J. A. Bates Made C. Of C. President

John A. Bates, superintendent of the Lone Star Producing Company in the Ranger division, was elected president of the Ranger Chamber of Commerce Tuesday afternoon and F. P. Brasher was named vice-president.

Other officers selected at the meeting of the directors were W. F. Creager, treasurer, David D. Dickrell, director of the West Texas Chamber of Commerce and R. V. Galloway, re-elected manager. B. A. Funnell is the new director to replace J. A. Knox, who has moved from Ranger.

The new officers will take over their duties at the first meeting in October. The election was held last night at a called meeting after a report from the nominating committee. The meeting was called after the end of the fiscal year for the Chamber of Commerce was changed from December 21 to September 30, thus making it necessary to have an election before the first meeting in October.

H. C. Henderson who is chairman of arrangements for the barbecue which is planned to celebrate the completion of the Caddo Ranger road, stated that October 27 has been set as a tentative date for the event. This date was set when Fred Wemple, member of the highway commission, wrote that he believes that the entire commission can be here on that date. Henderson recommended that the barbecue be held at the Ranger Country Club.

A committee was also appointed to investigate to see what can be done about securing a traffic light at the intersection of Main Street and Highway 80.

F. P. Brasher as vice-president of the organization also serves as membership chairman and stated that likely early in October there will be a breakfast for directors and officers and members at which a drive for members will be launched. Further plans for this event will be announced later.

It was also suggested at the meeting that regular luncheons and meetings for members and officers and directors be held. This plan will be studied by the membership committee, and Galloway.

NO PROTEST PLANNED BY MRS. PERKINS

Mrs. Joseph M. Perkins of Eastland, who was ruled off the ballot Tuesday as a candidate for the State Board of Education, said she had no plans to take action to protest.

Mrs. Perkins plans, however, to announce for election to the board next summer. After this special election Nov. 8 to name a new board, candidates will be nominated in the regular manner in Democratic primary elections.

The Eastland candidate could not qualify for the Nov. 8 election because she had not resigned from the present appointive Board of Education—a body to be replaced by an elective board. This means that E. J. Woodward of Sweetwater will win the District 17 spot on the board by default. He was the only opponent Mrs. Perkins had, and had entered the race the last day.

Decision on the eligibility of the state board members to run for the elected board came finally Tuesday. Secretary of State Ramsey drew numbers for the 44 other candidates for spots on the ballot for the Nov. election.

By United Press
AUSTIN, Sept. 21 (UP)—Forty-four candidates today had places on a Nov. 8 special election ballot for the State Board of Education.

The candidates were certified and given ballot positions by Secretary of State Ben Ramsey yesterday.

However, Ramsey ruled the applications of Millard Matkin of Center, Vernon D. Singleton of Dallas and Mrs. Joseph M. Perkins of Eastland as ineligible for the race.

Matkin failed to include the customary loyalty affidavit with his petition. Singleton and Mrs. Perkins already hold office, which keeps them from running for the elective board.

Archdeacon Will Preach At Holy Trinity Sunday

The Rev. James W. McClain, priest of Holy Trinity Episcopal Church in Eastland which serves Eastland, Ranger and Cisco, announced today that the Rev. Smythe Lindsay, archdeacon of the Diocese of Dallas, will be the guest preacher at Holy Trinity at 9:30 A. M. Sunday.

The Rev. Lindsay is assistant to the bishop of the Diocese, the Rev. C. Avery Mason. This will be the archdeacon's first visit to the Eastland church and the public is invited to attend and members are urged to be present.

Girl's Handbag Gives Up TNT

TACOMA, Wash., Sept. 21 (UP)—Although prepared to find strange things in a woman's handbag, police were unnerved yesterday when they opened the purse of a 15-year-old runaway girl.

The bag contained "enough TNT to blow up the building," Police said. The girl explained she got the explosive as a souvenir from a Fort Lewis, Wash., soldier.

\$3,200,000 Involved In Oil Co. Deal

Consideration involved in the purchase of controlling interest in States Oil Corporation of Eastland by M. E. Daniel of Breckenridge was \$3,200,000, according to an announcement made by Mr. Daniel.

