. Oma Dee closed her report by quoting the song, "Near to the Heart of God."

Dorothy Street told about their last day in Israel when they boarded a bus to go to Cairo, Egypt. They drove through the wilderness of Sinai where there were few sprigs of plant life, a few palm trees and it took six hours from the border of Israel, and across the Suez Canal. She could understand why the people grumbled when Moses led them through the desert, and she could

see why God had to provide manna and quail for them to eat. Moses led 1½ to 3 million people to the Promised Land where they found a land flowing with milk and honey. Dorothy said they saw a few nomads who lived in mud huts and they had a few animals. On the banks of the canal in the Land of Goshen, the farming is still done by hand.

A report from the others will be in next week's paper.

Hart school board met in regular session Jan. 9 and set the date for the school board election.

In other business the board:

Approved the purchase of a three-quarter ton pickup from Army surplus for \$600.

Heard a review of fifth and sixth grade programs. Discussed possibilities of replacing gymnasium and football field lights with sodium vapor lights. Discussed the possibilities of establishing an elementary library in the vacant elementary room. And, approved donating the old cafeteria ovens to the Catholic church.

Free clinic set at Hart

A free immunization clinic will be held from 9 to 11 a.m. Wednesday, Jan. 25 at Hart Elementary School.

The clinic will offer vaccines that protect against polio, diphtheria, lock jaw, whooping cough, measles, rubella, and mumps.

Labs slated for 4-Her's

Two showmanship labs for Castro County 4-H members will be held Saturday at the county expo building.

At 9 a.m. a lab will be conducted on showmanship techniques for sheep. Participants may bring their own sheep. The animals will be weighed before the demonstration.

At 1:30 p.m., methods for swine showing will be demonstrated, using animals provided by an area producer. 4-Hers should not bring their own swine.

There is no charge for the classes which will be conducted by 4-H team and adult leaders.

15 - LEGAL NOTICES

LEGAL NOTICE NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION (the "Utility") intends to change its purchased power adjustment for electric utility service effective February 17, 1984. Under the present tariff the Utility pays an incentive credit to members of the irrigation class participating in a load management program and additionally credits all consumers with any reduction in power costs less demand ratchet cost resulting from load management. To correct this double payment of benefits the utility proposes to recover 1/2 of the incentive credits actually paid through its power cost adjustment. The increase requested over last year revenues is \$149,359.00 or less than 2 percent.

The changes are applicable to all areas and all customers served by the Utility. The classes and numbers of Utility customers affected are as follows: Residential 2,734; Irrigation 2,801; Commercial under 50 KVA 373; Commercial over 50 KVA 78.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at 305 East Avenue B, Muleshoe, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Correction
In a photo of Dana Wall Memorial Scholarship winners in last week's issue, the News incorrectly described Tim Wales as a student at Texas Tech. Wales is a sophomore at Texas A&M.

Everman is decorated
Air Force Capt. Thomas D. Everman, son of Marcus D. and Jean Everman of Sabina, Ohio, has been decorated with the Meritorious Service Medal at Hickam Air Force Base, Hawaii.

The Meritorious Service Medal is awarded specifically for outstanding non-combat meritorious achievement or service to the United States.

Everman is a logistics plans and programs officer with the 15th Air Base Wing.

His wife, Billie, is the daughter of Nelle Newton of Dimmitt.

The captain is a 1977 graduate of Culver-Stockton College in Canton, Mo.

Antelopes win fierce defensive fight, 46-45

Dimmitt's Bobcats served notice here Friday night that they'll be in the thick of the District 2-AAA championship race again this year.

They defended the socks off of Abernathy, the region's top-ranked team, before losing by a point, 46-45, after two last-minute shots wouldn't fall.

"We did everything right except make that last shot," Coach Ken Cleveland said. "I couldn't be prouder of our kids."

The Bobcats sank their 2-3 zone defense and set up an airtight fence around Abernathy's premier post forward, 6-5 Ed Teal, holding him to 15 points. Dimmitt's Brad Holcomb was the game's high scorer with 17.

"We simply gave them the outside shot to keep one man in front of Teal and one behind him at all times," Cleveland said. "Brad did an excellent job fronting him. But ALL the kids did a good job. Our kids will do everything you ask them."

The Bobcats made the

Antelopes play catch-up from the start as they jumped to a 16-10 lead in the first quarter before a jam-packed, noisy crowd in the Middle School gym. At halftime, the score was Dimmitt 24, Abernathy 21.

The visiting Antelopes went ahead for the first time at 34-33 with 1:24 remaining in the third quarter, and that's where the score stood as the defense-dominated game entered the final period.

Teal sank a basket and Chester Cooper netted two back-to-back shots — including a beautiful reverse layup — to give the Antelopes a big six-point lead, 43-37, midway in the fourth. But Holcomb sank a jumper and Richard Saucedo drove the length of the court for a layup to pull the Bobcats back to within a basket at 41-43 with 3:20 left.

