PRICE FIVE CENTS No. 125

SEEN OR HEARD

Charlie Dodd, a former Ranger resident, presently in the fruit hauling business...

Allen Full in the Globe giving Earl Lebrado the Jayces treasurer, a hard time and making life miserable in general.

Duke & Ayres store already has their window decorated for Halloween.

Jerome Ready on Main Street doing nothing in particular and with no place to go.

Herbert Rapp was as busy as a cranberry merchant yesterday evening ushering in the stage act that played there last night...

Asked Rip Galloway what he was doing running up and down the street what the idea was and he said "I've got business down here, mostly monkey business."

What would a body man and a college professor be doing drinking coffee together in King's Cafe? Might be that the Prof. R. Y. Willis was interested in Floyd Caraway's Body and fender business...

Johnny Gay's reply to what he was doing at the Ranger Times "hunting Easter eggs". Johnny said he had not encountered many while taking care of his sweeping duties.

"Although Johnny did say the Ranger High School Band had "been getting ready for Eastland, and scrimmaging pretty hard."

Police Foil An Extortion Plot By Meat Cutter

FORT WORTH, Oct. 25 (UP)—A Fort Worth meat cutter was held today on a felony charge because he allegedly tried to extort \$2,500 from a friend.

Police said Leslie E. (Pete) Sapp, 33, confessed yesterday that he had threatened to blow up the home of Loy Wattenbarger, an acquaintance he had met while working at a grocery store, unless he was paid \$2,500.

Officers said the case was broken when Sapp telephoned the intended victim and told him of a threat supposedly made by a Negro woman who had entered the store. Police watching the entrance had not seen any such person enter.

Sapp told officers he needed money for a surgical operation. He was held in lieu of \$5,000 bond.

Want Ad Gets Quick Results

ANDERSON, Ind., Oct. 25 (UP)—An Anderson boy who had no luck advertising for a home until she inserted the following ad in the newspaper:

"Three drunken adults, three vicious children, need rental. Rent no object. We never pay bills anyway."

After that, she said, she was swamped with offers.

Lady Astor Sure Of Conservatives

CINCINNATI, O., Oct. 25 (UP)—Lady Astor apparently had such complete faith in a Conservative victory in the British elections she was willing to bet diamonds against cigars. In a cablegram to Dr. Carlton Smith, chairman of the National Arts Foundation, last night, she said she tried to bet her "best tiara against a cigar" that the Conservatives would win but no members of Parliament would accept.

LUCKY AND THE COMMIES—Lucky in more ways than one is this little gal, held in the arms of St. Paul Hospital nurse, Mrs. Margery McGuffin. She was born minutes before a five-alarm fire routed some 250 patients from their beds at St. Paul's Hospital in Dallas...

TWO TIMES NEWSBOYS FIND PAPER ROUTES PROSPEROUS

It seems that two of the Times paper boys are doing very well for themselves in their business ventures.

Don Deffebach, son of Mr. and Mrs. Arthur Deffebach of 712 6th Street, has been on a Times route for two years. In that time he has bought himself with spending money, bought a motor scooter to deliver his route on, valued at \$75.00, and has a bank account that will exceed \$200.00.

Don attends Young grammar school and is a member of the "Mighty Mite" football team; he also has a desire to become a full fledged Bulldog when he gets a little bigger and in high school. Don is in the sixth grade at Young school.

The paper business must not distract from his school work as he has never made less than a "B" on his report cards and the majority of his marks are A's.

Not content with being a sound business man, a good scholar, football player, and a growing boy, Don won the safety contest sponsored by Wards during the summer. His first prize gave him \$20.00 in merchandise from the sport's department of Wards.

Don has 140 customers on his route right now; many more than when he took over the business. He has missed very few days on his route, he would rather carry it himself and make sure the job is done right.

Don says that he likes carrying papers after school. His ambition is a paper boy is to save enough money from now until he gives up.

Olden Club To Render Program At 7:30 Tonight Mrs. Martin Smith will have charge of the Community Night program to be held in the Olden Gymnasium at 7:30 this evening. No admission will be charged, though refreshments will be sold after the program. Profits will be applied on the purchase of a public address system for the high school.

Shrine Circus In Abilene For Three-Day Show

ABILENE, October 25 — It'll be Circus Day, three of 'em, in West Texas Oct. 29, 30 and 31 when the famed Shrine Circus comes to Abilene for its first appearance in this area.

