## Two Tough Football Games Scheduled Here, Soon Bulldog Meet Bowie; Rangers Get Arlington

Two tough football games are scheduled in Ranger this week.

Thursday night, the Ranger Junior College football team meets Arlington State.

Friday night, the Ranger high school team, the Bulldogs, play the Bowie Jackrabbits.

Bowie will be the first team formally in the Bulldog class.

But Bowie will be the heaviest team, the local club has met and is probably the heaviest team they will meet.

Bowie has won its 11-A district four times hand-running.

Their line is weighed with a 200 pound tackle, a 202 pound center, and 185 pound end plus lots of other big boys.

Monty Robicheaux, sporting number 24, and weighing 153 pounds, will call signals for the high school invaders. Robicheaux is fast and smart. A newcomer, he scored all 13 of the Jackrabbits' points against Pleasant Grove last week.

Dan Jenkins, Fort Worth Press sports writer, figures that Robicheaux and Jimmy Comanche of Ranger, are two of the most talented backs in the Class A circle.

There's little pre-game information in Arlington State outside of the fact that they are supposed to represent high class competition for the Rangers.

The Bulldogs and the Rangers both have a few scrimmage injuries. But neither Coach O. C. Warden or Boone Yarbrough expressed a great deal of concern in Tuesday's briefing about the effect of the injuries.

Yarbrough is showing a fair degree of optimism. He figures that his team, sluggish at Abilene last Thursday, was hampered more by a slushy field and flickering lights than by the Hardin-Simmons freshman squad that racked up a 6-0 victory before the game was called.

### Several Local Baptists To Go

Several Ranger Baptist teachers, including Rev. and Mrs. Ralph E. Perkins, will attend the State Baptist Training Union in Abilene, Thursday.

Plans will be discussed and training given in teaching and planning programs for nursery, beginners primary and junior departments of the church. The conference, headed by Dr. T. C. Gardner, will start at 10 a. m.

### Tickets On Sale At School Office

G. B. Rush pointed out today that now is the time to buy season football tickets. The tickets are good for four Bulldog home games. The tickets are on sale at the superintendent of school's office in the gymnasium.

### Waitress Wins Back Blue-Eyed Baby Girl After Nurse Reports She Remembers Red Birthmark

HOUSTON, Sept. 20 (UP)—A blue-eyed baby girl, subject of a bizarre parentage suit, was returned to a tearful waitress yesterday after a nurse identified the child by a red splotch on her bottom.

District Judge Wilmer B. Hunt ruled the baby belonged to Mrs. Fannie Lee Bell, who had told the court she left the child with Mr. and Mrs. Edward Hartman "because she was separated from my husband and couldn't find work."

The Hartmans had spun a strange but unsubstantiated tale to support their claim that 11-month-old Caroline Sue—dubbed "little Miss X"—was their daughter.

They said Hartman was the father, but that the mother was a "nice," unmarried girl who agreed to bear a baby by Hartman be-

### Midwestern U. Honors Ranger Boy With Game

Midwestern University dedicated its 40 to 6 victory over Southwestern last Saturday to Marvin Wilson, son of Mr. and Mrs. Wilson of Ranger.

The Wilsons attended the game. Marvin, 17, was killed while working on a drilling rig in New Mexico in July. He was to play on the Midwestern team this year.

### Godfrey To Talk Warner Documentary

By Robert Branson  
United Press Staff Correspondent  
SAIGON, Indo-China, Sept. 20 (UP)—French troops battling what may be a large-scale Communist attempt to seize control of Indo-China cut down a battalion of Communist troops today in a "slaughterhouse" attack and sent enemy units fleeing toward the nearby Communist border.

The fighting took place near Communist-held Dongkhe, on the border between Indo-China and Communist China. French sources said the fortress town probably will be recaptured tonight or tomorrow.

Officials said the French column, of undisclosed strength, caught the Communist Viet Minh

Godfrey will narrate the Warner Brothers picture—"50 Years Before Your Eyes"—showing at the Arcadia theatre tonight. Godfrey will receive assistance from Quentin Reynolds H. V. Kaltenborn, Clem McCarthy, Andre Baruch, Norman Brokenshire, Milton J. Cross, Dwight Weist and Dan Donaldson.

