Quarterly report shows county spending is up

The Castro County Auditor's quarterly report for the months of October to December, given at Monday's meeting of the Commissioners' Court, showed a trend of gradually increasing expenditures over the past three years.

For the first quarter of fiscal year 1990-91, the county has expended 26.57% of funds budgeted; while in 1989-90, only 23.28% of the budget had been spent by the first quarter; and in 1988-89, spending was held to 21.67% for the first

quarter.

In the precincts, Pct. 2 has already spent over 50% of the \$305,428 budgeted for the fiscal year, but \$125,000 of that went to pay off a motor grader to save the county money on interest payments.

Pct. 3 has spent 38% of the \$219,712 budgeted for the year; Pct. 4 stands at 31% of its \$232,058 expense budget; and Pct. 1 has spent 23% of its \$345,008 budget.

The County Treasurer's quarter-

ly report showed that Pct. 2 had a fund balance of \$37,632.99 for the first quarter, and the auditor showed the precinct has received 64.40% of the revenue it is expected to receive for the fiscal year.

Pct. 1 has a fund balance for the quarter of \$282,681.33, having received 39.64% of its budgeted revenues; Pct. 3 has a fund balance of \$171,699.40 and has received 40% of its revenue; and Pct. 4 has received 40.04% of its revenue and stands at a fund balance of \$265,770.21.

In other business, the commissioners discussed the possibility of using county equipment to perform road work within the city limits of Hart and Nazareth.

County Attorney Jimmy Davis advised that an interlocal governmental cooperation contract would have to be approved by both the county and the city involved, and would have to be renewed on a yearly basis. He also noted that state law requires that the county be fairly compensated for any work done.

Pct. 4 Commissioner Vincent Guggemos stated that he has occasionally used county equipment to clear bar ditches of city streets in Nazareth to help with drainage problems, but only on an emergency basis.

Pct. 1 Commissioner Harold Smith had requested permission to aid the city of Hart, which has 20% unpaved streets. Smith said Hart's maintainer isn't in working order a lot of the time. He noted that he would not do any work on alleys or on paved streets.

Davis said the county would have to enter into a contract with the city and set a rate of compensation, probably at the \$75-per-hour rate charged for soil conservation work.

Davis added that the county could hire a contractor for the city and be reimbursed by the city, or the county could act as the contractor for the city, but in any case, the county must be fairly compensated and both the city and the county must specifically approve the work to be done.

Davis also said that the two situations with Hart and Nazareth were completely different, since Nazareth's work is done a limited number of times on an emergency basis. He suggested that the commissioners appoint a committee to meet with Hart's City Commission and see what could be worked out.

Toast to Texas set Saturday

The public is encouraged to come out Saturday and help celebrate Texas Independence Day with a special "Toast to Texas" ceremony from 2 to 3 p.m. in the Dimmitt Chamber of Commerce meeting room.

Presenting a special toast on behalf of the Castro County Centennial Committee will be committee member Reta Welch, followed by toasts offered by Castro County Judge Polly Simpson and Dimmitt Mayor Wayne Collins. Others attending will also be given an opportunity to express appropriate sentiments concerning Texas independence and the observance of the county centennial.

The ceremony is being hosted by the Texas Sesquicentennial Com-

mittee of Castro County, with Texas water provided for the toast, which will be followed by refreshments of cookies, coffee and tea.

Also, a check presentation will be made. Linda Maxwell, chairman of the Sesquicentennial Committee, will present more than \$300 in funds remaining from the 1986 celebration for use toward the construction of the Centennial Plaza and gazebo on the courthouse square.

The "Toast to Texas" theme has been observed in the past in as many as 42 states and several foreign countries. Texans are encouraged to take a moment at 2 p.m. and make a toast with whatever is at hand in honor of Texas' independence from Mexico.

You can tell by the stars: All Swiftettes are sisters.

When they take to the floor of the Super Drum at UT-Austin this morning, Nazareth's Swiftettes will have 11 stars on the back of their warm-up jackets.

Every star represents a state championship.

For any opponent, it's an imposing sight.

Up in the stands will be lots of other Swiftettes, ranging in age up to their early 30s, who helped earn those stars. All of them shared the experience of going from Nazareth's little cracker-box gym to the 18,000-seat basketball palace, and winning it all. Their school has done it more than any other school

in the history of Texas.

How did this admirable tradition start?

Let's go back to 1975.

Supt. Joe King saw a very talented bunch of underclass girls coming up. He knew they were special, and he wanted them to have the chance to reach their full potential.

He took them to Plainview to see Wayland's Flying Queens play.

During the game, he pointed to Wayland's all-American senior guard, Cathy Wilson of Petersburg, who ran the Flying Queens' offense.

"How would you girls like to have her for a coach next year?" he asked.

CUTTING DOWN THE NET—Nazareth seniors Noel Johnson (top) and Janay Johnson (bottom) climb the "state tournament" ladder and clip the net from the rim at the Texan Dome in Levelland Saturday night following their 41-32 Region 1-A championship victory over Happy. The Swiftettes won their fourth straight regional championship Saturday and will take on Zavalla in the state semifinals today (Thursday) at 8:30 a.m. at the Erwin Center in Austin.

Class A state tournament

Swiftettes open with Zavalla today

The Nazareth Swiftettes might experience a little *deja vu* today (Thursday) when they step onto the floor of the Frank Erwin Special Events Center in Austin to face their first opponent at the Class A girls' state tournament.

They'll be facing the same team they drilled in the semifinals a year ago.

The Swiftettes open the tournament with Zavalla this morning at 8:30.

The other semifinal game features a team the Swiftettes are familiar with — Moulton. The Swiftettes have beaten Moulton in Austin the past three years, winning in the semifinals in 1988 and 1989, and then in the state championship game last year. And their back to challenge again. The Bobkittens meet Jayton in the 10 a.m. game.

Nazareth earned the right to make a return trip to the state tournament by winning the school's 14th Region 1-A championship Saturday night with a victory over Happy. The Swiftettes are hoping to win the school's 12th state championship this weekend.

"This bunch of girls is dedicated to the program and the things we're trying to accomplish. They stuck with it and we won regional. We've got to keep working on the things that it's going to take for us to win state this weekend," said Denese Skinner, who says it "feels fabulous" to win the Region 1-A title in her first year as head coach at Nazareth.

If the Swiftettes beat Zavalla today, they'll meet the Moulton-Jayton winner in the finals Saturday morning at 9. The Swiftettes' games will be broadcast live on KDHN Radio, 1470, Dimmitt.

Enroute to the Region 3-A championship, Zavalla, who enters the tournament with a 29-6 record, defeated Spurger (57-23, bi-dis-

trict), Centerville (52-47, area), Detroit (70-66, regional quarterfinals), Evadale (72-57, regional semifinals) and Avinger, the No. 1-ranked team in the state, 56-52, in the finals.

Two starters are back from last year's team, including Nigel Boyles, a 5-9 guard who is averaging 18 points per game and Rhonda Campbell, a 5-7 forward tossing in 14 points. Against Nazareth last year Boyles led her team with 12 points while Campbell scored seven. They are joined in the starting lineup by last year's sixth man, Jana Kitchens, a 5-10 post player averaging 10 points; and newcomers Vanessa Ray, a 5-10 post scoring eight points and Maria Bardett, a 5-6 forward scoring 2.

Swifts to meet Vega in Region 1-A opener

The Swifts are preparing for Region 1-A action this week after capturing the area championship Tuesday night with a 55-54 win over Chillicothe.

The Swifts open the Region 1-A tournament Friday afternoon at 3 against Vega at South Plains College's Texan Dome in Levelland.

The Swifts knocked off Chillicothe, the fourth-ranked team in the state. The 12th-ranked Farwell Steers, (the winner of Nazareth's district, 5-A) was beaten by Paducah Tuesday night, so that leaves just one Top 20 team left in the regional tourney—Petersburg. And Nazareth Coach Mark Makeever said fifth-ranked Petersburg is probably the favorite.

On Vega, Makeever said he doesn't know a lot about the team, but he does know they are post-

Dimmitt's Goodpasture plant has plans underway to diversify its operations here, expanding the local work force from the previous eight up to 14 workers in its round-the-clock operation.

O.K. "Pete" Stewart, plant manager, said the plant will begin production of three new products within the next three months, pending permit approval by the Texas Air Quality Control Board. He noted that construction started this week on the modifications that will be required to begin producing the ammonium bisulfite, potassium bisulfite and sodium bisulfite. All three products are used in the oil field industry and in photographic applications.

The plant currently produces ammonium thiosulfate, which is used both in agricultural fertilizers and in the photographic industry, and it will continue to be the local plant's main product.

Stewart said the new products will not increase the output of the plant, but will give the plant more markets through diversification.

Candidates must file by March 20

Candidates for election in the May 4 city and school elections throughout the county may file for office through March 20.

Officials whose terms are expiring are listed below by community and governing body.

Dimmitt

On the city council, all at-large offices are up for re-election. Terms are expiring for Mayor Wayne Collins and council members Robert Jones, Richard Stahl and Don Sheffy. Single-member district representatives were elected in a special election Nov. 6.

For the school board, all seven members were selected in a special election Jan. 31, and none will be up for re-election until 1992.

Hart

In the city government, terms are expiring for Mayor Joe Bailey and City Commissioner William Bell.

For the school board, those up for re-election are Ricky Mitchell, Larry Lee and Freddy Upshaw.

Nazareth

City Commissioner Cecil Hoeltling is the only one whose term expires for the city.

On the school board, the terms of Mary Lynn Olvera and Sidney Birkenfeld are expiring.

No candidates had filed as of Wednesday.

Absentee voting by personal appearance will begin April 15, extending through April 30.

On the Go with Mary Edna Hendrix, 647-3343

The annual Eastern Star School was held Feb. 23 in Lubbock with the Worthy Grand Matron, Dr. Effic Mae Davis, of Texas presiding. Those attending were Zonell Maples, Betty and Charles Vaughan, Oleta Golchon, Doris McClenney, James Slough and Wannie Stevens.

It was a good time of meeting old friends and making new ones. The Eastern Star is an extension of our churches, dedicated to Christian work and to our country.

Betty and Charles Vaughan celebrated their golden wedding anniversary Feb. 16 at the Methodist Church. A beautiful wedding cake and punch was served with white chocolate covered strawberries and mixed nuts. A basket of fresh flowers was the centerpiece. The cake was topped with the ceramic bride and groom that on the couple's wedding cake 50 years ago.

The groom's cake was chocolate and had a car with Vaughan Auto Sales on it.

They were married at Betty's parents' home in Plainview.

Oma Stokes, a family friend, served at the register and a table of family pictures was enjoyed by all who came.

The reception was hosted by their children, David Vaughan of Richardson, Dr. Beth Vaughan-Wrobel of Little Rock, Ark., Vickie James of Lancaster and Sherri Wilkerson of Dimmitt. Also helping out were their grandson, Troy Golden and his wife, Stacy of Snyder and Kevin Baldrige.

Friends assisted with the serving and the evening meal was enjoyed at K-Bobs for those who attended.

Guests attended from Plainview, Amarillo, Lubbock, Olton, Hereford and Lamesa.

Elicie and Sarena Teague entertained relatives and friends last week. Della and Bill Dow of Benard, Maine; Lavelle Mapes of Walsenberg, Colo.; Jack and Nancy Teague of Dexter, N.M.; Jack and Lucille McCoy of Amarillo; Laura Jones of Childress; Billy Jones of Lubbock; and P.L. Hoyler and Clyde and Bobby Damron, all of Dimmitt.

The Lubbock Symphony Guild presented 16 debutantes recently including Heather Axe, daughter of Dr. and Mrs. Jim Axe of Lubbock and granddaughter of Ferne Dickey of Dimmitt. Heather is a senior at Coronado High School and plans to attend Texas Tech University. She was escorted by Ryan McWhirter. This was the Guild's Winter Ball, "Reflections on the Danube" and it was held at the Lubbock Memorial Civic Center. The room was decorated like an Austrian palace garden.

Ysleta Ball gave the devotional at Canterbury Villa on Thursday morning. She read from the scripture found in Matthew 25:35-40. "We can serve Jesus in different ways—take food to the needy, or just give someone a smile or say a kind word. We need to help someone each day."

She also read from a book titled *Laugh and the World Laughs With You*. The passage read: "We need to look on the sunny side of life."

