Britain Warns Iran Of Her **Get Out Order**

LONDON, Sept. 26 (UP) Freat Britain warned Iran today that its decision to throw British oil technicians out of the country which Iran would be held fully re-

Sir Francis Shepherd, British SULATION is no better than the ambassador at Tehran, was instapplicator that applies it. We can stand the most rigid investi-gation. Rock Wool makes your ructed to give the warning to Iran ian Premier Mohammed Mossadeh in what a foreign office spokesand man called the 'strongest possible warmer in the winter. For free protest.

British warships were within gun range of Abadan, the great oil reinery and port where the British echnicians were concentrated. British troops including picked paratroops were poised, on a constant alert, within easy flying range of the city.

Reports from Tehran said Irnian troops also had been alert-

Prime Minister Clement R. At ee called a formal meeting of his labor cabinet for tomorrow to consider a crisis which now entails the danger of an armed clash-a lash which might cause Russia to arch into Northern Iran

The cabinet must decide wha o do about the Iranian ultimatu to the oil technicians to get ou by next Wednesday midnight or be hrown out.

A possibility that a head-or clash would be avoided appeared in an emergency meeting in Tehran this morning between Mossadeh and Loy Henderson, the new U. S. Ambassador to Iran. The Premier was reported to have urged Henderson to use American "good offices" to avoid a possible armed

Officials emphasized Britain's ext step in the crisis was "still under urgent consideration" and no final decision was taken at a eeting of ministers and senior ilitary leaders last night.

There appeared no doubt Briain was ready to take whatever ction it considered necessary. Re orts from Cairo said British coops in the Suez Canal Zone ive been standing by for weeks to within a few hours to Abadan necessary

At least eight British warships cluding a cruiser, and four detroyers are within striking distance of Abadan at present along with other ships further out on All offiical comments indicated

the decision on military action would be taken in the light of nether it would provoke a third The United States is known to

pose any military action except r the protection of British lives This is believed to stem from the ear a British landing in south ran might touch off Russian act

Russia's 1921 treaty with Iran ermits Soviet troops to cross the rder if Russian interests are en angered by a "third party.

ydrate value than others, a fact which is useful information in a partners, he said, but they "sharreducing diet. You can usually ed offices" and he "participated eat more of the low-carbohydrate with Mr. Boyle in a number of fruits at less calorie cost when cases. you feel more in need of quantity han quality.

class of fruits, those containing over a number of cases. He said five per cent carbohydate, are the these included six finished cases following ones when they are on which \$56,000 in fees was due canned without sugar:

white cherries, loganberries, pea- lue" of \$354,000. ches, raspberries, fresh rhubarb and strawberries. In the 10 per cent carbohydrate

berries, canteloupe, muskmelon, honeydew melon, Spanish melon, fruit, Jemons, oranges, fresh peafresh pineapple, fresh strawberries, tangerines and wa- Siskind took over. termelan

Apples, fresh apricots, bluecherries, currants, fresh loganberries, nectarines, pears and red or black fresh raspberries are all in the 15 percent carbohydrate

The richest in carbohydrate va e of the fruits, the 20 per cer ers, are bananas, grapes, plum and prunes.

You can eat four medium sized dried prunes on a 1500-calorie diet at a cost of 84 calorie; or f you're reckoning on the \$1.50 budget, it would be 8 1-2 cents They would make a good between meal snack when you think you're sungry and still leave almost 10 ents in your budget for fruit he rest of the day. Or you can tew those prunes, without addng sugar, then use some of your nilk allowance for the day and have the prunes either as a morning fruit or as a fruit in salad r as a dessert.

About your only limitation in arying diets is your imagination

Siskind Says He Paid Boyle Huge **Amount Of Cash**

WASHINGTON, Sept. 26 (UP) Max Siskind told Senate invesigators today that he has paid William M. Boyle, Jr., -Livestock: Cattle 2900, steady. \$99,000 for his law practice sin-Good and choice slaughter steers ce 1949 and still owes him about

The Washington attorney also said he did not know that the American Lithofold Corp. of St. Louis, which he represents as counsel at \$500 a month, "had received any RFC loans nor had even applied for loans until I 36.50. Stocker cows 20.00-28.00. read about them in the newspap-

Siskind was called before the Senate's investigating committee which is looking into Lithofold's dealings with the government 40.00, common and medium grad- Boyle's connections with the St Louis firm and the relationship between Boyle and Siskind.

> He told the Senators that Lithofold has "never asked me to solicit government business, or to seek to maintain or increase government business, and I have done ed." othing whatsoever in connection with the procurement of government business.'

He said arrangements for the ale of Boyle's law practice were ade when Boyle became paid e-chairman of the Democratic ational Committee April 20, 1949. Boyle moved up to chairman in Aug. 1949.

He and Boyle never were law

When Boyle decided to join the Democratic committee, he said, The lowest of the carbohydrate they arranged for Siskind to take and a number of unfinished cases Apricots, blackberries, red or which had a "prospective fee va-
