Ranger's Game Postponed Till Saturday, Here

The Ranger Junior college football game, scheduled for tonight with Arlington, has been postponed until 8 p.m. Saturday, here.

A wet field may hamper the Ranger Junior college in tonight's clash with Arlington State, here.

The pre-game dope gives Arlington a little of the advantage in weight. Which makes this rainy weather right down their line.

The Rangers are also supposed to be depending on a great deal of passing. A wet ball won't help that.

But Coach Boone Yarbrough's team is expected to offset these Arlington advantages with some tricky plays, and the good condition of the Rangers.

This is the first home game for the Rangers. And last week's open-

GOVERNMENT CONSIDERS CONTROLS

WASHINGTON, Sept. 21 (UP)—President Truman said today that selective price controls are being considered by the government. But, he said, no decision has been reached yet on when to impose them.

Truman told a news conference that selective controls along with all phases of the emergency economic program are being considered.

A reporter observed that prices were going up very fast and far out of proportion with relatively stable wages.

The President said he and his advisers were working on plans all the time to meet the situation, but thus far had not reached a decision.

Cage Gets Road Job On US 80 Into Eastland

T. C. Cage of San Antonio, made the low bid on 6.596 miles of paving on US 80, east of Cisco into Eastland.

The Texas highway department ended two days of bid opening today. Low bids totaled \$7,886,076.

Cages bid of \$381,509 is for grading, structures, flexible base and asphaltic concrete pavement.

The paving will run from .9 miles east of Cisco, east to intersection at Hillcrest avenue in Eastland.

UN To Decide Whether To Cross 38th

WASHINGTON, Sept. 21 (UP)—President Truman said today it was up to the United Nations to decide whether UN forces in Korea go beyond the 38th parallel.

Truman was asked at his news conference if he had made any decision about what United States troops would do once they reached the 38th parallel—the boundary line between South Korea and Communist North Korea.

He replied that he had reached no decision and that, after all, it is up to the United Nations because the forces of this country are only a part of the overall UN army opposing the North Koreans.

Truman promised to abide by any decision reached by the UN.

A butane truck explosion at the Magnolia Refinery near Desdemona set off a raging fire at the plant early Thursday afternoon.

At least one person, the truck driver, who was identified as being from Waco, was reported burned in the blast.

Emergency calls for fire fighting apparatus to fight the blaze were sent to Ranger, Gorman, De Leon and Dublin.

The refinery has an estimated storage capacity of 200,000 gallons, the Desdemona telephone operator said.

FRENCH-RED FIGHT GOES STRONG YET

Some Germans Fight With Commie Forces

By Robert Brazson
United Press Staff Correspondent
SAIGON, Indo-China, Sept. 21 (UP)—Heavy fighting between French Legionnaires and Viet Minh Communist troops has broken out in various sections of Indo-China's Tonkin province, French sources said today.

THESE SOURCES SAID French troops had inflicted "heavy casualties" on a Viet Minh battalion near the town of Thabinh, 48 miles southeast of Tonkin's chief city of Hanoi.

The new actions occurred approximately 150 miles south of the Chinese Communist border and invasion route to Indo-China, where other French troops are operating against the Communists around Dongkhe, Caobang, Monay and Dinhlap.

LATEST REPORTS FROM the north said that French African Goums and paratroopers had driven north from the recaptured fortress of Dongkhe in pursuit of the Communists.

French sources said the routed battalion near Thabinh included a "considerable number" of Europeans.

Presumably they were captured Germans who are known to be fighting for Moscow-trained Ho Chi-Minh's Communist legions.

She won \$75 from the college and \$175 from the Universal Mills Corporation. Tip Top Hatchery handles the Mills feed locally.

Mrs. Funderburk started with approximately 125 chickens and culled them regularly.

The contest is sponsored by the college in an effort to educate farmers of the value of proper culling and feeding.

AFL Wants Hike

But Union Insists Wage Demands To Come Are Not Inflationary

By Robert E. Lee
United Press Staff Correspondent
HOUSTON, Sept. 21 (NP)—AFL Chief executives insisted today that labor's current wage demands and

others in the offing are not inflationary and won't upset the nation's economy.