GODFREY, BEST KNOWN now as a comic, hit the real big time with his street broadcast of President Franklin Delano Roosevelt's funeral parade. He jerked his own tears as well as that of Republican sponsors and Democrats.

Reynolds is rated by some good bookies as one of the better war correspondents. Kaltenborn has been mimicked by the President. And the other commentators are all top hands.

THE PICTURE IS SUGAR-coated history. It's got some films spliced in of John Barrymore, Al Jolson, and some of the great silent film stars.

For those that like it there's a newsworthy splicing of the twentieth century history—which probably deserves a rating as the most momentous 50 years in history. The Arcadia also has a feature with the bonus.

However, the "mystery woman" failed to show up in court as promised by the Hartmans and Hunt ruled "all the evidence indicates the child belong to Mrs. Bell."

The "evidence" included a red splotch on the child's bottom, bared to the courtroom for judicial inspection.

Mrs. Ellen Durgin, nurse at Jefferson Davis Hospital where Mrs. Bell testified Caroline Sue was born last Oct. 12, told the court she took care of the child and noticed particularly a "birthmark—a red splotch on the buttocks."

When the judge announced his decision, Mrs. Bell clutched the baby and left the courtroom weeping tears of joy.

Lawrence Armin, attorney for the Hartmans, said he didn't know whether there would be any further action in the case.

## French Slash At Commies

SAIGON, Indo-China, Sept. 20 (UP)—French troops battling what may be a large-scale Communist attempt to seize control of Indo-China cut down a battalion of Communist troops today in a "slaughterhouse" attack and sent enemy units fleeing toward the nearby Communist border.

The fighting took place near Communist-held Dongkhe, on the border between Indo-China and Communist China. French sources said the fortress town probably will be recaptured tonight or tomorrow.

Officials said the French column, of undisclosed strength, caught the Communist Viet Minh

battalion by surprise between Langson and Dongkhe, ridding it with artillery fire and inflicting "severe losses."

French reconnaissance pilots who flew over Dongkhe said the fortress appeared to have been abandoned by the rebels in the face of the French counterattack. Their reports said the Communist had fled with arms which they had captured.

The fighting near Dongkhe was reported in a French army communique. It said the Chinese frontier was "absolutely calm" when French high Commissioner Leon Pognon and French Commander-in-Chief Gen. Marcel Carpentier visited Laosay, 167 miles west of Dongkhe, yesterday.

French officials were confident

RUSH EXPLAINS REFINANCING OF SCHOOL BONDS AT MEET OF CHAMBER OF COMMERCE

Superintendent of schools, G. B. Rush, told chamber of commerce members Tuesday that the local schools have saved thousands of dollars in interest by refinancing their bonded indebtedness.

Rush substituted for J. A. Bates, president of the Ranger school board, at a luncheon meeting of the chamber, in the Gholson coffee shop.

Rush said that due to the fact that the college was able to pay the local board for the building (administration building) now being used by the college, the board had been enabled to buy the outstanding bonds against the district which were privately held.

This made it possible for the board to make a very profitable deal with the state board of education, holders of a majority of the bonds.

Rush said that the board was now in a position to make any necessary repairs or improvements on present buildings and equipment or to build new buildings if needed. He also discussed the advantages to both the college and high school by having the two institutions separated.

F. P. BRASHER, PRESIDENT elect, presided at the meeting, and Dr. Calvin W. Harris, chairman of the membership committee made a report on the progress of the membership drive now being conducted.

He introduced the following new members:

Dr. Marshall E. Jolly, C. E. Wheat, Auto Parts, Paul and Tillman Penville of the Post Office Service Station, F. & R. Oil Company, operators of the Col-Tex Service Station, and Pat Thomas, local Sinclair agent.

New citizens introduced included R. E. Higdon, new manager of the Montgomery Ward store and

contingents of the 150,000-man force in Indo-China could retake Dongkhe. The troops were advancing along jungle trails and past barricades erected by the rebels on Colonial Route No. 4, where at least one bridge had been blown up.

Indications pointing to a major French counter-attack with columns converging under a protective umbrella of straffing King Cobra fighter planes.