Following an Abernathy basket, Pat McDonald laid up a two-pointer on a nifty baseline move after a feed from Nick Martinez in the corner, and seconds later Martinez struck from the corner himself to tie it at 45-45 with 1:35 remaining.

Teal scored what proved to be the winning point when he sank a free throw as the game entered its final minute. But the Bobcats forced a turnover with 42 seconds left to set the stage for a pressure-packed finish.

Because of his outside accuracy, Martinez got the call to take the final shot, and he fired from the

corner with seven seconds left. But the ball hit the back of the rim and rattled out.

"I felt like we did everything we could do," Cleveland said. "I felt that if we could hold them under 50 points we would beat them — but they held us under 50, too."

He added, "I can find 15 places in the game film where we would have won if . . . if . . . if. Richard fed Dwight (McDonald) for a layup on a fast break, but Richard was fouled and the basket didn't count. Another time, Dwight sank a free throw but one of our kids jumped into the lane too early and it didn't count. There were a lot of little things like that."

Neither team was sharp from the all-important free-throw line. Dimmitt

sank seven of 16 while Abernathy sank six of 13.

"That's where we could have won it, too," Cleveland lamented. "In a game like that you have to hit your free throws, and we didn't."

It was the Bobcats' first district game in a 2-AAA campaign that Cleveland expects to be close all the way.

"All our district games are likely to be like the Abernathy game, and our kids are going to have to give it all they've got," he said. "A lot of the teams in our district are about even in ability."

In the varsity girls' game, the state-ranked Lady Lopes combined a trapping full-court defense and fierce inside play to

hand the Bobbies their first conference loss, 58-31. Tammie Washington net-

ted 12 points and Toby Tischler 10 to pace Dimmitt's scoring.

'Cats and Bobbies lose to Littlefield

Dimmitt's Bobcats and Bobbies took it on the chin again Tuesday night as Littlefield knocked them into the District 2-AAA cellar.

The cold-shooting Bobcats lost a 49-47 heart-breaker in overtime, while the Bobbies could manage only eight points in the second half and dropped a 54-33 decision in LHS gym.

In the varsity boys' game, Littlefield scored 14 unanswered points in the second and third quarters to come from an eight-point deficit, 29-21, to a six-point lead, 35-29, while the Bobcats watched all their shots bounce off the rim.

Dwight McDonald kept the Bobcats in the game, scoring almost half of Dimmitt's points (20) and making three key steals in the second quarter that gave his team its first lead at 19-17.

After the scoring slump in the second and third, the Bobcats climbed back to tie the score at 40 on a Mike Love free throw with 4:36 remaining.