The show will be staged daily at 2:30 p.m. and 8:15 p.m. at Blue Sox Stadium. Tickets will be 50 cents for kids, \$1 for adults—and that includes tax. Reserved seats, which are optional, will cost 50 cents.

Famed for a score of years for its appearance under sponsorship of Shrine organizations over the nation, it is being brought to Abilene by local Shriners.

The name Shrine Circus presented annually in larger cities will be transplanted to Abilene. It will boast such headlines as dainty, diminutive Dolly Jacobs, circusdom's famed "Princess of Pachyderms" who pits her 94 pounds of personality and talent against 15 and a third tons of elephants.

Miss Jacob's tons of trunk-toters include Empress, Modoc and Judy, each weighing 10,000 pounds, and 800-pound Baby Dumbo, infant elephant reputed to be the smallest and smartest professional pachyderm in movies or circus work.

Adding two hours for collection to the recent GM production, Soldiers Three, Baby Dumbo has "played opposite" such stars as Clark Gable, Robert Taylor, Spencer Tracy, Gene Kelly and others.

One of Dumbo's tricks is playing harmonica—a stunt which won him an honorary membership in the American Federation of Musicians through personal award by James C. Petrillo.

Other stars stud the 46-act, two and one half hour show. Ala Ming is the Chinese Princess of the Silver Wire. Mile, Beatrice Dante, beautiful blonde from Brussels, Belgium, will present a troupe of educated chimpanzees. There are animal acts, jugglers, acrobats, clowns and all that goes to make a show — the circus. The amazing the show will be the aerial ballets, Jungle Fantasy and Western Air, featuring fabulously wardrobe beauties, including the "Dozen Darling Darlings."

The show is sponsored by Abilene Shriners to provide funds for their various activities. Hubert Northcutt is local chairman. The famed Shrine drum corps will be ushers for the show.

Shrine Band To Perform At Tarleton Game As an added attraction the Shrine Band of the Moslah Shrine Temple of Fort Worth will perform at the half-time at the Ranger-Tarleton football game in Stephenville Saturday night.

Two representatives of the band were in Ranger Tuesday and stated that they believe the Shrine Band will offer a program of entertainment that will add to the game festivities.

As a reminder—tickets to the Tarleton game are now on sale at the Paramount Hotel. Get your tickets now and be sure of a seat at the game.

In his weekly newsletter to Oklahoma voters, Kerr said Republicans "got primed for pro-bing, mostly to politics. In digging for dirt, however, they smeared up themselves."

Kerr also took a swing at Sen. Owen Brewster (R.Me.) and other Republicans supporting Sen. Robert A. Taft (R.O.) for the GOP presidential nomination. He said they were "cool" to the North Atlantic pact and wanted to keep Gen. Dwight D. Eisenhower in Europe only so they "can elect a president who will terminate his program and exterminate Eisenhower."

Plans To Fool Russian Bombers By AF Revealed

NEW ORLEANS, Oct. 25 (UP)—A Federal Communications Engineer says an elaborate Air Force plan has been set up to prevent enemy planes from "homing" on American radio stations from atom bomb attacks.

Don. F. Holaday, Dallas, told the Louisiana Association of Broadcasters yesterday all television and frequency modulation (FM) stations will have to leave the air immediately and stay off when an alert is sounded. "Guided missiles would beautifully on FM and TV channels," he explained.

Holaday said amplitude modulation (AM) station will remain on the air, "and their very number (2,500) will help to confound enemy bombers."

ATLANTA — A massive white man with a three-page FBI record admitted to police today that he distributed a supply of poison whiskey that killed 31 persons here and sent more than 200 others to the hospital, some of them blinded for life.

No's Catching Yes's In The Derick Poll

On the derrick question the following people said: Mrs. John Bryan called to say "I want the derrick back, I am also speaking for my three children, Travis, Florence, and Ollie". The three children said "there wouldn't be any place for the Christmas tree with the derrick gone".

T. C. Weaver: "Yes I think they should put something up there". David McMeekam: "It would be good advertisement for the city".

Louie Thomas: "No. It was a nuisance—it might fall again in a different direction and damage some property".

Jr. Bailey: "I think it is in the way. If they put it back up it shouldn't be put back in the same place".

Hall Walker: "I would like to see it re-erected". Hal Hunter: "I don't think we need it".

Harlan Phillips: "I would like to see it put back". John Finto: "I think it looks alright like it is".

