STAMFORD SCORES IN FINAL QUARTER TO DEFEAT RANGER

The Ranger Bulldogs came out on the short end of the horn Friday night in their tilt with the Stamford Bulldogs. Jerry Prewitt, little 126 pound bundle of greased lightning, scored about the middle of the fourth quarter for Stamford to give them the winning tally. Prewitt ran the ball from over the left side of the Ranger line from 13 yards out and Eldon Morit kicked the extra point to give the visitors 7 to nothing for Ranger.

Stamford lead the Ranger team in all divisions except the yards lost rushing and the yards gained punting. Stamford gained 139 yards on the ground and Ranger could only muster 61 for the entire game. Ranger lost enough yardage on setbacks on running plays to give them only four yards gained net. Ranger did lead in the passing with nine of 22 passes completed for 86 yards. Stamford tossed the pill twelve times and completed two of them for 47 yards. Each of the teams were plagued by poor ball handling with six fumbles each. The Stamford team fumbled several times to shut the moff of near scores. Stamford led in first downs with 10 compared to six for the Ranger squad. Ranger punted eight times for 251 yards. Stamford punted 6 times for 218 yards. Ranker was able to penetrate past the Stamford twenty yard line twice in the game, both times narrowly missing scores.

In the last few minutes of the fourth quarter Ranger threatened to score after moving the ball down from midfield on passes to the Stamford four yard line.

Polio Campaign For Gonzales Starts Today

GOZNALES, Sept. 16 — A state-wide campaign to raise funds for the Gonzales Warm Springs Foundation for Crippled Children starts today in all portions of the state. It is slated to continue through September 30, according to plans announced by Ross Boothe, Foundation President.

Governor Allan Shivers is general chairman of the fund raising drive which is being conducted simultaneously in every Texas county. In accepting the chairmanship and agreeing to spearhead the campaign, Governor Shivers called this work the most vital humanitarian task before the people of Texas today. "We must provide a treatment center for our physically handicapped little ones that is second to none," he said.

Gonzales Warm Springs Foundation is a non-profit, non-sectarian hospital, offering a program of physical medicine and rehabilitation to crippled youngsters from everywhere in Texas, regardless of color, creed or financial condition. The fund drive starting today seeks to enable the Foundation to expand its facilities, thus extending its medical program to a greater number of physically handicapped youngsters.

"The people of Texas are deeply concerned with the welfare of our crippled children," Ross Boothe, Foundation President said. "They know the money contributed in this campaign will be used in Texas to help Texas children. I know they will respond generously."

Falfurrias Suffers Flood From Swollen Stream And Big Rains

FALFURRIAS, Sept. 15 (UP)—Flood waters swirled over 60 per cent of Falfurrias today in a virtual repetition of a million-dollar flood that struck the nearby city of Alice yesterday.

Cloudbursts sent two streams roaring out of their banks in both South Texas cities. Hundreds of persons were evacuated to higher ground.

Alice was virtually free of flood water today, although intermittent rain continued to splash the city. All but 100 of 600 families evacuated had returned to their lost-laden houses.

But Los Olmas and Laboritas Creeks continued to creep higher here. Sixty per cent of the residential area was covered with water ranging up to six feet deep.

Stamford put up a strong defense and Ranger was unable to get the needed yards for a TD. Every Bulldog on the Ranger team that saw action last night played a good game. All the Stamford gains were made around the Bulldog line, not through it, other than the one touchdown.

Eastland County Leads In Bond Drive Sales

(Editor's Note: The following letter was received from Cyrus B. Frost, Jr., Chairman of the County Defense Drive showing that Eastland County is leading in this area in the purchase of bonds and urging the people to continue buying them.)

Dear Mr. Editor: As you have already noted in your paper, the nation is now engaged in its first major defense bond drive since the end of fighting in World War II. It is important to the people of Eastland County to purchase all that they can of these bonds. If a full scale war does not develop with Russia, then ten years from now when these bonds mature they should prove to be an excellent investment. On the other hand, if full scale war with Russia does develop, then it is our imperative duty as citizens to finance the defense of our country without regard to considerations of whether or not such defense renders government bonds a good investment.

I am happy to report that Eastland County is now leading this entire area, as it has consistently since 1917, and that the cumulative totals as of August 31, 1951, are as follows:

Eastland County, \$333,168.00; Callahan County, \$64,973.75; Comanche County, \$97,732.25; Erath County, \$208,933.50; Shackelford County, \$75,468.75; Stephens County, \$262,959.00.

These figures attest the solid patriotism of the citizens of Eastland County. They also show that we are in a good financial position to meet whatever lies ahead.

Let us all make it our job to increase our holdings of defense bonds greatly during this September and October defense bond effort.

W. K. Coke Dies In Louisiana

Word was received here Saturday morning of the death of W. K. Coke of Ellendale, La. He suffered a heart attack and passed away about 8 a.m.