Daniel and his associate, James G. Harrell, also of Breckenridge, will take over management of the corporation immediately. Harrell to be president and Daniel, vice-president.

Other officers named by Daniel are: J. L. Cottingham, Eastland, continued as secretary; and R. L. Bowen of Breckenridge, treasurer.

Joseph M. Weaver of Eastland, president of States, will continue to operate his other oil holdings, which include the Duquesne Oil Corporation.

General offices of States Oil, located on East Highway 80, will continue to be maintained in Eastland, with no changes in the operating personnel planned.

Military Rites For GAR Veteran

SUTHERLAND, Ia., Sept. 21 (UP)—A military funeral was planned today for James P. Martin, 101, a Civil War veteran who stood guard outside Ford's theater in Washington the night Abraham Lincoln was shot.

Martin, the last of Iowa's "Boys in Blue," died yesterday after several months' illness. His death followed by less than 24 hours that of another GAR veteran, Charles L. Chappel, 102 at Long Beach, Calif.

The deaths cut to 14 the number of surviving members of the Grand Army of the Republic, an organization that once had 409,000 members.

A favorite of the neighborhood's children, "Grandpa Martin" never tired of telling them how he, as a member of the guard detachment the night of Lincoln's assassination, helped pass along the news of the president's death.

Band Club Names Year's Officers

James Smith will head the Ranger School Band Boosters Club this year and Charles Sutton will serve as first vice-president.

Homar Gray Sr. is treasurer and A. W. Dooley will be secretary. Mrs. Homar Gray is reporter.

The new officers were elected at a meeting of the club held Tuesday night at 7:30 o'clock at the band hall.

Following the election, plans were made for the year's work. Sixteen members attended the meeting.

Left Alone By Noronic Fire

Kathleen Kerr, 11, of Arnstead, Michigan, a survivor of the Noronic disaster at Toronto, is recovering in St. Michael's Hospital at Toronto from rope burns she received while escaping the burning vessel. Authorities have not yet broken the news to her that her parents and her brother, Philip, 8, are missing. (NEA Telephoto)

TRUMAN ASKS EXTENSION OF STRIKE TRUCE

WASHINGTON, Sept. 21 (UP)—President Truman today asked for another six-day extension of the steel strike truce.

Government labor experts were reported at work today on a face-saving formula to head off a steel strike which they are convinced neither labor nor management wants.

Industry and union sources thought mediation Director Cyrus S. Ching might propose at today's talks a compromise plan to avert a nationwide steel shutdown that has been set for 12:01 A. M. Sunday.

One point of the plan was expected to call for postponement of the strike deadline and resumption of normal collective bargaining. Ching has said he will not try to settle the pension issue over which big steel and the CIO Steelworkers Union are split.

There were reports that the governor might simply ask union and management to extend their present truce for another ten days to allow more time for talks. In any case, Ching was expected to make his move in the next day or so.

He was said to be satisfied after two days of fruitless talks with both parties here that union and industry would like to see some formula devised under which they could back away from the scheduled break.

Ching steered cautiously away from any optimistic forecasts. But he told reporters as he called the disputants to a third day's conferences that "if you can keep things going, you are always developing new angles."

Union and industry sources saw a "hopeful sign" in the very fact that talks were still going on.

However, the industry went ahead with plans for a strike.

Blast Laid To Escaping Gas

FORT WORTH, Tex., Sept. 21 (UP)—Gas escaping from an open valve in a gas compressor room caused an explosion which killed two men at Magnolia Petroleum Company's Hodge Station Refinery, an injured worker said today.

W. A. Reagan, who was burned in the blast, said someone apparently failed to check all of the machinery and left a valve open. He said workmen later found and repaired the leak.

George Aston and Elbert R. Harris, both of Fort Worth, were killed. Ten persons, including Reagan, were injured, one of them critically.

Legion To Meet

The regular meeting of the Carl Barnes Post of the American Legion will be held Thursday night at 7:30 o'clock at the Legion Hall.

D. B. Holmes, commander, urges that all members be present as important matters will come before the group.

Russian Princess Signs Loyalty Pledge At T. U.