Coach Ailer: "Not being a native here, I can't see much use for it—I think it's a hazard in one way. We do need something down there to stop "UP" turning in the middle of the street".

We're still looking for your opinion on the derrick. If you believe the derrick should or should not be put back up, in case another one can be secured, call 224 and we will print your opinion.

Senator Kerr Says Party Keeps Clean

WASHINGTON, Oct. 25 (UP)—Sen. Robert S. Kerr said today that recent Congressional investigations point up the Democratic Party's "determination to keep its own house clean."

The Oklahoma Democrat said his party "will continue to exercise the greatest vigilance to maintain the integrity of public officials and to insure honesty in administration."

In his weekly newsletter to Oklahoma voters, Kerr said Republicans "got primed for pro-bing, mostly to politics. In digging for dirt, however, they smeared up themselves."

Kerr also took a swing at Sen. Owen Brewster (R.Me.) and other Republicans supporting Sen. Robert A. Taft (R.O.) for the GOP presidential nomination. He said they were "cool" to the North Atlantic pact and wanted to keep Gen. Dwight D. Eisenhower in Europe only so they "can elect a president who will terminate his program and exterminate Eisenhower."

These officers were elected from the 20 members of the group at Young.

Ranchers Will Meet Nov. 1 To Elect Officers

A special called meeting for the West Texas Ranchers' Association, has been set for Thursday November 1st at 7:30 p.m. The meeting will be held in the offices at the auction sale barn.

This organization, which has many Eastland County members, works in interest of ranchers and farmers in this area; giving special attention to cattle and other thefts.

The meeting was called by Sam Kimmel of Cisco, president, who stated that new officers and directors would be chosen at the Eastland meeting.

Communists Too Much For Veteran

LANKIN, N. D., Oct. 25 (UP)—Authorities said today that Ralph Soukup, 39, a World War II veteran, committed suicide with a .22-cal. rifle and left a note at his farm home saying he feared to live in a world possibly dominated by Communists.

Compromise On Buffer Zone Is Offered Reds

PANMUNJOM, Korea, Oct. 25 (UP)—United Nations truce negotiations offered today to give up 200 square miles of hard-won territory in eastern Korea if the Reds yield an equal amount of terrain in the west.

UN officers made the offer in proposing a 2 1/2 mile-wide armistice buffer zone across Korea at a subcommittee meeting following the reopening of cease-fire talks with the Communists in Panmunjom.

The UN-proposed buffer zone roughly would follow the present battle line. The Reds have insisted that the line be along the 38th Parallel.

The Communists were expected to give their answer at another sub-committee meeting at 11 a.m. tomorrow (9 a.m. EST.).

Brig. Gen. William P. Nuckols, UN spokesman, said the Reds appeared very anxious to start the new series of truce talks with a "clean slate" and to let "bygones be bygones."

"There is hope progress will be made," he said.

This led to speculation that the Communists may drop their previous adamant demand that the buffer zone be along the 38th Parallel, pre-war frontier between North and South Korea.

The UN-proposed buffer zone would start about eight miles south of the 38th parallel on the west coast, cross the parallel to the northeast and run four miles above Kaesong, four miles south of P'yongyang at the apex of the old Communist Iron Triangle, 6 1/2 miles north of Hwasong, 15 miles north of the Hwasong reservoir, and reach the east coast about 35 miles north of the 38th parallel.

For the UN, it would mean sacrifice of most of the gains made in the "persuader offensive" on the east-central front earlier this month and in the bitter fighting south of Kumsong on the central front last week.

Young 4-H Clubs Elect Officers

The boys and girls 4-H Clubs of Young School have elected their officers for the present school year.

They are—for the boys: President, Benny Galley; secretary, Johnny Young; song leader, Bobby Ferguson; reporter, Jerry Don Basham.

These officers were elected from the 20 members of the group at Young.

For the girls: President, Linda Plamley; vice president, Carol McEae; secretary, Ann Robinson; reporter, Nancy Warren. Parliamentarian, Gail Ann Rappi; song and game leaders, Barbara Ruth Bray and Linda Ferguson.

City Officials Attend Banquet At Mineral Wells

Mayor Price Crawley, Commissioners Williams, Lanier, and Bray, City Secretary Lester Crossely, and City Attorney Joe Niesole attended the League of Municipalities banquet in Mineral Wells Tuesday night.

