RANGER, TEXAS, WEDNESDAY, DECEMBER 5, 1951

PRICE FIVE CENTS No. 158

SEEN OR HEARD

Dave McMeekam and his helpers are lighting the way for the arrival of Santa and his reindeer here December 1st with Christmas lighting on the main streets of Ranger.

As of yesterday evening the Main Street and two side streets had lights strung on them.

The lights are due to be turned on in time for the first BARGAIN DAY to be held by the Ranger merchants Friday and Saturday.

Not to be outdone by the Retail Merchants with their Christmas decorations, the personnel at the Commercial State Bank were all working on their decorations and tree last night at 10:15. The bank looked as if it would be one of the show places of Ranger in as far as the decorating goes for the Christmas holidays.

Well, we survived a sudden rain shower and a dust storm last night so maybe we are all set for the hazards of winter if it ever gets here.

Comanche Trail Scouts To Hold Meeting Dec. 13

The annual meeting of the Comanche Trail Council, Boy Scouts of America will be held at the Adams Street Community Center in Brownwood December 13th.

A business meeting of council members and a meeting of all unit leaders, along with a ladies entertainment will take place as three separate meetings from 6 p.m. till 7 p.m.

The annual banquet will start at 7 p.m. Rev. Guy Newman pastor of the First Baptist church, will be principal speaker for the banquet.

Report of the nominating committee for the officers of the council for 1952 will be announced. Awards and recognitions will be made.

W. P. Wimpee, educational and recreational director of the First Baptist church will be in charge of entertainment. Troop No. 17 of Breckenridge will have a group of Indian dancers to perform. Mrs. Ann Franky who recently appeared on Horace Heidt's program will render vocal numbers.

E. J. Howell, president of Tarleton State College, is president of the council and will be in charge of the meeting.

Thanks Given For Aid In Bullock Cemetery Work

(Editor's Note: The following note was received from persons wishing to express their appreciation of assistance given in the recent work done on the Bullock Cemetery.)

"A delayed thank you." We wish to thank each and everyone who had any part in putting up the new Bullock cemetery fence in any way large or small. For donations of money, help in bake sale, paper drives, and the ones who did the labor in putting it up was also by people who had donated money.

"Thanks to the Ranger Times and Brother Robbins for their help in advertising notices, of things."

"We are very proud of it."

ALLEY OOP SEZ: 16 SHOPPING DAYS TO CHRISTMAS

"Grrr," growls Alley Oop. "Not a single bearskin left that will fit Foozy." You'll be in the same fix for bearskins and other gifts if you don't shop now.

Also, it is only 1 more day until the Ranger merchants have their first pre-Christmas bargain days—Friday and Saturday, Dec. 7-8.

SAN FRANCISCO PLAGUED BY STORMS—This street just north-west of the downtown business area in San Francisco gave way after a heavy rainfall caused a broken sewer pipe, and the sand under the paving caved in. Already hard hit by two major rain and wind storms, the Bay area has been promised another by the weatherman. (NEA Telephoto).

Students Riot; Workers Clash With Police In Suez Canal Zone

CAIRO, Egypt, Dec. 5 (UP)—More than 3,000 rioting students and workers clashed today with state-wielding police in Cairo streets in an atmosphere tense from two days of British-Egyptian gun battles and riots in which 172 persons were reported killed or injured.

A police charge in the Sayeda Zeinab Quarter dispersed 3,000 students and workers who had staged an anti-British demonstration. The rioters stoned the police as they charged, swinging their staves freely.

Workers in the Boulaq section of Cairo also clashed with police and attacked a Coca Cola truck. Cases and bottles were smashed and strewn along the Fuad El-Tawal road following the fight. Strong reinforcements rushed into the workers residential area broke up the riot.

Marston-Cypress Streets Scene Of Collision

A collision involving a 1939 Pontiac driven by Howard White of Route 2, Ranger, and a 1947 Ford driven by W. W. Rannels, whose address was given as general delivery, Ranger, occurred at 12:00 noon yesterday at the intersection of Marston and Cypress streets.

The Pontiac driven by White was traveling south on Marston and the Ford driven by Rannels was going west on Cypress when the accident occurred.

