Boy Impressed By Overnight Stay In Pen

McALESTER, Okla., Nov. 23 (UP)—A kindly judge today was expected to suspend a five-year sentence he passed on a 19-year-old bandit because he was "impressed" with the youth's behavior during a one-night stay in the penitentiary.

Jim Glenn Kimbrell, convicted of armed robbery at Tulsa, Okla., was sobered by his experience. "I'm still scared," he said. "I want you to believe me when I tell you this day has shown me something. And I don't want to lose it."

District Judge W. Lee Johnson said at Tulsa that he believes his experiment will have probed "eminently successful."

Johnson imposed the five-year sentence upon Kimbrell after Kimbrell pleaded guilty to a \$4 armed robbery at Tulsa. He then ordered the youth to prison for 24 hours, and indicated that Kimbrell's reaction to the one-day imprisonment would depend upon whether he is paroled.

Warden Jerome J. Waters escorted the youth through the prison, then put him in a cell just 25 feet from the electric chair to spend Wednesday night. He was released yesterday.

On his tour, Kimbrell spoke to Carl A. De Wolf, a prisoner in death row. De Wolf claims he is innocent of the murder for which he is scheduled to die. "Kid, I started out just like you and now I'm waiting here for them to kill me for something I didn't do," De Wolf said. "If I'd got a break like you're getting—I wouldn't be here now."

The warden said he wanted the youth to see the sterner aspects of the institution. "We wanted him to leave here realizing how fortunate he is."

"It seemed like sort of an adventure, getting to see the prison," Kimbrell said. "But after talking to the fellow that killed the policeman and that other fellow (another convicted murderer) I feel different."

"I want to get out of here and start doing right. I want to get down on my knees in front of my mother and tell her she was always right when she kept after me to be the right kind of boy."

"My mother always taught me right. I don't think it was bad companions that got me in bad. I think it was just me—and I've learned my lesson."

Dallas Police Hit Dope Ring

DALLAS, Nov. 23 (UP)—Police said today they hit at the core of Dallas' marijuana traffic with the arrest of four dealers who operated a wholesale service for dope peddlers.

In two raids yesterday, special service bureau detectives and sheriff's deputies seized 66 sacks of bulk marijuana, neatly packaged for distribution to peddlers and valued at about \$500 at the illegal wholesale rate of \$7.50 a package. Each sack contained enough of the weed to make 50 to 75 cigarettes, sold by peddlers at \$1 each.

Three Negro men and a woman were arrested shortly after a raid on a house where police said they operated wholesale in marijuana. Some 57 sacks of weed were seized here. A fifth person, a suspected peddler, also was arrested.

A raid at his apartment yielded nine sacks of bulk marijuana.

Detective H. Y. Totten said a long investigation has produced evidence four of the suspects have been smuggling the narcotic into Dallas and supplying peddlers here.

Buildogs Will Be At Services At First Methodist

A special service and a reception honoring the Ranger Buildogs will be held at the First Methodist Church in Ranger Sunday evening.

The reception in the basement of the church will follow the special service.

Search For Lost U. S. Plane Is Still Underway

BELGRADE, Yugoslavia, Nov. 23 (UP)—Search by air and by diplomacy for a U. S. Air Force plane and its four-man crew widened to cover five countries today.

Fifteen C-82 "flying boxcars" hunted over Italy and Yugoslavia in the first clear weather since the twin-engine C-47 vanished last Monday after reporting Romanian and Hungarian frontier guards fired on it.

Diplomatic inquiries to both Communist countries produced only curt notes that the plane, lost on a flight from Munich, Germany to Belgrade, had violated their borders. The protest notes to the U. S. government did not say what happened to it.

Today, the American embassy in Belgrade lodged an inquiry with Bulgaria. It was conveyed through Swiss diplomats since the U. S. has no diplomatic representatives in Sofia.

Two reports that the missing plane had been located now appeared doubtful.

Capt. Marshall Fredrickson, Little Falls, Minn., director of the air search from the Treviso, Italy, base, said a report the plane wreckage had been found in the Italian Alps proved groundless.

