GOOD OIL WELL COMES IN ON THE W. P. BRADFORD ESTATE

Albert N. Bradford, rancher and oil man, said yesterday afternoon that oil promoter Fred Harrell, Olney, had produced an oil well on Bradford's place which is located 12 miles north of Ranger on what is known as the W. P. Bradford estate.

The well has been drilled and hydraulically fractured. At 1958 they hit the Strawn Sand and drilled eight feet into that sand. The well was brought in and they are swabbing about 120 barrels a day and expect to produce about 50 a day when they cut down production and put the well on the pump. Workers plan to run tubing and pump today, according to Bradford. He said that two 150 barrel stock tanks are set up and ready. He also said that two other location offsets have been made and drilling will commence here after a test has been run on the pump of the present well. Several years ago Bill Suddeth drilled a producing well near the location of the present producing well. This was around

1922 or '23, stated Mr. Bradford who said that Mr. Harrell believed that there was more oil around that location and contacted him and stated that he would like to drill on his property.

They made a drilling contract and a rotary rig was set in around the middle of June. The well came in Friday afternoon. Observers have called the well one of the best to come in around Ranger in a long time.

District Cops Get Marijuana

WASHINGTON, July 2 (UP)—Police announced today they have found 198 pounds of marijuana—worth nearly \$500,000—secreted in the body of an automobile owned by a man arrested recently when he arrived here from Mexico.

The weed, smoked by addicts, was hidden in special steel compartments built into the vehicle. U. S. Narcotic Agent Boyd Martin said the haul was the biggest one of its kind he ever heard of.

John Raymond Weatherbee, New York, was seized 10 days ago by police along with two others after he arrived here. Eight pounds of marijuana were found and he was held in \$10,000 bond for violating a tax act.

Authorities dismantled the car in hunting for the remainder of the cache they believed Weatherbee had brought with him.

CAPITOL SNARL—A strike of 3,400 transit workers paralyzed trolley and bus service here in the nation's capitol creating a record tieup. This was the scene on historic Pennsylvania Avenue as Washington drove to work. To ease parking problems, cars were permitted to park diagonally across idle street car tracks. (NEA Telephoto).

Ridgway Accepts Proposal Today For An Armistice Conference

TOKYO, July 3 (UP)—Gen. Matthew B. Ridgway accepted today a Communist proposal for an armistice conference in the Korean no-man's land city of Kaesong July 10, but suggested an earlier meeting would save lives.

Ridgway's reply, broadcast to the Communists at 2:30 p. m. (12:50 A. M. EDT), said he was prepared to send three liaison officers proceeding to Kaesong Thursday "providing you advise me" of their route and schedule.

"Since agreement on armistice terms has to precede cessation of hostilities, delay in initiating the meetings and in reaching agreement will prolong the fighting and increase the losses," Ridgway said.

Red China already has indicated however, that July 10 is the earliest date on which it is prepared to open cease-fire talks.

Governor Will Be Busy Man

AUSTIN, July 3 (UP)—Eating, speaking and traveling will take a large part of Gov. Allan Shivers' time this week.

Shivers was scheduled to speak today at a barbecue at Diboll, Angelina County.

Tomorrow he will make an Independence Day speech at Amarillo, again at a barbecue and Saturday he will address the State Bar Convention at Dallas and attend a luncheon of University of Texas Law School Alumni.

The Governor and Mrs. Shivers will leave Dallas at 3 p. m. Saturday for Colorado Springs, Colo., returning to Austin next Monday.

Child Drowned In Bath Tub

HOUSTON, July 3 (UP)—Mike Gusman, Jr., two-year-old son of Mr. and Mrs. Mike Gusman, was drowned in the family bathtub late yesterday while his mother was caring for his seven-month-old brother.

Mrs. Gusman said she was giving Mike a bath and when the baby started crying, she left him for a moment. When she returned he was lying face down in five inches of water.

Twin Calves Born

Twin calves were born Wednesday to a cow belonging to J. D. Stanford who lives eight miles Northwest of Ranger on the Cadudo Road. The calves were almost as big as ordinary calves and were normal in every way.

HUGH CASEY KILLS SELF

ATLANTA, July 3 (UP)—"Fireman" Hugh Casey, former relief pitcher with the Brooklyn Dodgers, killed himself early today with a shotgun blast that was heard by his estranged wife over the telephone.

