

## SEEN OR HEARD

We don't know whether you know it or not but the Ranger Junior Chamber of Commerce sponsored Tri-County Livestock show is just a little more than a month away.

The Jaycees have been sponsoring this show to stimulate interest in farming and ranching in this area as one of their yearly projects. Dates for the show are March 21-22.

So if you have any top livestock that you want to enter you can start grooming them now for the big show in March.

Prizes and ribbons will be awarded to the exhibitors of the best stock at the show.

Things are sure in a state of excitement among the members of the Quarterback Club's committee preparing for the banquet tomorrow night.

All the boosters of the college and high school football teams will be there with their bells on to give the one's that will graduate a resounding send-off; and the one's who will play again next year a little boost to help them in '52'.

A lot of these school kids have gone Rebel. You are seeing more and more of these Johnny Reb hats floating around atop bobbing young heads.

The latest we noticed was one on Arthur Camacho working at Cantrell's service station. Wonder if he would service a car from north of the Mason-Dixon Line?

After the Jaycees made arrangements with Frank Mariani and Duke Gibbs to produce their show here in July; Mariani told the members at the meeting Monday night that the chips would be down when he puts on a show here in his home town.

Mariani said if he didn't put on a good show here his reputation would be ruined, no one would hire a man who couldn't produce a show for his friends and neighbors.

We believe that the Jaycees Roundup will be bigger and better this year than ever before. With good performances from year-to-year giving the rodeo a good name, more and more people will be bringing their family and friends to see the best in the cowboy world at work.

Charles Massagreed tried out his "crippled wing" the other day, took his first steps since he broke it in the Dublin game.

You couldn't tell where his mouth ended and his ears began for the smile on his face.

## CC Directors To Spark Membership Luncheon Monday

The two Scout troops will attend in a group a special Scout Sunday church service on Feb. 10. They are also planning window displays depicting scout work this week, as well as a Court of Honor to be held jointly by both troops to present awards earned by the Scouters.

## Woman's Body Found In San Antonio River

SAN ANTONIO, Feb. 6 (UP)—Police detectives today questioned the husband of a brutally stabbed woman whose nude body was found yesterday in the San Antonio River.

Mansell W. Elder, 43, was arrested at his apartment last night for questioning in the pre-dawn killing of Mrs. Florence Elder, the man's attractive 41-year-old wife.

Police Detective Sgt. Eddie Campa said Elder last night told officers he was home at the time his wife was murdered and her body thrown in the San Antonio River shallows inside the city limits.

Mrs. Elder was slashed or stabbed 31 times about the face, neck, chest, stomach and back. One breast had been mutilated and police Chief Robert Allen declared, "this looks like the work of a fiend—a sex fiend."

An autopsy was being conducted to determine whether the woman had been raped.

Time of the slaying was set at 1:35 a. m., on a statement by Mrs. Maria A. Fuentes that she heard screams of "don't! Oh, please don't! please don't!" Mrs. Fuentes lives in an apartment across the narrow, winding river.

Clothes were strewn along the bank. A yellow blouse and a pair of tan sandals were found in debris above a falls. The body was in a clump of bushes at the river's edge, 100 yards above the falls.

## Full House Assured For QB Banquet

Ticket Sales Chairman E. F. Arterburn said this morning they are not only running out of tickets for the Quarterback Club Banquet Thursday night, but they are standing out of any place to put them.

Taking that into consideration you are urged to act now if you intend to attend the banquet tomorrow night. If you make immediate arrangement today or early in the morning you will be assured of being able to be at the banquet.

Both of our football teams will be the guest of honor. Coach DeWitt Weaver of Texas Tech will bring with him two films of Texas Tech games this past season. To be seen at the banquet will be the TCU-Tech game and the Sun Bowl film in which Tech defeated the College of the Pacific.

Coach Weaver will bring with him two outstanding members of his last year's squad from this area. Junior Arterburn and Lewis Crossley of Eastland will come with Weaver as guests of the Quarterback Club.

