Publicity—J. M. Cooper and T. D. Wheat.  
Membership—Johnnie Aaron, Vernon Humphries and Hood King.

**Autumn Here, But Weather Still Summery**

Exit summer—enter autumn. It happened this morning at 2:07 a.m.

But more summer weather was forecast for the Eastland County vicinity today by the U. S. Weather Bureau.

Yes, and for tomorrow—Thursday—too.

Weathermen said it would be generally fair today and Thursday—cooler at nights, but hotter in the afternoons. Top mercury readings, about 95 degrees each day. Just about five degrees below summer's sweltering 100 level.

Cool tonight and Thursday night—in the upper 50s.

Clear to partly cloudy was forecast for North Central Texas for Wednesday and Thursday with no important changes in temperature.

And for West Texas: Clear to partly cloudy today and tomorrow. No important changes in temperature.

**Wylie Bulldogs Get Underdog Rating Friday**

For the first time in this yet new pigskin season, Coach Stubb's Warden's 1953 Ranger High Bulldogs are rated as favorites.

They're due, according to all available dope, to wind up atop Wylie's less potent Bulldogs when the two schoolboy grid machines collide at Abilene Friday night in a District 7-A conference duel.

The Bulldogs began their '53 campaign two weeks ago by humbling 13-B South Taylor, 25-13, but last week they were soundly, 27-0, by another Class B outfit—Clide.

Two weeks ago, Coach Rayburn Landers was congratulated on winning his first one.

"That's all they're liable to win this year," Coach Landers reported.

And for once, it was not just another football coach feeling in his hip pocket for his crying towel.

The head injury received by 114-pound fullback Perry Elliott two weeks ago left the Bulldog mottled four backs with which to operate.

Wylie lettered only 14 men in 1952 and only four are back this year.

Watts Breaks Collarbone

One of the four, 125-pound fullback Johnny Watts, broke his collarbone before the season got underway. The doctors think he may be in shape for the Bangs game Oct. 16. Elliott will probably be back for the Ranger game Friday.

Top men among the 10 who have worn the Purple and Gold of Wylie for the last time were a trio of backs, James Caton, Don Blackburn, and Lee O'Dell Bailey and tackle Richard Baack.

In addition to Watts, the returning lettermen are end Digger O'Dell, guard Cecil Allen, and halfback Elton Long.

Bye-to-O'Dell Clicks

Landers does have one bright spot in his gloomy skies.

O'Dell, a 150-pound senior end, and quarterback Eugene (Genkie) Beyer, a 141-pound junior, make a sweet passing combination.

The duo clicked for two touchdowns and an extra point against South Taylor and Beyer scored a third touchdown and passed to end Kay Wilson, 131-pound senior, for the fourth TD, thus figuring in all 25 Wylie points.

Allen, who holds down left guard with his choice 160 pounds, is a senior, as is Long, 135-pound right half.

With Allen and Beyer at present in the Wylie backfield are left half Lynn South, 122-pound sophomore, and Freddie Hamilton, 122-pound sophomore.

Joel Kirkpatrick, 191-pound junior left tackle, is the only Bulldog with any real meat on his bones. Opposite him is Bob Kay, 156-pound junior.

At right guard opposite Allen is Curtis Townsend, 139-pound sophomore. Ford Parr, a 140-pound sophomore, is playing offensive center but Larry Roberts, a 142-pound senior, is likely to take over as soon as an infected hand is sufficiently healed.

Twenty boys out of a possible 60 reported for the Bulldog team this year. Most of the other 40 boys enrolled in school have work after school hours.

This will be the 10th season for Landers, whose last district title came two years ago when the Bulldogs went undefeated only to bow to Albany, in the bi-district round of the state playoffs.

He is assisted by A. W. Wakefield. Landers is an ACC grad; Wakefield went to school at West Texas State.

Beyer does most of the Bulldog passing with O'Dell the kicking specialist, punting, kicking extra points, and kicking off.

