

SEEN OR HEARD

The Moslah Shrine Chanters of Fort Worth will present a program in the First Methodist church tonight. Persons having heard them before have stated that no finer choral group can be found anywhere than these Shriners from Fort Worth. Each of the individuals urged that everyone take advantage of this group tonight. There will be no admission nor collection of any kind.

Ranger Junior College will not hold classes tonight to allow their night students to take advantage of this opportunity and we are sure if they deem it worth turning out school for, it must be good.

The school kids get a holiday Friday when the teachers attend a convention. A majority of the students probably wish that the teachers would convene more often, especially on Friday.

Get out your fishing tackle, the weatherman says that warm weather is in store for a few days. If you can't catch fish, you can always sleep on the bank in the warm sun on a good fishing day. This early in the year the bugs won't bother, and the fish very seldom keep us awake, no telephones, radios, car horns, etc., so you can snooze till your heart's content.

Any local golfers that have not been using their clubs should join the "regulars" at the activities at the club. They are planning a number of new activities for the "cool pasture pool" players with spring just around the corner.

The fire department answered another call this morning to a home in the Gibson Addition. J. D. Phillips' home was the place and it was about 8:24 this morning when the fire broke out. Very little damage was done other than to some curtains that had blown out over the stove and caught fire.

G. B. Rush was down here this morning and told us that he is expecting a "full house" for the school program to be held Thursday night in the Recreation Building.

Public School Week to go to the lake this opportunity during school and see what the faculty and teachers are doing there for nine months.

A visit now would probably improve relations that exist between faculty and parents and make both jobs easier if we knew what little Johnny was doing at school and what is expected of him.

Bob Wills To Be In Cisco

Bob Wills and his Texas Playboys, one of the Southwest's top string bands, will play a return engagement to Lake Cisco Skating Rink for a dance on Friday night, March 7. The event is being sponsored by the Cisco post of American Legion.

The Lake Cisco Rink contains more than 5,000 feet of floor space and has recently been redecorated. A new plastic floor was put in for the benefit of area skaters. The rink is open every afternoon and night for skating.

Wills drew some 400 area dancers when he played at Lake Cisco early in February.

School Program Set Thursday Night At 7:30

Thursday night, at 7:15 in the Recreation Building a program will be presented by the various school groups of the Ranger Public Schools. This will culminate the Public School Week for Ranger.

If you have not visited one of the schools in your city, please do so before Thursday. Everyone should be interested in the Public Schools of your community and the time you give for visitation gives encouragement to the faculty.

School will be dismissed Friday, March 7, to enable the faculty to attend the Oilbelt Teachers Conference which is to be held in Sweetwater.

BAD NEWS—Rep. E. Gary Clemente (D., N. Y.) gets the bad tax news from Tax Auditor James M. Doran, left, while preparing his return for 1951 income. Clement said he was opposed to both the 1951 and 1952 tax boosts because they were designed "to make the little man shoulder most of the burden" but because of pairs he did not vote on the measures. 128 Pints Of Blood Donated To Armed Forces Yesterday

One hundred and twenty-eight pints of blood were donated to the Armed Forces by citizens of Ranger and other Eastland County towns and communities yesterday afternoon and evening.

Mrs. Angie Everett of Eastland was the first donor in line and the first one to give a pint of blood. Giving blood was no novelty for her, she gave a full gallon for use by the Armed Forces during World War Two.

Three men gave blood yesterday afternoon who presented no problem to the technicians as to which arm they would take it from. Fire Chief Charlie Isbell, Jess Weaver and Shelby Parnell, of Ranger, were among the most willing givers despite the fact that all three of them are minus one arm. The processing of the applicants who wanted to donate blood, the actual taking and handling of the donors after they had given was well organized and efficiently handled by the Red Cross personnel and the volunteer workers from this area.

