Accuses Russia Of False Account Of Plane Incident

SHARP U.S. NOTE REBUKES REDS FOR DELIBERATE LIE

WASHINGTON, May 5 (UP)—The United States today accused Russia of deliberately lying about last month's Baltic plane incident and of conducting herself in a manner dangerous to peace.

In one of the most blistering notes of modern times, the State Department charged that Russia has no intention of telling the truth about the April 8 tragedy in which 10 Americans were lost when Soviet fighters shot down an unarmed Navy patrol plane.

The language of the note was about as tough as diplomatic usage permits. It accused Russia of "disregard for law, custom and the opinion of mankind." It said Russia's conduct is "a further obstacle to the establishment of harmonious relations among nations."

And it asserted that the Soviet government's refusal to meet "the obligations which international law and practice impose on members of the families of nations" cannot be reconciled with that government's "continued protestations of its devotion to the cause of peace."

But the effect of the note apparently is to close the incident for the time being. While warning Russia of "the seriousness" with which this government views Russia's conduct "in matters of such grave consequence," the note suggested no further efforts to resolve the quarrel.

Russia's repeated false charges that the unarmed Navy plane was a B-29 type of bomber and that it violated Soviet territory makes it clear, the U. S. note said, that the USSR has "no intention of meeting" its obligations. "It is clearly impossible," the note said, "to resolve this issue so long as the Soviet government refuses to base its position upon the facts of the case."

"The Soviet government," the United States said, "must bear the responsibility both for the action of its Air Force and for the manner in which it has dealt with this incident."

"The government of the United States must warn the government of the Soviet Socialist Republic of the seriousness with which it regards the attitude of the government of the USSR in matters of such grave consequence."

The American note again denied the Soviet contention that a B-29 had violated Soviet territory and exchanged fire with Russian fighter planes.

It again affirmed the American version — that the Soviet fighters had shot down an unarmed Navy Privateer aircraft of the open waters of the Baltic Sea on April 8 with the loss of 10 American fliers.

The note said that it was "apparent that the Soviet government's account of the incident is not factual."

The Soviet Union, in a note on April 21, had rejected as "absurd" the American version of the Baltic incident. The Soviet Union reiterated that a B-29 "Flying Fortress" had flown over Soviet installations in Latvia. The B-29 is a "Superfortress."

In its reply today, the United States said the Soviet note "makes it obvious that the USSR continues to base its position on the erroneous account . . . and that it has failed to carry out the careful investigation suggested by the United States which would enable it to correct these errors."

The new American note rejected as "wholly without foundation" the Soviet charge that American aviators had "besmirched themselves by grossly violating universally accepted principles of international law."

A Cappella Choir Of Odessa High In Sat. Program

Robert Page, director of the Odessa High School A Cappella Choir, which will appear at the Eastland High School Auditorium Saturday night, is a graduate of Abilene Christian College and has done graduate work at the University of Indiana. He is married to the former Glen Castleberry, daughter of Commissioner and Mrs. T. E. Castleberry of Eastland.

He has been featured with the San Diego Civic Light Opera Association in leading roles and his arrangements of many popular selections are included in the repertoire of the choir.

The 50-voice choir is currently on a tour which includes programs in West and North Texas, a singing at Amarillo, Childress, Eastland, and Hallinger high schools; churches in Vernon and San Angelo; and on the campuses of Texas Tech College, Lubbock; and Midwestern University at Wichita Falls.

In the 1950 Regional competition, the choir won first division rating in both concert and sight reading, the only choir in Region VII, to accomplish this feat.

There are 27 women and 23 men comprising the choir. They feature a program of sacred, secular, spiritual and popular selections.

The program will be held in the Eastland High School auditorium and will begin at 8 o'clock.

Church To Hear Visitors Sunday

The Rev. R. C. McCord, pastor of the First Christian Church, announced today that two visiting ministers will deliver the messages at services at his church Sunday.

At the morning service, the Rev. Art Beuhler, assistant pastor of the First Christian Church in Abilene and youth director for the state of Texas, will deliver the sermon. The minister has traveled extensively and studied in Europe.

At the evening service the pastor of the Abilene church, Dr. Harley Wollard, will be in charge of the service. Dr. Wollard is said to be one of the outstanding ministers of the Christian Church. He formerly held pastorates in Kansas and Oklahoma and recently at one service at the Abilene church had 125 additions to his church.

The public is invited to attend both services.