AUSTIN, Tex., Sept. 21 (UP)—Displace royalty took refuge today at the University of Texas with enrollment there of a 19-year-old Russian princess who has never been to Russia.

What's more, she said she doesn't intend to ever go there. Not as long as the Communists run the country.

Mary Engalitcheff, blonde, French-born daughter of Prince and Princess Constantine Engalitcheff, was "adopted" on her arrival here yesterday by girls of the Gamma Phi Beta Sorority.

Her enrollment at University of Texas was made possible through a New York group assisting displaced persons.

The princess, seeking American citizenship, came to this country with her family in 1947. Since that time, they have lived on Long Island.

Her reception here included a horn-blowing ride from the railway station to the University campus.

Volunteer Fire Department Plans Studied At Meeting

If present plans carry, Ranger likely in the near future will have a volunteer fire department.

This tentative decision was reached Tuesday night when a group of Ranger citizens interested in such a move met with the city commission at the city hall at 7 o'clock.

Mayor Price Crawley, presiding at the meeting, and explained plans of other cities about the size of Ranger and which maintain volunteer departments. It was explained that most of these cities have a lower fire insurance rate than Ranger which at the present maintains a five-man paid fire department.

Mayor Crawley called on men present at the meeting who have served on volunteer departments in other cities and who explained

details of operations in those cities.

It was the opinion of those attending the meeting that a very efficient department can be maintained with the volunteer plan and another meeting will be called in the very near future to discuss further plans and possible organization of a volunteer department.

Figures presented at the meeting indicate that a great savings to property owners can be brought about by a volunteer department. At the present time Ranger's key fire insurance rate is 31 cents with a 15 per cent penalty for fire losses. Cisco with a volunteer fire department has a key rate of 29 cents with a 15 per cent credit for a low fire rate loss. Coleman with a volunteer

department has a 23 cent insurance rate and a 10 per cent credit for low fire rate. Eastland also with a volunteer fire department has a key rate of 29 cents and a credit of 15 per cent.

Besides the members of the commission attending the meeting, others present were: Fire Chief Charlie Isabella, Walter Mace, L. T. Rushing, Bruce Harris, Jess Cole, Con Hazard, Amos Gordon, Melvin White, A. E. Stevens, F. M. Jones and Fred Gorley.

Following the meeting with these men, the regular meeting of the city commission was held with all members present. Routine business was transacted. It was reported by City Secretary Lester Crossley that parking meters in Ranger last week netted \$236.97.

Well... I Dunno, But...

Brice Walker has again hit the jackpot with her poetry and this morning received a two pound box of Peter Paul candy for her jingle entry in a recent contest.

Brice also tells us that she will have one of her poems "Let Me Write" in the 1950 edition of "We The People." In the current issue of "San Souci" two of her poems appear, "Your Letters" and "An Old Fashioned Locket."

Called to our attention today was the very fine article in the Sunday Dallas News written by Stewart M. Doss, former editor of the Eastland Daily Telegram. Stewart had interviewed Dr. W. A. Criswell, pastor of the First Baptist Church of Dallas, a pastorate held so long by Dr. George W. Truett.

Stewart, an Eastland reared boy is the son-in-law of Mr. and Mrs. G. O. Kimbrough of Ranger. He's really making his mark with the big Dallas paper, a fact that surprises us not at all, remembering his native ability as a newspaperman.

One of the most cleverly executed window displays we've seen around Ranger is the miniature football field and team in the Peterson Floral Company's Rusk Street window.

All of the materials used in the scene are florist materials with a grass rug forming the heavily sodded football field. The team that is lined up for the kick-off are figures carved out of florist foam. Mrs. Peterson carved the players and executed the scene with the help of Charlie Martinez.

The realistic picture of the football eleven is something of a masterpiece in carving we'd say. The goal posts at the end of the field alternately are decorated in bulldog and Ranger colors.

Incidentally, the Peterson Shop itself, in the new location just back of the Commercial State Bank, is all bright and newly decorated and much roomier than the former location.

E. L. Martin and Son's store is also boasting a face lifting. The interior of the building has been completely redecorated and the front of the building painted. The new coat of paint inside makes the store much lighter and is definitely an improvement.