The Bulldogs operate from the Split T and the spread, with Beyer the man-under in the T and the tailback in the spread.

At tailback, Beyer shows promise of following in the footsteps of such former Wylie aces as T. R. Baack, now at Har-In-Simmons, and Caton, a McMurry freshman this fall.

Despite their weaknesses and despite their record, however, there is real pep and hustle out at the Wylie grid war camp this week.

They'd like to win at least one more game—they'd like to upset mighty Ranger.

And the spirited squadmen are vowing that they'll do their best to make their test Friday night one of those storybookers. Upsetting the Maroon & White Bulldogs of Ranger would really get their 7-A stock soaring upward.

**'53 Peanut Crop Due To Bring \$5,000,000**

**\$50 From Ranger C-C**

**WHIT GRAHAM WINS AWARD FOR FIRST LOAD OF PEANUTS**

Whit Graham, Kokomo community farmer, brought the first big load of 1953 peanuts to Ranger Tuesday afternoon to win a special award—the Chamber of Commerce award of \$50 in cash.

Graham was presented with a check for the amount by R. V. (Tip) Galloway, secretary-manager of the Ranger Chamber of Commerce, only a few minutes after he and his wife had arrived at the Ranger Peanut Company with their load of the new goobers, which weighed 15,860 pounds.

Graham has 67.7 acres of peanuts this year. His initial load brought to Ranger Tuesday was of good grade. The crop was planted after the 10th of June following the drought-breaking rain.

Ranger's first load of goobers have arrived earlier, the Kokomo farmer said, but he had trouble with his hay baler Saturday. Otherwise, he'd have had his also has 42 acres of cotton which is now ready for picking.

"My cotton this year is some of the best I've ever seen," he said brightly. "The bolls are so big that they're breaking down many of the stalks."

Graham declared that much of his '53 lint crop will average a bale to the acre.

The farmer has been a life-long resident of the Kokomo area. He was born only four miles from his present farm. His father, the late J. M. Graham, settled below Gorman in 1895 after migrating to Texas from Mississippi. The elder Graham, a pioneer Eastland County resident, was born in South Carolina.

Graham's load—528 bushels—brought \$1,465.13 from the Ranger Peanut Company. Price paid was slightly above market for the grade, Wylie said.

The Kokomans' income from his 1953 nut crop averaged \$50 an acre. And his yield—above average—was 21 bushels an acre.

**Final Rites For R. B. Patterson This Afternoon**

Funeral services for Robert Bellfield Patterson, 81-year-old former employee of the Ranger Police Dept., were held this afternoon at 2 o'clock at the First Methodist Church in Ranger.

Rev. Finis A. Crutchfield, pastor, and Rev. Garland Lavender, of Weatherford, former pastor of the church, officiated during the final tribute to the aged resident who died Tuesday morning at his home, 408 Strawn Road, following an illness of several months.

Interment was in Evergreen Cemetery, Ranger, with Killingsworth Funeral Home, Ranger, in charge of arrangements.

pallbearers were H. O. Woods, Sr., H. G. Adams, Sr., John Bates, Archie Robinson, Homer Blackwell and Ray Todd.

Mr. Patterson, formerly a desk sergeant with the city police department in Ranger, was born in Humphreys County, Tenn., on March 10, 1872. He was united in marriage with the former Miss Mollie Lee Triplett in Houston County, Tenn., on August 6, 1901, and was a member of the First Methodist Church, Ranger.

Survivors include the widow at the home address; four sons, R. L. Patterson of Farmington, N. M., R. A. Patterson and R. C. Patterson, both of Ranger, and C. B. Patterson of Houston; five daughters, Mrs. T. J. Parry, Vanderbilt, Texas, M. G. Williams of Quawit, Arabia, Mrs. Marvin Gray, San Bernardino, Calif., Mrs. A. J. McMichael of Pauls Valley, Okla., and Mrs. J. C. Owenby of Eastland; 15 grandchildren, five great-grandchildren; one sister, Mrs. H. H. Chandler of Oklahoma City, Okla.

