

3RD YEAR

SEEN  
OR  
HEARD

The City of Ranger is making preparations for their defense of the telephone company's charge that they are binding the telephone company to rates that are unreasonable, and do not give the company a fair return upon their investment in Ranger.

Yesterday they hired the Frost Brothers as their legal counsel. No definite figure is available as to the cost of defending our rights against a company, that at all times has a battery of attorneys working for them, and to whom a legal battle means nothing.

A rough estimate as to how much it would cost was given by Mayor Price Crawley yesterday. He stated that from seven to eight thousand dollars would probably cover all phases of the court battle if it went as far as the supreme court.

Ranger's decision to fight probably was more of a surprise to the Southwestern Bell Telephone Company than it was to anyone else. They probably felt Ranger did not have sufficient funds to growl back at one of the largest businesses in the world in a court battle.

The mayor and commissioners are eager to know your feelings in the matter and they also want to know all instances that persons in Ranger have been refused telephone service accommodations, and we should rally and give them all assistance possible to make their fight for our rights as easy as possible.

You are urged to let the Mayor and commissioners know your feelings, if you think we should let this big outfit scare the pants off us, and hand them their demands on a silver platter, they want to know that too. Let it be known whether you favor using our resources to protect the telephone users in Ranger from rates the city commission believes to be unjust and have not granted.

We feel that the city should fight them "teeth and toenail" and make known that we are a city of determination, and we want our rights protected from any organization trying to cram higher costs down our throats.

If you have a business that costs you five thousand dollars to enter, and you make two thousand dollars from it one year, and you should remodel; do you think you could force your customers to buy twice as much or pay double for the same goods just because you have to raise the amount of money in your business. That is what the telephone company expects.

The only way your revenue would double is by doubling your sales while fighting your competitors for survival, the local telephone company has not a competitor in Ranger, so do the majority of our business.

They have no manager here, he lives at Cisco, there are numerous people here not able to get the type of service they want, the city commission says they are using lines in the Ranger Exchange to furnish rural subscribers service, and yet they want more money, with no promise of relief from the wrongs in the service here.

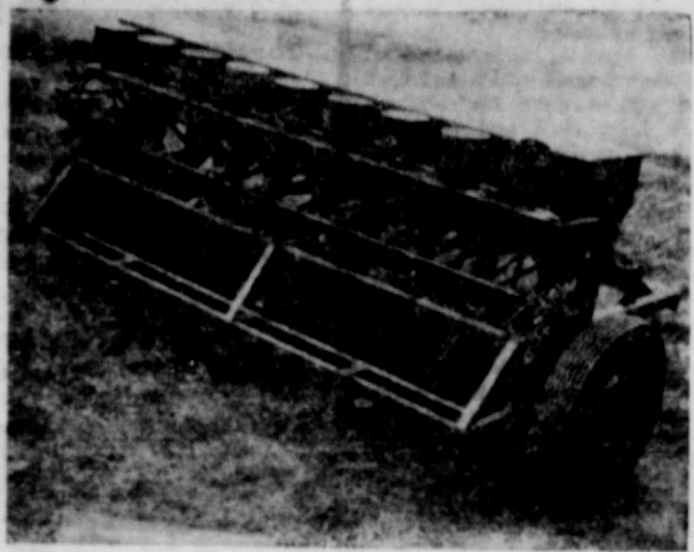

Other cities have more modern type exchanges and pay very little more than we are paying now. They want money, they haven't promised us anything in the way of more installations to take care of all who want service or better service. How many of you on party lines want private lines? Can you get that service, or have you been told the lines are loaded.

Let your city officials know how you feel. Call them today. It wouldn't hurt to let the telephone company know how you feel.

### Truce in Korea

KOREA, April 6 (UP)—Secret and separate high-level talks among the Allied and enemy command are raising hopes for an early ceasefire in Korea. The separate talks got underway after secret joint sessions on prisoner exchange were resumed yesterday. Observers believed the new approach might result in compromise proposals which could solve remaining truce problems.

For Good Used Cars (Trade-ins on the New Olds) Osborne Motor Company, Eastland

One of five new grass seeding drills recently made available for use by farmers and ranchers cooperating with the Upper Leon Soil Conservation District. One of these drills has been placed by each supervisor in his Sub-Division for revegetating land subject to erosion or for planting grass crops in a rotation; or seeding terrace outlets, tank dams or waterways.

Drill will plant any type and desired amount of grass seed at proper depth for best results. Further information can be secured at local Soil Conservation Services or from your local District supervisor, A. D. Gibson, Dublin; W. J. Fritts, Comanche; J. D. Gardner, De Leon; J. B. Eberhart, Rising Star; and L. R. Higginbottom, Carbon.

Limited amounts of Indiangrass, Little bluestem, Spine-top grama, K. R. bluestem, blue panic, sweeping lovegrass and buffel grass seed have also been made available by the supervisors through local seed dealers.

Cooperating farmers and ranchers have to date planned seeding of 22,263 acres and have applied or established 7,465 acres to native and introduced grasses.

### RHS STUDENTS WIN HONORS AT DUBLIN WRITING MEET

Louaine Shaffer of Ranger high school won first place in the District Ready Writers Contest held at Dublin recently. Her subject was "Why I Want a College Degree." Louaine also won first place in the same contest last year.

