SEEN OR HEARD

About the time the "nosy one" hit the street yesterday it started misting and all the local citizens headed for shelter, and the main drag was as bare as Mother Hubbard's Cup-board.

"One man that you will find on the street most any time is Policeman Robinson with his free service to the public. He said yesterday that he would bet he is "chased," discussed, and recused more than any one in town, other than the Ranger Times.

"The last one's to take shelter from the mist were the two persons in front of King's; two at Main and Austin; and the three at Main and Rusk "holding" down the city sidewalks.

The main topic of conversation of the sidewalk philosophers these days is whether or not the derick will go again—with most of the old timers favoring putting it back up.

"Heard that about fifty feet of the old rig might be salvageable, but it would take a rig builder to put it back up. Also that someone said a 25 foot job with a pump jack in the middle that looks like a pumping well that might be just the thing.

We found a note in the front door this morning telling us that a Mr. George H. Maimes, president of the Flint Baseball Club of Flint, Michigan, a Class A ball team of the central league was in Ranger. The note also said that he was here in the spring of 1919 as a second league in the army and helped fight the first big Ranger fire. That fire started in a bakery at the rear of the Wilson Hotel, one of the little boom time guest houses here.

Harlan Phillips said at the Times this morning that one of the local welding shop operators told him that with a little straightening the old derick could be put back up—that the damage is not as bad as the people here think. Harlan was all ready to get busy putting the rig back.

Bill Bollinger Gets Promotion

William R. Bollinger, son of Mr. and Mrs. William H. Bollinger, Ranger, has been promoted to the grade of corporal at Goodfellow Air Force Base, San Angelo.

Cpl. Bollinger, a graduate of Ranger High School, enlisted in the United States Air Force Nov. 16, 1950.

After completion of basic training at Lackland Air Force Base, San Antonio, Cpl. Bollinger attended a supply course at Lewis Air Force Base, Denver, Colo.

The 19-year-old Ranger airman has been stationed at Goodfellow Air Force Base, where he is assigned to the 3545th Supply Squadron, since April 5, 1951.

Dr. Boswell Tells Lions Land Must Be Preserved For Youth

Dr. G. C. Boswell, president of Ranger Junior College was the program speaker at the Lions meeting yesterday.

Dr. Boswell told the Lions that "this land of ours is a builders' land." "We have become known throughout the world as builders." From the new colonies that came to America on to the present day he said that the American people have been doing constructive work. Building highways, dams, buildings, and many beautiful monuments. As well as these things the United States has led in the building of warships and airplanes.

Dr. Boswell brought forth the development of the natural resources of America through knowing "what to do, why to do it, and how to do it."

The college president said that all these wonderful things that our forefathers have given to us through their building should be preserved for the youth of the country.

He said that youth can be developed by striving to develop religious organizations for them and through the continuance of the American policy of wanting to build here and not taking from someone else.

Dr. Boswell used as an example of what is being done to detract from the building of the youth of America a magazine published by Tass, the official Russian news agency in the United States, saying that it was the most unreasonable piece of literature that he had ever had the occasion to read.

By installing in the youth of today the fundamentals of living is the only way that the land can be preserved for the future generations that has been saved by many wars. He added that the policy of this and every community should be to perpetuate the youth of today for a better America tomorrow.

Methodist Will Have Big Youth Rally Saturday

With a goal of five hundred the Methodist Cisco District youth rally will be held in Eastland tomorrow evening at 7:30 at the First Methodist church. Rev. Edwin T. Summers, pastor of the Glenwood Methodist church Tyler, will be the inspirational speaker for the youth who will gather from forty Methodist churches in this section. The speaker, who is an outstanding leader in youth work in the Tyler District and the Texas Conference of the Houston area of the Methodist church, is a former resident of Eastland. He is a graduate of Southwestern University, Georgetown, Texas. He has served as a Methodist pastor for the past fourteen years.

