SEEN OR HEARD

We sure had a nice bunch of spoofs in Ranger last night. Chief Pounds said no damage had been reported to him other than a few soaped windows. There were plenty spoofs roaming around town visiting the houses with their porch lights on demanding "trick or treat", and hoping they got treated. Most of the kids had paper bags to haul their "loot" home in. They ranged from one year old on up to a bunch of high school girls making the rounds.

If this is "ideal" football weather we now have everything needed for the annual contest between Ranger and Eastland. Most of the fans realize the Mavericks, like the other teams will be playing a little harder against Ranger.

The low reading last night according to the broken down gadgets behind the Times building was 36, with the high for the last twenty four hours 52.

Paul Bullock, Times linotype operator and new Ranger citizen, doesn't think much of the welcome he got moving to Ranger. Paul said this morning some of the local citizens had stolen his garden tools from under his house. Don't let the name of those articles fool you, he isn't going to raise a garden—that's work.

Eastland County Leading In Bond Sales This Area

(Editor's note: The letter below was received from the Chairman of the Defense Bond Drive in Eastland County showing the part we are doing as compared with counties surrounding us.)

Dear Mr. Editor: I am happy to report that Eastland County is making an outstanding record in the current defense bond sales drive. The following is a list of the standing of representative counties as of accounting date October 20, 1951:

| County | Amount |
|-------------|--------------|
| Callahan | \$ 16,031.25 |
| Coleman | 26,343.75 |
| Comanche | 30,669.00 |
| Erath | 18,731.25 |
| Shackelford | 21,356.25 |
| Stephens | 20,595.50 |
| Ector | 62,516.75 |
| Scurry | 107,300.00 |
| EASTLAND | 266,972.25 |

No, that is not a typographical error. Eastland County has bought that amount of bonds during this drive. The current drive is not over yet, and we should increase this total materially before the drive ends.

Cordially yours, Cyrus B. Frost Jr., Chairman, Eastland County Defense Bonds Committee.

Singers To Meet At Indian Creek

Comanche county singers are to meet at Indian Creek, which is 4 1/2 miles east of Comanche, on Friday night, November 9th. The singing will be held in the Methodist church at 7 o'clock in the evening.

Wayne Woolsey will be in charge and Eastland county singers are invited to attend and take part. The Comanche county quartet will be presented.

Pleasant Grove Cemetery Work

There will be a cemetery working at the Pleasant Grove Cemetery Monday, November 5. The work should get underway about 9 a.m.

Everyone is to bring a basket lunch to spread at the noon hour. The cemetery needs to be cleaned up and made attractive, and this will also give people an opportunity of visiting together and renewing acquaintances.

Royal Couple Begins Round Of Festivities In Nation's Capital

WASHINGTON, Nov. 1. (UP)—Princess Elizabeth places a wreath today on the tomb of George Washington who led American armies in victorious rebellion against her great-great-grandfather, King George III.

She will place a second wreath on the tomb of America's unknown soldier—who helped her country win the First World War. Britain's gracious future queen and her dashing husband, the handsome Duke of Edinburgh, have scored a sentimental conquest since their arrival at 3:57 p.m. EST yesterday, unequalled since the 1939 visit of King George and Queen Elizabeth, her parents.

In a few hours they had seen and been seen by more than 550,000 Americans, from an eight-year-old gate crasher to President Truman, and have charmed them all. And they were guests of the Trumans at a lavish state dinner.

Today, refreshed by a full night's sleep at Blair House, residence of the Trumans, the Royal Couple plunged into another crowded schedule. After visiting Washington's tomb and Arlington Cemetery this morning, they will attend receptions at the Canadian and British embassies.

The princess will entertain the President and Mrs. Truman and other distinguished guests at an 8 p.m. dinner at the Canadian Embassy.

Britain's future queen, who also is Princess of Canada, brought with her the message that Britons and Canadians, like Americans, "are determined to work with all our strength for freedom and for peace."

The royal couple's 45-hour visit will end shortly after 1 p.m. tomorrow when they take off from National Airport on the return flight to Montreal.

Although formally, ceremony, and split-minute timing keyed the royal schedule, there were

times when yesterday's proceedings generated a spontaneous informality which the shy little princess, according to Britons accompanying her party, found refreshing.

There was the moment at the airport when the president, manifesting fatherly concern over the newly-arrived Elizabeth's apparent nervousness, all but patted her on the shoulder. He told her he had heard from daughter Margaret that everyone who met the princess "fell in love" with her. He added with a grin that he believed it.

For Philip, the Washington press reception obviously was a relief. He wisecracked with many of the 800 reporters and briefly crossed-examined eight-year-old Richard (Ricky) Ertinger, who showed up at the party without credentials. The Duke wanted to know how Ricky got into the news business "so young." The lad, delighted but confused by the attention, said he didn't know.

Last night's Blair House event was a formal occasion, and the Trumans got out their cold knives and forks and Lennox china for it. But it wasn't stuffy formality. When it was time for the toast, the president, twinkling like somebody's uncle, remarked with a gesture toward the slim and pretty girl at his right that "when I was a little boy I read about the fairy princess—and there she is."

Farm Leaders In Washington

MERCEDES, Nov. 1. (UP)—Two Rio Grande Valley farm leaders will confer in Washington this week on the shortage of farm workers in South Texas.

James Griffin of Mission, chairman of the New American Agricultural Council, and C. B. Ray, manager of the Valley Farm Bureau, left yesterday for the conference with U. S. Department of Labor officials.

Heavy Losses Make Red Planes More Cautious

8th ARMY HEADQUARTERS, KOREA, Nov. 1. (UP)—Communist jet pilots, apparently disheartened after a record 106 of their planes were destroyed or damaged last month, offered little opposition today to an Allied fighter group one-fifth their strength.

Only patrol activity was reported from the ground front, where the first snow of winter fell on the east-central and eastern sectors.