Lester Crossely said that he had been at the four day convention prior to the banquet and was joined by the other men for the affair at which Governor Shivers spoke.

THE WEATHER

WEST TEXAS — Mostly cloudy and a little warmer with occasional rain east of the Pecos valley this afternoon and tonight. Friday partly cloudy and cooler in the Panhandle.

AMERICAN PLANES HIT RED RAIL UNITS; HEAVIEST OF WAR

8TH ARMY HEADQUARTERS, Korea, Oct. 25 (UP)—Allied planes fought their way through waves of Communist jet fighters today to deliver the heaviest single blow of the war to North Korea's rail communications with Manchuria.

An estimated 80 Red-nosed MIG-15s pounced on three Allied air formations in an effort to protect vital rail arteries. They were blasted back across the Yalu River into Manchuria with one damaged plane. No Allied planes were lost or damaged in the air battles but one fighter was shot down by ground fire.

It marked the fifth successive day of gun-blazing dog-fights for control of Korean skies.

Some 300 United Nations fighter bombers caught Communist rolling completely by surprise in the first two air battles this morning over northwest Korea. In the afternoon, F-84 Thunderjets blew up rails at 54 points despite a brief, bloodless encounter with 10 Red jets.

A 5th Air Force spokesman described the damage for the day as the largest ever inflicted on the enemy's rail system in a concentrated area.

The UN planes destroyed nine locomotives and 99 rail cars before they could duck into the shelter of tunnels. The attacks fell on the two main supply lines from Manchuria, between Sinanju and P'yongyang and between Kunsu and Suncheon.

One allied Corsair plane crashed and burned in enemy territory during the day after being struck by ground fire. The pilot was killed.

On the ground, the fighting was limited to patrol action except on high ground southeast of Kumsong, the now abandoned Red bastion 29 miles north of the 38th Parallel. There, an allied tank-infantry force stabbed 1,000 to 1,500 yards through thick small arms fire on a hit-and-run raid before returning to the main Allied line.

Southeast of Kumsong, a United Nations unit made small gains against stubborn enemy resistance.

Communists called up their "first team" in the air today in a vain effort to block the path of fighter-bombers to Sinanju, a rail center 70 miles below the Manchurian border.

Some 50 MIGs screamed down from 20,000 feet on 31 U. S. F-86 Sabrejets escorting the fighter-bombers. The opposing air forces scattered in the next 10 minutes for a series of dogfights—some raging to tree-top level.

One enemy jet was damaged in that battle.

At approximately the same time, about 20 more Red-nosed MIGs jumped 20 propeller-driven Corsairs and Tigercoats of the 1st Marine Air Wing as the Marine aircraft blasted rail targets near Suncheon, 20 miles southeast of Sinanju.

Neither side inflicted damage in the brief dogfight.

In five straight days of air battles, the enemy has made his boldest bid of the war to neutralize costly UN raids behind Communist lines. Allied bombers have blasted two projected jet air bases in North Korea as well as vital road, rail and supply targets.

Capt. Charles W. Pratt of Flint, Mich., damaged the one MIG in Thursday's fight.

"I saw a lone MIG about 3,000 feet below us," he said.

"I whipped over and went down after him. He must have seen me because he started climbing. I fired three short bursts that caught his wing and he started trailing vapor. I wasn't able to follow up because of unidentified planes closing in on me from the rear. They turned out to be Sabrejets but by then the MIG had got away."

A general headquarters communication issued in Tokyo said that the Communists on the west central sector released four UN soldiers Wednesday following their capture last month.

Two of the soldiers returned to allied lines and reported the other two released men were litter cases. A tank infantry patrol brought the wounded men back.

Civic League And Garden Club Learn About The Care Of Flowers

The Civic League and Garden Club met Wednesday afternoon at 3 o'clock in the Community Club House for their opening meeting of the season.

The officers for the season are: President, Mrs. O. G. Lanier; 1st vice president, Mrs. Felton Brauer; 2nd vice president, Mrs. Jack Urban; secretary, Mrs. James P. Morris; and treasurer, Mrs. L. E. Gray. Mrs. Jack Urban is chairman of the membership drive with Mrs. P. M. Kuykendall as co-chairman.

Mrs. Lanier talked about the care of flowers and gave the following item of interest to the group:

"Evergreens should not be neglected during October. They need a deep soaking once or twice a week for good health and fortification against the cold that is to come. All plants and shrubs have been weakened by the summer's prolonged heat and drought and must have soakings and food that will reach down to the roots.