**Goober Harvest in Full Swing Within 30 Days**

The 1953 peanut crop in the Ranger territory, now fast ready for harvest, will bring about five million dollars in cash to area raisers, it was estimated today.

T. C. Wylie of the Ranger Peanut Company said that harvest of the goobers will be in full swing within the next 30 days.

Prospects for a bountiful, and profitable harvest, he said, are excellent.

The 1953 crop in Eastland County will be average with some farmers doing even better than the average yield of 18 bushels per acre—and some production will be less than that figure. But added up, the current crop is due to average 18 bushels or better to the acre, Wylie said.

Ranger offers area growers the best peanut market in the county. At the Ranger Peanut Company highest market prices will be paid for the goobers.

A government grader will be on hand during the harvest season. And the Ranger Peanut Company has accurate scales.

These are a few of the many advantages offered farmers who market their 1953 goober crops in Ranger.

Wylie anticipates a good grade of peanuts this fall. They'll probably be around the average 70 base grade. Later, if more moisture comes, grades may climb as high as 81, according to the Ranger peanut buyer.

**Rangers Gunning For Cisco-- ALL PIONEER CONFERENCE CLUBS TRIUMPH SATURDAY; BUSY WEEKEND IS AHEAD**

Couch Dick (Chub) Henderson's sharpening Ranger Junior College Rangers and the four other Pioneer Conference teams, with a clean sweep of five victories over non-league rivals last Saturday, are bracing for stern tests this week against other non-league foes.

The Arlington State College Rebels, defending conference champions, will lead off for the loop at Kilgore Thursday night when they tackle the mighty Kilgore Junior College Rangers.

The Rebels established themselves as contenders again this season when they trounced the tough Wharton Junior College Pioneers, 21-13, last Saturday. Kilgore of the Big Six Conference last week flashed a warning to all future opponents by lacing Del Mar, No. 1 junior college team of the Southwest last year, 20-0. Thus the ASC-Kilgore setto should be one of the outstanding junior college games of the season.

On Saturday, San Angelo, impressive in its opener last week with a 26-0 victory over Phoenix college of Arizona, will be host to Wharton which has beaten Kilgore and lost to ASC. The outcome goes to a basis of comparing the Rams with the Rebels and Rangers, their early season conference favorites.

Tarleton State's snappy Pioneers, 31-13 winners over Cisco last week, also appear to have a harder game on their schedule this Saturday. They will engage the perennially tough Paris Junior College Dragons of the Big Six Conference at Stephenville.

Another Saturday contest will be Coach Henderson's RJC Rangers and the Cisco Junior College Wranglers at Cisco. The Rangers bounced back last week with an impressive passing attack to down Allen Academy, 26-6.

The Schreiner Mountaineers, who gave their new Coach H. M. "Rusty" Russell a happy start in Junior College coaching by trouncing Texas Lutheran, 16-0, last week, line up against Victoria Junior College at Kerrville this Saturday. The Mountaineers also are expecting a challenge from the South Texas team.

**Holloway Rites Set Thursday**

Ernest Holloway, former Olden resident who died at Waco Tuesday, will be buried in Evergreen Cemetery, Ranger, Thursday afternoon.

Graveside rites for Mr. Holloway will be held at 3 p.m. with Bro. Price, minister of the Church of Christ, Waco, officiating. Killingsworth Funeral Home, Ranger, is in charge of arrangements.

Mr. Holloway was employed by the Lone Star Gas Co. at Waco.

Survivors include the widow and two children, Sharon and Billy, all of Waco; and his parents-in-law, Mr. and Mrs. C. J. Renfro of Olden.

**Oil Patch Reports—**

**New Producer For Rising Star**

Production was on pump from an open hole at 1,090-1,127 feet.

Location of the new producer is three miles northwest of Rising Star in Section 26, Block 2.