Richard Young sang *In Times Like These* with Phyllis Mooney playing the piano. Renise Blair played *Jesus Paid It All* on the clarinet. Others enjoying the singing were Bobbie Baldrige, Mauzee Youts and Mary Edna Hendrix.

Several Dimmitt residents attended the 70th annual session of the Panhandle Pastors' and Laymen's Conference at Wayland Baptist University in Plainview last week.

The conference theme was "On Christ the Solid Rock."

Dimmitt was well represented with George Ray, Jr., as president (he's a former resident), Dr. Charles Vandiver, vice president; Frank Pollard (former resident and pastor of the First Baptist Church here), who delivered three messages; Barbara Kenley, who gave an inspirational testimony; and Richard Young, who sang several special selections.

Claude Cone was another speaker and Lloyd Riddles presented an interesting cowboy skin.

Those attending from Dimmitt were Robert and J'Lyn Ryan, Troy Kirby, Paul and Barbara Kenley, Charles and Esta Vandiver, V.C. and Dorothy Hopson, Ferne Dickey, Irene Carpenter, Mauzee Youts and Mary Edna Hendrix.

We visited with Betty Dennis of Plainview and Paul Kenley's parents, Dub and Dorothy Kenley of Tahoka.

Irene Carpenter spent a few days with her sister and husband, Inez and Lewis Wright of Wheeler.

The Senior Citizens sponsored a pancake supper at the center on Saturday evening. They served pancakes, bacon and sausage to members and friends. Connie Ivey played *Under the Double Eagle* by request.

Barbara Kenley presented the program on Wednesday night on the subject "What is a Missionary?", written by Bill Bangham, Carolyn Blunk and Wayne Grimstead.

She told about Ballard White who is a home missionary and works with the Sioux Indians in South Dakota; and Paula Dickson, the Christian social ministries director in Oakland, Calif. Dickson has helped provide 8,000 meals since the earthquake in the Bay area. Kenley also told about George Russ, who is a home missionary working with people on Long Island's North Shore.

The most interesting part of Barbara's program was the slide show. In the 21st century, according to *Time* magazine, racial and ethnic groups in the US will outnumber whites for the first time. In the San Jose, Calif., telephone book, Vietnamese Nuygens outnumbered Joneses 14 columns to eight. Asians make up 10% of California's population. The Los Angeles Hispanic population is larger than any Central American country. Miami is the second-largest Cuban City in the world. Chicago is the world's second-largest Polish city. New York is the fourth-largest Italian city in the world. More Jews live in New York City than in Israel. New York City has the largest Puerto Rican population in the world. Brighton Beach, near Coney Island, is known as "Little Odessa By The Sea" because of the 70,000 Russians living there.

This was copied from the book *What is a Missionary?*, copyright 1990, Home Mission Board, SBC.

The youth at the First Baptist Church prepared and served Mexican fiesta following the morning service to a large crowd. A cactus plant and a sleeping Mexican (all large cardboard props) decorated the stage in the Fellowship Hall.

Polly Manning celebrated her 80th birthday with a party in the home of Ted and Cheree Collins on Sunday afternoon. Shellie Collin served punch and the large birthday cake which was decorated with the words, "Happy 80th Birthday, Nanna." Heather and Carrie Black welcomed the guests as they entered through the front door.

Lorann Hamilton spent several days for a fun vacation with her daughter and family Sheila and Jim Wolfe and children, Adam, Brett and Allyson at Crystal Lake, Ill. They enjoyed eating out and shopping.

Neva Hickey was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Lorann Hamilton won high score and Ina Rae Cates finished second. Others playing were Ferne Dickey, Edith Graef, Dude McLauren, Johnnie Vannoy, Virginia Crider, Emily Clingingsmith, Louise Mears, Elizabeth Huckabay, Oleda Schumacher, Gladys Benson, Helen Braafladt, Mary Small and Retta Cluck.

Miss Ruby Moultrie, voice teacher at South Plains College in Levelland, was in Dimmitt Sunday and participated in the Methodist worship service by singing several selections solo and with the choir. She was joined by Linda Roberts and Dickie Holcomb of Lubbock who helped her, Linda and Deanne Clark celebrate birthdays.

Patricia Braafladt hosted her Tuesday Bridge Club in her home last week. She served lasagna, salad and cheese cake to Stefanie Love, Virginia Hansen, Margaret Parsons, Sandra Potts, Deanne Clark, Martha Jo Hyman and guests Ruth Jackson and Joyce Rickerd. Although Nancy Ross was not present because Angela and Tobin Touchstone have just had a baby (Samuel Lewis) and she was off being a proud grandparent, the club thinks she always wins high.

Carolyn Sides is the un-birthday girl this year since Feb. has no 29th day, so she is celebrating on Sunday evening and Monday evening with friends who will pretend she was never born.

Dan and Oma Dee Heard hosted several out of town guests last week.

Coming Tuesday were Kenneth and LaNita Dixon of Ruidoso, N.M. They returned home Thursday.

Pam, James, Jennifer and J'Nae White of Booker arrived Friday and returned home Sunday.

Bill and Jeanine Thompson, Belinda and Cassidy Beavers, all of Spade, arrived Saturday and had supper with the Heards.

Sunday afternoon visitors were Delynda and Alisha Flake of Amarillo, Janie and Cotton McElroy of Littlefield, who enjoyed supper with them.

ON TO STATE — Four of these Nazareth youngsters earned a trip to the state free throw contest by winning their divisions at the regional tournament in Dumas recently while the other two finished as regional runners-up. Nazareth youths placing at regional were (front row, from left) Jill Ramaekers, Barry Hoelting and Nathan Hoelting;

and (back row, from left) Tanya Wethington, Kaci Wethington and Justin Bingham. Nathan Hoelting and Ramaekers won the 12-year-old division while Bingham and Tanya Wethington captured first in the 11-year-old category. Each will participate at state.

We Salute
Playoff Fever
 It's that time of year again—a time when folks in Dimmitt and Nazareth go a little bit crazy.
 The Dimmitt Bobbies and Bobcats and the Nazareth Swiftettes and Swifts all made it into the basketball playoffs again. For the past couple of weeks, local fans have been racing from one playoff game to another, living on concession-stand hot dogs, and doing what work they could between gassing up their cars, checking their schedules and heading for the next game.
 It's called "playoff fever," and it's an enjoyable pre-spring ailment in Dimmitt and Nazareth.
 The Swiftettes are in Austin again, and will play Zavalla at 8:30 a.m. today (Thursday) in the first Class A round of the girls' state tournament. The Swiftettes have the most state championships of any girls' team in the state's history, and we're just pushy enough to hope they bring home their 12th one.
 And how about those Swifts? They knocked off the state's fourth-ranked Class A team, Chillicothe, in the area championship game Tuesday night at Clarendon. Coach Mark Makeever's Swifts will meet Vega at 3 p.m. Friday in the first round of the Region I-A Boys' Tournament at the Texan Dome in Levelland.
 For Dimmitt's Bobbies, the playoff trail came to an end last week when they lost by six points to the state's No. 1-ranked team, Canyon, in a very exciting bi-district game. Canyon lost by three to Tulia in the regional championship game Saturday, so the rankings are—as they have been all along—up for grabs. While wishing Tulia's Lady Homets the best of luck in the Class AAA state tournament, we think it's safe to say that the Bobbies (one of only three teams to beat Tulia this year) finished their season among the top four or five teams in the state.
 The Bobcats had a great year, too, winning the Class AAA bi-district championship with a solid victory over Perryton last week before falling to a strong Bowie team in the area championship game Tuesday night at Snyder. Coach Ken Cleveland's Bobcats and their fans can be proud of an excellent season.
 These winning basketball programs add a lot to the enjoyment of living here. We're glad they're part of our tradition!

Nazareth

By Uirgie Gerber, 945-2669

Sunday was a very special day for 16 second grade children who received their first Holy Communion during Mass in Holy Family Church with Rev. Neal Dee, pastor, officiating, assisted by Deacons Jerome Brockman and Al Maurer.

The children each participated in a part of the mass. Billy Joe Hill served as Liturgy of the Word reader. Prayers of the faithful were read by Lindsey Kay Gerber, Mark Birkenfeld, Shawna Gerber, Adam Schulte, Tara Klemm and Bryce Pohlmeier. The offerings were brought by Erin Jones, Joe Sanchez, Nicole Huseman, Jaci Birkenfeld, Jason Huseman, Nicholas Bermea and Mark Lange. The prayers after Holy Communion were read by Whitney Hoelting and Saige Annen. Special thanks was given to Dianne Wilhelm and Jeanie Birkenfeld, the First Communion teachers, and to the Faithful Friends Youth Choir and their accompanists. Each child was honored in some special way during the day by their parents with their baptismal sponsors and grandparents present.

Evelyn Hill of Lubbock spent Saturday night with her mother, Meta Stork, and Sunday with her family, Terry, Belinda, Beau and Billy Joe Hill.

Dinner was hosted by Jim and Sandee Hoelting and Dan and Karen Gerber at the Hoelting home in honor of Whitney Hoelting and Shawna Gerber. Baptismal sponsors Donna Charanza, Kevin and Malinda Gerber and Doyle and Rosie Klemm; grandparents Gilbert and Dolly Schulte, Virgie Gerber; great-grandmother Meta Stork; and Tricia, Jerry and Eric Rose attended.

Louise Braddock and Marilyn Wilson spent several days in Fort Worth caring for Louise's sister, Hilda Duer, who is recuperating from eye surgery.

Willie Faye Huseman is home from Plains Memorial Hospital where she was treated for pneumonia.

Regina Hoelting is home after being in Plains Memorial Hospital

several days for tests.

Darryl Hoelting and his infant son, Kyle of Amarillo, spent Sunday afternoon visiting his parents, Ronnie and Regina Hoelting.

Nazareth basketball fans were treated to some exciting games this past week. On Tuesday evening in Shallowater, the Swiftettes defeated Spur to win the Class A area championship. On Thursday night, the Swifts defeated Memphis at the Caprock Activity Center in Amarillo. On Friday afternoon the Swiftettes defeated Channing in the regional playoffs in Levelland, won the semifinal game against Anton in the tournament Saturday morning, and eventually the championship against Happy Saturday evening, earning them the right to compete at state this weekend.

Good luck to the Swiftettes and their coaches, Denese Skinner and Leslie Storer; and to the Swifts and their coaches, Mark Makeever and Joey Waldo.

Methodist Home offers 'open' adoption service

The Methodist Mission Home of San Antonio recently announced that it will now offer fully disclosed or "open" adoptions in addition to the home's traditional adoption services.

Under the new option, each of the parties in the adoption will know the identity of the other. The birthparents and the adoptive parents will have the opportunity to meet and jointly plan for the adoption.

The role of the Mission Home will be to help the parties plan their adoption by counseling, advising, guiding and helping the parties assess potential risks in the adoption process.

Persons interested in making an adoption plan for a child, or couple interested in adopting a child can call the Methodist Mission Home at (512) 696-7021.

Church Happenings

Immaculate Conception Catholic Church

Transitional Deacon Domingo Castillo will be ordained a priest at 10 a.m. Sunday at Our Lady of Guadalupe Church in Amarillo. Our congratulations are extended to him.

The Holy Cross Society will hold a pancake and sausage breakfast after both Sunday masses. It will be held at the West Community Center.

The Diocese of Amarillo will hold two special bible classes open to everyone. They include "An Introduction to St. Paul," which will be held on Sunday; and "Paul's Vision of the Universal People of God" at 7:30 p.m. Monday. Both will take place at St. Mary's Church 1200 Washington, and will be presented by an internationally acclaimed Bible teacher, Dr. PHEME PERKINS.

There will be a retreat for parish leaders next weekend at the Bishop DeFalco Retreat Center in Amarillo. Pastoral counsellors and officers of church organizations are urged to attend. For more information, contact Father Choong before Sunday.

The Holy Cross Society will sponsor a dance Friday, March 8, from 8 p.m. to 12 midnight at the Expo Building. Dr. Tune HiFi Jam Box will provide the music and cost is \$3.50 per person.

Presbyterian Church

Presbyterian Women will take part with all Church Women United in a World Day of Prayer Service Friday at 4:30 p.m. at the

First Baptist Church in Dimmitt. Sunday School classes will meet at 10 a.m. Sunday.

"Jesus in the Temple" will be the subject of Pastor Edward D. Freeman's sermon at the Sunday worship service, scheduled to begin at 11 a.m. There will be Gideon speaker at the service and the sacrament of Communion will be celebrated.

Morning prayers will be said Wednesday at 6:30 a.m.