Upon entering the basement of the Ranger First Methodist church each donor was given a form to fill out with questions pertaining to his or her general health, which was taken by two volunteer typists who made out donor forms. From the first room you were sent to another station where you were asked more questions and your temperature was taken. Some of the applicants were stopped here due to having a fever from some minor ailment. From the temperature station you were sent into another room where Red Cross technicians took samples of your blood for typing and your blood pressure was taken. A quick test was given your blood for iron content by putting a drop of it in copper sulphate, if the droplet of blood sank to the bottom then your blood contained iron and you were eligible to give.

From there you went to a table where you were given a flask and the number of the flask was numbered on a corresponding card with your name on it.

Then you took the flask and headed for the actual donation. Ten beds were in operation yesterday making the process quick and cutting down waiting time after you got to this point. In this screened off room you were told to lie down on a bed and your arm was cleaned with disinfectant by a nurse and the vein from where the blood was taken was located and the needle was inserted. You were given a round cylinder to hold in your hand to squeeze, a few

minutes later the flask was full, you had given your blood and you were sent on. After you left the table you were taken into another room where coffee, water, Cokes, and other fluids were given you and a 15 minute rest period of eating was prescribed. Everything was painless, no one got excited and seemingly all of the donors were enjoying themselves and getting a big kick out of giving their blood.

Ranger had set up a typing system of its own to take blood types for a master file for Ranger, and quite a number of people were having their blood typed for this file.

Eastland Pair Win Ranger's Handi-Cap Sun.

Two members of the Eastland Lakeside Country Club teamed up to capture the Ranger Country Club's best ball two-some. They were Earl Conner, Jr., and Willy Smith with a net score of 65-seven under par.

Second place with scores of 67 was shared by three teams. They were Smith-J. D. Phillips; W. R. Cole-Henry Martin; and Phillips and Bob Earnest.

Conner also shared low net in the individual bracket with a score of 78 minus a handi-cap of 6, net 72, with Pete Brashier, 84 with 12 handi-cap. The Sunday afternoon affairs are becoming very popular with the local golfers, and the club would like to extend an invitation to all golfers to participate in the activities.

France Gets New Premier

PARIS, March 5 (UP)—A little-known French politician has agreed to take on the task of guiding his country through its worst post-war crisis.

Sixty-year-old Antoine Pinay, an Independent, accepted the job of forming a new government to replace the one that fell last week over the defeat of a tax-increase bill to help pay for western defense.

Pinay faces the huge task of staving off bankruptcy under a record high budget. If he fails, France may find itself nearer to accepting General De Gaulle and his extreme right-wing followers.

APPREHENDED—This photo was taken moments after a lone gunman held up a Buffalo department store cashier for \$2,500. The bandit, Arthur S. Noworyta, was apprehended near the store by an ex-marine, one of the many patrons who gave chase. (NEA Telephoto).

119 Dead In Train Wreck

RIO DE JANEIRO, Brazil, March 5 (UP)—Casualties in what is believed to be the worst train wreck in Brazil's history are estimated at 119 dead and more than 250 injured. The accident occurred yesterday 25 miles from Rio de Janeiro at the height of the morning rush. Authorities said a passenger train derailed on a bridge and another commuter train smashed into the derailed coaches.

A near tragedy was averted in Gary, Ind., when two crowded commuter trains collided. A total of 65 persons were injured. Six were hospitalized but not seriously hurt.

The accident occurred when a train from Chicago slipped through an open switch, ramming the rear of another train stopped at a station. Witnesses said casualties might have been higher if the moving train had not slowed down at the station.

In Manchester, England, a double-deck bus went out of control and smashed into a line of school children. Four were killed and six seriously injured. The casualties ranged in age from six to 12 years. Witnesses said it was raining heavily when the bus struck an Army truck and then careened out of control.

Ridgway Offers Jap Premier His Personal Plane

TOKYO, March 5 (UP)—Gen. Matthew Ridgway has offered the use of his personal plane to fly Japanese Premier Yoshida to the scene of yesterday's earthquake and tidal waves. The UN supreme commander has also offered to do "anything" he can to help.

An American Air Force plane has dropped 1000 blankets in the stricken area where 10,000 victims have been left homeless in the face of a bitter sleet storm. However, washed-out roads and rail lines are hampering the delivery of medicine which authorities say must arrive soon if epidemics are to be avoided.