Chief of Police W. G. Pounds investigated the wreck and stated that neither of the drivers suffered injury, but that both automobiles were badly damaged.

Contact was made by the two cars on the left front fender of the Pontiac and at the rear of the right front fender of the Ford.

Democrats Set To Raise Funds

AUSTIN, Dec. 5 (UP)—Texas Democrats set out today to raise \$18,000 "as quickly as possible" to establish a state headquarters here and make arrangements for two state conventions in 1952.

The goal was announced yesterday after a luncheon meeting between Gov. Allan Shivers and the party's financial leaders.

LETTERS TO SANTA

Dear Santa Claus, I'm a little girl five years old and would like for you to visit with me this Christmas.

Please bring me a duck, and one each for my brother and little sister. Also a baby doll with real hair I can comb, a set of dishes and anything else you think I need.

Your little friend, Danna Kay Summers

Dear Santa, I want a ranch set Chinese checkers some wheels where I can ride my bike also fruit, nuts and candy. I have tried to be a good little boy this year. Bring my brother something nice too. Love Terry Hatfield

Four Red Held Airmen May Be Released Soon

WASHINGTON, Dec. 5 (UP)—Four American airmen held in Hungary may be freed as soon as they have served their purpose as Communist propaganda, U. S. officials said today.

The four men were arrested when Russian fighters forced down their C-47 transport plane Nov. 19 after they got lost over Hungary. The Kremlin has tried to use the incident to support charges in the United Nations that the United States has earmarked \$100,000,000 in foreign aid to stir up rebellion behind the Iron Curtain.

Tass, the Soviet news agency, claimed the transport was forced down because it was carrying equipment for American "spies and saboteurs" operating in Russian satellite countries. U. S. officials described these charges as "so patently false" that even the Reds couldn't swallow them.

They said one factor suggesting possible early freedom for the American airmen is that Hungary has not filed any espionage charges against the prisoners. Such action would involve a long trial.

U. S. diplomats also recalled the Czechs' fairly prompt release of two allied planes and their pilots last summer after an angry exchange of charges and counter-charges.

There was fear in some quarters, however, that the Hungarians might hold the airmen as hostages until the United States pays off on promises they claim we failed to keep following release of American businessman Robert A. Vogel.

Vogel said in New York last night that the United States should take "stern" action to get the men released.

"It is obvious that they are being held purely as hostages," he said in an interview televised by the United Press Movietone News. "This sort of thing is going to continue until United States foreign policy becomes a great deal tougher."

PHILIPPINE VOLCANIC ERUPTS—Volcanic Mt. Hibok-Hibok on Camiguin Island in the Philippines erupted December 4 with a reported death toll of 100. Ships in the area have been alerted for possible evacuation of the island's 65,599 inhabitants. Photo was made in 1948 during another outburst of the volcano. (NEA Telephoto).

UN And Red Jets Clash For Tenth Straight Day

March Of Dimes Funds Aiding Odessa Victims

AUSTIN, Dec. 5 — The National Foundation for Infantile Paralysis has "pulled all stops" in its fight against a polio epidemic in Odessa, Lloyd Gregory of Houston, state chairman of the 1952 March of Dimes, declared today.

"We want to make certain," the MOD leader said, "that this community of 42,000, which has suffered 40 polio cases during November, is supplied with all the iron lungs, hot pack machines, nurses, and other assistance needed."

"When the decision was made to start treating polio in Odessa at the Medical Center, we were pleased to make available the services of a resident physician, Dr. Jake Barron, and a teaching nurse, Miss Eulah Pollen, to assist the medical staff there in setting up the polio ward."

"An iron lung was flown to the stricken spot from San Antonio from the National Foundation equipment pool, and five other respirators have been sent from Denver and Abilene," Gregory said, "in addition to six hot pack machines."

The hospital was offered the assistance of polio emergency volunteers last week by Mrs. T. E. Brandon, chairman of women's activities for the Ector County Chapter of the National Foundation. Mrs. Brandon is coordinating distribution of polio literature advising parents of precautions to take and reassuring the community that all possible steps are being taken.

Seventeen patients were reported in the ward Monday by Harry Payne, hospital administrator.

