PRICE FIVE CENTS No. 85

SCENE IN PEACE CONFERENCE—During an afternoon session of the Japanese Peace Conference, Rep. O. K. Armstrong, R. Mo., leans over a Soviet delegate to hand Gromyko a map on Russia. As Gromyko leans forward to look, Armstrong said: "It locates every slave labor camp in the Soviet Union." (NEA Telephoto).

Confirmation Try Set For Eastland Co.

An offset to a discovery well has been spotted in Eastland County.

It will be S-J-S Oil Co. No. 2 C.-E. Ragland. Location makes it a south offset to the discovery, No. 1 C. E. Ragland, which gauged 168 barrels of 41 gravity oil daily.

No. 2 Ragland will be 1,560 feet from the north and 900 feet from the east lines of a 160-acre lease in A. Smelser Survey. It is also approximately 3,800 feet from the north and 900 feet from the east lines of A. Smelser Survey. That places it 900 feet south of No. 1 Ragland and seven miles northeast of Gorman.

Contract depth is 3,000 feet with cable tools.

In the Bankline-Owen Field, 5 and one-half miles northeast of Cisco, Bankline Oil Co. has spotted its No. 8 Briggs Owen as an offset.

No. 8 Owens will be 330 feet from the north and west lines of Section 48, Block 4, H&TC Survey. Operator will test to 1,850 feet with rotary.

A wildcat has been plugged 7

Hearing Set On Milk Marketing

DALLAS, Sept. 8 (UP)—A hearing on a petition to block a federal milk marketing order for the North Texas milkshed will be held only three days before the order is scheduled to go into effect Oct. 1.

Federal Judge T. Whitfield Davidson yesterday set a Sept. 28 hearing on the petition, filed at Fort Worth, by six dairy farmers. The dairymen want a court order requiring Secretary of Agriculture Charles Brannan to show cause why a temporary injunction against the federal order should not be granted.

Their petition asserts that an Aug. 3 election conducted by the U. S. Department of Agriculture was illegal because all farmers in the 16-county milkshed were not represented. The balloting showed 1,614 farmers for the marketing order and 235 against it.

Negroes Refused Enrollment At White San Antonio School

SAN ANTONIO, Sept. 8 (UP)—Thomas B. Portwood, superintendent of the San Antonio school district, said today that four principals were right in refusing nine Negro children admission to white public schools yesterday.

Portwood upheld the action of the principals on grounds it was "against Texas law" for Negro and white children to attend the same schools.

"I'm not going to take any action," he said. "Let the other side do that."

The attempts by the nine Negroes to enroll in San Antonio white public schools may have opened a fight against the segregated Texas public school system which will be taken all the way to the U. S. Supreme Court.

Negro attorney Harry Bellinger, representing the children's parents, said he would appeal the refusal of the Negro students by the San Antonio white schools to the U. S. Supreme Court if necessary.

If he makes a court test of the

Film Library Established For Schools

HOUSTON, Sept. 9 (Sp.)—The Texas Manufacturers Association today announced the establishment of an industrial film library for high schools, colleges, and other non-profit institutions. The library, which includes more than 100 sound motion pictures in the 16-mm size, will be circulated without charge except for transportation costs. Ed C. Burris, the association's executive vice president, said. Requests for loans of the films should be addressed to the association at Post Office Box 2512, Houston.

The films in the TMA library generally describe the growth and operations of various types of industries, with particular emphasis on those in Texas, Mr. Burris said.

The library includes films on the aluminum, aviation, baking, canning, carbon black, coal mining, construction equipment, electric power, farm machinery, insurance, lumber, magnesium, newspaper, paper, petroleum, pharmaceutical pipeline, rail transportation, recording, rubber, shipping, shoe manufacturing steel and trucking industries. In addition, the library has several "free enterprise" films.

Czech's Take Over Control Of Government

LONDON, Sept. 8 (UP)—Czechoslovakia's government was completely reorganized today following the purge of the Stalinist leadership of the Czech Communist party.

Prague Radio broadcast an announcement of the official Czech news agency reporting the government reorganization and the creation of a super-ministry to control all branches of the administration.

Yesterday's shake-up of the Communist party was interpreted as a victory for "nationalist" elements over the party's Kremlin supporters. The Czech agency did not name the head of the new all-powerful ministry of state control. The ministry's powers over all economic and administrative affairs will make it the virtual economic dictator of Czechoslovakia.

The Czech announcement said the decision on the reorganization was taken at a government meeting last night. The changes, it said, were proposed by Prime Minister Antonin Zapotocky.

