Peace Talks May Be Bogged Down Again

JAYCEES COMPLETE PLANS TO RE-OPEN TEEN CANTEEN HERE

The Ranger Junior Chamber of Commerce met last night at 7:30 in the Gholson Hotel.

The Jaycees work on the re-opening of the Teen Canteen in time for the fall session of school. Some of the things that are planned for the building are repair of the venetian blinds, addition of another restroom, a new front door for the building and the removal of all excess paper that remains of the decorations from the past years.

All light fixtures and light bulbs in the building will either be repaired or replaced if the need be.

As soon as the building is ready for opening it will be turned over to the public schools for supervision.

A committee consisting of Wesley Poyner and Charles Milken will appear before the city commission tonight to coordinate the repair of the building with the city.

Also on the agenda for the

Community Chest Directors Will Meet Wednesday

A meeting of the directors of the Ranger Community Chest has been called by Chairman David Pickrell for 4:30 p. m. Wednesday afternoon.

The directors will receive the reports of the organizations that rely on the chest for support. The reports will be audited by the directors and a budget worked out for the dependent organizations for the coming year.

The Boy Scouts, Girl Scouts, Child Welfare Fund and the Salvation Army rely on the Community Chest for funds with which to do their work in Ranger.

Stated for the meeting will be the nomination of officials for next year's fund drive. The election of these nominees will be held at a meeting in September.

The director of the Community Chest of Ranger are David Pickrell, Chairman; Wilson Guest, Treasurer; Hugh Smith, Mrs. P. M. Kaykendall, Lee Dockery and J. W. Elder, Jr.

CC President Aims City's Bad Point

SAN ANTONIO, Aug. 21 (UP)—The president of the Chamber of Commerce stepped out of character last night and spoke on the city's bad points.

"There are circumstances in San Antonio of which the citizens should be ashamed," Laurence Wingerter told a dinner of the Chamber of Commerce at its annual installation banquet.

Bexar County's tuberculosis rate is the highest in the nation," he said. "The infant diarrhea rate is high."

He cited a U. S. Public Health Service tuberculosis survey and said he hoped the recommendations were carried out.

"It is unthinkable for a city this size to have so many residents without water and sewers," the chamber president declared. He described a system of "water wagons" that provide service to some parts of the city.

"It tears the heart right out of you to see some of these conditions," he said.

Mrs. C. E. May To Represent Local Church

Mrs. C. E. May, Sr., secretary of Missionary Education in the local Woman's Society of Christian Service of the First Methodist Church, will represent this group at the Missionary Institute and Time Apart in Georgetown, Aug. 21 through the 24.

She was accompanied by Mrs. Arthur Deffebach and Mrs. Vernon Deffebach.

For Good Used Cars (Trade-ins on the New Olds) Osborne Motor Company, Eastland

meeting last night was the appearance of a representative group of Ranger Jaycees in the parade and grand entry at the Graham Rodeo Wednesday afternoon. Some sixteen riders will go from here to ride at the parade.

At the termination of the meeting an election was held to fill the vacancy existing in the treasurer's office. Earl Lebrado was elected to fill the vacancy until the end of the year when the regular elections will be held.

Houston Boy To Receive Medal For Heroism

HOUSTON, Aug. 21 (UP)—Danny O'Brien, a 13-year-old Houston boy whose quick thinking saved at least a dozen persons from death by fire last April, will receive a national award today.

The Alert Citizen Medal and Scroll of the National Association of Mutual Insurance Agents goes to boys and girls whose outstanding presence of mind and courage result in the saving of life or property.

Danny was approaching an apartment house where an aunt lived when he spotted a fire in a tunnel leading to the back of the structure.

After waking his aunt and her family, Danny went from door to door to sound the fire alarm. All occupants of 10 units of the apartment building escaped minutes before flames destroyed the building.

Body Of Woman Found In Weeds

AUSTIN, Aug. 21 (UP)—Investigating officers sought today to identify the badly decomposed body of a woman found yesterday by hunters in knee-high weeds five miles southeast of town.

Sheriff Ernest Best said the woman was believed to be about 45 and had probably been dead about a week. The condition of the body made it impossible to determine immediately whether there was any evidence of foul play.

Police had meager clues including a notebook titled "Christian Education in the Local Church," with the inked initials "F.F.F." on the cover.

Waco Woman Dies In Wreck

JASPER, Aug. 21 (UP)—Mrs. James Griffin of Waco was killed yesterday when an automobile overturned on a curve seven miles west of here on highway 63.

New Crisis Developing In Egypt Over British Troops

The next crisis in the Middle-East may erupt in Egypt any day now.

Like Iran, Egypt is unhappy over an agreement she signed with the British and has announced she intends to declare it null and void. But unlike Iran, Egypt made her agreement with the British government—not with a private oil company, albeit largely owned by the British government.

The Anglo-Egyptian dispute deals with the sanctity of a treaty entered into by two sovereign governments.

At stake is the security of the Suez Canal as a British commonwealth lifeline, the future of the biggest Allied military base in the Middle-East, and the political future of the Sudan—a country more than four times the size of France.