Gregory said that epidemic aid funds from the March of Dimes would continue to meet demands for equipment, personnel, and financing of care as long as they last. He said that the epidemic reserve had nearly been depleted for the fourth year in succession and would have to be replenished by the annual March of Dimes in January.

Hazard Services To Be Thursday

Funeral services for Mrs. Cora Alice Hazard of Ranger who died at the home of her daughter in Sidney, Ohio, will be held at the Ranger First Baptist Church Thursday afternoon at 2:30.

Mrs. Hazard was born in Hamilton County, June 12, 1877 and moved to Eastland county in 1881 where she has been a resident since that date.

She and her husband who preceded her in death in 1941 operated the old telephone exchange in Ranger from 1908 until 1919. Mrs. Hazard was a charter member of the First Baptist Church.

Serving at honorary pallbearers at the services Thursday will be deacons of the Ranger First Baptist Church.

Rescuers Fight Heat, Fumes, Dust To Get Volcano Victims Out

MANILA, PHILIPPINES, Dec. 5 (UP)—Rescuers fought heat, fumes and blinding dust today to reach an estimated 2,000 persons killed or trapped under volcanic ash and lava from two eruptions of volcanic Mt. Hibok-Hibok on Camiguin Island.

Red Cross officials said 157 bodies have been recovered. Gov. Pascasio Ysalria of Misamis occidental province estimated 2,000 persons had been killed and said "80 percent of Barrio (town) was wiped out." However, Red Cross officials described the governor's figures as "too staggering."

(American Broadcasting Company correspondent Raymond Spencer reported in a broadcast last night that at least 2,000 persons were buried alive. Spencer said rescue workers could hear voices of hundreds screaming and pleading for help. He added that an estimated 10,000 people in the vicinity of the volcanic mountain were endangered.)

Community Chest \$1250 Short Of The 1952 Quota

The Community Chest drive is still about \$1250 short of its quota, according to C. J. Owen, president. He stated that only a few committee chairmen have failed to report on their collections of pledges, and believes that these committees have enough pledge cards to put the drive over the top if they are thoroughly worked.

Owen also stated that it was impossible for committees to see and solicit every individual in Ranger, and that volunteer individual pledges were not near coming up to expectations. He urged everyone who wants a part in this deserving civic project to contact the secretary, Mrs. J. P. Morris, at once.

Odessa Continues Cleanup; 3 New Polio Cases Tues.

ODESSA, Dec. 5 (UP)—City-owned trucks continued hauling away trash and debris from Monday's city-wide cleanup campaign today as the National Infantile Paralysis Foundation promised more help to aid Odessa halt its current epidemic of polio.

Harry Payne, administrator of the Medical Center hospital here, said one doctor and a physiotherapist were being sent here to assist local doctors "as soon as possible."

Payne said he expected the doctor to arrive here "by this week."

Three additional cases of the crippling disease were admitted to the hospital yesterday bringing to 64 the number of cases so far this year, 52 of them since Nov. 1.

Nineteen of these cases remain in the hospital, Payne said. City officials said it would require another day or two to haul away and burn all the trash accumulated in Monday's cleanup.

Fight Against Death Goes On

AMARILLO, Dec. 5 (UP)—Frank Leavall today continued his fight against death following a five minute heart stoppage, but remained in critical condition at Northwest Texas hospital.

The 23-year-old Dalhart veteran of World War II was still unconscious more than 72 hours after doctors revived him by opening his chest and manually massaging his heart. The cardiac rest occurred after surgeons had operated on Leavall's injured hand.

Doctors said Leavall, if he does recover, could suffer physical impairment, including brain injury, from the heart stoppage.

Ten MIG's Shot Down Or Hit In Record Dogfights Today

By WARREN F. FRANKLIN United Press Staff Correspondent, 8th ARMY HEADQUARTERS, KOREA, Dec. 5 (UP)—United Nations jet planes destroyed or damaged 10 Russian-made jets today in a series of blazing battles over North Korea.

Five Reg planes were destroyed and five damaged. It was the 10th straight day of deadly jet-to-jet battles, in which UN pilots had fought the Russian-made Mig-15 jets at great odds and won.

While the air war raged and a full continued along the 145 mile front, United States and British Marine commands raided the northeastern Korean coast for the second straight night Monday, the American Navy announced.