They said increases they seek to match pay boosts already won by several unions, will only bring wages in line with rising living costs and fattened corporation profits.

But their reaction to Secretary of Labor Maurice J. Tobin's call yesterday for "self-restraint" in bargaining negotiations was generally favorable.

Tobin told the AFL's 69th annual convention that wages should be permitted to rise somewhat to compensate for price boosts, cautioned against excessive demands which would lead to an inflationary spiral and force the government to clamp on wage and price controls.

The convention continued today with a speech by vice-president Alben Barkley and election of officers heading the agenda.

THE RE-ELECTION OF 77-year-old William Green as AFL president was assured. It will be Green's 27th on-year term.

"Inflation," Tobin told the convention, "is the major danger which faces American labor at home today."

Whether standby controls voted by Congress will have to be invoked "depends on what labor and management do within the period that lies immediately ahead," Tobin said.

HE REMINDED LABOR THAT the defense production act provides for both kinds of controls, but requires that they be imposed simultaneously.

AFL leaders sounded out here said they hoped that price controls would be set soon, on the basis of pre-Korean war levels. But they want action to stabilize wages to boost.

Cisco-Baird Part Of US 80 To Open

The newly completed Cisco-Baird section of U.S. Highway 80 will be opened for public use at 6 p. m. today, E. M. Pritchard, residential highway engineer, said this morning.

No ceremonies are scheduled to mark the opening of the new stretch of highway which represents an expenditure of more than \$1,300,000 in Callahan county alone.

Length of the new construction is 17.7 miles. Barrieraes will be removed from the road to allow traffic to move over the road for the first time this afternoon.

It was explained that the cost of the strip of road was higher than usual because of the cutting through hills, heavy fill-ins and one overpass.

Preliminary work on the strip was started in 1942, but completion was delayed because of World War II, when the project was abandoned, and then resumed after the finish of the war.

R. W. Domann was residential engineer for the contracts on the road.

Pritchard said that bids on the Eastland-Cisco portion of Highway 80 were let yesterday, but would not be awarded until next week.

U.S. MARINES START PUSH FOR SEOUL

UN Troops Advancing In Taegu Area; KoReds Putting Up Stiff Resistance Around ROK Capital

By Ralph Teatsorth
United Press Staff Correspondent
TOKYO, Friday, Sept. 22 (UP)—U. S. Marines jumped off in a two-pronged drive to capture Seoul shortly after dawn Thursday, but their advance was slowed by a hail of machinegun, mortar and anti-tank fire thrown out by desperately fighting Communists.

A dispatch filed from the fighting front by United Press Correspondent Rutherford Poats said that the northern prong of the Marine attack had knocked the Reds from hills astride a railroad three miles northwest of Seoul, but that other Marines were meeting stiff resistance in the burning industrial suburb of Yongsungpo.

There was no further word of motorized Communist columns last reported only 35 miles north of Seoul after entering Korea from Astang, Manchuria. Forty tanks were reported with a column of 200 vehicles.

ON THE SOUTHERN, PUSAN beachhead, the Allies now had six beachheads across the Nakdong river, had taken Flaming Tabu on the "boiling alley" road. Fifty in Taegu and were taking an increasing number of prisoners, with thousands of others trapped behind the lines.

Front dispatches made it clear that the Marines had not yet entered Seoul proper, except perhaps for small, probing patrols.

CMR. T. H. MOORE, commander of tactical air control squadron one, said 5th regiment patrols had entered the northern outskirts of Seoul at 6 p. m. Wednesday. But it was evident that their main mission was to feel out enemy strength rather than to launch an attack against the city.

Marine and Navy fighter bombers, some operating from Kimpo airfield, filled the cloudless skies over the smoke-smudged Seoul battlefield, attacking in roaring dives with rockets, machineguns and flaming gasoline jelly bombs.

So far, they were sparing Seoul itself.

Certificates of Achievement will be awarded to more than 300 Texas farmers at ceremonies to be held in the State Fair Park Auditorium on October 17, county supervisor George L. Lane announced this week.