Now is the time to divide perennials already growing in the garden. These are daylilies, phlox, violets, and daisies. Keep them watered until they are well set.

Put out bulbs for early spring blooming. Scatter bone meal, one pound to the row, 22 feet long

and spade deep. Set bulbs six to eight inches apart.

Do not mulch hollyhocks, delphiniums and other rosette-leaved perennials too heavily or the plants will smother.

Move houseplants indoors. This is an excellent time for rooting cuttings. Put the cuttings in medium sand four to six inches deep in most any type of receptacle with good drainage. Keep in shade and cool temperature. In 10 to 30 days roots will have formed and more light and water can be added.

During the business meeting, a number of improvements on the community club house were discussed and will be undertaken. One will be the placing of asphalt tile on the foyer floor. Many improvements were made last year, which added much to the beauty and usefulness of the building, and these other improvements will greatly benefit.

The next meeting will be November 14 with Mrs. Dyess of Albany, an authority on Garden club work, as the guest speaker.

Benefit Party At Legion Hall

The American Legion Auxiliary will hold a benefit party at the legion club room tonight.

Proceeds to be used in helping with Christmas gifts for veterans in Veteran Hospitals.

The public is cordially invited to attend.

Third Birthday Observed Tues.

Billy Wayne Robinson was honored on his third birthday Tuesday afternoon in the home of his grandmother, Mrs. E. F. Arterburn, by his mother, Mrs. L. P. Arterburn and the grandmother.

The little guests began arriving at 3 p.m. and enjoyed every second of the time until 4:30 p.m. when the goodbys were said to each other.

Drop the handkerchief and other ring games were played and favors of balloons and Halloween snappers were given the guests.

The beautiful birthday cake was a four layer, cake iced in snowy white icing and decorated with touches of pink and pink candles.

After the gifts were opened and displayed, refreshments were served to Randall and Cathy Rogers, Terry and Jerry Arterburn, Paul Arterburn, and Shirley Robinson, an aunt of Billy Wayne's, from Plainview, and the hostesses.

Mrs. L. Hagaman Reviews Book

Mrs. James P. Morris entertained the Columbia Study Club in her home Wednesday afternoon.

The business meeting was presided over by Mrs. David Pickrell. Mrs. L. R. Pearson was the leader for the program and she presented Mrs. Leslie Hagaman who reviewed the book "The Tea House of the August Moon" which was of great interest to those present.

Those attending were Meses. L. R. Pearson, C. J. Owen, J. R. McLaughlin, L. H. Hagaman, M. L. King, Saunders Greg, John Thurman, S. M. McAnisley, P. M. Kuykendall, David Pickrell and the hostess, Mrs. Morris.

The club had seven guests who were Meses. Roy Jameson, Fabian, Bill Williams, Morris Newham, T. C. Wylie, Rober Harrison and E. L. McMillan.

Rummage Sale To Continue

The Young school Parent-Teacher Association will continue with the rummage sale they began last week, this Friday and Saturday. The sale is being held in the old Miller Store building on N. Austin Street.

The president of the PTA stated that if anyone had anything that they would like to donate to this cause, please bring it to the Miller building or to Young school.

Bible Study Held Wednesday

The Ladies Bible Class of the Church of Christ met Wednesday afternoon at 2 p.m. at the church for their regular weekly Bible Study.

Bro. Floyd Spivy, minister of the church, is the teacher and taught the last chapter of 11 Thessalonians. This class is conducted each week and open to the public.

There were twenty-nine present for the study Wednesday.

LOOK WHO'S NEW

Mr. and Mrs. Bill Spivy of Nacoma are the parents of a baby girl born Wednesday, October 24 at 3:49 p.m. She has been named Sherry.

The paternal grandparents are Bro. and Mrs. Floyd Spivy of Ranger and they left about five o'clock this morning to go see the new granddaughter.

FARM NEWS

By MAC CROW
Ranger Junior College

We have finally gotten the rain that we have needed for the planting of those winter pastures. A good winter pasture will go a long way in supplying those needed vitamins and minerals that are not furnished in most of the hay fed during the winter months.

We can expect more trouble caused by vitamin and mineral deficiency this year, than we had last year. We have had so much dry weather that most of the grasses have lost their vitamins and minerals. These can only be stored in green plants. A cow under normal conditions will have enough vitamin A stored inside her body to supply the required amount sixty to ninety days after she is put on dried feed.