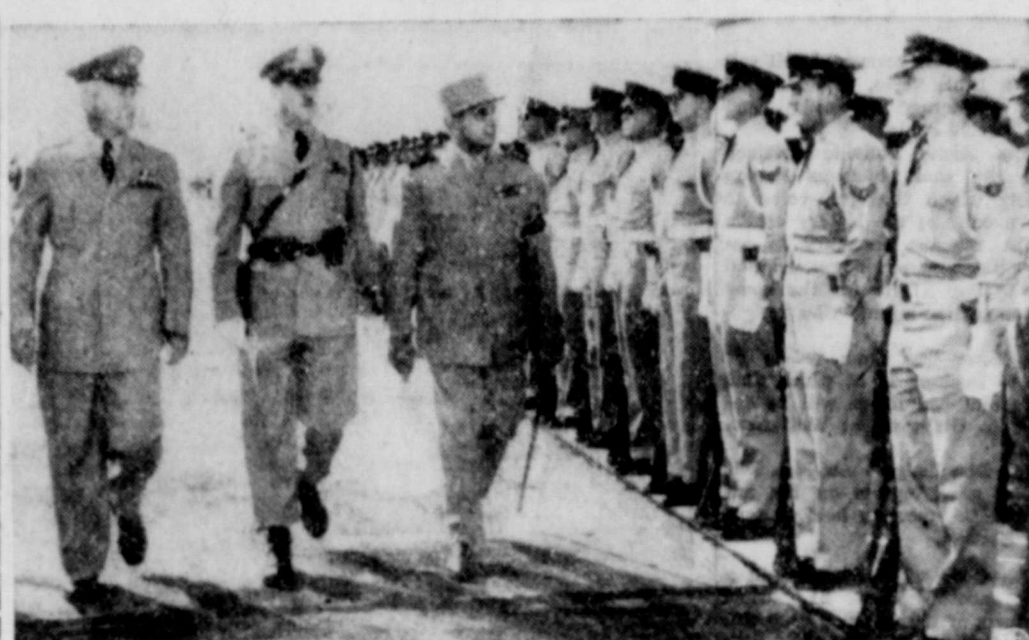

His wife is the former Tommie Bates. He is the brother-in-law of Mrs. J. W. White, Mrs. L. E. Gray and son-in-law of Mrs. T. E. Bates of Ranger.

Mr. and Mrs. L. E. Gray and son Eldred, Mr. and Mrs. J. W. White and Mrs. T. E. Bates left immediately for Ellendale.

persons were sheltered in public buildings located on high ground. Hundreds of other residents of this town of 7,000 moved in with friends and relatives.

"We just can't estimate when the flood will crest," Garcia said. "It all depends on when the rains stop, and so far there's no sign of a halt."

Water ran up to mid-window height in some houses and started to creep into the business district. Merchants sandbagged store fronts.

NEXT MOVE UP TO REDS IN RESUMING ARMISTICE TALKS

TOKYO, Sept. 15 (UP)—The Peiping radio in a series of broadcasts said tonight that United States truce negotiators are "shamless men of bad faith" and Gen. Matthew B. Ridgway must apologize for all alleged neutrality violations before the armistice talks can be resumed.

Ridgway's headquarters, at the same time, said the Reds were conducting a "little cold war" in their allegations of violations of the neutral zone at Kaesong, where truce talks have been held, and said the next move was up to the Red command.

Peiping radio, mouthpiece of the Chinese Communist regime, said in its broadcasts: 1. "World opinion about American perfidy in the Kaesong talks has been fully confirmed by a hitch in the sneak operations of the Pentagon's propaganda machine." The American liaison said in its broadcasts: truce team are "loud mouthpieces" who make "smart aleck" remarks in denying allegations of truce violations. The "slip" by the Pentagon referred to the UN command admission that one allied plane machine-gunned Kaesong.

2. General Ridgway must "make more apologies of a more convincing measure and take satisfactory measures to guarantee that no more incidents will occur" if the talks are to be resumed. This broadcast quoted a dispatch of British Red correspondent Alan Winnington, a frequent mouthpiece for the Kaesong Communist delegation, in a dispatch to his newspaper, the Communist Daily Worker of London.

3. The United States is deliberately rearming Japan against

China and Russia as part of a long range program of aggression in the Far East. Since the start of the Korean War Japan has become a center of the American war command. Japan has received orders totaling \$320,000,000 for war materials.

An information bulletin issued by the United Nations command the 22nd day made it plain that the "truce stalemate entered the UN will not bow before other 'trumped-up Communist charges' just because it admitted one accidental violation of the Kaesong neutral zone.

The last communist message, which coincided with the UN admission that a UN plane had machine-gunned Kaesong by mistake had demanded again that all Red charges of neutrality violations be re-investigated. The note said the Red commanders, North Korean Premier Gen. Kim Il Sung and Chinese Gen. Peng Teh Hual, were "awaiting your reply."

Major and Mrs. Jolly and their children, Judy and Dick, have lived in Tokyo for the past two years, but hope to return home soon.

Pope Pius XII called upon Catholics throughout the world today to offer a special prayer next month for persecuted Catholics in Communist countries and for an end to the threat of "new and bloody conflicts" facing the world.

In his second strongly anti-Communist statement in four days, the Pope said the increasingly grave state of the world made it necessary that during October, the Catholic month of the Holy Rosary, pray be offered with "greater fervor" than ever before.

Maj. Earl Jolly Awarded Bronze Star Medal

Major Earl L. Jolly, son-in-law of Mr. and Mrs. Charles Campbell of Ranger, has been awarded the Bronze Star Medal for meritorious service in the Far East command. Mrs. Jolly is the former Dorothy Campbell.

