PRICE FIVE CENTS No. 30

34TH YEAR

SEEN OR HEARD

One thing for sure—we are all glad to see these special editions go by, become history, and roll off the press.

As you can tell that was quite a bit of newspaper for us, compared with our usual run. We hope that it might in some small way help the Jaycees have a successful rodeo this year.

Brother Ike is now officially the GOP flag bearer for 1952. Were we daring we would go so far as to say that his flag-bearing will end after the November election.

We will possibly be surprised as we were when he got the nomination, but don't think he will be elected. Although he will possibly do better than Taft would have.

Still guessing—no don't run us out of town—we are of the opinion that Harry will again run for office as president of the United States. That will depend a large measure upon what his wife has to say, and how persuasive the delegates are at the convention.

Despite the corruption in government, fifty-cent dollar, deep-frees, milk coats, five per-cent, and personal blunders he has made, we think that he has more vote appeal than any of the contenders in the race.

How we will vote is another matter and will wait to see what happens.

The local "Wonder Boys" as they call themselves, who are a measure a softball team, had the pants beaten off of them at Eastland Friday night.

They made a remarkable showing in their first game against the best softball club in this area. The Eastland team has been playing all year with this being the first game for the "Wonder Boys."

As best we can find out the score was 12 to 7 in favor of Eastland.

We regret very much having left the name of the C. D. Hartnett Co. off those sponsoring the Jaycee Calf Scramble in the rodeo edition Friday.

Any sponsor of this worthwhile program deserves mention in anyone's paper, and C. D. Hartnett has been an active supporter of the program since its conception.

We hope that they will accept our apologies.

This rodeo is going to creep up on us before we get set if we don't watch out. The Jaycees will be a weary bunch of young men before the final hand is out for his try Saturday night.

Saturday morning a group of the Jaycees went to neighboring town to tell them of our rodeo and have a friendly visit with them.

Zeke Williams western band from Abilene is going with the Jaycees to help entertain the people that gather along the way.

The Jaycees advance rodeo ticket sales opened Saturday morning in the lobby of the Gholson Hotel for the convenience of those wishing to get seats early.

For more information you can call 66, someone will be there to answer all your questions and handle ticket sales.

More Heat With No Rain Is In Store For South

Partly cloudy skies blanketed most of the Southwest Saturday. Underneath citizens were hot and crops were dry.

No real rain was expected, only the usual scattered thundershowers. Even those were only a "possibility" in many areas, U. S. Weather Bureau forecasters said.

For the fourth consecutive day, temperatures failed Friday to reach the 100-degree mark. But the reports showed plenty of 95's and minimum temperatures were uncomfortably high.

It was 63 degrees at Denver early today and 81 at Fort Worth. Friday the warmest morning low temperatures of the week were reported in Oklahoma.

None fell below 63 at Hobart. Warm air over the Southwest successfully fought off Canadian weather masses which have air-cooled northern areas.

REMODELED GHOLSON COFFEE SHOP WILL OPEN TUESDAY

L. A. Fabian has announced the opening of the Gholson Coffee Shop has been closed for the past several days for complete remodeling and renovation of the premises.

In the front dining room new counters in a different arrangement have been installed, with all other equipment rearranged to make the service more convenient.

Complete renovation included entirely repainting the Coffee Shop. The walls in the front area from the floor up about four feet, with lighter blue being used to the ceiling.

Equipment in the kitchen has been renovated entirely, with the painters due to repaint the interior of that section prior to Tuesday's opening. New food closets, rearrangement, and other changes in the kitchen will improve the service and allow for strict cleanliness.

The Coffee Shop has a back dining room used for small banquets, service club meetings, and other functions that is in the process of being remodeled. Plans call for the ceiling of this room to be lowered, indirect lighting in place of that now used, papered walls, and some refinishing of the plaster.

A complete menu will be served by Fabian and the personnel of the Coffee Shop. From a complete dinner to a quick snack are included on the new shop's menu.

Fabian has assumed personal operation of the Coffee Shop. He said that it was his desire to prepare food and serve it in such a way that it will be a pleasure to eat out, not a chore.

Remodeling of the cafe follows the same thing done to the hotel over the past year or eight months. Fabian is of the opinion that the hotel and coffee shop will be in the most complete state of repair in a number of years.

It was his hope that the people of Ranger would visit the Coffee Shop and see for themselves what has been done and the service to be had.

Kendrick Group To Breckenridge For Big Concert

On August 4th, the Quartet has been engaged to entertain the district convention of the Stephenville Production Credit Association, and the Farm Bureau, which meets in the same building.

The Quartet personnel is Jimmy Warren, Fern, Shorty, Pierris Mom and Pop Kendrick.