Most Vitamin A is supplied in well cured legume hay and corn. The mineral salts should be fed as a supplement during the months the cattle are on dry feed. The growing of vetch with a small grain will help furnish some of the needed calcium and phosphorus that makes up 93 per cent of the material in bones.

While visiting in the community he tried pulling cotton for the first time and decided definitely that his back would need hinges.

Bucking the Line of Scrimmage—

... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is bucking the line, a sure demand of the public in business life. Some call it success, but we like to think of it as a lot of hard work. In a nutshell, that's it!

Bandit Gets Free Hand

MINNEAPOLIS, Oct. 25 (UP)—A bandit was holding Mrs. Zatha Olsen, 35-year-old waitress and restaurant proprietor, at gun point in the backroom of her establishment when a customer walked in.

The bandit ordered Mrs. Olsen to wait on the customer and she thought she saw her chance.

As she placed Clyde Brooks' coffee in front of him she winked coyly and looked significantly towards the back room.

Brooks looked at her blankly, paid his check and walked out, leaving the robber a clear field. "I'm a married man," he explained afterwards. "I was thinking about my wife."

CHURCH NEWS

Baptists Will Hear Graham At Convention

HOUSTON, Oct. 25 (UP) — Evangelist Billy Graham will address the Baptist general convention of Texas here tonight and

close a session highlighted by strong condemnation of public corruption and reports of growing funds in church coffers.

Graham, nationally famous gospel preacher, will speak after delegates have elected new officers and chosen a site for next year's convention.

Fifty-five new members were nominated to fill vacancies in the Baptist executive board as last

night's meeting closed.

The convention also approved the establishment of a church building and loan association for financing new church construction under the convention's auspices.

Under terms of the resolution a 12-director corporation will be set up to administer a \$250,000 fund from Dallas headquarters.

The new establishment was recommended by the executive board after a report read by Dr. J. Howard Williams had revealed that Baptists needed 301 new churches in Texas 25 largest communities alone.

Earlier reports showed that total receipts for church hospitals and schools increased by \$1,000,000 in the year ending last month. Dr. J. W. Bruner of Dallas, chairman of the convention's endowment division, said property value of the schools and hospitals

had risen more than \$6,000,000 since this time last year.

The convention's committee on Christian life deplored what it called a "maelstrom of moral decline," striking especially hard at looseness of public officials.

The report, read by the Rev. A. C. Miller of Dallas, eased the blow against government corruption somewhat by adding that "all of us know that drunkenness, sexual degeneracy, divorce, salacious literature and many other forms of vice abound everywhere."

The convention also approved a \$10,000,000 budget for the church year of 1951-52, with half of the money to go to world-wide causes and the other used to build endowments of educational and healing institutions.

Gloria Seeks An Annulment From "Abdullah"

HOUSTON, Oct. 25 (UP) — A "disgusted" Gloria King asked the district court today to annul the marriage she "doesn't remember" so her playboy husband, Sheppard W. (Abdullah) King can marry an Egyptian shimmy artist.

The petition asking that the four-month-old remarriage be annulled was filed with district court Clerk J. W. Mills by at-

torney Seymour Lieberman at 8:20 a.m., 20 minutes after the office opened.

In the petition, the curvaceous Gloria charged she was "deceived and tricked" into the second marriage with the romancing King and that she did not know anything about it until more than four months later.

Red-haired Gloria charged in the petition that at the time of the ceremony, performed June 2 in Dallas by District Judge Robert Hall, she was "intoxicated" and thus "mentally incompetent." "The marriage was never consummated," she said.

RANGERS WILL FIGHT FOR PIONEER HONORS SATURDAY

Getting ready for their second conference game, and their last chance to stay in the Pioneer Conference race, the Ranger Junior College Rangers have been working hard and long this week.

The coaches have had the team making plenty of body contact in preparation for the Tarleton game.

Ranger will be opposing the long-time second best passer at Tarleton, Tommy Hudspeth, Tarleton quarterback, has completed 32 of 92 pitches this year for 417 yards.

Against Tarleton's big line the Rangers will play their well balanced front wall that will be out-weighted by about 15 pounds per man. Without Gene Gilly in the weight advantage would go up. Gilly has been one of the mainstays of the Ranger line this year with his 230 pounds battering the opponents all night.