Prince Denies Divorce Rumors

CANNES, France, May 5 (UP)—Prince Aly Khan laughingly denied today a Rome newspaper report that he and his movie star wife Rita Hayworth were in Cannes to start divorce proceedings.

The paper said Rita and Aly would arrive here tomorrow. Aly pointed this out in denying the report.

"We have been here for some time and we have no intention of getting a divorce," he said.

Both Rita and Aly have been around Cannes together on numerous occasions since their arrival. Yesterday the two stopped in at the bar of the swank Carlton Hotel for an appetizer. Earlier this week they were seen in the Municipal Casino together.

Legion Wants Formosa Held

INDIANAPOLIS, Ind., May 5 (UP)—The American Legion National Executive Committee says the United States should hold Formosa "as a bastion of freedom" and a military base against "Communist aggressors" on the Asiatic mainland.

The committee yesterday adopted a resolution which said that "we believe it is imperative that the U. S. Department of Defense appraise the defendability of Formosa."

Banks Are Safer CHICAGO (UP)—Mrs. Hatie Irving reported that burglars who stole \$2,800 in cash she had hidden in her room were thorough. Mrs. Irving had put the money inside a purse, pinned the purse to a clothes locker bar and concealed it inside a dress in her closet.

Admits Killing Holdup Victim

PARIS, Ill., May 5 (UP)—Pvt. David R. Saunders of Ft. Monmouth, N. J., confessed today that he killed liquor store owner Claude Curry, 54, during a holdup last night.

Saunders, 20, said Curry resisted when he held him up with an Army pistol about 10 p. m. He said the first shot was fired accidentally during the struggle, striking Curry in the head. But he said he fired the second shot into Curry's abdomen deliberately.

Witnesses saw Saunders run from the store but were not close enough to identify him.

However, Curry's widow told officers she knew "who did it."

"It was a soldier," she said. "It's the same one who gave my husband a bad check last month and then made good on it."

Police said Saunders made no mention of the check in his confession, however.

Officers who arrested him at his roominghouse, where he was staying while on furlough, recovered \$147 taken from the store. About \$700 more was believed missing.

Money Comes First NEW BEDFORD, Mass. (UP)—Stricken with grippe, Frederick G. Britton, 77, refused to allow police to take him to a hospital "until my money is counted and deposited in the bank." Police gathered Britton's savings from two brown paper bags, tucked in a dresser drawer. The cash hoard totaled \$5,590.

Africa and Asia are separated by the Suez Canal. Egypt is thus partly in each, since its historic Sinai Peninsula lies east of Suez.

SHIRLEY MAE WILL TRAIN AT LAKE TEXHOMA—Shirley Mae France, center with her father, as they arrived in Dallas enroute to Lake Texhoma. Shirley was greeted by Charles Bowly, left, Pres. of the Concessioners Club of Lake Texhoma and Gerald McCarthy, right, Pres. of the Lake Texhoma Sportsmans' Club. Shirley will train for her Channel attempt at the famed Texas-Oklahoma resort. (NEA Photo).

THIRD REPORT ON BUREAU PLANS FOR DAM ON LEON MAY BE ASKED

Further trimming of the costs of a dam across the Leon River was considered at a meeting held in Ranger Thursday afternoon with representatives of Ranger, Gorman and De Leon attending.

Possibility of still greater cuts in the cost of such a dam was brought out after engineers for the Bureau of Reclamation had trimmed the cost from \$6,432,000 to \$5,799,000. The cut was brought about through reduction in the size of the dam to be built.

The new plans would create a lake that would impound 28,000 acre feet of water, as compared with the original estimate of 32,000 acre feet of water.

The meeting which was held at the Chamber of Commerce was called to hear figures that had been requested by the three towns represented after Cisco and Eastland had indicated that the project was too costly for them.

However, one set of figures presented at the meeting still included Eastland in the project. H. M. Sipt of the Bureau office in Austin said that if Eastland stayed in the project, raw water could be delivered to the four towns at the following rates: Eastland, 18 cents; Ranger, 16 cents; Gorman, 20 cents and De Leon, 27 cents. If Eastland does not come into the project then rates to the three towns would be, Ranger 22

cents; Gorman, 26 cents and De Leon, 33 cents. Original estimates had been Eastland, 18 cents; Ranger, 17 cents; Gorman, 23 cents and De Leon, 32 cents. Sipt said that should Ranger alone remain in on the project that water could probably be delivered for 24 cents, which city officials said was not exorbitant.