The citation reads in part: "Major Earl L. Jolly, Ordnance Section of the Army has distinguished himself by meritorious service in the Far East Command.

Following the outbreak of the hostilities in Korea and the voluminous increase in administrative activities, Major Jolly efficiently reorganized the division to provide expedition and dependable service in support of the campaign.

Displaying unusual initiative, keen perception, and sound judgment, he established and executed procedures, which greatly reduced the detail work of the operation divisions, enabling those units to devote greater efforts to the technical support of combat troops.

Pope Pius Calls For Prayers For Next Month

VATICAN CITY, Sept. 15 (UP)—Pope Pius XII called upon Catholics throughout the world today to offer a special prayer next month for persecuted Catholics in Communist countries and for an end to the threat of "new and bloody conflicts" facing the world.

In his second strongly anti-Communist statement in four days, the Pope said the increasingly grave state of the world made it necessary that during October, the Catholic month of the Holy Rosary, pray be offered with "greater fervor" than ever before.

"The brotherly union between nations, broken for so long a time, has not yet been re-established," the Pope said. "On the contrary, we see from every part souls upset by hatred, rivalries and the menace of new and bloody conflicts which still hang over the peoples."

Judge Faces Tough Problem In Hearing

HOUSTON, Sept. 15 (UP)—District Judge A. C. Winborn today faced a tough problem of whether to take four minor children from their 43-year-old mother who has leprosy.

The tearful mother spent three years at the U. S. Leprosarium at Carville, La., after she was found to have the disease in 1947. Last November she returned home, although her disease was still in the infectious stage.

Because of that fact the probation department wants to take the children to remove any chance they may contact the disease. One of the children, a seven-year-old boy, is suspected of having leprosy. All attend Houston Public Schools.

"My family needs me," the mother said at a juvenile hearing yesterday. "There is no one to take care of my children."

Dr. Fred C. Kluth of the American Leprosy Foundation, who is associated with the State Health Department, said this was the first case in Texas which seeks to remove children from a leper mother.

He pointed out that Texas has no hospital for leprosy and Texas cannot be forced to go to another state for treatment. A diseased person, he said, can be placed in isolation but there is no money to enforce such a law.

When the woman was at Carville, the father said, the couple's two older daughters had taken care of the children, but now they are married and have families of their own.

"My other children need their mother," he said.

Judge Winborn postponed the hearing until next Friday at which time he will decide whether to take the child from the mother.

The delay, he explained, will give the woman a chance to take an examination.

Future Farmers Elect Officers

The Ranger Chapter of the Future Farmers of America elected their officers for the year, Friday, September 14.

Byron Galley was elected president, Ted Stiffler, vice-president; Kenneth Sledge, 2nd Vice-President; Jimmy Arrandale, Secretary; Fred Harper, Reporter; Roddy Carter, Sentinel; B. H. King, Parliamentarian; and Tommy Harper, Historian.

There are 32 members in the Ranger chapter, sponsored by Beverly S. Dudley, Jr.

Front Line General Says "We'll Knock Hell Out Of Them"

STH ARMY HEADQUARTERS Korea, Sept. 15 (UP)—A front line American General said tonight that a Chinese Communist offensive may be imminent on the central front and that if it comes "we'll knock hell out of them."

Maj. Gen. Ira P. Swift, who stays so close to the front lines that it makes him men nervous, said that if the Red offensive comes it most likely will hit his crack 25th "Lightning Division," which has been in the thick of the fighting since the start of the Korean War.

If the Communists do attack, Swift said, the jump-off may come during the present full moon.

"The consensus is that the Chinese are prone to attack in the full moon period," Swift said. "They use the light to maneuver by and to get into a forward assembly area. They are more likely to launch small probing attacks."

Short but sharp attacks cracked into UN lines at scattered points along a 75-mile sector on the eastern front. Allied soldiers beat off nine Communist assaults in nine hours.

The fighting was deadly at close quarters and there was no let-up anywhere in the UN pressure against the Reds as the Allied command in Tokyo served notice that the next move in the cease-fire stalemate is "squarely up to the Reds."

The heaviest fighting continued on the eastern front. American troops gained on strategic hill late Friday and early today beat off the latest in a series of desperate Red counter-attacks the UN troops failed in a 14-hour attempt to take another hill from the Reds Friday. Today they were reported trying again.

Most of the vicious Red counter-punches seemed to be defensive for the moment, aimed at halting the UN "killer" drives.

The first night of the critical full-moon period had passed without a big enemy attack. But officers said the critical period would last for the next two days, at least, while the moon is at its fullest.

Bulldogs To Appear At The Arcadia Tuesday

Here's a chance for everyone to see the Ranger Bulldog football team close hand Tuesday night, they will appear on the stage of the Arcadia Theatre at 8:30. The appearance will be between runs of the feature at the theatre.

Joe Nussle, local school board member will introduce the players and the coaches to the fans. Director Bob Gans and the Ranger high school band will also take part in the program by entertaining the movie-goers before the show with music.

The presentation at 8:30 will be followed by a football picture at the Arcadia starring Paul Douglas, John Bennett, and Linda Darnell, the name of the picture is "The Man Who Came Back."

The starchy trio in the picture at the Arcadia enact the saga of the downfall and uphill climb of an aging football pro who does various things before completing his climb back to stardom.