The fatal shot also was heard by a close friend of the portly, 38-year-old baseball star who had rushed to Casey's downtown hotel room hoping to prevent the suicide.

Gordon McNabb, Atlanta reporter, said he arrived seconds too late. He was within 30 feet of the third floor room in the Atlanta Hotel when the shell exploded into Casey's throat.

Mrs. Kathleen Casey, 34, blamed her husband's action on a paternity suit in New York in which a girl named Hilda Weissman accused the pitcher of being the father of her child.

She said Casey called her over the telephone a few minutes before he shot himself. Police said the telephone receiver was still beside his head when the body was found.

"I begged and pleaded with him not to do it," Mrs. Casey said. "I tried to tell him that for God to do and not for him to do. But he said he was ready to die... that this was his time."

"He was just as calm about it as if he was about to walk out on the ball field and pitch a game."

Casey's last words, according to his wife, were: "I am innocent of those (paternity) charges."

McNabb said Casey apparently was talking with his wife when he arrived at the hotel. He said he tried to call the room and found the line was busy.

McNabb said Casey called him shortly after midnight and asked him to come to the hotel, but warned: "You'll see me but I won't see you."

Trailer-Truck Goes Off Road

Around 8:15 p. m. last night, Truck Driver Ben Austin, 23, Fort Worth, pulled his trailer-truck off of the highway to enter the Ranger Hill Cafe for coffee. The shoulder in the road was weak and caved in with the huge International K7 truck's trailer. The vehicle fell down about 20 feet.

Highway Patrolman Terry Barrett, Sheriff Frank Tucker, and Deputy Sheriff Joe Faircloth rushed to the scene to help with the traffic. Two Ranger wreckers went to the scene and succeeded in pulling the vehicle back up. No one was injured in the accident.

The program for this year will include swimming, pole polo, football, horse shows, washers, truck, baseball and boxing.

All 4-H Club boys and their dads are urged to attend the camp.

Cowtown Traffic Toll Reaches 22

FORT WORTH, July 3 (UP)—Fort Worth's 22nd traffic death of the year occurred last night when Billy David Lee, 8, was killed in a two-car crash.

The child was riding in a car driven by an uncle, Bill E. Arnett, who suffered minor injuries. The Arnett car overturned on the side where the boy had been sitting.

Occupants of the other vehicle were not hurt.

Judge Reverses Venue Change

HOUSTON, July 3 (UP)—Judge Langston King in criminal district court today reversed his earlier change of venue order and retained the murder case against Diego L. Carlino in Harris county. King also ordered the 32-year-old grocer who is charged with the 1949 shotgun slaying of Vincent Vallone jailed and set his bond at \$20,000.

Carlino was arrested at a hide-out Saturday by Sheriff C. V. Kern after a nationwide hunt. He had been free until his arrest since his first trial on a charge of venue last fall in Travis county.

Last Monday, King ordered the case to be tried in San Angelo, but reversed the decision today. At his hearing today, Carlino refused to answer when asked if he knew of changes of venue hearings.

After the Austin trial, Judge Harris Gardner reduced Carlino's bond to \$5,000 from \$25,000, but the bond was not executed. Carlino had been free since then without bond.

Texas Company Ask Increase

LUBBOCK, July 2 (UP)—West Texas Gas Company has asked the State Railroad Commission for permission to increase rates in 47 communities, President C. I. Wall announced today.

He said the petition was presented to the commission at an Austin meeting today.

Wall said the proposed boost would approximate five cents per thousand cubic feet, increasing rates an average of 14.6 per cent through the system.

Copies of the proposed hike were sent to mayors of the 47 towns serviced by West Texas Gas, from Hereford and Canyon on the north to Odessa on the south, Wall said.

The Railroad Commission was expected to present the matter to the gas utility division for study before deciding whether to publicly air the proposal.

DPS Glad That Holiday Will Be One Day Try

AUSTIN, July 3 (UP)—The short July 4 holiday may not please the office worker looking forward to a day in the country, but it suits the Department of Public Safety.

Safety officials believe that the calendar's placement of Independence Day in the middle of the week may result in a fairly low holiday death toll. There's less time to travel.

