## Baptist Church

This Lord's Day will be the beginning of a new week. It is well to begin all things right, and it is right to begin anything as the Lord would have us to.

Our Bible School is open to all, and our worship service is for all, we invite all to worship with us in the study of the Word of The Lord. Human tongue cannot tell of the Blessings that our God has bestowed upon us, and because of His blessings we should make our way to the House of the Lord and join with His people in saying, "Thanks."

**BAPTIST BROTHERHOOD TO MEET MONDAY NIGHT**  
The Baptist Brotherhood will meet Monday night, February 12. All men of the church are urged to be present. We are to have as our guests men who are not members of our Brotherhood. These meetings are for men. Where men can meet together, talk together, pray together, and plan together for the advancement of our community. Men! While the best of America's young manhood are holding high our traditions and way of life on the far-flung battle fronts, we on the home front should keep high the ideals they left home to fight for.

"Come Thou With Us And We Will Do Thee Good."

## Methodist Church

Nothing is more sacred than home. A home where love is; a home where understanding, consideration; a home of happy, clean uplifting fellowship. The home types the community life. The character of persons types the home. The spirit and grace of God builds the character. The Church is the one institution that seeks to make God known to man, to lead him to all that is best in life, and make home and community a joy and a delight.

For the sake of your home, for the happiness and well being of your children, for the safe guard of youth, for the honor and glory of the One who has befriended the human family even at the cost of His own life, take your family and go to church next Sunday. "Six days shalt thou labor, and do all thy work, but the seventh day is the Sabbath of the Lord thy God: in it thou shalt do no work...the Lord blessed the Sabbath day and hallowed it."

We cordially invite you to worship with us. You will find a warm welcome, a congenial fellowship, and we trust, a blessing from our heavenly father.

## FUNERAL SERVICES HELD FOR MRS. JACOB WAGNER

Last rites were held Tuesday morning in Holy Family church for Mrs. Jacob Wagner, 84, who died Sunday evening in the home of her daughter, Mrs. Art Kleman, in Nazareth. Very Rev. G. A. Boeckman, pastor of Holy Family church, was celebrant of the Solemn Requiem High Mass. Fathers Joseph Wolter and Peter Morsch were Deacon and Subdeacon.

Since the death of Mr. Wagner in Hereford, April, 1944, Mrs. Wagner has lived in Nazareth. Even though she had celebrated her 60th wedding anniversary before her husband's death, she joined the Catholic Daughters and the P. T. A. in Nazareth and was an interested and active member.

Survivors include two sons, Jacob Wagner, Jr., of Rock Island, Ill., and Roy Wagner of Hereford; four daughters, Mrs. George Backus of Happy, and Mrs. Arthur Kleman, Mrs. Joe Birkenfeld and Mrs. John Stork, all of Nazareth; 41 grandchildren, and 19 great-grandchildren.

NOTE—These articles are taken from the weekly edition of the Nazareth High School paper, The Newsette.

**The Freshman Report**  
The freshmen have memorized four poems since we've had our new literature books.

In science we've started a new unit on "Animals." We've studied different kinds of protozoa: amoeba, paramoecia, verticella, and others.

We're learning more and more vocabulary in the Spanish periods, also we're learning how to use the direct object.

During our Math periods we've learned how to find square root, besides using algebra.

## Sophomore Class Report

What is going to happen? The sophomores were quiet during history class Monday. No one had anything to say because we were having tests. We lived through it though. Perhaps this quiet was due to the recent changing of desks.

Bert got very confused in Biology recently trying to get his formulas correct. I don't mean the formulas you mix for a baby, but something like H N O3. We counted our calories the other day. We all seem to eat enough, so I guess we should be healthy, wealthy and wise—especially wise.

All of us are practicing dances. Donald and Irene are modern jitterbuggers. And can they swing it? David can hardly wait for practice everyday so he can waltz with Regina. Now, anyone can tell that by looking.

In English we have been reading some gruesome stories—if you don't believe us, just read "The Monkey's Paw."

Reporter, Alvina Schmucker

## Junior Report

Oh! That Spanish! We're getting deeper and deeper, and before you know it we Juniors will have to start swimming. (Hi! water).

Typing! Whewww! Boy do we have those machines. But we wonder what makes the most racket. The machines or - - -. If anybody is really curious they can just come take a PEEK.

History! Are you kidding?? It's a pain in the neck. By the way, do you see any gray hairs on the juniors' heads? We just, thought after that cross examination we had aged some twenty or thirty years.

Those gory English stories. If we're not freezing to death when it's 75 degrees below zero, we're locked in a catacomb with a cask of Amontillado (or is that so bad.)

Tony and Buddy, the dear little (not concerning Buddy, here), faces turn beet-red. They insulted us with a lot of blab-blab last week, so we'll pour it on.

One thing though, Tony's eating his dear old heart out about Juliana since Martin has come home. But it's the joy of Tony's life when he can shumba, with Julie. Oh! happy Sadie Hawkins Day.