The combined force waded ashore from landing boats below Songjin, 140 miles from the Si-burian border, for another attack on North Korea's main rail link with the Russian far eastern base of Vladivostok.

A United States 5th Air Force briefing officer said that a total of 232 Communist Mig jet planes were sighted over North Korea today.

Not all of the enemy planes took part in the fighting but they swarmed—always within fleeing distance of their Manchurian sanctuary—in formidable fleets.

One of Wednesday's dog fights lasted 35 minutes, tying the all-war record for duration. This, the biggest fight of the day, came over the Sinanjan area, close to the Manchurian border. Twenty-nine American Sabrejets, on an offensive sweep, saw a force of 80 Mig's which were attacking F-84 Thunderjets on a railroad cutting mission. The Sabrejets swept in. The fleets broke up into ones and twos and a wild series of individual dog fights lasted for 35 minutes at altitudes of from 20,000 feet to almost ground level—"practically on the deck," as the fliers put it.

The American and British Marines had had an easy time when they caught the enemy asleep on their first commando attack on the northeast coast.

This time the Communists were ready for them. The Reds attacked with grenades machine-guns and rifles after the Marines scaled a clifflike embankment leading to the vital railway line.

Marine flank guards returned the fire and covered the withdrawal of the rest of the raiders. The Marines suffered two wounded, but a communique said they left behind them "an undetermined number of Communist dead—among the closely guarded line."

Official reports did not mention any demolitions, indicating that the Marines did not complete their mission. They had blasted a northeast coast railway tunnel in a similar hit-run raid Sunday night.

Lt. Col. Ferris N. Grant of London commanded the raiders, all attached to the 41st Royal Marine commando. They landed from the American attack transport Horace A. Bass while the destroyer U. S. S. Tingey laid down a barrage of five-inch fire just to the north.

Newsman Trials Set At Lake Charles Today

LAKE CHARLES, La., Dec. 5 (UP)—The first of five newspapermen accused of defaming three admitted gamblers and 16 public officials faces trial here today before special Judge J. Bernard Cooke.

Managing editor Kenneth L. Dixon of the Lake Charles American Press, this city's only newspaper, was indicted with four others for "defaming" district attorney Griffin Hawkins, his assistant, Melvin Wetherill, and the 13-man police jury in an anti-vice crusade.

Dixon and the other American Press newspapermen will be tried without jury before Judge Cooke, witnesses and decide whether each defendant is guilty.

The five face a maximum penalty on each count of \$3,000 fine and or a year in jail. They are expected to carry the case to the U. S. Supreme Court if Cooke finds them guilty.

Newspapers throughout the nation have charged the case is a threat to freedom of the press. The New Orleans Item termed it a case of "man bites dog."

Name Three Texas 4-H Winners

TOP RANKING records in the 1951 National 4-H Beautification of Home Grounds, Frozen Foods and Recreation and Rural Arts programs have brought state honors to three Texas club members. Their awards and brief outlines of records follow.

Della Mae Berchardt, 17, of Orange Grove, was named state winner in the 4-H Frozen Foods program. Donor of the 17-jewel wrist watch award was International Harvester. Skill developed in preparing and packaging foodstuffs for freezing has added desirable variety to the home-raised supply, and has reduced the cash outlay for foods. A club member for seven years, Della became interested in frozen foods three years ago, when the family acquired an upright freezer. She helped her mother freeze fruits, vegetables, and meats, and evolved an extremely efficient method of labeling and storing foods. She keeps a chart of the food stored, and records each package taken out. In March of 1950 she struck Della, and she lost the partial use of her left arm. The doctor assured her that working with her hands

from the chicken yard to the north boundary of the yard, built four terraces with grass; cleared a bed for bluebonnets and iris; started a privet hedge between the yard and the chicken yard; trimmed all the trees and cleared the patio and a rock wall leading to it. A senior at Denton High, Yvonne is a member of the National Honor Society. She is also president of the 4-H Club. Yvonne's award, a 17-jewel wrist watch, was donated by Mrs. Charles R. Walgreen.

