Do you know what this car

It can set you atingle with thrill. It can move from zero to legal speed quicker and quieter than any Buick before it-and with the utter smoothness of a gull in glide-because this is a 1953 Buick with the spectacular getaway of Twin-Turbine Dynaflow.*

It can loaf easily up a long steep bill -swoop instantly ahead when there's safe passing to be done - or whisper along at highway pace with throttle barely open - because this is the Buick powered with the world's most advanced V8 engine, with recordhigh compression of 8.5 to 1.

It can surround you with comfort, luxury, restful ease. It can velvet a rough road with its

even softer all-coil-spring cushioning -track true on curves with its solid

torque-tube steadiness - handle like a flyrod with its Power Steering" gentle to a precise balt with its Power Brakes +

And it can seat you in the superb comfort of true spaciousness - because this big and brawny beauty is the Buick SUPER Riviera Sedan - roomiest six-passenger sedan made in America.

Above all, this car can give you supreme value-more room, comfort, power and thrill for the money than you can find elsewhere.

Why not come in and see it, drive it, compare it? We'll be happy to arrange matters.