Britain and Egypt signed the treaty in London, Aug. 26, 1936. It was to remain in effect for at least 20 years, although it could be reopened for revision after 10 years.

Its principal provisions are: 1. Britain shall station military forces on Egyptian territory in the vicinity of the Suez Canal to insure its defense until both coun-

Spatz (R) just after he set his jet plane down for a new world's record of better than 628 miles per hour for the 100 kilometer course. (NEA Telephoto).

County Golf Meet Slated In Eastland

An all-county golf tournament will be held in Eastland September 1, 2 and 3, at the Lakeside Country Club course.

Qualifying will begin August 26. Qualifying for medal score will be held on Saturday, September 2 with semi-finals and finals to be held on Labor Day, Monday, September 3.

Anyone who lives in Eastland County is eligible to enter the tournament according to John Lively, club pro.

Prizes will be awarded in all flights. The number of flights will depend upon the number of entrants in the meet.

The entrance fee is \$5, which includes a big supper at the course Saturday night, September 1. Supper tickets may be purchased by those who do not wish to participate in the tournament at \$2 each.

Greens at the course are in fair condition despite the extreme dry and hot weather throughout the summer.

A large number of golfers from Ranger, Cleo, Rising Star and the remainder of the county are expected to enter the meet in addition to a large group from Eastland.

Two matches will be played Sunday and the semi-finals on each flight will be played Monday.

All golfers of the county are invited to enter the meet.

Waitress Raped And Beaten In Fort Worth

FORT WORTH, Aug. 21 (UP)—A 20-year-old Fort Worth waitress was raped three times and left for dead in a heavy thicketed area early today after her attacker ripped off her clothing and brutally beat her.

Her assailant escaped in his automobile after knocking her down the embankment of a small creek, kicking her as she lay still and yelled, "you'll never live to tell anybody about this."

The man was believed to have taken the woman's clothing with him.

The waitress was found by three Negroes, who clothed her and brought her into town. She was treated at City-County Hospital and later returned to her downtown hotel room.

Police said she told this story: She was in a downtown tavern near midnight, waiting for a bartender friend to get off work. As she played the juke box, a man about 28 years old and of medium build approached and offered to match nickels to see who would play the next song.

When the tavern closed at midnight, she planned to remain inside to wait for the bartender, she said. But the stranger invited her to sit in his car outside, where he said he had some cold beer.

Once she got into the car, he slammed the door and threatened her if she screamed. When she did, he shoved his fingers down her throat, then drove off at high speed.

Reaching a secluded area, he began tearing off her clothing, occasionally hitting her in the mouth with his fists.

She said he raped her three times, while beating, cursing and threatening to kill her. She broke free once, but he caught her.

He finally knocked her down on an embankment of a small creek. She said she lay still, near the water's edge, for fear of being killed.

The man kicked her and left in his car, she said.

The woman said she wandered through the wooded area until she found a road. She was picked up and clothed by three Negroes who brought her to town, she said.

WTCC Estimates Texas Part In Proposed Budget

ARILENE, Aug. 21 (UP)—The West Texas Chamber of Commerce estimates Texas will pay \$379,950,000 of the \$8,500,000,000 foreign aid and military assistance program proposed by President Truman.

The chamber did not specify direct opposition to any part of the proposal, but it called upon Congress to closely scrutinize all of its aspects.

It suggested Congress should seek answers to several questions, including:

"How many more billions can we afford to put into foreign programs before a point is reached where the tax burden will impair our own productive growth?"

"To what extent can loans be made to replace grants in the president's new program for military as well as economic aid?"

"Should not the legislation for the new foreign aid program contain definite provisions to end these huge expenditures when the job has been finished?"

The chamber said economic cooperation administration (Marshall Plan) and foreign military assistance programs—labeled "temporary" at their inception—are being not only extended but also expanded.

The chamber calculated Texas share of the Truman proposals at \$379,950,000 on the basis that the state's current share of the national tax burden is 4.47 per cent.

Reverend Paul Bell, Jr. To Conduct Services At 1st Baptist

Reverend Paul Bell, Jr., will deliver both the morning and evening messages at the First Baptist Church, Sunday, August 26. Brother Bell is pastor of the Mexican Baptist Mission of this city which is sponsored jointly by the Home Mission Board and the First Baptist Church. Brother Bell will fill the pulpit in the absence of Brother Ralph Perkins who will be in Clyde for a revival at that time.

Brother Bell is a graduate of Baylor University and is now attending Southwestern Baptist Theological Seminary in Fort Worth. He has been pastor of the Mission here since last Sept. Brother Bell was born in Bastrop, Texas and received his early education in the state, however, his father has been with the Home Mission Board of the Baptist denomination for 39 years. Bell returned to the United States to begin his college work for the next two summers he was sent by the Baptist Student Union of Texas to work in the Central American countries, Honduras, Costa Rica, Guatemala, Panama. The third summer his wife returned with him to the Central American under the sponsorship of the Baptist Home Mission Board. The Royal Service Magazine in the June issue carried a story on Brother Bell and Mrs. Bell and the work that they had done on this latest trip to the foreign fields.