Besides the homeless, at least 200 persons are listed as dead, missing or injured.

Loyal Democrats Blast Shivers At Austin Gathering

AUSTIN, March 5 (UP)—The "Loyal Democrats" of Texas have accused Governor Allan Shivers and Democratic National Committeeman Wright Morrow of aiding an anti-Truman coalition plot to elect a Dixiecrat president, and a Republican vice president of the United States. The executive secretary of the Loyal Democrats, Fagan Dickson, assailed the governor and Morrow at a meeting in Austin last night. He linked both with the "King Makers" who, he said, "have little regard for the people's will." He charged that this kind of action "is Un-American."

The state chairman of the loyal group—Walter Hall of Dickinson—sniped at Shivers for backing the presidential candidacy of Senator Richard Russell of Georgia, but balked at accepting the renomination of President Truman.

Howard Payne Service Band To Desdemona

The Life Service Band of Howard Payne College, Brownwood, will be at the Desdemona Baptist Church at both services Sunday, according to Mrs. R. C. Knoice, of that city. The students have not announced their program, but those who know them, know that there will be treats in store.

The public is invited to hear them at either or both services.

American Base In England Is Swept By Fire

SHAFTSBURY, England, Mar. 5 (UP)—Fire destroyed four blocks of barracks at an American Air Force camp at Shaftsbury, England, today.

Several Air Force men received minor burns trying to rescue belongings at the camp which is called "Gateway to Britain" because all Air Force men and their families arriving in the United Kingdom pass through it.

Officials say there is no question of sabotage.

Moslah Shrine Chanters Sing Tonight At First Methodist

Shriners, Masons and their friends and neighbors will be honored by a visit of H. Ward Collier, in connection with the Musical Evening provided by Moslah Shrine Chanters at the Methodist Church on Wednesday, March 5th at 8:15 p.m.

Nobel Collier is well known throughout Masonic Circles as one of the leading Masons of the South. He is Past Master of two Masonic Lodges, Past Officer in all York RITE Bodies, Past District Deputy to the Grand Master in the 44th District, Past District Deputy to the Grand High Priest of the 17th Chapter District, Past Grand Visitor of the 17th Council District, Member of the Grand Commandery Advisory Committee. He is a 33rd Degree Scottish RITE Mason, being Inspector General Honorary of the Southern Jurisdiction, and is Master of the 27th Degree in the Dallas Consistory.

Nobel Collier has been Recorder of Moslah Temple for over 25 years in addition to all these other Masonic offices and was Potentate in 1948. He is affectionately referred to as "Mr. Moslah" by Shriners throughout this region. He will address you briefly on a

El Paso Will Get Pay For Ft. Bliss Kids

AUSTIN, March 5 (UP)—The Third Court of Civil Appeals has ruled that the El Paso Independent School District should receive \$15,000 dollars credit under Gilmer-Aikins Laws, for education of children for Fort Bliss. The Appeals Court ruling reversed a decision of the 26th District Court in Austin. The court's opinion rendered judgement for the El Paso School District, establishing the Fort Bliss Military Reservation as part of the District. It declared that school district's right to receive an additional \$15,000 dollars for the 1950-51 school year in foundation school credits.

NATO Said To Be Replacing United Nations

OTTAWA, Canada—The External Affairs Minister of Canada says the North Atlantic Treaty has taken the place of the United Nations as the main hope for peace.

In his 1951 report to his country, Lester Pearson said the countries in the NATO grew in strength and solidarity last year, with a resulting improvement in the international situation.

On the other hand, Pearson said, the U-N General Assembly failed to give the people of the world the security they thought it would provide.

Churchill To Face Test Of Party Budget

LONDON, March 5 (UP)—Britain's Prime Minister Winston Churchill places his government on the block today in the House of Commons. The Conservative leader will defend his more than 413 million dollar rearmament budget against a lack of confidence motion by the Labor Party.

