Ninety-six golfers, including many out-of-town entries, participated in the qualifying round of the 18th annual Ranger Invitational Golf Tournament at the Ranger Country Club Friday during the opening day of the three-day meet.

A strong wind hampered play on the club's 9-hole course.

Top score of the day was posted by Boone Yarbrough, Ranger Junior College athletic coach. He posted a 78.

Jimmy Phillips, who shot a 71 last Sunday to qualify, was ineligible for medalist honors since he was unable to make the round yesterday.

Three linkmen tied for second-place honors in the qualifying round — Art Corbin, R. V. Cole of Pecos and Jimmie Harris — with 74.

Four entries fired 75s. They were Jack Al Simpson of Pecos, John Dickey of Weatherford, Leonard Highnote of Ft. Worth, and Bob Sikes of Dallas.

Two rounds were scheduled for Saturday — one in the morning and one in the afternoon. There'll be a third heat Sunday morning and final championship play will be unrec'd Sunday afternoon.

Highlight of the opening day of the tournament included a barbecue Friday night at 7 p.m. More than 100 persons attended the event. C. E. May, Pete Braslier, Wilson Guest and Carroll Boone comprised the committee in charge of the barbecue.

More than \$1000 in awards is being offered golfers in the tournament. There's a medalist prize and awards for the winner, runner-up and consolation shooter in the championship and the six other flights.

Terry Moore decides to rent a room in Burt Lancaster's house in this scene from Hal Wallis' absorbing and compelling motion picture drama "Come Back, Little Sheba," the Paramount release, opening today at the Majestic Theatre in Eastland. Co-starred in this penetrating depiction of human emotion is Shirley Booth, who after a brilliant career on the legitimate stage, makes her film debut as Burt Lancaster's wife.

Shirley Booth's First Picture At The Majestic

Hal Wallis' production of "Come Back, Little Sheba," the Paramount picture opening today at the Majestic Theatre, marks the motion picture debut of Shirley Booth and presents Burt Lancaster in his most unusual and dramatic role. Both Miss Booth, who has long been considered one of the top actresses of the American stage, and Lancaster, one of the world's most popular actors, have received an unprecedented amount of critical favor for their performances. Special kudos has also gone to Terry Moore and who, in their featured roles, emerge as a romantic team sure to fire the imaginations of moviegoers everywhere.

"Come Back, Little Sheba" that has been expressed by the critics is shared alike by the public, who have acclaimed it as an exceptional film.

Sabbath Will Be Big, Busy Day For Members of First Baptist

The attendance for both Sunday School and Training Union will be high for our organizations, according to Bill Bullock, both groups have special programs arranged for Sunday. Special departmental programs will begin at 9:45 and will lead to the morning worship hour when the entire church will assemble in the main auditorium for the preaching service.

The pastor will deliver a special message on "God's Immutability." Special music will be presented and gospel hymns will be sung by the congregation.

A special notice is given to parents, "our nursery and beginner departments are equipped with germicidal lamps" that is to prevent epidemics from spreading and with air conditioning in all rooms and departments so that comfort and health can be protected. The main building is equipped with refrigerated air and a complete change is made every few minutes.

The Training Union will meet at 7:00 and will dismiss early for the Baccalaureate services of the R.J.C. We do have a fine program, and according to Walter Arterburn, we want our people to put first things first and come to T.

U. at 7:00. Remember, to bring a friend and attend all the services Sunday, "where you are always welcome. Everyone is invited to attend the reception following the R.J.C. program."

"We trust," said Rev. Ralph Perkins, "that all of the citizens of the city will turn out for the graduating services of Ranger Junior College Sunday night at the First Baptist Church."

A splendid program has been arranged and one of the "first speakers" in the nation, Dr. Gaston Foote, pastor of the First Methodist Church of Fort Worth, will deliver the baccalaureate address.

The Women's Missionary Union and the church unite to give a reception honoring the graduates, and faculty of R.J.C. Also to welcome President Cluck and his family in their first official presence in Ranger.

Every one is invited not only to be present for the services, but to attend the reception that will be held in the spacious, and beautiful lower auditorium of the church.

Mrs. J. Lloyd Clem, president of the W.M.U., said, "We want every one to meet our fine boys and girls from R.J.C., their parents, the faculty, and our new president and his family. We want the folks to attend the reception and really get acquainted."

The church is equipped with a splendid refrigerated air condition unit that will afford comfort and relief from the usually heat and discomfort of summertime services. The entire building is air conditioned and pleasant degree of temperature is assured.

First Christian Church Honors Mrs. Matthews Sunday Morning

At the 11:00 a.m. Morning Worship and Communion service today, the Ranger First Christian church will pay special tribute to its choice for the first annual award of the Christian Citizen for the year. Through the suggestion of the churches Community Service committee a recent vote was taken in the congregation and Mrs. E. T. Matthews was chosen by the church. An invitation is extended to everyone in the community to be present for this service of honor to this long-time resident of Ranger. Also today Rev. A. Lynn Robbins, pastor of the local church, will conclude a series of sermons taken from the seven churches in the book of Revelation. His sermon for the morning service will be "The Church of the Open Door."