American embassy officials cast doubt on a second report that the plane had been shot down in Romania and its crew interned. The account was given by a woman who said she had just flown in from Romania. She did not identify herself.

An embassy spokesman said "we do not put much stock in her story."

Fredrickson said a Yugoslav fighter that intercepted an American search plane near Trieste yesterday fired a short machinegun burst ahead of it and forced it down at Pola.

The Yugoslav pilot was reprimanded, he said, and the American crew invited to lunch with the Yugoslav air base commander.

The commander apologized for the pilot's action and the U. S. plane resumed its search a short while later.

Marshal Tito's government has lifted its normal ban on flying over Yugoslavia and permitted the American aircraft to search from dawn to dusk.

Jurors Find McGee Insane

EL PASO, Nov. 23 (UP)—A third trial attempt in the sanity hearing for Richard McGee ended here yesterday when a 34th district court jury found the convicted slayer insane after 12 hours deliberation.

The original sanity hearing had been set in Lubbock, but was moved to Midland on a change of venue. After the trial opened at Midland, a juror became ill and a mistrial was declared.

McGee was convicted of the 1948 slaying of Lubbock grocer R. L. Alliston, who allegedly refused permission for McGee to marry his daughter.

The insanity decision will save McGee from the electric chair. He was to have been executed Jan. 1.

Under Texas law, McGee presumably must now be confined in a state mental hospital until pronounced cured.

Four Probes Started On Train Wreck

NEW YORK, Nov. 23 (UP)—Four investigations were started today into the sideway-collision of two New York, New Haven and Hartford passenger trains in a tunnel under Park Avenue.

Twenty-seven of the 1,100 suburban-bound passengers aboard were injured, two critically, when the trains collided yesterday.

Most of the injured received only minor cuts and bruises and were treated on the scene.

Investigations were called by the railroad, the Interstate Commerce Commission and the New York County District Attorney's office.

The railroad's first wreck in 20 years occurred one year and a day after a wreck of two Long Island railroad trains, in which 50 persons were killed and more than 300 injured, at Richmond Hill.

Former Ranger Citizen Dies At Houston Home

A former Ranger resident, Ozman Ishaw McKeenan, of 610 East 43rd Ave., Houston, died last Saturday in his home there.

Mr. McKeenan was a member of the Lindsae Assembly of God Church where funeral services were conducted Monday at 1:30 p.m. Monday.

Survivors are his widow, Mrs. Mattie McKeenan; sons, the Rev. A. D. C. Paul, O. P. Jr., Jack, Floyd McKeenan, all of Houston; daughters, Mrs. Albert Keller, Mrs. Marie Brown, Mrs. H. D. Stakes, Mrs. T. S. Gasaway, Mrs. W. W. Davis, Houston, 27 grandchildren and three great grandchildren.

Mr. McKeenan moved to Ranger from Anderson county in 1918 and resided here until 1935.

AMBASSADOR O'DWYER TOURS FALCON DAM AT LAREDO, TEX.

LAREDO, Nov. 23 (UP)—U.S. Ambassador William J. O'Dwyer toured the construction site of the \$47,000,000 Falcon Dam today after citizens of the border area turned out to give him a warm welcome.

O'Dwyer, making his first visit here since he became America's representative in Mexico City, kept the tour on an informal basis after initial festivities were completed.

Accompanied by his wife and a retinue of embassy officials, the former mayor of New York landed at Nuevo Laredo, Mexico, airport at 3:50 p.m. yesterday.

He was officially welcomed by Gen. Francisco A. Higuera Jimenez, commander of the Nuevo Laredo Garrison. O'Dwyer responded in what hearers called "pretty fair" Spanish.

The ambassador spoke again in Spanish last night to 200 business, political and military leaders of the two border cities who attended a banquet in his honor.

He said the world needs "cooperation among peoples without regard to national boundaries" in order to achieve "peace for our generation."

"I wish the relationship which exists between these cities could be made known to peace loving people everywhere," O'Dwyer said.