If the motion should be approved, Churchill would have to resign. But even labor members concede the Conservative Party majority in Commons means almost certain victory for Churchill.

Reds Lights Shut Off In Berlin Today

BERLIN, March 5 (UP)—West German officials pulled electric switches in Berlin today and plunged parts of the Russian zone into darkness.

The action was in retaliation for Communist power cuts in West Berlin. And the whole thing may seem to have been arranged on the Reds. Officials said West Berlin lost only 100-thousand kilowatt hours daily from East German sources while Communist areas are losing six times that amount in electrical power.

Greyhound Strike Not Likely To Be Ended Soon

SAN FRANCISCO, March 5 (UP)—Settlement of a seven-strike against the Pacific Greyhound Lines appears more remote today. The AFL Motor Coach Employees Union has sent its negotiators home from meetings in San Francisco and advised members to find other employment. The negotiators walked out after a bitter deadlock developed over union demands for a five-day week and other benefits.

Russian Chiefs Meet In Moscow

MOSCOW, March 5 (UP)—The Supreme Soviet of the Soviet Union, Russia's Parliament, has opened its yearly session in the Great Hall of the Kremlin, formerly the throne room of the Czars.

Some 50 nationalities are represented. Many of the members wore colorful native costumes. The session is expected to last about a week. Its principal business probably will be the adoption of this year's budget.

2-Way Radio In Sheriff's Office

The 2-way radio station for the sheriff's department of Eastland county is being installed this week. The station proper is located on the top floor of the courthouse with the aerial on top of the building. Messages may be sent to and from the sheriff's office on the ground floor.

County patrol cars also have 2-way equipment.

Dallas, Brownwood, Abilene, Stephenville and other points have already been contacted. Cisco is also constructing a station, and it will be only a matter of a short while until most towns in the area will have these facilities. Should there be a robbery in Eastland, every sheriff within a radius of about a hundred miles would have the message within ten minutes after the robbery.

It will be a great aid to law enforcement, R. J. said.

ASC President Denies Asking Prof. To Resign

ARLINGTON, March 5 (UP)—Arlington State College President E. H. Hereford says English professor Kenneth Rockwell resigned of "his own free will" after being accused of telling obscene stories in class at the college.

Rockwell—who is an associate professor of English, asserted yesterday that Hereford told him it could resign or be fired. Hereford denied this, saying he didn't ask for Rockwell's resignation.

Rockwell has termed the accusations "ridiculous," and says he plans to make formal protest through his attorney with the board of directors of Texas A & M College, Arlington is part of the A & M system.

Truce Talks Deadlocked

PANMUNJOM, March 5 (UP)—The latest session of truce talks at Panmunjom made no progress. No dent has been made in the deadlock over policing an armistice or the one over exchange of prisoners.

In fact, about the only hopeful development came when the Reds hinted they would consider a new list of 174 allied troops believed to be held captive but not appearing on the enemy's official prisoner list.

Meanwhile, American Sabrejet pilots downed five enemy jets and probably destroyed a sixth in a dogfight over North Korea. It was the biggest bag of enemy craft since January 25th, when 10 were felled.

Low Pressure System Over Gulf Mexico

By United Press
Mild, well-behaved weather is the picture in Texas today, but the US Weather Bureau says a low pressure system is picking up Gulf of Mexico moisture, and may bring it northward "within a few days." The rain is desperately needed to stem a drought which caused the U. S. Department of Agriculture to declare all of Texas a "disaster area," insofar as farming is concerned. However, the weatherman cautiously noted that the showers don't show on current weather maps. It is partly cloudy this morning, and considerably warmer weather is forecast during the afternoon.

Forecasters said light drizzling rain will fall in the Panhandle and Pecos Valley regions tonight, but added that it will be of little aid to agriculture. Low temperatures this morning ranged from Amarillo's 23 degrees to 60 at Brownsville.

And despite recent rains, the U. S. Department of Agriculture office in Austin said the state's drought is still unbroken over the western half of the state. The USDA said in its weekly crop and weather bulletin today that wheat has made "fair to good progress in North Texas, and in Southern wheat countries of the High Plains."