The Globe has also completed a job of redecorating and the installation of a new system of fluorescent lighting that is very intricate and effective. As Earl Pittman of the store says, it practically takes an engineer to operate the electrical system which when turned on in full, really lights up the store.

PRICES GAIN SLIGHTLY, PACED BY FOOD COSTS—The chart above, based on information from the U.S. Department of Labor, shows the trend of consumers' prices to mid-year, 1949. Declines in apparel and furnishings were more than offset by seasonal increases in food prices and by the slow but steady rise of rents. Taking the years 1935-1949 as 100, the price of all items in June, 1949, stood at 169.8, as compared to the record 174.5 in August and September, 1948. Prices are for moderate income families in large cities.

TEXAS News Briefs

AUSTIN, Sept. 21 (UP)—The State Land Board today set a mineral lease sale on tracts in bays, inlets, riverbeds and uplands for Dec. 6. The amount of acreage to be leased was not determined.

Officials here today hoped the arrest of three teen-aged Brownwood boys would clear up three motor scooter thefts in Brownwood, Abilene and Sweetwater.

The three scooters were recovered in Snyder and Hermleigh. Several watches and two pistols were found in one.

AUSTIN, Tex., Sept. 21 (UP)—Interstate Theaters has announced a price reduction affecting young theater-goers in more than 30 Texas cities.

The price reduction, to go into effect immediately, will establish a "junior price scale" for theater-goers between the ages of 12 and 17.

Youths within that age bracket who formerly paid an adult price now will be admitted at a junior

price. Overall reductions range from 20 cents to 10 cents, depending on the theater.

For first run, top-price theaters, the reduction will be from 60 cents to 40 cents.

WACO, Sept. 21 (UP)—Willie Zahinski, West, was charged with murder in connection with an automobile collision Monday that took the life of a Connally Air Force sergeant.

Premier Bowling League Briefs

Auto-Elec by taking three points from Gaugers put themselves on the top in Premier bowling competition. L. O. Luddy with a high game of 205 and series of 455 with the big gun in the Auto-Elec was a victor. G. C. McKeever had high game of 184 for the losing Gaugers. Charles Tipton, anchor man, for the Gaugers had high series of 487.

The Gang gave notice that they were to be reckoned with by taking three points from Air Patrol included in which was a tie game, won by Gang in the first frame of the third game. H. G. Bridges, anchor man and captain of the Gang was the winning factor with his series of 470. (A. L. Rainwater had high game of 167 and series of 432 for the losing Air Patrol.)

Gang - Trucks with J. B. Weekes high game of 167 and series of 466 and much improved bowling help from the entire team, upset the favored Offshore, by taking three points and moving into second place in the league standing. C. D. Peck was again high individual with his 514 series and game of 195 for the losing office team.

Ranger-Hardin Game Thursday

The Ranger Junior College-Hardin College B team game will be played in Ranger Thursday night at 8 o'clock instead of Friday night as indicated in an error in Tuesday's paper.

Neither Coach Boone Yarborough nor Coach Sam Ails would make any predictions today as to the possible outcome of the game. Both stated that they were not in a position to estimate the strength of the opposing team but are whipping their Rangers into the best possible shape for the second game of the season.

The game with Hardin was booked the latter part of the week to fill a date that had been left open on the calendar.

PICTURE CHANGING IN CLASS A HI FOOTBALL

By Ed Fite
United Press Sports Writer
 With the 1949 season just starting, several teams expected to be standouts in the Texas Intercollegiate League Class A have lost prestige.

Monahans and New Braunfels still looked good, but would be challengers in several of the 11's 32 Class A football districts already have made poor showings against lesser opposition.

Mesquite upset Grand Saline, 18 to 14, and Caldwell zipped through favored Cameron, 12 to 7. Phillips in the Panhandle had been expected to do better than the 33-14 tussle with Wellington.

Monahans, defending state Class A champion, was idle last week, but runnerup New Braunfels justified its advance publicity by thumping Hondo, 39 to 0.

Hereford stepped into the district 1-A picture alongside Phillips and the idle Dalhart Wolves by defeating a good level land team 6-0.