**Breeding & Tyler of Rising Star** also announced locations of the No. 2 and No. 3 G. A. Dunn.

No. 2 will be put down 150 feet from north and 480 feet from west lines of Section 26, Block 2, ETRR Survey.

No. 3 will be 480 feet from north and 150 feet from west lines of Section 26.

Both are slated for 1,200 feet.

A new completion and two locations for additional stabs in the Rising Star area of Eastland County were announced this morning.

Breeding & Tyler of Rising Star have completed their No. 1 G. A. Dunn for a daily gauge of 73.12 barrels of 40 gravity oil and 25 per cent water.

**Olden's Popular Community Night Program, Friday**

Citizens of Olden are preparing to stage their first Community Night program for the season on Friday night of this week, according to President Travis Reese. The program will start at 8:00 p.m.

Mr. and Mrs. Ronald Hughes will have charge of the program, and there will be plenty fun for all who attend.

**No Such Animal**

**TRAFFIC SIGNS Now Can Use More Punch**

IOWA CITY, Ia.—Traffic safety experts are considering putting an additional word on traffic signs.

They think it necessary to say "full stop" instead of just "stop" and "bad curve" instead of just "curve."

In fact, Bert Woodcock, Iowa State Teachers College specialist in driver education, pointed out in an Iowa Teachers' officers annual short course at the University of Iowa that many "no smoking" signs had to become "positively no smoking" to get results.

He said maybe the same thing is necessary in traffic work.

Woodcock said many drivers think that by simply slowing down a stop sign and sweeping each direction with their eyes they are playing safe.

"Our eyes don't have a complete semi-circular field of vision," he said. "Like cameras, our eyes focus on each of a series of pictures with gaps in between or with a fast twist of the head we see only on long, blurred field of images."

**AREA'S CLAY RESOURCES TOPIC THURSDAY MEET**

One of the Ranger area's most promising and highly abundant resources—clay—will be discussed during a joint luncheon and program session of the Ranger Rotary and Lions Clubs at the Gholson Hotel in downtown Ranger Thursday—tomorrow—at 12:15 noon.

An enlightening address, "Clay Products as a Part of the Construction Industry in Texas," will be delivered to the Lions, Rotarians and other interested guests and listeners by Harold Long of Dallas, field engineer for the Clay Products Association of the Southwest.

In addition to the memberships of the two civic clubs, the general public also is invited to attend and hear Long's important message. However, non-members are required to make their reservations at the Gholson Hotel Coffee Shop in downtown Ranger not later than 9 a.m. Thursday.

**At Ranger Rodeo Arena—**

**Swine Show Next Saturday**

The annual 4-H Club Swine Show will be staged at the Jaycee Rodeo Arena in Ranger next Saturday, Sept. 26.

The event is scheduled to open at 10 a.m.

Wade Frey, Comanche County agricultural agent, will judge the show, and a number of Duroc gilts already have been entered. The gilts were awarded the 4-H clubbers last spring by the Sears Foundation and the Extension Service.

Receiving the gilts were Jimmy Robertson of Ranger, Earl Fonville and Jay Grimshaw of Desdemona, Jerry Jerry Warren of Gorman, Joe Paul May of Carbon, Gary Moynard of Rising Star, Robert Bell and Phillip Harrelson of Nimrod.

## Times To Be Published On Tuesdays, Thursdays

The Ranger Daily Times, serving Ranger, Eastland County and the surrounding area, will be published semi-weekly—on Tuesday and Thursday afternoons—effective Thursday, Oct. 1, Joe Dennis and O. H. Dick publishers, announced today.

The change from daily—five days a week—publication to the new, semi-weekly schedule is being made to counteract increasing production costs, and, more important, to offer readers and advertisers a bigger and better newspaper, the publishers pointed out in making their formal announcement this morning.

