34TH YEAR

RANGER, TEXAS, SUNDAY, JULY 6, 1952

PRICE FIVE CENTS No. 25

## SEEN OR HEARD

Half the county population, all the politicians, and an intruder went to Cisco for the Fourth of July.

The intruders were the Ranger Jaycees and a noise box mounted on President Charles Milliken's car. Earlier they had gone to Strawn and the Thurber Reunion extolling the merits of the Jaycee Rodeo.

We can imagine what some of the "politicians" thought at having some of the "thunder" stolen from them on the rally at Lake Cisco. From what we hear the place was alive with humanity yesterday.

The planned softball game between the Ranger team and the Eastland DAV's failed to come off, with only four of the DAV team showing up Friday evening.

The boys are still looking for a game, or games. They may have to turn to baseball, as there are a number of hard ball teams in this area, whereas there are only a few softballers.

We sure hope that you people use your head for something other than a hat rack to get back home safely from the long weekend.

The death toll again this year is going to be a disgrace to the integrity of the American people. Fewer people have less sense on the highways than do the Amari-cans. Give them a day off and they rush madly across the country killing each other like flies.

More people are insulted with automobiles than in any other way. You do things with a car that you would never think of doing in a car. Courtesy could prevent a lot of our highway deaths.

You receive in return the treatment you afford your fellow men, plan now to be here tomorrow.

The first Trades Day program was held in Ranger Saturday afternoon.

Several lucky persons were to be given varied amounts of cash with no strings attached. If you weren't here for it this week, be sure and come next Saturday when another \$100 will be given away.

The Ranger Lions Club is sponsoring the Sykes Gospel Singers here in a program this coming Thursday evening at the Recreation Building.

The proceeds from the program will be used in the Lions Sight Conservation Program, which furnishes free glasses for needy children.

See any member of the Lions Club for tickets to this program. Varied types of vocal arrangements will be presented by the well known singing group, as well as hymns.

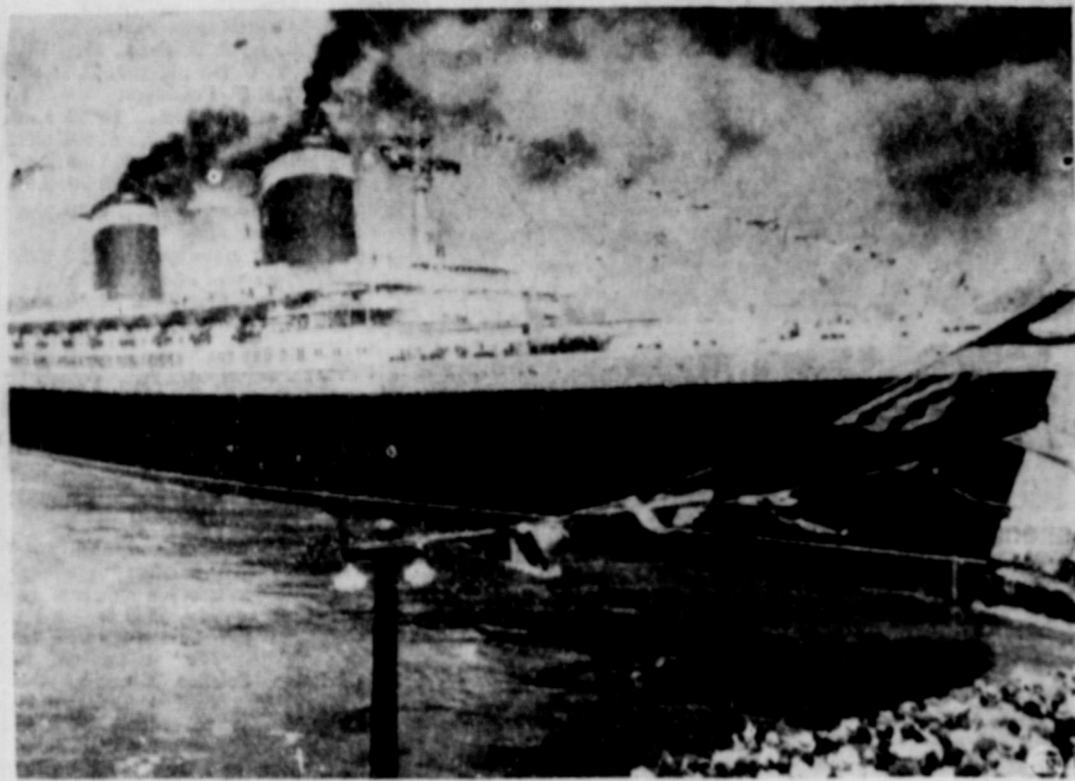

## Collie Makes Statement To County Voters

Support of his candidacy for the next Judge, Turner, M. Collie has issued the following statement:

I have been a resident of Eastland County all of my life, the past twenty six of which have been in Eastland.