Two Rangerites At Wallpaper School

HOUSTON, Sept. 15 (SpI)—Persons listed below, both of Ranger, attended the third annual National Wallpaper Training Institute being held at the University of Houston September 3-7.

Approximately a hundred men and women in the paint and wallpaper business are attending the meetings, James C. Taylor, executive advisor for the institute, said Tuesday.

Activities include workshops, demonstrations, lectures, and films covering topics such as displays, trends in wallpaper, how to sell wallpaper, basic colors, furniture and wallpaper, and period furniture.

Monday meetings were held at the Rice Hotel and the remaining activities are taking place on the University campus, Mr. Taylor said.

"For those who have attended the conference in the past, advanced classes are being held, Mr. Taylor added.

NEWS FROM CHEANEY

By Mrs. Bill Tucker
The Salem Home Demonstration Club met in regular session Friday afternoon September 7, with Mrs. Electra Hattox as hostess.

Six members answered roll call with a Bible verse, magazine article, a thought for today, and time saving hints.

Miss Alene Fonville presided over the short business session during which the club voted to buy a copy of the history of the THDA for the secretary to renew the newspaper subscription and to buy a gift for the home demonstration agent, who resigned.

A letter was read, telling of fair to October 11 at which time foods and bed linens will be donated to Grlstown at Whiteface, Texas.

Mrs. Dee Rodgers and Mrs. Bill Tucker gave reports on the annual THDA meeting held at College Station.

The Club will be hostess in a joint meeting Sept. 21, when members of the Cheaney Club will be invited guests. Mrs. Ina Wilson will host this meeting and the agents demonstration will be on Fabrics and their uses.

Those enjoying the refreshments were Alene Fonville and Mmes. Ina Wilson, Zelia Ferrin, Ann Rodgers, Irby Tucker and the hostess.

Mrs. E. E. Blackwell, Mr. and Mrs. Ben Freeman and Mr. and Mrs. John Love went to Cisco Monday to attend a sub-district meeting of the Farm Bureau. Stanley Webb directed the song program for the all day session.

Alton Ferrin and Billy Highsmith were in Gorman Tuesday. They are employed at Odessa.

G. Stanley Devall was able to be on hand for his regular preaching appointment at Alameda. He has recovered his recent virus ailment.

Mr. and Mrs. John Love and Loretta were Sunday night visitors with Mrs. Sylvia Enloe.

Miss Cora Echols was expected to return home Monday from her weeks stay in the home of her brother, Clyde Echols and family of Abilene.

Mrs. Ann Love, whose hand was slashed by the household puppy dog, several days ago, has suffered a serious infection but is now out of danger. Meanwhile the pup stays out of the house.

It is always nice to know that our far away readers enjoy the news—thanks to Ruth Ramey, our former Home Demonstration agent, who still likes to keep tab on all of us.

Mrs. Opal Underwood, Mrs. Eunice Love and Joy and Mrs. Bill Tucker were callers in the J. W. Case home, Monday afternoon.

Mrs. Mary Joe Tucker and Claude came Sunday to visit Mr. and Mrs. Richard Tucker and others of the family. Claud returned Tuesday to Hobbs, N. M. where he and his mother moved some weeks ago.

Petticoats Parade for Fall Season

The petticoat has a place all its own for fall and winter. This place may be underneath or over, according to the whim of the wearer. Shown here are three petticoats designed to be worn either way.

NEW YORK—(NEA)—The place for your petticoat from now on is underneath or over, depending on your mood. The new petticoats were designed to be worn either way. They can stiffen and bell a tweed suit skirt or a taffeta late-day dress, but they can also go over the sheath dress and thus turn it into a costume on its own. The petticoat takes many forms. It may be crinoline, taffeta, faille, stiffened nylon net, brocade, or

even luxurious gold metallic cloth. Both the flared, or bell, and the yoke styles count. It might even be reversible this season. Color emphasis is on white or black but all shades of red are important. Stripes and checks are for the girl with a large petticoat wardrobe. Whatever petticoat you pick, it's the underlying force for all of

your swinging skirts for fall and winter. You'll wear it with tweed, with flannel, with poodle cloth. Often, you'll wear two or three foaming layers at one time, to make your waist look tiny. Silk brocade, printed in gleaming red and green flowers, makes a petticoat definitely worth wearing outside. Stiffened at the hem and banded at the waist, it's also

appropriate for late-day wear. Or, there's elaborate gold metallic cloth, cut into a petticoat with great sweep and a tiny waist. Heavy and stiff of its own weight, it could make a bouffant dress billow and spin. Black nylon net, in four layers with each layer corded in satin, could readily slip over a straight black sheath and be cinched by a patent belt. Once done, you'd have an after-five costume, easy as pie.

GALVESTON, Sept. 15 (UP)—County Attorney Raymond Magee said today that a district court order will be sought to destroy 106 slot machines seized in a raid here Thursday night by Texas Rangers.