The number will include 10 or 12 farmers of Eastland County, the supervisor said. He is making plans to accompany a delegation of Eastland County families to Dallas for the event.

Ceremonies will start at 1:30 in the afternoon, Mr. Lane stated that a special bus will be chartered for the trip to Dallas if sufficient families care to go for the day's event.

Not only persons who have paid up their farm and home loans, but families whose farming operations are financed by Farmers Home Administration are to make the trip.

This will be the third annual achievement day. Of the six thousand tenant purchase loans made in Texas under the Bankhead-Jones Act one-third have been paid off and are now owned free of debt by former tenant families.

A part of the program will include radio interviews of successful farmers and awarding of prizes for outstanding accomplishments with their crops. Mr. Lane stated that in addition to this particular program for FHA paid-up borrowers there will be the Eastland County exhibit on peanuts again this year which will be of special interest to all people of Eastland County.

October 19 has been designated by the fair management as Eastland County Peanut Day at the State Fair of Texas.

Nick Bachis, who's to go to the Army September 28, got his pre-induction notice yesterday.

The draft board hadn't yet heard that Nick had already been called-up by the Reserves. He will get his preliminary training at Fort Sill.

What Comes Now?

Editors Note, Hugh Baillie, president of the United Press, says that the South Koreans plan to ignore the 38th parallel and conquer all of Korea.

By Hugh Baillie
President of the United Press
KOREA, Sept. 21 (UP)—President Syngman Rhee of the Korean Republic is planning a triumphant return to Seoul at the earliest possible moment. Thereafter, he expects to achieve a united Korea, ignoring the 38th parallel of which he says, jokingly, "show it to me, where is it?"

Rhee exudes abounding confidence and quite obviously believes it is all over but the mop-up in which he anticipates the rapidly growing Republic of Korea Army will play a predominant role.

"The Reds can bury their guns and hide their uniforms, but we know how to find them," Rhee said. He still adheres to his earlier prediction that the war would not interfere with the harvest of the rice crop.

Rhee believes the overwhelming majority of Koreans are not Communists, but were dragged into the North Korean army. He believes the actual Communists were a minority in North Korea from the beginning of the Rus-

PRESIDENT OF UNITED PRESS REPORTS SOUTH KOREANS FIGURE TO TAKE NORTH

Word of General MacArthur's master stroke at Inchon is just commencing to percolate among the enemy around the Pusan perimeter. This is one reason they are giving ground, which the MacArthur strategy intended to accomplish. If they stay put they run the risk of being bagged.

But it is still uncertain whether the enemy army around the Pusan perimeter knows what's going on around Seoul. We have showered them with leaflets giving the word. The enemy has to read them surreptitiously—officers or political commissars will punish troops caught reading them.

Our advance is no parada. Enemy trickery still moves our own mines to the path of our own traffic. Some jeeps are armoured underneath or have sandbags on the floor, but remember these road mines can explode a tank. The enemy still has hundreds of thousands of human beasts of burden to carry up supplies, lugging them over the mountains if we seize all the roads.

The Air Force has hushed up the enemy's tanks and mechanized transport and blitzed his factories, but the question remains, where? As far as manpower, he has plenty provided he has time to train it. And as Kipling wrote of the Fuzzy Wuzzies who "broke the British Square," they

BULLDOGS HAVE ROUGH GAME COMING WITH BOWIE, FRIDAY NIGHT IN LOCAL STADIUM

The Ranger Bulldogs, who showed class one week and a definite lack of class against Weatherford, may be meeting their toughest opposition Friday night.

Bowie is a four times conference winner, packs a lot of weight and plays head-up football.

Their 153 pound Monty Robicheaux is rated by some as fast as Ranger's Jimmy Comacho. And he kicks points in the style of Comacho.

The Bowie line is the biggest. Ranger has come up against it's got more weight in the center and tackles than has Hobbs, N. Mex. which had a classy line itself.

Neither team is reporting any serious injuries over from out of last week's games.

Ranger Rambling

I started something when I started listing all the fine people in Ranger.