"The Crossroad of Loneliness" will be the theme of the Lenten Service Wednesday at 7 p.m.

Ministerial Alliance

David Keller will lead the Castro County Ministerial Alliance in a study of Matthew 14:13-21 on Tuesday at 10 a.m. at the First Christian Church.

Edward D. Freeman, pastor of the Presbyterian Church, will be the welfare chairman for March.

Sunnyside

By Teeny Bowden, 647-5703

The road is finished from Sunnyside east. Stanley Nelson gave the land for Precinct 1 Commissioner Harold Smith to make a design to keep silt out of the bar ditches and on the farm where it belongs. Harold says he has had great cooperation from the community involvement, and he appreciates it. Two bridges in the southeast part of the community have been replaced with 32-foot culverts. The bridges were designed for two-row farm equipment, and now we have eight- and nine-row equipment. Harold says he plans to continue to improve the roads if people will let him.

Madge Robb worked with Teeny Bowden on proof-reading the Centennial County history book Monday and Tuesday afternoons. Emma Jean King helped both days, too, and both worked on it Friday. Suzzie Hubble, who has been proof-reading at home, came for a while Friday afternoon and took more things home with her. Ed and Jackie McLeroy and her mother, Mrs. Small, started reading family stories Thursday and continued Friday in their home. Emma Jean worked with Teeny Saturday afternoon.

Emma Jean King conducted the meeting of the Republican Organization for Women Wednesday at noon in Dimmitt. There were 29 present for the luncheon and the program presented by Bill Sava. It was a musical patriotic program.

On Tuesday Billie King was honored with a birthday dinner. Francis King from Amarillo and his son's father-in-law, George Hurt of Fort Worth, and Marshall King of

Earth helped him celebrate his birthday.

Larry Sadler has been taking therapy on his arm three mornings a week in Hereford. It seems to be helping some.

Cleo and Wendell Widner of Melrose, N.M., spent Thursday and Thursday night with Ezell and Verba Sadler.

Jazz and Alex Turnello of El Paso had been visiting with their grandparents, Glenn and LaWanda Wilson, since Saturday, Feb. 16. Their parents, Alan and Glenda Turnello, brought them. LaWanda and Glenn left Sunday right after Sunday School to take the children to meet their parents in Carlsbad, N.M.

Gerald and Pat Elkins attended the funeral services of his aunt, Imogene Fisher, Saturday in Hale Center. Gerald led two congregational songs and sang two specials.

Rev. David and Debra Fletcher attended the Pastors' and Laymen's Conference at Wayland University in Plainview on Monday. Wednes-

day, he visited with Rev. Murle Rogers in Lockney and took him and Wanda to St. Mary's Hospital in Lubbock Wednesday night, where he was first admitted to CCU, then moved to a private room Thursday. His condition was about the same at last report.

David and Gay Sadler went back to Hobbs, N.M. Sunday morning to return a car and bring back his truck to see if he can sell it here. He didn't have much luck selling it in Hobbs.

Rev. David and Debra Fletcher took an advanced CPR course Friday morning at Plains Memorial Hospital in Dimmitt. This was a requirement toward David's graduation from Wayland in May.

Pete and Margaret Grisham of Blackwell arrived Sunday night to help Ezell Sadler for a few days so Verba could get some rest. They installed an irrigation circle.

Brian Gillispie of Gruver, nephew of Rev. David Fletcher, arrived Saturday night to spend a few days with the Fletcher family.

You own your Farm . . . why rent your Health Insurance

There's a reason the Texas Wheat Producers Association sponsors AIA Health Insurance. It's because this major medical plan was designed by wheat farmers like yourself.

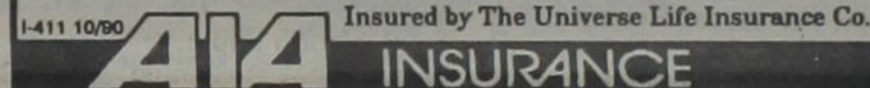

AIA's Universal Plan for Health is the first health plan that accumulates cash value.* A portion of your premiums accumulate in an interest bearing account.

An AIA agent representing the Texas Wheat Producers Association will be in Castro County calling on you during March. To take advantage of special rates during the TWPA enrollment period, speak to an agent and ask to view our video presentation.

Your opportunity will only last until April 2, 1991.

For more information, call toll-free 1-800-635-1519.

*subject to surrender charge Insured by The Universe Life Insurance Co.

15—Legal Notices

NOTICE TO RECEIVE BIDS ON CITY OF DIMMITT DEPOSITORY

Notice is hereby given as provided in Article 2544 and 1664f (V.T.C.S.) that the City of Dimmitt at its regular meeting on March 4, 1991, will receive bids from banking institutions in the City of Dimmitt that may desire to be selected as the depository of the City of Dimmitt funds. Bids will be received until 10 a.m. on March 4, 1991. Bidders should indicate specifically the method and frequency of calculation of interest rates payable on accounts and investments during the term of the contract. The bid must detail all proposed costs for printed checks and deposit slips, service charges, stop payment charges and any other contemplated charges. Bidders are notified that most city funds are in the form of trust accounts with service charges prohibited. Release of government securities during the term of the contract will be transacted as formal agenda items in regular meetings of the city council. Successful bidder will be required to enter into a written contract with the City of Dimmitt and approved by the city council within 15 days of the date of the award of the contract. All bids must state the amount of the bank's paid-up capital stock and permanent surplus and must include a statement of financial condition of the bank on the date of application together with a certified check for \$10,000 to guarantee that if accepted as city depository, it will execute the required bond. The City of Dimmitt reserves the right to reject any or all bids.

Letter

'Ag money should be spent on ag'

Dear Editor:

I believe this bit of news needs to be printed.

In the February 1991 issue of Progressive Farmer, the magazine's editor, Jack Edle, proposed a "Dumb Legislation of the Year Award" for the 1991 farm bill provision that allocates \$500,000 to fix up Lawrence Welk's old home place in North Dakota.

I think it is terrible to think our legislators would grant someone \$500,000 to rebuild a home that could be rebuilt by Lawrence Welk himself. This home has nothing to do with agriculture. Why can't the money allocated for agriculture be spent on agriculture.

Entomology team planned

County Agent J.D. Ragland and County Entomologist Kerry Siders would like to start a 4-H Entomology Team.

An orientation meeting for interested 4-H'ers will be held March 19 at 4:30 p.m. in the courthouse assembly room.

A Junior and Senior Team would be formed with four members each. Team members would learn to

identify selected insects and answer questions concerning them.

A contest for "Bug Judging" is scheduled for May 18, along with all other District Roundup contests.

MIHIA interviews set here March 7

Pregnant women wanting help with prenatal care and examinations and other aid may apply for the MIHIA (Maternal/Infant Health Improvement Act) program.

Application may be made in Dimmitt March 7 from 8:30 a.m. until noon at Plains Memorial Hospital.

Selection of participants is based on financial need.

To make cutting sticky fruits like dates, figs, or those used in a fruit cake easier, gently heat the knife or dip it in warm water.

Landlord meeting set

Panhandle Community Services will conduct a landlord meeting on March 7 at 7 p.m. at Swisher Electric Cooperative Inc. in Tulia at 401 Southwest Second Street.

This meeting is open to the public at no charge. All who are interested are invited to attend.

NISD begins parent education programs

The Nazareth Independent School District has organized a parent education program for its residents, and the first in the series of programs will be presented Wednesday night at 7:30 in the school cafeteria.

The parent education programs are made possible through a grant awarded to the school district by Chapter 1795 of the Catholic Order of Foresters.

Low self esteem, discipline problems, epidemic drug use, peer pressure, permissiveness and parent burnout were common phrases of the 1980s and they are phrases all parents are too familiar with today.

These and other topics will be the subject of a presentation by Jim Walton, director of educational programs at the Texas Parent Teacher Association in Austin. It is entitled "Parents are People, Too!" and will be presented at the Wednesday program.

Walton, who has spoken to thousands of parents across Texas, is concerned about what he believes is a rising feeling of frustration by parents.

"Parents, good and decent mothers and fathers who care and love their children are feeling discouraged and overwhelmed by the task of trying to rear their children in the complicated and changing world of the 1990s. They are beginning to feel that they are all alone in fighting for what they think is best for their children. I believe this meeting would benefit any parent who needs that extra shot in the arm, who needs a little encouragement to keep believing in themselves as parents," Walton said.

He emphasizes that he plans to talk to "everyday, regular parents," about themselves, their children and their families.

Included will be suggestions on how to offset some of today's disturbing trends.

Breast screening clinic scheduled here Monday

The breast cancer screening program of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital of Amarillo will hold a clinic on Monday from 10 a.m. to 2:30 p.m. at Plains Memorial Hospital in Dimmitt.

for each woman seen at the clinic. The clinic provides low-cost screenings which include a breast exam by a registered nurse training in breast cancer detection teaching of breast self-examination and a mammogram.

Exams will be performed by appointment only and anyone who needs more information or wishes to make an appointment should call the Harrington Cancer Center, toll-free, at 1-800-274-HOPE (4673). Locally, for more information, contact the hospital at 647-2191.

Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are to learn and perform breast self-examinations every month, have a physical examination every year and have a mammogram according to the recommendations by age.

Funding is available through the Texas Cancer Council for screening mammography for Texas residents qualifying for financial assistance.

Early detection of breast cancer is the major goal of cancer control

Cara Delin Odom and Mike Obert

Odom, Obert to wed

Mr. and Mrs. Glenn Odom of Dimmitt announce the engagement and approaching marriage of their daughter, Cara Delin, to Mike Obert, son of Mr. and Mrs. Don Obert of Dallas.

The couple plans to exchange wedding vows Saturday, April 27, at the First Baptist Church in Dimmitt.

The bride-to-be is a 1987 grad-

uate of Dimmitt High School and a 1990 graduate of Texas Tech University. She is employed with Arthur Anderson and Co. of Dallas.

The prospective groom is a 1985 graduate of Lake Highlands High School in Dallas. He graduated from Texas Tech in 1990 and is currently employed with ITT Financial Services in Dallas.

March vows planned

Donald and Agnes Schilling of Dimmitt announce the engagement and approaching marriage of their daughter, Joyce Ann, to Frank Donald Yannuzzi, Jr., son of Frank Sr. and Jean Yannuzzi of Pittsburgh, Penn.

The couple plans to exchange wedding vows at 2 p.m. March 23

at Reese Air Force Base Chapel in Lubbock.

The bride-elect is a 1985 graduate of Dimmitt High School. She graduated from Texas Tech University in 1990 with a degree in family studies and abuses. She is currently enrolled in graduate school at Texas Tech.

The prospective groom is a 1985 graduate of Pittsburgh High School. In 1989 he graduated from the Air Force Academy in Colorado with a degree in mechanical engineering. He is a T-37 instructor pilot at Reese Air Force Base.

Following the wedding, the couple plans to make their home in Lubbock.

Ammons listed in Who's Who

Risha Ammons, a student at Texas A&M University, has been named to the 1990-91 edition of *Who's Who Among Students in American Universities and Colleges*.

Ammons, the daughter of Mr. and Mrs. Ed Ammons of Merkel, formerly of Hart, is a 1987 graduate of Hart High School. She is a senior speech communications major and has served as president of the Pre-Law Society. She is presently serving as chairperson of the Memorial Student Center Hospitality Committee, receiving the Outstanding Committee Service Award in 1990. She is a member of the Aggie Wranglers and the Honor Society of Phi Kappa Phi.

Consistent excellence demonstrated in academic achievement and service to the university was a basis for selection of *Who's Who*. The selection committee, which was appointed by the president of Texas A&M, chose 60 undergraduate, graduate and professional students who fit this description.

The student must be active in campus and community activities and show qualities of leadership, indicated by positions held in those organizations.

Centennial tree orders are due

If you want a centennial tree, you'd better order one now.

The last group of trees is being ordered today (Thursday) and each costs \$10, which should accompany your order.

To order one of the aristocrat flowering pear trees, which has been named the official tree for the 100th birthday of Castro County, individuals may go by the Dimmitt Chamber of Commerce office at 115 West Bedford.

Trees should arrive in about 2 weeks, according to Chamber of Commerce Executive Director Delores Heller.

To date, 300 trees have been planted, and the centennial committee has established a goal of having 500 trees planted this year.

Masonic Lodge plans open house March 10

The Castro Masonic Lodge No. 879 has joined 940 other Masonic Lodges across Texas in scheduling a simultaneous statewide public open house between 2 and 5 p.m. Sunday, March 10.