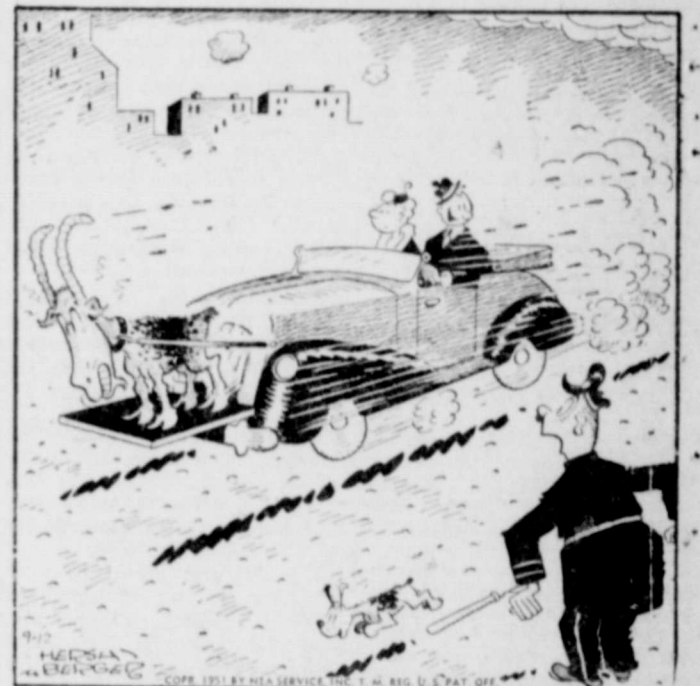

The machines were seized in a raid on a warehouse. Ranger Eddie Oliver, one of the two making the raid, valued the machines at \$63,000.

Magee said he was drafting the order to destroy the machines for presentation in district court.

No charges have been filed thus far, but Oliver said charges probably felony, would certainly be filed.

The trouble, Parnagnoli said, is that Rossellini behaves like "a dreamer" while his blonde, Swedish-born wife is "a realist."

Elisabeth Amelia Gallaher Weds Robert Lee Hunt In Houston Sat.

The Trinity Presbyterian Church of Houston was the setting Saturday afternoon at 4:00 o'clock for the marriage of Elisabeth Amelia Gallaher, daughter of Mrs. Nell Verna Gallaher of Houston, to Robert Lee Hunt, son of Mrs. Susan Hunt, Ranger.

The ceremony was performed by Rev. Hubert H. Hopper and a reception followed in the church recreation hall.

The bride's suit was of natural silk shantung with matching hat and shoes. She carried a bouquet of yellow roses centered with a brown orchid and was escorted to the altar by her uncle, J. Arthur Smith.

Mrs. Nell Verna Gallaher was her daughter's matron of honor. She wore a silk shantung suit of coffee brown. Her hat and flowers were matching in the flamingo color.

Ruth Foster was maid of honor and wore a suit of apple green shantung with brown accessories and carried a bouquet of bronze chrysanthemums.

AAUW To Meet In Daniels Home Tuesday

The Ranger branch of the American Association of University Women will meet Tuesday evening at 7:30 in the home of Mrs. Walter Daniels, 307 So. Austin Street.

Miss Mildred Balch will bring the program.

The American Association of University Women was organized in 1882 and embraces a program devoted to education, wider opportunities for women, international understanding and cooperation and application of the training and abilities of college women to the complex problems of modern life.

Francis McHenry, of Victoria, was best man and the ushers were James Metcalf of Texas City and Hershel Eyley of Huntsville.

The bride is a graduate of Baylor University, Waco and is employed by Braniff Airways, Inc. Her husband is a geology graduate of Oklahoma University, Norman, Okla. and is now employed by the Columbian Carbon Company of Houston.

The couple will make their home in Houston after a short wedding trip.

F. H. A. Club Elects Officers

The Future Homemakers met for their first meeting of the year on Monday September 10.

This organization has twenty-six members this year. During the business meeting the following officers were elected: President, Mary Jo Stie; vice president, Barbara Cooper; Secretary Jean Mewborn; Treasurer, Doris Vance; Reporter, Ermine Tidwell; parliamentarian, Lillian Beck; historian Glenda Beck and song leader Norma Jean Richardson.

The first of their activities will be F.H.A. Day September 22, at Eastland where all F.H.A. clubs in District 3 and 4 will meet. Miss Sue McEntire is the advisor and Home Economics teacher this year.

Mrs. Stie, Mrs. Hatton and Mae Newborn were elected Chapter Mothers.

Mr. and Mrs. Cecil Cogburn of Graham, formerly of Ranger, received a telegram Saturday stating that their son, Gilbert, had arrived safely in Tokyo.

Joanne Smith Honored At Gift Tea In Brazda Home Wednesday

Mrs. J. Floyd Killingsworth and Mrs. A. W. Granda entertained Miss Joanne Smith, bride-elect of Andrew L. (Andy) Jackson with a miscellaneous gift tea Wednesday night, Sept. 12, at the Brazda home, 601 Pine Street.

Joanne is the daughter of Mr. and Mrs. G. R. Smith of Putnam and Andy is the son of Mrs. Walter Jackson and the late Dr. Walter Jackson of Ranger. The wedding will be October 7, in the

First Methodist Church of Putnam. The honoree was presented gifts of silver, pottery and linens by her schoolmates from the Ranger Junior College; and the hostesses presented her with a corsage of yellow mums and a gift of silver.