Both teams muffed their

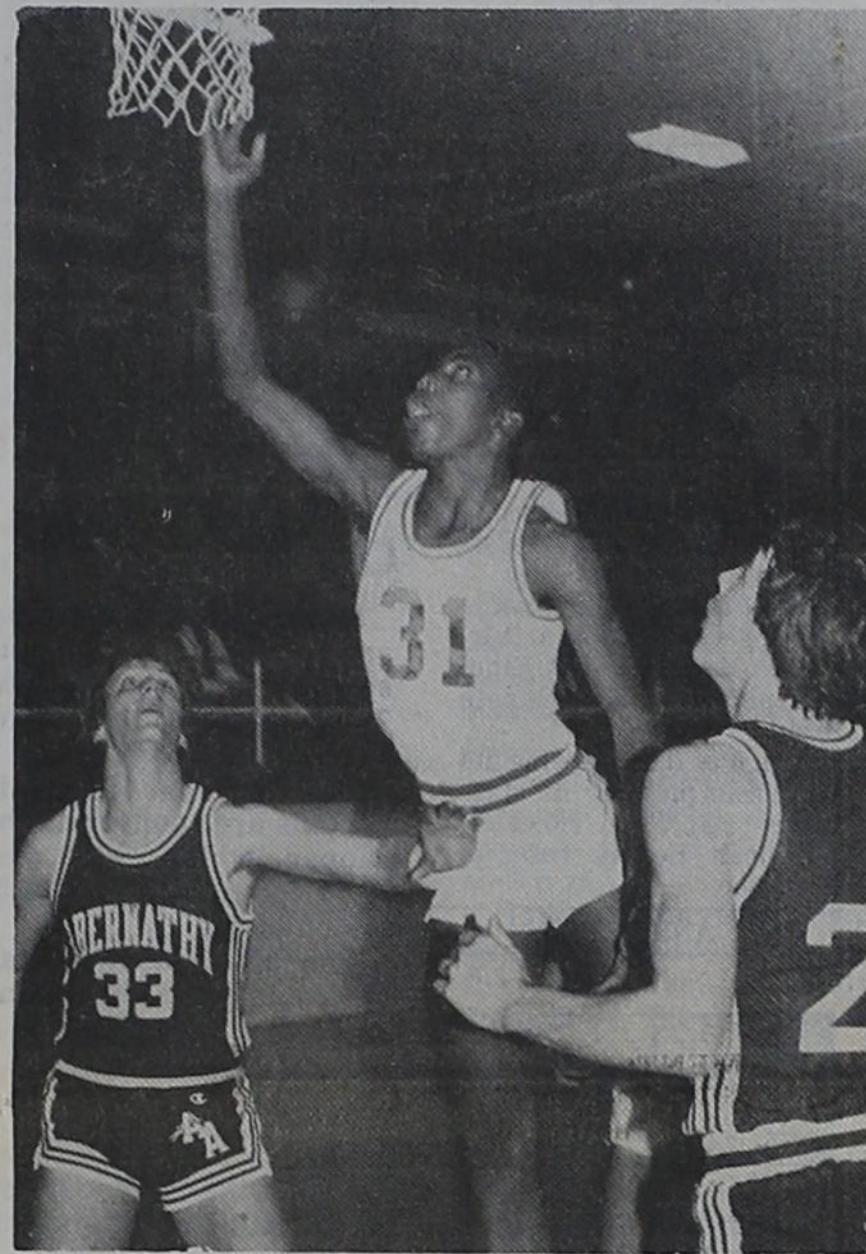

shots for the next two minutes, with the only point being a Littlefield free throw that tied it at 43. The Wildcats stalled away the last 1:22, then missed a final shot to send the game into overtime.

The Wildcats won it at the free-throw line in overtime, netting four foul shots and a field goal. McDonald scored all of Dimmitt's overtime points, sinking a 16-footer to tie it at 45-45 with 35 seconds left and an uncontested layup with five seconds remaining.

"This was one of the hardest ones for me to lose in years," Coach Ken Cleveland said, "because I think we have a better ball club than they do — but we didn't have Tuesday night. We just keep self-destructing. We could e 2-0 on district, and instead we're 0-2."

In the varsity girls' game, the Lady Wildcats surged to a 15-4 lead before the Bobbies climbed back and went ahead 19-18 midway in the second,

(Continued on Page 9)

PAT McDONALD goes above the crowd to sink a basket and cut Abernathy's lead to two points, 45-43, in the fourth quarter of the Bobcats' District 2-AAA opener here Friday night. Nick Martinez sank a corner shot seconds later to tie the score, but a later free throw by Abernathy's Ed Teal proved to be the game-winning margin as the Antelopes escaped with a 46-45 victory.

Nazareth and Sudan meet Tuesday

Nazareth vs. Sudan. Nuff said.

The two teams meet at 6:30 p.m. Tuesday in Sudan, and this year promises to be as exciting as last.

It will be the first of two District 6-A meetings between the top-ranked Swiftettes, and the second-

ranked Hornettes. In a sense, the game is of no great significance, since both teams will likely advance to the regional tournament and are predicted to meet in the regional finals.

But if you play for Nazareth or Sudan, each meeting will be the most important game of the

season. Assuming both teams win Friday night district games, the Swiftettes will bring a perfect 22-0 record into Tuesday's game. The Hornettes will be 20-2.

The two teams met earlier this season in the finals of the Queen's Classic tournament in Plainview, with the Swiftettes winning 40-28.

But Nazareth mentor Joe Lombard isn't taking anything for granted. "If they're not as good as last year, they are

awfully close," he said. Lombard said all the games between Nazareth and Sudan will be "good games, close defensive battles."

Sudan will be more post oriented this year, with 6-0 all-state post Sharla Harrison carrying the load. But the Hornettes could be deadly from the outside too with the shooting of Jeannia Nix and Missy Fisher.

Nazareth will be depending on the inside attack of 5-8 posts Renee Ramaek-

ers, Shari Schilling and Ramona Heiman. Handling outside duties will be Leona Gerber and La-Dawn Schmucker.

Of particular import- and to Nazareth Tuesday will be keeping its 87-game district winning streak intact and it's first ever perfect season record unblemished.

But the most important aspect of any meeting between Nazareth and Sudan is the battle for supremacy in Class A girls basketball.

SANDWICHED—An Olton guard looks forced many Olton turnovers, but the for an open girl Friday night in a District 3-AA clash with Hart. The Lady Longhorns' full court pressure defense McLain (43) and Christl Rowland (24).

capping a 15-point rally that was sparked by Tammie Washington and Bobby Tischler. Kim Howell scored Dimmitt's go-ahead basket on a steal and layup with 4:58 left in the second.

The lead changed hands until late in the second when Littlefield staged a six-point rally to take a 31-25 halftime lead.

Then the bottom dropped out for the Bobbies. They managed only four points to Littlefield's 10 in the third quarter, and only four points to Littlefield's 13 in the fourth.

"They did a good job of taking away our post plays," Coach Lyman Schroeder said. "We had to shoot from the outside, and only shot 29 percent from the floor."

The losses left the Bobcats and Bobbies with

identical records — 9-10 on the year and 0-2 in district. "The big question now is how we're going to respond to adversity — how well we can rebound from these early district losses," Schroeder said.

Cotton policy and the 1985 farm bill

Cotton policy options for the 1985 farm bill will be based to a large degree on policy lessons learned from the past 50 years, according to an Extension economist and professor for the Agricultural and Food Policy Center of the Texas A&M University System.