Yesterday's shakeup of the Communist Party dropped from high positions most of the Moscow-directed party bosses who had previously held control over Communist President Klement Gottwald. The shakeup was viewed by diplomatic sources in the west as a great victory for Gottwald and other Czech Communists whose nationalist feelings are stronger than their devotion to Moscow.

Army And Navy Men Getting To Big For Pants

WASHINGTON, Sept. 8 (UP)—Sam, Uncle that is, the pants are getting too tight.

Sen. William F. Knowland, R., Calif., says that he has a number of complaints from Army and Navy Reservists who were called to duty that their size has changed since World War II.

The matter is serious to the men. It means that they have had to buy new uniforms when called for Korean War service.

As Knowland said, "it worked hardship on them with the price of clothing as it has gone up."

Knowland's concern was revealed in testimony given to the Senate appropriations subcommittee when it was considering the military appropriations bill.

Judge Fines Ghost Shooter

NEW ORLEANS, Sept. 8 (UP)—Ernest C. Aupied, 35, paid a \$15 fine on a firearms law violation today despite his explanation that he was "shooting at a ghost."

"As long as you can't get the ghost as a witness, I'm going to find you guilty," said municipal Judge Harold Moore.

Jap Treaty To Be Signed In Face Of Soviet Bloc

Ranger Track Team Outruns Tigers 40 to 7 Friday Night

The Ranger Bulldogs made the Jackboro Tigers wonder last night if they were coping against a southwest conference team rather than the defending champion of this district.

Ranger teed off in the first quarter for a score and the extra point when Comacho took the handoff from Cole to score from the Tigers 17 yard line and then kicked the extra point. The action in the remaining part of the first quarter was limited to Ranger gaining plenty of yards with their running and passing attack. The Tigers were unable to get their offense rolling and the Bulldogs were stopping them for short gains or tossing their big backs for losses.

The second period just was underway when Charles Massagee took a handoff and scored again from the Tigers 18 yard line. The ball had moved down into scoring position after the Tigers lost the ball on an intercepted pass on the Ranger 30, and returned to the 18 yard line. Long runs by Moreland, Cole, and a pass from Cole to Comacho for 20 put the ball on the 18 yard line where Charles "Rabbit" Massagee scored. The Tigers lost the ball after the kickoff when the Bulldogs stopped their attempts to make yardage for a first down. Ranger switched into the spread attack for a few yard gaining downs.

Ranger moved the ball on down to the Tiger 28 where Comacho scored on a crossback handoff from Jimmy Cole. The try for extra point was wide. The score at the end of the second period stood at 19 to 0.

The Ranger center, Donald Varner, intercepted a pass thrown by Herd of the Tiger on his own 42 yard line and raced straight up the middle for the first Ranger score in the third period. The other score by Ranger in the third period came on a pass play from Cole to Massagee that covered 62 yards for the tally. Comacho converted for the extra point.

Both teams scored once in the fourth quarter. Ranger when "Rabbit" Massagee took a pitchback from Jimmy Cole on his own 35 yard line and turned in some beautiful running and faking to

Senator Wants To Tax Expense Accounts

WASHINGTON, Sept. 8 (UP)—Sen. John J. Williams, R., Del., was ready today to continue his fight to tax the now tax-free expense allowances of the president, vice president and members of Congress.

Williams suffered one setback yesterday. The Senate Finance Committee, of which he is a member, rejected his proposal. Committee chairman Walter F. George, D., Ga., who cast no vote, said the committee voted 7 to 5 against Williams.

The president now gets a tax-free expense allowance of \$50,000. The vice president and Speaker of the House gets \$10,000 each, and other members of Congress receive \$2,500.

Fishing Trip Fatal To One

WESLACO, Sept. 8 (UP)—A woman was killed and two other persons were injured seriously last night when their automobile struck a log on Surfside Beach near here.

Killed was Mrs. R. A. Haberman of San Antonio. The injured were her husband and her daughter, Mrs. Edwin H. Tengg of Houston.

The Habermans, who live on a ranch near San Antonio, had been visiting in Houston since Thursday. The three came here Friday morning for a day's fishing.

go all the way for the score. The try by Comach for the extra point was good giving Ranger a total score of 40 points. Jackboro then got their offense clicking to rack up their only score the first time they penetrated past the Bulldog twenty yard line in the entire game. Herd went around the Ranger end and Henderson of the Tigers kicked the extra point.

The Bulldogs, outclassed, outplayed and outran the visitors from Jackboro last night. The backs were running hard and fast with good blocking on all but a few plays from the Ranger line. Hanes, Mendoza, Cantrell, Varner, Justice, James, and Hargraves figured in on the majority of the offensive and defensive plays last night. The outwaged Bulldog line charged through the Tigers to limit them to a total net of three yards gained the first half.