An outstanding feature of the huge youth meeting will be the enthusiastic singing of some challenging hymns by all the youth and the special choir of youth from all the churches singing, "Beautiful Saviour," to the tune of the Old Crusaders Hymn as arranged by Griffith. Pageantry will mark the procession of the robed choirs as they enter singing "Onward Christian Soldiers" and the flag bearers place the United States and the Christian flags. Carol Hogan, president of the Cisco District MYF, will preside. Rev. Garland T. Lavender, Methodist pastor of Ranger, will lead the hymn singing. Mrs. Cyrus B. Frost, Jr., of Eastland, will direct the special choir. Mrs. J. P. Kilgore, Eastland, will play the pipe organ.

The district-wide youth rally is the first public service of the All-Texas Methodist revival in this section. The rally here will be one of fifty such Methodist youth rallies held throughout the state.

Sunday morning, revivals in every Methodist Church in this area will get underway with visiting preachers.

Student Council Presents Program

Thursday, October 25, the Student Council of Ranger Junior College presented the following program at assembly.

Announcements "Star Spangled Banner" — Audience "The United Nations" — Pat Taylor "America" — Audience Prayer — Mrs. W. A. Lewis "God Bless America" — Audience "Eyes of Texas" — Audience "The Ranger Song" — Audience

Dale Hatley, of Lampasas, president of the Student Council presided. Don Bryson of Graham led the singing, and Florence Ashcraft of Ranger played the piano. Bobby Boynton of Quanah, sophomore, representative to the Student Council, and Gene Ready of Ranger, representative of Los Hidalgo, Spanish Club of Ranger Junior College, prepared the program.

HUNDREDS ENJOY BARBECUE AT EASTLAND; CATTLE RAISERS ELECT OFFICERS & DIRECTORS

More than 600 people, youngsters included, were present for the annual meeting and barbecue of the Eastland County Live-stock Growers Association at the Eastland City Park, Thursday before six o'clock. For half an hour or more they were entertained by the Eastland high school band, but about 6:45 lines began forming for the barbecue.

If anyone left hungry they may blame themselves, for there was sufficient food for all, and enough left over to care for a hundred or more people. The menu consisted of barbecued beef and goat, Pinto beans, potato salad, potato chips, pickles, onions, coffee, cocoa and ice cream. Scores of people complimented the food, especially the barbecue. It was well cooked, tender and of very fine flavor.

Some of the food was purchased by the association, though most of it, not including the meat, was donated. Coffee was furnished by C. D. Hartnett Wholesale Grocery Co., Ranger. The Borden Milk and Ice Cream Co., furnished a portion of the ice cream. The local Coca-Cola plant through its local manager, Parks Poe, furnished all the Coca-Cola, and the Frito Company, through its salesman, S. C. Rhoades of Mineral Wells, donated 45 pounds of potato chips. Thanks!

The association officers and members also extended a vote of thanks to the Texas Electric Service Co., for fixing up the lights and furnishing chairs. Also the city of Eastland for the use of the park and use of lumber for extra tables.

And while thanks were being passed around the local hand was not forgotten. Their music was good and was enjoyed by all. They have played for the association before.

Following the barbecue feast, Judge Milburn S. Long, president of the association, presented J. M. Cooper, county agricultural agent, who introduced the guest speaker, Dr. Ty Timm of A&M College.

Dr. Timm's remarks were well received and to the point, and he is an orator of considerable ability. Just enough wit to make the cold facts go down easily. Most of the address had to do with the growing of beef cattle, though dairy herds, hogs, sheep, poultry and other items were mentioned.

Dr. Timm feels that the future, so far as cattle growers are concerned, is bright. He does not look for any great price drop in the near future. The industry is growing and will continue to grow for some time to come.

Beef cattle industry operates as an independent unit, and before any great slump comes, feed and other items will have been reduced in price. Pungent points disclosed that beef cattle producers do not produce all the beef—only about half of it. The balance comes from dairy or semi-dairy herds. At this time there is enough beef in the United States for every man, woman and child to have around 300 pounds of

beef annually. No great amount of beef is expected, but most of it is consumed at home.

So long as the prosperity we are now enjoying lasts, this beef will find a ready market, but when pay checks begin to be reduced, the hog grower and poultrymen will find a more ready market for their products.

In all his address was educational, and being the forceful speaker he is, it found lodging in the minds of his hearers.