Eight American Thunderjets took on 40 Mig 15 jets over Sinanju in northwest Korea's "Mig Alley" but neither side scored any hits in the 10-minute dogfight. Each side made several firing passes. However, 1st Lt. William I. Chennault of El Centro, Calif., said the Reds "didn't seem very aggressive."

"Every time they came in, we would turn into them and start firing," he said. "They finally gave up and all of them headed northwest."

The Thunderjets were on a rail-cutting mission, and the enemy jets circled over them for a long time before attacking.

One reason for the Communist reluctance to fight in the air was provided by an Allied Air Force announcement that UN war planes shot down 33 enemy Mig 15s, probably destroyed 12 more and damaged 61 last month.

American and Australian jet fighters destroyed 25 of the enemy jets, probably destroyed eight more, and damaged 53. The rest fell to the guns of B-29 flying fortresses.

The Allies lost 40 planes during the month, but only nine of them in air battle. The rest were shot down by enemy ground fire. The losses included four B-29s destroyed by enemy jets and one B-29 shot down by anti-aircraft guns.

During a record 21,416 sorties in October, the UN planes also destroyed or damaged 102 enemy locomotives, 2,034 railway cars, 14 tanks, 368 artillery and anti-aircraft guns, 5,000 buildings and 255 railway and highway bridges. More than 3,500 enemy troops were reported killed or wounded.

Peace Justice Ruling On Slots Is Appealed

GALVESTON, Nov. 1. (UP)—County Attorney Raymond E. McGee yesterday filed additional briefs with Justice of the Peace James McKenna in connection with the recent ruling that 100 slot machines without payoff mechanisms were not gambling devices.

The additional material was in the form of a memo written in Attorney General Price Daniel's office. It backed McGee's contention that the slots were gambling devices even without payoff mechanisms.

Justice McKenna made no comment of the additional brief and did not indicate when he would hand down a ruling on the appeal from his first order.

Truce Teams Agree On Half Truce Line

E. L. Jackson

Legionnaires Will Convene At Cisco November 3 and 4

More than 300 Legionnaires are expected to urge voters to approve an amendment to the state constitution which would help veterans of the Korean War buy farms and ranches. E. L. Jackson of Cisco, the Legion's 17th District Commander, said today in announcing final plans for the 17th District convention in Cisco Saturday and Sunday, November 3 and 4.

The amendment, fourth on the ballot in the November 13 election, would add \$75 million to the veterans land program and extend benefits to veterans with service after 1945, either at home or abroad.

A resolution asking the voters' support will be brought before the convention by the resolutions committee, Jackson said, and added that approval is certain since the 1951 State Convention in San Antonio mandated all Legionnaires to work actively for adoption of the new law.

"The Legion is not asking for a bonus or a handout of any kind," Jackson said. "This is simply a fine program for GI's who dream of owning and farming their own land. More than 4,000 Texas veterans of World War II are good, useful citizens because of loans made under the program," he said.

Veterans with service subsequent to 1945 would be eligible for the first time to make loans from the fund. The amendment would authorize the state to issue bonds bearing 3 per cent interest and allow World War II and Korean veterans to buy land up to \$15,000 with a 5 per cent down payment. The loans would be paid off over a maximum of 10 years.

Omar Burleson, 17th District Congressman, will be the featured speaker on the convention program Sunday morning at the Cisco Country Club. State Representative Jack Cox of Breckenridge will discuss important Americanism programs of the Legion in the afternoon business session.

Visiting Legionnaires will start registration Saturday at 1 p.m. and continue Sunday morning. Registration booths will be located at the Victor Hotel and Cisco Country Club. A get-together stag party will be held Saturday afternoon at 4:30 at the Country Club. The Club's nine-hole golf course will be open to the Legionnaires.

A dance and floor show Saturday night at 8:30 will top off the day's activities.

J. W. Siltton, commander of the host Post, will call the convention to order Sunday morning. Charles L. Cofer of Cisco will give the welcome address to Legionnaires and Auxiliary members, meeting in joint session at the Country Club. The response will be given by William A. Hazlewood of Sweetwater. The address by Burleson and a Memorial Service complete the activities scheduled for the joint session. Separate business sessions will be held Sunday afternoon after a buffet lunch at the Country Club.

Underground in Egypt Threatens British Helpers

CAIRO, Egypt, Nov. 1. (UP)—The Egyptian underground movement warned today that hereafter any person helping to supply British troops will be lashed in a public square and branded on the face with fire.

The warning came in a leaflet distributed by "Liberation" battalions in the Suez Canal Zone.

It said that effective today all "collaborators" who sell or transport supplies to the British garrison will be rounded up by the underground and punished in public.

The branding by fire, according to the leaflet, will serve as a "lifelong mark of treachery."

The Interior Ministry disclosed two days ago that "Liberation Battalions" determined to force the British out of Egypt and the Sudan, are springing up throughout the nation. It said they were able to obtain arms on the black-market.

In another secret leaflet scattered through the Canal Zone, the underground forces threatened to meet British troops on an "eye for an eye, tooth for a tooth" basis, according to the newspaper Al-Misr.

Meantime, a new crisis bubbled up over British action against seven Egyptian policemen and a trade union leader. The British seized the policemen on the Cairo-Lamia road near Tel El Kebir on a complaint they were preventing Egyptian workers from reaching British camps.

At the same time, British troops ejected Abdu El Shami, Chief of the Seaman's Union, from the Canal Zone for allegedly inciting dock workers to boycott British shipping in line with the passive resistance campaign.

Redistricting Changes Texas Political Face

Next year Texas voters may find themselves rather mixed up. Especially will this be true when they choose State Senators and Representatives. Maybe you have been supporting your old friend John Doe for many years, and you plan to continue this support. Better first learn whether you now reside in his district. The whole may have been changed so far as district officers are concerned.