I am a graduate of Cumberland University Law School at Lebanon, Tennessee, a member of the Texas Bar and Eastland County Bar Association and licensed to practice in all state courts as well as in the United States Tax Courts and before the U. S. Treasury Department. Have been engaged in the general practice of law in Eastland for the past sixteen years, the last seven of which have been in association with Judge R. W. Patterson.

For the past six years I have been your representative in the (Continued On Page 5)

## MacArthur For Vice President Boom Sweeps GOP Convention

By Lyle C. Wilson  
CHICAGO, July 5 (UP)—The "MacArthur for vice president" boom was thundering in this convention city Saturday as Taft managers maneuvered for a first ballot nomination.

Sen. Robert T. Taft's associates in public and private were speaking well of MacArthur as a running mate. Former President Herbert Hoover was believed to be a key man in plans for a MacArthur-Taft ticket.

But nothing was in the air. Eisenhower strategy was to play the corruption and vote-stealing issue against Taft to the limit before taking the delegate contest dispute Monday to a showdown on the convention floor. Both sides were full of fight.

Ishmen planned a spectacular "Dixie Indignation meeting" Saturday in the Blackstone theatre across the street from the Conrad Hilton hotel convention headquarters. They were whooping it up for a standing-room only meeting which would jam 1,500 persons into place.

**Foeds Endanger Party**  
In bitterness and political impatience Eisenhower's charges of corruption made against Taft in connection with selection of Louisiana, Mississippi, Texas and Georgia delegates has exceeded all expectations. It not only has shocked the voters but it has jarred Taft's pre-convention campaign and many believe, seriously damaged party prospects in November.

"Cheap little deals," is what Ike called the methods by which 76 of 96 contested delegates were awarded by the Republican national committee to Taft and only 20 to him. Lodge abruptly rejected all compromise Taft proposals and brushed aside Mr. Hoover's offer to referee the disputes.

Lodge said the national committee had become "a puppet for

the ruthless steamroller tactics of the Taft machine." The committee's actions on contest dispute reminded Sen. James H. Duff, Pennsylvania, of "Stalinist tactics." They hope for better luck before the convention credentials committee.

**Someone Will Get Hurt**  
Under this barrage Taft's attitude stiffened to one of give 'em nothing and ask no quarter. The battle is on and someone is going to get hurt here next week.

Taft strategy was toward a first ballot blitz when the roll is called next Wednesday or Thursday. He had about 100 more pledged votes than Eisenhower but was about 75 short of the 604 necessary to nominate.

The national committee's contest hearing ended Friday with another Taft triumph, but this time on a compromise basis dictated by the senator's supporters. The contested Texas delegation was divided, Taft 22, Eisenhower 13. Sen. Henry Cabot Lodge, Eisenhower's campaign manager, had rejected the 22-16 compromise proposal but the committee forced it on him.

Of the 96 contests among seven states and Puerto Rico, the committee decided 76 in favor of Taft and 20 for Eisenhower. The United Press tabulation now gives Taft 530 first ballot votes and Eisenhower 425 of the 1,206 total.

### The Forces Plan Meet

CHICAGO, July 5 (UP)—Gen. Dwight D. Eisenhower's supporters from below the Mason-Dixon line will hold a big "Dixie indignation meeting" Saturday afternoon to protest the loss of Eisenhower delegates in their area to the forces of Sen. Robert A. Taft.

## Army Paratrooper Sets New Twenty-Four Hour Jump Mark

By Lee Bond  
GRAND PRAIRIE, Tex., July 5 (UP)—An Army paratrooper who set a new world's record of 124 parachute jumps in a single day said Saturday he planned to stay grounded for a while.

Tough, wiry Neal Stewart set the new record by an eyelash Friday night when he floated to his last landing at 11:49 p.m.—just 11 minutes before his midnight deadline.

The 27-year-old daredevil from Birmingham, Ala., was a bruised and battered man with a headache after his ordeal.

"I don't expect," he said in his soft southern drawl, "to do any more jumping for a while."

He hadn't eaten in 48 hours when he tumbled out of a small private airplane at 500 feet over Grand Prairie airport for the 124th time.

He never eats when he's jumping. And during those last five or six jumps, he said, his head hurt so "I didn't even know where the field was."

For Good Used Car (Trade-in on the New Olds) Osborne Motor Company, Eastland

Stewart, who is on 30-day leave from Fort Bragg, N.C., also had little confidence his new record would stay long on the books.

"He'll come back and beat it," the new titleholder said of Iowa stuntman John W. Swedish, an acquaintance, who set the old record of 123 jumps.

Stewart made his mark the hard way. During daytime hours Friday, he jumped into 100-degree temperatures and often into wind gusts up to 23 miles per hour. The sun baked his plowed 100-yard-square landing area into hard lumps and a harrow had to be run over the section once during the day.

He had to call a halt to his marathon three times to rest up or to wait until the wind died down.

Stewart estimated he wasn't hanging during 11 of the 24 hours between 12:01 a.m. and midnight.

Stewart made his first jump at 12:16 a.m. He had to use his emergency chute twice in early jumps and his wife, who was watching, fainted the second time he had to use the spare after falling 260 feet through the air.

