PLEDGE A PINT
TO SAVE A
LIFE!

34TH YEAR

RANGER, TEXAS, FRIDAY, MARCH 27, 1953

PRICE FIVE CENTS No. 110

Today we'd just like to issue an appeal to the men and women of Ranger:

A PINT OF YOUR BLOOD is needed . . . needed urgently . . . to SAVE A LIFE! Let us be grateful that we ourselves are not hovering at death's door . . . giving our lives . . . as are so many . . . each hour of the day . . . grim-faced, pain-racked fighting men . . . and tortured polio victims . . . struggling to live . . .

That pint of blood that YOU can give next Thursday is little . . . but can mean so MUCH! Let's roll up our sleeves . . . and open our hearts . . . by giving a pint . . . to save a life.

You can make your pledge as a donor by phone . . . just call . . . 838 . . . 451 . . . 121-J . . . 142 . . . 328 . . . or 741-W . . .

Won't you do that NOW? Thank you!

Cooler Weather For County Area Today, Saturday

Eastland County's weather was slated to be a bit cooler today and Saturday, according to the morning forecast of the U. S. Weather Bureau. The usual better-than-80 degree temperatures of recent days will drop a few degrees with the high for Friday and Saturday due to be in the 70s. Possibility of showers also was forecast in the morning report. The lowest temperature tonight will be around 50.

Blood Donor Quota Short!

"How often may one give blood safely?" "The time elapsing between the visit of the bloodmobile last Oct. 2 and its coming visit next Thursday is ample time between donations for Ranger donors, Dr. L. C. Brown, Eastland County health officer, said this morning. He voiced his approval to the Red Cross policy that "Donations may be made once every 8 weeks, but not more than five times in any 12 months."

Dr. Brown, who has worked many times with the blood mobile units, stressed the fact that giving blood does not hurt. A skin anesthetic is used to prevent pain from the needle, and blood is withdrawn in a steady rate compatible with the normal rate of flow in the veins.

The only precaution that the donor need take is to avoid eating fatty foods for at least four hours before the donation is to be made, the county health officer said.

The average, healthy adult has from 12 to 13 pints of blood which is constantly being replenished. After a donation the liquid part of the blood is replaced almost immediately; the cells and minerals, after a few days.

Everyone, age 18 through 59, is asked to donate blood which is vitally needed by our wounded servicemen and by Americans at home.

Unmarried persons, 18 through 20 years of age, who are not in the armed forces must have parental consent in order to give blood.

Young Schoolers Slate Easter Egg Hunt On April 3

Third and fourth grade Room Mothers met at 3:00 p.m. Thursday in the Young School auditorium to discuss, with the teachers, Mrs. Oliver and Mrs. Anderson, the plans for the Easter egg hunt and picnic to be held on Friday, April 3, at Willow Park.

Each third and fourth grade pupil at Young School is asked to bring a sack lunch and at least four Easter eggs to school Friday, April 3. Mothers and little brothers and sisters are also invited . . . bring a lunch for each. Also . . . mothers of fourth grade pupils are asked to send a stime (10¢) to school by Thursday, for each person in their family who will attend, for cold drinks and ice cream.

The group will go to Willow Park at 11:30 a.m. to eat lunch, after which the children will hunt Easter eggs. The boys are playing a baseball game to be played after the egg hunt.

RHSers Present One Act Contest Play Tonight

"Special Guest," Ranger High School's one-act play entry, will be presented in the Interscholastic League contest at Stephenville tonight.

The play was presented here a week ago in rehearsal performance and is directed by Miss Betty Farnese of the Ranger High School faculty.

The cast of the one-act play is composed of Cynthia Hull, Roddy Carter, Ralph Franks, Billye Mae Fox and John Rush.

Assisting backstage will be Jert Willis, Donnie Quoley and Barbara Flowers.

Oil Patch Reports—

New Test for Eastland

COST OF LIVING CONTINUES DOWNWARD; FOOD PRICES MAKE SHARPEST DROP IN YEAR

Thousands of Eastland County housewives, care-worn from juggling household budgets in the nerve-racking battle with the mounting cost of living, were beaming today as the government in Washington announced the sharpest drop in the cost of living for any single month in the past year.