However, the bulletin said the crop is only holding its own in the Northern Panhandle. The report said oats, winter legumes and pastures in the eastern part of the state are "coming along fast." It said recent rains have been very beneficial to the blackland eastern counties.

MORE PRECIOUS THAN RUBIES

THE VISIT: Alma Conroy, designer for an exclusive firm, The House of Trumbull, is afraid her husband Tommy, who recently inherited a promotion at The Home...

It was true, Alma Conroy thought. White Marie's department, where gems were appraised, and the storage room for repairs adjoined and both opened off the same little corridor into which there was no approach except through the reception-counter door.

In both rooms row upon row of cabinets containing shallow, partitioned drawers stood elevated upon a short row of steps caused by a slight difference in the street level, and it would take an agile thief indeed to reach these cabinets and make a getaway, the more especially so as the two departments often worked together and an intruder would have been sure to encounter either White Marie, Mrs. Denton, or one of two trusted secretaries.

woman investigated and cabled to London for details and a confirmation. "And the woman—is it that she is not a real Bronx?" Old Victor's shaggy eyebrows puckered rather comically with the earnestness of his question.

"The woman is all right. Exactly as represented. And entitled to the \$25,000. But the brooch is gone." "Was anything broken open—in the office, I mean?" Alma asked.

"Nothing." "What does Mrs. Denton say? Isn't she awfully distressed?" "Of course. But she says the brooch was there just before she left at closing time. She saw the department locked up. And she talked to you, Alma, very late, just before she went home. Is that not so?"

"Yes," Alma nodded. "She came up to say goodby and she was as usual—calmly sweet and sour. Will she go on her vacation now?" "I think so. Why not? She came in to work for half a day, and she's coming back tomorrow morning. She's very upset, of course. Like the rest of us, she's been watching for that pin for years."

"MADAME LESHINKA, you're right!" said Alma. "This time something really drastic must be done to get back that trinket—we don't want the British government down around our ears!" Alma was echoing the sense of solidarity which the others felt too. Trumbull's problems were always, presently their personal problem.

"And meanwhile, whoever has got hold of the pin is in line to collect \$25,000," said Mr. Smith from Silverware, not without a wistful touch of envy. "That's a lot of money—a LOT of money!"

Fashion Adapts The Picture-Pretty Look For Little Girls

Spring, 1952, will find the Pretty-as-a-Picture look in fashion also done—in Miniature! For little glamour girls are finding the season just as exciting, fashion-wise, as their mothers.

Tots to teen-agers will look pictureque this Spring with tiny, light-fitting waists, full skirts and big sleeves. Paris hasn't overlooked the petite fillee when it comes to the smart Victorian influence in fashion.

Little girls will let their zany, stiff petticoats peek provocatively from under their billowing skirts. Leading this fashion are the quilted cotton skirts done in reversible styles with a spirited print on one side and a contrasting plain color on the other. With their swirling skirts, they'll wear blouses with either perky, puffed sleeves or the sleeveless, bare-arm look.

Sweaters on the smaller scale will feature the same glamorous touches as those worn by style-conscious women for the new dressed-up details are highlighting sweaters for girls of all ages. Touches of embroidery, shell braid, and glitter trims are dominating the sweater fashion scene. Baby turtle necks, sleeveless styles, dolman sleeves, and heraldic motifs are news in girls' sweaters.

Dressing up for Easter will be thrilling for the Sunday School set! The brief-than-brief topper is a newsworthy fashion for girls and makes an adorable duo with the fuller skirt. These rib-length toppers are being featured in checks, pastel fleeces, wool suède, and poodle cloth. They feature push-up sleeves, wide cuffs, and shawl or mandarin collars.

Full-length spring coats are being shown in crisp ottoman and Benegaline in both the flattering Princess line and the pyramid coat. Girls' Easter suits will feature the swirling skirt with its own stiffened petticoat. Coat with detachable capelets are also starring in the fashion picture for spring. The Easter Parade will see many of the new, nubby wools, varicolored tweeds, as well as flannel and gabardines.