Next year Eastland's senatorial district will be known as District No. 22, and will be composed of Clay, Montague, Jack, Wise, Denton, Stephens, Palo Pinto, Parker, Eastland and Callahan.

Representative districts have also been changed. Eastland is now in Representative District No. 76, and is composed of Shackelford, Callahan and Eastland counties.

Eastland is in the 17th Congressional district which is composed of Callahan, Comanche, Erath, Hamilton, Jones, Nolan, Palo Pinto, Shackelford, Stephens and Taylor.

Will Mays To Be Re-examined

MONTGOMERY, Ala., Nov. 1. (UP) Alabama Selective Service officials have ordered a re-examination for National League "Rookie of the Year" Willie Mays.

Col. J. T. Johnson, acting director of Selective Service in Alabama said yesterday the New York Giants' Negro outfielder flunked his psychological, or aptitude, tests during a pre-induction check this week.

"But since he was in the upper half of his school graduating class," Johnson said, "We are asking the Birmingham induction station to set a date for a second examination."

BOTH SIDES STILL WANT TO KEEP HEARTBREAK, KAESONG

By Arnold Dibble United Press Staff Correspondent PANMUNJOM, Korea, Nov. 1. (UP)—United Nations and Communist negotiators agreed today on where to stop the fighting across half of Korea, but still argued over possession of Kaesong and Heartbreak Ridge.

A UN briefing officer said agreement was reached on about 50 per cent of a proposed cease-fire line—from Kumhwa on the central front to the east coast, except for Heartbreak Ridge. Kaesong is on the western front.

Radio Peking disclosed the Communist line runs from a point about 38 miles north of the 38th Parallel on the east coast, passes six miles south of Kumhwa, crosses the 38th Parallel near Kaesong, and reaches the west coast at the Sakehon River estuary.

Despite increasing progress toward an armistice agreement, however, U. S. Lt. Col. L. G. Hill said the end of the war is not yet in sight.

"It is possible the war will go on for some time after the truce line is settled," the briefing officer said.

Bank Employees Give A Day's Pay To Chest

The employees of the Commercial State Bank have donated to the Community Chest one hundred percent. Each of the employees contributed a day's wages to the chest as their part. This will give the chest a big boost toward their goal this year.

The goal for the chest this year is \$6500 for the seven member agencies.

Anyone wishing to contribute to the drive can call the chest president, C. J. Owen or the secretary, Mrs. J. P. Morris at 484.

Daughter May Get Share Of Noble Money

DALLAS, Nov. 1. (UP)—The daughter of the late Herbert (The Cat) Noble, Dallas gambler, may get a large share of his \$100,000 estate although he willed her only \$10, the Dallas News stated today.

The newspaper reported that a "source close to Noble's brother" said most of the estate would be turned over to the daughter, Freida, now Mrs. A. Hobart Leeds of Denver, Colo.

Noble's brother, Robert C. Noble, was appointed executor of the estate when it was probated in Dallas. As independent executor, he could legally dispose of the property "about as he pleased," the article stated.

Noble was killed when a mine planted in the road near the mail box at his Grapevine ranch blew up his car last August. It was the 12th attempt on his life.

The gambler's reason for cutting his daughter out of the will was not known, although it was believed her marriage displeased him.

The estate consists of the 800-acre ranch where Noble said, a Dallas club, a half interest in Hicks field at Fort Worth, and other property.

Four Alarm Fire In Parking Lot Under Control

DALLAS, Nov. 1. (UP)—A 4-alarm fire was under control at a downtown Dallas automobile parking station early today after burning more than four hours.

cer said. "Fighting will go on until the entire five-point truce agenda is adopted."

The joint subcommittee charged with finding a mutually-satisfactory cease-fire line—second item on the truce agenda—will meet again at 11 a.m. Friday (9 p.m. today EST).

The subcommittee spent two hours and 50 minutes Thursday comparing the compromise cease-fire line proposed by the Communists Wednesday with that suggested by the UN command last week.

Both lines are based roughly on the present battleline with a few differences in detail.

Hill said the UN representatives were in agreement with the Communists on about 50 per cent of the 140-mile line across Korea—that part running from Kumhwa at the eastern end of the old central front Iron Triangle to the east coast.

However, he disclosed that the Communists were claiming Allied held Heartbreak Ridge on the east-central front despite reports Wednesday that they had not disputed its possession by the Allies.

The other notable exception was Kaesong, about three miles south of the 38th Parallel on the western front. It lay in no-man's land when an armistice conference first was suggested last July, but the Reds occupied it when it was declared a neutral zone and selected as the initial site of the truce talks.

Two Letters From Former Citizens Favor A Derrick

October 30, 1951
Lanane, Calif.

May I say, I hope the rig goes up again, it just wouldn't seem like Ranger, to me with it gone. It is the first thing I look for when I come back on a visit. When I mention, to people here, I am from Ranger, Texas, nearly every one will say, "Oh yes, I remember that place, it has a huge derrick in the middle of the street, I won't ever forget that place," they say.

We would like to see you all again, still seems like home to us.

Your friend,
Mrs. C. C. Cash.

Enfield, Ill
October 29, 1951

Dear Mr. Dennis and Citizens: Sorry to read in your paper of the storm in your town, or we should say in our home town. We are sure that the rain was most welcome by all. The damage and loss must have been great to all, and the historical marker, the Oil Derrick being down. We can say one thing that is has given Ranger some advertisement, for that what we tell people in our state, when they start out for the west to be sure and stop in our home town if they happen to go down Highway 80, look for the derrick on main street, that is our home town, the garden spot of Texas. And we have a lot of people to tell us we stayed over night in your home town or stopped for gas and had lunch, or at least we seen the oil derrick in the middle of the street, and it must have been your Ranger that we visited. So we think that some kind of a derrick short or tall, should be placed back in the old one's place if the old one is past standing. That our tourist near and far may know when they enter Ranger. We expect to buy or build a home in Ranger in the near future, and hope you have another derrick to drive around, that it might look like the town we left 12 years ago.