CHARGES AGAINST NEWSPAPER REPORTER ARE QUESTIONABLE

There are no American, British or French representatives of Western News Agencies or newspapers in Prague. The trial of Associated Press Correspondent William N. Oatis is being covered for the United Press by Ivo Berounsky, a Czechoslovak national employed by the UP in its Prague office. His copy is not subjected to censorship, but as a Czechoslovak citizen, he is subject to Czechoslovak laws.

PRAGUE, Czechoslovakia, July 3 (UP)—Associated Press Cor-

respondent William N. Oatis, on trial for espionage, returned to the stand today to denounce his Western Newspaper Colleagues and Western Diplomats in Prague as spies.

His shoulders bowed, looking tired and speaking in a voice so low that it was barely audible, Oatis read a 15-minute statement in which he named former United Press Bureau Chief Russell Jones, Reuter's News Agency Correspondent Robert Bigio, French Press Agency Correspondent Gaston Fournier and nine diplomats as having spied.

Oatis said that western diplomats who spied included United States Ambassador Ellis O. Briggs and others whom he had named in his first appearance on the stand yesterday.

Oatis said United Press Correspondent Jones and Reuter's correspondent Bigio gave espionage reports to American diplomats. French Press Agency correspondent Fournier published news material, containing espionage material, for diplomats.

(Jones, Bigio and Fournier have left Czechoslovakia.)

Oatis took the stand again today after 11 prosecution witnesses including former United Press employee Jan Stransky, 33, had testified against him and his three co-defendants, all former Czechoslovak employees of the Associated Press.

Oatis' lawyer Dr. Bartos, told the court that Oatis wanted to complete the testimony he gave yesterday. The following exchange, incomplete because Oatis' voice was sometimes inaudible, then took place between the court president and Oatis:

"You want to add something, Mr. Oatis?"

"Yes, I do. In my testimony I described one group of people—Czechoslovaks of reactionary leanings. I did not describe, however, the other group, the Western Correspondents and diplomats."

"Yes, we know that you did not say all that was on your conscience."

"But I answered all questions. The witnesses have pictured the espionage activity I engaged in. Now I want to say something of the espionage activity of those others."

"Yesterday I said that the other correspondents also sent espionage reports similar to mine. I will give you some examples."

Oatis then said:

1.—Col. George L. Attwood, U. S. Military Attaché, told him that he received two reports from UP Correspondent Jones. The first concerned "military questions in a certain Bohemian town involving the Ministry of National Defense."

Attwood also said Jones gave him the names of army officers arrested in connection with the arrest of former Foreign Minister Vladimir Clementis, now awaiting trial.

"Bigio of Reuters used to give espionage reports to (American) Ambassador Briggs. I was with him last August when Bigio told Briggs that a certain number of high officials had been dismissed."

3.—"Gaston Fournier of the French Press Agency put out a news bulletin for the diplomatic corps in Prague which contained many espionage reports."

Oatis said that the United Press, Reuters and the French Press Agency all sent news of the arrest of Clementis. When they sent a story Oatis did not have, he said, "I have received an order from London or New York telling me to file it as soon as possible."

"The American Embassy received regular espionage reports from the British, Italian and French Embassies," Oatis said.

Oatis, 37, and his co-defendants are charged in their trial in Panzac Prison with political, military and economic espionage and complicity in the murder of a Czechoslovak rocket officer.

FBI Making Full Facilities Available To Find Communists

WASHINGTON, July 3 (UP)—The FBI said it is making its "full facilities" available to determine the whereabouts of four Communist leaders who failed to show up today in New York federal court to begin prison terms.

When asked by newsmen whether the four might have "skipped the country," the FBI spokesman replied: "No comment."

He did say "the FBI is making its full facilities available to ascertain their whereabouts."

The four missing leaders were among the 11 Communist party politburo members sentenced to prison for conspiring to teach and advocate forceful overthrow of this government. They are:

Robert Thompson, New York state chairman; Gus Hall, Ohio chairman; Gilbert Green, Illinois chairman, and Henry Winston, organization secretary.

After they failed to appear, the court issued bench warrants and turned them over to the U.S. Marshal in New York. The FBI will assist the marshal in the search.

Four "second layer" officials of the party are still missing and are being sought on warrants charging them with a like conspiracy. They are among the 21 indicted June 20 by a New York federal grand jury.