Ranger gained 294 yards on the ground and 112 through the air. Jackboro gained 59 yards passing and about 70 yards on the ground. The Bulldogs carried the ball for 8 first downs to 6 for the Tigers. The Tigers made 5 of their first downs in the second half of the ball game.

Both teams had trouble handling the ball with quite a few fumbles by both sides.

Ranger's next opponent will be Stamford here next Friday night.

Cpl. Brashier Awarded Medal In Training Class

MARINE CORPS RECRUITING DEPOT, San Diego, Calif.—Marine Corporal Willie E. Brashier, Jr., son of Mr. and Mrs. W. E. Brashier, 200 East Plummer Street, Eastland, has completed a six weeks' basic training here as a member of the Platoon Leaders Class, a reserve officer training program for college students desiring commissions in the Marine Corps Reserve.

College students were enrolled in the Officers Training class. Upon completion of their college course and after having attended two summer camps for six weeks during their vacations, they are commissioned Marine Reserve second lieutenants.

During his training here, Cpl. Brashier was one of the three of his class to be awarded a medal for expert firing of M-L rifle and for qualification in addition with the Browning Automatic Rifle, Carbine and 45 Caliber pistol.

Other highlights of the course of training included a demonstration of Marine Corps landing technique and a full-scale amphibious operation complete with tanks, artillery and all supporting weapons.

Having satisfactorily completed the junior course here, Cpl. Brashier, a student at North Texas State College, will be invited to attend the senior course at Quantico, Va., during his college vacation next summer. Upon graduation from the senior course he will be commissioned a second lieutenant in the Marine Corps Reserve.

Bill Moreland Elected Senior Class President

Billy Ray Moreland was elected president of the Senior class of Ranger High School at the first class meeting Friday.

Pearl Seay was named vice-president, Bertha Gallagher elected secretary - treasurer; and Glends Beck was elected as the representative of the senior class to the Student Council. Jimmy Cole will be the reporter this year and Mrs. George Robinson will sponsor the class.

E. D. Dunlap

Sixty-Seventh Annual Meeting Of Baptist

The Cisco Baptist Association will convene in the First Baptist Church of Eastland Tuesday September 11 at 9:30 a.m. for their annual meeting.

All of the Baptist churches in Eastland, Stephens and Shackelford counties are to meet at this time to report on their work for the year and to lay out plans for the ensuing year's work.

The Associational Sermon will be delivered by Rev. Jasper Massagee, pastor of the Second Baptist church, Ranger at 11:50 a.m. and the Missionary Sermon will be brought by Rev. H. H. McBride, pastor of the First Baptist Church of Breckenridge at 2:30. The meeting will be brought to a close by a message by Rev. E. D. Dunlap, pastor of the Belmeade Baptist Church in Waco at 8:45 p.m. He will represent the Evangelistic Department of the Texas Baptist Convention. This pastor has worked in this area, having conducted a number of revival meetings in this association.

Rev. Ralph Perkins, pastor of the First Baptist Church Ranger, is the moderator of the Association and will preside during the meeting.

Drunk Beat Dr. At His Own Game

BATH, ENGLAND, Sept. 8 (UP)—George T. Franklin, 40, charged with drunkenness, beat an examining doctor at a game of tic-tac-toe designed as a sobriety test.

The doctor still was not convinced. He told the court he considered Franklin intoxicated.

"Why did I beat you at tic-tac-toe then?" Franklin said.

"Because you started first," the doctor replied.

The charges were dismissed.

Air Force Expects To Build 150 Wing Air Force In Future

WASHINGTON, Sept. 8 (UP)—The Air Force is confident that the \$5,000,000,000 added to the Senate military spending bill will guarantee a mighty 150-wing air armada within three years.

The Senate appropriations committee has approved \$61,103,856,030 for military spending—About \$5,000,000,000 more than the house voted and to be used solely for air power.

Sen. Joseph C. O'Mahoney, D., Wyo., chairman of the subcommittee which drafted the approval bill, said the increase in air power funds has "some connection" with the "fantastic new weapons" which President Truman said the United States has developed.

But the 1,910-page record of the closed door hearings disclosed no hint of what the new "terrible" weapons might be.

Air Force representatives also assured the Senate military appropriations subcommittee in the testimony that the extra \$5,000,000,000 for air power will get them well started on buying planes for "a total program . . . of the order of 150 or 160" groups.

Alliance Between Japan And US Signing Planned Today

SAN FRANCISCO, Sept. 8 (UP)—Forty-nine nations sign the Japanese peace treaty today in the face of a Soviet-satellite boycott backed by promises that the pact means "new war in the Far East."