Respect,
W. H. Hagline.

Beautify Your Own Backyard With The "Queen of Flowers"

American gardeners can grow the world's finest roses in their own backyards with relatively little effort or expense, and every year the "Queen of Flowers" becomes more popular.

The vast increase in popularity of roses can be attributed in large measure to the founding of All-American Rose Selection in 1938. You can buy better roses, with more beautiful colors, more fragrance and richer rewards in flowers because it is no longer necessary to make the home garden a testing ground.

Roses can be grown with ease by anyone. The first important step is to select high-grade roses from a leading nurseryman—there is no substitute for quality. Most leading growers guarantee their plants and will promptly replace any that fail if the claim is a just one.

Top-grade roses are two-year-old, field-grown plants with strong, healthy canes and a well-developed root system.

There are many different types of roses, and each class has characteristics which seem to fit it for a particular job in the garden. In general, the average gardener will be concerned with the three major classes which are most popular today: hybrid teas, floribundas and climbers.

Hybrid teas are the most popular type grown in America today. They produce beautifully formed flowers, rich in color, on sturdy stems. In some instances, the flowers are as large as 6 inches across. They are excellent for cutting.

Floribundas produce somewhat

smaller flowers than the hybrid tea, but their flowers appear in heavy bouquet-like clusters. These are perfect for color massing, hedges, border edgings, foundation plantings and for cut flowers in the house.

Climbers have long been popular with gardeners as screening for fences, utility buildings, and work areas. They also add height and accent to the regular gardens when trimmed on pagodas or posts.

Many other types of rose are available. These include: tree roses, miniatures, shrub roses, ramblers and many other favorites which have been garden flowers for years.

Next week we will tell how to plant these roses.

Sherry Pryor Honored On 6th Birthday

Mrs. Fred Pryor entertained her daughter Sherry with a party on her sixth birthday Wednesday evening October 31, in her home on Oak Street.

A number of games were enjoyed by the group, after which Sherry opened and displayed her many gifts.

The group gathered around the beautifully set dining table which was centered with the birthday cake. The group joined in singing "Happy Birthday, Sherry," as she blew out the candles and made her wish.

Those present were Pat and Sue Graham, Linda and Janell Black, Jill and Jan Watkins, Susana Hipp, Pamela Gan, Phyllis Myers, Linda Warford, Donna Edwards, Gayle Mace, Donna Kay Sumner, Verna Joe Pryor, Roger Mac Polston, Tommy and Jimmy Full and the honoree.

Mrs. Pryor was assisted by Mrs. Frances Pryor and Mrs. Edwards.

Personals

Mrs. Frank Hatten, daughter of Mr. and Mrs. Willard Swaney, and children Frances Ann and Pat are on their way to Okinawa to join Major Hatten who is stationed there with the Air Force.

Mrs. Wilson Robinson, Mrs. Jed Harrison, Mrs. Bill Harrison, and Mrs. Connie Hawkins spent the week-end in Houston with their husbands who were working there. They were accompanied by Mr. and Mrs. Doyle Daniels. The group enjoyed a visit to the Fair while there.

Services Held In Pockus Home

The Woman's Missionary Society of the New Hope No. 3 Baptist church met Monday in the home of Mr. and Mrs. Jack Pockus for a quilting party and also a service in the afternoon.

Mr. Pockus has been bedfast for about four years and does not have the opportunity of associating with his friends except when they come to see him.

The women quilted and at noon the men from the church came over for dinner. The entire group enjoyed the fellowship with each other and with the Pockus family. Mr. and Mrs. Robert Jackson and Mrs. and Mrs. John Gray, friends in the community were also present for the dinner.

After the meal, the group gathered in Mr. Pockus' room and had a religious service of songs, scripture reading and a devotional message.

Joint Meeting Held By Classes

The Alpha and Pricilla Sunday school classes of the First Baptist church met together Tuesday afternoon at 2:30 p. m. in the Annex for a social and installation service.

The meeting was opened by Mrs. David Fawcett; Mrs. Earle Pittman lead the group in singing an hymn and Mrs. Ronald Pruet offered the opening prayer.

Mrs. Ralph Perkins presided over the joint installation of officers for the classes, after which each class met separately for a short business session.

Refreshments were served to Mrs. K. Langford, Dwayne Dennis, Charles Cox, Ronald Pruet, Pete Brashier, David Fawcett, H. L. Coody, Bob Finley, Paul Mathis, Ralph Perkins, Earle Blackwell, Jr., Finis Wheat, J. W. Elder Jr., Bruce Harris, Millard Herweck, Earle Pittman, Louie Thomas and Joe Weeks.

Hostesses from the Alpha class were Robert Gans and Mrs. Marshall Jolly and the Pricilla class were Mrs. J. T. Belnap, Mrs. C. L. Back and Mrs. J. M. Hunt.

WMU Conventioneette Held At First Baptist Church Monday

The Women's Missionary Union of the First Baptist Church met October 29 in its first Conventioneette with a program theme "Yours to Build."

The meeting was opened by Mrs. Lloyd Clem and she turned the program to the Executive vice president, Mrs. Ralph Perkins. The program proper began with the singing of hymns of praises lead by Mr. Bill Bullock. The devotional "Behold the Lamb of God" was given by Mrs. Bill Bullock.

Following the formal organization of the messengers into the Conventioneette body, Mrs. Walter Arterburn extended a welcome to each one. Mrs. Bruce Harris and Mrs. Johnny King rendered the beautiful number "The Love of God." Mrs. Lloyd Clem brought a message on "Yours to Build." She was followed by Mrs. H. A. Shockey who brought a stirring message on "Building with our Young People."

The main message of the meeting was brought by Rev. Ralph Perkins on "Let us Rise up and Build in Jerusalem, Judea and Samaria." The Junior Girl's Auxiliary sang their theme song "We're a Story to Tell to the Nation."