UN And Reds Race To End Fighting By Christmas; Agree On Truce Plans

Cancer Victim Will Get Her Dying Wish

WICHITA FALLS, Nov. 23 (UP)—Twelve-year-old Nancy Voss died of cancer here last night and never knew that her last wish will be granted.

Nancy, who was stricken with the disease in the summer of 1950 while she was living in Ft. Worth, asked her mother after she learned she was dying if she could be buried in the city where she went to school.

Operations and hospitalizations cost money, though. Her father, S-Sgt. Malcolm H. Voss, is stationed at Sheppard Air Force Base in Wichita Falls. He feared the expense of a Fort Worth burial would be impossible to meet.

But citizens of her favorite city came through.

Three lots in Mt. Olivet Cemetery, near Nancy's old home, were offered. Eugene Seltzer, manager of Rose Hill Burial Park, also volunteered a lot. Complete burial will be provided by another resident. An aerial ambulance company will fly the little girl's body to Fort Worth without charge.

Said her mother, "Oh, this is wonderful—to think she'll be provided with the thing she wanted most."

Disabled Vet Wants 'Ike For President In '52'

DENISON, Nov. 23 (UP)—A young disabled veteran, who claimed he had started on Eisenhower-for-president movement in 1948, last night launched his second, a "non-partisan" effort to get the five-star general into the White House.

Speaking over radio station KRRV, attorney Robert L. Doss urged Texans to join in the effort to make Eisenhower a candidate for president in 1952.

He said he hoped other states would follow Texas' example with pro-Eisenhower movements on a non-partisan basis.

"I started an Eisenhower-for-president when a student of the University of Texas in 1947," Doss said. "And I'm glad to renew the effort now."

He said "it is fitting that this movement should originate" in Denison, Eisenhower's birthplace and the location of a shrine at Eisenhower's old home.

Eisenhower "has indicated quite plainly that should the people of America demand that he serve, he would not be unwilling to undertake the task and carry the burden," Doss said.

Submarine Crew Give Blood For The Second Time

PHILADELPHIA, Nov. 23 (UP)—The 83 officers and men of the submarine USS Sennett take the blood donation program seriously.

For the second time in 10 weeks the entire crew yesterday donated a pint of blood to the Navy Red Cross Collection Center at the Navy yard here.

8th Army Ready For Long Winter Fight If Needed

8th ARMY HEADQUARTERS, KOREA, Nov. 23 (UP)—Gen. Matthew B. Ridgway said today his forces "are ready for anything" the Communist may throw at them if the Korean "truce by Christmas" effort fails.

The Supreme United Nations commander made his defiant statement during a visit to front-line units in western Korea, where the Communists have been hammering in largely futile attacks for more than a week.

In the air, American Thunderbolts damaged two Russian-built Mig-15 jet fighters in beating back the first Communist challenge to American air supremacy over northwest Korea in six days.

Only a few hours earlier, 10 B-29 night bombers raked the Communist airfield at Uiju just south of the Yalu River Manchurian border. First reports indicated the superfortresses strike was highly successful.

Ground fighting simmered down after allied infantrymen repulsed five tank-supported Chinese attacks of battalion strength west of Chorwon on the West-central front with flame throwers and bayonets Thursday.

Ridgway landed at a forward air strip Friday minutes after a snowstorm began clearing. Accompanied by Gen. James A. Van Fleet, commander of the 8th Army, Ridgway rode north by jeep over muddy roads to visit fighting units.

Asked if UN troops were ready for another winter campaign, Ridgway said: "They tell me so."

Then he stated flatly: "We are ready for anything they have."

King In Cairo; Eager To Wed Belly Dancer

CAIRO, EGYPT, Nov. 23 (UP)—The Moslem sabbath interfered today with the impatient desires of Texas oil heir Sheppard (Abdullah) King to marry Egyptian belly dancer Samia Gamal right away.

The tall, red-haired Houston playboy said he could hardly wait to wad the curvaceous film star whose dance "The Virgin of the Nile" made her a favorite torso-tosser of King Farouk.