The Castro Masonic Lodge is located at Third and Etter in Dimmitt, and Charles Vaughan, Master of the local lodge, said an open invitation is extended to anyone interested in learning more about Masonry and what Masons do.

Refreshments will be served at the lodge from 2 to 5 p.m. and at 3 p.m., a film on dyslexia and the Scottish Rites Hospital will be shown.

Vaughan noted that Fred E. Allen of Mt. Pleasant, Grand Master of the 180,000 member Masonic Grand Lodge of Texas, has defined the intent of the open house event as being "to put Masonry on display so anyone interested can see for themselves what Masons do and have a better understanding of what Masonry is all about."

Printed cards will give brief explanations of more significant points of interest about the lodge room, including some of the more prominent symbols utilized in Masonry to teach Masonic philosophy. Best known of these symbol are the square and compasses, which identify members of the craft, together with other tools of the medieval stonemasons . . . builders of the great Gothic Cathedrals.

Allen explained that to the 3.5 million Masons in the US, these symbols are reminders of a Mason's duty to live by the highest moral standards, to practice brotherly love and to affirm loyalty to his country. He said Masons believe that the quality of a man's life should reflect his faith in God and his ethical ideals.

Other Masonic-related organizations also are being invited in the open house program to provide

insight into their particular organizations. Although not active in all communities, these affiliated Masonic groups include the York Rite, Scottish Rite, the Shrine, the Grotto, the Beausceant, Order of Eastern Star, Daughters of the Nile, Daughters of Mokanna, Order of DeMolay for Boys, Order of Rainbow for Girls, and Job's Daughters, the newest entry into Texas.

Allen cited the event as a first in Texas, in which various Masonic and Masonic-related groups join in public display of their respective regalia and symbols in a blend of colorful pageantry open to all.

He declared an all-over objective is to help dispel the misconception many people have that Masonry is a secret society. He pointed out Masonry does not conceal its existence, principles or aims. Members proudly wear the square and compasses and other Masonic insignia, and Lodge buildings are well identified and often made available for appropriate community activities.

Masons collectively provide more than \$2 million a day and thousands of hours of service donated to worthy causes, including more than \$750 million every year for charitable activities.

Members of the Castro Masonic Lodge and other associated Masonic bodies will be on hand to answer questions during the open house.

Correction

In last week's issue of the News, Justin Gleghorn, who exhibited the top lamb and steer at the 1991 Castro County Junior Livestock Show Feb. 16, was incorrectly identified in a front page outline as Justin Nelson.

The News regrets the error. Also in last week's issue, the Dimmitt Young Farmers ran an ad thanking individuals and businesses for their support at the stock show and sale, but the names of Bud Hill and Terry Hill were omitted. The Young Farmers extends its thanks to the Hills.

Museum group plans meeting

The board of directors for the Castro County Museum will hold their regular monthly meeting tonight (Thursday) at 6:30 p.m. at the museum.

Deaf Smith REC to refund \$2 million at annual meeting

Deaf Smith Electric Cooperative members will receive refunds amounting to a total of \$2 million at the cooperative's annual meeting and dinner Tuesday night beginning at 5 at the Hereford Bull Barn.

A fish, chicken and beef dinner will be served and the Florida Boys, in a return engagement, will provide the entertainment follow-

ing the meal. Wholesale power refunds account for \$1,537,728 of the total and capital credits from 1975 and 1976, and \$462,272 makes up the remainder of the refund.

A short business meeting to elect three directors will follow the Florida Boys' first performance. Another highlight of the evening's activities will be drawings for door prizes totaling over \$1,000, including a color television set.

The Florida Boys, again this year, will provide the evening's entertainment. The group has been together for over 40 years. Along the way, they have established some impressive landmarks. They were hosts of the gospel music

television program, the *Gospel Singing Jubilee*. They were the first Southern Gospel group signed by Canaan Records when Word Records began that division in 1964. They are among a select few who have stayed in the business for more than 40 years and are in a class by themselves when it comes to productivity over that many years.

The Florida Boys sing 50 weeks of the year at concerts all across America. They have performed in over a dozen foreign countries and co-host a singing cruise each year to the Bahamas. They perform at most of the key events in Southern Gospel Music year after year.

Lint Merritt is honored

Lint S. Merritt of Dimmitt, an area dealer for Northrup King Co., was recently recognized for outstanding 1990 sales achievement at award ceremonies held Feb. 16 at the Inn of the Mountain Gods in Ruidoso, N.M.

Northrup King recognizes dealers at three levels for both sales volume increase and net sales increase. Award winners receive personalized plaques with gold, silver or bronze medallions.

Merritt and his wife, Connie, were presented with the Most Valuable Partner Silver Sales Award for net sales increases.

According to District Sales Manager Floyd Boone, "Merritt earned his award by selling more than seed. He gave customers a high level of personal service, including agronomic assistance."

Merritt was among 12 area dealers presented with awards.

1991 CRP sign-up to begin Monday

The 10th Conservation Reserve Program (CRP) sign up will begin Monday and will continue through March 15.

Under the new CRP program, bids on eligible land will be accepted based on environmental benefits obtained per dollar of cost to USDA's Commodity Credit Corporation.

Secretary of Agriculture Clayton Yeutter cautions producers that they shouldn't rely on bid amounts which have been accepted in previous years when making their bids.

Land eligibility requirements

will be expanded from past sign ups to include not only highly erodible land, but also other cropland acres that reduce the impairment of water quality or improve wellhead protection. Wellheads are sources of water for municipalities.

Bids also are expected to be accepted for areas which have been determined to be a source of water quality problems. To increase water quality benefits under the CRP, producers offering areas such as filterstrips, sod waterways, shelterbelts and contour grass strips will receive additional consideration during the bid evaluation process. Bids for enrolling wetlands will not be accepted during this sign up.

CRP bids will be accepted only for contracts beginning in 1991 and bid acceptance determinations will be made after a nationwide review and evaluation.

Selection will be based on the environmental benefits received from placing the land in CRP when compared to dollars of cost.

USDA needs 30 days to evaluate and accept a bid, but acceptance is not binding on either the producer or USDA until the contract is signed.

50% cost-share assistance will continue to be available to establish needed permanent vegetative cover on accepted acreage.

Further details will be made available in the near future.

Four meetings to feature new farm bill

The 1990 Farm Bill and the 1991 Farm Program will be explained to Castro County farmers through a series of meetings throughout the county this week.

The second of the four meeting series will be held tonight (Thursday) at the Hart High School cafeteria.

Nazareth's Legion Hall will be the site for the third meeting, scheduled for Monday at 8 p.m. and the Dimmitt City Hall has been reserved for the final meeting, set for Tuesday at 7:30 p.m.

The first meeting was held Monday night at the Easter Community Center.

The 1991 Farm Program sign-up period begins March 4 and continues through April 16, according to Scotty Abbott, county executive director of the Agricultural Stabilization and Conservation Service.

Farmers must make an appointment before they come by the ASCS office to sign up in the 1991 Farm Program, Abbott said.

"I would like to encourage everyone to attend at least one of the meetings," said Scotty Abbott, county executive director of the Agricultural Stabilization and Conservation Service.

"There are numerous changes in the 1990 Farm Bill versus the 1985 Farm Bill," he added.

OM going to regional

The Odyssey of the Mind teams from Dimmitt Middle School and Dimmitt High School will compete against other teams in the region Saturday at the Texas Tech University Activity Center.

Teams and their performance times are listed below.

The Buggy Lite teams are involved with battery-powered vehicles. The middle school team will perform at 9:20 a.m., followed by

the high school team at 10 a.m., both in the University Center Ballroom.

The Pompeii teams must present an original performance. The high school team will perform at 2:20 p.m. and the middle school at 3 p.m., both in the University Center Allen Theater.

Super Collider teams are challenged to design and build a weight-bearing structure. The mid-

dle school performance will be at 2:20 p.m., followed by the high school at 4 p.m., both in University Center Rm. 13.

The Transformation team from the middle school will perform at 3 p.m. in the University Coronado Room. Their task is to show how something changes.

The public is invited to observe the competition performances.

Public School Week set for March 4-8

March 4-8 is designated as Public School Week, and the schools in the county welcome patrons and parents to visit the classrooms and see how the educational system operates.

In Dimmitt, activities will include special music presentations by the kindergarten and first grade classes. Each class will perform a program of patriotic songs and activities, including a red, white and blue mini-parade.

Music teacher Avie Lewis said the program will be performed during the regular music period of each homeroom, and parents are invited to just walk right in. The music room is located behind the stage area of the west cafeteria at Richardson Elementary.

Music times are slated on Monday, Wednesday and Friday for Sanders's class at 8:30 a.m., Wood at 8:50, Vail at 9:16, Bell at 9:36, Keith at 10:20, Smith at 10:44 and Rogers at 11:04 a.m.

On Tuesday and Thursday, the schedule begins at 8:30 a.m. for Carter, 8:50 for Shannon, 9:16 for Turner, 9:36 for Byrnes, 10 for Matthews, 10:20 for Roberson, 10:44 for Teaschner and 11:04 a.m. for Salinas.

Hart Independent School District has planned a tour, "meet the faculty" hour and several programs during Texas Public Schools Week,

which begins Monday and continues through March 8.

On Tuesday, from 6:30 to 8 p.m., a student program will be held. After the program, parents are invited to visit the classrooms. At 8 p.m. parents and others attending will have an opportunity to meet the faculty, tour the facilities and view some of the students' accomplishments.

Schools will distribute special invitations to parents and local residents to visit classrooms and watch the educational process at work.