Young girls can give full sway to their love for color this spring. They can pick from a bouquet of pastels with lilac, crocus yellow, mint green, gray pinks, and soft blues the leading favorites.

Cotton will be more beloved than ever when little girls see the dresses for "Spring-into-Summer." The most popular are broadcloths, tissue chambrays, soft plaid ginghams, and bright calico prints.

Fashion this year has truly captured the magic of springtime—

Dr. Guy Newman To Speak Mar. 11

Dr. Guy Newman, pastor of the First Baptist Church of Brownwood will bring the main message for the Cisco Baptist Workers Conference that will meet in the First Baptist Church of Ranger March 11 at 10:00 a.m. This meeting is being highlighted by a combination of the Women's Missionary Union Rally and the Evangelistic Committee.

The general theme "Is Christ the Answer" will be used with Rev. J. B. Fowler Jr., of the Midway Baptist Church, speaking on the subject "Is Christ the Answer for the Sinner," and Rev. H. H. McBride of Breckenridge on the subject "Is Christ the Answer for the Christian." Dr. Newman will use as his subject "The State of the Nation."

The board meeting and the W. M. U. session will be conducted in the afternoon. This is the last workers Conference before the Association wide Evangelistic Campaign begins March 30 and closes April 13. Some thirty churches will participate in this crusade.

The First Baptist Church of Ranger is making adequate preparation for a large attendance according to the pastor, Rev. Ralph Perkins, who is the Moderator of the Association.

Rev. H. D. Blair, missionary of the association for twenty-five years said that he expected a record crowd at this important meeting.

Jimmy Bridges, Tommy Wilson Make All-Pioneer Conference

ARLINGTON, March 5—Basketball coaches of the Pioneer Conference have unanimously selected Glen Lewallen, San Angelo's rangy center who led the loop in scoring with 465 points, and Jim Richardson, sharpshooting forward on the championship Arlington State Bebel squad, to places on the all-conference team for 1952.

The coaches gave two first team positions to players on the fourth place Ranger team—Jimmy Bridges, forward, and Tommy Wilson, guard.

The other first place selection went to Robert Strebeck, Tarleton State's fine forward who was a tower of strength on the winless Plowboys quintet. He got a guard spot on the all-star quintet.

The five players selected were all excellent scorers, compiling a total of 1,632 points throughout the season.

Only league school not represented on the first team was Schreiner Institute, which was awarded three positions on the second team. Mountaineers winning second team positions were Bill Banks, center; Bubba Creel, forward; and Bobb McKinley, guard.

Also awarded second team positions were Joe Brown, ASC, and Neil Ivary, Ranger.

Players receiving honorable mention were Clifford Rowland, San Angelo; Charles Steele, ASC; Bill Bjorak, Schreiner; B. Magnus, San Angelo; Bill Conzen, ASC; Rays Bryant, Schreiner; and Kermit Allen, ASC.

Coaches voting were Ted Car-

Marking Time in the March of Time—

... is somewhat like fishing without luck—there's no thrill to it. But there is real thrill in moving forward, serving humbly and doing some one thing well. We never heard of an abstractor getting rich as such, but we have heard of those who have spent a life-time, as we have, building up title institutions that are assets to their communities. Yes, we get a thrill out of every order and a real joy in producing it into a quality product.

Pains distress of "those days" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests!

Here's wonderful news for women and girls who—each month—suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain—headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for relieving such suffering!

Here is the exciting news: Lydia E. Pinkham's Vegetable Compound—gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Scientifically Modern Action

Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs... So see if you, too, don't avoid

How Lydia Pinkham's works? It has a "soothing" and soothing effect on the uterus—quieting the contractions (see the chart) that so often cause menstrual pain, cramps, other distress

the nervousness and tension, weakness, irritability—and pain—so often associated with "those days!"

Remember Lydia Pinkham's, too—if you're suffering the "hot flashes" and other functionally-caused distress of "change of life."