The Times will continue to be delivered by carriers. The new, larger newspaper will be distributed to city subscribers every Tuesday and Thursday afternoon. The new subscription price for city subscribers will be \$2.50 per year, payable in advance.

On the basis of retail business volume and population, Ranger is no longer a daily publishing field such as it was for many years during and following the fabulous oil boom of three decades ago. Despite this fact, however, the publishers continued daily production as a public service, forsaking profit for the benefit of their readers and the general welfare of the community.

However, the increasing pressure of mounting production costs in recent years has made daily publication more and more difficult. In addition, there is a shortage of highly skilled labor in the printing and publishing industry.

The change to semi-weekly has been in planning during the past year, the publishers said.

"We investigated fully and gave the matter our most grave consideration for several months prior to coming to a decision," Dennis said.

"And now, in doing so, we feel that our newer and larger paper will feature an even greater abundance of local news and features than ever before—will be even more deeply appreciated by our readers and our advertisers."

Whereas daily publication accentuated much area, state and national news also published in larger dailies widely distributed in Ranger, the new semi-weekly Times will feature local and county news.

"We are proud that we will be able to offer our readers and advertisers a much-improved newspaper after Oct. 1," Dennis said, "and we wish to express our appreciation to our many friends and patrons for their valued support and goodwill down through the years."

Readers are invited to help make The Times bigger and better. The publishers will be happy to accept local news—personal, society items and happenings of interest to the citizens of Ranger and Eastland County. Just mail to The Ranger Times, Ranger, Texas. Or—call 234.

## Hummels Celebrate 60th Wedding Anniversary At Home Tuesday

Mr. and Mrs. F. W. Hummel celebrated their 60th wedding anniversary Tuesday, Sept. 22. Neighbors, friends and employees of the Lone Star Gas Producing Co. united in giving them a surprise open house reception at their home on Mesquite Street in Ranger.

Mr. and Mrs. Hummel were married in the Duquesne Hotel in Pittsburgh, Pa., on Sept. 22, 1893. They have two daughters, Mrs. Helen Meyers, Ashland, Ky., and Mrs. Lois Fyffe, St. Francisville, Ill. A son passed away eighteen years ago. They have seven grandchildren and two great grandchildren.

Mr. Hummel has been an oil field worker all his life, coming to Ranger to work for Chestnut and Smith many years ago.

Those who called during the day were Mrs. Gertrude Lowe, Mrs. Josephine Lawrence, Mrs. Chas. Hathcock, Mrs. Jesse Smith, Mrs. Ed Harper, Mrs. C. L. Shaffer, Mrs. Lucille Gray, Rev. and Mrs. Finis Crutchfield, Mrs. Chas. Ashcraft, Mrs. Crenshaw, Mrs. Geo. T. Williams, Mr. and Mrs. John Ivy, Scott Forney.

Mr. and Mrs. J. A. Bates, Mr. and Mrs. S. L. Kirkpatrick, Mr. and Mrs. R. W. Gordon, Mrs. Frank Arrendale, Mrs. W. D. Cose, Mrs. Mary Hancock, Mrs. A. W. Dooley, Arthur Deffebach, Mrs. C. W. Dooley, Miss Alta Mae Dooley, Miss Linda Shaffer, Miss Patsy Shaffer, all of Ranger; Mr. and Mrs. Don L. Fyffe, of Fort Worth; and Mrs. G. A. Fyffe, of St. Francisville, Ill.

## Ranger Rebekahs Meet on Tuesday

Members of the Ranger Rebekah Lodge No. 244 met at 7:30 Tuesday evening, Sept. 22, at Oddfellows Hall. The meeting was presided over by Vice-Grand May Smith.

Sick reports were given and routine business transacted. Plans were completed for the program for next Tuesday night. The play which is to be put on in Wichita Falls next month will be presented. Also, Lyle Mace, Breckenridge steel-guitar artist, is scheduled for an appearance. A small admission will be charged. Ice cream and cake will be served.