I don't think I can get them in just a column or two.

There's T. C. Weaver of the big smile and always with a few minutes to gas.

Bruce Maddox, master of ceremonies for "Hayloft Jamboree," and square dances.

Mr. and Mrs. Onous Dick, manager of the Eastland Telegram and publisher along with Joe of the Ranger Times.

Mrs. Parker, society editor over there, and Everett Taylor who handled a couple stories as good as they'll ever be handled. He's editor of the Telegram.

Rip Galloway, chamber of commerce manager now, but a former newspaperman which almost automatically makes him a fine Joe.

Mr. and Mrs. Dan Bachis. Dan with his comments on politics. Mrs. Bachis who knows how to flip a piece of cheese on apple pie. A lot of fun in their cafe and lots of information.

Mr. and Mrs. Ray Ward who make possible the best coffee to be found in town.

Mr. Vincent Spiegel, 3032 Coleman Ave., Cincinnati, Ohio, a driver for Albert Supermarkets is confident that today he is doing the best job he has ever done in his life. That is because he says he has never felt better. To be first rate on the job, a man has to be in top notch condition. He attributes his feeling of well being to HADACOL because his system lacked those necessary Vitamins B-1, B-2, Iron, and Nicotin.

Here is Mr. Spiegel's own statement: "Before I started taking HADACOL I was told I had a nervous stomach. I took many pills and many other 'remedies'—nothing gave me effective relief. It effected my sleep, too—I would doze off and then wake up at the least little thing. I had a lot of gas in my stomach and it burned clear up in my chest. I was just beside myself in knowing just what to do. I heard how other folks having the same trouble. I did were being helped by HADACOL. I started taking HADACOL and after the 2nd bottle of HADACOL I noticed an improvement. Now I am in first rate shape. I sleep well, have no more gas pains and the best thing is that my nervous stomach has completely cleared up. I can't thank HADACOL enough."

It isn't Too Late to try HADACOL as thousands of other folks suffering from such deficiencies have done and benefited tremendously from HADACOL. Why, there are even hundreds of doctors who are now recommending HADACOL to their patients whose systems lack Vitamins B-1, B-2, Iron, and Nicotin. If you suffer from stomach distress, nervousness, insomnia, constipation, heartburns, or a general run-down condition, caused by such deficiencies, give HADACOL a chance to help you. Remember, you have nothing to lose. HADACOL will help you feel great after the first few bottles you take, or your money will be refunded. Only \$1.25 for Trial Size, Large Family or Hospital Size, \$3.50.—Adv.

Southern Methodists Slated One Of Top Teams In Southwest Meet

DALLAS, Sept. 19 (UP)—Southern Methodist University's 1950 Mustangs admittedly will be one of the most potent offensive units in the Southwest Conference race but their defense may spoil even optimistic hopes for a second place club.

Headed by Killer Kyle Rote, the San Antonio workhorse who ran Notre Dame ragged last year, backfield material has both quantity and quality in the Mustang camp, and even reticent Rusty Russell will admit it.

But, when one starts talking about lines and defense, Russell sounds like the image of the man he succeeded as head coach on the hilltop—moanin' Matty Bell.

And, truthfully, that about explains SMU's predicament as the Methodists prepare to open a rugged schedule against Georgia Tech Saturday night.

Ruby at the Gholson Coffee shop. And the coffee's black, anyway.

James Ratliff, who throws paper wads at sleepers in Rotary meetings.

Lee Roy Pearson instead of Leroy Pearson. Herschel Angus, city commissioner. Williams and Dick Curly also doing their jobs for the city.

Coach O. C. Warden who talks and makes like a top hand coach. Boone Yarbrough—repeat.

Dr. G. C. Boswell, 17 years without missing attendance at Rotary.

Dean Rush and Lee Rushing—teacher and laundryman. Mr. and Mrs. Brownie King who I almost didn't meet before I left Ranger.

And heck there's a lot more. But I'm cutting it off cause thinking about all the people here's making me Ranger-sick even before I get away.