Representatives at the meeting expressed interest in continuing the study of the project offered by the Bureau of Reclamation and Dr. P. M. Kuykendall, president of the Eastland County Water Supply District Board of Directors, who presided at the meeting, asked the Gorman and De Leon representatives if they would be willing to go deeper into the study through a request for a "feasibility" report from the bureau. Both representatives asked that they be permitted to discuss the matter with their city commissions and report to the water board by letter.

It was explained that in order to make a feasibility report, a bureau geologist will have to

Baptist To Hear Visitor Sunday

It was announced today that Dr. E. L. Carlson of the Theological Seminary in Fort Worth will deliver the sermons at the First Baptist church Sunday.

Dr. Carlson who is professor of the Old Testament at the Seminary will deliver both the morning and evening services.

He is filling the pulpit in the absence of the Rev. David C. Ham who is attending the Baptist Convention in Chicago.

REMINGTON SAYS HE'S NO COMMUNIST

William W. Remington, suspended once from Commerce Department, as he testified before a House Un-American Committee in Washington, Remington denied that he is or ever was a Communist.

Minnesota Quads Doing 'Just Fine'

SLEEPY EYE, Minn., May 5 (UP)—The tiny Seifert quadruplets, named simply "A," "B," "C" and "D" were getting along "just fine" today while their father struggled to outfit them with better names.

The three girls and one boy, born Wednesday to Mrs. Arthur Seifert, 37, were under constant watch in their incubator at the Sleepy Eye Hospital.

Hospital officials said the four-some had not been weighed since birth because they were too delicate to remove from the incubator.

"But they're getting along just fine," a nurse said.

Seifert, 43, who already had six children before the quads arrived, announced after birth that he just couldn't think of four more names.

He offered to give \$10 for each acceptable name received.

A neighboring newspaper has come through with another \$25 for an acceptable set of names.

Cheaper That Way ST. LOUIS (UP)—A burglar didn't have any trouble robbing the Cherry Blossom Co. safe of \$20 in petty cash. He merely read a sign saying the safe could be opened by turning the dial left to No. 7 and followed the directions. The firm put up the sign after the safe had been badly damaged by a burglar's efforts to force it open years ago.

WILD WEATHER OUTBURST BRINGS DUST, TORNADO

By United Press A dust cloud drifted eastward across Texas today after a wild outburst of weather in the western portion of the state produced 110-mile winds, a towering black dust storm and a tornado that killed one man and injured 14 persons.

The tornado was at Perryton, where Bill Kling, 40, was fatally hurt. Two others — Kling's wife and a 70-year-old man — were in serious condition.

A 24-block area of the Panhandle town was stricken. The twister roared through Perryton about 8:30 p. m. yesterday, even as West Texas — from border to border — was buffeted by high winds and choked by dust.

Guadalupe Pass clocked the winds at 110 miles per hour at the peak. Airports were closed at most places. El Paso at the height of the dust had visibility of zero.

Baseball games throughout West Texas and New Mexico were postponed because of the high winds and dust.

By morning, skies over El Paso had cleared out. A cool front swept the dust pall eastward and it hung, in a not so dense cloud at mid-morning on a line southward from Dallas to Bryan and San Antonio.

Visibility at Waco was out as low as three-quarters of a mile. Tyler had a light rain shower even while dust trimmed visibility to a mile.

Winds over the western portion of the state were calm, but they were stiff in some places. Lubbock and Wichita Falls had what the weather bureau called "local dusts" at mid-morning. Wind velocity was 30 miles an hour at Lubbock.

The tornado lowered on Perryton out of a dusty, ominous sky. An estimated 25 per cent of the homes in the stricken 24-block area were flattened.

Relief workers from Borger, Amarillo and other Panhandle towns went to work at dawn, offering aid to the families who lost property in the storm.

Mrs. Kling, wife of the man killed by the twister, had a serious head injury. Lambert, the other storm victim considered in serious condition, received severe head injuries and then suffered a heart attack. He was 70 years old.

There was no rain of any consequence at any official weather reporting station in the 24 hours ending at 6:30 a. m. today.

South Texas temperatures were summer-like yesterday, with Laredo's 105 degrees the top. President had 101. This morning, with the passage of the cool front, temperatures ranged upward from 37 at Salt Flat and 38 at Dalhart to 74 at Houston and 77 at Brownsville and Laredo.