Memphis downed Canyon 19-13 but was hard pushed to keep its co-favorite role in 2-A alongside Lefors, 33-7 victor over White Deer.

Lockney, the 3-A favorite, edged by Sudan 20-19, while Floydada kept pace with a 13-6 win over Post.

Littlefield still appeared the best bet in 4-A after walloping Morton, 39-6, but Sandown was in the running after a 20-0 win over O'Donnell.

Wink and Peecos continued to rank as stiff rivals for Monahans' 5-A aspirations by downing Denver City 48-6 and Andrews 26-13, respectively.

Throckmorton, early 6-A east favorite, lost to Newcastle 18-13 and Albany and Haskell stepped into the co-favorites' roles by de-

feating Winters 19-0 and Rochester 41-0. In the west half, Hamilton beat Spur 26-0 and Snyder nipped Stamford 13-6 to emerge as the standouts.

Ballinger, 46-13 winner over Roscoe, and Brady, 18-14 winner over Hamilton, continued to be the standouts in 7-A, while Hamilton's stock in 8-A dipped a bit and Dublin began to look like a challenger.

Favored Holiday of 9-A took it on the chin from Decatur 13-8, but gets its big intra-district test this week when it opens the title play against chief challenger Crowell, which downed Paducah, 12-0. Burk Burnett, 18-13 winner over Marlow, Okla., may be heard from later.

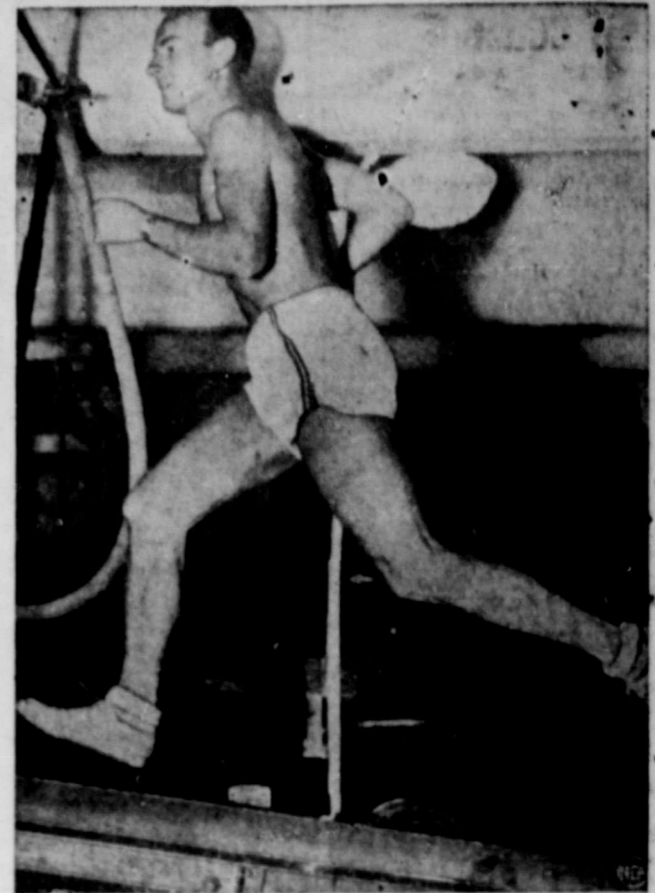

Bowie defeated Ranger, 26-13 to hold its top spot in 10-A, but Decatur's win over Holiday and Newcastle's victory over Throckmorton boosted their stock.

It was still Birville in 11-A, and Gariand in 12-A, Farmersville in 13-A and Atlanta in 14-A after weekend victories.

Mount Vernon came through with a 48-0 win over New Boston to keep its flag hoisted high in 15-A, but Mineola and Wimbora stayed within hailing distance by downing Judson 26-0 and Quitman 40-13.

In 16-A, Carlisle opened title play by downing last year's semi-finalist, New London, 6-0, to live up to its favored role, while Kaufman continued to look like the 17-A king by whipping Dallas Woodrow Wilson B team 22-0.

Edgewood emerged as a possible 18-A contender by downing Hillcrest 33-12 while Grand Saline was losing to Mesquite, and in 19-A, La Vega suffered a setback from outside the district when Mexico won 18-7.