Eleven For; None Against Derrick In Poll Today

In telephone calls eleven people said this morning and yesterday that they were in favor of another derick. There must be more people for or against this derick so why not make your opinion known by or another. We'll let you know how you vote.

Sam, Gladys, Pearl, Fred, and Veda Seay; Lena Mae Eaves and El and Minnie Monroe: "We all die derick back up." Mr. and Mrs. Burl McGraw: "We are both in favor of putting the derick back up." Mrs. J. A. Robinson: "I think it should go back up. I used to ride a Greyhound bus back and forth to work at Eastland and people on the bus would ask about the derick a lot of the times."

Cisco Man To Command New Navy Submarine

PORTSMOUTH, N. H., Oct. 26 (UP)—The new submarine Tang was commissioned yesterday in the presence of an officer who won the Medal of Honor aboard its namesake in World War II.

The Tang, one of the most modern submarines in the Navy, was placed in commission by Capt. Edward C. Craig, commanding officer of the Portsmouth Naval Shipyard where she was launched in June.

Commander Richard H. O'Kane, skipper of the original Tang which was sunk by one of its own torpedoes seven years ago Tuesday, was present.

Craig turned the Tang over to its new commanding officer, Comdr. E. P. Huey of Cisco.

UN Rejects Red Compromise On New Buffer Zone

By ARNOLD B. DIBBLE PANMUNJOM, KOREA, Oct. 26 (UP)—Horse-trading Communist negotiators today abandoned their long-standing demand for a truce line on the 38th Parallel and proposed an almost straight line about 10 miles north of it.

The plan, promptly rejected by Allied officers, would force United Nations troops to yield the "iron triangle," Heartbreak ridge and other hard-won positions. In return, Communist offered to withdraw from lightly contested territory below the 38th at the western end of the battlefield.

Both sides, however, would maintain "administrative control" of territories they give up under the Communist plan. Although this term was not explained, it was taken to mean the vacated areas would become buffer zones UN negotiators informed the Communists immediately their proposal was "completely unacceptable" because the suggested line failed to provide military protection for Allied forces.

They said later, however, that the proposal marked a sharp swing from the former Communist position thus brightened the outlook of a settlement.

The Red proposal, unveiled before a truce subcommittee, countered a line proposed by the UN yesterday along the present battlefield except for a trade of 200 square miles of territory at each end of it. This would force a Communist withdrawal on the western end and an Allied withdrawal on the eastern end.

Brig. Gen. William P. Nickols, chief UN spokesman, said the Communist offer would be just a "theoretical withdrawal" because the area is of no military value and has never been contested.

"We have given it to Communists by default," he said. Nickols pointed out, however, that the new Red plan marked a sharp departure from their rigid demands since truce negotiations started July 10 that the cease-fire line fall along the 38th parallel.

"The 38th parallel is only mentioned once," he said. Allied troops on the extreme eastern end of the front are more than 45 miles above the parallel. Kumsong, center of current fighting on the central front, is 29 miles above the parallel.

Thus, even with a 15-mile UN withdrawal, Allied troops would be well above the 38th on the main central and eastern sectors.

AMERICAN JETS DOWN TWO RUSSIAN-BUILT MIG-15'S

8th ARMY HEADQUARTERS, Korea, Oct. 26 (UP)—American jets shot down two Russian-built MIG-15 jet fighters and damaged three others today in the sixth consecutive day of violent air battles over northern Korea. The bag man enemy air losses to 34 planes destroyed, probably destroyed or damaged this week.

The first of three separate air battles occurred this afternoon when 28 US MIGs swept out of their Manchurian sanctuary to challenge 28 US Sabrejets.

All Allied jet fighters returned safely to base from the fierce air combat which ranged as far south as Pyongyang, the North Korean capital.

Conservatives Win Eleven New Seats In Prior Labor District

By Lyle C. Wilson LONDON, Oct. 26 (UP)—British voters placed Winston Churchill's conservative party at the helm of government today after six years of Socialism.

Late in the afternoon the Conservatives gained an absolute majority of the 625 seats in the House of Commons. That meant that Churchill, the old warrior and the architect of victory in World War II, will be called to Buckingham Palace before long and instructed by King George VI to form a new government.