Funeral Services For Ocie M. Hunt 4 P.M. Sunday

Funeral services for Ocie M. Hunt, who died in Eastland at 2:15 p. m. Friday, will be held at 4 p. m. Sunday at the First Baptist Church in Eastland. The Rev. Homer J. Starnes, pastor of the First Baptist Church, Weatherford, will officiate.

The deceased had been in ill health for several years, but his death was quite unexpected as he had been on his job as assistant manager of McGraw Motor Co., of Eastland, all week. He complained of feeling badly Thursday and was unable to go to work Friday.

Mr. Hunt was born in Ranger, April 8, 1902 and with the exception of five years the family lived in Taylor County during his childhood, he had lived in Eastland county all his life. He had been a resident of Eastland for the past 39 years.

Survivors include his wife, the former Miss Floy Atkellson whom he married December 21, 1925, one daughter, Mrs. A. G. Sanders of Weatherford, his parents, Mr. and Mrs. L. G. Hunt of Dilly, one brother, C. L. Hunt of Del Rio, three sisters, Mrs. Marcus Grieger of Eastland; Mrs. W. J. King, Abilene and Mrs. O. M. Musser of Dilly.

Palbearers will be Carl Johnson, J. M. (Doc) Davis, O. L. Hooper, Frank Williamson, Hugh H. Hardeman and L. E. McGraw. Burial will be in the Eastland cemetery under the direction of Hamner Funeral Home.

Omar Burleson Will Speak In County Monday

Congressman Omar Burleson of Anson will be on a speaking tour in Eastland County Monday, July 14.

Burleson's itinerary calls for him to speak in Cisco at 11 a. m., from there to Eastland where he will speak on the east side of the courthouse square at 2 p. m. From Eastland Burleson will speak in Ranger at 4 p. m.

The congressman said he was a little late in getting started campaigning and meeting the voters of the district due to his late return to the state from Washington, but he has hopes of reaching as many as possible in the short time left before the primary.

1953 Seniors To Have Paper Drive

The 1953 Seniors of Ranger High School have announced their intentions of having a paper collection to raise funds for their senior trip.

The class has made this announcement now in the hope that their friends in Ranger will start saving paper now, especially magazines and old catalogues, for the actual pickup early in September. Lack of storage space makes a collection before the paper is ready to ship impossible.

Those of you who save the paper are asked to tie it in bundles and place them on the sidewalk in front of your house at the time of the collection.

All money derived from this source will be placed in the Senior trip fund. Your cooperation will be deeply appreciated by the class.

Democrats Predict Eisenhower Defeat

Shivers Thinks Democrats Will Win In Texas

By United Press
Gov. Allan Shivers, who thinks the Democrats will win as usual in Texas if a strong candidate opposes Gen. Dwight D. Eisenhower, concentrated Saturday on his own platform for re-election and noted some "mighty queer statements from his opposition."

In a West Texas tour which ended a week-long campaign pointing toward the July 26 first Democratic primary, Shivers outlined eighteen planks which included approval of some federal aid programs as "desirable and necessary."

On a statewide radio broadcast from Odessa, he emphasized his thoughts on federal aid.

"Contrary to some of the things you may have heard lately," the governor said, "and there have been some mighty queer statements from my opposition, I am not trying to stop all federal grants."

Shivers said, however, "I am opposed to federal control over state affairs, and any schemes that will take federal taxes out of the pockets of Texas people, carry the money to Washington, and send some of it back with strings attached and a note saying: 'Look what Santa Claus is doing for you.'"

Shivers said late Friday that he still believed Democrats could win against Eisenhower, nominated earlier as Republican presidential candidate, with a strong candidate of their own. He would not stipulate who he thought would be the strongest Democratic standardbearer.

At Dallas, meanwhile, Ralph Yarborough, one of two persons opposing Shivers' bid for re-election, also shrugged off the Republicans.

He said he was "sure I can be elected governor over anybody the Republicans put up," refusing to predict if Eisenhower would carry Texas.

Yarborough said he would cut the expenses of the governor's office \$100,000 a year if he was elected. The former Travis County Judge repeated his recent statements that "I don't believe we should cut off federal aid to the state, as Gov. Shivers has advocated. We need it especially for road construction and old age pensions."

THE 91ST DISTRICT COURT EDITORIAL

A Committee of the State Bar of Texas has recommended that three District Courts in Texas be abolished. One of these is the 91st District Court of Eastland County. According to the plan on foot, Eastland County will be annexed to the 90th District which now consists of Stephens and Young Counties. Eastland is the most populous of these three counties and produces more court work than the other two counties combined. Under the proposed plan, new courts will be created in counties containing the larger cities. The matter will be decided finally by the Legislature which meets in January.