Under the leadership of Brother Bell the Mexican Mission here has enjoyed progress and growth. He is much encouraged about the work here and feels that progress should be continuous with the leadership of the Holy Spirit. Not only does Brother Bell conduct services here, but also in Cisco each Sunday evening.

Sunday evening of this week, however, Brother Bell will show slides pictures of his tours of service in the Central American countries. You are cordially invited to come and hear this young missionary tell the interesting and challenging story of his work with our neighbors to the south.

RHS Band Gets New Set Of Drums

The Ranger High School Band will be better equipped than ever this year with a new set of drums presented to the band by Dr. P. M. Kaykendall.

The band and the director, Bob Gans, are certainly appreciative of this gift to the band from Dr. Kaykendall and did not hesitate to let it be known.

WTCC Estimates Texas Part In Proposed Budget

ARILENE, Aug. 21 (UP)—The West Texas Chamber of Commerce estimates Texas will pay \$379,950,000 of the \$8,500,000,000 foreign aid and military assistance program proposed by President Truman.

The chamber did not specify direct opposition to any part of the proposal, but it called upon Congress to closely scrutinize all of its aspects.

"Should not the legislation for the new foreign aid program contain definite provisions to end these huge expenditures when the job has been finished?"

The chamber said economic cooperation administration (Marshall Plan) and foreign military assistance programs—labeled "temporary" at their inception—are being not only extended but also expanded.

The chamber calculated Texas share of the Truman proposals at \$379,950,000 on the basis that the state's current share of the national tax burden is 4.47 per cent.

Highway Patrol Appoints Two

AUSTIN, Aug. 21 (UP)—Appointment of two new highway patrol captains, effective Sept. 1, was announced yesterday by Director Homer Garrison, Jr., of the Texas Department of Public Safety.

Competitive examinations among 19 patrol sergeants determined the appointment of Sgt. K. B. Hallmark, Jr., of Austin as captain of the re-created Wichita Falls district, and Sgt. Glenn R. Warner of Dallas to captain the Pecos district.

Reverend Paul Bell, Jr. To Conduct Services At 1st Baptist

Brother Bell is a graduate of Baylor University and is now attending Southwestern Baptist Theological Seminary in Fort Worth. He has been pastor of the Mission here since last Sept. Prairie View To Honor The Oldtimers

PRAIRIE VIEW, Aug. 21 (UP)—Prairie View A&M College will pay tribute tonight to three oldtimers who will retire from active service Aug. 31.

To be honored are W. R. Banks, president emeritus of Prairie View and chairman of the board of regents of Texas Southern University at Houston; Charles E. Carpenter, professor of French; and Pierce Anderson, instructor.

All have been active on the Prairie View staff for more than 25 years.

THE WEATHER

WEST TEXAS—Partly cloudy this afternoon, tonight and Wednesday, with widely scattered thundershowers. Not so warm in Panhandle and South Plains today.

Yesterday's temperature: Max. 93 — Min. 68.

REDS REJECT UN REPORT ON VIOLATION OF NEUTRALITY

By PETER KALISCHER United Press Staff Correspondent UN ADVANCE BASE BELOW KAESONG, KOREA, WEDNESDAY, Aug. 22 (UP)—North Korean Gen. Nam Il rejected in angry terms last night a UN reply to his complaint that Allied troops violated Kaesong neutrality zone. It appeared that cease-fire negotiations had come to another crisis.

Nam had alleged that UN troops fired on a Communist military police detachment inside the zone Sunday. Vice Adm. C. Turner Joy, Chief UN truce negotiator, replied that he was investigating the complaint but that a preliminary report "does not substantiate the charges you have made."

Pyeongyang radio said last night that Nam had told Joy that his message was unsatisfactory. "I demand the heaviest punishment for those responsible for the neutrality zone violation and again demand assurance that such incidents will not be repeated," Nam said.

There was speculation at this base whether Nam, the chief tied truce negotiator, might call off armistice negotiations unless he received what he considered a "satisfactory" reply—that is, an admission that UN troops were guilty of the neutrality breach.

Formal cease-fire negotiations are now in recess while a four-man UN-Communist subcommittee tries to agree at informal round table talks on a cease-fire line between Allied and Red forces.

The subcommittee spent more than two hours in deadlocked debate yesterday and adjourned until 11 a.m. today (7 p.m. Tuesday CST).

A UN spokesman here hinted that Moscow was dictating the Red refusal to agree to a compromise on the cease-fire line. He said the Chinese probably get their instructions from their own government but that the North Koreans get theirs from "somewhere higher in the Communist hierarchy."

The North Korean Pyongyang radio, in a broadcast last night, said the UN delegates were trying either to delay cease-fire talks or "even bring a breakdown" so that congress would rush through big war appropriations.

Aside from the neutrality crisis, hope of agreement on truce talks themselves seemed fading for the moment at least. The Kaesong subcommittee spent more than half their time yesterday over Allied-supplied maps in a fruitless attempt to find a compromise truce line.

As an advisory of the U.S. Weather Bureau at New Orleans said the big blow would hit the coast between 5 and 8 p.m. CST but the Mexico weather bureau said it might arrive earlier in the day.