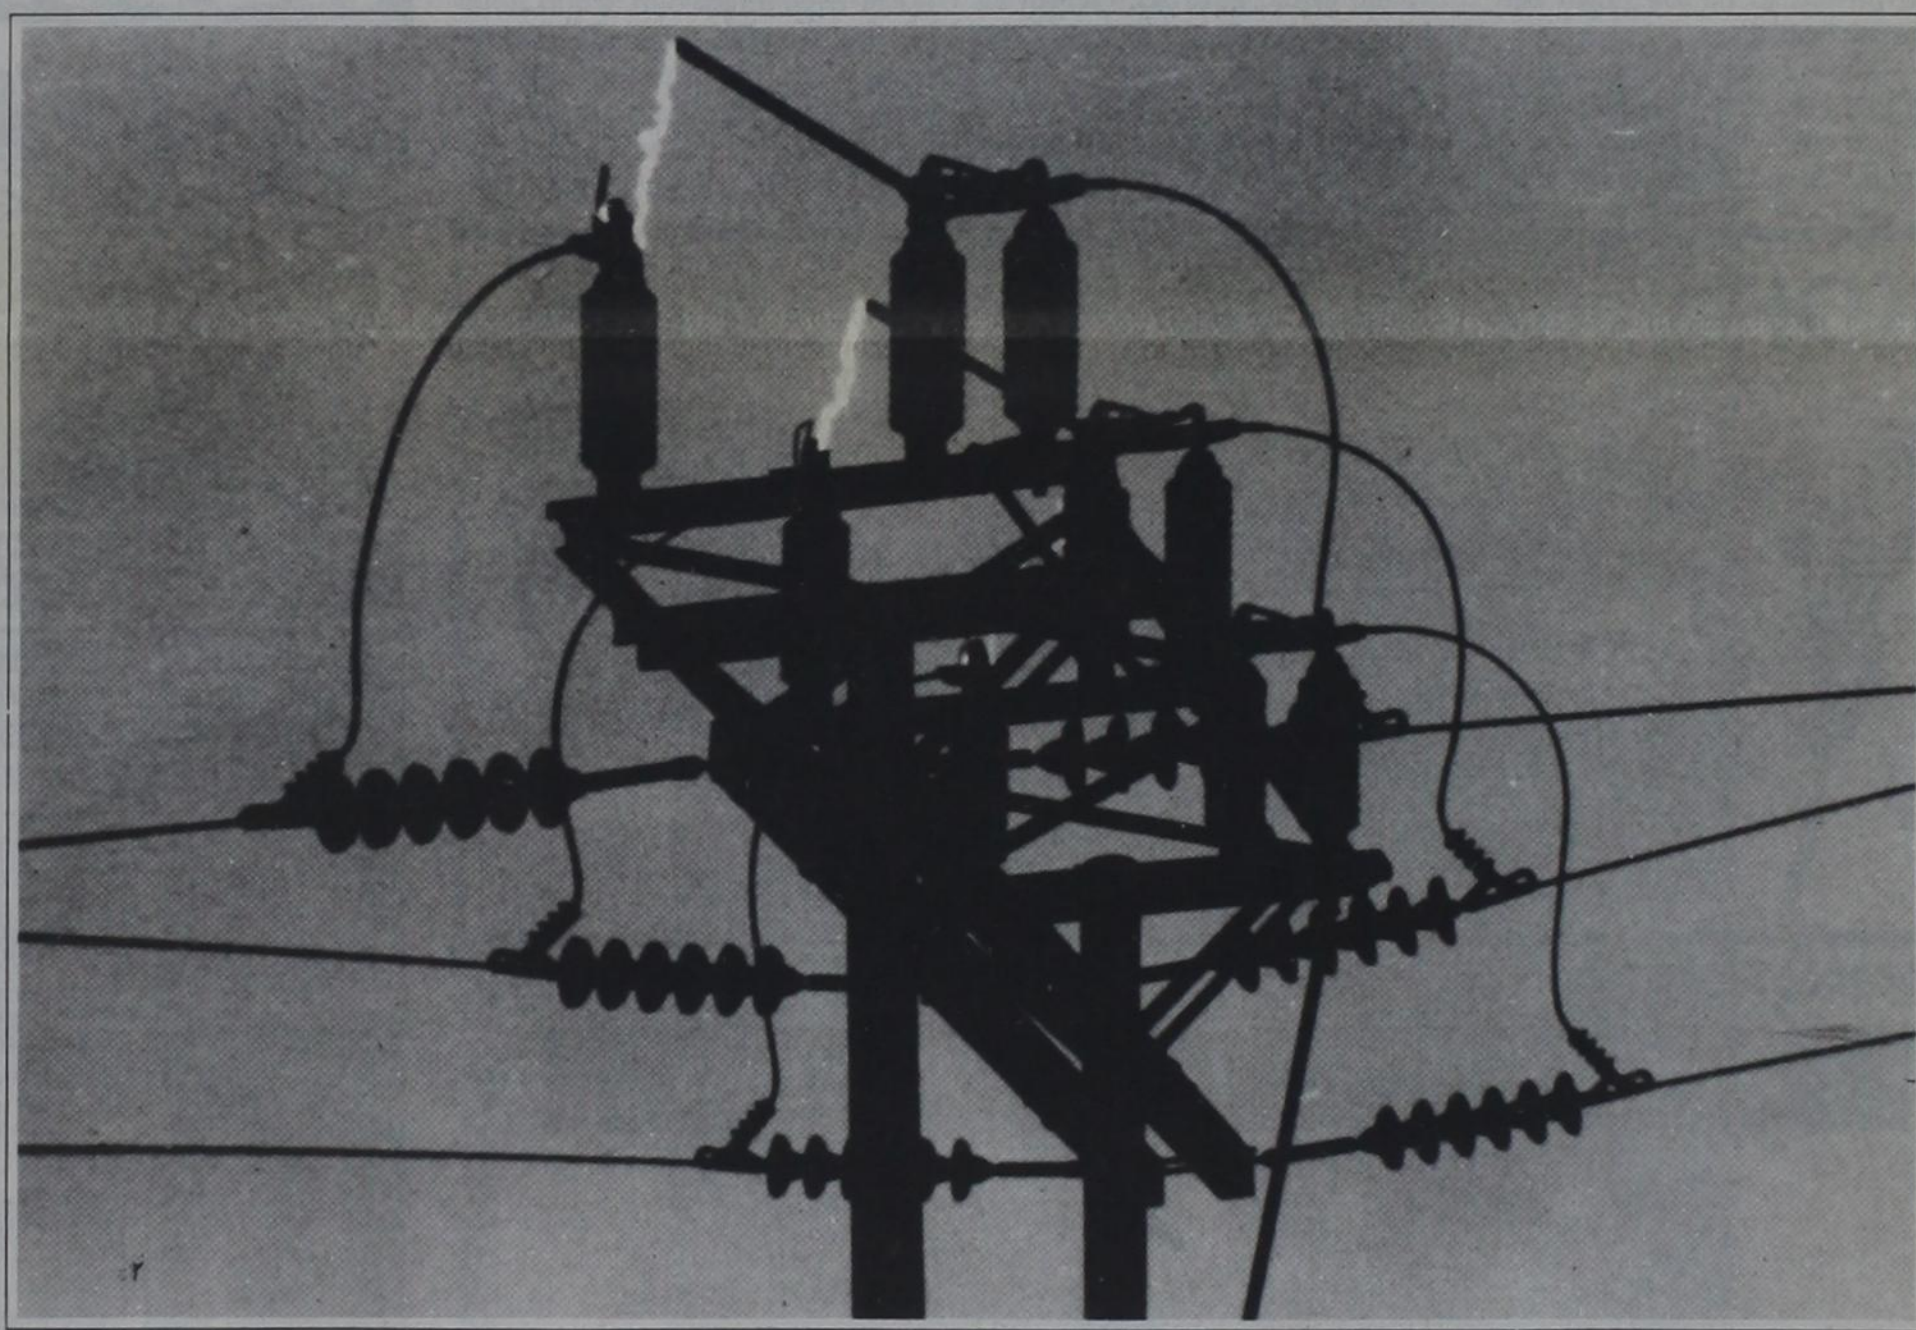

"Of course the community is always welcome in our schools, but this week is especially exciting because our school district is highlighting its leaders this week," said Toni Robertson, administrative assistant with the Hart ISD. "All classrooms from elementary through high school will be hosting open house activities.

In Nazareth, parents and taxpayers are invited to visit classes, ask questions about education, and evaluate the school programs.

Texas Public Schools Week was organized in 1950 by Masonic Lodges of Texas to recognize the contributions made by the state's free system of education and it's held on the first full week of March each year.

Class A Area

Swifts edge Chillicothe, 55-54

Chillicothe learned a valuable and hard lesson Tuesday night at the hands of the Nazareth Swifts. You don't concentrate on one of the Swifts' perimeter shooters because there are two more that can strike you down with pinpoint accuracy.

The Swifts hit six treys during Tuesday night's area matchup with Chillicothe at Clarendon College, and that, along with clutch free throws in the final minute, allowed the Swifts to upset the state-ranked Eagles, 55-54.

Chillicothe came out running a box and man defense on Nazareth's three-point shooter, Wade Hoelting, and that left Adrian Farris open. Farris responded by nailing three treys in the opening stanza.

After that, Chillicothe switched the defense and concentrated on Farris, but then Hoelting found his

mark. Nick Johnson added one, too.

Then Chillicothe had to pull out and honor each Nazareth guard and that left the middle open. Enter Scott Huseman, who scored six of his points from offensive rebounds.

"I'm going to take my chances four-on-four if they're matching up in a zone situation," said Nazareth Coach Mark Makeever. I just think it's a lot of court to cover with four people, even if we only have four. We've got to many shooters and too many good inside guys for teams to do that on us."

Makeever added that it was tough for his offense to go against that defense because it was new to them.

"You know we work and work on our regular zone offenses and regular man offenses, and all of a sudden the guys were getting openings where they normally didn't

and they're getting shots wide open where they normally don't. I just told the guys we had to attack. If they had they shot, they needed to take it. If the post was open we needed to get it inside and we did. It just took a lot of ball movement and patience."

In the first quarter, the lead saw-sawed back and forth six times before Chillicothe eventually prevailed with a 20-19 lead. Nazareth never held more than a two-point lead, but the Eagles went up by as many as three at one point.

The second quarter was more of the same.

Chillicothe had a three-point lead with three minutes left in the quarter, but Lynn Nelson cut the lead to a point when he sank two charity tosses after being fouled by R. Hankins. Huseman drove the base-

line and scored with 1:25 left to give Nazareth a 29-28 lead, then Hoelting gave the Swifts the biggest lead of the game when he nailed a three-pointer with 1:01 left to give his team a 32-28 edge. Chillicothe scored three more points in the last minute to cut the margin to 32-31 as time ran out in the first half.

The Eagles made an early run at the Swifts in the third quarter and Nazareth found itself down by six points, 40-34, with 3:43 left and Makeever called a time out.

That's when Chillicothe switched its defense and was concentrating on Farris.

After the time out, Nazareth chipped away at the lead, but the Swifts were still down 41-44 at the end of the stanza.

"I pulled Adrian back out of

there a little bit, they forgot about him, and he came back in and scored a bucket."

Farris' bucket came at the opening of the fourth quarter. He rushed in from behind the half court line where he had been sending his guard on a chase, caught a pass just inside the three point line and launched a shot that cut the Chillicothe lead to 43-44. Neither team scored again until Huseman hit the offensive boards with 5:03 left, scored, and gave the Swifts their first lead of the second half, 45-44.

Huseman's basket started a 100% field goal spurt for both teams. Each team hit three straight buckets in a one-minute span before anyone missed. The Eagles hit two in a row just under the three minute mark to take a 52-49 lead and Nazareth called a time out.

Stidham scored with 2:25 left and that bucket put his team up by five, but Johnson came in off the bench and hit a trey with 1:13 left to cut the lead to two points, 52-54. The Swifts called another time out to talk things over with 38 seconds left and when the teams returned to the court, the heroics began. Nelson stole a pass and was fouled by J. Tole. He sank both ends of the one-and-one opportunity to knot the

game at 54 with 16 seconds left and Makeever signaled for a time out again.

Johnson fouled Chillicothe's T. Lankford on the inbounds pass, but the Eagle missed the charity toss and Schmucker rebounded, drove the length of the court and was fouled on a layup. He missed the first free throw, but the second sailed through the net to give the Swifts a 55-54 edge.

With five seconds left, Chillicothe called a time, and set up a last second shot, but the ball bounced off the right side of the rim and the Swifts pulled out the win.

"We put Nick in as a post and I told him if he had the opportunity to pop out and look for that three pointer he should take it. He did that, put it home and that cut their lead in half and really turned the game around for us," Makeever said.

"When Lankford went to the line, I told the guys no matter if he made it or missed it (free throw), we had to push it up the floor. Schmucker got the layup, took the ball and drove it down. He made the play, but put a lot more pressure on himself by missing the first free throw. He hit the one that counted."

Bowie dashes Bobcats' hopes

The playoff trail came to an end too soon for the Bobcats Tuesday night as the tall, disciplined Bowie Jackrabbits turned them back, 64-59, in the area championship game at Snyder.

The Jackrabbits' 6-4 post Brady Fitzner and 6-5 forward Chris Cornelison controlled the boards and combined for 43 of Bowie's points. Their inside play, coupled with the Jackrabbits' ball-control attack, proved to be too much for the shorter Bobcats.

"We knew Dimmitt's press was going to be hard to handle," said first-year Bowie Coach David Hanebutt. "It was a matter of whe-

ther we could overcome their press with our height."

The Bobcats played without their inside strong man, Robert Ruiz. Although 6-2 Lincoln Stewart and 6-2 Richard Newman battled valiantly in the paint and teamed with 5-10 Billy Ray Thomas to jam Bowie's inside attack after the opening quarter, they couldn't gain control of the boards from the big Cornelison-Fitzner tandem.

"Ruiz would have been worth 15 points to us against that team," the disappointed Cleveland lamented.

You could say the Jackrabbits earned their five-point victory at the free-throw line, hitting 11 of 15

while the Bobcats connected on only six of 14.

"I've been preaching all year that you have to hit your free throws in the playoffs," Cleveland said.

Or you could say they won it in the sluggish third quarter, when they outscored the Bobcats 11-6.

But mainly, it was David vs. Goliath, and this time Goliath won.

The Jackrabbits established control early, scoring on their first seven trips downcourt while limiting the quicker Bobcats to three baskets. During their opening act, the Jackrabbits managed to fend off the Bobcats' full-court press and picked off virtually every rebound.

hopes

"We shot real well at first," Coach Hanebutt said. "When we hit our first seven in a row, that helped our confidence a lot."

"Dimmitt was tough," Corneli-

Swiftettes beat Happy for Region 1-A title

The Nazareth Swiftettes had a lot to prove Saturday night, and after 32 minutes of basketball, they accomplished their goal—they proved they can beat Happy and return to the state tournament for the fourth consecutive year.

Nazareth didn't let Happy have a lead the entire 32 minutes of the Region 1-A championship game at the South Plains College Texan Dome in Levelland, and walked away from the gym with a 41-32 ticket to Austin.