## Polio Warfare Continues On 4th At Houston

HOUSTON, July 5 (UP)—Houston families-by the scores forsook the Fourth of July holiday to continue volunteering their children for test shots of a serum doctors hope will prevent paralysis and death from poliomyelitis.

Dr. William McDowell Hammon, the University of Pittsburgh polio specialist who is directing the first mass test of the serum, gamma globulin, said Saturday he was "delighted" at the number of children who appeared Friday.

By injecting half of an eventual 35,000 children with gamma globulin and the remaining 17,500 with harmless gelatin, physicians will be able to tell if the serum works.

Many Houston parents, meanwhile, were reported buying the gamma globulin injection from private physicians, at a cost ranging from \$6 to \$40, depending on the strength of the inoculation.

Tremendous response by parents in volunteering their children for the mass test at Houston, where the nation's worst polio epidemic has been raging, will make it possible to complete the experiment in less than the 10 days set aside for it, Hammon said.

He said he expected the eight Houston and Harris county clinics administering the inoculations will begin turning away children by next week.

## Services Monday For Parents Of Mrs. Sparling

Funeral services will be held Monday afternoon at 2:00 in Stephenville for Mr. and Mrs. W. E. King, mother and father of Mrs. Ted Sparling of Ranger who both passed away in the Ranger General Hospital Friday.

Mrs. King passed away at 9:45 p.m. and Mr. King died at 1:30 a.m.

The couple had been in the Ranger hospital for some time. They were life long residents of Stephenville. Both of them having been raised near that town.

## Miss Smith Plays For Lions Thurs.

Miss Lida Jane Smith was featured on the Lions program Thursday noon. She was presented by Lion Everheart.

The Lions announced their sponsorship of a program by the Sykes Gospel Singers for Thursday evening.

Lion President C. E. May brought before the club several financial matters and other business that was discussed and settled or taken under consideration for further study.

## 82nd Congress Rushes Through Important Work

By Herbert Foster  
WASHINGTON, July 5 (UP)—The 82nd Congress, with political conventions and home in mind, rushed at its work Saturday in an all-out effort to wind up by Saturday night.

The lawmakers still had a stack of vital bills, including billions of dollars for appropriations and military bases, facing them as they began their final day. Also on tap was a controversial farm price support bill.

Even the last act of the session threatened a scrap. Senate and House administration leaders were determined to adjourn Congress sine die—for keeps until the next Congress meets in January.

But Senate Republican Leader Styles Bridges told newsmen he might move to recess subject to call of the leaders, keeping Congress on call to come back after the conventions if the steel strike is not settled. However, House Democrats leaders reported only scattered sentiment for a temporary recess, and Speaker Sam Rayburn was determined to adjourn.

A Congress went into its final sprint, this was the status of major legislation:

**Military**  
The 46,610,938,912 military money bill carrying funds to provide a 143-wing Air Force by mid-1955 was awaiting action by the Senate. It also includes a rider which would provide \$15.8-month combat pay for members of the armed services attached to combat units in Korea.

**Military Construction**  
A \$2,396,322,800 compromise bill awaited action by both houses. The compromise authorizes military construction around the world to give the United States a ring of bases from which to blast a potential enemy.

**Civil Functions**  
A bill to finance flood control projects and rivers and harbors developments was still in a conference committee.

**Atomic-Foreign Aid**  
A bill carrying about \$10 billion to finance atomic expansion, foreign aid and the military construction program was still being drafted in a Senate-House conference committee.

## Hayden Funeral Pending Word From Grandson

Funeral arrangements are pending word from a grandson in California for Mrs. Edna Hayden, who died Friday morning at her home on Cypress St.

The deceased was born Oct. 23, 1890. She had lived in Ranger for some 19 years. She was a member of the St. Paul Baptist Church, and was active in church affairs. Mrs. Hayden was employed at the Paramount Hotel for the past thirteen years.

Survivors are her husband, Frank Hayden, Corpus Christi; Geneva Ervin, a daughter of Denver, Colo.; Sarah Harris, her mother of Ranger. Five grandchildren and seven great-grandchildren also survive.

Killingworths Funeral Home is in charge of arrangements.

## Some Parts Of City To Be Cut Off From Water

Water in parts of Young and Byrnes-Riddle additions will be shut off temporarily from 9:30 p.m. Saturday until about 12:30 a.m. Sunday, stated Lester Crossley, city secretary.

During this time a go-devil, which is a mechanical cleaning device, will be run through the water mains.

Mr. Crossley also stated that the water tank is now full due to the splendid co-operation of local citizens and the city yesterday. Normal operations will follow the cleaning procedure. The City Council wishes to express its thanks to the people of Ranger for their co-operation in this situation.

## Reds Indicate Truce Talks At Crucial Stage

PANMUNJIM, July 5 (UP)—The Chinese Communists indicated Saturday that the Korean truce talks have reached a crucial stage on the last issue blocking an armistice-repatriation of war prisoners.