Nearly all neutral and French sources were believed the Dongkhe assault was a local affair rather than the start of a general Communist offensive, even though the French have charged that troops trained in Communist China and guns supplied by the Communist army there were used in the operation.

### City Blacktops Hospital Hill, College Roads

City work to improve a road to the Ranger Junior College is nearing completion.

Two sides of the road circling the college block have been blacktopped. Plans call for a culvert to be put in connecting the new blacktop to previously laid blacktop.

The road is now open, giving an all-weather entrance to the college.

City officials said they hoped to blacktop the other two sides of the block next year.

The city recently blacktopped Hospital Hill.

The asphalt was put down by city employees using some county maintenance equipment. Blacktop roads now in use in Ranger have proved strongly resistant to wear.

### Faculty Pleads For Turn-Out

Ranger Junior College faculty members pleaded today for a good turn-out to see the Rangers play Arlington State, Thursday night, here.

The college has tentatively scheduled a pep-rally downtown, tonight.

### No Merger Yet

### BUT AFL AND CIO SHOW SIGNS OF WORKING POLITICAL UNITY

HOUSTON, Sept. 20 (UP)—AFL leaders conceded privately today that there is no chance for merger with the CIO this year—despite better-than-ever political teamwork.

Chiefs of important unions, here for the 69th annual AFL convention, said they expected little out of new unity talks scheduled for late October.

The first such talks in three years were held in Washington in July. They produced optimistic predictions from both sides of the nation's divided house of labor, but a follow-up meeting was cancelled without explanation.

Union officials noted, too, that AFL President William Green avoided mention of labor unity in his keynote address.

However, most AFL leaders have high hopes that an unprecedented political alliance operating in many states will bring good results in the Congressional elections in November. A firm commitment to stand together in politics was one of the few real products of the July conference.

The two big labor federations have joint political committees in nearly 40 states and in several hundred communities, according to reports.

THE TEAMWORK IS ILLUSTRATED best in Ohio, where the AFL and CIO are spearheading a free-swinging campaign to unseat Republican Sen. Robert A. Taft, co-author of the Taft-Hartley Act.

AFL political strategists say they have a 50-50 chance of electing the Democratic candidate for Taft's seat, state auditor Joseph Ferguson. Taft's vigorous campaigning in the state indicates he knows he is fighting for his political life.

W. AVERELL HARRIMAN, President Truman's special aide for foreign affairs, told the 700 delegates yesterday that Taft must go because his activity on Capitol Hill gives comfort to the Kremlin. It was an unprecedented speech from such a high official.

In Ohio, Taft dismissed Harriman's comments as "just talk," but Sen. Eugene E. Millikin, R., Colo., called the attack on Taft "amazingly stupid," and Sen. Alexander Wiley, R., Wis., said the remarks were "unfortunate" for bi-partisanship.

## Reds Flee Vengeance—

(Continued From Page One)

As the Marines closed in on Seoul, reconnaissance pilots reported the Communists retreating all around the 130-mile perimeter of the Allied beachhead based on Pusan in the southeast corner of Korea.

The U. S. 2nd division irrevocably shattered the enemy's Nakdong river line in the southeast beachhead by seizing the sixth American bridgehead on the west bank within two days. Men of the 2nd now were across the river three places along a nine-mile front southwest of Taegu.

Advance 2nd division units, including tanks, had driven five miles west of the river.

"We've broken their backs," said Maj. Gen. Hobart R. Gay, commander of the 1st cavalry. "From now on, it's a tank battle and I don't think the North Koreans have any tanks."

At the northeast corner of the Pusan beachhead, the South Korean 3rd division re-captured the port of Pohang at 10:15 a.m. today (9:15 p.m. Tuesday EDT), then pushed on another mile to the north. The 3rd division originally liberated the port yesterday, but was driven out by a Communist counter-attack last night.

Other 3rd division troops trying re-capture Kigye, eight miles northwest of Pohang, were meeting stiff resistance. A Communist counter-attack at one point drove them back nearly 2,000 yards.

But elsewhere along the northern rim of the beachhead, South Korean forces were advancing almost at will against light rear-guard resistance as the Reds fall back farther north.

OINTMENT  
For long-lasting relief

It Was Just An Accident—  
... that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land, and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid disaster.