Treaty signing ceremonies were set for 10 a.m. PDT (1 p.m. EDT) on the stage of the flag-bedecked war memorial opera house which echoed at concluding business sessions with angry charges and counter-charges. The ceremony will be viewed from coast-to-coast by television.

Secretary of State Dean Acheson, Ambassador John Foster

Dulles and Sens. John J. Sparkman, D., Ala., and Alexander Wiley, R., Wis., will sign the treaty for the United States.

Soviet delegate Andrei Gromyko, smarting under new conference defeats, called a press conference (for 9 a.m. PDT, noon EDT) to give a farewell Red blast to the Japanese treaty.

Gromyko's finale in the drama-packed conference sessions came last night when he branded the American-British treaty for Japan as "not a peace treaty" but "preparation for war in the Far East by the United States."

Most delegates received this with an uneasy feeling that Moscow's real reply to the rough treatment dealt Gromyko here would be a blazing Communist offensive in Korea. Diplomatic dollars were bet that the Reds would retaliate soon.

The heavy conference majority of 49 nations for the treaty inflicted on the Communist their worst postwar diplomatic defeat. When the oratory sprinkled with dramatic minutes was over, only the Soviet Union, Poland, and Czechoslovakia were crying "foul."

The United States moved quickly to follow up the advantage by signing with Japan a mutual defense treaty designed to protect the former enemy nation with guarantees against Communist aggression. This ceremony will be this afternoon. The bilateral pact would permit American land, sea and air bases to stay in Japan following the end of the occupation.

Gromyko came to the conference bent on cutting down the list of treaty signers and to line up, through devious means, support for a Moscow-drawn pact. He failed when rigid conference anti-filibuster rules and votes pinned him down.

The unprecedented liberal treaty ends the state of war between Japan and the 49 signers when it is ratified. It provides limited reparations for the tremendous damages wrought by Japan following Pearl Harbor. It welcomes Japan back into the family of free nations pledged to resist Communist aggression. It strips Japan of its overseas possessions, but every indication is that many islands will be returned to Japanese control at a future date.

The 49 to 3 walkway followed 11 months of negotiations through diplomatic channels as the new formula for beating Soviet obstructionist tactics. It sets the pattern for new diplomatic moves to wage peace for Germany and Austria and promises wide defense alignments in the Pacific-Asiatic sphere between Non-Communist nations headed by the United States.

The fireworks started last night moments after Japanese Premier Shigeru Yoshida opened the final business session with an apology for "Old Japan's" attack on Pearl Harbor and the fierce Pacific war that ended in Japan's crushing defeat.

Silenced at five previous sessions, Gromyko moved in for his last attempt to snag the conference. He was smarting under an unexpected move by Ceylon to end the night session at 11 p.m., with each speaker limited to 30 minutes. This strategy to wind up the conference was approved, 41 to 1.

Gromyko "insisted" on a vote that would determine whether the conference would reopen the Japanese treaty negotiations to consider 15 Soviet amendments.

Conference president Dean Acheson said, "no." Gromyko appealed. The vote against him was 46 to 3. Gromyko made a weak effort to come back but his steam was gone. The meeting ended at 10:15 p.m. short of the 11 p.m. deadline when one wanted to talk.

Several air power boosters in Congress have advocated "161" wing air force.

The Senate approved \$20,026,170,000, \$20,001,500,000, \$15,500,000,000

CHRISTIAN SCIENCE SERVICE
 Man is as indispensable to God as God is to man, declares the Christian Science Lesson Sermon titled "Man" to be read in all Churches of Christ, Scientist, on Sunday, September 9. "Ye are my witnesses, saith the Lord, and my servant whom I have chosen: that ye may know and believed one, and understand that I am he: before me there was no God formed neither shall there be after me" (Isaiah 43:10). Mary Baker Eddy brings out the point in these words from the Christian Science textbook, "Science and Health with Key to the Scriptures," which will be included in the Lesson-Sermon: "God, without the image and likeness of Himself, would be a nonentity, or Mind unexpressed. He would be without a witness or proof of His own nature. Spiritual man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle."
 The Golden Text is from Romans, and reads: "As many as are led by the Spirit of God, they are the sons of God."

Fall Services Scheduled Sun.

This Sunday, Sept. 9, will mark the beginning of the enlarged fall season services at the First Christian church in Ranger. At the morning services at 11 a.m. a new order of service will be written in love and appreciation to Mrs. Raymond Walker who is ill at her home in Hillsboro. The pastor will read the letter from the congregation and then it will be signed by all those present during the services. Mr. and Mrs. Walker are former residents of this community and were active in their church work while here. The pastor's sermon this Sunday will be: "Counting the Cost."