Dr. Ronald D. Knutson, an economist in marketing and policy with the Texas Agricultural Extension Service, told delegates attending the Beltwide Cotton Conference in Atlanta, Ga., Jan. 9 that "cotton will obviously not stand alone in this debate."

"The critical issue in the 1985 farm bill debate will

involve selecting the balance between the degree of income support through the target price mechanism, price support through the loan program, and production controls," Knutson said.

The policy outcome will be influenced by who is elected President and his choice for the Secretary of Agriculture post, Knutson predicted. "The outcome will also be influenced by how well we — the people — have learned farm policy lessons from programs spanning the past 50 years."

He emphasized that since the 1970s, government policy impacting agriculture has been an interesting — yet often

frustrating — mixture of domestic farm policy, foreign policy and general economic policy.

"While at one time it was possible to limit our discussions of policy to domestic farm programs, this certainly is no longer an option," Knutson told the cotton conferees.

In the absence of government intervention, farm prices are determined in a world market setting, Knutson explained. "This does not mean that these prices are determined by competitive, free market forces. In regard to cotton, only a few countries compete in that world market since most are state traders. This means that government officials, not competitive

market forces, determine supplies, exports, imports and prices," Knutson said.

In this kind of environment, fiber diplomacy has as much impact on the prices received by our High Plains cotton farmer as does domestic farm programs, said the economist. Additionally, the strong U.S. dollar has had the effect of raising the cost of our cotton in terms of currencies of many of our major customers above that of our competitors. The strong U.S. dollar can be traced directly to economic policies that foster high levels of deficit spending.

Result of the interaction of these political and economic forces in a world context has led some

agricultural policymakers to conclude that current farm programs are counterproductive and outdated. Other economists have raised questions concerning the need to reevaluate the consistency of supporting farm prices while attempting to expand exports of farm commodities, he said.

"As an economist, my inclination is to subscribe to both points of view. Basis for this conclusion lies in an analysis of our experience with farm programs during the past 50 years applied to today's economic and political conditions," he said.

Knutson said that lessons from the past have demonstrated that commodity programs cannot

operate independently of one another. Yet, feed grains and wheat have a reserve acreage program in 1984 while cotton does not. And wheat has a PIK (payment-in-kind) program this year while cotton and feed grains do not.

Acreage allotments or marketing quotas cannot be imposed on one commodity without encouraging the development of surpluses on another, he warned.

In regard to price supports, Knutson said that experience with farm policy indicates that high price supports (loan rates) stimulate production, reduce exports, increase imports and government stocks, and ultimately lead

to production controls. Acreage controls, based on farm policy experiences of the past half century, do not effectively limit production, he said. Farmers take their poorest land out of production and do a more efficient production job on the land they actually farm, Knutson said.

Target prices, from the perspective of farmers and economists, have been both good and bad news over the years, and production controls are helpful if farmers are willing to produce mainly for the domestic market, Knutson said.

Thus, 1985 farm bill options, he predicted,

include moving to a free market, developing a system of mandatory production controls, fine-tuning current policy, or establishing a stabilization and cost-sharing partnership between producers and government.

bie and Evelyn Lindsey left with the Harold Waggoners Sunday morning to ski a week or so at Copper Mountain, Colo.

Gary Lilley of Hart hurt his ankle Saturday afternoon while working on the oil well northwest of Olton. Johnnie B. and Shorty took him to the doctor in Lubbock Sunday after a sleepless night. He will see a bone specialist on Wednesday.

Brent Lilley is enjoying his stay in Germany. He recently went to Paris, France on a three-day pass, and saw all the tourist attractions.

Tammera Beville is staying with her grandparents, Lloyd and Leona Blanton, and working at K-Bob's.

Euleus Waggoner went to the ear doctor in Lubbock Thursday with an infected ear.

Billie and Emma Jean King attended the services in the First United Methodist Church in Dimmitt Sunday and the fellowship meal her class hosted for two other classes.

Lynn Brown came in Sunday night from working at Mount Lebanon Baptist Encampment near Dallas.

Mr. and Mrs. K. H. Cox of Lazbuddie, his brother Keith and wife Florence Cox of Medicine Lodge, Kan., and Mr. and Mrs. M. B. Odom of Dimmitt had supper Saturday night with Lynn and Sharon Cox, Brandon and Cinnamon.

J. R. and Ethel Ethridge and Lanette visited in Seminole last Sunday with her sister, Mr. and Mrs. Bivion Berry.

K. Sharon Freeman

Services were held Tuesday for K. Sharon Freeman, 43, a former Dimmitt resident, at the First United Methodist Church of Dimmitt, with Rev. Vernon O'Kelly, pastor, officiating.

Burial was in Westlawn Memorial Park.

Mrs. Freeman was killed Saturday morning when the pickup truck she was driving overturned on an unpaved road north of Weslaco in South Texas.

DPS troopers said the vehicle Mrs. Freeman was driving spun and overturned, and she was trapped in the cab of the truck.