He is to represent Ranger high in the Regional Contest, which will be held in Brownwood on April 19th. In this year's district event at Dublin, Louaine won first. Helen Ralback of DeLeon won second place, and Dena Pulley of Ranger was third. There were eleven contestants in the high school division.

In the Junior high division Gay Nell Loper of Ranger won first place, Jeanette Reed of Comanche, second, and Lillie Goliga of Comanche was third.

### Drunk Says His Buddies Swiped Clothes, Money

A stranger approached the desk of Corporation Judge, I. C. Heck, of Eastland, early Tuesday morning, and without introduction or other formalities, stated to the judge, "I want you to catch them."

"Catch who?" asked the judge. "Those fellows who dumped me off here in Eastland."

After considerable questioning it developed the man had been picked up by a travel bureau car in Fort Worth, where he paid the driver \$6 to carry him to Oklahoma City. There were three men in the car, and according to the informant, liquor was plentiful, and all were drinking. They stopped in Eastland for a few moments, but while in a cafe the others left him, and headed west. In the car was the informant's suit case and money.

He had spent the night on Eastland streets sobering up, he said, and when the court room opened he was on hand to file his request, to "catch them." They are still at large and the ex-drunk hitched it back to Fort Worth.

WANTED BABY SISTER—Mr. and Mrs. James Clark, right, Chicago, breathe a sigh of relief as they embrace their 3 1/2-month-old daughter, Mary Cathryn, after she was returned to the couple. The infant was kidnapped from her carriage by Mary Lou Wagner, left, 9, who said she had "always wanted a baby sister." (NEA Telephoto).

## Transport Plane Crashes In Heavily Populated Section N. York City

### WATER PRICES

(Editorial)

There are a few people who reside in the Eastland County Water Supply District who hold onto an idea that if bonds are voted and an adequate water supply is made possible, that cost will be so high people can't use all the water they need.

As a matter of fact the voting of bonds may, at a future date bring us much cheaper water, though no increase will be made now. The sale of water will be sufficient to retire the bonds, even under present sales conditions. But, in order to make the bonds saleable, it is necessary to guarantee them to the buyers by voting taxation powers to the Eastland County Water Supply District, and that power would only be used in the event of a critical emergency.

Very likely taxpayers will not have to be called upon to help pay out the bonds. Only in the event of water sales dropping from the three year average taken by an engineering firm, or in the event it would not rain for four or five years after the dam has been built, and the district had no water to sell, would they revert to taxation.

There is only a limited amount of water to be had, we pay a penalty for our want. Once this condition is corrected and we have an ample supply for all customers, you will have more water available for all uses, domestic and industrial.

We have everything to gain and nothing to lose by voting for the bonds. An adequate supply of industrial water will make it possible for Ranger and Eastland to bid for manufacturing plants. We have the cheap fuel, a good climate, and adequate labor and transportation facilities. All this is good, and industrialists are seeking locations. Once we can guarantee "plenty of water", our problem will have been solved.

VOTE FOR PROGRESS AND THE WATER BONDS.

### Warden - Aills Separate Men From Boys In Bulldog Spring Training

Filling six vacancies in the Ranger Bulldogs first string lineup of which four are due to graduation and two to position changes is the task facing Coach O. C. (Stubby) Warden and Assistant Coach Sam Aills as the Bulldogs start their second week of spring training.

Warden, completing his fifth year at Ranger high's helm has produced three straight district championships and one co-championship team (Fan's version: Should have done better).

The first week's practice was enough to separate the boys from the men—so here is how the men stack up:

Chico Mendoza, Tommy Hinds and Herbert Williams are battling for the two starting end positions; Eddie James, Lee Hill, Jimmy Wheeler and Rex Warren are battling it out for the two tackle berths; Wayne McGarvey, Bobby Justice, Al Tunn, Johnny Graves, and Jerry Simons are fighting for the guard slots; and John Rook and Dan Mitchell for the center slot.

In the backfield it looks like this from the sideline: Gerald Burgess and Scott Ferrey at the quarterback position; J. L. Barnes, Eddie Wallace and Douglas Williamson at fullback; Jimmy Cantrell, Jerry Wharton, Charles Barton, Ronald Carroll, Benny Robinson, and Herbert Williams are fighting it out for the halfback positions.

Charles Massogee and Bill Brads are in uniform this spring, but they are suited up in track equipment and are working hard in order to be ready come September. They are both looking good and should be back next fall.

### Gen. Van Fleet's Son Missing On Korean Mission

8th ARMY HQ., Korea, April 6 (UP)—The 26-year-old son of Eighth Army Commander General James Van Fleet is missing in action in Korea, following a night combat flight over North Korea yesterday. First-Lieutenant James Van Fleet, Jr., was aboard a B-26 light bomber.

He and his two crewmen were last heard from when they radioed they were heading for their base. Hundreds of Fifth Air Force planes were sent out to search for the plane of the famous General's son, but the search was called off today, reportedly at Van Fleet's own order. A Fifth Air Force spokesman says American planes "could not afford to carry on such an intensive search." A spokesman for Van Fleet himself says the Commander of Allied Forces in Korea has taken the news "very well."