Only Slim Clues In Mineral Wells Bank Robbery

MINERAL WELLS, Tex., May 5 (UP)—Police had only meager leads to follow today in the \$1,522 stickup of the City National Bank by a gloved bandit yesterday.

Mineral Wells officers said a passerby saw a man run across the street toward the State Bank and disappear into an alley about the time of the noon-hour hold-up.

The unmasked slender bandit appeared at the City National Bank wearing large-size gloves and a brightly colored cap. He pushed a note through the cage window where Miss Lora Corrigan, a lone cashier, was working.

The note said a gun was in the glove, and demanded that Miss Corrigan fill a sack with money. The bandit fled when Miss Corrigan started to comply with his order for \$50 bills, in addition to the \$1, \$5 and \$10 bills she had stuffed into the sack.

Says Radio Can Be Used For Good VATICAN CITY, May 5 (UP)—Pope Pius said today that radio does more good than evil, and urged that it be used more for religious education.

The Pope spoke in French to delegates of an international administrative conference on high frequency broadcasting.

He said the Catholic Church was interested in radio because it was "an eminently precious means for the accomplishments of her own mission."

In an apparent reference to the situation in Eastern Europe, the Pope said radio was especially important for those people who "have neither churches nor priests."

The Pope said the Catholic Church through its Vatican radio station was working for interests higher and more sacred than political interests.

The lagoon at Eniwetok is six times the area of the District of Columbia.

THE WEATHER

By United Press EAST TEXAS—Partly cloudy, a few thundershowers in extreme east portion this afternoon and early tonight. Cooler tonight. Saturday partly cloudy, little change in temperatures. Fresh southerly winds on the coast, becoming variable and diminishing tonight.

WEST TEXAS—Fair this afternoon and tonight, colder tonight with low temperatures near freezing in the Panhandle. Saturday fair, warmer in the afternoon.

GUSTINE DEFEATS RANGER 4 TO 2 IN HOME OPENER

Gustine handed the Ranger soft-ball team a defeat here Thursday night when the opening home game of the season was played at 8:15 o'clock. Gustine took a 4 to 2 lead to win the game.
Mayor Price Crawley opened the home season in the pitcher's box with O. G. Lanier, finance commissioner, at the bat. Crawley pitched three straight balls, then the umpire called two strikes and Lanier walked on the fifth ball.
Then the game got down to serious business with Simpson pitching for Ranger and Suddeth in the box for Gustine. Gustine

DEDICATION AT SMU—Dedication ceremonies for the new \$2,150,000 Fondren Science Building at Southern Methodist University will be held May 10. Scientists and educators from all parts of the South and Southwest will attend dedication of the structure, which is said to be the nation's most advanced building for use in science instruction. With a total of 100,000 square feet of floor space, the building is largest on the SMU campus. Construction was made possible through the philanthropy of Mrs. W. W. Fondren of Houston. The building will house the SMU departments of Biology, Chemistry, Geography, Geology, and Physics. Insets show Mrs. Fondren and Dr. Umphrey Lee, president of SMU.

Odessa Top Contender In TIL Track, Field Meet

AUSTIN, Tex., May 5 (UP)—Odessa stood out strong as a top contender in the class AA bracket of the 40th annual Texas Inter-scholastic League state track and field meet opening today for a two-day run.
A field of 543 schoolboy athletes were to take part in the track and field divisions of the meet.
Preliminaries opened this morning, with final events scheduled in the discus throw and broad jump for all three divisions, and in the pole vault for conferences A and B.
Odessa's bid to capture the division title from defending champion Corpus Christi was based chiefly on Joe Childress, who was clocked in 9.8 seconds for the 100-yard dash in his regional test.
A ranking favorite in confer-

ence A was Brady, with strong entries in the 440 and mile relays. Rising Star was the record holder in the class B mile relay, and was ranked a strong competitor against White Deer and White Oak in that division.

The meet opened yesterday with one-act play competition. Full-scale competition was set for the remaining two days by more than 1,000 contestants from high schools throughout Texas.
A golf division was being held for the first time. Eighteen high school linkmen tee off in class AA competition.
The temperature at Fairbanks, Alaska, ranges from 90 degrees above zero to 60 degrees below. Reindeer raising in Alaska is reserved law for Eskimos.