We find that the Bar and the citizens of Eastland County generally are deeply interested in this matter, and should unite in preventing the abolishment of the 91st Court. The defeat of the plan to abolish the 91st District Court will rest largely on the Representative we send to Austin for the next Legislature.

It is the considered opinion that our present Representative, Mr. L. R. Pearson, by reason of his thorough knowledge of the situation, and by virtue of his legislative experience and ability, is the best qualified man for the office of Representative to defeat this movement in the Legislature. Mr. Pearson personally knows every member of both the Senate and House, and has worked with them through the years. This newspaper believes the election of Mr. Pearson will improve and strengthen our chances to retain the 91st District Court for the citizens of Eastland County.

Superforts Hit Red Capital In Night Bombing

SEOUL, Korea, July 12 (UP)—B-29 Superfortresses dumped 540 tons of bombs Friday night on Pyongyang, already shattered and burning from a record-breaking 850-plane daylight raid.

Fifty-four B-29s from Japan and Okinawa teamed up soon after dark for what they hoped would be the knockout blow at the North Korean capital, its industrial complex and supply lines. "Excellent results" were reported.

It was the biggest armada of four-engine bombers assembled for a Korean raid in recent months. And the devastating daylight fighter-bomber assault which preceded it had been the biggest air attack of the two-year-old Korean War.

The one-two blow was the second major step in United Nations commander Gen. Mark W. Clark's "get tough" strategy with the stalling Communists, who have built up a new army and air force during a year of truce talks.

The first "persuader" raid came three weeks ago, when Clark sent 500 UN planes to destroy North Korea's strategic hydroelectric plants at Suhoi dam on the south bank of the Yalu River.

In the air was Saturday 25 Communist jet fighters tried twice to break up American photo-reconnaissance flights over North Korea when they jumped 38 American Sabrejets south of Suju.

Jack Porter Is Given Seat On GOP Committee

CHICAGO, July 12 (UP)—Jack Porter of Houston, leader of insurgent Texas Republicans, Saturday received the first reward for victorious fight in behalf of Gen. Dwight D. Eisenhower's presidential bid.

Porter was seated on the new GOP national committee for a four year term, replacing Henry Zweifel of Houston, with whom he fought a long, bitter, but successful, fight to get the Texas pro-Eisenhower delegation seated in the national convention.

Mrs. John R. Black of Dallas became national committeewoman for Texas, succeeding Mrs. Carl Stearns of Houston.

Porter and Mrs. Black were nominated for the committee jobs at a caucus last Sunday by the pro-Eisenhower delegation. They automatically got the national committee jobs when their delegation was seated over Zweifel's rival slate at the convention.

"It would be difficult to say where the money came from to pay them off," Wojenski said. But he added, "some of it" came from the sale of grain.

Ross Stuard, warehouse examiner for the Dallas office of the Production and Marketing Administration, said he inspected Henderson's warehouses in September, 1951, and discovered the government grain shortage.

Mrs. Reynolds Funeral Will Be Sunday

Funeral services will be held in the First Baptist Church Sunday afternoon at 2 o'clock for Mrs. Ralph Reynolds who passed away Friday night in a local hospital.

Mrs. Reynolds was born January 25, 1904 in Hillsboro. She had lived here in Ranger some 26 years. Mrs. Reynolds operated a beauty shop in her home at 304 Strawn Road for the past 23 years.

She is a member of the First Baptist Church and of the American Legion Auxiliary.

She is survived by her husband, Ralph C. Reynolds, a son, Ralph C. Reynolds, Jr., both of Ranger; three brothers, Jim Johnson of Bynum, Dick Johnson of Waco, and Jack Johnson of Waco; three sisters, Mrs. C. L. Yates and Mrs. Eugene Condit of Hillsboro, and Mrs. M. Jones of Ranger.

Palbearers will be H. O. Woods, Jr., Richard West, Robert Poodick, Richard Cox, Wesley Walker, Ronald Frost, Billy Anderson, and Dr. Dick Hodges.

Interment will be in the Evergreen Cemetery. Rev. Ralph Perkins and Rev. Garland Lavender will officiate at the services. Killingsworth Funeral Home will be in charge of arrangements.

Debt Settlement Enter Elevator Operator's Trial

AMARILLO, July 12 (UP)—A Farrell, Tex., elevator operator accused of selling government-owned grain paid off \$293,000 in debts three months after a shortage was discovered in his warehouse, his former bookkeeper testified in federal court at Amarillo Friday.