It's Been Sweet.
Lloyd Andrew

Or, he could switch to Benton Musselwhite at quarter. Val Joe Walker and chicken Roberts at the halves, and Henry Stollenwerk at full.

Russell, Rote and even Champion can pass and all probably well from time to time.

Walter, Bill Richards and other Dave Powell or Ben White probably will see defensive action in the backfield along with linebackers I. D. Russell and Dick Hightower. Admittedly as fine a pair for the job as there is in the loop.

At the ends letterman Ben White is the only junior, and even from place-kicking specialist Bill Sullivan, and the rest are sophomores. Bill Rippey seems to have won the other offensive berth opposite White, who will shift to backfield on defense.

There are four lettermen tackles, but two of them—Bobby Collier and Bob Vann are question mark cripples. The others are Neal Franklin and Charles Perry, both of whom looked good against Notre Dame.

Herschel Forester, a junior, is the only letterman at guard, with

all of the other candidates sophomores except like Robb, who looks like the starter.

Sam Wood, a two-year letterman, and Hightower will divide the offensive center duties.

The experienced portions of Russell's line will average less than 200 pounds, but if those sophomores can break into the lineup, the weight average will soar considerably—as will SMU's hopes.

University Of Arkansas Team Is Darkhorse In Southwestern Meet

PAYETTEVILLE, Ark.—There are plenty of question marks in the forthcoming Southwest Conference race, but the real unknown quantity is Coach Otis Douglas' University of Arkansas team.

In fact, the coach who is only a year away from his own playing days in the Pro ranks is about as much in the dark as to what he may expect of the big and fast Parker eleven as are other observers.

Cold statistics tell him, and the rest of the conference, that he is two lettermen-deep at every position, that his line is big as well as fast and that he has a wealth of very promising sophomores.

But, the former Philadelphia Eagle player-coach brought along a new system with him when he stepped into John Batnhill's shoes and it remains to be seen if even as experienced a crew as his can readjust itself fast enough to become a title contender.

Spring training and two weeks of fall drills have failed to produce a sparkling individual star to serve as the guiding light and inspiration sometimes necessary to snap a team out of the doldrums.

The enthusiastic Douglas has kindled a spirit of confidence in the Parkers with his will to work—even to the point that he occasionally participates in actual

scrimmage himself while stressing a point.

Douglas' starting line averages 220 pounds, ranging from left end Bill Jurney at 190 to 246-pound Dave Hamer, the junior letterman Parker fans are booming for all-conference honors along with center, Bob Griffin.

The defensive line is six or seven pounds heavier.

On offense, Jurney's running mate at end will be 200-pound Jack Richards; Travis Simpson, 23, will be at right tackle opposite Hamer; Charles Milam and Don Reiderer, both 218, will be at guards, and Griffin at center.

Griffin and Hamer also will play defense, augmented by Louis Schaufele, 205; Fred Williams, 245; Pat Summerall, 225; Buddy Brown, 213, and Frank Fischell, 212.

If the Parkers have an apparent weakness, it's at quarterback. Two junior lettermen—Jim Rinehart and Don Logue—and a sophomore—Larry Hogue—have been dividing time with Rinehart, the top man at the present.

Senior lettermen run at both halves—198-pound Buddy Rogers at left and 158-pound Sammy Furo at right. Backing them up are two more seniors, Ray Parks and Ross Pritchard.

At fullback, Sophomore Lew Carpenter, weighing in at 197, apparently has broken into the starting lineup ahead of Junior Joe Baldrige and Schaufele.

Sophomores monopolize the defensive secondary with Bobby Cross and Buddy Sutton playing up close and speedsters Dean Pryor and Johnny Cole further back.

The Parkers have a big home schedule—six games at either Fayetteville or Little Rock—but their two "big" ones against Texas and their "feeding" opponent Texas Christian are away from home.

Licensed radio sets in new Japan totaled 8,649,798 at the end of March, indicating that 53.5 percent of Japan's homes have radio receivers.