Lower food prices—really great news for area homemakers—were mainly responsible.

The consumer price index, measuring price changes in food, clothing, housing, medical care and hundreds of other items, declined four-tenths of 1 per cent between mid-January and mid-February.

The index on Feb. 15 was 113.4 per cent of the 1947-1949 average, exactly the same as last June.

The index rose to a record high last August, eased off in September and October, duplicated the August high in November and then dropped, counting today's report, for three straight months.

The administration recently completed the lifting of price controls from all consumer goods but the impact expected on some items was not registered in the latest index.

Food prices during the month ended Feb. 15 dropped 1.4 per cent—the sharpest decline in twelve months.

The Bureau of Labor Statistics (BLS) which gathers the monthly prices used to compute the index, said all major items making up the "market basket" of consumer expenditures dropped over the month except housing and personal care—which includes such items as haircuts, manicures and the like. These rose, but only slightly.

Farm Cleanup Week' Set For Mar. 29, April 14

The state's annual "Farm Cleanup Week" planned to reduce livestock and poultry losses from disease, injury and parasites, was set today for the week of March 29 through April 4.

The American Foundation for Animal Health said farmers and ranchmen can increase this year's livestock profits and reduce need—(Continued On Page 2)

Seniors Staging Dance, Midnight Movie Tonight

Tonight's big night for Ranger High School's seniors is a dance at the Recreation Bldg. in downtown Ranger. The hop is slated to get under way at 8 p.m.

Following the dance at 11:30 p.m. there'll be a big midnight show at the Ranger Drive-In Theatre. The screen attraction: "Brain Snatcher," an eerie thriller starring Boris Karloff.

Admission is 50 cents and all high school and college students are especially invited to attend. Proceeds from both events will go to finance the coming annual senior trip.

While quite a bit of activity is seen in the oil interests around Rising Star the past several weeks there is no boom on, and one oil man said we do not know what to expect," reports F. D. (Whitey) Hicks, editor and publisher of the Rising Star Record.

"C. D. Bailles, who has been in the game a long time, gave us this bit of news late Tuesday," Hicks said and reported—

The Ballew No. 1 on the pump and a little oil. This well is north and east about two miles of north. Jack Townsend Evans No. 1 just across the fence from the Ballew No. 1 is down 500 feet.

Tyler & Breeding moving rig on Evans tract for No. 2. Chas. Watson No. 1 is not complete. All these wells are down around 1000 feet.

Grimes No. 1 showed good core, piped through pay and cemented around 1000 feet. Armstrong lease at Cross Cut 1400 feet well, said to be making 50 to 75 barrels.

No report was given on Cecil Joyce et al. Greenwood lease some three miles east of Okra, reports down 2700 feet and good showing of gas, some estimate 3 to 6 million feet. There are several other wells on this tract. The wells on this tract have been furnishing gas for the Southwest Natural Gas Company that operates DeLeon, Comanche and Oubon.

The pre-Christian Greeks produced a concoction called mithridate, supposed to contain an antidote for every known poison.

THEY WALKED AWAY FROM THIS ONE

Another new Eastland County oil test was announced today.

It's the No. 1-A Farmer, or al, a new project in the Mississippi Field, which will be put down by the McElroy Ranch Co. of Fort Worth.

Location is 50 feet south of the No. 1 Farmer and 2,200 feet from the north and 330 feet from the west line of Section 2, Block 3, H&TC Lease.

According to reports, operator has cemented off the Mississippi reef ray in the No. 1 Farmer, and has run casing to 1,017 feet to test several shallow beds.

The No. 1 Farmer blew out several weeks ago, and operator was never able to regain circulation. Oil seeped to the surface and some 1,800 barrels of oil were recovered from these seeps.

The seeps gave rise to stories about a hollow tree that had been flowing oil, and considerable oil was reported seeping through an oak rat hole. The oil coming to the surface was caught in earthen storage.

Operator thinks the shallow sands mentioned may have taken oil from the Mississippi reef.