But today's sabbath prevented him from obtaining the necessary papers from city officials. King, who became a Moslem to please Samia, will apply for the papers tomorrow and hopes to have the way cleared for the nuptials by early next week.

The couple will be married in both Moslem and civil wedding ceremonies to make sure the marriage is regarded legal both in Egypt and the United States. King said he hoped to obtain Samia's visa to enter the U.S. by Christmas.

"Until then, we'll do lots of camel-riding and champagne-drinking in the desert," he said.

After arriving by air from Paris yesterday, King and the dancer spent six hours at her Cairo flat. Late in the afternoon, she drove him in her green convertible to the Mena House Hotel for a rest while she went to work at a movie studio a short distance away.

Judges Want Probe Of License Sales

DETROIT, Nov. 23 (UP)—A second motorist told police today of buying back from a bar owner his revoked license which allegedly was stolen from traffic court files.

Traffic court Judge John D. Watts said he would keep the bar owner in jail on a contempt of court charge until he "tells who the thief in the court is."

Lawrence Rajorek, 34, said he paid \$35 to get back his license which has been suspended for 30 days.

Another convicted traffic offender said he paid \$25 to get his permit back.

Chest Drive Lagging Here; Action Urged

The Community Chest drive in Ranger is falling short of the quota set by the directors. President Charlie Owens has written following letter to the directors, and TO YOU. To make the drive a success the people must give. If you haven't given now, read this letter and then make your contribution today.

Community Chest collections are sorely lagging, and if the drive isn't completed before the rush of Christmas business, it will be a flop.

Some chairmen have completely worked their lists 100 percent, and if you are one of these, I sincerely thank you.

IT'S ALL UP TO YOU—If you or your workers haven't contacted EVERYONE on your list, please do so at once.

Other towns in this area have completed their drives and gone over the top with their quotas. It all depends on whether or not your list is completely worked—AND QUICK!

PLEASE—Let's wind this up NOW!

Yours sincerely, Charlie Joe Owen, President

Cheaney Man Dies In Japan

Sergeant Forest D. Caudle, 29, of the Cheaney Community was killed while on duty with an Air Force Reserve Squadron in Japan when a bomber exploded, date of the death was November 18. His body is being flown back to the United States for burial.

He is survived by his parents, Mr. and Mrs. Forest T. Caudle, two brothers, Harold and Ray, and one sister, Sberal Ann all of the Cheaney Community.

Date of the funeral is pending the arrival of the deceased from Japan. Interment will be in the Merriman Cemetery.

Bad Tip

DETROIT, Nov. 23 (UP)—The lone chicken-lover among 15 prisoners who got a choice of jails on the basis of their Thanksgiving taste preferences, had the last laugh today.

The 14 prisoners who pleaded with Recorders Judge Joseph Killis Wednesday to be sent to the Detroit House of Correction where turkey was reported to be on the holiday menu, discovered their source of information was in error.

They, like the prisoner who went to the Wayne County Jail at his own request, ate chicken.

FULL ARMISTICE MUST COME WITHIN 30 DAYS AS AGREED

By Arnold Dibble United Press Staff Correspondent PANMUNJOM, Korea, Nov. 23 (UP)—The United Nations and the Communists agreed today to try to end the Korean shooting by Christmas.

They set the stage for a 30-day race against time by settling their four-month dispute over location of a cease-fire line.

The break came at a dramatic subcommittee session. It brought the first official United Nations expression of hope that a full armistice may be achieved by Christmas.

The joint subcommittee agreed that both sides shall return to the present battleline for a cease-fire if the rest of the armistice terms can be settled within 30 days.

If the armistice is not completed within 30 days, the cease-fire line will be moved forward or back to the battleline existing when the complete agreement is ready for signature.

A four-man team of UN and Red staff officers worked until after dark tracing the present battleline on large-scale maps. When they broke up for the day, only two or three major differences remained and these were expected to be cleaned up early Saturday.