Mrs. Freeman was born Aug. 6, 1940 in Dimmitt. She was a 1958 graduate of Dimmitt High School. She graduated from nursing school as a licensed vocational nurse, and was employed at Plains Memorial Hospital in Dimmitt for several years.

She had lived in Weslaco three years.

Survivors include two sons, Brent Bradley and Robert Freeman, both of Donna; her parents, Mr. and Mrs. P. O. Goodwin of Dimmitt; a sister, Ricki Dane of Iran; two brothers, Mike Goodwin of Festus, Mo., and Beelee Goodwin of Friona; and two grandchildren.

Pallbearers were Kent Pullig, Bill Dane, Scott Nelson, Stanley Nelson, Bill Gregory, and Donald Wright.

Harry Smith

Services for Harry Smith, 77, a former Castro County resident, were held Monday at Lakeview United Methodist Church with the Rev. Richard Doebl, pastor of Peoples Church, officiating.

Burial was in Memorial Park Cemetery by Schooler Gordon Funeral directors.

Mr. Smith was born at Verdin, Okla. He grew up in the Verdin and Anadarko area. He married Addie Lee Allen in 1931 at Clovis, N.M.

They had farmed and ranched in the Dimmitt and Hereford area before retiring in 1970 and moving to Dalhart. He was a member of Central United Methodist Church.

Survivors include his wife; three sons, Nick and Neil, both of Dalhart, and Ray of Plainview; a brother, Claude of Pendleton, Ore.; two sisters, Anna Mae Medley of Hereford and Emerald Epperson of Amarillo; 10 grandchildren and nine great-grandchildren.

The family requests memorials be to American Cancer Society.

Mrs. Ellen Norris

Funeral services for Mrs. Ellen Norris, 84, of Battle Creek, Mich., the mother of two Dimmitt residents, were held Jan. 10, after her death Jan. 6 following a brief illness.

Born Ellen Carpenter on Nov. 18, 1899 in Dickens County, she married John W. Norris on July 16, 1916 in Dickens County, where he farmed until they moved to Michigan in the 1940's. The pair had nine children, including three sets of twins. Her husband preceded her in death in 1978.

Mrs. Norris was a member of the Baptist church and had resided in Dimmitt for several short periods.

Survivors include a daughter, Mrs. Clara Vick and a son, Clarence Norris, both of Dimmitt; a son and daughter in Amarillo; a son in Alamogordo; two daughters in Michigan; a brother of Big Springs; 27 grandchildren; and 43 great-grandchildren.

ABOUT 25 percent of Texas' 4.9 million households burn wood.

FRIEND OF 4-H AWARD is presented to the Dimmitt Kiwanis Club by the Castro County 4-H. Presenting the award is 4-H member Sheryl Simpson. Accepting is Club President Alex Glass.

4-H gives plaque to Kiwanis Club

The Castro County 4-H and Mark Kilpatrick; Dimmitt Key Clubbers Donna Behrends and Bruce Bryant; and visitor Truman Touchstone. Eighteen members attended.

Designating the club as a "Friend of 4-H," the plaque was presented in appreciation for all the club's efforts on behalf of the 4-H program, including a recent \$1,000 donation. The presentation was made by 4-H'er Sheryl Simpson, this year's Gold Star Girl for the county.

County Agent and 4-H leader Menzies McWilliams also presented a brief program on 4-H, relating some of the current club activities and upcoming stock shows.

In other business, club members voted to donate \$50 toward traveling expenses for a local family to be with their 2-year-old girl who is scheduled for surgery in Dallas. Paid for by the Shriners' Crippled Children's Hospital, the surgery is to correct defects from spina bifida, according to Dimmitt Counseling Center employee Genell Craig.

Nutt speaks to T&C Club

Teresa Nutt, CEA-HE, presented a program on "The Advancements of Wash Day" at last Thursday's meeting of the Town & Country Extension Homemakers Club.

She reviewed the many technological improvements that have been made in the process since the first shirt was beat against a rock.

Two new members joined the club. They are Cora West and Yvonne Hufhines. Club member Margaret Womack provided refreshments of pumpkin cake, coffee and tea.

Bennett, Hedgpeth wed, make home in Perryton

Mr. and Mrs. Jay Don Hedgpeth are at home in Perryton after a honeymoon trip to Santa Fe, N.M., following their Jan. 7 wedding.

The bride is the former Misty DeAnn Bennett, daughter of Mr. and Mrs. Richard Bennett of Dimmitt. The groom is the son of Mr. and Mrs. Donald Hedgpeth of Perryton.

The formal, double-ring ceremony was performed in the Full Gospel Church of Perryton with Rev. Harroll Waterbury officiating.

Teresa Cotter of Perryton served as maid of honor, and bridesmaids were Julie Aylett and Kim Turner, both of Perryton. They all wore floor-length gowns of red chiffon, fashioned in an off-the-shoulder style. The full skirts were worn over hoops. Each carried a long-stemmed rose accented with evergreen and a red velvet bow.

Best man was Louie Gaunder of Perryton. Groomsmen were Rick Stiles and Marvin Rodriguez, both of Perryton. The men of the wedding party wore black tuxedos with tails, black vests and bow ties.