Caddo Sanders and Buddy Hamrick may have to open up

with the passing attack they brought to light against San Angelo for 216 yards to get by the Plowboys.

Hamrick is the leading punter for the league, having booted 25 times for 1040 yards for an average of 41.7 per kick.

Caddo Sanders is the leading punt returner with fourteen carries for 297 yards, averaging 21.2. Sanders has shown in the past games that he is very valuable to have around on defense.

It will be do or die Saturday night at Stephenville for the Rangers on hopes of sharing in the Pioneer Conference championship spotlight this year.

"B" Team Plays Comanche Here At 7:00 P.M.

Two undefeated teams meet here tonight when the Ranger Building "B" squad plays host to the Comanche Indians "B", at 7:00 p.m.

Both elevens will be fighting to keep their record on holding their opponents scoreless, and not allowing them to hold the game to a tie this year.

Admission is free. If you want to give the team to help pay expenses you are welcome to do so. The game time was changed this morning from the 7:30 as stated yesterday.

Southwest Conference Clubs Prepare For Saturday Tilts

By United Press Southwest Conference coaches banged their first-stringers up against tough reserves yesterday and tried to figure out some way to slow down the hard, fast play which has made the circuit famous.

Coach Ray George at Texas A & M used his ineligibles to stand in for Baylor's Bears as he prepared defenses for his contest against the Bruins at College Station Saturday.

A transfer, Don Ellis, lumbered by his passing arm and emulated Baylor's Larry Isbell while the Aggies tested a number of new defense plays. All but two Aggie starters took part in the scrimmage.

Charles Hodge, injured in the TCU game last week, and Jim Fowler, who has a head cold and a leg bruise, watched the play from the bench.

At Waco, the Bears went through the same operation.

Besides the defensive drills, however, Coach George Sauer put Isbell and Cotton Davidson through a long punting practice, hoping to give his kickers a sure feel for the out-of-bounds stripe.

No new injuries plagued the unbeaten Baylor club, but end Harold Riley and guard Walter Bates still rode the bench, with only a chance of returning to the lineup before the weekend.

Texas pulled what might be a switch in preparation for the Longhorn-Rice game. Offensive halfbacks Gib Dawson and Don

Barton worked defensive assignments in yesterday's scrimmage, causing observers to speculate that they might wind up doing double duty against the Owls.

Don Cunningham moved up to fill Don Menasco's post as line-backer for the Texas team. Menasco, hurt in the Arkansas game last week, will miss the Rice clash.

Two Rice backs were out of the lineup while the Owls held a rugged half hour scrimmage yesterday. Quarterback Dan Drake and halfback Teddy Riggs, still tender from the Rice-SMU game, were expected to be back in shape by Saturday. Bob Haddock, offensive right halfback, was back in the lineup today after recovering from a hip bruise.

Funting, extra point and passing drills made up the balance of the rice workout.

Arkansas gridlers pointed for their game with Santa Clara at Fayetteville Saturday, while TCU brushed up for a touch one with USC at Los Angeles.

Only Southern Methodist will be idle this weekend. But the Mustangs were far from idle yesterday.

Buster Reed Of NTSTC Leads In Mexican Meet

MEXICO CITY, Oct. 25 (UP)—North Texas State College's Buster Reed was top man on the list of championship flight qualifiers in the Mexican Amateur Golf Tournament here today.

Reed, a member of NTSTC's intercollegiate championship team, shot a smooth four-under-par 68 yesterday to lead in the qualifying round.

Norman Lewis of Mexico City was second with a 70.

Top amateur Frank Stranahan tied with Dale Morey of Dallas for third with a 71. It was the fifth time Stranahan had entered the tournament, and the first time he failed to lead the qualifying.

Chris Gers of Oklahoma City and Armando Rivero of Mexico came next with a tie at par 72. Don January, Joe Conrad and

San Francisco College Leads Nation Defense

NEW YORK, Oct. 25 (UP)—The University of San Francisco football team stood out today as the leading defensive outfit among the major colleges.

The rock-ribbed 1200s were tops in total defense with 170.6 yards allowed per game and also topped the rushing defense with only 41.8 yards allowed per game.

Wisconsin was second in total defense with an average of 173.8 yards allowed per game, and was followed by Denver, 181.5; Wake Forest, 196.4; and Southern California, 197.2.

Notre Dame was a distant second in rushing defense, allowing 74.5 yards per game. Then came West Virginia, 81.2; Florida, 85.7; and Wake Forest, 87.0.