This group consisted of Red Fine, 37, Jackson Heights, L. I., New York, a member of the Alternate National Committee; James Edward Jackson, Jr., 36, Brooklyn, N. Y., southern regional director and alternate national committeeman; William Norman Marron, 49, Flushing, L. I., N. Y., New York state executive sec-

retary and alternate national committeeman, and Sydney Steinberg, 36, Jackson Heights, assistant national labor secretary and alternate national committeeman.

These, and others indicted who were members of the alternate national committee, were supposed to take over the running of the party when the 11 top leaders went to prison today.

Farmer Accused Of Incest Of His Daughter

AMARILLO, July 3 (UP)—Elias Jefferson Wingo, 58-year-old Atoka, Okla., farmer accused of incest of his 14-year-old daughter, was arraigned here today on Federal charges of unlawful flight to avoid prosecution.

Wingo was arrested by FBI Agents and Hall County Sheriff's Office last night at Memphis, where he had been working on a farm hand since his disappearance from Atoka June 6th.

The elderly farmer, charged at Atoka with criminally assaulting his daughter last Christmas Day, is also wanted for questioning in connection with the death of his wife, Mrs. Ollie Wingo.

Sheriff L. O. McBride of Atoka County said the woman was found June 19th at the Wingo farm home, fatally stabbed in the heart by a large needle or ice pick. He said the family had been threatened by Wingo previously, although he had not been seen in the area since his disappearance.

Bond on the unlawful flight charges, filed at McAlester, Okla., was set at \$7,500 today.

\$397,000
THE HOUSING AUTHORITY OF THE CITY OF RANGER, TEXAS
NEW HOUSING AUTHORITY BONDS (FIRST ISSUE)
Sealed proposals will be received by The Housing Authority of the City of Ranger, Texas, (herein called the Local Authority), at its office 113 South Rusk Street, in the City of Ranger, Texas, until, and publicly opened at, one o'clock P. M. (C. S. T.) (three o'clock P. M.) (E. D. S. T.), on July 17, 1951, for the purchase of \$397,000 bonds of the Local Authority to be known as "New Housing Authority Bonds (First Issue)", being issued to aid in financing its low-rent housing project designated as Project No. TEX-43-1.

The Bonds will be dated August 1, 1950, (herein called the "Bond Date"), will mature serially on August 1, each year commencing August 1, 1952, and ending August 1, 1991, and will bear interest from August 1, 1951, payable semi-annually on August 1 and February 1. Bonds will be in the denomination of \$1,000 each, will be numbered from one consecutively upwards in order of maturity, and will be issued in the form of coupon bonds, registrable as to principal only, or as to both principal and interest, with the privilege of reconversion at the expense of the holder into coupon bonds. Both principal and interest will be payable at the principal office of the Fiscal Agent of the Local Authority, The First National Bank of Fort Worth, Fort Worth, Texas, (or at the principal office of any successor Fiscal Agent appointed pursuant to the Resolution authorizing the Bonds) or at the option of the holder at the principal office of an alternate paying agent in the City and State of New York as may be prescribed by the successful bidder for the Bonds. The successful bidder may also prescribe an additional alternate paying agent for the Bonds.

The designation of the alternate paying agent or agents (which shall be members of the Federal Deposit Insurance Corporation) shall be received by the Local Authority within forty-eight hours after the time set for the opening of proposals. If such designation is not received within such forty-eight hour period, the Local Authority shall designate an alternate paying agent (which shall be a member of the Federal Deposit Insurance Corporation) in the City and State of New York. The fees and charges of any such alternate paying agent or agents (not to exceed five cents for the payment of each coupon, with a minimum of \$5 for each interest maturity, and one-tenth (1-10) of one per cent (1%) for the payment of up to \$100,000 of principal and one-twentieth (1-20) of one per cent (1%) for the payment of principal in excess of \$100,000 on each principal maturity) will be borne by the Local Authority.

The Bonds will be redeemable at the option of the Local Authority on any interest payment date on and after ten years from the Bond Date at a redemption price of par and accrued interest to the

date of redemption plus a premium of 4% of their par value if redeemed on or before fifteen years from the Bond Date; or a premium of 3% of their par value if redeemed thereafter, but on or before twenty years from the Bond Date; or a premium of 2 1/2% of their par value if redeemed thereafter, but on or before twenty-five years from the Bond Date; or a premium of 2% of their par value if redeemed thereafter, but on or before thirty years from the Bond Date; or a premium of 1% of their par value if redeemed thereafter, but on or before thirty-five years from the Bond Date; and without premium if redeemed after thirty-five years from the Bond Date.