Buddy and Mary Connelly! What a perfect match. It's a good thing Buddy has a store. Then Mary can get all the candy she wants not??

—Junior Girls

## Just Chatter

Since Sunday night, Dora has been singing a dumb old song about an eagle. I wonder why? I can't understand how Umbarger could remind her of an eagle. Yeah! Or does Ed remind her of a bird of that sort?

Again! Julia was with Vince Sunday night at Umbarger. Oh, what a dance! Anyway Vince and Julia thought so. Why did Alvina have to wear her jacket all night? Did Henie and Alvina get in a wreck on the way up there or something? (Probably something.) Whose sailor hat was Betty Ann wearing? Tut! Tut! Who was Carolyn's soldier? I could imagine. Gnats, gnats, and Nats!! They really bothered Carolyn Saturday night. Chop! Chop! What?

All along Ruth Ann knew that Sonny was the "best man" but she can prove it since Sunday night. Leonard came to school this morning on his new motorcycle. I suppose Alvina will have knots and rat nests in her hair from now on they tell me that motorcycles can really whip up the wind. Oh, yes indeed!

Water, water, water everywhere, but none to drink. No? Paul, what do you know about that. Paul went to see the "Great Moment" Friday night. Well! Well! That's nothing but a hole in the ground, so I suppose.

## APPROACHING MARRIAGE OF MISS KIRKPATRICK ANNOUNCED AT TEA

The marriage of Miss Jane Kirkpatrick, daughter of Mr. and Mrs. W. E. Kirkpatrick of Dimmitt to Lieutenant Joe Dean Bailes, United States Marine Air Corps, son of Dr. and Mrs. Porter M. Bailes of Tyler, Texas, will take place March 3 in the Lakewood Belmont Baptist Church, Dallas, where Rev. J. W. Ware formerly of Dimmitt is pastor.

Announcement of the engagement and approaching marriage was made Saturday, February 3, at a tea given by the bride-elect's mother.

The Valentine motif was artistically predominant throughout the entertaining suite. A long pink satin arrow bearing the inscription Joe-Jane March 3, pierced the lacy heart topped with a colonial nose gay bouquet that centered the linen covered tea table. Old fashioned bouquets of the bride-elect's chosen colors emphasized the beauty of the entire house.

The guests were received in the living room by the hostess Mrs. H. P. Clemon of Lockney, Mrs. Ozro Stephens of Amarillo, Mrs. Elvina Burch, and Mrs. Elmer Youts. Mrs. Myrtle Crabb assisted by Mesdames E. F. Harman and C. G. Maple, Sr., presided at the tea table.

Mr. Pete Whitlow of Happy and Mrs. Noel Gollehon escorted the guests to the bride's room where they were greeted by the bride-elect, here sister, Miss Lucille Kirkpatrick, and her aunt, Mrs. R. R. English of Plainview.

Miss Mary Jean Webb assisted by Miss Bernice Broadstreet, presided over the guest book where more than sixty guests registered.

Musical numbers were presented by Miss Phyllis Youts and Miss Juanita Singer.

Others in the house party included Mesdames E. C. Caudle, Sawnie Carrell, Morgan Dennis, Lester Dowell, R. A. Turner, A. M. Dowell, Ora Hamilton, H. Alldredge, and B. B. Easter.

## HART HIGH SCHOOL NEWS

This week's column is written by the "Fearless Five", they have really been around and they know all the news.

Who was that girl that was seen with Lonnie Jobe Friday night. From all appearances he was enjoying himself.

It seems that Ann Sheffy of Dimmitt is really having a hard time on the Hart boys. She was with Raymond Smoot Friday night and Sunday night and Gus Hawkins Saturday night. She must be some character.

Dean Sanders, Sue Austin, Bob Bennett, Jaynice Boston were seen together at the ball game Friday night and in Plainview Saturday night.

The Hart Longhorns met the Dimmitt Bobcats Friday night for one of the most terrific games of the season. The Hart girls and ful but the boys A string came home with a victory of 32-18. The Longhorns met the Kress Wild-Hart boys B string were unsuccessful Friday 9th for the last conference game of the season.

Some of these Hart boys seem to be making it up to Dimmitt rather often now days. What do these Dimmitt boys think about this. (What do the Hart girls think about this.)

Jacky Oler seems to be falling for a certain little girl at Dimmitt whose name is Norma Thompson. He was with her three times last week and twice this week. Also every time Phyllis Youts and Billie Phillips were seen with them. They seemed to be enjoying the company. Lucky guys.

Patsy Smitherman, Raymond Powell, Geneva Avens and Doyle Davis were seen together after the game Friday night, all report a swell time.

The Fearless Five are wound down but they will be back next week with bigger and better news.

## TOP FLIGHT STATE GARDNERS HONORED

This year's Victory Gardeners can get all the inspiration they need from winners of the 1944 Green Thumb Contest announced last week by the A. & M. College Extension Service. State winners in each of three divisions include: Wilma Jean Friar, 12 Collin Co., 4-H Club girl, top flight in the elementary division; E. J. Harrison, Johnson County 4-H Club boy, the high school division, and Mr. and Mrs. F. C. Telschow of Route 8, Houston, Harris County, for adults.