Those present were Meses, Ethel Johnson, Lee Graham, Ed Greer, Sadie Strong, Lulu Williams, Edna Huffman, Eleanor Horton, Gertrude Gideon, May Bearden, Clara Ivy, Lena Patterson, Eula Blackwell, Laura Melton, Lena McDonough, Irene Sides, Bertie Shipman, May Smith, Messrs. C. E. Bell and Jesse Smith.

## Priscilla Class Has Luncheon

Members of the Priscilla Sunday School class of the First Baptist Church met Tuesday, Sept. 22, at 12 noon at the church for a covered dish luncheon.

Roses sent by Mrs. Alvis Wood were used as the centerpiece for the table.

The devotional was given by Mrs. J. W. White. Mrs. Bill Bullock told of the work they will do in Oregon, where they are moving soon.

Gifts were presented to Mrs. Bullock and to Mrs. Bruce, the teacher.

Those present were Meses, J. C. Grissom, Bruce, Ralph Perkins, R. C. Nolan, L. G. Kennedy, B. B. Milmo, White, Cecil Meadows, D. A. Fawcett, T. J. Huling, J. T. Balkinapp, H. L. Coody and Mrs. Bullock.

## Mrs. C. E. May Sr. Is Hostess To WSCS Circle 2

Circle No. 2 of the WSCS of the First Methodist Church met Monday, Sept. 21, in the home of Mrs. C. E. May, Sr., with Mrs. J. M. Gholson and Mrs. C. E. May, Jr., as co-hostesses.

Mrs. Finis Crutchfield opened the meeting with a prayer. Mrs. W. F. Creager spoke on "Gift to the Great Outdoors." Mrs. J. D. Drennan, Mrs. Beverly Dudley, Jr., Mrs. Arthur Deffebach and Mrs. Pat Thomas gave a playlet on "A Souver West Path."

Mrs. Drennan concluded with a talk on "Abundant Life for Rural People," after which Mrs. Creager read a hymn, "O, Master Let Me Walk With Thee."

The business session was presided over by Mrs. Drennan. Mrs. May gave a report on the treasury and Mrs. Carroll Boone read the minutes of the previous meeting. Mrs. J. E. Matthews gave a report on our project for the colored school.

Refreshments were served to Meses, Drennan, Creager, J. L. Turner, Deffebach, Dudley, Boone, Thomas, J. E. Matthews, Crutchfield, Miss Beaulah Harrison and the hostess and co-hostesses.

The meeting was closed with a prayer by Mrs. Drennan. The next meeting will be in the home of Mrs. E. L. Dudley.

## Couple of Bright Pharmacists In Kansas U. Wed.

LAWRENCE, Kansas — The smartest pair in the University of Kansas school of pharmacy have joined forces.

Walter Haskins married Margaret Follett recently. They are seniors who almost have a corner on scholastic honors in their chosen field.

Haskins has a scholastic average of 2.96 of a possible 3.00. An outstanding high school athlete at Kansas City, Kan., where he set and holds the record in the decos throw, Haskins has made all "A's" at K. U. His lone "B" came while he was a pre-pharmacy student at Kansas City Junior College—and he graduated first in his class.

No Rivalry  
Mrs. Haskins has a 2.90 average. She made two "B's" in three years of college work at the same two schools.

In K. U., the then Mrs. Follett took top honors in U. S. pharmacy.

## Legion Ladies To Meet Thurs.

Members of the American Legion Auxiliary will meet at 7:30 Thursday evening, Sept. 24, at the hall.

A spokesman asked that all members pay their dues so as to make a good showing at the 17th district convention next month.

## Things Seen and Unseen—

... are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in clothes for several hundred dollars. Same-old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes—many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs, but it is still worth many times its cost. If you gamble never do it on land titles.

## First Methodist WSCS Meets

The W.S.C.S. of the First Methodist Church met at 9:30 Tuesday morning, Sept. 22 at the church.