President Price Crawley said in his opinion more work and effort has gone into preparing the affair Thursday night than anything that has ever been undertaken in Ranger.

Price said "we sure hit the jackpot this time on selecting our committee and getting the work done."

Tickets are one dollar and fifty cents each and can be had at the Chamber of Commerce or by calling E. F. Arterburn.

## Two Members Of Frazier Family Killed In Wreck

The wife and oldest son of T. Watson Frazier, formerly associated with the Watson Brothers Funeral Home at Strawn and a co-owner of another burial service at San Antonio, died last night in a car-truck collision near Three Rivers, Texas.

The victims were Mrs. Inez Frazier and the Frazier's oldest son, Morris Frazier. Mrs. Frazier is the former Inez Wharton of Mineral Wells.

The father, T. Watson Frazier, and the couple's one-year-old son, David, are in a critical condition at Six Hospital in San Antonio. The family was returning to San Antonio in a funeral home car, from Corpus Christi, when it collided with a truck driven by Carlos Hernandez, about 20. Police said Hernandez was only slightly injured.

## Singers Are To Meet; Mangum Condition Mrs. Caton Improved

There will be singing at Mangum Baptist church on Sunday, Feb. 10th, when a large crowd is expected to be in attendance. A good group from out-of-town has promised to attend this singing according to Tommy Nichols, who is president of the choir.

The public is invited to be present and enjoy the good music. Program will begin at 2:30 p. m.

## NEW YORK COURT CONVICTS JAMES MORAN FOR SHAKEDOWN

NEW YORK, Feb. 6 (UP)—James J. Morgan, friend and political protégé of former Mayor William O'Dwyer, was convicted last night as the mastermind of a \$500,000-a-year shakedown racket run by New York City firemen.

Moran, 50, was tight-lipped but expressionless as the jury of 12 middle-aged businessmen found him guilty of 23 counts of extortion and one count of conspiracy.

The jury returned its verdict at 9:50 p. m., just 2 hours and 15 minutes after General Sessions Judge John A. Mullen ended his charge and gave the jury the case.

Moran faces a possible maximum sentence of 44 years in jail, and a \$500 fine. Judge Mullen set March 4 for sentencing, revoked Moran's \$25,000 bail and remanded him to the Tombs Prison.

The former city official, who rose high in the administration with O'Dwyer as his mentor, is

# King Of England Dies Early Today

## Princess Elizabeth Becomes Reigning Sovereign Of Empire

By Jack V. Fox  
United Press Staff Correspondent  
LONDON, Feb. 6 (UP)—King George VI died peacefully in his sleep early today and 25-year-old Princess Elizabeth became reigning sovereign of the British Commonwealth and Empire.

The new queen, who will reign over one-quarter of the world's surface and population, was vacationing in Nairobi, Kenya, an African colony, when the death of her 56-year-old father elevated her to the throne.

She was expected to return at once to England with her husband and Prince Consort, Philip, Duke of Edinburgh. They had been scheduled to sail from Africa tomorrow for a royal tour of Ceylon, Australia and New Zealand.

Buckingham Palace announced shortly before 11 a. m. (6 a. m. EST) that the King had died unexpectedly in his sleep at his country estate at Sandringham, Norfolk, 60 miles north of London.

## CC Membership Breakfast To Be February 14

H. C. Henderson and W. F. Cressler, chairman of the Membership and Finance Committees of the Ranger Chamber of Commerce announced a membership drive for Thursday, Feb. 14.

About 65 Chamber of Commerce members will be contacted by the committees and asked to put in a couple of hours work on the membership drive.

In addition to new members, the workers will contact old members and ask them for additional financial help to meet the increased budget necessary for an expanded Chamber of Commerce program for 1952.

A Membership Breakfast will be held Thursday morning in the Gholson Coffee Shop at 7:00 a. m. The wives of the workers will receive a telegram Wednesday evening telling them not to prepare breakfast for their husbands that they will be at the membership breakfast. The workers will also receive a telephone call about 6:00 a. m. Thursday morning reminding them of the breakfast.