In addition to these, 46 junior Victory Gardeners and 58 adults who won county honors will soon win awards at county observances.

Castro County winner in this contest is Calista Heck, member of the Nazareth Jr. 4-H Club. Calista helped raise the following fresh vegetables for her family: potatoes, cabbage, peas, onions, head and leaf lettuce, string beans, beets, summer and winter radishes, tomatoes, carrots, parsnips, tampa, celery, cucumbers, peppers, Swiss chard, spinach, chicory, chives, parsley, dill, summer and winter squash, curly and batavian endive, okra, kohlrabi, leek, turnips, rutabagas, muskmelon and watermelon. To tide the family over the winter months 896 quarts of fruits and vegetables were canned.

Calista was candidate for her Club for the 1944 Gold Star Award. She is only 13 but has taken the place of a regular farm hand the past summer. Having a brother in the armed services is an added incentive for Calista's food production.

Dean Sanders, Sue Austin, Bob Bennett, Jaynice Boston were seen together at the ball game Friday night and in Plainview Saturday night.

## MRS. MILLER TO REVIEW "YOUNG LADY RANDOLPH"

Mrs. Jack Miller will review "Young Lady Randolph" by Rene Kraus February 14th at 8:30 in the District Court room. This book portrays the life and time of Jennie Jerome—the American mother of Winston Churchill.

Because of the Red Cross Home Nursing Class Wednesday afternoon, the Book Club will not be able to meet at 3:00 o'clock. The members of the club are sorry this meeting conflicts with mid-week church services; therefore the Review will start at 8:30. If prayer meeting could begin on time those wishing could attend both. Admission fee of 25 cents goes to the Library. Everyone is invited.

Reporter

Mrs. A. A. Dadd and Mrs. Ray Cluck went to Plainview Thursday. Mrs. Dadd is meeting her niece, Miss Dorothy Evelyn Warren of Callahan who will probably make her home here.

The fact there does not now exist any rule or ordinance regulating and controlling the installation or use of manufactured or liquefied petroleum gases within the corporate limits of the City of Dimmitt, which said gases are highly volatile and inflammable and if not properly controlled and regulated constitute a dangerous and hazardous condition affecting life and property, creates an emergency and imperative necessity for the immediate preservation of the public welfare and safety, which necessitates the suspension of the rule requiring ordinances to be read on three separate days before the final passage thereof, and that no ordinance shall become effective before the expiration of ten days from the time of its final passage; wherefore such rules are hereby suspended and this ordinance shall be effective from and after its final passage, and it is so ordained.

Lost and Found  
 Found: Eleven girls signing a death sentence, (so they tell me.)  
 Lost: One senior. For only a couple of days. Miss him? Well, it does leave an empty space. Ahem!  
 Found: Julie reading something besides Oliver Twist. She is now reading The Tale of Two Cities.

Found: Walter and Tony working over the phonograph. Walter, do you like springs? Not water springs but phonograph springs?

Found: A beautiful day. Wednesday, January 31, 1945. Is it Spring?  
 Lost: All of Dora's pencils. If anyone has ever borrowed a pencil from Dora, PLEASE, return it.  
 Lost: Patience, when Leonard is around.

Found: A heap of scarfs in the commercial cabinet. Looks as though the 4-H girls are really getting down to business.

Found: Floyd looking up words in a dictionary. Are you increasing your vocabulary since you're uncle? Could be.

Found: Father blessing candles last Friday. Why? It was Candlemas Day, that's why. It was also Ground Hog Day in case you forgot.

Lost: Martha. She must have lost her way to school Thursday because she didn't come.

Found: Ethel and James "off to a good start." What am I saying? Yes, that's right.

Lost: Somebody's cattle. Anyway, Julia saw some on the road Sunday night. (So she tells me.)

### CLUB NEWS

North Edge Home Demonstration Club met Thursday, February 1, in the home of Mrs. Paul Howell. Roll Call was answered by a current event. Our president, Mrs. C. A. Hance was absent on account of illness in her home. Vice president, Mrs. C. W. George presided over the meeting and after a business session our Home Demonstration Agent, Miss Petty, recovered a chair which looked very nice when finished, and is an expensive way to furnish old or antique furniture. Our club voted for the shrub Pyranantha to be set in our yards as a living memorial to our service men and women. Mrs. George took a collection of dimes for the infantile paralysis fund. The next meeting will be

with Mrs. Woodie George February 15, all are invited.

Delicious refreshments were served to six members: Mesdames Bradley Fulfer, Dave Shepard, Clint Cox, Woodie George, C. W. George, the hostess, Mrs. Paul Howell, and Miss Leila Petty.

Mr. and Mrs. Sid Sheffy and Mr. and Mrs. Cecil Ginn were in Lubbock at the stock sale Friday. They also visited Mr. and Mrs. Bill Sikes.

Mr. and Mrs. Virgil Cummins are the parents of a new baby girl which arrived Wednesday.