Ring bearer was Shawn Parson of Dimmitt. Flower girl was Natasha Stephens of Odessa, cousin of the groom. She wore a floor-length gown of red chiffon and carried a white basket filled with rose petals.

Candlelighters were Kendall and Daniel Ellis of Denver, Colo., cousins of the bride. Ushers were Marc Bennett of Dimmitt, brother of the bride, and Dean Arnold of Perryton.

"Aubrey Leighorn of Perryton was the organist. Soloists Lana Rice and Eldon Officer, both of Perryton, sang "Just You and I," "Surround Me with Love," and "Up Where We Belong."

The bride was given in marriage by her father. She wore a floor-length gown of lace and tulle, fashioned with a fitted bodice. The square neckline was accented with seed pearls and sequin trim. The long sleeves of sheer lace tapered to a point over the wrists. Worn over a hoop, the bouffant skirt was enhanced by tier upon tier of scalloped lace, which also accented the hemline. Her two-tiered veil was trimmed with white lace and satin ribbon, and was held by a wreath of white silk flowers. Her bouquet was a cascade of red roses accented by star burst mums and greenery, with red velvet streamers.

In keeping with tradition, for something old, the bride wore her mother's wedding dress. Something new was her veil. Something borrowed was a pearl necklace from her grandmother. Her garter was something blue.

Lining the center aisle of the church were red bows with silk holly and red candles. The altar and baptistry railings were lined with evergreen boughs accented with red bows and candles. The altar railing held the unity candles. A brass spiral candelabra held white candles and was surrounded with white poinsettias, which also lined the steps.

At the reception, the bride's table had a red cloth with a white lace skirt. The mirror table runner reflected the centerpiece of red and white carnations, complemented by pieces of

MRS. JAY DON HEDGPETH ... nee Misty DeAnn Bennett

evergreen and a red candle under a glass globe.

Red punch, red and white mints, and red tapers in glass holders added to the color. The three-tiered cake held a fountain on the bottom tier. Also on the table was a silver "boss" cup, a German wedding tradition.

A silver coffee service graced the groom's table, which was covered with a red cloth overlaid by white lace. A poinsettia candle ring and red candle covered by a glass globe served as the centerpiece. The chocolate cake bore the frosting inscription

"Get Me to Church on Time."

Servers were Christine Aylett, Carlene Johnson and Mrs. Raymond Reid, all of Perryton. Houseparty members were Chrissy Palmer and Meg Shackelford, both of Perryton, Sandra Broadstreet of Haskell and Teresa Parson of Dimmitt.

The bride graduated from Perryton High School in 1982 and attended West Texas State University for a year.

A 1980 graduate of Perryton High School, the groom is employed at A. W. Arnold and Associates in Perryton.

Apply now for DKG grant

March 1 is the deadline for applications for a recruitment grant from the Iota Zeta Chapter of Delta Kappa Gamma Society, members were reminded at the group's recent meeting.

The purpose of the grant is to encourage upper classmen in colleges in the

field of education to go on into teaching.

"The grant is open to students who graduated from any of the high schools in Castro County," a group spokesperson said, adding that the winner of the scholarship will be announced in the spring. At the recent meeting,

Feature Teacher named for January

The Dimmitt Classroom Teachers Association has named Diane Axtell as the Feature Teacher of the Month for January.

A third grade teacher for the past six years at Richardson Elementary, she has taught in Dimmitt since 1970. She previously taught adult basic education, second grade, and was a migrant resource teacher at Dimmitt. During a year of teaching in Sudan, she taught English.

Born in Iowa, Axtell obtained her bachelor's degree in English at the University of Northern Iowa, and finished her master's in education at West Texas State University.

Serving as building representative to the CTA, she has also served as CTA legislative representative, and has worked on the steering committee for the school district's five year plan.

Axtell conducted a writing workshop at a cluster in-service at Tulia, instructing other teachers in methods of teaching writing to elementary students.

Her husband, Charles, is a farmer. They have two

G.T. parents stress support

The majority of parents were overwhelmingly in favor of giving organized parental support to the Dimmitt school program.

Mrs. Glenda Sims, teacher of the 4th, 5th, and 6th grade students, explained how students are chosen for the program and gave an assessment of where the Dimmitt program is at this time.

Donna Clopton of West Texas State University spoke to the parents. She urged parents to give support in three areas: to each individual child, to the local G. T. program, and to gifted education in general.

She said, "gifted children are not necessarily better or smarter, they just learn in a different way."

Mrs. Hanners told the group, "If your child is in the band, you are a band booster. If your child is an athlete, you cheer at every game. We must give as

Parents of the students enrolled in the Dimmitt Middle School Gifted and Talented Program met recently and elected officers.

Susan Hanners was named chairman. The group elected Wanda Nelson co-chairman and Sandra Waggoner as secretary-treasurer.

The meeting was held to assess the interest in forming a parent support group for the G. T. program.

The parents were urged to bring their ideas and goals for the new organization to the next meeting planned for Feb. 21.