### Twenty-Five Parents Attend Cub Pack Meeting Thursday

Some 25 parents were present last Thursday evening for the first of two meetings being held at the Methodist Church for the purpose of organizing a new Cub Scout Pack for the boys of 8, 9, and 10 years of age in Ranger.

Meeting was opened by Rev. Garland Lavender who told the group that the Methodist Church was simply serving as the sponsor for the Cub Pack and would provide a meeting place for the group. The Pack will be open to boys of any denomination, and is non-religious in nature.

Brantly Hudson, field executive of the Scouts, explained what the Cub Scout program is and how it works. A film on Cubbing was then shown by Delbert Capps. The group was then opened to discussion and the parents ask questions about the Cub Scout program. The meeting was then closed.

E. F. Webb has agreed to serve as the Cubmaster of the new Pack. Delbert Capps will be the assistant Cubmaster. Another meeting will be held next Thursday night, April 10 at the Methodist Church. They boys will actually register as Cub Scouts at this meeting. Parents are urged to come and bring their boys next Thursday night. It is important that the parents be present.

### OPS Official Will Meet With Cafe Owners

Provision of the Office of Price Stabilization's new regulation for eating and drinking establishments, Ceiling Price Regulation 134, will be explained at a meeting 7:30 p.m., April 9, at the Retail Merchants Assn. office.

A representative of the Office of Price Stabilization will explain the new regulations. A question and answer period will be held at the conclusion of the meeting. The Retail Merchants Association secretary made arrangements for the meeting.

The new restaurant regulation became effective April 7. It will require the posting of prices in eating and drinking establishments.

The regulation froze restaurant prices at their highest level on menus of charges during the week of February 5-9, 1952. The regulation does not prevent changing of prices lower than the ceilings established by the regulation.

These frozen prices, with permissible adjustments by operators who have been charging prices lower than permitted under the present restaurant regulation, will be the dollars-and-cents ceilings which restaurants will post. The posted prices may be increased in the future only by the direction of the Office of Price Stabilization. The regulation provides that future adjustments may be made if the director determines that food and other costs have increased significantly.

### Coca-Cola Gives Hospital New Floor Equipment

Special To The Ranger Times  
The Texas Coca-Cola Bottling Company has donated a Multi-Clean Electric Floor Polisher and waxer complete with attachments to the Eastland Memorial Hospital for the cleaning and polishing of the floors.

The machine was purchased by Parks Poe in Abilene at the price of several hundred dollars and will be of great assistance in keeping the hospital looking at its best.

The Clayton Chemical Co. 120 Graham Street Abilene has donated supplies for the machine including: 12 Brelle Suede Wool Pads; Enough Natural Special polishing Wax to clean and wax all the floors in the Hospital.

### NOTICE

If Ranger is to provide living facilities for the workers coming here with the contractors laying the Gulf Pipeline, all known vacancies must be listed with the Chamber of Commerce as quickly as possible.

Call 31 and inform them of any vacancies you may have available, of furnished rooms, houses or apartments.

### This Made Fourth Crash In New York Area Since December

By United Press  
A twin-engine transport plane has crashed into a heavily-populated section of New York City, and police say at least five persons were killed and 20 injured. The plane—identified as a non-scheduled airliner—plunged out of a rainy, heavily-overcast sky about 8:30 a.m. EST (7:30 a.m. CST) and crashed into a row of houses on 169th Street in the Jamaica section of Queens. Two houses were demolished and four others are in flames. Police fear the death toll will mount since the occupants of the houses apparently were trapped.

The falling plane, a C-46, crashed into a police car, killing a New York police inspector, and careened into the houses. The plane carried a crew of two.

The crash, the fourth in the New York metropolitan area since December, occurred two miles from Idlewild Airport and 10 miles from LaGuardia Field, the city's main air terminals. The C-46 was trying to reach Idlewild.

It was the first recent air disaster involving fields in New York city proper. But three passenger planes had crashed at Elizabeth, New Jersey, since December as they left or approached Newark Airport. The death toll in these crashes totalled 116.

Newark Airport subsequently was closed. And residents of Queens, the scene of today's crash, had been agitating for the removal of LaGuardia Field and increased safety measures at Idlewild because of the hazard of low-flying planes.

### RJC Netmen Play TSC Thursday

The Ranger Junior College tennis team met Tarleton State College in a match here Thursday afternoon.

Benny Skinner plays in the number one spot for the RJC team. Gene Gilley in number two, and Jimmy Jones is third man in the lineup.

Jones and Gilley lost to the Tarleton team in singles matches. (Jones 6-1, 6-2; Gilley 6-2, 6-3). Skinner beat their number one man in singles, 6-4, 10-8. Skinner and Gilley won the first set of doubles 6-4, and had one game on the second set when the tournament was called on account of the rain.

### "Who Is Who" In Medicine

"Who's Important in Medicine," is the title of a new book now gracing the desk in this editorial sanctum. It is the second edition; the first having been printed in 1945. All biographies have been revised and brought up to date. Many new names have been added. This book contains more than 10,000 biographical sketches of notable physicians and surgeons in the United States and Canada, who are contributing services and scientific skill to the welfare of mankind.

In this volume are the careers of such men as Dr. Everts Ambrose Graham, editor and author of Saint Louis Mo., Dr. (Edward William) Alton Gehrsner of New Orleans, surgeon and author, Dr. A. W. Brazda of Ranger, Dr. (James) Bedford Sheltnie, F.A.C.P. of Dallas, Dr. Truman Conner Terrell, of Fort Worth, Dr. Vance Terrell of Stephenville, and many others.