Using the general topic "Building with the Carpenter of Nazareth," Mrs. Wilson Guest spoke on community missions; Mrs. A. W. Warford on stewardship; Mrs. J. B. Houghton Sr. on mission study; Mrs. Earl Blackwell Jr. on Program and literature and Mrs. R. E. Webb, benevolence.

"Christ the Master Builder" was discussed by Mrs. Ralph Perkins, after which the congregation joined in singing "Jesus Calls Us."

Reports on the registration was given and other inspirational statistics from the main convention. Mr. Bill Bullock brought the closing message "The Work is Large and Great" after which he sang "Tell Me the Stories of Jesus."

Following the benediction, a brief social hour was held.

The following messengers from the various circles attended: Carolyn Bell Circle: Mmes. R. F. Webb, Lizzy B. Roark, H. A. Shockey, F. E. Langston, J. B. Houghton Sr., R. E. Barker, C. B. Pruet, and L. L. Bruce, chairman.

Katherine Howell circle: Mmes. A. A. Daniels, R. H. Hodges, Joe Tullios, O. L. Robinson, Felton Brashier, Hugh Smith, chairman, and Miss Ethel Adams.

Anne Margaret circle: Mmes. Wilson Guest, Bill Bullock, Walter Arterburn, A. Kirk, Finis Wheat, Charles Cox, Earle Blackwell, Jr., Bruce Harris and Earle Pittman, chairman.

The Elizabeth Truly circle: Mmes. Horton, L. D. Tankersley,

J. A. Estes, E. L. Hargraves, P. C. Long, J. M. Daniels, Lee Mitchell, A. W. Warford, B. Rainwater, Amy Brown, and J. M. Jones, chairman.

Others present were Mrs. Lloyd Clem, Mrs. Tonnie Myrick, Mrs. F. R. King, Mr. and Mrs. Bill Bullock and Rev. and Mrs. Ralph Perkins.

Faith Class Met Tuesday

The Faith Sunday school class of the First Baptist Church met Tuesday evening at 7:30 p. m. in the Annex No. 1 for their regular monthly business and social meeting.

Mrs. Frank Arrendale and Mrs. Gorman Morton were hostesses.

Mrs. Carl Eakins brought the devotional thought for the meeting and the necessary business was transacted before refreshments were served to the following: Mmes. J. W. Dillard, L. D. Tankersley, C. B. Pruet, E. L. Hargraves, Iretta Smith, Carl Eakins, R. O. Bundick, L. H. Taylor, J. R. Ervin, M. Wilson, Lloyd Clem, Joe Tullios, Frank Arrendale, Jimmy Jones, Gorman Morton and R. V. Mathena.

Another Poem For The Derrick

It stood in the middle of Main Street,
Guiding and directing at my feet,
I stood at eighty-foot tall,
Large and heavy enough to crush a wall.

I held the lighted sign with Ranger,
So it might be seen by the stranger,
I have seen them young and old,
As they come to town for a stroll,
I'm now a broken mass of steel,
By the railroad station,
They drug me off without any wheels,
I'll be put back to settle the whole situation.

Hungarian Girl Escapes Reds By Swimming 5 Miles Across River

HOLLYWOOD, Nov. 1 (UP)—Marika Aha, a 19-year-old Hungarian beauty who escaped the Communists by stripping off her clothes and swimming five miles across a river to safety, has been in Hollywood a month now—and nobody's asked her to pose for "cheesecake."

"Zey take pictures of me, yes," the dark-eyed dancer complained today. "But zey are such wholesome pictures. No—how you call it—omph?"

This is probably just an oversight on somebody's part. Because Marika is five foot two and fills out a size 36 sweater above a 21-inch-waist and 35 inch hips.

These are just about the same measurements Lana Turner made famous, give or take an inch here or there. And Marika's ready to squeeze 'em into a tight Bikini any time anybody says the word.

She's kind of a past master at this squeeze play business, anyway. The Communies were breathing down her pretty neck the night she peeled down to nothing and splashed into the Raba River.

"I swim five miles into Austria," Marika said, "et was my only chance. Zen I get a job dancing at ze exclusive open gate club in Rome."

And here's where squeeze play No. 2 comes in. King Farouk heard about the luscious new dancing girl—and you know what a fan he is of dancing girls.

"Zey ask me to dance for heem," Marika said. "Bot I turn zem down. I tell zem I was afraid of King Farouk."

"Zen for three days everybody tell me I make heeg mistake. Ze Egyptian agents tell me never, never never to say anyzeing against ze King again."

About this time producer Sam Zimbalist saw Marika dancing at a big shindig for French ministers and hired her for "Quo Vadis."

Director Mervyn Leroy hired her again for MGM's "Lovely to Look At" and brought Marika and here mother to Hollywood.

"And ze minute I dock in New York," Marika sighed, "ze reporters all ask me am I ze Italian

actress whose name was linked with Robert Taylor.

"I tell zem no, no, no. Bot everybody ces still asking me ze same question."

Marika's too busy for romance, she says, because she wants to earn enough money in Hollywood to get her father out of Hungary.

"He was ze biggest engineer in ze country," she explained. "We were vorse wealthy all my life. Until ze war. Now, because he is not a Communist, he is starving."

Ben Hogan Will Limit Playing

PINEHURST, N. C., Nov. 1 (UP)—Although Ben Hogan is one of the key cogs in the U. S. Ryder Cup Team which meets the British here tomorrow and Sunday, he'll never return to the regular PGA round-the-calendar tournament tour.

Golfdom's mighty mite feels as fit now as at any time since the near-fatal automobile crash two years ago. But he said today that he has made up his mind to "pick his spots" in tournament golf the remainder of his career.

Hogan was still a little shaky on his pins when he won the National Open at Detroit this past summer, and it was then that he first said he'd confine his play to the Ryder Cup, the Open, the Masters, the Fort Worth, Tex., Open and exhibitions for some time. Now that "some time has become forever."