Civil Service Examinations Set

The United States Civil Service Commission has announced an Examination to fill Clinical Psychologist positions in the Veterans Administration in Washington, D. C., throughout the United States and in Puerto Rico. A few Clinical Psychologist (Speech Pathologist) positions will also be filled from this examination. The positions pay \$5,400 to \$10,000 a year.

To qualify, applicants must have completed all requirements for the doctoral degree from an accredited college or university. In their graduate study, the major emphasis must have been in the field of psychology. In addition, they must have had from 2 to 6 years experience as a clinical psychologist in a medical setting, or in teaching psychology; the teaching must have included responsibility at the graduate level. No written test is required.

Full information and application forms may be obtained from the Commission's Local Secretary, Mr. O. L. McDonald, located at Eastland Post Office, from civil-service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications must be filed with the Executive Secretary, Committee of Expert Examiners, Veterans Administration, Washington 25, D. C. They will be accepted until further notice.

It Was Just An Accident—

... that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land, and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid disaster.

BOYCE HOUSE SAYS

A cowboy was standing in front of a cage in the San Antonio zoo.

"What is that queer animal?" he asked.

A bystander replied, "That's a kangaroo, a native of Australia."

The cowboy exclaimed, "Good heavens! My sister, who is a wave married one of them."

In North Dakota, it is unlawful says the American Magazine, to serve pretzels with beer.

Boyce House Gives You Texas

An Indian fight was the cause of Brown County receiving its name.

The leader of the force of settlers was Capt. Henry S. Brown whose son, John Henry Brown, wrote a well-known history of Texas.

Capt. Brown had a remarkable career. In 1827 while Texas of course was still a part of Mexico,

he engaged in trading expeditions. While encamped on Peach Creek east of Gonzales, Brown found the body of a young stranger named Early who had left San Felipe de Austin with another stranger. When Brown reached San Antonio, he saw Early's companion in possession of the slain man's horse and other belongings—a fact which the captain reported to the political chief and that official authorized Brown to arrest the man and take him back to San Felipe for trial, which Capt. Brown did.

There it was learned that the accused was the son of a former governor of Kentucky and that he had been convicted of killing a Southern merchant who was en route, horseback, to Philadelphia and that the governor had pardon-

ed his son. The man was sentenced to die for the Texas murder but, according to Brown's history, died before the date of his execution. However, later research indicates it is probable that the prisoner did not die but wrought upon the sympathy of his jailer and the latter put out the report of death and nailed up a chunk of wood about the weight of a man's body in a box and that is what was actually buried. More than 90 years later a Texan who visited an island in the Pacific reported that he met the descendants of this man, who had fled there and lived out his life.

But back to Captain Brown—He is the discoverer of the Enchanted Rock. He made the discovery of this huge solid rock mountain while leading a force in search of Indian raiders.

While he was on a trading expedition, redskins stole a large number of his horses and the captain set out in pursuit, at the head of a good sized body. He crossed the Colorado near the mouth of Pecan Creek, came up on an Indian village and there

was a stubborn fight in which the savages were routed. This fight took place in what is now Brown County and the county was named in his honor.

We speak of this county and that town and seldom stop to think that in most instances they were named for some hero or pioneer who helped to build the foundations of Texas. The history of Texas, (the blood and toil and sacrifice), is recorded in the names of those noble men which have been bestowed on our counties and cities.

Biting Wit
HYANNIS, Maga. (UP)—A woman patron at a summer theatre, laughed so hard that her upper plate flew out, sailed past the head of the man in front of her, and landed somewhere under the seats. A search party of employees recovered the plate.

Couple Honored At Shower In Masseurge Home

Mrs. Jasper Masseurge entertained with a miscellaneous shower Saturday evening at her home honoring Mr. and Mrs. R. B. Davis of Saint Jo, who were married here recently. Mrs. Davis is the former Miss Betty Maddux of Ranger.

Mrs. Masseurge and Mrs. C. S. Maddux, mother of Mrs. Davis, greeted the guests at the door and presented them to the honorees, Mr. and Mrs. Davis.

For the occasion the home was beautifully decorated with ivy and pink rose buds.