Mary Rea Finehout, 18, of Victoria, has been selected by the State Club office of Texas for outstanding recreational leadership and achievement in the National 4-H Recreational and Rural Arts program. This program provides a medium for home and community participation in sports, dancing, dramatics, singing, arts and crafts, and other activities.

would aid in complete recovery and Della devoted even more time to her frozen food projects. Cost of her winning demonstration was \$92, as compared to an estimated income of \$400, resulting in a saving of \$308.

A well-deserved honor was awarded to Yvonne Allen, 16, of Argyle, who was named state winner in the 4-H Beautification of Home Grounds program. Earnest planning, diligent study and hours of hard work went into the many improvements accomplished. Although Yvonne has been in 4-H work for seven years, and has completed 35 projects in a variety of categories, this was her first year on a Beautification of Home Grounds project. Yvonne and her mother cleared the grounds on their 56-acre farm.

Mary received special training at a leadership recreation school conducted by Dorothy Brightwell, recreation specialist, and at the Black Hills Recreation Laboratory in Victoria, Cuero and Gonzales. She has helped conduct several county-wide recreation schools, has assisted in 78 play-nights, and has given her services to her school and to the Girl Scouts as well as 4-H. Awards in this program are provided by the United States Rubber Co. All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Eastland Takes Two Games From De Leon Quints

EASTLAND, Tex. (Special)—Eastland won both games from DeLeon last evening with a large crowd of fans present for the first game of the season.

Boys won their game with a score of 42 to 29 in favor of Eastland, and the girls took their game with a score of 33 to 24.

The boys were cold during the first half and the score stood 14-15 in favor of DeLeon. However, they got a little pep and the last half was a landslide in their favor, 32 points being rolled up during this half.

In scoring George Harris led with 16 points, trailed by Haines 12, Stephens 8, Hanson 7, and Williamson 3. Other boys taking part in the game were Herring, Pittman, Jessop and Powell.

The girls did pretty well all the way through the game. In

Stolen Railroad To Be Returned

FORT WORTH, Dec. 5 (UP)—Four thieves who stole a "railroad" piecemeal during the past three weeks were in custody here today.

The railroad, including track, signals, freight cars and three locomotives, was to be returned to its owners.

Detectives Roy Hiltz and L. E. Wood said the ringleader of the gang—a 15-year-old boy—attracted clerks' attention in downtown stores while his equally youthful

accomplices slipped pieces of the toy railroad equipment under their jackets.

"We just like trains," the engineers confessed.

SPORTS EVENTS

BULLDOGS PLACE FIVE MEN ON AA-10 ALL DISTRICT TEAM

The champion Ranger Bulldogs placed five men on the first team and four on the honorable mention (second team) in the balloting last night of the coaches of district 2A-10.

Jimmy Comacho made it four in a row with his unanimous choice as an all-district half back by the coaches last night. J. L. Barnes was also chosen as all-district tackle, along with Wayne Hargraves as a guard, and Chico Mendoza as an end, all unanimously by all the district grid mentors. Charles Massee, despite the limited action he saw due to virus infections and a broken leg, also made the honor roll as an all-district halfback.

Coming in for honorable mention or second team, whichever is correct, is end Herbert Williams, tackle Donald Varner, guard Bobby Justice, and quarterback Jimmy Cole.

Bulldogs Beat Carbon 77-24

Although the Ranger high school Bulldogs boy basketball team racked up 77 points against 24 for the Carbon boys last night, Coach Sam Aills said his team still has a long way to go before they hit their stride and get in good form.

Tommy Hinds of Ranger led the scoring with 19 points, followed by Carter with 8, and Cole with 7. Coach Aills used the entire Ranger squad of 17 men in the game last night to gain experience.

Tommy Hinds, while leading in scoring, was the defensive spark for Ranger against Carbon. Cole and Carter made most of their shots in the clutches under the basket where they were extensively covered by the Carbon defense.

The next game for the boys will be against Strawn high school tomorrow night in the local gym at 7 p.m.

Ranger Girls Beat Carbon

The Ranger High School girls basketball team, known as the Beauties romped all over the Carbon girls team in the local gym last night in their game of the year against high school competition to the tune of 42 to 24.

Fine defensive and offensive ball handling paved the way to the lopsided defeat of Carbon by the Beauties.