Another air accident has left 15 persons dead in Alabama. Fifteen persons were killed when two Air Force transports collided over Mobile, Ala., last night. The wreckage of one of the planes smashed into the railroad freight yards, touching off several explosions, and destroyed six refrigerator cars.

Phoenix, Ariz., April 5 (UP)—A college student told Phoenix police this morning that he drove a friend to a lonely spot, walked away for half an hour while the friend committed suicide with carbon monoxide fumes, then drove the body back to the college.

George Augspurger of Phoenix, a student of dramatics at Arizona State College, was held for investigation of homicide after he returned from the desert with the body of 22-year-old Fred Wege.

A sheriff's deputy said Augspurger said Wege had talked about suicide for months, as long as he had known him, and yesterday morning when he got up said "This is the day."

The two men went to Phoenix from nearby Tempe, where the college is located, rented a car for \$50 and drove back to the school.

Early last night they drove to a lonely spot on the desert several miles north of Phoenix and parked.

Augspurger told the deputy he walked out across the desert then sat on a rock for a while, before returning to drive his friend's body back to Tempe.

Royal Neighbors Official Injured In Car Collision  
Word has been received here of the injuries sustained by Mrs. Myrtle E. Carter of Abilene when her car skidded and collided with another car Thursday morning near Denton. She suffered a wrist injury and broken arm and leg according to word received by her family in Abilene. Her husband, George Carter and son and wife, Mr. and Mrs. Leroy Estes are in Denton.

Mrs. Carter is a West Texas Supervising Deputy for the Royal Neighbors of America, a National Lodge organization. She was enroute from Gainesville to Dallas when the accident occurred.

Called Meeting Volunteers Mon.  
Volunteer Fire Chief Virge Johnson has called a meeting of members of the Volunteer Fire Department for Monday night.

Chief Johnson stated that a Captain Tipton from the Waco Fire Department would be on hand to give demonstrations in first aid and fire extinguishers Monday night, and he felt that every member of the department should be on hand for this demonstration.

Ride The "ROCKET" And Save Osborne Motor Company, Eastland

LODGE TALKS TO IKE—Sen. Henry Cabot Lodge, (R-Mass.), "Ike For President" campaign manager, is received by Gen. Eisenhower at his SHAPE Headquarters near Paris. Lodge refused to tell newsmen in advance just what he intended to discuss with the General, but it appeared certain they would talk about Ike's return to the United States and the timing of his resignation from the European Command. (NEA Telephoto).

SODA ON THE RANGE

How many ranges got the care they deserve day to day, meal to meal? Yet a few minutes time when it is most needed will keep a range sparkling and efficient. Here are a few pointers to keep in mind.

Most ranges have a porcelain-enamel finish, therefore range care usually means porcelain-enamel care. For example, there's the problem of food acids—milk, tomatoes, or fruits—left in spots on the surface. They may stain it. Some range enamels are acid-resistant, but unless you are sure of your range it's best not to take chances.

It's always wise to wait until the range has cooled before using a cold damp cloth because sudden temperature changes on some range enamels may cause "crazing." Crazing shows up as a fine network of cracks that eventually and permanently mar the appearance of the surface.

Never use hard abrasives—that is, "scratchy" sponges—on the top of a range. A safe product is baking soda. It is non-abrasive which means it cleans without scratching.

Messages To Be Delivered By Dr. A. A. Brian

The spirit and work in the Second Baptist Church revival continue to grow along with greatly increasing numbers attending the services, according to an announcement made by the pastor, Rev. Jasper C. Messinger.

The services are being led by Dr. A. A. Brian, evangelist and college executive from Brownwood, and the revival is in cooperation with twenty-five other churches of the Cisco Association.

The Evangelist announces the following subjects for the services today: at the Sunday school hour, "What Must I Do to Be Saved?" at 11:00 a.m., "Life's Greatest Question Asked and Answered," and at 7:30 p.m., "Prepare to Meet Thy God."

J. D. Nichols, Sunday school superintendent is leading the Sunday school to reach a goal of 200. Each teacher and officer of the school is seeking a hundred percent attendance of their enrollment. Many people not enrolled are being enlisted to attend.

The Training Union under the leadership of E. C. Ward, director, is striving for a record attendance of 100 at the 6:45 p.m. service.

An old fashioned basket lunch will be served at noon today. A welcome is extended to everyone to attend.

Mrs. J. A. Robinson has gone to San Antonio to be with her granddaughter, Miss Rita Murie Arvitta, during a torpilgemony. She is the daughter of the former Alpha Lee Robinson of Ranger.

Mr. and Mrs. Bruce Maddox and boys of Houston are here for the week end to visit in the home of Mr. and Mrs. G. O. Strong and Mr. and Mrs. Roscoe Hooper and family.

Mr. and Mrs. H. C. Jackson and Mrs. Lennie Hooper of Modesto, California visited here during the week with Mr. and Mrs. Roscoe Hooper and family.

Adventure In Technicolor At Tower

Kirk Douglas and Eve Miller share romantic roles in Warner Bros' Technicolor action drama, "The Big Tree," due today at the Tower Theatre. Patric Wymore also stars in the film directed by Felix Feist.