Since the bride-elect's chosen colors were white and yellow, this scheme was carried out in the decorations and refreshments. The

table was laid with a white imported linen cloth with a centerpiece of yellow mums. The appointments were silver and crystal. Mrs. Albert Jackson and Mrs. Walter L. Jackson, Jr., presided at the punch bowl. White frosted punch and white cakes decorated with yellow frosting and salted nuts were served. The napkins bore the name Joanne and Andrew on them.

Out-of-town guests were Mrs. G. R. Smith of Putnam; Mrs. Albert Jackson of College Station; and Mrs. Walter L. Jackson, Jr. of Grand Prairie.

Hot Weather Aid In Pest Control

COLLEGE STATION, Sept.—The dry, hot weather that has prevailed over much of Texas during the past several weeks has dropped yields and caused cotton to open prematurely and earlier than normal in most areas. This condition on the other hand, points out A. C. Gunter, Extension Entomologist of Texas A&M College, give cotton farmers an opportunity to practice one of the most effective of all control methods against boll weevils and pink bollworms—early stalk destruction.

Gunter points out other advantages that go with community and county-wide cotton stalk destruction programs: First, the added organic matter helps condi-

tion the soil and will increase its water holding capacity. Second, the early destruction aids in controlling insects, especially the boll weevil and pink bollweevil. And third, as a direct result of improved soil and fewer insects cotton yields and profits are increased.

To be effective, Gunter says, the program must be carried out on a community or county-wide basis or better still on an area basis. Right now moisture conditions are not favorable for plowing and this may prove to be a handicap but stalks should be cut and made ready for plowing when the rains do come. A shredder type stalk cutter is best but the heavy rolled type cutters which cut the stalks into small pieces also do a good job. Removing the wings from the middlebuster will aid in making the plowing job easier if the ground is too hard and dry for normal plowing, says Gunter.

He points out also that there is still plenty of time to plant a winter legume crop and suggests that this be done to further increase the yields of crops that will be planted next year.

McMurry Meets N. M. Western Saturday Night

ABILENE, Sept. 14.—It will be a game of "firsts" when McMurray College opens its '51 football season against New Mexico in Abilene Sept. 15.

It will be the first football game of the 1951 season to be played in Abilene by either of the schools, Hardin Simmons University, Abilene Christian College, McMurray College or Abilene High School. It will be the first meeting between McMurray and New Mexico Western and it will be the first game to be played in the McMurray Indian Stadium, since 1942.

The Indians, 40-strong, including ten lettermen, about the same number of returning squads men and 20 freshmen and transfers, will be launching the first of ten games scheduled for this year.

12 Prisoners Escape Prison In Alabama

SPENGLER, Ala., Sept. 15 (UP)—Twelve heavily-armed convicts, led by a life term who engineered a break of 19 men from Draper State Prison last night, were hunted in swamp and farm country of south Alabama today. Seven of the fugitives were picked up at scattered points a few hours after the bold bid for freedom. None of them would admit having a part in planning the break.

State troopers and other law enforcement officers of four counties threw up road blocks in an effort to block the escape of the desperadoes into other states.

Warden R. R. Reeves said a lifer and another ring leader engineered the well oiled escape without firing a shot, locking six guards in an office and taking every weapon in the prison arsenal.

State Prison Supt. J. M. McCullough ordered the dismissal of

tower guards R. W. Nims and B. A. Turner, who permitted the inmates to slip away without firing a shot.

McCullough ordered the suspension of two other guards, W. C. White, who was slugged by the plotters, and J. W. Lee, saying they "could have prevented the escape."

"When I got here the prison was wide open, the prisoners were gone and the guards were missing," Reeves said. "Every one of the prisoners could have walked out. Every gate was open."

The fugitives were believed armed to the teeth. Reeves said the escapees had taken three shot-guns one submachine gun, two pistols and a tear gas gun from the prison arsenal.

One car load of prisoners believed carrying the bulk of the guns and ammunition was the object of a concentrated search in the Selma area, where a tipster said one group had fled.

At least a half dozen of the other fugitives were believed hiding out nearby. This prison city of little more than a dozen families, most of those of guards, was not

excited, however. Escapes were an old story.

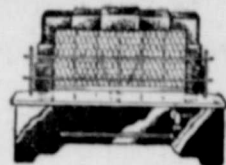

Reeves said a life term identified as Frank Green started the escape by appearing at the gate with a paper he said he was told to carry to the warden's office.

"The guards made the mistake of opening the gate for him after being ordered not to," Reeves said.

CHURCH NEWS

Rev. Massegee's Sun. Subjects

The messages for morning and evening services Sunday at the Second Baptist Church will be delivered by the pastor, Rev. Jasper M. Massegee, on the subjects: "Why I Love the Church" and "Strong Souls."

In the morning message the pastor will discuss the nature and work of the New Testament church. In the evening the sermon will emphasize the sources of strength for victorious Christian living. The sermons are based on Ephesians chapters 5 and 6.

Game Night Each Saturday

Saturday night was game night at the First Baptist Church, according to Bill Bullock, educational director.

The group met for the purpose of electing a Youth Council to work with the pastor and educational director in providing programs for the youth of the church. These game nights will be held in the basement each Saturday at 8 p.m.

Refreshments are always served and all high school and college students are invited.