Latest Mexican reports placed the deadly hurricane a little more than 100 miles from here at 6 a.m. CST and said it was sweeping in from the south-southwest at 15 miles per hour.

As residents of the city hurried to shelter, officials feared loss of life might be great in outlying areas where poor communications prevented the warning to natives living in flimsy bamboo and palm-thatched huts.

Mrs. Deffebach New President Christian Group

The Woman's Society of Christian Service of the First Methodist Church has recently been honored by the selection of Mrs. Vernon Deffebach as the Central Texas President of the Central Texas Conference. Mrs. Deffebach replaces Mrs. T. E. Robertson of Carbon.

Mrs. Deffebach had formerly served as District Promotion Secretary and taking her place in this responsible position will be Mrs. Arthur Deffebach.

PEACE TREATY WITH US MAY MEAN WAR WITH NEIGHBORS

TOKYO, Aug. 21 (UP)—Communist warned Japan tonight that if it signs the San Francisco peace treaty without Chinese and Soviet Russian participation it will mean "a declaration of war against these two countries."

Peiping radio broadcast the warning, which was in the form of an open letter published in the newspaper Ta Kung Pao of Shanghai. Peiping emphasized the importance attached to it by broadcasting it fully in English.

The letter urged the Japanese people to "rise up and take the fate of your country into your own hands."

"Whether or not Japan will sign the separate peace treaty prepared by America will be a decisive factor in Japan's fate," the letter said. "Now is the critical moment for Japan, as Am-

Hurricane Heads Toward Mexico

TAMPICO, MEXICO, Aug. 21 (UP)—Residents of this rich oil port sought shelter in churches and public buildings today as a 130-mile-an-hour killer hurricane struck swiftly toward Mexico's tropical east coast.

Government warnings said the storm which claimed 115 lives as it raked Jamaica and the Yucatan peninsula would strike between here and Tuxpan, 90 miles to the south.

Torrential rains and rising winds lashed this port of 30,000 as the hurricane approached. The Mexican weather service warned the fast-moving storm might strike earlier than previously forecast.

An advisory of the U.S. Weather Bureau at New Orleans said the big blow would hit the coast between 5 and 8 p.m. CST but the Mexico weather bureau said it might arrive earlier in the day.

Latest Mexican reports placed the deadly hurricane a little more than 100 miles from here at 6 a.m. CST and said it was sweeping in from the south-southwest at 15 miles per hour.

As residents of the city hurried to shelter, officials feared loss of life might be great in outlying areas where poor communications prevented the warning to natives living in flimsy bamboo and palm-thatched huts.

Veck's Midget Frowned Upon By Other Owners

NEW YORK, Aug. 21 (UP)—Baseball men had their cudgels out today in pursuit of Bill Veck because he dared to put a midget in the lineup of the St. Louis Browns but it looked from here as if the sports world was chasing the wrong guy.

My shilleagh is not aimed at Veck or the little man who physically represents the actual baseball stature of the long-blue Browns. The target for today is Jack Solomon, the British fight promoter.

Solomon, arriving with middle-weight champion Randy Turpin for a defense against Ray Robinson, didn't show the wisdom of his namesake. Interpreting for the shy Turpin—a gent who drops his H's with the best of them—Limehouse Jack explained understand what you fellows are language.

Now, if there's going to be a witch hunt, you chase the guy with the midget and I'll pursue Limehouse Jack.

Veck's gag, I think, was down right side-splitting. Particularly when you consider that it was pulled by a team almost 40 games off the American League pace against another also-ran, baseball and baseball men, at best, are inclined to be a bit stodgy. You know, old boy, Abner Doubleday would have frowned on something like that.

They act, most of the time, as if it was a game which over on the bridge they called the Mayflower. So Veck's midget leadoff man was the brightest spot they've hit since Babe Herman caused Brooklyn to have three men on base.

You've got to give it to Hill, too, that he finally found a way to get a man on base. If he can come up with eight more midgets and play all his games away from home they'll never get the Browns out.

As far as using the acrobats on the bases, I think they're useful, too. Probably even more than the clowns he has out there everyday. But the midget leadoff man—that was pure inspiration.

So while the horrified baseball worshippers burn in indignation, while pitchers have nightmares dreaming of midget-sized strike zones, and while umpires get Lumbago leaning down to the new strike zone—I'm hunting for Solomon.

What we are "doing to the English language," indeed. Limehouse Jack probably doesn't know it, but we've been fracturing the English language ever since a little fracas at Yorktown in 1781 and an Englishman started it. What Cornwallis said wasn't strictly out of a Hyde Park drawing room, but it sounded good to us.

His boy, Turpin, came off with a strictly king's English line when, told that Robinson was the favorite to regain the title, he replied: "I'm easy."

According to the king's English that means "free from care or distress."

But in good old American, "easy" means just that, which I've a hunch is what Turpin will be for Robinson this time out. One fractured Englishman coming up—anybody wanna try for two?

There is ample evidence that the earth's interior is not hot but there may be different estimates as to the exact temperature. Probably it is around 9,000 degrees F.