Child Welfare Club Met Wed.

The Child Welfare Club met Wednesday afternoon at 3:00 p. m. in the home of Mrs. P. M. Kaykendall. The president, Mrs. David Pickrell, presided over the business meeting in which various welfare cases were considered. Mrs. Roy Jamison was welcomed as a new member of the club.

Refreshments were served from the polished tea table which was appointed in silver and decorated with an arrangement of yellow iris and daffodils in a silver bowl and yellow candies in silver candelabra. Mrs. Pickrell poured coffee and tea. Others assisting at the tea table were Mrs. E. E. Crawford and Mrs. S. M. McAnelly.

Members and guests present were Meses. W. L. Downstair, W. F. Crager, M. L. King, McAnelly, E. L. McMillan, J. T. Morris, Blanche Murray, Charles Owen, I. R. Iverson, Fredell, John Thompson, B. A. Tunnell, A. Abbott of Sulphur, Okla., and Miss Peggy Patterson and the hostess.

New Era Club To Meet Wed.

The New Era Club will meet Wednesday, April 9, in the home of Mrs. George Robinson, 423 Elm Street, for their regular meeting. All members are urged to be present.

LIVING-ROOM LINKS — Cleveland Golfer Ed Premier tries out a new invention that enables a golfer to cut loose indoors. The machine measures the length of each shot, indicates whether the shot is in the fairway or in the rough. A strong nylon cord is attached to the gadget. The golfer tees off and the ball wraps itself around the carriage of the machine. The velocity of the drive causes the rocker to register the shot's length on the side of the device. (NEA)

NATIONAL PRESS BUILDING WASHINGTON, D. C. By Anne Geede

Half a Lenten "meat skipper" that's economical and easy to prepare—popular fish filets. They're tasty sauteed or sauced, also fried this way: Sprinkle filets with salt, pepper and paprika. Spread with real mayonnaise and broil about 6 to 10 minutes, depending on thickness of filets. Garnish with chopped parsley and lemon wedges.

Speaking of Lenten dishes, add a hearty note to your favorite casserole of cheese and macaroni by stirring a can of sliced mushrooms into the sauce.

Paisley scarves have pretty ways at the waist these days. They're folded into a triangle, then crushed and worn as a belt with the center front. Very becoming with a plain dress with a single piece of chunk jewelry at the neckline.

Mad about hot biscuits? Then you'll love these two ways to vary basic biscuits. For a special breakfast, mix melted vitaminized margarine and brown sugar and spread generously on top of biscuits before baking. For a salad luncheon, spread biscuit tops with mustard-with-horseradish and sprinkle with cheese before baking.

With Spring almost here, homemakers' thoughts are beginning to turn to general cleaning and redecorating. If you're planning a paint job, plan to keep it longer fresh by protecting the vulnerable spots with a good coat of wax. Window sills and door knobs are spots to go after first.

Robert Butler Arrives Home

Robert Butler, son of Mr. and Mrs. Don Butler, arrived in Ranger Friday night.

He sailed from Bremerhaven, Germany, March 25 and arrived at Camp Kilmer, N. J., April 1. He was flown from there to San Antonio, and came from there to Ranger.

He reports that they are very busy in Germany building up defense. He says new equipment, supplies and men are arriving there all the time.

He has a thirty day furlough which will be spent visiting his parents and grandmother, Mrs. Julie McCleskey. He will then receive a new assignment.

Covered Dish Dinner Honors Birthdays Of Pythian's Members

A covered dish dinner held Thursday evening in the home of Mrs. Frank Williamson Staff Community honored members of the Pythian Sisters who have had birthdays in this quarter. They were Meses. Mary Bargesley, Tim Spurrier, Blanche Nichols, H. H. Hardeman, and Mrs. George Wright of Ranger.

The honorees were seated at the dining table, which had been laid with a white Madeira cut-work linen cloth and decorated with an arrangement of iris and carnations. The house was decorated with red bud and spiraea.

Other members were seated at same tables which were also laid with white linen. Following the meal the group worked on their project which is making pillow cases for the Pythian home in Weatherford.

Others present not here to be mentioned were Meses Carol No-

Subjects For The Church of Christ

Services at the Church of Christ this Sunday are as follows: Bible study classes meet at 9:44 a.m. Regular Lord's Day worship services at 10:15. Men's training class conducted by the evangelist, C. R. Mansfield, meet at 6:00 p.m. The final service for the day is the Sunday evening worship at 7:30. The sermon Sunday at the 10:45 hour will be "Why Christ Died." In view of God's unlimited power many have asked throughout the centuries, "Why did God choose to save man by having His Son to die; why not some other way?" Infidels have made sport of the fact that an all-powerful God resorted to such a thing as "death, and such a horrible death at that, of His Son in order to redeem man. The answer is not simple, but if you have never been satisfied on that point, be at the services of the Church of Christ this Sunday, states Mr. Mansfield. This sermon will be followed by another highly important subject at the morning services the following Sunday, April 13th. This sermon will set forth the undeniable facts concerning the actual, physical, resurrection of Christ from the dead; the subject being, "Logical Proof." Seldom does the average person get the opportunity to really investigate the facts about this. Millions who honestly think they believe Christ to be the Son of God have never known what their faith is based upon. Paul said "faith cometh by hearing, and hearing by the word of God." God has not left His word unconfirmed in this world. The most solidly established fact of past history is the fact of the resurrection of Christ. You can know that, too, after examining this subject as it is discussed at 10:45 Sunday, April 13th, at the Church of Christ. Be there, remarks Mr. Mansfield.