## Olden Wins One Drops One To Porker Quints

Olden Hornets played on the halves last night when they took one and dropped one to Desdemona's Porkers.

Olden girls lost a close game to the Desdemona group when the Hornets failed to get going early in the game. The last three quarters might have been most anybody's game, but the Hornets were too late in finding the basket.

Capt. Canet found the basket for 25 points to take scoring honors for the Hornets, with Rainey and Guthery being for the Porkers with 16 points each. Score: Desdemona 37, Olden 33.

Coach Weaver's boys leading by two points at the half, turned on the heat to take a 52 to 31 win from the Porkers.

Capt. Rowch took scoring honors with 20 points, trailed by Co-Captain Adams with 11 points, and Horn with 10 points. Lindsey turned in a nice ball game to help in the win.

Lee took scoring honors for the Porkers with 12 points.

Thursday night at 7:00 p. m. at the Olden gym, the Junior Hornets, boys and girls, will take on the Cisco Juniors in a "March of Dimes" benefit game. All proceeds will go to the fund.

## DEMOCRATS HOPE TO SQUELCH KEFAUVER IN 3 STATE RACES

WASHINGTON, Feb. 6 (UP)—Pro-Truman Democrats hoped today to squelch the early season presidential bid of Sen. Estes Kefauver by defeating him in three key state primaries.

The party regulars are counting on President Truman himself to carry the ball against the Tennessee Senator in California as well as New Hampshire. Sen. Robert S. Kerr, D., Okla., a Truman supporter, will challenge Kefauver in Nebraska.

The triple-pronged "stop Kefauver" strategy unfolded as Mr. Truman gave fresh evidence of his determination to remain in the driver's seat of the Democratic party this year, whether or not he runs for reelection.

He told a Veterans of Foreign Wars dinner here last night that he expects to have "a lot of fun" during the coming political campaign, and hopes it will have "the right result."

"When the time comes, I am going to try to tell you what the right result is," he said. But he added with a grin, "that is not an announcement."

Democratic leaders generally agreed that no clue to Mr. Truman's intentions could be read into his decision yesterday to let his name stay in the March 11 New Hampshire presidential primary against Kefauver. He previously had said he would withdraw.

But Democrats said there was a simple explanation: The president bowed to pressure from organization Democrats in New Hampshire, who said they needed the President's name on the ticket to prevent Kefauver's "irregulars" from capturing the primary.

A similar situation is developing in California, and regular Democratic leaders there are hopeful that they can "draft" Mr. Truman just as the New Hampshire faithful did. National Chairman Frank E. McKinney said he will urge Mr. Truman to run in California as well as New Hampshire.

Kerr, who is considered a candidate for the Democratic nomination in California, decided not to run, announced that he will enter the Nebraska primary against Kefauver.

## Special Meeting For VFW Thursday

The Veterans of Foreign Wars will meet Thursday evening at 7:30 at the hall.

It has been announced that this is a very important business meeting and it is very necessary for all members, ex-members and prospective members to be present at this time.

## Sinclair Offering Everyone A Chance To Take Safety Course

Olen Holloway, first aid director and safety inspector for the Sinclair Pipeline Company, stated that the Safety course he is conducting at the OWTU-CIO Hall each Tuesday and Thursday night is open to the public.

He is currently conducting one in Ranger and one in Coleman. With the Coleman course on Monday and Wednesday and the Ranger running Tuesday and Thursday.

Holloway said the course of instruction is primarily one that will help persons in all walks of life; not only those working in the oil industry. And it is designed for the man and wife to take together, so that first aid can be practiced in the home as well as on the job.

He stated that he would especially like to see the Volunteer Firemen, oil, and gas company employees and their wives enroll in the course. The name of those three categories puts no limitation on anyone else wishing to take part in the standard 18 hour Red Cross course.

If enough interest is shown the course will be extended to include the late comers in the awarding of certificates at the conclusion.

Time is from seven until nine each Tuesday and Thursday evening.