Churchill won what he called his "last prize" at the age of 76. He becomes the second oldest man in history to become British Prime Minister.

There was every indication that Churchill will command a sufficient majority in the New House of Commons to form a stable government. Clement Attlee's Labor Party held a slim majority of six votes in the last Parliament and frequently found itself embarrassed because it lacked the strength to put through its program.

For Britain, the return of Churchill to 10 Downing Street will mean no more socialism—that is, no more that the country already has—and closer ties between Washington and London.

It also may mean a bigger and faster flow of American aid to economically ill Britain.

Churchill also has promised to go to Moscow to talk with Generalissimo Josef Stalin if it will help bring the prize of peace.

An election victory also will mean vindication for Churchill from the voters who threw out the Conservatives six year ago.

Tin Shortage May Cause Unemployment

TEXAS CITY, Oct. 26 (UP)—About 250 employees of the tin smelter here faced a six-month layoff today because of a shortage of raw tin ore.

Smelter manager Alexander Braake sent out a letter to the 900 employees yesterday announcing the probable cut.

Braake predicted that production at the smelter will drop as much as 25 to 30 per cent during early November. Two shipments of Bolivian ore contracted for in August by the Federal Reconstruction Finance Corporation probably will keep production going until that time, he said.

The majority of the layoffs will hit operating personnel, the manager said. Stockpiles of rejects and secondary ore will keep the smelter operating during the slack period.

Citizen Groups Fight Bridge

SAN ANTONIO, Oct. 26 (UP)—Litigants in the court fight over a proposed San Antonio River bridge today expected a compromise suggestion from San Antonio city officials.

Mayor A. C. White indicated the compromise proposal would be made at an injunction hearing in District Judge C. K. Quinn's court.

The bridge, already approved by the city, was to have been constructed across the river to provide a rear entrance to a downtown auto parking building owned by St. Mary's University.

A number of San Antonio civic and social groups protested, declaring the bridge would be a traffic hazard and would detract from "the beauty of our stream."

The dispute was aired by 200 persons before the city council yesterday. Opponents had obtained an interim restraining order and the injunction hearing was set for today.

Texas Population Gains Over 1940

WASHINGTON, Oct. 26 (UP)—Texas' 1950 population was 7,711,194, more than 35 times greater than in 1850, the date of the first federal census in Texas, the census bureau said last night.

The final census figures for 1950 show an increase of population in Texas of 1,296,370 over 1940. Roy V. Peel, director of the Bureau of the Census, said.

One hundred eight of the 254 counties in Texas gained in population from 1940 to 1950. Andrews county had the biggest percentage gain, 291.7 per cent, with an increase from 1,277 inhabitants to 5,902.

More than doubling in population were Ector, Moore, Midland and Orange counties, all sites of industrial or oil development.

Map spotlights latest potential trouble spot in Europe. Russia has threatened reprisals if Norway allows the North Atlantic Pact Organization to establish bases on Norway's Arctic islands of Spitsbergen and Bear. As map shows, the islands are within bomber range of Russia's great naval bases at Kronstadt and at Parkkala in Finland. Russia bases its threats for reprisals on a nine-power pact signed in 1920 and a note sent in 1929 which allegedly "assured" Russia that Norway would never join in aggressions against the Soviet Union or permit her territory to be used for such purpose.

Rangers Will Meet Plowboys In Stephenville Saturday

There's plenty of spirit among the squad members at Junior College prior to the make or break game with the Tarleton State "plowboys" Saturday night at Stephenville at 8:00 p.m.

Coming through this week of hard scrimmage with limited injuries the Rangers will be in good shape for the game. On the injured list will be guard Don Anderson and end Leon Jones, with guard Wayne Morrow's sore shoulder leaving some doubt as to whether he will be able to compete. Wayne hurt his shoulder in the rough-and-ready scrimmage that the coaches put the team through Tuesday.

Without doubt the Rangers can win the game at Stephenville Saturday night if they play sound football, not making any more disastrous donations to the opponents.

They should be in better physical shape than the Plowboys and a little faster in the backfield. The Tarleton line will have a decided weight advantage, with the middle of their line well fortified with big men.