Oscar Newwood of Okla. Thursday spotted the No. 1 O. C. McClure as a Stephens County wildcat three miles northeast of Frankell.

The test is slated for 2,300 feet. Location is 330 feet from the south and 600 feet from the east lines of the southwest quarter of Section 26, Block 6, T&P Survey.

Palbearers at the funeral rite Saturday will be E. P. Robinson, Tony Lewis, Vern Peterson, Louis Green, Carl Page, and Lloyd Clem.

His survivors include the widow of their Eastland Hill home; five daughters, Mrs. D. B. Livingston of Breckenridge; Mrs. O. M. Crouch of Amarillo, Mrs. J. S. Boles of Dallas, Mrs. C. M. Jackson of Frisco, and Mrs. Leo L. Langley of Corpus Christi; two sons, E. E. Paschal of Arlington and S. D. Paschal of Jackboro; one sister, Mrs. Lizzie Simpson of Gallitron, Tenn.; one brother, J. R. Tankersley of Route 2, Eastland; three step-brothers, J. W. Franklin of Round Rock, Henry Bolman of Texas; one half-brother, A. C. Tankersley of Eunice, N. M.; 13 grandchildren and two great-grandchildren.

The Purple team's starters average 182 pounds per man with the forward wallers averaging 190 and the backs, 174 ounces.

The White squad's first string averages 177 pounds—the backfield, 162, and the line, 193 pounds per man.

Livestock Show Opens; Judging Set Saturday

The annual Livestock Show of the Eastland County Livestock Raisers Association opened this morning at the airport one mile northeast of Eastland.

Judging of the many entries in the 1953 event is slated for tomorrow.

Saturday's schedule: 8:30 a.m. — Judging Angora Goats.

9:00 a.m. — Judging Breeding Classes of Sheep. 9:30 a.m. — Judging Fat Lambs.

10:00 a.m. — Judging Breeding Classes of Swine. 10:30 a.m. — Judging Fat Barrows.

1 p.m. — Judging Breeding Classes of Cattle. 2 p.m. — Judging of Fat Steers. 3 p.m. — Judging of Dairy Cattle.

The winning animals in the fat steers, fat lambs, fat barrows and fat yearling divisions—shown by Eastland County 4-H and FFA club boys and girls—will not be auctioned off, but each exhibitor is eligible to sell his or her animals at a special sale next Tuesday afternoon at 2:30 p.m. at the Faircloth Auction Sales Barn at Eastland.

It also has been announced that the Eastland County Livestock Raisers Assn. will provide free transportation for a one-day trip through the Fort Worth Stockyards, Zoo and perhaps other places of interest on a suitable date following the current sale date.

C. M. McCain of Eastland, treasurer of the ECLRA, is general superintendent of the show this year.

Funeral services for Lonnie Dale Tankersley, 67-year-old long-time resident of Ranger who dropped dead of a heart attack Thursday at noon, will be held at the First Baptist Church in Ranger Saturday afternoon at 2 o'clock.

The Rev. Ralph Perkins, pastor of the church, will officiate. He will be assisted by the Rev. Geo. Thomas, pastor of the Carbon Baptist Church.

Interment will be in Evergreen Cemetery, Ranger, with Killingsworth Funeral Home in charge of arrangements. Members of the Caddo Masonic Lodge will be in charge of the graveside rites.

Mr. Tankersley, who was born in Hamilton County, Texas on Dec. 31, 1885, had been a Ranger resident for 40 years.

He succumbed to a heart attack while delivering a special delivery letter to the Little Gem Hotel in the colored section of Ranger Thursday at 12:15 noon. He was an extra employee of the Ranger post office and also had been in charge of the First Baptist Church for two years. Prior to his recent retirement, he had been employed as an engineer by the Lone Star Gas Company for nine years.

Mr. Tankersley was a member of the First Baptist Church, Ranger, and also was a member of the Wayland Masonic Lodge at Caddo.

Palbearers at the funeral rite Saturday will be E. P. Robinson, Tony Lewis, Vern Peterson, Louis Green, Carl Page, and Lloyd Clem.