### NEW YORK WOMAN TRIES OLD CUSTOM IN A MODERN MANNER

If the experiment of a pretty, young brunette succeeds in New York City, Americans eventually may see a national revival of the coffee houses that flourished as community gathering places in the days of Benjamin Franklin.

The experiment is "The Coffee Mill," a recently opened coffee house that serves nothing but coffee—coffee of every kind, of many nations, by the potful instead of cup—and pastries.

Miss Rita Smith made up her mind one night in Greenwich Village while drinking second-rate coffee, perched at a counter on an uncomfortable stool, blinking under the blinding glare of unshaded lamps. She got to thinking how nice it would be if the coffee were delicious, if the lighting were by candle, the decor smart and restful—in fact, if everything were just right.

In Miss Smith's coffee house everything is just right.

Located within stone's throw of Manhattan's great theatre district, the Coffee Mill caters to many theater-goers who like to discuss the shows they've just seen over good coffee—and it also attracts actors and actresses who sleep late and want their early afternoon coffee and pastries in comfortable surroundings.

In furnishing her new coffee house, Miss Smith selected coffee tones, ranging from light browns to deep blacks and extending from the modern paintings on the walls to the narrow ribbon on the inner rim of the demi-tasse cups. Even the two-piece corduroy dresses of her waitresses—dresses, please, not uniforms—are the warm tan that resembles finely brewed coffee with a smidgin of heavy cream.

Fresh pastries are prepared in the kitchen by a quiet little woman from Czechoslovakia, whose recipes have been guarded family secrets for generations back. When you sit at one of the Austrian tier tables, a variety of the delicacies are arranged in the center like a baker's prize display; and as you leave, you're charged not for what you ordered, but for all that's missing!

For coffee-loving customers, the menu is a dream of adventure. Turkish coffee is brewed before the patron's eyes and the double pot transferred from cart to table. French coffees include cafe au lait and cafe diable. And one of the big favorites is the Viennese drink of half strong coffee and half whipped cream.

As in any other illness, chickenpox lowers body resistance to other disease germs. Thus, complications such as pneumonia, inflammation of the kidneys, erysipelas, and gangrene of the skin may occur, resulting in a serious illness. Chickenpox is highly contagious. It usually develops two to three weeks after exposure. After one attack, the patient is immune to the disease. Although chickenpox occurs most frequently among children less than fifteen years of age, adults, too, can get the disease if they did not have it when they were children.

The chickenpox germ gains entrance to the body through the mouth and nose. Skin eruptions of a sick person contain the germs. The disease spreads rapidly through families and schools, as an infected person can spread his germs widely by careless coughing, using a common drinking cup, towel, or washcloth. For his own welfare and to protect others the patient should stay in bed and apart from susceptible members of the household until all danger of spreading the disease is passed.

Control of chickenpox is important because the disease is so highly infectious that it attacks large numbers of children. This interferes greatly with school attendance. The control of chickenpox and all other communicable diseases depends upon the cooperation of parents with their family physicians, and school and health authorities.

Last but not least, for those less continental-minded, or those who see no percentage in trying foreign drinks when their palates are pleased enough with the familiar favorite beverage of our own country, there is plenty of rich American coffee.

Miss Smith is the first to admit that the idea is an experiment, but she's betting it will succeed. Her customers, who drop in to enjoy her fine coffees, the relaxing decor, the candlelight and muted music, are betting it will spread.

**Chicken Pox Hits More Often This Time Year**

AUSTIN, Feb. 5 — Chickenpox cases are most numerous in winter and spring days Dr. Geo. W. Cox, State Health Officer. Ordinarily, people do not consider it a serious disease. But probably the most serious factor is that light cases of smallpox and the symptoms of chickenpox are similar. Only a physician can tell the difference. At the first sign of skin eruptions, you should put the patient in bed and call the family doctor.

### JIMMY BRIDGES OF RJC LEADS PIONEER CONFERENCE SCORING

ARLINGTON, Feb. 6 — The basketball title chase in the Pioneer Conference now promises to be a three-cornered duel between the Arlington State Rebels, the San Angelo Rams, and the Schreiner Mountaineers.