U. S. District Judge Joe B. Doney recessed court for the weekend after hearing testimony from the former bookkeeper, Stanley Wojenski, now of Clovis, N. M. He expected the case to reach the jury late Monday.

C. M. Henderson, the elevator operator, is being tried on charges of converting 126,775 bushels of government wheat and 18,834,779 pounds of grain sorghum stored with him by the Commodity Credit Corp.

Wojenski said Friday that Henderson owed \$293,000 in notes to banks in Amarillo, Lubbock, Farwell and Clovis, N. M., in November, 1951, and was being pressed for payment. The bookkeeper said the debts were paid the next month.

"It would be difficult to say where the money came from to pay them off," Wojenski said. But he added, "some of it" came from the sale of grain.

Ross Stuard, warehouse examiner for the Dallas office of the Production and Marketing Administration, said he inspected Henderson's warehouses in September, 1951, and discovered the government grain shortage.

Hopefuls For Nomination Get To Work

WASHINGTON, July 12—The Democratic presidential race, temporarily slowed down as the Republicans picked their standard-bearer, roared into the final lap Saturday.

With the Democratic convention eight days away, Democratic presidential hopefuls opened their spirit in the wide-open scramble to face Gen. Dwight D. Eisenhower in November.

Democratic party leaders generally viewed Eisenhower as a "strong" candidate. They agreed, Eisenhower's nomination would necessitate a vigorous campaign and a powerful vote-getter to assure a Democratic victory in November.

There was no unanimity in the divided Democrat camp, however, over the proper candidate to lead the Democrats to victory.

President Truman, who probably will play a key role at the party's convention in Chicago in swinging the tide to a single candidate, kept his political silence. He had no comment on Eisenhower's victory. The president has reportedly stated in the past, however, that Sen. Robert A. Taft was his "favorite" candidate for the GOP nomination on the grounds the Obama would be the easiest for the Democrats to beat.

Four avowed Democratic candidates—Sen. Estes Kefauver of Tennessee, Richard E. Russell of Georgia, and Robert S. Kerr of Oklahoma, and Foreign Aid Administrator Averell Harriman—contested no time in campaigning himself as the candidate to tangle with Eisenhower in November.

The candidates agreed that regardless of whom the Democrats nominate, victory for their party is assured.

Gov. Adlai E. Stevenson of Illinois refused direct comment on Eisenhower's nomination, but expressed confidence that the Democratic nominee will win in November. Stevenson said Friday night he definitely would not run for the Democratic nomination.

Stevenson Says He Will Not Run For President

SPRINGFIELD, Ill., July 12 (UP)—Speculation that Gov. Adlai E. Stevenson would succumb to presidential fever was seemingly scotched Saturday after his office issued a statement that he definitely would not run.

On-again-off-again rumors that the Illinois governor would attempt to capture the Democratic presidential nomination have come with machine-gun speed ever since January when he was called to a secret meeting at the White House.

Friday, after the Republican national convention nominated Gen. Dwight D. Eisenhower, Stevenson issued a statement through his press secretary, William F. Flanagan.

It said the governor had "no comment" on the nomination of Eisenhower.

"His own position has not been altered in any way by the Republican convention," the statement said. "He is a candidate only for re-election as governor of Illinois and, as he has often said, wants no other office."

Stevenson added, however, that he is "confident that the Democratic nominee will win in November."

"The governor will address the Democratic national convention which opens in Chicago July 21.

"Excepting—Women"

HELSINKI, July 12 (UP)—The Finnish Olympic organization committee said Saturday it will open special dance halls next week and limit admission to Olympic athletes with one exception—women.

Women "are invited to make the living for foreigners as pleasant as possible," the committee said.

4-H Club Girls Urged To Attend County-Wide Picnic July 18th

"The city of Ranger is happy to have the Eastland County 4-H club girls hold their annual county-wide picnic in the Ranger Park. We are extending all courtesies possible to make their visit a pleasant one," stated Mr. R. V. (Rip) Galloway, director of Chamber of Commerce of Ranger, to Miss Mildred Daniel, County Home Demonstration Agent and Miss Rozelle Winston, Ass't. County Home Demonstration Agent, in a recent visit to his office.

The festivities are scheduled to begin at 2:00 p.m. There will be an amateur show, games, races, swimming, and an interesting slide film on 4-H club work. Special rates will be given on swimming tickets and at the concession stands.

Encampment For Baptists Opens Lueders Monday

The annual Training Union Encampment of District 17 will open at Lueders Encampment on Monday, July 14, at the evening service, and will close on Thursday the 17th.

According to Rev. Ralph Perkins, president of the District Training Union work, the finest program has been outlined and prepared that the district has had in the past 7 years.