"Darkhorse" May Take Women's Amateur Title

ST. PAUL, Minn., Aug. 21 (UP)—Chances that a "darkhorse" entry will slip through and win the 1951 Women's National Amateur Golf title looked good today as 64 women golfers started match play.

Young and comparatively unknown golfers shoved the "name" stars into the background in the rain-splattered 18-hole qualifying rounds yesterday.

Carol Diringer, Tiffin, O., star who never has gotten past the tournament's third round, and 18-year-old Barbara Romack, tiny 118-pound Sacramento, C. A. I. I. star, tied for medal honors with par 74's. Their rounds equaled the tournament's 18-hole qualifying record set by Mrs. Bea Barlett Altmeyer, Minneapolis, in 1939.

Helen Sigel, runner-up in two previous tournaments, had a 75 also, as did Mrs. Ann Johnstone of Mason City, Ia.

Three darkhorse entries and Polly Riley, up-and-coming star from Ft. Worth, Tex., had 76s. The others were Mrs. Maurice Glick, Pikeville, Md.; Bonnie Randolph, Columbus, O.; and Yvonne De Saint-Sauveur, Olathe, Mo., the foreign threat in this year's tournament.

The 18-hole match play round today will trim the field to 32. Two rounds of 18 tomorrow will cut it to eight for the 18-hole quarter finals Thursday. There will be 18-hole semi-finals Friday and the 36-hole finals Saturday.

Today's pairings included: Betty Dodd (79) San Antonio, Tex., vs Irene Watson (87) St. Paul, Minn. vs Mrs. Thomas Rurik (84) St. Paul.

Pat Garner (82), Midland, Tex., vs Mrs. Herman Berg (89) Hopkins, Minn.

Rain Delays Tennis Finals

CHESTNUT HILL, Mass., Aug. 21 (UP)—The rain-delayed finals of the U. S. National Doubles tennis championships were to be played today with Australian teams fighting for the crown to climax a tournament in which American stars took a trouncing.

Down Under Davis Cup ace Frank Sedgman and Ken McGregor, perhaps the world's best doubles duo, met the powerful pickup pairing of countrymen Don Candy and Mervyn Rose on the grass courts of the Longwood Cricket Club to wind up the 70th edition of the blue ribbon tourney.

In the women's finals, Wimbledon champions Doris Hart of Coral Gables, Fla., and Shirley Fry of Akron, O., topped the seeded American team of Nancy Chaffe of Ventura, Cal., and Mrs. Patricia C. Todd of La Jolla, Cal.

Commissioner Not Chosen Yet By Club Owners

NEW YORK, Aug. 21 (UP)—Major League club owners, fighting with each other just as briskly as their teams scrap on the playing field, wearily renewed their search for a commissioner today and expressed little hope of getting the job done at this time.

They still have not even been able to get together on even the type of a man they want to rule their sport through currently troubled times, nor have they decided definitely just how much power they want him to have.

The first matter of business when they convene in a plush suite at the Waldorf-Astoria Hotel at 10 a.m. EDT, will be to hear the report of a three-man committee which re-defined the commissioner's authority.

General Manager Warren Giles of the Cincinnati Reds, a foremost candidate for the commissioner's job himself although he never has campaigned for it, headed the committee which met in Cincinnati. The other members were vice president William Dewitt of the St. Louis Browns and general manager Branch Rickey of the Pittsburgh Pirates.

Giles said the committee made no fundamental changes in the powers delegated to the commissioner. He said it still will take a three-quarter majority or 12 out of 16 votes to elect a new man.

The changes recommended by the committee were in the famous "conduct detrimental to baseball clause" whereby the commissioner will have increased authority to rule against clubs or individuals.

There also was strong support among the "old guard" owners for a modification of the impeachment rule which caused the firing of A. B. (Happy) Chandler as commissioner. They do not want a repetition of the situation whereby five owners can get together at any time and hold out against a vote

Blue Sox Get Back In Form

The Abilene Blue Sox have returned to the winning track in the West Texas-New Mexico League after being temporarily sidetracked.

The league leaders smashed 16 hits last night while walloping Berger's Gassers, 14 to 4. Berger had dumped the Blue Sox, 17 to 3, Sunday.

Second-place Lamesa divided a bargain bill with the Amarillo Gold Sox. The Lobos won the opener, 6 to 2, but came out on

of confidence. Lacking a three-quarter majority, the commissioner can thus be fired in a few moments under current regulations.

Mantle Sure Of Finishing Year Of Baseball

OKLAHOMA CITY, Aug. 21 (UP)—The New York Yankee's recall of sensational outfielder Mickey Mantle from the Kansas City Blues today found the 19-year-old switch-hitter enroute to Fort Sill, Okla. where the Army will decide whether he is 4-F or ripe for the draft.

Decision to send the youthful star to the Oklahoma induction center came yesterday after he had undergone his third physical examination and doctors could make no recommendations.

Announcement of his recall to the Yanks came last night. Mantle's left leg was injured in high school football practice in 1947 and developed osteomyelitis. That gave him a 4-F classification from the Ottawa County, Okla., draft board. But a re-examination was ordered and will keep Mantle at Fort Sill, near Lawton, about three days.