At the 7:00 p.m. Evening Service the pastor will conclude the series with a sermon entitled, "False Prosperity." This service will be only 30 minutes long so that the congregation may attend the Commencement services for Ranger Junior College. These services will be held in the First Baptist Church at 8:00 p.m.

The Church School, with classes for all ages, will assemble promptly at 10:00 a.m. and the Christian Youth Fellowship and the Junior Fellowship will meet at the church at 6:30 p.m.

You are given a cordial welcome to these and any of the services of the First Christian church, a small friendly church serving for a better community. Remember to attend the church of your choice this Lord's Day.

Brotherhood of First Baptist Meets Monday

The Brotherhood of the First Baptist Church will meet Monday evening in the cool and comfortable lower auditorium of the church for their regular meeting of the month. Supper will be served at 7:00.

Rev. Bill Hogue, pastor of the New Hope Baptist church will bring the evenings entertainment of fun, inspiration, and a serious thought. Bill, a popular young minister is rapidly becoming a popular speaker, not only in his own denomination but has entertained folk in the various denominations and service clubs. The men, said Dr. Marshall Jolly, are in for an evening of splendid entertainment and a good program.

Chick Usery has promised a good feed, and the membership vice president, Lewis Green and his Captains are after a record attendance.

A short business session will be held in which the program for the summer will be presented to the men. One of the finest programs for the remaining part of the church year has been planned that we have had in several years, and several special activities will be presented.

Homer Coody, program vice president, will introduce the program and will present the program for the next three months for the approval of the organization.

The local Brotherhood has attained recognition for furnishing leadership in the association, district and in state work.

Supreme Choice Sermon Topic at First Methodist

A very vital part of the Sunday morning service at the First Methodist Church will be the special recognition given to members of the Board of Stewards. In addition to the members who served last year, the Committee on Nominations recommended 6 new members to serve for the ensuing year: M. G. Smith, Charles L. Pounds, Jess Weaver, and Guy Garrett, R. F. Webb, Leonard Cooper. These, along with old members will be given the privilege of standing at the altar of their church to assume vows and responsibilities which it places upon them.

W. J. Creager will serve as chairman of the Official Board for the new year. A. E. Cravens has served faithfully and well in this capacity during the last two years. All members are expected to be present for this consecration service.

Church School will convene at the usual time—9:45, with hymns prayer, a brief devotional. The annual Vacation Church School will begin in the children's division (ages 2-13) and will continue through next Sunday. Parents should see that their children are present for each session, beginning Sunday morning. The hour for the school is 8:30 to 10:30 a.m.

The morning service will begin promptly at 10:50. In keeping with the occasion of Memorial Day, the beautiful baby grand piano which now graces our sanctuary will be dedicated. This lasting memorial, to the loving thoughts of their parents, Mr. and Mrs. V. V. Cooper Sr., the Cooper children present this lovely gift to the service of the church. As a part of the service of dedication, Miss Nelva Faye Colvin, student at Ranger Junior College, will sing, "The Lord's Prayer."

The pastor will preach the sermon, using for his subject: "The

MULLING WITH MULLER

Don't you women get down-right mad when you hear some sarcastic male voice yell over, "Woman driver!"? Most men won't agree, but statistics prove, that women drivers are pretty darn good! We don't profess to have the strength or reach of your great big males and the lack of that has been one of the woman driver's biggest problems, particularly when parking. But if any of you gals are driving a car equipped with Dynaflex and Power Steering, hully don't stand a chance of making even one ungentlemanly remark! I had the opportunity this weekend to drive such a car—what a pleasure and joy that experience was—and gals, you can park with the best of them!

An old discarded felt hat can be made into practical and easy mats to protect your nice tables from being scratched by lamp bases and ash trays. If the surface of the object, you are covering, is flat, it will be an easy task to just measure, cut and glue on. If the surface is uneven, or if a four-legged lamp is your problem—cut felt discs.

Have you a young lad in the family who likes to build or create? Industry joins with educators in sponsoring programs for development of craftsmanship and creativity among teen-age boys. Right now thousands of boys throughout the country are busy putting the finishing touches on their model cars to enter in this year's Fisher Body Craftsman's Guild competition. For their efforts, at least eight boys will receive university scholarships and several hundred others will share in cash and other awards. The significant aspect of these youth programs is the idea of training boys for effective citizenship in a highly industrialized society. Many former Guildmen are now filling important jobs in business and industry.

The Model T was born Oct. 1, 1908, and when the last of more than 15,000,000 was produced 19 years later it had become the most famous car in history. Henry Ford's specifications were simple: the T was easy to operate and repair, low priced and durable.

TRANSIST-EAR FOR HARD OF HEARING

Here is the world's first ALL-TRANSISTOR hearing aid—first consumer product to use the amazing transistor to full advantage.

This instrument, operated entirely by a single "energy capsule", no larger than a dime and only a trifle thicker, uses transistors to eliminate all vacuum tubes and bulky batteries. It is hardly larger than a cigarette lighter—weighs only 2 1/2 ounces