Abilene is new home for Mr. and Mrs. Pond

After a wedding trip to Lubbock, Mr. and Mrs. Steven Roy Pond are at home in Abilene.

The bride is the former Shelley Kim Watts, daughter of Jerry and Carolyn Watts of Dimmitt. The groom is the son of A. L. and Ruth Pond of Crestline, Calif.

The pair were wed Jan. 2 in the First Baptist Church of Dimmitt in a formal, double-ring ceremony with Dale Pond, brother of the groom, officiating.

Maid of honor was Deanne Merritt of Dimmitt. Janet Cockerell of Mission was a bridesmaid and Kristi Sims of Dimmitt was junior bridesmaid. They all wore ballet-length dirndl skirts of mauve moire taffeta, featuring grosgrain multi-colored sashes, and topped with Dobby net blouses over white camisoles. Their outfits were completed with white hosiery and white ballet slippers. In their hair they wore halos of greenery and baby's breath. The older two carried hand woven baskets filled with African violets, and the junior bridesmaid carried hand-gathered daisies in a taffeta-lined garden basket.

Serving as best man was Stanley Ray Pond, twin brother of the groom. Groomsman was Don Pond, brother of the groom. All the men of the wedding party wore gray tuxedos with white wing tipped shirts. The groom and his attendants wore bow ties; the others wore ascots.

Ushers were Jeff Watts of Dimmitt, brother of the bride, Trent Armstrong of Dimmitt and Bill Fox of Amarillo. Pianist Zelta Ellison sang "Me and My House," and accompanied Greg Pharris as he sang "You Are" and "This is the Day."

Given in marriage by her father, the bride wore a waltz-length gown of white taffeta with a double overlay of sheer white organdy. The yoke featured a white lace inset and a large lace ruffle overlapping the elbow-length puff sleeves of organdy. Coordinating lace trimmed the ruffle and the bottom of the skirt. The bride also wore white hosiery and ballet slippers, and a multi-colored sash. In her hair, she wore a halo of greenery interspersed with white roses and baby's breath. Her cascade bouquet was formed of white sweet-heart roses, and cymbidium orchids, accented with ming and plumosa ferns and lemon leaves, highlighted with baby's breath and tied with ribbons in the bridal colors.

Her traditional something old was the Bible she carried that her mother had also carried in her wedding. Something new was her gown. Borrowed was a pearl necklace and earrings belonging to Twila Sawyer, aunt of the bride. Her garter was blue.

The altar focal point was centered by a 15-candle flare candelabra, trimmed with greenery and mauve bows. It was flanked by two 15-candle spiral candelabras with the same trimmings.

The reception was held in the church fellowship hall. The bride's table held the three-tiered white wedding cake, baked by Joanne Snider. Decorations on the cake were

fresh daisies, white roses, spider mums and smylex greenery entwined on each layer. It was topped with a small bouquet of white roses and baby's breath accented with fern. Fruit punch was served, along with cream cheese mints made by Twila Sawyer.

A floor-length maroon cloth with a crocheted doily on top covered the groom's table, which held glass canisters of chocolate-chip cookies and Texas "trash." Hot cranberry tea was served from stainless steel, and wooden spool candleholders trimmed with maroon bows added to the decorations.

Ramey is honored on 94th birthday

Edwin "Goose" Ramey celebrated his 94th birthday Saturday when his children, Decimae Beene and Bub and Emily Ramey, hosted a dinner in his honor at the Friendship House in Friona.

A buffet-style meal of a variety of meats, salads and baked beans was served to family and friends. The birthday cake featured a colorful depiction of a hot air balloon and bore the frosting inscription "Fly High on Your Birthday, Happy Birthday, Dad."

J. B. Noland of Summerfield read "A Legend to Being 94." Mrs. Terry Robertson of McCamey read an original poem composed by Rev. Weems S. Dykes of McCamey, using personal information about Mr. Ramey in the poem. The minister of the First Christian Church of McCamey, Rev. Dykes served as Poet Laureate of Texas in 1980-81. The youngest in attend-

ance at the party were Mr. Ramey's two fourth-generation nephews, five-week-old Mathew Wright and one-week-old Cliff Wright.

Others attending included Mr. and Mrs. Harned Ramey of Lawton, Okla., Mr. and Mrs. Don Davis of Austin, Terry Robertson of McCamey, Mrs. Ada Crager of Canyon, Mr. and Mrs. Tom Draper of Hereford, Mrs. J. B. Noland of Summerfield, and Jim Noland of Amarillo; Mr. and Mrs. Donald Wright, Mr. and Mrs. Rick Wright with Wesley and Mathew, Mr. and Mrs. Jim Wright with Cliff, Mrs. Blanche Ginn, and Mr. and Mrs. Luke McGuire, all of Dimmitt; and Mr. and Mrs. Herschel Johnson, Mr. and Mrs. Jay Beene with Brent, Mr. and Mrs. Glenn Floyd, and Mrs. Willie Brailiff, all of Friona.