Betty Pounds of Ranger was the high scorer for the night with a total of 19 points. Leonard led for the Carbon girls getting 12 points.

The girls meet a team from Strawn High School here tomorrow night at 7:00 o'clock.

Antiquated Stars Will Play Two Basketball Games In Olden; Cash Pay For Community Christmas Tree

Basketball at its very best, may be seen in Olden, Friday night of this week. The first game will be called at 7 o'clock, and all money collected at the door will go toward financing the Community Christmas tree.

The first game will see two women teams in action—the Bloomerettes vs. the Bombers. The writer hasn't been able to learn too much about these clubs but it has been reported that these girls (adult) play a neat game and throw in the trimmings.

The second game of the night will be handled by the male side of the family. They are all stars of yesterday, and they will furnish some real entertainment.

Again we make an apology for not knowing these players, but it seems these clubs are making an effort not to reveal their identity but via the grapevine we learn the

Oklahoma City Has 4 Alarm Fire

OKLAHOMA CITY, Dec. 5 (UP)—A four-alarm fire raged two floors of a furniture store and for a time threatened a hotel in downtown Oklahoma City today causing an estimated \$25,000 damage.

Two firemen suffered minor injuries. The blaze broke out shortly after midnight at the Spivey and McGill Furniture store at 26 West Grand. It was brought under control about 2 a.m.

The fire started in the basement of the store which was heavily stocked with furniture for the Christmas trade. Firemen were slowed in fighting the fire because of difficulty in getting down a narrow stairway with hoses to the basement.

Finally, they chopped a hole through a basement wall of the adjoining six-story Broadway hotel and got water to the blaze. The fire ate its way through the ground floor of the furniture store and up into the mezzanine before it was controlled.

Fire Chief George McAlpine tentatively estimated damage at \$25,000. However, the loss may go higher because of heavy water and smoke damage to furniture.

Tyler JC Drills For Bowl Game With Pasadena

PASADENA, CALIF., Dec. 5 (UP)—The Tyler, Junior College Apaches buckled down today to the serious business of drilling for their Little Rose Bowl battle with Pasadena Saturday, and Coach Floyd Wagstaff declared they were "ready."

"Sure, we're ready for Pasadena," Wagstaff said confidently. "We've never been in such good condition all year."

Wagstaff added it was a "good thing" his charges were in trim for the game because Pasadena "will be the best team we've faced all year."

The big rugged looking Texans arrived here yesterday to complete their training program for the game and received a rousing greeting from a throng that included Miss Junior Rose Bowl, Geri Hunt and Paramount movie starlet Nancy Gates from Denton.

Both had kisses for Apache fullback Tommy Ward. The team unlimbered at Brookside Park after the trip and posed for newspaper cameramen.

The Pasadena squad took advantage of the situation to get in a heavy scrimmage. Coach Bob Blackman is working to fill gaps in his injury-plagued eleven.

Ann Margaret Circle Gives Program Tues.

The Ann Margaret Circle of the Women's Missionary Union of the First Baptist Church presented the program at the meeting Tuesday afternoon with Mrs. Earle Pittman as leader.

Mrs. A. Kirk distributed attractive program folks to those present. The cover was very cleverly arranged with a star of Bethlehem in the corner and an outline map of Africa in the center with the manger scene at the bottom. The theme was "Unto You a Savior is Born."

Bill Bullock directed the song service with Mrs. F. P. Brashier at the piano. The opening song was "Silent Night" and Mrs. Pittman gave the open prayer. The devotional on "Hopes and Fears" was brought by Mrs. Bill Bullock using the Christmas story from the second chapter of Luke and closing with the reading "The Inn that missed its Chance." "Little Town of Bethlehem" was used as a solo and Mrs. Ralph Perkins discussed "The Field is the World." Reports from Africa were given by Mrs. Walter Arterburn and Mrs. Bruce Harris.

After the singing of "Joy to the World" sentence prayers were offered by Mrs. Lee Mitchell, Mrs. L. D. Tankersley and Mrs. Lloyd Clem. "Working with Those Women" was given by Mrs. Pittman. Mrs. Marshall Jolly gave the story "Too Late for Me" after which the offerings were received and announcements made concerning the programs for Wednesday evening and Thursday morning at 10:00 a. m. Mrs. C. B. Pruet gave the closing prayer.