Three men have been named as probable starters for Ranger.

at end, Tommy Wilson, Dale Hatley, or Harry Weldon; Gilly and Angel will start at tackle; Morrow and Keller at guard, if Morrow's shoulder is okay; Compton at center; Buddy Hamrick, the Pioneer Conference leading punter will be at Quarterback; Cadjo Sanders, the leading punt returner, will be at the left half; Ken Burton at fullback; and Jim Smith will probably start at the right half position.

For Tarleton it will be Boman and Lutz at end; Wise and Kennimer at tackles; Percy and Goff at guards; Deel at center; Hudepeth, Everett, January, and Harlin in the backfield.

ACC-Midwestern Meet Saturday

ABILENE, Oct. 28 (Sp.) — Abilene Christian has never lost a football game to Midwestern, but Saturday afternoon may end all that.

The Wildcats, surprised over their resounding 58-to-13 conquest of McMurry, will face a double-tough crew of Midwesterners in Wichita Falls' Coyote Stadium at 2:15 o'clock.

The Indians will be double tough for a couple of reasons. First, they will be playing before a partisan homecoming crowd, one hungry for a victory over the pesky Abilene team which whipped them in 1948, tied the Gulf Coast champions in 1949 and pasted a 13 to 0 whitewashing over last year's co-Gulf Coast champions.

And, second, the Midwesterners are due to rebound after their 26 to 46 Saturday night loss in Commerce to their jinx opponent, East Texas State. ACC tripped East Texas, 14 to 6, in the Lion's opener Sept. 22, but comparative scores aren't reliable yardsticks in football, Coach Garvin Beachamp is stressing to the Wildcats as they prepare for the contest.

"That Midwestern team will be hard to take in Wichita Falls," Beachamp adds.

Already Midwestern has played Abilene's other two college football teams, trouncing McMurry, 35 to 13 but bowing to the strong Hardin-Simmons Cowboys, 21 to 32.

The Wildcats, with one exception, came through the McMurry game in good shape. Lost for the Midwestern game is Charles Broad, 240-pound starting defensive tackle. He suffered pulled knee ligaments and will be shelved for a week or 10 days.

American railroads have ordered 139,0814 new freight cars to meet the nation's defense transport needs. The new cars would make up into a train 1,130 miles long, stretching from Washington D. C. to Miami, Fla.

McMurry Hopes To Play Carswell A Good Game Sat.

ABILENE, Oct. 26 — In its first grid battle with a service group since 1942, the McMurry College Indians meet the Carswell Air Force Bombers in Ft. Worth next Saturday, Nov. 3.

It will be the first day game of the season for the Indians, as the tilt is scheduled for 2 p.m. at Farrington Field.

Also this will be the Bombers and Indians initial meeting. It was in '42 that McMurry played its last service club, Lubbock Army Air Field and met defeat, 13-7.

The Bombers, composed of former All-Americans and Southwest conference lettermen, have left an impressive record behind them so far this season, having taken wins from Goodfellow Air Force Base, San Marcos Air Force Base, Mississippi Southern College, Abilene Christian College and North Texas State College.

Bud McFadin, formerly a guard with the University of Texas and named All American is one of the more outstanding names in the Bomber line-up, along with Dave Rakestraw of Tulsa University. A tackle, he was a nominee on AP's All American honorable mention last year.

Coach Wilford Moore of McMurry realizes that in comparison his team is definitely outclassed, but he will be fielding Texas Conference leaders like Sabin Hendrickson, Littlefield fullback, who's currently pacing the TC race in ground-gaining, and Carl Jowell, Dimmitt quarterback, who holds the number two spot in the conference for passing.

The Indians aren't anticipating a win, they're just hoping "to play the Bombers a fairly good game."

Americans Still In Mexican Golf Meet 3rd Round

MEXICO CITY, Oct. 26 (UP)—The strong American contingent moved into third round play of the Mexican amateur golf tournament today, led by husky Frank Stranahan and U. S. Amateur Champion Billy Maxwell.

Only one U. S. player fell to Mexican opposition in the first two rounds yesterday. Bobby Riegel of Houston, was upset, 1 up, by Alex Cumming of Mexico City.