The Annual Contributions Contract between the Local Authority and the Public Housing Administration relating to the Project contains provisions which the Public Housing Administration, in said Contract, has determined are in accordance with Sec. 22 (a) of the United States Housing Act of 1937, as amended. The Annual Contributions Contract does not contain any conditions which, upon delivery of the Bonds, will affect the unconditioned obligation of the Public Housing Administration to pay annual contributions thereunder.

Each proposal must prescribe a single rate of interest which shall be a multiple of one-eighth (1-8) of one per cent (1%) per annum to be borne by all of the Bonds. Each proposal must also prescribe a schedule of annual maturities (which schedule must be submitted with the proposal) so arranged that (a) the interest payable twelve, eighteen, and twenty-four months after the Bond Date together with the principal payable twenty-four months after the Bond Date, and (b) the interest and principal payable in each twelve month period thereafter, will require a level debt service for the payment of the interest and principal of the Bonds in such periods in the smallest uniform amount (rounded upwards to the next multiple of ten dollars) on the basis that any portion of such level debt service not needed for the payment of principal and interest in any such period will be carried over and used to supplement the level debt service in the next succeeding period.

The award will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest rate of interest stated in a multiple of one-eighth (1-8) of one per cent (1%) per annum, without reference to premium, provided, however, that if two or more bidders offer to purchase the Bonds at the same lowest rate of interest, then such award will be made to the bidder offering the highest premium. The right is reserved to reject any or all proposals. Each proposal must be enclosed in a sealed envelope addressed to the Local Authority and should be marked on the outside "Proposal for Bonds."

Schedules of annual maturities, on the basis herein prescribed, at

various interest rates and proposal forms will be furnished to bidders upon request addressed to the Local Authority or to the General Counsel of the Public Housing Administration, Longfellow Building, Washington 25, D. C., or to the Field Office Director of the Public Housing Administration in the Cities of New York, N. Y., Atlanta, Ga., Fort Worth, Texas, Chicago, Ill., and San Francisco, Cal.

Each proposal shall offer to purchase all of the Bonds at a price of not less than par and accrued interest to the date of delivery of and payment for the Bonds.

All proposals for the purchase of the Bonds must be submitted on forms which will be furnished as stated above. All proposals must be unconditional and must be accompanied by a certified or cashier's check payable to the order of the Local Authority in the amount of \$7,940 as a good faith deposit. No interest will be allowed on the amount of the good faith deposit. The proceeds of the check of the successful bidder will be applied to the purchase price of the Bonds or be retained by the Local Authority as liquidated damages in the event of the failure of the successful bidder to take up and pay for the Bonds in compliance with the terms of his proposal. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. All proposals shall remain firm for twenty-four hours after the time above specified for the opening of proposals and an award of the Bonds, or rejection of proposals, will be made by the Local Authority within said period of time.

In the event that prior to the payment for the Bonds the interest received by private holders on bonds issued by public housing agencies in connection with low-rent housing or slum clearance projects shall be taxable by the terms of any Federal law hereafter enacted, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase the Bonds and in such case the deposit accompanying his bid will be returned.

The Bonds will be generally obligations of the Local Authority secured by a first pledge of annual contributions unconditionally payable pursuant to the aforesaid Annual Contributions Contract in an amount which, together with other funds of the Local Authority which are actually available for such purpose, will be sufficient to pay the principal of and interest on the Bonds when due, and the approving opinion of Caldwell, Marshall, Trimble & Mitchell, of New York City, to such effect will be delivered.

ACCUSED AS SPY—Associated Press correspondent William N. Oatis, confessed at the opening of his trial being held at Prague, Czechoslovakia that he had acted as a spy. (NEA Telephoto).

ered to the purchaser without charge.

The Bonds will be delivered within sixty days from the time set for the opening of proposals, or the good faith deposit will be refunded at the expiration of said period at the option of the successful bidder. Delivery of the Bonds will be made without cost to the successful bidder in New York City, unless another place is mutually agreed upon.

Do You Know the Answer—
... to the little boy's question—"Daddy, what is an abstract and what kind of an abstract do we have to our place?" That's a searching question. If the answer is—"I don't know." That's a satisfactory reply. But if the answer is—"Son, we have a dependable abstract because I know the people who made it are dependable, and we won't worry about the rest", that's a good answer.