His survivors include the widow of their Eastland Hill home; five daughters, Mrs. D. B. Livingston of Breckenridge; Mrs. O. M. Crouch of Amarillo, Mrs. J. S. Boles of Dallas, Mrs. C. M. Jackson of Frisco, and Mrs. Leo L. Langley of Corpus Christi; two sons, E. E. Paschal of Arlington and S. D. Paschal of Jackboro; one sister, Mrs. Lizzie Simpson of Gallitron, Tenn.; one brother, J. R. Tankersley of Route 2, Eastland; three step-brothers, J. W. Franklin of Round Rock, Henry Bolman of Texas; one half-brother, A. C. Tankersley of Eunice, N. M.; 13 grandchildren and two great-grandchildren.

Big Crowd Is Due To Witness Benefit Game

The "Whites" and "Purples" of the Ranger Junior College grid squad—ending spring training this afternoon—will clash in a special intra-squad football game at Bull-dog Stadium in Ranger Saturday night.

Opening kickoff has been set for 8 p.m. sharp, and a large crowd of fans is expected to be on hand in the stadium to get a preview glimpse of the '53 Rangers who'll vie for the coveted Pioneer Conference pigskin title next fall.

Coaches Dick Henderson and Sam Aills said early this afternoon that they were "highly pleased" with the showing of their Purple & White charges in the spring drill sessions.

Saturday night's game will be a special benefit event for the athletic fund. Tickets are priced at 50 cents, and students will be admitted for 25 cents. Dues for the class are on sale in downtown Ranger at Texas Drug, Crawford's Rexall Store and Swaney's Pharmacy.

The starting line-ups as announced at noon Friday by Head Coach Henderson:

THINGS YOU SHOULD KNOW ABOUT U. S. DRAFT LAW

On a local draft board is placed the responsibility, under applicable laws and regulations, of deciding which men should be deferred because of their civilian activities.

The three categories of men considered are: (1) farmers or farm workers, (2) college or university students, and (3) men in industrial and all other civilian activity.

In the case of students, deferment until end of the school year is ordered by law, if the student is mailed an order to report for induction while he is in school satisfactorily taking a full-time course of instruction, provided he has never received such a statutory deferment before.

If the student has previously received such a deferment, then further deferment is up to the local board. The board can consider information outside the scholastic as well as scholastic information. The widely publicized draft test for college students can be ignored by local boards under draft regulations if the board so desires. Score on the draft test and class standing of the student are provided as information for the board.

Here are three things the board considers when it is looking at a case of possible deferment for farming or other civilian activity: (1) Is the man engaged, except for a seasonal or temporary interruption, in the activity? (2) Can he be replaced by persons with his qualifications or skills? (3) Would his removal cause a material loss of effectiveness in the activity?

In the case of farmers or farm workers, the chief question asked is: Is he employed in the production for market of a substantial quantity of agricultural commodities necessary to maintenance of national health, safety or interest? All such deferments are for limited periods.

RECOGNITION WITHHELD

REHNECTADY, N. Y.—Prof. Harold A. Larrabee of Union College is beginning to wonder if it's worthwhile having a name. His bit of light verse entitled "The Very

Model of a Modern College President" was twice credited to "Anon" in 1951. In a recent review of his book, "Benthams Handbook of Political Fallacies," Larrabee's name was not mentioned although the report covered three columns in The New Republic weekly.

Students Act Out Solutions Of Behavior

"Sociodrama" is the newest wrinkle in grade-school teaching in California. Instead of merely sitting and listening to teacher telling them how to behave, the boys and girls are "acting out" behavior situations.

The teacher tells or reads a "problem story," about children like themselves in situations encountered in daily life. The story ends "up in the air" just before the problem is solved.

The children then act out such solutions as occur to them. Several possible endings may be tried, and the class votes on which is best.

Prof. Fannie R. Shaftel of Stanford and her author - husband, George Shaftel, who recently published an 80-page report on the

technique, says "children live in the United States. Puller in 1747 it was designed by Peter Harrison, one of the first professional architects of the colonies.