"What Will I Tell My Wife?" will be the topic for the pastor's sermon at the 8 p.m. evening service at the First Christian Church. This sermon is taken from the second chapter of the First Epistle to Timothy and deals with the relationship of women to the church. A feature of the evening service is the period of fellowship singing and meditation to make the Lord's Day complete. New hymnals have been ordered by the church and will be arriving in a few weeks to add to the convenience of the worshippers.

After a vacation period the Christian Youth Fellowship will start their fall meetings this week at 7 p.m. at the church. This Fellowship is for all youth of the community and the church from the high school age and over and includes the youth of the Ranger Junior College. Mrs. B. G. Firkle is the sponsor of this group. The Bible School will meet as usual at 9:45 a.m. with classes for all ages.

A cordial invitation is extended to the people of Ranger to attend any or all the services at the First Christian church, a small friendly church where you will find a real Christian welcome.

Messages For Sun. Services

You are invited to hear the following sermons at the Church of Christ:
 Morning: "Drawing Power."
 Evening: "The Holy Spirit."
 You are also invited to hear a lecture from the book of revelation, Wednesday evening at 7:30.
 A cordial invitation is extended to you to attend every service.

WCS To Meet Mon Afternoon

The Woman's Society of Christian Service of the Methodist Church will meet Monday afternoon at 3:30 p.m. at the church for their regular business meeting.
 Mrs. Pat Thomas will be in charge of the worship program.

Youth To Share Fellowship

The youth of the First Christian Church have accepted the invitation of the Methodist Youth Fellowship to share in a party to be held in the basement of the First Methodist church Saturday night at 7:30 p.m.

All the members and friends of the Christian Youth Fellowship of the local church are urged to attend as well as any Christian church youth on the campus of the Junior College. This will be a real opportunity for the youth of Ranger to show the advantage of Christian fellowship and to have a good time together. Be at the First Methodist church at 7:30 p.m. for the time of your life.

Nancy Uttz To Draw Picture During Service

The meeting that has been in progress for the week at the Assembly of God Church will continue through Sunday night Sept. 9.

Evangelist Alberta Uttz is bringing the messages each evening at 7:30 p.m. and her daughter, Nancy Lee Uttz, a chalk artist as well as musician, will draw a picture 18"x24" Saturday and evening during the services and will give it to the person bringing the most visitors to the services. There will be special music and singing at each service along with soul-stirring messages.

Rev. Fred Young, pastor of the church, extends to each one a most cordial invitation to come to these services.

Visiting Speaker For Sunday Nite

Rev. Leslie Seymour, Superintendent of the Cisco District, will occupy the pulpit at the Methodist Church on Sunday evening at 7:45. Brother Seymour is serving his second year in the district, so he is no stranger to the people of Ranger.
 "You will always find a warm welcome awaiting you at the First Methodist Church," says Rev. Lavender.

Sermon Subjects For Sunday

Teachers and officers for all organizations of the Second Baptist Church will be elected at a business session during the Sunday morning service. A committee on nominations of officers and teachers will present recommendations for the filling of positions for the ensuing year.

Rev. Messager's sermon subjects for morning and evening will be: "A Walk Pleasing to Christ" and "Imitators of God." Both messages are taken from passages in the Book of Ephesians.

During the business session the church's annual letter with a review of the past year's work will be read and adopted. Messengers from the church will attend the Stewardship Rally and Annual Cisco Association Monday night and Tuesday at the First Baptist Church in Eastland.

College Day 1st Baptist

Today will be "College Day" at the First Baptist Church. Special recognition will be given to the college students in the service. Plans are in progress now that will take each college student at the service into the home of one of the church members for lunch. The morning worship hour will begin at 10:55 with Bro. Ralph Perkins, pastor, bringing the morning message.

Sunday school begins at 9:45 a.m.; Training Union begins at 7:00 p.m. with the evening worship hour beginning at 8:00 p.m.

Fellowship for the young people who will participate in the Also following the service there will be a meeting of all the people who will participate in the carnival to complete plans for Monday evening.

Young People's Department

The newly organized department of young people of the First Baptist Church Sunday School will meet at 10:15 a.m. Sunday in the basement of the church in the new partially completed redecorated classrooms.

When these rooms are finished it will be one of the nicest meeting places for young peoples Sunday School departments in this part of the state. The new organization plan includes five classes — three young ladies classes and two young men classes.

LOWER FEED COST per dozen
 with

RED CHAIN EGG MASH
 A New HIGH-ENERGY Feed Fortified with Mi-Cal

The more eggs each hen lays the lower the feed cost per dozen eggs. You can only obtain maximum egg production by feeding a properly balanced ration and maintaining maximum feed intake every day. That is when your egg profits are greatest. By feeding RED CHAIN Egg Mash as directed you can reach this goal.