The battleline—which will become the cease-fire line if the war ends in 30 days—was expected to be approved by the subcommittee Saturday and submitted to the full five-man armistice delegations the next day for ratification.

Ratification Sunday probably will be only a formality and the negotiators undoubtedly will move on to the next item on the armistice agenda—inspection and supervision of the carrying out of the truce terms—the same day.

Officially the war will go on until final agreement is reached. But during the 30-day trial period, it was believed there would be an actual or de-facto cease-fire along the battlefront.

The line will have been drawn and no commander seemed likely to send his troops across it. No soldier was likely to die for the honor of being the last man to die in bloody Korea.

For the first time, a UN spokesman said there is reason for hope that the war will be over by Christmas. Lt. Howard F. Levie of New York City, the UN command briefing officer, told newsmen that the Allies would not have set the 30-day limit in the cease-fire line proposal if they had not hoped for a truce by that time.

Levie said the UN and Communist staff officers working out the actual cease-fire line covered the entire battlefront during their deliberations Friday.

Where the disagreement over the line of contact amounted to a half-mile or less, he said, it usually was settled quickly in a spirit of compromise. Major differences of opinion were left for later decision, perhaps by the subcommittee.

He said hills, roads, rivers and valleys were the main stumbling blocks.

Maj. Gen. Henry I. Hodes, chief UN subcommittee member, announced the agreement on a cease fire line formula—the biggest step toward an armistice since the truce talks began July 10.

Too Scared To Go Home

FOTTSTOWN, PA., Nov. 23 (UP)—A 15-hour absence from home by Nancy Webb, 13, was blamed today on a "horror" movie which so scared the girl she was afraid to go home. She said she spent the night at the nearby girl friend, returning home when she heard a radio broadcast which reported her missing.

LETTERS TO SANTA

Dear Santa, I am a little boy 3 1-2 years old. For Christmas I would like to have a new tricycle, a new toy farm tractor, and a little wheelbarrow. Also some crayolas and nuts and candy.

## Girls Win, Boys Loose At Olden Games Tuesday

The Olden Hornets had it rough with the girls taking their game 37-33, while the boys dropped their game to Scranton, by a score of 38-31.  
 The girls' game was fast and rather rough, and with several of Hilliard's girls on the sick list, many substitutions were necessary. McGotter playing a guard position for the Hornets, played a neat game. Canet for Olden turned in 16 points for Olden, trailed by her team mate Edwards with 10 points.  
 The boys' game was really a case of the Hornets not growing up. They were outclassed in that they were not tall enough to play their regular brand of ball. Coach Rowch took scoring honors with 16 points. With an add up by his team mates. Horn played by his usual brand of ball for the Hornets.

Two coats of lacquer applied hot to automobile bodies by a new method equal three applied cold in the ordinary way, giving a substantial saving in time needed for finishing.

# Band Benefit Show

## ARCADIA THEATRE

**FRIDAY, DECEMBER 7TH AT 1:15 P. M.**

The proceeds from the sale of tickets and donations to the fund will be used to purchase band jackets for all forty members of the Ranger High School Band.

The members of the 1951 Ranger High School Band have worked long and hard and have done a wonderful job at the many football games and other civic events the past year and let's all get together and show them our appreciation by supporting this worthwhile cause by contributing liberally.

The picture selected for this show is a first run movie, never before shown in Ranger and is a story of high school activities and features the orchestra of Freddie Slack and Jan Sautt. The principals in the picture are Freddie Stuart and June Preisser and is titled "The High School Hero."

## BULLDOGS BOW TO BLIZZARDS 35 TO 20 IN BI-DISTRICT TILT

There was just too much first quarter for the Bulldogs in the bi-district clash yesterday evening with the 9AA Winters Blizzards which Winters won 35 to 20. The big Winters first quarter started when they recovered a fumble on the Ranger 35 yard line. Ranger had received defending the north goal with the wind in their face.