The obvious effects of that crash—which Hogan wants to forget and hence won't discuss—are gone. He is no invalid demanding attention. But he does take care of himself carefully, and at 37 is ready to make most of his money from the lucrative exhibitions.

Hogan originally asked to be assigned only one match in this week end Ryder Cup play—either the team match or the singles. However, when he arrived here he changed his mind and said he could go all the way. He's been practicing in the deliberate Hogan style for a week and looks almost as good as ever.

Veterans Owe Legion A Debt

Veterans of World War II have established an enviable reputation as good risks under the loan provisions of the G. I. Bill of Rights. They pay their obligations and on time.

But there is one big debt that millions of them have overlooked! Perhaps they have never thought of it! Perhaps it has never been called to their attention! But it is a debt of gratitude which they owe nevertheless.

The veterans of World War II and of the Korean Conflict are the beneficiaries of the most generous readjustment and rehabilitation provisions ever made by any Nation, anywhere! Just look: 13,201,829 World War II veterans drew mustering out pay! 10,644,495 got terminal leave pay! 8,216,034 drew unemployment compensation! 7,499,013 got schooling or on-the-job training under the GI Bill! 2,480,490 got loans to buy homes! 140,525 got loans to enter a business of their own! And 61,319 got loans to purchase farms!

In addition uncounted thousands got the finest medical and domiciliary care, pensions and allowances for their dependents!

Many veterans have accepted one or more of these benefits as a natural function of the government in looking after their needs.

But these benefits, these rights and these privileges didn't just happen!

They had to be fought for and labored for, bitterly and unceasingly by somebody.

That somebody was and is the American Legion!

Are your hens returning you a profit? If the answer is "No," what can be done in converting those hens to a profit making enterprise.

It takes 19 lbs. of feed a day for the body maintenance of 100 white leghorn hens. For every 10 eggs that are laid an additional one pound of feed is required above that needed for body maintenance. Therefore the cost of keeping a flock of hens not laying cost nearly as much as keeping a flock that is in 70 per cent production.

Before feeding a flock of non-layers through the winter months the farmer should cull his flock of hens. Selecting and culling your hens in the fall you are able to select the hens that have not been in production. Hens with no past production record are not expected to lay in the future. A hen will drop 20 per cent in production for each year that it has laid. That is, if it laid 150 eggs during the first year of production you can only expect 130 eggs during the second year of production.

Lets do more than just cull your hens as they die, because even in our best breeds of hens you will find some that are non-producers and will be non-productive till they die.

Culling is the first step in turning that flock of hens on the farm into a money making enterprise.

Cotton Bowl Tickets Will Go On Sale

DALLAS, Oct. 31 (UP)—The Cotton Bowl Athletic Association will begin receiving applications tomorrow through Sunday for tickets to the New Year's Day Cotton Bowl football game.

Applications are limited to four tickets per person and must be accompanied by check or money order for \$4.80 per ticket, plus a 25-cent mailing fee.

A drawing will be held to determine the order in which applications will be filled for the 22,000-25,000 seats available to the general public.

More than 50,000 individual applications—most of them for four tickets each—were received last year. Only one in 10 received tickets.

Of the 75,347 Cotton Bowl seats bond and option holders get 20,000 and the two schools—yet to be selected—30,000.

Applications should be made out to the Cotton Bowl Athletic Association and mailed to 1343 National City Building, Dallas.

NEWS FROM STAFF

By Mrs. M. O. Hazard

Well, it seems as though the long drought has been broken. The moisture has been fine to help the pastures, and farmers have a good season to prepare their land for another crop. Ranchers and farmers will be greatly benefited. However, during rainy seasons our roads get in bad shape—almost impassable. We hope this will not be true this year.

Staff is located in one of the best farming and stock growing sections of Eastland county. Most Staff residents have good homes, so it seems that a good farm to market road is the thing most needed at this time. We hope that such a road is constructed in to Eastland as it seems most of our people prefer that city as a trading point.

Mr. and Mrs. Allan Crosby, accompanied by their daughter-in-law, Mrs. Lonnie Crosby, of Cle-

co, visited in Rule, last Sunday in the home of Rev. and Mrs. Jack Wester.

W. H. White of Eastland, was a visitor in this community Wednesday.

Anson White and Cecil Nelson made a business trip to Slaton Friday.

Mr. and Mrs. J. H. Fartney and daughter, Jackie, of Wichita Falls, were recent guests of Mrs. Partney's parents, Mr. and Mrs. J. W. Mounce.

Chester Henderson Jr., was the guest of his parents, Mr. and Mrs.

C. L. Henderson, the past few days.

Mr. and Mrs. M. O. Hazard visited in Abilene last Wednesday.

Mr. and Mrs. R. E. Reeves and young son, Robert, were Eastland visitors Tuesday.

Lonnie Cherry who went to Abilene on October 8, where he was inducted into the armed forces, was sent to Fort Ord, Calif.

Lonnie is the son of Mr. and Mrs. Allen H. Crosby, of this community and his wife, the former Miss Dixie Hansen of Cleco.

Mr. and Mrs. O. T. Hazard were in Eastland Friday, where

they visited with Mrs. Hazard's parents, the W. H. Whites.

Mr. and Mrs. J. C. Foreman, Kenneth and Allen, were guests Saturday in the Allen Crosby home.

Mr. and M. O. Hazard visited in the homes of their son, Mr. and Mrs. Maurice Hazard, and Mrs. Pearl Bourland, in Eastland Saturday.

C. L. Henderson and son, Chester, visited in Eastland Saturday. Let us forget—next Sunday is preaching day at the Baptist Church here. Come and bring someone with you.

We'll ring off, as news is scarce, and will try and do better next time, if this misses the waste basket.