San Angelo climbed to the top of the conference standings last week by defeating Ranger, 63-61, and Tarleton State, 78-47. The victories gave the Rams four consecutive wins, and they will be favored to continue their undefeated streak in a conference game with the Tarleton State Ploowboys, Wednesday.

The Schreiner Mountaineers, greatly improved by high school recruits at the beginning of the spring semester, also won a couple of conference contests last week, defeating the strong Ranger Junior College Rangers, 60-51, and wallowing Tarleton State, 82-44.

The Arlington State Rebs, idle in conference warfare for the past two weeks, will resume league play this weekend when they entertain Ranger and Schreiner at Arlington. If the Rebs win these contests, the San Angelo-ASC contest scheduled for San Angelo, Feb. 15, might indicate the title winner.

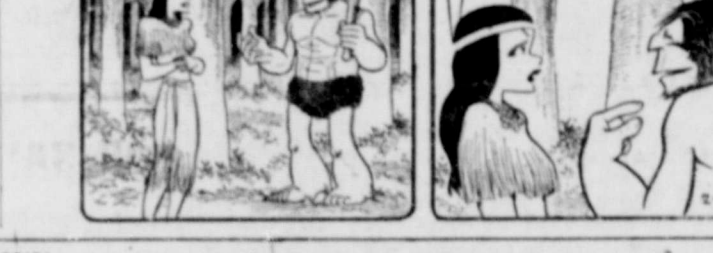

Ranger, boasting the league's leading scorer in Jim Bridges, and the Tarleton Ploowboys, paced by Robert Strebek, both appear to be strengthened for the February stretch drive, but are probably too far behind in conference standings to be title threats this season.

Jim Bridges of Ranger, with a total of 272 points in 15 games, last week replaced Glen Lewallen of San Angelo, as the league's leading scorer. Lewallen has 245 points in 14 games.

### S. S. Planning Meeting Tonight

The Sunday school department of the First Baptist church will meet at 7 Wednesday evening for their regular Council meeting and weekly planning program under the leadership of Mr. Wilson Guest, Superintendent of the school.

A special departmental program will be carried out at 7:20 with each of the departmental officers and teachers participating. The Sunday school organization is instituting a long range program that will embrace all phases of the work that is supposed to be done in a well organized and properly graded school, according to Mr. Bullock, Educational director. Each departmental Superintendent will be asked to assume an added responsibility in the overall program of the church. A poorly organized, partially functioning Sunday school has been likened into a shamblering giant, or the unharmed power of Niagara Falls that is annually going to waste.

There is no excuse for the unenlisted "Church members" continuing to remain at large and to be carried on Church rolls as "Non-Residents," says Mr. Bullock. The "better teaching" program will be conducted at 7:45 by Mrs. Perkins, and every one is invited to hear the Bible background and high points in the coming Sunday's lesson.

Prayer services will begin at 8:15 and every one is cordially invited to attend these services.

J. L. Jones of Tulsa and Mrs. Norine Redford of Muskogee, Oklahoma were unable to be home with their mother.

Richard Bonney who has been serving in Korea for sometime has been promoted to the rank of sergeant.

It was reported that his time in Korea will be up April 15 and he expects to get to come home.

### Offices Moved To New Quarters

The offices of the First Baptist Church have been moved to the newly decorated first floor of the church. Entrance is gained from the North of the building; Offices of the Pastor, Educational Director, Records, secretary and the library will all be centrally located and convenient for those who have business with or come to visit the church staff.

A cordial invitation is extended to the church membership and the many friends to visit the new offices, according to the pastor. The ground floor will also include the Junior department for both Sunday school and Training Union; the Young People's department for Sunday school and Training Union. The Library room will be arranged for reading and for small assemblies. The Gideon class will continue to meet in this room.

The library has some 1200 volumes of the finest Christian literature both fiction and non-fiction. Several scores of reference books and historical data, Bible commentaries, maps of the holy land and periodicals. There is a library service for the membership of the church and accredited cards for non-members. There is always a welcome awaiting you in each department of the church program according to Rev. Perkins.