Rev. Maynard To Be Present For Evening Services

The revival services of the First Baptist church enters the second week Sunday. Rev. Ralph Perkins will bring the morning message, continuing on the theme "Christ Is The Answer." Sunday school begins at 9:45 a.m. and the evangelistic committee has charge of the devotional periods in the Junior, Intermediate, Young People and Adult departments. Training Union will begin at 7:00 o'clock this evening. It has been requested that members take notice of the change in the time. Bro. Perkins has continued to bring gospel messages that are Bible centered, and Christ centered in all phases, states Bill Bullock, educational director. Rev. Tilson Maynard of Waco will bring the evening message and a cordial invitation is extended to everyone to attend. Mr. and Mrs. Melvin A. Howe of Dallas are here visiting in the home of Mrs. Howe's parents, Dr. and Mrs. Brazda. Mr. Howe underwent an appendectomy in the Ranger General hospital Thursday. He is reported as doing fine.

SOCIETY

Alinda Carver, David Pickrell Honored On Ninth Birthdays

A very gala celebration was held Friday afternoon honoring Arlinda Carver and David Pickrell on their ninth birthdays.

The third grade students under the leadership of their teachers, Mrs. Walter Daniels and Mrs. Jetty Ballinger gathered in the basement of the First Methodist Church at 12 noon with their lunches and enjoyed the fellowship of being together.

After the lunch period, an Easter egg hunt was enjoyed very much. Eggs had been previously hidden on the lawn and parking lot of the church which brought much joy to those present.

After the egg hunt and other forms of entertainment, the group gathered around the beautifully arranged refreshment table where a lovely birthday cake was displayed holding nine candles and the inscription "Arlinda and David."

The gifts were attractively arranged on a display table which brought joy and delight to the honorees.

Hostesses for the celebration were Mrs. David Pickrell and Mrs. Arlie Carver. They were assisted by Mrs. Roscoe Hopper and Mrs. J. D. Johnson.

Those attending were: Mary Beth Mewborn Nadine Pitts, Ardie Beck, Tim Covington, Jerry Diffe, Claude Edwards, Rex Hatton, Billy Keener, Johnny Nicholson, David Pickrell, Kenneth Vinson, Janice Belknap, Melinda Blackwell, Sharon Browning, Sue Cantwell, Linda Lou Clarke, Jan Falls, Kaye Hopper, Celia Jimenez, Sarah Johnson, Joyce Joyner, Linda Lois Landtroop, Edward Barbara, Herman Fron, Fred Gray, Gene Hill, James Hill Billy Joe Johnson, Robert Koenig, Wayne Landtroop, John Perkins, Dean Richey, David Webb, Charles Alworth, Alex Aiken, Diana Cantrell, Phyllis Hale, Marcia Harris, Esther Jacobs, Ofelia Martinez, Josefine Morales, Frances Rushing, Doris Sharp, Barbara Vandergriff, Linda Williamson, Arlinda Carver, Mrs. Walter Daniels and Mrs. Jetty Ballinger.

Sow Seed and Feed Lawn As Frost Leaves the Soil

Lift Sod in Low Spots, Fill in to Level, and Replace Sod.

With no seed is early sowing more important than with lawn seed. All conditions are usually favorable in the early spring, but become less so rapidly.

When deep frost has left the ground, but it remains moist with cold nights, preferably freezing a little, grass seed and plant food will sink into the "honey comb" surface of the soil, with no need for top dressing.

Plant food is more important than lawn seed as a first step. Annual application of 4 pounds of a balanced chemical plant food for each 100 square feet should be basic treatment.

Never use a heavy roller. The object of rolling is to press the turf into contact with the subsoil where it has been lifted by frost heaving.

Heavy rollers compact the soil too much, and make it difficult for grass to grow. You cannot roll an uneven lawn enough to make it level.

Before the dandelions bloom, the lawn should be sprayed with 2,4-D, and grass seed sown at spraying time will be delayed in germination.

Annual use of 2,4-D is necessary for anyone seriously desiring a good lawn. With one easy operation all weeds about lawn weeds can be ended, but care is necessary in using this material.

Methodist Goal Of 300 For S. S.

Palm Sunday gives promise of being a "big day" at the First Methodist Church as the Youth Department of the Sunday School sponsors the highest attendance goal during the past 5 Sundays, states the superintendent.

On last Sunday, with the attendance goal set at 275, the total count was 290. "With the youth of the church attempting to contact each Methodist family in the community, it looks as though we will go even beyond our goal of 300 for Sunday," says Mrs. Roscoe Hopper and Mrs. J. D. Johnson, teacher and sponsor for the high school group.

The Church School will meet at 9:45 a.m. with a short devotional of hymn singing and prayer, after which the various classes will assemble in their respective places. The morning worship will begin promptly at 10:50. The Chancel Choir will sing the anthem—"Ride on in Majesty," by Peace.