Methodists Will Host R.J.C. Students Sunday

The students of Ranger Junior College will be special guests at the First Methodist church Sunday, Sept. 16 in what has been set aside as "College Day." Plans have been completed for students to be guests in the homes of our church people for the noon meal and afternoon entertainment.

At both services, those students with Methodist background will be invited to establish their identity with the local church as associate members. The "College Class" with Coach Henderson as teacher, was reactivated on last Sunday morning, and gives promise of becoming one of the leading classes in the Church School. This class is designed to fit into the thinking of average college students. Church School will begin promptly at 9:45 with general assembly for the Adult Division. There are well organized and well equipped teachers for every class, and a class to fit every individual. Miss Mildred Balch will be at the organ for the prelude at 10:50 for the morning service. The choir will sing for an anthem, "Immortal, Invisible" by Thiman with Fred Baumgardner, directing the choir.

The pastor will use for his morning message: "The Price of Decision" based upon Hebrews 11:13-27.

Members of the football team and their coaches will sit in a special reserved section of the church at the evening service which will begin at 7:45. The pastor will preach on the subject: "What time is it?" The Chancel Choir will sing the well loved hymn-anthem: "Now the Day is Over" by Barry. Immediately following the service, a reception will be given in honor of the students. The Woman's Society of Christian Service, assisted by the Methodist Youth Fellowship will be in charge. You will find a warm welcome awaiting you at every service with your friends at the Methodist church.

Change In Time At 1st Christian

This Sunday, the time of the Evening services at the First Christian church of Ranger will be changed to 7:00 p.m. This change will continue through the fall and winter months and will not necessitate another change later in the fall. These services will continue to feature a period of fellowship singing and meditation that people will enjoy.

Tonight the pastor will preach on the theme: "Calling All Elders" with the text from the third chapter of the first epistle to Timothy. It is especially urged that the elders of the local church be present 100 per cent to hear this message. Because of the earlier hour for the church service, the Christian Youth Fellowship will meet at the church at 6:00 p.m. with Mrs. B. G. Firkle in charge.

At the morning Worship and Communion Hour at 11:00 a.m. the pastor's topic will be: "Doing What Comes Naturally" and will be a discussion between the Christian's dilemma of coordinating his natural desires and drives with his Godly conscience. The Church School, with classes for all ages, will meet prior to this service at 9:45 a.m. "You are extended a most cordial welcome to any or all of these services at the First Christian church, where you will find a real Christian spirit in a small friendly church. Come," says the pastor.

Mary Martha Class Will Meet Monday

The Mary Martha Sunday school class of the First Baptist Church will have their regular monthly business meeting Monday evening at 7:30 p.m.

The meeting will be held in the home of Mrs. Roy McCleskey and all members are urged to come.

Christian Social Relations Program

Mrs. A. W. Brazda will have charge of the Christian Social Relations program of the Woman's Society of Christian Service Monday afternoon at 3:30 at the First Methodist Church.

Ordination At 1st Baptist Sun.

The First Baptist church announces the Sunday school hour for Sunday as 9:45 a.m. The teachers and officers for the new year are essentially completed and the Young People's Department will again meet in the basement of the church.

Morning Worship service will begin at 10:55 with the Rev. Milford Howell bringing the message for the morning and evening service.

At 3:00 p.m. the church will have an ordination service for the newly elected deacons. At this time special music will be featured; Rev. Harry Grantz, pastor at Pleasant Hill will read the church covenant; Rev. Ralph Wooten, pastor of the First Baptist church, Cisco, will give the charge to the church; Rev. H. H. McBride, pastor of the First Baptist church, Breckenridge, will give the charge to the deacons. Rev. H. D. Blair, associational missionary and Rev. Jasper Massegee, pastor of the Second Baptist church, Ranger, will also assist on the program.

Rev. Milford Howell, returned missionary with seven years service in Nigeria, will deliver the ordination sermon. The presbytery will be composed of Baptist ministers from surrounding communities.

Training Union will be at 7:00 p.m. and the evening service will begin at 8:00 p.m.

The public is extended an invitation to attend at any time.

Sermon Subjects For Bro. Spivy

The Bible is the only infallible source of information that we have. Therefore, we should be delighted to study it at every opportunity. We extend to you a cordial invitation to come and study with us. Sermon subjects to be discussed are:

Morning: "Selling The Church To The Community"

Evening: "Some People Who Did Not Write The Bible."

On Monday evening we will meet on the lawn of the church building and enjoy a picnic meal

Something To Think About

Turned in by Methodist Pastor of Olden Methodist Church and Reverend W. M. Slatton of Bullock. When we fail to do Gods will is when the devil gets his thrill. This would be a good thought for all Christian People.

Empty Churches and revivals cease

Empty churches and crimes increase;

Empty churches and gamblers meet;

Empty churches and wrongs defeat;

Empty churches and war clouds roll;

Empty churches and men on the dole;

Empty churches, forsaken pews;

Empty churches and bad, bad news.

Empty churches and prayerless hearts;

Empty churches and Christ departs;

Empty churches and homes are sad;

Empty churches and men go mad;

Empty churches, no Pentecost;

Empty churches and souls are lost;

Empty churches and drunkards die;

Empty churches and px orphans cry;

Empty churches and nations blight;

Empty churches a gruesome sight;

Empty churches, men hate and kill;

Empty churches and much ill will;

Empty churches, O sad the truth;

Empty churches, defeated youth;

Empty churches, it's bad to tell;

Empty churches, men go to hell.