RED CHAIN Egg Mash is a top quality feed containing proteins of animal and vegetable origin, minerals, and vitamins all at proper levels and in proper balance. By following strictly the Red Chain Feeding and Management program you provide all the nutrients he needs for top production.

FORT WORTH LIVESTOCK

By United Press

FORT WORTH, Sept. 8 (UP)

(USDA)—Weekly Livestock:

Cattle: Compared last Friday: Steers, heifers and bulls steady, cows 50-1.00 lower, stockers and feeders stronger. Week's top: Slaughter steers and yearlings 36, heifers 35, cows 28, bulls 28.50, stocker steer yearlings 25, older stocker steers 34. Liberal share of the run comprised stockers.

Calves compared last Friday: Slaughter offerings 50 and more lower, stockers stronger. Most of the run stockers. Good and choice slaughter calves 30-34.50, utility and commercial 22-29, culls 18-22. Good and choice stockers 33-39.50, common and medium 25-32.

Sheep compared last Friday: Most classes steady, good aged sheep stronger. Receipts mostly cull ewes. Week's prices: Good and choice slaughter spring lambs 30-31.50, shorn springers 29, slaughter yearlings 24-27.50, two year olds 20-22, aged wethers 16-18, cull ewes 10-11, good to 15, choice to 16.50, feeder lambs 20-24.

Hogs: Compared last Friday: Butchers 25 lower, sows and pigs steady. Week's top: Butchers 2.75, sows and pigs 19, closing sales: Choice 180-250 lbs. hogs and gilts 21-22.25, sows mostly 17-18, feeder pigs 19 down.

Fire Prevention Is Everybody's Job In Drouth

COLLEGE STATION, Sept. 8.—For the good of the soil, as well as preventing the loss of grazing crops, it is the obligation of everyone to help prevent destructive fires during the current drought emergency. All available range and pasture grasses and legumes are badly needed now for livestock feed, says A. W. Crain, associate extension pasture specialist of Texas A&M College. In addition, he emphasizes need of protecting the soil.

A vegetative cover, points out Crain, is protection against soil erosion. It forms a cushion to absorb the beating and washing from heavy, driving rains. The cushion or mulch also absorbs moisture very rapidly and allows for deeper moisture penetration into the soil. This residue of vegetation also replaces deficient or gamic matter which Crain says, is common to most Texas soils. The addition of organic matter helps to improve the physical and chemical condition of the soil and if this cover is lost by fire, the soil as well as the livestock suffer.

Cartoon Carnival and Vendetta At Tower

The Tower Theatre has a treat for its patrons Sunday thru Tuesday. Howard Hughes who brought you "The Outlaw" now brings another stirring picture with a new star Faith Domergue. "Vendetta" is showing along with a Technicolor "Cartoon Carnival," which consists of 5 favorite Technicolor cartoons.

Crain urges that in areas where there still is a good vegetative cover, every possible means be used to keep out fires. He adds serious erosion losses, from wind or water, can occur where large areas are burned over.

Crain emphasizes that plant now are in a very critical condition due to the drought and hot weather and that many of them will be killed if subjected to fire.

He says there is no practical way to police the pastures and range lands of the state but urges every citizen to make it his business to see the already short supply of forage is protected. Many stockmen have already been forced to sell a part or all of their livestock and this, in the months ahead, will have its effect upon the meat supply of the nation. It doesn't make any difference whether you live in the city or country, he says you still have a stake in preventing grass fires. So, for the sake of the soil, and to preserve the short supply of livestock feed and to insure a good growth of grasses and legumes when the rains do come, let's do our bit to prevent needless fires, says Crain.

New Fight—

(Continued From Page 1)
east of Korangpori after being driven off in their first attack. The second Red attack was made after a powerful artillery bombardment on the allied lines.

Reports of the enemy attacks in the center of the old "triangle" and southwest of Kumsong were incomplete. Some UN elements are still fighting in the triangle battle, the reports said, but others are straggling back to the main line.

The report that the Communists were moving tanks into Kumsong, where cease-fire talks were held until the Reds broke them off, came from the UN truce camp below the city. The report could not be confirmed because the enemy is in possession of Kumsong.

West of Yonchon, in the Korangpori area, UN patrols found the bodies of 120 Chinese, and many fresh graves, at the point where the Chinese temporarily surrounded an American unit Thursday.

The 5th Air Force flew a total of 450 fighter bomber sorties Saturday in support of the ground forces and in attacks on enemy supply buildings, vehicles, railroad cars and bridges.