Those attending were Meses Pittman, Arterburn, Tankersley, Mitchell, W. W. Smith, E. L. Hargraves, M. Jolly, R. F. Webb, A. Kirk, Brashier, Homer Summerall, Allan Smith, Lloyd Clem, Hugh Smith, T. J. Anderson, Pruet, Harris, H. E. Brooks, Roy McCleskey, Miss Ethel Adams, Mr. and Mrs. Bill Bullock, and Rev. and Mrs. Ralph Perkins.

"M" Night To Be In Eastland

Monday Dec. 10th is "M" night for the Training Union organizations not only in the Cisco Baptist Association, but also in the entire Southern Baptist Convention. The term "M" night means Mobilization night and is carried on by the different associational areas of the convention.

On next Monday evening the Cisco Baptist Association under the Training Director, Mrs. R. R. Jones of Cisco will meet at the First Baptist Church in Eastland for the annual "M" night of 1951. The purpose of the meeting is to review the accomplishments of the past year, noting goals reached, new unions organized and other high spots of the years work. Then the work for the coming year is previewed for all the workers and members present in order that early plans might be made for a successful year in the work of Training Union effort.

Rev. Ralph Perkins, pastor of the local First Baptist church, is the Training Union director for the district number 17 which includes the Cisco Baptist Association and he states that Training Union work in the district and in the association are advancing in all departments. He further states that more and more emphasis is being placed on Training Union work in order that more Soul Winners might be trained and more workers might be taught how to carry on other phases of the church program.

The program for Monday night will be an outstanding effort to bring news, education and inspiration to the many workers that will be present. Dr. Otis Strickland, President of Decatur Baptist College, will be the speaker for the evening in addition to leading a conference for the adult workers. Mrs. Ralph Perkins, of Ranger, will lead the conference for the Elementary workers.

Revenue Bureau Set To Grab 12 Texas Gamblers

DALLAS, Dec. 5 (UP)—At least 12 Texans are due to be prosecuted shortly for failing to buy the federally-required gambling licenses. James N. Gooner, agent in charge of the Bureau of Internal Revenue's intelligence unit said today.

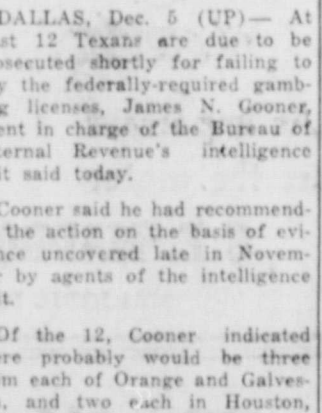

Cooner said he had recommended the action on the basis of evidence uncovered late in November by agents of the intelligence unit.

Of the 12, Cooner indicated three probably would be three from each of Orange and Galveston, and two each in Houston, Dallas and San Antonio.

Cooner said that about 20 probably would be prosecuted in the tri-state area of Mississippi, Louisiana and Texas.

Cooner, who Monday said 98 license applications had been received in Texas, yesterday said 505 persons in Louisiana had applied for the \$50 licenses and another 80 in Mississippi.

Lone Star 4-H'er Wins Sectional Honors in Soil Conservation

Jerry C. McDaniel

Jerry C. McDaniel, 14, of Gainesville, Texas, was among the 16 4-H'ers named as sectional winners in the 4-H Soil and Water Conservation program. His award, a trip to National 4-H Club Congress, Chicago, was provided by Firestone. He lives in a section of sandy land where a great deal of soil building is needed.

The family's 82-acre farm is worked almost entirely by Jerry and a younger brother, as their father is employed. The first move was terracing to stop washing away of land. After soil testing, intensive fertilization and contour plowing, the soil was ready for planting. Crop rotation and strip-planting were practiced. Good pasture management has enabled them to graze 15 animals of improved stock.

Jerry uses vetch as both cover and green manure crop, and finds his program of conservation has increased farm production and improved their home life. He has held all of the offices in his club, has completed 32 projects and earned many awards.

This activity is conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

RANGER HIGH SCHOOL

Band Benefit Show

ARCADIA THEATRE

FRIDAY, DECEMBER 7TH AT 11:15 P. M.