The short business session was presided over by the president, Mrs. Arthur Deffebach, who opened with a prayer. Mrs. R. L. Willis read the minutes of the previous meeting.

The program was presented by the Literature and Publications chairman, Mrs. James Townzen. It was taken from "The Methodist Woman" and "The World Outlook," the main thought being that we are ambassadors for Christ.

Mrs. Morris Newnam talked on the work of Dr. Luke, a prominent physician in India—his influence and inspiration among the natives.

Mrs. George Rogers discussed "Missions—Through the Eyes of G.I.s."

The song "Are Ye Able" was sung by the group after which the devotional was given by Mrs. Townzen. The meeting was closed with prayer by Mrs. A. J. Ratliff.

It was announced that next Tuesday's meeting will be the first session of the mission study on "That the World May Know" by Chas. W. Ransom.

## Important S. S. Meet Tonight At First Baptist

A very important meeting is scheduled for the Officers and Teachers of the First Baptist Church at 6:30 in the lower auditorium. Final plans for promotion and the completion of the programs for Sunday. Each newly elected officer and teacher as well as those who will be retained in their present positions.

The growth and prosperity of the Sunday school during the past few years may be attributed to the excellent plans and wonderful leadership. The part that this school will play in the "Million More in '54" will be in keeping with the spirit of cooperation, the continued planning, and dynamic leadership displayed.

After departmental planning has been disposed of a brief lesson period will ensue and then the completion of the book, "The Pull of the People." The pastor will lead class, while Haskins went ahead in the junior year.

Who will win this year?  
"We don't care," Haskins said. "Our main object in school is to learn as much as we can and do the best we can."

The couple expects to live in Lawrence the next three years while Haskins works toward a Doctor of Philosophy degree in chemistry. The bride expects to graduate next spring and then work as a pharmacist.

 "Now you take me, I'm working on a field manual, and of all the lousy—"  
 After several well chosen expressions, the P. R. man finally reached his conclusion:  
 "Griping is the soldier's national pastime."  
 He's pretty sure the adjutant general doesn't need any survey to prove that.

We like this:  
 It is one of the most beautiful compensations of life that no man can sincerely try to help another without helping himself.—J. Pearson Webster.

The new truck driver, a college graduate, walked into the roadside eating place, swaggered up to the counter and flippantly gave his order—

"I crave piping hot ham, tenderized in an Old Dominion toothsome; make sure that imbedded therein is the fragrance of aromatic cloves, together with brown sugar of proven nutriment and overlain with delicious sauce such as would grace a grandmother's old recipe book.

"This ham aforementioned to be served between resplendent twin slices of vitamin-packed staff of life. With this draw me a brimming cup of sun flavored beans from the private estate of the best Brazilian planters, adding thereto a liberal portion of thick homogenized cream from the most contented bovines in the greenest pastures."

The waitress, with a very bored expression, popped her gum nonchalantly, turned about and shouted the order to the kitchen—

"Pig on... and java with!"  
 "Hello, beautiful, wanta neck?"  
 "No, thanks, I've already got one!"

Again we'd like to remind the sports fans in our assemblage this p.m. that Ranger's game with Wylie is not with Wylie High School of Wylie, Texas—but with Wylie High School of Abilene. Check that, pliz. And don't get off in the wrong direction. A little dope about Wylie's Bulldogs elsewhere in this edition of your Times... A good line is the shortest distance between two pints... Congratulations to Pete Brasher, new president of the Men's Brotherhood of the First Baptist Church...