With a news blackout cloaking the progress, if any, of the negotiations, Radio Peiping had this to say of the talks:

"Now that the talks have entered executive session, there is no reason why a final agreement could not be reached if both sides faithfully carried out the agreed principles and do not engage in unilateral action disposing of war prisoners while negotiations for settlement are in progress.

"Results of the executive sessions will show whether the American delegates are really willing to negotiate a settlement on equal terms."

The broadcast again attacked the United Nations for "detaining" 100,000 Chinese and Korean war prisoners, but in milder terms than heretofore. The 100,000 prisoners are those whom the UN contends would forcibly resist repatriation.

Radio Peiping also broadcast a fantastic propaganda story.

The Chinese Communist radio said it "believed in Washington" Britain intends to test new types of atomic arms on Korean war prisoners in Australia.

## Freddie Larson To Get Degree

FORT WORTH, July 5 (UP)—Frederick Larson, Ranger, is a candidate for the degree of bachelor of arts at Texas Christian University according to TCU's registrar, S. W. Hutton.

A graduate of Ranger High School, he is the son of Mr. A. N. Larson of Ranger.

Larson is majoring in business administration at the University. He is scheduled to complete degree requirements August 24, and will receive his degree at the Summer Commencement on that date.

## Varied Accidents Claim Lives Of Pleasure Seekers

## Koy L. Lane Makes Bid For Re-election

To the Citizens and Voters of Eastland County:

Due to the duties of the office of District Clerk, which you have heretofore entrusted to me, I have been unable to see all of you at this date, and probably will not be able to see you before July 26th. Therefore may I take this opportunity to express my appreciation to you for the honor of serving you in this important office.

I wish to thank each of you personally for the trust that you have placed in me, and for the many courtesies and favors that you have extended me while serving as your District Clerk.

As most of you know, the duties of the District Clerk are many. He must be posted and familiar with the Rules of Practice and Procedure in all Civil Actions.

## Hot Holiday Over South

By United Press  
The Fourth of July in the Southwest was a day hot enough to ignite a firecracker without the aid of fire.

Temperatures arched toward the 100-degree mark throughout the area, except in Kansas and Missouri, where there was some ideal 85-degree holiday weather.

Texas and Oklahoma weren't so fortunate and Friday's high temperatures in Colorado, Wyoming and New Mexico, respectively were 99 at La Junta, 96 at Moorcroft and 96 at Farmington.

Prospects for the remainder of the holiday weather were about the same, according to U. S. Weather Bureau forecasters: High temperatures and tantalizing scattered showers.

A forecaster at the Dallas station described Friday as "just a good old fashioned hot Fourth of July."

Still, forecasters believed a weak cool front earlier this week broke the back of a torrid dry heat wave in Missouri and Kansas.

By United Press  
Sunbaked pleasure seekers, out to make the most of a long Fourth of July holiday, jammed the highways Saturday as the accidental death toll soared past the 200 mark.

Millions of persons flocked back to ball parks, beaches and resorts to resume their July celebration and enjoy the general pleasant weather.

But the inevitable total of accidental deaths began to climb sharply.

At least 215 persons were dead, a United Press survey since 6 p.m. Thursday showed. There were 138 traffic fatalities, 51 drowning deaths, and only one fire-wracked death.

While most American Friday lolled in the sun, zipped at spectacular fireworks displays or frolicked at amusement parks, the Fourth was a grim holiday for some.

At Estelina, S. D., a grandstand collapsed and dumped 1,500 persons onto the ground. At least 75 persons were injured, 35 seriously.

Rescue workers pulled the panicky injured out of the pile of splintered debris and rushed them to hospitals in Estelina, Brookings, and Clear Lake, S. D., where they overflowed into corridors and onto lawns.

At least 14 persons had broken legs and others suffered chest and kidney injuries. City officials said the grandstand was badly "overloaded."

Two men were blown out of a speeding car near Kansas City when one of them carelessly tossed a match into a grove of firecrackers. The car was almost demolished by the blast.

Herman Falke, 26, was burned by the explosion and a shower of glass fragments was imbedded in his face. His brother Wilhelm, 25, suffered body burns and a lacerated foot.

A group of boys at Oklahoma City hatched a plan "to kill a lot of fish."

They emptied the powder from "all" the firecrackers and rushed them into a 15-inch pipe to make a bomb to stun fish in a nearby pond.

Young Tony Sidwell was trying to hammer the ends of the pipe shut when the jerry-built bomb exploded and blew his left hand off at the wrist. The flash also burned his body seriously.

## One Killed; 7 Injured In Car Wreck, Borger

By United Press  
BORGER, Tex., July 5 (UP)—An 18-year-old Anadarko, Okla., youth was killed and seven other persons injured in a two-automobile head-on collision three miles south of Borger on highway 117 Friday night.

Bill Keeler of Anadarko died at North Plains hospital at 9:45 p.m., an hour after the accident.

The injured included James McBride, 16, of Borger, and Kenneth Uptake, 18, also of Borger, driver of the car occupied by Keeler and Uptake.