The camp is for all age groups, and for all phases of the church life. The leadership for the Elementary departments, consisting of the Primary, Beginner, and Nursery workers, will be conducted by Mrs. Perkins, and assisted by Meses. C. W. Johnson and Larry Cunningham and Miss Dorothy Pulley, all of Abilene.

Mr. Larry Cunningham of Hardin-Simmons will direct the recreational program on the grounds. W. O. (Bill) Beasley will give direction to swimming and educational work.

Mrs. Clara May Shaw and Mrs. Sue Barksdale Wright will have charge of the Young People and Intermediates, these two were formerly with the state Training Union department in Dallas.

Rev. Henry Chambers, pastor of the First Baptist Church of Anson will be Camp Pastor. Mr. Bill Sweeney, of Cisco, will be in charge of camp music, while Mrs. T. D. McCulloch will be pianist.

Many workers and churches will have parts on this week's program. Cabins and beds will be furnished free to those attending the camp. There is no registration fee, the only expense will be the food.

We would like to urge all Eastland County 4-H club girls to make their plans now to attend this afternoon of fun and entertainment and learn some worthwhile information on 4-H club records.

We'll see you in Ranger on July 18th.

Meeting Is To Continue At Second Baptist

The meeting in progress at the Second Baptist Church will continue with Reverend Eldred Thomas delivering the messages.

He will deliver both the morning and evening messages this Sunday. All other departments of the church will go on as usual Sunday morning and evening.

The meeting is conducted twice daily. With Reverend Thomas bringing a message each morning at ten o'clock, and each evening during the week at eight.

There is a standing invitation at the Second Baptist church to anyone who wishes to attend any of the services enjoyed by the congregation.

Those attending the services being conducted by Reverend Thomas are of the opinion that he is delivering messages each day that are of interest to all Christians desiring greater knowledge in this all important phase of life.

Mr. and Mrs. J. I. Donley have as their guests Mrs. Donley's niece from Fox Oklahoma. The niece, Mrs. Ben Jackson, her husband and son and the Donleys visited Mrs. Donley's sister in Weatherford Friday.

The Jacksons are planning to join members of the Kirk and Jackson family for an outing Monday and Tuesday to Pokum Kingdom.

Polish Marks the Kid

DENVER, July 12 (UP)—Denver police said Saturday they had an easy time finding two-year-old Bryan Dale, who had wandered from home.

Just before strolling out of the house Friday, little Bryan smeared himself from head to toe with his mother's red fingernail polish.

First Christian Sunday Services

"WHY I AM A PROTESTANT" will be the topic of the sermon at the 11:00 a.m. Morning Worship and Communion Service of the Ranger First Christian Church. Rev. A. Lynn Robbins, pastor of the church, will deliver this message.

Besides the scriptural authority, the pastor will draw the sermon outline from an address delivered on Reformation Day, 1951, by the Rev. W. Earl Waldrop, pastor of the Central Christian church in San Antonio. Because of the popularity of the message in San Antonio, the message was prepared in pamphlet form and distributed to all pastors in the state to be used in their services when feasible. This sermon will be of special interest to those who desire a clearer understanding of the function of the Protestant Church in America. Over one-half of the United States population belong to a Protestant church; but there is great confusion as to the reasons why such bodies exist.

At the Evening Service of the church, the pastor will preach on the theme: "PEOPLE ARE SACRED." This 8:00 p.m. service will also feature fellowship and evening meditations. The Christian Youth Fellowship will also meet at the church at 7:00 p.m.

You are extended a most hearty welcome to those and any services of the First Christian church. See you in the church of your choice this Sunday.

Regular Service This Sunday For First Methodist

Religious services, according to schedule, will be held at the local Methodist Church, Sunday, July 13. Church School will meet at 9:45 with Frank Deaton, general Supt., in charge.

"Our attendance has been on a steady increase for the past several Sundays," said Mr. Deaton. Last Sunday we almost reached the 200 mark, and the Supt. suggests that we all get together and go above that mark for this Sunday. "There are a lot of the young married couples who need to be in our Church School activities, and who need what the Church School has to offer them in the way of Christian guidance," the pastor said.

The hour for the morning worship service is 10:50. The Chancel Choir will sing the anthem: "God be in My Heart" by Davies. The pastor will bring the message, using for his subject: "The Voice of Authority." The service will be concluded by 11:55 a.m. The evening service will begin at 7:45 with the usual "sing-song."

The sanctuary will be cool and comfortable for all services. Members are invited to dress as cool and comfortable as possible. "By all means, count S. S. and church attendance in on your Sunday schedules," the pastor stated.