After taking over on the fumble on the Ranger 35 yard marker the Blizzards were held to just five yards on the next three downs, then with fourth down and five needed quarterback Zane Hensley shot a pass to big Bill Buchanan on the 19 yard stripe, from the ten Buchanan went over. Hensley made the first of five extra points for Winters to put them in the lead 7 to 0.

After losing eight yards in three tries after the kickoff after Winters first touchdown, Jimmy Comacho kicked the ball to Zane Hensley on the Ranger 45 yard line. Hensley brought the ball back to the Ranger 39 where the Bulldogs were penalized 15 yards for unnecessary roughness, putting the ball on the Ranger 24 yard marker.

As the Bulldog line held the Blizzards to only six yards on the next three downs, it looked as if Ranger would be able to stop the threat. But Hensley again used his pitching arm to toss the ball to Johnny Frierson for 15 yards and a first down on the Ranger four. Three downs later Dalvin Awalt bucked over for the score to put Winters ahead 14 points.

Ranger narrowed the lead down to seven points late in the second quarter after Comacho ran a Winters kick back to the 26 from the 35 yard line. The score came when Ranger came out into the spread formation for the first time during the game with Jimmy Cole back in the tailback slot. Cole took the pass from center and tore off around his own right end for twenty six yards and a touchdown. He got good blocking down to the ten, from there he eluded two Winters tacklers to make the final yardage. Comacho kicked the extra point to make it 14 to 7 in favor of Winters at the half.

In the second half of the Tur-

key Day clash the Winters eleven racked up 21 more points to 13 more for the Bulldogs.

Winters picked up seven more points after taking the Bulldog kickoff from their own 26 to paydirt in nine running plays. Hensley and Frierson teamed up to lug the ball down near the Ranger goal and Awalt made the final yards.

Ranger returned the favor a few minutes later when Jimmy Cole passed to Comacho in a play that covered 44 yards, for another Ranger touchdown. Comacho failed to kick the point leaving Ranger on the little end of a 21 to 13 score.

In the final quarter Winters scored twice, the first resulting from a pass interception by Rodney Waggoner on his own 20 yard line. Waggoner took the ball in the clear and went all the way for the score.

Ranger was forced to kick after the Winters kickoff and Winters clinched a 29 yard scoring drive with a pass from Zane Hensley to Minor Nelson for twelve yards and six points.

A few minutes later Ranger recovered one of their own punts on the Winters 23 yard line. Gerald Bagwell, in for Jimmy Cole at quarterback, passed to Comacho for the final score of the ball game making the last count Winters 35 and Ranger 20. Minus the services of two of their starters the Bulldogs didn't get organized until they were trailing 14 points in the first quarter.

The game was much closer than the score shows with the Ranger line and backfield coming out in good shape after the disastrous first quarter to hold their own with the Blizzards.

Four of the members of the Bulldog eleven were playing their last game for the team. Jimmy Cole, Jimmy Comacho, Donald Varner and Billy Moreland saw their last action in the game yesterday.

Each of these men have played the best and as hard as they could for a number of years for the team and will be severely missed when game time rolls around next year.

Coming back to play again will be all but these four starters on the team, giving Ranger some consolation for the coming year after the loss of four such outstanding Bulldogs.

The Bulldogs were still fighting at the sound of the final whistle showing they can perform as well in the face of defeat as in the glory of victory.

## Rangers Defeat Schreiner In Final Game Wednesday Night

The Ranger Junior College Rangers ended their football year here Wednesday night by defeating the Schreiner Mountaineers from Keerville by a score of 27 to 0.

To start their 27 point scoring spree against the flu-weak Mountaineers the Rangers took over on the Schreiner 20 yard line when fullback Kenneth Burton, playing defensive linebacker, caught a Schreiner pass.

Three plays later Caddo Sanders went straight up the middle of the Mountaineer line from the eight yard line for the score. This was the first six of twenty seven points the Rangers would score against the visitors.

The half ended after a scoreless second quarter and with the Rangers leading.

Schreiner took the kickoff at the half on their own 25 yard line, in three plays they lost five yards and were forced to punt.