It collided with one driven by Oscar Silas Knowles, Sr., of Borger. Knowles, his wife and three children, Oscar, Jr., 13; Sandra Sue 10, and Bobby Ray, 3, also were hurt. All were in North Plains hospital Saturday.

# CHURCH NEWS

## Service Stated At 1st Christian

This Sunday, July 6, will be observed at the local First Christian church as Freedom and Democracy Sunday. This Sunday, the first following the Fourth of July, has been set aside by the churches of the Principles of Christ (Christian churches) and churches cooperating in the National Council of the Churches of Christ in America for the purpose of emphasizing the place of Christianity and the Church in relation to the national life of America.

Rev. A. Lynn Robbins, pastor of the First Christian Church will preach on the subject: "FREEDOM AND DEMOCRACY," and a special worship program, prepared by the National Council, will be participated in by the congregation.

This Morning and Communion Service will be observed at 11:00 a.m. Immediately prior to this, the classes of the Church School will meet at 9:45 a.m. Under recent action by the churches Christian Education committee, a separate Children's Assembly was begun last Sunday under the leadership of Mrs. A. Lynn Robbins and the teachers in the Children's Department. Also, it is announced, that the Assembly for the Adults will begin promptly at 9:45 a.m. this Sunday and everyone is urged to be on time.

The Evening Service for the First Christian church will be held at 7:00 p.m. and will feature a period of Fellowship Singing and Evening Meditations with the pastor bringing a sermon on the topic: "NEW WINE FOR FRESH SKINS." Baptismal services will also meet Sunday evening at 7:00 p.m.

You are extended a most cordial welcome to attend the services of the First Christian church this Sunday. "We are a small friendly church serving your community and you'll receive a blessing from these services this Sunday," the Pastor said.

## Ranger Youth Attend Rally Of Methodists

GEORGETOWN, June.—Approximately 250 central Texas teen-agers, ranging from 15 to 17 years of age, and their counselors from various sections of the Central Texas Conference of the Methodist Church gathered on the campus of Southwestern University June 23-25 for a five-day session of the Youth Assembly.

Representatives from Ranger included Lena Lois Pulley, Frank Johnson and Ralph Frank.

## Baptist Schedule Given By Pastor

Sunday will begin the third quarter for the calendar year and the last quarter in the Association year for the First Baptist Church, according to a statement made by the pastor. The Sunday program will begin with a high attendance goal for Sunday School with a goal for the month of July to beat the Summer slump and make a Summer for Christ. Goals are set for each department according to Mr. Wilson Guest, superintendent who also extends to all the children and folk of this city who are not in Sunday school, a most friendly greeting to attend Sunday School at the First Baptist Church.

The morning worship service will be a memorial service with the Lord's Supper being served. This morning hour will be one of solemnity and utmost reverence because it will be observed in memory of Jesus, according to the pastor who will be in the pulpit for both services.

The evening services will begin at 7 with Training Union meeting by departments. Mr. Walter Arterburn, Training Union director will preside over this part of the program and will give guidance to this phase of the work.

The evening worship will be a continuation in a series of studies of New Testament leaders and their contribution to the Master's work. Sunday night the message will be, "Judah the Justifier."

Church attendance, according to the pastor, should be a "Spiritual Must" on the program of every loyal thinking Christian. Sunday belongs to the Lord and one-seventh of the time allotted to man, and that time should be given in the service to the Master. Salvation is no excuse for the "redeemer" to shirk the call to service. There are very few, if any, scriptural excuses for being "Absent-without-leave" (A.W.O.L.) at any service, that is conducted in the House of the Lord ought to worship God in Spirit and in Truth. Attend the worship services in the church of your choice this Lord's day.

## Watermelon Feast Planned or Men's Brotherhood Meet

The Men's Brotherhood of the First Baptist Church will have their regular meeting at 7:30 p.m. Monday, according to Lem Rushing, president. Watermelons will be served on the church lawn.

## Dr. Beazley To Speak At Rally In Ranger Mon.

ABILENE.—Dr. William O. Beazley, Hardin-Simmons University special assistant to the president, will speak Monday at the Jones County Baptist Training Union rally in Ranger.

Dr. Beazley is professor of religious education and speech at the university. He was formerly educational director of the North Fort Worth Baptist church. He is a graduate of Southwestern Baptist Theological Seminary.

## Regular Services Scheduled Sun. First Methodist

Members and friends of the First Methodist Church will observe regularly scheduled services for both morning and evening, Sunday, July 6.

"We noticed a nice increase in Church School attendance for last Sunday morning over the past several Sundays," states the pastor.

"We noticed a nice increase in Church School attendance for last Sunday morning over the past several Sundays," states the pastor. We want to see a continued increase until our attendance reaches the 200 mark and remains there consistently. General assembly for the Adult Division meets promptly at 9:45 each Sunday morning with Frank Leason in charge. After a period of hymn singing and a brief devotional, the various classes gather in their respective places for Bible study. The Children's Division, under the direction of Mrs. Lavender, meets in the basement of the church in their respective departments at the same hours—9:45.