Maxwell, the stocky young North Texas State College star, trimmed Oscar Casso of Mexico City 2 and 1, and Dick Nauts of Houston, 6 and 5, for his third round notch.

Stranahan, the tourney favorite, drew a first round bye. In the second round, the Toledo, O., strong man trimmed Ed Brady of San Benito, Tex., 5 and 4.

Maxwell Jrs. college teammate, Buster Reed, won 3 and 2 in the second round, eliminating Fernando Sala Gurria of Mexico City. Reed is the medalist.

Two other members of the North Texas Championship Team Don January and Joe Conrad, the defending champion here, advanced with wins over Rafael Torres, Porfirio Diaz and James Juarez, all of Mexico City, and "Blackie" Black of San Antonio.

Walker Cup Team member Dale Morey of Dallas, advanced with a 3 and 2 win over Manuel Corcuera and a 6 and 5 victory over Neal Brown. Dick Perk of Indianapolis won 6 and 4 and 3 and 2 over Antonio Rivas and Roberto Chavez, respectively, and Oklahoma champion Chris Gers trimmed Ray Moore of Dallas, 5 and 4.

ALL-AMERICAN ACE—Rated all-America in pre-season forecasts, Bobby Dillon of Texas is living up to that reputation with outstanding defensive play from his safety position. He was named the nation's top defensive back by the Associated Press the week of the Oklahoma game. One of the fastest performers on the Texas squad he has returned 6 punts 92 yards and three intercepted passes 33 yards. One of the Texas co-captains, he will lead the Steers against Rice this week.

Drake Back Won't Play

DES MOINES, I. A., Oct. 26 (UP)—Johnny Bright, the nation's leading ground gainer whose broken jaw caused a bitter quarrel between Drake and Oklahoma A & M, will not play in the Drake-Iowa State football clash Saturday.

The Drake ace said doctors had told him he might be able to see limited duty at the homecoming game, but that his mother had begged Coach Warren Gaye not to use him.

"I know Johnny will cry, but don't let him play," she said.

Drake has protested the injury, which will be discussed at a special Missouri Valley Conference in Kansas City Sunday. Aggie Coach

Texas - Aggie Runners To Compete Again

AUSTIN, Tex., Oct. 26 (UP)—University of Texas cross country runners will entertain the Texas A&M team today in the second meeting of the teams this season.

The Longhorns hold victories over Howard Payne and Abilene Christian College. But in an earlier three-way meet at College Station, Texas, finished behind Texas A & M and Oklahoma.

J. B. Whitworth has admitted tackle Wilbanks Smith used an illegal block on Bright last Saturday.

GO TO CHURCH SUNDAY

Group To Be Honored Mon.

The Royal Neighbors of America will meet at 6 o'clock Monday evening for a birthday supper honoring those who have had birthdays during the months of September and October.

The supper will be served at the regular meeting place and the Halloween theme will be carried out. Those to be honored are Mrs. Carrie Henry, Mrs. Eleanor Horton and Mrs. Ethel Wright.

Every member is urged to be present for the supper and also the meeting.

SOCIETY

Olden Community Night Programs Continue To Draw Large Crowds

The community night program presented Thursday night at the Olden gym was under direction of Mrs. Martin Smith.

The program was opened with the presentation of a group of high school students who sang "He Lives On High" and "Swing Low Sweet Chariot" under the direction of Mrs. Max McCotter and Mrs. Travis Hilliard.

Judy Gay Slaughter played a piano solo, "Nick Knacks."

A playette titled, "Among Us Girls," was presented with parts given by Miss Ann Blanken-

ship, Martin, Martin Smith, Bea Fox and May Kelley.

A group of songs were presented by Mrs. Pete Rodgers, Mayhen, and Mr. and Mrs. Tommy Nicols, with Mr. Mayhen at the piano.

The Kendrick Quartet was presented and gave a song fest of about 30 minutes.

At the close of the program Mr. Hilliard was presented a pie as Olden's outstanding citizen of the month.

A large crowd attended.

Country Store Tonight At 7:30

The Junior Class of Ranger high school has planned a very interesting and entertaining evening for everyone tonight at 7:30 p.m. in the Recreation Building.

Along with the old fashion Country Store, there will be some very entertaining numbers rendered by the class members.