Capt. George L. Farrill, head doctor for the induction center here, said osteomyelitis, a bone disease, in itself is grounds for rejection for military service. But he added the final decision would be left to physicians at Fort Sill, where there are better X-ray facilities.

The short end of a 9-to-6 decision in the nighttime. Both games were seven-inning affairs.

Gerry Folkman tossed a six-hitter as Albuquerque defeated Lubbock, 4 to 3, and Pampa walloped Clovis, 18 to 5, behind a 15-hit attack.

Tonight's schedule: Clovis at Albuquerque, Berger at Amarillo Abilene at Lamesa, Lubbock at Pampa.

Most straw accessories—shoes, hats, bags—can be cleaned with thick soap lather applied with a rough washcloth or soft hand brush. Wipe this off with a clean damp cloth and let the straw article dry well in a breezy spot before wearing it again.

A skin burn from anhydrous ammonia should be washed immediately with water and then treated as an ordinary burn.

Surveys made among farm families in which farm accidents have occurred show that many of the serious accidents happen during the last working hours of the day. This indicates that fatigue is a contributing cause of farm accidents and farm workers thus are urged to be even more careful when they become tired.

W. C. Ledbetter Honored On 90th Birthday In Wayland Community

Mr. W. C. Ledbetter was honored Sunday on his 90th birthday with a birthday dinner and open house at the home of his oldest son and family, Mr. and Mrs. R. F. Ledbetter in the Wayland Community.

All of his children were present for the celebration. They were Mr. W. R. Ledbetter and family of Midland, Mrs. R. L. Harvey and family of Odessa, Mr. and Mrs. Morris Parkes of Matador, Mr. and Mrs. Will Daniels of Graham, Mr. and Mrs. Ralph Moore and son of Flatrock, Ill., and Mr. and Mrs. R. F. Ledbetter.

The grandchildren present were Mrs. Lloyd Daniels and family of Oklahoma City, Mr. and Mrs. Howard Daniels of Wichita Falls, Robert Ledbetter of Wheelers and Mr. and Mrs. Franks Oakley and son of Ranger.

Other relatives attending were Mrs. Shelton and two boys and one daughter of Albany, cousins of Mr. Ledbetter, one sister Mrs. Mattie Baggett of Eastland and one brother Tom Ledbetter and his family, Mr. and Mrs. Hugh Toland of Breckenridge.

During the hours 2 until 5 p.m. house was held and some seventy-five friends and neighbors called. Hostesses clip cakes and punch were served the guests by

Taylor Reunion Held Sunday

The Annual Taylor Reunion was held Sunday at Lake Cisco. Over 100 relatives attended from various places including Jal, N. M., Fort Worth, Kermit, Clyde, Baird, McAlister, Okla., Sylvester and Sweetwater.

Those attending from Ranger were Mr. and Mrs. A. N. Bradford, Mrs. A. L. Stiles and Mrs. Ross Taylor, mother of Mrs. Bradford and Mrs. Stiles.

LOOK WHO'S NEW

Mr. and Mrs. W. S. Angus are the parents of a baby boy born Saturday August 18 at 7:55 a.m. in the West Texas Clinic. The little boy weighed 9 lbs. and 7 ozs. and has been named James Owen.

Mother and baby are reported doing fine.

Training Union Clinic Held

The Cisco Association Training Union composed of all of the Baptist churches in Eastland, Stephens and Callahan counties met in the First Baptist Church of Eastland Sunday afternoon for a clinic.

Rev. James Frost, Assistant Secretary of the Texas Baptist Training Union Department was the inspirational speaker and also directed the clinic for the pastors and educational directors.

A committee was appointed by the associational missionary, Rev. H. D. Blair to nominate someone at the Associational Board meeting in September as Associational Training Union Director.

Royal Services Program Observed

The W.M.U. of the First Baptist Church met Monday afternoon for the Royal Service program wherein they studied the Baptist mission work in South America.

Mrs. R. E. Barker gave the opening prayer. Mrs. O. L. Robinson, program chairman of the Ruth Bryan Circle, led the discussion with Mrs. Joe A. Tullos giving the devotional talk and Mrs. Frank Arrendale and Mrs. A. A. Daniels speaking on the mission work in various South American countries. The closing prayer was led by Mrs. T. J. Anderson.

Refreshments were served to Mmes. Lee Mitchell, Mamie Ruth Hamrick, Tullos, Robinson, F. E. Langston, Frank Arrendale, H. E. Brooks and Brenda, Daniels, L. D. Tankersley, Bruce Harris, Ralph Perkins, T. J. Huling, Charles Cox, Hugh Smith, Lloyd Bruce, P. C. Long, H. A. Shockey, Roy McCleskey, Anderson and Barker.

Personals

Mr. and Mrs. D. Joseph and Azzatte are attending the holiday market in Dallas and Fort Worth.

Mrs. Bell Collett spent the weekend in Abilene.

Mrs. Pearl McNurien and Patsy Hise spent the weekend in Graham.