Heiress Comes Into Fortune

LOS ANGELES, Calif., May 5 (UP)—Beulah Louise Overell Cannon held possession today of the \$257,831 estate of her parents whom she was acquitted of slaying.

Mrs. Cannon became 21 last Monday. She and George (Bud) Gollum were found innocent in 1947 of killing her parents by dynamiting their yacht. She married former policeman Robert Cannon, 30, last July.

Superior Judge Newcomb Candel yesterday also removed Mrs. Cannon from the guardianship of her father, Fred A. and Emanuel Jungquist. The action gave her full control of the estate.

Society-Clubs

Hobby Day Observed By 1920 Club At Regular Meeting Thursday At 3

The 1920 Club observed Hobby Day at the regular meeting Thursday afternoon at 3 o'clock at the Community Clubhouse with Mrs. A. W. Brazda leading the program.

Each member gave a two-minute talk on her hobby.

Mrs. G. C. Boswell spoke on poetry and quoted from Browning. Mrs. M. H. Hagaman gave as her hobby, books and poetry, and discussed them briefly. Mrs. W. M. Brown discussed her crocheting as her hobby and Mrs. J. J. Kelly named as her hobby, civic work and discussed the beautification program at Ranger Junior College. Mrs. John M. Gholson named the community library as her hobby and presented a check for the library. Mrs. M. L. King discussed "asthma and pills," and Mrs. J. S. McDowell spoke on antique water tumblers which she is collecting. Mrs. J. B. McLaughlin discussed the library and books and Mrs. James P. Morris discussed mystery novels.

Dorcas Class Has Meeting Thursday

The Dorcas Class of the First Baptist Church met Thursday afternoon at 2:30 o'clock in the home of Mrs. A. A. Daniels for a business meeting and social.

The meeting was opened by a prayer offered by Mrs. F. E. Langston and the devotional was given by Mrs. Lee Mitchell. Secret pals were revealed and gifts exchanged.

At the close of the meeting refreshments were served to the following: Meses. W. W. Mitchell, J. F. Ryan, Langston, Hugh Dawley, F. C. Powell, Amy Brown, Tennie Merrick, J. M. Robinson, E. C. Long, J. C. King, T. J. Fuller, Lee Mitchell and Lula Sarrett.

Elite Study Club Has Luncheon

Members of the Elite Study Club were entertained Wednesday at noon at a luncheon in the home of Mrs. A. H. Blackwell.

Following the luncheon Mrs. J. W. Ivy presided at a business session in which it was announced that the next meeting of the club will be held in the home of Mrs. T. J. Melton.

Those attending the luncheon were Meses. Ivy, J. H. Fuller, H. E. Shipman, Melton, Joe Calder, Lee Gsham, B. E. Patterson, W. C. Harris, W. M. Eyley, M. P. Williams, W. C. McDonough, W. R. Rainwater, S. D. Parnell and Dae Ann Parnell and Mrs. Blackwell.

Future of Hero's Son Protected By U. S. Bonds

Tulsa, Oklahoma — Six-year-old Bennie Ray Wagner, Jr., is a hero's son.

He was presented the Silver Star for gallantry in action awarded posthumously to his father, Pfc. Bennie Ray Wagner, who was killed in action on Luzon, March 15, 1945.

Every month a government allotment check arrives at his home in Tulsa.

That is Bennie's check. And each month he and his grandmother go downtown to buy a U. S. Savings Bond in order that Bennie's financial future be as secure as possible.

Little Bennie believes in the Treasury's Independence Bond Drive slogan, "Save for your independence."

The boy's guardian, Herbert M. Gibson, a Tulsa insurance man, says that his blind young ward is well on the way to security and now owns \$1,000 in U. S. Series E Savings Bonds.

Mrs. Nicholson presented a book for the library. Mrs. Saule Perstein discussed her collection of cups from foreign countries and displayed two brought from Germany. Mrs. C. B. Pruet gave a check for a special volume for the library and Mrs. G. B. Rush discussed applied psychology as her present hobby. Mrs. Brazda named her flower garden and roses as her hobbies and presented each one present with a corsage of yellow roses from her garden. Mrs. H. X. Wallace gave as her hobby, sewing, and said that the most elaborate garment that she had ever made was a robe for a nun.

Following the program Mrs. Brazda and Mrs. Pruet served coffee to those attending.