GOING NOWHERE IN A HURRY—Roy Cochran takes off with a 30-inch stride in a test of a 15-mile-and-hour treadmill at Texas' Randolph Field. The Olympic track champion helped set up a physiology laboratory to determine fitness of Air Force personnel.

Squally Weather On Gulf Coast

Squally weather was reported along the Texas Gulf Coast this morning because of a disturbance approximately 150 miles southeast of Galveston.

Winds up to 30 miles per hour were reported at Galveston and gusts up to 20 at Houston. Some rain was reported at Galveston and Niles generally were cloudy all along the coast.

The New Orleans Weather Bureau said a Navy hurricane-hunting plane was keeping an eye on two suspicious squall areas which might spawn a tropical

hurricane. The second disturbance was about 400 miles southwest of New Orleans. Neither area, however, had shown a tendency to form an "eye" or storm center.

The Weather Bureau at New Orleans issued small craft warnings for the Texas and Louisiana Coasts to remain in port to await advices for possible further developments.

Meantime, a weak cool front was moving into the state. It was centered in the Tucumcari, N. M., Amarillo area and was moving slowly southward.

Skies were fair over most of the state except the Lower Rio Grande Valley and the Gulf Coast area.

Rainfall reports included Del Rio .76 inch and Laredo .48.

Temperatures yesterday ranged from 96 at Albee to 76 at Guadalupe Pass. Overnight lows included 55 degrees at Dalhart, 56 at Jockama, 57 at Dallas, 59 at Marfa and Mineral Wells and 76 at Brownsville.

The forecast indicated somewhat cooler weather for the entire state with showers near the coast this afternoon and tonight and in the Panhandle and South Plains tonight and Thursday.

Fort Worth To Get New \$4,000,000 Office Building

FORT WORTH, Sept. 21 (UP)—A new 25-story, \$4,000,000 office building loomed today for Fort Worth, following announcement of building plans for the skyscraper by Continental Life Insurance Co., officials here.

The firm announced purchase of the old Durten Building, a landmark on the southwest corner of Seventh and Main here, for \$1,000,000. The five-story structure will be razed, then possession is obtained from present tenants with short-term leases.

D. D. Bonney, board chairman, and Thomas M. French, president of Continental Life, said the new building would provide an additional 2,000 square feet of rental space and will be air conditioned. It will be the home office for the insurance firm, which was chartered in Texas on March 5, 1918.

Escaped Youth is Recaptured

FORT WORTH, Sept. 21 (UP)—A teenage Fort Worth youth who escaped last Friday from the Somervell County jail in Glen Rose where he was being held for car theft was in custody here today.

The 17-year-old youth, a former inmate of the State Boys' School in Gatesville, was arrested last night by detectives as he walked to meet his teen-aged girl friend.

The boy, Thomas Earl Davis, was awaiting trial in Glen Rose on car theft charges originating when he and two companions reportedly stole five vehicles before being arrested in Hamilton County.

He told authorities here he escaped from the Glen Rose jail by weakening a defective window bar with a knife left with him to eat with, and then taking the bar out.

W.S.C.S. Meeting Held Monday at 3

The Woman's Society of Christian Service of the First Methodist Church met at the Church Monday afternoon at 3 o'clock. Mrs. Vernon Deffebach presided at a business session in the absence of the president, Mrs. James L. Turner.

Mrs. Arthur Deffebach, secretary of missionary education, led the program title for which was "Japan Begins Again". The five objectives in the rehabilitation of Japan discussed were to bridge the gap between the United States and Japan after four years of war; break down old prejudices and misconceived ideas; learn of the country and the people; study the Christian movement in Japan and to show present day Japan's needs for Christ and finding ways to solve the needs. These parts were taken by Misses J. E. Matthews, G. D. Nicholson, P. M. Kuykendall, W. F. Creager and A. J. Ratliff.

An imaginary tour of Japan was taken starting at Tokyo and including, Nikko, Kamakura, Mt. Fuji, Kyoto, Nara, Kobe, Osaka, Hiroshima, Nagasaki and back to Tokyo.

The meeting was closed with a prayer offered by Mrs. Arthur Deffebach.