Everyone is invited to this gala evening.

Personals

Mr. and Mrs. J. E. Pratt of Whorton, returned to their home today after visiting with his sister Mrs. J. C. Braaswell.

Dr. and Mrs. P. M. Kuykendall, Mrs. James P. Morris and Mrs. T. C. Wylie and Miss Effie Butler attended the funeral services in Gorman Saturday for Mrs. Edward Blackwell, wife of Doctor Blackwell of that city.

Brownies Have Party Thursday

The Brownie Scouts of troop 6 and 7 were entertained with a Halloween Party Thursday afternoon in the home of Mrs. Virginia Rayfield. Mrs. Rayfield and Mrs. Pete Cogburn are the leaders of these troops and have been doing an excellent job.

Various games were played, and each girl had her "fortune" told by "stirring the stew of fortunes." Prizes for biting the apple on the string were awarded Francis Cogburn and Sue Blackwell.

Refreshments carrying out the Halloween theme were served by the leaders to the following girls: Linda Weik, Eileen Cantrell, Nadie Pitts, Esther Jacobs, Sue Blackwell, Janice Beinap, and Francis Cogburn.

The week of October 28 is National Girls Scout Week and a number of activities have been planned by the Heart of Texas Girl Scout area office in Brownwood including Home Making Day, Monday; Citizenship Day, Tuesday; Health and Safety Day, Wednesday; International Friendship Day, Thursday; Arts and Crafts Day, Friday and Out of Doors Day, Saturday.

Play Presented At New Era Club

The New Era Club met Wednesday afternoon in the home of Mrs. Archie Robinson.

Mrs. N. E. Landers, club president, called the meeting to order. Members answered roll call with Parliamentary Law. Minutes of previous meeting were read by Mrs. George Robinson, recording secretary.

Mrs. Vernon Deffebach was leader of the program and presented a play entitled "You are Not Alone," the story of a little boy who had polio and the people who helped him recover. Those taking part in the play were Mrs. W. F. Creager, Mrs. Arthur Deffebach, Mrs. B. S. Dudley Sr., Mrs. A. W. Warford, Mrs. E. R. Green and Mrs. George Robinson.

Mrs. W. F. Creager was selected as delegate from the New Era Club to attend the 1951 convention of the Texas Federation of Women's Clubs to be held at Denton November 12-15. Mrs. Vernon Deffebach was selected as alternate.

After the program, a surprise baby shower was given Mrs. Beverly Dudley, Jr. The gifts were presented by little Sylvia Robinson.

Delicious refreshments were served to the following: Miss R. E. Bakker, L. L. Bruce, W. F. Creager, Arthur Deffebach, Vernon Deffebach, B. S. Dudley, Sr., Edwin George, E. R. Green, M. H. Hagaman, N. E. Landers, Howard Oliver, George Robinson, J. L. Turner, A. W. Warford, Beverly Dudley Jr., and the hostess, Mrs. Archie Robinson.

Mr. and Mrs. Everett McFadden, of Coleman, but temporarily living near Strawn to be near his employment, visited friends in Ranger Thursday evening.

Mrs. F. E. Langston and Mrs. Mamie Ruth Hamrick visited their granddaughter and daughter, Mary Rhoads, who is the former Mary Hamrick and her four small daughters in Pearall over the week end.

One of the little girls, Margaret accompanied them home for a two week visit.

Louis Slight Favorite Over Rocky Marciano

NEW YORK, Oct. 26 (UP)—Rocky Marciano, unbeaten Brooklyn slugger, will try to belt aging Joe Louis into retirement tonight and prove himself top contender for the heavyweight crown.

Louis was favored at only 6-5 today to tag the stocky, black-haired Italian with his first defeat in their 10-round bout at Madison Square Garden. And that extremely tight price reflected the sports world's appreciation that Rocky was indeed a menace to shufflin' Joe.

Bucking the Line of Scrimmage—
... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is bucking the line, a sure demand of the public in business life. Some call it success, but we like to think of it as a lot of hard work. In a nutshell, that's it!

Here's a check for your loss.

When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"

But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company —

— THAT is when people really like us. It happens frequently.

Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.