When it comes to pass defense Washington & Lee tops the list with an average of 58.2 yards allowed per game. Columbia boasted an average of 61.7 yards, Texas A & M, 62.2; Wichita, 62.3; and Hardin Simmons, 69.0.

Holy Cross has regained first place in the offensive department. The Crusaders have ground out 1,969 yards in four games for an average of 492.3 yards per game. They also lead in rushing offense with 258.3 yards gained per game.

Aggies Do Well In Pass And Pass Defense

DALLAS, Oct. 25 (UP)—For a team which was touted as long on rushing but shy on passing and pass defense, Texas A & M has done right well in the latter two categories.

The Aggies, with their short-order version of the "Four Horsemen" in Billy Tidwell, Glenn Lippman and Bob Smith, have lived up to expectations on the ground with an average of 248 yards in five games.

Baylor, the only undefeated team left in the conference and the Aggies' foe this Saturday at College Station, was supposed to be long on passing and tough on defense, either against land or air attack.

As of today, the Aggies lead the conference in offense and, surprisingly, are third best in the nation in pass defense. Baylor is tops in rushing defense, third best in pass defense and ranks second in both rushing and passing on offense.

The Aggies, with Dick Gardmal and Ray Graves dividing the chunking chores, have gained 586 yards passings and made them account for nine touchdowns.

Billy Maxwell, the remaining member of the NTSC team, captured the next three places. January shot a 73, while his other two teammates clicked off 74's.

while Baylor has made only six on aerials.

On the ground, the Aggies have bowled along for 1,238 yards with Lippman setting the pace and leading the conference with 334 yards. Smith, last year's conference leader but crippled a good deal of the time this season, still was good for fifth place with 299 yards. While Tidwell, out of all but one full game and half of two others, has picked up 93 yards in 31 carries.

This trio of hard-runners also are adept at pass snaggings. Tidwell having caught eight for 132 yards, Smith four for 90 and Lippman three for 87. Each has scored one touchdown on passes.

Catch Of Drunks Off In Atlanta

ATLANTA, Oct. 25 (UP)—Atlanta police, who usually arrest from 50 to 100 persons a night for drunkenness, jailed only one inebriated imbibor last night.

"Bad, bad whiskey," they explained. Instead of drinking, officers said, loiterers about beer halls read the latest developments of the city's poison liquor disaster and listened to radio and television broadcasts.

Joe Louis Still Slight Favorite Over Marciano

NEW YORK, Oct. 25 (UP)—Heavy support for Rocky Marciano dropped the betting price another half-point today to 6-5 favoring Joe Louis as both principals rested before their big fight tomorrow night.

The continued robust backing for the unbeaten Brockton slug-

ger provided a surprise because ex-champion Louis had been much more impressive in his last workout Tuesday than Marciano was yesterday.

Here's a check for your loss
When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"
But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company — THAT is when people really like us. It happens frequently.
Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.

Beer Dispute Is Ended; St. Louis Breweries Open

ST. LOUIS, Oct. 25 (UP)—A three-week-old dispute which closed down the world's largest brewery ended today, Anheuser-Busch Inc. and the CIO Beer Bottlers Union announced jointly at 4 a.m. (EST).

The announcement contained no terms and said the decision must be ratified by a union meeting later today.

Some 5,000 employees had been idled by a dispute over the elimination of 47 bottle-inspector jobs.

The Union had conceded to reduce the number of inspectors but member churches to protect the appointment of an ambassador to the Vatican.

Church Group Will Fight Vatican Post

CHICAGO, Oct. 25 (UP)—The National Association of Evangelicals, which claim to represent 50,000 Protestant churches

across the nation, announced today it had mailed petitions to member churches to protect the appointment of an ambassador to the Vatican.

The association said the petitions were sent to pastors who were urged to obtain signatures of congregation members at church services next Sunday.

The petitions oppose President Truman's nomination of Gen. Mark Clark as first U.S. Ambassador to the Vatican.

When they are completed, the association said, the petitions will be sent to Sen. Tom Connally (D-Tex.), chairman of the Senate Foreign Relations Committee.

United Nations all, Nations both large and small, War Not again.

Make hate and strife to cease,
Make love and joy increase
And keep on earth a peace,
Good will to men,
United Nations Strong,
Lift thankful hearts in song,
To God above.

Let us our voices raise,
In never ending praise,
For Peace on earth always,
O God of Love.