Get Lydia Pinkham's Compound or new, improved Tablets with added iron (trial size only 50¢). Start taking Lydia Pinkham's today!

Mrs. McNelly To Be Delegate

The Women's Society of Christian Service of the First Methodist Church met Monday afternoon in regular session for a business meeting.

The meeting was presided over by the president, Mrs. Stanley McNelly. The opening song was "A Charge to Keep" and Mrs. Carl Land Lavender led the opening prayer. Minutes of the previous meetings through February were read by the recording secretary, Mrs. Price Crawley.

Mrs. Vernon Deffebach, promotional secretary, gave a report on the new members. She stated that the WSCS has 113 on their roll at the present.

It was announced that the District Conference of the organization will meet in Breckenridge March 12 for an all day session. Dr. Gasion Poole, pastor of the First Methodist Church of Fort Worth, will be the principal speaker at that time.

The Annual Conference of the WSCS will meet in Fort Worth March 25, 26 and 27th. Mrs. Geo. Paxton will address the conference. Mrs. Stanley McNelly was elected a delegate to the conference.

A nominating committee was appointed to make nominations for the officers to serve during the ensuing year. The committee is composed of Mrs. G. C. Barwell, W. F. Creager, A. J. Ratliff, Pat Thomas and C. E. May Sr.

Mrs. Arthur Deffebach, vice president, brought the concluding thought for the week of prayer program on "Christ Our Hope." The program next week will be on "Christian Home and Family."

Reception For Miss Henderson

A reception honoring Miss Eula Mae Henderson, Executive Secretary of the Women's Missionary Union of Texas will be given by the W.M.U. of the First Baptist Church in the home of Rev. and Mrs. Ralph Perkins from 3:00 p.m. until 5 p.m. Wednesday evening, March 5.

Miss Henderson, who has just recently returned from a tour of New Mexico in the interest of home missions, will speak at 8:15 p.m. Wednesday evening in the church auditorium.

The public is extended a cordial invitation to attend.

Cisco Boy In Marine Corps

Private Johnnie L. Courtney, son of John N. Courtney of Cisco, is now undergoing training at the Marine Corps Recruit Depot, San Diego, Calif.

During the eight-week "Boot-Camp", as recruit training is commonly called, Private Courtney will become well versed in such basic military subjects as precision drill, first aid, Marine Corps history and mission, and field tactics.

Three weeks of the training period is spent at the Camp Matthews Rifle Range, situated 15 miles north of San Diego. While there, Private Courtney will fire the .50 caliber Garand rifle, .45 caliber pistol, .30 caliber carbine and a .30 Browning Automatic Rifle. He will also receive indoctrination firing with the light and heavy machine guns, 60 and 81 mortars, flame throwers and the latest type bazookas.

Most of the eyesight problems of school children could be prevented by modernizing classrooms to provide a better visual environment, according to the American Optometric Association.

Personals

Mr. and Mrs. M. G. Smith have moved to Houston to make their home. Mrs. Smith is the daughter of Mr. and Mrs. T. B. Stewart.

Mr. Smith is employed by the Houston Oil Well Supply Co.

Miss Evelyn Henderson of Stamford was a guest in the home of Rev. and Mrs. Ralph Perkins over the week-end. She was the guest soloist at the First Baptist Church Sunday.

Mr. and Mrs. Morris Newnam and children spent the week end in Longview with Mr. Newnam's parents. During their visit, Mr. Newnam's mother underwent an appendectomy.

Yvonne Henson went to Dallas to spend the week end with her mother and her husband, Mr. and Mrs. Joe Walker, and had to remain there this week in the hospital. It seems that Thursday night Yvonne turned her ankle but was still getting around on it when her mother carried her to a doctor there and it had to be put in a cast for six weeks.

When she was in grammar school this ankle was broken while playing on a merry-go-round and this other accident was more severe than at first thought. She is having to miss school this week.

Laura Mitchell, who underwent major surgery recently, has returned to her home at 303 S. Truck Street and is now employed at the Ranger Clinic.