Morning worship begins with the playing of the prelude at 10:50. The Chancel Choir will lead the congregational singing and will also bring the special music—"Turn Ye even unto Me," by Harker. The pastor will preach the sermon, using for his subject, "The Master's Memorial." Evening service will begin with the usual voluntary "sing-song" in which our people enter so enthusiastically an which have proved such a blessing. We urge our members and cordially invite those who have no church home to attend the services of worship at "The Church with a warm heart." You are always welcome at the Methodist Church, the worship place for many of our Ranger people.

is on my side; I will not fear; what can man do unto me? The Lord is my strength and song, and is become my salvation" (118:6,14).

The Discoverer of Christian Science, Mary Baker Eddy, in these words challenges the acceptance of evil as power: "It is thought is startled at the strong claim of Science for the supremacy of God, or Truth, and doubts the supremacy of good, ought we not, contrariwise, to be astounded at the vigorous claims of evil and doubt them, and no longer think it natural to love sin and unnatural to forsake it, —no longer imagine evil to be ever-present and God absent? —There is a spiritual power over material resistance" (pp. 130, 134).

**CHRISTIAN SCIENCE SERVICES**

The willingness and ability to overcome evil belongs to everyone who realizes his spiritual relationship to God. This is the theme of the Lesson-Sermon on the subject "God" to be read in Christian Science churches this Sunday. The Golden Text reads, "Behold, the tabernacle of God is with men, and he will dwell with them, and God himself shall be with them, and be their God" (Revelation 21:3).

The protection assured by an understanding of the following statements from Psalms may be demonstrated by all: "The Lord

# There are Miles that Make You Happy

YOU'LL discover a lot that you like in this neat, fleet and nimble traveler the first mile you drive it.

Such things as cushions broad and deep — six-passenger room unsurpassed by any car in America — fabrics rich, soft, harmonious.

As you take it through traffic—breast a hill or two—try it out on back roads—you'll find that you handle Dynaflo Drive® as if you had always used it—your ride is serenely level—and a great tide of power comes surging up as you need it.

This, you will say, is very Super indeed.

But no one-time sample can tell you the deep-down enduring thrill that is yours when you own this great middle series Buick.

How easy it is to park in round-town driving, especially if you have Power Steering.†

How relaxed you and the family will feel at the end of a long day's vacation jaunt—with Dynaflo Drive to let you drive at ease on the open road, without the tenseness of clutch-pushing in traffic—plus a Million Dollar Ride to protect the comfort of the family.

That ride is something to talk about. More than a dozen selected engineering features control roll and wander on curves—snub dip and sway before they get past the frame—carry you over all kinds of roads with lullaby smoothness.

And that Fireball 8 Engine—man, what a docile thunderbolt you'll find it to be! Here's a high-compression valve-in-

head that really wrings miles from a gallon of gas.

In other words, all the miles you travel in this Buick are going to make you gladder and gladder that you bought it—for comfort, for fun, for thrill and for thrift.

What are you waiting for? Come in and get your sample today.

Equipment, accessories, trim and models are subject to change without notice. †Standard on Roadmaster, optional at extra cost on other Series. ‡Now available on Super as well as Roadmaster—optional at extra cost.

## Former Resident Tours Continent

Major and Mrs. Mark L. Johnson, USAF write from their "home" at Villa La Gasconne, Rue Don Perignon, Casablanca, that they have just completed a month vacation tour of various places in Europe. Travelling by plane and train they visited the following countries: Germany, Holland, Austria, Switzerland, Italy, France, England, and Spain. Principal cities visited were: Frankfurt and Cologne, Amsterdam and The Hague, Zurich, Lake Geneva, and Lausanne, Florence and Rome, Paris, London, and Madrid. They report an enjoyable and worthwhile trip, and also that the principal cities of Europe are crowded with American tourists.

Mrs. Johnson is the former Ora Mae McGee, daughter of Mr. and Mrs. M. A. McGee of 519 South Austin Street, and a former long-time employee of Scott's Store in Rancier. She has been living in Casablanca French Morocco since September of last year.

## The R. C. Sawyers Return From Trip

Mr. and Mrs. R. C. Sawyer, Rose Marie, Tom and Kenneth June returned Wednesday from a week's vacation in Yuleta and El Paso, where they visited Mrs. Sawyer's brother, Forrest Lyon and family and her nephew, Aaron Keen and family.

Points of interest visited were the McGulligan Canyon in El Paso and the Market Place in Juarez, where they shopped.

The Sawyers were dinner guests of Mr. and Mrs. Keen at La Chiquita in Zaragoza, Mexico.

Mr. Keen is head of the Music Department in Yuleta high school. They returned home by way of the Davis Mountains, visiting the McDonald Observatory, Old Fort Davis, and the museum of the West Texas Historical and Scientific Society on the campus of Sul Ross State College at Alpine.

They also stopped off for a visit with Mrs. Sawyer's sister and family of Grandfalls.

# Pretty Play Time Sport Clothes Feature Fashion

NEW YORK — (NEA) — Anyone for tennis? If so, what kind of figure do you cut on the courts? Well-covered but dowdy? There's no need to look that way. The newest fashions for the tennis court provide the right cover-up coupled with adequate cut for freedom of action.