Earlier this year, Happy ended the Swiftettes record of 152 district victories by hitting a shot at the buzzer to claim a 28-26 victory in Nazareth and the Swiftettes were out for revenge.

They got it Saturday night. "The girls felt like they had a lot to prove tonight," said first-year Nazareth mentor Denese Skinner. "It was tough on them losing like they did at home and losing the district streak. I feel like they came out tonight ready to play and I don't feel like there was any way they were going to allow what happened in our own gym to happen here (regional)."

Senior all-state guard Noel Johnson, who led all scorers with 17 points, said the Swiftettes entered the game with a "very positive attitude."

"After the last game we were

very upset," Johnson said. "We were just ready to get after them tonight and we did it."

The Swiftettes dominated the boards, pulling down 22 rebounds to Happy's 12.

Nazareth scored first and never looked back. They never relinquished the lead or allowed Happy to tie the score.

When Monica Kleman scored at the 3:29 mark in the first period, she gave Nazareth an 8-2 lead. But that was all Nazareth would get in the stanza and the team had to settle for an 8-5 lead after the first eight minutes.

Peggy Huseman converted a three-point play with 4:10 left in the first half that started a Nazareth run which led to a 21-12 halftime lead. Johnson anchored the run by scoring seven points in a little over two minutes, and Janay Johnson canned a three pointer to complete the effort.

Happy's leading scorer, Janale Stocket, was held to 14 points—seven in the first half—and Skinner contributes the defensive success to the whole team.

"We had to stop Stocket tonight if we wanted to win. It was a team effort to control her. She's such a super player, you can't control her one on one. We had five girls helping out on her and that's why we won," Skinner said.

Happy came out "bombing" in

the third quarter, shooting three pointers and long twos from everywhere on the floor.

And it got the Cowgirls back in the game by cutting Nazareth's lead to three points (27-24) at the end of third quarter.

"They moved Stocket from post to wing and I felt like that hurt us because that left us in a position where Monica had to guard her one-on-one.

"We know they were going to come out and shoot the ball from the perimeter in the second half, but I didn't think they could beat us from there."

Skinner was quick to add that Happy's change to an outside game wasn't what hurt her team.

"We were playing a little loose and we were shooting the ball a little too quick in the third quarter. We just didn't execute our offense and score."

Nazareth scored five quick points to open the stanza, expanding its lead to eight points, then hit free throws down the stretch for the win.

The Nazareth Swiftettes overcame a less than spectacular shooting performance in their first two games of the Region 1-A tournament to claim victories, but it was tough-and-go for a little while.

The Swiftettes downed Channing 37-21 in the quarterfinals Friday afternoon, then dug in on defense to claim a 50-28 victory over Anton in the semifinals Saturday morning.

The Swiftettes' swarming defense held Channing's leading scorer, Cassie Blout, to four points in the quarterfinal victory enroute to the 37-21 win.

Nazareth's attack was paced by Peggy Huseman and Jodi Johnson, who scored eight points apiece, and by Jill Pohlmeier, who scored seven.

Nazareth jumped out early and used five first quarter free throws to take a 16-10 lead at the end of the stanza.

The second half of the second period was all defense and Channing kept the game close by allowing Nazareth just four points in the stanza. Amy Hill snared an offensive rebound and scored to cut Nazareth's lead to four points with

7:42 left in the first half, but Nazareth answered with four straight points to go up 20-12. However, that was all Channing's defense would allow. Nazareth's defense was just as stingy, allowing Channing just one more basket—an offensive rebound and bucket by Blout at the 4:24 mark—to hold on to a six-point half time lead, 20-14.

The third quarter was the charm for the Swiftettes.

A balanced offensive attack scored 11 points in the quarter while Channing could manage just five points. That meant Channing found itself down by 12 at the end of the stanza and time was running out.

Channing wasn't ready to give in, though. The Lady Eagles came out in the fourth quarter and didn't allow the Swiftettes a single point until Huseman canned a turnaround jumper with 3:50 left. After that it was all Nazareth.

Noel Johnson scored with 2:17 left and Huseman added another basket with 1:23 left to give Nazareth its final margin of victory,

37-21. The Swiftettes had a little trouble Saturday morning against Anton, but it faded away before time ran out in the opening eight minutes and the Swiftettes had squeaked out a 7-6 lead.

Anton had the Swiftettes down 3-0 early in the contest, and didn't allow the defending state champs a single point until the 4:37 mark when Noel Johnson hit one of two free throws. Monica Kleman tied the game at 3 with 2:46 left, then the Swiftettes outscored Anton 4-3 in the rest of the stanza to take the lead.

Nazareth gradually started rolling in the second quarter, but only managed to come up with a 20-13 lead at halftime.

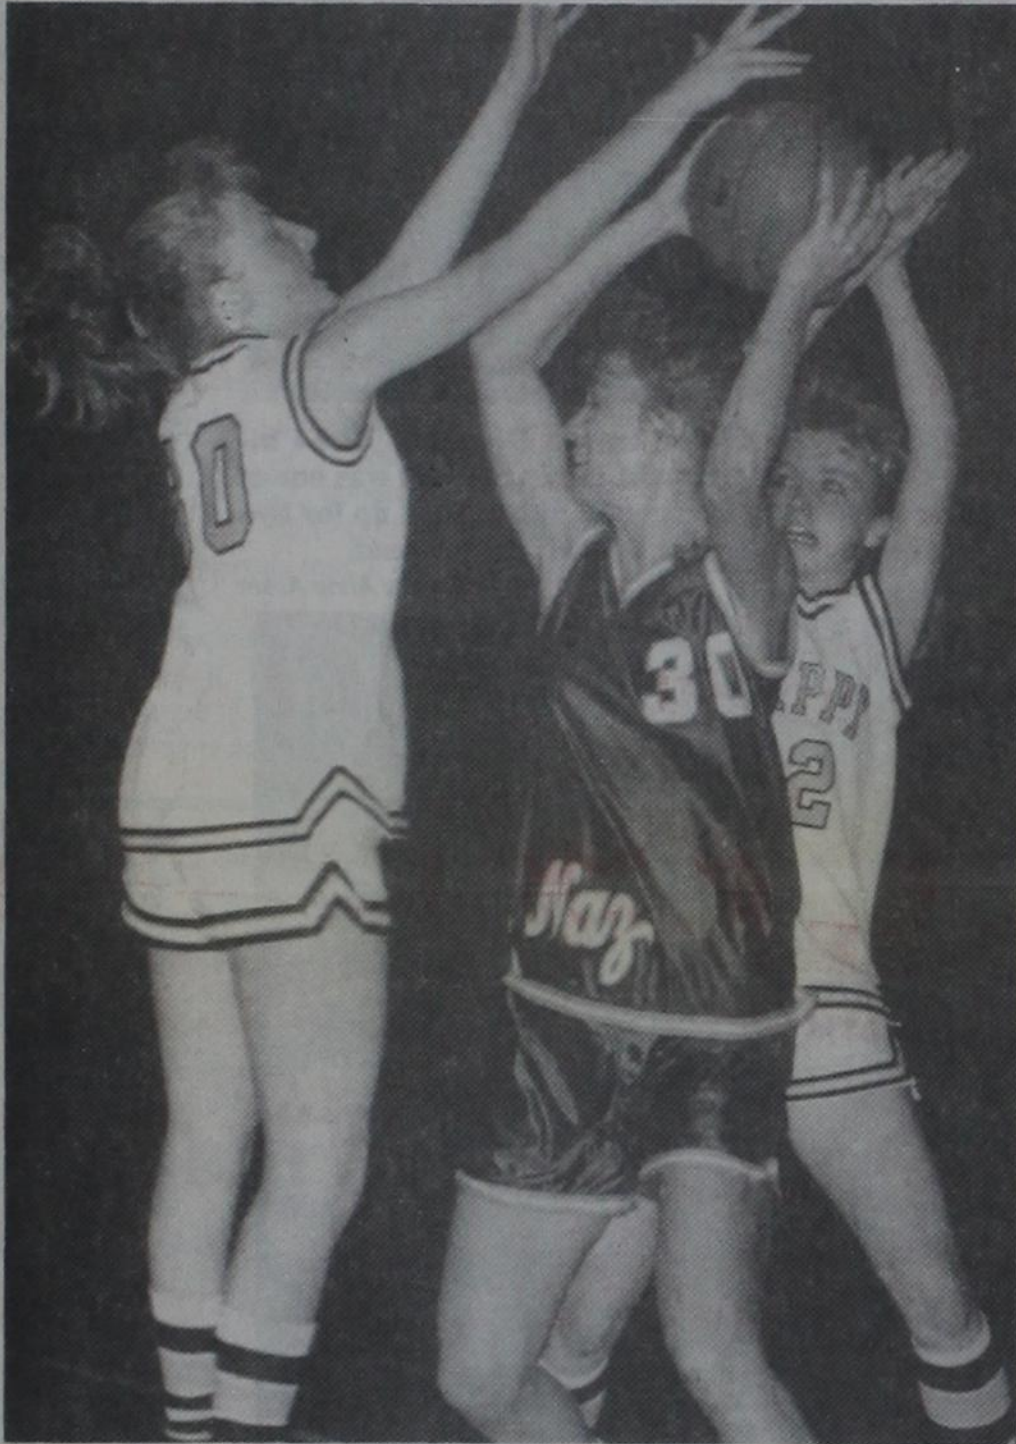

The second half was a different

story—it was all Swiftettes. After a poor 39% shooting percentage from the floor in the first half, the Naz girls rebounded with a strong second-half performance to shoot 45% for the game.

The Johnson girls, Noel, Janay and Jodi combined to score eight points in less than three minutes to give the Swiftettes a 30-17 lead with 3:50 left and Anton Coach Alan Seay called a quick time out.

He tried to regroup his girls during the brief intermission, but Nazareth had already found its mark and the Lady Bulldogs couldn't stop them. At the end of the third eight-minute segment, the Swiftettes were up 36-25.

The Swiftettes outscored Anton 14-3 in the final eight minutes to claim the win and earn a spot in the championship game Saturday night.

MONICA KLEMAN (30) looks for an open man after she is double-teamed inside the paint by Happy's Elaine Moudy (30) and Christy Payne (42) during action in the Region 1-A championship game Saturday night at South Plains College's Texan Dome in Levelland. Kleman found Peggy Huseman on the other side of the basket and Huseman was able to score an easy basket. Nazareth went on to win its fourth straight regional championship by defeating the Cowgirls 41-32. Photo by Anne Acker

Bi-district

Swifts race past Memphis, 74-65

The Nazareth Swifts dominated the boards, shot 47% from the floor and pressed Memphis into turning the ball over 10 times enroute to the Class A bi-district championship last Thursday night.

Nazareth dominated every facet of the game through three quarters of play and held a 15-point lead headed into the final eight minutes of play.

But Memphis put together a run in the fourth quarter and Nazareth had to battle for its season's life and a 74-65 victory at the Caprock Activity Center in Amarillo.

Adrian Farris paced the Swifts' scoring with 17 points while teammate Wade Hoelting kept the nets hot, hitting four three-pointers and four free throws to finish with 16. Scott Huseman added another 12 for the Swifts.

The Swifts opened the game on fire, hitting 53% of their field goals in the first half.

A 50% field goal performance in the first quarter included three treys and that helped Nazareth gain control of the game.

Two of Hoelting's treys, another one by Farris and a three-point play (layup and free throw) by Nick Johnson boosted the Swifts to a 21-13 lead at the end of the first period.

Huseman went to the bench with two personal fouls late in the opening stanza and Nazareth Coach Mark Makeever had to rearrange his offensive lineup.

Michael Schmucker and Trey Johnson moved to post and promptly scored four and two points, respectively, in the first 1:40 of the second stanza to give Nazareth its biggest lead of the game, 25-15. Farris scored seconds later, boosting the lead to 12 points and Memphis called a time out.

After the break, Memphis scored a quick bucket and stayed even with the Swifts for the remainder of the half, but still found itself down 41-28 at halftime.