A Message of Importance To Every Automobile Driver In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1. Enforcement Begins January 1, 1952. On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
2. What Must You Do After An Accident? Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed within ten days if your car is in an accident resulting in death, injury or property damage in excess of \$100.
3. You Don't Have to Carry Liability Insurance, But... If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
4. It's Easy to Establish Financial Responsibility with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
5. What is the Minimum of Your Liability? The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
6. SELECT AN ESTABLISHED INSURANCE AGENT. The agents listed below know the insurance business and represent well-known dependable capital stock insurance companies. These agents are not of the kind that are here today and gone tomorrow. Their names are listed in the telephone directory. A telephone call will find them ready to serve you—not only NOW—but YEARS from now. Call the one of your choice.

When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"
 But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company —
 —THAT is when people really like us. It happens frequently.
 Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.

When you really like us
 You buy insurance because you're smart — not because you get a kick out of it at the time.

Bulldogs In Shape For Eastland

Tomorrow night the lucky football fans of Ranger will get to go with the Bulldogs and see them renew the rivalry that has existed in athletics between Ranger and Eastland for many years. The Bulldogs will be playing a team that is supposed to be the underdog of District 2A-10, but one that would give their back seat a Hades and set on a cigar box to upset the very confident Ranger Bulldogs.

Cochman Warden, and he is not a pessimist, feels that the squad has the ability to win, and can if they make up their minds to play the kind of football they are capable of playing.

There has been talk of the big pushover and runaway that the Bulldogs will have when they play the Mavericks, don't let all that fool you, Eastland won't be playing their usual brand of football against Ranger.

The Mavericks are masters of the spread formation and are very adept at passing from that spread. The Bulldogs have shown through play against other teams that they are weak on pass defense, if Eastland begins hitting their receivers Friday night, watch for a closer ball game than has been predicted.

While having the ability to win the game by a big margin, will the squad display that ability at Eastland Friday night? Numerous people have been heard to say they would like to see the score seventy to nothing in favor of Ranger, it could be that big if the team so desires.

One thing you can't forget is the support the team will need from the fans Friday night, barring death, loss of sight of both eyes, or other reasons of total inability, Ranger should move to Eastland in a body for the game at eight o'clock.

Wednesday was the last day of body contact scrimmage. Today the team will dummy and rest for the game. As far as is known the Bulldogs are in the best physical shape of the year.

Bobby "Jug" Justice is back in the line-up and will start against Eastland. There are no known cases of the Devil's Grip or any other afflictions that would hamper the playing ability of the team.

The decision of the game rests now on the team, the coaches have done their part, and the fans, band, cheerleaders, and

"Short Shorter" will be their Friday night to do theirs.

Cochman O. C. Warden and Sam Aills have 13 men listed as probable starters, they are:

| Name | No. | Wt. | Pos. |
|---------------|-----|-----|------|
| Cantrell | 28 | 165 | LE |
| Williams | 29 | 160 | LE |
| Yarner | 26 | 156 | LT |
| Hargraves | 31 | 158 | LG |
| Rush | 33 | 145 | C |
| Justice | 32 | 158 | RG |
| Tune | 35 | 143 | RG |
| Barnes | 39 | 178 | RT |
| Mendoza | 34 | 168 | RE |
| Cole (C-C) | 25 | 158 | QB |
| Massegee | 22 | 157 | RH |
| Moreland | 27 | 145 | FB |
| Comacho (C-C) | 21 | 168 | LH |

If Ranger receives the ball on the kickoff, Gerald Bagwell will replace Billy Moreland as defensive safety; and either Bill Hardin or Bob Smith will replace John Rush as center.

Eastland will probably start:

| Name | No. | Wt. | Pos. |
|----------|-----|-----|------|
| Aaron | 32 | 150 | LE |
| Haines | 23 | 170 | RT |
| Miller | 13 | 165 | RG |
| Watson | 14 | 140 | C |
| Maroney | 20 | 150 | RG |
| Muirhead | 34 | 160 | RT |
| Hanson | 33 | 150 | RE |
| Stevens | 21 | 130 | QB |
| Jessop | 22 | 145 | RH |
| Evatt | 35 | 146 | HB |
| Black | 37 | 175 | FB |

Game time is eight o'clock in Eastland, the entire east stands there have been reserved for Ranger. Tickets are on sale at Swaney's Oil City, and the Texas Drug Stores. Adults will be charged seventy five cents and children thirty-five. There are no reserved seats, first come first serve.

ACC Wildcats To Play Texas A&I

A long bus ride to Kingsville and an important conference game Saturday night with the improving Texas A & I Javelinas are on the Abilene Christian football docket this week.

The game will be of significance. The host Javelinas will be battling for survival in the 1961 Texas Conference race. They lost their first conference test, a 7-9 struggle to Howard Payne, but evened the conference ledger

with a 20 to 14 victory over McMurry.

A triumph over the Wildcats would leave the Javelinas definitely within striking distance of at least a share of the TC crown. The Wildcats consider the game of the three hurdles blocking them from their second straight Texas Conference football championship. They cleared the first obstacle—McMurry—impressively, chalking up a 58 to 13 verdict.

Last Saturday ACC completed its non-conference activities by defeating Midwestern University in Wichita Falls, 21 to 13. It gave the 'Cats a 500 percentage for non-conference play. Their victims included East Texas State, Texas Western and Midwestern. The Wildcats were beaten by Drake, Chattanooga and the Carwell Bombers.

The Javelinas started slowly but are definitely improving, as evidenced by their Saturday night 33-to-14 conquest of Sul Ross at Alpine.

Ranger Backs Are Among Top In The Pioneer Schools

As play in the Pioneer Conference turns into the November stretch the Schreiner Mountaineers, now threatening to fight it out with the San Angelo Rams for the league title, are far in front of the field in offensive performance.

The Mountaineers lead in total offense with a net gain of 2,157 yards in six games. Schreiner also leads in passing, thanks largely to Bobby Bowyer, with a net total of 1,089 yards.