75 Per Cent Of Turkeys Sold Were Grade A

COLLEGE STATION, Sept.—Seventy-five percent of the breeder turkeys marketed in Texas during the spring of 1950 were Grade A in quality, according to G. J. Mountney, research worker in poultry marketing with the Texas Agricultural Experiment Station.

Mountney, E. D. Parnell, professor of Poultry husbandry and

R. B. Halpin, associate professor of agricultural economics, made a study of 40,719 breeder turkeys marketed in five Texas processing plants. Of this number, only eight per cent of the carcasses graded were toms.

Seventeen percent of the turkey carcasses graded B, seven percent were Grade C, and five-tenths percent were rejects. Male carcasses were generally of low quality, with only 54 percent qualifying as Grade A.

Tears were the greatest single cause for low quality breeder turkeys. The greatest incidence occurred among hens, even though

most producers reported using saddles, Mountney said, "While the incidence of tears can be reduced, it is doubtful if it will be possible to eliminate all tears from breeder flocks."

Other causes of low grade in carcasses, in order of importance, were bruises, blue skin pigment and poor fleshing and finish.

More low quality carcasses from bruises occur in fall marketed than in spring marketed turkeys. Low quality carcasses from poor fleshing and finish are also more frequent among the fall marketed birds.

A Scientifically Balanced Hog Supplement

- CUT TIME ON FEED
- CUT FEED REQUIRED
- CUT FEED COST

In a practical farm test, hogs fed RED CHAIN WA-MO showed greater gains on less total feed, and at less total cost per pound of gain than for hogs on either of two other commercial supplements. The test hogs were all fed identical grain rations, free choice.

WHY RED CHAIN WA-MO CUTS COSTS
RED CHAIN WA-MO contains a wide variety of vegetable and animal proteins, vital minerals and needed vitamins... all at proper levels to supply the nutritional factors lacking in grain. This means your hogs get greater nutrient value from every pound of grain when you feed WA-MO. That cuts feeding costs and boosts profits. For three years in a row, litters developed on WA-MO won the Texas ton-litter contest.

Two San Antonio Football Players Die Of Polio

SAN ANTONIO, Sept. 15 (UP)—Apprehensive school officials kept close check today on Alamo Heights high school students after two football players died of polio.

Donald Wine and Pempser (Bud) McHaney, Jr., both 17 died in iron lungs yesterday at Robert B. Green Memorial Hospital.

Alamo Heights' scheduled football game last night with Austin High School was cancelled.

School superintendent Edward T. Robbins said the possibility of suspending classes had been considered but no decision would be made until Monday. He said close watch was being kept for any other cases of infantile paralysis.

"As things now stand, there is no reason to close the school," Robbins said. "I do not think these two cases constitute an epidemic. There is more excitement than it calls for."

However, students were told to report immediately if they felt ill. Teachers kept close watch for any complaints.

The football team was ordered to cut down on all strenuous exercise. Fatigue generally is considered a contributing cause to contracting polio.

One member of the Alamo Heights football team told newsmen he had been ill early this week and "they suspect I had a light touch of polio."

Shows Celebrate "Movie Time In Texas" This Week

Joining with the more than 1500 motion picture theatres in the state, the Arcadia Theatre in Ranger this week begins the celebration of "It's Movie Time in Texas", a period in which the management will feature a series of special events as well as presenting the year's outstanding pictures.

The entire movie industry is behind "It's Movie Time in Texas." These activities precede a similar nationwide movie drive embracing as many as 16,000 additional theatres, which will not get under way until October.

To focus attention on the theatres for the next few weeks, Hollywood will send out many famous stars on personal visits to various states. Nation-wide broadcasts featuring well known entertainers and special short subjects will point up the merits of the screen and the importance of the movie theatre in community life.

The idea behind "It's Movie Time in Texas", which has been enthusiastically adopted by both New York and studios executives expanded into coast-to-coast proportions, originated with a well known Bonham, Texas theatre man, Col. H. A. Cole, Chairman of the Board of the Allied Theatre Owners of Texas conceived the thought of a project to marshal all theatre men, their employees and their families, into a movement to offer the public the finest of entertainment and to

bring about a closer and friendlier relationship for the theatre with the community at large.

Col. Cole's plan was promptly endorsed by J. J. O'Donnell, leader of the vast Paramount-Interstate interests and a top official of the show business. These two Texans joined forces to hold meetings in New York and Hollywood, where they were supported by the financial and artistic executives. What was originally a Texas campaign exploded into national proportions. All of the big studios promptly revised their plans. The finest productions, many of them in color, were set for release during the celebration of "It's Movie Time in Texas."

B. E. Garner, of Ranger, owner of the Arcadia Theatre, will attend a meeting in Ft. Worth Monday, of Theatre men in this area regarding the campaign to be inaugurated next month and will join a group of Dallas film men for similar meetings in Odessa, El Paso and Albuquerque.

In the party will be Preston Smith, Lubbock theatre man who was a candidate for Lt. Governor last year, William O'Donnell of the Interstate Circuit, Mark Sheridan, Dallas branch manager for 20th-Century Fox, and Wm. McGraw of the Dallas Tent of the Variety Clubs of America.