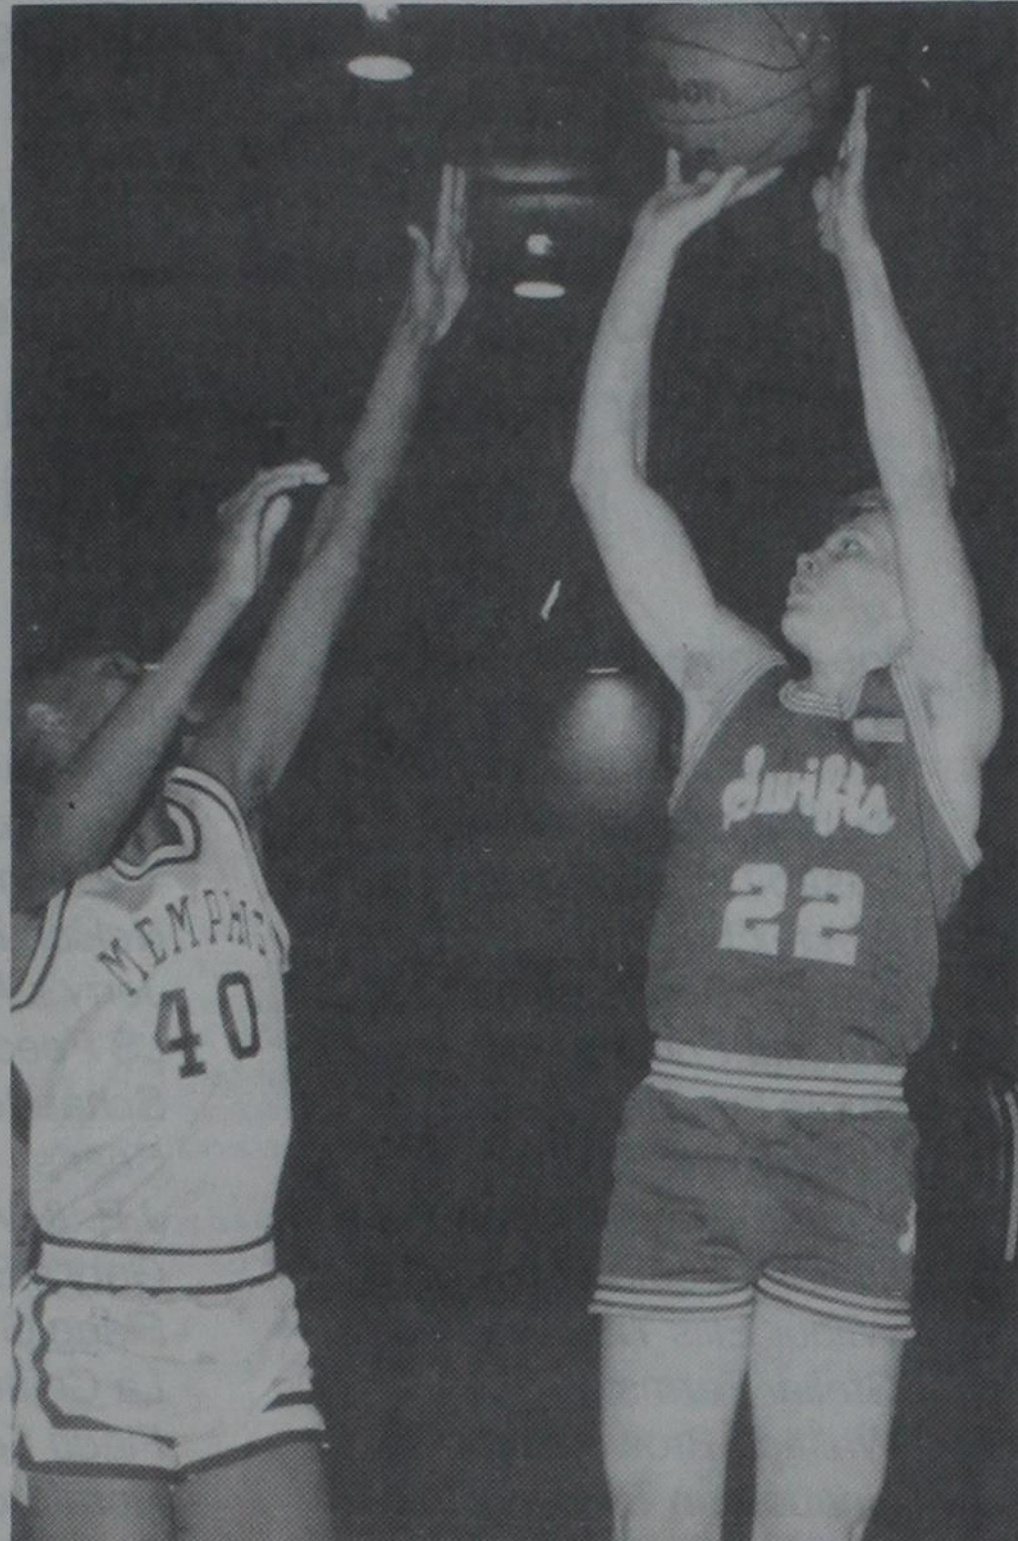

Nazareth came out after inter-

mission and scored at will in the first two minutes to take a 49-30 lead, their biggest of the game, but the Cyclones whittled it to 15 points (60-45) at the end of the period.

"I was surprised we had a 19-point lead at that point (in the third

quarter). We really had to play outstanding to get that," Makeever said. "But when we start playing, our kids play hard and we're going to come out and get you."

After Hoelting nailed a three-pointer seconds into the final quarter, things seemed to go sour for the Swifts.

TREY JOHNSON (22) scores against Memphis' Larry Johnson (40) last Thursday night to give Nazareth a 29-17 lead with 4:55 left in the first half of a Class A bi-district clash at the Caprock Activity Center in Amarillo. Johnson had just pulled down an offensive rebound before scoring. Nazareth built up a 19 point lead, but had to stave off a late Memphis run in the fourth quarter to hold on for a 74-65 victory and the right to advance to the area round of the playoffs.

Photo by Anne Acker

Nazareth was held scoreless for almost six minutes and during that time, Memphis managed to cut the lead to four points, 63-59, when Jay Runnels scored with 3:33 left.

That's where the score stayed until Nazareth's Lynn Nelson banked in a three-pointer from the top of the key with 1:54 left in the game. Fifteen seconds later he was

fouled on a shot and calmly dropped in two free throws to give his team a 68-59 lead. Nelson added another pair of free throws and Hoelting added four down the stretch to seal the 74-65 win.

"We needed to get the ball to Scott (Huseman) inside and we didn't do it," said Makeever. "I knew Memphis was the type of

team that would make a run at us if we had a letdown and that's what happened. When somebody takes 13 or 14 points off of your lead it can get you down. I've seen teams crack under the same circumstances. But we stayed together and made our free throws. I'm just proud of these guys. They showed a lot of guts down the stretch."

ON TARGET—Dimmitt's Lincoln Stewart crashes the boards, snares an offensive rebound and puts it back up and in for two points during second quarter action Friday night in a Class AAA bi-district showdown with Perryton at the Caprock Activity Center in Amarillo. Stewart snared the rebound over Perryton's Charlie Cano (32), Clay Junan (34), Pingez (22) and Brock Barnes (44). Dimmitt dominated the Rangers throughout the contest to claim an 81-64 victory. Class AAA bi-district

Third quarter surge lifts Cats over Perryton, 81-64

A 10-point run at the end of the third quarter boosted Dimmitt from an eight-point half time lead to a 60-39 margin after three periods of play; then the Cats coasted through the final eight minutes to claim an 81-64 Class AAA bi-district victory over Perryton at the Caprock Activity Center in Amarillo.

The victory moved the Cats one step closer to the regional tournament. They were scheduled to take on Bowie Tuesday night with the winner earning a spot in the Region 1-AAA meet this weekend.

The Cats dominated the boards, out-rebounding Perryton 37-26, and Coach Kenneth Cleveland said that was definitely an advantage in the game.

"Robert Ruiz and Lincoln Stewart really hit the offensive boards early in the game and if it wasn't for that, we might not have had a lead," Cleveland said.

The Cats turned seven offensive rebounds into 14 points in the first half, allowing for a 39-31 lead at intermission.

Perryton jumped out first and held a 5-2 at the 6:43 point in the first quarter when Brock Barnes nailed a three-pointer. That was the last lead Perryton would see.

Dimmitt chipped away until it was up 6-5 when Ruiz scored off of an offensive rebound and outscored Perryton for the remainder of the stanza.

The Rangers got hot in the second period, though, and cut the lead to six points, 26-20, when Ruiz

fouled Clay Julian with 5:55 left. He sank both ends of a one-and-one situation, but after that Dimmitt settled down and was quick to build its lead back up until it stood at 39-31 when the buzzer sounded signalling intermission.

The Cats put the game away in the third quarter, outscoring the Rangers 21-8 to grab a 60-39 lead.

Richard Newman came off the bench to score back-to-back buckets to give Dimmitt a 54-39 lead with 38 seconds left, then Miguel Saucedo converted a three-point play, sinking a short jumper and a free throw after he drew a foul on Barnes. That put the Cats up 57-39, but they weren't through yet.

Billie Ray Thomas stole an in-bounds pass, Armando Arce blocked a shot and Jermaine Williams canned a three-pointer at the buzzer to give Dimmitt a 60-39 lead after three periods.

Perryton tried a late rally midway through the fourth period, but the closest they could come to Dimmitt was 11 points and the Bobcats held on for the win.

Three Bobcats scored in double figures including Saucedo, who turned in game-high performance of 21 points; Williams, who scored 19; and Stewart, who managed 18. Perryton was paced by Barnes' 24 points and Charlie Canno and Julian, who scored 15 apiece.

Cats finish fourth in Canyon Relays

The Dimmitt Bobcats brought home three first place ribbons to finish fourth overall in the Canyon Eagle Relays in Canyon Saturday.

The 1,600-meter relay team of John Ortegon, Chris Cowen, Levi Reynolds and Michael Ethridge finished first with a time of 3:30.2; Coby Heller captured first place and set a new school record in the pole vault with a jump of 14-8; and Michael Ethridge earned the gold in the 400-meter dash, finishing with a time of 50.31.

Art Velasquez finished second in the discus with a throw of 140-8 and Reynolds was fourth in the 800-meter run, clocking 2:09.78.

Borger won the meet with 112 points, Tulia was second with 102, Canyon was third with 99 and Dimmitt finished fourth with 52.

In the junior varsity division, the Cats finished fourth with 54 points behind the first place efforts of Barron Walker in the 400-meter dash (54.73) and the 1,600-meter relay team of Walker, Simon Billegas, Carlo Ontiveros and Raymond Limas (3:47).

Billegas finished second in the 100-meter dash with a time of 11.75; Ramon Limas time of 2:16.72 in the 800-meter run was good enough for third place and the 400-meter relay team of Walker, Billy Williams, Mario Castillo and Billegas finished fourth in 48.45.

Sixth place finishes were recorded by Julian Gill in the 3,200-meter run (12:11.31) and in the 1,600-meter run (5:23).

Canyon Randall was the winner in the JV division, scoring 114 points to Canyon and River Road's 56 each.

Quarterly report shows county spending is up

(Continued from Page 1)
 authorized Davis to talk to them. Davis said he also would research

the situation with Nazareth. Smith requested court approval for use of county equipment on the

property of Steve Brantley for two hours of work to be paid at the rate of \$75 per hour. The other commissioners approved the request, provided that Smith confirm that the

work will be for soil conservation measures and the public benefit, rather than to just benefit Brantley. Simpson asked Smith whether he understood what soil erosion work

is, and Smith replied that he didn't. Davis read from the law describing in general terms what would be considered soil erosion work, and the others cautioned Smith to use those guidelines in determining approval for use of county equipment.

In reviewing job related expenses and trips, Smith again submitted a bill for extra mileage he incurred on a recent trip to San Antonio, listing part of it for viewing roads in Haskell County. He told the other commissioners that he spent one night of the trip with his uncle, and spent two nights in his car.

Pct. 3 Commissioners Jeff Robertson told Smith that they could not pay the expenses for him to go visit relatives, and Simpson reminded him of proper procedures for turning in trip expenses and showing receipts, etc. The additional mileage expense was rejected again.

The commissioners gave approval for Smith to attend a Workers' Compensation Workshop this week, and Simpson reminded him again to turn in receipts and mileage if he wanted reimbursement from the county.

Smith made a motion to divide the money, machinery and future money between precincts judiciously and equitably, with Pct. 1 receiving 40%, Pct. 2 with 25% and 17-1/2% each to Pct. 3 and Pct. 4.

County Auditor Shirley Brockman said the motion was inappropriate since the fiscal year's budget had already been set, and could not have major changes until the next fiscal year. The motion died for lack of a second.