Mrs. Joe Calder has returned to her home in the Terrell Building after a visit with her daughters and families, Mr. and Mrs. C. C. Cash and Mr. and Mrs. W. K. Calder of Torrance, California. Mr. and Mrs. Cash brought Mrs. Calder home Sunday.

Mr. and Mrs. Morris Newnham and Mr. and Mrs. Nick Crawford have returned from vacationing in Mexico.

Mrs. Newnham left immediately for Houston where she will accompany her parents to Illinois.

Mr. and Mrs. Hershel Angus and daughter Paula and Mr. and Mrs. Cecil Louks have returned from vacationing in Galveston.

They reported that when they left Saturday the wind was sixty miles and hour there and the waves were getting extremely high.

Lone Star Picnic Held Saturday

The Annual picnic for the employers and employees of the Lone Star Gas System was held at the Eastland Park Saturday evening.

This is an annual affair and one that brings much pleasure to those attending. People from various places attend this affair.

The young people enjoyed swimming but most of the games and entertainment that were planned for the occasion this year were interrupted by the cloud and rain Saturday evening.

It was reported that in spite of the threatening weather that prevailed, the group had a good time.

Personals

Mr. and Mrs. Earl Horton and son Charles visited Mr. and Mrs. Ivey Alexander and Mr. and Mrs. W. H. Cowan of Breckenridge Monday night.

Mr. and Mrs. Earl Horton had as their guest Sunday, Mr. and Mrs. M. A. Cowan of Kilgore.

Mr. Ralph Joyner who has been undergoing treatment for several weeks in preparation for major surgery will undergo an operation early in the morning in the Ranger General Hospital.

Bob Hansford will join a party of 50 in Dallas Thursday to fly to the Veterans of Foreign Wars Convention to be held in New York City.

Scout Board Of Review To Meet

The Board of Review of the First Baptist Church Scout Troop will meet tonight at 7:00 p.m. at the church for the purposes of giving merit badges and recognizing the advancement made by the scouts, according to Keith Langford, scout master.

Mr. Langford has as his assistants H. A. Shockey, and Paul Mathis. The Board of Review has as its members Bruce Harris,

Dwaine Dennis, Chas. Sutton, Corvis Beck and H. A. Shockey. Rev. Ralph Perkins is the Institutional Representative. The troop has 19 boys as members.

It's easy to launder ruffled curtains often if you follow this tip. Include the ruffles in the measurements you take before the suturing. Then as you adjust the curtains on the stretcher, you can pleat the ruffles on the pins and do away with all ironing.

Singer Says To Treat Your Wife Like A Horse

HOLLYWOOD, Aug. 21 (UP)—Singer Tito Guizar, who has a way with the ladies, said today the best way to keep a wife happy is to treat her like a race horse—riding crop, carrots and all.

"Be gentle and spoil her," he advised. "But always let her know who her master is. That way she'll never turn into an old nag."

Guizar says this technique worked with him for 18 years now. Both on his wife, Carmen, and on his string of thoroughbred race horses.

"A man should pick a wife the same way he buys a horse," Guizar said. "You always look in a horse's mouth to check his teeth. Well, why not check a woman's teeth to see if she's healthy?"

"And nobody buys a horse with bad hoofs. They can't run. Feet are important in women, too. If they're going to stand around the kitchen all day their hoofs have to be in good shape."

But one of the most important gimmicks in Guizar's theory is the "spilling part."

"A man should take as good care of his wife as he does of his horse," he says. "Feed her a scientific diet and let her have a few special treats. When a horse behaves well he gives it a carrot.

Maybe all wives don't like raw carrots. But why not a box of candy now and then?"

A true lover of bangtails never loses his temper with a horse, Guizar says. And it oughta work the same way with the old lady.

"When a horse gets temperamental we gentle him down with soft words and pats on the flank. The same thing works wonders

with an angry wife."

But there comes a time, as any husband knows, when the little woman gets too big for her stall—just like a fine-blooded horse does once in a while.

"And when that happens—just a flick of the whip," Guizar said, grinning. "A horse has to know who his master is. So does a wife."

IT'S SURE BEEN HOT!

"This summer, I have put in a great many extra hours of work for my customers every day.

"Air conditioners, attic fans, evaporative coolers, and portable fans have been going full blast around the clock - 24 hours a day practically every day. High temperatures, lack of rainfall and many nights without our usual cooling breeze have combined to make it an exceptionally hot summer. Electric refrigerators have had to call on their reserve power to keep food fresh and wholesome at constant temperatures under 40 degrees and to maintain ready supplies of ice cubes and cooling beverages.

"Some electric bills may be higher during such extreme hot weather because of this extra work but now - when you're able to stay cool and comfortable in spite of the heat - is when your electric service really proves to be the biggest bargain in your home."

SHOWER OF GIFTS MARKS MARGARETS 21ST BIRTHDAY

LONDON, Aug. 21 (UP)—Princess Margaret was 21 today. She received a shower of diamonds, pearls, sapphires, mink, antiques and an expensive automobile which made her the closest thing to a fairy princess Europe has seen for decades.