The evening service will be a special recognition of the outstanding work that is being done by Mrs. David D. Pickrell and her Vesper Choir.

The Penny Prize was furnished by Ellen Jones and was by Mrs. C. M. Farnell.

New meeting time is set for 8:00 o'clock. The Penny Prize was furnished by Ellen Jones and was by Mrs. C. M. Farnell.

Rebekah's Meet Tuesday Evening

Members of Ranger Rebekah Lodge No. 2449 met at the Odd Fellows Hall Tuesday evening with Noble Grand Ethel Wright presiding over the meeting, which was attended by 14 members.

Routine business was transacted, and sick reports made. The District Deputy President commission for Eula Blackwell was read and she was given the honors of the degree.

Mrs. Pearl Paynor was elected to membership by re-instatement. Mrs. Sammie Flowers, special committee chairman, gave a report of the progress being made for a program to be given at the Odd Fellows and Rebekah Association, which will be held in Mineral Wells on April 24th, for a night meeting.

Mrs. Leoma Arterburn, chairman of the entertainment committee, is making plans for a program celebrating the 133rd Anniversary of the founding of the Rebekah Lodge to be held jointly with the Odd Fellows on Thursday night, April 17th.

The Penny Prize was furnished by Ellen Jones and was by Mrs. C. M. Farnell.

CALL 224 FOR CLASSIFIED AD SERVICE

Palm Sunday To Be Observed By Christian Church

Special Palm Sunday services will be observed Sunday morning at 11:00 a.m. by the local First Christian church to usher in the pre-Easter week of activities. Rev. A. Lynn Robbins, pastor of the church, will preach a special sermon for the observance: "The Meek King". This sermon will be taken from the account of Christ's Triumphal Entry into Jerusalem as found in the gospel of St. Matthew. At this time Christ was hailed as a king; but the world, then and now, has misconceived what this kingship meant.

"The Onward Thru" will be the sermon topic for the 7:30 p.m. evening worship service at the First Christian church. From St. Mark 1:28-9 we learn that Jesus went into the towns of all of Galilee with his gospel; and this example will be the basis for the pastor's regular schedule of fel-

lowship singing and evening meditations led by the church's pastor. We extend to the entire community a most cordial welcome to come and share in these special and sacred Palm Sunday activities today. You'll find a warm welcome at the First Christian church, a small, friendly church, serving Christ in a spirit of cooperation and for the enrichment of the spiritual life of our city, says an official. Remember to attend the church of your choice each Lord's Day.

Mr. and Mrs. Robert Harrison, Mr. and Mrs. Milton Mason, Mr. and Mrs. Luther Kirkpatrick, Mr. Jack Lowrance and Buford Weems attended the Gulf banquet in Wichita Falls at the Kemp Hotel Friday evening.

You Are Always Welcome

Club Women Observe Federation Day With Mrs. Dudley Present

Mrs. L. E. Dudley of Abilene, First Vice President of Texas Federation of Women's Clubs gave a very interesting book review Thursday to a large group of club women at the Community Club House at 3 p.m.

The occasion was sponsored by the 1929 Club in honor of Federation Day, and all club women of the city were invited.

Mrs. Saul Perlstein, president, welcomed the guests and Mrs. M. H. Hagaman introduced Mrs. Dudley who reviewed the book "Jefferson Sells" by Carl Jonas. It was the story of a successful mid-western business man who had been told he had not long to live.

His doctor advised him to write his autobiography. The book is supposedly edited by the doctor after the man's death.

Following the review, Mrs. Perlstein presided at the punch bowl. The candle light refreshment table was beautifully appointed with crystal and centered with an arrangement of purple lilies. The club room was decorated with the same kind of flowers, and the Easter motif was used.

Child Study To Have Egg Hunt

The Child Study Association has planned an Easter Egg Hunt for Tuesday afternoon, April 8, at 4 p.m. in the Willow Park. Each child is requested to come and bring six eggs.

ME Contest To Close Next Sun.

The young people of the First Methodist Church who are engaged in a very interesting contest between the Rabbits and Chickens, report that the contest is fast coming to a close. They say today is the crucial time and will almost determine the winner, who will be treated to a chicken barbecue.

They urge that all of the participants in the contest keep working at the job and be present at the church today.

David Pickrell's Birthday Dinner On The Train

David Pickrell celebrated his ninth birthday Saturday in a very unique way. He and his mother took a train ride to Fort Worth. They had lunch in the diner and David was taken on a tour of the Pullman and other cars.

Mr. Pickrell drove to Fort Worth to meet David and his mother and bring them home. This was the way David wanted to celebrate. He said he "just loved trains." Although the day was full of activities, he enjoyed every minute of it and has many things to remember from his ninth birthday.

FIRST BAPTIST CHURCH Ranger, Texas March 6, 1952

To: the Citizens of Ranger From: Rev. Ralph Perkins

Dear Friends,

Just a word to you in the order that you will know that I would consider it an honor to have you in our services on Sunday, March 6. Certainly this invitation is to those of you, who do not have a church home in this Community.

The theme of our revival is "Christ is the Answer". I will preach the morning sermon and would like for many of you to be present.

Sunday evening our visiting evangelist will be present, Rev. Tilson Maynard of Emanuel Baptist Church, Waco. You come and hear this man of God as he brings a very timely message in a most wonderful manner.