Ranger Bobby Boynton came charging through the Mountaineer line to block the punt and recover the ball on the Schreiner four yard line.

Caddo Sanders moved the ball down inches away from a score on his first run, two more running plays failed to go over.

On the fourth down Sanders again took the ball and busted through for the inches needed for the score. Harry Weldon kicked the point and it was Ranger 13 to 0.

In the fourth quarter Ranger scored two more times to make the final count 27 to 0 in their favor.

Schreiner punted to the Ranger 27 yard line just as the whistle blew ending the third quarter.

Two Ranger plays moved the ball to the thirty yard line where quarterback Jimmy Bridges pitched the ball to end Tommy Wilson for a play covering 70 yards to score. Weldon again made the

point try and it was 20 to 0. Deep in the fourth quarter the Rangers took the ball on the Schreiner 45 and in four plays scored with Buddy Hamrick making the final five yards for the tally.

The Rangers played much better ball than they have in the past. The big change came in the line as it was working against opposition about the same size.

This was the last game for the Rangers under the tutoring of Coaches Boone Yarborough and Dick Henderson, and their first year in the Pioneer Conference.

Both coaches have said prior to the last game that the Rangers have a good ball club, but it is just too light to move against lines averaging over 200 pounds.

Another year is coming, the Rangers will be better acquainted with the conference and what it requires of a team.

New boys will be coming in from other schools and a much better team is in prospect for these two coaches and the college.

## Olden 4-H Club Study Color

"Color For You" was the topic discussed Tuesday morning at the meeting of the Olden 4-H Club.

Solid colors ranging from light to dark were demonstrated by several of the members.

The colored material was fashioned into the shape of collars by Miss Evelyn Bigby, assistant home demonstration agent, who was in charge of the program.

Twelve members attended.

### TU To Present Special Program

The Training Union Department of the First Baptist Church, is presenting on Sunday evening at the main auditorium a special program of interest for the entire community, according to Mr. Walter Arterburn, Director.

Special music will be furnished by the Junior Choir of the Church that participated in the State music festival in Waco November 21. This choir, under the leadership of Mrs. Clyde C. Harris and Mr. Bill Bullock and accompanied at the Piano by Miss Lida Jane Smith, will present a good program and the public is invited.

Reports will be given by those who have attended the State Training Union Convention that was held in Waco November 22-24. Mr. Morris Jeffries will bring a most challenging inspirational message on "Others". This being the theme for Training Union for the month of December. The evening worship service will follow this inspirational period.

Pfc. Jack R. Browning of Conally A.F.B. of Waco is spending the holidays with his parents, Mr. and Mrs. T. L. Browning and attended his sister's wedding.

Mrs. Con Hazard visited her husband in the Veterans Hospital Thursday in Dallas and reported that he had been suffering from a foot infection but was reported as improving.

## SOCIETY

### Junior Choir Received First Rating At Waco

The Junior Choir from the First Baptist church that went to Waco on Wednesday of this week to enter into contest with other choirs from over the state made a good showing.

While the choirs do not compete against each other, they are judged by appearance, tone quality, interpretation, and poise. The choir received a blue ribbon for superior rating and also a certificate for first division rating, and a grade of "AA".

In addition to the choir as a unit the group furnished a solo, duet, and trio all of which received first division rating and a grade of "A" or better. Jackie Ray Neely, the Soloist sang "What Will You Do With Jesus", the duet sung by Linda Ferguson and Barbara Patterson rendered "Have Thine Own Way, Lord". The trio composed of Jackie Neely, Linda Ferguson and Barbara Patterson sang "My Jesus I Love Thee".

The group has been coached by Mrs. C. C. Harris.

### Local Residents At Convention

The First Baptist Church is being well presented at the State training Union Convention in Waco this week. This convention is the largest in attendance of any phase of Baptist work in the entire state, exceeding in registration the General Convention.

Rev. and Mrs. Ralph Perkins, formerly with the State Training Union Department will appear on the program and Mrs. Perkins is serving on a special committee.