The Arlington State College Rebels are the league's leading running team through six games with a total of 1,391 yards. The Rebs also boast the league's leading scorer in Don Bloom, who has five touchdowns and two conversions for a total of 32 points.

Dougal Carmeron, San Angelo's terrific halfback, continues to be the leading runner with a total of 465 yards gained in 63 carries. He is trailed by Durwood Watkins, Schreiner halfback, who has carried 70 times for 381 yards.

Bobby Bowmer, Schreiner's great tosser, continues to lead the league in the overhead game. Bowmer has completed 52 of 101 passes for a total of 859 yards, an average of 16.5 yards per completion. This is obviously one of the best passing performances in the Southwest this season.

Bowmer is trailed by Buddy Hamrick of Ranger with 36 completions for 597 yards and Tommy Hudspeth of Tarleton State with 39 completions for 494 yards.

Schreiner and Ranger players are dividing other individual honors. James Brazil, Schreiner end, tops all pass receivers with 22 receptions for 460 yards, an average of 21 yards per catch. Leading kick-off returner is Durwood Watkins, Schreiner, who has brought back nine for 178 yards.

Buddy Hamrick, Ranger, continues as the league's leading punter with 29 kicks for 1,168 yards, an average of 40.3 per boot. He is trailed by Tommy Hudspeth, Tarleton, with 26 kicks for 921 yards.

Caddo Sanders, Ranger, is the leading punt returner. He has brought back 16 for 319 yards, an average of 19.7 yards per return.

Respectable Jim Kostantny of the Phillies, winner of the award in 1950, wasn't named on a single ballot and failed to win even honorable mention.

Campanella, who pulled a leg muscle in the final days of the season and was forced to sit out the last two playoff games against the Giants, was in Houston, with a barnstorming group when he was notified he won the award.

In New York, Campanella's happy wife said her 5 foot, 10 inch, 200-pound husband had hoped to win "but didn't think he had much of a chance."

Brooklyn Player Named Valuable Player For Year

NEW YORK, Nov. 1 (UP)—Roy Campanella, Brooklyn's stocky slugger who didn't feel he had "much of a chance," received the surprise and supreme accolade of his baseball life today when he was voted the National League's most valuable player for 1961.

The amiable, 30-year-old Negro catcher polled 243 votes from the committee of 24 writers, finishing comfortably ahead of three-time winner Stan Musial of the St. Louis Cardinals, who wound up in second place with a total of 191.

Campanella gained the distinction—and the official Kenesaw M. Landis plaque that goes with it—in recognition for his .325 batting average, 108 runs batted in, 33 home runs and general all-around brilliance during the past season.

Third place went to New York Giant outfielder Monte Irvin with 166 points, followed by teammate Sal Maglie with 153 and southpaw Preacher Roe of the Dodgers with 135.

Fourteen points were awarded for a first place vote, nine for a second place vote, eight for third and so on down to one point for a 10th place ballot. Campanella was named on all but one ballot while Musial was the only player to be named on every ballot.

Next to Campanella, Irvin received the most first place votes, five. The husky Negro from Orange, N. J., who batted .312 during the regular season and was the batting star of the World Series, appeared on only 20 ballots, however.

Others besides Campanella and Irvin who gathered first place votes were Mustel, Maglie, Roe, Jackie Robinson of Brooklyn, Bobby Thomson of New York and Murry Dickson of Pittsburgh. Musial and Roe each collected two first place votes while Maglie, Robinson, Thomson and Dickson received one apiece.

Robinson finished sixth in the general balloting with 92 points and was followed by Richie Ashburn of the Phillies with 69; Thomson 62; Dickson, 59 and Ralph Kiner of Pittsburgh with 49.

Respectable Jim Kostantny of the Phillies, winner of the award in 1950, wasn't named on a single

Redskins Win Under Texan Coach Todd

WASHINGTON, Nov. 1 (UP)—Dick Todd, a transplanted cowboy who's now coaching Indians, said today he doesn't expect to

ballot and failed to win even honorable mention.

Campanella, who pulled a leg muscle in the final days of the season and was forced to sit out the last two playoff games against the Giants, was in Houston, with a barnstorming group when he was notified he won the award.

In New York, Campanella's happy wife said her 5 foot, 10 inch, 200-pound husband had hoped to win "but didn't think he had much of a chance."

"I don't understand it," Todd said, "unless Herman Ball's dis-

missal shocked them into it. I told them when I took over that they had let a wonderful guy down and cost him his job, and I figure that needed the boys."

The youthful Texan, who stepped from a backfield coaching post when the popular ball was given the gate, said he is still using his predecessor's system and plays.

"I'm working them a little harder than Herman did," Todd added, "but basically I'm not doing anything different. The team is just playing ball for a change."

One answer to Todd's unexpected success seems to lie in the performance of old man Redskins himself—Sammy Baugh. The 36-year-old slinger, Todd's closest friend on and off the field, obviously has been giving everything his aging bones can muster in an effort to make his old teammate look good. Baugh has played every minute on offense during the last two games, despite a sore shoulder.

MIAMI BEACH, Fla., Nov. 1 (UP)—Harry Braelow dropped referee Eddie Coachman to the canvas with six vicious blows after Coachman declared the 155-pound southpaw the loser in a boxing match here by a technical knockout.

Coachman stepped in to end Braelow's scheduled eight-round bout with Art Davis last night when blood started gushing from the boxer's left eye in the fourth round.

"I've been working hard for this fight," Braelow explained in his dressing room, "and Coachman kept needlessly riding me. When he stopped the fight, I lost my head."

showed a further increase in October, due primarily to expansion in defense industries and seasonal trade gains.

Drought conditions in the central and west parts of the district caused deterioration of pastures and ranges, losses in livestock weight and delay in the seeding of winter grains, the review said, but forecasting made rapid progress.

Currency circulation continued to rise, with a marked increase in investments and a moderate increase in loans, the article stated. Deposits in reporting banks made a large increase.