Penalty for not discussing hobbies was the contribution of a book for the library. Mrs. McLaughlin, librarian, reported this morning that nine books had been given, some of them coming from members who also performed their part on the program. Money contributed to the library amounted to \$8.75. Those contributing to the library were Mrs. Hagaman, Mrs. Morris, Mrs. Gholson, Mrs. King, Mrs. Pruet, Mrs. Nicholson and Mrs. Brown. The money contributed Thursday makes a total of around \$60 contributed by the club members to the library this year.

Public Invited To Bingo Party

Members of the Ladies Auxiliary of the VFW today extended an invitation to the public to attend a bingo party at VFW headquarters tonight at 8 o'clock.

Proceeds from the party will go toward the work of the Auxiliary.

CARD OF THANKS

We wish to thank our friends for their many kindnesses and sympathy at the death of our beloved son and brother.

Mr. and Mrs. J. F. Moseley
Mr. and Mrs. C. W. Moseley
Mr. and Mrs. J. W. Moseley
Mr. and Mrs. Fred K. Moseley
Mr. Charles Pat Moseley
Mr. and Mrs. Irvin Gentry
Mr. and Mrs. Howard F. Wade

Mrs. N. J. Novakovich has been dismissed from the West Texas Hospital and will leave tonight for a visit in Albuquerque, New Mexico where she will be the guest of her son, Ivo Novakovich, and family.

FRANKFURT HOME AND BUSINESS IN RUINS—With his family quartered in a "home" fashioned from rubble, Anton Strack conducts a business in scrap iron on the sidewalk outside the dwelling in Frankfurt, Germany. The scrap iron, along with Strack's livelihood, comes from war-ruined buildings. Despite their own plight, the residents seem to have been sentimental enough to erect a bird-house over their wretched shelter. (Photo by NEA-Acme staff correspondent Werner W. Christmann.)

TEXAS NEWS BRIEFS

AMARILLO, May 5 (UP)—Damage from a fire which destroyed half of the Mark Cleamer Lumber Company was estimated at more than \$100,000.

The fire, fanned by winds up to 55 miles per hour, was discovered yesterday by Louis Kirchoffer, manager of the lumber firm. He believed it was caused by a short circuit in an electric saw.

HONDO, Tex., May 5 (UP)—S-Sgt. Harvey F. Stanwood of Kelly Air Force Base was killed yesterday when his automobile overturned on a curve on U. S. 90 five miles west of Hondo.

Stanwood was alone in the car and officers said the exact cause of the accident was not known.

SAN ANTONIO, Tex., May 5 (UP)—A head-on collision between two Missouri-Pacific freight trains 12 miles South of San Antonio yesterday sent five crewmen to hospitals.

They were C. S. Bowen, 66, and Roy Lawrence, engineers on the trains; W. W. Bailey, C. Judy and A. B. Hughes.

The two trains were traveling less than 30 miles per hour when they met. All four cars of the Northbound train overturned and three of the six cars on the other train were derailed.

The accident occurred on a flat section of right-of-way.

CROCKETT, Tex., May 5 (UP)—Funeral rites were to be held today for Gall Q. King, Sr., retired businessman who died in a Houston hospital Thursday. He was 73.

King had lived here more than half a century. Surviving are his wife, one daughter and two sons.

HOUSTON, Tex., May 5 (UP)—The nation's best salesmen met here today for a two-day convention of the twentieth annual

KILGORE, Tex., May 5 (UP)—Kilgore College's nagerettes and Ranger Band will perform at halftime at the all-star football game held annually in Chicago.

The invitation to appear at the August 11 spectacle between college all-stars and a professional team was extended by Arch Ward, sports editor of the Chicago Tribune and director of the game.

AUSTIN, Tex., May 5 (UP)—Walter Seaholm, Director of city utilities, will take over as Austin's city manager on July 1, succeeding Guiton Morgan, who resigned.

Seaholm, who served as acting city manager from 1942 to 1945, was chosen yesterday by the city council.

Southwestern Sales Executive Conference. Speakers will include Dr. W. W. Kemmerer, Assistant to the President.

AFRICA SCREAMS

IT'S NONE OF OUR BUSINESS—

... but we can't help noticing that the customer who is particular about the kind of abstract he wants usually gets his money's worth. Since there are as many different kinds of abstracts as there are companies producing them it stands to reason that some may be better than others. Main points to consider are: Plant equipment, experienced personnel and the degree of responsibility behind the abstractor's certificate. A combination of these factors will give the customer reasonable assurance that he will get a dependable abstract.