The dining table was laid with a lace cloth and centered with an arrangement of garden flowers in a crystal bowl placed on a reflector. Mrs. J. D. Nichols presided at the punch bowl.

Mrs. Charlie Beck was in charge of the gifts which were displayed in the living room.

About 40 guests called during the evening.

Norma Ann Mace Honored At Birthday Party

Mrs. Jack Mace entertained at her home Wednesday afternoon from 4 to 6 o'clock with a party honoring her daughter, Norma Ann, on her tenth birthday.

Games were played and prizes were awarded.

Refreshments of cake, cookies, candy and orangeade were served.

Those attending the party were: Gail Garner, Frances Cogburn, Annabeth Deffebach, Jimmy Don Burnett, Nelda Fern Melton, Virginia Dupree, Doris White, Jerry Don White, Brenda Sue White, Robbie Sue Estes, George Hall, LaWayne Dupree, Gail Mace, Ray Mace, Terry Lee Cox and Sylvia Alford of Eastland, and Mrs. Pete Cogburn, Mrs. Colbert Dupree, Mrs. Elmer Cox and Mrs. R. L. Alford and the honoree.

John Boyd Rush Elected Pres. Of Eighth Grade

John Boyd Rush was elected president of the eighth grade of Ranger Junior High School at a meeting held recently at the high school.

Other officers elected were vice-president, Margaret Needham; secretary and treasurer, Scott Forney; reporter, Bill Herington; and student council representatives, June Hood.

Sponsors of the class are Miss Mary Joy Wilson and E. R. Ervin.

Bulldog Mothers Club Elects New Officers

Mrs. Wilson Simpson was elected president of the Bulldog Mothers Club at a meeting held Tuesday afternoon at the high school.

Other officers elected were vice-president, Mrs. L. T. Rushing; and treasurer, Mrs. Charles Hummel.

Plans were made to have a cake walk to raise money for the annual football banquet.

Jr. High P-TA Meets Tuesday

The Junior High Parent-Teachers Association met Tuesday afternoon at the High School for a business session with president, Mrs. Onis Littlefield presiding.

Plans were discussed to send the Junior High students to the Dallas Fair.

A seven day membership drive was launched and it was voted to give a \$5 prize to the room who gets the most new members.

Miss Mary Joy Wilson had charge of the program and chose as her topic, "Room Teacher Guidance for Children."

The new Junior High teachers were introduced and it was announced that the Junior High P-TA will have charge of the concession stands at the football game Sept. 22 when Tarrant State will play Ranger Junior College.

Ladies Bible Class Meets

The Ladies Bible Class of the Church of Christ met Wednesday morning for their Bible lesson with Floyd J. Spivy, minister of the church, teaching the lesson.

At noon a luncheon was served buffet style at the home of Mrs. Floyd J. Spivy.

Immediately following the luncheon the group visited the sick members of the church and then met back at the church for a business session. Plans were outlined and discussed for future work by the group. Mrs. Dale Wheat was appointed as reporter for the group.

Those present were Meses. E. R. Green, L. E. Gray, Haris Gardenshire, Dale Wheat, Morris George, C. D. Ervin, Carmen Young, A. G. Langley, Tommy Fox, O. G. Lannier, J. E. Meagney, and Mr. and Mrs. Spivy.

Juniors Elect Class Favorites

Bertha Gallagher and Billy Moreland were elected class favorites of the Junior Class of the Ranger High School at a meeting held Wednesday afternoon.

Plans were made for the class to go to Cisco, Saturday, September 23, for an outing.

Rev. Jasper Masseurge is attending the Southwestern Theological Seminary in Fort Worth.

Personals

Joe P. Seif, Jr., Chaplain (Major), USAR visited his sister, Mrs. Robert Gans, yesterday in route to Dallas to attend a breakfast in connection with the Community Chest Activities in honor of Chaplain (Major General) Roy H. Parker, Chief of Chaplains, Department of the Army.

Jack Littlefield and Don Ford who are attending Texas Tech in Lubbock visited in Ranger over the week-end.

Jimmy Wallace of Loveland was the week-end guest of his parents, Mr. and Mrs. Harry Wallace.
