Here's 14-Day Reducing Diet

YOUR DIET'S BEST FRIEND IS YOUR DOCTOR

Today I want to say a special word of welcome to the men we couldn't live without-and I mean that literally Doctors from all parts of the country will be working long and hard throughout the convention, studying and discussing the newest in medical science just so your family and mine can enjoy the blessing of continued good health. I want to say a personal word of thanks to the doctors for the wonderful help and encouragement they have given me in my own work. . . . But now, here are today's lowcalorie menus-and I hope your scale is beginning to show the results on your personal program to reduce your waistline and lengthen your life-line!