Our model (left) demonstrates this actively in a blouse of linen-weave rayon by Ship and Shore. This is cut sleeveless and has extra-long shirttails that will stay tucked in no matter how you twist, bend or stretch. The collar is neatly convertible.

Worn with it are shorts that are smoothly tailored and cuffed, terminating at exactly the right length. The whole affair is cinched at the waist by a wide, elasticized belt equipped with a coin purse.

If fishing's your dish, there's a rainbow-striped blouse (right) to wear while you angle. In white cotton broadcloth, it has oversized patch pockets that will hold flies or bent pins. Both blouses are in the budget class.

## Royal Neighbors Entertained With Birthday Dinner

Carnation Gump 9059 Royal Neighbors of America met at 6:30 p.m. Tuesday evening for a birthday dinner, which was enjoyed by all.

The business session was called to order after dinner by Oracle Laura Todd. Roll call of officers was given. Three new members were initiated.

Quilts were put up Wednesday morning and quilted Wednesday evening. Penny prize was furnished by Lee Graham and Eleanor Horton.

## Baptist Women Have Social For Husbands

The Alpha and Priscilla Sunday School classes of the First Baptist Church had a joint social and supper, entertaining their husbands and families.

After a period of outdoor sports, the group went to the fellowship hall for supper, where Mr. Lloyd Clem, adult superintendent and his wife were special guests. Mr. Clem gave the blessing, after which some fifty people ate.

Hostesses for the evening furnished ice cream and cake. They were Misses Charles Cox, Keith Langford and Bill Bullock, teacher, from the Alpha class; those from the Priscilla class were Misses O. C. Warden, Mildred Hbrweck, Dave Fawcett and Ralph Perkins, teacher.

## Pioneer - Gunn H. D. Club Make Plans For Raising Budget Funds

"Since there will not be a Horned Toad Derby this year, we will need to make some other plans to raise our funds for the budget," was one item brought before the Pioneer-Gunn H. D. Club by Mrs. H. C. Fridge, club president, at their regular meeting yesterday (July 2).

The club met at the club house at 2:30 for an afternoon of worthwhile activity. Mrs. Fridge called the meeting to order after the club was led in group singing by Mrs. Calvin Roady. After a reading of the minutes by the secretary, Mrs. E. G. Gohler, there was a short but efficient business meeting in which plans were made for the group work in raising money for the club. The meeting was then turned over to the agent and assistant agent who presented a demonstration on the proper design and construction of children's clothes. Garments of suitable design were shown to the group. A slide film on making a girl's dress was also shown, followed by a demonstration by the agent on putting in hems on the machine.

Following the demonstration the hostess, Mrs. E. A. Tate and Mrs. H. A. Freeman, served delicious refreshments, preceded by a game called "Where is your husband?"

Those present were: Mrs. H. C. Fridge, Mrs. W. E. Gohler, Mrs. S. O. Skinner, Miss Grace Brown, Mrs. Joe Fleming, Mrs. H. A. Freeman, Mrs. Jess Flippen, Mrs. Will Foster, Mrs. C. B. Hester, Mrs. Bill Phillips, Mrs. Calvin Roady, Mrs. A. F. Garlitz, Mrs. E. A. Tate, Mrs. B. T. Stovall, one visitor, Mrs. Donati, assistant agent, Roselle Winston, and agent Mildred Daniel.

as well as Criminal Cases brought in the District Court of our County. It is his duty to Issue All Process in confection with these cases whether Civil or Criminal, and to record and keep all the records of, and for the District Court, it has been his duty to keep the Juvenile Records in this County; to Issue Abstracts of Judgments and to consider the solvency of various Bonds and to approve or reject them, and many other duties that I could mention but space will not permit.

When I first asked you for this important office, I told you that if elected I would render you the most efficient service possible. I have tried to make that promise good and I welcome an investigation of my record. During my tenure in office we have filed and handled over 6,000 cases of all kinds, which is more than double the number handled during the same length of time more than preceding my tenure in office. This of course is due to the years following the war and our little oil flurry which always causes more law suits. I am proud that I have been able to handle these cases with one regular deputy to help me, and I am sure that you will agree, and appreciate the fact, that we have saved the County money, by the manner in which we have handled the work. And it is still my promise, if you see

fit to re-lect me to render you the same economical, courteous, efficient service that I have in the past.

I believe that my record while serving as your District Clerk will speak for itself, and it will show that I am qualified to render you the service that you are entitled to have.

The Office of District Clerk belongs to the Citizens of Eastland County, and I have tried to keep this in mind at all times. I am your hired-hand with a job to do, and if the way I have cared for this important office meets your approval, I shall greatly appreciate another term, and again I wish to thank you for the many courtesies and favors which you have extended me.

Thanking you for your continued support and vote on July 26th, I am  
Respectfully, your District Clerk,  
—ROY L. LANE

A man occupying the office of District Judge should have a devotion to justice, administered with fairness and impartiality, and should approach every problem with that devotion in mind. As your District Judge, this will be my constant aim.