Mr. Ramey was also featured in the Tuesday edition of the Amarillo Daily News on page 1 of Section C.

HOLLY SOIL TEST—Jay Eubanks (standing) and Stan McCabe, agriculturists for Holly Sugar Corp., take a four-foot soil sample at the farm of Dean Wiseman west of Dimmitt. The Giddings hydraulic soil sampler yields core samples for nitrogen analysis to help improve sugarbeet quality and project yields.

Holly Sugar begins soil analysis program

Holly Sugar Corp. has started a quality improvement program for the 1984 sugarbeet crop. In an effort to improve quality of sugar beets (obtain high sugar percentage), four-foot soil samples are being taken prior to contracting.

"Research has shown and history has proven quality or sugar percentage of sugarbeets has an inverse relationship with nitrogen in a particular field," according to Cal Jones, agricultural manager at the Hereford factory.

Since growers are paid according to the percentage of sugar actually produced in a field, soil sampling and nitrogen analysis provides both the grower and Holly with an insight into expected yields.

Lower nitrogen fields may require a starter fertilizer (nutrients quickly available) to maximize early growth of the sugarbeet seedling, Jones said. y maximizing early growth and continuing growth at a rapid rate throughout the growing season, growers can achieve high yields in both tonnage and sugar percentage.

"Soil sampling is a service we provide to

sugar beet growers in an effort to assist them in some of their management decisions," Jones explained. "After the sample is taken, our laboratory, under the direction of Don Anderson, chief chemist, makes a nitrogen analysis and results are reviewed with growers prior to signing a contract. We want a grower to be aware of what his yield potential on a particular field is prior to contracting. This avoids disappointing yields due to high nitrogen-suppressing sugar percentage in the fall. Factory processing is also much improved, as we have fewer non-sugars (impurities) to remove to recover white granulated sucrose."

Agriculturalists began soil sampling this week and will continue until all 38,750 acres to be contracted have been selected. Contracting will begin within the next week or two when results of soil samples are reviewed with growers.

"Soil sampling is just one step in our quality program," Jones said. "Leaf petiole analysis, pre-harvest root samples and good agronomic practices are also key elements to high yields and high quality sugarbeets."

Police calls

Five men, ranging in age from 23 to 34, were arrested during the week. Two men were arrested on drunk pedestrian charges and two were arrested for DWI.

A 23-year-old Dimmitt man was arrested on two counts of delivery of a controlled substance. Bond has been set at \$10,000 on each charge.

Two minor traffic accidents were reported during the week.

Sunday, an unidentified vehicle struck a pickup parked at 310 W. Dulin. The vehicle left the scene without leaving any information.

Two vehicles collided Monday when Mary Rodriguez Torres failed to yield right of way to an oncoming car at N.W. 2nd Street.

Crime Line offers \$400

Crime Line is offering \$400 in reward money this week for information about two burglaries involving the same residence.

On Jan. 8 the residence of Raul Apodaca 1.5 miles NE of Hart, was burglarized. The same residence was broken into on Jan. 15 and more items were stolen.

In the Jan. 8 incident, entry into the house was made through a door located on the north side. Taken was a Midland 19-inch color television, a stereo with an eight track tape player, two speakers and a .22 caliber semi-automatic rifle. The stolen property is valued at \$530.

On Jan. 15 someone kicked in the back door of the Apodaca residence and took a 13-inch black and white television set in a brown cabinet and a blender. Value of the stolen items is approximately \$90.

Anyone having information about either of the crimes should call Crime Line at 647-4711.

Esquivel acquitted

A six man, six woman jury returned a not guilty verdict last Wednesday afternoon in the trial of Ramiro Esquivel, 41, of Dimmitt.

The jury deliberated about an hour before returning the verdict.

Esquivel was accused of stabbing Leon Sandoval, 26, of Dimmitt, in a May 1, 1983 incident at a Dimmitt cafe.

The defendant stated in testimony last Wednesday that he did not strike the first blow in the fight. The defense brought forth several witnesses who indicated that Sandoval was possibly the aggressor in the incident.

'AFS Week' proclaimed

Gov. Mark White and Mayor R. L. Fleming have both proclaimed the week of Jan. 23-30 as "AFS Week" in Dimmitt and across Texas, in tribute to the American Field Service exchange students in the state.

The Dimmitt AFS Chapter is getting an early start on the special week with its "AFS Weekend" today through Sunday. Eleven exchange students from other Panhandle cities will spend the weekend with Dimmitt families and be treated to a dance, swimming party, meals and basketball games.

Dimmitt's AFS Chapter has been one of the most active, having helped find local host families for exchange students for the past 23 years. Approximately 30 students from all over the world have attended Dimmitt High School through the years under the AFS program.

Dimmitt's first exchange student was Pia Nassman of Finland in 1960-61. Now her daughter, Nina Moberg, is attending Dimmitt High School because her mother wanted her to have the same experience.

Although Miss Moberg is not here as an AFS student, two others are — Anja Biester of West Germany, who lives with the Monty Boozer family, and Owen Viles of New Zealand, who is living with the Doub Pybus family.