Carolyn Ducker, Charles Brown United In Marriage Sunday

In a ceremony performed Sunday afternoon at 4:00 p.m. in St. Luke's Episcopal Church in Mineral Wells, Jane Carolyn Ducker, daughter of Mr. and Mrs. John W. Ducker of Mineral Wells became the bride of Charles V. Brown of Ft. Worth, son of Mr. and Mrs. W. M. Brown, Sr., of Ranger.

The very Rev. David Cartwright Clark, rector of St. Luke's and dean of the Northwest Deanery of the Dallas Diocese read the service before an altar decorated with white mums and gladioluses and lighted by white altar candles in brass candlesticks. Jade fern and huckleberry were used to decorate the rood screen and over the main arch of the rood screen hung a cluster of white mums and gladioluses. Seven branch floor candelabra holding white candles stood on each side of the sanctuary.

Preceding the ceremony Mrs. Milton Hill of Mineral Wells, organist, played Schubert's "Ave Marie," and "Oh, Promise Me" and McDowell's "To a Wild Rose." Mrs. Hill accompanied Mrs. David D. Pickrell of Ranger, violinist, who played "The Lords Prayer" by Malotte and Chopin's "Third Etude." During part of the ceremony Mrs. Hill and Mrs. Pickrell played the Episcopal hymn, "O, Perfect Love." Mrs. Hill played the traditional wedding marches by Wagner and Mendelssohn.

Bridal attendants were Mrs. W. M. Brown, Jr., of Eastland, matron of honor, Miss Jeanne Crawley of Ranger, bridesmaid, Mrs. J. G. Chatmas of Hearne bridesmatron and Cheryl Ann Brown of Eastland, flower girl. The attendants all wore organdy gowns designed with tight tucked bodices with high necklines and pointed collars and long full skirts over matching taffeta. They wore matching picture hats and mitts. Mrs. Brown's gown and hat were pink with dusty pink sash and Miss Crawley and Mrs. Chatmas wore light green with moss green sashes. Little Miss Brown wore pink. All carried baskets of daisies with ribbon matching their dresses.

The bride given in marriage by her father, wore a white Chantilly lace and nylon net gown styled with tight bodice of the lace with v-neckline and short sleeves. The very full net skirt was attached to a hip-length, scalloped yoke of the lace and fell into a chapel length train. Her veil of illusion was attached to a coronet of seed pearls overlain with illusion and her something old was a strand of pearls belonging to her mother. Her lace mitts were ornamented with small clusters of lilies of the valley touched with blue. She carried a bouquet of white carnations and staphanotis, with a shower of staphanotis and white satin ribbon.

W. M. Brown, Jr., of Eastland, brother of the bridegroom, was best man and groomsmen were J. B. Thompson, Venezuela, S.A., and Ven O. White of Houston. John F. Pearsall of Houston, Alvin Johnson of Andrews, Frederick Larson and Cicero Harris, Jr., both of Ranger, were ushers. For the wedding the bride's

mother chose an ecru linen lace dress worn over maize satin with brown accessories. Her shoulder corsage was of pink gladioluses. The bridegroom's mother wore a dusty pink linen lace dress with tan and brown accessories. Her corsage was of gardenias.

Immediately after the ceremony a reception was held at the Mineral Wells Country Club. The bride's table was covered with a Normandy lace cloth and centered with an arrangement of pink carnations, candy tuft and fern in a silver bowl. White candles in silver candlesticks lighted the table. The two tiered white wedding cake was topped with pink carnations. The bride's bouquet decorated the table where guests registered in the bride's book. Assisting at the reception were Mrs. W. P. Cameron; Mrs. Bob Yeager, both of Mineral Wells and Mrs. Walter Sikes of Amarillo, aunt of the bride and Misses Jo Oyler of Denton, Elaine Brazda and Doris Perlestein of Dallas, Katherin Adams, Lynn Pearson, Jean Valentine and Betty Lou Hagaman, all of Ranger and Greta Cosby of Mineral Wells.

When the couple left for a short wedding trip, the bride wore a navy blue linen dress with a white hip-length pique jacket made with three-quarter length sleeves. Her accessories were blue and white and she wore a white carnation corsage.