The proceeds from the sale of tickets and donations to the fund will be used to purchase band jackets for all forty members of the Ranger High School Band.

The members of the 1951 Ranger High School Band have worked long and hard and have done a wonderful job at the many football games and other civic events the past year and let's all get together and show them our appreciation by supporting this worth-while cause by contributing liberally.

The picture selected for this show is a first run movie, never before shown in Ranger and is a story of high school activities and features the orchestra of Freddie Slack and Jan Sautt. The principals in the picture are Freddie Stuart and June Preisser and is titled "The High School Hero."

For those who want only the best!

Maryland Club Coffee... a private blend of the world's richest coffee... costs so little more, that anyone who drinks coffee can afford it!

Maryland Club Coffee's deep full-bodied richness gives you a flavor bonus in every cup, an economy bonus in every pound.

Ask your grocer for Maryland Club. You may as well enjoy the best!

Southwestern Laboratories reports, in a notarized statement:

"OUR IMPARTIAL TASTE TESTS PROVE MARYLAND CLUB COFFEE TASTES BETTER...YET ACTUALLY COSTS LESS PER CUP!"

Laboratory tests show Maryland Club costs approximately a half cent per cup less than any of the four other widely advertised high-grade brands tested... because it's so rich that it makes almost 25% more cups of coffee per pound.

Coffee	Men	Women
Maryland Club	60.5	63.8
Widely Advertised Brand A	39.5	36.2
Maryland Club	54.5	62.1
Widely Advertised Brand B	45.5	37.9
Maryland Club	52.4	63.8
Widely Advertised Brand C	47.6	36.2
Maryland Club	60.0	52.8
Widely Advertised Brand D	40.0	47.4

NOTE: All coffees tested, except Maryland Club were brewed at usual full-strength. Maryland Club was tested using 22.3% less coffee per cup.
*As recommended by the Pan American Coffee Bureau.

NEWS FROM CHEANEY
Mrs. Bill Tucker

We saw one of our neighbors, Mrs. Wilbur Overstreet, Saturday and she didn't know that we had moved closed to Cheaney—so we are saying again we will be residing on the J. Scott Motes old home place for next year. We have been in the midst of moving and getting the cotton gathered for so many days, we almost meet ourselves coming and going—and that is no exaggeration either.

Mr. and Mrs. Sanford Lemley have been ill but they were able to attend Alameda church service Sunday.

Mrs. Melva Love was returned home Tuesday from the Gorman hospital, feeling just fine, following her ten day stay after surgery.

What should have been last weeks news was the visit made in the John Tucker home by Mr. and Mrs. W. E. Walton and Billy Jean of Ranger. Mrs. Hattie Love of Ranger and Miss Minnie Walton of Brownwood. They also made a call in the Arthur Love home.

Mr. and Mrs. Clyde Cornwell and children, moved Friday from the Walter Duncan farm to White, face.

Mr. and Mrs. Maurice Hazard and Donald, of Eastland were callers in the home of his parents, Mr. and Mrs. M. O. Hazard, Sunday evening.

A large congregation enjoyed the sermon of Rev. J. C. Pelfrey Sunday. Rev. Pelfrey and family spent the day in the home of Mr. and Mrs. Floyd Crawley.

Mr. and Mrs. W. E. Downing has business in Eastland Saturday.

J. L. Little and son, Anson, were among others who got a deer on the hunting trip last week.

There's no more-appreciated Christmas gift than a desk—and there's a suitable one for every member of the family. The one shown above is part of the Modern-mates line. It is made of birch and is finished in a soft, warm, brushed birch finish. (Consant Ball Co.)

Mrs. Love stated her intentions to go to Comanche for a extended stay in the home of her daughter, Mrs. Mout. Manchester and family.

Miss Betty Jean Love returned home ill from Brownwood the past weekend, from a recurrent appendicitis incision.

On and Off the Streets—

... owners of land as well as prospective owners discuss with us freely the many problems growing out of the ownership of real estate. One of the big problems, of course, is the title problem. We tell them frankly that a few dollars invested in an abstract now may save them hundreds of dollars later on. The old saying that "a stitch in time saves nine" is still true and very aptly applies itself to all real estate transactions.