Others attending the convention are: Mr. and Mrs. R. V. Robinson, Mr. and Mrs. Walter Arterburn, Mr. and Mrs. Bill Bullock, Mrs. Mary Wheat, and John, Bill, Pat, and Kaye Perkins. John is entering the Junior Scripture memory contests, while Bill, Pat, and Kaye are entering the Bible story contests.

Seventeen members of the Junior Choir of the Church participated in the music festival on Wednesday. They were accompanied to Waco by Mr. and Mrs. Bill Bullock and Miss Lida Jane Smith Church pianist.

The Convention will close at noon Saturday and the pastor will return for both services on Sunday.

### Hodges Reunion Held Thursday At Butler Springs

The Hodges reunion was held Thanksgiving Day at Butler Springs. This is an annual affair for this family and an occasion that is looked forward to.

The group gathered there and built a camp fire where they prepared barbecue goat and turkey and pots of steaming coffee. Along with this they had cakes, pies, salad, ambrosia and everything else that goes with an outing.

Those attending were Dr. and Mrs. Bob Hodges, and two grandsons, Bobbie Don and Henry; Mr. and Mrs. Rossie Hodges and children of Garden City; Morris Hodges of Columbus, Tex.; Mr. and Mrs. Buck Osborne of Abilene; Mr. and Mrs. Charles W. Hodges and family of Olden; Billy Ross and mother, Mrs. Ross Hodges, Fredericksburg; Mr. and Mrs. Charlie Dean and family and Mrs. L. L. Neal.

One brother, R. A. Hodges of Fort Worth was unable to attend because of illness, and Mrs. Jones of Dallas, a daughter of Mrs. Neal and Mrs. Bob Wintson of Gladewater did not get to attend this year.

The entire group reported a wonderful time visiting and feasting together.

### CARD OF THANKS

We wish to express our appreciation to our many friends for the many kindnesses shown during the illness and death of our husband and father, Williams G. Woodard. The floral offering was most beautiful and greatly appreciated. The Woodard Family.

### 4-H Girls Study Color Schemes

The girls' 4-H club of the Hodges Oak Park school met Monday for their second time. Miss Evelyn Bigby met with the girls and assisted with the program.

The president called the meeting to order and a program on "Colors for You" was presented. The girls studied colors that they should wear to bring out their eyes, hair and skin to the best advantage. Each girl received a copy of the color sheets "Color for You."

The group is looking forward to the Rally Day to be held in Eastland soon for all 4-H boys and girls.

Southwestern Laboratories reports, in a notarized statement:

**"OUR IMPARTIAL TASTE TESTS PROVE MARYLAND CLUB COFFEE TASTES BETTER...YET ACTUALLY COSTS LESS PER CUP!"**

Laboratory tests show Maryland Club costs approximately a half cent per cup (less than any of the four other widely advertised hi-grade brands tested) . . . because it's so rich that it makes almost 25% more cups of coffee per pound.

Coffee	% liked best	Men	Women
Maryland Club	60.5	43.8	36.2
Widely Advertised Brand A	39.3	62.1	37.9
Maryland Club	54.5	43.8	36.2
Widely Advertised Brand B	45.5	53.8	47.4
Maryland Club	52.4	40.0	47.4
Widely Advertised Brand C	47.6	40.0	47.4
Maryland Club	60.0	40.0	47.4
Widely Advertised Brand D	40.0		

NOTE: All coffees tested, except Maryland Club, were brewed at usual full-strength. Maryland Club was tested using 22.5% less coffee per cup.

\*As recommended by the Pan American Coffee Bureau.

*For those who want only the best!*

Maryland Club Coffee . . . a private blend of the world's richest coffee . . . costs so little more, that anyone who drinks coffee can afford it!

Maryland Club Coffee's deep full-bodied richness gives you a flavor bonus in every cup, an economy bonus in every pound.

Ask your grocer for Maryland Club. You may as well enjoy the best!

For only 2c to 3c more . . . the coffee you'd drink if you owned all the coffee in the world!