You out-of-city-limits folks who receive statements from the City of Ranger for personal taxes: Don't scream your head off, just write "Live out of city limits" on the statement and bring or mail it back to the City Hall in Ranger and it'll be cancelled... Attention, RHS Bulldogs backers—You can get windshield stickers with the Maroon & Whiteners' schedule thereon (and they're really attractive this year) at the Anderson Chevrolet Company in downtown Ranger. Better drop in today. Supply limited... Analyze it: ignorance and conceit—about fifty-fifty... Mrs. Don Butler says you folks haven't called in—that is, all of you—those names and addresses or Ranger service men overseas with the U. S. armed forces. Can you help? Call 245... Fire Chief Charlie Laniel, who formerly headquartered at the Fire Hall on Elm, is now spending a great deal of time at the City Hall in RFD headquarters. Handling the gentlemen's office... And that reminds us that Chief W. G. Pounds' new private sanctum is really a dilly... A Ranger County Clybber quips: Many gollers come in with a good score, but you can't get them to tell the hole truth!... Calmest coach in town: Big Sam Mills, the OU Split-T professor out at Ranger Junior College. Spent Saturday afternoon leisurely lugging around, chatting calmly and somewhat lazily with friends, and nonchalantly with no signs of nervousness puffing contentedly on those slim white cylinders... Success, when it wants to be a lone, usually goes to a man's head!

A lot of men believe in love at first sight because it saves a lot of time and money!

**Fordomatic leaves 'em all behind**—It's the newest word in smooth, versatile automatic drives... and it does its job so well that the whole car industry is scampering to catch up.

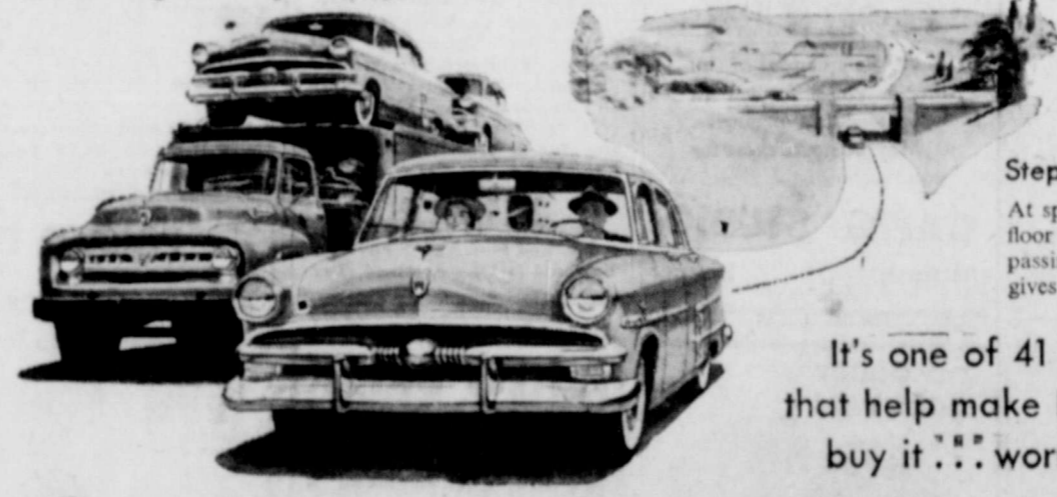

**Automatic Gears Plus Torque Converter**  
 Does more things automatically  
 Fordomatic goes far beyond the range of ordinary automatic transmissions to give you extra safety and driving convenience. You have at your command extra passing power all the way up to 58 miles per hour and extra engine braking at any speed.

**Quick on the draw**  
 Response is terrific! With Fordomatic's versatile "getaway" gear, Fordomatic slips gently, automatically into high at just the right moment. If safety permits, you may go all the way up to 65 mph in "double-time" before the shift takes place.

**"Rocking" out's a cinch**  
 By moving the Safety-Sequence Selector lever between reverse and low, and accelerating slightly you get out of snow or mud in a jiffy. And with Fordomatic you can get a "push-start" at low speed.

**Step down and "zoom"**  
 At speeds below 58 mph, just press the accelerator to the floor and you get up to 50% extra pulling power for passing or hill-climbing. Only Fordomatic, in its field, gives you this extra pull at such high speed.

It's one of 41 "Worth More" features that help make Ford worth more when you buy it... worth more when you sell it!

See it... Value Check it... Test Drive it!