The UN Army was ready all along the 135-mile front, for anything the Communists might try when they make their awaited move for peace or all-out war. In

Houston Area Has Two Deaths

HOUSTON, Sept. 8 (UP) — Two persons were killed in traffic accidents in the Houston area yesterday.

Clayton M. Devers, a 25-year-old truck driver who had been on the job only two weeks was crushed between two dump trucks and killed.

Fred C. Patrick, 26, La Porte salesman, was killed when his car collided with a truck on the Pasadena-La Porte highway.

Police Chief Walter M. Robertson said the accident occurred in a driving rain just inside the La Porte city limits.

The driver of the truck, Robert Sanders, 60, suffered head and leg injuries.

San Francisco, Maj. Gen. Clark L. Ruffner, who recently left the U. S. 2nd Division for reassignment, said the UN line "can hold forever, if necessary."

Marauwhaa UN bombers and fighters of all sizes carried the biggest punch to the enemy today. They struck at Red airfields and apparent preparations near the front for enemy air operations.

TRAIL BLAZER—

with plenty on the ball

How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower—high, wide and handsome—more horsepower than normal drivers will ever use in full. And—if you're up to date on modern features—you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratios" are simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

American GI Killed By Soviet Police

BERLIN, GERMANY, Sept. 8 (UP)—U. S. Army authorities announced today an unarmed American soldier shot by Communist police had died in a Soviet hospital and "action" would be taken after a complete investigation.

The body of the soldier, still unidentified, was handed back to American authorities this morning. He died yesterday at the Russian military hospital in Potsdam, a Berlin suburb.

An Army announcement said the investigation no date confirmed an eyewitness report "that there was no provocation on the part of the soldier to justify the use of firearms." It said the soldier was "definitely" unarmed.

The soldier was wounded and seized by East German Communist Police Thursday night after his automobile crashed into a barrier at a Communist checkpoint on the city's east-west border.

U. S. Army authorities said Communist opened fire when the soldier, apparently dazed by the crash, failed to obey an order to get out of his vehicle.

The announcement said the soldier "blundered" into the checkpoint. Eyewitnesses said he apparently had lost his way.

SOCIETY

Adams Family Reunion Sunday

Descendents of the late T. J. Adams and wife of Ranger met in the home of Mr. and Mrs. W. J. Adams in Gustine for their annual reunion Sunday, September 2.

Those attending were Mrs. Adie Adams of Ranger; Mr. Walter Davis, Mrs. Gladys Morrow, and Mr. and Mrs. Norris Wharton of Waco.

Mr. and Mrs. Carl Hill, Harold and Norma, Mr. and Mrs. Jack Boney and Mrs. Clara May Adams; Peggy Hutton, Wessie Hooks, Dallas; Mrs. Ann Mitchell, Mr. and Mrs. C. W. Daniels and Jim of Goldthwaite; Mr. and Mrs. Dewey Godwin, Winifred Hutton, Austin; Mrs. Ethel Adams, Mr. and Mrs. Henry Martin and Mr. and Mrs. B. G. Pirkie, Mrs. B. R. Hatton, Geor. Jenna Vee, Rosaiee and Linda, all of Ranger.

Roy Lindsey and Nelson Dinkins of Sheppard AFB; Mr. and Mrs. Ott Miller, Mr. and Mrs. L. D. Adams, Ray Don and Carl Ray and Mr. and Mrs. W. J. Adams of Gustine.

A. N. Larson Visits Father

A. N. Larson left Saturday to visit his father in Rhinelander, Wisconsin.

He is there to celebrate the 93rd birthday of his father, which will be September 16.

Personals

Mr. and Mrs. Onus Littlefield and son Jim had as their guests over the holidays their son Jack Littlefield from Lackland Air Base in Fort Worth; Joan Keefer, the former Joan Jenkins of Ranger, and son Mike of Abilene; Joan Wallis of Midland and Loy- Raymond Doyle of Midland.

Virgil Goswick and O. L. Hill have returned from a business trip in New York.

Mr. and Mrs. M. Wilson left Saturday to visit their daughter and family, Capt. and Mrs. David Merith and twin boys in San Antonio.

Mr. and Mrs. Onus Littlefield and son Jim are in Waco attending the soft ball tournament being held there. Their son Jack will pitch on one of the teams.

Young School PTA To Meet

The Young School Parents and Teachers Association will have their first meeting of the school year Tuesday afternoon at 3 o'clock in the auditorium of the Young School.

According to Mrs. Joe Young, the president of the organization, all of the teachers will be introduced at this time and all parents having children in this school are urged to come in order to get better acquainted with the teachers and the school set up this year.