See you in Church Sunday Morning. Service 11:00, Evening Service 8:00 p.m.

Yours in His service, Ralph Perkins

### First Player Signs With Pro Dallas Texans

By United Press  
Bob Celert, fifth ranking passer in the National Football League last season when the club was the New York Yanks, today became the first Dallas Texan to sign a 1952 contract.

The former California quarterback agreed to terms with general manager and head coach Jimmy Phelan, but neither disclosed the figure involved.

Celert, who couldn't make the grade with the San Francisco Forty-Niners in 1950 and who almost was turned loose by the Yanks last season, played defensive halfback for two games, then blossomed as an offensive star when he led the Yanks to three quick touchdowns against the Chicago Bears only to lose 24 to 21.

### Phone Workers Set For Strike

DETROIT, Apr. 4 (UP)—Officials of the CIO Communication Workers Union are meeting practically around the clock to play strategy for a strike scheduled for Monday.

A simultaneous walkout by 41,000 telephone employees in three states and 15,000 Western Electric installers in 43 states could tie up the entire Bell Telephone System.

### LOOK WHO'S NEW

Mr. and Mrs. Davy Mitchell are the parents of a son, whom they have named Rodney Dave. He was born Tuesday, April 1st, in Ranger general hospital.

Mrs. Mitchell is the former Miss Imogene Gauntney of Cisco, daughter of Mrs. Mary Gauntney of Cisco, and paternal grandparents are Mr. and Mrs. H. Mitchell of Odessa.

Mrs. C. D. Boyd of Owens is the great grandmother of the new baby.

### Leaders In The Baptist Revivals Met In Eastland

Pastors and sisters leading the simultaneous revivals of the Cisco Baptist Association met Friday at noon in the First Baptist Church at Eastland for fellowship, prayers, and plans for continuing success in the revival campaign.

Dr. A. A. Brian spoke to the group on the leadership of the Holy Spirit.

The next meeting will be at the East Cisco Baptist Church in Cisco, Tuesday, April 8. Rev. F. C. Bradley, will be the host pastor.

To date the churches co-operating in the revivals report 34 professions of faith, 50 new members received and more than 100 Christians responded in the various churches in rededication of their lives.

### Eastland Couple Are Married In New Parsonage

EASTLAND, TEXAS (Special)—Mrs. Martha Ellis and Charlie E. Cashion both of Eastland were married March 26th at 8:30 a.m. by Rev. J. Merris Bailey at his home on South Seaman.

Accompanying the couple were the bride's daughters, Joyce and Leona Ellis.

Mrs. Cashion chose for her wedding a navy blue suit with black accessories.

The couple will make their home in Plainview where Mr. Cashion is employed by Eator's Printing Company.

"FLEET" STEED FOR ORPHAN—Lieut.-Gen. James A. Van Fleet, commanding general of the Eighth Army in Korea, puts aside stern duties for a moment as he plays "horse" for a Korean orphan. General Van Fleet and other UN officials visited the Columbian Children's Home in Seoul to present \$11,000 worth of clothing to the orphanage. It was purchased by chaplains stationed in the Far East, with money donated by members of the Third Army.

### "Austrian Aid" New Project Of Texas Club Women, Emphasized

WOTHAM, April 4 (SpI)—Texas clubwomen have adopted Austria for the coming two years. So Mrs. Van Hook Stubbs of Wotham, president of the Texas Federation of Women's Clubs, announced today. This new "Austrian Aid" project will receive major emphasis during the two years of her administration.

Plans are for Texas' 1300 clubs to focus all their international relations work on this one country that is saying "No" to neighboring Russia.

Despite being half occupied by Communists, Austria today is 95 per cent democratic in its learning," Mrs. Stubbs pointed out in stressing the value of help to this particular people at this time. The big Texas project seeks to further the announcement U. S. policy of restoring normal conditions in Austria as soon as possible.

Texas' plans to funnel a whole state's aid into one objective is something new in club work, and is being watched interest by the rest of the General Federation.

District conventions held over the state are endorsing the Austrian Aid project, and choosing which part of the over-all plan will be their own responsibility.

Projects already taken on by districts range from aid to displaced persons camps, sending clothing for the needy, providing scholar-

ships for exchange students, and aid to Austria's growing 4-H club movement. Each district will have a separate project.

Texas' junior clubs will all support a "Children's Friendship Fund" to help fifteen orphanages and a newly crippled children's hospital in war-ravaged Austria.

Action adopting the Austrian Aid project was voted by the federation's executive committee of elective officers in a recent meeting in Austin. Their hope is that other federation departments — such as fine arts, education, welfare — will co-ordinate their work projects with this major international relations undertaking.

Clubs are urged to arrange an early fall study of Austria to lay a background of understanding for this big TPWC undertaking.

Mrs. Ray Rowntree of Houston is TPWC international relations head. Under her, the district chairmen leading their respective district projects are Mrs. Herman Dawson of Ft. Worth, Mrs. Ann G. Hunter of Dallas, Miss B. G. Westmoreland of Mexia, Mrs. Clay Elliott of New Gulf, Mrs. John D. Cochran of San Antonio, Mrs. James Bennett of San Angelo, Mrs. W. N. Stokes of Amarillo, and Mrs. J. T. Danerson of Van Horn.