Smith asked the commissioners to approve a form for landowners to sign to donate caliche to the county, so that he would not have to bring each instance up before the court. Davis reminded Smith that according to the Attorney General's opinion received by the county, an individual commissioner cannot accept a donation individually, but it

must be approved by the whole court.

Smith inquired whether the other commissioners were interested in following condemnation procedures to obtain additional caliche material from landowners. The others pointed out to Smith that if the material is condemned it would have to be purchased by the county at the appraisal price.

"First you had people willing to donate the material, and now you want to buy it?" Robertson asked.

Smith said he only wanted to know the others' feelings on the matter, and all three said they were against condemning the material to obtain it.

Simpson told the other commissioners that Smith had brought in a list of 19 items to be placed on the agenda and she had requested that he select the two most important to be included on the agenda.

Davis said that each commissioner has the right to present items for the agenda, but that they should try not to go back over things already considered unless there has been a change in the situation or in the opinions of the court members.

Simpson showed the others the list of Smith's proposals and asked if there were any they wished to discuss.

Smith said he wanted to discuss purchasing water for application on roads in his precinct.

Simpson agreed to place the matter on the agenda of the next meeting.

 The girls spent the rest of the game watching Cathy, and seeing for themselves how well she knew the game.

Cathy was only four or five years older than many of her players when she started coaching at Nazareth in the fall of 1975. That could have posed some problems.

But she handled it. She was the boss. She wasn't their chum. She was Miss Wilson. She was their coach, and they were her students. This formality extended even to the girls' names. She wouldn't use their nicknames. For instance, everyone knew Rosie Schulte as Rosie. But to Miss Wilson, she was Rosemary.

She taught them how the game is supposed to be played. They weren't afraid of hard work, and were willing to learn.

And learn they did. That first bunch won the regional championship and made it all the way to the state tournament, then lost a tough game in the first round to the eventual state champions.

They were Elaine Schulte, Rachelle Pohlmeier, Cheryl Hartman, Karen Schulte, Glenda Gerber, Lynora Braddock, Vera Birkenfeld, Rosemary Schulte, Cindy Schach-

er, Carol Hochstein, Beverly Heck, Colleen Gerber and Germaine Pohlmeier.

No Nazareth team had ever done so well.

But they were disappointed. Being next-best wasn't good enough.

You never saw a more determined bunch of girls than the next year's team. They were Glenda Gerber, Doretta Ramackers, Ladonna Brockman, Cindy Schacher, Marlene Huseman, Dianne Hochstein, Michelle Acker, Rosemary Schulte, Colleen Gerber, Karen Schulte, Rachelle Pohlmeier, Cheryl Hartman, Lynora Braddock and Germaine Pohlmeier.

These were the girls who won Nazareth's first state championship, in 1977.

Then the Swiftettes won another. Cathy Wilson moved on to Slaton, and eventually became the Flying Queens' coach. In the meantime, she talked Joe Lombard into taking the Nazareth coaching job.

The Swiftettes kept winning state championships.

Joe moved on to Canyon and his assistant, Sandy Oliver Heiman, took over.

And the Swiftettes kept winning state championships.

Now they're in Austin again, this

time under first-year coach Denise Skinner — another Lombard protege.

Several of this year's Swiftettes were born the year that first bunch went to Austin. During their entire lifetimes, the Swiftettes have failed to win a state championship only three times. But each of those three times, they were still among the top two or three in the state.

By Don Nelson

Those stars on the warmup jackets—they aren't brag. They're fact. And they aren't there just for show—they're symbols of honor for those who have gone before.

Those older Swiftettes up in the stands, and these younger ones on the floor—they're sisters. They share something special.

That's what the stars are all about.

Child Services needs volunteers

Budget cuts, increasing needs and heavy case loads for Child Protective Services workers of the Texas Dept. of Human Services have spurred local volunteers to form a network to relieve part of the burden.

Volunteer training and orientation was held last Thursday by Mary Lynn Brown, Community Services Coordinator for the CPS office in Amarillo. She stressed the need for confidentiality to the 10 who attended the session.

A local CPS board spokesman said that other orientation sessions may be arranged in the future if additional volunteers express interest in helping in efforts that contact clients of the department, such as being a big brother, big sister, or a

sponsoring family (remembering birthdays, being available to talk on the phone or take out for a coke), or even performing filing chores for the caseworker.

Help is also needed in non-contact areas that do not require orientation, such as donation of money, clothing, furniture or storage room for these items.

Recent situations in which volunteers have helped included supplying dishes and linens for a struggling mother who was doing without and babysitting a couple of young girls without a mother during their hospitalization.

Those interested in volunteering or making donations may contact local CPS board member Clara Patton at 647-4115.

Bobcats lose . . .

 son said. "There weren't any easy baskets. I'm glad we could pick it up against them. We used to play a slow-down game, but this year we picked it up, and that helped a lot tonight."

After Bowie moved to an 11-2 lead and Stewart canned Dimmitt's first inside basket, a pair of 5-9 senior guards—Dimmitt's Jermaine Williams and Bowie's Bobby Miller—put on a long-bomb clinic, trading four three-pointers in a row to make it 10-17.

A three-point play by Fitzner gave the Jackrabbits their biggest lead of the game, 20-10, at the 3:00 mark, but Miguel Saucedo canned a jumper, Williams popped another trey and Armando Arce completed a three-point play to bring the Bobcats within four, 18-22.

After a pair of free throws by Miller, Scott Acker launched an 11-0 Dimmitt run that carried into the second quarter and gave the Bobcats a 29-24 lead. Thomas popped a three-pointer, Williams scored two quick baskets on one trip down-court and Newman netted a 10-footer during the run.

The Jackrabbits retaliated with a 12-3 run on three baskets by Cornelison—including a trey—plus a 15-footer by 6-1 wing Thomas Reed and another three-pointer by Miller.

Newman closed the second quarter with a tip-in and a follow shot during a flurry in the final 23 seconds to leave the score knotted, 36-36, at halftime.

After Thomas opened the third quarter with a layup, the two teams sparred for almost two minutes until Fitzner hit a pair of free throws at 5:32. Stewart sank a 15-foot jumper to give Dimmitt a 40-38 lead, but then Cornelison, Reed and Fitzner combined for nine points before Stewart got Dimmitt's third and final basket of the quarter with 15 seconds left.

With a 47-42 lead, Bowie opened the fourth quarter with a slow, deliberate stall, but the Bobcats forced them out of it as Williams and Saucedo did all of Dimmitt's fourth-quarter scoring. The Bobcats pulled within a basket at 57-59 on a trey by Saucedo at the two-minute mark, and again at 59-61 on an 18-footer by Williams. But that was Dimmitt's last basket.

Fitzner rolled in a rim-ringer from six feet with 40 seconds left, then hit a free throw with 10 seconds remaining to close out the scoring as Dimmitt's final three shots rimmed out.

It was the Bobcats' first loss to a Class AAA team this year. They closed out their bi-district championship season with a 28-7 record.

Police Calls

Castro County Sheriff's Deputies are continuing investigation into the theft of at least 15 head of cattle from Smith Feed Yard near Easter back in November or December. The theft only recently came to light, and deputies said employees of the feed yard are implicated in the felony charges.

A 21-year-old Dimmitt man has

been returned to Castro County from Washington state, where he was picked up on a warrant detailing felony charges of theft and theft of cattle, and misdemeanor charges of criminal mischief. He remains in jail on bonds of \$5,000 and \$7,500 and \$1,000 on the respective charges. He allegedly was involved in the theft and cattle theft ring that resulted in several indictments issued late last year.

A 37-year-old Dimmitt man is being held under \$20,000 bond on felony charges of aggravated assault stemming from an incident last year in which the man allegedly assaulted his wife with a knife. He was picked up on a warrant in Georgetown, and also has DWI charges pending in Swisher County.

Misdemeanor theft by check charges were levied against a 20-

year-old Dimmitt man and he remained in jail Tuesday under \$750 bond.

A 26-year-old Dimmitt man was arrested for making a false statement on an application to obtain a driver's license and for making a false statement to obtain a driver's license. He was assessed a \$75 fine on each charge and opted to lay out the fines with jail time.

A jacket and two knives were found at the Dimmitt High School

football field Sunday afternoon by two juveniles who turned the items in to police.

Two accidents were reported in the past week.

Saturday night, a 1969 Buick parked in the 600 block of Southwest Third Street in Dimmitt was damaged by a 1980 Olds driven by Louisa Maria Silva, 19, of Dimmitt.

Silva was ticketed for backing without safety, failure to maintain financial responsibility, and no

driver's license. The owner of the parked car, Alberto Carrion, 28, of Plainview, was cited for failure to maintain financial responsibility.

Around 12:30 a.m. Sunday, a gas meter and pipeline leading to the Primera Iglesia Bautista Mexicana on Northeast Seventh Street were damaged by a vehicle that left the scene of the accident. Damage to the meter was estimated at \$200, but a dollar value of damage to the church's gas pipeline was unknown. Investigation is continuing.

Obituaries

Lorene Tittle

Services for Lorene Tittle, 70, of Hot Springs, formerly of Dimmitt, were held last Thursday at the Gross Funeral Home Chapel with Rev. Wesley Howard, officiating.

Burial followed in Morning Star Cemetery.

Mrs. Tittle died Feb. 18.

She had been a Dimmitt resident from 1956 to 1967. She was a homemaker and a member of Sulphur Springs Missionary Baptist Church. She was chief judge of the election committee, Sulphur Springs Township and was a member of the Sulphur Springs Home Demonstration Club.

Survivors include her husband, Alvin Tittle of Hot Springs; a son, Tommy W. Tittle of Hot Springs; two sisters, Eunice Williams of Grover City, Calif., and Lois Jones of Hot Springs; and one grandson.

Memorials may be made to the American Cancer Society and Sulphur Springs Missionary Baptist Church.

James Stewart

Services for James B. Stewart, 83, of Muleshoe, were held Wednesday in St. Luke's Baptist Church in Muleshoe with Rev. Arthur Hayes, pastor of the Progress Second Baptist Church, officiating.

Burial followed in Muleshoe Cemetery Hilltop under the direction of McCarty Funeral Home.

Mr. Stewart died at 9:42 a.m. last Thursday in Muleshoe area Medical Center after a sudden illness.

He was born in Navarro County and had lived in Dimmitt before moving to Childress in 1981. He moved to Muleshoe in October 1990. He was a US Army veteran of World War II and was a retired carpenter. He was a Baptist.

Survivors include a son, Bobby Moss of Fort Worth; three daughters, Bernice Carter of Long Beach, Calif., Betty Stewart of Farwell and Barbara Ann of Dallas; a half-brother, Herron Washington of Muleshoe; four grandchildren; and four great-grandchildren.

The family suggests memorials be to the American Heart Association.

Paul Warren

Vigil services for Paul D. Warren, 65, of Amarillo, former Nazareth resident, were held Monday in Blackburn-Shaw Martin Road Chapel.

Services were held Tuesday in St. Laurence Cathedral with the Rev. Ed Sweeney officiating.

Burial followed in Llano Cemetery under the direction of Blackburn-Shaw Martin Road Funeral Home.

Mr. Warren died at 4:20 a.m. Sunday at his home after a lengthy illness.

He was born in Lubbock and moved from Nazareth to Amarillo in 1979. He married Mildred Kitten in 1948 at Slaton. He was a farmer and also worked as a van driver for the railroad as well as a local seed company. He was an Army Air Corps veteran of World War II. He received a bronze star, the Army of Occupation ribbon, the German Victory ribbon and two overseas service bars.

Survivors include his wife; a daughter, Janet Costa of Roy, N.M.; five sons, Clyde of Wichita Falls, Stanley of Shallowater, Bruce of Arlington, Glen of Plano and Dennis of Albuquerque, N.M.; a sister, Wanda Groves of Lubbock and 16 grandchildren.

The family suggests memorials be to St. Anthony's Hospice and Life Enrichment Center, P.O. Box 950, Amarillo 79176-001.

Santiago Garcia

Santiago Garcia, 78, of Dimmitt, died Feb. 18.

Services were held last Thursday in the Spanish Church of Christ with Pedro Gonzalez, minister, officiating. Burial followed in Westlawn Memorial Park under the direction of Foskey Funeral Home.

Mr. Garcia was born in Robstown and had been a farm laborer and a member of the Spanish Church of Christ. He was preceded in death by his wife, Filomina Lara, and a son, Frank Garcia, in 1989.

Survivors include four brothers, all of Robstown, three grandchildren including Elizabeth Saenz of Dimmitt; and eight great-grandchildren.