Bill Mills Takes Group For A Ride

W. H. (Bill) Mills from Sacramento, California and his pilot Clarence Bowman spent the week visiting in the home of Mr. Mill's parents, Mr. and Mrs. E. H. Mills. They left Saturday morning for a business trip to South Texas.

Bill is formerly of Ranger, having finished high school here and is now owner of the Mills Livestock Company in Sacramento.

Friday morning he took his parents and Mrs. Myrtle George, a school mate of his, and Eddie Marie Chambers for an airplane ride over Cisco, Eastland, Breckenridge and the surrounding country. Mrs. George reported that it was her first airplane ride and she thoroughly enjoyed every minute of it.

Child Study To Meet Thursday

The Child Study Association Pre-School will meet Thursday afternoon from 3 until 4 p.m. at the club house for their regular meeting.

Mrs. Theo Ferguson and Mrs. R. V. Robinson will be hostesses to the meeting. At this meeting plans will be made for the work to be done and each one is requested to come prepared to pay their dues.

Richard Wagner wrote his opera "Lohengrin" in reverse. He started with the third act, then wrote the second act and finished with the first act in 1848.

CHURCH NEWS

Regular Services At 1st Methodist

Regular services will be held at the Methodist Church, Sunday morning and evening. Church school will open the day's worship at 9:45 with general assembly for Intermediate, Youth, and Adult classes. The children's division will meet in the basement at the same hour.

The morning worship will begin promptly at 10:50 with the organ prelude, Miss Mildred Balch at the console. The choir, under the direction of Fred Baumgardner, will sing for the anthem, "Come, Christians, Join and sing," by Gillette. The pastor will use for his morning message the subject: "First—Stand Still!"

The Rev. Leslie Seymour will be in the pulpit for the evening service. This youth will meet as usual for their activities before and after the evening service.

The reception for faculty and students of the college that was scheduled for Sunday evening following the service has been postponed until Sunday evening, Sept. 16 due to the fact that most of the students are home this week end.

"If you do not have a church home in Ranger, then we cordially invite you to worship with us at the First Methodist Church, says a church representative.

Prayer Chain In Progress

Now in progress, is a twenty-six hour prayer period being conducted in connection with the revival at the First Baptist Church. Members of the church have signed for prayer periods that began at 7:00 a.m. Sat. and will continue until 9:00 a.m. Sunday. From 7:00 a.m. Sat. until 7:00 p.m. Saturday the prayer periods will be fifteen minutes in length. Beginning at 7:00 p.m. they will be thirty minutes in length and will continue until 7:00 a.m. Sunday morning. Then will begin the fifteen minute periods again.

The fifteen minute periods will be wherever the individuals is at the time his prayer period is scheduled. The thirty minute periods will be at the church. "If you would like to enter into this prayer chain please call the church office, the pastor, or the educational director," stated Mr. Bill Bullock.

Forty-five per cent of all employed persons in the nation use automobiles in connection with their work.

Dallas Jaycees Charge Dope Used In Dallas

DALLAS, Sept. 8 (UP)—A junior chamber of commerce committee report that narcotics are being used by students at five Dallas high schools gained little credence today from enforcement officers.

The committee reported 'teenagers smoked marijuana cigarettes obtained from peddlers using ice cream, candy and tamales as a "front" for their illicit traffic.

Their information came from a high-ranking peace officer, Warren A. Gilbert, Jr., jaycee committee chairman, said. Gilbert declined to identify the officer.

However, Warren A. Heddens, chief of the federal narcotics bureau, said he had no information about marijuana addiction in Dallas high schools.

Police Chief Carl Hanson said there is probably some marijuana smoking "but I certainly would not say it is widespread."

And Capt. J. M. Welch, head of the police crime prevention bureau, said any marijuana traffic existed only on a tiny scale.

The school system has no authenticated information about use of drugs by students, Supt. W. T. White said.

Cesar Franck, famous for his D Minor Symphony, did not compose any music until he was 65 years old.

Car Prices Are Raised

DETROIT, Mich., Sept. 8 (UP)—Car buyers got nearly a week's head start today in a race to beat 5 to 6 percent higher price tags on automobile showrooms.

The increases authorized by the government yesterday will hike automobile prices to the highest level since World War II.

Auto makers estimated that it would take "several days" to compute new prices under the government's order.

Company spokesmen said the public would have at least "most of next week" to buy autos at present prices.

WHEN YOU BUY THAT NEW CAR

1. Finance through your local bank, and purchase your car from the dealer on an economic cash transaction basis and under a plan which
2. Includes dependable insurance that will safeguard YOUR interests as well as the bank's and which also
3. Establishes you on the bank's records as good credit risk.