Thanking you for your thoughtful consideration of my candidacy, I am,  
Sincerely yours,

Eisenhower Due In Windy City Sunday Morning

By John L. Steele  
ABOARD EISENHOWER SPECIAL, July 5 (UP)—Gen. Dwight D. Eisenhower arrives in Chicago Sunday to take command of his bid for the Republican presidential nomination against "arrogant" politicians, who he says are trying to dictate the nomination of Sen. Robert A. Taft.

LEADS OFF FOR GOP—Walter S. Hallanan, of Charleston, W. Va., has been chosen as temporary chairman of the Republican National Convention, which opens in Chicago, July 7.

Eisenhower's special train is due at the Chicago and North-western terminal at 10 a.m. CST. From then on Eisenhower is pledged to fight what shapes up as an epic political scrap down to the finish wire.  
He set his theme Friday in seven speeches across the state of Iowa. As he moved toward the convention city, Eisenhower increased the intensity of his attacks on "a little group of men" who he said prized control of the Republican party above democratic principles of majority rule.  
Despite a back-sacking schedule the general looked fit for the pending battle. He was an angry man, stung by what he regards as high-handed decisions taken "behind the smoke screen of a cigar-filled room." He was warm to the task, and apparently enjoying it thoroughly.  
"Whether politicians are to be loyal servants or arrogant masters is the issue at this very moment in Chicago," he said at Ames, Iowa.  
"It is a struggle against those who would use parliamentary procedures and legal technicalities as a smoke screen to thwart the ideals and will of the people," he said.  
"It is a straight cut issue between right and wrong. It is a struggle against a little group of men whose purpose of controlling the Republican party overrides respect for majority decisions."  
The general and his backers are hunting one thing: Why hope, and confidentially expect, to arouse American public opinion against men Eisenhower terms "22 caliber politicians who would thwart the will of the delegates" and dictate the nomination if they can.  
Eisenhower said at Denison, Ia., that the Republican party cannot win in the fall election if it deserts to "chicanery, crookedness" in naming its own candidate. The identity of the nominee is unimportant, he said, so long as the party standard-bearer is chosen honestly and in the open.

### Romanian Purges Top Woman Red

BUCHAREST, Romania, July 5 (UP)—Mrs. Ana Paucker, one of Romania's most powerful Communist leaders until stripped of her party posts a month ago, was purged Saturday as foreign minister.

A government decree announced that Mrs. Paucker has been "freed of her functions" and Bucharesti Simion, Romanian ambassador to Moscow, recalled to Bucharest to take over the foreign ministry.

Observers in London said the announcement meant that Mrs. Paucker also had been dismissed from her more or less honorary additional post of vice premier. Diplomatic sources in the British capital predicted that the dismissal would be followed by her arrest and trial together with other recently-purged high-ranking Romanian Communists.

### Troops On Guard In Mexican Vote

By Robert Prescott  
MEXICO CITY, July 5 (UP)—Steel-helmeted troops and police mounted guard throughout Mexico Saturday as a bloody election campaign closed with the government apparently certain to crush left-wing and Communist opposition at the polls.

Administration candidate Adolfo Ruiz Cortines claimed he will sweep at least 70 per cent of Sunday's votes in the four-way presidential race, while the political machine that has kept his party in power for 26 years was expected to roll up a lop-sided majority on Congress.

His leading opponent, Gen. Miguel Henriquez Gomez, was conceded the support of less than one-fifth of the 4,925,000 Mexicans who will go to the heavily-guarded polls.

**Troops Guard Polls**  
Two other candidates, Communist backed labor boss Vicente Lombardo Toledano, and Efraim Gonzalez Luna, head of the Catholic party, were not considered in the running.

The army detailed 60,000 troops to guarantee "peaceful and honest" balloting and prevent recurrence of violence that already has cost 22 lives.

Military patrols, armed with carbines, tear-gas grenades and sub-machine guns, were ordered to break up political meetings and guard against sabotage or violence at power plants, water systems, newspapers, radio stations and other public utilities. Tanks and artillery were held in reserve.

Police and secret agents also were mobilized in the unprecedented security measures.

**Roadblocks Set Up**  
Roadblocks were set up to confiscate illegal firearms. Cantinas and liquor stores were closed. All private aircraft were grounded.

As the army enforced the uneasy pre-election calm, Communists and leftists alike accused Ruiz Cortines' Party of Revolutionary Institutions PRI of plotting fraud and possible violence if the election goes against expectations.

Ruiz Cortines, 61-year-old former interior minister who was selected by President Miguel Aleman as his "natural successor," closed out his campaign with an appeal to "avoid agitation—on the pretext" of the election.

**How To Drive There**  
CHICAGO UP—The best route for drivers between Chicago's loop and the building housing the national political conventions will be south, thence west to Halsted street. As supplements to Wabash Avenue, traffic experts also recommend Michigan Avenue or State Street to 43rd Street.