Sentimental Britons would have liked an announcement of Margaret's engagement to mark the day but court circles say she is not in love and has no immediate plans for marriage.

But, according to tradition, her coming of age gives the princess the privilege to have a boy friend or two around to visit her at Buckingham palace—although her lady in waiting must still be present. Before she could only invite boy friends in groups, and the new freedom may give her a better chance to look around.

Princess Margaret, fourth in line for the British throne, spent the day at Balmoral Castle in Scotland.

Her presents included an expensive Daimler Roadster, a pair of turquoise bracelets of historic value and a necklace of matched pearls from her father, King George, a diamond tiara from her grandmother, Queen Mary—part of her fabulous collection—and her first pair of diamond earrings from her mother, Queen Elizabeth.

Prince Charles, son of Princess Elizabeth, gave his aunt, who sometimes humorously refers to herself as "Charley's aunt," a diamond brooch shaped like a bear.

Gifts were not all that Margaret received. From today on she draws a state allowance of 6,000 (\$16,800) a year to supplement the pocket money she gets from King George.

She inherits 20,000 (\$56,000) left her by the famous poet.

The Indians' four homers—by Dale Mitchell, Al Rosen, Bobby Avila, and Harry Simpson—were half their hit total against Senator pitchers Dick Starr and Sid Hudson.

Virgil Trucks and Dizzy Trout combined to pitch Detroit to its first game win over the Yankees, as Ed Lopat went down to defeat.

Lefty Joe Ostrowski pitched the route for the Yanks in the nightcap for his fifth victory.

The Brooklyn Dodgers-Boston Braves night game was postponed by rain. No other action was scheduled in either major league.

In exhibition games, the Pittsburgh Pirates scored their third victory of the year against American League opposition by beating the Boston Red Sox, 3 to 2, behind Jim Walsh's four-hit pitching, and the Philadelphia Phillies beat the Baltimore Orioles of the International League, 6 to 2.

Swiss Develop New Pain Drug

BASEL, Switzerland, Aug. 21 (UP)—A research project by a team of Swiss scientists indicates that science may be able to eliminate the danger of people becoming narcotic addicts after being treated with drugs to relieve pain.

The scientists have synthesized a new pain-deadener known as dromoran, which now is being used in the United States. It acts more quickly than morphine, but does not have the latter's habit-forming dangers.

Working in the laboratories of Hoffman-Laroche, the team has determined that Dromoran has "optical activity." That means the molecules of the substance reflect light in two different directions. Though they are exactly the same chemically, about half of them bend light to the right, and the other half bend light left.

Strangely, only those molecules of Dromoran that bend light to the left have pain-deadening properties.

Less than 100 yards from the burning pole, the truck skidded on gravel on a turn.

The rear of the truck rumbled into a culvert and the fire truck overturned.

Walker Freed To Father

FORT WORTH, Aug. 21 (UP)—James Bryant Walker, 15, was free today in custody of his father and attorney after being charged as a delinquent in the fatal shooting of another youth the same age.

Young Walker, son of a dairy worker, had been held since Paul Benavides was slain with a shotgun Sunday night. The shooting occurred as the aftermath of an automobile ride during which Walker contended Benavides cursed and threatened him. Walker drove home where the shooting took place.

One scientist pointed out it was like seeing yourself in a mirror. The image is exactly like you—but it is lifeless.

In the case of Dromoran, the truck is to separate the two types of identical molecules, although the substances together form an analgesic more effective than morphine. The separation has been completed by chemical means.

The pure, separated "leftist" molecules are many more times powerful than Dromoran. Eventually, this more potent substance will be made available in the United States.

Orange Judge Services To Be Held Today

ORANGE, Aug. 21 (UP)—Judge D. C. Bland, former county judge of Orange County, died yesterday at Orange. He will be buried today.

He was an honor graduate and football player at both the University of Texas and Baylor University.

A daughter, Mrs. Kathleen Bland Smith, is a reporter for the Houston Post.

\$10,000 Bond Set In Draft Evasion Case

FORT WORTH, Aug. 21 (UP)—A 22-year-old Fort Worth aircraft worker, charged with draft evasion, was held under \$10,000 bond today.

Athol Joseph Edmondson, whose home is in Lampasas, is accused of twice failing to report for induction.

His trial will be transferred to Austin in January.

Fireman Killed In Truck Wreck

SAN ANTONIO, Aug. 21 (UP)—One civilian fireman was killed and four others were injured, one critically, when a fire truck skidded on gravel and overturned at Kelly Field today.

Dead was Patrick F. Kelly, 29, of D'Hanis, Tex.

In critical condition in the Lackland Air Force Base hospital with a skull fracture was James W. Deskin, 25, of Floresville, Tex.

Others injured were W. F. Carver, 32, of San Antonio, internal injuries; Fire Capt. C. J. Ingelstein, 42, of Bergs Mill Tex., 12 broken ribs, and F. W. Pitner, 42, of San Antonio, driver of the fire truck, bruises.

The fireman, from Station No. 1 at Kelly Field, were called at 1 a. m. to an electric power pole which a short circuit had set afire.
